- Where able and feasible, districts look towards reducing their cloud footprint and finding ways around subscription pricing models that rely on continuous (and increasing) funding levels.
- Finding ways to repatriate some data to on-premise datacenters or home-grown solutions becomes more and more feasible and preferable.

- Focusing on improving or refining existing processes and documentation

SCOPE OF WORK

Leading Equity Across Diverse Environments with Revolutionary Synergy (LEADERS)

1

SUBAWARD SCOPE OF WORK

Prairie View A&M University's Leading Equity Across Diverse Environments with Revolutionary Synergy (LEADERS)

and

Harris County Department of Education

I. MISSION

This Scope of Work (SOW) is an arrangement between parties associated with educational entities. This SOW replaces existing memoranda of understanding/ agreements that may exist among the parties as related to the LEADERS program.

This Scope of Work (SOW) establishes a collaboration between parties:

1. Leading Equity Across Diverse Environments with Revolutionary Synergy (hereinafter "LEADERS") at Prairie View A&M University. LEADERS is a sponsored, highly selective residency model that recruits, trains, and supports teachers and leaders for high-needs and hard-to-staff schools. LEADERS residents learn alongside top district mentors for an entire year while earning a graduate degree.
2. Harris County Department of Education (hereinafter "the school district").

II. PURPOSE AND SCOPE

Graduate students of the Prairie View A&M University Whitlowe R. Green College of Education (WRGCOE) will successfully complete a year-long residency in the school district. There are two main components of the LEADERS project: (1) initial teacher certification with post-baccalaureate students at WRGCOE, and (2) principalship certification with master's students at WRGCOE.

By participating in the LEADERS project, students pursuing initial teacher certification from the WRGCOE will complete a year-long teacher residency in the school district. Upon successfully completing the residency year, residents will then sign a teaching contract with the school district for a minimum of three (3) years. The target population is post-baccalaureate students enrolled in a master's program in the WRGCOE. The prospective initial teacher certification seeking residents will receive the following benefits facilitated by LEADERS:

1. one-on-one training with a content-specific career instructional coach throughout the residency year;
2. two years of induction support from the school district post-residency year;
3. living wage stipend comparable to the school district new teacher salary during the one-year residency;
4. coursework designed to support teaching certification;
5. support from a highly-effective classroom mentor from school district, LEADERS faculty, and local community;
6. free professional development opportunities each semester to support certification exam preparation and instructional development;
7. opportunities for paid after-school tutoring;
8. iPad use during residency and induction years;
9. job placement in the partner school district.

In addition, students pursuing a principal certification from PVAMU- WRGCOE will complete a year-long principal leadership residency in the school district. The target population is students enrolled in a master's principalship program in the WRGCOE. The prospective principal certification seeking residents will receive the following benefits facilitated by LEADERS:

1. Curriculum consistent with infusing culturally responsive leadership;
2. Professional development consistent with culturally responsive and sustainable best practices, utilizing leaders with established credibility in addressing challenges unique to African American children and their families ;
3. One-on-one mentorship for residents seeking principal instructional leadership certification through structured mentorship opportunities;
4. Professional development focused on school, family and community partnership activities during the residency and post-residency years;
5. Professional stipend to participate in administrative duties alongside a highly qualified administrator.

The grant funding has been awarded by the U.S. Department of Education to WRGCOE for LEADERS; the school district is the sub-awardee. As such, WRGCOE is the grantee and will serve as the fiduciary to ensure all financial obligations are honored.

GRANT AWARD NOTIFICATION

(2) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN. If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/ AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:
1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient. (See 2 CFR 200.331(a))
2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").
3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract. (See 2 CFR 200.1)

(3) Unless this grant solely funds research, you must comply with new regulations regarding awards to faith-based organizations (FBOs) that provide beneficiary services under this grant or under a contract you award to provide beneficiary services under this grant. These new regulations clarify the rights of FBOs and impose certain duties on FBOs regarding the referral of beneficiaries they serve. See 34 CFR 75.52, 75.712-75.714, appendix A to part 75, and 2 CFR 3474.15. The Department has established a web page that provides guidance on the new regulations, including FAQs and other implementation tools, which is available at http://www2.ed.gov/policy/fund/reg/fbci-reg.html. If you have any questions about these regulations, please contact the Education Program Contact identified in Block 3 of this GAN.

(4) Reimbursement of indirect costs is subject to the availability of funds and statutory and regulatory restrictions. The negotiated indirect cost rate agreement authorizes a non-Federal entity to draw down indirect costs from the grant awards. The following conditions apply to the below entities.

A. All entities (other than institutions of higher education (IHE))

The GAN for this grant award shows the indirect cost rate that applies on the date of the initial grant for this project. However, after the initial grant date, when a new indirect cost rate agreement is negotiated, the newly approved indirect cost rate supersedes the indirect cost rate shown on the GAN for the initial grant. This new indirect cost rate should be applied according to the period specified in the indirect cost rate agreement, unless expressly limited under EDGAR or program regulations. Any grant award with an approved budget can amend the budget to account for a change in the indirect cost rate. However, for a discretionary grant award any material changes to the budget which may impact the scope or objectives of the grant must be discussed with the program officer at the Department. See 34 CFR 75.560 (d)(3) (ii) (part 75 of EDGAR).

B. Institutions of higher education (IHE)

Under 2 CFR part 200, Appendix III, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs), the Department must apply the negotiated indirect cost rate in effect on the date of the initial grant award to every budget period of the project, including all continuation grants made for this project. See 2 CFR Part 200, Appendix III, paragraph C.7. Therefore, the GAN for each continuation grant will show the original indirect cost rate and it applies to the entire period of performance of this project. If the indirect cost rate agreement that is applicable to this grant does not extend to the end of the grant s project period, the indirect cost rate set at the start of the project period must still be applied to the end of project period regardless of the fact that the rate has otherwise expired.

(5) Revised Budget: The following condition will be imposed on all grantees recommended for funding:
The grantee must submit a revised budget covering Year 1 of the grant award that aligns with the actual amount of funding that the grantee receives from the Department. The revised budget must be within the scope of the approved project and must align with all initial goals and objectives of the approved application. The grantee must submit this revised budget within 30 days of the grant award.
If you wish to request reconsideration of these specific conditions, please send written notification describing why such conditions should not be imposed on this grant to your Department program officer.

For the current budget period and any subsequent budget period, the grantee may only draw down funds in accordance with its approved budget for that budget period and may not draw down funds in excess of that amount without prior approval.
If you wish to request reconsideration of these specific conditions, please send written notification describing why such conditions should not be imposed on this grant to your Department program officer.

SPECIFIC GRANT TERMS AND CONDITIONS FOR FINANCIAL AND PERFORMANCE REPORTS

PERFORMANCE REPORTS:

(1) FINAL REPORTS - ALL RECIPIENTS are required to submit a final performance report within 120 days after the expiration or termination of grant support in accordance with submission instructions provided in box 10 of the Grant Award Notification (GAN), or through another notification provided by the Department of Education (Department) (2 CFR § 200.329(c)).

(2) ANNUAL, QUARTERLY, or SEMIANNUAL REPORTS - ALL RECIPIENTS of a multi-year discretionary award must submit an annual Grant Performance Report (34 CFR § 75.118). The annual performance report shall provide the most current performance and financial expenditure information that is sufficient to meet the reporting requirements of 2 CFR §§ 200.328, 200.329, and 34 CFR § 75.720.

Your education program contact will provide you with information about your performance report submissions, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification provided by the Department. The grant term or condition in box 10 on the GAN or another notification may reflect any of the following:

1. That a performance report is due before the next budget period begins. The report should contain current performance and financial expenditure information for this grant. It will either identify the date the performance report is due or state that the Department will provide additional information about this report, including due date, at a later time.

2. That an interim performance report is required because of the nature of the award or because of statutory or regulatory provisions governing the program under which this award is made, and that the report is due more frequently than annually as indicated, e.g., due quarterly and submitted within 30 days after the end of each quarter, or due semiannually and submitted within 30 days after the end of each 6-month period (2 CFR § 200.329(c)(1)).

3. That other reports are required, e.g., program specific reports required in a program's statute or regulation.

(3) FINANCIAL REPORTS – SOME RECIPIENTS:

If a financial report is required, your education program contact will provide you with information about your financial report submission, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification.

A Standard Form (SF) 425 Federal Financial Report (FFR) is required if:

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;

3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with 2 C.F.R. part 200.208 and part 3474.10 and required the submission of the FFR.

If the FFR is required, the notification may indicate one of the following (see the form and its instructions at Standard Form (SF) 425 Federal Financial Report (FFR)):

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30, and are due within 30 days after each reporting period.

2. Semi-annual - FFRs are required for reporting periods ending on 03/31 and 09/30, and are due within 30 days after each reporting period.

3. Annual - FFRs are required for reporting period ending 09/30, and is due within 30 days after the reporting period.

4. Final - In coordination with the submission of final performance reports, FFRs are due within 120 days after the project or grant period end date (2 CFR 200.328).

When completing an FFR for submission, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Prohibited:* While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants. Thus, a Department grantee that is required to submit an FFR in accordance with any of the above referenced selections must complete and submit one FFR for each of its grants. Do not use the FFR attachment (Standard Form 425A), which is available for reporting multiple grants, for reporting on Department grants. As such, references to multiple grant reporting and to the FFR attachment in items 2, 5 and 10 of the FFR are not applicable to Department grantees. With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple award, multiple grant, and FFR attachment references found in items 2, 5, 6, before 10(a), in item 10(b), before 10(d), before 10(i) and before 10(l) of the Line Item Instructions for the FFR are not applicable to Department grants.

2. *Program Income*: Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 2 CFR Part 200.307. A grantee is permitted, in accordance with 2 CFR Part 200.307, to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.

3. *Indirect Costs:* A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.

A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 10% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate. The de minimis rate of 10% of MTDC consists of:

> All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first $25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items, including contract costs in excess of $25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with EDGAR § 75.562 (c), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States[1] as defined in 2 CFR § 200.1

A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a). A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government[2] that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated. If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).

Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a). Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.

For detailed information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates see GAN ATTACHMENT 4.

4. *Supplemental Pages:* If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: the PR/Award Number

[1] Note that a State-funded institution of higher education is not considered a "State government" for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.
[2] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

also known as the Federal Identifying Number or FAIN, recipient organization, Unique Entity Identifier, Employer Identification Number (EIN), and period covered by the report.

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is **not** applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 10 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)[1], or nonprofit organization) that expends $750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.

2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program–specific audit conducted. A program–specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.

3. Exemption when Federal awards expended are less than $750,000. A non-Federal entity that expends less than $750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report (2 CFR § 200.334)

4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.

5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form electronically to the Federal Audit Clearinghouse at:

[1] As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

https://facides.census.gov/Account/Login.aspx.

The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oignon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at https://www2.ed.gov/about/offices/list/oig/nonfed/index.html. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). The SF-SAC: Data Collection Form can be found at the Federal Audit Clearinghouse at: https://facides.census.gov/Files/2019-2021%20Checklist%20Instructions%20and%20Form.pdf.

Recipients must comply with these conditions under Division H, Title V, Section 505 of Public Law 116-260, Consolidated Appropriations Act, 2021.

PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI) and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered TINs according to the IRS.

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

1. Requirement for System for Award Management (SAM)

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at https://www.sam.gov).

2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.

3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.

4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

KEY FINANCIAL MANAGEMENT REQUIREMENTS FOR DISCRETIONARY GRANTS AWARDED BY THE DEPARTMENT OF EDUCATION

The Department expects grantees to administer Department grants in accordance with generally accepted business practices, exercising prudent judgment so as to maintain proper stewardship of taxpayer dollars. This includes using fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds. In addition, grantees may use grant funds only for obligations incurred during the funding period.

Title 2 of the Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," establishes requirements for Federal awards made to non-Federal entities. The Education Department General Administrative Regulations in 34 CFR (EDGAR) 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99 contain additional requirements for administering discretionary grants made by this Department. The most recent version of these regulations may be accessed at the following URLs:

The Education Department General Administrative Regulations (EDGAR)

2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

The information on page 2, "Selected Topics in Administering Department Discretionary Grants," highlights major administrative requirements of 2 CFR Part 200. In addition, a few of the topics discuss requirements that the Department imposes on its discretionary grantees under EDGAR, Part 75 (Direct Grants). The specific sections of 2 CFR Part 200 and of EDGAR that address the topics discussed are shown in parentheses. The Department urges grantees to read the full text of these and other topics in EDGAR and in 2 CFR Part 200.

Grantees are reminded that a particular grant might be subject to additional requirements of the authorizing statute for the program that awarded the grant and/or any regulations issued by the program office. Grantees should become familiar with those requirements as well, because program-specific requirements might differ from those in 2 CFR Part 200 and in EDGAR.

The Department recommends that the project director and the fiscal management staff of a grantee organization communicate frequently with each other about the grant budget. Doing so will help to assure that you use Federal funds only for those expenditures associated with activities that conform to the goals and objectives approved for the project.

Grantees may direct any questions regarding the topics discussed on page 2, "Selected Topics in Administering Department Discretionary Grants,"or about any other aspect of administering your grant award to the Department program staff person named in Block 3 of the Grant Award Notification.

SELECTED TOPICS IN ADMINISTERING DEPARTMENT DISCRETIONARY GRANTS

I. Financial Management Systems (2 CFR Part 200.302)

In general, grantees are required to have financial management systems that:

* provide for accurate, current, and complete disclosure of results regarding the use of funds under grant projects;
* provide adequate source documentation for Federal and non-Federal funds used under grant projects;
* contain procedures to determine the allowability, allocability, and reasonableness of obligations and expenditures made by the grantee; and
* enable the grantee to maintain effective internal control and fund accountability procedures, e.g., requiring separation of functions so that the person who makes obligations for the grantee is not the same person who signs the checks to disburse the funds for those obligations.

State systems must account for funds in accordance with State laws and procedures that apply to the expenditure of and the accounting for a State's own funds. A State's procedures, as well as those of its subrecipients and cost-type contractors, must be sufficient to permit the preparation of reports that may be required under the award as well as provide the tracing of expenditures to a level adequate to establish that award funds have not been used in violation of any applicable statutory restrictions or prohibitions.

II. Federal Payment (2 CFR Part 200.305)

Under this part --

* the Department pays grantees in advance of their expenditures if the grantee demonstrates a willingness and ability to minimize the time between the transfer of funds to the grantee and the disbursement of the funds by the grantee;
* grantees repay to the Federal government interest earned on advances; and
* grantees, generally, must maintain advance payments of Federal awards in interest bearing accounts.

In general, grantees should make payment requests frequently, only for small amounts sufficient to meet the cash needs of the immediate future.

The Department has recently encountered situations where grantees failed to request funds until long after the grantee actually expended its own funds for the costs of its grant. Grantees need to be aware that, by law, Federal funds are available for grantees to draw down for only a limited period of time, after which the funds revert to the U.S. Treasury. In some cases grantees have requested funds too late for the Department to be able to pay the grantees for legitimate costs incurred during their project periods.

The Department urges financial managers to regularly monitor requests for payment under their grants to assure that Federal funds are drawn from the Department G5 Payment System at the time those funds are needed for payments to vendors and employees.

III. Personnel (EDGAR §§ 75.511-75.519 and 2 CFR Part 200 Subpart D and E)

The rules governing personnel costs are located in EDGAR Part 75 and 2 CFR Part 200 Subparts D and E. Part 75 covers issues such as paying consultants with grant funds, prohibiting dual compensation of staff, and waiving the requirement for a full-time project director. The rules clarifying changes in key project staff are located in 2 CFR Part 200.308 (c)(2). General rules governing reimbursement of salaries and compensation for staff working on grant projects are addressed in the cost principles in 2 CFR Part 200 Subpart D and E. In all cases, payments of any type to personnel must be supported by complete and accurate records of employee time and effort. For those employees that work on multiple functions or separately funded programs or projects, the grantee must also maintain time distribution records to support the allocation of employee salaries among each function and separately funded program or project.

IV. Cost Principles (2 CFR Part 200 Subpart E)

All costs incurred under any grant are subject to the cost principles found in 2 CFR Part 200 Subpart E. The cost principles provide lists of selected items of allowable and unallowable costs, and must be used in determining the allowable costs of work performed under the grant.

V. Procurement Standards (2 CFR Part 200.317-327)

Under 2 CFR Part 200.317, States are required to follow the procurement rules the States have established for purchases funded by non-Federal sources. When procuring goods and services for a grant's purposes, all other grantees may follow their own procurement procedures, but only to the extent that those procedures meet the minimum requirements for procurement specified in the regulations. These requirements include written competition procedures and codes of conduct for grantee staff, as well as requirements for cost and price analysis, record-keeping and contractor compliance with certain Federal laws and regulations. These regulations also require grantees to include certain conditions in contracts and subcontracts, as mandated by the regulations and statutes.

VI. Indirect Costs (EDGAR §§75.560-564 and 2 CFR Part 200.414)

In addition to the information presented beslow, see GAN ATTACHMENT 4 for addional information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates.

A. Unrestricted Indirect Cost Rate

To utilize an unrestricted indirect cost rate, a grantee must have an indirect cost agreement with its cognizant agency, submit an indirect cost rate proposal to its cognizant agency for indirect

costs (cognizant agency) within 90 days after the award of this grant or elect to utilize the de minimis rate under 2 CFR § 200.414(f) or the temporary indirect cost rate (subject to limitations described below).

The grantee must provide proof of its negotiated indirect cost rate agreement to the Department as soon as it has signed such an agreement with its cognizant agency.

B. Temporary Indirect Cost Rate

A grantee that does not have a current negotiated indirect cost rate agreement may recover indirect costs at a temporary rate, which is limited to 10% of budgeted direct salaries and wages (See 34 CFR § 75.560(c)); or it may choose not to charge indirect costs to the grant. The temporary rate can only be used for 90 days unless the exceptional circumstances apply under 34 CFR § 75.560(d)(2).

If the grantee has not submitted its indirect cost proposal to its cognizant agency within the 90-day period, it may no longer recover indirect costs utilizing the temporary indirect cost rate until it has negotiated an indirect cost rate agreement with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

C. De minimis Indirect Cost Rate

Institutions of Higher Education (IHEs), federally-recognized Indian Tribes, State and Local Governments[1] receiving less than $35 million in direct federal funding, and nonprofit organizations, if they do not have a current negotiated (including provisional) rate, and are not subject to the Department's training rate or restricted rate (supplement-not-supplant provisions) may elect to charge a de minimis indirect cost rate of 10% of modified total direct costs (MTDC). This rate may be used indefinitely.

MTDC consists of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first $25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items, including contract costs in excess of $25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

Additionally, the de minimis rate may not be used by grantees that are subject to the Department's training indirect cost rate (34 CFR § 75.562) or restricted indirect cost rate. The de minimis rate may be used indefinitely. However, if a grantee chooses to use the de minimis rate to recover indirect costs, it must do so for all of its Federal awards until such time as the grantee negotiates an indirect cost rate with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

[1] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

D. Programs with a Supplement-not-supplant requirement (restricted indirect cost rate)

A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government[2] that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated.

E. Training Grant Indirect Cost Rate

If the grantee is a training grant recipient and is not a State, local, or Tribal government[3], the grantee must negotiate a rate under 34 CFR 75.562. This provision limits indirect cost recovery to 8% of modified total direct costs or the grantees negotiated indirect cost rate, whichever is less.

The recovery using the training grant indirect cost rate is subject to the following limitations:

i. The lesser of the 8% indirect cost rate or negotiated indirect cost rate also applies to sub-awards that fund training.
ii. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR § 200.1, respectively.
iii. Indirect costs in excess of the 8% limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.
iv. A grantee using the training rate of 8% is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least 8%.

F. Program-Specific Indirect Cost Rate

Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery instead of the general requirements described here.

VII. Audit Requirements (2 CFR Part 200 Subpart F)

2 CFR 200 Subpart F requires that grantees that are non-Federal entities (a State, local government, Indian tribe, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient) obtain a non-Federal audit of their expenditures under their Federal grants if the grantee expends more than $750,000 in Federal funds in one fiscal year. 2 CFR Part 200 Subpart F contains the requirements imposed on grantees for

[2] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.
[3] Note that a State-funded institution of higher education is not considered a "State government" for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

audits done in connection with the law.

The Department recommends hiring auditors who have specific experience in auditing Federal awards under the regulations and the Compliance Supplement.

VIII. Other Considerations

Some other topics of financial management covered in 2 CFR Part 200 that might affect particular grants include program income (2 CFR Part 200.307), cost sharing or matching (2 CFR Part 200.306), property management requirements for equipment and other capital expenditures (2 CFR Parts 200.313, 200.439).

MEMORANDUM TO ED DISCRETIONARY GRANTEES

You are receiving this memorandum to remind you of Federal requirements, found in 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements,* regarding cash drawdowns under your grant account.

For any cash that you draw from your Department of Education (*the* Department) grant account, you must:

- draw down only as much cash as is necessary to meet the immediate needs of the grant project;
- keep to the minimum the time between drawing down the funds and paying them out for grant activities; and
- return to the Government the interest earned on grant funds deposited in interest-bearing bank accounts except for a small amount of interest earned each year that your entity is allowed to keep to reimburse itself for administrative expenses).

In order to meet these requirements, you are urged to:

- take into account the need to coordinate the timing of drawdowns with prior internal clearances (e.g., by boards, directors, or other officials) when projecting immediate cash needs so that funds drawn down from ED do not stay in a bank account for extended periods of time while waiting for approval;
- monitor the fiscal activity (drawdowns and payments) under your grant on a continuous basis;
- plan carefully for cash flow in your grant project during the budget period and review project cash requirements before each drawdown; and
- pay out grant funds for project activities as soon as it is practical to do so after receiving cash from the Department.

Keep in mind that the Department monitors cash drawdown activity for all grants. Department staff will contact grantees who appear to have drawn down excessive amounts of cash under one or more grants during the fiscal quarter to discuss the particular situation. For the purposes of drawdown monitoring, the Department will contact grantees who have drawn down 50% or more of the grant in the first quarter, 80% or more in the second quarter, and/or 100% of the cash in the third quarter of the budget period. However, even amounts less than these thresholds could still represent excessive drawdowns for your particular grant activities in any particular quarter. Grantees determined to have drawn down excessive cash will be required to return the excess funds to the Department, along with any associated earned interest, until such time as the money is legitimately needed to pay for grant activities. If you need assistance with returning funds and interest, please contact the Department's G5 Hotline by calling 1-888-336-8930.

Grantees that do not follow Federal cash management requirements and/or consistently appear on the Department's reports of excessive drawdowns could be:

- subjected to specific award conditions or designated as a "high-risk" grantee [2 CFR Part 200.208 and 2 CFR 3474.10], which could mean being placed on a "cash-reimbursement" payment method (i.e., a grantee would experience the inconvenience of having to pay for grant activities with its own money and waiting to be reimbursed by the Department afterwards);

- subject to further corrective action;
- denied selection for funding on future ED grant applications [EDGAR 75.217(d)(3)(ii)]; and/or
- debarred or suspended from receiving future Federal awards from any executive agency of the Federal government.

You are urged to read 2 CFR Part 200.305 to learn more about Federal requirements related to grant payments and to determine how to apply these requirements to any subgrantees. You are urged to make copies of this memorandum and share it with all affected individuals within your organization.

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
  - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
  - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
  - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
  - Federal grant funds cannot be used to pay for alcoholic beverages; and
  - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
  - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
  - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

  > The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
  - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION GRANTEES OF EXISTING CASH MANAGEMENT REQUIREMENTS CONCERNING PAYMENTS

The Department of Education (Department) requires that its grantees adhere to existing cash management requirements concerning payments and will ensure that their subgrantees are also aware of these policies by providing them relevant information. A grantee's failure to comply with cash management requirements may result in an improper payment determination by the Department in accordance with the Payment Integrity Information Act (PIIA) of 2019.

There are three categories of payment requirements that apply to the drawdown of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,[1] as follows:

1. Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);

2. Payments to States under programs that are not covered by a TSA; and

3. Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs meeting thresholds in 31 CFR § 205.5) are included in a State's written TSA. See 31 CFR § 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR § 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR § 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR § 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR § 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

[1] The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR § 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR § 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR § 200.305(b). These requirements are like those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR § 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrate the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability." 2 CFR § 200.305(b)(1). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR § 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR § 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

Grantees and subgrantees must annually remit interest earned on federal advance payments except that interest earned amounts up to $500 per year may be retained for administrative expense. Any additional interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. 2 CFR § 200.305(b)(9)(i) and (ii).

1. When returning interest through ACH Direct Deposit or Fedwire, grantees must include the following in their return transaction:

    - PMS Account Number (PAN). NOTE: The PAN is the same series of alpha-numeric characters used for payment request purposes (e.g.: C1234G1).
    - PMS document number.
    - The reason for the return (e.g., interest, part interest part other, etc.).
    - An explanation stating that the refund is for interest payable to the Department of Health and Human Services, and the grant number(s) for which the interest was earned.

    a. U.S. Department of Education grantees are generally located and operate domestically and return interest domestically. Below is PSC ACH account information for interest returned

domestically. For international ACH interest returned, account information is available at: Returning Funds/Interest.

- PSC ACH Routing Number is: 051036706
- PSC DFI Accounting Number: 303000
- Bank Name: Credit Gateway - ACH Receiver
- Location: St. Paul, MN

b. Service charges may be incurred from a grantee's financial institution when a Fedwire to return interest is initiated. For FedWire returns, Fedwire account information is as follows:

- Fedwire Routing Number: 021030004
- Agency Location Code (ALC): 75010501
- Bank Name: Federal Reserve Bank
- Treas NYC/Funds Transfer Division
- Location: New York, NY

2. Interest may be returned by check using only the U.S. Postal Service; however, returning interest via check may take 4-6 weeks for processing before a check payment may be applied to the appropriate PMS account.

a. Interests returned by check are to be mailed (USPS only) to:

- HHS Program Support Center
  PO Box 979132
  St. Louis, MO 63197

A brief statement explaining the nature of the return must be included.

b. To return interest on a grant not paid through the PMS, make the check payable to the Department of Health and Human Services, and include the following with the check:

- An explanation stating that the refund is for interest
- The name of the awarding agency
- The grant number(s) for which the interest was earned
- The return should be made payable to: Department of Health and Human Services.

3. For detailed information about how to return interest, visit the PSC Retuning Funds/Interest page at: Returning Funds/Interest

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR § 200.332, pass-through entities must –

1. Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring.

2. Monitor the performance and fiscal activities of the subrecipient to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

A small number of Department grant programs have program-specific cash management and payment requirements based on the authorizing legislation or program regulations. These program-specific requirements may supplement or override general cash management or payment requirements. If you have any questions about your specific grant, please contact the Education Program Contact listed in Block 3 of your Grant Award Notification.

RECIPIENTS OF DEPARTMENT OF EDUCATION GRANTS AND COOPERATIVE AGREEMENTS FREQUENTLY ASKED QUESTIONS ON CASH MANAGEMENT

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990* (*CMIA*) establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl. Non-Federal entities other than States follow the rules on Federal payments set out in 2 CFR 200.305.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, GAN Enclosure 4.

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program, Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

A When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.

Q **Who is responsible for Cash Management?**

A Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.

Q **Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?**

A Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.

Q **How soon may I draw down funds from the G5 grants management system?**

A Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:

By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)

Q **How may I use Federal funds?**

A Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.

Q **What are the consequences to recipients/subrecipients for not complying with terms of the grant award?**

A If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may in accordance with 2 CFR 200.339 take one or more of the following actions:

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q **Who is responsible for determining the amount of interest owed to the Federal government?**

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305.

Q **What information should accompany my interest payment?**

A In accordance with 2 CFR 200.305(b)(9), interest in access of $500.00 earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

For returning interest on Federal awards paid through PMS, the refund should:
(a) Provide an explanation stating that the refund is for interest;
(b) List the PMS Payee Account Number(s) (PANs);
(c) List the Federal award number(s) for which the interest was earned; and
(d) Make returns payable to: Department of Health and Human Services.

For returning interest on Federal awards not paid through PMS, the refund should:
(a) Provide an explanation stating that the refund is for interest;
(b) Include the name of the awarding agency;
(c) List the Federal award number(s) for which the interest was earned; and
(d) Make returns payable to: Department of Health and Human Services.

For additional information about returning interest see GAN ATTACHMENT 4.

Q **Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?**

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

Q **For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?**

A A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).

Q **Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?**

A Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.

TERMS AND CONDITIONS

(1) The Office of Management and Budget requires all Federal agencies to assign a Federal Award Identifying Number (FAIN) to each of their financial assistance awards. The PR/AWARD NUMBER identified in Block 2 is your FAIN. If subawards are permitted under this grant, and you choose to make subawards, you must document the assigned PR/AWARD NUMBER (FAIN) identified in Block 2 of this Grant Award Notification on each subaward made under this grant. The term subaward means:
1. A legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient. (See 2 CFR 200.331(a))
2. The term does not include your procurement of property and services needed to carry out the project or program (The payments received for goods or services provided as a contractor are not Federal awards, see 2 CFR 200.501(f) of the OMB Uniform Guidance: "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards").
3. A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract. (See 2 CFR 200.1)

(2) THE FOLLOWING ITEMS ARE INCORPORATED IN THE GRANT AGREEMENT:

1) THE RECIPIENT'S APPLICATION (BLOCK 2);
2) THE APPLICABLE EDUCATION DEPARTMENT REGULATIONS: 2 CFR PART 180, NONPROCUREMENT DEBARMENT AND SUSPENSION AS ADOPTED AT 2 CFR PART 3485; 2 CFR PART 200 AS ADOPTED AT 2 CFR 3474 (BLOCK 8), AND 34 CFR PARTS 75, 77, 79, 81, 82, 84, 86, 97, 98, 99; AND THE PROGRAM REGULATIONS SPECIFIED IN BLOCK 8; AND
3) THE SPECIAL TERMS AND CONDITIONS SHOWN AS ATTACHMENTS IN BLOCK 8 ON THE INITIAL AWARD APPLY UNTIL CHANGED.

THIS AWARD SUPPORTS ONLY THE BUDGET PERIOD SHOWN IN BLOCK 6. IN ACCORDANCE WITH 34 CFR 75.253, THE SECRETARY CONSIDERS, AMONG OTHER THINGS, CONTINUED FUNDING IF:

1) CONGRESS HAS APPROPRIATED SUFFICIENT FUNDS UNDER THE PROGRAM;
2) THE DEPARTMENT DETERMINES THAT CONTINUING THE PROJECT WOULD BE IN THE BEST INTEREST OF THE GOVERNMENT;
3) THE GRANTEE HAS MADE SUBSTANTIAL PROGRESS TOWARD MEETING THE GOALS AND OBJECTIVES OF THE PROJECT;
4) THE SECRETARY ESTABLISHED PERFORMANCE MEASUREMENT REQUIREMENTS FOR THE GRANT IN THE APPLICATION NOTICE, THE PERFORMANCE TARGETS IN THE GRANTEE'S APPROVED APPLICATION;
5) THE RECIPIENT HAS SUBMITTED REPORTS OF PROJECT PERFORMANCE AND BUDGET EXPENDITURES THAT MEET THE REPORTING REQUIREMENTS FOUND AT 34 CFR 75.118, 2 CFR 200.328 AND 200.329, AND ANY OTHER REPORTING REQUIREMENTS ESTABLISHED BY THE SECRETARY; AND

6) THE GRANTEE HAS MAINTAINED FINANCIAL AND ADMINISTRATIVE MANAGEMENT SYSTEMS THAT MEET THE REQUIREMENTS IN 2 CFR 200.302, FINANCIAL MANAGEMENT, AND 2 CFR 200.303, INTERNAL CONTROLS.

IN ACCORDANCE WITH 2 CFR 200.308(c)(2) CHANGES TO KEY PERSONNEL IDENTIFIED IN BLOCK 5 MUST RECEIVE PRIOR APPROVAL FROM THE DEPARTMENT.

THE SECRETARY ANTICIPATES FUTURE FUNDING FOR THIS AWARD ACCORDING TO THE SCHEDULE IDENTIFIED IN BLOCK 6. THESE FIGURES ARE ESTIMATES ONLY AND DO NOT BIND THE SECRETARY TO FUNDING THE AWARD FOR THESE PERIODS OR FOR THE SPECIFIC AMOUNTS SHOWN. THE RECIPIENT WILL BE NOTIFIED OF SPECIFIC FUTURE FUNDING ACTIONS THAT THE SECRETARY TAKES FOR THIS AWARD.

(3) Unless this grant solely funds research, you must comply with new regulations regarding awards to faith-based organizations (FBOs) that provide beneficiary services under this grant or under a contract you award to provide beneficiary services under this grant. These new regulations clarify the rights of FBOs and impose certain duties on FBOs regarding the referral of beneficiaries they serve. See 34 CFR 75.52, 75.712-75.714, appendix A to part 75, and 2 CFR 3474.15. The Department has established a web page that provides guidance on the new regulations, including FAQs and other implementation tools, which is available at http://www2.ed.gov/policy/fund/reg/fbci-reg.html. If you have any questions about these regulations, please contact the Education Program Contact identified in Block 3 of this GAN.

(4) Reimbursement of indirect costs is subject to the availability of funds and statutory and regulatory restrictions. The negotiated indirect cost rate agreement authorizes a non-Federal entity to draw down indirect costs from the grant awards. The following conditions apply to the below entities.

A. All entities (other than institutions of higher education (IHE))

The GAN for this grant award shows the indirect cost rate that applies on the date of the initial grant for this project. However, after the initial grant date, when a new indirect cost rate agreement is negotiated, the newly approved indirect cost rate supersedes the indirect cost rate shown on the GAN for the initial grant. This new indirect cost rate should be applied according to the period specified in the indirect cost rate agreement, unless expressly limited under EDGAR or program regulations. Any grant award with an approved budget can amend the budget to account for a change in the indirect cost rate. However, for a discretionary grant award any material changes to the budget which may impact the scope or objectives of the grant must be discussed with the program officer at the Department. See 34 CFR 75.560 (d)(3) (ii) (part 75 of EDGAR).

B. Institutions of higher education (IHE)

Under 2 CFR part 200, Appendix III, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Institutions of Higher Education (IHEs), the Department must apply the negotiated indirect cost rate in effect on the date of the initial grant award to every budget period of the project, including all continuation grants made for this project. See 2 CFR Part 200, Appendix III, paragraph C.7. Therefore, the GAN for each continuation grant will show the original indirect cost rate and it applies to the entire period of performance of this project. If the indirect cost rate agreement that is applicable to this grant does not extend to the end of the grant s project period, the indirect cost rate set at the start of the project period must still be applied to the end of project period regardless of the fact that the rate has otherwise expired.

SPECIFIC GRANT TERMS AND CONDITIONS FOR FINANCIAL AND PERFORMANCE REPORTS

PERFORMANCE REPORTS:

(1) FINAL REPORTS - ALL RECIPIENTS are required to submit a final performance report within 120 days after the expiration or termination of grant support in accordance with submission instructions provided in box 10 of the Grant Award Notification (GAN), or through another notification provided by the Department of Education (Department) (2 CFR § 200.329(c)).

(2) ANNUAL, QUARTERLY, or SEMIANNUAL REPORTS - ALL RECIPIENTS of a multi-year discretionary award must submit an annual Grant Performance Report (34 CFR § 75.118). The annual performance report shall provide the most current performance and financial expenditure information that is sufficient to meet the reporting requirements of 2 CFR §§ 200.328, 200.329, and 34 CFR § 75.720.

Your education program contact will provide you with information about your performance report submissions, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification provided by the Department. The grant term or condition in box 10 on the GAN or another notification may reflect any of the following:

1. That a performance report is due before the next budget period begins. The report should contain current performance and financial expenditure information for this grant. It will either identify the date the performance report is due or state that the Department will provide additional information about this report, including due date, at a later time.

2. That an interim performance report is required because of the nature of the award or because of statutory or regulatory provisions governing the program under which this award is made, and that the report is due more frequently than annually as indicated, e.g., due quarterly and submitted within 30 days after the end of each quarter, or due semiannually and submitted within 30 days after the end of each 6-month period (2 CFR § 200.329(c)(1)).

3. That other reports are required, e.g., program specific reports required in a program's statute or regulation.

(3) FINANCIAL REPORTS – SOME RECIPIENTS:

If a financial report is required, your education program contact will provide you with information about your financial report submission, including the due date, as a grant term or condition in box 10 on the GAN, or through another notification.

A Standard Form (SF) 425 Federal Financial Report (FFR) is required if:

1. A grant involves cost sharing, and the ED 524B, which collects cost sharing information, is not submitted or a program-specific report approved by U.S. Office of Management and Budget (OMB) does not collect cost sharing information;
2. Program income was earned;

3. Indirect cost information is to be reported and the ED 524B was not used or a program-specific report approved by OMB does not collect indirect cost information;
4. Program regulations or statute require the submission of the FFR; or
5. Specific Award Conditions, or specific grant or subgrant conditions for designation of "high risk," were imposed in accordance with 2 C.F.R. part 200.208 and part 3474.10 and required the submission of the FFR.

If the FFR is required, the notification may indicate one of the following (see the form and its instructions at Standard Form (SF) 425 Federal Financial Report (FFR)):

1. Quarterly - FFRs are required for reporting periods ending on 12/31, 03/31, 06/30, 09/30, and are due within 30 days after each reporting period.

2. Semi-annual - FFRs are required for reporting periods ending on 03/31 and 09/30, and are due within 30 days after each reporting period.

3. Annual - FFRs are required for reporting period ending 09/30, and is due within 30 days after the reporting period.

4. Final - In coordination with the submission of final performance reports, FFRs are due within 120 days after the project or grant period end date (2 CFR 200.328).

When completing an FFR for submission, the following must be noted:

1. *Multiple Grant Reporting Using SF 425A Prohibited:* While the FFR is a governmentwide form that is designed for single grant and multiple grant award reporting, the Department's policy is that multiple grant award reporting is not permitted for Department grants. Thus, a Department grantee that is required to submit an FFR in accordance with any of the above referenced selections must complete and submit one FFR for each of its grants. Do not use the FFR attachment (Standard Form 425A), which is available for reporting multiple grants, for reporting on Department grants. As such, references to multiple grant reporting and to the FFR attachment in items 2, 5 and 10 of the FFR are not applicable to Department grantees. With regards to item 1 of the note found in the FFR Instructions, a grantee must complete items 10(a) through 10(o) for each of its grants. The multiple award, multiple grant, and FFR attachment references found in items 2, 5, 6, before 10(a), in item 10(b), before 10(d), before 10(i) and before 10(l) of the Line Item Instructions for the FFR are not applicable to Department grants.

2. *Program Income*: Unless disallowed by statute or regulation, a grantee will complete item 10(m) or 10(n) in accordance with the options or combination of options as provided in 2 CFR Part 200.307. A grantee is permitted, in accordance with 2 CFR Part 200.307, to add program income to its Federal share to further eligible project or program objectives, use program income to finance the non-Federal share of the project or program; and deduct program income from the Federal share of the total project costs.

3. *Indirect Costs:* A grantee will complete item 11(a) by listing the indirect cost rate type identified on its indirect cost rate agreement, as approved by its cognizant agency for indirect costs.

A Department grantee that does not have an indirect cost rate agreement approved by its cognizant agency for indirect costs, and that is using the Department approved (beyond the 90-day temporary period) temporary indirect cost rate of 10% of budgeted direct salaries and wages, or the de minimis rate of 10% of modified total direct cost (MTDC) must list its indirect cost rate in 11(a) as a Department Temporary Rate or De Minimis Rate. The de minimis rate of 10% of MTDC consists of:

> All direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first $25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items, including contract costs in excess of $25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

A training program grantee whose recovery of indirect cost limits indirect cost recovery to 8% of MTDC or the grantees negotiated indirect cost rate, whichever is less in accordance with EDGAR § 75.562 (c), must list its rate in 11(a) as a Department Training Grant Rate. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States[1] as defined in 2 CFR § 200.1

A restricted program grantee must list its rate as a Restricted Indirect Cost Rate in 11(a). A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government[2] that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated. If a restricted program grantee elects to utilize the temporary rate, it must list its rate as a Department Temporary Rate in 11(a).

Grantees with indirect cost rates prescribed in program statute or regulation must list their rate as a Rate Required in Program Statute or Regulation in 11(a). Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery.

For detailed information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates see GAN ATTACHMENT 4.

4. *Supplemental Pages:* If grantees need additional space to report financial information, beyond what is available within the FFR, they should provide supplemental pages. These additional pages must indicate the following information at the top of each page: the PR/Award Number

[1] Note that a State-funded institution of higher education is not considered a "State government" for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.
[2] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

also known as the Federal Identifying Number or FAIN, recipient organization, Unique Entity Identifier, Employer Identification Number (EIN), and period covered by the report.

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is **not** applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 10 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)[1], or nonprofit organization) that expends $750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.

2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program–specific audit conducted. A program–specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.

3. Exemption when Federal awards expended are less than $750,000. A non-Federal entity that expends less than $750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report (2 CFR § 200.334)

4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.

5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF-SAC: Data Collection Form electronically to the Federal Audit Clearinghouse at:

[1] As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

https://facides.census.gov/Account/Login.aspx.

> The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oignon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at https://www2.ed.gov/about/offices/list/oig/nonfed/index.html. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). The SF-SAC: Data Collection Form can be found at the Federal Audit Clearinghouse at: https://facides.census.gov/Files/2019-2021%20Checklist%20Instructions%20and%20Form.pdf.

The American Institute of Certified Public Accountants (AICPA) has illustrative OMB Single Audit report examples that might be of interest to accountants, auditors, or financial staff at www.aicpa.org.

The Federal Funding Accountability and Transparency Act (FFATA) is designed to increase transparency and improve the public's access to Federal government information. To this end, FFATA requires that Department of Education (Department) grant recipients:

1. Report **first-tier subawards** made under Federal grants that are funded at $30,000 or more that meet the reporting conditions as set forth in this grant award term;
2. Report their executives' compensation for all new Federal grants that are funded at $30,000 and that meet the reporting conditions as set forth in this grant award term; and
3. Report executive compensation data for their **first-tier subrecipients** that meet the reporting conditions as set forth in this grant award term.

For FFATA reporting purposes, the Department grant recipient is the entity listed in box 1 of the Grant Award Notification.

Only **first-tier subawards** made by the Department grant recipient to its **first-tier subrecipients** and the **first-tier subrecipients'** executive compensation are required to be reported in accordance with FFATA.

Subaward, Subrecipient, Recipient, Total Compensation, Executives, and other key terms, are defined within item 5, Definitions, of this grant award term.

This grant award term is issued in accordance with 2 CFR Part 170—Reporting Subaward And Executive Compensation Information.

You must report the information about each obligating action that are specified in the submission instructions posted at FSRS.

b. *Where and when to report.*

The Department grant recipient must report each obligating action described in paragraph **1.a.** of this award term to FSRS.

Report subaward information no later than the end of the month following the month in which the subaward obligation was made. For example, if the obligation was made on November 7, 2020, the obligation must be reported by no later than December 31, 2020.

2. *Reporting Total Compensation of the Department's Grant Recipients' Executives -*

a. *Applicability and what to report.*

You must report total compensation for each of your five most highly compensated executives for the preceding completed fiscal year, if—

i The total Federal funding authorized to date under this Federal award **equals or exceeds $30,000**;

ii In the preceding fiscal year, you received—

A. 80 percent or more of your annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards), **and**
B. $25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards); **and**,
C. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at SEC Investor.gov Executive Compensation.)

b. *Where and when to report.*

You must report executive total compensation described in paragraph **2.a.** of this grant award term:

i. As part of your registration profile at SAM.gov.

ii. By the end of the month following the month in which this award is made (for example, if the obligation was made on November 7, 2020 the executive compensation must be reported by no later than December 31, 2020), and annually thereafter.

3. *Reporting of Total Compensation of Subrecipient Executives –*

a. *Applicability and what to report.*

Unless you are exempt as provided in item 4, Exemptions, of this award term, for each first-tier **non-Federal entity** subrecipient under this award, you shall report the names and total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year, if—

i. In the subrecipient's preceding fiscal year, the subrecipient received—

A. 80 percent or more of its annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards), **and**
B. $25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards); **and**,
C. The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at SEC Investor.gov Executive Compensation.)

b. *Where and when to report.*

You must report subrecipient executive total compensation described in paragraph **3.a.** of this grant award term:

i. In FSRS. You must include a condition on subawards that requires the subrecipients to timely report the information required under paragraph **3.a.** to you the prime awardee, or in the SAM.gov. Subrecipient executive compensation entered in SAM.gov by the subrecipient will pre-populate in FSRS, so you do not have to report when subrecipients enter this information in SAM.gov. Subrecipient executive compensation not entered in SAM.gov by the subrecipient is reported in FSRS by you the Department grant recipient.

ii. By the end of the month following the month during which you make the subaward. For example, if the subaward obligation was made on November 7, 2020 the subrecipient's executive compensation must be reported by no later than December 31, 2020.

4. *Exemptions –*

a. If, in the previous tax year, you had gross income, from all sources, under $300,000, you are exempt from the requirements to report:

5. *Definitions -*

a. For purposes of this award term:

i. Federal *Agency* means a Federal agency as defined at 5 U.S.C. 551(1) and further clarified by 5 U.S.C. 552(f).

ii. Non-Federal *Entity* means all of the following, as defined in 2 CFR part 25:

A Governmental organization, which is a State, local government, or Indian tribe;

A foreign public entity;

A domestic or foreign nonprofit organization; and,

v. *Subaward:*

This term means a legal instrument to provide support for the performance of any portion of the substantive project or program for which you received this award and that you as the recipient award to an eligible subrecipient.

The term does not include your procurement of property and services (such as payments to a contractor, small purchase agreements, vendor agreements, and consultant agreements) that are needed for the benefit of the prime awardee to carry out the project or program (for further explanation, see 2 CFR 200.331). For example, the following are not considered subawards:

Cleaning Vendors: Vendors that are hired by a grantee to clean its facility.
Payroll Services Vendors: Vendors that carryout payroll functions for the grantee.
Information Technology Vendors: Vendors that provide IT support to grant staff.

Payments to individuals that are beneficiaries of Federal programs are not considered subawards.

A subaward may be provided through any legal agreement, including an agreement that you or a subrecipient considers a contract.

v. *Subrecipient* means a non-Federal entity or Federal agency that:

Receives a subaward from you (the recipient) under this award; and

Is accountable to you for the use of the Federal funds provided by the subaward.

Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization, or medical reimbursement plans that do not discriminate in favor of executives and are available generally to all salaried employees.

Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

Above-market earnings on deferred compensation which is not tax-qualified.

Other compensation, if the aggregate value of all such other compensation (e.g., severance, termination payments, value of life insurance paid on behalf of the employee, perquisites, or property) for the executive exceeds $10,000.

SPECIFIC CONDITIONS FOR DISCLOSING FEDERAL FUNDING IN PUBLIC ANNOUNCEMENTS

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

1) the percentage of the total costs of the program or project which will be financed with Federal money;

2) the dollar amount of Federal funds for the project or program; and

3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Division H, Title V, Section 505 of Public Law 116-260, Consolidated Appropriations Act, 2021.

PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately-owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI) and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered TINs according to the IRS.

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220.

If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the G5 Hotline at 888-336-8930.

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

1. Requirement for System for Award Management (SAM)

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI) Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.

3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at https://www.sam.gov).

2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities.

3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.

4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.

5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

KEY FINANCIAL MANAGEMENT REQUIREMENTS FOR DISCRETIONARY GRANTS AWARDED BY THE DEPARTMENT OF EDUCATION

The Department expects grantees to administer Department grants in accordance with generally accepted business practices, exercising prudent judgment so as to maintain proper stewardship of taxpayer dollars. This includes using fiscal control and fund accounting procedures that insure proper disbursement of and accounting for Federal funds. In addition, grantees may use grant funds only for obligations incurred during the funding period.

Title 2 of the Code of Federal Regulations Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," establishes requirements for Federal awards made to non-Federal entities. The Education Department General Administrative Regulations in 34 CFR (EDGAR) 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99 contain additional requirements for administering discretionary grants made by this Department. The most recent version of these regulations may be accessed at the following URLs:

The Education Department General Administrative Regulations (EDGAR)

2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

The information on page 2, "Selected Topics in Administering Department Discretionary Grants," highlights major administrative requirements of 2 CFR Part 200. In addition, a few of the topics discuss requirements that the Department imposes on its discretionary grantees under EDGAR, Part 75 (Direct Grants). The specific sections of 2 CFR Part 200 and of EDGAR that address the topics discussed are shown in parentheses. The Department urges grantees to read the full text of these and other topics in EDGAR and in 2 CFR Part 200.

Grantees are reminded that a particular grant might be subject to additional requirements of the authorizing statute for the program that awarded the grant and/or any regulations issued by the program office. Grantees should become familiar with those requirements as well, because program-specific requirements might differ from those in 2 CFR Part 200 and in EDGAR.

The Department recommends that the project director and the fiscal management staff of a grantee organization communicate frequently with each other about the grant budget. Doing so will help to assure that you use Federal funds only for those expenditures associated with activities that conform to the goals and objectives approved for the project.

Grantees may direct any questions regarding the topics discussed on page 2, "Selected Topics in Administering Department Discretionary Grants,"or about any other aspect of administering your grant award to the Department program staff person named in Block 3 of the Grant Award Notification.

SELECTED TOPICS IN ADMINISTERING DEPARTMENT DISCRETIONARY GRANTS

I. Financial Management Systems (2 CFR Part 200.302)

In general, grantees are required to have financial management systems that:

* provide for accurate, current, and complete disclosure of results regarding the use of funds under grant projects;
* provide adequate source documentation for Federal and non-Federal funds used under grant projects;
* contain procedures to determine the allowability, allocability, and reasonableness of obligations and expenditures made by the grantee; and
* enable the grantee to maintain effective internal control and fund accountability procedures, e.g., requiring separation of functions so that the person who makes obligations for the grantee is not the same person who signs the checks to disburse the funds for those obligations.

State systems must account for funds in accordance with State laws and procedures that apply to the expenditure of and the accounting for a State's own funds. A State's procedures, as well as those of its subrecipients and cost-type contractors, must be sufficient to permit the preparation of reports that may be required under the award as well as provide the tracing of expenditures to a level adequate to establish that award funds have not been used in violation of any applicable statutory restrictions or prohibitions.

II. Federal Payment (2 CFR Part 200.305)

Under this part --

* the Department pays grantees in advance of their expenditures if the grantee demonstrates a willingness and ability to minimize the time between the transfer of funds to the grantee and the disbursement of the funds by the grantee;
* grantees repay to the Federal government interest earned on advances; and
* grantees, generally, must maintain advance payments of Federal awards in interest bearing accounts.

In general, grantees should make payment requests frequently, only for small amounts sufficient to meet the cash needs of the immediate future.

The Department has recently encountered situations where grantees failed to request funds until long after the grantee actually expended its own funds for the costs of its grant. Grantees need to be aware that, by law, Federal funds are available for grantees to draw down for only a limited period of time, after which the funds revert to the U.S. Treasury. In some cases grantees have requested funds too late for the Department to be able to pay the grantees for legitimate costs incurred during their project periods.

The Department urges financial managers to regularly monitor requests for payment under their grants to assure that Federal funds are drawn from the Department G5 Payment System at the time those funds are needed for payments to vendors and employees.

III. Personnel (EDGAR §§ 75.511-75.519 and 2 CFR Part 200 Subpart D and E)

The rules governing personnel costs are located in EDGAR Part 75 and 2 CFR Part 200 Subparts D and E. Part 75 covers issues such as paying consultants with grant funds, prohibiting dual compensation of staff, and waiving the requirement for a full-time project director. The rules clarifying changes in key project staff are located in 2 CFR Part 200.308 (c)(2). General rules governing reimbursement of salaries and compensation for staff working on grant projects are addressed in the cost principles in 2 CFR Part 200 Subpart D and E. In all cases, payments of any type to personnel must be supported by complete and accurate records of employee time and effort. For those employees that work on multiple functions or separately funded programs or projects, the grantee must also maintain time distribution records to support the allocation of employee salaries among each function and separately funded program or project.

IV. Cost Principles (2 CFR Part 200 Subpart E)

All costs incurred under any grant are subject to the cost principles found in 2 CFR Part 200 Subpart E. The cost principles provide lists of selected items of allowable and unallowable costs, and must be used in determining the allowable costs of work performed under the grant.

V. Procurement Standards (2 CFR Part 200.317-327)

Under 2 CFR Part 200.317, States are required to follow the procurement rules the States have established for purchases funded by non-Federal sources. When procuring goods and services for a grant's purposes, all other grantees may follow their own procurement procedures, but only to the extent that those procedures meet the minimum requirements for procurement specified in the regulations. These requirements include written competition procedures and codes of conduct for grantee staff, as well as requirements for cost and price analysis, record-keeping and contractor compliance with certain Federal laws and regulations. These regulations also require grantees to include certain conditions in contracts and subcontracts, as mandated by the regulations and statutes.

VI. Indirect Costs (EDGAR §§75.560-564 and 2 CFR Part 200.414)

In addition to the information presented beslow, see GAN ATTACHMENT 4 for addional information including restrictions related to temporary, de minimis, training, restricted, and program prescribed indirect cost rates.

A. Unrestricted Indirect Cost Rate

To utilize an unrestricted indirect cost rate, a grantee must have an indirect cost agreement with its cognizant agency, submit an indirect cost rate proposal to its cognizant agency for indirect

costs (cognizant agency) within 90 days after the award of this grant or elect to utilize the de minimis rate under 2 CFR § 200.414(f) or the temporary indirect cost rate (subject to limitations described below).

The grantee must provide proof of its negotiated indirect cost rate agreement to the Department as soon as it has signed such an agreement with its cognizant agency.

B. Temporary Indirect Cost Rate

A grantee that does not have a current negotiated indirect cost rate agreement may recover indirect costs at a temporary rate, which is limited to 10% of budgeted direct salaries and wages (See 34 CFR § 75.560(c)); or it may choose not to charge indirect costs to the grant. The temporary rate can only be used for 90 days unless the exceptional circumstances apply under 34 CFR § 75.560(d)(2).

If the grantee has not submitted its indirect cost proposal to its cognizant agency within the 90-day period, it may no longer recover indirect costs utilizing the temporary indirect cost rate until it has negotiated an indirect cost rate agreement with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

C. De minimis Indirect Cost Rate

Institutions of Higher Education (IHEs), federally-recognized Indian Tribes, State and Local Governments[1] receiving less than $35 million in direct federal funding, and nonprofit organizations, if they do not have a current negotiated (including provisional) rate, and are not subject to the Department's training rate or restricted rate (supplement-not-supplant provisions) may elect to charge a de minimis indirect cost rate of 10% of modified total direct costs (MTDC). This rate may be used indefinitely.

MTDC consists of all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and contracts up to the first $25,000 of each subaward (i.e., subgrant). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of $25,000. Other items, including contract costs in excess of $25,000, may be excluded when necessary to avoid a serious inequity in the distribution of indirect costs (see definition of MTDC at 2 CFR § 200.1).

Additionally, the de minimis rate may not be used by grantees that are subject to the Department's training indirect cost rate (34 CFR § 75.562) or restricted indirect cost rate. The de minimis rate may be used indefinitely. However, if a grantee chooses to use the de minimis rate to recover indirect costs, it must do so for all of its Federal awards until such time as the grantee negotiates an indirect cost rate with its cognizant agency. Once a grantee obtains a federally recognized indirect cost rate that is applicable to this grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement.

[1] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.

D. Programs with a Supplement-not-supplant requirement (restricted indirect cost rate)

A restricted program (i.e., programs with statutory supplement-not-supplant requirements) grantee must utilize a restricted indirect cost rate negotiated with its cognizant agency for indirect costs, or may elect to utilize a restricted indirect cost rate of 8% MTDC if their negotiated restricted indirect cost rate calculated under 34 CFR 75.563 and 76.564 – 76.569, is not less than 8% MTDC. A State or local government[2] that is a restricted program grantee may not elect to utilize the 8% MTDC rate. Additionally, restricted program grantees may not utilize the de minimis rate, but may utilize the temporary rate until a restricted indirect cost rate is negotiated.

E. Training Grant Indirect Cost Rate

If the grantee is a training grant recipient and is not a State, local, or Tribal government[3], the grantee must negotiate a rate under 34 CFR 75.562. This provision limits indirect cost recovery to 8% of modified total direct costs or the grantees negotiated indirect cost rate, whichever is less.

The recovery using the training grant indirect cost rate is subject to the following limitations:

i. The lesser of the 8% indirect cost rate or negotiated indirect cost rate also applies to sub-awards that fund training.
ii. The 8% limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR § 200.1, respectively.
iii. Indirect costs in excess of the 8% limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.
iv. A grantee using the training rate of 8% is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least 8%.

F. Program-Specific Indirect Cost Rate

Grantees are required to follow program-specific statutory or regulatory requirements that mandate either indirect cost rate type or maximum administrative costs recovery instead of the general requirements described here.

VII. Audit Requirements (2 CFR Part 200 Subpart F)

2 CFR 200 Subpart F requires that grantees that are non-Federal entities (a State, local government, Indian tribe, IHE, or nonprofit organization that carries out a Federal award as a recipient or subrecipient) obtain a non-Federal audit of their expenditures under their Federal grants if the grantee expends more than $750,000 in Federal funds in one fiscal year. 2 CFR Part 200 Subpart F contains the requirements imposed on grantees for

[2] Note that a State-funded institution of higher education is not considered a "State government" for these purposes.
[3] Note that a State-funded institution of higher education is not considered a "State government" for these purposes; and a Tribal college or university funded by a federally-recognized Tribe is not considered a Tribe for these purposes.

audits done in connection with the law.

The Department recommends hiring auditors who have specific experience in auditing Federal awards under the regulations and the Compliance Supplement.

VIII. Other Considerations

Some other topics of financial management covered in 2 CFR Part 200 that might affect particular grants include program income (2 CFR Part 200.307), cost sharing or matching (2 CFR Part 200.306), property management requirements for equipment and other capital expenditures (2 CFR Parts 200.313, 200.439).

MEMORANDUM TO ED DISCRETIONARY GRANTEES

You are receiving this memorandum to remind you of Federal requirements, found in 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements,* regarding cash drawdowns under your grant account.

For any cash that you draw from your Department of Education (*the* Department) grant account, you must:

- draw down only as much cash as is necessary to meet the immediate needs of the grant project;
- keep to the minimum the time between drawing down the funds and paying them out for grant activities; and
- return to the Government the interest earned on grant funds deposited in interest-bearing bank accounts except for a small amount of interest earned each year that your entity is allowed to keep to reimburse itself for administrative expenses).

In order to meet these requirements, you are urged to:

- take into account the need to coordinate the timing of drawdowns with prior internal clearances (e.g., by boards, directors, or other officials) when projecting immediate cash needs so that funds drawn down from ED do not stay in a bank account for extended periods of time while waiting for approval;
- monitor the fiscal activity (drawdowns and payments) under your grant on a continuous basis;
- plan carefully for cash flow in your grant project during the budget period and review project cash requirements before each drawdown; and
- pay out grant funds for project activities as soon as it is practical to do so after receiving cash from the Department.

Keep in mind that the Department monitors cash drawdown activity for all grants. Department staff will contact grantees who appear to have drawn down excessive amounts of cash under one or more grants during the fiscal quarter to discuss the particular situation. For the purposes of drawdown monitoring, the Department will contact grantees who have drawn down 50% or more of the grant in the first quarter, 80% or more in the second quarter, and/or 100% of the cash in the third quarter of the budget period. However, even amounts less than these thresholds could still represent excessive drawdowns for your particular grant activities in any particular quarter. Grantees determined to have drawn down excessive cash will be required to return the excess funds to the Department, along with any associated earned interest, until such time as the money is legitimately needed to pay for grant activities. If you need assistance with returning funds and interest, please contact the Department's G5 Hotline by calling 1-888-336-8930.

Grantees that do not follow Federal cash management requirements and/or consistently appear on the Department's reports of excessive drawdowns could be:

- subjected to specific award conditions or designated as a "high-risk" grantee [2 CFR Part 200.208 and 2 CFR 3474.10], which could mean being placed on a "cash-reimbursement" payment method (i.e., a grantee would experience the inconvenience of having to pay for grant activities with its own money and waiting to be reimbursed by the Department afterwards);

- subject to further corrective action;
- denied selection for funding on future ED grant applications [EDGAR 75.217(d)(3)(ii)]; and/or
- debarred or suspended from receiving future Federal awards from any executive agency of the Federal government.

You are urged to read 2 CFR Part 200.305 to learn more about Federal requirements related to grant payments and to determine how to apply these requirements to any subgrantees. You are urged to make copies of this memorandum and share it with all affected individuals within your organization.

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

- Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
  - Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
  - Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
  - Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
- Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
  - Federal grant funds cannot be used to pay for alcoholic beverages; and
  - Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
- Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
  - When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
- A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
  - A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
- A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.

- All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

  > The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

- Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
  - A short conversation could help avoid a costly and embarrassing mistake.
- Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

MEMORANDUM TO REMIND DEPARTMENT OF EDUCATION GRANTEES OF EXISTING CASH MANAGEMENT REQUIREMENTS CONCERNING PAYMENTS

The Department of Education (Department) requires that its grantees adhere to existing cash management requirements concerning payments and will ensure that their subgrantees are also aware of these policies by providing them relevant information. A grantee's failure to comply with cash management requirements may result in an improper payment determination by the Department in accordance with the Payment Integrity Information Act (PIIA) of 2019.

There are three categories of payment requirements that apply to the drawdown of funds from grant accounts at the Department. The first two types of payments are subject to the requirements in the Treasury Department regulations implementing the Cash Management Improvement Act (CMIA) of 1990, 31 U.S.C.6513, and the third is subject to the requirements in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) at 2 CFR part 200,[1] as follows:

1. Payments to a State under programs that are covered by a State's Treasury State Agreement (TSA);

2. Payments to States under programs that are not covered by a TSA; and

3. Payments to other non-Federal entities, including nonprofit organizations and local governments.

CMIA Requirements Applicable to Programs included in a TSA

Generally, under the Treasury Department regulations implementing the CMIA, only major assistance programs (large-dollar programs meeting thresholds in 31 CFR § 205.5) are included in a State's written TSA. See 31 CFR § 205, subpart A. Programs included in a TSA must use approved funding techniques and both States and the Federal government are subject to interest liabilities for late payments. State interest liabilities accrue from the day federal funds are credited to a State account to the day the State pays out the federal funds for federal assistance program purposes. 31 CFR § 205.15. If a State makes a payment under a Federal assistance program before funds for that payment have been transferred to the State, Federal Government interest liabilities accrue from the date of the State payment until the Federal funds for that payment have been deposited to the State account. 31 CFR § 205.14.

CMIA Requirements Applicable to Programs Not Included in a TSA

Payments to States under programs not covered by a State's TSA are subject to subpart B of Treasury's regulations in 31 CFR § 205. These regulations provide that a State must minimize the time between the drawdown of funds from the federal government and their disbursement for approved program activities. The timing and amount of funds transfers must be kept to a minimum and be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs. 31 CFR § 205.33(a). States should exercise sound cash management in funds transfers to subgrantees.

[1] The Department adopted the Uniform Guidance as regulations of the Department at 2 CFR part 3474.

Under subpart B, neither the States nor the Department owe interest to the other for late payments. 31 CFR § 205.33(b). However, if a State or a Federal agency is consistently late in making payments, Treasury can require the program to be included in the State's TSA. 31 CFR § 205.35.

Fund transfer requirements for grantees other than State governments and subgrantees

The transfer of Federal program funds to grantees other than States and to subgrantees are subject to the payment and interest accrual requirements in the Uniform Guidance at 2 CFR § 200.305(b). These requirements are like those in subpart B of the Treasury Department regulations in 31 CFR part 205, requiring that "payments methods must minimize the time elapsing between the transfer of funds from the United States Treasury or the pass-through entity and the disbursement by the non-Federal entity." 2 CFR § 200.305(b) introduction.

The Federal Government and pass-through entities must make payments in advance of expenditures by grantees and subgrantees if these non-Federal entities maintain, or demonstrate the willingness to maintain, written procedures "that minimize the time elapsing between the transfer of funds and disbursement by the non-Federal entity, and financial management systems that meet the standards for fund control and accountability." 2 CFR § 200.305(b)(1). If a grantee or subgrantee cannot meet the criteria for advance payments, a Federal agency or pass-through entity can pay that entity through reimbursement. See 2 CFR § 200.305(b)(1) and (4) for more detailed description of the payment requirements and the standards for requiring that payments be made by reimbursement.

Non-Federal entities must maintain advance payments in interest bearing accounts unless certain conditions exist. See 2 CFR § 200.305(b)(8) for those conditions. The requirements regarding interest accrual and remittance follow:

Grantees and subgrantees must annually remit interest earned on federal advance payments except that interest earned amounts up to $500 per year may be retained for administrative expense. Any additional interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment. 2 CFR § 200.305(b)(9)(i) and (ii).

1. When returning interest through ACH Direct Deposit or Fedwire, grantees must include the following in their return transaction:

    - PMS Account Number (PAN). NOTE: The PAN is the same series of alpha-numeric characters used for payment request purposes (e.g.: C1234G1).
    - PMS document number.
    - The reason for the return (e.g., interest, part interest part other, etc.).
    - An explanation stating that the refund is for interest payable to the Department of Health and Human Services, and the grant number(s) for which the interest was earned.

    a. U.S. Department of Education grantees are generally located and operate domestically and return interest domestically. Below is PSC ACH account information for interest returned

domestically. For international ACH interest returned, account information is available at: Returning Funds/Interest.

- PSC ACH Routing Number is: 051036706
- PSC DFI Accounting Number: 303000
- Bank Name: Credit Gateway - ACH Receiver
- Location: St. Paul, MN

b. Service charges may be incurred from a grantee's financial institution when a Fedwire to return interest is initiated. For FedWire returns, Fedwire account information is as follows:

- Fedwire Routing Number: 021030004
- Agency Location Code (ALC): 75010501
- Bank Name: Federal Reserve Bank
- Treas NYC/Funds Transfer Division
- Location: New York, NY

2. Interest may be returned by check using only the U.S. Postal Service; however, returning interest via check may take 4-6 weeks for processing before a check payment may be applied to the appropriate PMS account.

a. Interests returned by check are to be mailed (USPS only) to:

- HHS Program Support Center
  PO Box 979132
  St. Louis, MO 63197

A brief statement explaining the nature of the return must be included.

b. To return interest on a grant not paid through the PMS, make the check payable to the Department of Health and Human Services, and include the following with the check:

- An explanation stating that the refund is for interest
- The name of the awarding agency
- The grant number(s) for which the interest was earned
- The return should be made payable to: Department of Health and Human Services.

3. For detailed information about how to return interest, visit the PSC Retuning Funds/Interest page at: Returning Funds/Interest

Grantees, including grantees that act as pass-through entities and subgrantees have other responsibilities regarding the use of Federal funds. For example, all grantees and subgrantees must have procedures for determining the allowability of costs for their awards. We highlight the following practices related to the oversight of subgrantee compliance with the financial management requirements in the Uniform Guidance that will assist State grantees (pass-through entities) in meeting their monitoring responsibilities. Under 2 CFR § 200.332, pass-through entities must –

1. Evaluate each subrecipient's risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for purposes of determining the appropriate subrecipient monitoring.

2. Monitor the performance and fiscal activities of the subrecipient to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

A small number of Department grant programs have program-specific cash management and payment requirements based on the authorizing legislation or program regulations. These program-specific requirements may supplement or override general cash management or payment requirements. If you have any questions about your specific grant, please contact the Education Program Contact listed in Block 3 of your Grant Award Notification.

RECIPIENTS OF DEPARTMENT OF EDUCATION GRANTS AND COOPERATIVE AGREEMENTS FREQUENTLY ASKED QUESTIONS ON CASH MANAGEMENT

Q What are the Federal Laws and Regulations Regarding Payments to the States?

A The *Cash Management Improvement Act of 1990* (*CMIA*) establishes interest liabilities for the Federal and State governments when the Federal Government makes payments to the States. See 31 U.S.C. 3335 and 6503. The implementing regulations are in Title 31 of the Code of Federal Regulations (CFR), Part 205, https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title31/31cfr205_main_02.tpl. Non-Federal entities other than States follow the rules on Federal payments set out in 2 CFR 200.305.

Q What is a Treasury-State Agreement (TSA)?

A A TSA documents the accepted funding techniques and methods for calculating interest agreed upon by the U.S. Department of the Treasury (Treasury) and a State. It identifies the Federal assistance programs that are subject to interest liabilities under the CMIA. The CMIA regulations specify a number of different funding techniques that may be used by a State but a State can negotiate with the Treasury Department to establish a different funding technique for a particular program. A TSA is effective until terminated and, if a state does not have a TSA, payments to the State are subject to the default techniques in the regulations that Treasury determines are appropriate.

Q What are the CMIA requirements for a program subject to a Treasury-State Agreement?

A Payments to a State under a program of the Department are subject to the interest liability requirements of the CMIA if the program is included in the State's Treasury-State Agreement (TSA) with the Department of Treasury. If the Federal government is late in making a payment to a State, it owes interest to the State from the time the State spent its funds to pay for expenditure until the time the Federal government deposits funds to the State's account to pay for the expenditure. Conversely, if a State is late in making a payment under a program of the Department, the State owes interest to the Federal government from the time the Federal government deposited the funds to the State's account until the State uses those funds to make a payment. For more information, GAN Enclosure 4.

Q What are the CMIA requirements for a program that is not subject to a Treasury-State Agreement?

A If a program is not included in the State's TSA, neither the State nor the Federal government are liable for interest for making late payments. However, both the Federal government and the State must minimize the time elapsing between the date the State requests funds and the date that the funds are deposited to the State's accounts. The State is also required to minimize the time elapsed between the date it receives funds from the Federal government and the date it makes a payment under the program, Also, the Department must minimize the amount of funds transferred to a State to only that needed to meet the immediate cash needs of the State. The timing and amount of funds transferred must be as close as is administratively feasible to a State's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs.

Q What if there is no TSA?

A When a State does not have a TSA in effect, default procedures in 31 CFR, part 205 that the Treasury Department determines appropriate apply. The default procedures will prescribe efficient funds transfer procedures consistent with State and Federal law and identify the covered Federal assistance programs and designated funding techniques.

Q **Who is responsible for Cash Management?**

A Grantees and subgrantees that receive grant funds under programs of the Department are responsible for maintaining internal controls regarding the management of Federal program funds under the Uniform Guidance in 2 CFR 200.302 and 200.303. In addition, grantees are responsible for ensuring that subgrantees are aware of the cash management and requirements in 2 CFR part 200, subpart D.

Q **Who is responsible for monitoring cash drawdowns to ensure compliance with cash management policies?**

A Recipients must monitor their own cash drawdowns **and** those of their subrecipients to assure substantial compliance to the standards of timing and amount of advances.

Q **How soon may I draw down funds from the G5 grants management system?**

A Grantees are required to minimize the amount of time between the drawdown and the expenditure of funds from their bank accounts. (See 2 CFR 200.305(b).) Funds must be drawn only to meet a grantee's immediate cash needs for each individual grant. The G5 screen displays the following message:

By submitting this payment request, I certify to the best of my knowledge and belief that the request is based on true, complete, and accurate information. I further certify that the expenditures and disbursements made with these funds are for the purposes and objectives set forth in the applicable Federal award or program participation agreement, and that the organization on behalf of which this submission is being made is and will remain in compliance with the terms and conditions of that award or program participation agreement. I am aware that the provision of any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me, and the organization on behalf of which this submission is being made, to criminal, civil, or administrative penalties for fraud, false statements, false claims, or other violations. (U.S. Code Title 18, Section 1001; Title 20, Section 1097; and Title 31, Sections 3729-3730 and 3801-3812)

Q **How may I use Federal funds?**

A Federal funds must be used as specified in the Grant Award Notification (GAN) and the approved application or State plan for allowable direct costs of the grant and an allocable portion of indirect costs, if authorized.

Q **What are the consequences to recipients/subrecipients for not complying with terms of the grant award?**

A If a recipient or subrecipient materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, including those in 2 CFR part 200, an assurance, the GAN, or elsewhere, the awarding agency may in accordance with 2 CFR 200.339 take one or more of the following actions:

1. Temporarily withhold cash payments pending correction of the deficiency by the non-Federal entity or more severe enforcement action by the Federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity not in compliance.
3. Wholly or partly suspend or terminate the Federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal award agency regulations (or in the case of a pass-through be initiated by a Federal awarding agency).
5. Withhold further Federal awards for the project or program.
6. Take other remedies that may be legally available.

Q **Who is responsible for determining the amount of interest owed to the Federal government?**

A As set forth in 31 CFR 205.9, the method used to calculate and document interest liabilities is included in the State's TSA. A non-State entity must maintain advances of Federal funds in interest-bearing accounts unless certain limited circumstance apply and remit interest earned on those funds to the Department of Health and Human Services, Payment Management System annually. See 2 CFR 200.305.

Q **What information should accompany my interest payment?**

A In accordance with 2 CFR 200.305(b)(9), interest in access of $500.00 earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Health and Human Services Payment Management System (PMS) through an electronic medium using either Automated Clearing House (ACH) network or a Fedwire Funds Service payment.

For returning interest on Federal awards paid through PMS, the refund should:
(a) Provide an explanation stating that the refund is for interest;
(b) List the PMS Payee Account Number(s) (PANs);
(c) List the Federal award number(s) for which the interest was earned; and
(d) Make returns payable to: Department of Health and Human Services.

For returning interest on Federal awards not paid through PMS, the refund should:
(a) Provide an explanation stating that the refund is for interest;
(b) Include the name of the awarding agency;
(c) List the Federal award number(s) for which the interest was earned; and
(d) Make returns payable to: Department of Health and Human Services.

For additional information about returning interest see GAN ATTACHMENT 4.

Q **Are grant recipients/subrecipients automatically permitted to draw funds in advance of the time they need to disburse funds in order to liquidate obligations?**

A The payment requirements in 2 CFR 200.305(b) authorize a grantee or subgrantee to request funds in advance of expenditures if certain conditions are met. However, if those conditions are not met, the Department and a pass-through agency may place a payee on reimbursement.

Q **For formula grant programs such as ESEA Title I, for which States distribute funds to LEAs, may States choose to pay LEAs on a reimbursement basis?**

A A subgrantee must be paid in advance if it meets the standards for advance payments in 2 CFR 200.305(b)(1) but if the subgrantee cannot meet those standards, the State may put the subgrantee on reimbursement payment. See 2 CFR 200.305(b).

Q **Will the Department issue special procedures in advance if G5 plans to shut down for 3 days or more?**

A Yes, before any shutdown of G5 lasting three days or more, the Department issues special guidance for drawing down funds during the shut down. The guidance will include cash management improvement act procedures for States and certain State institutions of higher education and procedures for grants (including Pell grants) that are not subject to CMIA.

Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). 6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Contract 21993

Harris County Department of Education

INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
HIGHPOINT SCHOOL (HS) EAST

2025-2026 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Humble ISD, ("HISD")** hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **HISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **HISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 25, 2025,** through **June 4, 2026.** During said term, HCDE agrees to provide services described herein for **forty (40)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **HISD**.

2. **HCDE Responsibilities.**
   a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
   b) HCDE agrees to furnish the **HISD** with a weekly statement of student(s) attendance.
   c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
   d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **HISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **HISD**.

3. **HISD's Responsibilities.**
   a) **HISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **HISD** and HCDE.
   b) **HISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Highpoint. **HISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **HISD** during the term of this Contract. Student Records to be provided by **HISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **HISD** stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance

records. **HISD** shall provide copies of additional records, including **HISD** Records, as reasonably requested by HCDE.

c) **HISD** retains the responsibility to report **HISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

   Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **HISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **HISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **HISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **HISD** is under HCDE's direct control with respect to **HISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **HISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. **Special Education Services.**
   a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **HISD** and recommended for services as described herein. The ARD Committee of **HISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for

      the program prior to the ARD Committee's consideration of placement at Highpoint.

b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **HISD**. **HISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **HISD** and the ARD Committee, with HCDE participation. If **HISD** chooses to make such services available in conjunction with Highpoint, **HISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **HISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.

c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.

d) **HISD** agrees to invite an HCDE representative as a non-consensus member to any **HISD** ARD Committee meeting for **HISD** student(s) placed at Highpoint pursuant to this Contract.

8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **HISD** and are considered students of **HISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **HISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **HISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **HISD** student placed at HCDE, **HISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **HISD** student and is in no way liable to the student, parent, or **HISD** under the IDEA, Section 504, or other applicable law.

9. **Monitoring Student Progress.** HCDE will update **HISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and **HISD**, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **HISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.

10. **Invoices and Payment.** In consideration of the services provided herein, **HISD** agrees to pay HCDE an in-county fee of **$460,000** and any additional fees in the following manner:
    i. **$11,500** times the number of units purchased. **HISD** will be billed twice a year and payment will be due upon receipt of invoice.
    ii. **$185.00** special education surcharge times the number of enrollment days for Special Education student(s).
    iii. **$240.00** per diem times the number of student(s) in attendance over the number of units purchased **(40)**.

    a) HCDE will bill **HISD** for the amount of units purchased. Payment will be due within 30 days of the date of **HISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **HISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.

    b) In the event that **HISD** makes a payment to HCDE with a credit card, **HISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

    c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **HISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **HISD**.

d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. **Payment by Student(s) and Parents.** The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. **HISD Liaison. HISD** shall appoint a qualified liaison to communicate on behalf of **HISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **HISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **HISD** employees and student(s)'s parents/guardians, as necessary.

13. **Termination.**
    a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **HISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **HISD** the amount of any pre-paid fees for any period following the effective date of such termination.
    b) HCDE and **HISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **HISD** the amount of any pre-paid fees for any period.
    c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint at the time of termination or expiration of this Contract will return to **HISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **HISD** within ten (10) business days following the date of termination or expiration, at the written request of **HISD**.

14. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **HISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

15. **Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

16. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

Assistant Superintendent

Dear Dr. Todd Hicks,

Thank you for your ongoing partnership with the Harris County Department of Education. We value our relationship and are pleased to serve the students of **Humble ISD.** As you know, contract renewals begin in the coming months, and we look forward to continuing our work together in the 2025-2026 school year.

As a provider of specialized educational services in the region, we are constantly evolving to meet the needs of our clients. So much so, that we are now offering **in-county districts** access to our recovery high school, Fortis Academy, at **NO** cost! Fortis provides students struggling with alcohol or drug addiction an opportunity to continue their education in a smaller, structured and sober learning environment. We do this by combining high-quality instruction with accredited rehabilitation treatment and social support. If you are interested in placing a student at or would like to learn more about Fortis Academy, please give us a call.

As you may know, after being on hold, ABS East is now enrolling new students for the 2025-26 school year. We continue to broaden our services in order to accommodate students with the most complex behaviors. There is now a one-to-one option available for students whose needs may require this. Please refer to our Curriculum & Compliance Guide to learn more about enrollment and programming options.

In order to assist in your budget planning, the 2025-2026 fee schedule is attached, as well as our academic calendar. In order to maximize funds, please return your contract commitment by **May 30, 2025.** Contract commitments received after this date will incur a 5% late fee. District-approved annual contracts are due to Mrs. Denise Alamos at dalamos@hcde-texas.org by August 31, 2025.

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Galena Park ISD, ("GPISD")** hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **GPISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **GPISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 25, 2025,** through **June 4, 2026.** During said term, HCDE agrees to provide services described herein for **thirteen (13)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **GPISD**.

2. **HCDE Responsibilities.**
   a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
   b) HCDE agrees to furnish the **GPISD** with a weekly statement of student(s) attendance.
   c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
   d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **GPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **GPISD**.

3. **GPISD's Responsibilities.**
   a) **GPISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **GPISD** and HCDE.
   b) **GPISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Highpoint. **GPISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **GPISD** during the term of this Contract. Student Records to be provided by **GPISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **GPISD** stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance

records. **GPISD** shall provide copies of additional records, including **GPISD** Records, as reasonably requested by HCDE.

c) **GPISD** retains the responsibility to report **GPISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

   Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **GPISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **GPISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **GPISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **GPISD** is under HCDE's direct control with respect to **GPISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **GPISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. **Special Education Services.**
   a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **GPISD** and recommended for services as described herein. The ARD Committee of **GPISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for

      the program prior to the ARD Committee's consideration of placement at Highpoint.

Docusign Envelope ID: 85CCF4A8-8941-41AC-B0F0-A362F4FE2FF9

b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **GPISD**. **GPISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **GPISD** and the ARD Committee, with HCDE participation. If **GPISD** chooses to make such services available in conjunction with Highpoint, **GPISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **GPISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.

c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.

d) **GPISD** agrees to invite an HCDE representative as a non-consensus member to any **GPISD** ARD Committee meeting for **GPISD** student(s) placed at Highpoint pursuant to this Contract.

8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **GPISD** and are considered students of **GPISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **GPISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **GPISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **GPISD** student placed at HCDE, **GPISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **GPISD** student and is in no way liable to the student, parent, or **GPISD** under the IDEA, Section 504, or other applicable law.

9. **Monitoring Student Progress.** HCDE will update **GPISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and **GPISD**, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **GPISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.

10. **Invoices and Payment.** In consideration of the services provided herein, **GPISD** agrees to pay HCDE an in-county fee of **$149,500** and any additional fees in the following manner:
    i. **$11,500** times the number of units purchased. **GPISD** will be billed twice a year and payment will be due upon receipt of invoice.
    ii. **$185.00** special education surcharge times the number of enrollment days for Special Education student(s).
    iii. **$240.00** per diem times the number of student(s) in attendance over the number of units purchased **(13)**.

a) HCDE will bill **GPISD** for the amount of units purchased. Payment will be due within 30 days of the date of **GPISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **GPISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.

b) In the event that **GPISD** makes a payment to HCDE with a credit card, **GPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

Docusign Envelope ID: 85CCF4A8-8941-41AC-B0F0-A362F4FE2FF9

c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **GPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **GPISD**.
d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. Payment by Student(s) and Parents. The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. GPISD Liaison. **GPISD** shall appoint a qualified liaison to communicate on behalf of **GPISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Highpoint East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **GPISD** liaison shall make best efforts to assist Highpoint East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **GPISD** employees and student(s)'s parents/guardians, as necessary.

13. Termination.
a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **GPISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **GPISD** the amount of any pre-paid fees for any period following the effective date of such termination.
b) HCDE and **GPISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **GPISD** the amount of any pre-paid fees for any period.
c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint at the time of termination or expiration of this Contract will return to **GPISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **GPISD** within ten (10) business days following the date of termination or expiration, at the written request of **GPISD**.

14. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **GPISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Highpoint East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

15. Assignment. Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

16. Notice. Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. 2.2 As used herein, the phrase "working time" is defined as follows: the usual or normal hours that the Sheriff's officers are required to work in any calendar month, and does not include any extra or overtime work. The consideration for the law enforcement services provided herein includes a share of the costs to the County for such times when officers are not available. Vacation and sick leave are earned through County service, and funeral leave is a benefit available to County employees. Therefore, "working time" shall

not include vacation, sick leave, funeral leave or other county-benefit leave, and it is not anticipated that the Sheriff will authorize substitute officers to work within the area when the regularly assigned officers are not available.

2.3 The Sheriff shall retain control and supervision of the officers performing services under this agreement to the same extent as he does other officers. HCDE understands and agrees that this Agreement is not intended, nor shall it be construed, to obligate the Sheriff to assign officers to devote any portion of their working time to the area, including but not limited to circumstances like officer funerals and natural disasters.

2.4 HCDE shall provide to the officers copies of HCDE guidelines and policies, if any, relating to absenteeism and implement any necessary training in that regard. HCDE shall neither request nor require the officers to take actions with respect to absent students that are not authorized by law or HCDE's guidelines and policies. A officer who has probable cause to believe that a child is in violation of the compulsory school attendance law may take the child into custody for the purpose of returning the child to the school campus of the child to ensure the child's compliance with compulsory school attendance requirements.

III.
CONSIDERATION FOR SERVICES

3.1 HCDE agrees to pay the County the sum of $522,660.00 for 6 deputy(ies) for a total sum of FIVE HUNDRED TWENTY TWO THOUSAND, SIX HUNDRED SIXTY AND NO/100 DOLLARS ($522,660.00) to be used by the County for the purpose of paying seventy percent (70%) of the full-time equivalent cost to the County for supplying the law enforcement services, including salaries, benefits, vacation, sick leave, and any additional expenses the County may incur in providing the services under this Agreement.

HCDE agrees to make payments on the total sum in installments, which are due and payable, without demand**,** on the following dates in the amounts set forth next to the dates:

September 20, 2025	$43,555.00
October 20, 2025	$43,555.00
November 20, 2025	$43,555.00
December 20, 2025	$43,555.00
January 20, 2026	$43,555.00
February 20, 2026	$43,555.00
March 20, 2026	$43,555.00
April 20, 2026	$43,555.00
May 20, 2026	$43,555.00
June 20, 2026	$43,555.00
July 20, 2026	$43,555.00
August 20, 2026	$43,555.00

The monthly installments are due and payable before 10:00 a.m. at the office of the County Treasurer, Dept. 101, P.O. Box 4354, Houston, Texas 77210-4354. If the County provides the option, payment may be made by same time and date by electronic means to an account designated by the County.

Regarding the first payment due on September 20, 2025, the first payment is due on the later of September 20, 2026 or five (5) days after the Association receives a fully executed copy of this Agreement from the County.

IV.
DEFAULT AND TERMINATION

4.1 HCDE understands and agrees that if the County does not receive the monthly payments within thirty (30) days of the date due, the County is authorized to terminate this Agreement without further notice. The County's failure to make demand for payments due is not a waiver of HCDE's obligation to make timely payment.

4.2 If HCDE defaults in the payment of any obligation hereunder, HCDE is liable to the County for an interest assessment of one percent (1%) on the unpaid amount. Interest shall thereafter compound monthly at one percent (1%) on unpaid amounts and interest assessments from the date of default until paid. This interest is in addition to any monies due for law enforcement services rendered hereunder. Interest on all past due amounts shall not exceed the maximum amount of nonusurious interest that may be contracted for, taken, charged, or received under law. Any interest in excess of that maximum amount shall be refunded. HCDE is also liable for attorney's fees and costs should the matter have to go to litigation for collection.

4.3 If HCDE is dissatisfied in any way with the performance of the County, the Sheriff or the officers under this Agreement, HCDE's sole remedy is termination under Section 4.4.

4.4 Either party may terminate this Agreement prior to the expiration of the term set forth in this Agreement, with or without cause, upon thirty (30) days prior written notice to the other party. The County will submit an invoice to HCDE showing the amounts due for the month in which termination occurs. HCDE agrees to pay the final invoice within ten (10) days of receipt.

4.5 If this Agreement is terminated at any time other than at the end of a contract month, the monthly installment or payment for such contract month will be prorated, less any unpaid amounts and interest under Paragraph 4.2.

4.6 In the event the Sheriff informs Commissioners Court and HCDE in writing that due to position vacancy or elimination occurring on or after October 1, 2024, the Sheriff cannot or will not provide 6 deputy(ies) to devote seventy percent (70%) of their working time to provide law enforcement services related to HCDE's geographical area, and provided that HCDE has prepaid its sum and further provided that such notice from

the Sheriff identifies that such vacancy or elimination was of a position that served or facilitated service to HCDE, HCDE shall receive a refund equal to the number of days between the date of the Sheriff's notice and a subsequent meeting of Commissioners Court at which Commissioners Court amends or terminates the Agreement.

V.
NOTICE

5.1 Any notice required to be given under the provisions of this Agreement shall be in writing and shall be duly served when it shall have been deposited, enclosed in a wrapper with the proper postage prepaid thereon, and duly registered or certified, return receipt requested, in a United States Post Office, addressed to the parties at the following addresses:

6.1 The parties agree that this Agreement contains all of the terms and conditions of the understanding of the parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence and preliminary understandings between the parties and others relating hereto are superseded by this Agreement.

EXHIBIT A

Scope of Work for CASE Partnership

Background

The Center for After School Excellence (CASE) and the University of Houston Honors Debate Program seek to cooperate to support High School debate in the Greater Houston Area with the Honors Debate Program running CASE events including tournaments, site support, and other things as needed and CASE providing material support to ensure this happens for a three year period starting Fiscal Year 2026.

Overall Purpose and Goals

- Providing a program manager to oversee and direct the cooperation between CASE and the Honors Debate Program.
- Providing quality tournaments for the CASE student body.
- Supporting CASE member High School debate programs with on-site instruction.
- Cooperation between UH and CASE to seek external support for these programs and for each other's work.

Program Manager

The University of Houston Honors College will hire a Program Manager to oversee the execution of this agreement. This manager will:

- Coordinate with CASE to ensure the best possible experiences at all shared events and to ensure needs of member institutions are being met.
- Organize the tournaments below, overseeing the hiring of judges, the 'tabbing' process for the running of tournaments, coordinating food and other needs for the tournaments, registration for the tournaments, and other normal duties regarding tournament administration.
- Coordinate teaching staff for site visits to CASE schools to support debate programs, ensuring equitable distribution of visits and support for schools in all aspects of debate.
- Produce a core curriculum for debate programs to use in teaching students, and share that curriculum with CASE for review.
- Coordinate with partner institutions with an interest in local debate (e.g. the Houston Urban Debate League or the Houston Independent School District) to best serve the health of the tournaments below and CASE debate.
- Handle other duties as deemed necessary by both parties for the ongoing support of the partnership.

Tournaments:

- The University of Houston Honors Debate Program will run a minimum of four tournaments from October to March to support CASE schools in accordance with prior CASE tournament practices.
- The University of Houston Honors Debate Program will run either a "Winter Classic" or "City Championship" tournament in case of their absence from the tournament schedule from partner institutions.

- The University of Houston Honors Debate Program will "tab" the tournament and hire judges to support the above tournaments.
- The University of Houston will serve as the default host for the above tournaments or work with a CASE member school or approved partner institution to find an alternative host.
- The University of Houston Honors Debate Program will provide meals at the tournament for competing students, judges, coaches, parents, and other chaperones. This will include breakfast and lunch with dinner provided at any tournament that is expected to run past 6 PM.
- The University of Houston Honors Debate Program will ensure that judges at tournaments meet any relevant background check requirements for participation in these events, the costs of these background checks will be reimbursed separately by CASE.
- The University of Houston Honors Debate Program will manage the payment of ancillary costs (e.g. custodial support, security, etc.) either at the University or at a host site.

Site support:

- The University of Houston Honors Debate Program will develop a curriculum under the supervision of the aforementioned program manager to core program for debate instruction in CASE schools, this will be shared with CASE.
- The University of Houston Honors Debate Program will arrange for qualified debate coaches to visit CASE participating schools at periodic intervals to teach debate concepts to students and help run practice debates and other workshops.
- The University of Houston Honors Debate Program will also arrange for periodic online debate prep sessions to be attended by qualified coaches to help CASE students.
- The University of Houston Honors Debate Program will handle payment and oversight of these coaches.
- The University of Houston Honors Debate Program will also ensure that every participating coach is appropriately background checked, the costs of these background checks will be paid for separately by CASE.

Fundraising:

- The University of Houston Honors Debate Program and CASE will coordinate a fundraising strategy approaching alumni, interested donors, grant-writing organizations, and other groups to support this program, and will communicate openly about their projects and work to find synergies to support each other.

Apparel:

- The Center for After School Excellence will coordinate with the University of Houston Honors Debate Program to provide appropriate apparel and memorabilia (e.g. t-shirts, timers, stickers,

etc.) to student, judge, and coach participants in this program. Both will ensure that any goods produced meet marketing and branding requirements of both parties and will help to oversee their distribution.

Funding:

CASE will provide the University of Houston with funds to cover the costs of the above, except where otherwise indicated or agreed to.

This will fall into two categories with the following costs for the 2026 Fiscal Year:

Personnel:

Item	Description	Total
Program Manager	Funding the hiring of the program manager in a full-time position.	$70,000
Site Visit Coaches	Costs to cover coaches and students for site visits	$12,000
Hired Judging	Covering costs of hired judges at tournaments	$12,000
	Total:	$94,000

CASE will increase this amount by 3% annually over the course of this contract to cover costs of raises and inflation, with the following payments:

FY 27 - $96,820
FY 28 - $99,725

Tournament Support:

Item	Description	Total
Tournament Food	Covering costs of feeding students at four tournaments at $5,500 per tournament.	$22,000

On-site support costs	Costs to cover ancillary services like Custodial and Security support at tournaments.	$2,000
	Total:	$29,000

CASE and the UH Honors Debate Program agree to review these costs at the end of the competitive season and to work together to ensure that these are being handled efficiently to ensure a balance between the highest quality possible programming and cost-savings. If the UH Honors Debate Program independently runs either the “City Championship” or “Winter Classic” tournament, as outlined above, CASE will offer supplemental funds to help cover the cost.

Payment scheduling and review:

CASE will ensure that payment is made at the beginning of the fiscal year to cover all costs of tournaments. The UH Honors Debate Program will offer a full accounting of payments at the end of the competitive season to review costs and find potential savings with CASE.

Exhibit B

MODIFICATIONS TO UNIVERSITY'S SERVICES AGREEMENT

University's Services Agreement (the "UH Agreement") shall hereby be modified as follows:

1. Provision 3 (Compensation) shall be deleted and replaced by the following:

    a. Customer shall compensate University for the Personnel and Tournament Support in accordance with the GPO Agreement, Section III – Scope of Work for Case Partnership, attached and incorporated herein (collectively the "Services"). After the completion of Service, University shall submit a full accounting of the Services and costs to Customer. Prior to the beginning of Customer's fiscal year, University shall submit an invoice to Customer for the Services. In accordance with Texas Government Code § 2251.021, payments are due to University within forty-five (45) days after the later of the following: (1) the date Customer receives the goods under the Agreement; (2) the date the performance of the service under the Agreement is completed; or (3) the date Customer receives an invoice for the goods or service. The exceptions to payments made by District and/or University listed in Texas Government Code § 2251.002 shall apply to this Agreement. University will submit an invoice to Customer for Services, setting forth in detail the work performed and the charges therefore. Payment shall be due to University within 45 days of the invoice date.

2. The following provision shall be added to the UH Agreement:

    a. NON-APPROPRIATION. The Term of this Agreement is a commitment of Customer's current revenue only. Notwithstanding anything to the contrary in this Agreement, Customer is obligated to make payments only as approved each year by Customer's Board of Trustees. Customer's Board of Trustees retains the right to terminate the Agreement at the expiration of each budget period of Customer. To the extent that Customer will use state, federal, or other grant funds to fulfill its obligations under this Agreement, University acknowledges that grant funds may be used to pay for all or a portion of funds due under this Agreement and that this Agreement is only effective upon receipt of the Notice of Grant Award ("NOGA") and receipt of the grant funding by Customer from the awarding agency. As such, if Customer does not receive sufficient funding for the services or payments provided in this Agreement, Customer may terminate this Agreement without penalty or further obligation to University, at any time upon written notice to University. In the event that any payment(s) to University under this Agreement are subsequently disallowed by a grant awarding agency or in the event that Customer is required to refund any funding received from a grant awarding agency relating to this Agreement, to the maximum extent permitted by applicable law, University shall repay to Customer, on demand, the amount of any such disallowed costs and/or refund. Customer may, in its sole discretion, deduct the amount(s) of

any such disallowed costs and/or refund(s) from subsequent payments to University under this Agreement.

3. The following provision shall be added to the UH Agreement:

    a. CRIMINAL HISTORY BACKGROUND CHECK: (TEC § 22.0834; TEC, § 22.08341; Texas Government Code, § 411.0845). Prior to commencing any Services at Customer, an independent school district, or an open-enrollment charter school location where students are present, under the Agreement, University must comply with all applicable requirements relating to criminal history information required by Tex. Educ. Code Chapter 22, including completing Customer's Criminal History Background Check Form(s), at University's cost and expense. University must also ensure any subcontractors' compliance with Tex. Educ. Code, Chapter 22 requirements, as applicable. Covered employees with disqualifying criminal history are prohibited from serving at Customer locations; University and any subcontracting entity may not permit a "covered employee" to provide services at a school if the employee has a "disqualifying criminal history" (as those terms are defined by applicable law). If University receives information that a covered employee has a reported disqualifying criminal history, then University will immediately remove the covered employee from the project/Agreement and notify Customer in writing within three (3) business days. If Customer, in its sole discretion, objects to the assignment of a covered employee for any reason, including, but not limited to, on the basis of the covered employee's criminal history record information and/or insufficient qualifications, lack of experience, and the like, based on information gathered by Customer through the procurement and/or contracting processes, University (and each subcontractor) agrees to discontinue using that covered employee to provide services on Customer's project/Agreement. The criminal history record information review obligation applies if University contracts with Customer to provide continuing services and has or will have the opportunity for direct contact with students. University shall comply with Customer's applicable policies and applicable law, including, but not limited to, all background check requirements for all persons performing Services under this Agreement.

4. Provision "h" under "Miscellaneous" shall be deleted and replaced by the following:

    a. It is the intention of the parties that University is independent of Customer and not an employee, agent, joint venturer, or partner of Customer and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between Customer and University or Customer and any of University's representatives. This Agreement does not create a joint venture or business partnership under Texas law. University is solely responsible for the supervision, daily direction and control, and payment, payment of salary (including withholding of income taxes, social security and any other required withholdings), insurance, worker's compensation, disability benefits and like requirements and obligations of University's employees, agents,

volunteers, and representatives. University agrees that Customer has no responsibility for any conduct of any University employee, agent, volunteer, or representative.

5. Provision "i" under "Miscellaneous" shall be deleted and replaced by the following:

    a. Disclaimer. CUSTOMER DOES NOT WARRANT THAT THE OPERATION OR USE OF CUSTOMER PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. CUSTOMER HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

6. The following provision shall be added to the UH Agreement:

    a. Limitation of Liability. Without waiver of the Disclaimer in Sub-section i. of this Agreement, the Parties agree that:

        i. Neither Party waives any immunity afforded to it, their employees, officers, or agents under applicable law; and Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.

7. The following provision shall be added to the UH Agreement:

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s).    b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
   c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS EAST at the time of termination or expiration of this Contract will return to **DISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **DISD** within ten (10) business days following the date of termination or expiration, at the written request of **DISD**.

12. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **DISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS EAST, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide

15. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.

16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.

18. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **DISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **DISD** agrees that HCDE has no responsibility for any conduct of **DISD** or **DISD**'s employees, agents, representatives, contractors, or subcontractors.

20. **Force Majeure.** Neither HCDE nor **DISD** shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.

21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.

22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.

23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

CONTRACT TERMS & CONDITIONS

DEFINITIONS

The School: YES Prep Public Schools.

Buyer/End User: The School and its assigned department, division, campus or persons, to purchase goods and services.

The Contractor: Person or entity that provides goods and/or services for the School. A Contractor includes but is not limited to: professional service providers, independent, consultants, contractors, other service providers, suppliers, licensors, resellers, retailers, manufacturers, and dealers.

PO: A properly approved Purchase Order.

Agreement: the underlying executed contract or agreement between the School and the Contractor or may also consist of the formal solicitation (e.g., request for proposals or similar request/invitation materials), the response to the formal solicitation and these Purchase Order Standard Terms and Conditions which together shall constitute the binding agreement or contract.

Contract Terms & Conditions: this document containing standard terms and conditions and conditional terms and conditions.

CONTROLLING TERMS

These Contract Terms & Conditions and the Agreement shall be construed in such a manner as to give full force and effect to all provisions of these Contract Terms & Conditions. Unless agreed to beforehand, as evidenced by a fully executed contract, in no event shall a Contractor's separately issued contract and related terms and conditions prevail

over these Contract Terms and Conditions. In the event that any documents issued by the Contractor under the Agreement, including any purchase order, contain terms in conflict with these Contract Terms & Conditions, the terms of these Contract Terms & Conditions shall control - even if the Contractor's other terms expressly states that its terms are intended to control over all else.

STANDARD TERMS AND CONDITIONS

These Standard Terms and Conditions are standard and required for any contractor doing business with YES Prep regardless of the type of good and/or service, audience to be served by the good and/or service, or funding source of the good and/or service. The Standard Terms and Conditions shall control over any previously executed agreement and any future agreement (regardless of any contractual provision in another agreement to the contrary) with the Contractor, unless expressly modified by the parties and agreed to in writing. If there is any conflict, these Standard Terms and Conditions shall control.

Acceptance: Subject to approval by the School's board of directors (the "board") where required by law, any purchase order placed in the absence of an agreed upon mutually signed contract, the purchase order constitutes a binding contract between the Contractor and the School to furnish the goods and/or services as stated on the face of the Purchase Order (PO). Under no circumstances is the amount of that PO to be exceeded without prior written approval of the School. No substitution of materials of any kind or change in, cancellation of, waiver of, or exception to any of the terms or specifications of any purchase order, contract, or service agreement will be recognized unless authorized in writing by the School. Acceptance of the Contractor's goods and/or services does not equal acceptance of any of the terms and conditions or other contractual provisions or waiver of any rights, warranties, claims or nonconformance, regardless of whether that may be stated in the Contractor's documentation, purchase orders, or agreements.

Assignment: This Agreement may not be assigned by either party without the prior written consent of both the School and Contractor.

Contractual Relationship: Nothing herein shall be construed as creating the relationship of employer or employee between the School and the Contractor or between the School and the Contractor's employees. The School shall not be subject to any obligation or liabilities of the Contractor or its employees incurred in the performance of the contract and order unless otherwise herein authorized. Neither the Contractor nor its employees shall be entitled to any of the benefits established for School employees, nor be covered by the School's Workers' Compensation Program.

Compliance with Applicable Law: To the extent applicable, the Contractor shall fully comply with all provisions and reauthorizations of applicable state and federal law, including but not limited to the Texas Education Code, the Texas Administrative Code, the Elementary and Secondary Education Act (ESEA), the Individuals with Disabilities Education Act (IDEA), and the Family Educational Rights and Privacy Act (FERPA).

Conflict of Interest: In accordance with section 176.006 of the Texas Local Government Code, the Contractor must file, on an annual basis, a Conflict of Interest Questionnaire (Form CIQ) with YES Prep. Form CIQ and the related instructions can be found on the Texas Ethics Commission website at https://www.ethics.state.tx.us/forms/conflict/. The Contractor shall also comply with all prohibitions on gifts or benefits, and disclosure of same, under Chapter 176 of the Texas Local Government Code, and other applicable law including federal and state "related party" law and restrictions, nepotism laws, penal code prohibitions and other applicable law and rule. Any violation or failure to disclose any conflicts of interest shall be grounds for the School to take action as permitted by law including termination of any agreement, declaring any agreement void or other action the School determines to be in its best interest.

Contract Renewals: Notwithstanding any other provision, contract agreements with the School shall not be eligible for automatic renewals. Renewal notices shall be sent to the School at least 90 days in advance of a contract expiration date. The School will notify the Contractor at least 30 days in advance of a contract expiration with its intent to renew, non-renew, amend the agreement or terminate.

Contract Amendment: Any written Agreement may be amended at any time during the contract term by written mutual agreement of both the School and Contractor.

Confidentiality – Name or Information Use: The Contractor, and any person acting on its behalf or affiliated with the Contractor, shall not use the School's name, trademarks, logos or other information in any public manner or media (including, but not limited to press releases, promotions, advertisements, solicitations, website, blog, video, or social media) without prior written approval of the School. Written authorization may be refused or granted at the School's sole discretion.

Debarment and Suspension: Neither the Contractor nor any of its officer, directors, owners, members, employees or agents is listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with E.O 12549 and E.O. 12689—Debarment and Suspension. The Contractor should complete a Debarment or Suspension Certificate, at least annually, utilizing ***EXHIBIT 1***.

Entire Agreement: The written Agreement as well as these Standard Terms and Conditions (and any procurement documents from YES Prep) contains the entire agreement of the Parties concerning the subject matter described therein, and there are no other promises or conditions in any other agreement, whether oral or written, concerning the subject matter described herein. These Standard Terms and Conditions supersede any prior, contemporaneous or related written or oral agreements between the parties concerning the subject matter described herein or in the Agreement.

In the event this Agreement is cancelled by the School pursuant to this section, the School shall be

entitled, in addition to any other rights and remedies, to recover or withhold the amount or the cost incurred by the Contractor in providing such impermissible gratuities.

The Texas Health and Human Services Commission Form 1903, Child Support Certification must be completed legibly, either handwritten or typed. A duly authorized representative, preferably the duly authorized representative identified, must sign this form. Failure to complete this form pursuant to this and other instruction shall disqualify the Contractor from providing goods and/or services to the School. The child support certification form can be found at: https://www.hhs.texas.gov/regulations/forms/1000-1999/form-1903-child-support-certification.

This right shall exist even if payment has already been made by the School to the Contractor. Goods or services which, in the sole opinion of the School, fail to conform to the required specification(s) or standard(s) may be considered non-conforming. In such event that goods and/or services are considered non-conforming, The School may return such goods and/or services at the Contractor's risk and expense for replacement or correction, in which case the Contractor shall use best efforts to replace any non-conforming goods and/or services. The School shall be an additional named insured on each policy and the Contractor shall provide a copy of the insurance policy or rider documenting this status. Please note a certificate of insurance showing named-insured is not adequate to establish this status or fulfill this requirement.

Law of State to Govern: This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas (without regard to the conflict or choice of law principles). The Parties irrevocably consent to the jurisdiction of the State of Texas and agree that any court of competent jurisdiction sitting in Harris County, Texas, shall be an appropriate and convenient place of venue to resolve any dispute with respect to this Agreement. In connection with the School's defense of any suit against and/or the School's prosecution of any claim, counterclaim or action to enforce any of its rights and/or claims under this Agreement, which the School prevails as to all or any portion of its defense(s), claims, counterclaims, and actions, the School shall be entitled to recover its actual attorneys' fees and expenses incurred in defending such suit and/or in prosecuting such claim or action.

Non-Appropriation/Funding Out: This Agreement is conditioned upon continued funding and appropriation and allotment of funds by the Texas State Legislature and/or the Texas Education Agency pursuant to the School's open-enrollment charter. This Agreement is further conditioned on continued allocation of funds by the School's Board of Directors (the "Board"). If the Legislature and/or the Texas Education Agency fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds at the end of the School's fiscal year, then the School will issue written notice to the Contractor and the School may terminate this Agreement without further duty or obligation hereunder.

No Waiver of Immunity: NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, THE CONTRACTOR ACKNOWLEDGES, STIPULATES, AND AGREES THAT NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS A WAIVER OF ANY DEFENSE AVAILABLE TO THE SCHOOL, INCLUDING BUT NOT LIMITED TO ANY SOVEREIGN, STATUTORY, AND/OR GOVERNMENTAL IMMUNITY AVAILABLE TO THE SCHOOL UNDER APPLICABLE LAW.

The price(s) specified on the face of the Purchase Order and/or Agreement shall remain firm until the School has accepted the goods and/or services and has processed the Contractor's invoice. The Contractor is directed not to fill the PO at increased prices without prior written authorization from the School. No separate charges, except those clearly recorded on the Contractor's quote/bid/proposal and on the PO can or will be allowed.

Product Recall: The Contractor shall notify the School immediately if a product recall is instituted on any good and/or service the Contractor has delivered or if the Contractor discovers or becomes aware of any quality or other deficiency in the delivered goods and/or services. This requirement shall survive payment and acceptance of the goods and/or services.

Invoices that are received without Purchase Order information or with words "VERBAL" may NOT be paid by the School and the invoice will be returned to the Contractor. Also, requisition numbers are not a valid authorization to purchase or order goods and services.

Purchase Order Validation: A PO from the School is valid only when the following two conditions have been met: (a) A PO number appears in the space provided; and (b) a written or stamped signature of the School's authorized signatory or designee appears in the space provided.

Rights to Inventions Made Under a Contract or Agreement: The Contractor acknowledges and agrees that any intellectual property, processes, procedures or product developed in furtherance of a contract between the Contractor and the School belongs to the School as work-for-hire and all rights are reserved by the School and/or the federal government in accordance with applicable federal law.

Record Keeping: It is the responsibility of the Contractor to maintain such records as are required by law, the School, or as are prescribed by the professional and generally accepted standards of the Texas Education Agency. The books and records related to the Services shall be maintained by the Contractor, and the School shall have the right to inspect and review such records at reasonable times upon request by the School.

Severability: In the event that any provision of this Agreement is found to be invalid, illegal, or unenforceable in any jurisdiction, then in lieu of such invalid, illegal, or unenforceable provision there shall be added automatically as a part of this Agreement a valid, legal, and enforceable substitute provision that most nearly reflects the original intent of the Parties, and all provisions hereof shall remain in full force and effect and shall be liberally construed in order to carry out the intentions of the Parties hereto as nearly as may be possible. Such invalidity, illegality, or unenforceability shall not affect any other provisions contained in this Agreement.

Tax Exempt: The School is tax-exempt. The Contractor shall not include taxes on the PO or invoice. The School will provide a tax exemption certificate to the Contractor upon request.

Termination: The School reserves the right to terminate all or any part of the undelivered portion of any order resulting from a Purchase Order or the Agreement with thirty (30) days written notice upon default by the Contractor, for delay or nonperformance by the Contractor, or if it is deemed in the best interest of the School, for convenience.

Texas Public Information Act: The Contractor acknowledges that the School is a public school subject to requests for information under the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code. Under the TPIA, there are exceptions to requests for disclosure which include, but are not limited to, information confidential by law and certain commercial information and trade secrets. The Texas Attorney General's office makes the final determination whether or not requested information is to be disclosed on a case-by-case basis after reviewing the materials and assertions against disclosure. If proprietary information is requested, the TPIA requires the School to provide written notice to the party whose proprietary information may be subject to the request, and that party may also submit information to the Texas Attorney General to establish that disclosure of the information would cause substantial competitive harm.

CONDITIONAL TERMS AND CONDITIONS

The below terms and conditions are applicable in certain circumstances such as the type of good and/or services, the target audience to be served by the good and/or service, and the funding source of the good and/or service.

Background Checks: If a Contractor or Sub-the Contractor may have direct interaction with students, the Contractor must coordinate and cooperate with the School to ensure that an appropriate criminal history record information review as required by Texas Education Code § 22.0834 is conducted for the Contractor and any of the Contractor's personnel who will have continuing duties related to this Agreement and will have direct contact with students. The Contractor shall reimburse the School for its direct costs associated with conducting the appropriate criminal history background check for the Contractor and its personnel (See ***EXHIBIT 2*** as incorporated herein by reference).

Confidential and/or Proprietary Information: The Contractor acknowledges that, in connection with this Agreement, it may have access to or create (alone or with others) confidential and/or proprietary information that is valuable to the School. For purposes of this Agreement, "Confidential Information" shall include but not be limited to:

i) Information relating to the School's financial, regulatory, personnel, or operational matters.

ii) Information relating to the School's clients, customers, beneficiaries, suppliers, donors, employees, volunteers, sponsors, or business associates and partners.

iii) Trade secrets, know-how, inventions, discoveries, techniques, processes, methods, formulae, ideas, technical data and specifications, testing, methods, research and development activities, and computer programs and designs.

iv) Contracts, product plans, sales and marketing plans, and business plans.

v) All information not generally known outside of the School's business, regardless of whether such information is in written, oral, electronic, digital, or other form, and regardless of whether the information originates from the School or its agents.

vi) The term "Confidential Information" does not include the following:

a. Information available to the public through no wrongful act of the receiving party.
b. Information that has been published.
c. Information required in response to subpoena, court order, court ruling, or by law.

The Contractor agrees that it will not, at any time during or after termination of this Agreement, use or disclose any Confidential Information or trade secrets of the School to any person or entity for any purpose whatsoever without the prior written consent of the School, unless and except as otherwise required by applicable federal or state law or court order.

The Contractor agrees to release to the School all records and supporting documentation related to the Services provided under this Agreement upon completion of the Term hereof.

Delivery of Goods/Items: When the Contract or Purchase Order is for goods, the Contractor shall deliver complete orders, unless previously informed to and accepted by the School. Any deliveries not made in full are subject to a delay of payment by the School's Accounting Department. Items shipped to the incorrect location by the Contractor will be the responsibility of the Contractor to correct. The Contractor will be required to cover shipping charges to ship the items to the correct location. The School will only deliver the items to the correct location if there was an incorrect shipping address listed on the Contract or Purchase Order. A packing slip is required with each shipment. The Contractor packing slips and invoices must reference the Purchase Order number or indicate if the purchase was made with a credit card. There are no loading docks, forklifts, or ramps at any School locations. Such liftgate or inside delivery charges that were not communicated to the School are to not delay the shipment of the order and are not to be invoiced at a later date.

Enforcement: If the Agreement is for services, it is acknowledged and agreed that the Contractor's services to the School are unique, which gives the Contractor a peculiar value to the School and for the loss of which the School cannot be reasonably or adequately compensated in damages. Accordingly, The Contractor acknowledges and agrees that a breach by the Contractor of the provisions hereof will cause the School irreparable injury and damage. The Contractor therefore expressly agrees that the School shall be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement, but only if the School is not in breach of this Agreement.

Federal Funds: If the source of funds for this purchase is federal funds, the provisions stated in 2 CFR 200.326 and Appendix II to 2 CFR 200 are applicable. See ***EXHIBIT 3*** for details of these provisions.

Identity Theft Protection: If the Contractor will be storing employee or student data as part of the services under the Agreement, the following provisions apply:

i) The Contractor agrees to maintain the confidentiality of "personal identifying information" and "sensitive personal information," as those terms are defined in Texas Business & Commerce Code § 522.002 by implementing reasonable data security procedures, controls, and safeguards to ensure that such information is protected. The Contractor agrees that "personal identifying information" and "sensitive personal information" will be collected only as necessary and in conjunction with this Agreement, and will be restricted in its distribution and accessibility such that only authorized representatives of the Contractor who have agreed to maintain the confidentiality of the data may access it. Such information will be properly secured by the use of safeguards such as secure file storage, firewall protection, complex password protection, secure operating systems, anti-virus software, locked physical files and backups, data encryption, and other technology tools. When necessary, "personal identifying information" and "sensitive personal information" will be disposed of through secure means, such as shredding paper files and erasing electronic files.

ii) The Contractor will not bear responsibility for safeguarding information that is (i) publicly available; (ii) that is not "personal identifying information" or "sensitive personal information"; (iii) that is obtained by the Contractor from third parties without restrictions on disclosure and is not obviously "personal identifying information" or "sensitive personal information"; or (iv) is required to be disclosed by order of a court or other governmental entity.

iii) The Contractor stipulates that this Agreement does not convey ownership of "personal identifying information" or "sensitive personal information" provided by the School under this Agreement.

iv) If the Contractor becomes aware of a disclosure or security breach concerning any "personal identifying information" or "sensitive personal information" covered by this Agreement, the Contractor shall immediately notify the School and take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If there is a "breach of system security" where "sensitive personal information" is breached, both as defined in sections 521.002 and 521.053 of the Texas Business & Commerce Code, the Contractor shall proceed with notification requirements as required therein. The Parties agree that any breach of the privacy and/or confidentiality `obligations set forth in this Section may, at the School's sole discretion, result in the School's immediately terminating this Agreement without financial penalty.

Payment and Performance Bonds: If required pursuant to Texas Government Code Chapter 2253 related to performing public works, and prior to commencing any work pursuant to this Agreement or any Purchase Order, the Contractor shall provide Payment and Performance bonds equal to the total cost of the approved project. This shall be at the sole cost and expense of the Contractor.

Privacy of Student Data: When educational records and Student Data will be utilized under the Agreement, the following provisions apply:

i) General Guidelines: The Parties acknowledge and agree that certain federal and state laws protect the privacy interests of students and parents with regard to educational records

maintained by the School, including, without limitation, the Family Educational Rights and Privacy Act ("FERPA"), 20 USC § 1232g. The School has determined that the Contractor has a legitimate educational interest in the educational records, as that term is defined under FERPA, of the School's students who receive the services, and that the Contractor is the agent of the School solely for the purpose of providing services under this Agreement. The Contractor and its personnel shall maintain the confidentiality of Student Data, as defined below, and comply with the requirements of FERPA and all other applicable law with respect to the privacy of Student Data. The Contractor's obligations under this Section shall survive the termination or expiration of this Agreement.

ii) Definition of "Student Data": "Student Data" includes all Personally Identifiable Information ("PII") and other non-public information and includes, but is not limited to, student data, metadata, and user content.

iii) Collection and Use of Student Data: The Contractor will only collect Student Data necessary to fulfill its duties as outlined in this Agreement. The Contractor will use Student Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement. The Contractor is prohibited from mining Student Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.

iv) Data De-Identification: The Contractor may use de-identified Student Data for product development, research, or other purposes. De-identified Student Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, The Contractor agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless that party agrees not to attempt re-identification.

v) Marketing and Advertising: The Contractor will not use any Student Data to advertise or market to students or their parents.

vi) Modification of Terms of Service: The Contractor will not change how Student Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from the School.

vii) Student Data Sharing: Student Data cannot be shared with any additional parties without prior written consent of the School, except as required by law.

viii) Access and Transfer or Destruction: Any Student Data held by the Contractor will be made available to the School upon request by the School. The Contractor will ensure that all Student Data in its possession and in the possession of any Subcontractors or agents to which the Contractor may have transferred Student Data are destroyed or transferred to the School when the Student Data is no longer needed for its specified purpose, at the request of the School.

ix) Rights and License In and To Student Data: The Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the School, and that the Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in this Agreement. This Agreement does not give the Contractor any rights, implied or otherwise, to Student Data, content, or intellectual property, except as otherwise expressly stated in this Agreement. This includes the right to sell or trade Student Data.

x) Security Controls: The Contractor will store and process Student Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Student Data from unauthorized access, disclosure, and use. The Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. The Contractor will also have a written incident response plan, to include prompt notification of the School in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. The Contractor agrees to share its incident response plan upon request.

In accordance with the statute, the Contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Contractors must be required to pay wages not less than once a week. 9. *Debarment and Suspension.* A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

1. **Term.** This Contract is for the term of **August 26, 2024,** through **June 5, 2025.** During said term, HCDE agrees to provide services described herein for **two (2) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **YES**.

2. **HCDE Responsibilities.**
   a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS EAST in accordance with applicable law and during the days and times set forth by ABS EAST. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
   b) HCDE agrees to furnish the **YES** with a monthly statement of student(s) attendance. HCDE agrees to furnish **YES** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **YES**.
   c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
   d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **YES** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **YES**.

3. **YES's Responsibilities.**
   a) **YES** is responsible for providing transportation for the student(s) to and from ABS EAST. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **YES** and HCDE.
   b) **YES** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS EAST. **YES** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **YES** during the term of this Contract. **YES** shall provide copies of additional records, including **YES** Records, as reasonably requested by HCDE.
   c) **YES** retains the responsibility to report **YES** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.**
   For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

"sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **YES** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **YES** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **YES's** annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **YES** is under HCDE's direct control with respect to **YES's** access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **YES's** direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). The ARD Committee of **YES** has affirmed the classification and approved the recommendation of such contracted services.

   b) HCDE will be available for participation with the **YES** ARD Committee in the development of the Individualized Education Plan (IEP). For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **YES** student placed at HCDE, **YES** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **YES** student and is in no way liable to the student, parent, or **YES** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **YES** agrees to pay HCDE a total amount of **$47,600.** Total amount is calculated by multiplying the number of units times the annual **in-county** tuition rate (**$23,800**).

   a) In the event that **YES** makes a payment to HCDE with a credit card, **YES** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
   b) **YES** may sell unused units to another district upon obtaining HCDE's prior written consent.
   c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

10. **YES Liaison.** **YES** shall appoint a qualified liaison to communicate on behalf of **YES** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS EAST programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **YES** liaison shall make best efforts to assist ABS EAST representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **YES** employees and student(s)'s parents/guardians, as necessary.

Subject:

Approval of CASE for Kids Leadership Academy for FY 2026 Interlocal with Crosby ISD.

Rationale:

The Harris County Department of Education, through CASE for Kids, is committed to providing high-quality college and career readiness experiences for students across the county. Upon school district approval of this interlocal, Crosby ISD will identify staff to serve in the role of Quality Liaison for the Leadership Academy project. The Crosby ISD Quality Liaison will assist CASE for Kids in recruiting students from the middle and high school to participate in this pilot program. Part of the pilot program activities will occur at two Crosby ISD elementary schools, Barrett Elementary and Drew Elementary, where CASE for Kids hosts a 21st Century Community Learning Center program. In addition to facilitating Leadership Academy programming at the two elementary schools, Crosby ISD will assist students with registration for the pilot program, collect student-level data, such as grades and attendance, and ensure all program activities are implemented successfully at the campuses. As part of the Leadership Academy program model, students will attend field trips. Crosby ISD will coordinate, facilitate transportation, and pay for all pilot program field trips.

B. The ISD certifies compliance with all provisions, laws, acts, regulations, rules, and ordinances in Exhibit A attached hereto and incorporated herein. The ISD further agrees to abide by all of the guidelines developed by HCDE in furtherance of this Contract.

C. The ISD agrees not to make any expenditure in excess of the budget submitted for each Center.

D. For each Center, the ISD agrees to provide facilities necessary to operate the Learning Academy for students in accordance with the program description.

E. HCDE agrees to provide a CASE for Kids Registration form for use in program enrollment. The ISD agrees to use the provided form as it currently exists or may be revised by HCDE/CASE in the future. The ISD further agrees to affirm enrollment of students and provision of services by ensuring that a completed CASE for Kids registration form is authorized for each student enrolled in the program by the student's parent/guardian.

F. The ISD agrees to maintain necessary records and accounts in order to assure that payments received from HCDE have been expended for program activities and operation of the Center(s). The ISD agrees to provide these records and other information as required by HCDE. The ISD agrees to retain all required records for three years after HCDE makes final payments to ISD and all other pending matters are closed. The ISD will submit to HCDE

verification of employment status for employees, receipts and invoices for supplies, and copies of contracts for contracted services purchased.

G. The ISD shall furnish operating reports to designated HCDE representatives on a monthly basis. J. The ISD may use the funds from HCDE received under this Contract for the Learning Academy, to create new program(s), or to enhance existing program(s), but the funds from HCDE must not replace or supplant funding for an existing program(s). In the event that funds received from HCDE will be used to expand already existing program(s), the ISD will provide HCDE with detailed documentation of the program(s), including a list of students and adults currently enrolled, attendance since the beginning of the school year (or past six months), and a schedule of activities offered by the program(s) since the beginning of the year. The ISD will also report all sources of funding for the program(s) and the total cost of the program(s) to HCDE.

K. The ISD agrees to obtain and assess criminal history record information for each employee or volunteer used in the Center(s) and to use only those persons fit to work with students.

L. The ISD agrees that the certifications and agreements included in the HCDE Vendor Certification Forms, attached hereto as Exhibit A and incorporated by reference in the agreement for all purposes, are true and correct.

HCDE will pay the ISD within 60 days of receiving the required documentation as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain the Centers in accordance with this Contract. Included in these requirements are: the number of Centers in the ISD where the Learning Academy is provided; the number of students and adults served in the ISD by the Learning Academy program; and fulfillment of the total number of days of providing service. It is expected that the Centers will expend a minimum of 90% of the total grant award outlined herein.

If HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Leadership Academy program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

VI. RELATIONSHIP

It is understood and agreed that the ISD is an independent contractor. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between HCDE and any employee, agent, or volunteer of the ISD. The Contract does not create a joint venture or business partnership under Texas law.

The ISD is solely responsible for the supervision, daily direction and control, payment of salary (including withholding of income taxes and social security), insurance, worker's compensation, and disability benefits and like requirements and obligations of ISD employees, agents, volunteers, and representatives. The ISD agrees that HCDE has no responsibility for any conduct of any ISD employee, agent, volunteer, or representative.

Interlocal Agreement
between Harris County Department of Education & Dayton ISD

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Dayton ISD ("ISD"), located in 100 Cherry Creek Road, Dayton, Texas 77535, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and ISD desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. This term of this Agreement is for services beginning January 5, 2026 and ending August 17, 2029 ("Term"). This Agreement may be extended by mutual written agreement of the Parties, contingent upon approval of HCDE's Board of Trustees, as may be required. All extensions of this Agreement shall be subject to the terms and conditions specified herein.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

3. Purpose and Scope of Work.
   A. HCDE, through the Center, agrees to work with ISD to implement its Three-Year Certification and Support Program ("the Program"), as detailed below and in attached Exhibit A:
      i) The Program will be available for up to five Candidates per year. ISD agrees to provide HCDE with a final Participant list of candidates who are participating in the Program. The ISD further agrees to maintain and update the List throughout the school year, as may be required, due to removal from the program, termination or resignation of employment, and to deliver any updated copies of the List to the Center as soon as reasonably practicable. HCDE shall have the right, but not the obligation, to interview and otherwise

screen Candidates selected by ISD to determine, in HCDE's reasonable discretion, whether the Candidates meet HCDE's criteria to be accepted for participation in the Program. HCDE shall have the right, in HCDE's reasonable discretion, to reject any Candidate who, in HCDE's judgment, does not meet HCDE's criteria to be accepted for the Program. In the event that HCDE rejects any Candidate who, in HCDE's reasonable judgment, does not meet HCDE's criteria to be accepted for participation in the Program, ISD shall remove such Candidate from consideration for the Program. ISD may furnish alternate Candidate(s) for HCDE's consideration, a reasonable amount of time before the commencement of the Program. The ISD has final approval for all hires.

ii) The Program has three (3) distinct year-long phases as described below:

Year One: Pre-Service Year

(1) Candidates will attend pre-service coursework and development during CES summer intensive.

(2) One day a week for a total of 6 hours each day (on a day of the week that the Parties shall agree on) during ISD's school year, the Candidates will: (1) attend preservice coursework conducted by the Center, (2) participate in guided observation hours and/or clinical supervisor observation at various campuses within ISD, which shall be coordinated by the Center, (3) and/or attend guided test preparation courses conducted by the Center.

(3) To the extent it becomes necessary to change the date or time of the professional development classes, the Parties shall work together in good faith to reschedule appropriately.

Year Two: Internship Year (Teacher of Record)

(4) During regular business hours on mutually agreed upon scheduled day(s) of the week during ISD's school year, the Candidates will: (1) participate in field-supervisions which include: formal observations, pre- and post-meetings, HIT (High-Impact Touchpoints), and any reasonable additional coaching the Candidate may need; and (2) participate in internship program hours conducted by the Center once per month.

(5) During regular business hours on mutually agreed upon scheduled day(s) of the week during ISD's school year, the Candidates' administration will attend and participate in at least 3 governance meetings per Candidate.

(6) Any unmet requirements as listed in Year One, ISD would provide the candidates the necessary resources and support to complete the Candidates' outstanding requirements.

Year Three: Post Certificate Support Year

(7) The Center will provide teaching sequenced support to the Candidates.
(8) The Candidate may participate in guided observation hours and/or clinical supervisor observation at various campuses within ISD, which shall be coordinated by the Center.
(9) The Center will provide access to HCDE events and professional learning opportunities.
(10) Any unmet requirements as listed in Year One or in Year Two, ISD would provide the candidates the necessary resources and support to complete the Candidates' outstanding requirements.

The Program is anticipated to be completed in three (3) years. The Program will not be extended (unless mutually agreed upon by the Parties, in writing) past Year Three for any Candidate due to Candidate's failure to make progress in the Program. Additional costs will be negotiated upon renewal.

iii) ISD agrees to assist the Center in conducting the Program, and specifically agrees to:

(1) Provide an appropriate intern placement that allows the Candidate to meet all certification requirements.
(2) Release Candidates from ISD responsibilities during regular business hours per outlined schedule found in section 3.ii.1-3 during ISD's school year the Program so that they may attend Program-related trainings, observations, and/or internships.
(3) Release Candidates from ISD responsibilities as required to ensure that each Candidate in the Program can meet all teaching and observation hours requirements as per applicable State Board for Educator Certification rules.
(4) Release Candidates from ISD responsibilities on an as-needed basis to allow Candidates to participate in an adequate amount of test preparation conducted by the Center. The Parties agree to coordinate Candidates' schedules with a focus on test preparation participation by the Candidates during ISD business hours.
(5) Develop a Candidate Participation Agreement that both the ISD and the Center approve and enter into the mutually agreed upon Candidate Participation Agreement with each Candidate prior to their participation in the Program and return the same to the Center before each cohort of Candidates begins the Program.
(6) Appoint a qualified liaison to communicate and coordinate on behalf of ISD with HCDE representatives regarding this Agreement. The ISD liaison shall make best efforts to assist HCDE representatives in providing services to Candidates.
(7) ISD may change its liaison(s) by providing written notice to HCDE. The representatives of HCDE and ISD shall meet as often as necessary to implement the terms of this Agreement and make such operational suggestions and changes as are needed.

B. HCDE and ISD will jointly monitor the progress of each Candidate and will share and co-analyze performance data. Candidates shall comply with applicable HCDE, ISD, and/or Program policies, rules, and regulations. Either HCDE or ISD may remove a

Candidate from the Program if, in the reasonable opinion of that Party, the Candidate is not making satisfactory progress in the Program; or the Candidate has failed to comply with the rules, regulations, policies, and procedures of HCDE, ISD, or the Program. Upon removal of a Candidate under the terms of this Paragraph, the Party removing the Candidate shall provide the other Party with immediate notice of the Candidate's removal and a brief statement of the reasons for the Candidate's removal.

C. Both Parties agree to collaborate, as necessary, to administer the Program and services described in this Agreement and to act in the best interest of the Candidates. Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of ISD.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and ISD.

ISD agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by ISD. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. Entity will pay HCDE $0, plus expenses of $0 per day for services provided in Exhibit A for the five candidate seats that are fully funded through the Houston Endowment Grant. If the ISD chooses to purchase any additional candidate seats to the 26-27 cohort, the ISD pays the amount in full (per year) to HCDE for all additional candidate seats. Seats are not refundable and only for one individual per seat to be served. Seats cannot be shared among participants.

7. Invoices. HCDE will invoice ISD for the HCDE programs and services that ISD purchases from HCDE. ISD agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date ISD receives the goods; (2) the date the performance of the service is completed; or (3) the date ISD receives an invoice for the goods or service. If ISD makes a payment to HCDE with a credit card, ISD agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Participation in HCDE's Cooperative Purchasing Program. If ISD elects to participate in HCDE's cooperative purchasing program, Choice Partners, ISD shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to ISD for participation in Choice Partners. ISD shall make payments directly to vendors. ISD shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. ISD shall further

be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between ISD and the vendor. HCDE is not responsible or liable for the performance of any vendor used by ISD as a result of this Agreement or ISD's participation in Choice Partners.

9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and ISD or between ISD and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, ISD shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to ISD, ISD, its personnel and agents, shall not, directly or indirectly, whether for ISD's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

2025-2026 MEMORANDUM OF UNDERSTANDING

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Galena Park Independent School District**, ("**GPISD**") (individually a "Party" and collectively "Parties") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for **GPISD**'s student(s) at HCDE's Fortis Academy.

GPISD is a public, independent school district in the State of Texas providing educational services to students within **GPISD**'s boundaries. **GPISD** has determined that placement at HCDE's Fortis Academy is appropriate for certain student(s) who are residents of the **GPISD**. As such, both HCDE and **GPISD** desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **August 25, 2025,** through **June 4, 2026**. During said term, HCDE agrees to provide services described herein not to exceed **four (4)** unit(s), upon campus availability on a first come first serve bases to eligible student(s) who **GPISD** has determined may benefit from placement at HCDE's Fortis Academy (referred to herein as "student(s)") who are residents and enrolled at the **GPISD.** Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties' Boards of Trustees.

2. **HCDE Responsibilities.**
   a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, GPISD may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
   b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
   c) HCDE agrees to furnish the **GPISD** with a weekly statement of student(s)'s attendance.

   b) **GPISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **GPISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **GPISD** during the term of this Contract. Student Records to be provided by **GPISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **GPISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **GPISD** shall provide copies of additional records, including **GPISD** Records, as reasonably requested by HCDE.
   c) **GPISD** retains the responsibility to report **GPISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

   Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **GPISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **GPISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **GPISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **GPISD** is under HCDE's direct control with respect to **GPISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **GPISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

Docusign Envelope ID: E89F82F6-CF7E-4132-BA7C-52BB0B780D2E

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. **Special Education Services.**
   a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **GPISD** and recommended for services as described herein. The ARD Committee of **GPISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.

   b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **GPISD**. **GPISD** may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of **GPISD** and the ARD Committee, with HCDE participation. If **GPISD** chooses to make such services available in conjunction with Fortis Academy, **GPISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If **GPISD** requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.

   c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.

   d) **GPISD** agrees to invite an HCDE representative as a non-consensus member to any **GPISD** ARD Committee meeting for **GPISD** student(s) placed at Fortis Academy pursuant to this Contract.

8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **GPISD** and are considered students of **GPISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **GPISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **GPISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **GPISD** student placed at HCDE, **GPISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **GPISD** student and is in no way liable to the student, parent, or **GPISD** under the IDEA, Section 504, or other applicable law.

9. **Monitoring Student Progress.** HCDE will update **GPISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and GPISD, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. **Eligibility and Placement of Student(s).** HCDE, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **GPISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after HCDE confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in HCDE's sole discretion, or withdrawal by the student. HCDE reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **GPISD**, the district of enrollment. Upon such request from HCDE regarding a student eligible for special education services, **GPISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.

13. **Compliance with HCDE Policies, Procedures, and Rules**. The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all HCDE policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.

14. **GPISD Liaison.** **GPISD** shall appoint a qualified liaison to communicate on behalf of **GPISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **GPISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **GPISD** employees and student(s)'s parents/guardians, as necessary.

15. **Termination.**
    a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **GPISD**. HCDE and **GPISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **GPISD** the amount of any pre-paid fees for any period.
    b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
    c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **GPISD**. Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Galena Park Independent School District (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Galena Park Independent School District:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: helpdesk@galenaparkisd.com

To advise Galena Park Independent School District of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at helpdesk@galenaparkisd.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Galena Park Independent School District

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to helpdesk@galenaparkisd.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Galena Park Independent School District

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to helpdesk@galenaparkisd.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Galena Park Independent School District as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Galena Park Independent School District during the course of your relationship with Galena Park Independent School District.
