Payment Policy

Policy on Payment Processing Using Cybersource:
Purpose and Scope: This policy outlines the terms of payment processing for workshop registrations using Cybersource. It applies to all customers completing transactions through our organization's online payment system.
Payment Processing: Our organization has partnered with Cybersource to securely handle all financial transactions for workshop registrations. Cybersource is responsible for securely processing and storing all credit card information as part of their PCI-compliant payment gateway services.
Data Security and Privacy: All payment data is encrypted and managed directly by Cybersource. Our organization does not store or have access to any customer credit card information. By using our payment system, customers agree to Cybersource's terms and conditions and acknowledge Cybersource's role in data security.
Payment Disputes and Refunds: Any questions regarding payment transactions, including disputes and chargebacks, should be initially directed to our customer service team. Refund requests will be processed according to our standard refund policy and may take additional time to reflect due to Cybersource's processing requirements.
Policy Updates: Our organization reserves the right to update this policy as needed to ensure compliance with industry standards and data security regulations. We recommend that customers review this policy regularly to stay informed of any changes.
For additional information about Cybersource's terms and privacy practices, please visit their website.
