The subjects to be discussed or considered or upon which any formal action might be taken are on the Agenda following.

Additionally, from time to time an issue will be raised concerning an item on our agenda that had not been anticipated. The issue, while within the scope of the agenda topic, may be one that is required or authorized by law to be considered in executive session rather than in public session. In order for the Board to consider such issue in executive session, rather than postpone consideration of it until the next board meeting, the Board lists below most if not all be all of the sections of the Open Meetings Act that address the purposes for which the Board may lawfully meet in executive/closed session. The Board's purpose is not to meet in executive session to consider matters not on the agenda for the meeting. Instead, its purpose is to efficiently and timely conduct its business in accordance with the law.

Therefore, if, during the course of the meeting on agenda items covered by this Notice, the Board should determine that a closed or executive meeting or session of the Board should be held or is required in relation to any item included in this notice, then such closed or executive meeting or session as authorized by Section 551.001 et seq. of the Texas Government Code (the Open Meetings Act) will be held by the Board at the date, hour, and place given in this notice or as soon after the commencement of the meeting covered by this notice as the Board may conveniently meet in such closed or executive meeting or session concerning any and all subjects and purposes authorized by Sections 551.071-551.084, inclusive, of the Open Meetings Act, including, but not limited to:

- Section 551.071 For the purpose of a private consultation with the Board's attorney on any or all subjects matters authorized by law.*

- Section 551.076 To consider the deployment, or specific occasions for implementation of security personnel or devices.*
- Section 551.082 For the purpose of considering discipline of a public school child or children or to hear a complaint by an employee against another employee if the complaint or charge directly results in a need for a hearing.*
- Section 551.083 For the purpose of considering the standards, guidelines, terms or conditions the Board will follow, or instruct its representatives to follow, in consultation with representatives of employee groups in connection with consultation agreements provided for by Section 13.901 of the Texas Education Code.*
- Section 551.084 For the purpose of excluding witness or witnesses from a hearing during examination of another witness.*

Should any final action, final decision, or final vote be required in the opinion of the Board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either: a) the open meeting covered by this notice upon the reconvening of this public meeting, or b) at a subsequent public meeting of the Board upon notice thereof, as the Board shall determine.

Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The CHARTER waives any statutory right to interest the CHARTER may have under Chapter 2251 of the Texas Government Code. The CHARTER may be eligible for a prorated amount, in HCDE's sole discretion, if the CHARTER is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the CHARTER where the Center programs are provided; the number of students and adults served in the CHARTER by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The CHARTER agrees that if any time after January 31, 2022, the HCDE CASE for Kids Director determines that the CHARTER does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the CHARTER and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the CHARTER at least two weeks prior to re-allocation/withholding of funds from the CHARTER in support of the afterschool program/Center.

The CHARTER acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the CHARTER, at any time upon written notice to the CHARTER. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to CHARTER under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the

awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the CHARTER shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the CHARTER under this Contract.

The CHARTER and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

If the District elects to piggyback off of one of HCDE's contracts with CASE for Kids for Youth Services for Afterschool and Summer, the District shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to the District for use of HCDE contracts with Direct Service Providers. The District shall make payments directly to vendors/Direct Service Providers. The District shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between the District and the vendor. HCDE is not responsible or liable for the performance of any vendor used by the District as a result of this Agreement or the District's piggybacking off of one of HCDE's contracts with Direct Service Providers.

Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between HCDE and any employee or agent of the CHARTER. The Contract does not create a joint venture or business partnership under Texas law.

The CHARTER is solely responsible for the supervision, daily direction and control, payment of salary (including withholding of income taxes and social security), insurance, worker's compensation, and disability benefits and like requirements and obligations of CHARTER employees, agents, volunteers, and representatives. (2 CFR §200.12).

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

Texas Education Agency
General Provisions and Assurances
EXHIBIT D

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- **Capital Expenditures:** Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR §200.13)

This does not include PII that is required by law to be disclosed (2 CFR §200.82)
- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.
- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines. TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

**Texas Education Agency
General Provisions and Assurances
EXHIBIT D**

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.
- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

**Texas Education Agency
General Provisions and Assurances
EXHIBIT D**

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).

Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.
- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).
- The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

Texas Education Agency
General Provisions and Assurances
EXHIBIT D

directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.
- The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.
- W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.
- X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.
- Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR §§200.313 and 200.314 as applicable.
- Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the

Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

- AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.
- BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR §76.532)
- CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.
- DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in §200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Division of Financial Compliance (DFC) in the time and manner requested by the Agency.

Grantees that expend \$750,000 or more during the entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.501 Audit requirements, except when it elects to have a program-specific audit conducted in accordance with paragraph of that section. Grantees agree to submit a copy of such audits to TEA when the schedule of findings and questioned costs disclose audit findings relating to any federal awards provided by TEA. A copy of such audits shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

- EE. **Federal Rules, Laws, and Regulations That Apply to All Federal Programs:** The Subrecipient shall be subject to and shall abide by all federal laws, rules, and regulations pertaining to the Subaward Project, including but not limited to:
1. **Americans With Disabilities Act**, Public Law (P.L.) 101-336, 42 United States Code (USC) section 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64.

In consideration of the mutual covenants and conditions contained in this Contract and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties intending to be legally bound agree as follows:

1. Term. This Contract is effective from the date of the first signature and shall automatically renew unless either party gives thirty (30) days prior written notice of non-renewal. Any such notice shall be sent according to Article 8.

 - Represents that it has reviewed the contract(s) and determined that it complies with any and all applicable rules, regulations, and statutes applicable to competitive procurement and cooperative purchasing in the State of Texas.
 - B. **Entity:**
 - Agrees that it is Entity's responsibility to ensure that its State's rules, regulations, and statutes applicable to competitive procurement and cooperative purchasing allow Entity's participation in out-of-state contracts.
 - Agrees that it shall issue any and all purchase orders or other applicable authorizations for purchases made on its behalf to Choice Partner's vendors.
 - Agrees that it shall provide Choice Partners with a copy of any contract or purchase order based on a Choice Partners contract.

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
 - By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

Interlocal Agreement
between Harris County Department of Education
& Sul Ross State University

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Sul Ross State University, a local governmental entity and/or political subdivision ("LGE"), located in Alpine (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Non-Profit certifies, represents, and warrants that it is a non-profit, tax-exempt entity. Both HCDE and Non-Profit desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. HCDE agrees to:**
 - Provide Non-Profit with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon Non-Profit’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. Non-Profit agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in Non-Profit’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that Non-Profit desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as Non-Profit's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of Non-Profit.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and Non-Profit.

Non-Profit agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by Non-Profit. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice Non-Profit for the HCDE programs and services that Non-Profit purchases from HCDE. Non-Profit agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date Non-Profit receives the goods; (2) the date the performance of the service is completed; or (3) the date Non-Profit receives an invoice for the goods or service. If Non-Profit makes a payment to HCDE with a credit card, Non-Profit agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If Non-Profit elects to participate in HCDE's cooperative purchasing program, Choice Partners, Non-Profit shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to Non-Profit for participation in Choice Partners. Non-Profit shall make payments directly to vendors. Non-Profit shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. Non-Profit shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between Non-Profit and the vendor. HCDE is not responsible or liable for the performance of any vendor used by Non-Profit as a result of this Agreement or Non-Profit's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.
- Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and Non-Profit or between Non-Profit and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, Non-Profit shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.
11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to Non-Profit, Non-Profit, its personnel and agents, shall not, directly or indirectly, whether for Non-Profit's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Certificate of Interested Parties. HCDE is required to comply with House Bill 1295, which amended the Texas Government Code by adding Section 2252.908, Disclosure of Interested Parties. Section 2252.908 prohibits HCDE from entering into a contract with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to HCDE at the time business entity submits the signed contract. Non-Profit agrees to complete the Certificate of Interested Parties electronically with the Texas Ethics Commission and submit the original signed, notarized certificate to HCDE with submission of this signed Agreement.
14. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
15. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

16. Relation of Parties. It is the intention of the parties that Non-Profit is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Non-Profit or HCDE and any of Non-Profit's representatives.
17. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide Non-Profit with programs or services. During the Term of this Agreement, Non-Profit reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
18. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. 19. Limitation of Liability. Without waiver of the Disclaimer in Article 17 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and

20. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
21. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
22. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.

23. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
24. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.

To the Board of Trustees and Management
Harris County Department of Education

You have requested that we audit the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of Harris County Department of Education (the "Department"), as of August 31, 2022 and for the year then ended, and the related notes to the financial statements, which collectively comprise the Department's basic financial statements. In addition, we will audit the Department's compliance over major federal award programs for the year ended August 31, 2022.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal award programs. The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The objectives of our compliance audit are to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and Government Auditing Standards, if any, and perform procedures to address those requirements.

Accounting principles generally accepted in the United States of America require that certain information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis.
- Budgetary Comparison Schedule
- Pension Information and Other Post-employment Benefit Information

Supplementary information other than RSI will accompany the Department's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining nonmajor fund financial statements
- Delinquent Property Tax Schedule
- Schedule of Expenditures of Federal Awards

Also, the document we submit to you will include the following other additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements:

- Introductory Section
- Statistical Section

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). As part of an audit of financial statements in accordance with GAAS and *in accordance with Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Department's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards* of the Comptroller General of the United States of America. Please note that the determination of abuse is subjective and *Government Auditing Standards* does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the Department's basic financial statements. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

Audit of Major Program Compliance

Our audit of the Department's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

As part of a compliance audit in accordance with GAAS *and in accordance with Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal programs and, performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we considers necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the Department's major federal programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

- For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

Nonattest services could include assistance with the preparation of financial statements including the government-wide conversion entries and note disclosures, assistance with the preparation of the schedule of expenditures of federal award (SEFA) and related notes, and assistance with the preparation of the data collection form and submission to the federal audit clearinghouse. We will not assume management responsibilities on behalf of the Department. However, we will provide advice and recommendations to assist management of the Department in performing its responsibilities.

The Department's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Our responsibilities and limitations of the nonattest services are described below:

The nonattest services are limited to the services we described above. Our firm, in its sole professional judgment, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries. Our firm will advise the Department regarding these nonattest services, but the Department must make all decisions with regard to those matters.

Fees and Timing

The timing of our audit will be scheduled for performance and completion as follows:

Document internal control and preliminary tests	June 2022
Inventory observation (for material balances)	August 31, 2022 or agreed upon date
Perform year-end audit procedures	November 2022
Issue audit reports	January 2023

We anticipate meeting these deadlines barring any delays.

Celina Cereceres, CPA is the engagement partner for the audit services specified in this letter. Her responsibilities include supervising Whitley Penn, LLP's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fee for the audit services will be based on the amount of time required and the difficulty of the work involved which we estimate to be \$55,200. The fee estimate for the audit is based on anticipated cooperation from the Department's personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation and payment is due in Tarrant County. You agree to pay reasonable attorney fees and collection costs incurred relating to collection of fees for services performed under the terms of this engagement. In accordance with Whitley Penn, LLP policy, work may be suspended if your account becomes 30 days or more past due and will not resume until your account is paid in full. In addition, invoices not paid in full by the last day of the month will be assessed interest at a rate of one percent per month. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been complete even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. Our final auditors' report will be released upon final payment of any outstanding invoices.

You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and the estimated fees. We also may issue a separate

engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

We would like to make the following comments regarding the fee estimates:

1. Our fee estimates have not considered the effects of any changes to auditing standards and accounting principles, which may be promulgated by the AICPA, Congress, or any other regulatory body in the future and are unknown to us at this time. If significant additional time is necessary resulting in increased fees, we will endeavor to notify you of any such circumstances as they are assessed.
2. The Department's personnel are responsible for the preparation of all items requested in the Prepared by Client ("PBC") listing and received by the date requested. Any delays caused by not preparing the items when requested may result in additional fees, as well as the possibility of postponing our fieldwork. The PBC listing will be provided to you during the planning process of the engagement.
3. Time incurred for audit adjustments identified during our audit and the related additional testing required has not been considered in our fee estimates. Prior to performing any additional testing, we will notify you of the exceptions and obtain approval for any additional fees which may be incurred.
4. Our fee estimates are based on all general ledger sub ledgers being reconciled to the general ledger balance and any adjustment necessary should be recorded to the general ledger prior to our fieldwork start date.

The ethics of our profession prohibit the rendering of professional services where the fee for such services is contingent, or has the appearance of being contingent, upon the results of such services. Accordingly, it is important that our bills be paid promptly when received. If a situation arises in which it may appear that our independence would be questioned because of significant unpaid bills, we may be prohibited from issuing our auditors' report.

In the unlikely event that differences concerning our services or fees should arise that are not resolved by mutual agreement, to facilitate judicial resolution and save time and expense of both parties, the Department and Whitley Penn, LLP agree not to demand a trial by jury in any action, proceeding or counterclaim arising out of or relating to our services and fees for this engagement. Any controversy, dispute, or questions arising out of or in connection with this agreement or our engagement shall be determined by arbitration conducted in accordance with the rules of the American Arbitration Association, and any decision rendered by the American Arbitration Association shall be binding on both parties to this agreement. The costs of any arbitration shall be borne equally by the parties. Any and all claims in arbitration relating to or arising out of this contract/agreement shall be governed by the laws of Texas and to the extent any issue regarding the arbitration is submitted to a court, including the appointment of arbitrators or confirmation of an award, the District courts in Harris County shall have exclusive jurisdiction. Any action arising out of this agreement or the services provided shall be initiated within two years of the service provided.

This letter replaces and supersedes any previous proposals, correspondence and understanding, whether written or oral. The agreements contained in this engagement letter shall survive the completion or termination of this engagement.

To ensure that Whitley Penn, LLP's independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

In the event we are required by government regulation, required by subpoena or other legal process to produce information or our personnel for interviews or depositions in relation to a matter involving the Department, the Department will, so long as we are not a party or the focus of the proceeding or inquiry in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests.

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing. We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

At the conclusion of our audit engagement, we will communicate to the Board of Trustees the following significant findings from the audit:

- Our view about the qualitative aspects of the Department's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;

- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

In accordance with the requirements of *Government Auditing Standards*, we have attached a copy of our latest external peer review report of our firm for your consideration and files.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements compliance over major federal award programs including our respective responsibilities.

Meeting Date:	April 20, 2022		
Title:	National Cooperative Purchasing Alliance of Region 14 ESC		
Submitted For:	Kendra Jackson, Purchasing	Submitted By:	Edna Johnson
Recommended Action:	Approve	HCDE Goal(s):	2. Deliver value responsibly 4. Provide cost savings by leveraging tax dollars
Additional Resource Personnel:	Dr. Jesus Amezcua, Kendra Jackson, Dr. Edna Johnson	Facilities/Technology Approval Needed?:	None

Information**Posted Agenda Item:**

Approval of National Cooperative Purchasing Alliance (NCPA) Interlocal Agreement with HCDE. Region 14 ESC is NCPA's lead public agency. (This is necessary to participate in the cooperative for goods/services not available through HCDE's Choice Partners cooperative program.)

Subject:

Consider approval of Internal Purchasing's participation in NCPA.

Rationale:**NCPA'S PROCESS**

NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts that ensure all public agencies are receiving products and services of the highest quality at the lowest prices. NCPA works with a lead public agency, who competitively solicits master contracts. Contracts are based on quality, performance, and most importantly pricing. These contracts are established using the following process:

- The Lead Agency issues a competitive solicitation for a product or service on behalf of NCPA and all public agencies.
- The solicitation is advertised nationally for a minimum of 30 days.
- The solicitation contains language that allows the contract to be accessible nationally to public agencies in states whose laws allow for intergovernmental contract use (also known as "piggybacking" or "adopting")
- Vendors respond to the solicitation with sealed responses that are recorded and publicly opened.
- The Lead Agency evaluates the responses based on "Identified Evaluation Criteria" and awards contracts.

WHO CAN USE NCPA'S CONTRACTS

There are over 90,000 agencies nationwide from both the public and nonprofit sectors that are eligible to utilize NCPA's contracts. These include, but are not limited to the following agency types:

- School Districts (including K-12, Charter schools, and Private K-12)
- Higher Education (including Universities, Community Colleges, Private Colleges, and Technical / Vocational Schools)
- Cities, Counties, and any Local Government

- State Agencies
- Healthcare Organizations
- Church/Religious
- Nonprofit Corporations
- Federal

MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT

This agreement is made between a government agency that executes a Lead Agency Certificate ("Lead Agency") to be appended and made a part hereof and other public agencies ("Participating Public Agencies") that register electronically with National Cooperative Purchasing Alliance ("NCPA") or otherwise execute a Participating Public Agency Certificate to be appended and made a part hereof.

RECITALS

WHEREAS, after a competitive solicitation and selection process by Lead Agency, in compliance with their own policies, procedures, rules and regulations, a number of Vendors have entered into Master Agreements to provide a variety of goods, products and services based on national volumes (herein "Products");

WHEREAS, Master Agreements are made available by Lead Agency through NCPA and provide that Participating Public Agencies may purchase Products on the same terms, conditions and pricing as the Lead Agency, subject to any applicable local purchasing ordinances and the laws of the State of purchase;

NOW, THEREFORE, in consideration of the mutual promises contained in this agreement, and of the mutual benefits to result, the parties agree as follows:

1. That each party will facilitate the cooperative procurement of Products.
2. That the procurement of Products subject to this agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations that govern each party's procurement practices.
3. That the cooperative use of bids obtained by a party to this agreement shall be in accordance with the terms and conditions of the bid, except as modification of those terms and conditions is otherwise allowed or required by applicable law.
4. That the Lead Agencies will make available, upon reasonable request and subject to convenience, information which may assist in improving the procurement of products by the Participating Public Agencies.
5. That a procuring party will make timely payments to the Vendor for Products received in accordance with the terms and conditions of the procurement. Payment for Products and inspections and acceptance of Products ordered by the procuring party shall be the exclusive obligation of such procuring party. Disputes between procuring party and Vendor are to be resolved in accord with the law and venue rules of the State of purchase.
6. The procuring party shall not use this agreement as a method for obtaining additional concessions or reduced prices for similar products or services.
7. The procuring party shall be responsible for the ordering of Products under this agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring party harmless from any liability that may arise from action or inaction of the procuring party.
8. This agreement shall remain in effect until termination by a party giving 30 days written notice to the other party. The provisions of paragraphs 5, 6 and 7 hereof shall survive any such termination.
9. This agreement shall take effect after execution of the Lead Agency Certificate or Participating Public Agency Registration, as applicable.

2021 - 2022 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Goose Creek CISD**, ("**GCCISD**") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **GCCISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **GCCISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 23, 2021** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for **eighteen (18)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **GCCISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
 - b) HCDE agrees to furnish the **GCCISD** with a weekly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **GCCISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **GCCISD**.
3. **GCCISD's Responsibilities.**
 - a) **GCCISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **GCCISD** and HCDE.
 - b) **GCCISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Highpoint. **GCCISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **GCCISD** during the term of this Contract. Student Records to be provided by **GCCISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **GCCISD** stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the

student's current year's attendance records. GCCISD shall provide copies of additional records, including GCCISD Records, as reasonably requested by HCDE.

- c) GCCISD retains the responsibility to report GCCISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and GCCISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which GCCISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in GCCISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) GCCISD is under HCDE's direct control with respect to GCCISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under GCCISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
7. **Special Education Services.**
- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within GCCISD and recommended for services as described herein. The ARD Committee of GCCISD has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special

education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **GCCISD**. **GCCISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **GCCISD** and the ARD Committee, with HCDE participation. If **GCCISD** chooses to make such services available in conjunction with Highpoint, **GCCISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **GCCISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
 - d) **GCCISD** agrees to invite an HCDE representative as a non-consensus member to any **GCCISD** ARD Committee meeting for **GCCISD** student(s) placed at Highpoint pursuant to this Contract.

The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **GCCISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **GCCISD** employees and student(s)'s parents/guardians, as necessary.
- 13. Termination.**
- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **GCCISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **GCCISD** the amount of any pre-paid fees for any period following the effective date of such termination.
 - b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
 - c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Fort Bend Independent School District**, ("FBISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the **FBISD** and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 23, 2021** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for **sixteen (16) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **FBISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS West in accordance with applicable law and during the days and times set forth by ABS West. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the **FBISD** with a monthly statement of student(s) attendance. HCDE agrees to furnish **FBISD** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **FBISD**.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **FBISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **FBISD**.
3. **FBISD's Responsibilities.**
 - a) **FBISD** is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **FBISD** and HCDE.
 - b) **FBISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS West. **FBISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **FBISD** during the term of this Contract. **FBISD** shall provide copies of additional records, including **FBISD** Records, as reasonably requested by HCDE.
 - c) **FBISD** retains the responsibility to report **FBISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. Student Records; Confidentiality.

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal

information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and FBISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which FBISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in FBISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) FBISD is under HCDE's direct control with respect to FBISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under FBISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). 2 CFR SECTION 200 REQUIRED PROVISIONS

ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions are required and apply only when the District expends federal funds for any contract resulting from this procurement process. **Accordingly, the parties agree that the following terms and conditions apply to the Contract between the District and vendor ("Vendor") in all situations where Vendor has been paid or will be paid with federal funds, and only to the extent applicable to the contract type or dollar amount:**

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

APPENDIX II TO 2 CFR PART 200

(A) [Applicable ONLY to contracts in excess of \$250,000.] Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) [Applicable ONLY to contracts in excess of \$10,000.] Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

(C) [Applicable ONLY to federally assisted construction contracts.] Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when the District expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) [Applicable ONLY to prime construction contracts in excess of \$2,000 where federal funds are being used for the project] Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when FBISD expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) [Applicable ONLY to contracts in excess of \$100,000 involving mechanics or laborers.] Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when the District expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by the District resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

(G) [Applicable ONLY to contracts in excess of \$250,000.] Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$250,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

(I) [Applicable ONLY to contracts in excess of \$100,000] Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by the District, Vendor certifies that during the term and after the awarded term of an award for all contracts by the District resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative

agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

(J) Procurement of Recovered Materials – When federal funds are expended, the District and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Pursuant to Federal Rule (J) above, when federal funds are expended by the District, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the vendor certifies, by signing this document, that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

(K) Domestic Preferences for Procurements – As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of 2 CFR Part 200.322, "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Moreover, for purposes of 2 CFR Part 200.322, "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum, plastics and polymer-based products such as polyvinyl chloride pipe, aggregates such as concrete, glass, including optical fiber, and lumber.

Pursuant to Federal Rule (K) above, when federal funds are expended by the District, vendor certifies, by signing this document, that to the greatest extent practicable vendor will provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

(L) Ban on Foreign Telecommunications – Federal grant funds may not be used to purchase equipment, services, or systems that use "covered telecommunications" equipment or services as a substantial or essential component of

any system, or as critical technology as part of any system. "Covered telecommunications" means purchases from Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities), and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Pursuant to Federal Rule (L) above, when federal funds are expended by the District, vendor certifies, by signing this document, vendor will not purchase equipment, services, or systems that use "covered telecommunications", as defined by 2 CFR §200.216, equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by the District for any contract resulting from this procurement process, Vendor certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. Vendor further certifies that it will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When the District expends federal funds for any contract resulting from this procurement process, Vendor certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF EQUAL EMPLOYMENT STATEMENT

It is the policy of the District not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

[Only Applicable to Contracts funded under the National School Lunch Program] The Buy American regulations promulgated by USDA and TDA require public school districts to purchase domestically grown and processed food to the maximum extent practicable. The food product must consist of agricultural commodities that were grown domestically, unless an authorized exception exists and has been approved by the District.

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Vendor agrees that the District's Inspector General or any of their duly authorized representatives shall have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTS

Vendor agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

VENDOR AGREES TO COMPLY WITH ALL APPLICABLE FEDERAL, STATE, AND LOCAL LAWS, RULES, REGULATIONS, AND ORDINANCES. IT IS FURTHER ACKNOWLEDGED THAT VENDOR CERTIFIES COMPLIANCE WITH ALL PROVISIONS, LAWS, ACTS, REGULATIONS, ETC. AS SPECIFICALLY NOTED ABOVE.

The Confidential Student Information Agreement sets forth Contractor's work for the District in providing specialized services for students with disabilities, particularly those related to mental health and behavior problems to serve the District's educational needs. Therefore, Contractor has a legitimate educational interest in the student information provided for the use in supporting the District's educational needs. As such, Contractor's access to individual student information is permitted under the Family Educational Rights and Privacy Act of 1974 (FERPA) and its implementing federal regulations found in 34 CFR Part 99.

Contractor agrees and understands that information concerning any individual student is to be held in strictest confidence and assures that procedures are in place for monitoring and protecting confidentiality of student information, including, but not limited to, tracking access by assigned passwords. All media that contain individual student records and Contractor records that contain individual student records will be kept in a secure area at the District. Each Contractor representative that will access the individual student records must agree to protect student confidentiality by signing the attached "Access Agreement."

In addition, Contractor agrees that any data sets or output reports that its representatives may generate with individual student data are confidential. Contractor will not disclose to any unauthorized person any data sets or reports with individual student data which is obtained or devised. Relationships with Foreign Entities

During the 85th Legislative Session (2017), the State of Texas enacted two additional requirements affecting all government contracts for goods and services.

All government contracts for goods and services signed after September 1, 2017 must include required provisions from HB 89 (Certification Regarding Israel), and language to implement SB 252 (Verification Regarding Terrorist Organizations).

Therefore, in compliance with HB 89 and SB 252 of the 85th Texas Legislative Session, Contractor agrees that:

In accordance with Texas Government Code Chapter 2252, Subchapter F, Contractor certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, the Government of Iran, the Government of Sudan, or a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State.

Contractor further certifies and verifies that, pursuant to Texas Government Code Chapter 2270, neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and Contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of Agreement with Fort Bend ISD.

- f. "Securely Destroy" means taking actions that render data written on physical (e.g., hardcopy, microfiche, etc.) or electronic media unrecoverable by both ordinary and extraordinary means.

Participation in TASB Risk Management Fund Coverage Programs

Dear Mr. Colbert:

Please accept this letter as formal written notice that the Interlocal Participation Agreement (IPA) between Harris County Department of Education and the TASB Risk Management Fund (Fund) is amended by the Fund effective May 1, 2022. The IPA is the foundational agreement by which eligible organizations join the Fund.

The amended IPA will replace your current IPA with the Fund. A copy of the new IPA is included for review and execution. It was last amended in 2012. Pursuant to Chapter 791 of the Texas Government Code, the new IPA must be authorized and approved by your Board of Trustees.

Along with the new IPA, a Frequently Asked Questions document with more information and a summary of changes is included to assist you in executing the agreement. The updates to the IPA focus on three areas: 1) clarity of purpose and meaning, 2) updates to Fund Member duties and obligations, and 3) revisions to the dispute resolution provisions.

The IPA must be approved through Board action and returned to the Fund. Your organization may take one of following approaches related to the new IPA:

- Seek authorization from your Board of Trustees and return the executed IPA to the TASB Risk Management Fund at tasbrmf@tasbrmf.org no later than May 13, 2022. A countersigned copy will be returned to you for your records.
- Take no action. The IPA will go into effect May 1, 2022, and your current coverage will continue under the terms of the new IPA. However, your next renewal proposal for Fund coverage will require a board-approved executed IPA unless you terminate coverage at that time.
- Terminate coverage in all Fund programs effective April 30, 2022, by providing written notice of termination to the Fund by April 29, 2022.

Please reach out to your TASB Risk Management Marketing Consultant for assistance with this process. We thank you for your membership in the TASB Risk Management Fund. We are very

proud of our 48-year record of proven strength, stability, and service to Texas public school districts and other educational entities and look forward to our continued partnership.

Sincerely,

TASB RISK MANAGEMENT FUND INTERLOCAL PARTICIPATION AGREEMENT

Pursuant to the Texas Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Participation Agreement (Agreement) is entered into by and between the Texas Association of School Boards Risk Management Fund (Fund) and the undersigned local government of the State of Texas (Fund Member). The Fund is an administrative agency of local governments (Fund Members) that cooperate in performing administrative services and governmental functions relative to risk management.

TERMS AND CONDITIONS

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, including, without limitation, the agreement of the Fund and Fund Members to provide risk management programs as detailed in this Agreement, the receipt and sufficiency of which are hereby acknowledged, Fund Member and the Fund, intending to be legally bound, and subject to the terms, conditions, and provisions of this Agreement, agree as follows:

1. **Authority.** Fund Member hereby approves and adopts the Restatement of Interlocal Agreement, dated May 20, 1997, which restated the Interlocal Agreement dated July 2, 1974, establishing the predecessor of the Fund. The Restatement of Interlocal Agreement is incorporated into this Agreement by reference and is available from the Fund upon request. This Agreement serves to outline the relationship between the Fund and Fund Member. While the Texas Interlocal Cooperation Act provides the overarching basis for the Fund, certain Fund programs are further authorized pursuant to various statutes, such as Chapter 504 of the Texas Labor Code, pertaining to workers' compensation; and Chapter 2259, Subchapter B, of the Texas Government Code, pertaining to other risks or hazards.
2. **Program Participation.** This Agreement enables Fund Member to participate in one or more of the Fund's available programs. Because this is an enabling Agreement, Fund Member must also execute a separate Contribution and Coverage Summary (CCS) for each Fund program from which it seeks coverage and/or administrative services. Only a valid CCS will confer the right to participate in a specific program and each CCS shall be incorporated into this Agreement. Through participation in any Fund program, Fund Member waives none of its immunities and authorizes the Fund, or its designee, to assert such immunities on its behalf and on behalf of the Fund or its designee.
3. **Term of Agreement.** This Agreement shall be effective from the date of the last signature below and shall remain in effect unless terminated as provided in this Agreement. This Agreement will automatically terminate if Fund Member ceases to participate in at least one of the Fund's programs (due to the expiration of a CCS participation term or the valid termination of same) or fails to meet the membership qualifications of the Fund as provided in this Agreement and as determined by the Fund in writing.
4. **Termination.** Unless this Agreement is automatically terminated as described above, this Agreement, and/or any component CCS applicable to Fund Member, can be terminated as set forth below. However, unless specifically required in a CCS, the termination of any single Fund program under a CCS shall not also result in the automatic termination of another pending CCS, or this enabling Agreement if any other CCS is still in force for Fund Member. Rather, each Fund program can only be terminated as provided in this Agreement.
 - a. **By Either Party with 30 Days Notice before Renewal.** Any CCS may be terminated by either party with termination to be effective on any successive renewal date by giving written notice to the other party no later than 30 days prior to automatic renewal.
 - b. **By Fund Member upon Payment of Late Notice Fee.** If Fund Member fails to terminate a CCS as provided above, it may still terminate participation in any Fund program prior to the renewal date by paying a late notice fee as herein provided. If Fund Member terminates the CCS before the renewal date, but with fewer than 30 days' advance written notice, Fund Member agrees to pay the Fund a late notice fee in the amount of 25% of the annual contribution for the expiring participation term. Fund Member expressly acknowledges that the late notice fee is not a penalty, but a reasonable approximation of the Fund's damages for the Fund Member's untimely withdrawal from the program identified in the CCS. However, once the renewal term of a CCS commences, Fund Member can no longer terminate the CCS by paying a late notice fee; the CCS shall renew and Fund Member must pay 100% of the annual contribution for the renewal period.
 - c. **By the Fund upon Breach by Fund Member.** The Fund may terminate this Agreement or any CCS based on breach of any of the following obligations, by giving 10 days' written notice to Fund Member of the breach; and Fund Member's failure to cure the breach within said 10 days (or other time period allowed by the Fund):
 - 1) Fund Member fails or refuses to make the payments or contributions required by this Agreement;
 - 2) Fund Member fails to cooperate and comply with any reasonable requests for information and/or records made by the Fund;

- 3) Fund Member fails or refuses to follow loss prevention or statutory compliance requirements of the Fund, as provided in this Agreement; or
- 4) Fund Member otherwise breaches this Agreement.

If the Fund terminates this Agreement, or any CCS, based on breach as described above, Fund Member agrees that the Fund will have no responsibility of any kind or nature to provide coverage on the terminated Fund program post-termination. Further, Fund Member shall bear the full financial responsibility for any unpaid open claim and expense related to any claim, asserted or unasserted and reported or unreported, against the Fund or Fund Member, or incurred by the agents or representatives of Fund Member.

In addition to the foregoing, if termination is due to Fund Member's failure to make required payments or contributions, Fund Member agrees that it shall pay the Fund liquidated damages in the amount of 50% of the annual contribution for the participation term identified in the terminated CCS.

5. Contributions.

- a. **Agreement to Pay Contribution.** Fund Member agrees to pay its contribution for each Fund program in which it participates based on a plan developed by the Fund. The amount of contribution will be stated in the relevant CCS and will be payable upon receipt of an invoice from the Fund. Late fees amounting to the maximum interest allowed by law, but not less than the rate of interest authorized under Chapter 2251, Texas Government Code, shall begin to accrue daily on the first day following the due date and continue until the contribution and late fees are paid in full. If Fund Member fails to pay the amounts due under this Agreement, including any CCS, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for Fund Member's benefit, to offset the amount owed. Any offset will not extinguish Fund Member's obligation for any and all payments due under this Agreement, including any CCS.
- b. **Other Payments Due to the Fund.** In addition to contributions, if the Fund Member owes other payments to the Fund, such as deductibles or claim overpayments, and Fund Member fails to timely pay the amounts due, the Fund may redirect other amounts due to the Fund Member, payments received from Fund Member, or amounts held by the Fund for the Fund Member's benefit to offset the amounts owed.
- c. **Estimated Contribution and Contribution Adjustment.** In specified situations, the amount of contribution shown in the CCS will be identified as an estimate. The Fund reserves the right to request an audit of updated exposure information at the end of the CCS participation term and adjust contributions if Fund Member's exposure changes during the CCS participation term. As a result of the exposure review, any additional contribution payable to the Fund shall be paid by Fund Member, and any overpayment of contribution by Fund Member shall be returned or credited by the Fund. The Fund reserves the right to audit the relevant records of Fund Member in order to conduct this exposure review.

Upon expiration of each participation period, Fund Member may request a contribution adjustment due to exposure changes. Such request must be made in writing within 60 days after the end of the participation period. Fund Member must provide documentation as requested by the Fund to demonstrate that the exposure change warrants a contribution adjustment.

The annual contribution may be adjusted due to an exposure change or audit as presented in the CCS. The Fund may also request a contribution adjustment should the Fund's underwriting income for any program within a given program year be inadequate to pay the ultimate cost of claims incurred for that year, the Fund may collect an adjusted contribution from any current or former Fund Member if that Fund Member's contribution is inadequate to pay the Fund Member's claims incurred during that year.

6. **Contribution and Coverage Summary.** Fund Member agrees to abide by each CCS that governs its participation. A CCS will incorporate the program specific coverage document, if any, which sets forth the scope of coverage and/or services from the Fund. This Agreement will be construed to incorporate the CCS, Coverage Agreements, Endorsements, and Addenda, if any, whether or not physically attached. A CCS for a Fund program will state the participation term. After Fund Member's execution of a CCS, the CCS will automatically renew annually, unless terminated in accordance with this Agreement. Any renewal containing a change in the amount of contribution or other terms will be subject to the Amendment by Notice process described in this Agreement.
7. **Loss Prevention.** The Fund may provide loss prevention services to Fund Member. Fund Member agrees to adopt the Fund's reasonable and customary standards for loss prevention and to cooperate in implementing any and all reasonable loss prevention and statutory compliance recommendations or requirements. The Fund makes no warranty on Fund loss prevention recommendations.

8. **Other Duties of Fund Member.**

- a. **Standards of Performance.** Time shall be of the essence in Fund Member's reporting of any and all claims to the Fund, payment of any contributions or monies due to the Fund, and delivery of any written notices under this Agreement.
- b. **Claims Reporting.** Notice of any claim must be provided to the Fund as required by law or the applicable Coverage Agreement. Failure by Fund Member to timely report a claim may result in denial of coverage or payment of fines or penalties imposed by law or regulatory agencies. If the Fund advances payment of any fine or penalty arising from Fund Member's late claim reporting, Fund Member will reimburse the Fund for all such costs.
- c. **Cooperation and Access.** Fund Member agrees to cooperate and to comply in a timely manner with all reasonable requests for access, information and/or records made by the Fund or by a third-party acting for the Fund. Fund Member further agrees to provide complete and accurate statements of material facts, to not misrepresent or omit such facts, or make false statements to the Fund. The Fund Member agrees that any information held by the Fund's Administrator, or its' affiliated entities may be provided to the Fund. The Fund reserves the right to audit the relevant records of Fund Member to determine compliance with this Agreement.

9. **Administration of Claims.** The Fund or its designee agrees to administer all claims for which Fund Member has coverage after Fund Member provides timely written notice to the Fund. Fund Member hereby authorizes the Fund or its designee to act in all matters pertaining to handling of claims for which Fund Member has coverage pursuant to this Agreement. Fund Member expressly agrees that the Fund has sole authority in all matters pertaining to the administration of claims and grants the Fund or its designee full decision-making authority in all matters, including without limitation, discussions with claimants and their attorneys or other duly authorized representatives. Fund Member further agrees to be fully cooperative in supplying any information reasonably requested by the Fund in the handling of claims. All decisions on individual claims shall be made by the Fund or its designee, including, without limitation, decisions concerning claim values, payment due on the claim, settlement, subrogation, litigation, or appeals.

10. **Excess Coverage/Reinsurance.** The Fund, in its sole discretion, may purchase excess coverage or reinsurance for any or all Fund programs. In the event of a substantial change in terms or cost of such coverage, the Fund reserves the right to make adjustments to the terms and conditions of a CCS as allowed by the Amendment by Notice process under this Agreement. If any reinsurer, stop loss carrier, and/or excess coverage provider fails to meet its obligations to the Fund or any Fund Member, the Fund is not responsible for any payment or any obligations to Fund Member from any reinsurer, stop loss carrier, or excess coverage provider.

11. **Subrogation and Assignment of Rights.**

- a. Fund Member, on its own behalf and on behalf of any person entitled to benefits under this Agreement, assigns all subrogation rights to the Fund. The Fund has the right, in its sole discretion, without notice to Fund Member, to bring all claims and lawsuits in the name of Fund Member or the Fund. Fund Member agrees that all subrogation rights and recoveries belong first to the Fund, up to the amount of benefits, expenses, and attorneys' fees incurred by the Fund, with the balance, if any, being paid to Fund Member, unless otherwise specifically stated in the Agreement. Award of funds to any person entitled to coverage, whether by judgment or settlement, shall be conclusive proof that the injured party has been made whole. Fund Member's right to be made whole is expressly superseded by the Fund's subrogation rights. If Fund Member procures alternate coverage for a risk covered by the Fund, the latter acquired coverage shall be deemed primary coverage concerning that risk.
- b. Fund Member shall do nothing to prejudice or waive the Fund's existing or prospective subrogation rights under this Agreement. If Fund Member has waived any subrogation right without first obtaining the Fund's written approval, the Fund shall be entitled to recover from Fund Member any sums that it would have been able to recover absent such waiver. Recoverable amounts include attorneys' fees, costs, and expenses.

12. **Appeals.** Fund Member shall have the right to appeal any written decision or recommendation to the Fund's Board of Trustees, and the Board's determination will be final. Any appeal shall be made in writing to the Board Chair within 30 days of the decision or recommendation.

13. **Bylaws, Policies, and Procedures.** Fund Member agrees to abide by the Bylaws of the Fund, as they may be amended from time to time, and any and all written policies and procedures established by the Fund (which are available from the Fund upon written request). If a change is made to the Fund's Bylaws, written policies or procedures which conflicts with or impairs a CCS, such change will not apply to Fund Member until the renewal of such CCS, unless Fund Member specifically agrees otherwise.

14. **Payments.** Fund Member represents and warrants that all payments required under this Agreement of Fund Member shall be made from its available current revenues.

15. **Fund Member's Designation of Coordinator.** Fund Member agrees to designate an employee with appropriate authority as coordinator (Program Coordinator) for Fund Member on this Agreement or any CCS executed by Fund Member. Fund Member's Program Coordinator shall have express authority to represent and to bind Fund Member, shall fully communicate with the Fund regarding Fund business, and shall not delegate this communication to a third party. The Fund will not be required to contact any other individual regarding matters arising from or related to this Agreement. Fund Member reserves the right to change its Program Coordinator as needed, by giving written notice to the Fund; such notice is not effective until actually received by the Fund. Notice provided to the Chief Executive Officer of Fund Member shall also serve as notice to the Program Coordinator.
16. **Risk Sharing Agreement.** This Agreement is a risk sharing and risk participation agreement and should not be construed to be a contract of insurance. If any ambiguity exists in this Agreement, including any CCS or specific coverage document, the provision shall not be construed against the Fund as drafter of this Agreement. The Fund is not an insurance company nor is any member an insured. The Fund is a self-insured risk pool through which its members agree to share risk and actively participate in their contractual obligations to lessen risk and cost for all members. Any reference in this Agreement to an insurance term or concept is coincidental, is not intended to characterize the Fund as "insurance" as defined by law, shall be deemed to apply to self-insurance, and is not to be construed as being contrary to the self-insurance concept.
17. **Representation.** Fund Member authorizes the Fund to represent Fund Member in any lawsuit, dispute, or proceeding arising under or relating to any Fund program and/or coverage in which Fund Member participates. The Fund may exercise this right in its sole discretion and to the fullest extent permitted or authorized by law. Fund Member shall fully cooperate with the Fund, its designee, and the Fund's chosen counsel, including, without limitation, supplying any information necessary or relevant to the lawsuit, dispute, or proceeding in a timely fashion. Subject to specific revocation, Fund Member designates the Fund to act as a class representative on its behalf in matters arising out of this Agreement.
18. **Members' Equity.** The Fund Board, in its sole discretion, may declare a distribution of the Fund's members' equity to Fund Members. Members' equity belongs to the Fund. No current or former individual Fund Member is entitled to an individual allocation or portion of members' equity.
19. **Entire Agreement.** This Agreement, together with the Restated Interlocal Agreement, Bylaws, CCSs, and Coverage Agreements that are in effect as to Fund Member from time to time, represent and contain the complete understanding and agreement of the Fund and Fund Member, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Fund and Fund Member other than those set forth in this Agreement duly executed in writing. In the event of conflict between the terms of this Agreement and the Restated Interlocal Agreement, Bylaws, CCS, or any Coverage Agreement, the specific terms of the later adopted agreement shall prevail to the extent necessary to resolve the conflict. This Agreement replaces all previous Interlocal Participation Agreements between the Fund and Fund Member. Notwithstanding the foregoing, this Agreement does not supersede any unexpired participation term or pending claim under an existing agreement between Fund Member and Fund.
20. **Amendment by Notice.** This Agreement, including any of its component CCSs or coverage documents, may be amended by the Fund, in writing, by providing Fund Member with written notice before the earlier of (i) the effective date of the amendment or (ii) the date by which Fund Member can terminate without payment of late notice fees or liquidated damages. Unless this Agreement expressly provides otherwise, an amendment shall only apply prospectively and Fund Member shall have the right to terminate this Agreement, or a component CCS to which the amendment applies, before the amendment becomes effective, as provided in this Agreement. If Fund Member fails to give the Fund timely written notice of termination, Fund Member shall be deemed to have consented to the Fund's amendment and agrees to abide by and be bound by the amendment, without necessity of obtaining Fund Member's signature.

The Fund may amend this Agreement or any CCS effective upon renewal. Amendments may be for any reason including changes to the terms or contribution amount.

The Fund may also amend this Agreement or any CCS, effective during the term of a CCS, for any reason including but not limited to the following:

- a. State or federal governments, including any court, regulatory body, or agency thereof, adopt a statute, rule, decision, or take any action that would substantially impact the rights or financial obligations of the Fund as it pertains to this Agreement, or any Fund program or CCS.
- b. The terms of the Fund's stop-loss or excess coverage or reinsurance change substantially.

If the Fund exercises the option to amend the Agreement or any CCS during the term of a CCS and prior to renewal, the Fund shall give Fund Member 30 days advance written notice. Fund Member will then have the right during the 30-day period to give the Fund written notice of termination of the applicable Fund program, effective upon the expiration of the 30-day notice period (or longer period if so provided by the Fund in writing).

21. **Severability; Interpretation.** If any portion of this Agreement shall be declared illegal or held unenforceable for any reason, the remaining portions shall continue in full force and effect. Any questions of particular interpretation shall not be interpreted against the drafter of this Agreement, but rather in accordance with the fair meaning thereof.
22. **Dispute Resolution.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to conflict of law principles that would require the application of the laws of another state. The Fund retains its governmental immunity except to the extent it is waived by the legislature. The parties agree that the following adjudication procedures apply to any legal dispute, and that the Fund Member's right to file suit against the Fund is contingent upon compliance with these procedures pursuant to Texas Local Government Code section 271.154:
- Prior to filing suit, the Fund Member must comply with all of its obligations under this Agreement and any specific Coverage Agreement including an appeal to the Fund Board as described by Section 12 of this Agreement. A good-faith appeal to the Fund Board is a pre-suit adjudication procedure that is required before litigation by a Fund Member against the Fund.
 - Prior to filing suit, the Fund Member will participate in good faith in mediation in Travis County, Texas before a mediator approved by both parties; and
 - Any suit against the Fund must be brought in Travis County, Texas.

In the event of a lawsuit or formal adjudication between Fund Member and the Fund, the prevailing party is entitled to recover reasonable and necessary attorneys' fees and expenses, including expert fees, that are equitable and just.

Waiver and Estoppel. No provision of this Agreement will be deemed waived by either party unless expressly waived in writing by the waiving party. No waiver shall be implied by delay or any other act or omission. No waiver by either party of any provision of this Agreement shall be deemed a waiver of such provision with respect to any subsequent matter relating to such provision. Estoppel may not be asserted against either party so as to prevent that party from enforcing or insisting on the other party's compliance with any provision of this Agreement.

Assignment. This Agreement or any duties or obligations imposed by this Agreement shall not be assignable by Fund Member without the prior written consent of the Fund. Fund Member shall not transfer any interest in Fund claim related payments to any third party, including, but not limited to litigation finance companies, attorneys, banks, public adjusters, architects, engineers, or contractors. Any action by the Fund Member which grants or attempts to grant to any third party an interest in or control over any claim payment, including, but not limited to, the Member's entry into a contingent fee contract, will immediately suspend any obligation by the Fund to make any claim payment under this Agreement. The obligation of the Fund to make any such claim payments shall not be restored unless and until the Fund Member provides the Fund with evidence reasonably satisfactory to the Fund that any such transfer or attempt to transfer an interest in or control over such claim payment to a third party has effectively been terminated.

23. **Authorization.** By the execution of this Agreement, the undersigned individuals warrant that they have been authorized by all requisite governance action to enter into and to perform the terms and conditions of this Agreement and that the Fund Member authorizes the Program Coordinator or Chief Executive Officer to approve and bind the Fund Member to any current or future CCS entered into under this Agreement
24. **Notice.** Unless expressly stated otherwise in this Agreement, any notice required or provided under this Agreement by either party to the other party shall be in writing and shall be sent by first class mail, postage prepaid or by a carrier for overnight service or by electronic means typically used in commerce. Notice to the Fund shall be sufficient if made or addressed as follows: TASB Risk Management Fund, P.O. Box 301, Austin, Texas 78767-0301, or tasbrmf@tasbrmf.org. The Fund's required notice address may be updated through explicit written or electronic notice to Fund Members. Notice to a Fund Member shall be sufficient if addressed to the Program Coordinator or Fund Member's Chief Executive Officer and mailed to Fund Member's physical or electronic address of record on file with the Fund.
25. **Miscellaneous.** These provisions apply throughout this Agreement:
- Fund reference.** Any reference to the Fund in this Agreement includes reference to its designees.
 - CCS reference.** References to a Contribution and Coverage Summary (CCS) includes a reference to all separate coverage portions of a CCS and/or any similar service agreement between the Fund and a Fund Member.
 - "Including."** Unless the context requires otherwise, the term "including" means "including but not limited to."
 - Successors.** This Agreement binds and inures to the benefit of the parties and their successors.
 - Headings.** The headings are for convenience only and do not affect the interpretation of this Agreement.

26. **Signatures/Counterparts.** The failure of a party to provide an original, manually executed signature to the other party shall not affect the validity or enforceability of this Agreement. Either party may rely upon a facsimile or imaged signature as if it were an original. This Agreement may be executed in several separate counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

TASB Risk Management Fund Interlocal Participation Agreement Frequently Asked Questions

What is the IPA?

The Interlocal Participation Agreement (IPA) is the foundational agreement of the TASB Risk Management Fund (Fund). The Fund is a self-funded risk pool, and the IPA is the agreement through which Fund Members participate in the Fund. The IPA sets out the basic terms, conditions, and requirements of Fund membership.

Through an executed IPA, Fund Members may participate in the various lines of coverage offered by the Fund. Membership in each specific Fund program is created and controlled through a Contribution and Coverage Summary (CCS).

The IPA is approved once by each Fund Member's board. It remains in effect until the Fund Member ceases to participate in at least one Fund coverage program or the Fund terminates the IPA.

Does the IPA require Board approval?

Yes. The Fund is an interlocal entity formed under the provisions of Chapter 791 of the Texas Government Code. This law requires that an interlocal agreement be authorized by the governing body of each party to the agreement.

What is the effective date of the IPA?

The amended IPA is effective on May 1, 2022, for all Fund Members. Members should return a board-approved IPA prior to May 13, 2022. If the Fund Member takes no action, the IPA will still go into effect.

For Members who take no action, renewal proposals for coverage on or after May 1, 2022, will be contingent on the member returning a board-approved IPA. Coverage effective on or after May 1, 2022, will not be renewed without a properly executed IPA.

Members may also terminate coverage in all Fund programs effective April 30, 2022, by providing written notice to the Fund by April 29, 2022.

Why is the IPA Changing?

The IPA was last approved by the Fund Board in April 2012 as a universal IPA covering all Fund programs. It has not been modified since 2012. The Fund reviews and updates its IPA at least once every ten years or more frequently, as needed.

The amendments to the IPA focus on three separate areas: 1) clarity of purpose and meaning, 2) updating Fund Member duties and obligations, and 3) revising the dispute resolution provisions.

What are the specific changes to the IPA?

A thorough explanation of the changes is included in this document on the following page.

Can my organization make changes to the IPA?

No. This IPA was approved by the TASB Risk Management Fund Board on November 12, 2021, and is effective on May 1, 2022. The IPA is a Board-approved agreement and is universal. All members of the Fund agree to the same terms of participation.

What if my organization doesn't agree to the terms of the new IPA?

Fund Members who do not agree to the terms of the new IPA may terminate coverage in all Fund programs effective April 30, 2022, by providing written notice to the Fund by April 29, 2022, prior to the IPA going into effect on May 1, 2022.

Who can I contact for additional information?

General questions can be directed to your Risk Management Marketing Consultant. If your questions are specific to the terms of the IPA, please contact Paul Taylor, Director of Legal and Regulatory Affairs in TASB Risk Management Services, at paul.taylor@tasb.org.

What are the steps for signing and returning the IPA?

As part of the Board approval process, the Board may authorize an administrator to sign the IPA. Electronic signatures are acceptable. The date of Board approval must be recorded on the signature page.

Please return the executed IPA to tasbrmf@tasbrmf.org no later than May 13th, 2022. Once the executed IPA is received, it will be countersigned by the Fund and a copy will be provided for your records.

Explanation of Changes to the IPA

The amendments to the IPA focus on three separate areas: 1) clarity of purpose and meaning, 2) updating Fund Member duties and obligations, and 3) revising the dispute resolution provisions.

Clarity:

- Section 2, **Program Participation**, removes references to the original Fund programs to allow expansion of programs and services by the Fund.
- Section 5, **Agreement to Pay Contributions**, now separately addresses situations where Fund Members fail to pay contributions or fail to repay the Fund any other amounts owed. The adjusted contribution provision is also moved to this section.
- Section 6, **Contribution and Coverage Summary**, states the CCS, Coverage Agreements, Endorsements, and Addenda are incorporated into the IPA as one agreement.
- Section 8, **Other Duties of Fund Member**, is expanded to address Cooperation and Access and authorizes the Fund access to member data held by the Fund's administrator and its other affiliated entities.
- Section 11, **Subrogation and Assignment of Rights**, combines the two former sections on Subrogation into one section.

Updates to Member Duties and Obligations:

- Section 4, **Termination**, specifies that a Fund Member attempting to terminate the agreement after their renewal term begins still owes the full contribution amount.
- Section 7, **Loss Prevention**, states that loss prevention recommendations are given without warranty.
- Section 15, **Fund Member's Designation of Coordinator**, states the Fund Member must appoint an employee with appropriate authority as Program Coordinator and may not delegate communication to a third-party.
- Section 16, **Risk Sharing Agreement**, states the IPA is a risk sharing and risk participation agreement and is not a contract of insurance. This section also provides that any ambiguity in the agreement will not be construed against the Fund.
- Section 23, **Authorization**, states the Fund Member authorizes the Program Coordinator or CEO to approve and bind current and future agreements with the Fund.
- In addition to the authorized signature, the new IPA requires entry of the date of approval of the IPA by the Fund Member's Board of Trustees.

Revisions to Dispute Resolution provisions:

- Section 22, **Dispute Resolution**, requires an appeal to the Fund Board and mediation in Travis County, before pursuing litigation. The IPA requires that a suit against the Fund be filed in Travis County.
- A **Waiver and Estoppel** provision is added to the IPA to ensure that the parties to the agreement can enforce the contractual provisions in the IPA.
- The **Assignment** clause is updated and moved to Section 22 and states that a Fund Member may not transfer any interest in claim-related payments from the Fund to a third party. Action by the Fund Member which grants or attempts to grant interest or control over any claim payments suspends the Fund's obligation to make any claim payments under the agreement. This provision prohibits assignments to a third-party under a contingency fee contract or similar agreement.

Information**Posted Agenda Item:**

In collaboration with the Education Foundation of Harris County, the Center for Grants Development submitted a grant proposal to Dollar General Literacy Foundation in the amount of \$2,999 for ABS-East and West to implement a summer reading program. Requested funds will cover expenses to purchase instructional materials, leveled books for classroom libraries and incentives for students.

Subject:

Education Foundation of Harris County; the Center for Grants Development grant proposal request to Dollar General Literacy Foundation for the Schools Division

Rationale:

In collaboration with Education Foundation of Harris County, the Center for Grants Development worked with the Schools Division to prepare and submit a grant proposal to Dollar General Literacy Foundation for the Schools Division ABS-East and West's Leaders as Readers Summer Reading program. The reading program will serve 90 students – ABS-West (60) and ABS-East (30).

Requested funds of \$2,999.55 will cover expenses to purchase instructional materials, leveled books for classroom libraries and incentives for students. Delivery of instruction will include one-on-one instruction and small groups. Instruction consists of the use of effective literacy practices for pre-readers and below level readers focusing on early language and literacy development, scaffolding, shaping, connecting to prior knowledge, constructing meaning and practice, and reading comprehension.

The expected outcome is that all students will show measurable growth in their reading/literacy skills based on their developmental/cognitive levels and abilities. Students at ABS – East and West schools have intellectual and developmental disabilities, Autism, emotional disturbances, etc.; therefore, growth occurs in smaller increments over time and requires individual measurement. Seventy-five percent of students (68) will increase reading fluency and comprehension by at least a half a grade by the end of the program. Twenty percent of students (18) will show some increase in reading fluency and comprehension by the end of the program. Ninety percent of non-readers will listen and react to voices and music, pay attention to distinct and similar sounds in language, know some alphabet sounds and understand that words in print go from left to right and have meanings.

Submission of grant proposal to Texas Workforce Commission in the amount of \$390,243 to implement an Integrated Education and Training-Workforce Literacy (IET-WL) pilot program for the Adult Education division. The program will serve 70 participants.

Subject:

Grant proposal; Adult Education; Texas Workforce Commission; Integrated Education and Training-Workforce Literacy (IET-WL) Pilot Program

Rationale:

Center for Grants Development assisted the Adult Education division with an application to the Texas Workforce Commission in the amount \$390,243 to implement an Integrated Education and Training-Workforce Literacy (IET-WL) pilot program by developing curricula for the workplace, participant job placement, and tracking. HCDE will partner with MAREK, a construction-based company that is one of the largest and leading construction companies in Houston, to plan and design a curriculum that offers integrated services and intensive services for 18 months and will incorporate two, 20-week sessions. Participants will achieve MSGs through a robust career and mentoring planned provision in this model. More importantly, data will be used to track each participant's progress during the program and upon entry into the world of work.

HCDE will deliver the program in three phases that include skills needed to succeed by attaining a credential(s) or entering or advancing in employment. The IET-WL program will provide 70 individuals with a 20-week program delivered in three phases – 1) Foundation, 2) Career & Job Ready and 3) Career & Job Placement. During the phases, topics covered will range from literacy, industry credentialing to job and job placement. Within 20 weeks, each participant will develop a My Action Plan (MAP) that coincides with one of the outcomes. Services will integrate workforce preparation, wrap around services, case/transition management, career exploration, mentoring, and other required services. HCDE will collaborate with community partners, workforce certificate practitioners, K-12 instructional coaches, and educational consultants to ensure participants achieve their personal goals and learn skills that influence their ability to increase their economic and earning power.

HCDE will also track data from this program, such as participant progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data (including military service records), internship and civic participation data. At the end of phase three, there will also be follow-up in six-month, 12-month and 18-month intervals that will integrate workforce preparation, wraparound services, case/transition management, career exploration, mentoring, and employer required services.

Collaborating with MAREK to design the curriculum and program will allow participants to obtain their credentials that lead to job placement and employment. HCDE will work with MAREK to ensure participants of the program are provided with job assessments, interviews with MAREK or other MAREK agencies.

Information

Posted Agenda Item:

In accordance with the Head Start Program Performance Standard 1303.5(2)(b) Limitations on development and administrative cost (2)(b)(1), Harris County Department of Education (HCDE) Head Start is requesting a waiver of the administrative cost limitations of 15% for grant 06HP000311 for the budget period of 09/01/2020 through 08/31/2021.

Subject:

Waiver of the Administrative Costs Limitations - Grant 06HP000311

Rationale:

HCDE Head Start submitted a Continuation Grant for FY 20-21 which was fully compliant with the administrative costs below the 15% administrative costs requirement . During the budget period HCDE Head Start continued to address struggles caused by the Covid-19 Pandemic and Winter Storm Uri. The impact of these events prompted HCDE Head Start to submit a partial waiver for a non-federal match, which was approved. The reduction of the in-kind, based on the calculation for in-kind raised the administrative cost allocation to 19.34%. HCDE Head Start worked to acquire the maximum amount of in-kind for the budget period and was able to exceed the adjusted amount and lower the actual rate to 19.31%.
