Increased Construction Costs

Labor Shortage

- Over 7 million men in prime working age (25-54) are neither working nor looking for work. These men are not counted in the unemployment rate.
- For every unemployed prime-age man looking for a job, there are 4 neither working nor looking for work.
 - Nicholas Eberstadt. "A Nation of Quitters". www.thespectator.com

- 94% of construction workers are men
- Silver Tsunami, a wave of tradesmen aging out of their careers and leaving a gap to fill in the industry as they retire.

Trends

Connect the Dots

Procurement Method

- Competitive Sealed Proposals vs Construction Manager at Risk
- **CSP** method awards the contract to the General Contractor after the design is completed.
- **CMaR** method awards the contract to the General Contractor during the design process.
 - This allows the GC to give real-time cost estimates and help adjust materials, equipment, and finishes to meet the budget.
 - Also allows the owner to order equipment before the plans have been finalized.

Value Proposition

Education is critical for breaking the poverty cycle and its importance is reflected within the American economic structure. **One in three adults in Harris County are considered low functionally illiterate.** They are unable to manage daily activities and employment tasks that require reading skills beyond a basic level in any language. HCDE Adult Education provides **access to free adult literacy and workforce programs** which enable participants to learn skills that influence their **health** and **well-being** and support their **functionality** in society as a **thriving adult**. Without access to affordable adult education programming many individuals and families are subject to becoming a statistic.

**Interlocal Agreement
between
Harris County Department of Education
& Spring Independent School District (SISD)**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Spring Independent School District (SISD), a public school district (“District”), located in Houston, Texas 77090, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas, including safety and security services through its Center for Safe and Secure Schools (“CSSS”). Both HCDE and the District desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date on which all Parties have executed this Agreement (“Effective Date”) and shall end on **June 30, 2023**, unless earlier terminated in accordance with Article 10 herein.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
 - A. **HCDE agrees to:**
 - Provide services of staff members and/or consultants of the CSSS for the purpose of providing safety and security services that will be considered by the Superintendent and Board of Trustees of the District to determine possible changes in equipment, systems, services, training, and procedures for the District.
 - Conduct Safety and Security Audits (“Audits”) of the District’s facilities as listed in Exhibit A, Scope of Work. The scope of each Audit shall include the services as set forth in Exhibit A.
 - Provide Audit Final Reports and draft reports containing Audit findings, recommendations, and commendations in accordance with Exhibit A.
 - B. **The District agrees to:**
 - Select District facilities in which to conduct Audits and provide the list of facilities in Exhibit A.

- Provide data, access to District facilities, and any other information requested by HCDE needed to conduct the Audits in accordance with the terms of this Agreement, as determined by HCDE.
- 4. As is. HCDE makes this Agreement available to HCDE participating entities “as is” and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of the District.
- 5. Fees. The total fee for Audits provided in accordance with Exhibit A is **\$79,611**. The fees included in this Agreement are based on services to address general requirements and the efficient delivery of services. Additional specifications, schedule changes, and/or facilities requested by the District may incur additional fees, as determined by HCDE. HCDE shall provide written notice of any such increase in fees, and the Parties shall set forth the addition of such fees in writing as an addendum to this Agreement.
- 6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
- 7. Invoices. HCDE will invoice the District as services are completed for each phase of the project as follows:

SY 2022-2023	\$79,611
--------------	----------

The District agrees to remit payment to HCDE within thirty (30) days after the date the District receives an invoice for the services. If the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- 8. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement.
- 9. Confidentiality: To the extent allowable by law, HCDE agrees to maintain the confidentiality of all records to which it has access while performing Audits pursuant to this Agreement. Unless disclosure is required by applicable law, HCDE further agrees that all findings and reports created by HCDE under this Agreement are confidential and shall not be disclosed to anyone other than District officials without the written approval of the District.
- 10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
 - By either Party, with or without cause, upon thirty (30) days’ prior written notice.
 - By mutual written agreement of the Parties; or

- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

In the event of termination of this Agreement, the District shall be responsible for compensating HCDE for services provided by HCDE up to the effective date of termination and shall be paid within thirty (30) days of the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations under this Agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to the District, the District, its personnel and agents, shall not, directly or indirectly, whether for the District's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that the District is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and the District or HCDE and any of the District's representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide the District with programs or services. During the Term of this Agreement, the District reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
17. Disclaimer. **HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT**

LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

HCDE is not a regulatory agency and interprets regulations as a regulated political subdivision. Audits performed in accordance with this Agreement are limited to the data, information, and access provided by the District to HCDE, and HCDE does not warrant that Audits conducted hereunder will uncover every security concern, area of needed improvement, or any other category of information examined by HCDE. Audits conducted by HCDE are intended as one source, among other sources, for use by the District in determining the safety and security of its facilities. Successful completion of Audits under this Agreement will support partial satisfaction of the District's compliance with current statutory requirements as set forth in Texas Senate Bill 11 in September 2011.

18. Limitation of Liability. Without waiver of the Disclaimer in Article 16 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas, and the Parties hereby submit to the exclusive jurisdiction of said courts.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.

24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

Scope of Work

1. **Selected Facilities**

HCDE will conduct Safety and Security Audits (“Audits”) of the facilities listed below, as selected by the District:

Timeframe (School Year -SY) & Number of Sites	Type	Cost
Phase 1 Spring Feeder (17 facilities)	11 ES, 4 MS, 2 HS	\$79,611

Phase 3 Westfield Feeder + Support Facilities (25 facilities)	5 ES, 8 HS, 12 SF	

2. **Scope of Audits**

The scope of each Audit includes:

1. Approach of the school/site *unannounced* to determine how freely HCDE team members can move about the building and interact with students and employees without being challenged by District officials (If necessary, the District will provide HCDE team members with written authorization to assess the schools with a campus escort).
2. Observation of the number, location, and condition of surveillance cameras, and potential security factors relating to building entrances, stairwells, areas out of sight of usual adult vision, and other “high risk” locations.
3. Conference with the counselor, principal, and other staff to determine training and skilled, instituted procedures regarding safety and security.

At a later date, HCDE will provide a facility-specific draft report containing Audit findings, recommendations, and commendations and an Executive Summary for the Superintendent or designee. All such drafts reports are considered to be drafts and works in progress, to the extent permitted by law. The Audit Final Report will be provided to the Superintendent or designee and is designed to provide the District with a useful and strategic planning tool.

Within six to eight (6-8) weeks of the Audit Final Report, the District is encouraged to respond in writing to HCDE regarding how it proposes to address recommendations contained in the Audit Final Report, which may include a decision to implement a modified or altered recommendation(s) and/or not implement recommendation(s). HCDE’s team can assist District officials and principals in the development of a written response, at the request of the District.

**Interlocal Agreement
between
Harris County Department of Education
& Crosby Independent School District (CROSBY ISD)**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and CROSBY ISD, a public school district (“District”), located 14670 FM 2100 in Crosby, Tx 77532, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas, including safety and security services through its Center for Safe and Secure Schools (“CSSS”). Both HCDE and the District desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date on which all Parties have executed this Agreement (“Effective Date”) and shall end on **June 30, 2023**, unless earlier terminated in accordance with Article 10 herein.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
 - A. **HCDE agrees to:**
 - Provide services of staff members and/or consultants of the CSSS for the purpose of providing safety and security services that will be considered by the Superintendent and Board of Trustees of the District to determine possible changes in equipment, systems, services, training, and procedures for the District.
 - Conduct Safety and Security Audits (“Audits”) of the District’s facilities as listed in Exhibit A, Scope of Work. The scope of each Audit shall include the services as set forth in Exhibit A.
 - Provide Audit Final Reports and draft reports containing Audit findings, recommendations, and commendations in accordance with Exhibit A.
 - B. **The District agrees to:**
 - Select District facilities in which to conduct Audits and provide the list of facilities in Exhibit A.

- Provide data, access to District facilities, and any other information requested by HCDE needed to conduct the Audits in accordance with the terms of this Agreement, as determined by HCDE.
4. As is. HCDE makes this Agreement available to HCDE participating entities “as is” and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of the District.
 5. Fees. The total fee for Audits provided in accordance with Exhibit A is **\$ 10,166**. The fees included in this Agreement are based on services to address general requirements and the efficient delivery of services. Additional specifications, schedule changes, and/or facilities requested by the District may incur additional fees, as determined by HCDE. HCDE shall provide written notice of any such increase in fees, and the Parties shall set forth the addition of such fees in writing as an addendum to this Agreement.
 6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
 7. Invoices. HCDE will invoice the District as services are completed for each phase of the project as follows:

2022-2023	\$10,166
-----------	----------

The District agrees to remit payment to HCDE within thirty (30) days after the date the District receives an invoice for the services. If the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement.
9. Confidentiality: To the extent allowable by law, HCDE agrees to maintain the confidentiality of all records to which it has access while performing Audits pursuant to this Agreement. Unless disclosure is required by applicable law, HCDE further agrees that all findings and reports created by HCDE under this Agreement are confidential and shall not be disclosed to anyone other than District officials without the written approval of the District.
10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
 - By either Party, with or without cause, upon thirty (30) days’ prior written notice;
 - By mutual written agreement of the Parties; or

- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

In the event of termination of this Agreement, the District shall be responsible for compensating HCDE for services provided by HCDE up to the effective date of termination and shall be paid within thirty (30) days of the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations under this Agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE’s service to the District, the District, its personnel and agents, shall not, directly or indirectly, whether for the District’s own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that the District is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and the District or HCDE and any of the District’s representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide the District with programs or services. During the Term of this Agreement, the District reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. Audits performed in accordance with this Agreement are limited to the data, information, and access provided by the District to HCDE, and HCDE does not warrant that Audits conducted hereunder will uncover every security concern, area of needed improvement, or any other category of information examined by HCDE. Audits conducted by HCDE are intended as one source, among other sources, for use by the District in determining the safety and security of its facilities. Successful completion of Audits under this Agreement will support partial satisfaction of the District's compliance with current statutory requirements as set forth in Texas Senate Bill 11 in September 2011.

18. Limitation of Liability. Without waiver of the Disclaimer in Article 16 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas, and the Parties hereby submit to the exclusive jurisdiction of said courts.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.

24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

In witness whereof, HCDE and the District have executed this Agreement to be effective on the date specified in Article 1. Term above:

**INTERLOCAL AGREEMENT FOR EDUCATIONAL SERVICES
FORTIS ACADEMY (RECOVERY HIGH SCHOOL)**

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and **Aldine Independent School District**, (“**AISD**”) (individually a “Party” and collectively “Parties”) hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services for **AISD**’s student(s) at HCDE’s Fortis Academy.

BACKGROUND

HCDE is a political subdivision of the State of Texas and operates Fortis Academy, a specialized public recovery high school with the intent to help students who have completed a substance abuse or dependency rehabilitation program continue their high school education in a sober environment.

AISD is a public, independent school district in the State of Texas providing educational services to students within **AISD**’s boundaries. **AISD** has determined that placement at HCDE’s Fortis Academy is appropriate for certain student(s) who are residents of the **AISD**. As such, both HCDE and **AISD** desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **January 10, 2023** through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for three (3) unit(s) to eligible student(s) who **AISD** has determined may benefit from placement at HCDE’s Fortis Academy (referred to herein as “student(s)”) who are residents of the **AISD**. Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties’ Boards of Trustees, the term shall extend from year to year automatically, unless any Party provides thirty (30) days advance written notice of intent not to renew the Contract.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, **AISD** may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
 - b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
 - c) HCDE agrees to furnish the **AISD** with a weekly statement of student(s)’s attendance.
 - d) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, including to the students’ drop-off points after alternative peer group sessions, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.

3. AISD's Responsibilities.

- a) **AISD** is responsible for providing transportation for the student(s) to and from Fortis Academy. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **AISD** and HCDE.
- b) **AISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **AISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **AISD** during the term of this Contract. Student Records to be provided by **AISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **AISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **AISD** shall provide copies of additional records, including **AISD** Records, as reasonably requested by HCDE.
- c) **AISD** retains the responsibility to report **AISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. Student Records; Confidentiality. For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **AISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **AISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **AISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **AISD** is under HCDE's direct control with respect to **AISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **AISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity. Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
7. **Special Education Services.**
 - a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **AISD** and recommended for services as described herein. The ARD Committee of **AISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.
 - b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **AISD**. **AISD** may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of **AISD** and the ARD Committee, with HCDE participation. If **AISD** chooses to make such services available in conjunction with Fortis Academy, **AISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If **AISD** requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.
 - d) **AISD** agrees to invite an HCDE representative as a non-consensus member to any **AISD** ARD Committee meeting for **AISD** student(s) placed at Fortis Academy pursuant to this Contract.
8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **AISD** and are considered students of **AISD** for all purposes. **AISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **AISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **AISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **AISD** student placed at HCDE, **AISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **AISD** student and is in no way liable to the student, parent, or **AISD** under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update **AISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and **AISD**, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **AISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. **Invoices and Payment.**
 - a) In consideration of the services provided herein, **AISD** agrees to pay HCDE an in-county **pro-rated** fee of **\$9,375** and any additional fees in the following manner:
 - i) **Pro-rated amount of \$3125** times the number of units purchased;

- b) HCDE will bill **AISD** for the amount of units purchased. **AISD** will be billed twice a year, and payment will be due within 30 days of the date of **AISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **AISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
- c) In the event that **AISD** makes a payment to HCDE with a credit card, **AISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- d) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **AISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **AISD**.
- e) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. Payment by Student(s) and Parents. The parents of the student(s) placed at Fortis Academy shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. Eligibility and Placement of Student(s). HCDE, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **AISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after HCDE confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in HCDE's sole discretion, or withdrawal by the student. HCDE reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **AISD**, the district of enrollment. Upon such request from HCDE regarding a student eligible for special education services, **AISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.

13. Compliance with HCDE Policies, Procedures, and Rules. The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all HCDE policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.

14. AISD Liaison. **AISD** shall appoint a qualified liaison to communicate on behalf of **AISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **AISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **AISD** employees and student(s)'s parents/guardians, as necessary.

15. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **AISD**. HCDE and **AISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **AISD** the amount of any pre-paid fees for any period.

- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. The CHARTER agrees and understands that this will result in receipt by the CHARTER of up to one-third less funds than the CHARTER would have received under the Contract as specified in Exhibit B. Upon 2/1/2023, if less than 50% of the budget is not allocated for program expenditures, HCDE reserves the right to reduce the CHARTER’s operating budget for the spring term and in subsequent grant years, as applicable.

IV. OBLIGATIONS DURING COVID-19 PANDEMIC

Due to the currently ongoing COVID-19 pandemic, the parties agree that either party may perform its obligations under this Contract virtually and/or remotely, as deemed appropriate by the performing party. The CHARTER is solely responsible for the provision and cost of all equipment, technology, Internet service/capabilities, networking, and the like required to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely.

The CHARTER is further solely responsible for obtaining any required parental/guardian consent for students to participate in Nita M. Lowey 21st Century CCLC Texas ACE program

activities online/remotely. HCDE will not be responsible for any costs necessitated or incurred due to online/remote participation.

The parties agree to reasonably cooperate with each other to ensure that the duties, obligations, and rights of both parties under this Contract are timely fulfilled, to the maximum extent possible, while also taking into account the health and safety of each party's employees, officers, agents, representatives, and students. The parties encourage social distancing as a measure intended to minimize the spread of disease in response to the current health situation.

V. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the CHARTER in an amount not to exceed:

- \$129,500.00 for providing the Center in accordance with Section III and this Contract at Southwest Bissonnet Elementary.

The CHARTER must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the CHARTER within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The CHARTER waives any statutory right to interest the CHARTER may have under Chapter 2251 of the Texas Government Code. The CHARTER may be eligible for a prorated amount, in HCDE's sole discretion, if the CHARTER is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the CHARTER where the Center programs are provided; the number of students and adults served in the CHARTER by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The CHARTER agrees that if any time after 2/1/2023, the HCDE CASE for Kids Director determines that the CHARTER does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the CHARTER and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the CHARTER at least two weeks prior to re-allocation/withholding of funds from the CHARTER in support of the afterschool program/Center.

The CHARTER acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the CHARTER, at any time upon written notice to the CHARTER. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to CHARTER under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the

awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the CHARTER shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the CHARTER under this Contract.

The CHARTER and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

VI. PIGGYBACKING ON HCDE-PROCURED CONTRACTS

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, the District may, in its discretion, enter into separate and independent contracts with CASE Afterschool and Summer Direct Service Providers, procured by HCDE in accordance with Section 44.031 of the Texas Education Code, that employ the same negotiated terms and conditions contained in an existing contract(s) between HCDE and the Direct Service Provider.

If the District elects to piggyback off of one of HCDE's contracts with CASE for Kids for Youth Services for Afterschool and Summer, the District shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to the District for use of HCDE contracts with Direct Service Providers. The District shall make payments directly to vendors/Direct Service Providers. The District shall be responsible for ordering, inspecting, and accepting the goods and services purchased by utilizing one of HCDE's contracts with Direct Service Providers. The District shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between the District and the vendor. HCDE is not responsible or liable for the performance of any vendor used by the District as a result of this Agreement or the District's piggybacking off of one of HCDE's contracts with Direct Service Providers.

VII. RELATIONSHIP

It is understood and agreed that the CHARTER is an independent contractor. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between HCDE and any employee or agent of the CHARTER. The Contract does not create a joint venture or business partnership under Texas law.

The CHARTER is solely responsible for the supervision, daily direction and control, payment of salary (including withholding of income taxes and social security), insurance, worker's compensation, and disability benefits and like requirements and obligations of CHARTER employees, agents, volunteers, and representatives. The CHARTER agrees that HCDE has

no responsibility for any conduct of any CHARTER employee, agent, volunteer, or representative.

VIII. TERMINATION

This Contract may be terminated by either party without cause with thirty (30) days advance written notice. HCDE may by written notice at any time terminate this Contract if the CHARTER fails to comply with a provision of this Contract. HCDE may also terminate this Contract as provided in Section IV.

- *Grantor:* The same as Agency
- *DCC:* The Document Control Center of the Agency
- *Capital Assets:* Tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting Principles (GAAP). Capital Assets include: (a) Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, lease-purchase, exchange, or through capital leases; and (b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to Capital Assets that materially increase their value or useful life (not ordinary repairs and maintenance).(2 CFR §200.12).

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

EXHIBIT D

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- **Capital Expenditures:** Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR§200.13)
- **Protected Personally Identifiable Information (PII):** An individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to, social security number, passport number, credit card numbers, clearances, bank numbers, biometrics, date and place of birth, mother's maiden name, criminal, medical and financial records, educational transcripts. This does not include PII that is required by law to be disclosed (2 CFR§200.82)

- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.
- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.
TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

EXHIBIT D

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as “high-risk conditions” and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.
- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of “stockpiling” supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

EXHIBIT D

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).

Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.
- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).
- The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

EXHIBIT D

directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The ISD further agrees that it will comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protections Agency regulations (40 CFR part 15), and mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).
- B. The ISD agrees that the certifications and agreements included in the HCDE Vendor Certification Forms, attached hereto and incorporated by reference in the agreement for all purposes, is true and correct.
- C. The ISD agrees to provide the after-school program to at least the number of students and parents indicated on Exhibit C attached to the Contract. The ISD further agrees that if any time after 1/10/2023, the HCDE CASE for Kids Director determines that there is less than **60%** of the agreed upon students and/or parents in the afterschool program (the numbers on Exhibit C), HCDE may withhold and reserve up to one-third of the budget (Exhibit B of the Contract) that it would have otherwise paid to the ISD and use those funds, in HCDE’s sole discretion, to try to increase student and/or parent participation. The ISD agrees and understands that this will result in receipt by the ISD of up to one-third less funds than the ISD would have received under the Contract as specified in Exhibit B. Upon 2/1/2023, if less than 50% of the budget is not allocated for program expenditures, HCDE reserves the right to reduce the ISD’s operating budget for the spring term and in subsequent grant years, as applicable.

I. OBLIGATIONS DURING COVID-19 PANDEMIC

Due to the currently ongoing COVID-19 pandemic, the parties agree that either party may perform its obligations under this Contract virtually and/or remotely, as deemed appropriate by the performing party. The ISD is solely responsible for the provision and cost of all equipment, technology, Internet service/capabilities, networking, and the like required to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely.

The ISD is further solely responsible for obtaining any required parental/guardian consent for students to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely. HCDE will not be responsible for any costs necessitated or incurred due to online/remote participation.

The parties agree to reasonably cooperate with each other to ensure that the duties, obligations, and rights of both parties under this Contract are timely fulfilled, to the maximum extent possible, while also taking into account the health and safety of each party’s employees, officers, agents, representatives, and students. The parties encourage social distancing as a measure intended to minimize the spread of disease in response to the current health situation.

I. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the ISD in an amount not to exceed:

- \$45,000.00 for providing the Center in accordance with Section III and this Contract at Chavez High School.

The ISD must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the ISD within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the ISD where the Center programs are provided; the number of students and adults served in the ISD by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The ISD agrees that if any time after 2/1/2023, the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the ISD and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the ISD at least two weeks prior to re-allocation/withholding of funds from the ISD in support of the afterschool program/Center.

The ISD acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

I. PIGGYBACKING ON HCDE-PROCURED CONTRACTS

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, the ISD may, in its discretion, enter into separate and independent contracts with CASE Afterschool and Summer Direct Service Providers, procured by HCDE in accordance with Section 44.031 of the Texas Education Code, that employ the same negotiated terms and conditions contained in an existing contract(s) between HCDE and the Direct Service Provider.

If the ISD elects to piggyback off of one of HCDE's contracts with CASE for Kids for Youth Services for Afterschool and Summer, the ISD shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to the ISD for use of HCDE contracts with Direct Service Providers. The ISD shall make payments directly to vendors/Direct Service Providers. The ISD shall be responsible for ordering, inspecting, and accepting the goods and services purchased by utilizing one of HCDE's contracts with Direct Service Providers. The ISD shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between the ISD and the vendor. HCDE is not responsible or liable for the performance of any vendor used by the ISD as a result of this Agreement or the ISD's piggybacking off of one of HCDE's contracts with Direct Service Providers.

II. RELATIONSHIP

It is understood and agreed that the ISD is an independent contractor. Nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee between HCDE and any employee or agent of the ISD. The Contract does not create a joint venture or business partnership under Texas law.

The ISD is solely responsible for the supervision, daily direction and control, payment of salary (including withholding of income taxes and social security), insurance, worker's compensation, and disability benefits and like requirements and obligations of ISD employees, agents, volunteers, and representatives. The ISD agrees that HCDE has no responsibility for any conduct of any ISD employee, agent, volunteer, or representative.

III. TERMINATION

This Contract may be terminated by either party without cause with thirty (30) days advance written notice. HCDE may by written notice at any time terminate this Contract if the ISD fails to comply with a provision of this Contract. HCDE may also terminate this Contract as provided in Section IV.

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

Texas Education Agency
General Provisions and Assurances
EXHIBIT D

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.
- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines. TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

Texas Education Agency
General Provisions and Assurances
EXHIBIT D

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.
- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

Texas Education Agency
General Provisions and Assurances
EXHIBIT D

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).

Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.
- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).
- The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

Texas Education Agency
General Provisions and Assurances

For the purposes of this section, an elementary school or secondary school has a limited public forum whenever the school involved grants an offering to, or opportunity for, one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory. Nothing in this section shall be construed to require any school, agency, or a school served by an agency to sponsor any group officially affiliated with the Boy Scouts of America, or any other youth group listed in Title 36 of the United States Code (as a patriotic society). Each local educational agency receiving assistance under the Every Student Succeeds Act shall provide military recruiters the same access to secondary school students as is provided generally to post-secondary educational institutions or to prospective employers of those students (P.L. 114-95, Section 8528).

**An INTERLOCAL AGREEMENT
between
Harris County Public Health
and
Harris County Department of Education**

This Interlocal Agreement (hereinafter “ILA”), dated as of the date of the last signature below (hereinafter “Effective Date”), is by and between Harris County, Texas, a body corporate and politic under the laws of the State of Texas, by and through Harris County Public Health (hereinafter “HCPH”) and the Harris County Department of Education (hereinafter “Agency”) pursuant to the Interlocal Cooperation Act, Tex. Gov’t Code Ann. §791.001 et seq.

The purpose of this ILA is to establish the roles and responsibilities of the parties related to participation in ACCESS Harris County, a multi-agency County program that focuses on the critical needs of residents who are experiencing physical and mental health challenges, economic uncertainty, housing instability, substance use disorders, criminal justice engagement and social inequity.

1. Background

The Harris County Commissioners Court is committed to strengthen services delivered to support the County’s most vulnerable high-need residents and to break down silos between County departments and related entities in Harris County. In furtherance of these ends, Harris County is launching an initiative referred to as “Accessing Coordinated Care and Empowering Self Sufficiency” or ACCESS Harris County.

The initiative encompasses the work of multiple partners, including but not limited to Harris County Public Health, Harris Health System, Harris Center for Mental Health, IDD Harris County Housing Authority, Juvenile Probation Department, Harris County Public Library, Harris County Sheriff’s Office, Community Supervision and Corrections Department, Harris County Resources for Children and Adults, Children’s Assessment Center, Community Services Department, Justice Administration Department, Department of Economics Equity and Opportunity, Veterans Services, and the Commissioners Court Analyst Office.

The goals of ACCESS Harris County include achieving coordinated and culturally competent services that holistically address the multiple needs of the person, family, or community; greater sharing and public reporting of information across departments and related entities; addressing inequities in marginalized communities; and improving the health, well-being, sustained recovery, and self-sufficiency of the County’s most vulnerable residents.

2. Obligations

Agency will work collaboratively with HCPH as part of the ACCESS Harris County Interdepartmental Multi-Disciplinary Team (“IMDT”).

Each party to this ILA shall perform the services and shall complete all obligations assigned to that party as described in Exhibit A (“Scope of Work”), attached hereto and incorporated herein by this reference.

Agency shall designate three full-time equivalent Intake/Transition Specialists (“Personnel”) who shall be assigned to administer appropriate supervision and community services to adults referred to the ACCESS Harris County program for the purpose of assisting adult students in enrolling in adult education literacy and workforce development classes and transition to careers or post-secondary education.

Personnel assigned pursuant to this ILA shall not incur overtime in support of ACCESS Harris County without the express written permission of Agency.

Agency shall assign personnel meeting the HCPH standards of professionalism, ethics, and competence. At any time HCPH may request that Agency assign alternative personnel.

Agency will provide written notification to the designated HCPH Project Manager if there is a staffing change.

3. Payment

HCPH will reimburse Agency for hours worked by assigned personnel in furtherance of ACCESS Harris County at a rate not to exceed \$34.74 per hour, and HCPH will also contribute Thirteen Thousand Five Hundred Ninety-Six and No/100 Dollars (\$13,596.00) to the Agency’s Program Manager responsible for overseeing the Scope of Work.

4. Limitation of Appropriation

4.1 Agency understands and agrees, said understanding and agreement also being of the absolute essence of this ILA, that the total maximum amount that Agency may become entitled to for the services performed under this ILA, and the total maximum sum that the County shall become liable to pay to Agency under this Agreement, shall not under any conditions, circumstances, or interpretations thereof exceed the sum of Seventy Four Thousand Seven Hundred Seventy Four and No/100 Dollars (\$74,774.00). Notwithstanding anything to the contrary, the County’s liability under the terms and provisions of this ILA is limited to the sum.

4.2 Agency understands and agrees that the laws governing the letting of contracts for the County require the approval of the Harris County Auditor and his certification that funds are, or will be, available for the payment of the obligations created under the ILA before such contracts become effective. Therefore, Agency shall not proceed with any services until such time that it receives a Purchase Order issued by the Harris County Purchasing Agent. Any services performed by Agency prior to its receipt of a Purchase Order are at Agency's own expense.

4.3 Agency does understand and agree, said understanding and agreement also being of the absolute essence of this ILA, that the total maximum compensation that Agency may become entitled to hereunder, and the total maximum sum that the Agency shall become liable to pay to Agency hereunder, shall not under any conditions, circumstances, or interpretations thereof exceed the sum certified by the Purchase Order. Notwithstanding anything to the contrary, or that may be construed to the contrary, the County’s liability under the terms and provisions of this ILA is limited to this sum. When all the funds so certified are expended, Agency’s sole and exclusive remedy shall be to terminate this ILA. If the services and charges to be provided for will equal or exceed the amount certified available, Agency shall notify the County immediately.

4.4 With regard to the renewal or extension of this ILA, the County has not allocated any funds for any renewal or extension period beyond the current fiscal year. Therefore, if the County exercises any renewal option, the renewal is subject to the future allocation and certification of funds for the renewal period.

5. Term of ILA

5.1. The term of this ILA shall begin upon signature by all parties and the ILA shall remain in full force and effect until terminated by either party in accordance with this Section 5.

5.2. Either party may terminate this ILA for convenience and without cause upon 30 days' advance written notice. In the event of such termination by HCPH, Agency shall receive compensation for any services performed through the effective date of termination, unless a shorter notice period is agreed upon.

5.3. This ILA may be cancelled immediately by either party upon written mutual consent.

Exhibit B
ACCESS Harris County Initiative - Information Privacy and
Security Policy and Procedure
(follows behind)

ACCESS Harris County Initiative

Information Privacy and Security Policy and Procedure

One of Harris County's strategic priorities set by the Harris County Commissioners Court is to provide integrated service delivery through a no-wrong door approach for individuals in need of services across county departments, affiliated governmental entities, and community-based programs. To address this priority, Harris County developed an initiative called Accessing Coordinated Care to Empower Self Sufficiency (ACCESS) Harris County. This initiative provides an integrated care-coordination model to improve outcomes for vulnerable individuals through a care coordination team. The team will focus on supporting clients holistically, addressing multiple needs that ensure better outcomes and greater stability.

The following Information Privacy and Security Policy and Procedure applies to the ACCESS Harris County Interdepartmental Multi-disciplinary Team (IMDT) and Coordinated Care Teams (CCTs) when accessing, disclosing, or using personally identifiable information. All ACCESS Harris County Participating Agencies and Workforce Members must comply with these policies and procedures.

1.0 Purpose

The purpose of this policy and procedure is to provide mandatory guidance for the creation, storage, use, disclosure and exchange of information that is protected by state and federal law when acting as part of or on behalf of ACCESS Harris County.

2.0 Scope

This policy and procedure applies to all entities and individuals participating in or acting on behalf of the ACCESS Harris County.

3.0 Relevant Law

A variety of state and federal laws protect the confidentiality of health, behavioral health, and social services information, including, but not limited to: the Health Insurance Portability and Accountability Act (HIPAA) and its implementing regulations (45 C.F.R. Parts 160 and 164); federal Substance Abuse Confidentiality Regulations (42 C.F.R. Part 2); Texas law on electronic disclosure of protected health information (Tex. Health & Safety Code § 181.154); Texas law on mental health records (Tex. Health & Safety Code § 611.002); Texas law on information in the juvenile justice information system (Tex. Family Code § 58.106); and Texas law making law enforcement records concerning a child confidential (Tex. Family Code § 58.008).

To ensure compliance with these laws, ACCESS Harris County operates pursuant to a consent-based model that limits enrollment in ACCESS Harris County to clients who give Participating Agencies permission to share their information. This model supports the IMDT approach, which is premised on unrestricted information sharing between Participant Agencies to help clients get the services and resources they need. Clients who

do not consent to share their information may separately seek any of the services offered by the Participating Agencies and will not be denied assistance based on their decision not to enroll in ACCESS Harris County.

4.0 Definitions:

4.1 ACCESS Harris County IMDT

The Interdepartmental Multi-Disciplinary Team (IMDT) operationalizes the programmatic goals and objectives set by the Safety Net Collaborative. The IMDT is a care coordination, advisory team of subject matter experts from various disciplines and frontline staff across Harris County Safety Net Departments. It is led by the IMDT Manager, who reports to the ACCESS Harris County Associate Director.

Reporting to the IMDT Manager are the Cohort Managers, who are responsible for the day-to-day operations of the Coordinated Care Teams (“CCTs”). The CCTs are multidisciplinary teams across the Participating Agencies that coordinate care for a group of ACCESS participants that meet participation criteria and requirements for a specific cohort. The team is comprised of frontline staff who coordinate the care plans and service goals for Cohort participants.

4.2 Watson Care Manager

4.2.1 The Care Manager Interface within Watson Care Manager is a platform that allows Workforce Members to input and view client demographics, case notes, care plans, client goals and other information relevant to client case management. The Care Manager Interface does not directly receive information from outside electronic databases (information must be added by Workforce Members).

4.2.2 Access to Watson Care Manager shall be granted on a business-need basis to members of a CCT. Watson Care Manager system access for CCT Workforce Members shall be approved by the ACCESS Director or their designee, which may be the ACCESS Associate Director, IMDT Manager, the Cohort Manager, and the County Privacy Officer or his designee.

4.3 Cohort

Cohort refers to a group of clients designated to receive intensive case management and related services through the Access Harris County IMDT. Cohorts are identified, defined, and approved by the Safety Net Collaborative. Clients must be assigned to a Cohort before they may receive services through the ACCESS Harris County Initiative.

4.4 Cohort Manager

The Cohort Manager will oversee services and case management of Cohorts. Workforce Members who have been assigned to CCTs will work with the Cohort Manager. These Workforce Members are defined as the CCT.

4.5 Consent Form

The Consent Form reflects a client's consent to participate in ACCESS Harris County. The Consent Form also conveys a client's consent to release a range of information, including social service records, to enable care coordination through ACCESS Harris County. If a client does not sign the Consent Form, they cannot participate in ACCESS Harris County. The Consent Form is attached hereto as Attachment C.

4.6 Coordinated Care Teams (CCTs)

Reporting to the IMDT Manager are the Cohort Managers, who are responsible for the day-to-day operations of the CCTs. The CCTs are specific subject matter experts that support the overall goals of the ACCESS Harris County Initiative. Each CCT is comprised of frontline staff from Participating Agencies who coordinate the care plans and service goals for Cohort participants. The members of the CCT and the Participating Agencies they represent are identified in Attachment A, which may be updated by the IMDT Manager with the approval of the Privacy Committee.

4.7 County Privacy Officer and Designee

The County Privacy Officer is the County employee appointed by the Harris County Commissioners Court to serve in that role. For the purposes of this Policy, the County Privacy Officer has delegated a number of information-gathering and reporting functions to his designee, the Harris County Public Health Compliance and Privacy Officer ("HCPH Privacy Officer"), pursuant to that Memorandum of Understanding dated January 25, 2023 ("MOU"), attached hereto as Attachment D and incorporated herein by reference. The HCPH Privacy Officer is responsible for complying with the terms of the MOU and coordinating with the County Privacy Officer to ensure compliance with federal and state law. In the event that the MOU is terminated, the County Privacy Officer will designate another person to assume the first-level privacy and compliance functions described in this Policy and will update the Policy with a new designation.

4.8 IMDT Authorization

IMDT Authorization, included as Attachment B, refers to a client's permission to release otherwise confidential health information to facilitate intensive case management and service delivery by Workforce Members of the ACCESS Harris County IMDT and CCTs.

4.9 Participating Agencies

Participating Agencies in the ACCESS Harris County IMDT include County Departments and agencies who are affiliated or have contracted with the County to support ACCESS Harris County. Participating Agencies may include governmental agencies and non-governmental agencies. All Participating Agencies have, as one of their purposes, the care, care management, or rehabilitation of high-need, vulnerable populations. All Participating Agencies must sign an agreement containing an obligation to abide by this Information Privacy and Security Policy and Procedure before receiving and being permitted to share information for the purposes of the ACCESS Harris County Initiative, and any sharing of information obtained pursuant to consents and authorizations given for the ACCESS Harris County Initiative may only be used for that purpose. New Participating Agencies may be designated by the IMDT Manager with the approval of the Privacy Committee. Participating Agencies are identified in Attachment A.

4.10 Privacy Committee

The Privacy Committee is a workgroup of the Safety Net Collaborative that meets as needed to consider privacy issues related to ACCESS Harris County. The Privacy Committee reports to the Safety Net Collaborative. The Privacy Committee shall consist of the HCPH Privacy Officer, County Privacy Officer or their designee, a liaison with the Universal Services Department, the ACCESS Harris County Director or their designee, one or more liaisons with the Coordinated Care Teams, a liaison with the Harris County Attorney's Office, and a liaison with each Safety Net Department. The Privacy Committee shall establish written guidelines, to be approved by the Safety Net Collaborative, under which the Safety Net Collaborative may delegate certain privacy responsibilities to the Privacy Committee.

4.11 Safety Net Collaborative

The Safety Net Collaborative is a group consisting of one designee from each of the following Participating Agencies and Harris County Safety Net Departments: the Harris County Public Health Department, Community Supervision & Corrections Department, Department of Economics, Equity, and Opportunity, Harris County Community Services Department, Harris County Department of Education,, Harris County Juvenile Probation Department, Harris County Resources for Children and Adults, Harris County Sheriff's Office, Harris Health System, The Harris Center for Mental Health & IDD, and Texas Department of Criminal Justice Parole Division Region III/Area Agency on Parole. The Safety Net Collaborative, with the approval of the ARPA Steering Committee, selects the Cohorts that will be eligible to receive case management and related services.

4.12 Virtual Client Record

The Virtual Client Record is a component of Watson Care Manager that offers a view of selected client information uploaded from Participating Agencies.

4.13 Connect360 Integrated Hub

The Connect360 Integrated Hub is the tool that the ACCESS Harris County IMDT uses to support case management and information sharing. Connect360 Integrated Hub allows the ACCESS Harris County IMDT to perform key functions such as look up and review of client demographic data and other shared data from source systems, streamlined intake, closed loop referral processing, alerts and notifications, analytics, and reporting.

4.14 Workforce Member

Workforce Members are those individuals fulfilling operational needs of ACCESS Harris County, including individuals on the ACCESS Harris County IMDT and CCTs. Workforce Members, for the purpose of these policies and procedures, includes individuals whose conduct, as part of the ACCESS Harris County IMDT and CCTs, is on behalf of, or under the direct control of, the County or a Participating Agency. Workforce Members may include, but are not limited to, County employees (full-time, part-time), contracted individuals, unpaid interns, temporary agency workers, and volunteers. All Workforce Members must sign a Confidentiality Statement.

5.0 Establishment of the IMDT and CCTs

5.1 ACCESS Harris County IMDT

5.1.1 The ACCESS Harris County IMDT has been established by and operates under the direction of the Safety Net Collaborative.

5.1.2 An IMDT Manager shall be appointed by the HCPH ACCESS Administration. The IMDT Manager oversees the Cohort Managers.

5.2 ACCESS Harris County CCTs

5.2.1 A Cohort Manager shall be selected for each CCT. The Cohort Manager oversees and supervises the activities of the CCT.

5.2.2 Additional individuals and Participating Agencies that are included in the CCT shall be determined by the IMDT Manager, subject to the approval of the Privacy Committee.

5.2.3 As necessary, the Cohort Manager shall solicit the advice and recommendation of Participating Agencies with expertise pertaining to the

Cohort. A CCT may include the case managers, support staff, service providers, and supervisors who provide or support services to Cohorts.

- 5.2.4 A new CCT shall be authorized to view categories of information in Watson Care Manager that are consistent with the purpose and needs of the CCT, as determined by the Cohort Manager and the Privacy Committee. CCTs may be authorized to view additional categories of information upon the recommendation of the Cohort Manager and the approval of the Privacy Committee.

- 5.2.6 Workforce Members shall access client records in Watson Care Manager only when there is a business need to do so. All activity in Watson Care Manager is logged, monitored, and subject to audit.

6.0 IMDT and Care Coordination Workforce Members

A range of Workforce Members who are trained in the case management of high-needs, vulnerable populations and/or the identification and treatment of homeless adults and families may participate in the ACCESS Harris County IMDT and CCTs. Teams may include, but are not limited to, the following:

- Housing or homeless services provider agencies and designated personnel.
- Mental health and substance abuse services personnel and practitioners or other trained counseling personnel.
- Peace officers, probation officers, or other law enforcement agents.
- Medical personnel, with sufficient training to provide health services and/or training in the treatment of individuals experiencing homelessness or other socio-economic problems.
- Social services workers with experience or training in the provision of social services to vulnerable populations or in the funding of and eligibility for public assistance programs.
- Child support services agencies and designated personnel.
- Veterans services providers and counselors.
- Domestic violence victim service organizations.

- Legal counsel for the adult or family representing them in a civil or criminal matter.
- Tribal or faith-based representatives.

7.0 IMDT Authorization

7.1 Description of the IMDT Authorization

The IMDT Authorization, included as Attachment B, authorizes the disclosure of information to ACCESS Harris County and the exchange of information between entities and individuals participating in ACCESS Harris County. The IMDT Authorization requires the client to agree that all Participating Agencies may share all information with each other, including substance-use-disorder (SUD) and mental health information. Clients who do not agree that their information may be disclosed to Participating Agencies will not be enrolled into the program because the fundamental nature of the services offered involves unrestricted information sharing.

7.2 Purpose of the IMDT Authorization

In some cases, health care providers or other entities may share information about a client without the client's authorization. For example, a physician can share information about a patient's diabetes with a hospital that has admitted that patient for the purpose of treating the patient. Similarly, a community clinic could share information about a patient's visit in order to obtain payment for the visit. For these reasons, many ACCESS Harris County information sharing activities would be permissible under the applicable laws whether or not the client has signed the IMDT Authorization.

However, because of the complexities of federal and state privacy laws applicable to services for vulnerable populations, Workforce Members may not be certain of their ability to share client information or may conclude that sharing is not permissible without the client's authorization. These concerns are particularly relevant with respect to SUD and mental health information, which is frequently at issue when providing services to the vulnerable populations served by the ACCESS Harris County Initiative. The IMDT Authorization ensures that Workforce Members may permissibly share all relevant information with each other as they work to get clients the services they need.

7.3 Requests to Limit IMDT Authorization

Clients may request limitations on the sharing of their data. Consistent with applicable laws, the County Privacy Officer or their designee will review those requests to determine if they are feasible. However, due to the nature of the ACCESS Harris County Initiative, and the need to accommodate the Watson Care Manager platform, many such requests may not be able to be accommodated.

The County Privacy Officer or their designee shall review requests for limitations on data sharing in accordance with the standards set forth by the Privacy Committee and shall comply with state and federal law and regulations and all contractual obligations. The County is not obligated to agree to patient requests for restrictions. All such requests for limitations on data sharing will be responded to in writing.

7.4 Documentation of IMDT Authorization

If the client consents to information sharing, he or she will need to sign and date the IMDT Authorization. The IMDT Authorization may be signed electronically. The IMDT Authorization may be signed by the client's personal representative (such as a parent or legal guardian), as long as the personal representative indicates his or her relationship to the client. The signed IMDT Authorization will be available electronically in Provider Portal. If a paper authorization is signed instead of an electronic one, a scanned copy will be available within Watson Care Manager.

8.0 ACCESS Harris County Consent Form

8.1 Purpose of the ACCESS Harris County Consent

Clients participating in ACCESS Harris County also sign the Consent Form before being accepted into the program. The primary purpose of the Consent Form is to explain the ACCESS Harris County program in plain terms and solicit the agreement of the client that they will cooperate with assigned members of their CCT.

8.2 Additional authority to share information pursuant to Client Consent

The Consent Form also requires the client to agree that entities participating in ACCESS Harris County may share and discuss the client's information with each other to help coordinate the client's services. This statement expressly refers to social services information, health information, demographic information, and other records that relate to services the client has received from the County or the community. Because this language is broader in some respects than the IMDT Authorization, which is focuses on the use and disclosure of personal health information, it provides another legal authority to share information.

9.0 Information Uses

9.1 Information uses by the ACCESS Harris County IMDT and CCT

9.1.1 All members of the ACCESS Harris County IMDT and CCT shall be permitted to use or share client information under the following conditions:

9.1.1.1 Consistent with a valid Consent Form and IMDT Authorization.

9.1.1.2 In any other manner permitted by state and federal law.

9.1.2 Access to Watson Care Manager

9.1.2.1 Until a signed Consent Form and IMDT Authorization are obtained, Workforce Members shall be permitted to view only basic demographic information used to confirm an individual's identity (i.e., name, date of birth, and gender). This information is available from the provider portal before entering Watson Care Manager and is used during the intake or enrollment process to assess whether a new client account needs to be created. This information is not attributed to any source system and does not indicate whether the individual has or had a past or present physical or mental health condition, including a substance use disorder or diagnosis, either directly, by reference to publicly available information, or through verification of such identification by another person.

9.1.2.2 All information contained in Watson Care Manager, including the Virtual Client Record, may be made available to Workforce Members only after a signed Consent Form and IMDT Authorization are obtained from the client or the client's authorized representative.

9.1.3 Information Included and Viewable in Watson Care Manager

9.1.3.1 Virtual Client Record:

The Virtual Client Record within Watson Care Manager imports information held by a variety of Participating Agencies. Privacy Committee approval shall be required before new Participating Agencies are linked to the Virtual Client Record and contribute information to the Virtual Client Record. Privacy Committee approval shall also be required before new data fields are added or made viewable in the Virtual Client Record.

9.1.3.2 Care Manager Interface:

The Care Manager Interface offers Workforce Members a technology platform to organize and share information. Workforce Members may add and receive information to and from the Care Manager Interface because they have client consent or pursuant to exceptions to privacy laws. Access to the Care Manager Interface shall be limited to CCT members, and CCT members may only view the records of those clients assigned to their Cohort.

9.1.4 Information Uses by Harris County IMDT Workforce Members With Consent Form and IMDT Authorization

With a signed Consent Form and IMDT Authorization, client information may be used by IMDT Workforce Members for purposes consistent with the authorization, including the following:

- In coordinated care meetings to consult with other IMDT members regarding client care and case management.
- In the field or office with the client to provide care, case management, or other services.
- For referral/connection to other entities.
- To coordinate services with other entities.
- For other purposes allowed by state and federal law.

9.1.5 Information Uses by Harris County IMDT Workforce Members Without IMDT Authorization

Without a signed IMDT Authorization and Consent Form, client information may be used by IMDT Workforce Members only for the following purposes:

Limited demographic information may be used when consistent with privacy laws to help identify and locate referred clients prior to signing an authorization. The limited demographic information may not include information that would identify the client as having or having had a past or present physical or mental health condition, including a substance use disorder or diagnosis, either directly, by reference to publicly available information, or through verification of such identification by another person.

9.2 Restricted Information

9.2.1 HIV Test Results. No HIV test result information shall be used or disclosed by Workforce Members of the ACCESS Harris County IMDT. The Virtual Client Record shall not include any HIV test result information.

9.2.2 Records protected by 42 C.F.R. Part 2. Disclosures of substance-use disorder records protected by 42 C.F.R. Part 2 made with the individual's written consent will include the written statement required by 42 C.F.R. Part 2.

10.0 Confidentiality

10.1 No confidential information shall be disclosed to persons who are not members of the Access Harris County IMDT or a CCT except to the extent required or permitted under applicable law.

10.2 All Participating Agency Workforce Members must sign a Confidentiality Statement prior to participating in the ACCESS Harris County IMDT.

10.3 Participating Agencies must keep all Workforce Members' signed Confidentiality Statements on file for a minimum of seven years.

- 10.4 If a Workforce Member changes employers, and the new employer is also a Participating Agency, the Workforce Member must sign a new Confidentiality Statement.

11.0 Participating Agency Supplemental Policies and Procedures

In addition to these Information Privacy and Security Policies and Procedures, Participating Agencies may establish their own Supplemental Policies and Procedures for use and disclosure of information obtained through participation in ACCESS Harris County. The Participating Agency policies and procedures shall not conflict with these Information Privacy and Security Policies and Procedures. Participating Agencies electing to establish their own Supplemental Policies and Procedures must share them with the County Privacy Officer or their designee when established and when material changes are implemented to the Supplemental Policies and Procedures.

12.0 Breach of Protected Information

- 12.1 The follow definitions apply to this section:

- 12.1.1 Breach: A breach is defined in 45 C.F.R. § 164.402 as the unauthorized acquisition, access, use, or disclosure of PHI which compromises the security, privacy or integrity of such information.

- 12.1.2 Personally Identifiable Information (PII): PII is any information that identifies or describes an individual, including, but not limited to, names, Social Security number, date of birth, physical description, home address, telephone number, education, financial matters, medical, or employment history.

- 12.1.3 Protected Health Information (PHI): PHI is defined in 45 C.F.R. § 160.103 as individually identifiable health information that is transmitted by electronic media, maintained in electronic media, or transmitted in any other form or medium.

- 12.2 The following procedures apply in the event of a breach or potential breach.

- 12.2.1 Any member of ACCESS Harris County who knows or suspects that there has been a breach of PHI or PII shall immediately notify one of the following individuals of the breach or suspected breach: the ACCESS Director, IMDT Manager, Associate ACCESS Director, Cohort Managers, or County Privacy Officer and their designee. Regulations require the County to report breaches to some state agencies within 24 hours. As such, immediate reporting is essential to meet this statutory timeline. The breach must be reported whether committed by the person reporting the violation or another individual and it must be reported whether intentional or accidental. The person receiving the report of the breach shall contact the County Privacy Officer and their designee and follow these procedures for

investigating the breach and determining appropriate response and mitigation measures if necessary.

12.2.2 Retaliation against any person who in good faith reports a violation of these privacy and security policies and procedures or retaliation against any person who supports someone else who reports a violation of the policy is prohibited. In addition, retaliation against any person who cooperates in an investigation related to this policy is prohibited.

12.2.3 A report of a breach or suspected breach may be made via any of the following:

- **PHONE:** By contacting the HCPH Privacy Officer or their designee by leaving a message at 713-274-1999. The HCPH Privacy Officer will immediately contact the Privacy Committee to notify it that a message has been left. 12.2.4 Following the initial notice of the discovery of a potential Breach, the County Privacy Officer or their designee will coordinate efforts with the one or more Participating Agencies to investigate and mitigate the Breach.

12.2.5 The County Privacy Officer or their designee shall report all Breaches to the Privacy Committee immediately, and in no event later than one business day after the breach or suspected breach is reported.. The County Privacy Officer or their designee may also consult with the Privacy Committee when evaluating whether a potential Breach is a Breach.

13.0 Training

13.1 All Participating Agency Workforce Members must complete information privacy and security training prior to participating on the ACCESS Harris County CCT, and must renew training annually as long as remaining on the IMDT.

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and Sheldon ISD desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.

9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and Alief ISD desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement *January 3, 2023 through June 30, 2023* and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.
