The Board's purpose is not to meet in executive session to consider matters not on the agenda for the meeting. IV. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the ISD in an amount not to exceed:

- \$167,200.00 for providing the Center in accordance with Section III and this Contract at Crespo Elementary and Kelso Elementary.

The ISD must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the ISD within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the ISD where the Center programs are provided; the number of students and adults served in the ISD by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The ISD agrees that if any time after 2/28/2025, the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the ISD and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the ISD at least two weeks prior to re-allocation/withholding of funds from the ISD in support of the afterschool program/Center.

The ISD acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. - B. **Contingency**: The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application**: Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances**: Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document**: The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws**: In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project

and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.
TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).
Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.
TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under 200.207 as a high-risk Grantee. (2 CFR 3474.10)
- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from

and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR 200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally- funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non- Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR 200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR 200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.
- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the

Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA 81.31(c)). The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR 200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention, and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers, directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.
- The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights

that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.
The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.
- W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.

Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the ISD where the Center programs are provided; the number of students and adults served in the ISD by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The ISD agrees that if any time after 2/20/2025, the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the ISD and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the ISD at least two weeks prior to re-allocation/withholding of funds from the ISD in support of the afterschool program/Center.

The ISD acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

17. *Capital Expenditures*: Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR 200.13)

This does not include PII that is required by law to be disclosed (2 CFR 200.82)

- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project

and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.
TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).
Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.
TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under 200.207 as a high-risk Grantee. (2 CFR 3474.10)
- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from

and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR 200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally- funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non- Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR 200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR 200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.
- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference.

Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA 81.31(c)). The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR 200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention, and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers, directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.
- The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights

that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **New Caney Independent School District**, ("NCISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the NCISD and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 26, 2024**, through **June 5, 2025**. 2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS East in accordance with applicable law and during the days and times set forth by ABS East. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the NCISD with a monthly statement of student(s) attendance. HCDE agrees to furnish NCISD with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by NCISD.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the NCISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the NCISD.
3. **NCISD's Responsibilities.**

 - b) NCISD shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS East. NCISD agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by NCISD during the term of this Contract. NCISD shall provide copies of additional records, including NCISD Records, as reasonably requested by HCDE.
 - c) NCISD retains the responsibility to report NCISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**
For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance

Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and NCISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which NCISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in NCISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) NCISD is under HCDE's direct control with respect to NCISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under NCISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

A member of the NCISD special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS East.

- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in NCISD and are considered students of NCISD for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the

NCISD retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an NCISD student placed at HCDE, NCISD recognizes and acknowledges that HCDE is not the LEA or Recipient for the NCISD student and is in no way liable to the student, parent, or NCISD under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, NCISD agrees to pay HCDE a total amount of **\$28,875**. Total amount is calculated by multiplying the number of units times the annual out of-county tuition rate (**\$28,875**).

- 50% of annual total amount due will be invoiced in **September 2024**

- b) NCISD may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from NCISD _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **NCISD Liaison.** NCISD shall appoint a qualified liaison to communicate on behalf of NCISD with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The NCISD liaison shall make best efforts to assist ABS East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with NCISD employees and student(s)'s parents/guardians, as necessary.

Interlocal Contract - Interstate
Between Harris County Department of Education
& Holland Central School District

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interstate Contract ("Contract") is made and entered into by and between the Harris County Department of Education ("HCDE"), located in Houston, Texas, and the Holland CSD ("Entity"), located in Holland, NY, for the purpose of allowing Entity to purchase services under the same terms, conditions, and prices as are available to all participants of HCDE's Choice Partners cooperative.

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is also duly authorized to provide programs and services in the State of Texas and to agencies of other states, pursuant to Texas Government Code § 791.011(b)(2). Both HCDE and Entity desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Contract and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties intending to be legally bound agree as follows:

1. Term. This Contract is effective from the date of the first signature and shall automatically renew unless either party gives thirty (30) days prior written notice of non-renewal. This Contract may be terminated by either party with or without cause with thirty (30) days written notice. See other means of terminating the contract in Article 11, below. Any such notice shall be sent according to Article 8.
2. Agreement. The terms of this Contract shall apply and will be considered a part of any Addendum for programs and services delivered by HCDE. This Contract and the attached and incorporated Addendum, purchase orders, or exhibits, if any, contain the entire agreement of the parties and there are no representations, agreements, arrangements, or undertakings, oral or written, between the parties to this Contract other than those set forth in this Contract and duly executed in writing.
3. Purpose and Scope of Work.
 - A. HCDE:**
 - Represents that it has secured the vendor(s)' agreement to provide commodities and/or services to its non-Texas members under the terms, conditions, and prices as contracted for Texas governmental entities.
 - Represents that it has reviewed the contract(s) and determined that it complies with any and all applicable rules, regulations, and statutes applicable to competitive procurement and cooperative purchasing in the State of Texas.
 - B. Entity:**
 - Agrees that it is Entity's responsibility to ensure that its State's rules, regulations, and statutes applicable to competitive procurement and cooperative purchasing allow Entity's participation in out-of-state contracts.
 - Agrees that it shall issue any and all purchase orders or other applicable authorizations for purchases made on its behalf to Choice Partner's vendors.
 - Agrees that it shall provide Choice Partners with a copy of any contract or purchase order based on a Choice Partners contract.

- Agrees to follow the terms and conditions of each independent contract or purchase orders for each Choice Partner vendor.
4. As is. HCDE makes this Contract available to Choice Partners participating entities “as is” and are under no obligation to revise the terms, conditions, scope, prices, and/or any other requirements of the Contract for the benefit of Entity.
 5. Assignment. Neither this Contract nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
 6. Conflict of Interest. During the Term of HCDE’s service to Entity, Entity, its personnel and agents, shall not, directly or indirectly, whether for Entity’s own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
 7. Contract Amendment. This Contract shall not be altered, changed, or amended except by the mutual agreement of all parties in writing to be attached to and incorporated into this Contract.
 8. Notice. Any notice provided under the terms of this Contract by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

9. Relation of Parties. It is the intention of the parties that Entity is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE and nothing in this Contract shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Entity or HCDE and any of Entity’s agents.
10. Non-Exclusivity of Services. Nothing in this Contract may be construed to imply that HCDE has exclusive right to provide Entity these services. During the Term of Contract, Entity reserves the right to use all available resources to procure other services as needed and, in doing so, will not violate any rights of HCDE.
11. Termination. This Contract may be terminated prior to the expiration of the Term hereof as follows:
 - By Entity upon 30 days notice if the work/service is not provided in a satisfactory and proper manner after a remedy has been reported and discussed;
 - By mutual written agreement of the parties, upon thirty (30) days prior notice;
 - By either party by giving thirty (30) days written notice to the other party; or
 - By either party immediately if the other party commits a material breach any of the terms of this Contract and no remedial action can be agreed upon by the parties.

Entity. Both parties agree to allow the Entity to use any or all of the following programs and/or services with no charge from HCDE including Choice Partners.

Entity agrees to adhere to the terms and conditions set forth for the programs and/or services as contracted under these programs. All other programs and/or services provided by HCDE requiring a fee will need an addendum to the approved Master Interstate Contract. The specific terms and conditions of the addendum will govern that individual contract. In the case of a conflict between the Contract and any addendum, the provisions of the addendum will govern.

13. Severability. In the event that any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
14. Authorization. Each party acknowledges that the governing body of each party to the Contract has authorized this Contract.
15. Benefit for Signatory Parties Only. Neither this Contract, nor any term or provisions hereof, nor any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

In witness whereof, HCDE and Entity have executed this Contract to be effective on the date specified in Article 1. Term above:

Delivery vs. Payment	All funds involved in the settlement of transactions of investment securities shall be transferred using the delivery vs. payment (DVP) method through the Federal Reserve System. By so doing, Department funds or securities are not released by a third party until the counterparty presents the agreed-upon transaction.
Safety	The primary goal of the investment program is to ensure safety of principal to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations.
Competitive Bids	It is the policy of the Department to require competitive bidding for all securities purchases and sales with the exception of those transactions involving money market mutual funds and public funds investment pools and when issued securities, which are deemed to be made at prevailing market rates. At least three bids or offers (which may be verbal, followed-up with the information in writing) must be solicited from approved broker dealers. In instances in which the exact security being offered cannot be found by competing dealers, offers on like securities may be used to establish a fair market price.
Investment Strategies by Fund	The Department's investment strategies for each of its funds, including but not limited to operating, agency, debt service and capital projects, are incorporated into this investment policy as follows. The investment objectives for each of the following funds use the following priorities in order of importance: (1) understanding of the suitability of the investment to the financial requirements of the entity; (2) preservation and safety of principal; (3) liquidity; (4) marketability of the investment if the need arises to liquidate before maturity; (5) diversification of the investment portfolio; and (6) yield.

Debt Service Fund

The investment strategy for the Debt Service Fund has as its primary objective preservation and safety of principal. Secondly, the objective shall be sufficient liquidity to meet scheduled debt service payment obligations. The maximum maturity of any individual investment shall not exceed three years.

Capital Projects Fund

The investment strategy for the Capital Projects Fund has as its primary objective the preservation and safety of principal. The second objective is to ensure that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing short- to medium-term securities or investment pools. The maximum maturity of any individual investment shall not exceed three years.

Suitability

The primary investment objectives of the Department are preservation of principal and liquidity; income is secondary. The investments must be appropriate to meet the needs and circumstances of the Department's operating budget. The investment officers shall use reasonable judgment to determine whether the investment is applicable to the portfolio needs of the Department.

Preservation and Safety of Principal

The investment officers shall exercise diligence and thoroughness in making an investment transaction. maturities, so that no single investment or class of investments can have a disproportionate impact on the total portfolio. The asset allocation in the portfolio should, however, be flexible depending upon the outlook for the economy and the securities markets. Diversification to avoid over-concentration in a specific instrument does not apply to U.S. Treasury securities and money market mutual funds. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

The Department recognizes that investment risks may result from issuer defaults, market price changes, or various technical complications leading to temporary illiquidity. Portfolio diversification is employed as a way to control risk. The investment officers are expected to display prudence in the selection of securities as a way to minimize default risk. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio. In the event of default by a specific issuer, the investment officers shall review, and, if appropriate, proceed to liquidate securities having comparable credit risks. To control market price risks, volatile investment instruments shall be avoided.

Yield

Investment officers shall strive to earn a competitive total return on the portfolio consistent with the objectives and priorities stated in this policy. Total return shall mean the interest or dividend payments and appreciation or depreciation of the principal of the investment. Cash use estimates are used to make investment decisions. All available funds should be invested to earn interest for the Department. Enough of the funds will be invested in nonvolatile, liquid investments to ensure payments when due. Moderate income volatility is permitted. Financial risk is unacceptable, and because the investment time horizon of the funds are relatively short, exposure to interest rate risk and purchasing power risk will be minimal. The annual time-weighted rate of return on the portfolio should be compared with the total return on three-month Treasury bills to evaluate the portfolio's performance.
