4. **Student Records; Confidentiality.**
   For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **CISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **CISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **CISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **CISD** is under HCDE's direct control with respect to **CISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **CISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.**
Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s).    b) HCDE will be available for participation with the **CISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **CISD** on the implementation of the IEP at least once per semester. A member of the **CISD** special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.

   d) **CISD** agrees to invite an HCDE representative as a non-consensus member to any **CISD** ARD Committee meeting for **CISD** student(s) placed at ABS WEST pursuant to this Contract.

8. **Local Education Agency.**
Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **CISD** and are considered students of **CISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **CISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **CISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding

identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **ISD** student placed at HCDE, **CISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **CISD** student and is in no way liable to the student, parent, or **CISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **CISD** agrees to pay HCDE a total amount of **$357,000**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**$29,750**).

   HCDE will invoice **CISD** and payment will be due immediately upon receipt of invoice. **CISD** agrees to pay HCDE in the following manner:

   - 100% of the annual total amount due will be invoiced in **September 2025**

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed

Texas Education Code, Chapter 22, requires school districts to review the criminal histories of contractors and independent contractors who have, or will have, **continuing duties** related to a services agreement with the District **and direct contact with students**. Houston ISD considers direct contact to result from any activity that may provide substantial opportunity for verbal or physical interaction with students and that is not supervised by a professional district employee (*e.g.*, unsupervised coaching, tutoring, or other services). Houston ISD retains the sole right to determine if engagement with a contractor (including subcontractors) requires review of criminal histories, in accordance with Texas law.

If at any time over the effective term of the Contract, Houston ISD determines that engaging with the Contractor requires a criminal background check, the Contractor will be provided with further instructions. If required, criminal background checks must be completed, reviewed, and approved by Houston ISD either prior to services being provided or prior to continuation of services, as required by Houston ISD.

10. **DISD Liaison. DISD** shall appoint a qualified liaison to communicate on behalf of **DISD** with HCDE representatives.    b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
   c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. 12. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **AISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS EAST, services to be provided, conditions and privileges of

15. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.

16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.

The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement (October 1, 2025) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

B. ALDINE ISD agrees to:

- Participate in any or all the programs and services that HCDE offers, in ALDINE ISD's sole discretion.

   ALDINE ISD agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by ALDINE ISD In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

7. Invoices. HCDE will invoice ALDINE ISD for the HCDE programs and services that ALDINE ISD purchases from HCDE. - By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

In the event of termination of this Agreement or any purchase order or individual contract, ALDINE ISD shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.

21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.

Houston ISD considers direct contact to result from any activity that may provide substantial opportunity for verbal or physical interaction with students and that is not supervised by a professional district employee (*e.g.*, unsupervised coaching, tutoring, or other services). Houston ISD retains the sole right to determine if engagement with a contractor (including subcontractors) requires review of criminal histories, in accordance with Texas law.

2 CFR SECTION 200 REQUIRED PROVISIONS
ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions are required and apply only when the District expends federal funds for any contract resulting from this procurement process. **Accordingly, the parties agree that the following terms and conditions apply to the Contract between the District and vendor ("Vendor") in all situations where Vendor has been paid or will be paid with federal funds, and only to the extent applicable to the contract type or dollar amount:**

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

APPENDIX II TO 2 CFR PART 200

(A) [*Applicable ONLY to contracts in excess of $250,000.*] **Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.**

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) [*Applicable ONLY to contracts in excess of $10,000.*] **Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.**

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

(C) [*Applicable ONLY to federally assisted construction contracts.*] **Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."**

Docusign Envelope ID: 3321E330-BC68-46A0-A93F-24EE57E194AF

Pursuant to Federal Rule (C) above, when the District expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) [*Applicable ONLY to prime construction contracts in excess of $2,000 where federal funds are being used for the project*] **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations(29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.**

Pursuant to Federal Rule (E) above, when the District expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by the District resulting from this procurement process.

(F) **Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.**

As such, Contractor's access to individual student information is permitted under the Family Educational Rights and Privacy Act of 1974 (FERPA) and its implementing federal regulations found in 34 CFR Part 99.

Contractor agrees and understands that information concerning any individual student is to be held in strictest confidence and assures that procedures are in place for monitoring and protecting confidentiality of student information, including, but not limited to, tracking access by assigned passwords. All media that contain individual student records and Contractor records that contain individual student records will be kept in a secure area at the District. Each Contractor representative that will access the individual student records must agree to protect student confidentiality by signing the attached "Access Agreement."

In addition, Contractor agrees that any data sets or output reports that its representatives may generate with individual student data are confidential. Contractor will not disclose to any unauthorized person any data sets or reports with individual student data which is obtained or devised. Contractor agrees to be responsible for any computer transactions performed as a result of access authorized by use of password(s). Contractor agrees to destroy the data when it is no longer needed for purposes of the work for which Contractor has contracted to perform for the District.

Contractor understands that any unauthorized disclosure of confidential student information is illegal as provided in FERPA and its implementing regulations. For: Fort Bend ISD Board of Trustees
Date: June 10, 2024
Action: Consideration and Approval: Residential and Nonpublic Day Schools
References: Board Policy CH (Legal)
District Goal 1
Department: Special Education

Recommendation

Consideration and approval to authorize the Superintendent, or his designee, to execute agreements with the authorized residential and day treatment service providers listed in the table below as needed for the 2024-25 school year:

Residential Treatment Service Providers	Day Treatment Service Providers
Autism Treatment Center -Dallas and San Antonio locations	Harris County Department of Education
Bayes Achievement Center	Providence Treatment Center
Behavior Network	River Oaks Academy
Shiloh Treatment Center, Inc.	Shiloh Treatment Center, Inc.
Texas Hill Country School	Monarch School and Institute
	Avondale House

This approval will allow the district to respond to the immediate needs of students who require such services in FY25.

Summary

Each year, districts are required under federal guidelines to set aside 25 percent of IDEA funds for residential and non-public day school services. Students' placement in a residential or day treatment setting occurs at the recommendation of the Admission, Review and Dismissal (ARD) committee, after all other resources for special education services within the district have been exhausted. The TEA reviews each ARD document for students who are recommended for residential or day treatment to ensure that students placed are provided with special education services that meet state and federal guidelines. The TEA also monitors Special Education residential and nonpublic day programs throughout the state and oversees the approval of any new program.

The projected set aside amount for the 2024-2025 school year, at the required percentage for the District is $3,629,298. In 2023-24, the district contracted for services for students in such facilities for approximately $1,916395. Based on history, the district does not anticipate expending the total amount but must set the money aside for student situations not anticipated.

2 CFR SECTION 200 REQUIRED PROVISIONS
ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions are required and apply only when the District expends federal funds for any contract resulting from this procurement process. **Accordingly, the parties agree that the following terms and conditions apply to the Contract between the District and vendor ("Vendor") in all situations where Vendor has been paid or will be paid with federal funds, and only to the extent applicable to the contract type or dollar amount:**

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

APPENDIX II TO 2 CFR PART 200

(A) [*Applicable ONLY to contracts in excess of $250,000.*] **Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.**

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) [*Applicable ONLY to contracts in excess of $10,000.*] **Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.**

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

(C) [*Applicable ONLY to federally assisted construction contracts.*] **Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."**

Docusign Envelope ID: 3321E330-BC68-46A0-A93F-24EE57E194AF

(D) [*Applicable ONLY to prime construction contracts in excess of $2,000 where federal funds are being used for the project*] **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations(29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.**

Pursuant to Federal Rule (E) above, when the District expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by the District resulting from this procurement process.

Contractor agrees and understands that information concerning any individual student is to be held in strictest confidence and assures that procedures are in place for monitoring and protecting confidentiality of student information, including, but not limited to, tracking access by assigned passwords. All media that contain individual student records and Contractor records that contain individual student records will be kept in a secure area at the District. Each Contractor representative that will access the individual student records must agree to protect student confidentiality by signing the attached "Access Agreement."

In addition, Contractor agrees that any data sets or output reports that its representatives may generate with individual student data are confidential. Contractor will not disclose to any unauthorized person any data sets or reports with individual student data which is obtained or devised.     c. Recommendation

Consideration and approval to authorize the Superintendent, or his designee, to execute agreements with the authorized residential and day treatment service providers listed in the table below as needed for the 2024-25 school year:

Residential Treatment Service Providers	Day Treatment Service Providers
Autism Treatment Center -Dallas and San Antonio locations	Harris County Department of Education
Bayes Achievement Center	Providence Treatment Center
Behavior Network	River Oaks Academy
Shiloh Treatment Center, Inc.	Shiloh Treatment Center, Inc.
Texas Hill Country School	Monarch School and Institute
	Avondale House

This approval will allow the district to respond to the immediate needs of students who require such services in FY25.

Summary

Each year, districts are required under federal guidelines to set aside 25 percent of IDEA funds for residential and non-public day school services. Students' placement in a residential or day treatment setting occurs at the recommendation of the Admission, Review and Dismissal (ARD) committee, after all other resources for special education services within the district have been exhausted. The TEA reviews each ARD document for students who are recommended for residential or day treatment to ensure that students placed are provided with special education services that meet state and federal guidelines. The TEA also monitors Special Education residential and nonpublic day programs throughout the state and oversees the approval of any new program.

The projected set aside amount for the 2024-2025 school year, at the required percentage for the District is $3,629,298. In 2023-24, the district contracted for services for students in such facilities for approximately $1,916395. Based on history, the district does not anticipate expending the total amount but must set the money aside for student situations not anticipated.

Interlocal Agreement
between Harris County Department of Education
& Alief Independent School District for HCDE CASE Debates

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and **Alief Independent School District** an independent school district and/or charter school ("ISD"), located in **Houston, TX**, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas.

HCDE, HCDE's Center for Afterschool, Summer and Enrichment for Kids ("CASE for Kids"), and Houston Urban Debate League ("HUDL") operate a joint project, "HCDE CASE Debates" to provide debate programs and camps for at-risk teens in Harris County school districts.

Both HCDE and ISD desire to set forth, in writing, the terms and conditions of their agreement relating to ISD's participation in HCDE CASE Debates.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. This Agreement shall be for the period beginning September 6, 2025 and ending August 31,2026. Subject to the receipt of sufficient appropriated funds from HCDE and HCDE's written approval, this Agreement may be renewed for additional year(s).

2. Compensation and Funding. Subject to the following paragraphs, HCDE will pay the ISD an amount not to exceed $7,500.00 for providing the ISD's CASE Debates progam coach(s) supplemental duty pay at **Alief Kerr, Alief Taylor and Alief Early College** campus's to serve at least four (4) but no more than twenty-five (25) students ("Coach's Supplemental Duty Pay").

   HCDE will only pay the maximum of **$2,500.00** per campus to the ISD regardless of the number of CASE Debates Coaches assigned by the ISD. The ISD assumes responsibility for how the Coach's Supplemental Duty Pay received from HCDE may be divided between one or more CASE Debates coaches. The ISD must submit a Stipend Verification Form detailing expectations of the project were met with supporting documentation for the CASE Debates project and an invoice to receive payment of the Coach's Supplemental Duty Pay. HCDE requires that all teachers must attend CASE Debates affiliated events to receive

credit for the teacher stipend. Physical copies of attendance records are required for data management. These individual campus responsibilities are not to be shared amongst affiliated participating schools in ISD. HCDE will pay the ISD within 30 days of receiving an invoice and the project documentation required herein. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the Term of this Agreement will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code.

The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its CASE Debates project in accordance with the project description, including all requirements listed herein, including, but not necessarily limited to: maintaining an assigned CASE Debates Coach in the ISD where the CASE Debates programs are provided; offering debate practice during non-regular school hours; maintain the number of students served in the ISD by the CASE Debates project; and fulfillment of the total number of events attended. It is expected that the ISD will meet 80% of the project's requirements. The ISD agrees that if any time after [**January 10th, 2026**], the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to meet at least 80% of the project guidelines, HCDE reserves the right to reduce the Coach's stipend by 50%.

3. Agreement. INTERLOCAL AGREEMENT FOR EDUCATIONAL SERVICES FORTIS ACADEMY (RECOVERY HIGH SCHOOL)

2025-2026 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Cleveland Independent School District**, ("**CISD**") (individually a "Party" and collectively "Parties") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for **CISD**'s student(s) at HCDE's Fortis Academy.

BACKGROUND

HCDE is a political subdivision of the State of Texas and operates Fortis Academy, a specialized public recovery high school with the intent to help students who have completed a substance abuse or dependency rehabilitation program continue their high school education in a sober environment.

CISD is a public, independent school district in the State of Texas providing educational services to students within **CISD**'s boundaries. **CISD** has determined that placement at HCDE's Fortis Academy is appropriate for certain student(s) who are residents of the **CISD**. As such, both HCDE and **CISD** desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **August 25, 2025,** through **June 4, 2026.** During said term, HCDE agrees to provide services described herein for **one (1)** unit(s) to eligible student(s) who **CISD** has determined may benefit from placement at HCDE's Fortis Academy (referred to herein as "student(s)") who are residents of the **CISD**. Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties' Boards of Trustees, the term shall extend from year to year automatically, unless any Party provides thirty (30) days advance written notice of intent not to renew the Contract.

2. **HCDE Responsibilities.**
   a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, CISD may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
   b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
   c) HCDE agrees to furnish the **CISD** with a weekly statement of student(s)'s attendance.
   d) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, including to the students' drop-off points after alternative peer group sessions, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.

3. **CISD's Responsibilities.**
   a) **CISD** is responsible for providing transportation for the student(s) to and from Fortis Academy. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **CISD** and HCDE.
   b) **CISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **CISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **CISD** during the term of this Contract. Student Records to be provided by **CISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **CISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **CISD** shall provide copies of additional records, including **CISD** Records, as reasonably requested by HCDE.
   c) **CISD** retains the responsibility to report **CISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

   Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **CISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **CISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **CISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **CISD** is under HCDE's direct control with respect to **CISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **CISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between them as they arise.

7. **Special Education Services.**
   a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **CISD** and recommended for services as described herein. The ARD Committee of **CISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.

   b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **CISD**. **CISD** may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of **CISD** and the ARD Committee, with HCDE participation. If **CISD** chooses to make such services available in conjunction with Fortis Academy, **CISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If **CISD** requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.

   c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.

   d) **CISD** agrees to invite an HCDE representative as a non-consensus member to any **CISD** ARD Committee meeting for **CISD** student(s) placed at Fortis Academy pursuant to this Contract.

8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **CISD** and are considered students of **CISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **CISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **CISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **CISD** student placed at HCDE, **CISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **CISD** student and is in no way liable to the student, parent, or **CISD** under the IDEA, Section 504, or other applicable law.

9. **Monitoring Student Progress.** HCDE will update **CISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and CISD, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **CISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.

10. **Invoices and Payment.** In consideration of the services provided herein, CISD agrees to pay HCDE an out of-county fee of **$8,200** in the following manner:
    i. **$8,200** times the number of units purchased. CISD will be billed in **September of 2025** and payment will be due upon receipt of invoice.

a) HCDE will bill **CISD** for the amount of units purchased. **CISD** will be billed twice a year, and payment will be due within 30 days of the date of **CISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **CISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.

b) In the event that **CISD** makes a payment to HCDE with a credit card, **CISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **CISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **CISD**.

d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. **Payment by Student(s) and Parents.** The parents of the student(s) placed at Fortis Academy shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. **Eligibility and Placement of Student(s).** HCDE, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **CISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after HCDE confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in HCDE's sole discretion, or withdrawal by the student. HCDE reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **CISD**, the district of enrollment. Upon such request from HCDE regarding a student eligible for special education services, **CISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.

13. **Compliance with HCDE Policies, Procedures, and Rules**. The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all HCDE policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.

14. **CISD Liaison.** **CISD** shall appoint a qualified liaison to communicate on behalf of **CISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **CISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **CISD** employees and student(s)'s parents/guardians, as necessary.

15. **Termination.**
    a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **CISD**. HCDE and **CISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **CISD** the amount of any pre-paid fees for any period.

b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **CISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **CISD** within ten (10) business days following the date of termination or expiration, at the written request of **CISD**.

16. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **CISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Participation Agreement
between Harris County Department of Education
& Kairos Christian Academy

This Participation Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Kairos Christian Academy, a non-profit corporation ("Non-Profit"), located in Clute (*city*), Texas(*state*), for the purpose of permitting Non-Profit to participate in any or all of the programs and services that HCDE offers, including, without limitation, HCDE's cooperative purchasing program, Choice Partners. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Non-Profit certifies, represents, and warrants that it is a non-profit, tax-exempt entity. Both HCDE and Non-Profit desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

3. Purpose and Scope of Work.

A. HCDE agrees to:

- Provide Non-Profit with descriptive offerings of each of the programs and services that HCDE provides.
- Provide programs and services upon Non-Profit's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
- Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

B. Non-Profit agrees to:

- Participate in any or all of the programs and services that HCDE offers, in Non-Profit's sole discretion.
- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that Non-Profit desires to purchase and/or collaborate.
- Agree to follow the terms and conditions of each independent contract or purchase order.
- Designate a person to act as Non-Profit's representative to each respective HCDE program and/or service delivered.

4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of Non-Profit.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and Non-Profit.

   Non-Profit agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by Non-Profit. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

7. Invoices. HCDE will invoice Non-Profit for the HCDE programs and services that Non-Profit purchases from HCDE. Non-Profit agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date Non-Profit receives the goods; (2) the date the performance of the service is completed; or (3) the date Non-Profit receives an invoice for the goods or service. If Non-Profit makes a payment to HCDE with a credit card, Non-Profit agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Participation in HCDE's Cooperative Purchasing Program. If Non-Profit elects to participate in HCDE's cooperative purchasing program, Choice Partners, Non-Profit shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to Non-Profit for participation in Choice Partners. Non-Profit shall make payments directly to vendors. Non-Profit shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. Non-Profit shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services

delivered and terms of delivered, as set forth between Non-Profit and the vendor. HCDE is not responsible or liable for the performance of any vendor used by Non-Profit as a result of this Agreement or Non-Profit's participation in Choice Partners.

9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and Non-Profit or between Non-Profit and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, Non-Profit shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to Non-Profit, Non-Profit, its personnel and agents, shall not, directly or indirectly, whether for Non-Profit's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Certificate of Interested Parties. HCDE is required to comply with House Bill 1295, which amended the Texas Government Code by adding Section 2252.908, Disclosure of Interested Parties. Section 2252.908 prohibits HCDE from entering into a contract with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to HCDE at the time business entity submits the signed contract. Non-Profit agrees to complete the Certificate of Interested Parties electronically with the Texas Ethics Commission and submit the original signed, notarized certificate to HCDE with submission of this signed Agreement.

14. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

15. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

16. Relation of Parties. It is the intention of the parties that Non-Profit is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Non-Profit or HCDE and any of Non-Profit's representatives.

17. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide Non-Profit with programs or services. During the Term of this Agreement, Non-Profit reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

18. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.

23. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

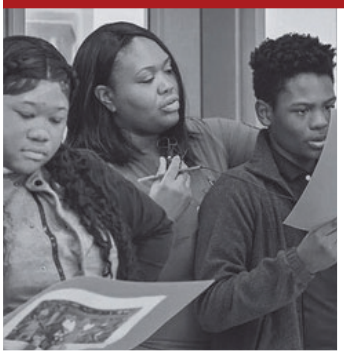
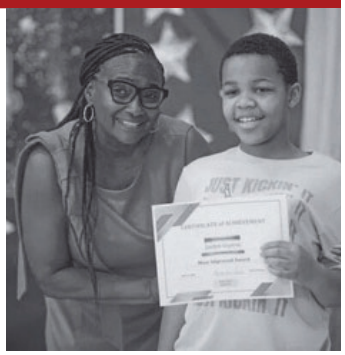
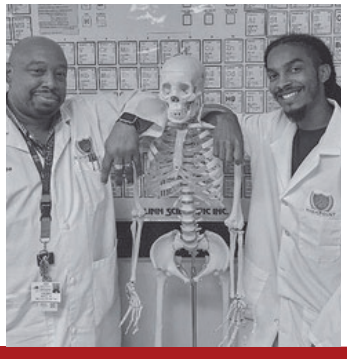
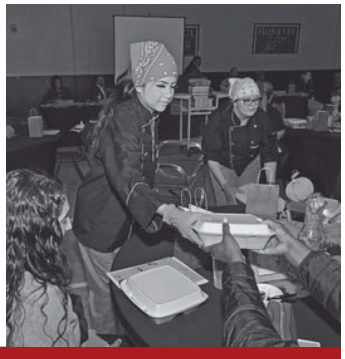
SPECIAL SCHOOLS

Placement & Enrollment Guide 2025-2026









THE HCDE IMPACT

The Harris County Department of Education is a public entity dedicated to helping meet the needs of uniquely challenged learners and schools, in the state's largest county, through innovative programming and support services. Annually, HCDE directly serves approximately 500 students across our four alternative campuses. With the evolving needs of our partner school districts, the staff of Special Schools remains committed to a standard of service excellence that targets high-need populations with a laser focus on each student becoming successful.

District Partnership

The HCDE model works well due to the collaborative partnership it builds with its surrounding districts. It prioritizes providing school districts and charter schools the opportunity to expand the diversity of school options when meeting the needs of their students. In this partnership, HCDE provides expertise and implementation of best practices in behavior modification, specialized learning, and turnaround support. Most importantly, these effective partnerships give targeted students access to safe and secure great schools with restorative and enduring behavioral supports aligned with standards-based teaching and learning to support student growth and consistent improvement.

Student placement priority is given to districts who renew annual contracts prior to the start of the academic year. Placement decisions at the HCDE schools are based on the ability to meet the student's needs and the availability of seats. Each school aims to provide engaging standards-based, small-group instruction while preparing students to return to their home schools.

THE PROCESS

Pre-enrollment Process

Harris County Department of Education

Prior to a student enrolling and attending any of the HCDE schools, districts must ensure:

1

STUDENT STAFFING

At least one member of the HCDE School staff (transition specialist) must be invited to participate in a student-centered staffing to review the full and specific student needs and whether the HCDE program can meet those academic and behavioral needs. If the student's needs can be met, the HCDE representative must be invited to the placement meeting where decisions are made including the ARD or 504 meeting. A scheduled student observation may be requested.

2

ARD/504 MEETING

For any student receiving special education or 504 services, the HCDE transition specialist or designated representative must be invited to attend the placement ARD/504 meeting to confirm each HCDE school's responsibilities, supports, resources, calendar, schedules, and courses. All ARD documents must delineate the scope of services that will be provided by the HCDE School and which services will be provided by the student's home district.

3

DOCUMENTATION

The most recently updated Full and Individualized Evaluation (FIE), ARD/504 documents, IEPs, schedule of services (aligned with HCDE school course offerings and course minutes), transition plan, return criteria, and the health/safety plan must be received by the HCDE school before starting the enrollment process. Also, home districts will be required to provide the following additional data:

- TX Unique Student ID
- Demographic Information
- At-Risk Information
- Special Populations Data
- Scores for State Testing, TELPAS, and SAT/ACT when appropriate
- Grad Plan/Current Transcript

Upon verification of all necessary documents, a **5-day window** is necessary to prepare for the student's arrival. The student's start date is contingent upon 1) receipt of all necessary documents, 2) parent/ student attendance at the campus orientation, and 3) completion of the electronic enrollment process in PowerSchool.

4

ORIENTATION

Both the parent and student must participate in the school's new student orientation. The earliest available orientation date will be provided during the student staffing and/ or placement meeting. Orientations are held weekly.

Highpoint East and Fortis Academy

At Highpoint East and Fortis Academy, the pre-enrollment process begins with the partner district sending over a placement/referral letter. If the student is eligible for special education or 504 services, the home district must contact the HCDE campus' SPED/504 Administrator and case manager to schedule the placement ARD or 504 meeting.

Home districts will be required to submit the following data:

- TX Unique Student ID
- Demographic Information
- At-Risk Information
- Special Populations Data
- Scores for State Testing, TELPAS, and SAT/ACT when appropriate
- Grad Plan/Current Transcript

Parents are required to call the campus to schedule their orientation and receive the link to PowerSchool Enrollment Express. Both the parent and student are required to attend orientation.

3965

Enrollment

HCDE utilizes the **PowerSchool Enrollment Express** platform for student enrollment. Parents must complete a parent portal request and the online student enrollment process. Campus staff is available to assist parents through this process, if needed.

Electronic Reporting

Once the parent(s) is a registered user of the PowerSchool Parent Portal, they will receive electronic documentation including:

- Academic Progress reports (3 wks.)
- Report Cards (6 wks.)
- IEP progress monitoring (6 wks.)
- Behavior Progress Monitoring (daily - ABS Campuses)
- Incident Reports (same day)
- Restraint Report (same day)
- Discipline Report (same day)
- Other reports when requested

Designated representatives of each home district will receive weekly attendance reports and other electronic reports. Incident and restraint reports are provided to the district within 24 hours of the incident.

Beyond the typical weekly reports, we require a two-day window to respond to all other requests.

Individualized Education Program Development

The HCDE Schools use the SuccessEd program (compliance platform) to assist teachers with tracking compliance and services provided to students in special education and Section 504. The staff uses actionable data that enables continuous review of the effectiveness of implemented goals, strategies, accommodations, and methodologies, thereby creating opportunities for every student to be successful.

When preparing for ARD meetings, student case managers will provide updated and requested PDF documents including IEP goals, behavior goals, PLAAFPs, progress monitoring, etc. Individual school districts are responsible for uploading the PDF documents in their chosen compliance platform.

Please note, the HCDE staff is not able to log in and manipulate data in the various compliance platforms utilized by each school district.

Curriculum & Instruction

Written Curriculum

At HCDE, every student learns from the same curriculum as all public school districts in Texas. The standards and knowledge that every student should learn is called the "Texas Essential Knowledge and Skills," or TEKS.

The Individuals with Disabilities Education Act requires schools to provide students with disabilities "access to the general curriculum." Students with disabilities must receive instruction based on the same curriculum used with ALL students, the TEKS.

At HCDE, teachers are supported with ongoing professional development for effective curriculum implementation, focusing on the core curriculum in diverse classrooms. Additional professional development focuses on applying curriculum standards in alignment with IEP implementation.

The TEKS Resource System (TRS) is utilized as a curriculum model that aligns the written, taught, and tested curriculum. A collaboration of educators and Education Service Center personnel developed the TRS.

Taught Curriculum

In each HCDE school, teachers create and implement instruction based on the Texas Essential Knowledge and Skills (TEKS) and/ or alternate academic achievement standards/prerequisite skills. Weekly, grade bands of teachers attend Professional Learning Communities (PLCs) to discuss and understand the TEKS and best instructional practices to meet the needs of their specific group of students. The TEKS Lesson plans are stored and monitored using the PowerSchool Curriculum and Instruction program.

In addition, HCDE schools use various programs to support student needs. Some of those programs include:

- TCMPC - TEKS Resources (ESC6)
- McGraw Hill Textbooks
- N2Y Unique Learning
- N2Y Inspire
- iReady
- IXL
- Imagine Learning- Edgenuity

Tested Curriculum

At HCDE, schools ensure that teacher-made tests and district assessments are aligned with what is written and taught. The campus team engages in PLC to analyze data to make instructional adjustments focused on individual student needs.

The team at HCDE supports the home district by administering the following state assessments in the required grades:

- TELPAS and TELPAS ALT
- 3-8th Grade Reading and Math STAAR and STAAR ALT II
- 8th Grade Social Studies STAAR and STAAR ALT
- 8th Grade Science STAAR and STAAR ALT II
- High School EOC - ELAR 1, ELAR 2, Algebra I, Biology, US History

Curriculum Alignment

Curriculum alignment is important because it ensures that the written, taught, and tested curriculum are aligned. This alignment helps to support students in reaching academic success and the requirements of the Graduation Plan.

Positive Behavior Intervention and Support System

Each school has implemented a unique Positive Behavior Intervention and Support System. Their schoolwide systems approach aims to establish a positive and safe student culture and individualized behavior support necessary to create an effective learning environment for all students. The Academic and Behavior Schools incorporate the Boystown Program with a schoolwide economy system.

The instructional staff on these campuses are trained in the components of the Functional Behavior Analysis and implementation of the Behavior Intervention Plans. Student behavior is progress monitored using the Insights to Behavior and/or N2Y Positivity software. 100% of the Special School's staff is trained in the Crisis Prevention Institute's Nonviolent Crisis Intervention® Protocol, including prohibiting aversive techniques. This model equips all staff with the skills to prevent and de-escalate medium to high-risk behavior using both restrictive and non-restrictive methods.

Our Process + Our Partner District = Positive Student Outcomes

IEP Implementation

ANNUAL & ONGOING

1 Student Profile - Student Program

Partner districts provide the HCDE Staff an opportunity to learn as much as possible about the student by thoroughly reviewing the FIE, PLAAFP, IEP, Functional Behavior Analysis, BIP, discipline data, medical/health plan, family dynamics, assessments, course transcripts/graduation plans, transition plan, student interests, etc. In our partnership with school districts, the pre-enrollment process must be followed so that the HCDE staff can get to know the student's profile and assist the district in making an informed decision on whether the student's needs can be best served at one of our campuses. If HCDE enrollment is the pathway, HCDE will clearly define the services that it can provide. In partnership with the ARD committee, **HCDE** will create an individualized educational program (IEP) that best meets the needs of the student. In the IEP program, the role and responsibilities of both partners (HCDE and the partner district) must be explicit. After the final ARD meeting, a minimum **five** school days is required so that the parent/guardian can complete the enrollment process, attend orientation, and the school can prepare for the student's arrival.

2 Alignment of Services

Partner District Lead
HCDE Lead: Transition Specialist/SPED Department Lead
HCDE Supervisor: Assistant Principal
Team: SPED Teacher (Case Mgr) & Behavior Specialist, ARD-C

For enrollment in an HCDE school, the following items must be included during the creation and update of the IEP:

1. Annual HCDE Special Schools Calendar (see pg.);
2. Daily operational minutes and instructional minutes (see pg. --) to be utilized on the Schedule of Services;
3. Available Courses;
4. Services provided by HCDE;
5. Services provided by the student's home (partner) district. When will the district provide the services? Who will provide the services? (Note: Virtual service delivery is not an option due to limited staff available for monitoring.)
6. Instructional Setting: ABS Campuses (60), Highpoint/Fortis (92, 93, 94, 95)

3 Create an Aligned PLAAFP

Partner District Lead
HCDE Lead: SPED Teacher/Case Mgr.
HCDE Supervisor: Assistant Principal
Team: SPED Teacher, Behavior Specialist, ARD-C

Annually, the staff of the ABS Campuses collaborates with the home district to update the PLAAFP that is aligned with the student's present levels of strength and critical needs. It MUST include detailed information that provides a good overall picture of the student. Information MUST come from multiple data sources and baselines (FIE, STAAR, FBA, assessments, classroom data, accommodations/modifications, observations, info from family, additional supports, etc.)

1. Identify and describe the **Disability** (FIE).
2. **Impact Statement**: How does the disability affect access to, participation in, and progress in the general ed. curriculum?
3. **Progress** on previous year's IEP goals in measurable terms/ Explanation of any lack of progress.
4. **Accommodations/Modifications**: Specific statements of conditions needed to access/make progress in curriculum; quantifiable data to support need.
5. **Information from Family**: student health, behavior, changes in the home, outside services, community activities, and interests.
6. **Additional Supports:** related services, speech therapy, assistive technology; quantifiable data to support need.

1. Identify student's **strengths** and **critical areas of need** in enrolled grade-level curriculum and in functional areas (communication, social skills, self-help skills, etc.)
2. When age appropriate, address **transition and post-secondary needs**: vocational, employment, independent living, adult services, and/or community participation.

4 Write Aligned IEP Goals

Annually, the staff of the ABS Campuses collaborates with the home district to write student goals. Goals are written for academic/functional **critical needs** identified in the FIE and PLAAFP, for each content area/subject in which content is modified, and/or the student is removed from the general education setting. **Academic Goals** are based on grade-level standards for the grade in which the student is enrolled. For students ages 14 and over, goals are written for areas of critical need in the **transition** PLAAFP. If the student is working on alternative or prerequisite standards, HCDE encourages at least **two short-term objectives for each academic goal**, 1st semester and 2nd semester. The **TEKS vertical alignment tool** is highly recommended to assist with writing appropriate standards-based goals. **Behavior goals** are aligned to the FBA and target the critical behaviors that impede the learning process. Each goal includes a *timeframe, condition, behavior, and criterion.*

5 Monitor Progress

Progress on a goal should be reported in the same clear, observable, measurable terms as that goal criterion. Progress on short-term objectives/benchmarks should be reported in the same clear, observable, measurable terms as that short-term objective/benchmark criterion. Any instructional changes that may have occurred during the timeframe due to insufficient progress towards a goal or short-term objective/benchmark should be clearly indicated. At HCDE, progress monitoring of academic and functional goals are expected to take place at least twice a week. Behavior goals are progress monitored daily. IEP Progress Reports are provided to parents and district partners each grading period.

Assurances and Services

HCDE Special Schools and Districts Partnering to Provide Student Services

Partner Visits

Our students thrive when there is ongoing, open, two-way communication between our campuses and their home districts. As we continue to strengthen our partnership, we strongly encourage each home district to conduct a once-a-month student check-in visit. Let us know when you will stop by.

Confidentiality of Student Information

Annually, all HCDE staff receive mandatory training on the importance of student confidentiality, specifically on the FERPA and IDEA laws. All staff is required to protect the confidentiality of student records, which include personally identifiable information like a student's name, address, grades, discipline, IEPs, etc. Each campus principal is responsible for ensuring the confidentiality of any personally identifiable information of students.

Highly Qualified Personnel

HCDE employs a team of individuals who hold the necessary certifications or licenses to serve in their respective roles and to carry out their responsibilities in an ethical manner. Each employee has gone through a criminal background check that is consistent with public school employees, including fingerprinting.

Annual Training

All HCDE Special Schools staff is required to complete a plethora of mandatory training including, but not limited to the following: 1) Educator Ethics, 2) CPI, 3) Emergency Behavior Interventions, 4) Prohibited Aversive Techniques, 5) IEP Implementation, 6) FERPA, 7) CPR, and 8) Stop the Bleed. Other intentional trainings are required for specific staff members. Staff is held accountable for the proper application of each of these trainings.

Graduation Plans/Endorsements

In our partner districts, students generally select an endorsement, program, or pathway for the Foundation+ Endorsement and Distinguished Level of Achievement graduation options. Developing the graduation plan is the responsibility of the student's home district. The home district is also responsible for monitoring earned credits and progress toward meeting the requirements of the graduation plan. **HCDE schools need a copy of the graduation plan before enrollment.**

At HCDE, we offer the Face-to-Face core courses needed for the Foundation-only option. The HCDE staff works collaboratively with the districts to offer expanded course options that may align with district offerings and support student-selected endorsements through various means like the Imagine Learning Edgenuity program and TEA Approved Innovative courses.

Earned Course Credit

HCDE reports earned credits to partner school districts at the end of the first and second semesters via the student report cards. This information is also shared during the ARD and/or transition (back to home district) meeting. Earned credits are also electronically stored in the PowerSchool Student Information System and shared with partner districts upon request. Edgenuity course completion certificates are sent to the district once the student completes the online course. The district awards credit. Edgenuity course scores will no longer appear on report cards.

Other Related Services

At the Academic and Behavioral campuses, we support students' behavioral needs, by providing counseling services through a LSSP and/or campus counselor. In addition, HCDE provides many other opportunities to support our student's mental well-being.

At all four campuses, HCDE allows partner districts to send their staff to provide instruction in specialized courses. When courses or services require specialized certifications or additional staff for monitoring, we accommodate partnering districts by providing space for district staff to provide these services in a private environment. As a participant in the ARD process, an HCDE staff member provides input on the services that HCDE can and cannot provide to enrolled students.

Some of the common related services that **home districts** are responsible for providing when included in the student's IEP:

- Assistive Technology
- Dyslexia Services
- Speech Therapy
- Occupational Therapy
- HB 4545 & HB 1416 Intervention (see pg. 7b for additional A-la-carte services)
- Transportation (Please ensure transportation to and from school is set up and ready once the student's enrollment is complete and that transportation is aligned with the HCDE bell schedule.)

Currently, virtual instruction for dyslexia and speech cannot be supported.

Return/Reintegration Services

At all campuses, the transition specialist collects various forms of academic and behavioral data including teacher and counselor feedback to share with home campus personnel. When the student meets the criteria to return to their home campus, the transition specialist or recovery coach follows up with 1-2 campus visits to support the student's reintegration.

At the Academic Behavior Schools, the following items must be included in the reintegration plan created by the home district for students with a disability: 1) what observable behaviors including developmentally appropriate criteria must be gained (zero instances is never appropriate), 2) what is the anticipated timeframe that the student will reintegrate, 3) what are the home district needs (staff/equipment/facility) to ensure an adequate program when the student returns, and 4) what are the student and family needs to ensure implementation of the IEP when the student returns. Guidance can be found in **19 Texas Academic Code (TAC) §89.1094**.

Data Required

Beginning in the 2025-26 school year, HCDE will require the following data from the home district during the BOY enrollment process:

- TX Unique Student ID
- Demographic Information
- At-Risk Information
- Special Populations Data
- Scores for State Testing, TELPAS, and SAT/ACT when appropriate

HCDE SERVICES

As a premier provider of specialized educational services in the region, we are constantly evolving to meet the needs of our clients. We have provided an a-la-carte option below and our fee schedule has been emailed to partner districts. 100% of the annual total amount due will be invoiced in September 2025.

ADDITIONAL SERVICES *À la carte*

Unfortunately, based on required certifications, annual schedules, campus capacity, and other staffing responsibilities, we are limited in providing some required student services. In our partnership with over 50 local ISDs, we utilize feedback data to create and improve programs to meet the academic and behavioral needs of our students. The additional optional services listed below were created based on ISD requests and feedback.

Accelerated Instruction is a requirement in Texas for all students who do not achieve approaches or higher on STAAR grades 3 through 8 or EOC assessments. Texas law requires that qualifying students must be provided with accelerated instruction. These requirements have been modified by HB 4545 and recently updated with the passage of HB 1416. Although HCDE Schools are not able to provide these services during the school year, the AI Summer Camp is an option for school districts who have students enrolled at the ABS Campuses.

State Assessment

The HCDE District Testing Coordinator attends all Texas Education Agency and Region IV required testing coordinator trainings, then trains all Campus Testing Coordinators (CTC). Each CTC trains its campus staff. The HCDE staff administers the STAAR, STAAR Alternate 2, TELPAS, and TELPAS Alternate assessments in a secure setting.

It is the responsibility of the home district to confirm which state test and relative accommodations each student is required to access. This information must be communicated to the HCDE campus during the placement meeting. The HCDE Schools' staff are the test administrators, only. The home district is responsible for inputting all data into the Texas Testing Information and Distribution Engine (TIDE) and Secure File Center.

Students are offered a host of support while enrolled in the online program to ensure that learning gains are made. Edgenuity course scores will NOT be reported on the report card beginning in the 2025-2026 school year. Instead, home districts will receive an Edgenuity report that will include the course grade with course completion certificate. The home district/home school will be responsible for reconciling the student's transcript.

N2Y Unique Learning System

The N2Y Unique Learning System is utilized at the ABS campuses for eligible students with the most significant disabilities who are 1) receiving special education services and 2) who are assessed on alternate academic achievement standards. FORTIS ACADEMY

Changing Mindsets

Fortis Academy was opened in 2018 to serve students who are recovering from substance use disorders. In a substance recovery program, three distinct components exist: coaching, counseling and academics. Recovery coaches are staff members who teens can relate to and who have experiences with adolescents. They are considered to be team mentors, cheerleaders, and advocates in recovery. Licensed counselors are available onsite to provide additional support. The school's academic team helps students achieve the ultimate goal of receiving a diploma in a safe and sober environment. All students enrolled in the school are recovering from substance-use disorders. Fortis' philosophy is to change mindsets surrounding recovery from punitive to support and assistance. Each student who attends Fortis has the opportunity to participate in recovery meetings, individual and/or group counseling, personalized recovery, coaching, and animal assisted therapy with Blayke-the-therapy dog.

If you are in the Harris or a surrounding county, schedule a visit with the campus principal to determine if the school could serve the needs of your students.

What is Transition Planning?

Schools help all students prepare for their future. When students have a disability and receive special education services, there is a process called transition planning included in the Individualized Education Program (IEP) by the time a student is age 14. This process helps the student decide on what they are most interested in for their adult life and figure out the steps to take to meet employment and living goals. Transition planning supports a team effort between the student, the school and important people in the student's life, such as family and teachers. This process is guided by the strengths, needs and interests of the student. For students attending HCDE campuses, this process is facilitated and monitored by the student's home district while many of the special education services are implemented and progress monitored by the personnel of the ABS East or ABS West schools.

Harris County Department of Education

The Harris County Department of Education (HCDE) is dedicated to providing high-quality, cost-effective educational services to school districts, educators, government and non-profit organizations in Harris County.

Through schools for students with profound special needs, Head Start early childhood education, school-based therapy services and afterschool programs, HCDE supports all area school districts in meeting the needs of uniquely challenged learners while saving them millions of dollars each year through shared services. The Department is an innovative leader of literacy and workforce development programming for adult learners across the county. HCDE also provides various other educational support services including professional development for educators, school safety programs, educator certification, records management, and a national purchasing cooperative.

HCDE impacts an average of 150,000 students and educators each year. Using fees for service, grants, and the purchasing cooperative, HCDE turns one dollar of property taxes into five dollars of services.

HCDE is separate and distinct from other agencies of Harris County. The Department's primary service area covers 1,788 square miles but also provides support to school districts, education service centers and other governmental agencies across Texas and the nation.

HCDE's Board of Trustees retains the right to terminate the Agreement at the expiration of each budget period of HCDE. To the extent that HCDE will use federal grant funds to fulfill its obligations under this Agreement, Contractor acknowledges that federal funds will be used to pay for all or a portion of funds due under this Agreement and that this Agreement is only effective upon receipt of the Notice of Grant Award ("NOGA") by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the services provided in this Agreement, HCDE may terminate this Agreement without penalty or further obligation to Contractor, at any time upon written notice to Contractor. Services rendered in accordance with this Agreement shall be funded by Head Start. Payment for services rendered shall be allocated as follows: 100% funded by Head Start

16. Non-Exclusivity. Nothing in this Agreement may be construed to imply that Contractor has the exclusive right to provide HCDE Services. During the Term of this Agreement, HCDE reserves the right to use all available resources to procure other services as needed and doing so will not violate any rights of Contractor. In addition, nothing in this Agreement may be construed to require that HCDE purchase any specific amount, quantity, or quota of Services from Contractor.

17. Performance. Contractor agrees that Contractor's Services will be performed with reasonable care, skill, judgment, and experience in a professional business-like manner, with no direct supervision from HCDE. If Contractor is unable to complete the work in this manner based on the mutually agreed upon time, Contractor shall notify HCDE's Director of Head Start in writing.

Contractor shall require each subcontractor to maintain and to furnish Contractor with satisfactory evidence of Workers Compensation, Employer's Liability and such other forms and amounts of insurance which Contractor deems reasonably adequate. Such insurance is to be provided at the sole cost of Contractor. These requirements do not establish limits of Contractor's liability. Contractor shall cause the insurance policies to: provide that any losses will be payable notwithstanding any act or negligence of HCDE or any other person; provide that the insurer will have no right of subrogation against HCDE; and be reasonably satisfactory to HCDE in all other respects. Certificates of Insurance, name and address of Contractor, the limits

of liability, the effective dates of each policy, and policy number shall be delivered to HCDE prior to commencement of any work under this Agreement. Ch. 22 Criminal History Records Contractor Certification: Contractor/Subcontractor Employees

Background: Texas Education Code Chapter 22 requires that criminal history records be obtained regarding covered employees of entities that contract with a school district to provide services to the school district ("Contractors") and entities that contract with school district contractors ("Subcontractors"). Covered employees with disqualifying criminal histories are prohibited from serving at a school district. Contractors/Subcontractors shall (1) complete this form certifying compliance with the requirements of Texas Education Code Chapter 22 to HCDE; and (2) require that each of their subcontractors complies with the requirements of Texas Education Code Chapter 22.

Criminal history records will be obtained by either the Contractor/Subcontractor or HCDE, as follows:

(1) Contractor/Subcontractor: The only Contractors/Subcontractors who will be granted access to obtain criminal history record information are those "qualified school contractors" that (1) contract or subcontract to provide services to HCDE; and (2) are determined eligible by the Texas Department of Public Safety (DPS) to obtain criminal history record information under the National Child Protection Act of 1993 (34 U.S.C. § 40101 *et seq.*) (NCPA), specifically, those contractors/subcontractors who provide "care or care placement services" and are based in Texas, for an employee, applicant for employment, or volunteer of the "qualified school contractor." All "qualified school contractors" are required to obtain their covered employees' criminal histories, certify compliance to HCDE, and obtain similar certifications from their subcontractors. Before or immediately after employing or securing the services of a person who is a "covered employee" (as defined below) the Contractor/Subcontractor shall send or ensure that the employee sends to DPS all information that is required by DPS for obtaining the person's national criminal history record information, which may include (but is not limited to) a complete set of the person's fingerprints and a recent electronic digital image photograph of the person, as required by DPS. DPS shall obtain the person's national criminal history record information and report the results through the criminal history clearinghouse as provided by Texas Government Code 411.0845. For more information or to set up an account, Contractor/Subcontractor should contact the Texas Department of Public Safety's Crime Records Service at 512.424.2474. Contractor/Subcontractor shall obtain all criminal history record information that relates to all covered employees through the criminal history clearinghouse as provided by Texas Government Code 411.0845. In addition, Contractor/Subcontractor shall require that each of its subcontracting entities obtains all criminal history record information that relates to its covered employees, if the subcontracting entity is also a "qualified school contractor." Contractor/Subcontractor shall: (1) provide HCDE with a fitness determination (as set forth below) as to each covered employee, based on all criminal history record information obtained; and (2) certify to HCDE that Contractor/Subcontractor has received all criminal history record information relating to a person who is employed by or under a current offer of employment by Contractor/Subcontractor.

(2) HCDE: All Contractors/Subcontractors who are not "qualified school contractors" (in other words, all Contractors/Subcontractors who do not provide "care or care placement services" or are not based in Texas) are required to follow the instructions listed below, so that HCDE may obtain their covered employees' criminal history record information, as applicable. Contractor/Subcontractor shall also require that any of its subcontracting entities that are not "qualified school contractors" follow the instructions listed below, so that HCDE may obtain their covered employees' criminal history record information. **Contractor/Subcontractor is responsible for the payment of all fingerprinting costs. Should HCDE pay any costs of fingerprinting Contractor/Subcontractor employees, Contractor agrees to reimburse HCDE for such costs; in the event Contractor fails to reimburse HCDE for the costs of**

fingerprinting Contractor/Subcontractor employees, Contractor agrees that HCDE may deduct such costs from any payment due and owing by HCDE to Contractor.

Definitions:

- Covered employees: Employees of a Contractor/Subcontractor who have or will have continuing duties related to the service to be performed at a school district and have or will have direct contact with students. HCDE will be the final arbiter of what constitutes *continuing duties* and *direct contact* with students.

- Continuing duties related to contracted services: Work duties that are performed pursuant to a contract to provide services to a school entity on a regular, repeated basis rather than infrequently or one-time only. *See* 19 Tex. Admin. Code §153.1101(2).

- Direct contact with students: The contact that results from activities that provide substantial opportunity for verbal or physical interaction with students that is not supervised by a certified educator or other professional district employee. Contact with students that results from services that do not provide substantial opportunity for unsupervised interaction with a student or students, such as addressing an assembly, officiating a sports contest, or judging an extracurricular event, is not, by itself, direct contact with students. However, direct contact with students does result from any activity that provides substantial opportunity for unsupervised contact with students, which might include, without limitation, the provision of coaching, tutoring, or other services to students. *See* 19 Tex. Admin. Code § 153.1101(7).

- Public Works Contractor: An entity that contracts directly or subcontracts with an entity that contracts with a school district to provide construction services to the school district.

- Exception for Certain Public Works Contractors' Employees and Applicants: The criminal history record information requirements outlined above do not apply to an employee or applicant for employment of a public works contractor (as defined above) if: (1) the public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code Section 46.001; (2) the employee's duties will be completed not later than the seventh (7th) day before a new instructional facility will be used for instruction; or (3) for an existing instructional facility, the work area contains sanitary facilities and is separated from all areas used by students by a secure barrier fence at least six (6) feet high, and the Contractor adopts, informs employees of, and enforces a policy prohibiting employees and any subcontractor's employees from interacting with students or entering areas used by students.

Disqualifying criminal history:

- (1) a conviction or other criminal history information designated by HCDE; or (2) a felony or misdemeanor offense that would prevent a person from being employed under Texas Education Code § 22.085(a), that is: (a) conviction of a felony offense under Title 5, Texas Penal Code if at the time of the offense, the victim was under 18; (b) conviction of or placement on deferred adjudication community supervision for an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) conviction of an offense under federal law or the laws of another state that is equivalent to (a) or (b).

Types of Criminal History Record Information:

- National criminal history record information from the Texas Department of Public Safety criminal history clearinghouse. HCDE and/or Contractor/Subcontractor may obtain from any law enforcement or criminal justice agency all criminal history record information that relates to a covered employee.

On behalf of Childcare Careers LLC ("Contractor/Subcontractor"), I, the undersigned authorized signatory for Contractor/Subcontractor, certify to Harris County Department of Education ("HCDE") (and, in the case of a Subcontractor, certify to Contractor and HCDE) that:

Upon contract award and/or initiation of PO/contract from HCDE, the winning proposer/Contractor shall complete HCDE's "Contractor Criminal History Background Check Certification" form, providing the following information regarding each covered employee as required by DPS in order to provide criminal history record information, so that HCDE may obtain the covered employees' criminal history record information: (a) Full name (first, middle, and last); (b) Date of birth; (c) Sex; (d) Social Security number; (e) number assigned to any form of unexpired identification card issued by Texas or another state, the District of Columbia, or a U.S. territory that includes the person's photograph; (f) if the employee has ever been fingerprinted by a public school district in Texas (and if so, the name of the school district); and (g) the person's written consent to the release of his or her criminal history record information. Contractor/Subcontractor shall be solely responsible to send or ensure that each covered employee sends to DPS all information that may be required by DPS for obtaining national criminal history record information, which may include, but is not limited to, a complete set of the person's fingerprints and a recent electronic digital image photograph of the person.

If, during the term of the contract with HCDE, Contractor/Subcontractor employs additional covered employees or assigns new covered employees to perform services at HCDE, Contractor shall immediately notify HCDE and provide HCDE with all of the information listed in the preceding paragraph as to each additional covered employee, so that HCDE may obtain the additional covered employees' criminal history record information. If, during the term of the contract with HCDE, Contractor/Subcontractor ceases to employ a covered employee in connection with an HCDE contract, whose information was previously provided to HCDE, Contractor/Subcontractor shall immediately notify HCDE of the same and provide HCDE with each former covered employee's (a) Full name (first, middle, and last); (b) Date of birth; (c) Sex; (d) Social Security number; and (e) number assigned to any form of unexpired identification card issued by Texas or another state, the District of Columbia, or a U.S. territory that includes the person's photograph, so that HCDE may unsubscribe from that individual's criminal history record.

If HCDE, in its sole discretion, objects to the assignment of a covered employee for any reason, including, but not limited to, on the basis of the covered employee's criminal history record information and/or insufficient qualifications, lack of experience, and the like, based on information gathered by HCDE through the procurement and/or contracting processes, Contractor/Subcontractor agrees to discontinue using that covered employee to provide services at HCDE.

1. A four (4) hour minimum service commitment each day is required for each employee requested from CCC. Customer will pay for services under four (4) hours at the four (4) hour minimum fee.

4. Customer will promptly pay all invoices for services rendered according to the then current CCC fee schedule as billed on a weekly basis. Overtime will be billed and paid at time and a half. If an invoice is not paid within 45 days of the invoice date then Customer will pay a late payment fee of 5% of the invoice amount plus a finance charge equal to the lesser of 1.5% per month or the maximum legal rate.

Should Customer hire, or in any way utilize the services of (except through CCC), a current or former CCC employee introduced to Customer by CCC (a "Candidate") within one (1) year of the Candidate's last assignment at any Customer location, then Customer will pay CCC a placement fee according to CCC's then current fee schedule, unless Customer elects the temp-to-perm conversion option. Customer will notify CCC in writing and pay the placement fee prior to hiring a Candidate or utilizing a Candidate's services in any way except through CCC. Customer agrees that the placement fee shall be doubled if Customer fails to provide written notice prior to hiring. PERMANENT PLACEMENT OPTIONS

ChildCare Careers (CCC) has spent considerable effort and expense in the recruitment, screening, and placement of its employees and we incur a material economic loss when they are no longer available to us for temporary assignments. Per our Service Agreement, Customers are required to notify CCC of their desire to hire a CCC employee prior to discussing the matter with the employee.

CCC offers two options for permanent placements.

1. Immediate Placement

a) If you are a new customer and would like to screen resumes and conduct interviews, this option is ideal for you. You can place your Permanent Placement Order with your Placement Coordinator. A CCC recruiter will contact you regarding your requirements.
You will receive resumes for qualified candidates, interview the candidates at your convenience, and inform the recruiter once you decide to hire a candidate. The employee can be placed on your payroll immediately upon payment of the placement fee according to CCC's then current fee schedule. This fee is non-refundable regardless of how long the employee remains employed by the Customer.

b) If you are an existing customer and would like to hire a substitute that you have already tried at your center, inform your Placement Coordinator so that a Permanent Order can be processed. The employee can switch to your payroll immediately upon receipt of payment the placement fee according to CCC's then current fee schedule. This fee is non-refundable regardless of how long the employee remains employed by the Customer.

2. Temp-To-Perm Conversion

Place your order with your Placement Coordinator stating your requirements and requested schedule. Your Placement Coordinator will match and place a qualified employee according to your requirements and provided schedule. All substitutes come with their paperwork so you can review their credentials when they arrive at your center. Observe the prequalified employee on the job for 12 weeks. At the end of the 12 weeks, the placement fee is waived and the employee is switched to your payroll.

Temp-to-Perm Terms: The employee remains on CCC's payroll for a contiguous period of 12 weeks while working for at least 20 hours per week at the Customer's facility. The Customer pays for the employee at the then current CCC temporary hourly rate for the 12-week period. The employee then switches to the Customer's payroll and CCC waives the placement fee. The 12 week period does not commence until after the Customer notifies us in writing of their desire to begin a Temp-To-Perm conversion. The start date may not be backdated. In the event the employee takes any days off during the 12 week period (e.g. sick days, vacation, etc.) the ending date is adjusted accordingly. During the 12 week period the Customer may switch out an unsatisfactory employee for a different employee (if available) without restarting the 12 week period.

Please do not hesitate to contact your Placement Coordinator at (877) 222-6070 if you have any questions.

B. The Parties agree that the recitation of any requirement of the Prime Contract in this Addendum shall in no way affect those requirements of the Prime Contract not recited herein or constitute a waiver thereof by either Party.

C. Pursuant to the Prime Contract, the Prime Contract is subject to certain terms, conditions, and requirements, which are incorporated by reference herein for all purposes, including, but not limited to, the HHS Grants Policy Statement ("HHS GPS"). Unless an exception is specified, such terms, conditions, and requirements apply to Contractor and to a Subcontractor to the same extent that they apply to HCDE under the Prime Contract. Any reference herein to the obligations or requirements of the Prime Contract includes any and all such terms, conditions, and requirements.

D. In the event that Contractor enters into a Subcontract, Contractor must include in any such Subcontract all applicable terms, conditions, and requirements of the Prime Contract. Contractor must also include any additional requirements imposed by this Addendum. If required by the Prime Contract or by this Addendum, Contractor shall recite specific terms, conditions, and requirements in any Subcontract including, but not limited to, the terms of this Article 1.

5. "Subcontractor" means a person or entity that has a direct contract with Contractor to perform a portion of the Work. The term "Subcontractor" is referred to throughout the Addendum as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include a person or entity that has a direct contract with HCDE.

6. "Subcontract" means a direct contract between Contractor and a Subcontractor to perform a portion of the Work and does not include any contract to which HCDE is a party.

This right also includes timely and reasonable access to Contractor's personnel for the purpose of interview and discussion related to such documents. Contractor agrees to promptly and completely inform and disclose to HCDE all such Data, Research Data, writings, software, designs, materials, discoveries, inventions, or any other type of intellectual property that Contractor may have acquired during the Term of this Addendum that pertain or relate to the business of HCDE or to any work carried on by HCDE, whether conceived by Contractor or not. All such Data, Research Data, writings, software, designs, materials, discoveries, inventions, or any other type of intellectual property shall be the exclusive property of HCDE. Without waiving its rights to possess exclusive legal ownership to any and all intangible property acquired under this Addendum and expressly subject thereto, as to any intangible property for which HCDE does not become the exclusive legal owner, Contractor hereby grants a royalty-free, nonexclusive and irrevocable right to HCDE to reproduce, publish, prepare derivative works or otherwise use the work for HCDE's purposes, and to authorize others to do so.

B. Data Rights: In all cases, whether HHS funded all or part of the project or program resulting in the Data, the Government shall be given a royalty-free, nonexclusive, and irrevocable license for the Government to reproduce, publish, or otherwise use the Data and to authorize others to do so for Government purposes. Data developed by Contractor or a Subcontractor is also subject to this requirement.

C. Access to Research Data: As required by 45 CFR 74.36, Contractor and a Subcontractor must release Research Data first produced in a project supported in whole or in part with Federal funds that are cited publicly and officially by a Federal agency in support of an action that has the force and effect of law.

HHS, through authorized representatives, has the right, at all reasonable times, to make site visits to review project accomplishments and management control systems and to provide such technical assistance as may be required. If any site visit is made by HHS on the premises of Contractor or a Subcontractor under this Addendum, Contractor shall provide and shall require its Subcontractors to provide all reasonable facilities and assistance for the safety and convenience of the Government representatives in the performance of their duties. All site visits and evaluations shall be performed in such a manner that will not unduly delay the Work.

5. Trafficking in Persons.

A. As used in this Article, "Employee" means either: (1) an individual employed by Contractor or by a Subcontractor under this Addendum who is engaged in the performance of the Work under this Addendum; or (2) another person engaged in the performance of the Work under this Addendum and not compensated by Contractor or by a Subcontractor under this Addendum including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.

8. Changes & Amendments.

Contractor shall, at the request of HCDE, accept changes and amendments to this Addendum to incorporate additional provisions herein or to change provisions hereof, as HCDE may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract. 9. Debarment and Suspension.

Organizations or individuals that are suspended, debarred, declared ineligible, or voluntarily excluded from eligibility for covered transactions by any Federal department or agency cannot, during the period of suspension, debarment, or exclusion, receive HHS grants or be paid from HHS grant funds. This includes, but is not limited to, a requirement that, before entering into a covered transaction, Contractor or a Subcontractor must verify that the entity is not suspended, debarred, or otherwise excluded. This verification may be accomplished by checking the Excluded Parties Listing System. The Excluded Parties List System contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

This Article applies to the extent this Addendum or any Subcontract is expected to or exceeds $100,000: Contractor and any Subcontractor are prohibited by 31 U.S.C. 1352, "Limitation on use of appropriated funds to influence certain Federal contracting and financing transactions," from using appropriated funds to pay any person for influencing or attempting to influence any officer or employee of an agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress with respect to the award, extension, continuation, renewal, amendment, or modification of the Prime Contract, this Addendum, any Subcontract, or any other Federal award. Contractor and a Subcontractor are required to certify that they have not made, and will not make, such a prohibited payment; will be responsible for reporting the use of non-appropriated funds for such purposes; and will include these requirements in any

MESSAGE TO OUR BOARD

Message to our Board

PURPOSE

One of our goals is to deliver value to Harris County by utilizing resources in an ethical, transparent, and fiscally responsible manner. The purpose of this report is to communicate the results of our comprehensive annual risk assessment process.

ORGANIZATIONAL TONE

It is my expectation that every staff member is responsible to ensure internal controls are established, followed and monitored in an ethical, honest, and fair manner.

RISK ASSESSMENT PROCESS

Our risk assessment process allows the HCDE divisions to actively assess our business risk to determine whether we are meeting the HCDE mission and objectives in an effective and efficient manner. It is an essential tool that our division managers must have system knowledge and utilize this process in their day-to-day activities. Our leadership team has the expertise to lead staff that understand and are aware of this process. The result is dependent on our strong internal controls framework.

MID-YEAR AND END OF YEAR ("EOY") REVIEWS

Our process is an on-going process which begins during the prior years' budget process, and it is operationalized through systems during the year through procedures, planning, monitoring, communicating and measurement.

RESULTS

In conclusion, our divisions have assessed programmatic risks and taken steps to mitigate any areas susceptible to higher risk. The results are that 88% of our divisions are between risk level of 1 and 2 which is a testament of our strong internal controls. The remaining divisions that have a risk level of 3 to 4 or 9% have addressed their risk factors by providing training and looking ahead to potential threats and determine the probability of impact to our financial position. These risk factors have been addressed through targeted training and internal controls that mitigate these risks.

LOOKING AHEAD

Our work in risk assessment is not a one-time event, but rather, it is a systematic process that I charge each staff member to nurture our systems so that we, as a team, can reach our goals by design.

/s/James Colbert Jr.
Superintendent

Executive Summary

The risk assessment process is a tool used by HCDE to assess its program risk and business risk. It is comprised of two reviews. The first review is during the year, and it coincides with the annual budget process. Division managers are asked to conduct this risk assessment during the need assessment process in the months of February and March. The forms are turned in to the Business Office in late March. These forms, along with the budget requests, are reviewed during internal budget meetings. The next step of this process occurs at the end of the year process to make sure that attributes and situations have not changed as compared to the mid-year review. Another review was conducted, and various risk indicators were adjusted due to the nature of the enterprise or the program. For FY 24-25, the End of Year and the Mid-Year review are on page 9 to 13 of the report. The following results are identified below:

There are 7 major divisional segments that are identified in the Executive Team. These include divisions organized under Education and Enrichment (led by Dr. C.J. Rodgers), Academic Support (led by Jonathan Parker), Facilities, Construction & Choice (led by Dr. Michelle Williams), the divisions under the Chief of Staff (led by Danielle Bartz), Chief Communication Officer & Technology (led by Danielle Clark), Business Office (led by Dr. Jesus Amezcua), and Human Resources (led by Dr. Arthur Sylvester). Their scores are presented on page 9.

For Education and Enrichment, all divisions ranged within a score of 1 and 3 which means that these divisions are within the low end of the risk factor. There are several areas that may increase the risk due to regulatory requirements in the area (grant) of Adult Education and enterprise risk in the Center for Educator Success

The area of Academic Support includes the largest grant at HCDE (Head Start), Therapy, and our Special Schools. The risk factors in the grant areas (Head Start Division) range from 1 to 5, and this is due to the complexity of grant requirements contained in 2 CFR 200 regulations. While the area of Therapy maintains a level of risk due to the regulatory requirements of special education laws, the competency of management and excellent internal controls for a lower burden of risk. Our special schools have a range of 1 to 3, and often these too have a higher risk factor due to special education laws, state discipline laws and the economic uncertainty of contracts dependent on district appropriations.

In Facilities, construction and Choice Partners, the risk factors vary from 1 to 4 due to the nature of their business. These, like other divisions, follow the normal policies and procedures. Records Management Division has some risks due to change in personnel and the complexity of the operations. The Facilities Division has seen a reduction in risk due to the conclusion of major construction projects. Choice Partners has seen improving stability in personnel turnover in recent years, greatly reducing overall risk to their operations.

For the divisions under the chief of staff, these include areas such as the Center for After School Summer & Expanded Learning (CASE), open records requests, and Community Engagement. Their factors are within 1 to 3. As grant divisions are impacted by federal and state law changes; therefore, the risk factors go up due to the nature of the transactions. However, the department has established internal controls to meet regulatory requirements from 2 CFR 200, TEA and others. By providing training and grant manual updates, these departments have mitigated the risk to a manageable level.

In the area of technology and communications, the risk factors vary from 1 to 3 as new risk often emerge due to technology advances and cyber threats. These, like other divisions, follow the normal policies and procedures. Technology is constantly evolving; thus, our staff must maintain ahead of industry changes. The divisions have engaged in continuous personnel training and preventive measures to secure our data and provide a 99% level of reliability to our technology users.

Lastly the areas of Business and Human Resources have a factor of 1 to 2 since these divisions are primarily support divisions. Moreover, there are controls in place that are systemic, and all divisions are required to follow the department's financial operating guidelines which are the control procedures for all transactions. Many divisions have additional department procedures that strengthen their processes, and all are consistent with the overall department guidelines.

COSO FRAMEWORK

COSO Framework

The framework was developed in 1993 by the Commission of Sponsoring Organizations of the Treadway Commission (COSO), and it is the standard for evaluating internal controls. This process is a **means by which the board, management, and key business managers provide reasonable assurance that the organizational objectives are met over:**

- Effectiveness and efficiency of operations
- Reliability of financial reporting
- Compliance with applicable laws and regulations

To this end, the framework looks at five components that support the organizations missions, strategies and objectives.

1. Control Environment

- Integrity and Ethical Values
- Commitment to Competence
- Board of Directors and Audit Committee
- Management's Philosophy and Operating Style
- Organizational Structure
- Assignment of Authority and Responsibility
- Human Resource Policies and Procedures

2. Risk Assessment

- Company-wide Objectives
- Process-level Objectives
- Risk Identification and Analysis
- Managing Change

3. Control Activities

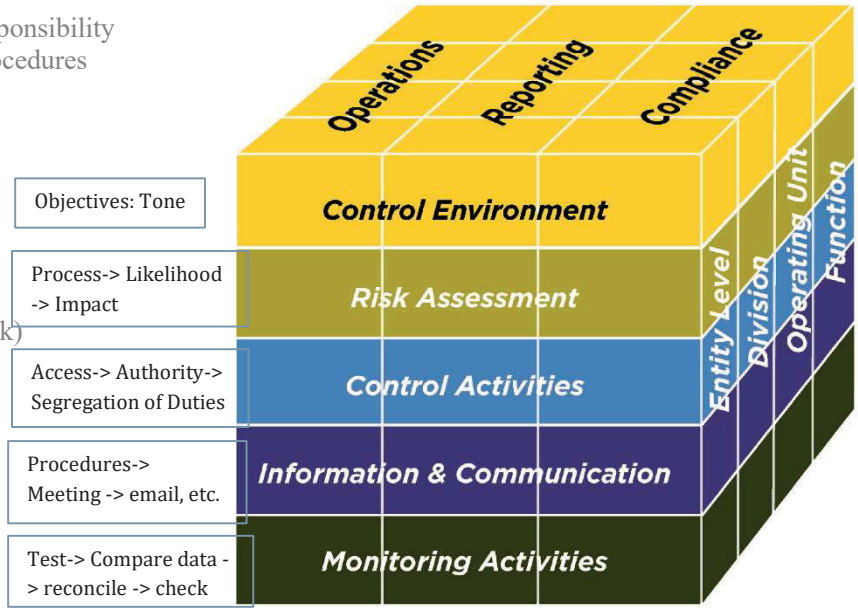
- Policies and Procedures
- Security (Application and Network)
- Application Change Management
- Business Continuity/Backups
- Outsourcing

4. Information and Communication

- Quality of Information
- Effectiveness of Communication

5. Monitoring

- Ongoing Monitoring
- Separate Evaluations
- Reporting Deficiencies



Risk Factors

#1 QUALITY OF INTERNAL CONTROLS

Measures the adequacy of the division's business environment:

- Do adequate safeguards exist to protect fixed assets?
- Are duties for business transactions properly segregated?
- Do directors/managers monitor and inspect the performance of ongoing operations?
- Are budgets and expenditure accounts reviewed monthly?
- Are internal controls functioning as intended?

#2 CHANGE IN MANAGEMENT OR KEY PERSONNEL

Measures the effects of management or key personnel turnover on the activity area:

- Has the area been able to manage turnover or is the turnover managing them.
- Consider recent organizational changes, restructuring, and/or reassignments.
- Consider personnel qualifications and impact on overall operations and controls.
- Consider employee morale and environment as a result of changes in personnel.

#3 NATURE OF CASH TRANSACTIONS

Measures the financial impact of the activity being reviewed:

- Daily volume of cash transactions
- Asset size (consider both cash and fixed assets)
- Liquidity (ease of converting into cash)

#4 COMPLEXITY OF OPERATIONS – TECHNOLOGY

Measures the overall complexity of the computer operating system and the environment employed to process transactions. Consider the degree to which your operations are dependent on technology. This factor is designed to measure the time, number of steps, degree of difficulty, coordination of individuals, and necessary level of training needed to process a transaction. Technology risk factors to be considered are:

- remote access allowed
- number of programs and interfaces to other systems
- extent to which the system is used to process critical data
- sensitivity of processed data
- impact on other systems and applications
- number of users
- system supported internally or by external third parties

RISK FACTORS

#5 COMPETENCE OF MANAGEMENT

Measures the expertise of supervisory, back up and operating personnel in the performance of their duties as they relate to the activity area's system of controls and on-going operations. This is a measure of management and operating personnel within the area.

#6 CHANGE IN COMPUTER SYSTEMS

Measures the effect of a major change in computer systems on the activity area. This could be a change in operating systems, an offering of a new product, or a change in the way data is processed. Technology risk factors to be considered are:

- number of programs and interfaces to other systems
- latest available application version and release/patch level
- remote access allowed
- extent to which the system is used to process critical data
- classification of data residing on the platform
- confidential customer data
- impact on other systems and applications
- number of users
- platform location
- system supported internally or by external third parties
- change in support personnel

#7 REGULATORY REQUIREMENTS

Measures the possible consequences attributable to

- violations of laws and regulations
- the potential loss due to fines
- restrictions
- public embarrassment from substantive violations of law or regulatory requirements.

#8 TIME SINCE LAST REVIEW

Measures whether the time period since the last risk awareness review is sufficient to bring forward to the need to review, monitor, and maintain controls against risk.

Best Practices

There are a number of organizations that recommend that a risk assessment process be part of the organization's internal control evaluation process. Among these include the following:

- SOX -401 of 2002 requirement - Issuers are required to publish information in their annual reports concerning the scope and adequacy of the internal control structure and procedures for financial reporting.
- Office of the Inspector General (OIG) plans to conduct quality control reviews, special reviews, investigations, and follow up reviews possibly down to the subcontractor level.
- The Texas Workforce Commission (TWC) invites agencies to look at internal controls more closely.
- The OMB Circular A-133, this Part includes generic audit objectives and suggested audit procedures to test internal controls. and is the new CFR 200 or the Uniform Grant Guidance - EDGAR
- SAS #112 & SAS 115 …. SAS # 115 includes much of what was outlined in SAS # 112 as it provides guidance to enhance the auditor's ability to evaluate deficiencies in Internal Control identified during an audit, and then communicate those deficiencies that the auditor believes are significant deficiencies or material weaknesses to management and those charged with governance.

BEST PRACTICES

GFOA Best Practices state that **Government management can do a better job establishing and assessing its Internal Control structure.**

- Certify the sufficiency of the governmental unit's Internal Control structure and provide appropriate penalties for non-compliance.
- Establish an internal audit department to monitor Internal Controls and to safeguard the assets of the community. [This department should report to an independent audit committee.]
- Perform a government-wide risk assessment to determine liabilities and identify internal control needs.
- Establish internal controls structure with policies and procedures to address them.
- Develop assessment and monitoring mechanisms for oversight and provide assurances to constituents as to the effectiveness and efficiency of operations, compliance with laws, regulations and agreements.
- Provide training for management in their responsibilities for establishing and assessing Internal Control structures and financial reporting basics.
- Develop an Internal Control tool/questionnaire in a standard format to assist management with their review, and a standardized disclosure statement for signature by management.
- Establish a standard formalized review and assessment process for use government-wide by all management.
- Develop government-wide strategic planning with all entities coming together to identify government goals, mission, vision statements and produce a 5-20-year plan to be utilized to overcome politically motivated measures.
- Develop information systems that interface with one another.
- Develop shared systems to eliminate redundancy and promote regionalism.

Risk Assessment Rankings - Summary

99% of our systems have low to medium manageable risk, and the other 1% is addressed through training and development and strong preventive measures that anticipate industry and regulatory changes (average of mid and end of year).

Houston Handwriting & Dysgraphia Workshop Feb 20, 2026

Title: The Write Approach to Handwriting: An Evidenced-Based Exploration of Writing Development and Dysgraphia

Workshop Description: This workshop is a comprehensive, research-informed training designed for occupational therapists who support students with writing challenges. We will explore the neurological and developmental foundations of dysgraphia and its far-reaching impact on handwriting, written expression, reading fluency, and emotional regulation. Participants will learn to identify the cognitive, sensory, motor, and executive functioning components essential to writing development and apply evidence-based assessment tools to evaluate and support students effectively. Through case-based learning and practical application, attendees will develop individualized, multisensory intervention strategies grounded in current research. The workshop also emphasizes collaborative practices with educators and school staff to evaluate classroom demands, recommend accommodations, and monitor intervention effectiveness—ensuring meaningful student participation and improved academic outcomes.

Objectives:

1. Analyze the neurological and developmental foundations of dysgraphia and evaluate its impact on handwriting, written expression, reading fluency, and emotional regulation within academic settings.
2. Identify key cognitive, sensory, motor, and executive functioning components that influence writing development, and apply evidence-based assessment tools to accurately evaluate and support students with dysgraphia.
3. Develop and implement individualized, evidence-based intervention plans that incorporate multisensory handwriting strategies tailored to the unique needs of students with dysgraphia.
4. Design collaborative approaches for partnering with educators and support personnel to evaluate classroom demands, recommend appropriate accommodations, and monitor the effectiveness of interventions in promoting student participation and academic success.
