### **School District Awarded for Outstanding Financial Reporting**

Ashburn, VA – 2021 – The Association of School Business Officials International (ASBO) is pleased to award Harris County Department of Education the Certificate of Excellence in Financial Reporting (COE). ASBO International’s COE recognizes districts that have met the program’s high standards for financial reporting and transparency. The school district earned the Certificate of Excellence for its Comprehensive Annual Financial Report for the fiscal year ended 2020.

“The COE’s mission is to promote and recognize excellence in financial reporting,” ASBO International Executive Director David Lewis says. “The Comprehensive Annual Financial Report informs stakeholders about the financial and economic state of the district, making it an important communications tool for building trust and engaging with the school community.”

By participating in the COE program, school districts demonstrate their commitment to financial transparency. Applicants submit their report for review by a team of financial professionals who provide feedback to improve future documents. If the report meets the requirements of the program, it may receive the Certificate of Excellence. A district’s participation in the COE program can facilitate bond rating and continuing bond disclosure processes.

The COE is proudly sponsored by ASBO International Strategic Partner American Fidelity.

## **Investment Report Narrative**

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, Texas Class and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex-Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

### **Moving Forward**

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

### **Compliance Statement**

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE follows the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

**Summary Schedule of Weighted Average Maturity (A) –  
 Investment Type General Fund**

( #1 ) INVESTMENT TYPE	( #2 ) BOOK VALUE	( #3 ) DAYS TO MATURITY	( #4 ) BOOK VALUE * DAYS (#2) * (#3)	WEIGHTED AVERAGE MATURITY (B)
First Public/Lone Star Inv Pool	\$ 22,740,809	1	\$ 22,740,809	19.18
TexPool Inv Pool	8,305,671	1	8,305,671	4.47
TexSTAR Inv Pool	13,832,797	1	13,832,797	9.93
Texas Class	9,196,349	1	9,196,349	3.47

<b>Totals</b>	<b>\$ 55,728,928</b>		<b>\$ 55,728,928</b>	<b>9.26</b>

- (A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of \$55,728,928 Divided by (#2) Book Value = 1 Days to Maturity
- (B) The WAM of 9.26 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, Texas Class and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

## Monthly Investment Report

### Glossary of Investment Terms

<b>Accretion</b>	The daily book value earned daily (on a straight-line basis) on securities purchased at a discount. At maturity, a discount security will be worth the face value. The types of securities involved are usually treasury bills, discount notes, commercial paper, and bankers' acceptances.
<b>Amortization</b>	The daily book value earned daily (on a straight-line basis) on securities purchased at a premium. To correctly account for premium amortization, it must be subtracted from the coupon interest either monthly or at maturity.
<b>Bank of Texas Funds</b>	Bank of Texas are unsecured money market accounts where the Public Facilities Corporation funds are kept unless otherwise invested.
<b>Benchmark for Investments</b>	HCDE uses the 13-week (90 day) Treasury Bill investment rate of the maturity date closest to the end of the month- <a href="http://www.treasurydirect.gov">www.treasurydirect.gov</a> .
<b>Book Value</b>	The face amount minus any unaccredited discount or plus any unamortized premium. See Accretion and Amortization.
<b>Cash</b>	Cash includes readily available cash, current bank accounts and certificates of deposit. Cash is the most liquid asset.
<b>Commercial Paper</b>	An unsecured promissory note issued by a corporation with a fixed maturity. The issuer (such as Coca Cola, General Electric, Kimberly Clark) promises to pay the buyer a fixed amount on some future date but pledges no assets, only his liquidity and established earning power, to guarantee that promise. These investment instruments usually yield 10-15 basis points above comparative agency investments. HCDE will not invest in commercial paper with less than A1 or P1 or an equivalent rating.
<b>Credit Risk</b>	The risk of issuer failure; mitigated by selecting high quality investment vehicles.
<b>CUSIP #</b>	The <b>C</b> ommittee on <b>U</b> niform <b>S</b> ecurities <b>I</b> dentification <b>P</b> rocedures Number: the identification number on all securities (often nine digits in length).

<b>Face Value</b>	Redemption value printed on the face of the certificate, same as par value.
<b>FHLB</b>	<b>F</b> ederal <b>H</b> ome <b>L</b> oan <b>B</b> ank System, established in 1932, includes 12 banks and their member institutions. Federal Home Loan Banks are instrumentalities of the United State government.

TEA is pleased to inform you that your application for **Harris County Department of Education** has been preliminarily selected to receive an award for the **2021-2022 Nita M. Lowey 21st CCLC Cycle 11, Year 1**. The preliminary selection was made after evaluation by external reviewers and agency staff.

**NOTE:** Agency funding of this program is dependent upon a grant of funds by the US Dept. of Education. If the US Dept. of Education fails to grant the necessary funds, the Agency may not fund this program.

### **Confirmation and Negotiations**

Agency staff will thoroughly review each application to confirm that it is compliant with all applicable rules and regulations and that the identified program goals and activities meet the intent of the Request for Application (RFA). Once it is determined that the application is indeed eligible to be funded, agency staff may contact the designated program contact person to negotiate necessary fiscal and programmatic changes to the application. Agency staff will review the budget and activities to determine if the requested amounts are allowable, reasonable, and necessary to meet the intent of the RFA. Budgeted costs determined by TEA to be unallowable, unreasonable, and unnecessary will be removed from the application during the negotiation phase.

If it is determined during the negotiation process that the application is not eligible to be funded, you will be notified of the ineligibility for funding. TEA will not be responsible for paying for any expenditure incurred by the applicant.

Attached you will find the budget workbook needed to complete fiscal negotiations for your award. Please complete at your earliest convenience. DO NOT RETURN YOUR COMPLETED BUDGET UNTIL ASKED TO DO SO.

### **Specific Conditions for Subgrantees Selected Through the Competitive Review Process**

Subgrantees selected through the competitive review process can print their NOGAs after funding is received and before the negotiation process has been completed. This is expected to occur on or after the grant start date of **July 01, 2021**. At that time, grantees may begin accessing up to 20% of the total award. The remaining 80% of the funds will be released upon successful completion of the negotiation process. A final approved copy of your application will be mailed to you as soon as negotiations and all final reviews are complete. To help TEA complete negotiations, please respond to any inquiries from TEA staff as quickly as possible. The NOGA reserve cannot be lifted while any point of negotiation is still pending. TEA also reserves the right to manually review all draw down requests made during the negotiation process.

## **Funding Amounts and Reimbursements**

Please be advised that grantees may not always receive the amount requested in the original application because of revisions made during negotiations and changes to the total amount of funding available. Grantees are responsible for ensuring that any expenditures paid prior to the conclusion of the negotiation process are allowable under the terms and conditions of the grant program. TEA will not make reimbursements for any activities or line items deleted during negotiations. Any refunds incurred while negotiations are ongoing must be paid before the remainder of the grant award is released. These expenses must be paid from other sources. TEA does not give verbal approval for any activities or expenditures.

## **Notice of Grant Award (NOGA)**

NOGAs are expected to be available after funding is received from the US Department of Education. Funding is expected to be received on July 1, 2021.

### **'Print NOGA' feature in the Expenditure Reporting (ER) System**

Copies of the NOGA are no longer attached to notices. A 'Print NOGA' button is available in the ER system to print/view a copy of the Notice of Grant Award (NOGA). Please log on to the ER system to print your award NOGA. Please see below for information on accessing the ER system.

Conditions and requirements of the original SAS and project guidelines remain in effect and are incorporated by reference. All expenditures must occur between the beginning and ending dates on the NOGA. All goods and services purchased with grant funds must be received in time to substantially benefit the project and intended beneficiaries during the grant period for which the funds were awarded.

Thank you for your important efforts for the school kids of Texas. We look forward to working with you during the coming year.

If you have any questions regarding this matter, please contact Competitive Grants at [competitivegrants@tea.texas.gov](mailto:competitivegrants@tea.texas.gov).

ER System information - <https://tea.texas.gov/finance-and-grants/grants/grants-administration/expenditure-reporting>

## **Project Period**

The project period for the above-mentioned grant is stated on your NOGA. All encumbrances and obligations must occur on or between the beginning and ending dates of the subaward unless pre-award costs are expressly permitted for the individual grant program.

In general, goods or services delivered near the end of the grant period may be viewed by TEA as not necessary to accomplish the objectives of the current grant program; however, TEA will evaluate

such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the subgrantee is unable to:

1. document the need for the expenditures
2. demonstrate that program beneficiaries receive benefit from the late expenditures, or
3. negate the appearance of “stockpiling” supplies or equipment.

The subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all grant programs, including state and federal, discretionary and formula.

### **Fingerprinting Requirement**

Per Section 22.0834 of the Texas Education Code (TEC), any person offered employment by any entity that contracts with TEA or receives grant funds administered by TEA (i.e., a subgrantee or a contractor of the subgrantee) is subject to the fingerprinting requirement. TEA is prohibited from awarding grant funds to any entity, including nonprofit organizations, that fails to comply with this requirement. For details, refer to the General and Fiscal Guidelines, Fingerprinting Requirement.

### **Amendments**

If the subgrantee needs to amend the application to request authorization for changes that require approval, the subgrantee must obtain approval from TEA by submitting an amendment prior to the date the subgrantee encumbers such funds and/or such services are rendered. Refer to the “When to Amend the Application” document posted in the Amendment Submission Guidance section of the Administering a Grant page. An amendment is effective on the day it is received by TEA in substantially approvable form yet is subject to negotiation. The last day to submit an amendment to TEA is stated on the TEA Grant Opportunities page.

### **25% Budget Variation Cannot Be Exceeded**

A budget amendment is required when cumulative transfers among direct cost categories exceed or are expected to exceed 25% of the *total current approved budget*. A subgrantee may transfer funds among existing budgeted categories without submitting an amendment as long as the total amount of funds transferred is 25% or less of the total current approved budget. This provision does not allow for the purchase of additional units of equipment, but it does allow for the purchase of previously approved items that cost more than budgeted amounts. The total expenditures for programs budgeted cannot exceed the total amount approved for each program budget.

### **Cash Management Requirements**

The subgrantee must account for and expend federal funds in accordance with federal statute, state laws, and the terms and conditions of the award. There are two methods available to a subgrantee to request payments. These include: reimbursement and cash advances.

- Reimbursement: In a reimbursement method, a subgrantee draws down funds from the ER

system after the subgrantee has already paid the funds. In an effort to allow subgrantees with additional flexibility, TEA has defined reimbursement as drawing down funds on, or after, the day the subgrantee has mailed, delivered, or submitted an electronic payment. For audit purposes, the subgrantee must track the date it mailed, delivered, or submitted an electronic payment as proof for reimbursement method. Under the reimbursement method, a subgrantee is not required to deposit funds in an interest-bearing account.

- **Cash Advance:** Under the cash advance method, a subgrantee draws down funds in advance of when the funds will be paid out. The use of this payment method requires the subgrantee to have written procedures that minimizes the time elapsing between when the subgrantee requests a draw down and when the subgrantee will issue the payment for the program purpose.

### **Requesting Payment through the Expenditure Reporting (ER) System**

Subgrantees in good standing are required to use the ER system to record expenditures and request payment. Subgrantees may generally enter total expenditures by class/object code into the ER system up to 30 days following the ending date of the grant. The subrecipient is responsible for ensuring the Grantee Manager and/or Grantee Official, or such person using the Grantee Manager or Grantee Official's credentials, has been authorized by the subrecipient organization to enter the organization into legally binding agreements for grant payment purposes prior to the Grantee Manager or Grantee Official certifying and submitting expenditure payment requests in the ER system. This authorized official must certify each request for payment as described in 2 CFR §200.415.

### **Accessing ER**

To access ER, all individuals reporting and certifying expenditures are required to have a TEA Login (TEAL) account and access to the ER application. For security purposes, the TEAL username and password are not to be shared with any other user. The ER system is designed to accommodate a segregation of duties between the staff member who enters the drawdown into the ER system and the authorized official who certifies and submits the request. Failure to have such segregation of duties could be a sign of insufficient internal controls indicating risk of inadequate fund management. TEA strongly recommends the segregation of duties and may impose additional specific conditions on subgrant awards when risk is identified.

If you do not have access to TEAL, you must request a user ID. On the TEA Login (TEAL) screen, click Request New User Account and complete the steps provided. A username and temporary password will be emailed to you, so you can logon and finalize your account. Once your TEAL account is finalized, you will logon to TEAL, click on My Application Accounts, and follow the instructions to request access to the Expenditure Reporting application.

If you already have a TEAL account and access to ER, login directly to TEAL. In your list of applications, look for the Expenditure Reporting heading and click on your role/link, under the heading, to access the ER system.

### **Documentation of Expenditures**

For any payment request in ER, TEA reserves the right to request additional supporting

documentation including but not limited to the general ledger, payroll ledger, and copies of payroll checks, invoices, receipts, and travel vouchers before authorizing payment. TEA may request you to upload any such document to your payment request in ER. Payment will not be approved or processed until the requested documentation is received and determined to be allowable under the grant.

### **Expenditure Reporting by Class/Object Code in ER**

Expenditures must be reported in the ER system by class/object code. TEA implements this process to demonstrate compliance with federal monitoring expectations/auditing standards and to mitigate the need for subgrantees that are not identified as high-risk by TEA to submit supporting expenditure documentation for payment requests that exceed grant threshold requirements. High-risk subgrantees are required to submit requested supporting documentation to TEA.

Advance payments must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements in carrying out the purpose of the approved program or project. The timing and amount of advance payments must be as close as is administratively feasible to the actual disbursements for direct program or project costs and the proportionate share of any allowable indirect costs.

Subgrantees must have written procedures and internal controls for cash management to ensure that only the actual amount of cash needed will be requested, and that the cash received will be paid out. Procedures should show that the subgrantee plans carefully for cash flows for grant projects and reviews cash requirements before each request for payment. Cash management procedures are monitored during monitoring visits and during the annual independent audit.

With any issues or questions related to the programmatic aspects of the grant, please contact the program contact as listed on the TEA Grant Opportunities page.

In addition, the ER system has various system criteria that allow TEA staff to monitor requests for payment. If a draw down request violates an ER system criterion or is randomly selected for monitoring, TEA staff will manually review the draw down request and contact the subgrantee for a narrative payment justification. Payments that do not violate thresholds and/or ER system criteria will be approved automatically.

The deadline for reporting total final expenditures by class/object code is stated on the TEA Grant Opportunities page.

**For Assistance**

For funding information, please visit the TEA Grant Opportunities page. If you have any other questions submit them through the TEA Help Desk.

**Denial of Expenditure Reports**

When reporting expenditures by class/object code, the ER system will not permit the subgrantee to submit an expenditure report with the following criteria:

- Where the subgrantee is claiming expenditures in a class/object code not budgeted in the approved application
- When the total amount exceeds the total amount of the grant

**ER Requests Requiring Manual Review and Approval**

Thresholds are established for each grant program to allow for the automatic approval of payments as long as the payments are within the established thresholds. The ER system will automatically forward any request for payment that exceeds the established thresholds to TEA staff for review and approval.

TEA staff will consider each request to exceed the established thresholds on a case-by-case basis.

**Interlocal Agreement  
between  
Harris County Department of Education  
& Spring Branch Independent School District (SBISD)**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Spring Branch Independent School District (SBISD), a public school district (“District”), located in Houston, Texas 77024, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas, including safety and security services through its Center for Safe and Secure Schools (“CSSS”). Both HCDE and the District desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date on which all Parties have executed this Agreement (“Effective Date”) and shall end on **June 30, 2023**, unless earlier terminated in accordance with Article 10 herein.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide services of staff members and/or consultants of the CSSS for the purpose of providing safety and security services that will be considered by the Superintendent and Board of Trustees of the District to determine possible changes in equipment, systems, services, training, and procedures for the District.
    - Conduct Safety and Security Audits (“Audits”) of the District’s facilities as listed in Exhibit A, Scope of Work. The scope of each Audit shall include the services as set forth in Exhibit A.
    - Provide Audit Final Reports and draft reports containing Audit findings, recommendations, and commendations in accordance with Exhibit A.
  - B. **The District agrees to:**
    - Select District facilities in which to conduct Audits and provide the list of facilities in Exhibit A.

- Provide data, access to District facilities, and any other information requested by HCDE needed to conduct the Audits in accordance with the terms of this Agreement, as determined by HCDE.
4. As is. HCDE makes this Agreement available to HCDE participating entities “as is” and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of the District.
  5. Fees. The total fee for Audits provided in accordance with Exhibit A is **\$70,268.00**. The fees included in this Agreement are based on services to address general requirements and the efficient delivery of services. Additional specifications, schedule changes, and/or facilities requested by the District may incur additional fees, as determined by HCDE. HCDE shall provide written notice of any such increase in fees, and the Parties shall set forth the addition of such fees in writing as an addendum to this Agreement.
  6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
  7. Invoices. HCDE will invoice the District as services are completed for each phase of the project as follows:

<b>Year 1</b>	<b>\$37,776.00</b>
<b>Year 2</b>	<b>\$32,492.00</b>

- The District agrees to remit payment to HCDE within thirty (30) days after the date the District receives an invoice for the services. If the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement.
  9. Confidentiality: To the extent allowable by law, HCDE agrees to maintain the confidentiality of all records to which it has access while performing Audits pursuant to this Agreement. Unless disclosure is required by applicable law, HCDE further agrees that all findings and reports created by HCDE under this Agreement are confidential and shall not be disclosed to anyone other than District officials without the written approval of the District.
  10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
    - By either Party, with or without cause, upon thirty (30) days’ prior written notice.
    - By mutual written agreement of the Parties; or

- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

In the event of termination of this Agreement, the District shall be responsible for compensating HCDE for services provided by HCDE up to the effective date of termination and shall be paid within thirty (30) days of the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations under this Agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to the District, the District, its personnel and agents, shall not, directly or indirectly, whether for the District's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that the District is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and the District or HCDE and any of the District's representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide the District with programs or services. During the Term of this Agreement, the District reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT

LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

HCDE is not a regulatory agency and interprets regulations as a regulated political subdivision. Audits performed in accordance with this Agreement are limited to the data, information, and access provided by the District to HCDE, and HCDE does not warrant that Audits conducted hereunder will uncover every security concern, area of needed improvement, or any other category of information examined by HCDE. Audits conducted by HCDE are intended as one source, among other sources, for use by the District in determining the safety and security of its facilities. Successful completion of Audits under this Agreement will support partial satisfaction of the District's compliance with current statutory requirements as set forth in Texas Senate Bill 11 in September 2011.

18. Limitation of Liability. Without waiver of the Disclaimer in Article 16 of this Agreement, the Parties agree that:
  - Neither Party waives any immunity afforded to it under applicable law; and
  - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas, and the Parties hereby submit to the exclusive jurisdiction of said courts.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.

24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

In witness whereof, HCDE and the District have executed this Agreement to be effective on the date specified in Article 1. Term above:

**2021 – 2022 ANNUAL CONTRACT**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and **Deer Park ISD, (“DPISD”)** hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **DPISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **DPISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 23, 2021** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for **nine (9)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as “student(s)”) who are residents of **DPISD**.
2. **HCDE Responsibilities.**
  - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
  - b) HCDE agrees to furnish the **DPISD** with a weekly statement of student(s) attendance.
  - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
  - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **DPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **DPISD**.
3. **DPISD’s Responsibilities.**
  - a) **DPISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **DPISD** and HCDE.
  - b) **DPISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at Highpoint. **DPISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **DPISD** during the term of this Contract. Student Records to be provided by **DPISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)’s campus or **DPISD** stating explicitly why the student is being referred to Highpoint; (b) the student’s Middle School Plan (for students in grades 6-8) or the student’s Graduation Plan (for students in grades 9-12); (c) the student’s current transcript, including all achievement test records; (d) for special education students, the student’s current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student’s

current year's attendance records. **DPISD** shall provide copies of additional records, including **DPISD** Records, as reasonably requested by HCDE.

- c) **DPISD** retains the responsibility to report **DPISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
- 4. Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **DPISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **DPISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **DPISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **DPISD** is under HCDE's direct control with respect to **DPISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **DPISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 5. Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
- 6. Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
- 7. Special Education Services.**
  - a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **DPISD** and recommended for services as described herein. The ARD Committee of **DPISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **DPISD**. **DPISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **DPISD** and the ARD Committee, with HCDE participation. If **DPISD** chooses to make such services available in conjunction with Highpoint, **DPISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **DPISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
  - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
  - d) **DPISD** agrees to invite an HCDE representative as a non-consensus member to any **DPISD** ARD Committee meeting for **DPISD** student(s) placed at Highpoint pursuant to this Contract.
8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **DPISD** and are considered students of **DPISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **DPISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **DPISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **DPISD** student placed at HCDE, **DPISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **DPISD** student and is in no way liable to the student, parent, or **DPISD** under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update **DPISD** on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **DPISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. **Invoices and Payment.** In consideration of the services provided herein, **DPISD** agrees to pay HCDE an in-county fee of **\$90,441** and any additional fees in the following manner:

  - ii. **\$75.00** special education surcharge times the number of enrollment days for Special Education student(s).
  - iii. **\$115.00** per diem times the number of student(s) in attendance over the number of units purchased (9).
- a) HCDE will bill **DPISD** for the amount of units purchased. Payment will be due within 30 days of the date of **DPISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **DPISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
  - b) In the event that **DPISD** makes a payment to HCDE with a credit card, **DPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **DPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **DPISD**.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

**11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

**12. DPISD Liaison.** **DPISD** shall appoint a qualified liaison to communicate on behalf of **DPISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Highpoint School East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **DPISD** liaison shall make best efforts to assist Highpoint School East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **DPISD** employees and student(s)'s parents/guardians, as necessary.

**13. Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **DPISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **DPISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint School East at the time of termination or expiration of this Contract will return to **DPISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **DPISD** within ten (10) business days following the date of termination or expiration, at the written request of **DPISD**.

**14. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **DPISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Highpoint School East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. 5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

Payment obligations are non-cancelable, and fees paid are non-refundable. **GPISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
- b) In the event that **GPISD** makes a payment to HCDE with a credit card, **GPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **GPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **GPISD**.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

**11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **GPISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint School East at the time of termination or expiration of this Contract will return to **GPISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **GPISD** within ten (10) business days following the date of termination or expiration, at the written request of **GPISD**.

**14. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **GPISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Highpoint School East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and **Spring Branch ISD, (“SBISD”)** hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **SBISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **SBISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 23, 2021** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for **eight (8)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as “student(s)”) who are residents of **SBISD**.
2. **HCDE Responsibilities.**
  - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
  - b) HCDE agrees to furnish the **SBISD** with a weekly statement of student(s) attendance.
  - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
  - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **SBISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **SBISD**.
3. **SBISD’s Responsibilities.**
  - a) **SBISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **SBISD** and HCDE.
  - b) **SBISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at Highpoint. **SBISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **SBISD** during the term of this Contract. Student Records to be provided by **SBISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)’s campus or **SBISD** stating explicitly why the student is being referred to Highpoint; (b) the student’s Middle School Plan (for students in grades 6-8) or the student’s Graduation Plan (for students in grades 9-12); (c) the student’s current transcript, including all achievement test records; (d) for special education students, the student’s current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student’s

current year's attendance records. **SBISD** shall provide copies of additional records, including **SBISD** Records, as reasonably requested by HCDE.

- c) **SBISD** retains the responsibility to report **SBISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **SBISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **SBISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **SBISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **SBISD** is under HCDE's direct control with respect to **SBISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **SBISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
7. **Special Education Services.**
- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **SBISD** and recommended for services as described herein. The ARD Committee of **SBISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **SBISD**. **SBISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **SBISD** and the ARD Committee, with HCDE participation. If **SBISD** chooses to make such services available in conjunction with Highpoint, **SBISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **SBISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
  - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
  - d) **SBISD** agrees to invite an HCDE representative as a non-consensus member to any **SBISD** ARD Committee meeting for **SBISD** student(s) placed at Highpoint pursuant to this Contract.
- 8. Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **SBISD** and are considered students of **SBISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **SBISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **SBISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **SBISD** student placed at HCDE, **SBISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **SBISD** student and is in no way liable to the student, parent, or **SBISD** under the IDEA, Section 504, or other applicable law.
- 9. Monitoring Student Progress.** HCDE will update **SBISD** on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **SBISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
- 10. Invoices and Payment.** In consideration of the services provided herein, **SBISD** agrees to pay HCDE an in-county fee of **\$80,392** and any additional fees in the following manner:
- i. **\$10,049** times the number of units purchased. **SBISD** will be billed twice a year and payment will be due upon receipt of invoice.
  - ii. **\$75.00** special education surcharge times the number of enrollment days for Special Education student(s).
  - iii. **\$115.00** per diem times the number of student(s) in attendance over the number of units purchased (**8**).
- a) HCDE will bill **SBISD** for the amount of units purchased. Payment will be due within 30 days of the date of **SBISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **SBISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
  - b) In the event that **SBISD** makes a payment to HCDE with a credit card, **SBISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **SBISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **SBISD**.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

**11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

**12. SBISD Liaison.** **SBISD** shall appoint a qualified liaison to communicate on behalf of **SBISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **SBISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **SBISD** employees and student(s)'s parents/guardians, as necessary.

**13. Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **SBISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **SBISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **SBISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **SBISD** within ten (10) business days following the date of termination or expiration, at the written request of **SBISD**.

**14. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **SBISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

**15. Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

**16. Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

- 22. **(A) [Applicable ONLY to contracts in excess of \$250,000.] Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.**

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

**(B) [Applicable ONLY to contracts in excess of \$10,000.] Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.**

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

**(C) [Applicable ONLY to federally assisted construction contracts.] Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”**

Pursuant to Federal Rule (C) above, when the District expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

**(D) [Applicable ONLY to prime construction contracts in excess of \$2,000 where federal funds are being used for the project] Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations(29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.**

**(E) [Applicable ONLY to contracts in excess of \$100,000 involving mechanics or laborers.] Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.**

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).**

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.**

Pursuant to Federal Rule (I) above, when federal funds are expended by the District, Vendor certifies that during the term and after the awarded term of an award for all contracts by the District resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative

Each Contractor representative that will access the individual student records must agree to protect student confidentiality by signing the attached “Access Agreement.”

In addition, Contractor agrees that any data sets or output reports that its representatives may generate with individual student data are confidential. ### **Recommendation**

Consideration and possible approval to authorize the Superintendent, or his designee, to execute agreements with the authorized residential and day treatment service providers listed in the table below as needed for the 2020-21 school year.

<b>Residential Treatment Service Providers</b>	<b>Day Treatment Service Providers</b>
Avondale House	Avondale House
Bayes Achievement Center	Shiloh Treatment Center, Inc.
Shiloh Treatment Center, Inc.	Providence Treatment Center
Devereux Foundation-Victoria	River Oaks Academy
The Texas Hill Country School	Texana Children's Center for Autism
Whispering Hills Achievement Center	Harris County Department of Education

The approval of this recommendation will allow the District to respond to the immediate needs of students who require such services in FY 21.

### **Summary**

Each year, districts are required, under federal guidelines, to set aside 25% of IDEA funds for residential and non-public day school services. Student placement in a residential or day treatment setting occurs at the recommendation of the Admission, Review and Dismissal Committee after all other resources for Special Education services within the District have been exhausted.

The set aside amount for 2020-21 at the required percentage for the District is \$3,112,415. In 2019-20, the District contracted for services for students in such facilities for approximately \$2,382,723. Based upon history, the District does not anticipate expending the total amount but is required to set the money aside for student situations not anticipated.

In 2021, MECA is offering a special collaboration within the summer program between MECA and the Community Music Center of Houston (CMCH) to celebrate and honor the history of Juneteenth. The primary goal of the project’s collaboration is intended to bring awareness and even current social context of the enormous influence of African music on Latin music and dance. MECA and CMCH each serve principally unique communities. CMCH serves as a predominant African American music center whereas MECA principally serves the Latino community. The unique pairing, specifically by showcasing the cultural similarities, will provide the opportunity to act as a bridge between these two communities, thereby providing a natural invitation to bring them closer together.*

**Interlocal Agreement**  
**between Harris County Department of Education**  
& Barbers Hill Independent School District

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Barbers Hill ISD, a local governmental entity and/or political subdivision (“LGE”), located in Mont Belvieu (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

**Interlocal Agreement**  
**between Harris County Department of Education**  
& Polk County

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Polk County, a local governmental entity and/or political subdivision (“LGE”), located in Livingston (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
  - B. **LGE agrees to:**
    - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
  - Agree to follow the terms and conditions of each independent contract or purchase order.
  - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

20. **Governing Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. **No Waiver.** Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. **Benefit for Signatory Parties Only.** Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

HCDE: Choice Partners, 85 million lunches

Since the 1960's, Harris County

Department of Education (HCDE) has been providing cooperative purchasing services. Rebranded in 2012 as Choice Partners, the cooperative traces its history as one of the first, if not the first, government cooperative in Texas.

As a division of a government agency and former school district, Choice Partners contracts are awarded by the HCDE governing board of

trustees. Interlocal government-to-government agreements are between HCDE and the government entity wishing to use the Choice Partners cooperative contract. Because Choice Partners is a division of Harris County Department of Education, it does not need an additional affiliation to make its operation legal. Some cooperatives are not based in a government entity, so must affiliate with one so they will have a government “lead agency.” Using that language, HCDE is the lead agency for Choice Partners.

HCDE merged their three procurement cooperatives into Choice Partners in 2012 to make purchasing even easier for their cooperative members. To optimize processes, Choice Facility Partners, HCDE Purchasing Cooperative and the Gulf Coast Food Co-op, were combined into Choice Partners national cooperative. Combining all contract procurement services for education, facilities, food, supplies and services, and technology makes it easy for client members to access the contracts they need.

Choice Partners national cooperative provides quality services, legal procurement and contract solutions for governmental entities, including school districts, private and charter schools, colleges and universities, municipalities, counties and nonprofits.

Dr. Jesus Amezcua  
Assistant Superintendent – Business Services  
Harris County Department of Education  
6300 Irvington Blvd.  
Houston, TX 77022

Dear Dr. Amezcua:

We sincerely appreciated and welcomed the opportunity to assist the Harris County Department of Education (HCDE) with this Primary Depository Bank Services Request for Proposals (the “RFP”) project.

The objective of this engagement was to select a primary depository bank following the expiration of the current contract which ends August 31, 2021. This agreement, when approved, will commence on September 1, 2021 and terminate on August 31, 2023. At the option of HCDE, the contract may be extended for three (3) additional two-year periods under the same terms and conditions for a possible total term of eight (8) years.

In addition to soliciting for the Primary Depository Bank Services, the RFP included Merchant Services Processing, Procurement Card Processing, and Payroll Card Processing, with the goal of having one financial institution as the provider of all services.

### **Solicitation Process**

The project began with the establishment of a calendar of events to ensure that the required project steps were performed in a timely and sequential manner.

The process for selecting a depository bank is governed by various State of Texas statutes, including: Texas Education Code, Chapter 45, Subchapter G School Department Depositories; Chapter 176 Conflict of Interest Act; Chapter 2256 Public Funds Investment Act; and Chapter 2257 Public Funds Collateral Act.

In addition to complying with these State statutory requirements, it was necessary to understand and comply with HCDE’s financial and purchasing policies and Investment Policy.

The RFP project was conducted as follows:

1. Analyzed historical bank service usage and balance records.
2. Reviewed the minimum banking services and potential additional services.
3. Developed a list of seventy-five (75) eligible financial institutions within HCDE’s service area.

4. Contacted each of the financial institutions to confirm distribution information, describe the process, and identify the designated recipient.
5. Drafted the RFP for Department review and approval.
6. Posted the notice and advertised the RFP.
7. Distributed RFPs to the identified and receptive financial institutions.
8. Held a non-mandatory pre-proposal conference that was attended by representatives of:
  - a. Bank OZK
  - b. Cadence Bank, N.A.
  - c. Capital One, N.A.
  - d. Frost Bank
  - e. Independent Financial
  - f. JPMorgan Chase Bank, N.A. (Incumbent)
  - g. Plains Capital Bank
  - h. Texas Gulf Bank, N.A.
  - i. The Moody National Bank
9. By the closing deadline, proposals were received from:
  - a. Bank OZK
  - b. Cadence Bank, N.A.
  - c. Frost Bank
  - d. Independent Financial
  - e. JPMorgan Chase Bank, N.A (Incumbent)
  - f. Plains Capital
  - g. Texas Gulf Bank, N.A.
10. No additional RFP responses were received as a result of the advertisement.

The evaluation of the proposals was based on, but not limited to, the following criteria:

<u>Criteria</u>	<u>Weight</u>
a. Interest rates offered on demand or time deposits	10
b. Cost of Services (charges for keeping Department accounts, records, and reports and furnishing checks)	20
c. Ability to provide the necessary services and perform the duties as Depository	25
d. Any other matter that in the judgement of the Board of Trustees would be to the best interest of the Department	5
e. Current and or past relationship with the Department	10
f. Collateralization policy and type of third-party institutional holding collateral	10
g. Automated and additional services offered and available, and	10
h. Funds availability and deposit and payment cut-off times	10

## Proposal Analysis

Proposal response analysis began with an overall review of each financial institution’s general financial strength and ability to provide the services necessary to meet HCDE’s current and future service needs. Each of the qualified responding financial institutions exhibited acceptable financial strength and the ability to provide services that HCDE requested.

The next step was to review each financial institution’s fee schedule, which was analyzed based on HCDE’s banking service needs and estimated activity levels. The table below summarizes the estimated monthly fee proposed by each institution, along with their proposed earnings credit rate, floor rates offered, if any, and the interest rates offered on balances:

Summary of Estimated Monthly Fees and ECR and Interest Rates							
	JPMorgan Chase Bank (BAFO)	Bank OZK	Cadence Bank	Frost Bank	Independent Financial	PlainsCapital Bank	Texas Gulf Bank
<b>Estimated Fees (Monthly)</b>	(\$1,369.00)	(\$1,438.00)	(\$1,374.00)	(\$2,414.00)	(\$1,238.00)	(\$1,209.00)	(\$1,928.00)
<b>Earnings Credit Rate</b>	0.23%	0.35%	0.75%	0.25%	0.00%	0.25%	0.01%
<b>Floor Rate</b>	None	None	None	None	None	Low end of FED Funds Target currently 0.25%	30 Day T-Bill No Floor Currently 0.01%

<b>Floor Rate</b>	None	None	None	None	None	0.10%	None

The following contract incentives were also incorporated into the overall cost of each institution’s proposal.

Contract Incentives							
<b>Estimated Waived Fees</b>	16,430	0	1,374	7,242	0	0	0
<b>Retention and or Incentive Offer</b>	0	0	0	2,500	0	0	0
<b>Tamperproof Bags &amp;</b>	0	0	0	0	0	500	0

HCDE staff conducted an additional analysis by assigning a weight to the listed criteria and evaluating the strength of each proposal against the listed criteria and assigned weights. The bottom line of the Table reflects the ranking of the proposals based on the staffs internal evaluation.

Based on the overall evaluation which covered, service capabilities, cost of services, interest rates, and incentives offered, JPMorgan Chase’s proposal was deemed the most advantageous to HCDE with an overall score of 88.27 points.

As the top finalist, the staff met with representatives of JPMorgan Chase to discuss possible adjustments to their proposal as a ‘best and final’ offer. As a result of that meeting, the team from JPMorgan Chase agreed to increase their offered Earnings Credit Rate to 0.23% and to extend the period of fee waivers from nine months to the first twelve months of the new contract, resulting in additional savings for HCDE.

The analysis below is for both the two (2) year initial contract term, and the full eight (8) year term which provides for the three (3) possible two-year extensions at the option of HCDE.

Note that the Frost proposal was considered to be non-responsive (NR) because they did not provide a fee schedule from which a meaningful estimate could be developed. Independent Financial does not offer Merchant Services Processing and did not offer a bid for that part of the requested services.

### Recommendation

As the incumbent, JPMorgan Chase has been a sound and stable business partner for HCDE over the past depository contract term and after all proposals were reviewed, HCDE is confident that they will continue to provide the highest level of service that HCDE has come to expect.

We concur with the staff recommendation that the Board of Trustees award the Primary Depository Bank Services contract to JPMorgan Chase Bank, N.A., which will include Merchant Services and Procurement Card processing, and authorize the Superintendent to execute the agreements necessary to implement the total banking relationship.

Upon approval, the new contract will commence on Sunday, September 1, 2021.

Please contact Dick Long, E.K. Hufstедler, Tom Ross or me to discuss any questions or additional information needs.

Thank you for this opportunity to serve the Harris County Department of Education.

Sincerely,

Tim Pinon  
Valley View Consulting, L.L.C.

**A RESOLUTION APPROVING ENGAGEMENT AGREEMENT FOR BOND COUNSEL AND APPROVAL OF OTHER MATTERS IN CONNECTION THEREWITH**

WHEREAS, the Harris County Department of Education (the “Issuer”) is considering issuing bonds or other obligations (“Bonds”) to pay the costs of one or more projects of the Issuer or the issuer’s public facilities corporation;

WHEREAS, the Board of Trustees of the Issuer (the “Board”) has determined that the Issuer should engage legal counsel that specializes in public finance and is well versed in federal tax law and federal securities law to provide bond counsel services to the Issuer in connection with the issuance of the Bonds;

WHEREAS, in this regard, the Board wishes to engage Orrick, Herrington & Sutcliffe LLP to provide bond counsel services pursuant to an engagement letter which includes a contingent fee payment provision under which payment of the fees for bond counsel shall be made at or immediately after the closing of the transaction for the issuance of the Bonds out of the proceeds of the Bonds; and

WHEREAS, pursuant to Section 2254.1036, Texas Government Code, the Issuer provided written notice to the public of the pendency of such contract, a copy of which is attached hereto as **Exhibit A** (the “Public Notice”).

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE HARRIS COUNTY DEPARTMENT OF EDUCATION THAT:

1. The recitals made in the Public Notice attached hereto as **Exhibit A** are hereby found to be true and are adopted as the findings of the Board.
2. The Board hereby further finds and declares: (i) there is a substantial need for the legal services to be provided by Orrick Herrington & Sutcliffe LLP; (ii) such legal services cannot be adequately performed by the attorneys and supporting personnel of the Issuer; and (iii) the legal services cannot reasonably be obtained from attorneys in private practice under a contract providing only for the payment of hourly fees, without regard to the outcome of the matter, because of the nature of the matter for which the services will be obtained and/or because the Issuer does not have funds to pay the estimated amounts required under a contract providing only for the payment of hourly fees.
3. Based on the foregoing, the Board hereby approves the Issuer entering into an engagement letter with a contingent fee payment provision with Orrick Herrington & Sutcliffe LLP in substantially the form presented to the Board, and authorizes the President of the Board of Trustees or such person’s designee, on behalf of the Issuer, to execute and deliver such engagement letter.
4. It is officially found, determined and declared that the meeting at which this resolution was adopted was open to the public and public notice of the time, place, and subject matter of this meeting and the notice required by Section 2254.1036, Texas Government Code, was given, all as required by Chapter 551, Texas Government Code.

5. This resolution shall be in force and effect from and after its final passage, and it is so resolved.

### PUBLIC NOTICE

At its meeting to be held at 6300 Irvington Boulevard in Houston, Texas on July 21, 2021, at 1:00 p.m., the Board of Trustees of the Harris County Department of Education (the "Issuer") will consider engaging Orrick Herrington Sutcliffe LLP ("Orrick") as bond counsel in connection with issuances of bonds or other obligations of the Issuer and the Issuer's public facilities corporation ("Bonds").

Pursuant to Section 2254.1036, Texas Government Code, the following written notice is given to the public:

1. The reason for pursuing issuance of Bonds (the matter that is the subject of the legal services for which Orrick would be retained) is to finance one or more projects or infrastructure improvements of the Issuer. The desired outcome of the matter is to issue Bonds in accordance with state, federal tax and securities law.
2. Orrick is a nationally recognized bond counsel firm specializing in the field of municipal finance law and it is among the largest municipal finance law firms in the nation. Orrick has advised thousands of clients on federal securities and tax matters in connection with the issuance of bonds and otherwise.
3. Orrick has previously served as Bond Counsel to the Issuer and the Issuer's public facilities corporation.
4. The Issuer does not have attorneys and/or supporting personnel who can perform this legal work.
5. The Issuer cannot reasonably engage attorneys for bond counsel services under hourly fee contracts without contingency because then the Issuer would have to pay such bond counsel fees from the Issuer's unrestricted general funds or, if any, other legally available funds, regardless of whether the Bonds are successfully issued, and such funds are limited and needed for other uses.
6. Contingency fee payment arrangements for bond counsel services would be in the best interest of the residents of the Issuer because the fees are fixed and only become due and payable when Bonds are successfully issued.

I hereby certify that the above public notice of Harris County Department of Education was posted in accordance with the Texas Open Meetings Act (Chapter 551 of the Texas Government Code) on or before July 17, 2021.

# Harris County Department of Education

June 15<sup>th</sup>, 2021

Members of the Board of Trustees  
Harris County Department of Education

6300 Irvington Boulevard  
Houston, Texas 77022

Dear Trustees:

We are pleased to present the Harris County Department of Education's (the Department or "HCDE") Annual Budget for fiscal year 2021-2022. This budget presents the Department's financial and operations plan.

## Introduction

In accordance with State requirements, we are presenting our projected budget to the Board of Trustees and to the Harris County community. We encourage you and our citizens to engage in positive dialogue in fine tuning our budget proposal. Given the limited resources, our staff has developed a financial plan for the 2021-2022 General Fund, Debt Service Fund, Enterprise Fund, Capital Projects Fund, and Internal Service Fund Budgets. The development, review, and consideration of the 2021-2022 budget were completed with a detailed review of every revenue and expenditure item within the context of the Department's mission, goals, and financial policies. This document provides information on each of the fund budgets. In addition, we also provide information about our projected grants, which are accounted as Special Revenue Funds.

The primary purpose of this document is to provide timely and useful information concerning the past, current, and projected financial status of the Department, to facilitate financial decisions that support the educational goals of the Department. This budget's focus is the improvement of HCDE divisions with the fiscal resources available to the Department. This budget addresses the essential needs of the Department by directing resources to those areas that will assist our staff in carrying out the mission of HCDE.

With this budget, we are continuing to use our performance-based budgeting model. Our conservative process focuses on evaluating programs and initiatives for efficiencies while considering current resources. Moreover, two variables are then reviewed during our SWOT Analysis Review (Strengths, Weaknesses, Opportunities & Threats Analysis), which includes (1) to determine the fee structure for our clients and the (2) level of taxation based on the property values projected to be received from the Harris County Appraisal District.

**James Colbert, Jr.**  
County Superintendent

### Board of Trustees

**Danyahel (Danny) Norris**  
President

**Richard Cantu**  
Vice President

**Andrea Duhon**  
Second Vice President

**David W. Brown**

**Erica Davis**

**Eric Dick**

**Amy Flores Hinojosa**

The HCDE Accountability System has been used as the basis for this performance-based budgeting model. This is the thirteenth year using goals, objectives, and performance measures to plan the budget. This budget document is the first step towards achieving these goals. It includes sound, prudent fiscal policies that will ensure the continuity of the Department.

## **About Harris County Department of Education**

Harris County Department of Education (HCDE), one source for all learners, is a highly successful educational resource in the Houston Metroplex, is a nonprofit tax-assisted organization dedicated to the equalization of educational opportunity and to the advancement of public schools. HCDE has been serving the county's public schools for 132 years.

HCDE is in Harris County in the upper Gulf Coast region of Texas, approximately 50 miles from the Gulf of Mexico. Harris County, Texas with 4.7 million people, is the third most populous county in the United States and houses the fourth largest city in the Country. Harris County's population base includes a wide variety of racial, ethnic, and socio-economic groups that give the area a rich diversity and cosmopolitan feel. In Texas, the second largest county is Dallas with 2.62 million people.

Harris County and the Houston metropolitan area comprise a leading region of business development in the nation. Houston continues to be a leader in oil and gas, aerospace, industrial engineering, and medical research, but diversification is fueling the local economy. The County's major hospitals, many of these concentrated just south of downtown Houston in the Texas Medical Center, offer world-class facilities for general and specialized medical needs. Houston is the fourth largest city in the nation and is a leader in numerous industries including oil & gas, manufacturing, healthcare services and engineering.

There are 25 public school districts located either entirely or partially within Harris County, as well as charter, private, and parochial schools. HCDE impacts the educational community through visionary leadership, shared resources, and innovative programs.

### HCDE Mission Statement

Harris County Department of Education supports Harris County by enriching educational opportunities and providing value through services.

### **Department Goals:**

1. Impact education by responding to the evolving needs of Harris County.
2. Deliver value to Harris County by utilizing resources in an ethical, transparent, and fiscally responsible manner.
3. Advocate for all learners by using innovative methods to maximize students' potential.
4. Provide cost-savings to school districts by leveraging tax dollars.
5. Recruit and maintain high-quality staff.

In the reaching of these goals, HCDE is a public entity dedicated to helping meet the needs of uniquely challenged learners and school staff through innovative programing and support services. HCDE directly serves approximately 135,000 students with four alternative campuses, therapy services provided in local schools, 14 Head Start centers for early childhood education, after-school programming in dozens of community and school settings, the largest Adult education program in Texas, and other programs. HCDE also supports educators and staff through a diversity of programs and operational support, which will be presented in more details in this document.

Each HCDE Division has objectives directly associated with the Department's goals, that are measured annually by the HCDE Accountability System. The Performance Measures are in four constructs:

1. Service Delivery
2. Client Satisfaction
3. Compliance
4. Financial Objectives

## **Budget Process and Significant Changes**

### **Legal Requirements in Preparing the Budget**

The Texas Education Code requires that a local education agency prepare a budget of anticipated expenditures and revenues on or before August 20<sup>th</sup>. The Board is required to adopt a budget before August 31<sup>st</sup>. The budget must be itemized in detail according to classification (object) and purpose of expenditure (function) and be prepared according to General Accepted Accounting Principles.

The budget must be legally adopted before the adoption of the tax rate. The president of the Board of Trustees must call a public meeting of the Board of Trustees giving ten days public notice in a newspaper for the adoption of the budget. Any taxpayer within the Department's taxing authority, may be present and participate in the meeting. The budget must be adopted by the Board of Trustees, inclusive of budget amendments no later than August 31<sup>st</sup>.

### **Budget Development Process**

The budget development process comprises three stages: planning, preparation, and evaluation. The first phase, planning, involves defining the mission, goals, and objectives of campuses, divisions, and the Department. This initial phase took place from September 2020 and lasted until the middle of January 2021.

Once these plans and programs have been established, the preparation phase of budgeting begins by allocating resources to support them. This phase took place the second quarter 2021 with several training sessions. Every division started assigning resources and gathering the data.

Evaluation is the last step of the Department's budget cycle, in which information is compiled and analyzed to assess the performance of each individual division and campus, as well as the Department as a whole. During April and May, the data was analyzed, organized, and summarized in the Board Budget Committee Workbook. After several meetings, evaluations, and adjustments, the Administration prepared a Board Budget Book that was presented to the Board Budget Committee during three hearings that will take place on June 15<sup>th</sup>, and July 14<sup>th</sup>, 2021.

The Human Resources Department played an important role assisting the Business Support Services in the budget process as they developed salary budgets utilizing established staffing guidelines. On July 21<sup>th</sup>, the Board of Trustees will be presented with a final proposal for adoption and to be implemented on September 1<sup>st</sup>, 2021.

### **Amending the Budget**

A budget is an estimate of planned expenditures and expected revenues. Many changes can take place between estimating for the proposed budget in March and April and the start of the new fiscal year in September. Program and operational changes will mean budget changes. These changes to the budget are made in the form of budget amendments. Any increase or decrease in the budget expenditures requires board approval. Changes to revenues also require budget adjustments before the end of the year. All other changes are submitted by divisions and campuses to the Business Support Services for review and processing.

### **COVID19 Impact**

On March 9, 2020, the Department was scheduled to go on Spring Break, and it was preparing to develop the budget projections for the next year, and the news of a widespread pandemic hit the Nation. The President of the United States declared an Emergency Disaster situation across the US, and in Texas, the Governor implemented a stay home mandate for the state. The Department staff did not return from the spring break, and everyone was asked to go on emergency leave pending guidance from the federal, state, and local authorities. Soon thereafter, the staff was asked to work from home and be available for

meetings via TEAMS, ZOOM and other communication means. Work from support divisions continued from home, and service division began to provide alternative services to districts and students via ZOOM and distance learning. HCDE staff returned to work from the office in July 2<sup>nd</sup>, 2021. Operations continued as normal on the General Fund activities and all Special Revenue grants administered by HCDE. Keeping all the restriction in distancing, wearing masks and all other preventive measures, the Department went through the budget review process by holding meetings with Division Directors in a socially distanced conference room. Clients have been in close contact with our Divisions, and all indications are that contracts are projected to be renewed at higher levels of services. To address the potential loss of revenues this year and next year, the Department is looking at developing new plans and projections to include utilizing the revenue and tax projections to meet budget needs for the new year.

## **Initiatives for FY 21-22**

In meeting the goals and objectives of the Board of Trustees, the Superintendent has implemented several new initiatives that will enhance the relations with school districts while maintaining a positive business model. Fiscal results and projections include this new planned objective, and the major initiatives include a focus of six major enhancements to program and services to include:

1. Maintaining a positive business model while delivering high quality services.
2. Enhancing HCDE's Special Schools by investing in talent and recruitment.
3. Invest in talent and recruitment and establish a \$15 minimum rate per hour.
4. Invest in enhancing marketing strategies and the campaign awareness.
5. Developing major capital projects to continue to serve HCDE clients.
6. Continuing our competitive edge to enhance services to school districts.

To this objective, our financial plan encompasses the major elements: (1) the enhancement of local revenues through projected contract commitments that will be presented to the Board during the summer, (2) a review and implementation of program-based budgeting to seek internal efficiencies and budget reductions, (3) the recommendation of competitive salaries and (4) tax revenues due to the adoption of a rate of \$.004993 per \$100 valuation.

Included in the budget are 7.5 new positions aimed at enhancing our capabilities to meet the client needs and enhance our fee revenue stream for Therapy Services, Adult Education, and Head Start Program.

In specific, our operations plan includes the following program enhancements:

1. Wage increase: 2% for all employees. HCDE plans to recruit, hire, and retain high quality staff to be able to provide the best services available in the marketplace.
2. HCDE implemented a wellness program aimed at improving the health of HCDE staff. This program is nutrition-based program designed to promote healthy habits. The projected costs for FY22 is \$35,000.
3. School Based Therapy Program will receive additional 1.5 FTE to increase the level of service to School Districts around the County. The cost is \$133,254.
4. Two grant funded positions for instructional coaching for the Head Start program were recommended. The cost associated is \$138,602.
5. Adult Education will grow in operations and it will require the hiring of 4 FTEs. The cost of the position will be funded by the Adult Ed Grant. The cost is \$248,499.
6. HCDE will continue the marketing strategy and awareness campaign as started the previous year. It will include \$1 Million in the Budget.
7. The Department has also included an appropriation for the lobbying cost commitment previously approved by the Board of Trustees. The cost is \$276,000.
8. Balanced Budget: The proposed budget is balanced for on-going operations, and it is projected that the Department will invest part of its fund balance to implement a capital improvement program. All expenditures will be covered with the revenues generated during the year except for the one-time costs. For more detail see section number 7 below, and in the Capital Expenditure section.
9. A Capital Improvement Plan Phase One is proposed to be implemented. The following projects are proposed:

- a. Administration and Conference Center HVAC replacement for \$477,000.
  - b. Conference Center change in partitions for \$264,000, and
  - c. Replacement of Computers and IT Equipment for \$380,000.
10. A Star Re-Imagined Initiative was aimed at implementing pilot programs that will enhance the footprint of HCDE by rethinking the way we do things. For FY22 \$320,087 will be used across 10 divisions and 15 requests.
11. Planned one-time expenditures from the General Fund balance totaling \$3,201,303 as follows:
- |   |                    |
|---|--------------------|
| Debt Service Transfer for future payments- CIP Plan   | \$610,216          |
| Capital Improvement Plan - Buildings                  | 741,000            |
| Capital Improvement Plan - Equipment                  | 380,000            |
| Star Re-Imagined Program                              | 320,087            |
| Head Start Transfer                                   | 600,000            |
| Education Foundation                                  | 400,000            |
| Retirement benefit                                    | 150,000            |
| Total fund balance capital expenditure appropriations | <u>\$3,201,303</u> |
12. The budget is predicated on adopting a tax rate that will bring in more revenue to address revenue loss and implementation of new initiatives such as the campaign awareness and costs associated with talent recruitment and compensation plan starting at \$15 per hour. The estimated tax rate of \$.0049930 is proposed, and this is the same rate used last year and is expected to be below the voter-approval tax rate ("VAR"). Public hearings and notices will be required to adopt the tax rate. This rate is key to the funding of the operations plan for the current year.

### Summary of Proposed Budgets

The Department utilizes Governmental, Proprietary, and Fiduciary fund types. The Department's Governmental fund types are comprised of General Funds, Special Revenue Funds, Debt Service Funds, and Capital Projects Funds. The Proprietary Fund types include the Internal Service Fund and the Enterprise Fund. The Enterprise Fund includes the Choice Partners. The Fiduciary fund types include Agency Funds. It is important to note that the Department approves the annual budgets for the General Fund, Internal Service Fund, Debt Service Fund and Capital Project Funds. Agency (Custodial) Funds and Special Revenue Funds adopt project-length budgets which do not correspond to the Department's fiscal year end. As the notice of grant awards are received, these are presented for Board approval.

The Department's Proprietary Funds are the Internal Service Fund and the Enterprise Fund. The Internal Service Fund consists of two funds: The Worker's Compensation Fund and the Facilities Support Charges. For the Worker's Compensation Fund, the Department participated in a partially self-funded pool, originally approved by the Board in the fiscal year 2005. Since 2016-2017, the Department moved to a fully funded program. Claims administration, loss control, and consultant services will be provided for worker's compensation insurance company and a third-party administrator will handle the run-off claims from the previous self-insurance plan.

## Balanced Budget

Per CE Local Policy, the operating budget requires a balanced budget. This means that for each fund, expenditures are not to exceed revenues plus projected one-time use fund balances. If the fund balance is used, this cost must be a one-time cost and not recurring (i.e., capital expenditures). The Department is projecting a balanced budget for fiscal year 2021-2022. Expenditures plus other financing uses total \$62,390,032. Revenues equal \$59,188,729. One-time costs total \$3,201,303, from which technology equipment totals \$380,000, Education Foundation program for \$400,000, construction projects total \$741,000, debt service payment from General Fund for \$610,216, Head Start transfer for \$600,000, Star Re-Imagined Campaign for \$320,087, and retirement benefits from Fund Balance for \$150,000. We believe that the budget represents a fiscally responsible and conservative approach to the needs of the Department within the available funds. The chart below shows a historical summary and forecast of the General Fund.

For fiscal year 2023 to 2027 forecasted figures the trend includes 3% growth increase in Revenues and 2% at expenditures. A more detailed projection can be found at the Financial Section.

## Projected Fund Balance

We are projecting that the fiscal year 2021-2022 ending fund balance will be \$17,920,191. This represents a decrease of \$3,201,303 from the projected 2020-2021 ending fund balance. The use of fund balance is for planned appropriations that are one time in nature (i.e., construction projects and capital outlay). It is the policy of the Department to maintain an unassigned fund balance equivalent to a minimum of two months of operations costs. Currently, the Department projects the desired fund balance. According to our five-year forecast, the Department will have sufficient funds to meet the CE local policy requirements but may need additional cash to fund the Special Revenue Fund since they work on a reimbursement basis.

## About the 2021-2022 Department Budget

Below are highlights of the Department that will provide you with a general overview of the basis of our assumptions and projections for the coming 2021-2022 fiscal year. To prepare the annual budget, HCDE develops projections for taxable value, collection rate, and expenditure levels.

## Appropriation Levels

**General Operating Fund** –The 2021-2022 appropriation levels for the General Operating Fund are projected at \$56,940,944 and estimated other uses (transfers to other funds and one-time cost at \$5,449,088, for a total of \$62,390,032; this represents a decrease of 10% or \$6,947,126 from 2020-2021 amended budget.

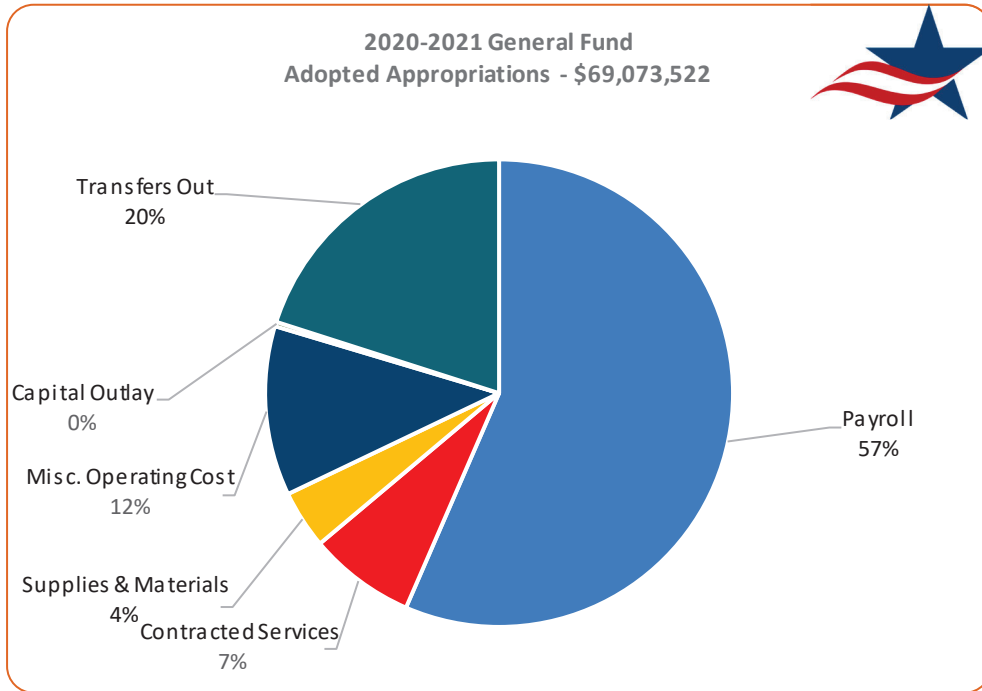

The 2021-2022 budget includes a 2% salary increase for all employees. The budget process was representative of the economic environment. A series of budget meetings and reviews were conducted by the Superintendent and the Budget Committee to achieve this budget. Transfers-out to other funds amounted to \$5,449,088 for fiscal year 2021-2022 mainly due to the additional participation of the General Fund in the construction projects to upgrade existing facilities, Star Re-Imagine project, and debt service contributions from General Fund for the new bonds.

**Debt Service Fund** – The Department budgeted \$4,446,773 in appropriations for fiscal year 2021-2022. Resources in the Debt Service Fund must be used to pay for general long-term debt principal and interest for debt issues and other long-term debts for which revenues are dedicated from the General Fund. A transfer is projected from the General Fund to the Debt Service Fund in the amount of \$2,857,214. Also, there will be a revenue addition for the contribution of the balances remaining in Bank of Texas accounts to debt service for \$953,005. Currently the Department has approximately \$52 million in debt including:

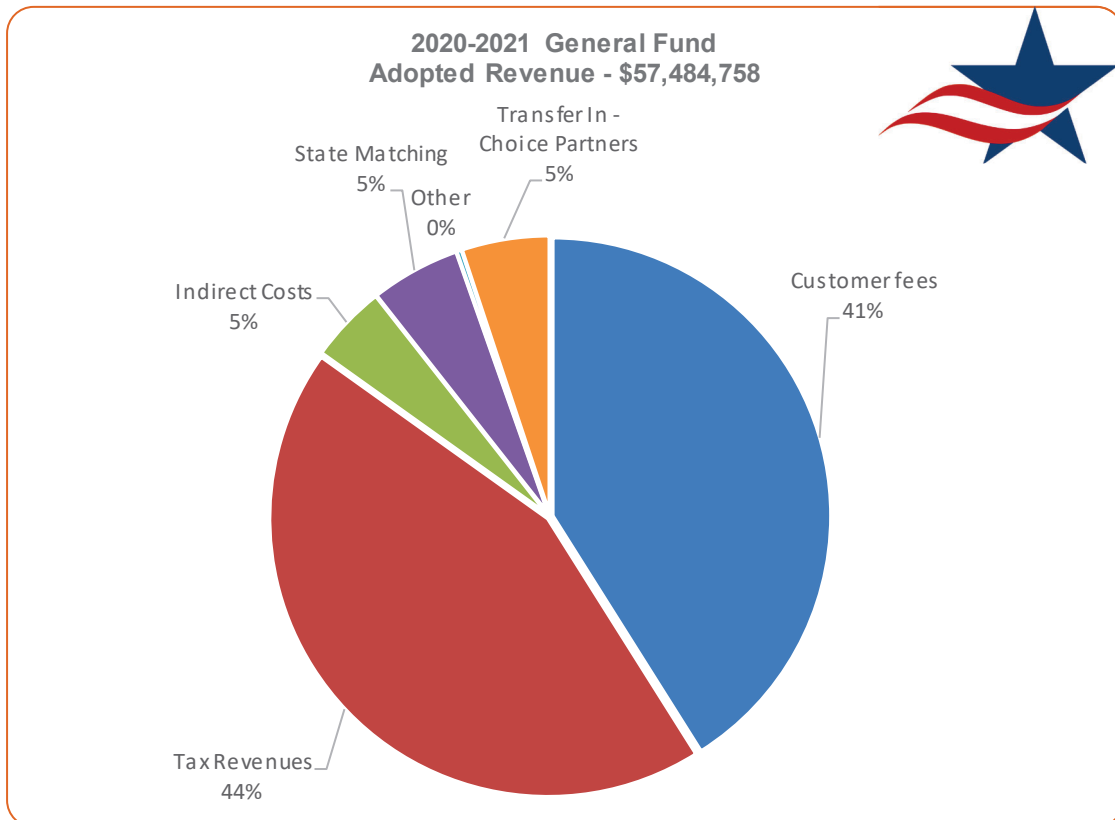

- PFC Lease Revenue bonds for \$27 million issued for the construction of the 2020 Capital improvement Plan that included new buildings for HP East, AB East, Adult Education Center. For these projects, the General Fund contributed \$5.7 million.

For fiscal year 2021-2022, the Department’s appropriation is \$48,233,919. The Department provides information to the Board of Trustees on all Department grants, as the Notice of Grant Awards (NOGA) are received, the estimated revenues and appropriations are adjusted to reflect the awarded grant budget. These grants have restrictions placed by grantors.

**Revenue Levels**

Revenue estimates are based upon a variety of demographic and tax information. Proposed revenue from the two major sources, customer fees and local property taxes, are critical to the budget.

The following charts present the adopted revenue levels for fiscal year 2020-2021 and the proposed revenues for fiscal year 2021-2022.

The Department estimates total General Operating Fund revenues of \$59,188,729 for the 2021-2022 fiscal year. Customer fees are projected to be \$22,145,627 or 37% of the estimated revenues. Tax revenues are projected to be \$26,528,250 or 45% of the estimated revenues. The remaining 18% of the revenues are indirect costs at \$2,790,440; state funding \$3,620,000, transfer in from Choice Partners Fund of \$4,054,412 and other revenues at \$50,000.

The recommended budget includes an increase in revenues of 3% from the amended fiscal year 2020-2021 budget for the General Fund.

## Local Revenues

Local revenues are projected to increase by 1%. Revenues from current year customer fees are expected to decrease by 6.2% from an amended budget of \$23,601,006 in fiscal year 2020-2021 to a projected \$22,145,627 for fiscal year 2021-2022. HCDE has not increased the rates and additional contracted seats at the special schools, no increment in the service rates from Records Management, Therapy division, and the Center for Safe and Secure Schools, and a reduction in rates from Educator Certification and Advancement Division for fiscal year 2021-2022. In addition, the Department anticipates a 5% increase change in tax revenues from \$25,326,432 in fiscal year 2020-2021 to \$26,528,250 in fiscal year 2021-2022 due to the increase in property values and the adopted tax rate. A 3.8% increase in values is projected based on the preliminary estimate from the Harris County Appraisal District. Also, a 99% collection was used in projecting revenues for fiscal year 2021-2022, and it is expected that this rate will be realized for the fiscal year.

**Tax Rate** – Effective January 1<sup>st</sup>, 2020, the State Legislature approved SB3 that included change in terminology for tax rates and tax rate calculations. The new terminology is as follows: Effective Tax Rate – Now called “No-New-Revenue Tax Rate”. Roll Back Tax Rate – Now called “Voter Approval Tax Rate”. In addition, the calculation was changed as the new law requires to use the average of three-year collection rates.

Based on the taxable value, the Department must project the level of taxation that will generate adequate funds to provide for funds to meet Department obligations while keeping in mind the ability of local taxpayers to pay their taxes. The Harris County Tax Office will calculate the no-new-revenue tax rate (“NNRR”), formerly called the effective tax rate. The NNRR was projected at \$.004955 for fiscal year 2020-2021. We expect the proposed tax rate will be below the voter approved rate (VAR) for fiscal year 2021-2022.

Throughout the budget process, we used the current tax rate and the projected values to estimate the level of local effort. Upon receiving the certified values and the NNRR calculation from the Harris County Tax Assessor – Collector, the tax rate proposal will be developed and presented to the board in accordance with the truth in taxation law. Current revenue projections and tax rates are based on projected values and current rates. Projections will be recalculated in accordance with State tax regulations.

**Taxable Value** – The Harris County Appraisal District certifies the taxable value from which the Department begins to develop the estimates for local tax revenues. The 2019 certified valuations of net taxable value for the 2020-2021 fiscal year are \$505,450,987,981 (based on HCAD report updated 4/30/20). The 2021 Preliminary Estimate is \$513,616,649,590 (based on HCAD letter dated 4/30/21), which is an increase of \$8,165,661,609 or 1.61%. For fiscal year 2021-2022 the appraised values were estimated at \$525 billion considering a larger increase of new property added, which represents a 3.81% increase. The adjacent chart illustrates the 10-year taxable value history of the Department. For fiscal year 2021-2022 to 2024-2025, the Department projects a 3% growth on appraised values due to the positive economic impact in the region and value growth.

**Tax Collections** – The collections percentage used to estimate the tax revenues is 99%; the Department’s tax collections goal is 99%. This is a realistic approach given the trend of the Department’s collections effort and the projected tax increase.

## HCDE Property Values and Tax Rates

In the chart above, the tax rate has been reducing as the property values for the Harris County have increased. As the population in the Harris County has grown, new areas have been developed with new construction and new businesses.

### Other Tax Revenues

The Department does not have any other local taxes or collections. Harris County Department of Education does not receive sales tax, franchise taxes or any other taxes. It does charge fees for services for various activities. The following are general fee charges by the various divisions.

### Fees for services

**School based therapy services** are provided to school districts which contract with HCDE to provide occupational therapists. The rates based are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$380 to \$532 per day. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There was no increase in fees compared to last year's fees.

**Special school services** are provided to school district which contract with HCDE to provide services for students with behavioral and disability issues. The rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$6,250 (Fortis – In County) to \$23,853 (AB Schools – Out of County) per year. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There was no increase in fees compared to last year's fees.

**Records management services** are provided to school districts which contract with HCDE to provide services to safe keeping documents and records. Rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$.24 to .26 cents per box, \$.25 cents per month for tape or film. Rates are lower for educational entities, and other out of County or non-educational entities require a 15% to 25% margin to reduce the cost of providing services to ISDs. There was no increase in fees compared to last year's fees.

**Teaching and Learning Center services** are provided to school districts which contract with HCDE to provide digital training and course development. The rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$850 to \$2,497 depending on the scope of work. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There was no increase in fees compared to last year's fees.

**Safe and Secure School services** are provided to school districts which contract with HCDE to provide facility audits. The rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$1,200 to \$2,500 per school. There was no increase in fees compared to last year's fees.

**Certification and Training Services** are provided to individuals seeking certification in the areas of teaching, principalship and superintendency. The rates for the previous fiscal year ranged from \$4,400 to \$6,595 per individual per program, for FY22 the proposed rates will range between \$2,650 to \$3,000 per individual per program. There was a decrease in fees compared to last year's fees.

### **Enterprise Activity**

**Cooperative procurement services** are provided to school districts which contract with HCDE and participate in the national cooperative – Choice Partners. The rates are paid by the vendors based on the type of commodity. The fees range from 1% to 4%. The sustainability of this model has been identified a self-sustaining activity which provides revenue to the General Fund and supports Department activities for grants and other services.

### **Other Local Revenue Sources**

The Department has other sources of revenue. For Fiscal Year 2021-2022 the only source of other revenue is interest. Interest revenues are estimated in \$50,000.

The following chart presents the tax revenues collected in the last ten years.

### Other 2021-2022 HCDE Budget Highlights

#### Salary Increase –

The proposed budget includes a \$15 an hour minimum compensation plan and a 2% for all employees for General Fund, Facilities and Enterprise employees. HCDE plans to recruit, hire, and retain high quality staff to be able to provide the best services available in the marketplace. The new beginning teacher salary will be \$62,800 which is expected to be at the highest level for the region. Grant employees are only included in the increase if the grant can absorb the cost. For the Head Start Program, a \$300,000 additional transfer from General Fund will be required for FY 22 to implement the \$15 minimum compensation plan.

#### Other Payroll Highlights –

Additionally, included in the budget are 7.5 new positions which included 1.5 therapists for the School Based Therapy Division, 2 Instructional Coaches for Head Start and 4 FTE for Adult Education.

#### Workers Compensation Insurance –

Note: To reflect the actual events of the construction projects during fiscal year 2020-2121 the amended numbers were also adjusted to reflect expenditures over multiple years.

**Going forward beyond fiscal year 2021-2022**

Estimated revenues and appropriations for the next five years will depend on the ability for HCDE to remain implementing a positive business model that will maximize fee structure, grant resources, and

leverage local tax dollars. The ability to remain competitive in the market relies on maintaining a knowledgeable and expert work force, safe and secured facilities, 21<sup>st</sup> century technology, and relevant program and services that client districts and governmental entities need and seek from HCDE.

The future financial situation of HCDE would be the result of the collective Department effort to become a major player in three areas: **(1) Therapy Services:** HCDE's objective is to become the best source of therapy services for the schools in Harris County by offering competitive rates and top of the line services; **(2) Special Schools:** HCDE provides excellent services in schools designed to provide education to students with special needs. HCDE looks forward to expanding its clientele to new schools in other areas of the Harris County, such is the case of the Fortis Academy; **(3) Choice Partners:** HCDE provides benefit to school districts in Harris County and other clients by complying with the procurement requirements and vendors in all service areas. Out of every transaction, the vendors that supply Choice Partners members pay a commission as revenue for Choice. After Choice expenses are covered, the remaining excess is transferred to the General Fund to fund HCDE programs that benefit our community and students.

One of HCDE main goals is recruiting, hiring, and retaining high quality staff. Regarding personnel staffing trends, HCDE maintains the minimum level of staff required to provide good quality services. The HCDE advantage is that can utilize tax revenues to provide quality services.

## FY 2021-2022 Budget Book

### Salary Schedule Procedures

## Compensation Philosophy Statement

The Superintendent shall develop and recommend a pay system for all Department personnel to the Board of Trustees for adoption. The pay system shall be designed to provide appropriate pay for the assessed worth of jobs. The system shall consist of pay range structures for the following employee groups: management, professional, certified instructional, clerical/paraprofessional, and technical. The system shall be designed and administered to accomplish the following:

- Remain competitive with appropriate labor markets for the various categories of personnel.
- Recognize the levels of skill, effort, and responsibility required of different jobs.
- Be fiscally controlled and cost effective.

## Administrative Procedures

### 1.0 Description Pay Systems

#### *1.1 Purpose and Authority*

Employee pay systems are designed and administered for the purpose of attracting and retaining qualified employees to achieve the goals of the Department. The Superintendent is responsible for the development, maintenance, and administration of employee pay systems in accordance with Board policies and administrative procedures.

#### *1.2 Minimum Pay Requirements*

Certified classroom teachers, librarians, registered nurses, and counselors will be paid no less than the state minimum salary schedule based on creditable experience. Experience will be credited according to the commissioner's rules on creditable service (19 TAC 153.1021). Local salaries for these employees will be determined annually after Board approval of the pay increase budget. Non-exempt employees will be paid no less than the current minimum wage in accordance with the federal Fair Labor Standards Act (FLSA).

#### *1.3 Pay Plans*

The Department will maintain position classification and pay range structures for all jobs. Jobs will be grouped into position classifications and pay range structures in the following categories: (1) managers, (2) professionals, (3) certified teachers, (4) clerical and paraprofessional, (5) maintenance and operations, and (6) technical.

Each job will be assigned to a pay grade that determines the minimum to maximum pay range for the position. Pay ranges are set to be competitive with the relevant job market for benchmark positions. Jobs are assigned to pay grades on the basis of the following factors: (1) job

qualifications and required skills; (2) job duties and responsibilities defined by the Department; and (3) competitive job market prices.

No employee will be paid more than the maximum rate for his/her pay grade unless the employee was earning more than that amount prior to the adoption of the pay plan. Pay ranges are reviewed annually and should be adjusted as needed. Employee salaries will advance through the pay range based upon the general pay increase budget approved by the Board each year.

## 2.0 Job Classification

### ***2.1 Purpose and Authority***

Job classification determines the assigned pay range for a job. Job classification is based on an assessment of job requirements and assigned duties. Jobs are compared and classified on the basis of the following factors: knowledge and skill requirements, complexity of assigned duties, job accountability, and working conditions. The Human Resources division will collect job information, evaluate jobs for classification purposes, and recommend pay-grade assignments. The Superintendent has final authority concerning job classifications.

### ***2.2 Reclassification of Current Positions***

A job reclassification occurs when the same position is moved to a higher or lower pay grade. An upward or downward job reclassification will result in greater or lesser potential for pay advancement over time. Jobs may be reclassified for a number of different reasons. Those reasons include a significant and sustained increase or decrease in job duties and responsibilities assigned by the supervisor, a need to improve internal pay equity with other related jobs, or a significant change in the external job market.

### ***2.3 Salary Adjustments for Job Reclassification***

- If the job is reclassified upward due to a significant and sustained increase in assigned job duties and responsibilities, the reclassification will be treated as a promotion. Refer to procedures on promotion increases (section 8.2).
- If the job is reclassified to improve internal equity with other related jobs and there is no significant and sustained increase in assigned duties, there will be no immediate pay increase. Future earnings will be higher as a result of placement in a higher pay range. Employees will not be paid less than the minimum of the new pay range.
- If the job is reclassified due to a change in the external job market, special equity adjustments may be made at the direction of the Superintendent. Refer to procedures on individual equity adjustments (section 6.0).
- If the job is reclassified downward due to a decrease in duties and responsibilities assigned, the employee's pay may be reduced at the direction of the Superintendent. In this case, the reclassification will be treated as a demotion. Refer to procedures on pay adjustments for demotion (section 9.2).

### ***2.4 Procedures for Job Classification Review***

Review of job classifications must be initiated by the job supervisor. Reviews will be conducted as

follows:

1. The immediate supervisor may request a job classification review according to the schedule and procedures designated by the Human Resources division.
2. The supervisor must submit a completed reclassification request form to the Human Resources division.
3. The Human Resources division will review the request form, obtaining additional job information if necessary. Additional information may be obtained by requesting a job analysis questionnaire, by interviewing the supervisor and/or employee(s), or by visiting the work site for observation.
4. The Human Resources division will re-evaluate the job against other benchmark jobs using standard compensable job factors.
5. The Human Resources division will prepare a written recommendation for pay grade assignment for the Superintendent's review.
6. The Human Resources division will notify the supervisor and the employee of the pay grade assignment after the Superintendent's review and approval.

### ***2.5 Classification of New Positions***

New positions must have a written job description. The Human Resources division will recommend to the Superintendent the pay grade classification of new positions based on the job description and consultation with the job supervisor. New positions must be classified in the pay system prior to hiring new employees.

## **3.0 Base Pay for Exempt and Non-exempt Employees**

### ***3.1 Classification of Positions as Exempt or Non-exempt***

All jobs will be classified as exempt or non-exempt in accordance with the requirements of the federal Fair Labor Standards Act (FLSA). The Human Resources division will determine the classification of each position based on a description of assigned job duties and the method of compensation. In order to be exempt, the employee's primary duties must fall under one of three types of exemption: executive, administrative, or professional, as defined under the FLSA, and the employee must be compensated on a salary basis. All employees who do not meet the legal requirements for exemption are classified as non-exempt.

### ***3.2 Salary Basis***

All full-time employees are paid on a salary basis for their annual employment period. Payment on a salary basis means that employees are paid a fixed sum for the job, which amount is paid out in equal installments. Exempt employees do not receive overtime compensation. Employees who are non-exempt will receive overtime compensation as described in section 4.0.

### ***3.3 Prorating Pay for Reduced Work Year***

Salaries will be adjusted proportionately for employees who work less than full time or less than a full year.

## **4.0 Overtime Compensation**

### ***4.1 Overtime Defined***

Non-exempt employees who work more than 40 hours in a workweek of seven consecutive days

are entitled to overtime compensation for time worked over 40 hours. Exempt employees (i.e., professional, administrative, and executive) are not entitled to overtime compensation. An employee's regular work schedule may be adjusted during the week to limit or eliminate overtime. The Department's workweek begins at 12:01 a.m. on Monday and ends at 12:00 midnight on the following Sunday. Overtime must be paid or accrued as compensatory time on the regular payday for the period in which the overtime workweek ended. Every workweek stands alone and different workweeks cannot be consolidated or averaged.

#### ***4.2 Time Records***

Weekly time records will be maintained on all non-exempt personnel on forms approved by the Department. Records will indicate all hours worked each week, including compensatory time earned and used. Weekly time records must be verified by the supervisor and submitted to payroll on designated dates. Official weekly time records shall be maintained in the central payroll office for all non-exempt personnel. All payroll records, including time records, shall be maintained for a period of three years, and shall be made available for inspection by government authorities on request. Failure to maintain accurate records of hours worked may result in disciplinary actions.

#### ***4.3 Authorization of Overtime***

All overtime worked must be approved by a supervisor in advance. Supervisors are responsible for preventing unauthorized overtime. Employees who work unauthorized overtime may be subject to disciplinary action. Supervisors of non-exempt employees must ensure that employees understand how they will be compensated for overtime (compensatory time off or cash) prior to the employee working overtime hours. Overtime pay requirements cannot be waived by voluntary agreement between the Department and the employee and the employee cannot "donate" overtime or agree to be paid at reduced rates.

#### ***4.4 Compensation for Overtime***

Compensation for overtime hours will be awarded at 1½ times the regular rate. Compensation may be given in compensatory time off or paid in the regularly scheduled paycheck.

#### ***4.5 Use of Compensatory Time***

Compensatory time may be accumulated up to a maximum limit of 40 hours including time-and-a-half rates. Employees who have accrued compensatory time must use that time before using other accrued leave. Compensatory time accrued must be used or paid before the end of each fiscal year. All unused compensatory time will be paid before the beginning of the new fiscal period.

## **5.0 General Pay Increases**

### ***5.1 Eligibility for General Pay Increase***

Employee salaries and wages will be reviewed annually for adjustment. General pay increases are given to employees to reward continued service to the Department. An employee's performance must be satisfactory to receive a pay increase unless exceptions are granted by the Board.

To be eligible for a general pay increase, 12-month employees must be employed by May 1 of the immediately preceding school year, 11-month employees must be employed by April 1, and 10-month employees must be employed by March 1.

### **5.2 Pay Increase Budget**

The Superintendent will recommend a total budget amount for general pay increases as part of the annual budget process. Budget recommendations for general pay increases will be based on available revenue, changes in minimum pay laws, competitive job markets, and Department compensation objectives. Employee pay increases will be based on the budget approved by the Board.

### **5.3 General Pay Increase Calculation**

General pay increases will be calculated for each employee by applying a percent increase approved by the Board to the midpoint of each employee's pay range. All employees who are in the same pay range will receive the same pay increase.

*Example:*

Range Midpoint x Percent Increase = Pay Increase

- Pay range midpoint for pay grade 5 is \$12.50 per hour
- Pay increase budget approved by the Board is 5 percent
- Hourly pay increase for all employees in pay grade 5 is  $\$12.50 \times .05 = .63$
- An hourly employee in pay grade 5 is earning \$11.50 per hour
- Employee's new hourly wage is  $\$11.50 + .63 = \$12.13$

No employee's pay will be increased beyond the maximum of their assigned pay range unless a special adjustment is approved by the Superintendent.

### **5.4 Head Start Cost of Living Adjustments**

HCDE Head Start employees receive Cost of Living Adjustments (COLA) from the Texas Department of Health and Human Services. Notice of the approved increase is generally received mid-calendar year. The COLA is effective January of the current budget year. In other words, the increase is usually retroactive, dating back to January 1 of the current year. In order to receive the COLA when the increase is applied to the payroll, an employee must be currently employed with the Head Start division. COLA adjustments are subject to any provisions specified by the Texas Department of Health and Human Services.

Example: If increases are calculated and applied to the September 15th payroll, then the employee must be a current employee in the Head Start division on this date. If employment is terminated (voluntary or involuntary), or if the employee transfers to another division prior to this date, then the employee is not eligible to receive the COLA.

## **6.0 Individual Equity Adjustments**

The Superintendent may make special equity adjustments to individual employee salaries to correct identified internal or external pay equity problems. Equity adjustments are made only on as-needed basis at the direction of the Superintendent. Equity adjustments may be made to retain an employee who is at risk due to competitive pay problems; to correct an internal pay inequity; or to compensate an employee for a significant change in job responsibilities that do not result in a

job classification change.

## 7.0 Placement of New Employees

### *7.1 Certified Teachers*

Hiring rates for certified teachers will be based on years of creditable service as defined by state regulations. Service credit awarded to new hires will not exceed 20 years. Salary schedules will be prepared annually to illustrate salary placement by years of service. Salary schedules for certified teachers are subject to change each year and should not be used to predict future salaries.

### *7.2 Other Employees*

Hiring rates for all other employees will be determined individually based on each person's job-related qualifications. Hiring rates should be sensitive to internal equity concerns of other employees in the same job. Starting salaries that are above the midpoint may be offered only for hard-to-fill positions with approval of the Superintendent. The Human Resources division will recommend starting salaries for new hires.

## 8.0 Promotion Increases

### *8.1 Promotion Defined*

A promotion occurs when an employee is assigned to a different job in a higher pay range. Pay adjustments for promotions will begin with the effective date of the new assignment. For promotions that take effect at the beginning of a school year, the standard promotion increase includes any general increase granted by the Board. If an employee moves to a different job in a different pay structure (example: from auxiliary to professional group), then the pay adjustment will be treated as placement of a new employee (see section 7.0).

### *8.2 Promotion Increase*

A promotion increase is based on an employee's current base pay less any stipends paid for supplemental duties. The Human Resources Director will determine salary placement for a promotion. Consideration will be given to the pay of other employees in the same position to maintain internal pay equity. No employee will be paid less than the minimum or more than the maximum of the new pay range.

## 9.0 Demotion

### *9.1 Demotion Defined*

A demotion occurs when an employee is reassigned to a different job at a lower pay grade level. Demotions may be voluntary or involuntary. Position reclassification or general salary structure changes are not considered demotions.

### *9.2 Pay Adjustments for Demotion*

A reduction in pay as a result of a demotion will be made at the discretion of the Superintendent. When a pay reduction is made for a demotion, the employee's base pay rate will be reduced. The pay adjustment for demotion will begin with the effective date of the new assignment. Pay

adjustments may also be made for a longer or shorter work year if associated with the change in assignment.

## 10.0 Adjusting Pay-Range Structures

### 10.1 Review of Pay Ranges

The Superintendent will review pay-range structures annually and make adjustments as needed.

### 10.2 Amount of Structure Adjustment

Pay structures should be adjusted by an equal percent factor. The amount of percent adjustment made to the pay range control points (minimum, midpoint, maximum) should be less than the percent increase budgeted for pay raises. After the pay increase budget is established, the Superintendent will determine the appropriate amount of adjustment for pay range structures in the Department.

### 10.3 Structure Adjustment Procedure

To adjust a pay range structure, the adjustment factor will be applied to the midpoint of each pay range. The minimum and maximum rates of each range will then be recalculated off of the adjusted midpoint to preserve the structure. Adjustments to pay ranges should be made prior to the calculation of general pay increases.

*Example: Illustrated procedure for a range offset of 20 percent from midpoints*

	Unadjusted <u>Minimum</u> (80% of midpoint) midpoint)	Unadjusted <u>Midpoint</u>	Unadjusted <u>Maximum</u> (120% of
<b>Unadjusted Pay Range</b>	\$2,400	\$3,000	\$3,600
	Unadjusted <u>Minimum</u> (80% of midpoint) midpoint)	Unadjusted <u>Midpoint</u> (by 2%)	Unadjusted <u>Maximum</u> (120% of
<b>Adjusted Pay Range</b>	\$2,448	\$3,060	\$3,600

## 11.0 Stipends and Allowances

A stipend shall not be paid to an employee unless it is part of the Board of Trustees' approved Salary Schedule for certified instructional teachers, transition specialists, counselors, and assistant principals. All of the following recommendations for employee stipends must be made directly to the Board: certification, additional work duties, added assignments, or any other requests. The superintendent is only authorized to provide allowances to employees for cell phones and travel.

Refer to the Supplemental Salary Chart for supplemental pay rates approved by the Board of Trustees as part of the HCDE Salary Schedule.

# Memorandum

---

To: Business Services Division

From: Joe Carreon Construction Director/Facilities Division

Date: June 26, 2021

Subject: LaPorte Early Head Start Expansion Project: Change Order No. 2

The dedicated GFCI Circuit for the new Drinking Fountain was inadvertently omitted from the plans by the Swart Architects. Per article 2.2 in Swart Architect's AIA B101 Contract, "the architect shall be responsible to the Owner all costs and damages resulting from errors and omissions of the architect". This portion of the change order (\$1,194.80) will be deducted from the architect's fee.

The fire alarm pull stations conduits were determined to be missing after the mold remediation. These locations were concealed behind the contaminated drywall and the contractor was unaware of their condition. There was no way for the contractor to have known the conduits were missing prior to removing the drywall. Fire Code requires a conduit and back box for all Fire Alarm Pull Stations. This cost will be paid for with Head Start funds.

Thank You,

Joe Carreon

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

## ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation RFP#21/029IA, and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

- 5. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
- 6. Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
- 7. Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
- 8. Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

- 9. HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

## ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #21/029IA), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

- 5. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
- 6. Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
- 7. Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
- 8. Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

- 9. HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.
- 10. Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
- 11. Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
- 12. IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
- 13. No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.
- 14. Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

HCDE  
Attention: James Colbert, Jr., County School Superintendent  
6300 Irvington Blvd.  
Houston, Texas 77022

Successful Starters Learning Academy II  
Attention: Carla Smith-Ford  
9118 Homestead Rd.  
Houston, Texas 77016

Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified or registered mail, return receipt requested.

- 15. Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.
- 16. Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.
- 17. Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.
- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.
- 21. Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.
- 22. Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

**23. Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

**IN WITNESS HEREOF**, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

Dear Valued Client,

We hope that this finds you, your colleagues, and your family well.

During this unprecedented time, Trusted Capital Group has remained singularly focused on supporting its valued clients. Our TCG team remained steadfastly committed to our mission of serving our valued clients during the past year. We remain very thankful for our continued partnership.

TCG committed additional growth capital to the company last year, expanded services in many areas, and hired numerous additional employees. TCG experienced record growth and retention during the past year as well. Importantly, we have expanded our commitment to financial education and literacy, while continuing to provide strong, transparent, and high value financial solutions to our clients.

As a follow up to our note last year regarding our strategic planning and growth initiatives, we are very excited to announce that Trusted Capital Group will be continuing its growth and evolution by joining HUB International Limited (“HUB”). With offices throughout the United States and Canada, HUB is a privately held firm offering wealth management, financial services, retirement solutions, HR consulting, risk management and asset protection services. This partnership will provide many new resources and tools to TCG to further strengthen our solutions, and better position Trusted Capital Group to continue delivering best-in-class services and solutions for its clients. Our financial stability as a part of HUB will also increase, from its already strong position.

On or around July 1, 2021 (“Closing Date”), Trusted Capital Group’s operating subsidiaries are expected to become subsidiaries of HUB (collectively, the “TCG Operations”). The TCG Operations will continue to have the same locations and TCG personnel servicing your accounts, and the services being provided by our various subsidiaries (TCG Administrators, LP, TCG Advisory Services, LLC, TCG Consulting Services, LLC and Cypher Security, LLC) will continue in their normal course with no significant changes. Regarding any contracts that you have with TCG’s subsidiaries, those agreements will also remain in place and continue in accordance with this letter. Some of those agreements may specifically require your affirmative consent, including any investment advisory agreements with TCG Advisory Services, LLC (as this change of control to HUB is considered an assignment under the Investment Advisers Act of 1940). We therefore respectfully ask that you confirm your consent by signing below and returning this letter at your earliest convenience – or if more convenient, you can also send an email indicating your consent to [Consent@tcgservices.com](mailto:Consent@tcgservices.com).

All TCG partners are steadfastly supportive of our new partner, and all leaders running TCG will continue to be involved in the company. From founders to recent partners, everyone will play a role in tomorrow’s TCG while holding true to the values that made this firm great. As part of the transaction with HUB, and being committed to the future, TCG’s existing partners will acquire a significant ownership stake in HUB going forward.

The rate of change in the marketplace has never been faster. The size and scale necessary to continue best-in-class services continues to increase. TCG has always sought to evolve in order to meet our clients' needs, and we are confident this new chapter in our story will broaden our capabilities and allow us to deliver even better services and results for clients. We are very thankful for your continued partnership and trust in TCG as we move forward.

Please feel free to call me with any questions you may have.

Sincerely,

**TCG Group Holdings, LLP**

**Submitted For:** Lisa Caruthers, Case for Kids **Submitted By:** Kimberlee Flowers

**Additional Resource Personnel:**

**Information**

**Posted Agenda Item:**

**The CASE for Kids Division awards three school districts and two charter school systems (aggregate amount \$550,700)**for delivery of comprehensive programs for the 2020-2021 school year: Alief ISD, Houston ISD, Pasadena ISD, Academy of Accelerated Learning Charter and Rhodes Performing Arts Charter.

**Subject:**

CASE for Kids Awards 22 recipients for the 2021 – 2022 CASE for Kids Partnership Project

**Rationale:**

The goal of the Partnership Project is to provide supplemental funding to comprehensive after-school programs to promote social and emotional learning skills (SEL), increased support of numeracy and literacy development for economically disadvantaged students between the ages of 4 and 12 or up to the age of 19 with a documented disability. In addition, supplemental funding will assist in program quality improvement and program expansion. CASE for Kids will provide funded projects with additional support for numeracy and literacy integration and SEL into academic and enrichment activities, as well as site-based assessment and coaching to improve overall program quality.

The CASE for Kids Partnership Project is the result of collaboration between HCDE, the Houston-Galveston Area Council (H-GAC), the Texas Workforce Commission (TWC) and awarded sites. HCDE commits local funds to supplement comprehensive afterschool programming. HCDE and site match dollars activate a commitment of federal childcare funds for quality improvement for school-age youth through TWC. This allows HCDE to provide a variety of resources to selected sites such as: site visits, training, and access to curriculum and materials through a free lending library. Awarded sites will demonstrate the ability to provide a comprehensive program and utilize CASE for Kids’ funds as an additional resource to target students in need of academic assistance. Interlocals will follow as needed for board approval.

## CASE for Kids

# County Connections Youth Summer Initiative 2021

## Grant Award List

The Center for Afterschool, Summer and Enrichment for Kids, or CASE for Kids, is a division of Harris County Department of Education (HCDE) that was formed in 1999. The vision of CASE for Kids is to ensure that every child in Harris County will have access to high-quality, expanded learning opportunities. CASE for Kids believes a quality out-of-school time program provides avenues for opportunities for youth to excel, explore and expand their horizons before school, after school, on weekends and during the summer. A quality program provides a safe and inclusive environment, diverse learning opportunities, effective administrative strategies, collaborative relationships, and intentional program promotion.

**County Connections Youth Summer Initiative 2021**, funded directly by Harris County, supports nonprofit organizations that address the need for youth services during the summer. Initiatives funded by the CASE for Kids County Connections program provide comprehensive summer programs, short term projects and summer camps hosted in-person or virtually from a variety of locations including schools, community centers, apartment complexes and churches. In addition, organizations will provide synchronous or asynchronous college and career readiness initiatives for older youth delivered virtually through CASE for Kids LevelUp online learning platform. Initiatives are customized to meet community needs of individual Harris County Precincts. Services include resources or reduce cost for summer initiatives for families during pandemic conditions.

The nonprofit organizations listed have been awarded a **County Connections Youth Summer Initiative 2021** grant award. Funding for the **County Connections Project** is provided by **Harris County** and administered by the Center for Afterschool, Summer and Enrichment for Kids or CASE for Kids, a division of Harris County Department of Education. A total of 117 applications were received requesting funding. More than \$600,000 was awarded to over 40 organizations to provide engaging summer activities to sites across the county. The organizations listed on the following pages will provide diverse activities for youth including fine arts, academic enrichment, college exploration and youth mentoring. Congratulations to all grant recipients! We are grateful to Harris County for their investment and support of out-of-school time programming.
