Therefore, the Parties have agreed to the following procedures and remedies.
- (3) LGE has not allocated supplemental funds or makes a Supplemental Allocation for this Agreement unless LGE has issued to HCDE a Service Release Order, or similar form approved by the City Controller, containing the language set out below. When necessary, the Supplemental Allocation shall be approved by motion or ordinance of City Council.

If Allocated Funds are exhausted, HCDE's only remedy is suspension or termination of its performance under this Agreement and it has no other remedy in law or in equity against LGE and no right to damages of any kind.

19. Relation of Parties. It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.
20. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
21. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
22. Limitation of Liability. Without waiver of the Disclaimer in Article 19 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
23. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity,

illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.

24. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas, and the Parties hereby submit to the exclusive jurisdiction of said courts.
25. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representative of the Parties hereto.
26. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
27. Anti-Boycott of Israel. HCDE certifies that HCDE is not currently engaged in, and agrees for the duration of this Agreement not to engage in, the boycott of Israel as defined by Section 808.001 of the Texas Government Code. The City certifies that the City is not currently engaged in, and agrees for the duration of this Agreement not to engage in, the boycott of Israel as defined by Section 808.001 of the Texas Government Code.
28. Zero Tolerance Policy for Human Trafficking and Related Activities. The requirements and terms of the City of Houston's Zero Tolerance Policy for Human Trafficking and Related Activities, as set forth in Executive Order 1-56, as revised from time to time, are incorporated into this Agreement for all purposes. HCDE has reviewed Executive Order 1-56, as revised, and shall comply with its terms and conditions as they are set out at the time of this Agreement's effective date. HCDE shall notify the Director of any information regarding possible violation by HCDE or its subcontractors providing services or goods under this Agreement within 7 days of Contractor becoming aware of or having a reasonable belief that such violations may have occurred, have occurred, or are reasonably likely to occur.
29. Force Majeure.
 - a) Timely performance by both Parties is essential to this Agreement. However, neither Party is liable for reasonable delays in performing its obligations under this Agreement to the extent the delay is caused by Force Majeure (as hereinafter defined) that directly impacts the LGE or HCDE. The event of Force Majeure may permit a reasonable delay in performance but does not excuse a Party's obligations to complete performance under this Agreement. Force Majeure means: fires, interruption of utility services, epidemics in Harris County, Texas, floods, hurricanes, tornadoes, ice storms and other natural disasters, explosions, war, terrorist acts against the LGE or HCDE, riots, strikes, court orders, and the acts of superior governmental or military authority, and which the affected Party is unable to prevent by the exercise of reasonable diligence. The term does not include any changes in general economic conditions such as inflation, interest rates, economic downturn, or other factors of general

application, or an event that merely makes performance more difficult, expensive, or impractical. Force Majeure does not entitle HCDE to extra reimbursable expenses or payment.

- b) This relief is not applicable unless the affected Party does the following:
 - i. uses due diligence to remove the effects of the Force Majeure as quickly as possible and to continue performance notwithstanding the Force Majeure; and
 - ii. provides the other Party with prompt written notice of the cause and its anticipated effect.
- c) Either Party may perform contract functions, duties, and/or obligations itself or contract them out during periods of Force Majeure. Such performance is not a default or breach of this Agreement.
- d) If the Force Majeure continues for more than 7 calendar days from the date performance is affected, either Party may terminate this Agreement by giving 7 days' written notice to the non-terminating Party. This termination is not a default or breach of this Agreement. **BOTH PARTIES WAIVE ANY CLAIM THEY MAY HAVE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE TERMINATION EXCEPT FOR AMOUNTS DUE UNDER THE AGREEMENT UP TO THE TIME THE WORK IS HALTED DUE TO FORCE MAJEURE.**

30. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.

31. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

The Parties have executed this Agreement in counterparts, each of which is an original, but all of which taken together shall constitute one and the same instrument, to be effective on the date specified in Section 4. Term above. Each person signing this Agreement represents and warrants that he or she is duly authorized and has legal capacity to execute and deliver this Agreement. Each Party represents and warrants to the other that the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized and that the Agreement is a valid and legal agreement binding on such Party and enforceable in accordance with its terms. The Parties hereby agree that each Party may sign and deliver this Agreement electronically or by electronic means and that an electronic transmittal of a signature, including but not limited to, a scanned signature page, will be as good, binding, and effective as an original signature.

XX. TEXAS PUBLIC INFORMATION ACT

In the event that HISD is required to furnish information or records pursuant to the Texas Public Information Act, Provider shall furnish all such information and records to HISD and HISD shall have the right to release such information and records.

“Compliance with Gov’t Code 552.372: The requirements of the Texas Public Information Act, Chapter 552 of the Texas Government Code, Subchapter J, may apply to this bid or contract if it is valued at more than \$1 million. Contracting information includes, but is not limited to, records, communications and other documents related to the bid process, contract, payments, receipts, scope of work/services, and performance.”

XXI. BUSINESS ETHICS

No substantial gifts, entertainment, payments, loans or other considerations beyond that which would be collectively categorized as incidental shall be made to any employees or officials of HISD, its authorized agents and representatives, or to family members of any of them. At any time Provider believes there may have been a violation of this obligation, Provider shall notify HISD of the possible violation. HISD is entitled to request a representation letter from Provider, its subcontractors or vendors at any time to disclose all things of value passing from Provider, its subcontractors or vendors to HISD's personnel or its authorized agents and representatives.

10. **CISC Liaison.** CISC shall appoint a qualified liaison to communicate on behalf of CISC with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)’s educational and disciplinary records; ABS East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The CISC liaison shall make best efforts to assist ABS East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with CISC employees and student(s)’s parents/guardians, as necessary.

Breach of this covenant may be regarded as a material breach of this Contract.
13. **Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
14. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

 - b) GCCISD may sell unused units to another district upon obtaining HCDE's prior written consent.
 - c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
18. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
24. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and GCCISD's.

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **CISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **CISD**.

Interlocal Agreement
between Harris County Department of Education
& Fort Worth Housing Solutions

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Fort Worth Housing Solutions, a local governmental entity and/or political subdivision (“LGE”), located in Fort Worth (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
 - A. HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
18. Limitation of Liability. Without waiver of the Disclaimer in Article 17 of this Agreement, the Parties agree that:
 - Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.
24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

In witness whereof, HCDE and LGE have executed this Agreement to be effective on the date specified in Article 1, Term above:

H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Agreement. The records to be thus maintained and retained by the Subrecipient shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Subrecipient's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Subrecipient's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the retention period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the seven (7) years, whichever is later, and until any outstanding litigation, audit, or claim has been fully resolved.

ARTICLE 15: CHANGES AND AMENDMENTS

- B. To ensure the legal and effective performance of this Agreement, both parties agree that H-GAC may amend performance under this Agreement, during the contract period, by issuing policy directives to establish or clarify performance requirements under this Agreement. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such policy directives shall have the effect of qualifying the terms of this Agreement and shall be binding upon the Subrecipient as if written herein, provided however that such policy directives shall not alter the terms of this Agreement so as to relieve H-GAC of any obligation specified in this Agreement to reimburse Subrecipient for costs properly incurred prior to the effective date of such policy directives.
- C. Except as specifically provided by subsections A and B of this Article, any other alterations, additions, or deletions to the terms of this Agreement shall be by modification hereto in writing, and executed by both parties to this Agreement.

H-GAC may, upon request or at its own discretion, provide additional standards, guidelines or requirements, to aid Subrecipient in rendering appropriate performance. H-GAC's provision of this information shall in no way supersede the precedence of applicable laws and regulations.

ARTICLE 2: MANDATORY ATTACHMENTS

In consideration of H-GAC's compensation offer hereinafter described, Subrecipient accepts and shall provide H-GAC approved services in consideration, as specifically described in the Scope of Work, attached hereto and mutually incorporated herein.

Subrecipient further agrees to implement the requirements of the Scope of Work according to the agreed upon Budget, as attached and incorporated.

ARTICLE 3: PARTY LIABILITY

In consideration of full and satisfactory performance hereunder, H-GAC will be liable to Subrecipient in an amount equal to the actual costs incurred by Subrecipient in rendering such performance, subject, but not limited, to the following limitations: 1) H-GAC is not liable for expenditures made in violation of regulations, rules or policies promulgated under applicable local, state, or federal laws, 2) Except as specifically authorized by H-GAC in writing, H-GAC is liable only for expenditures made in compliance with the applicable cost principles and administrative requirements set forth in a properly executed attachment to this Agreement, 3) H-GAC is not liable to Subrecipient for costs incurred or performance rendered before the beginning date or after termination of this Agreement, 4) H-GAC is not liable for any costs incurred in the performance of this Agreement, which have not been billed to H-GAC by the final billing deadline identified in the Scope of Work.

ARTICLE 4: PAYMENTS

A. Maximum Value

Subject to the terms and exclusions outlined in this Agreement, and subject to the confirmation of eligibility under applicable state, local, and federal statutes; H-GAC will reimburse Subrecipient for goods, services, or expenditures on the basis of allowable costs up to the maximum value of this Agreement, or \$4,600,000.00. Allowable costs must be certified by Subrecipient as correct and necessary; directly associated with performance of this Agreement provisioned under the Scope of Work or other mutually executed Attachment; and properly submitted at the rates prescribed by state or federal regulations.

B. Increase Request

Any amount requested in excess of this maximum value, must be requested by Subrecipient in

writing, and approved by, H-GAC prior to Subrecipient’s reimbursement request. Approval or denial of an increase request is at the sole discretion of H-GAC. Any increased expense, deemed by H-GAC as unusual, may initiate H-GAC’s request for information and a subsequent requirement for specific written approval from H-GAC.

C. Timely Submission Required

All requests must be timely submitted to H-GAC. During the Agreement performance period, an invoice or report submission is considered timely when it is received by close of business on the ninth calendar day of a month for the previous month’s expenditures. Untimely submissions by Subrecipient could result in a delay or rejection of reimbursement by H-GAC. An invoice or report from Subrecipient must be delivered to H-GAC each month by the due date.

D. Progress Reports

To obtain reimbursement, monthly Progress Report submissions may also be required of Subrecipient, as outlined under the Scope of Work.

E. Timely Processing

Reimbursement from H-GAC shall be processed monthly, within forty-five (45) days after the receipt of the Subrecipient’s completed invoice with substantive supporting documentation.

F. Format of Request; Required Information

Subrecipient shall use the approved H-GAC Reimbursement Form or Report Form template, to provide substantive supporting documentation and request reimbursement, if a template is attached to this Agreement. If no templated form is attached, Subrecipient shall submit detailed information, supported by back-up documentation, demonstrating reasonable and necessary expenditures for: Services Provided (hours/cost per hour), Personnel (timesheets/wages), Supplies, Equipment, Travel, Contract or Subcontracted Services, Marketing, In-Kind Match, or Indirect Costs. Subrecipient shall submit and certify all information before H-GAC releases funds, and hereby agrees to final discretionary audit by H-GAC or its agent, per Article 9 of these Special Provisions.

H-GAC shall employ the following standards to monitor performance. Subrecipient agrees to the following standards of performance during term of the Agreement:

- A. *Timeliness of Work.* Standard: Work is provided on schedule.

 - Satisfactory:* Subrecipient generally complied with the standard consistently; occasional deficiencies may have occurred which were corrected on a timely basis.
 - Unsatisfactory:* Significant deficiencies have occurred, or Subrecipient frequently or substantially failed to comply, thereby rendering substandard performance.

ARTICLE 6: SCHEDULE OF REMEDIES

In the event of substandard performance, or other failure to conform to the requirements of the Agreement or applicable law, Subrecipient hereby agrees that H-GAC is authorized to remediate by utilizing, but shall not be limited to, the following Schedule of Remedies:

- G. Terminate the Agreement, demand and receive: return of all equipment purchased with related funds, return of all unexpended funds, and repayment of expended funds.
- H. If a H-GAC evaluation finds Subrecipient's performance to be substandard, H-GAC may provide its written evaluation report to other governmental entities at any time. H-GAC may also provide its written evaluation report to the public as authorized by law.

Cumulative Remedies. H-GAC may avail itself of any remedy or sanction provided in this Agreement or in law to recover any losses arising from or caused by the Subrecipient substandard performance or any non-conformity with the Agreement or the law. The remedies and sanctions available to H-GAC in this Agreement shall not limit the remedies available to Subrecipient under law.

ARTICLE 7: STAND-IN COSTS, PROPERTY, AND REPAYMENTS

If Subrecipient proposes to use stand-in costs as a substitute for otherwise unallowable costs, such proposal, must be provided to H-GAC in accordance with 40 TAC §802.230(b) during the informal resolution period, subject to formal review and approval by the appropriate federal agency. The use of stand-in costs may not be permitted for all funding streams by the authorizing legislation and the federal and state regulations implementing such legislation.

If Subrecipient neglects to follow procurement rules when buying inventory or equipment, H-GAC may recover funds. H-GAC may withhold payments on any Subrecipient invoices if the Subrecipient does not provide a current inventory when requested. H-GAC may also recover funds if Subrecipient fails to timely report stolen or lost equipment.

Regardless of the time or reason for an early termination of this Agreement, the Subrecipient will not be relieved of any liability for damages due to H-GAC. H-GAC may withhold payment to Subrecipient until the exact amount of damages due to H-GAC is agreed upon or is otherwise determined by H-GAC .

Should H-GAC require repayment from Subrecipient, failure to pay within 30 days of a formal demand, shall result in legal actions to recover such funds, other sanctions as set forth in the Special Provisions, and additional costs billable to Subrecipient, including allowable interest and attorney's fees.

ARTICLE 8: PROGRESS REPORTS

If progress reports are required, Subrecipient shall submit such reports documenting task-specific accomplishments, units of work performed, and program results achieved, as outlined in the Scope of Work of this Agreement.

A. Compliance

Subrecipient shall report its own internal efforts to ensure compliance with funding or administrative standards. Subrecipient is solely responsible for compliance, and any supplemental guidance produced or provided by H-GAC in no way absolves or diminishes Subrecipient liability. Any information provided by H-GAC should not be relied upon as a wholly exhaustive list of recommendations, provisions, or regulatory requirements.

B. Format of Report

Subrecipient shall use the approved H-GAC Progress Report form template, if a template is attached to this Agreement. If no templated form is attached, Subrecipient shall submit a Progress Report that must include: 1) A brief description of work accomplished for each task, 2)

This independent audit may be performed by the local government audit staff, a certified public accountant firm, or other auditors as designated by H-GAC. Such audit will be conducted in accordance with state law, regulations, policy, and generally accepted auditing standards of the auditing agency.

2.4.1 Our Story

Our region is more than just a point on a map. It is the home of millions of people and the location of thousands of businesses. And the relationship between those two is what keeps our region bustling with activity and rich in promise. Our 13-county area must be a hub for interdependent relationships that lift businesses and people up to their highest heights and promote their goals for success.

That can't happen if we lag behind the times or miss opportunities as they arise. That can't happen if ties are broken between employers and their workers, or if we don't identify opportunities to grow skills and capacity. If our region fails in its ability to support thriving businesses and industrious individuals, it can become irrelevant in the global marketplace – and we all languish as a result. We could then face the consequences of a faltering economy which cannot support a rich and meaningful community drawing people in and inspiring them to stay.

The Gulf Coast Workforce Board and Workforce Solutions exist to keep our region the best place to do business, work and live. When we identify and pursue every opportunity to bring vibrancy to the labor market, we generate more promise and hope. Our region becomes a magnet for amazing businesses and amazing talent. People flock here for jobs and businesses rush for opportunities to grow. We become a place where businesses and people want to plant their roots because they see a bright future here. Abundance follows, and as a result, we become an even more important player in the world economy and all in our region thrive. We are a place where employers are competitive in their markets, our people are educated and skilled, we continue to add more and better jobs, and all our families see rising incomes.

As we work together to keep our region a great place to do business, work and live, we strive to ensure our service conveys the value we bring to the businesses and people we serve.

Expenditure Benchmarks

Subrecipients must ensure that each month’s expenditures are at a reasonably acceptable level and should manage financial resources to meet expenditure benchmark targets as applicable to funding streams contained within their individual contracts. Some variation may be allowed based on instructions from a contract manager who in response to Board or State instructions has directed a Subrecipient to emphasize a particular area of spending. Even in such cases, however, a Subrecipient must have a plan in place and the ability to spend all funds by the termination of the funding streams or the contract or by an earlier date if so indicated in writing in the contract document, the Financial Report, the funding stream budget in the Funds Tracking Summary, or by the assigned contract manager.

For each funding stream included in a contract, H-GAC will be tracking expenditure rates monthly. A Subrecipient, whose rate of expenditure in a particular funding stream is considered less than acceptable by H-GAC, as indicated in writing by the assigned Contract Manager or other appropriate H-GAC personnel, may be subject to deobligation of funds from that particular funding stream, thereby reducing the total contract value by the amount de-obligated. Beginning with the 4th month of a contract, H-GAC will expect a Subrecipient to be at a minimum of 90% of the target expenditure rate for all funds, subject to restrictions elsewhere specified and guidance and instruction from the assigned contract manager. The target expenditure rate is equal to the budgeted funding stream amount divided by the number of months the funding is available and then multiplied by the number of months the funds have been available to bill against.

<i>Expenditure Benchmarks</i>									
<i>Months into Contract</i>	<i>4</i>	<i>5</i>	<i>6</i>	<i>7</i>	<i>8</i>	<i>9</i>	<i>10</i>	<i>11</i>	<i>12</i>
<i>90% of Target Expenditure Rate</i>	30.0%	37.5%	45.0%	52.5%	60.0%	67.5%	75.0%	82.5%	90.0%

Unless otherwise specified in writing in an applicable contract amendment, any additional funds amended into a contract become subject to benchmark target expenditure rates sixty days after the amendment has been executed. In any case, if a Subrecipient fails to expend funds at a reasonably acceptable level, H-GAC may, through unilateral action, de-obligate funds from the contract. H-GAC may also require the Subrecipient to implement a corrective action plan.

Contract Management Policies and Procedures

I. Financial Systems and Reporting

Policies and procedures in regard to financial reporting for the workforce system are issued by the Texas Workforce Commission, and many of these policies and procedures have a direct impact on the tracking and reporting of expenditures by Subrecipients with the Gulf Coast Workforce Board. Emphasis is placed on a consistent reporting definition for administrative costs among non-child care funding streams and accurate reporting of those costs by Subrecipients.

Financial reporting

Unless otherwise agreed in writing, a Subrecipient must submit a financial report of expenditures at least once monthly. A financial report is considered timely if submitted in accordance to the timeframe outlined below.

- For an organization reporting once per month, expenditure reports are due to H- GAC by Close of Business (COB) on the ninth calendar day of a month for the previous month's expenditures. If the ninth falls on a weekend or on a holiday, the reports are due by COB the next business day following the ninth.
- If a Subrecipient files expenditure reports twice per month, the reports are due to H-GAC by COB on the ninth of the month for expenditures through the end of the previous month, and the twenty-first of the month for expenditures through the fifteenth of the month. If the twenty-first falls on a weekend or on a holiday, the reports are due by COB the next business day following the twenty-first.

It is especially important that the report for the ninth accurately and fully represent cumulative expenditures, including accruals, through the end of the previous month, including any adjustments (made in the current month only) for prior periods. Expenditures reported to H-GAC on the ninth represent the primary basis for monthly expenditure reporting to the grantor agency.

The cash draw from the grantor agency generally will occur on the business day following the due date to H-GAC, usually the tenth and the twenty-second of any given month. Reports due on the ninth and received earlier, between the first and the ninth, will be held for processing and cash draw in conjunction with other reports due on the ninth. Reports due on the twenty-first and received earlier, between the sixteenth and the twentieth, will be held for processing and cash draw in conjunction with other reports due on the twenty-first.

Reports received after the applicable due date (timely reporting is described above) will NOT be processed and cash will NOT be drawn for payment on those reports until the next processing cycle associated with the next report due date. For example, a report due on the ninth and received on the tenth will NOT be processed until the twenty-second of the month. A report due on the twenty-first but not received until after that date will NOT be processed until the tenth of the following month. Expenditure reports will NOT be processed and cash will NOT be drawn

Workforce Solutions

Contract Management Policies and Procedures

on an “as reports are received” basis, unless they are received on the indicated due dates. A Subrecipient can expect to be paid approximately 10 - 12 business days after the report due date. Payment to Subrecipients is made by Electronic Funds Transfer (EFT). EFTs generally will occur twice per week, on Tuesday and on Thursday, with a 2-day settlement at the Subrecipient’s bank.

Subrecipients must report expenditures in electronic format via email. H-GAC will issue each Subrecipient a password for use in submitting the monthly reports to a secure email address: workforcefinreports@wrksolutions.com. H-GAC will issue a password to a Subrecipient’s Executive Director or equivalent person who will be responsible for assigning appropriate personnel to use the password for report submission. The Executive Director must provide the names and email addresses of individuals (up to three) who are authorized to submit reports. Passwords must be carefully guarded and restricted to authorized individuals and program management for each Subrecipient.

With the electronic financial report submission by email, H-GAC will not require original signatures on separately submitted documentation. When an authorized person uses the password to submit a report, H-GAC will consider that password-protected submission to contain the equivalent of an original signature. **A financial report submitted by anyone not authorized by the Subrecipient’s Executive Director will not be processed and paid by H- GAC. A financial report submitted to a different email address than workforcefinreports@wrksolutions.com will not be processed and paid by H-GAC.**

Back-up documentation for reimbursable expenses submitted on each financial report must be maintained by the Subrecipient. However, under normal circumstances, the Subrecipient is not required to submit documentation with the electronically submitted financial reports. Each Subrecipient must ensure that the documentation is readily available for inspection by authorized representative(s) of H-GAC, or its state or federal funding agencies, at any time during normal business hours. H-GAC, or an authorized representative of H-GAC, will schedule a review of backup documentation at least several times during any contract period. H-GAC also may conduct random inspections of such backup documentation. In addition, H-GAC may conduct separate or specific inspections of backup documentation if expenditures or adjustments seem out of line with expectations or with normal and accepted accounting practices. Problems or questions arising as a result of an inspection will be handled in accordance with the terms and conditions of the contract.

Contract Management Policies and Procedures

Cost Classifications

For all funding provided to a Subrecipient through the Gulf Coast Workforce Board, Subrecipients are to establish written policies and procedures that address the classification of administrative and direct service/program expenditures. The policies are to include the rationale for the classification decisions set forth by those policies and procedural controls. Written policies and procedures must support efforts for consistent reporting of similar types of expenditures. Inclusion of the rationale behind the policies and procedures is required in order to aid internal and external users (e.g., auditors and monitors) in understanding the intent and consistent application of the same rationale to new or unusual circumstances.

Cost Categories

Attachment 1 – cost category descriptions (Funds except Child Care and Adult Literacy)

Attachment 2 – cost category descriptions for Child Care funds

Attachment 3 – cost category descriptions for Adult Education and Literacy funds

Financial report forms for new contracts or new funding streams added to existing contracts may be revised to incorporate new definitions and cost categories and to facilitate implementation of the special procedures relating to administrative costs that are described below.

Administration Cost Caps

In order for the Gulf Coast Workforce Board to meet local Board, state, and/or federally imposed administration cost limitations, administration cost limitations must be imposed on all Subrecipients. These maximum administration cost limitations or caps must be met by **ALL** Subrecipients (Career Office Subrecipients and other Subrecipients as well) unless specific exemptions are negotiated and incorporated into the final executed contract.

The dollar amount of administration identified in the Funds Tracking Summary attached to each contract is the maximum that may be expended on administration for each specific fund. The actual amount that may be expended may well be less and is governed by the budget negotiated with Workforce Solutions in conjunction with appropriate and consistent application of the Cost Allocation Plan. Common funding streams in Workforce Solutions contracts include:

- **Workforce Innovation and Opportunity Act (WIOA) – Adult**
- **Workforce Innovation and Opportunity Act (WIOA) – Dislocated Worker**
- **Workforce Innovation and Opportunity Act (WIOA) – Youth**
- **Temporary Assistance for Needy Families (TANF) – Choices**
- **Supplemental Nutrition Assistance Program (SNAP) - Employment and Training**
- **Supplemental Nutrition Assistance Program (SNAP) - ABAWD**
- **Child Care Development Fund (CCDF)**

Administration Costs

The description of the administration cost category that is provided in *Attachment 1* is based on definitions included in TWC WD Letter 04-15 Cash Draw and Expenditure Reporting System Instructions.

Although only some portion of the costs to be reported in the administration cost category for Subrecipients will count against the administration cap set by the grantor agency for the board area, all administration costs in each funding stream must be reported to the Board and to the grantor agency, the Texas Workforce Commission. A later section defines and describes the costs that constitute administrative costs.

In general, the costs of administration are the allocable portion of necessary, reasonable, and allowable costs that are associated with the specifically identified functions described in *Attachment 1* that are not related to the direct provision of workforce services, including services to participants and employers. These costs for administration can be both personnel and non-personnel and both direct and indirect.

Expenditures for Subrecipients that are procured solely for the performance of administrative functions, such as payroll processing, legal services, auditing, etc., are to be classified and reported in total as administrative costs.

Personnel and related non-personnel costs of staff performing both administrative functions specified in *Attachment 1* and programmatic services or activities must be allocated as administrative or program costs to the benefitting cost objectives/categories. The allocation must be based on documented distributions of actual time worked or other equitable and acceptable cost allocation methods.

Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost are to be charged as a program cost. Documentation of such charges must be maintained. In general, and to the extent possible, in order to avoid potential problems

Contract Management Policies and Procedures

associated with inevitable questions, it is usually preferable to separate from an indirect cost pool all costs that might be considered non-administrative in nature.

Classification of Monitoring Costs

With exceptions noted elsewhere for some WIOA monitoring activities, monitoring costs of career office Subrecipients are included in assigned administration cost budgets. These monitoring costs are a subset of overall Administration expenditures and are charged against the overall contract Administration budget, but are reported separately in the Financial Report submitted each month. Effectively, these monitoring costs are a subset of overall Administration expenditures and are charged against the overall Administration budget, but reported separately. Monitoring costs of non-career office Subrecipients, with exceptions noted elsewhere for some and WIOA monitoring activities must be reported on a separate line under Administration in the Financial Report submitted each month.

Note that supervisory costs incurred for normal daily oversight and management activities are **NOT** to be reported in the monitoring cost categories for any Subrecipient.

Contracts for Administration, Monitoring, or other Specifically Identifiable Activities that May Include Administration and Monitoring

Where applicable, Subrecipient or subcontractor expenses for administration costs must be broken out in the Financial Report into appropriate reporting subsets such as Monitoring and must be allocated to applicable funding streams using a generally acceptable allocation methodology. This must be done so that H-GAC may appropriately report these expenses to the Texas Workforce Commission.

Classification of Property Management Costs

Property management refers to activities such as receiving, tracking, assigning, taking inventory, and disposing of real property, equipment, and supplies. Property management costs are administrative costs.

Classification of Costs for Preparing Reports and Documents

The costs of preparing reports and documents to support administrative functions are administrative costs.

Classification of Profit

Profit must be charged to the appropriate cost category in proportion to the allocation of costs among administrative and program cost categories as described on page II-10-14 of the United States Department of Labor's *One-Stop Comprehensive Financial Management Technical Assistance Guide* (http://www.doleta.gov/sga/pdf/FinalTAG_August_02.pdf). For example, if a Subrecipient that earned profit reported 8 percent of its total pre-profit expenditures as

Contract Management Policies and Procedures

administrative costs and the remaining 92 percent of its total pre-profit expenditures as program costs, the profit that it earned would be charged between administrative and program cost categories in the same proportion as its reported pre-profit expenditures, i.e., 8 percent administration and 92 percent program.

Outreach and Promotional Materials, Advertising, Sponsorships, Employee Apparel, and Award Ceremonies Charged to Contracts Funded through the Texas Workforce Commission - Unallowable Outreach and Promotional Materials

Outreach and promotional materials that solely promote an organization are unallowable uses of funds awarded by H-GAC. Outreach and promotional materials solely promote an organization if the materials provide information only about that organization.

Examples of information that solely promotes an organization include any of the following, if it does not appear in conjunction with information that promotes program activities:

- Organization's logo
- Organization's name or brand name, including "Workforce Solutions"
- Organization's Web site address
- Contact information, such as addresses and phone numbers

Advertising

Subrecipients must be aware that UGMS defines "advertising costs" as "the costs of advertising media and corollary administrative costs." Advertising media includes "magazines, newspapers, radio and television, direct mail, electronic or computer transmittals, and the like."

Subrecipients may not spend contract funds on advertising without express prior approval from H-GAC.

Should H-GAC authorize such an expenditure, a Subrecipient is responsible for ensuring that advertising costs are necessary, reasonable, allocable, and otherwise allowable in accordance with TWC's Financial Manual for Gants and Contracts.

Outreach and Promotional Materials, Advertising, Sponsorships, Employee Apparel, and Award Ceremonies - Allowable Outreach and Promotional Materials

Costs for outreach and promotional materials are considered public relations costs. The Uniform Grant Management Standards (UGMS) states, "public relations' includes community relations and means those activities dedicated to maintaining the image of" the organization, "or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public."

Subrecipients must not use contract funds for public relations costs unless such costs are all of the following:

Contract Management Policies and Procedures

1. Specifically required by the grant award.
2. Incurred for outreach efforts involving costs of communicating with the public on specific activities or accomplishments sponsored by the contract award.
3. Incurred as a cost of conducting general liaison with news media and government public relations officers necessary to keep the public informed on matters of public concern.
4. Authorized by H-GAC in accordance with Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients may not use contract funds for outreach activities unless they are:

1. Necessary and reasonable for the proper and efficient performance and administration of a program that purchased the materials.
2. Allocable to the contract and fund and charged in accordance with relative benefits received (e.g., costs of outreach and promotional materials promoting multiple activities must be appropriately allocated among benefiting funding streams in accordance with the relative benefit received).
3. Otherwise allowable in accordance with TWC's Financial Manual for Gants and Contracts.
4. Authorized by H-GAC in accordance with Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients may not use contract funds for promotional materials without express prior approval from H-GAC.

Subrecipients must ensure that:

1. Outreach and promotional materials promote contracted activities by clearly communicating to the public specific items or accomplishments resulting from performance of contracts
2. There is no ambiguity on what activity or service is being promoted.

Subrecipients that have unused inventories of outreach and promotional materials that do not clearly communicate specific activities or accomplishments must:

1. Modify the materials to add information that promotes funded activities
2. Ensure that future purchases include sufficient information to describe the funded activities as set forth in this policy.

Subrecipients may modify existing outreach and promotional materials by affixing a sticker (or for jump drives, and similar items, loading a file) that promotes specific activities or services as described above.

Workforce Solutions Nondiscrimination and Equal Opportunity Provisions

Subrecipients must ensure that any recruitment brochures and other materials that are ordinarily distributed or communicated in written and / or oral form, electronically and / or on paper, to

staff, clients, or the public at large, to describe services or activities funded by Workforce Solutions will (1) indicate that the program or activity in question is an “equal opportunity employer / program”; (2) indicate that auxiliary aids and services are available upon request to individuals with disabilities; and (3) state the telephone number of the TDD / TTY or relay service by including the Workforce Solutions approved equal opportunity statement.

Subrecipients that H-GAC authorizes to publish or broadcast information about funded activities or services in the news media must:

1. Ensure that such publications and broadcasts state that the activity or service in question is governed by equal opportunity provisions (or otherwise indicate that discrimination is prohibited by Federal law).
2. Indicate that auxiliary aids and services are available upon request to individuals with disabilities.

Subrecipients must not communicate any information that suggests, by text or illustration, that persons are treated differently on any prohibited grounds, except as such treatment is otherwise permitted under Federal law or regulation.

Subrecipients should be aware that WIOA nondiscrimination and equal opportunity provisions at 29 C.F.R. §38.38:

1. Do not require nondiscrimination and equal opportunity information to be displayed on promotional items;
2. Do cover recruitment brochures and other materials ordinarily distributed or communicated to staff, clients, or the public at large, regardless of whether such information is provided orally or in writing, and electronically or on paper; and
3. Do cover program information published or broadcast in the news media.

Sponsorships

Subrecipients must not use H-GAC contract funds for contributions and donations (including cash, property, and services) to others. Examples of contributions and donations include, but are not limited to:

1. Contributions to campaigns or funds to help or assist specific causes;
2. Gifts to charities and other organizations; and
3. Other similar actions.

Contributions and donations to others are unallowable uses of funds.

Subrecipients must not use H-GAC contracted funds to pay sponsorship fees; fees paid by a Subrecipient to cover all or part of the cost of an event produced by another organization(s), usually in exchange for public acknowledgement of funds (e.g. acknowledgement as a

Contract Management Policies and Procedures

sponsor, recognition in an overhead projection, banner display, short presentation about program activities and accomplishments, etc.). A sponsorship fee is a contribution and is unallowable.

Subrecipients should be aware that the prohibition against use of funds for contributions and donations does not prohibit a Subrecipient from cost sharing in an event produced by another organization(s), provided such costs are allowable under federal and state laws and rules governing the use of the funds.

Subrecipients that cost share in an event produced by another organization(s) must ensure that:

1. The event is a necessary and reasonable cost for the performance of the contract or services or activities to be provided under the contract;
2. The amount of contract funds paid is commensurate with the extent that the funding streams charged do in fact benefit from the event, i.e., the amount is allocable to the charged contract and funding streams;
3. The amount paid is supported by an invoice(s) for the Subrecipient's equitable share of actual event costs.
4. Subrecipient has had its participation approved by H-GAC in accordance with the Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients must be aware that the prohibition against contributions and donations does not prevent Subrecipients from using contract funds to purchase a booth at a job fair or similar event if the purpose of the booth is to outreach customers.

Employee Apparel

Subrecipients must ensure that employee apparel costs are:

1. Necessary and reasonable for the performance of the Subrecipient;
2. Not used for goods or services that are for personal use;
3. Allocable to the contract and fund(s) (e.g., costs of employee apparel promoting multiple activities or services must be appropriately allocated among benefiting funding streams in accordance with the relative benefit received).

Subrecipient must be aware that determinations on the allowability of employee apparel may consider such factors as:

1. Whether a local procedure is in place that requires employees to wear the apparel for certain activities (e.g., job fairs, disaster-related events, youth group activities); and
2. Whether publicly identifying employees' affiliation with an organization through apparel is necessary for performance of the contract(s) that funded the purchase.

Workforce Solutions

Contract Management Policies and Procedures

Subrecipient should be aware that employee apparel may display an organization's logo or name without including information about specific activities or accomplishments resulting from performance of contracts, because the employees wearing the apparel will provide such information.

Award Ceremonies

Subrecipient must be aware that the costs of award ceremonies include the costs of space, speaker fees, and plaques associated with the ceremony. Costs for award ceremonies must:

1. Specifically support the contract award;
2. Be necessary and reasonable for the performance of the contract; and
3. Be allocable to the contract and appropriate funding streams in accordance with relative benefits received.

Examples of award ceremonies that are likely to meet these conditions include those organized:

1. For employer recognition, including:
 - employers that consistently participate in the workforce system or hire job seekers who participate in the workforce system;
 - employers who intermittently participate in the workforce system, but have assisted in partnering on specific projects;
 - employers that have hired specific populations, like veterans or individuals with disabilities;
2. To recognize youth who complete a specific activity (e.g., a science, technology, engineering, and math summer camp).

Documentation for Outreach and Promotional Activities

Subrecipients must retain adequate source documentation to show:

1. The purpose or intent of an activity (e.g., apparel purchase, or promotional, advertising, or award ceremony activities);
2. How the activity is necessary to the contract award;
3. That the activity costs are reasonable;
4. What is included in the costs, for example:
 - what was included in the activity (e.g., a script or description of what was being promoted)
 - detailed specifics (e.g., when, where, how long, etc.)
5. When appropriate, that a "fair share" was allocated to the grant award.

Accrual Basis of Accounting

Subrecipients must report all contract expenditures on an accrual basis. In accrual accounting, revenue is recognized when earned and expenses are recognized when incurred, i.e., economic transactions or events are recognized when they occur and not when the cash settlements for

Contract Management Policies and Procedures

those transactions take place. Revenues and expenses are recorded during the accounting period that includes the underlying real transactions even though cash may not have been received or paid at that point. Accrued expenditures are charges incurred during a given period for goods and tangible property received and services performed that cause decreases in net financial resources, and an accrued expenditure would include those expenses incurred that have not yet been paid. Subrecipients must reasonably estimate accrued expenses based on what is to be paid, historical data, or some other reasonable methodology. Subrecipients must maintain documentation to support accrued expenses and the methodology used to determine the amount of accruals to be reported. Documentation can include actual invoices not yet paid.

Errors and Omissions

If a Subrecipient identifies an error or omission from a previous month's certified expenditure report, the Subrecipient must include the corrected amount(s) in the current month's expenditure report under current expenditures. A Subrecipient may not go back to a previous month to make a positive or negative correction as all such corrections must be made under current expenditures in the current month being reported.

Expenditure Requirements - Benchmark Targets

Subrecipients must ensure that each month's expenditures are at a reasonably acceptable level and should manage financial resources to meet the following expenditure benchmark targets for each month, from Month 3 to Month 10 inclusive, as applicable to funding streams contained within their individual contracts. Some variation may be allowed based on instructions from a contract manager who in response to Board or State instructions has directed a Subrecipient to emphasize a particular area of spending. Even in such cases, however, a Subrecipient must have a plan in place and the ability to spend all funds by the termination of the funding streams or the contract or by an earlier date if so indicated in writing in the contract document, the Financial Report, the funding stream budget in the Funds Tracking Summary, or by the assigned contract manager.

For each funding stream listed below and for others that may be included in a contract, H-GAC will be tracking expenditure rates monthly. A Subrecipient, whose rate of expenditure in a particular funding stream is considered less than acceptable by H-GAC, as indicated in writing by the assigned Contract Manager or other appropriate H-GAC personnel, may be subject to de-obligation of funds from that particular funding stream, thereby reducing the total contract value by the amount de-obligated. In general, H-GAC will expect a Subrecipient to be at a minimum of 90% of the target expenditure rate for all non-WIOA funds and a minimum of 85% for all WIOA formula allocated funds (Adult, Dislocated Worker, and Youth), subject to restrictions elsewhere specified and guidance and instruction from the assigned contract manager.

Contract Management Policies and Procedures

For any other funding streams not specifically identified below, Subrecipient must be on target each month to spend 100% of its contracted amount by the contract end date or by the termination date of the applicable funding stream if that occurs prior to the contract termination date.

In any case, if a Subrecipient fails to expend funds at a reasonably acceptable level, H-GAC may, through unilateral action, de-obligate funds from the contract. H-GAC may also require the Subrecipient to implement a corrective action plan.

H-GAC may also de-obligate or rescind funds from a Subrecipient due to a reduction of funds or a Board determined need to alter priorities.

Fund	Month 3	Month 10	Target
WIOA Adult, Dislocated Worker, and Youth	December	July	amount corresponding to relative proportion of contract year, subject to additional constraints on spending by June 30 of a contract year
Child Care, Adult Education, and other grant funds	December	July	amount corresponding to relative proportion of contract year

Expenditure Requirements - WIOA Maximums by June 30

Unless otherwise agreed and specified in the Subrecipient’s Funds Tracking Summary, a Subrecipient may expend by June 30 of the contract year no more than 75% of the WIOA formula funds budgeted in its contract for WIOA Youth, WIOA Adult and WIOA Dislocated.

New Funds Amended Into Contracts - Applicability of Expenditure Requirements

Unless otherwise specified in writing in an applicable contract amendment, any additional funds amended into a contract become subject to benchmark target expenditure rates sixty days after the amendment has been executed.

Unless otherwise specified in writing in an applicable contract amendment, any additional WIOA formula funds amended into a contract are immediately subject to the June 30 maximum expenditure limitations indicated above.

Limitation on Expenditures for Administration

By the contract closeout, a Subrecipient may not spend a larger proportion of administration dollars budgeted in any funding stream than the proportion of budgeted direct services funds that are actually spent in that same funding stream. For example, if only 70 percent of TANF

Contract Management Policies and Procedures

Choices budgeted direct services funds are spent, Subrecipient may not spend more than 70 percent of budgeted TANF Choices administration funds.

This requirement is interpreted to include in the base for calculation of compliance any funding provided to a Subrecipient without administration dollars that is related to another funding stream and for which administration costs may be appropriately charged to that other funding stream. For example, there may be circumstances in which no administration dollars are provided with certain WIOA Statewide funding, but administration dollars provided in the primary WIOA funding streams may be used for administrative activities associated with provision of WIOA Statewide activities.

Specific questions as to what funds may be included under this provision should be addressed to the assigned contract manager.

Tracking Budgets, Expenditures and Obligations

Subrecipient must establish and implement procedures for budgeting and for tracking funds, expenditures, obligations, commitments and accruals. Subrecipient must ensure that its financial management system complies with the essential elements outlined in current Texas Workforce Commission *Financial Manual for Grants and Contracts*, which can be found at http://www.twc.state.tx.us/business/fmgc/fmgc_toc.html.

Subrecipient must establish and implement procedures for budgeting and for tracking funds, including expenditures, obligations, commitments, accruals, etc., by career office as well as for all offices and/or activities combined. H-GAC may require each career office Subrecipient to report by career office on a quarterly basis, and each career office Subrecipient must be able to report by career office on a quarterly basis.

Budget Line Item Variation

With certain restrictions, a Subrecipient may be allowed by its contract manager a variance on any budget line item without having to request and receive a contract budget amendment from H-GAC. The restrictions are that: (1) the overall budget in the contract, the overall budget in any funding stream, and the overall budget in any cost category may not be exceeded when using the variation; (2) any 15 percent variation in a line item budget is allowed only if it will have the result of being within any one cost category of any funding stream and is not permitted in circumstance where it will cause an adjustment between or among cost categories within a funding stream; (3) the variation is not permitted between or among funding streams; (4) the variation in a line item budget may never be used in any circumstance which would result in the increase of administration costs in the line item budget, or in any funding stream, beyond what has been approved in the original contract or in any formal amendment or modification to the contract; (5) the variation should not increase any personnel line item (including benefits), or

Contract Management Policies and Procedures

indirect line item by any amount above the approved contract budget, as amended, without specific written approval from the contract manager; and (6) the variation may not be used in any circumstance that would alter the basic character of the services or activities that the Subrecipient is required to provide according to the approved Scope of Services to the contract. Any request for an exception to this policy must be justified by the Subrecipient in writing to the assigned contract manager and will require a formal amendment to the contract.

Any transfer among budget line, regardless of amount, that will result in a significant change in the character or scope of services provided under this contract, and particularly a significant reduction or limitation in customer services, will require prior written consent of H-GAC. Any such transfers undertaken without prior approval will be grounds for disallowance and recovery of unapproved expenditures and/or termination of a contract at the option of H-GAC.

H-GAC recognizes that some transfers between or among budget line items that are substantially different in absolute dollar size will likely cause at least one of the sending or receiving line items to vary by more than 15 percent. In such circumstances and to avoid any misunderstanding about the nature and intent of such transfers, the Subrecipient should request specific, written approval from the assigned contract manager.

Where required and in situations that do not violate the exceptions listed above, approvals for transfers between or among line items may be authorized via email by the assigned contract manager.

Cost Allocation Plan

Every Subrecipient is required to have a detailed cost allocation plan in place by the beginning date of a contract with H-GAC and to have furnished an exact copy of that plan to H-GAC no later than 30 days after the first effective date of a contract. Any changes to the cost allocation plan or methodology must be furnished to H-GAC within 10 days of the date of implementation of the change by a Subrecipient, and any changes to a cost allocation plan must be retroactive to the contract beginning date.

The cost allocation plan must present an acceptable rationale for how costs are to be allocated among the various funding streams and cost categories within each of the funding streams. It must present an acceptable rationale for how costs are allocated to a contract with H-GAC as opposed to any other funding sources available to a Subrecipient. Issues such as indirect costs, pooled costs other than indirect costs, direct charging of certain costs, shared facilities costs, other expenses charged to partners, etc., must be addressed in the cost allocation plan. The cost allocation plan must contain essential elements and detail as described in the Texas Workforce

Contract Management Policies and Procedures

Commission *Financial Manual for Grants and Contracts (FMGC)* and it must contain a written, dated certification by an appropriate official of Subrecipient.

Unpaid Accruals at Closeout

Subrecipient must, as a part of the closeout package submitted to H-GAC, list all unpaid accruals at closeout. In general, all unpaid accruals must be paid within 45 days of the termination of the contract. Beginning 45 days after termination of the contract, unpaid accruals at closeout must be handled as follows:

All funds held by Subrecipient to pay vendors/sub-recipients must be returned to H-GAC along with a detailed description of each, including the:

- a. Vendor Name
- b. Amount
- c. Purpose
- d. Date of service or product delivery for which accrual was made.

Close Out Report

Each Subrecipient must submit an H-GAC Contract Close Out Report according to instructions and timetables issued by H-GAC. H-GAC will not recognize any request for payment on a contract that is submitted after the deadline for submission of the Contract Close Out Report, generally forty-five days after the termination date of the contract. The Contract Close Out Report must include any Program Income earned and expended in performance of the contract.

Close Out of Individual Funding Streams Prior to Full Contract Closeout

Because the contract may include funds from several different sources, some of which may expire earlier than the termination date of the full contract, H-GAC will require a Closeout Financial Report on the funding stream(s) that expire at dates earlier than the full contract. This final Closeout Financial Report for the early terminating funding stream may involve no more than a specially labeled column added to the financial report in order for Subrecipient and for H-GAC to be able to submit a final report for all additional expenditures occurring before the expiration of the funding stream. The report with the closeout column will be due to H-GAC no later than 45 days following the termination date of the funding stream.

Program Income

For all Subrecipients, other than for-profit Subrecipients, revenues above costs earned in the performance of services under a contract with H-GAC are considered program income as described in the TWC Financial Manual for Grants and Contracts. Program income (earned and expended) must be reported each month. Subrecipients shall disburse program income prior to requesting additional cash payments and keep accurate records for the tracking of all program income earned and expended under the terms of the contract. Subrecipient must report the total amount of program

Contract Management Policies and Procedures

income earned and used on the Contract Close Out Report. A Subrecipient must understand and agree that any program income earned under the terms of a contract may be used solely for the furtherance of the Subrecipient's H-GAC sponsored program(s) and program income may only be used to support the particular program that generated it. The use of program income is limited to providing assistance to individuals who are eligible for services under applicable law in the funding stream/program that generated the program income. Program income is subject to all the requirements of law and regulation applicable to the funding stream generating it as if it were part of the originally approved contract.

A Subrecipient must understand and agree that the Subrecipient is liable to repay, and must repay to H-GAC upon demand, any program income earned under the terms of this Contract which has been determined through audit or investigation not to have been spent according to the provisions of this contract the TWC Financial Manual for Grants and Contracts and applicable laws, regulations, and OMB Cost Circulars.

Stand-In Costs

Stand-in costs are non-federal, non-state costs that *may under certain circumstances* be substituted, or allowed to *STAND-IN*, for disallowed contract or grant costs *when certain conditions are met*. In order, even to be considered as stand-in costs, the proposed stand-in costs must meet the following criteria. The proposed Stand-In Costs:

- must have been allowable costs incurred under the grant, but not charged to the federal program (or any other program administered by H-GAC or the funding Agency)
- must not have been already reimbursed by any other state or federal grant
- must have been included within the scope of the audit
- must have been accounted for in the auditee's financial system
- may include cash match (expenditures of the organization used as match) that exceeds match requirements under the grant
- must come from the same year as the costs that were proposed to be replaced
- must not cause costs to exceed administrative or other cost limitations

Stand-in costs do not include in-kind match; uncompensated overtime; unbilled premises costs associated with fully depreciated publicly owned buildings; allocated costs derived from an improper allocation methodology; or discounts, refunds or rebates.

There can be no guarantee that proposed Stand-in costs will be allowed to replace any disallowed costs of a Subrecipient, but unless the criteria above are met and unless the proposed Stand-in costs are reported on the Financial Report form, there is no possibility of using Stand-in costs to replace disallowed costs.

Contract Management Policies and Procedures

Advances

H-GAC may authorize contract advances or the use of cash needs projections to certain Subrecipients, if the legislation and the federal and/or state regulations governing the grant and/or funding stream permit their use by H-GAC and its Subrecipients.

Payments to Subrecipients are to be in accordance with terms and conditions of their contracts, which are typically on a reimbursement basis. Where cash flow is a problem for a Subrecipient, H-GAC may authorize either one of two courses of action to assist a Subrecipient.

The first and preferable method is to have the Subrecipient once monthly project cash needs into the future with an indication of the date and time funds will be needed by the Subrecipient in order to meet its financial obligations and simultaneously to avoid having excess cash on hand. If applicable, H-GAC will draw cash several times monthly from the funding source to coincide with cash needs of the Subrecipient as they are reported on an additional report during the month. The expenditure report due on the ninth as indicated above must be submitted and must contain a reconciliation of expenditures to cash. In addition, once monthly, the Subrecipient must submit an analysis of cash on hand for the previous month, and the Subrecipient is subject to on-site review of all back-up documentation pertaining to expenditures, cash draws, and cash balances on hand. Specifics of this method will be determined in negotiation with an individual Subrecipient. Repeated findings of excess cash on hand and/or abuse of this method for assistance to a Subrecipient will cause H-GAC to revert back to a cost reimbursement only method and/or the imposition of the sanctions set forth in the Special Contract Provisions.

The second and least preferred method of assisting a Subrecipient is through a cash advance. When an advance is permitted, a Subrecipient must meet certain conditions. Those conditions are:

1. The Subrecipient must have and must maintain sufficient financial systems to adequately account for all funds awarded and advanced.
2. As a prerequisite, the Subrecipient must provide to the contract manager a **written statement or letter that demonstrates or justifies a legitimate business need for advance funds**, and the contract manager must approve **in writing** the provision of the advance.
3. The Subrecipient must request the advance on an approved financial report form submitted to H-GAC.
4. An advance may not exceed 1/12 of the total contract amount or 1/12 of any individual funding stream included within the contract.
5. Unless specific alternative arrangements are approved **in writing** by appropriate H-GAC staff, the advance must be completely re-paid by January 31, the last day of the fourth month after the effective beginning date of October 1 of the same contract year. For

Contract Management Policies and Procedures

contracts beginning on some other date, the advance must be completely re-paid by the 120th day after the effective beginning date of the original contract.

In every case and regardless of any exceptions made to the advance repayment deadline, the advance must be liquidated by the end of the performance period. In no case may the total cash payment to a Subrecipient, defined as the sum of any advance(s) and any reimbursements made for expenditures under the contract, ever exceed the face value of the contract. Subrecipients who have demonstrated a history of excess cash on hand may be ineligible for an advance. Also, regardless of any other circumstances, H-GAC reserves the right at any time and for any reason to demand reimbursement of any outstanding advances to any Subrecipient. A Subrecipient requesting an advance must submit requests for an advance to coincide with immediate cash needs and must ensure that no excess cash is on deposit in the Subrecipient's accounts or the accounts of any of its vendors or subcontractors. Excess cash is defined in the *TWC Financial Manual for Grants and Contracts*. H-GAC may unilaterally change the method of payment from advance to reimbursement if H-GAC determines that a Subrecipient has maintained excess cash or if H-GAC identifies a material deficiency, as defined in the *TWC Financial Manual for Grants and Contracts*, in the cash controls or financial management system maintained by a Subrecipient. If a Subrecipient fails to follow the requirements for advances, the situation may result in funds being provided to that Subrecipient through a reimbursement process only and/or the imposition of the sanctions set forth in the Special Contract Provisions.

Fiscal Integrity Evaluation

Subrecipient must have financial processes and controls in place to safeguard H-GAC and Workforce Solutions financial resources provided to the Subrecipient. The Board's staff or the Board's financial monitor will conduct a fiscal evaluation to determine Subrecipient compliance with requirements contained in the federal regulations, applicable Office of Management and Budget circulars, state statutes, the Workforce Commission's directives, and Workforce Solutions policy. Based on the contract amount, the evaluation will be conducted every year or every other year prior to the final award or renewal of the contract. The evaluation may include the Subrecipient's prior three-year financial history before an award or renewal is made. H-GAC or its representative will review how well the Subrecipient safeguarded fixed assets and properly accounted for program income. During the evaluation, H-GAC will also review the Subrecipient's adverse findings including sanctions, judgments, disallowed and questioned costs, audit and monitoring findings, and the Subrecipient's actions to resolve those issues.

Fiscal Integrity Review

Gulf Coast Workforce Board staff ensure that current and new Subrecipients which have a subrecipient type agreement in nature with H-GAC, receive a fiscal integrity review as indicated.

- Contracts under \$100,000: Fiscal indicators are verified prior to the award of the contract and at each renewal of the contract

Workforce Solutions

Contract Management Policies and Procedures

- Contracts between \$100,000 and \$500,000: Fiscal indicators are verified prior to the award of the contract, at each renewal of the contract, and not less than biennially
- Contracts over \$500,000: Fiscal indicators are verified prior to the award of the contract, at each renewal of the contract, and not less than once annually.

Fiscal integrity reviews for current active Subrecipients which have a subrecipient type agreement with H-GAC shall include a desk review of the following items:

- Most recent Workforce Solutions Gulf Coast contracted financial monitoring ^{*1}
- Most recent independent audit or certified financial statements
- Debarment status

Fiscal integrity reviews for new Subrecipients which have a subrecipient type agreement with H-GAC shall include a desk review of the following items:

- Most recent independent audit or certified financial statements
- Debarment status
- Financial policies and procedures ^{*2}
- Appropriate bonding and insurance ^{*2}
- Cost allocation plan ^{*2}

**1 The fiscal integrity evaluation required by 40 TAC §802.21 can be accomplished by relying on the work of other reviews, audits, or examinations, to the extent that such work meets the rule's stated objectives and requirements.*

**2 New Subrecipients may be granted up to 30 days into the contract period to provide fiscal integrity documentation if approved by the Contract Manager.*

Salary Limitation

Effective June 15, 2006, Public Law 109-234, Section 7013, contains certain limits on salary and bonus compensation for individuals who are paid in whole or in part by funds appropriated originally to the US Department of Labor, Employment and Training Administration (DOL-ETA) and provided to recipients and sub-recipients. The limitations apply to salary and bonus payments to an individual whether such salaries and bonuses are paid directly from funds appropriated originally to the DOL-ETA or are paid partly or wholly through an indirect cost plan or other cost pool arrangement that is in any part funded using such funds. The limitation has been interpreted by DOL-ETA to limit the annualized **rate** of pay, and the limitation on salaries and bonuses was set at a rate equivalent to no more than Federal Service Executive Level II, raised to \$192,300 effective January 2019. A salary table providing this rate is listed on the Federal Office of Personnel Management website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/pdf/2019/EX.pdf>

Contract Management Policies and Procedures

For those whose salary and bonuses are only partially compensated with DOL-ETA funds, the limitation has been interpreted to apply as if the annualized rate of pay has been applied to that portion of the salary paid with DOL-ETA funds. For example, if 25 percent of an employee's time is attributable to work performed under grants covered by the provisions in the law, and the annual Executive Level II amount is \$187,000 no more than \$46,750 can be charged to the DOL-ETA grant funds during the year. Per cost principles contained in applicable OMB cost circulars, any excess rate of pay during that time that may not be charged to DOL-ETA grant funds also **MAY NOT** be charged to any other federal grant regardless of agency source. Other situations such as part-year salary and bonus compensation will also require a calculation adjustment to account for the fact that the limitation applies to **RATE** of pay over a 12 month period.

The limitation does not apply to benefits that are not salary and bonuses. For example, fringe benefits, insurance premiums or pension plans paid by a recipient or sub-recipient are not included in the salary limitation calculation.

Workforce Solutions Bonus / Merit Raise Policy

With prior written approval from its H-GAC contract manager, Subrecipient may reward employees by providing performance-based bonuses and merit raises. Merit raises and bonuses must be reasonable. A cost is considered reasonable if it does not exceed that which would be incurred by a prudent person under normal conditions. The reasonableness of costs must be examined with particular care for organizations that receive the majority of their funding from federal funds. Considerations for cost must include, but are not limited to, whether:

- The cost is generally recognized as ordinary and necessary for the operation or the performance of a contract receiving federal funds,
- The individuals concerned acted with prudence in the circumstances considering their responsibilities to the H-GAC and the state and federal government, its employees, and the public at large, and
- Sound business practices were a factor in establishing the cost.

Subrecipient must project the amount for bonuses and merit raises and establish a separate line item for the expected cost in the budget. Subrecipient may spend money from the bonus/merit raise line item only after its bonus/merit raise plan has been approved by its contract manager and

the Subrecipient has met performance measures reflected in the its merit raise/ bonus plan.

H-GAC will typically establish two times or more during the contract year to review a Subrecipient's achievement of those specified measures.

Workforce Solutions

Contract Management Policies and Procedures

At a minimum, when establishing a bonus policy, Subrecipient must:

- Ensure that bonuses are reasonable in cost and are based on a percentage of the employee's base salary.
- Develop and document the policy.
- Identify positions eligible to receive bonuses and ensure that persons conducting similar work are eligible to receive bonuses.
- Inform staff in advance about the availability of bonuses and how bonuses may be earned.
- Specify how and when bonuses will be distributed (such as, quarterly, semiannually or annually).

Costs associated with bonuses and merit raises are allowable if they are reasonable and are consistent with compensation paid to other employees who perform similar work in the organization.

Food

Food purchases made with Workforce Solutions funds are limited. Subrecipients must exercise discretion and good judgment when making a decision to spend money for food.

Purchasing food with Workforce Solutions funds is generally not allowable. Subrecipients may not use Workforce Solutions funds to buy food for job fairs, open houses and routine or regular staff meetings. Subrecipients may not use Workforce Solutions funds to buy food for their own boards of directors, for Subrecipient social events, or similar kinds of events, including any events where there is a social component or entertainment of any kind. Subrecipients may not use Workforce Solutions funds to purchase alcoholic beverages, to buy or furnish entertainment or to buy any other related items or services explicitly disallowed by applicable federal and state laws and regulations. A Subrecipient may use Workforce Solutions funds to purchase food on rare occasions if the purchase is necessary, reasonable, allocable to a benefiting funding stream, and allowable as a part of a work-related training event. Proper documentation of any and all such food purchases must be maintained by the Subrecipient.

Board staff will not pre-approve expenditures for food. The Board may disallow an imprudent or unallowable expenditure that is questioned during financial monitoring or an audit.

Subrecipient must immediately contact its Subrecipient manager should the bond be reduced or canceled. In the event the fidelity bond is canceled or reduced, H-GAC will not make any further payments to Subrecipient until Subrecipient assures H-GAC that adequate coverage has been obtained. To the extent required by law, H-GAC shall be included as the loss payee on all bonds and certificates of insurance issued to Subrecipient as a result of compliance with this provision.
2. Escrow of funds may be used to secure funds provided that the funds placed in escrow require the signature of persons other than the person(s) authorized to sign Workforce Solutions contract and the funds do not lapse due to requirements for timely expenditure of funds and the provision does not conflict with any other contract provision, state rule or statute for timely expenditure of funds. The Subrecipient must ensure that the escrow account balance is maintained to cover at least 10% of the total contract amount, that the method of securing funds has not been withdrawn, drawn upon, obligated for another purpose or is no longer valid for use as the method of security.

Subrecipient must ensure staff have access to the appropriate information systems and safeguard these information systems from unauthorized access or use.

Data Entry

The plan should cover all relevant platforms – personal computers, local area networks, workstations, and midrange systems as appropriate. Disaster recovery activities should include data backup, local area network recovery testing, and contingency planning functions for all local data.

All users of Workforce Solutions information systems are required to execute an Information Resources Usage Agreement annually. The signed agreement provides written acknowledgment that staff received, read, and understand Workforce Solutions security policies and procedures. Staff must also complete state on-line training for information security and fraud prevention and detection annually. Users who do not comply will lose their rights to access the secure information sources. H-GAC will make reasonable efforts to verify compliance before removing access rights.

To control and safeguard access to these systems H-GAC requires Subrecipients to notify H-GAC's Information and Security staff concerning changes to and revocation of staff access to Workforce Solutions information systems. Notifications must be sent to H-GAC no later than the day of the change.

The Gulf Coast Workforce Board expects its Subrecipients to deliver quality service while meeting the Board’s franchise and contract requirements. When independent auditor, Board, or Regional Quality Assurance Group reviews identify findings of noncompliance, the Board expects its Subrecipients to resolve those findings and correct problems promptly within the requested time frame.

The Board may levy sanctions against a Subrecipient when there is a repeat finding of non-compliance or when an initial finding is so severe that the Board staff and/or the Audit and Monitoring Committee has reasonable concerns regarding the Subrecipient’s compliance with program requirements or its financial stability. Sanctions may include any of the options available under the Board’s contract, including contract termination.

X. Attachments

Attachment 1: Non-Child Care Cost Category Descriptions

The following descriptions identify types of costs that are reportable in expenditure cost categories for funding streams other than Child Care and Adult Education and Literacy. The funding stream acronyms used below are defined at the end of this attachment.

Administration Costs (WIOA, Wagner-Peyser ES, SNAP, NCP, TRA, TANF)

Administrative costs to be reported in this line item/cost category are those administrative costs incurred by sub-recipients are under the Uniform Administrative Requirements and the State of Texas Single Audit Circular in Part IV of the Uniform Grant Management Standards (UGMS). Also, include such costs if they are incurred by a lower-tier sub-recipient.

The administration costs that should be reported in this cost category are those necessary costs incurred for the overall administration and management of contracted services. Administration costs include:

- Accounting, financial management, budgeting, cash management, property management, procurement and purchasing, payroll, and personnel management functions.
- Monitoring and audit (including internal audit) functions, and coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports.
- Fraud and abuse units.
- General legal services functions (and litigation).
- Information systems related to administrative functions, including purchase, system development, and operations.
- The portion of salaries, wages, fringe benefits, staff training, supplies, postage, travel, equipment, facilities, utilities, and other costs required for administrative functions of the program.
- Continuous improvement activities of administrative functions.
- Development of program plans, budgets, and schedules, except for that portion of costs allocable to WIOA.
- Conducting public relations activities directed at state and local officials and the general public and not related to program outreach and required informing processes.
- Preparing reports and documents.
- Profit or fee earned that is associated with administrative functions; i.e., such profit or fee should be allocation among cost categories in proportion to the allocation of pre-profit costs among those cost categories.

Exclude the following from administration for the WIOA funding streams only:

- The development of program plans, budgets, and schedules.
- Negotiating Memorandums of Understanding and other program level agreements.
- Monitoring program for compliance with program requirements.

Contract Management Policies and Procedures

Monitoring Costs (Wagner-Peyser ES, SNAP, NCP, TRA, TANF) (Exception: WIOA Program Monitoring)

Monitoring costs (other than WIOA direct services program monitoring costs) are the costs of monitoring delivery of direct services or projects to determine whether:

- There is compliance with applicable laws, regulations and other requirements;
- Performance goals are achieved; and
- Expenditures have been made against applicable cost categories and within applicable cost limitations.

Expenditures reported in this cost category count against applicable administrative cost caps.

Examples of monitoring activities include periodic system-wide, programmatic and fiscal monitoring reviews of programs, and the associated reporting and resolution of findings. For purposes of this policy, monitoring does not include on-going control activities that are built-in to daily activities, such as supervisory or on-going case file/quality assurance reviews, which should be classified according to the nature of the function being reviewed (e.g. the costs of ongoing quality assurance reviews of case files are programmatic costs because such reviews are a control activity with the purpose of ensuring that clients receive appropriate services and that required supporting documentation is maintained on file).

Information Systems (TANF, NCP)

Information systems costs are those costs incurred under TANF Choices for non-administrative information technology systems (including costs directly associated with development, maintenance, support, and operations) used for tracking and monitoring participant data required by or under Title IV Part A of the Social Security Act. This reporting category is to be used by all Board Subrecipients with TANF Choices funding that are sub-recipients (Career office operators and non-Career Office operators and any lower-tier sub-recipients).

This category must not include non-systems costs. Therefore, do not include costs that are indirectly associated with such systems; e.g., rent and utility costs must not be included in this category, because such costs are not directly associated with development, maintenance, support, and operation of information technology systems. Personnel costs for data entry clerks, statisticians, and report writers must not be included; however, do include salary and wage costs for personnel who develop, maintain, support, and operate the system.

Career Services (WIOA, Wagner-Peyser ES, SNAP, NCP, TANF)

Includes career services described at 20 CFR §678.430, as allowable under grant funding for which this category is available, and staff and operating costs associated with expenditures

Contract Management Policies and Procedures

reported in direct program and support services cost categories. Also report in this cost category, facilities, utilities, and similar costs associated with programmatic-type activities.

The three categories of career services are defined as follows:

 - 1.5.4.4. 21. **Felony Convictions.** Subrecipient certifies that none of the Federal funds made available by this Grant Award shall be used on contracting with corporations with felony convictions. The Board is prohibited from entering into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

pregnancy that is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, including life-endangering physical conditions caused by or arising from the pregnancy itself that would, as certified by a physician, place the women in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit do not come from a Federal source.

Additionally, no funds made available through this award may be provided to a state or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

27. **Controlled Substances.** Subrecipient certifies that no Federal funds shall be used for any activity that promotes the legalization of any drug or other substance included in schedule I of the schedules of controlled substances established under § 202 of the Controlled Substances Act except for normal recognized executive-congressional communications or where the grant agreement provides for such use because there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance.
28. **Illegal Drugs.** Subrecipient certifies that no Federal funds shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug.

31. **Travel (Fly America Act).** All travel must comply with the Fly America Act (49 U.S.C. § 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.
32. **Travel (Foreign).** Funds that are awarded and authorized to carry out an activity under WIOA subtitle B cannot be used for foreign travel.
33. **Travel (Mileage Reimbursement Rates).** Pursuant to 2 C.F.R. § 200.474(a), all subrecipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees for transportation by privately owned automobile and privately-owned motorcycle. Mileage rates must be checked annually on the US General Services Administration (GSA) Web site at www.gsa.gov/mileage to ensure compliance.
Additional state travel requirements may apply.
34. **Unions.** Subrecipient certifies that funds will not be used to assist, promote or deter union organizing, as referred to in WIOA § 181 (b)(7), 29 United States Code (U.S.C.) § 3241(b)(7).

Nor shall grant funds be used to pay the salary or expenses of any recipient or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive Order proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.

37. **Health Benefits Coverage for Contraceptives.** Subrecipient may not **enter** into or renew a contract which includes a provision for drug coverage unless the contract includes a provision for contraceptive coverage. Exemptions to this requirement apply to contracts with 1) the religious plans of Personal Care's HMO and OSF HealthPlans, Inc. and 2) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs. In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals' religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services. Reference 1.1.25 Pursuant to Pub.L.115-141, Division E, Title VII, Section 726, federal funds.

38. **Fair Labor Standards Act.** Pursuant to Pub. L. 115-0141, Division H, Title I, Section 109, Subrecipient will adhere to additional language applied to the Fair Labor Standards Act of 1938 in the Maximum Hours Worked section as it relates to occurrences of a major disaster as designated by the state or federal government. The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee—employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts; who receives from such employer an average weekly compensation of not less than \$591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employer is engaged in any of the activities described in subparagraph (C); and whose duties include any of the following: 1. Interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians; 2. For purposes of this subsection—(A) the term ‘major disaster’ means any disaster or catastrophe declared or designated by the State or Federal agency or department; (B) the term ‘employee employed to adjust or evaluate claims resulting from or relating to such major disaster means an individual who timely secured or secures a license required by applicable law to engage in and perform the activities described in clauses (i) through (v) of paragraph (1)(C) relating to a major disaster, and is employed by an employer that maintains worker compensation insurance coverage or protection for its employees, if required by applicable law, and withholds applicable Federal, State, and local income and payroll taxes from the wages, salaries and any benefits of such employees; and (C) the term ‘affiliate’ means a company that, by reason of ownership or control of 25 percent or more of the outstanding shares of any class of voting securities of one or more companies, directly or indirectly, controls, is controlled by, or is under common control with, another company.”

The Executive Level II salary may change yearly and is located on the US Office of Personnel Management website at www.opm.gov.

The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 C.F.R. §200.330. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including Employment and Training Administration programs. Refer to TEGL No. 5-06 for further clarification.

Note: For additional information about the salary and bonus limitation, refer to TWC Workforce Development Letter 28-07, Change 1, and any subsequent issuances.

GENERAL PROVISIONS

This Agreement is made and entered into, by and between the Houston-Galveston Area Council hereinafter referred to as H-GAC having its principal place of business at 3555 Timmons Lane, Suite 120, Houston, Texas 77027 and Harris County Department of Education, hereinafter referred to as the Subrecipient, having its principal place of business at 6300 Irvington Blvd, Houston, TX 77022.

WITNESSETH:

WHEREAS, H-GAC hereby engages the Subrecipient to perform certain services in accordance with the specifications of the Agreement; and

WHEREAS, the Subrecipient has agreed to perform such services in accordance with the specifications of the Agreement;

NOW, THEREFORE, H-GAC and the Subrecipient do hereby agree as follows:

ARTICLE 1: LEGAL AUTHORITY

The Subrecipient warrants and assures H-GAC that it possesses adequate legal authority to enter into this Agreement. The Subrecipient's governing body, where applicable, has authorized the signatory official(s) to enter into this Agreement and bind the Subrecipient to the terms of this Agreement and any subsequent amendments hereto.

ARTICLE 2: APPLICABLE LAWS

The Subrecipient agrees to conduct all activities under this Agreement in accordance with all applicable rules, regulations, directives, standards, ordinances, and laws, in effect or promulgated during the term of this Agreement, including without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Subrecipient shall furnish H-GAC with satisfactory proof of its compliance therewith.

ARTICLE 3: INDEPENDENT CONTRACTOR

The execution of this Agreement and the rendering of services prescribed by this Agreement do not change the independent status of H-GAC or the Subrecipient. No provision of this Agreement or act of H-GAC in performance of the Agreement shall be construed as making the Subrecipient the agent, servant or employee of H-GAC, the State of Texas or the United States Government. Employees of the Subrecipient are subject to the exclusive control and supervision of the Subrecipient. The Subrecipient is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 4: WHOLE AGREEMENT

The General Provisions, Special Provisions, and Attachments, as provided herein, constitute the complete Agreement ("Agreement") between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein. Except as otherwise provided herein, this Agreement cannot be modified without written consent of the parties.

ARTICLE 5: SCOPE OF WORK

The services to be performed by the Subrecipient are outlined in an Attachment to this Agreement.

ARTICLE 6: PERFORMANCE PERIOD

This Agreement shall be performed during the period which begins Jul 01 2021 and ends Jun 30 2022. All services under this Agreement must be rendered within this performance period, unless directly specified under a written change or extension provisioned under Article 15, which shall be fully executed by both parties to this Agreement.

ARTICLE 7: PAYMENT OR FUNDING

Any payment or funding claimed by Subrecipient shall be paid by H-GAC only under the specific terms set forth in the Special Provisions and Scope of Work. Subrecipient agrees that payments are predicated upon properly documented and verified proof of performance delivered, and costs incurred by the Subrecipient, in accordance with the terms outlined by the Special Provisions of this Agreement.

ARTICLE 8: REPORTING REQUIREMENTS

If the Subrecipient fails to submit to H-GAC in a timely and satisfactory manner any report required by this Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may withhold payments otherwise due and owing the Subrecipient hereunder. Subrecipient's failure in reporting or performance may be considered cause for termination of this Agreement. If H-GAC withholds such payments, it shall notify the Subrecipient of its decision. Payments withheld pursuant to this Article may be held by H-GAC until such time as the delinquent obligations for which funds are withheld are fulfilled by the Subrecipient. The Subrecipient's failure to timely submit any report may also be considered cause for termination of this Agreement.

Any additional reporting requirements shall be set forth in the Special Provisions of this Agreement.

ARTICLE 9: NON FUNDING CLAUSE

Any obligation of H-GAC created by this Agreement is conditioned upon the availability of state or federal funds appropriated or allocated for the payment of such obligations. H-GAC shall not be otherwise obligated or liable for any future payments due, or for any damages as a result of interruption of payment or termination.

ARTICLE 10: INSURANCE

Subrecipient shall maintain insurance coverage for work performed or services rendered under this Agreement as outlined and defined in the attached Special Provisions.

ARTICLE 11: SUBCONTRACTS

Except as may be set forth in the Special Provisions, the Subrecipient agrees not to subcontract, assign, transfer, convey, sublet or otherwise dispose of this Agreement or any right, title, obligation or interest it may have therein to any third party without prior written approval of H-GAC. The Subrecipient acknowledges that H-GAC is not liable to any subcontractor or assignee of the Subrecipient. The Subrecipient shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Agreement as if the performance rendered was rendered by the Subrecipient. Subrecipient shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Subrecipient's compliance, or that of Subrecipient's subcontractors, with any laws or regulations.

ARTICLE 12: AUDIT

Notwithstanding any other audit requirement, H-GAC reserves the right to conduct or cause to be conducted an independent audit of any transaction under this Agreement, such audit may be performed by the H-GAC local government audit staff, a certified public accountant firm, or other auditors designated by H-GAC and will be conducted in accordance with applicable professional standards and practices. Subrecipient who spend seven-hundred fifty thousand dollars (750,000) or more of federal assistance under this contract or cumulatively under all federal contracts in a fiscal year are required to have an audit conducted annually in compliance with 2 CFR 200. Subrecipient agrees to submit all written reports of monitoring or audits to H-GAC within 30 days of issuance. Any reports that contain findings from an auditor must also include a corrective action plan from the Subrecipient in accordance with 2 CFR 200.511.

The Subrecipient understands and agrees that the Subrecipient shall be liable to the H-GAC for anything disallowed as a result of audit, in which case future payments are predicated upon repayment as set forth in the Special Provisions.

ARTICLE 13: EXAMINATION OF RECORDS

The Subrecipient shall maintain during the course of the work complete and accurate records of all of the Subrecipient's costs and documentation of items which are chargeable to H-GAC under this Agreement. H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Agreement. The records to be thus maintained and retained by the Subrecipient shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Subrecipient's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Subrecipient's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

The Subrecipient further agrees to include in all its subcontracts, permitted pursuant to Article 11 hereof. The Subrecipient agrees that H-GAC and its duly authorized representatives shall until the expiration of seven (7) years after final payment under the subcontract or until all audit findings have been resolved, have access to and the right to examine and copy any directly pertinent books, documents, papers, invoices and records of such subcontractor involving transactions relating to the subcontract.

ARTICLE 14: RETENTION OF RECORDS

The Subrecipient shall maintain all records pertinent to this Agreement, and all other financial, statistical, property, participant records, and supporting documentation for a period of no less than seven (7) years from the later of the date of acceptance of the final contract closeout. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the retention period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the seven (7) years, whichever is later, and until any outstanding litigation, audit, or claim has been fully resolved.

ARTICLE 15: CHANGES AND AMENDMENTS

- A. Any alterations, additions, or deletions to the terms of this Agreement, which are required by changes in federal or state Law or by regulations, are automatically incorporated without written amendment hereto, and shall become effective on the date designated by such law or by regulation.
- B. To ensure the legal and effective performance of this Agreement, both parties agree that H-GAC may amend performance under this Agreement, during the contract period, by issuing policy directives to establish or clarify performance requirements under this Agreement. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such policy directives shall have the effect of qualifying the terms of this Agreement and shall be binding upon the Subrecipient as if written herein, provided however that such policy directives shall not alter the terms of this Agreement so as to relieve H-GAC of any obligation specified in this Agreement to reimburse Subrecipient for costs properly incurred prior to the effective date of such policy directives.
- C. Except as specifically provided by subsections A and B of this Article, any other alterations, additions, or deletions to the terms of this Agreement shall be by modification hereto in writing, and executed by both parties to this Agreement.

ARTICLE 16: TERMINATION PROCEDURES

The Subrecipient acknowledges that this Agreement may be terminated for Convenience or Default.

A. *Convenience*

H-GAC may terminate this Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Subrecipient. Upon receipt of notice of termination, all services hereunder of the Subrecipient and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Subrecipient may cancel or terminate this Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Subrecipient may not give notice of cancellation after it has received notice of default from H-GAC.

B. *Default*

H-GAC may, by written notice of default to the Subrecipient, terminate the whole or any part of the Agreement, in any one of the following circumstances:

- (1) If the Subrecipient fails to perform the services herein specified within the time specified herein or any extension thereof; or
- (2) If the Subrecipient fails to perform any of the other provisions of this Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Agreements that completion of services herein specified within the Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period often (10) days (or such longer period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.

ARTICLE 17: SEVERABILITY

H-GAC and Subrecipient agree that should any provision of this Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Agreement, which shall continue in full force and effect.

ARTICLE 18: FORCE MAJEURE

To the extent that either party to this Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 19: COPYRIGHTS

H-GAC, and any related state or federal awarding agency, reserve a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for state or federal government or H-GAC purposes:

ARTICLE 20: OWNERSHIP OF MATERIALS

Except as may be specified in the Special Provisions, all data, reports, research, etc., developed by the Subrecipient solely as a part of its work under this Agreement, shall become the property of the H-GAC upon completion of this Agreement, or in the event of termination or cancellation hereof. All such data and material shall be furnished to H-GAC at no charge and upon request. Subrecipient further agrees not to release information about results or deliverables connected to this Agreement to anyone outside of H-GAC, without first obtaining written release authorization from H-GAC.

H-GAC may, upon request or at its own discretion, provide additional standards, guidelines or requirements, to aid Subrecipient in rendering appropriate performance. H-GAC's provision of this information shall in no way supersede the precedence of applicable laws and regulations.

ARTICLE 2: MANDATORY ATTACHMENTS

In consideration of H-GAC's compensation offer hereinafter described, Subrecipient accepts and shall provide H-GAC approved services in consideration, as specifically described in the Scope of Work, attached hereto and mutually incorporated herein. Subrecipient further agrees to implement the requirements of the Scope of Work according to the agreed upon Budget, as attached and incorporated.

ARTICLE 3: PARTY LIABILITY

In consideration of full and satisfactory performance hereunder, H-GAC will be liable to Subrecipient in an amount equal to the actual costs incurred by Subrecipient in rendering such performance, subject, but not limited, to the following limitations: 1) H-GAC is not liable for expenditures made in violation of regulations, rules or policies promulgated under applicable local, state, or federal laws, 2) Except as specifically authorized by H-GAC in writing, H-GAC is liable only for expenditures made in compliance with the applicable cost principles and administrative requirements set forth in a properly executed attachment to this Agreement, 3) H-GAC is not liable to Subrecipient for costs incurred or performance rendered before the beginning date or after termination of this Agreement, 4) H-GAC is not liable for any costs incurred in the performance of this Agreement, which have not been billed to H-GAC by the final billing deadline identified in the Scope of Work.

ARTICLE 4: PAYMENTS

A. Maximum Value

Subject to the terms and exclusions outlined in this Agreement, and subject to the confirmation of eligibility under applicable state, local, and federal statutes; H-GAC will reimburse Subrecipient for goods, services, or expenditures on the basis of allowable costs up to the maximum value of this Agreement, or \$4,600,000.00. Allowable costs must be certified by Subrecipient as correct and necessary; directly associated with performance of this Agreement provisioned under the Scope of Work or other mutually executed Attachment; and properly submitted at the rates prescribed by state or federal regulations.

B. Increase Request

Any amount requested in excess of this maximum value, must be requested by Subrecipient in

writing, and approved by, H-GAC prior to Subrecipient's reimbursement request. Approval or denial of an increase request is at the sole discretion of H-GAC. Any increased expense, deemed by H-GAC as unusual, may initiate H-GAC's request for information and a subsequent requirement for specific written approval from H-GAC.

C. Timely Submission Required

All requests must be timely submitted to H-GAC. During the Agreement performance period, an invoice or report submission is considered timely when it is received by close of business on the ninth calendar day of a month for the previous month's expenditures. Untimely submissions by Subrecipient could result in a delay or rejection of reimbursement by H-GAC. An invoice or report from Subrecipient must be delivered to H-GAC each month by the due date.

D. Progress Reports

To obtain reimbursement, monthly Progress Report submissions may also be required of Subrecipient, as outlined under the Scope of Work.

E. Timely Processing

Reimbursement from H-GAC shall be processed monthly, within forty-five (45) days after the receipt of the Subrecipient's completed invoice with substantive supporting documentation.

F. Format of Request; Required Information

Subrecipient shall use the approved H-GAC Reimbursement Form or Report Form template, to provide substantive supporting documentation and request reimbursement, if a template is attached to this Agreement. 2.4.1 Our Story

Our region is more than just a point on a map. It is the home of millions of people and the location of thousands of businesses. And the relationship between those two is what keeps our region bustling with activity and rich in promise. Our 13-county area must be a hub for interdependent relationships that lift businesses and people up to their highest heights and promote their goals for success.

That can't happen if we lag behind the times or miss opportunities as they arise. That can't happen if ties are broken between employers and their workers, or if we don't identify opportunities to grow skills and capacity. If our region fails in its ability to support thriving businesses and industrious individuals, it can become irrelevant in the global marketplace – and we all languish as a result. We could then face the consequences of a faltering economy which cannot support a rich and meaningful community drawing people in and inspiring them to stay.

The Gulf Coast Workforce Board and Workforce Solutions exist to keep our region the best place to do business, work and live. When we identify and pursue every opportunity to bring vibrancy to the labor market, we generate more promise and hope. Our region becomes a magnet for amazing businesses and amazing talent. People flock here for jobs and businesses rush for opportunities to grow. We become a place where businesses and people want to plant their roots because they see a bright future here. Abundance follows, and as a result, we become an even more important player in the world economy and all in our region thrive. We are a place where employers are competitive in their markets, our people are educated and skilled, we continue to add more and better jobs, and all our families see rising incomes.

As we work together to keep our region a great place to do business, work and live, we strive to ensure our service conveys the value we bring to the businesses and people we serve.

Expenditure Benchmarks

Subrecipients must ensure that each month’s expenditures are at a reasonably acceptable level and should manage financial resources to meet expenditure benchmark targets as applicable to funding streams contained within their individual contracts. Some variation may be allowed based on instructions from a contract manager who in response to Board or State instructions has directed a Subrecipient to emphasize a particular area of spending. Even in such cases, however, a Subrecipient must have a plan in place and the ability to spend all funds by the termination of the funding streams or the contract or by an earlier date if so indicated in writing in the contract document, the Financial Report, the funding stream budget in the Funds Tracking Summary, or by the assigned contract manager.

For each funding stream included in a contract, H-GAC will be tracking expenditure rates monthly. A Subrecipient, whose rate of expenditure in a particular funding stream is considered less than acceptable by H-GAC, as indicated in writing by the assigned Contract Manager or other appropriate H-GAC personnel, may be subject to deobligation of funds from that particular funding stream, thereby reducing the total contract value by the amount de-obligated. Beginning with the 4th month of a contract, H-GAC will expect a Subrecipient to be at a minimum of 90% of the target expenditure rate for all funds, subject to restrictions elsewhere specified and guidance and instruction from the assigned contract manager. The target expenditure rate is equal to the budgeted funding stream amount divided by the number of months the funding is available and then multiplied by the number of months the funds have been available to bill against.

<i>Expenditure Benchmarks</i>									
<i>Months into Contract</i>	<i>4</i>	<i>5</i>	<i>6</i>	<i>7</i>	<i>8</i>	<i>9</i>	<i>10</i>	<i>11</i>	<i>12</i>
<i>90% of Target Expenditure Rate</i>	30.0%	37.5%	45.0%	52.5%	60.0%	67.5%	75.0%	82.5%	90.0%

Unless otherwise specified in writing in an applicable contract amendment, any additional funds amended into a contract become subject to benchmark target expenditure rates sixty days after the amendment has been executed. In any case, if a Subrecipient fails to expend funds at a reasonably acceptable level, H-GAC may, through unilateral action, de-obligate funds from the contract. H-GAC may also require the Subrecipient to implement a corrective action plan.

Contract Management Policies and Procedures

I. Financial Systems and Reporting

Policies and procedures in regard to financial reporting for the workforce system are issued by the Texas Workforce Commission, and many of these policies and procedures have a direct impact on the tracking and reporting of expenditures by Subrecipients with the Gulf Coast Workforce Board. Emphasis is placed on a consistent reporting definition for administrative costs among non-child care funding streams and accurate reporting of those costs by Subrecipients.

Financial reporting

Unless otherwise agreed in writing, a Subrecipient must submit a financial report of expenditures at least once monthly. A financial report is considered timely if submitted in accordance to the timeframe outlined below.

- For an organization reporting once per month, expenditure reports are due to H- GAC by Close of Business (COB) on the ninth calendar day of a month for the previous month's expenditures. If the ninth falls on a weekend or on a holiday, the reports are due by COB the next business day following the ninth.
- If a Subrecipient files expenditure reports twice per month, the reports are due to H-GAC by COB on the ninth of the month for expenditures through the end of the previous month, and the twenty-first of the month for expenditures through the fifteenth of the month. If the twenty-first falls on a weekend or on a holiday, the reports are due by COB the next business day following the twenty-first.

It is especially important that the report for the ninth accurately and fully represent cumulative expenditures, including accruals, through the end of the previous month, including any adjustments (made in the current month only) for prior periods. Expenditures reported to H-GAC on the ninth represent the primary basis for monthly expenditure reporting to the grantor agency.

The cash draw from the grantor agency generally will occur on the business day following the due date to H-GAC, usually the tenth and the twenty-second of any given month. Reports due on the ninth and received earlier, between the first and the ninth, will be held for processing and cash draw in conjunction with other reports due on the ninth. Reports due on the twenty-first and received earlier, between the sixteenth and the twentieth, will be held for processing and cash draw in conjunction with other reports due on the twenty-first.

Reports received after the applicable due date (timely reporting is described above) will NOT be processed and cash will NOT be drawn for payment on those reports until the next processing cycle associated with the next report due date. For example, a report due on the ninth and received on the tenth will NOT be processed until the twenty-second of the month. A report due on the twenty-first but not received until after that date will NOT be processed until the tenth of the following month. Expenditure reports will NOT be processed and cash will NOT be drawn

Workforce Solutions

Contract Management Policies and Procedures

on an “as reports are received” basis, unless they are received on the indicated due dates. A Subrecipient can expect to be paid approximately 10 - 12 business days after the report due date. Payment to Subrecipients is made by Electronic Funds Transfer (EFT). EFTs generally will occur twice per week, on Tuesday and on Thursday, with a 2-day settlement at the Subrecipient’s bank.

Subrecipients must report expenditures in electronic format via email. H-GAC will issue each Subrecipient a password for use in submitting the monthly reports to a secure email address: workforcefinreports@wrksolutions.com. H-GAC will issue a password to a Subrecipient’s Executive Director or equivalent person who will be responsible for assigning appropriate personnel to use the password for report submission. The Executive Director must provide the names and email addresses of individuals (up to three) who are authorized to submit reports. Passwords must be carefully guarded and restricted to authorized individuals and program management for each Subrecipient.

With the electronic financial report submission by email, H-GAC will not require original signatures on separately submitted documentation. When an authorized person uses the password to submit a report, H-GAC will consider that password-protected submission to contain the equivalent of an original signature. **A financial report submitted by anyone not authorized by the Subrecipient’s Executive Director will not be processed and paid by H- GAC. A financial report submitted to a different email address than workforcefinreports@wrksolutions.com will not be processed and paid by H-GAC.**

Back-up documentation for reimbursable expenses submitted on each financial report must be maintained by the Subrecipient. However, under normal circumstances, the Subrecipient is not required to submit documentation with the electronically submitted financial reports. Each Subrecipient must ensure that the documentation is readily available for inspection by authorized representative(s) of H-GAC, or its state or federal funding agencies, at any time during normal business hours. H-GAC, or an authorized representative of H-GAC, will schedule a review of backup documentation at least several times during any contract period. H-GAC also may conduct random inspections of such backup documentation. In addition, H-GAC may conduct separate or specific inspections of backup documentation if expenditures or adjustments seem out of line with expectations or with normal and accepted accounting practices. Problems or questions arising as a result of an inspection will be handled in accordance with the terms and conditions of the contract.

Contract Management Policies and Procedures

Cost Classifications

For all funding provided to a Subrecipient through the Gulf Coast Workforce Board, Subrecipients are to establish written policies and procedures that address the classification of administrative and direct service/program expenditures. The policies are to include the rationale for the classification decisions set forth by those policies and procedural controls. Written policies and procedures must support efforts for consistent reporting of similar types of expenditures. Inclusion of the rationale behind the policies and procedures is required in order to aid internal and external users (e.g., auditors and monitors) in understanding the intent and consistent application of the same rationale to new or unusual circumstances.

Cost Categories

Attachment 1 – cost category descriptions (Funds except Child Care and Adult Literacy)

Attachment 2 – cost category descriptions for Child Care funds

Attachment 3 – cost category descriptions for Adult Education and Literacy funds

Financial report forms for new contracts or new funding streams added to existing contracts may be revised to incorporate new definitions and cost categories and to facilitate implementation of the special procedures relating to administrative costs that are described below.

Administration Cost Caps

In order for the Gulf Coast Workforce Board to meet local Board, state, and/or federally imposed administration cost limitations, administration cost limitations must be imposed on all Subrecipients. These maximum administration cost limitations or caps must be met by **ALL** Subrecipients (Career Office Subrecipients and other Subrecipients as well) unless specific exemptions are negotiated and incorporated into the final executed contract.

The dollar amount of administration identified in the Funds Tracking Summary attached to each contract is the maximum that may be expended on administration for each specific fund. The actual amount that may be expended may well be less and is governed by the budget negotiated with Workforce Solutions in conjunction with appropriate and consistent application of the Cost Allocation Plan. Common funding streams in Workforce Solutions contracts include:

- **Workforce Innovation and Opportunity Act (WIOA) – Adult**
- **Workforce Innovation and Opportunity Act (WIOA) – Dislocated Worker**
- **Workforce Innovation and Opportunity Act (WIOA) – Youth**
- **Temporary Assistance for Needy Families (TANF) – Choices**
- **Supplemental Nutrition Assistance Program (SNAP) - Employment and Training**
- **Supplemental Nutrition Assistance Program (SNAP) - ABAWD**
- **Child Care Development Fund (CCDF)**

Administration Costs

The description of the administration cost category that is provided in *Attachment 1* is based on definitions included in TWC WD Letter 04-15 Cash Draw and Expenditure Reporting System Instructions.

Although only some portion of the costs to be reported in the administration cost category for Subrecipients will count against the administration cap set by the grantor agency for the board area, all administration costs in each funding stream must be reported to the Board and to the grantor agency, the Texas Workforce Commission. A later section defines and describes the costs that constitute administrative costs.

In general, the costs of administration are the allocable portion of necessary, reasonable, and allowable costs that are associated with the specifically identified functions described in *Attachment 1* that are not related to the direct provision of workforce services, including services to participants and employers. These costs for administration can be both personnel and non-personnel and both direct and indirect.

Expenditures for Subrecipients that are procured solely for the performance of administrative functions, such as payroll processing, legal services, auditing, etc., are to be classified and reported in total as administrative costs.

Personnel and related non-personnel costs of staff performing both administrative functions specified in *Attachment 1* and programmatic services or activities must be allocated as administrative or program costs to the benefitting cost objectives/categories. The allocation must be based on documented distributions of actual time worked or other equitable and acceptable cost allocation methods.

Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost are to be charged as a program cost. Documentation of such charges must be maintained. In general, and to the extent possible, in order to avoid potential problems

Contract Management Policies and Procedures

associated with inevitable questions, it is usually preferable to separate from an indirect cost pool all costs that might be considered non-administrative in nature.

Classification of Monitoring Costs

With exceptions noted elsewhere for some WIOA monitoring activities, monitoring costs of career office Subrecipients are included in assigned administration cost budgets. These monitoring costs are a subset of overall Administration expenditures and are charged against the overall contract Administration budget, but are reported separately in the Financial Report submitted each month. Effectively, these monitoring costs are a subset of overall Administration expenditures and are charged against the overall Administration budget, but reported separately. Monitoring costs of non-career office Subrecipients, with exceptions noted elsewhere for some and WIOA monitoring activities must be reported on a separate line under Administration in the Financial Report submitted each month.

Note that supervisory costs incurred for normal daily oversight and management activities are **NOT** to be reported in the monitoring cost categories for any Subrecipient.

Contracts for Administration, Monitoring, or other Specifically Identifiable Activities that May Include Administration and Monitoring

Where applicable, Subrecipient or subcontractor expenses for administration costs must be broken out in the Financial Report into appropriate reporting subsets such as Monitoring and must be allocated to applicable funding streams using a generally acceptable allocation methodology. This must be done so that H-GAC may appropriately report these expenses to the Texas Workforce Commission.

Classification of Property Management Costs

Property management refers to activities such as receiving, tracking, assigning, taking inventory, and disposing of real property, equipment, and supplies. Property management costs are administrative costs.

Classification of Costs for Preparing Reports and Documents

The costs of preparing reports and documents to support administrative functions are administrative costs.

Classification of Profit

Profit must be charged to the appropriate cost category in proportion to the allocation of costs among administrative and program cost categories as described on page II-10-14 of the United States Department of Labor's *One-Stop Comprehensive Financial Management Technical Assistance Guide* (http://www.doleta.gov/sga/pdf/FinalTAG_August_02.pdf). For example, if a Subrecipient that earned profit reported 8 percent of its total pre-profit expenditures as

Contract Management Policies and Procedures

administrative costs and the remaining 92 percent of its total pre-profit expenditures as program costs, the profit that it earned would be charged between administrative and program cost categories in the same proportion as its reported pre-profit expenditures, i.e., 8 percent administration and 92 percent program.

Outreach and Promotional Materials, Advertising, Sponsorships, Employee Apparel, and Award Ceremonies Charged to Contracts Funded through the Texas Workforce Commission - Unallowable Outreach and Promotional Materials

Outreach and promotional materials that solely promote an organization are unallowable uses of funds awarded by H-GAC. Outreach and promotional materials solely promote an organization if the materials provide information only about that organization.

Examples of information that solely promotes an organization include any of the following, if it does not appear in conjunction with information that promotes program activities:

- Organization's logo
- Organization's name or brand name, including "Workforce Solutions"
- Organization's Web site address
- Contact information, such as addresses and phone numbers

Advertising

Subrecipients must be aware that UGMS defines "advertising costs" as "the costs of advertising media and corollary administrative costs." Advertising media includes "magazines, newspapers, radio and television, direct mail, electronic or computer transmittals, and the like."

Subrecipients may not spend contract funds on advertising without express prior approval from H-GAC.

Should H-GAC authorize such an expenditure, a Subrecipient is responsible for ensuring that advertising costs are necessary, reasonable, allocable, and otherwise allowable in accordance with TWC's Financial Manual for Gants and Contracts.

Outreach and Promotional Materials, Advertising, Sponsorships, Employee Apparel, and Award Ceremonies - Allowable Outreach and Promotional Materials

Costs for outreach and promotional materials are considered public relations costs. The Uniform Grant Management Standards (UGMS) states, "'public relations' includes community relations and means those activities dedicated to maintaining the image of" the organization, "or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public."

Subrecipients must not use contract funds for public relations costs unless such costs are all of the following:

Contract Management Policies and Procedures

1. Specifically required by the grant award.
2. Incurred for outreach efforts involving costs of communicating with the public on specific activities or accomplishments sponsored by the contract award.
3. Incurred as a cost of conducting general liaison with news media and government public relations officers necessary to keep the public informed on matters of public concern.
4. Authorized by H-GAC in accordance with Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients may not use contract funds for outreach activities unless they are:

1. Necessary and reasonable for the proper and efficient performance and administration of a program that purchased the materials.
2. Allocable to the contract and fund and charged in accordance with relative benefits received (e.g., costs of outreach and promotional materials promoting multiple activities must be appropriately allocated among benefiting funding streams in accordance with the relative benefit received).
3. Otherwise allowable in accordance with TWC's Financial Manual for Gants and Contracts.
4. Authorized by H-GAC in accordance with Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients may not use contract funds for promotional materials without express prior approval from H-GAC.

Subrecipients must ensure that:

1. Outreach and promotional materials promote contracted activities by clearly communicating to the public specific items or accomplishments resulting from performance of contracts
2. There is no ambiguity on what activity or service is being promoted.

Subrecipients that have unused inventories of outreach and promotional materials that do not clearly communicate specific activities or accomplishments must:

1. Modify the materials to add information that promotes funded activities
2. Ensure that future purchases include sufficient information to describe the funded activities as set forth in this policy.

Subrecipients may modify existing outreach and promotional materials by affixing a sticker (or for jump drives, and similar items, loading a file) that promotes specific activities or services as described above.

Workforce Solutions Nondiscrimination and Equal Opportunity Provisions

Subrecipients must ensure that any recruitment brochures and other materials that are ordinarily distributed or communicated in written and / or oral form, electronically and / or on paper, to

staff, clients, or the public at large, to describe services or activities funded by Workforce Solutions will (1) indicate that the program or activity in question is an “equal opportunity employer / program”; (2) indicate that auxiliary aids and services are available upon request to individuals with disabilities; and (3) state the telephone number of the TDD / TTY or relay service by including the Workforce Solutions approved equal opportunity statement.

Subrecipients that H-GAC authorizes to publish or broadcast information about funded activities or services in the news media must:

1. Ensure that such publications and broadcasts state that the activity or service in question is governed by equal opportunity provisions (or otherwise indicate that discrimination is prohibited by Federal law).
2. Indicate that auxiliary aids and services are available upon request to individuals with disabilities.

Subrecipients must not communicate any information that suggests, by text or illustration, that persons are treated differently on any prohibited grounds, except as such treatment is otherwise permitted under Federal law or regulation.

Subrecipients should be aware that WIOA nondiscrimination and equal opportunity provisions at 29 C.F.R. §38.38:

1. Do not require nondiscrimination and equal opportunity information to be displayed on promotional items;
2. Do cover recruitment brochures and other materials ordinarily distributed or communicated to staff, clients, or the public at large, regardless of whether such information is provided orally or in writing, and electronically or on paper; and
3. Do cover program information published or broadcast in the news media.

Sponsorships

Subrecipients must not use H-GAC contract funds for contributions and donations (including cash, property, and services) to others. Examples of contributions and donations include, but are not limited to:

1. Contributions to campaigns or funds to help or assist specific causes;
2. Gifts to charities and other organizations; and
3. Other similar actions.

Contributions and donations to others are unallowable uses of funds.

Subrecipients must not use H-GAC contracted funds to pay sponsorship fees; fees paid by a Subrecipient to cover all or part of the cost of an event produced by another organization(s), usually in exchange for public acknowledgement of funds (e.g. acknowledgement as a

Contract Management Policies and Procedures

sponsor, recognition in an overhead projection, banner display, short presentation about program activities and accomplishments, etc.). A sponsorship fee is a contribution and is unallowable.

Subrecipients should be aware that the prohibition against use of funds for contributions and donations does not prohibit a Subrecipient from cost sharing in an event produced by another organization(s), provided such costs are allowable under federal and state laws and rules governing the use of the funds.

Subrecipients that cost share in an event produced by another organization(s) must ensure that:

1. The event is a necessary and reasonable cost for the performance of the contract or services or activities to be provided under the contract;
2. The amount of contract funds paid is commensurate with the extent that the funding streams charged do in fact benefit from the event, i.e., the amount is allocable to the charged contract and funding streams;
3. The amount paid is supported by an invoice(s) for the Subrecipient's equitable share of actual event costs.
4. Subrecipient has had its participation approved by H-GAC in accordance with the Workforce Solutions Public Outreach Standards and Guidelines.

Subrecipients must be aware that the prohibition against contributions and donations does not prevent Subrecipients from using contract funds to purchase a booth at a job fair or similar event if the purpose of the booth is to outreach customers.

Employee Apparel

Subrecipients must ensure that employee apparel costs are:

1. Necessary and reasonable for the performance of the Subrecipient;
2. Not used for goods or services that are for personal use;
3. Allocable to the contract and fund(s) (e.g., costs of employee apparel promoting multiple activities or services must be appropriately allocated among benefiting funding streams in accordance with the relative benefit received).

Subrecipient must be aware that determinations on the allowability of employee apparel may consider such factors as:

1. Whether a local procedure is in place that requires employees to wear the apparel for certain activities (e.g., job fairs, disaster-related events, youth group activities); and
2. Whether publicly identifying employees' affiliation with an organization through apparel is necessary for performance of the contract(s) that funded the purchase.

Contract Management Policies and Procedures

Subrecipient should be aware that employee apparel may display an organization's logo or name without including information about specific activities or accomplishments resulting from performance of contracts, because the employees wearing the apparel will provide such information.

Award Ceremonies

Subrecipient must be aware that the costs of award ceremonies include the costs of space, speaker fees, and plaques associated with the ceremony. Costs for award ceremonies must:

1. Specifically support the contract award;
2. Be necessary and reasonable for the performance of the contract; and
3. Be allocable to the contract and appropriate funding streams in accordance with relative benefits received.

Examples of award ceremonies that are likely to meet these conditions include those organized:

1. For employer recognition, including:
 - employers that consistently participate in the workforce system or hire job seekers who participate in the workforce system;
 - employers who intermittently participate in the workforce system, but have assisted in partnering on specific projects;
 - employers that have hired specific populations, like veterans or individuals with disabilities;
2. To recognize youth who complete a specific activity (e.g., a science, technology, engineering, and math summer camp).

Documentation for Outreach and Promotional Activities

Subrecipients must retain adequate source documentation to show:

1. The purpose or intent of an activity (e.g., apparel purchase, or promotional, advertising, or award ceremony activities);
2. How the activity is necessary to the contract award;
3. That the activity costs are reasonable;
4. What is included in the costs, for example:
 - what was included in the activity (e.g., a script or description of what was being promoted)
 - detailed specifics (e.g., when, where, how long, etc.)
5. When appropriate, that a "fair share" was allocated to the grant award.

Accrual Basis of Accounting

Subrecipients must report all contract expenditures on an accrual basis. In accrual accounting, revenue is recognized when earned and expenses are recognized when incurred, i.e., economic transactions or events are recognized when they occur and not when the cash settlements for

Contract Management Policies and Procedures

those transactions take place. Revenues and expenses are recorded during the accounting period that includes the underlying real transactions even though cash may not have been received or paid at that point. Accrued expenditures are charges incurred during a given period for goods and tangible property received and services performed that cause decreases in net financial resources, and an accrued expenditure would include those expenses incurred that have not yet been paid. Subrecipients must reasonably estimate accrued expenses based on what is to be paid, historical data, or some other reasonable methodology. Subrecipients must maintain documentation to support accrued expenses and the methodology used to determine the amount of accruals to be reported. Documentation can include actual invoices not yet paid.

Errors and Omissions

If a Subrecipient identifies an error or omission from a previous month's certified expenditure report, the Subrecipient must include the corrected amount(s) in the current month's expenditure report under current expenditures. A Subrecipient may not go back to a previous month to make a positive or negative correction as all such corrections must be made under current expenditures in the current month being reported.

Expenditure Requirements - Benchmark Targets

Subrecipients must ensure that each month's expenditures are at a reasonably acceptable level and should manage financial resources to meet the following expenditure benchmark targets for each month, from Month 3 to Month 10 inclusive, as applicable to funding streams contained within their individual contracts. Some variation may be allowed based on instructions from a contract manager who in response to Board or State instructions has directed a Subrecipient to emphasize a particular area of spending. Even in such cases, however, a Subrecipient must have a plan in place and the ability to spend all funds by the termination of the funding streams or the contract or by an earlier date if so indicated in writing in the contract document, the Financial Report, the funding stream budget in the Funds Tracking Summary, or by the assigned contract manager.

For each funding stream listed below and for others that may be included in a contract, H-GAC will be tracking expenditure rates monthly. A Subrecipient, whose rate of expenditure in a particular funding stream is considered less than acceptable by H-GAC, as indicated in writing by the assigned Contract Manager or other appropriate H-GAC personnel, may be subject to de-obligation of funds from that particular funding stream, thereby reducing the total contract value by the amount de-obligated. In general, H-GAC will expect a Subrecipient to be at a minimum of 90% of the target expenditure rate for all non-WIOA funds and a minimum of 85% for all WIOA formula allocated funds (Adult, Dislocated Worker, and Youth), subject to restrictions elsewhere specified and guidance and instruction from the assigned contract manager.

Contract Management Policies and Procedures

For any other funding streams not specifically identified below, Subrecipient must be on target each month to spend 100% of its contracted amount by the contract end date or by the termination date of the applicable funding stream if that occurs prior to the contract termination date.

In any case, if a Subrecipient fails to expend funds at a reasonably acceptable level, H-GAC may, through unilateral action, de-obligate funds from the contract. H-GAC may also require the Subrecipient to implement a corrective action plan.

H-GAC may also de-obligate or rescind funds from a Subrecipient due to a reduction of funds or a Board determined need to alter priorities.

Fund	Month 3	Month 10	Target
WIOA Adult, Dislocated Worker, and Youth	December	July	amount corresponding to relative proportion of contract year, subject to additional constraints on spending by June 30 of a contract year
Child Care, Adult Education, and other grant funds	December	July	amount corresponding to relative proportion of contract year

Expenditure Requirements - WIOA Maximums by June 30

Unless otherwise agreed and specified in the Subrecipient’s Funds Tracking Summary, a Subrecipient may expend by June 30 of the contract year no more than 75% of the WIOA formula funds budgeted in its contract for WIOA Youth, WIOA Adult and WIOA Dislocated.

New Funds Amended Into Contracts - Applicability of Expenditure Requirements

Unless otherwise specified in writing in an applicable contract amendment, any additional funds amended into a contract become subject to benchmark target expenditure rates sixty days after the amendment has been executed.

Unless otherwise specified in writing in an applicable contract amendment, any additional WIOA formula funds amended into a contract are immediately subject to the June 30 maximum expenditure limitations indicated above.

Limitation on Expenditures for Administration

By the contract closeout, a Subrecipient may not spend a larger proportion of administration dollars budgeted in any funding stream than the proportion of budgeted direct services funds that are actually spent in that same funding stream. For example, if only 70 percent of TANF

Contract Management Policies and Procedures

Choices budgeted direct services funds are spent, Subrecipient may not spend more than 70 percent of budgeted TANF Choices administration funds.

This requirement is interpreted to include in the base for calculation of compliance any funding provided to a Subrecipient without administration dollars that is related to another funding stream and for which administration costs may be appropriately charged to that other funding stream. For example, there may be circumstances in which no administration dollars are provided with certain WIOA Statewide funding, but administration dollars provided in the primary WIOA funding streams may be used for administrative activities associated with provision of WIOA Statewide activities.

Specific questions as to what funds may be included under this provision should be addressed to the assigned contract manager.

Tracking Budgets, Expenditures and Obligations

Subrecipient must establish and implement procedures for budgeting and for tracking funds, expenditures, obligations, commitments and accruals. Subrecipient must ensure that its financial management system complies with the essential elements outlined in current Texas Workforce Commission *Financial Manual for Grants and Contracts*, which can be found at http://www.twc.state.tx.us/business/fmgc/fmgc_toc.html.

Subrecipient must establish and implement procedures for budgeting and for tracking funds, including expenditures, obligations, commitments, accruals, etc., by career office as well as for all offices and/or activities combined. H-GAC may require each career office Subrecipient to report by career office on a quarterly basis, and each career office Subrecipient must be able to report by career office on a quarterly basis.

Budget Line Item Variation

With certain restrictions, a Subrecipient may be allowed by its contract manager a variance on any budget line item without having to request and receive a contract budget amendment from H-GAC. The restrictions are that: (1) the overall budget in the contract, the overall budget in any funding stream, and the overall budget in any cost category may not be exceeded when using the variation; (2) any 15 percent variation in a line item budget is allowed only if it will have the result of being within any one cost category of any funding stream and is not permitted in circumstance where it will cause an adjustment between or among cost categories within a funding stream; (3) the variation is not permitted between or among funding streams; (4) the variation in a line item budget may never be used in any circumstance which would result in the increase of administration costs in the line item budget, or in any funding stream, beyond what has been approved in the original contract or in any formal amendment or modification to the contract; (5) the variation should not increase any personnel line item (including benefits), or

Contract Management Policies and Procedures

indirect line item by any amount above the approved contract budget, as amended, without specific written approval from the contract manager; and (6) the variation may not be used in any circumstance that would alter the basic character of the services or activities that the Subrecipient is required to provide according to the approved Scope of Services to the contract. Any request for an exception to this policy must be justified by the Subrecipient in writing to the assigned contract manager and will require a formal amendment to the contract.

Any transfer among budget line, regardless of amount, that will result in a significant change in the character or scope of services provided under this contract, and particularly a significant reduction or limitation in customer services, will require prior written consent of H-GAC. Any such transfers undertaken without prior approval will be grounds for disallowance and recovery of unapproved expenditures and/or termination of a contract at the option of H-GAC.

H-GAC recognizes that some transfers between or among budget line items that are substantially different in absolute dollar size will likely cause at least one of the sending or receiving line items to vary by more than 15 percent. In such circumstances and to avoid any misunderstanding about the nature and intent of such transfers, the Subrecipient should request specific, written approval from the assigned contract manager.

Where required and in situations that do not violate the exceptions listed above, approvals for transfers between or among line items may be authorized via email by the assigned contract manager.

Cost Allocation Plan

Every Subrecipient is required to have a detailed cost allocation plan in place by the beginning date of a contract with H-GAC and to have furnished an exact copy of that plan to H-GAC no later than 30 days after the first effective date of a contract. Any changes to the cost allocation plan or methodology must be furnished to H-GAC within 10 days of the date of implementation of the change by a Subrecipient, and any changes to a cost allocation plan must be retroactive to the contract beginning date.

The cost allocation plan must present an acceptable rationale for how costs are to be allocated among the various funding streams and cost categories within each of the funding streams. It must present an acceptable rationale for how costs are allocated to a contract with H-GAC as opposed to any other funding sources available to a Subrecipient. Issues such as indirect costs, pooled costs other than indirect costs, direct charging of certain costs, shared facilities costs, other expenses charged to partners, etc., must be addressed in the cost allocation plan. The cost allocation plan must contain essential elements and detail as described in the Texas Workforce

Contract Management Policies and Procedures

Commission *Financial Manual for Grants and Contracts (FMGC)* and it must contain a written, dated certification by an appropriate official of Subrecipient.

Unpaid Accruals at Closeout

Subrecipient must, as a part of the closeout package submitted to H-GAC, list all unpaid accruals at closeout. In general, all unpaid accruals must be paid within 45 days of the termination of the contract. Beginning 45 days after termination of the contract, unpaid accruals at closeout must be handled as follows:

All funds held by Subrecipient to pay vendors/sub-recipients must be returned to H-GAC along with a detailed description of each, including the:

- a. Vendor Name
- b. Amount
- c. Purpose
- d. Date of service or product delivery for which accrual was made.

Close Out Report

Each Subrecipient must submit an H-GAC Contract Close Out Report according to instructions and timetables issued by H-GAC. H-GAC will not recognize any request for payment on a contract that is submitted after the deadline for submission of the Contract Close Out Report, generally forty-five days after the termination date of the contract. The Contract Close Out Report must include any Program Income earned and expended in performance of the contract.

Close Out of Individual Funding Streams Prior to Full Contract Closeout

Because the contract may include funds from several different sources, some of which may expire earlier than the termination date of the full contract, H-GAC will require a Closeout Financial Report on the funding stream(s) that expire at dates earlier than the full contract. This final Closeout Financial Report for the early terminating funding stream may involve no more than a specially labeled column added to the financial report in order for Subrecipient and for H-GAC to be able to submit a final report for all additional expenditures occurring before the expiration of the funding stream. The report with the closeout column will be due to H-GAC no later than 45 days following the termination date of the funding stream.

Program Income

For all Subrecipients, other than for-profit Subrecipients, revenues above costs earned in the performance of services under a contract with H-GAC are considered program income as described in the TWC Financial Manual for Grants and Contracts. Program income (earned and expended) must be reported each month. Subrecipients shall disburse program income prior to requesting additional cash payments and keep accurate records for the tracking of all program income earned and expended under the terms of the contract. Subrecipient must report the total amount of program

Contract Management Policies and Procedures

income earned and used on the Contract Close Out Report. A Subrecipient must understand and agree that any program income earned under the terms of a contract may be used solely for the furtherance of the Subrecipient's H-GAC sponsored program(s) and program income may only be used to support the particular program that generated it. The use of program income is limited to providing assistance to individuals who are eligible for services under applicable law in the funding stream/program that generated the program income. Program income is subject to all the requirements of law and regulation applicable to the funding stream generating it as if it were part of the originally approved contract.

A Subrecipient must understand and agree that the Subrecipient is liable to repay, and must repay to H-GAC upon demand, any program income earned under the terms of this Contract which has been determined through audit or investigation not to have been spent according to the provisions of this contract the TWC Financial Manual for Grants and Contracts and applicable laws, regulations, and OMB Cost Circulars.

Stand-In Costs

Stand-in costs are non-federal, non-state costs that *may under certain circumstances* be substituted, or allowed to *STAND-IN*, for disallowed contract or grant costs *when certain conditions are met*. In order, even to be considered as stand-in costs, the proposed stand-in costs must meet the following criteria. The proposed Stand-In Costs:

- must have been allowable costs incurred under the grant, but not charged to the federal program (or any other program administered by H-GAC or the funding Agency)
- must not have been already reimbursed by any other state or federal grant
- must have been included within the scope of the audit
- must have been accounted for in the auditee's financial system
- may include cash match (expenditures of the organization used as match) that exceeds match requirements under the grant
- must come from the same year as the costs that were proposed to be replaced
- must not cause costs to exceed administrative or other cost limitations

Stand-in costs do not include in-kind match; uncompensated overtime; unbilled premises costs associated with fully depreciated publicly owned buildings; allocated costs derived from an improper allocation methodology; or discounts, refunds or rebates.

There can be no guarantee that proposed Stand-in costs will be allowed to replace any disallowed costs of a Subrecipient, but unless the criteria above are met and unless the proposed Stand-in costs are reported on the Financial Report form, there is no possibility of using Stand-in costs to replace disallowed costs.

Contract Management Policies and Procedures

Advances

H-GAC may authorize contract advances or the use of cash needs projections to certain Subrecipients, if the legislation and the federal and/or state regulations governing the grant and/or funding stream permit their use by H-GAC and its Subrecipients.

Payments to Subrecipients are to be in accordance with terms and conditions of their contracts, which are typically on a reimbursement basis. Where cash flow is a problem for a Subrecipient, H-GAC may authorize either one of two courses of action to assist a Subrecipient.

The first and preferable method is to have the Subrecipient once monthly project cash needs into the future with an indication of the date and time funds will be needed by the Subrecipient in order to meet its financial obligations and simultaneously to avoid having excess cash on hand. If applicable, H-GAC will draw cash several times monthly from the funding source to coincide with cash needs of the Subrecipient as they are reported on an additional report during the month. The expenditure report due on the ninth as indicated above must be submitted and must contain a reconciliation of expenditures to cash. In addition, once monthly, the Subrecipient must submit an analysis of cash on hand for the previous month, and the Subrecipient is subject to on-site review of all back-up documentation pertaining to expenditures, cash draws, and cash balances on hand. Specifics of this method will be determined in negotiation with an individual Subrecipient. Repeated findings of excess cash on hand and/or abuse of this method for assistance to a Subrecipient will cause H-GAC to revert back to a cost reimbursement only method and/or the imposition of the sanctions set forth in the Special Contract Provisions.

The second and least preferred method of assisting a Subrecipient is through a cash advance. When an advance is permitted, a Subrecipient must meet certain conditions. Those conditions are:

1. The Subrecipient must have and must maintain sufficient financial systems to adequately account for all funds awarded and advanced.
2. As a prerequisite, the Subrecipient must provide to the contract manager a **written statement or letter that demonstrates or justifies a legitimate business need for advance funds**, and the contract manager must approve **in writing** the provision of the advance.
3. The Subrecipient must request the advance on an approved financial report form submitted to H-GAC.
4. An advance may not exceed 1/12 of the total contract amount or 1/12 of any individual funding stream included within the contract.
5. Unless specific alternative arrangements are approved **in writing** by appropriate H-GAC staff, the advance must be completely re-paid by January 31, the last day of the fourth month after the effective beginning date of October 1 of the same contract year. For

Contract Management Policies and Procedures

contracts beginning on some other date, the advance must be completely re-paid by the 120th day after the effective beginning date of the original contract.

In every case and regardless of any exceptions made to the advance repayment deadline, the advance must be liquidated by the end of the performance period. In no case may the total cash payment to a Subrecipient, defined as the sum of any advance(s) and any reimbursements made for expenditures under the contract, ever exceed the face value of the contract. Subrecipients who have demonstrated a history of excess cash on hand may be ineligible for an advance. Also, regardless of any other circumstances, H-GAC reserves the right at any time and for any reason to demand reimbursement of any outstanding advances to any Subrecipient. A Subrecipient requesting an advance must submit requests for an advance to coincide with immediate cash needs and must ensure that no excess cash is on deposit in the Subrecipient's accounts or the accounts of any of its vendors or subcontractors. Excess cash is defined in the *TWC Financial Manual for Grants and Contracts*. H-GAC may unilaterally change the method of payment from advance to reimbursement if H-GAC determines that a Subrecipient has maintained excess cash or if H-GAC identifies a material deficiency, as defined in the *TWC Financial Manual for Grants and Contracts*, in the cash controls or financial management system maintained by a Subrecipient. If a Subrecipient fails to follow the requirements for advances, the situation may result in funds being provided to that Subrecipient through a reimbursement process only and/or the imposition of the sanctions set forth in the Special Contract Provisions.

Fiscal Integrity Evaluation

Subrecipient must have financial processes and controls in place to safeguard H-GAC and Workforce Solutions financial resources provided to the Subrecipient. The Board's staff or the Board's financial monitor will conduct a fiscal evaluation to determine Subrecipient compliance with requirements contained in the federal regulations, applicable Office of Management and Budget circulars, state statutes, the Workforce Commission's directives, and Workforce Solutions policy. Based on the contract amount, the evaluation will be conducted every year or every other year prior to the final award or renewal of the contract. The evaluation may include the Subrecipient's prior three-year financial history before an award or renewal is made. H-GAC or its representative will review how well the Subrecipient safeguarded fixed assets and properly accounted for program income. During the evaluation, H-GAC will also review the Subrecipient's adverse findings including sanctions, judgments, disallowed and questioned costs, audit and monitoring findings, and the Subrecipient's actions to resolve those issues.

Fiscal Integrity Review

Gulf Coast Workforce Board staff ensure that current and new Subrecipients which have a subrecipient type agreement in nature with H-GAC, receive a fiscal integrity review as indicated.

- Contracts under \$100,000: Fiscal indicators are verified prior to the award of the contract and at each renewal of the contract

Contract Management Policies and Procedures

- Contracts between \$100,000 and \$500,000: Fiscal indicators are verified prior to the award of the contract, at each renewal of the contract, and not less than biennially
- Contracts over \$500,000: Fiscal indicators are verified prior to the award of the contract, at each renewal of the contract, and not less than once annually.

Fiscal integrity reviews for current active Subrecipients which have a subrecipient type agreement with H-GAC shall include a desk review of the following items:

- Most recent Workforce Solutions Gulf Coast contracted financial monitoring ^{*1}
- Most recent independent audit or certified financial statements
- Debarment status

Fiscal integrity reviews for new Subrecipients which have a subrecipient type agreement with H-GAC shall include a desk review of the following items:

- Most recent independent audit or certified financial statements
- Debarment status
- Financial policies and procedures ^{*2}
- Appropriate bonding and insurance ^{*2}
- Cost allocation plan ^{*2}

**1 The fiscal integrity evaluation required by 40 TAC §802.21 can be accomplished by relying on the work of other reviews, audits, or examinations, to the extent that such work meets the rule's stated objectives and requirements.*

**2 New Subrecipients may be granted up to 30 days into the contract period to provide fiscal integrity documentation if approved by the Contract Manager.*

Salary Limitation

Effective June 15, 2006, Public Law 109-234, Section 7013, contains certain limits on salary and bonus compensation for individuals who are paid in whole or in part by funds appropriated originally to the US Department of Labor, Employment and Training Administration (DOL-ETA) and provided to recipients and sub-recipients. The limitations apply to salary and bonus payments to an individual whether such salaries and bonuses are paid directly from funds appropriated originally to the DOL-ETA or are paid partly or wholly through an indirect cost plan or other cost pool arrangement that is in any part funded using such funds. The limitation has been interpreted by DOL-ETA to limit the annualized **rate** of pay, and the limitation on salaries and bonuses was set at a rate equivalent to no more than Federal Service Executive Level II, raised to \$192,300 effective January 2019. A salary table providing this rate is listed on the Federal Office of Personnel Management website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/salary-tables/pdf/2019/EX.pdf>

Contract Management Policies and Procedures

For those whose salary and bonuses are only partially compensated with DOL-ETA funds, the limitation has been interpreted to apply as if the annualized rate of pay has been applied to that portion of the salary paid with DOL-ETA funds. For example, if 25 percent of an employee's time is attributable to work performed under grants covered by the provisions in the law, and the annual Executive Level II amount is \$187,000 no more than \$46,750 can be charged to the DOL-ETA grant funds during the year. Per cost principles contained in applicable OMB cost circulars, any excess rate of pay during that time that may not be charged to DOL-ETA grant funds also **MAY NOT** be charged to any other federal grant regardless of agency source. Other situations such as part-year salary and bonus compensation will also require a calculation adjustment to account for the fact that the limitation applies to **RATE** of pay over a 12 month period.

The limitation does not apply to benefits that are not salary and bonuses. For example, fringe benefits, insurance premiums or pension plans paid by a recipient or sub-recipient are not included in the salary limitation calculation.

Workforce Solutions Bonus / Merit Raise Policy

With prior written approval from its H-GAC contract manager, Subrecipient may reward employees by providing performance-based bonuses and merit raises. Merit raises and bonuses must be reasonable. A cost is considered reasonable if it does not exceed that which would be incurred by a prudent person under normal conditions. The reasonableness of costs must be examined with particular care for organizations that receive the majority of their funding from federal funds. Considerations for cost must include, but are not limited to, whether:

- The cost is generally recognized as ordinary and necessary for the operation or the performance of a contract receiving federal funds,
- The individuals concerned acted with prudence in the circumstances considering their responsibilities to the H-GAC and the state and federal government, its employees, and the public at large, and
- Sound business practices were a factor in establishing the cost.

Subrecipient must project the amount for bonuses and merit raises and establish a separate line item for the expected cost in the budget. Subrecipient may spend money from the bonus/merit raise line item only after its bonus/merit raise plan has been approved by its contract manager and

the Subrecipient has met performance measures reflected in the its merit raise/ bonus plan.

H-GAC will typically establish two times or more during the contract year to review a Subrecipient's achievement of those specified measures.

Workforce Solutions

Contract Management Policies and Procedures

At a minimum, when establishing a bonus policy, Subrecipient must:

- Ensure that bonuses are reasonable in cost and are based on a percentage of the employee's base salary.
- Develop and document the policy.
- Identify positions eligible to receive bonuses and ensure that persons conducting similar work are eligible to receive bonuses.
- Inform staff in advance about the availability of bonuses and how bonuses may be earned.
- Specify how and when bonuses will be distributed (such as, quarterly, semiannually or annually).

Costs associated with bonuses and merit raises are allowable if they are reasonable and are consistent with compensation paid to other employees who perform similar work in the organization.

Food

Food purchases made with Workforce Solutions funds are limited. Subrecipients must exercise discretion and good judgment when making a decision to spend money for food.

Purchasing food with Workforce Solutions funds is generally not allowable. Subrecipients may not use Workforce Solutions funds to buy food for job fairs, open houses and routine or regular staff meetings. Subrecipients may not use Workforce Solutions funds to buy food for their own boards of directors, for Subrecipient social events, or similar kinds of events, including any events where there is a social component or entertainment of any kind. Subrecipients may not use Workforce Solutions funds to purchase alcoholic beverages, to buy or furnish entertainment or to buy any other related items or services explicitly disallowed by applicable federal and state laws and regulations. A Subrecipient may use Workforce Solutions funds to purchase food on rare occasions if the purchase is necessary, reasonable, allocable to a benefiting funding stream, and allowable as a part of a work-related training event. Proper documentation of any and all such food purchases must be maintained by the Subrecipient.

Board staff will not pre-approve expenditures for food. The Board may disallow an imprudent or unallowable expenditure that is questioned during financial monitoring or an audit.

III. Subcontracts

Subrecipient must follow guidelines issued by H-GAC for writing subcontracts. Subrecipient shall not contract with any entity debarred from conducting business with the State of Texas.

In any request for proposals, bid solicitations, press releases, statements, and other documents describing projects or programs funded in whole or in part with federal funds, all Subrecipients will state the dollar amount and percentage of the total costs of the program or project to be financed with those federal funds, and the dollar amount and percentage of the total costs of the program or project to be financed by non-governmental sources.

Subrecipient shall ensure that the performances rendered under all subcontracts are rendered so as to comply with all the terms and provisions of this Contract as if the performances rendered were rendered by the Subrecipient. All subcontracts are subject to applicable federal and state laws, TWC issuances, and H-GAC policies as included in the Standards and Guidelines, Issuances, correspondence or other means of communication.

Contract Management Policies and Procedures

IV. Bonding, Insurance and Other Methods of Securing Funds to Cover Losses

1. Subrecipient must obtain, prior to the receipt of funds under this Contract, and maintain, throughout the term of this Contract, a fidelity bond sufficient to cover at least 10% of the total contract amount. Public colleges and are not required to submit a fidelity bond. The Subrecipient must ensure that a bond is executed by a corporate surety or sureties holding certificate(s) of authority to conduct business in the state of Texas. The Subrecipient must also ensure that the company is not in receivership, bankruptcy or some other status which would jeopardize the ability to draw upon the policy. Subrecipient must immediately contact its Subrecipient manager should the bond be reduced or canceled. In the event the fidelity bond is canceled or reduced, H-GAC will not make any further payments to Subrecipient until Subrecipient assures H-GAC that adequate coverage has been obtained. To the extent required by law, H-GAC shall be included as the loss payee on all bonds and certificates of insurance issued to Subrecipient as a result of compliance with this provision.
2. Escrow of funds may be used to secure funds provided that the funds placed in escrow require the signature of persons other than the person(s) authorized to sign Workforce Solutions contract and the funds do not lapse due to requirements for timely expenditure of funds and the provision does not conflict with any other contract provision, state rule or statute for timely expenditure of funds. The Subrecipient must ensure that the escrow account balance is maintained to cover at least 10% of the total contract amount, that the method of securing funds has not been withdrawn, drawn upon, obligated for another purpose or is no longer valid for use as the method of security.
3. To the extent required by law, Subrecipient must provide general liability insurance in amounts sufficient to protect Workforce Solutions equipment and facilities. H-GAC must be named as the insured party in any certificate of insurance issued to Subrecipient in compliance with this provision.
4. As required by the Master Contract between the Houston-Galveston Area Council and the Texas Workforce Commission, Subrecipient must acquire and maintain “errors and omissions” insurance, or the equivalent, as well as other forms of insurance required by state or federal law or regulation.
5. Subrecipient shall acquire and maintain provision for worker’s compensation benefits in the case of a work experience or work training position in which worker’s compensation law applies to the customer in that position. The worker’s compensation benefits must be available for injuries suffered by customers in such positions. If worker’s compensation law does not apply to a customer in such a position, other appropriate insurance coverage

Contract Management Policies and Procedures

must be secured for injuries suffered by a customer in the course of activity in the position.

6. To the extent required by law, Subrecipient will obtain and maintain throughout the term of this contract any other such insurance coverage as may be required by H-GAC or the Texas Workforce Commission Financial Manual for Grants and Contracts. H-GAC shall be included as the loss payee on all certificates of insurance issued to Subrecipient in compliance with this provision.
7. Subrecipient must ensure that insurance and bonding requirement apply to any subcontracts covered by this contract.
8. Subrecipient must submit proof of bonding, insurance and other methods of securing funds and protecting Workforce Solutions resources to the contract manager. Subrecipient is also responsible for reporting any changes in circumstances regarding the method of securing or protecting funds and resources under its control.
9. Subrecipient must ensure that funds which exceed the amount protected by FDIC insured accounts are protected by bank collateral securities.

V. Information Systems

There are multiple information systems into which Workforce Solutions staff enter and retrieve customer data. The accuracy and timeliness of the data entered is essential to our customer service and Subrecipient accountability. Subrecipient must ensure staff have access to the appropriate information systems and safeguard these information systems from unauthorized access or use.

Data Entry

Subrecipient must ensure staff update customer records on the same day staff have knowledge of recordable action or information. Inherent in this requirement is the understanding that staff maintain frequent contact with customers according to customer's circumstances and the services Workforce Solutions is providing to the customer.

Data entered into any of Workforce Solutions information systems must be accurate and reliable. Every service recorded in any of Workforce Solutions information systems must reflect the date the customer began to receive the service and the date that service ended.

Attachment 1: Non-Child Care Cost Category Descriptions

The following descriptions identify types of costs that are reportable in expenditure cost categories for funding streams other than Child Care and Adult Education and Literacy. The funding stream acronyms used below are defined at the end of this attachment.

Administration Costs (WIOA, Wagner-Peyser ES, SNAP, NCP, TRA, TANF)

Administrative costs to be reported in this line item/cost category are those administrative costs incurred by sub-recipients are under the Uniform Administrative Requirements and the State of Texas Single Audit Circular in Part IV of the Uniform Grant Management Standards (UGMS). Also, include such costs if they are incurred by a lower-tier sub-recipient.

The administration costs that should be reported in this cost category are those necessary costs incurred for the overall administration and management of contracted services. Administration costs include:

- Accounting, financial management, budgeting, cash management, property management, procurement and purchasing, payroll, and personnel management functions.
- Monitoring and audit (including internal audit) functions, and coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports.
- Fraud and abuse units.
- General legal services functions (and litigation).
- Information systems related to administrative functions, including purchase, system development, and operations.
- The portion of salaries, wages, fringe benefits, staff training, supplies, postage, travel, equipment, facilities, utilities, and other costs required for administrative functions of the program.
- Continuous improvement activities of administrative functions.
- Development of program plans, budgets, and schedules, except for that portion of costs allocable to WIOA.
- Conducting public relations activities directed at state and local officials and the general public and not related to program outreach and required informing processes.
- Preparing reports and documents.
- Profit or fee earned that is associated with administrative functions; i.e., such profit or fee should be allocation among cost categories in proportion to the allocation of pre-profit costs among those cost categories.

Exclude the following from administration for the WIOA funding streams only:

- The development of program plans, budgets, and schedules.
- Negotiating Memorandums of Understanding and other program level agreements.
- Monitoring program for compliance with program requirements.

Contract Management Policies and Procedures

Monitoring Costs (Wagner-Peyser ES, SNAP, NCP, TRA, TANF) (Exception: WIOA Program Monitoring)

Monitoring costs (other than WIOA direct services program monitoring costs) are the costs of monitoring delivery of direct services or projects to determine whether:

- There is compliance with applicable laws, regulations and other requirements;
- Performance goals are achieved; and
- Expenditures have been made against applicable cost categories and within applicable cost limitations.

Expenditures reported in this cost category count against applicable administrative cost caps.

Examples of monitoring activities include periodic system-wide, programmatic and fiscal monitoring reviews of programs, and the associated reporting and resolution of findings. For purposes of this policy, monitoring does not include on-going control activities that are built-in to daily activities, such as supervisory or on-going case file/quality assurance reviews, which should be classified according to the nature of the function being reviewed (e.g. the costs of ongoing quality assurance reviews of case files are programmatic costs because such reviews are a control activity with the purpose of ensuring that clients receive appropriate services and that required supporting documentation is maintained on file).

Information Systems (TANF, NCP)

Information systems costs are those costs incurred under TANF Choices for non-administrative information technology systems (including costs directly associated with development, maintenance, support, and operations) used for tracking and monitoring participant data required by or under Title IV Part A of the Social Security Act. This reporting category is to be used by all Board Subrecipients with TANF Choices funding that are sub-recipients (Career office operators and non-Career Office operators and any lower-tier sub-recipients).

This category must not include non-systems costs. Therefore, do not include costs that are indirectly associated with such systems; e.g., rent and utility costs must not be included in this category, because such costs are not directly associated with development, maintenance, support, and operation of information technology systems. Personnel costs for data entry clerks, statisticians, and report writers must not be included; however, do include salary and wage costs for personnel who develop, maintain, support, and operate the system.

Career Services (WIOA, Wagner-Peyser ES, SNAP, NCP, TANF)

Includes career services described at 20 CFR §678.430, as allowable under grant funding for which this category is available, and staff and operating costs associated with expenditures

Contract Management Policies and Procedures

reported in direct program and support services cost categories. Also report in this cost category, facilities, utilities, and similar costs associated with programmatic-type activities.

The Board is prohibited from entering into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.
22. **Federal Tax Liability.** Subrecipient certifies it will not enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

pregnancy that is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, including life-endangering physical conditions caused by or arising from the pregnancy itself that would, as certified by a physician, place the women in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit do not come from a Federal source.

Additionally, no funds made available through this award may be provided to a state or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

27. **Controlled Substances.** Subrecipient certifies that no Federal funds shall be used for any activity that promotes the legalization of any drug or other substance included in schedule I of the schedules of controlled substances established under § 202 of the Controlled Substances Act except for normal recognized executive-congressional communications or where the grant agreement provides for such use because there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance.

32. **Travel (Foreign).** Funds that are awarded and authorized to carry out an activity under WIOA subtitle B cannot be used for foreign travel.
33. **Travel (Mileage Reimbursement Rates).** Pursuant to 2 C.F.R. § 200.474(a), all subrecipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees for transportation by privately owned automobile and privately-owned motorcycle. Mileage rates must be checked annually on the US General Services Administration (GSA) Web site at www.gsa.gov/mileage to ensure compliance.
Additional state travel requirements may apply.

Houston-Galveston Area Council Regional Workforce System Assurances and Certifications

employment for any employee of such business at the original location and such original location is within the United States in accordance with WIOA § (181) (d)(1), 29 U.S. C. § 3241(d)(2).

Nor shall grant funds be used to pay the salary or expenses of any recipient or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive Order proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.
37. **Health Benefits Coverage for Contraceptives.** Subrecipient may not **enter** into or renew a contract which includes a provision for drug coverage unless the contract includes a provision for contraceptive coverage. Exemptions to this requirement apply to contracts with 1) the religious plans of Personal Care's HMO and OSF HealthPlans, Inc. and 2) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs. In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals' religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services. Reference 1.1.25 Pursuant to Pub.L.115-141, Division E, Title VII, Section 726, federal funds.

The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee—employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts; who receives from such employer an average weekly compensation of not less than \$591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employer is engaged in any of the activities described in subparagraph (C); and whose duties include any of the following: 1. Interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians; 2. Inspecting property damage or reviewing factual information to prepare damage estimates; 3. 39. **Reporting of Waste, Fraud and Abuse.** No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste or abuse to designated investigative or law enforcement representative of a Federal department of agency authorized to receive such information.
40. **Salary and Bonus Limitations.** Subrecipients shall not use funds to pay the salary and bonuses of an individual, either as direct costs or as indirect costs, at a rate in excess of Executive Level II. The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 C.F.R. §200.330. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including Employment and Training Administration programs. Refer to TEGL No. 5-06 for further clarification.

Note: For additional information about the salary and bonus limitation, refer to TWC Workforce Development Letter 28-07, Change 1, and any subsequent issuances.

Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact *Brenda Mullins, Director of Curriculum and Compliance, 713-696-8218*

Purpose

The Student Code of Conduct (“Code”), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the *Harris County Department of Education* board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the campus principal’s office. Additionally, the Code shall be available at the campus behavior coordinator’s office and posted on the district’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Because the Student Code of Conduct is adopted by the district’s board of trustees, it has the force of policy. In the event of a conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the district's authority to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling on district transportation;
3. During lunch periods in which a student is allowed to leave campus;
4. At any school-related activity, regardless of time or location;
5. For any school-related misconduct, regardless of time or location;
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
7. When a student engages in cyberbullying, as defined by Education Code 37.0832;
8. When criminal mischief is committed on or off school property or at a school-related event;
9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
10. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
11. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
12. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found at <https://hcde-texas.org/> and at <https://hcde-texas.org/schools>.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Security Personnel

To ensure the security and protection of students, staff, and property, the board employs peace officers. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE(LOCAL).

The law enforcement duties of school peace officers are:

1. Provide police services at campus or Department-sponsored events.
2. Enforce regulations for and on school vehicles transporting Department students.
3. Provide such other law enforcement activities deemed necessary by the Superintendent or the Board.
4. Provide services consistent with the terms of the Department's agreement, if any, Board policy, and the Student Code of Conduct.

Parent" Defined

Throughout the Code of Conduct and related discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The district has the right to limit a student's participation in graduation activities for violating the district's Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered eligible, a student shall not have engaged in any misconduct that resulted in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry to or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 calendar days, unless the complaint is resolved before a board hearing.

- Use the internet or other electronic communications to threaten or harass district students, employees, board members, or volunteers, including off school property if the conduct

causes a substantial disruption to the educational environment or infringes on the rights of another student at school.

- Send, post, deliver, or possess electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal, including cyberbullying and "sexting," either on or off school property, if the conduct causes a substantial disruption to the educational environment or infringes on the rights of another student at school.
- Use the internet or other electronic communication to engage in or encourage illegal behavior or threaten school safety, including off school property if the conduct causes a substantial disruption to the educational environment or infringes on the rights of another student at school.

Safety Transgressions

Students shall not:

- Possess published or electronic material that is designed to promote or encourage illegal behavior or that could threaten school safety.
- Engage in verbal (oral or written) exchanges that threaten the safety of another student, a school employee, or school property.
- Make false accusations or perpetrate hoaxes regarding school safety.
- Engage in any conduct that school officials might reasonably believe will substantially disrupt the school program or incite violence.
- Throw objects that can cause bodily injury or property damage.
- Discharge a fire extinguisher without valid cause.

Miscellaneous Offenses

Students shall not:

- Violate dress and grooming standards as communicated in the Student Handbook.
- Engage in academic dishonesty, which includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination.
- Gamble.
- Falsify records, passes, or other school-related documents.
- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.
- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

Discipline Management Techniques

Discipline shall be designed to improve conduct and encourage students to be responsible members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. In the event of any conflict, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see **glossary**) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief "time-out" period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Behavior coaching.
- Anger management classes.
- Mediation (victim-offender).
- Classroom circles.
- Family group conferencing.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.

- Detention, including outside regular school hours.
- Sending the student to the office, another assigned area, or to in-school suspension.
- Assignment of school duties, such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Out-of-school suspension, as specified in **Out-of-School Suspension** on page 15.
- Placement in a DAEP, as specified in **DAEP** on page 16.
- Expulsion and/or placement in an alternative educational setting, as specified in **Placement and/or Expulsion for Certain Offenses** on page 24.
- Expulsion, as specified in **Expulsion** on page 27.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.

- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student using physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made to provide written notice of the disciplinary action to the student, on the day the action was taken, for delivery to the student's parent. If the parent has not been reached by telephone or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, or through Policy On Line at the following address: <http://pol.tasb.org/Home/Index/578> the district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code to maintain effective discipline in the classroom.

Formal Removal

A teacher may initiate a formal removal from class if:

1. A student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach the class or with other students' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's consent.

A student who has been formally removed by a teacher for any other conduct may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code sections 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.0.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, or gang including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See **glossary**.)
- Involvement in criminal street gang activity. (See **glossary**.)
- Criminal mischief, not punishable as a felony.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see **glossary**) that the student engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The campus behavior coordinator **may** place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See **glossary**.)
- Commits the following offenses on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony.
 - Commits an assault (see **glossary**) under Penal Code 22.01(a)(1).
 - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. (School-related felony drug offenses are addressed in **Expulsion** on page 27.) (See **glossary** for "under the influence" "controlled substance," and "dangerous drug.")
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in **Expulsion** on page 27.)
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See **glossary**.)
 - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in **Expulsion** on page 27.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see **glossary**) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see **glossary**),
 2. A court or jury finds that the student has engaged in delinquent conduct (see **glossary**), or
 3. The superintendent or designee has a reasonable belief (see **glossary**) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and, in the case of a teacher removal, the teacher.

At the conference, the campus behavior coordinator or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Placement Order

After the conference, if the student is placed in a DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in a DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the home district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who are in a DAEP placement at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see **glossary**) that violates the district's Code.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the home district.

Appeals shall begin at Level I with the campus principal.

The home district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions During Placement

Restrictions during placement are determined by the home district. Please review your district's policy

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication (see **glossary**), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives

notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the home district before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The home district shall continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state, or

The home district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state. The district may place the student in the district's DAEP or a regular classroom setting, or

The home district shall place a student who enrolls in the district and was previously assigned to a DAEP in an open-enrollment charter school or another district including a district in another state, directly into a regular classroom setting.

When a student enrolls in the home district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the

student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the home district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in DAEP or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the home district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Students

If a student enrolls in the home district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see **glossary**) of the Penal Code. The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See **glossary**.)

Under the Penal Code

- Unlawfully carrying on or about the student's person the following, in the manner prohibited by Penal Code 46.02:

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,

2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The hearing shall be conducted by the board of trustees and the decision to expel shall be made by the board **or**

The board of trustees delegates to the hearing officer authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the **home** district shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the **home** district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student's conduct requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

Please review your district's policy.

If a student expelled in another state enrolls in the home district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LLEGAL) and FODA(LLEGAL) for more information.

SERVICES AGREEMENT FOR HCDE EXPENDITURES

This Services Agreement (“Agreement”) is made and entered into by and between the Harris County Department of Education (“HCDE”), located in Houston, Texas 77022, and HTS, Inc. Consultants (“Contractor”), located in 416 Pickering St, Houston, TX 77091, for Contractor to provide services to HCDE in accordance with the terms and conditions specified herein.

Recitals

HCDE is a political subdivision of the State of Texas, established to promote education in Harris County, Texas. Both HCDE and Contractor desire to set forth in writing the terms and conditions of their agreement. In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties intending to be legally bound agree as follows:

1. **Purpose.** HCDE agrees to retain Contractor and Contractor agrees to provide services to HCDE as Contractor and to perform the duties and all necessary labor and resources needed to provide the services set forth in Paragraph 3 – Scope of Work. Contractor shall also perform such other related services and duties as are customarily performed by a Contractor in a similar position.
2. **Term.** This Agreement is for services beginning August 18, 2021 and ending August 31, 2022 (“Term”). All extensions of this Agreement shall be subject to the terms and conditions specified herein.
3. **Scope of Work.** Exhibit A includes a detailed Scope of Work that sets out the services (hereinafter “Services”) Contractor agrees to provide.
4. **Independent Contractor Status.** It is the intention of the parties that Contractor be an independent contractor and not an employee, agent, joint venture, or partner of HCDE. Nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between HCDE and either Contractor or any employee or agent of Contractor. As an independent contractor, Contractor will be solely responsible for determining the means and methods for performing the Services and shall furnish all tools, materials, transportation, and personal incidentals necessary in the performance of the Services. Contractor shall be responsible for any and all applicable social security and personal income taxes that may become due as a result of any payments made by HCDE hereunder and Contractor shall indemnify and hold HCDE harmless in this regard.
5. **Review of Progress.** Contractor will work to meet all timelines mutually established by Contractor and HCDE. HCDE reserves the right to monitor the progress of Contractor.
6. **Changes & Amendments.** During the Term of the Agreement (see Paragraph 2), HCDE and Contractor reserve the right to make changes to the Services the Contractor is required to provide pursuant to this Agreement. This Agreement may be amended only by the mutual agreement of the parties, in writing to be attached to and incorporated in this Agreement. All such changes shall be made in writing and agreed to by both parties.

7. **Assignment.** Neither this Agreement nor any duties or obligations under it shall be assignable by Contractor without the prior written acknowledgement and authorization of HCDE.

8. **Compensation.** HCDE will pay Contractor an amount not to exceed **\$67,940.00** plus expenses of **\$N/A** per day for Services provided in Exhibit A. Contractor will invoice HCDE periodically throughout the Term of the Agreement in accordance with Section 29 of this Agreement. HCDE is Texas sales and use tax exempt and will not reimburse Contractor for any Texas sales taxes incurred by Contractor. In the event that any payment(s) to Contractor under this Agreement are subsequently disallowed by a state or federal grant awarding agency or in the event that HCDE is required to refund any funding received from a state or federal grant awarding agency relating to Contractor's Work, to the maximum extent permitted by applicable law, Contractor shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to Contractor under this Agreement.

9. **Intellectual Property.** Contractor represents that it has all intellectual property rights necessary to enter and perform its obligations in this Agreement.

10. **Ownership of Work Product.** All work product, including any concepts, products, software, research, reports, studies, data, photographs, negatives, or other documents, drawings or materials prepared by Contractor in the performance of its obligations under this Agreement will be deemed works for hire and the exclusive property of HCDE, the Texas Education Agency, the State of Texas, and/or the federal government, as applicable. Contractor shall deliver all such materials to HCDE upon completion, termination, or cancellation of this Agreement. Any programs, data, or other materials furnished by HCDE for use by Contractor in connection with the Services performed under this Agreement will remain HCDE's property. 11. **Professional Services.** This Agreement (check applicable box) is / is not for professional services and governed by the Professional Services Procurement Act, TEX. GOV'T CODE Chp. 2254. Contractor represents and warrants that Contractor has demonstrated competence and possesses qualifications to perform the Services and is performing the Services for a fair and reasonable price. Contractor further represents and warrants that the professional fees under the Agreement do not exceed any maximum provided by law.

12. **Conflict of Interest.** During the Term of Contractor's service to HCDE, Contractor shall not, directly or indirectly, whether for Contractor's own account or for or with any other person or entity whatsoever, employ, solicit, or endeavor to entice away any person who is employed by HCDE.

13. **Criminal History Certification.** Contractor shall complete the "Criminal History Certification" regarding the criminal history of covered employees and the "Felony Conviction Notice," both of which are incorporated by reference herein. Noncompliance or misrepresentation regarding these certifications may be grounds for termination of this Agreement.

14. Indemnity. TO THE FULLEST EXTENT PERMITTED BY LAW, CONTRACTOR SHALL INDEMNIFY AND HOLD HARMLESS HCDE, ITS TRUSTEES, OFFICERS, EMPLOYEES, AND AGENTS FROM AND AGAINST ALL LIABILITY, LOSS, EXPENSE (INCLUDING REASONABLE LITIGATION COSTS AND ATTORNEY'S FEES), OR CLAIMS FOR INJURY OR DAMAGES ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT (COLLECTIVELY, "CLAIM") TO THE EXTENT THE CLAIM ARISES FROM THE NEGLIGENCE, WILLFUL ACT, BREACH OF CONTRACT, OR VIOLATION OF LAW BY CONTRACTOR, ITS EMPLOYEES, AGENTS, CONTRACTORS, OR SUBCONTRACTORS.

15. Non-appropriation of funds. The Term of this Agreement is a commitment of HCDE current revenue only. Notwithstanding anything to the contrary in this Agreement, HCDE is obligated to make payments only as approved each year by HCDE's Board of Trustees. HCDE's Board of Trustees retains the right to terminate the Agreement at the expiration of each budget period of HCDE. To the extent that HCDE will use federal grant funds to fulfill its obligations under this Agreement, Contractor acknowledges that federal funds will be used to pay for all or a portion of funds due under this Agreement and that this Agreement is only effective upon receipt of the Notice of Grant Award ("NOGA") by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the services provided in this Agreement, HCDE may terminate this Agreement without penalty or further obligation to Contractor, at any time upon written notice to Contractor. During the Term of this Agreement, HCDE reserves the right to use all available resources to procure other services as needed and doing so will not violate any rights of Contractor.

17. Performance. Contractor agrees that Contractor's Services will be performed with reasonable care, skill, judgment, and experience in a professional business-like manner, with no direct supervision from HCDE. If Contractor is unable to complete the work in this manner based on the mutually agreed upon time, Contractor shall notify HCDE's Director of Facilities in writing.

18. Termination. Either party for any reason upon thirty (30) days written notice may terminate this Agreement without cause. HCDE will be responsible for payment for Services that have been accepted by HCDE up to the termination date.

HCDE may, by written notice, immediately terminate this Agreement if Contractor has defaulted in whole or in part, refuses or fails to comply with the provisions of this Agreement, fails to make progress, does not cure such failure after written notice within a reasonable period of time, or fails to perform the Services within the same time period specified or any written extension thereof. In such event, HCDE may obtain comparable Services elsewhere and either deduct the costs of obtaining such Services from any amount owed Contractor or Contractor shall reimburse HCDE for such costs incurred by HCDE.

19. **Inspection and Acceptance of Service.** HCDE reserves the right to inspect the Services provided under this Agreement at all reasonable times and places during the Term. If any of the Services do not conform to the requirements set forth in this Agreement, HCDE may (i) require Contractor to perform the Services again in conformity with such requirements, with no additional charge to HCDE; or (ii) equitably reduce payment due Contractor to reflect the reduced value of the Services performed. Consider approval to submit a \$569,025 partial waiver request of in-kind non-federal match to the grant, to the U.S. Department of Health and Human Services (HHS) Office of Head Start (OHS), for the Early Head Start Expansion and Early Head Start - Child Care Partnership programs in fiscal year 2020-2021.

Subject:

HCDE Head Start Division, Early Head Start and EHS – Child Care Partnerships; \$569,025 non-federal share partial waiver

Rationale:

Harris County Department of Education (HCDE) requests a \$569,025 partial waiver of its non-federal match requirement for grant number 06HP000311 from the U.S. Department of Health and Human Services, Administration for Children and Families. HCDE seeks a reduction of matching funds for the September 1, 2020 to August 31, 2021 budget period. The current required match is \$663,792. This request is due to the program service community being affected by disaster, including the ongoing effects of the COVID-19 pandemic and Winter Storm Uri. This reduction will result in a total non-federal share of \$94,767.00 required for the program.

HARRIS COUNTY DEPARTMENT OF EDUCATION

Early Head Start Grant Number 06HP000311

Non-federal Share Waiver Request

Harris County Department of Education (HCDE) requests a partial waiver of its non-federal match requirement for grant number 06HP000311 from the U.S. Department of Health and Human Services, Administration for Children and Families. HCDE seeks a reduction of matching funds from \$663,792 to \$94,767 for the September 1, 2020 to August 31, 2021 budget period. This request is due to the program service community being affected by disaster, including the ongoing effects of the COVID-19 pandemic and Winter Storm Uri.

HCDE Early Head Start service area covers approximately 600 square miles of the northeast and southeast portions of Harris County, Texas. Traveling from downtown Houston, the boundaries extend north to Humble, Huffman, Sheldon and Crosby. The eastern boundary includes Houston, Galena Park, Channelview, and Baytown. To the south, the area east of Interstate 45 includes Clear Creek, Pasadena and La Porte.

The COVID-19 pandemic brought the world to a standstill in 2020 and remains fluid. While the economy is picking back up, analysts predict it will take another three years before the economy recovers to pre-pandemic levels. Houston is a major hub for the oil industry, which has been hit hard by a slow economy. In addition, social distancing requirements made it challenging to recruit volunteers who would normally participate face-to-face in Early Head Start activities.

And recently, the state of Texas experienced an extreme winter storm affecting the cities within HCDE Early Head Start service area. As Winter Storm Uri swept across the region on February 13, 2021, it shuttered oil and gas production, food processing facilities and manufacturing plants while plunging millions of people into darkness for days on end. Now many homeowners are dealing with burst pipes and other property damage from the unprecedented snow and cold.

The Perryman Group, a Texas-based economic research firm, projected that Winter Storm Uri could end up costing a total of \$195 billion on the low end and as much as \$295 billion. Those figures include lost income as well as long-term reduction in economic output stemming from factories and businesses that closed during the storm.

Reference: Truth-In-Taxation

Dear Mr. Martinez:

The following information is provided for the Harris County Dept. of Education's 2021 Truth-In-Taxation calculations, in accordance with the certification requirements of Sec. 26.04, Texas Property Tax Code (the Code), for use on the No-New-Revenue Tax Rate Worksheet.

In accordance with Sec. 26.04(h) of the Code, the anticipated collection rate of a taxing unit is equal to the lowest actual collection rate for any of the preceding three years. Your anticipated collection rate for 2021 is 98.27% based on the actual collection rates for the preceding three years of:

Tax Year 2018 = 99.06%
Tax Year 2019 = 98.27%
Tax Year 2020 = 99.12%

Based on Sec. 26.04(e)(3)(C) of the Code, your 2020 Excess debt amount to be used in the 2021 debt rate calculation is \$0.00 because the 2020 actual debt collections met the anticipated 2020 debt collection rate which was equal to 100%.

The amount to be entered on line 15 of the No-New-Revenue Tax Rate Worksheet is \$325,700.03. This amount represents prior year tax refunds issued in 2020 from court decisions, Sec. 25.25(b) and (c) corrections, and Sec. 31.11 payment errors.

The appraisal roll is expected to be certified by the Harris County Appraisal District August 6, 2021.

Should you have any questions, or need further assistance, please call Jessica Adkins our Jurisdiction Coordinator at (713) 274-8172.

We look forward to working with your District during the Truth-In-Taxation process.

Sincerely,

Reference: 2021 Estimated Property Tax Collection Fee

Dear Mr. Amezcua:

This letter is to inform you of your jurisdiction's property tax collection fee for tax year 2021. The fee is calculated at \$1.10 per parcel plus 0.0275 per \$100 of valuation, as shown on the certified to date roll provided by the Harris County Appraisal District.

The estimated property tax collection fee for 2021 is \$507,927.79. The fee was calculated using the number of parcels from 2020 tax year May certified roll and the total property tax levy from the TC 168 report as of May 31, 2021.

Starting in July 2021, we will withhold 2.50% from the jurisdiction's total property tax collections until the total fee has been collected.

Our office plans to update this fee calculation by January 2022. This is based upon changes according to the number of accounts and property tax levy for 2021 tax year. We will inform you of the adjustment in the final fee at that time.

If it appears that the total amount of the fee cannot be collected by June 2022, we will contact you to make alternative payment arrangements.

Should you have any questions or need further assistance, please call me at 713-274-8172.

Sincerely,

Jessica Adkins

Re: 2021 Sec. 26.01(a-1) Estimate
Harris County Department of Education

Dear Mr. Colbert:

As required by Texas Tax Code Sec. 26.01(a-1), we have prepared an estimate of taxable value for the above taxing jurisdiction for 2021.

While we have taken our best estimate of potential hearing loss into account, 2021 protests are still being received and formal hearings held during the next several months may cause further value reductions. Also, if fewer protests are filed, your value could possibly increase.

Your final taxable value will also be impacted by late-filed exemption applications, late applications for productivity valuation, correction motions under Tax Code Sec. 25.25, and possible post-ARB appeals through binding arbitration, appeals to district court, or appeals to the State Office of Administrative Hearings.

The COVID-19 pandemic continues to impact operations. Due to social distancing requirements, the ARB capacity has been limited and COVID-19 issues have occasionally caused changes to schedules. Some temporary disaster exemptions due to the February freeze have been received and we are in the process of reviewing them. We do not believe the value loss to be substantial enough to impact the estimates for most jurisdictions.

Given these limitations, the estimated 2021 taxable value for the taxing unit identified above is:

\$521,912,555,942

The enclosed worksheet also provides additional estimated values that may be useful in your tax rate calculations.

Please do not hesitate to contact your HCAD jurisdiction coordinator or my office if you have questions regarding this estimate or other matters affecting appraisal district operations.

Sincerely,

Roland Altinger
Chief Appraiser

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the No-New-Revenue tax rate and Voter-Approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School Districts without Chapter 313 Agreements* or or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet*.

This worksheet is provided to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate (No New Taxes)

The No-New-Revenue tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the No-New-Revenue tax rate should decrease.

The No-New-Revenue tax rate for a county is the sum of the No-New-Revenue tax rates calculated for each type of tax the county levies.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The Voter-Approval tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O):** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations
2. **Debt:** The debt tax rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The Voter-Approval tax rate for a county is the sum of the Voter-Approval tax rates calculated for each type of tax the county levies. In most cases the Voter-Approval tax rate exceeds the No-New-Revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its No-New-Revenue and Voter-Approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its No-New-Revenue tax rate and/or Voter-Approval tax rate because it adopted the additional sales tax.

This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate before the unused increment rate for the prior three years. ³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

For each tax year before 2020, the difference between the adopted tax rate and voter-approval rate is considered zero, therefore the unused increment rate for 2020 is zero.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit

This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit. 43

Information

Posted Agenda Item:

Consider approval of: (1) 2021 Certified Property Values and the submission of the no-new-revenue tax rate and voter-approval tax rate using the certified estimate of taxable value and (2) a plan to adopt tax rate of \$.004990 for Tax Year 2021 in accordance with the Truth in Taxation laws codified in Chapter 26 and amended by the 87th Legislature.

Subject:

Certified values, tax rate, no new revenue rate, voter approval rate

Rationale:

HCDE held budget workshops, and the budget was adopted on July 21, 2021. The budget was developed with the assumption of increase property values and a plan to adopt a tax rate not higher than \$.004993. The 2021 certified values were received, and the total projected values are \$522 billion of which \$___ billion are certified. There are \$___ billion yet to be certified. The non new tax rate is calculated at \$.005031 and the voter approved tax rate is estimated at \$.5444. The administration is recommending to propose a tax rate of \$.004991 for Tax Year 2021.

The laws require that the values, the calculated rates and the proposal to adopt a tax rate be submitted to the governing body by Aug 7th. Below is a synopsis of the Tax Code requirements and reminders from the Harris County Tax Office:

- **July 23**, the Tax Assessor-Collector will receive a certified estimate of the taxable value of property. The Tax Assessor-Collector shall calculate the no-new-revenue tax rate and voter-approval tax rate using the certified estimate of taxable value.
- **By August 7** the Tax Assessor-Collector submits the rates to the governing body.
- **Provided that the Governing Body does not want to adopt in excess of the voter-approval tax rate, they can decide at the next governing body meeting on or before the August 7 to wait for the certified appraisal roll.**
- If the **Governing Body** wants to exceed the voter-approval rate, then the following deadlines need to be met:
 - August 10 begin Internet posting or TV spots for 7 days of "Notice of Public Hearing"
 - August 10 publish in the newspaper the "Notice of Public Hearing"
 - August 16 public hearing to discuss the proposed rate
 - September 30 deadline to adopt a rate that exceeds the voter-approval rate

HCDE Goal(s):
1. Impact education/respond to evolving needs
2. Deliver value responsibly
4. Provide cost savings by leveraging tax dollars

Additional Resource Personnel:

Facilities/Technology Approval Needed?: None

Information

Posted Agenda Item:

Report of Independent Accountant on examination of Management's assertion regarding the suitability of design and operating effectiveness of Controls over Compliance with criteria set forth in Title 2 Code of Federal Regulations 200.318 - 200.327 - For the Period 01/01/2020 to 12/31/2020.

Subject:

In Whitley's opinion, management's assertion that the Cooperative's internal controls over compliance with the applicable criteria were suitably designed and operating effectively throughout the examination period, **is fairly stated**, in all material respects.

Rationale:

This report on the Cooperative's assertion regarding suitability of design and operating effectiveness of internal controls over compliance with the applicable criteria is intended to provide users of the report with information sufficient to gain an understanding of controls in place at the Cooperative.

To the extent we considered necessary, Whitley's procedures included the following:

- Inspection of the Cooperative's organizational structure and segregation of functional responsibilities belonging to personnel;
- Inspection of the Cooperative's operational policies and procedures;
- Inquiry with the Cooperative's management, operations, administration, and other personnel who are responsible for developing, adhering to, and applying controls;
- Observation of personnel in the performance of their assigned duties; and
- Inspection of the Cooperative's documents and records to assess adherence to controls.

Whitley's examination was restricted to the suitability of the design and operating effectiveness of the Cooperative's internal controls to comply with the applicable criteria and was not extended to procedures outside of those requirements. Their examination procedures were conducted in accordance with the American Institute of Certified Public Accountants ("AICPA"), AT-C Section 315, Compliance Attestation, including its amendments and interpretations, as defined by the Statement on Standards for Attestation Engagements No. 18.
