Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and CVISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which CVISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in CVISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) CVISD is under HCDE's direct control with respect to CVISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under CVISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not redisclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

Payment obligations are non-cancelable, and fees paid are non-refundable. CVISD may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
  - b) In the event that CVISD makes a payment to HCDE with a credit card, CVISD agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

- including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from CVISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by CVISD.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- 11. Payment by Student(s) and Parents. The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. #### 13. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to CVISD. If HCDE exercises such termination right, HCDE shall have no obligation to refund to CVISD the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to CVISD. #### 2021-2022 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the Aldine Independent School District, ("AISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the AISD and to state the terms, rights and duties of the contracting parties.

Term. This Contract is for the term of August 23, 2021 through June 3, 2022. During said term, HCDE agrees to provide services described herein for six (6) total: Adaptive Behavior Program/LIFE Skills Program unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the AISD.

#### 2. HCDE Responsibilities.

- a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS West in accordance with applicable law and during the days and times set forth by ABS West. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
- b) HCDE agrees to furnish the AISD with a monthly statement of student(s) attendance. HCDE agrees to furnish AISD with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by AISD.
- c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
- d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the AISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the AISD.

#### 3. AISD's Responsibilities.

- a) AISD is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of AISD and HCDE.
- b) AISD shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS West. AISD agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by AISD during the term of this Contract. AISD shall provide copies of additional records, including AISD Records, as reasonably requested by HCDE.
- c) AISD retains the responsibility to report AISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

#### 4. Student Records; Confidentiality.

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

"sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and AISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which AISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in AISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) AISD is under HCDE's direct control with respect to AISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under AISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

#### 5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

#### 7. Special Education Services.

- b) HCDE will be available for participation with the AISD ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the AISD on the implementation of the IEP at least once per semester. A member of the AISD special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS West.
- d) AISD agrees to invite an HCDE representative as a non-consensus member to any AISD ARD Committee meeting for AISD student(s) placed at ABS West pursuant to this Contract.
- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

#### 8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in AISD and are considered students of AISD for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that

any eligible AISD student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. AISD retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an AISD student placed at HCDE, AISD recognizes and acknowledges that HCDE is not the LEA or Recipient for the AISD student and is in no way liable to the student, parent, or AISD under the IDEA, Section 504, or other applicable law.

- b) AISD may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from AISD (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.
- 10. AISD Liaison. AISD shall appoint a qualified liaison to communicate on behalf of AISD with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS West programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. Subject: Signed contracts needed for TEA submission

Good afternoon,

It was a pleasure talking with you.

It is my job to make submissions to the Texas Education Agency.

I have not received the signed contracts for ABS EAST and ABS WEST.

The deadline for submission of all ARDS and Contracts to the Texas Education Agency is October 1.

I need the signed contracts as soon as possible so that I can prepare for submission.

I must submit the contract for every student on an individual basis in the database.

Please reference the Nonpublic Notification and Application Checklist.

I must identify the page numbers where the required items are documented. I must highlight the location

of the documentation in every ARD. I must identify the page number in every contract where the required items

are documented.

Please call me on my cell phone at 281-989-0784 if you have any questions.

I appreciate your help with this project!

Thank you.

Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and DISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which DISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in DISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) DISD is under HCDE's direct control with respect to DISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under DISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

#### 8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in DISD and are considered students of DISD for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that

- 50% of annual total amount due will be invoiced in September 2021
- 50% of annual total amount due will be invoiced in January 2022

- b) DISD may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from DISD (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.
- 10. DISD Liaison. DISD shall appoint a qualified liaison to communicate on behalf of DISD with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The DISD liaison shall make best efforts to assist ABS East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with DISD employees and student(s)'s parents/guardians, as necessary.

- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
- 22. Contract Interpretation. The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
- 23. Captions. The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

**Subject:** Signed contracts needed for TEA submission

Good afternoon,

It was a pleasure talking with you.

It is my job to make submissions to the Texas Education Agency.

I have not received the signed contracts for ABS EAST and ABS WEST.

The deadline for submission of all ARDS and Contracts to the Texas Education Agency is October 1.

I need the signed contracts as soon as possible so that I can prepare for submission.

I must submit the contract for every student on an individual basis in the database.

Please reference the Nonpublic Notification and Application Checklist.

I must identify the page numbers where the required items are documented. I must highlight the location

of the documentation in every ARD. I must identify the page number in every contract where the required items

are documented.

Please call me on my cell phone at 281-989-0784 if you have any questions.

I appreciate your help with this project!

Thank you.

### Interlocal Agreement between Harris County Department of Education

& Cameron County Regional Mobility Authority

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Cameron County Regional Mobility Authority, a local governmental entity and/or political subdivision ("LGE"), located in Rancho Viejo (city), TX (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

#### Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

#### **General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

- 1. <u>Term.</u> The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
- 2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

#### Purpose and Scope of Work.

#### A. HCDE agrees to:

- Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
- Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
- Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

  - LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.
- 6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
- 7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- 8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
- Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

- 10. <u>Termination</u>. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
  - By either Party, with or without cause, upon thirty (30) days' prior written notice;
  - By mutual written agreement of the Parties; or
  - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

- 11. <u>Assignment</u>. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
- 12. <u>Conflict of Interest</u>. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
- Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
- 14. <u>Notice</u>. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail**, **return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

- 21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
- 22. <u>Benefit for Signatory Parties Only.</u> Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

  - By mutual written agreement of the Parties; or
  - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

#### Information

### Posted Agenda Item:

Approval of Interlocal Agreement with the City of Houston, Harris County, Harris County Flood Control District, Houston Community College System, Houston Independent School District, Port of Houston Authority, Harris County Hospital District, and the Houston Land Bank, et al relating to the City of Houston's New Home Development Program.

### Subject:

Interlocal Agreement

### Rationale:

COH proposes continued collaboration in developing vacant land for affordable homes by fulfilling the terms of a long-standing Interlocal Agreement (see Letter dated Oct 30, 2019).

The Urban Redevelopment Interlocal Agreement One particular collaboration was setting up the initial set of Interlocal Agreements that provided the Land Assemblage Redevelopment Authority (LARA), a local government corporation, the ability to manage and dispose an inventory of tax-foreclosed properties for the taxing authorities, create affordable housing, and return properties to the tax rolls. This agreement was amended multiple times over the years 1998-2014, expiring in March of 2017.

- Parties City of Houston, Harris County, Harris County Flood Control District, Houston Community College System, Houston Independent School District, Port of Houston Authority of Harris County, Texas, Harris County Department of Education, Harris County Hospital District, and the Houston Land Bank.
- Effective 2003. 1994 and
- Amended and Restated 2015.
- Expired 2017 (At the time the agreement expired, there were 78 lots that had yet to be developed; there are now 83).
- Updated 2020

acquired by HLB through strike-off tax foreclosure sales.

- In the original Interlocal, upon the expiration of the term, the HLB lots were to be conveyed to the City to be held for foreclosure auction.
- Since expiration, the City has developed plans for the public purpose of providing city-wide affordable housing, and the HLB Lots have been identified as prime lots for development by the City's New Home Development Program (NHDP) which was launched in 2018, to provide affordable new single-family homes to families These homes are being sold to homebuyers at 80% and below Area Median Income (AMI).
- The City proposes paying HISD \$1,500 per lot in connection with the NHDP.

The City proposes crediting HISD's account established by the City if Houston, Texas Ordinance No. 2000-362, in lieu of cash payment. This account is to be used exclusively to offset the cost of future street and easement abandonments and real property acquisitions requested by HISD

### **EXECUTIVE SUMMARY**

# CITY OF HOUSTON INTERLOCAL AGREEMENT REGARDING 83 LOT ACQUISITIONS WITH THE LAND ASSEMBLAGE REDEVELOPMENT AUTHORITY (LARA) NOW KNOWN AS HOUSTON LAND BANK

COH proposes continued collaboration in developing vacant land for affordable homes by fulfilling the terms of a long-standing Interlocal Agreement (see Letter dated Oct 30, 2019).

**The Urban Redevelopment Interlocal Agreement** One particular collaboration was setting up the initial set of Interlocal Agreements that provided the Land Assemblage Redevelopment Authority (LARA), a local government corporation, the ability to manage and dispose an inventory of tax-foreclosed properties for the taxing authorities, create affordable housing, and return properties to the tax rolls. This agreement was amended multiple times over the years 1998-2014, expiring in March of 2017.

- Parties City of Houston, Harris County, Harris County Flood Control District, Houston Community College System, Houston Independent School District, Port of Houston Authority of Harris County, Texas, Harris County Department of Education, Harris County Hospital District, and the Houston Land Bank.
- Effective 2003. 1994 and
- Amended and Restated 2015.
- Expired 2017 (At the time the agreement expired, there were 78 lots that had yet to be developed; there are now 83).
- Updated 2020
  - Lots presently owned by the Houston Land Bank (HLB) as part of its inventory of properties acquired by HLB through strike-off tax foreclosure sales.
  - In the original Interlocal, upon the expiration of the term, the HLB lots were to be conveyed to the City to be held for foreclosure auction.
  - Since expiration, the City has developed plans for the public purpose of providing city-wide affordable housing, and the HLB Lots have been identified as prime lots for development by the City's New Home Development Program (NHDP) which was launched in 2018, to provide affordable new single-family homes to families These homes are being sold to homebuyers at 80% and below Area Median Income (AMI).
  - o The City proposes paying HISD \$1,500 per lot in connection with the NHDP.
  - The City proposes crediting HISD's account established by the City if Houston, Texas Ordinance No. 2000-362, in lieu of cash payment. This account is to be used exclusively to offset the cost of future street and easement abandonments and real property acquisitions requested by HISD.

### City's Proposal

- Our proposal is to reach agreement among our organizations to fulfill the terms of the previous Interlocal
  Agreement by building new homes on 83 undeveloped lots. The City has a strong program (New Home
  Development program that partners with HLB to build new homes on vacant lots) that is ready to build
  single family homes on these lots for sale to qualified homebuyers. <u>They would be in development</u>
  immediately and finished within 6 -18 months.
- Developing these lots will put these properties back on the tax rolls and create quality affordable homes for sale.
- The alternative of releasing the lots to auction would see them sold to speculators and investors that are unlikely to build on these lots in the short term.

- There is little evidence that auction activity is translating into much-needed increases in affordable housing or tax revenues as land continues to sit undeveloped.
- There were 83 lots remaining at the end of the interlocal. The City would like to retain these properties in order to build single family affordable homes as part of the New Home Development Program.
- They would be in development immediately and finished within 12-18 months and put \$200K in improvements for these lots
- In 2017- 2020, a 'credit' to HISD of \$1500 per lot was negotiated = \$124,500. (City/ HCDD had a call with HISD last year about this amount.
- Although the original cost of purchasing these lots were low as struck off properties, with the cost of carry and other development expenses, the City still must invest significant monies to achieve affordable housing.
- The City will be investing more than \$11 million to develop housing on these parcels, in total subsidies.
- Current cost escalation of construction may increase this amount required to build, increasing overall subsidy necessary to complete the project.
- The annual carry cost of these lots, over the course of time since they were originally struck off to LARA (between 2010-2017) are also been paid by City of Houston/HCDD, estimated to be nearly \$700,000.
- Note: average purchase price of the house is \$80,000-140,000 after all subsidies available to the buyer are netted out at sale, to enable purchase by homebuyers below 80%AMI. "
- City is not paying other entities to the ILA Agreement apart from HISD.
- Releasing these lots back to auction (currently closed due to the Corona Virus) would likely result in sales
  to speculators and investors at auction that are not certain to build on these lots in the short term, defeating
  the policy purpose as originally intended.

### **STATUS**

- HISD has agreed to sell its interest in the 83 lots for \$124,500 or \$1,500 per lot via a credit to HISD's
  account with the City in lieu of cash payment and this has been approved by the HISD board
- The potential benefits are:
  - The properties would be added back to the tax roles.
  - Affordable single-family homes would be made available to those who qualify, thus strengthening the community.
  - The account with the City will be credited making funds available for future real estate related projects, which is often used for unplanned acquisitions or abandonments).
- The attached ILA draft has been approved by HISD and HLB.

### MEMORANDUM OF AGREEMENT BAYLOR UNIVERSITY SCHOOL OF EDUCATION AND

### **Harris County Department of Education**

This Memorandum of Agreement (the "Agreement") is between Harris County Department of Education, herein referred to as CEEL Program Institution or "CPI", and Baylor University through the Baylor University School of Education, herein referred to as "University". University and CPI may be referred to herein individually as a "Party" and collectively as the "Parties."

### I. Purpose of Interagency Agreement:

The purpose of this Agreement is to establish the best quality cooperative effort of providing Baylor Doctor of Education (EdD) in K-12 Educational Leadership candidates from the School of Education a Clinical Experience in Educational Leadership, herein referred to as "CEEL," in affiliation with the CEEL Program Institution.

It is the intent of this Agreement to:

- 1. Define the services to be provided by each Party.
- 2. Ensure that each Party assumes the responsibility to communicate with the other and share leadership responsibilities which should ensure that available resources are utilized in the most effective manner.
- 3. Ensure that these cooperative arrangements between CPI and University are developed, implemented, and reviewed prior to the end of this Agreement.

### **II. University Responsibilities:**

- A. Provide Mentee(s) (as defined in Exhibit A) to participate in the CEEL at the designated CPI under the direct supervision and responsibility of the University School of Education faculty member(s).
- B. Provide University School of Education faculty to serve as University liaisons with the CPI.
- C. Maintain for itself and provide to Mentees or require that Mentees obtain and maintain appropriate general and professional liability insurance coverage in the amounts of at least \$1,000,000 per occurrence and \$3,000,000 in the aggregate, with insurance carriers or self-insurance programs for its faculty and Mentees assigned to the CPI which shall cover all of their activities with the CPI. A copy of the certificate of insurance shall be provided to the CPI upon request.
- D. Provide Mentee(s) with information regarding the policies and procedures of the CPI prior to commencement of field experiences; CPI's policies can be found at https://pol.tasb.org/Home/Index/578.

### **III. CPI Responsibilities:**

- A. Provide employee(s) to serve as CEEL Mentor(s) in a long-term and coordinated mentorship relationship with Mentee(s).
- B. Maintain appropriate general liability insurance coverage in the amounts of at least \$1,000,000 per occurrence and \$3,000,000 in the aggregate. A copy of the certificate of insurance shall be provided to the University upon request.

### **IV. University and CPI Mutually Agree That:**

- A. The definitions and requirements of CEEL Program Roles and Responsibilities are incorporated into this Agreement as stated in Exhibit A, attached hereto, including those of the University School of Education liaisons, CEEL Mentor(s), and Mentee(s).
- B. Exhibit B, attached hereto, describes in greater detail the purpose, mission and functions of the CEEL initiative between CPI and University.
- C. CPI and University will jointly monitor the progress of each Mentee and will share and co-analyze performance data. University may gather general data pertaining to Mentee performance in connection with the CEEL initiative and may perform research related to that data, but the data will exclude individual Mentee's names, personal information, and any other information that could identify the Mentees and will not violate the datasharing policies of the CIP or the University.
- D. Both Parties will comply with the U.S. Family Educational Rights and Privacy Act (FERPA) and will not access or make any disclosures of student educational records to third parties without prior notice to and consent from the eligible student or as otherwise provided by law. If this Agreement contains a scope of work or other provision that requires or permits a Party to access or release any student records, then, for purposes of this Agreement only, the other Party designates the accessing Party as a "school official" for the other Party under FERPA, as that term is used in FERPA and its implementing regulations. If either Party violates the terms of this section, the violating Party will immediately provide notice of the violation to the other Party.
- E. Exhibit C, attached hereto, describes the compensation to the CPI for participation in the CEEL project that will be provided by University. This is to be paid by University on an annual basis in accordance with the terms set forth in Exhibit C. CPI will provide a detailed report to University documenting the field experiences, CEEL activities and contact hours with the designated Mentee.
- F. If CPI is unable to provide the appropriate CEEL experiences for the designated Mentee(s), as determined in the University's reasonable discretion, University may reduce the total fee paid to CPI commensurately. Notwithstanding the foregoing, prior to a reduction in fees, the University agrees to provide the CPI with advanced written notice of the non-appropriate CEEL experiences and a reasonable opportunity to cure such

- deficiency prior to reducing the fee. If additional Mentees are designated at CPI, University will increase the total contributions as outlined in Exhibit C.
- G. The University will ensure that a review of the Mentee's criminal history record information is conducted, at the Mentee's or University's expense, pursuant to Texas Education Code Section 22.0835, prior to entering the field at CPI. University candidates of this program will agree to fully cooperate with this procedure. The Mentee is not eligible to participate in field experiences until the criminal history record information has been obtained and verified by the University. The Mentee must not have been convicted of or placed on deferred adjudication community supervision for which a defendant is required to register as a sex offender; or any felony offense under Title 5 of the Texas Penal Code, subject to certain exceptions; or an offense under the laws of another state or federal law that is equivalent to the foregoing. The CPI's approval of the University's placement of the Mentee is subject to the CPI's approval of the outcome of the criminal history record information review.
- H. The Parties acknowledge that CPI is obligated to strictly comply with the Texas Public Information Act, Chapter 552, Texas Government Code, in responding to any request for public information pertaining to this Agreement, as well as any other disclosure of information required by applicable Texas law. Upon the written request of CPI, the University will promptly provide specified contracting information exchanged or created under this Agreement. The University waives any claim against and releases from liability the CPI, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Agreement or otherwise created, assembled, maintained, or held by either Party and determined by the CPI, the Attorney General of Texas, or a court of law to be subject to disclosure under the Texas Public Information Act.
- I. For purposes of this Agreement, the CPI is an independent contractor and is not an employee, partner, joint venturer, or agent of the University. All faculty, students, Mentee(s), and other personnel of University are independent contractors with respect to the CPI and no faculty member, student, Mentee, or other person furnished, employed, or selected by the University will for any reason be deemed an employee, agent, ostensible or apparent agent of the CPI. Faculty members and students/Mentees will instead be considered the employees or agents of the University, which shall be solely responsible for their activities. University students, Mentee(s), faculty, and other personnel of University will not be entited to receive any compensation from the CPI or any benefits of employment from the CPI, including, but not limited to, health care or workers' compensation benefits, vacation, sick leave or any other benefit of employment, direct or indirect.
- J. Either the University or the CPI may remove a Mentee if, in the opinion of either Party, the Mentee is not making satisfactory progress in the field experiences, or when placement fails to be in the best interest of the University, the CPI, or the Mentee, as determined by either the University or the CPI, in its reasonable discretion. The payment terms set forth in Exhibit C will be applicable.

### Baylor and CPI Clinical Experience in Educational Leadership (CEEL) Program Roles/Responsibilities

### **Definition of Terms:**

### I. Glossarv

[Adapted from the National Council for the Accreditation of Teacher Education (NCATE) Standards for Professional Development Schools]

**Assessments.** Techniques to analyze candidate and student accomplishments against specific goals and criteria. Includes paper-pencil tests, exhibits, interviews, surveys, and observations. Good assessment requires a balance of techniques because each technique is limited and prone to error.

**Candidates**. Individuals admitted to, or enrolled in, programs for the initial or advanced preparation of teachers and other professional educators.

**CEEL Program**. A special relationship between a professional education unit in a college or university and a P–12 CPI, whose purpose is to support the preparation of Baylor Doctor of Education (EdD) in K-12 Educational Leadership candidates from the School of Education in professional development, inquiry directed at the improvement of professional practice, and improved student learning in the context of a CEEL program.

CEEL Program Institutions ("CPI"). Those institutions that are party to the CEEL MOU (i.e., professional education unit, university, school(s), school district, teacher union or professional education association). This also includes a P–12 district, in partnership with a professional education unit with a mission to prepare new teachers and other educators, support professional development, support inquiry directed at the improvement of professional practice, and improve student learning.

**CEEL Participants**. Includes CPI partners, candidates currently enrolled as students in good standing in the Baylor Doctor of Education (EdD) in K-12 Educational Leadership program of the School of Education, and other members of the CEEL partnership extended community (arts and sciences faculty, parents and families, members of the community).

**CEEL Staff.** CPI and university faculty and other professional personnel with principal responsibility for carrying out the work of the CEEL Partnership. Mentors are licensed (certified) in the fields they teach or supervise.

**CEEL Work**. Professional work undertaken by CEEL CPIs and candidates that simultaneously focuses on meeting students' needs and supporting the learning of faculty and candidates. Such work is characterized by collaboration, inquiry, accountability, and learning in the context of practice.

Clinical Experience in Educational Leadership. Candidates' intensive, long-term school experience with a Mentor who (a) works with the Mentee to sharpen the student's experience relative to program purpose and outcomes and (b) engages the student as a co-professional pursuing professional practice/challenges as a team. Candidates are immersed in the learning community and are provided opportunities to develop and demonstrate competence in the instructional and school-based professional roles for which they are preparing. Mentoring and supervision are provided to candidates collaboratively by university and school faculty.

**Dispositions**. The values, commitments, and professional ethics that influence practices and behaviors toward students, families, colleagues, and communities and affect student learning, motivation, and development as well as the educator's own professional growth. Dispositions are guided by knowledge bases and beliefs and attitudes related to values such as caring, fairness, honesty, responsibility, and social justice. For example, they might include a belief that all students can learn, a vision of high and challenging standards, or a commitment to a safe and supportive learning environment.

**Diversity**. Differences among groups of people and individuals based on race, ethnicity, socioeconomic status, gender, language, exceptionalities, religion, sexual orientation, and geographic region in which they live.

**Equity**. CEEL partnerships are committed to developing the professional skills, knowledge, and dispositions associated with providing equitable opportunities to learn for all students including those in underserved, economically disadvantaged schools.

**Field Experiences**. A variety of early and on-going field-based opportunities in which candidates may observe, assist, tutor, instruct, and/or conduct research. Field experiences occur in off-campus settings such as schools, community centers, museums, or homeless shelters, as well an in CEEL Program Institutions.

**Inquiry**. In a CEEL program, partners engage collaboratively in examining and assessing their practices and the outcomes achieved. By studying phenomena directly related to the teaching/learning process, CPIs and candidates monitor their own work in order to improve their performance. Participants raise specific questions, seek to answer them systematically, use their findings to inform practice, and relate their findings to others. CEEL inquiry supports change at the individual, the classroom, and the institutional level. CEEL Mentees gain experience in disciplined inquiry, informed theory, and the wisdom of practice that undergird practice in a CPI partnership.

**Mentees.** A Baylor Doctor of Education (EdD) in K-12 Leadership candidate from the School of Education, currently enrolled in good standing.

**NBPTS**. The National Board for Professional Teacher Standards, an organization of teachers and other educators that has developed both standards and a system for assessing the performance of experienced teachers seeking national certification.

Other Professional Personnel. Educators who provide professional services other than teaching in schools and the university. They include, but are not limited to, principals, reading specialists and supervisors, school library media specialists, school psychologists, school superintendents, and instructional technology specialists, deans, associate deans, and department chairs.

**Standards**. CEEL Mentors and CPIs have a unique role in the preparation and development of professionals and school reform. Dedicated to the support of good teaching and learning, they serve as "standards bearing institutions" - committed to implementing professional standards for teachers, curriculum content standards, student learning standards, and school and university standards.
