Waiver by either party of a breach or violation of any provision of the NOGA is not a waiver of any subsequent breach. If any provision or part of the NOGA or its application to any person, entity, or circumstance is ever held by any court of competent jurisdiction to be invalid for any reason, the remainder of the NOGA and the application of such provision or part of the NOGA to other persons, entities, or circumstances are not affected. Grantee and HCDE bind themselves and their successors, executors, administrators, and assigns to the other party of this NOGA and to the successors, executors, administrators, and assigns of such other party, in respect to all covenants of this NOGA. This NOGA shall not be construed against or in favor of any party hereto based upon the fact that the party did or did not author this NOGA. Any provision of this NOGA that, by its plain meaning, is intended to survive the expiration or earlier termination of this NOGA, including, but not limited to the indemnification provision, shall survive such expiration or earlier termination. If an ambiguity exists as to survival, the provision shall be deemed to survive.

Exhibit B

FEDERAL REGULATIONS

The Part 200 Uniform Requirements require that non-Federal entities' contracts contain the applicable provisions described in Appendix II to Part 200 — "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards." Violations of law will be referred to the proper authority in the applicable jurisdiction. All Prime Contractors awarded contracts by Harris County which are federally funded, in whole or in part, are required to comply with the provisions below, if applicable. Pursuant to HCDE's ILA with Harris County, the provisions below must be included in any contracts executed with subcontractors performing the scope of work and shall pass these requirements on to its subcontractors and third-party contractors, as applicable. In addition to other provisions required by the relevant Federal agency, State of Texas, Harris County, all contracts made by HCDE under the Federal award, including Grantee's NOGA with HCDE, shall contain provisions covering the following, as applicable. References to "Contractor" in this Exhibit B shall mean Grantee.

ACCESS TO RECORDS & RECORD RETENTION (2 CFR 200.336)

Contractor must provide HCDE, Harris County, the State of Texas, the Texas General Land Office (GLO), the U.S. Department of Housing and Urban Development (HUD), the FEMA Administrator, the Inspectors General, the Comptroller General of the United States, and any other agency or any of their pass-through entities or authorized representatives access to any books, documents, papers, and records of the Contractor and its subcontractors which are directly pertinent to this contract/project for the purposes of making/responding to audits, examinations, excerpts, and transcriptions.

Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. The right also includes timely and reasonable access to the Contractor's personnel for the purpose of interview and discussion related to such documents.

Contractor must keep records within Harris County or note in its submission that records will be available within the boundaries of Harris County to those representatives within twenty-four (24) hours of request by the County. Contractor must maintain all records pertaining to the project for seven (7) years after receiving final payment and after all other pending matters have been closed.

In compliance with the Disaster Recovery Act of 2018, the County and Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

ACCESSIBILITY (24 CFR 570.614) & SECTION 504 (29 U.S.C. Section 794 and 24 CFR Parts 8-9)

Contractor shall comply with all federal, state and local laws and regulations which prohibit recipients of federal funding from discriminating against individuals with disabilities. Applicable laws and regulations with which Contractor shall comply shall include, but are not limited to, the following: Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794) (24 CFR Parts 8-9); Title II of the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157); the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 and Appendix A to 41 CFR Part 101-19, subpart 101-19.6); the Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225); Texas Administrative Code, Title 10, Chapter 60, Subchapter (B) the Texas Architectural Barriers Act (TABA); the Architectural Barriers (AB) Rules; and the Texas Accessibility Standards (TAS).

CIVIL RIGHTS ACT OF 1964 (Title VI 42 U.S.C. § 2000d)

Title VI of the Civil Rights Act of 1964, Section 109 of the Community Development Act of 1974, Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794) (24 CFR Parts 8-9), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225), prohibits Contractors from excluding or denying individuals benefits or participation in this project on the basis of race, color, religion, national origin, sex, or disability. The provisions require that no person in the United States shall on the ground of race, color, religion, national origin, sex, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with community development funds made available pursuant to these Acts.

For purposes of this Part “program or activity” is defined as any function conducted by an identifiable administrative unit of the recipient, or private Contractor receiving community development funds or loans from the recipient. “Funded in whole or in part with community development funds” means that community development funds in any amount in the form of grants or proceeds from HUD guaranteed loans have been transferred by the recipient or a subrecipient to an identifiable administrative unit and disbursed in a program or activity. A Contractor may not, under any program or activity to which the regulations of this Part may apply directly or through contractual or other arrangements, on the grounds of race, color, national origin, or sex:

- a. Deny any facilities, services, financial aid or other benefits provided under the program or activity;
- b. Provide any facilities, services, financial aid or other benefits, which are different, or are provided in a different form from that provided to others under the program or activity;
- c. Subject to segregated or separate treatment in any facility in, or in any matter of process related to receipt of any service or benefit under the program or activity;
- d. Restrict in any way access to, or in the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity;
- e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services or other benefit provided under the program or activity; and
- f. Deny an opportunity to participate in a program or activity as an employee.

COST PLUS CONTRACTING PROHIBITED (2 CFR 200.323(D))

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates HCDE, Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

EQUAL EMPLOYMENT OPPORTUNITY (41 CFR 60-1.4(b) and 2 CFR 200 APPENDIX II (C))

Contractor must comply with, and incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the Equal Employment Opportunity provisions as follows:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The

contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Contractor must include the equal opportunity clause in each of its nonexempt subcontracts, and to require all non-exempt subcontractors to include the equal opportunity clause in each of its nonexempt subcontracts.

EQUAL EMPLOYMENT OPPORTUNITY FOR WORKERS WITH DISABILITIES (48 CFR 52.222-36)

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order in excess of \$15,000 unless exempted by rules, regulations, or orders of the Secretary, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60.300)

Harris County is an equal opportunity employer of protected veterans. During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for VEVRAA Protected Veterans provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. The definitions set forth in 41 CFR 60-300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
- b. The contractor shall not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as "protected veteran(s)") in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
 - i. Recruitment, advertising, and job application procedures.
 - ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
 - iii. Rates of pay or any other form of compensation and changes in compensation.
 - iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
 - v. Leaves of absence, sick leave, or any other leave.
 - vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
 - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
 - viii. Activities sponsored by the contractor including social or recreational programs.
 - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the

normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.

- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The “contractor official” may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.
- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
 - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
 - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
 - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established “recall” lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.
- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.
- n. The Contractor shall forfeit as a penalty to the County who administers the subject Project receiving Federal assistance, Sixty Dollars (\$60.00) for each worker, employed for each calendar day, or a portion thereof, such worker is paid less than the said stipulated rates for any work done under this Project, by him/her or by any contractor under him/her.
- o. All contractors shall keep, or cause to be kept, an accurate record showing the names of all workers, also the actual per diem wages paid to each of such workers.

FAIR LABOR STANDARDS ACT

Contractor must comply the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) as now or hereafter amended, which regulates wage, hour and other employment practices that govern the use of funds provided and the employment of personnel under this contract. The Contractor warrants that it will pay all its workers all monies earned by its workers including, but not limited to regular wages, any overtime compensation, or any additional payments pursuant to the Fair Labor Standards Act, 29 United States Code (U.S.C.) Section 207 9a(1), as amended; the Texas Pay Day Act; the Equal Pay Act; Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, et al., as amended; or any provisions of the Texas Labor Code Ann., as amended.

OBLIGATION OF THE FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

NON-COLLUSION (The Sherman Act)

Contractor must comply with the requirements of The Sherman Act, which prohibit collusion. Collusion occurs when two persons or representatives of an entity or organization make an agreement to deceive or mislead another. Such agreements are usually secretive and involve fraud or gaining an unfair advantage over a third party, competitors, consumers or others with whom they are negotiating. The collusion, therefore, makes the bargaining process inherently unfair. Collusion can involve promises of future benefits, price or wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties.

The Sherman Act prohibits any agreement among competitors to fix prices, rig bids, or engage in other anticompetitive activity. Collusion, bid rigging, or other anticompetitive activity is considered a felony.

Contractor shall not in any way, directly or indirectly:

- a. Collude, conspire, or agree with any other person, firm, corporation, Offeror or potential Offeror to the amount of this Offer or the terms or conditions of this Offer.
- b. Pay or agree to pay any other person, firm, corporation Offeror or potential Offeror any money or anything of value in return for assistance in procuring or attempting to procure a contract or in return for establishing the prices in the attached Offer or the Offer of any other Offeror.
- c. Assemble in coordination with any other organization in an attempt to fix the price of the work.

Contractors are expected to report any suspected fraud, collusion, or impropriety from the inception of solicitation through the end of the contract term.

NON-SEGREGATED FACILITIES

“Prohibition of Segregated Facilities”

- a. Segregated facilities means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

Sexual orientation has the meaning given by the Department of Labor's Office of Federal Contract Compliance Programs, and is found at www.dol.gov/ofccp/LGBT/LGBT_FAQs.html.

- b. The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.
- c. The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

Contractor must comply with 31 U.S.C. Chapter 38, *Administrative Remedies for False Claims and Statements*, which shall apply to the activities and actions of the Contractor and its subcontractors pertaining to any matter resulting from the contract.

Pursuant to Chapter 2252, Texas Government Code, Contractor shall certify that, at the time of execution of this Contract, neither the Contractor, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (1) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (2) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.

TERMINATION FOR CAUSE & CONVENIENCE (2 CFR Appendix II to Part 200 (A) and (B))

Pursuant to 2 CFR Appendix II to Part 200 (A), Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, shall address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to 2 CFR Appendix II to Part 200 (B), all contracts in excess of \$10,000 shall address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. HCDE shall have the right to terminate this contract for cause and convenience.

In the event of a failure by Contractor to satisfactorily perform the services specified herein and/or a default by Contractor in abiding by the other terms and conditions of this Contract, HCDE may terminate the Contract on written notice to Contractor. Such termination is in addition to and not in lieu of any other remedies that HCDE may have in law or equity. Administrative remedies for non-performance, violation or breach of contract terms, or termination of contract for default may include suspension and debarment.

HCDE and Contractor(s) should attempt to resolve any claim for breach of contract made by Contractor, to the extent it is applicable to the Contract and not preempted by other law. Except as otherwise provided by law, nothing herein is a waiver by the County or the State of Texas of the right to seek redress in a court of law.

WHISTLEBLOWER PROTECTION ACT

Contractor, subcontractors, and employees working on this Project shall be subject 41 U.S. Code § 4712, which requires that an employee of a contractor, subcontractor, grantee, or sub grantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

The Contractor shall inform its employees and subcontractors in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation. Section 794) (24 CFR Parts 8-9), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225), prohibits Contractors from excluding or denying individuals benefits or participation in this project on the basis of race, color, religion, national origin, sex, or disability. The provisions require that no person in the United States shall on the ground of race, color, religion, national origin, sex, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with community development funds made available pursuant to these Acts.

For purposes of this Part “program or activity” is defined as any function conducted by an identifiable administrative unit of the recipient, or private Contractor receiving community development funds or loans from the recipient. “Funded in whole or in part with community development funds” means that community development funds in any amount in the form of grants or proceeds from HUD guaranteed loans have been transferred by the recipient or a subrecipient to an identifiable administrative unit and disbursed in a program or activity. A Contractor may not, under any program or activity to which the regulations of this Part may apply directly or through contractual or other arrangements, on the grounds of race, color, national origin, or sex:

- a. Deny any facilities, services, financial aid or other benefits provided under the program or activity;
- b. Provide any facilities, services, financial aid or other benefits, which are different, or are provided in a different form from that provided to others under the program or activity;
- c. Subject to segregated or separate treatment in any facility in, or in any matter of process related to receipt of any service or benefit under the program or activity;
- d. Restrict in any way access to, or in the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity;
- e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services or other benefit provided under the program or activity; and
- f. Deny an opportunity to participate in a program or activity as an employee.

COST PLUS CONTRACTING PROHIBITED (2 CFR 200.323(D))

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates HCDE, Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

EQUAL EMPLOYMENT OPPORTUNITY (41 CFR 60-1.4(b) and 2 CFR 200 APPENDIX II (C))

Contractor must comply with, and incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the Equal Employment Opportunity provisions as follows:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The

contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Contractor must include the equal opportunity clause in each of its nonexempt subcontracts, and to require all non-exempt subcontractors to include the equal opportunity clause in each of its nonexempt subcontracts.

EQUAL EMPLOYMENT OPPORTUNITY FOR WORKERS WITH DISABILITIES (48 CFR 52.222-36)

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order in excess of \$15,000 unless exempted by rules, regulations, or orders of the Secretary, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60.300)

Harris County is an equal opportunity employer of protected veterans. During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for VEVRAA Protected Veterans provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. The definitions set forth in 41 CFR 60-300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
- b. The contractor shall not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as “protected veteran(s)”) in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
 - i. Recruitment, advertising, and job application procedures.
 - ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
 - iii. Rates of pay or any other form of compensation and changes in compensation.
 - iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
 - v. Leaves of absence, sick leave, or any other leave.
 - vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
 - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
 - viii. Activities sponsored by the contractor including social or recreational programs.
 - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the

normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.

- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The “contractor official” may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.
- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
 - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
 - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
 - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established “recall” lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.
- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.
- n. The Contractor shall forfeit as a penalty to the County who administers the subject Project receiving Federal assistance, Sixty Dollars (\$60.00) for each worker, employed for each calendar day, or a portion thereof, such worker is paid less than the said stipulated rates for any work done under this Project, by him/her or by any contractor under him/her.
- o. All contractors shall keep, or cause to be kept, an accurate record showing the names of all workers, also the actual per diem wages paid to each of such workers.

FAIR LABOR STANDARDS ACT

Contractor must comply the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) as now or hereafter amended, which regulates wage, hour and other employment practices that govern the use of funds provided and the employment of personnel under this contract. The Contractor warrants that it will pay all its workers all monies earned by its workers including, but not limited to regular wages, any overtime compensation, or any additional payments pursuant to the Fair Labor Standards Act, 29 United States Code (U.S.C.) Section 207 9a(1), as amended; the Texas Pay Day Act; the Equal Pay Act; Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, et al., as amended; or any provisions of the Texas Labor Code Ann., as amended.

OBLIGATION OF THE FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

NON-COLLUSION (The Sherman Act)

Contractor must comply with the requirements of The Sherman Act, which prohibit collusion. Collusion occurs when two persons or representatives of an entity or organization make an agreement to deceive or mislead another. Such agreements are usually secretive and involve fraud or gaining an unfair advantage over a third party, competitors, consumers or others with whom they are negotiating. The collusion, therefore, makes the bargaining process inherently unfair. Collusion can involve promises of future benefits, price or wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties.

The Sherman Act prohibits any agreement among competitors to fix prices, rig bids, or engage in other anticompetitive activity. Collusion, bid rigging, or other anticompetitive activity is considered a felony.

Contractor shall not in any way, directly or indirectly:

- a. Collude, conspire, or agree with any other person, firm, corporation, Offeror or potential Offeror to the amount of this Offer or the terms or conditions of this Offer.
- b. Pay or agree to pay any other person, firm, corporation Offeror or potential Offeror any money or anything of value in return for assistance in procuring or attempting to procure a contract or in return for establishing the prices in the attached Offer or the Offer of any other Offeror.
- c. Assemble in coordination with any other organization in an attempt to fix the price of the work.

Contractors are expected to report any suspected fraud, collusion, or impropriety from the inception of solicitation through the end of the contract term.

NON-SEGREGATED FACILITIES

“Prohibition of Segregated Facilities”

- a. Segregated facilities means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

Sexual orientation has the meaning given by the Department of Labor's Office of Federal Contract Compliance Programs, and is found at www.dol.gov/ofccp/LGBT/LGBT_FAQs.html.

- b. The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.
- c. The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

Contractor must comply with 31 U.S.C. Chapter 38, *Administrative Remedies for False Claims and Statements*, which shall apply to the activities and actions of the Contractor and its subcontractors pertaining to any matter resulting from the contract.

Pursuant to Chapter 2252, Texas Government Code, Contractor shall certify that, at the time of execution of this Contract, neither the Contractor, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (1) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (2) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.

TERMINATION FOR CAUSE & CONVENIENCE (2 CFR Appendix II to Part 200 (A) and (B))

Pursuant to 2 CFR Appendix II to Part 200 (A), Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, shall address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to 2 CFR Appendix II to Part 200 (B), all contracts in excess of \$10,000 shall address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. HCDE shall have the right to terminate this contract for cause and convenience.

In the event of a failure by Contractor to satisfactorily perform the services specified herein and/or a default by Contractor in abiding by the other terms and conditions of this Contract, HCDE may terminate the Contract on written notice to Contractor. Such termination is in addition to and not in lieu of any other remedies that HCDE may have in law or equity. Administrative remedies for non-performance, violation or breach of contract terms, or termination of contract for default may include suspension and debarment.

Contractor shall be provided the opportunity to cure certain performance failures or instances of default as described in the contract documents. The legal dispute resolution process as applicable under the Texas Civil Practice and Remedies Code shall include, but is not limited to, Texas and Civil Practice and Remedies Section 38 – Attorney’s Fees, Texas Civil Practice and Remedies Section 41 – Damages, and Texas Civil Practice and Remedies Section 154 – General Provisions. HCDE and Contractor(s) should attempt to resolve any claim for breach of contract made by Contractor, to the extent it is applicable to the Contract and not preempted by other law. Except as otherwise provided by law, nothing herein is a waiver by the County or the State of Texas of the right to seek redress in a court of law.

WHISTLEBLOWER PROTECTION ACT

Contractor, subcontractors, and employees working on this Project shall be subject 41 U.S. Code § 4712, which requires that an employee of a contractor, subcontractor, grantee, or sub grantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

The Contractor shall inform its employees and subcontractors in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation. The Contractor shall insert the substance of this clause, including this paragraph, in all subcontracts providing services for this Project.

If any provision or part of the NOGA or its application to any person, entity, or circumstance is ever held by any court of competent jurisdiction to be invalid for any reason, the remainder of the NOGA and the application of such provision or part of the NOGA to other persons, entities, or circumstances are not affected. Grantee and HCDE bind themselves and their successors, executors, administrators, and assigns to the other party of this NOGA and to the successors, executors, administrators, and assigns of such other party, in respect to all covenants of this NOGA. Contractor shall comply with all federal, state and local laws and regulations which prohibit recipients of federal funding from discriminating against individuals with disabilities. Applicable laws and regulations with which Contractor shall comply shall include, but are not limited to, the following: Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794) (24 CFR Parts 8-9); Title II of the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157); the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 and Appendix A to 41 CFR Part 101-19, subpart 101-19.6); the Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225); Texas Administrative Code, Title 10, Chapter 60, Subchapter (B) the Texas Architectural Barriers Act (TABA); the Architectural Barriers (AB) Rules; and the Texas Accessibility Standards (TAS).

CIVIL RIGHTS ACT OF 1964 (Title VI 42 U.S.C. § 2000d)

Section 794) (24 CFR Parts 8-9), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225), prohibits Contractors from excluding or denying individuals benefits or participation in this project on the basis of race, color, religion, national origin, sex, or disability. The provisions require that no person in the United States shall on the ground of race, color, religion, national origin, sex, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with community development funds made available pursuant to these Acts.

For purposes of this Part “program or activity” is defined as any function conducted by an identifiable administrative unit of the recipient, or private Contractor receiving community development funds or loans from the recipient. “Funded in whole or in part with community development funds” means that community development funds in any amount in the form of grants or proceeds from HUD guaranteed loans have been transferred by the recipient or a subrecipient to an identifiable administrative unit and disbursed in a program or activity. A Contractor may not, under any program or activity to which the regulations of this Part may apply directly or through contractual or other arrangements, on the grounds of race, color, national origin, or sex:

COST PLUS CONTRACTING PROHIBITED (2 CFR 200.323(D))

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates HCDE, Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

EQUAL EMPLOYMENT OPPORTUNITY (41 CFR 60-1.4(b) and 2 CFR 200 APPENDIX II (C))

Contractor must comply with, and incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the Equal Employment Opportunity provisions as follows:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The

contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Contractor must include the equal opportunity clause in each of its nonexempt subcontracts, and to require all non-exempt subcontractors to include the equal opportunity clause in each of its nonexempt subcontracts.

EQUAL EMPLOYMENT OPPORTUNITY FOR WORKERS WITH DISABILITIES (48 CFR 52.222-36)

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order in excess of \$15,000 unless exempted by rules, regulations, or orders of the Secretary, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60.300)

Harris County is an equal opportunity employer of protected veterans. During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for VEVRAA Protected Veterans provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. The definitions set forth in 41 CFR 60-300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
- b. The contractor shall not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as “protected veteran(s)”) in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
 - i. Recruitment, advertising, and job application procedures.
 - ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
 - iii. Rates of pay or any other form of compensation and changes in compensation.
 - iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
 - v. Leaves of absence, sick leave, or any other leave.
 - vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
 - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
 - viii. Activities sponsored by the contractor including social or recreational programs.
 - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the

normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.

- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The “contractor official” may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.
- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
 - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
 - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
 - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established “recall” lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.
- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.
- n. The Contractor shall forfeit as a penalty to the County who administers the subject Project receiving Federal assistance, Sixty Dollars (\$60.00) for each worker, employed for each calendar day, or a portion thereof, such worker is paid less than the said stipulated rates for any work done under this Project, by him/her or by any contractor under him/her.
- o. All contractors shall keep, or cause to be kept, an accurate record showing the names of all workers, also the actual per diem wages paid to each of such workers.

FAIR LABOR STANDARDS ACT

Contractor must comply the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) as now or hereafter amended, which regulates wage, hour and other employment practices that govern the use of funds provided and the employment of personnel under this contract. The Contractor warrants that it will pay all its workers all monies earned by its workers including, but not limited to regular wages, any overtime compensation, or any additional payments pursuant to the Fair Labor Standards Act, 29 United States Code (U.S.C.) Section 207 9a(1), as amended; the Texas Pay Day Act; the Equal Pay Act; Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, et al., as amended; or any provisions of the Texas Labor Code Ann., as amended.

OBLIGATION OF THE FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

NON-COLLUSION (The Sherman Act)

Contractor must comply with the requirements of The Sherman Act, which prohibit collusion. Collusion occurs when two persons or representatives of an entity or organization make an agreement to deceive or mislead another. Such agreements are usually secretive and involve fraud or gaining an unfair advantage over a third party, competitors, consumers or others with whom they are negotiating. The collusion, therefore, makes the bargaining process inherently unfair. Collusion can involve promises of future benefits, price or wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties.

The Sherman Act prohibits any agreement among competitors to fix prices, rig bids, or engage in other anticompetitive activity. Collusion, bid rigging, or other anticompetitive activity is considered a felony.

Contractor shall not in any way, directly or indirectly:

- a. Collude, conspire, or agree with any other person, firm, corporation, Offeror or potential Offeror to the amount of this Offer or the terms or conditions of this Offer.

- c. Assemble in coordination with any other organization in an attempt to fix the price of the work.

Contractors are expected to report any suspected fraud, collusion, or impropriety from the inception of solicitation through the end of the contract term.

“Prohibition of Segregated Facilities”

- a. Segregated facilities means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

Sexual orientation has the meaning given by the Department of Labor's Office of Federal Contract Compliance Programs, and is found at www.dol.gov/ofccp/LGBT/LGBT_FAQs.html.

- b. The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.
- c. The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

Contractor must comply with 31 U.S.C. Chapter 38, *Administrative Remedies for False Claims and Statements*, which shall apply to the activities and actions of the Contractor and its subcontractors pertaining to any matter resulting from the contract.

Pursuant to Chapter 2252, Texas Government Code, Contractor shall certify that, at the time of execution of this Contract, neither the Contractor, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (1) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (2) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.

TERMINATION FOR CAUSE & CONVENIENCE (2 CFR Appendix II to Part 200 (A) and (B))

Pursuant to 2 CFR Appendix II to Part 200 (A), Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, shall address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to 2 CFR Appendix II to Part 200 (B), all contracts in excess of \$10,000 shall address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. HCDE shall have the right to terminate this contract for cause and convenience.

In the event of a failure by Contractor to satisfactorily perform the services specified herein and/or a default by Contractor in abiding by the other terms and conditions of this Contract, HCDE may terminate the Contract on written notice to Contractor. Such termination is in addition to and not in lieu of any other remedies that HCDE may have in law or equity. Administrative remedies for non-performance, violation or breach of contract terms, or termination of contract for default may include suspension and debarment.

Contractor shall be provided the opportunity to cure certain performance failures or instances of default as described in the contract documents. HCDE and Contractor(s) should attempt to resolve any claim for breach of contract made by Contractor, to the extent it is applicable to the Contract and not preempted by other law. Except as otherwise provided by law, nothing herein is a waiver by the County or the State of Texas of the right to seek redress in a court of law.

WHISTLEBLOWER PROTECTION ACT

Contractor, subcontractors, and employees working on this Project shall be subject 41 U.S. Code § 4712, which requires that an employee of a contractor, subcontractor, grantee, or sub grantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

The Contractor shall inform its employees and subcontractors in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation. The Contractor shall insert the substance of this clause, including this paragraph, in all subcontracts providing services for this Project.

The parties agree that no provision of this NOGA extends HCDE's liability beyond the liability provided in the Texas Constitution and the laws of the State of Texas. Neither the award of this NOGA nor any other conduct of HCDE relating to this NOGA shall be considered a waiver by HCDE of any right, defense, or immunity under the Texas Constitution or the laws of the State of Texas.

17. Amendment; Entire Agreement

This NOGA may be amended only by the mutual agreement of the parties, in writing, to be attached to and incorporated in this NOGA.

18. Neither this NOGA, nor any term or provision hereof, nor any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto. Waiver by either party of a breach or violation of any provision of the NOGA is not a waiver of any subsequent breach. If any provision or part of the NOGA or its application to any person, entity, or circumstance is ever held by any court of competent jurisdiction to be invalid for any reason, the remainder of the NOGA and the application of such provision or part of the NOGA to other persons, entities, or circumstances are not affected. Grantee and HCDE bind themselves and their successors, executors, administrators, and assigns to the other party of this NOGA and to the successors, executors, administrators, and assigns of such other party, in respect to all covenants of this NOGA. This NOGA shall not be construed against or in favor of any party hereto based upon the fact that the party did or did not author this NOGA. Any provision of this NOGA that, by its plain meaning, is intended to survive the expiration or earlier termination of this NOGA, including, but not limited to the indemnification provision, shall survive such expiration or

earlier termination. If an ambiguity exists as to survival, the provision shall be deemed to survive.

FEDERAL REGULATIONS

The Part 200 Uniform Requirements require that non-Federal entities' contracts contain the applicable provisions described in Appendix II to Part 200 — "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards." Violations of law will be referred to the proper authority in the applicable jurisdiction. All Prime Contractors awarded contracts by Harris County which are federally funded, in whole or in part, are required to comply with the provisions below, if applicable. Pursuant to HCDE's ILA with Harris County, the provisions below must be included in any contracts executed with subcontractors performing the scope of work and shall pass these requirements on to its subcontractors and third-party contractors, as applicable. In addition to other provisions required by the relevant Federal agency, State of Texas, Harris County, all contracts made by HCDE under the Federal award, including Grantee's NOGA with HCDE, shall contain provisions covering the following, as applicable. References to "Contractor" in this Exhibit B shall mean Grantee.

ACCESS TO RECORDS & RECORD RETENTION (2 CFR 200.336)

Contractor must provide HCDE, Harris County, the State of Texas, the Texas General Land Office (GLO), the U.S. Department of Housing and Urban Development (HUD), the FEMA Administrator, the Inspectors General, the Comptroller General of the United States, and any other agency or any of their pass-through entities or authorized representatives access to any books, documents, papers, and records of the Contractor and its subcontractors which are directly pertinent to this contract/project for the purposes of making/responding to audits, examinations, excerpts, and transcriptions.

Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. The right also includes timely and reasonable access to the Contractor's personnel for the purpose of interview and discussion related to such documents.

Contractor must keep records within Harris County or note in its submission that records will be available within the boundaries of Harris County to those representatives within twenty-four (24) hours of request by the County. Contractor must maintain all records pertaining to the project for seven (7) years after receiving final payment and after all other pending matters have been closed.

In compliance with the Disaster Recovery Act of 2018, the County and Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

ACCESSIBILITY (24 CFR 570.614) & SECTION 504 (29 U.S.C. Section 794 and 24 CFR Parts 8-9)

Contractor shall comply with all federal, state and local laws and regulations which prohibit recipients of federal funding from discriminating against individuals with disabilities. Applicable laws and regulations with which Contractor shall comply shall include, but are not limited to, the following: Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794) (24 CFR Parts 8-9); Title II of the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157); the Uniform Federal Accessibility Standards (Appendix A to 24 CFR Part 40 and Appendix A to 41 CFR Part 101-19, subpart 101-19.6); the Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225); Texas Administrative Code, Title 10, Chapter 60, Subchapter (B) the Texas Architectural Barriers Act (TABA); the Architectural Barriers (AB) Rules; and the Texas Accessibility Standards (TAS).

CIVIL RIGHTS ACT OF 1964 (Title VI 42 U.S.C. § 2000d)

Title VI of the Civil Rights Act of 1964, Section 109 of the Community Development Act of 1974, Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794) (24 CFR Parts 8-9), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225), prohibits Contractors from excluding or denying individuals benefits or participation in this project on the basis of race, color, religion, national origin, sex, or disability. The provisions require that no person in the United States shall on the ground of race, color, religion, national origin, sex, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with community development funds made available pursuant to these Acts.

For purposes of this Part “program or activity” is defined as any function conducted by an identifiable administrative unit of the recipient, or private Contractor receiving community development funds or loans from the recipient. “Funded in whole or in part with community development funds” means that community development funds in any amount in the form of grants or proceeds from HUD guaranteed loans have been transferred by the recipient or a subrecipient to an identifiable administrative unit and disbursed in a program or activity. A Contractor may not, under any program or activity to which the regulations of this Part may apply directly or through contractual or other arrangements, on the grounds of race, color, national origin, or sex:

- a. Deny any facilities, services, financial aid or other benefits provided under the program or activity;
- b. Provide any facilities, services, financial aid or other benefits, which are different, or are provided in a different form from that provided to others under the program or activity;
- c. Subject to segregated or separate treatment in any facility in, or in any matter of process related to receipt of any service or benefit under the program or activity;
- d. Restrict in any way access to, or in the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity;
- e. Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services or other benefit provided under the program or activity; and
- f. Deny an opportunity to participate in a program or activity as an employee.

COST PLUS CONTRACTING PROHIBITED (2 CFR 200.323(D))

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.323(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates HCDE, Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances, and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

EQUAL EMPLOYMENT OPPORTUNITY (41 CFR 60-1.4(b) and 2 CFR 200 APPENDIX II (C))

Contractor must comply with, and incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the Equal Employment Opportunity provisions as follows:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The

contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Contractor must include the equal opportunity clause in each of its nonexempt subcontracts, and to require all non-exempt subcontractors to include the equal opportunity clause in each of its nonexempt subcontracts.

EQUAL EMPLOYMENT OPPORTUNITY FOR WORKERS WITH DISABILITIES (48 CFR 52.222-36)

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a), as of March 24, 2014. This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order in excess of \$15,000 unless exempted by rules, regulations, or orders of the Secretary, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60.300)

Harris County is an equal opportunity employer of protected veterans. During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for VEVRAA Protected Veterans provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. The definitions set forth in 41 CFR 60-300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
- b. The contractor shall not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as "protected veteran(s)") in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
 - i. Recruitment, advertising, and job application procedures.
 - ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
 - iii. Rates of pay or any other form of compensation and changes in compensation.
 - iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
 - v. Leaves of absence, sick leave, or any other leave.
 - vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
 - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
 - viii. Activities sponsored by the contractor including social or recreational programs.
 - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the

normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.

- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The “contractor official” may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.
- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
 - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
 - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
 - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established “recall” lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.
- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.
- n. The Contractor shall forfeit as a penalty to the County who administers the subject Project receiving Federal assistance, Sixty Dollars (\$60.00) for each worker, employed for each calendar day, or a portion thereof, such worker is paid less than the said stipulated rates for any work done under this Project, by him/her or by any contractor under him/her.
- o. All contractors shall keep, or cause to be kept, an accurate record showing the names of all workers, also the actual per diem wages paid to each of such workers.

FAIR LABOR STANDARDS ACT

Contractor must comply the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) as now or hereafter amended, which regulates wage, hour and other employment practices that govern the use of funds provided and the employment of personnel under this contract. The Contractor warrants that it will pay all its workers all monies earned by its workers including, but not limited to regular wages, any overtime compensation, or any additional payments pursuant to the Fair Labor Standards Act, 29 United States Code (U.S.C.) Section 207 9a(1), as amended; the Texas Pay Day Act; the Equal Pay Act; Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, et al., as amended; or any provisions of the Texas Labor Code Ann., as amended.

OBLIGATION OF THE FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

NON-COLLUSION (The Sherman Act)

Contractor must comply with the requirements of The Sherman Act, which prohibit collusion. Collusion occurs when two persons or representatives of an entity or organization make an agreement to deceive or mislead another. Such agreements are usually secretive and involve fraud or gaining an unfair advantage over a third party, competitors, consumers or others with whom they are negotiating. The collusion, therefore, makes the bargaining process inherently unfair. Collusion can involve promises of future benefits, price or wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties.

The Sherman Act prohibits any agreement among competitors to fix prices, rig bids, or engage in other anticompetitive activity. Collusion, bid rigging, or other anticompetitive activity is considered a felony.

Contractor shall not in any way, directly or indirectly:

- a. Collude, conspire, or agree with any other person, firm, corporation, Offeror or potential Offeror to the amount of this Offer or the terms or conditions of this Offer.
- b. Pay or agree to pay any other person, firm, corporation Offeror or potential Offeror any money or anything of value in return for assistance in procuring or attempting to procure a contract or in return for establishing the prices in the attached Offer or the Offer of any other Offeror.
- c. Assemble in coordination with any other organization in an attempt to fix the price of the work.

Contractors are expected to report any suspected fraud, collusion, or impropriety from the inception of solicitation through the end of the contract term.

NON-SEGREGATED FACILITIES

“Prohibition of Segregated Facilities”

- a. Segregated facilities means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

Sexual orientation has the meaning given by the Department of Labor's Office of Federal Contract Compliance Programs, and is found at www.dol.gov/ofccp/LGBT/LGBT_FAQs.html.

- b. The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Opportunity clause in this contract.
- c. The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Opportunity clause of this contract.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

Contractor must comply with 31 U.S.C. Chapter 38, *Administrative Remedies for False Claims and Statements*, which shall apply to the activities and actions of the Contractor and its subcontractors pertaining to any matter resulting from the contract.

Pursuant to Chapter 2252, Texas Government Code, Contractor shall certify that, at the time of execution of this Contract, neither the Contractor, nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of the same (1) engages in business with Iran, Sudan, or any foreign terrorist organization as described in Chapters 806 or 807 of the Texas Government Code, or Subchapter F of Chapter 2252 of the Texas Government Code, or (2) is a company listed by the Texas Comptroller of Public Accounts under Sections 806.051, 807.051, or 2252.153 of the Texas Government Code.

TERMINATION FOR CAUSE & CONVENIENCE (2 CFR Appendix II to Part 200 (A) and (B))

Pursuant to 2 CFR Appendix II to Part 200 (A), Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, shall address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to 2 CFR Appendix II to Part 200 (B), all contracts in excess of \$10,000 shall address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. HCDE shall have the right to terminate this contract for cause and convenience.

In the event of a failure by Contractor to satisfactorily perform the services specified herein and/or a default by Contractor in abiding by the other terms and conditions of this Contract, HCDE may terminate the Contract on written notice to Contractor. Such termination is in addition to and not in lieu of any other remedies that HCDE may have in law or equity. Administrative remedies for non-performance, violation or breach of contract terms, or termination of contract for default may include suspension and debarment.

Contractor shall be provided the opportunity to cure certain performance failures or instances of default as described in the contract documents. HCDE and Contractor(s) should attempt to resolve any claim for breach of contract made by Contractor, to the extent it is applicable to the Contract and not preempted by other law. Except as otherwise provided by law, nothing herein is a waiver by the County or the State of Texas of the right to seek redress in a court of law.

WHISTLEBLOWER PROTECTION ACT

Contractor, subcontractors, and employees working on this Project shall be subject 41 U.S. Code § 4712, which requires that an employee of a contractor, subcontractor, grantee, or sub grantee or personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant.

The Contractor shall inform its employees and subcontractors in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation. - 19. Right to Use Name.** Provider hereby grants HCDE a non-exclusive right to use any of Provider's names, trademarks or logos, and copyrighted materials and to publish such.

ARTICLE III: RESPONSIBILITIES OF HCDE

- 1. Administrative and Financial.** HCDE is responsible for ensuring that all administrative and financial management requirements of the EHS-CC grant are met. HCDE will provide financial and program management information to Provider on at least a quarterly basis and will work closely with Provider to establish a partnership budget.

- 3. Compliance Monitoring.** HCDE shall incorporate Provider into an EHS-CC compliance monitoring and improvement plan system.

4. **Early Head Start Plan.** HCDE shall be responsible for determining eligibility, recruitment, placement, and follow-up for EHS children. HCDE shall provide a plan to deliver ongoing supplemental services to EHS children and families. HCDE shall implement a recruitment plan and selection criteria to ensure the program enrolls children most in need in the community, namely: (1) children with disabilities, (2) families that receive child care subsidies, and (3) families eligible for public assistance.
5. **Disability Plans.** HCDE shall develop a disabilities service plan for each EHS enrolled child with a disability.
6. **Payment.** HCDE shall pay Provider the rate for the categories indicated in the chart below per day for each EHS child enrolled in Provider's EHS Child Care program, as evidenced by the attendance and enrollment records provided by Provider under this Agreement and verified, if necessary, by HCDE. The amount not to exceed **\$111,000.00**.

Age of EHS child	Subsidized	Not subsidized
Infant (0-17 months)	\$ 18.54	\$ 36.05
Toddler (18-35 months)	\$ 15.45	\$ 28.84

All subsidy status changes must be reported immediately to HCDE. The Provider has 10 business days to inform the Assistant Director of Early Head Start Child Care Partnerships (ADEHSCCP) in writing/email of student's status change. If status change is not reported by the 10th workday, invoice adjustments will not be made. Overpayments will be recouped via reduction in future payments. HCDE shall enroll, pay the initial assessment fee(s), and monitor progress of Provider's teachers to take Infant-Toddler Child Development Associate Credential classes.

In accordance with Texas Government Code § 2251.021, payments are due to Provider within forty-five (45) days after the later of the following: (1) the date the performance of the service under the Agreement is completed; or (2) the date HCDE receives an invoice for the service. Provider agrees to pay any subcontractors, if any, the appropriate share of the payment received from HCDE not later than the tenth (10th) day after the date Provider receives the payment from HCDE. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. In order to receive reimbursement from HCDE, Provider must (1) obtain written approval of the expense from an authorized HCDE representative prior to Provider incurring the expense and (2) submit documentation of the expense (i.e., receipt, invoice, etc.) to HCDE. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.
8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. Professional development plans will emphasize continuity of care and relational learning that supports EHS children and their families and fosters school readiness.

ARTICLE IV: TERM AND TERMINATION

1. **Term.** This Agreement is effective from September 1, 2022 through August 31, 2023. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation RFP#21/029IA, and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.
10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
11. **Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.
14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

- 15. Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.
- 16. Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.
- 17. Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.
- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.
- 21. Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.
- 22. Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP # 20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

- 9. - 13. No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. HCDE shall implement a recruitment plan and selection criteria to ensure the program enrolls children most in need in the community, namely: (1) children with disabilities, (2) families that receive child care subsidies, and (3) families eligible for public assistance.
5. **Disability Plans.** HCDE shall develop a disabilities service plan for each EHS enrolled child with a disability.
6. **Payment.** HCDE shall pay Provider the rate for the categories indicated in the chart below per day for each EHS child enrolled in Provider's EHS Child Care program, as evidenced by the attendance and enrollment records provided by Provider under this Agreement and verified, if necessary, by HCDE. If status change is not reported by the 10th workday, invoice adjustments will not be made. Overpayments will be recouped via reduction in future payments. HCDE shall enroll, pay the initial assessment fee(s), and monitor progress of Provider's teachers to take Infant-Toddler Child Development Associate Credential classes.

In accordance with Texas Government Code § 2251.021, payments are due to Provider within forty-five (45) days after the later of the following: (1) the date the performance of the service under the Agreement is completed; or (2) the date HCDE receives an invoice for the service. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.
8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP # 20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.
10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
11. **Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.
14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.
- 21. Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.
- 22. Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. Waiver. No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

program enrolls children most in need in the community, namely: (1) children with disabilities, (2) families that receive child care subsidies, and (3) families eligible for public assistance.

5. **Disability Plans.** HCDE shall develop a disabilities service plan for each EHS enrolled child with a disability.
6. **Payment.** HCDE shall pay Provider the rate for the categories indicated in the chart below per day for each EHS child enrolled in Provider's EHS Child Care program, as evidenced by the attendance and enrollment records provided by Provider under this Agreement and verified, if necessary, by HCDE. If status change is not reported by the 10th workday, invoice adjustments will not be made. Overpayments will be recouped via reduction in future payments. HCDE shall enroll, pay the initial assessment fee(s), and monitor progress of Provider's teachers to take Infant-Toddler Child Development Associate Credential classes.

In accordance with Texas Government Code § 2251.021, payments are due to Provider within forty-five (45) days after the later of the following: (1) the date the performance of the service under the Agreement is completed; or (2) the date HCDE receives an invoice for the service. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.
8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. 2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a

breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

- 1. Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
- 2. Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
- 3. Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
- 4. Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.
- 5. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of

this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.

6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.
9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE

the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.

- 10. Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
- 11. Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
- 12. IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
- 13. No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.
- 14. Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.

- 16. Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.
- 17. Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.
- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.
- 21. Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.
- 22. Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.
- 23. Waiver.** No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to

enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

- 3. Compliance Monitoring.** HCDE shall incorporate Provider into an EHS-CC compliance monitoring and improvement plan system.

4. **Early Head Start Plan.** HCDE shall be responsible for determining eligibility, recruitment, placement, and follow-up for EHS children. HCDE shall provide a plan to deliver ongoing supplemental services to EHS children and families. HCDE shall implement a recruitment plan and selection criteria to ensure the program enrolls children most in need in the community, namely: (1) children with disabilities, (2) families that receive child care subsidies, and (3) families eligible for public assistance.
5. **Disability Plans.** HCDE shall develop a disabilities service plan for each EHS enrolled child with a disability.
6. **Payment.** HCDE shall pay Provider the rate for the categories indicated in the chart below per day for each EHS child enrolled in Provider's EHS Child Care program, as evidenced by the attendance and enrollment records provided by Provider under this Agreement and verified, if necessary, by HCDE. The amount not to exceed **\$57,000.00**.

All subsidy status changes must be reported immediately to HCDE. The Provider has 10 business days to inform the Assistant Director of Early Head Start Child Care Partnerships (ADEHSCCP) in writing/email of student's status change. If status change is not reported by the 10th workday, invoice adjustments will not be made. Overpayments will be recouped via reduction in future payments. HCDE shall enroll, pay the initial assessment fee(s), and monitor progress of Provider's teachers to take Infant-Toddler Child Development Associate Credential classes.

In accordance with Texas Government Code § 2251.021, payments are due to Provider within forty-five (45) days after the later of the following: (1) the date the performance of the service under the Agreement is completed; or (2) the date HCDE receives an invoice for the service. Provider agrees to pay any subcontractors, if any, the appropriate share of the payment received from HCDE not later than the tenth (10th) day after the date Provider receives the payment from HCDE. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. In order to receive reimbursement from HCDE, Provider must (1) obtain written approval of the expense from an authorized HCDE representative prior to Provider incurring the expense and (2) submit documentation of the expense (i.e., receipt, invoice, etc.) to HCDE. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.
8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. 1. **Term.** This Agreement is effective from September 1, 2022 through August 31, 2023. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP # 20/039YR), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.
10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
11. **Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.

5. **Disability Plans.** HCDE shall develop a disabilities service plan for each EHS enrolled child with a disability.
6. **Payment.** HCDE shall pay Provider the rate for the categories indicated in the chart below per day for each EHS child enrolled in Provider's EHS Child Care program, as evidenced by the attendance and enrollment records provided by Provider under this Agreement and verified, if necessary, by HCDE. The exceptions to payments made by HCDE and/or Provider listed in Texas Government Code § 2251.002 shall apply to this Agreement.

7. **Reimbursements.** HCDE may reimburse Provider for the costs of expenses incurred by Provider in the course of gaining and/or maintaining compliance with EHS-CC program requirements and/or increasing the quality of Provider's EHS Child Care program. HCDE, in its sole discretion, may approve or disapprove Provider's request(s) for reimbursements under this Section.
8. **Training.** HCDE shall provide training to Provider prior to participation in the EHS Child Care program. HCDE shall provide Provider's EHS teachers with ongoing training, professional development plans, coaching, and mentoring, including providing technical assistance and training to Provider's teachers throughout the CDA credentialing process. The Parties may renew this Agreement by written agreement for up to four (4) additional terms of no more than one (1) year increments. All services must be completed during the effective dates of the Agreement.

2. **Termination of Contract.** This Agreement shall remain in effect until (1) the Agreement expires by its terms or (2) the Agreement is terminated by mutual agreement of HCDE and Provider. In the event of a breach or default of the Agreement and/or the procurement solicitation by Provider, HCDE reserves the right to enforce the performance of the Agreement and/or the procurement solicitation in any manner prescribed by law or deemed to be in the best interest of HCDE. HCDE further reserves the right to terminate the Agreement immediately in the event Provider fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in this Agreement, the procurement solicitation, and/or set by HCDE; (2) comply with EHS program requirements, HSPPS, HHS Standards, or DFPS Minimum Standards; (3) maintain all required licenses, certifications, permits, or other required documentation; or (4) otherwise perform in accordance with this Agreement and/or the procurement solicitation. HCDE also reserves the right to terminate the Agreement immediately, with written notice to Provider, if HCDE believes, in its sole discretion, that it is in the best interest of HCDE to do so. Provider agrees that HCDE shall not be liable for damages in the event that HCDE declares Provider to be in default or breach of this Agreement and/or the procurement solicitation. Provider further agrees that upon termination of the Agreement for any reason, Provider shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Provider.

ARTICLE V: GENERAL PROVISIONS

1. **Amendment.** No amendment of this Agreement shall be permitted unless first approved in writing by HCDE, and no such amendments shall have any effect unless and until a written amendment to this Agreement is executed by HCDE's Superintendent or its Assistant Superintendent for Business Services (or their designees) after any necessary approvals have been obtained from the HCDE Board of Trustees.
2. **Assignment of Agreement.** Provider may not assign this Agreement or any of its rights, duties, or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Agreement by Provider shall be null and void. Any obligation, responsibility, or requirement imposed on Provider or HCDE property provided to Provider under this Agreement may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Provider without the prior written approval of HCDE. Provider is required to notify HCDE when any material change in operations occurs, including but not limited to, changes to or revocation of required licenses, certifications, permits, or other documentation necessary to perform this Agreement; bankruptcy; material changes in financial condition; change of ownership; and the like, within three (3) business days of such change.
3. **Captions.** The captions herein are for convenience and identification purposes only, are not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
4. **Entire Agreement.** This Agreement, the procurement solicitation issued by HCDE, and Provider's proposal submitted in response to HCDE's procurement solicitation (RFP #21/029IA), and the attached and incorporated addendum or exhibits, including, but not limited to Exhibit A, contain the entire agreement of the parties relative to the purpose(s) of the Agreement and supersede any other representations, agreements, arrangements, negotiations, or understanding, oral or written, between the parties to this Agreement. In the event of a conflict between this Agreement and the procurement solicitation issued by HCDE or Provider's proposal submitted in response to HCDE's procurement solicitation, this Agreement shall control. In the event of a conflict between the procurement solicitation issued by HCDE and Provider's proposal submitted in response to HCDE's procurement solicitation, HCDE's procurement solicitation shall control. This Agreement supersedes any conflicting terms and conditions on any purchase or work orders, invoices, checks, order acknowledgements, forms, or similar documents relating hereto and which may be issued by Provider after the Effective Date of this Agreement.

5. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, National origin, gender, limited English proficiency or handicapping conditions in its programs. Provider agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Provider further agrees that every subcontract entered into for the performance of this Agreement shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Agreement.
6. **Force Majeure.** Neither HCDE or Provider shall be deemed to have breached any provision of this Agreement as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control. The parties to this Agreement are required to use due caution and preventive measures to protect against the effects of force majeure, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other party in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Agreement has not been terminated. Delay or failure of performance, by either party to this Agreement, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. Neither party shall have any claim for damages against the other resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Agreement, in the event the Provider's performance of its obligations under this Agreement is delayed or stopped by a force majeure event, HCDE shall have the option to terminate this Agreement. This section shall not be interpreted as to limit or otherwise modify any of HCDE's contractual, legal, or equitable rights.
7. **Non-Appropriation.** Notwithstanding any other provision of this Agreement or obligation imposed on HCDE by this Agreement, HCDE shall have the right to terminate this Agreement without default or liability to Provider resulting from such termination, effective as of the end of any fiscal year of HCDE or of HCDE's Early Head Start program, if it is determined by HCDE, in HCDE's sole discretion, that there are insufficient funds to extend this Agreement, in accordance with Texas Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. HCDE anticipates it will receive Early Head Start grant funds from the United States Department of Health and Human Services in an amount equal to the cost of services to be provided under this Agreement. Provider further acknowledges that federal funds will be used to make all payments and pay for all of HCDE's obligations under this Agreement and that this Agreement is subject to appropriation and approval of an Early Head Start Grant by the United States federal government for the specific purpose of providing Early Head Start services in east and northeast Harris County. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent on HCDE receiving such funds. If HCDE does not receive sufficient funding to operate the Early Head Start program, HCDE may terminate this Agreement or reduce the scope of services provided under this Agreement, in HCDE's sole discretion, without penalty or further obligation to Provider, at any time upon written notice to Provider.
8. **Governing Law and Venue.** The laws of the State of Texas, without regard to its provisions on conflicts of laws, govern this Agreement. Any dispute under this Agreement must be brought in the state and federal courts located in Houston, Harris County, Texas, and the parties hereby submit to the exclusive jurisdiction of said courts.

9. **HCDE Property.** In the event of loss, damage, or destruction of any property owned by or loaned by HCDE that is caused by Provider or Provider's representative, agent, employee, contractor, or anyone under Provider's care, supervision, custody, and/or control, Provider shall indemnify HCDE and pay to HCDE the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Provider's receipt of written notice of HCDE's determination of the amount due. If Provider fails to make timely payment, HCDE may obtain such money from Provider by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Provider by HCDE.
10. **Indemnification.** PROVIDER SHALL INDEMNIFY AND HOLD HCDE HARMLESS FROM ALL CLAIMS, LIABILITIES, COSTS, SUITS OF LAW OR IN EQUITY, EXPENSES, ATTORNEYS' FEES, FINES, PENALTIES OR DAMAGES ARISING FROM THE ACTS OR OMISSIONS OF PROVIDER, PROVIDER'S EMPLOYEES, AGENTS, CONTRACTORS, OR ANYONE UNDER PROVIDER'S CARE, SUPERVISION, CUSTODY, OR CONTROL, IN CONNECTION WITH THIS AGREEMENT. Provider's obligations under this clause shall survive expiration or termination of this Agreement.
11. **Interpretation.** Provider agrees that the normal rules of construction that require that any ambiguities in this Agreement are to be construed against the drafter shall not be employed in the interpretation of this Agreement.
12. **IRS W-9.** In order to receive payment under this Agreement, Provider shall have a current I.R.S. W-9 Form on file with HCDE.
13. **No Agency or Endorsements.** HCDE and Provider are independent contractors and have no power or authority to assume or create any obligation or responsibility on behalf of the other party. This Agreement shall not be construed or deemed an endorsement of a specific company or product. It is the intention of the parties that Provider is independent of HCDE and is not an employee, agent, joint venturer, or partner of HCDE, and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and Provider or HCDE and any of Provider's agents. Provider agrees that HCDE has no responsibility for any conduct of any of Provider's employees, agents, representatives, contractors, subcontractors, or anyone under Provider's care, supervision, custody, or control.
14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be given by hand-delivery or by certified or registered mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

HCDE
Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Blvd.
Houston, Texas 77022

Successful Starters Learning Academy II
Attention: Carla Smith-Ford
P.O. Box 111144
Houston, Texas 77293

Notice shall be deemed effective upon receipt. Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party by certified or registered mail, return receipt requested.

- 15. Records Retention.** Provider shall maintain its records and accounts in a manner that shall assure a full accounting for all services provided by Provider under this Agreement. These records and accounts shall be retained by Provider and made available for audit by HCDE for a period of not less than two (2) years from the date of completion of the services, receipt of the goods, or the date of the receipt by HCDE of Provider's final invoice or claim for payment in connection with this Agreement, whichever is later. If an audit has been announced, Provider shall retain its records and accounts until such audit has been completed.
- 16. Right to Audit.** HCDE, upon written notice, shall have the right to audit all of Provider's records and accounts relating to this Agreement. Records subject to audit shall include, but are not limited to, records which may have a bearing on matters of interest to HCDE in connection with the Agreement and shall be open to inspection and subject to audit and/or reproduction by HCDE or its authorized representative(s) to the extent necessary to adequately permit evaluation and verification of: (a) Provider's compliance with this Agreement and the requirements of the solicitation, (b) compliance with provisions for computing billings, attendance records, and other documents submitted to HCDE, and/or (c) any other matters related to this Agreement.
- 17. Safety.** Provider, its subcontractors, and their respective employees shall comply fully with all applicable federal, state, and local safety and health laws, ordinances, rules, and regulations in the performance of services under this Agreement, including, without limitation, those promulgated by HCDE, EHS, or HHS. In case of conflict, the most stringent safety requirements shall govern. Provider shall comply with all other safety guidelines and standards as required by HCDE. Provider shall indemnify and hold HCDE harmless from and against all claims, demands, suits, actions, judgments, fines, penalties, and liability of every kind arising from the breach of Provider's obligations under this provision.
- 18. Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
- 19. Subcontractors.** If Provider uses subcontractors in the performance of any part of this Agreement, Provider shall be fully responsible to HCDE for all acts and omissions of the subcontractors just as Provider is responsible for Provider's own acts and omissions. Nothing in this Agreement shall create for the benefit of any such subcontractor any contractual relationship between HCDE and any such subcontractor, nor shall it create any obligation on the part of HCDE to pay or to see to the payment of any moneys due any such subcontractor except as may otherwise be required by law.
- 20. Taxes.** HCDE is tax-exempt, and HCDE shall not pay taxes for goods and/or services provided under this Agreement. Provider represents and warrants that it shall pay all taxes or similar amounts resulting from this Agreement, including, without limitation, any federal, state, or local income, sales or excise taxes of Provider or its employees. HCDE shall not be liable for any taxes resulting from this Agreement.
- 21. Tax Responsibilities of Provider and Indemnification for Taxes.** Provider and all subcontractor(s) of Provider shall pay all federal, state, and local taxes applicable to their operation and any persons employed by Provider and all subcontractors of Provider. Provider shall require all subcontractors to hold HCDE harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation, shall be the sole responsibility of Provider.
- 22. Third Parties.** Neither this Agreement, nor any provision or term hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereto.

23. Waiver. No failure on the part of either party at any time to require the performance by the other party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such party's right to enforce such term, and no waiver on the part of either party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Contract shall be binding unless in writing and signed by duly authorized representatives of the parties hereto.

IN WITNESS HEREOF, HCDE and Provider have executed this Agreement to be effective on the date specified in Article IV, 1. Term, above.

SPECIAL TERMS AND CONDITIONS

ADULT EDUCATION AND FAMILY LITERACY ACT

Pursuant to the terms of the Federal award, and to 2 Code of Federal Regulations (C.F.R.) §§ 200.101(b)(1) and 200.332(a)(2), these Special Terms and Conditions pass through Terms and Conditions of the Federal award, which are not set forth elsewhere in this grant award. This grant award must be used in compliance with the following Federal Terms and Conditions in addition to the other provisions of this grant award.

A. Availability of Federal Award Terms

In some cases, Federal grant funds become available to the Texas Workforce Commission (TWC) for award before TWC obtains the associated Federal Award Terms for the monies. When award execution does not allow for delay, TWC may base the Special Federal Award Terms and Conditions for a grant award on the most recent prior Federal Award Terms and Conditions available, and later amend the TWC grant award when updated Federal terms are available. This action is most often used when Federal Award Terms and Conditions are not expected to differ significantly from the most recent prior terms available at the time TWC makes award.

B. Definitions

As used in these Special Federal Award Terms and Conditions: (1) the term, non-Federal entity, has the meaning defined in 2 C.F.R. Parts 200; and (2) the term, subrecipient, has the meaning defined in 2 C.F.R. Part 200.

C. Order of Precedence

In the event of any inconsistency between the terms and conditions of this grant award and other requirements, the following order of precedence shall apply:

1. Adult Education and Family Literacy Act;

2. Consolidated Appropriations Act, 2021, Public Law (Pub. L.) 116-260;
3. Other applicable Federal Statutes;
4. Implementing Regulations;
5. Executive Orders (EOs);
6. Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 C.F.R. Parts 200 and 3474;
7. Department of Education directives;
8. The terms and conditions of the Federal award, as included in this Grant Award as the Special Federal Award Terms and Conditions; and
9. The terms and conditions of this TWC grant award.

D. Fund Use

The funds that are provided under this grant award must be expended according to all applicable Federal statutes, regulations and policies, including those of Adult Education and Family Literacy Act ; the applicable approved State WIOA plan (including approved modifications/amendments to the plan, any waiver plan approved under WIOA § 189(i)(3), or any Workforce Flexibility (Workflex) plan approved under WIOA § 190); the negotiated performance levels and policies established pursuant to the Labor Secretary's authority under WIOA § 116; and the applicable provisions in the appropriations act.

E. Audits

The audit provisions contained elsewhere in this grant award are inclusive of Federal award terms requiring that organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance, which apply to audits for fiscal years beginning on or after December 26, 2014. Award recipients and subrecipients that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with 2 C.F.R. § 200.501.

F. Changes in Micro-purchase and Simplified Acquisition Thresholds

The OMB memorandum (M-18-18), issued on June 20, 2018, increased the threshold for micro-purchases under Federal financial assistance awards from \$3,500 to \$10,000 and the threshold for simplified acquisitions under Federal financial assistance awards from \$100,000 to \$250,000.

G. Closeout Requirements

During the closeout process, the Grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. (Note: Unless specified otherwise by TWC, subrecipients must maintain such documentation in accordance with applicable record retention requirements and make it available for review upon request.)

H. Program Income

2 C.F.R. § 200.307 applies to this award, which allows grantees under the AEFLA to earn program income. 2 C.F.R. § 200.1 defines "program income" generally to mean "gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance...". Ordinarily, program income is deducted from total allowable program costs and all program income, except for tuition and fees charged to students and employers earned by a subgrantee under this award, must be deducted. A local subgrantee charging reasonable and necessary tuition or fees to students and employers may use that income to provide additional adult education and literacy services that it would otherwise be unable to provide. Program income from tuition and fees must be (1) governed by the terms of the agreement between

the TWC and grantee, (2) accounted for in program records, and (3) used only for costs allowable under AEFLA.

Also applicable to this award is 34 C.F.R. § 76.534, which provides that States and subgrantees may not count tuition and fees collected from students toward meeting federal matching federal matching, cost-sharing, or maintenance of effort requirements related to this award. Moreover, TWC must ensure that fees charged to students participating in an adult education program that receives federal support are equitably administered and do not reach levels that have an adverse effect on the participation of economically disadvantaged students.

Note: TWC will recover any program income found remaining at the end of the grant award through the closeout process.

I. Publicity

No funds provided under this grant shall be used for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

Nor shall grant funds be used to pay the salary or expenses of any subrecipient or agent acting for such subrecipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive Order proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.

J. Requirements for Conference and Conference Space

1. Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:

- a. Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
- b. Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
- c. Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.

2. Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 C.F.R. Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:

- a. Federal grant funds cannot be used to pay for alcoholic beverages; and
- b. Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.

3. Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve

the purposes of the grant. When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

4. A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business. A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.

5. A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval. All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

6. Grantees are strongly encouraged to contact TWC with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes. A short conversation could help avoid a costly and embarrassing mistake.

7. Grantees are responsible for the proper use of their grant awards and may have to repay funds to TWC if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.

8. Subawards

a. A subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

b. The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. Each pass-through entity is responsible for monitoring subrecipients, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipients comply with all applicable regulations and the terms and conditions of this award (2 C.F.R. § 200.201(b)(1)).

K. Procurement

1. Award recipients must follow the same procurement policies and procedures it uses for non-Federal funds. Every purchase order or contract must include any clauses required by section 2 CFR 200.327 Contract Provisions.

2. Privacy Act. No funds can be used in contravention of 5 U.S.C. § 552a (Privacy Act) or regulations implementing the Privacy Act.

3. Prohibition on Contracting with Corporations with Felony Criminal Convictions. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or

cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months.

4. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

5. Reporting of Waste, Fraud and Abuse. No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

6. Requirement to Provide Certain Information in Public Communications. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all non-Federal entities receiving Federal funds shall clearly state:

- a. The percentage of the total costs of the program or project which will be financed with Federal money;
- b. The dollar amount of Federal funds for the project or program; and

c. The percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Grantees must comply with these conditions under Division H, Title V, Section 505 of Public Law 116-260, Consolidated Appropriations Act, 2021.

The requirements of this part are separate from those in 2 C.F.R. Part 200 and, when, appropriate, both must be complied with.

7.Restrictions on Lobbying/Advocacy. No federal funds may be used by subrecipients, other than for normal and recognized executive-legislative relationships, to engage in lobbying or advocacy activities(including publicity or propaganda purposes or for the preparation of any publication or electronic communication)designed to support or defeat the enactment of federal, state, or local legislation, regulations, appropriations, order, or other administrative action, except in presentation to Congress or a State or local legislature itself or for participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

L. Public Policy

1. Architectural Barriers. The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151 et seq., as amended, the Federal Property Management Regulations (see 41 C.F.R. Part 102-76), and the Uniform Federal Accessibility Standards issued by GSA (see 36 C.F.R. Part 1191, Appendices C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.

2. Drug-Free Workplace. The Drug-Free Workplace Act of 1988, 41 U.S.C. §§ 702 et seq., and 2 C.F.R. Part 182 require that all organizations receiving grants from any Federal agency maintain a drug-free workplace. Refer to the Drug-Free Workplace Certification applicable

to this grant award for notification and other requirements. Failure to comply with these requirements may be cause for suspension or debarment.

3. Executive Orders.

- a. Subcontracting/Subgranting Opportunities to certain Entities and Individuals (EO 12928). Pursuant to EO 12928, subrecipients are strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities; and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.
- b. Seat Belt Use (EO 13043). Pursuant to EO 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, subrecipients are encouraged to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented, or personally owned vehicles.
- c. Improving Access to Services for Persons with Limited English Proficiency (EO 13166). As clarified by EO 13166, Improving Access to Services for Persons with Limited English Proficiency, dated August 11, 2000, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP).

To ensure compliance with Title VI of the Civil Rights Act of 1964, subrecipients must take reasonable steps to ensure that LEP persons have meaningful access to programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary.

Subrecipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to the Federal Government's interagency website on Limited English Proficiency at <http://www.lep.gov>.

- d. Text Messaging While Driving (EO 13513). Pursuant to EO 13513, “Federal Leadership on Reducing Text Messaging While Driving”, dated October 1, 2009, subrecipients are encouraged to adopt and enforce policies that ban text messaging while driving company-owned or -rented vehicles, or government-owned vehicles, or while driving personally-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. 3.4 In consideration of the Grantee's full and satisfactory performance of the specified services, TWC shall be liable to the Grantee in accordance with the terms and limitations established within this grant award.

3.5 Except with respect to defaults of contractors or subrecipients, no liability or loss of rights hereunder shall result to either party from delay or failure in performance (including any failure by the grantee to progress in the performance of the work) if such failure arises out of causes beyond the reasonable control and without the default or negligence of the party affected. The Grantee and TWC shall endeavor to agree on a mutually acceptable alternative provision.

In the event of a conflict between such laws and regulations and the terms and conditions of this grant award, precedence shall be given to the laws and regulations.

4.7 The Texas Comptroller of Public Accounts published TxGMS in November 2020. TxGMS will apply to TWC-issued grant awards that begin on or after January 1, 2022. Additionally, if TWC adds new funds to a TWC grant award that existed before March 1, 2021, TxGMS will apply to those new funds, to unobligated balances of earlier funds (if any) that continue to be available for the grantee to obligate under the award, and any subsequent additions of funds if:

17.5 TWC reserves the sole option to renew or extend this grant award after the initial period. Such renewal will be based upon a compliance review and TWC's continuing need for the services. TWC may consider a written request for renewal or extension submitted by the Grantee. Such written request must be received by TWC no later than thirty (30) days prior to the expiration of this grant award.

18. Termination.

18.1 This grant award may be terminated without cause, in whole or in part, by TWC whenever it determines that such termination is in the best interest of TWC or the State.

18.2 Either party may terminate this grant award for breach, pending completion of any reports or audits required by TWC. Such termination shall be effective upon receipt of written notification of termination, provided no less than sixty (60) days in advance.

this grant are contingent upon receipt of adequate funds from federal and state sources to meet TWC's liabilities hereunder. This grant is subject to revision upon actual receipt of funds from federal or state sources. The grant is subject to termination or cancellation, without penalty to TWC, either in whole or in part, subject to the availability of federal or state funds.

- Third Priority: The Grantee shall use available stand-in costs to resolve the disallowed costs or other liability to TWC.

1.6 Any change in the amount of a budget line item requires the prior written approval and the subsequent change to the line item amount in the Cash Draw and Expenditure Reporting (CDER) System by the designated TWC Grant Manager.

1.7 Subject to the limitations in Section 1.8 of these Financial Requirements, indirect costs, if any, charged to this grant must result from proper application of an indirect cost rate approved by the Grantee's federal cognizant agency for indirect costs, or other authorized entity, as appropriate, a de minimis rate as described in 2 C.F.R. § 200.414, or a rate negotiated with TWC.

1.8 Pursuant to U.S. Department of Education regulations at 34 C.F.R. §§ 76.563 through 76.569, indirect costs charged to funds made available under AEFLA are limited to the product of the restricted indirect cost rate and total direct costs minus capital outlays, subgrants, and other distorting or unallowable as specified in the Grantee's indirect cost rate agreement. The restricted indirect cost rate is the lesser of:

- The restricted indirect cost rate in 34 C.F.R. § 76.564(a); or
- An indirect cost rate of eight percent (8%).

1.9 Administrative costs charged to this grant shall not exceed ten percent (10%) of the total final expenditures incurred under this grant, except where a higher rate has been negotiated with TWC to accommodate the recovery of allocable indirect costs.

2. Obligation and Deobligation of Funds.

Notwithstanding the provisions of Section 17 of the GTCs, the following provisions apply to the obligation and deobligation of funds under this grant:

2.1 TWC shall not be liable to the Grantee for any excess or erroneous funding obligations and retains the right to unilaterally deobligate such funds.

2.2 TWC may obligate additional funds under this grant or deobligate funds previously obligated under this grant at the sole discretion of TWC.

2.3 TWC may deobligate funds if performance and/or expenditures are not meeting a detailed program plan and implementation schedule; and/or expenditure projections at the following intervals:

- twenty-five percent (25%) of the grant period;
- fifty percent (50%) of the grant period; and,
- seventy-five percent (75%) of the grant period.

2.4 TWC shall provide written notification to the Grantee in the form of either a letter of notification or a grant amendment in the case of an additional obligation or deobligation of funds at least ten (10) business days in advance of the revision taking effect.

3. Financial Reporting

3.1 The Grantee shall electronically submit an accurate monthly financial report, including accrued expenditures and obligations, no later than 11:59 p.m. Central Time on the 20th day of each month through TWC's on-line CDER system. To the extent applicable, the Grantee will comply with the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-13, including subsequent issuances; and additional TWC issuances. If the Grantee does not meet established reporting deadlines, late notifications will be issued and access to funds may be disabled as specified in those issuances.

3.2 The Grantee shall electronically submit a financial closeout package through the closeout module of the CDER system no later than 11:59 p.m. Central Time on the 60th day from the grant end date. If TWC exercises its option to renew a grant, TWC may require that a separate financial closeout package be submitted through the CDER system no later than 11:59 p.m. Central Time on the 60th day from the end of the grant period immediately preceding any such renewal, or another date specified by TWC. The Grantee shall submit the financial closeout package according to the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-13 including subsequent issuances; and additional TWC issuances.

A Logic Model is a visual depiction of what a project does and what changes it is expected to bring about. Developing a Logic Model is an important first step to project design and evaluation planning. Complete the proposed Logic Model chart on the next page with succinct statements in each text box to define activities, short-term outcomes, mid-term outcomes and long-term outcomes. An example is provided below along with various types of information that might appear under each header of the Logic Model.

What new and existing resources will be used to support the project?	What are the main things the project will do?	What products will be created? (Typically, things that can be directly observed and that will continue to exist after the project ends)	What will occur as a direct result of the activities and outputs? (Typically, changes in knowledge, skills, attitudes)	What results should follow the initial outcomes? (Typically, changes in behavior, policies, practice)	What results should follow from the initial outcomes? (Typically, changes in broader conditions)
Inputs	Activities	Outputs	Short-Term Outcomes	Mid-Term Outcomes	Long-Term Outcomes

Below are examples of the types of information that might appear under each header of the logic model. When developing a project logic model, be as specific as possible in articulating the components of the model. For example, a project-specific short-term outcome might be phrased as "learners will be able to install, maintain, and troubleshoot high-vacuum systems."

WORK PLAN

Request for Applications (RFA) 32022-00118

Employer Engagement (AEL)

Harris County Department of Education

SECTION 1. EXECUTIVE SUMMARY.

Harris County Department of Education (HCDE) is requesting \$390,243 to implement an Integrated Education and Training-Workforce Literacy (IET-WL) pilot program by developing curricula for the workplace, participant job placement, and tracking. HCDE will partner with MAREK, a construction-based company that is one of the largest and leading construction companies in Houston, to plan and design a curriculum that offers integrated services and intensive services. The program is for 18 months and will incorporate two, 20-week sessions. Participants will achieve MSGs through a robust career and mentoring planned provision in this model. More importantly, data will be used to track each participant's progress during the program and upon entry into the workforce.

HCDE will deliver the program in three phases that include skills needed to succeed by attaining a credential(s) or entering or advancing in employment. The IET-WL program will provide 70 individuals with a 20-week program delivered in three phases – 1) Foundation, 2) Career & Job Ready and 3) Career & Job Placement. During the phases, topics covered will range from literacy, industry credentialing to job and job placement. Within 20 weeks, each participant will develop a My Action Plan (MAP) that coincides with one of the outcomes. Services will integrate workforce preparation, wraparound services, case/transition management, career exploration, mentoring, and other required services. HCDE will collaborate with community partners, workforce certificate practitioners, and educational consultants to ensure

participants achieve their personal goals and learn skills that influence their ability to increase their economic and earning power.

HCDE will also track data from this program, such as participant progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data (including military service records), internship and civic participation data. At the end of phase three, there will also be follow-up in six-month, 12-month and 18-month intervals that will integrate workforce preparation, wraparound services, case/transition management, career exploration, mentoring, and employer required services.

Collaborating with MAREK to design the curriculum and program will allow participants to obtain their credentials that lead to job placement and employment. HCDE will coordinate with MAREK to ensure participants of the program are provided with job assessments, and interviews with MAREK or other MAREK subsidiaries.

SECTION 2. PARTNER COLLABORATION.

- 1) HCDE's IET-WL pilot program will partner with MAREK, a construction-based company that is one of the largest and leading construction companies in Houston, to deliver comprehensive services. HCDE will work with MAREK to create an appropriate curriculum for the participants of the program that will not only align with workforce training standards, but also the construction industry standards that are necessary for participants to receive their credentials.
- 2) HCDE and MAREK will deliver integrated services, a delivery of IET components that are provided concurrently and contextually. The IET components are provided simultaneously at points within the overall scope of the program and a sufficient intensity and quality are based on

the most rigorous research available to support the advancement of education and career development using occupationally relevant instructional materials.

These services also mean the IET-WL pilot program will have activities organized to function cooperatively so that specific adult education content, workforce preparation activities, and workforce training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET components. The competencies will include established learning objectives and/or trade-related benchmarks or competencies for the construction industries in-demand or targeted occupation or occupational cluster required for attaining a recognized credential.

HCDE and MAREK will design the overall program that meets the grant requirements for service model by including the following:

- Continuous skillsets to be cultivated among new hires and existing group of employees.
- Skills training and literacy lessons will be expected to produce a concerted effort in preparation of curriculum.
- Upskilling. To create the opportunity to forge more potent employer brand that will help in attracting new talent from the adult education participant database.

3) HCDE and MAREK use LMCI (Labor Market and Career Information) resources on a regular basis. When discussing a partnership on this grant, MAREK indicated one area of need they had with employment was with individuals who lacked math skills and construction math knowledge.

Working with MAREK will allow both parties to use a collaborative approach through collective impact to address the identified middle skill job gap for the construction industry

sector. In doing this, appropriate skills will be identified or enhanced in the process. The way to achieve this is:

- Form strong alliances with the company's leadership group to champion employer-led skills development in the system, while we provide contextualized learning and literacy support. Employer must identify and signal the skills they need to the program, as well as partner to develop, train and retain employees.
- Create a robust talent pipeline that requires much of the cross-sector collaboration for participants entering the program.

HCDE will work with MAREK to create a curriculum that serves the participant's and the construction industry needs and align it with standards and technical/occupational skills needed for employment. The curriculum will be a highly illustrated design with technical hints and tips from industry experts and review questions. HCDE and MAREK will create a curriculum that includes industry-matter content, IET and literacy, workforce training and activities and teach the fundamentals in a way that is engaging, interesting, practical, and relevant.

Collaborating with MAREK to design the curriculum and program will allow participants to obtain their credentials that lead to job placement and employment. HCDE will work with MAREK to ensure participants of the program are provided with job assessments, interviews and job placement with MAREK or another MAREK subsidiaries.

SECTION 3. PAST EFFECTIVENESS.

1) HCDE's Adult Education division has served Harris County and surrounding areas since 1966. As one of HCDE's longest running programs and the state's largest adult education program, it is a trusted source for delivering quality services for adult literacy and workforce training, serving over 6,000 adults annually. Through a tiered design of pathways into

postsecondary, IET, specialized ESL program for foreign trained professionals and workplace literacy with employers, HCDE has launched a statewide effort to drive increased student success for college and employment outcomes. Factors underlying the need for these programs are the economy, demographics, and workforce outcomes.

To address job market demands and employment data, HCDE has moved from traditional consumers of adult education, which concentrates on literacy skills, to an elevated level of enhancement that creates career opportunities. As a result, HCDE's adult education community is assured of receiving the basic skills and support necessary to succeed in the workplace. Training is aligned with the need to increase employment; transition to higher education; skill gains; and secondary completion through demonstrated approaches that integrate system services and leverage community partnerships. Table 1 below shows HCDE Adult Ed's program performance over the past two years.

Table 1

Program Name	Program Year	Enrolled Participants	Completed Participants	Completion %	Number of Participants to achieve an MSG
HCDE Adult Ed	2020-2021	6,403	5,984	93%	3,513 (58.7%)
HCDE Adult Ed	2019-2020	4,109	3,629	88%	2,214 (61%)

2) During the pandemic years (2020-2021), HCDE met and surpassed IET targets. Additionally, HCDE has designed innovative AEL instruction and workforce trainings to improve the basic skills of low-skilled adults, such as training for certified nursing assistant, phlebotomy, construction and maintenance, HVAC, Microsoft applications, logistics, horticulture, and women in nontraditional jobs. EL Civics is a mainstay of the HCDE Adult

Education program. Classes combine English language acquisition with U.S. history and government to assist students with the citizenship application and exam.

Through critical partnerships with employers, community organizations and service providers, HCDE's focus on career pathways allows for enhanced job retention and worker engagement, opportunities for participants to advance and increase wages, upskilled talent pool for employers, identifying partners for IET, and leveraging HCDE resources to reach more clients.

3) HCDE has a management infrastructure in place to handle the oversight of grant funding and policies and procedures to ensure funds expended from contracts and grants are entered into a fund accounting system. HCDE's financial management established internal controls to provide assurances that assets of HCDE are properly safeguarded, financial records are accurately maintained, and governing statutes and policies are followed. As a recipient of federal, state, and local grant funding, \$29.9 million (36% of total revenue) in FY 2020-2021, HCDE also has an internal control structure in place to guarantee and document compliance with applicable laws and regulations related to contracts and programs.

HCDE's Business Services division adheres to the Office of Management Budget's (OMB) A-133 Compliance Supplement, an internal control system and the effective supervision of assets, liabilities, revenues, and expenditures. Based on the findings of the Treadway Commission, HCDE has developed a Risk Awareness Program intended to guide senior managers to improve their understanding and effectiveness in all areas of internal controls. The program is based on guidance provided by the Committee of Sponsoring Organizations of the Treadway Commission (COSO), a voluntary private-sector organization of auditing and accounting professionals dedicated to providing guidance to executive management and

governance entities on critical aspects of organizational governance, business ethics, internal control, enterprise risk management, fraud, and financial reporting. The HCDE model is based on the COSO common internal control model, consisting of the following components: 1) control environment; 2) risk awareness; 3) control activities; 4) information and communications and 5) monitoring.

Base on HCDE's Federal Single Audit Report for fiscal year 2020-2021, the Department complied, in all material respects, with the compliance requirements that could have a direct and material effect on each of its major federal programs. For more details, please see report attached.

HCDE has a solid reputation when it comes to financial stability and has not had any financial difficulties in the last five years. Its numerous awards in reporting and transparency are testaments to the high level of honest and accurate financial management the agency exhibits. In August 2020, HCDE received its 19th consecutive Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada for the Comprehensive Annual Financial Report. The award is given in recognition of adhering to generally accepted accounting principles and applicable legal requirements. HCDE has also received the Certificate of Excellence in Financial Reporting from the Association of School Business Officials International for 18 consecutive years. The award is the highest award given by the association and is only conferred to school systems that meet or exceed standards of the Certificate of Excellence in Financial Reporting Program.

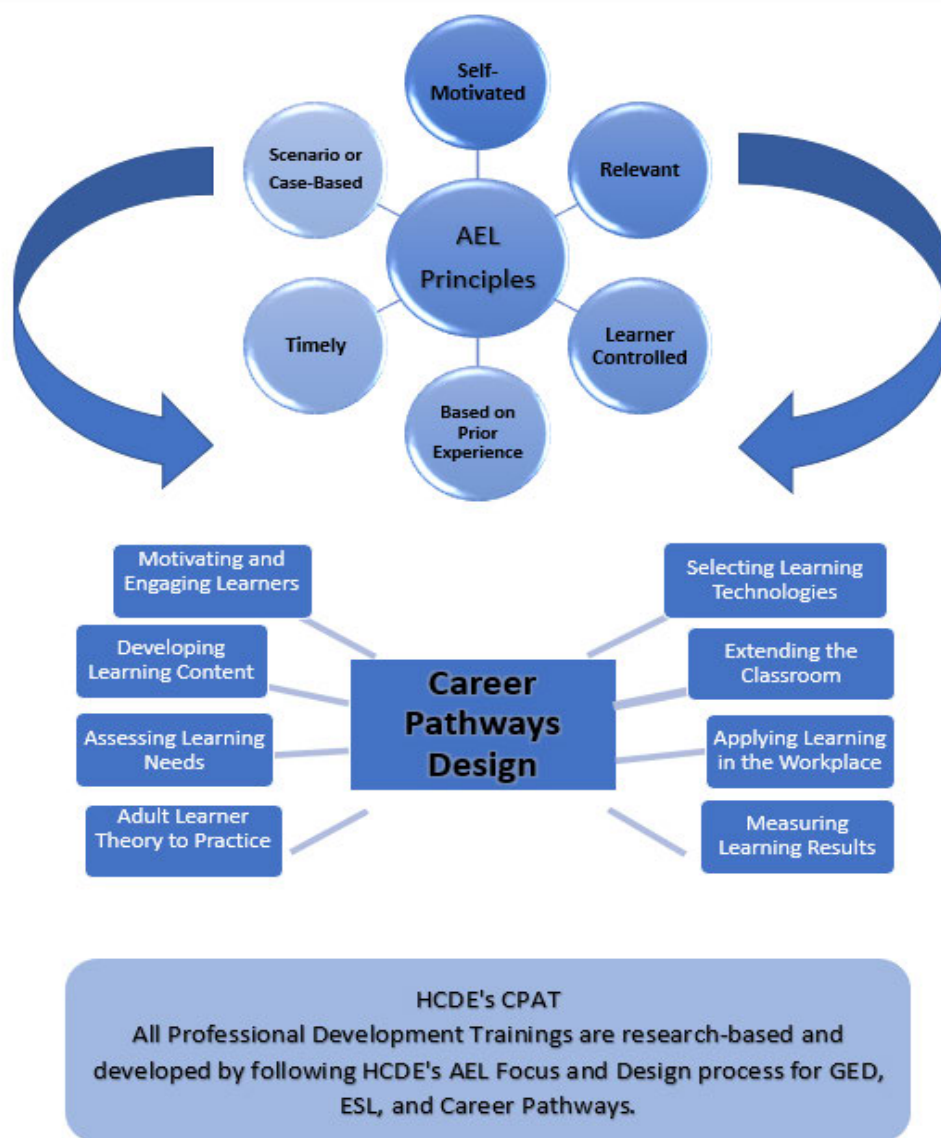

HCDE has received the Award for Outstanding Achievement in Popular Annual Financial Reporting for its Popular Annual Financial Report for fiscal year ending in August 2020, for a total of 14 years.

Other awards and items of note are: Government Treasurers' Organization of Texas Certification of Investment Policy for the past 9 years. HCDE has a Moody's general obligation rating of Aa1 and outstanding lease revenue bond rating of Aa3.

4) In alignment with the requirements for this RFA, HCDE has designed innovative AEL instruction and workforce trainings to improve the basic skills of low-skilled adults, such as training for certified nursing assistant, phlebotomy, construction and maintenance, HVAC and women in nontraditional jobs. EL Civics is a mainstay of the HCDE Adult Education program. Classes combine English language acquisition with U.S. history and government to assist students with the citizenship application and exam. Instructors practice with students by role playing and reading questions aloud to strengthen reading, listening comprehension and verbal skills.

In 2020, HCDE initiated classes for internationally trained English Language Learner Professionals. In partnership with Methodist Hospital, students with doctoral degrees participate in ESL classes to improve their ability to communicate on the job and acclimate to society. Through critical partnerships with employers, community organizations, Workforce Board and service providers, HCDE's focus on Career Pathways model that integrates IET allows for enhanced job retention and worker engagement, opportunities for participants to advance and increase wages, upskilled talent pool for employers, identifying partners for IET, and leveraging HCDE and Houston Galveston Area Council (HGAC) resources to reach more clients. HCDE meets with employers to brainstorm to understand their needs regarding employee competencies, including safety in the workplace and business etiquette. The diagram below illustrates HCDE's Career Pathways and Training model:

HCDE Career Pathways and Training (CPAT)

In addition to mandatory TWC trainings, in 2020-2021 HCDE Adult Education designed over 20 classes for computer-based professional development due to COVID-19. Based on staff surveys, topics include Working Remotely with Beginning ESL Students; Principles of Second Language Teaching-Planning, Implementing and Managing Instruction; Manager Monday-Culture of Inclusion; Tech and Tell-School Yourself in Math (parts 1 and 2); Motivating Adult

Learners to Persist; and more. Using the Amador model of online courses (2019), participants received synchronous whole-class and small-group interactions on Microsoft Teams or Zoom and could access workshop content and other materials afterward in a shared space. Participants were also encouraged to share additional resources and comments on solutions following the course (Amador et al., 2019).

5) HCDE implements the Integrated Basic Education and Skills Training (I-BEST) models that are characteristic of fully integrated and partially integrated instruction in the IET curriculum framework. Using team teaching in defined roles for integrated instruction, the courses emphasize: a) joint enrollment in both basic skills and workforce training; b) ABE content aligned with workforce training content; and c) instructors working together to identify basic skills needed for low-skilled adults to master workforce skills.

HCDE's Adult Education's IET project staff are trained on the curriculum framework based on statewide standards, such as the Texas Adult Education Content Standards and Benchmarks for ABE/ASE and ESL learners and the Texas College and Career Readiness Standards that are aligned with the industry skills needed. Through a 15-year partnership with MAREK Brothers, a large specialty construction firm in Houston, HCDE has trained hundreds of low-skilled adults in the National Center for Construction Education and Research (NCCER) Certification, Pipefitting I and II and welding. HCDE also provides MAREK employees with accelerated, contextualized English language classes designed to improve productivity and safety in the workplace.

I-BEST is an evidence-based approach originally designed to help basic skills students advance to college level occupational programs. Quantitative analysis conducted by the Community College Research Center at Columbia University indicated that I-BEST students had

better educational outcomes than other basic skills students and were much more likely to continue into credit-bearing coursework; earn credits that count toward a college credential; complete occupational certificates; and make point gains on basic skills tests. In general, I-BEST students did moderately to substantially better than non- I-BEST students on all outcomes examined in the study (Jenkins, Zeidenberg, & Kienzl, 2009).

Through collaborations with stakeholders, including community partners, employers, and other professional development centers, HCDE develops innovative contextualized instructional strategies that integrate basic skills and vocational training to increase employability and productivity. Table 2 below lists HCDE's IET programs that focus on construction with the occupational titles and partners. The second part of the table shows HGAC approved IET programs.

SECTION 5. PROGRAM MODEL

Overall Scope of Service

HCDE currently has a large adult education program that serves more than 6,000 learners with ESL, HSE/GED and IET programs. However, there are no specialized services targeting

individuals who are 18 years and older, with some education beyond high school but less than a four-year degree.

Therefore, HCDE proposes to implement an Integrated Education and Training-Workforce Literacy (IET-WL) pilot program by developing curricula for the workplace, participant job placement, and tracking. The new and existing AEL services will partner with MAREK, a construction-based company that is one of the largest and leading construction companies in Houston to plan and design a program that offers Integrated Services and Intensive Services. The pilot program is for 18 months and will incorporate two, 20-week sessions. Participants will achieve MSGs through a robust career and mentoring planned provision in this model. More importantly, data will be used to track each participant's progress during the program and upon entry into the world of work.

HCDE will recruit and hire a full-time Program Manager, Career Navigators, Instructional Staff, and Data, Testing and Assessment Staff. Recruitment includes advertising through HCDE's Human Resources division, Workforce Solutions, and other adult education networks. To support successful implementation of the IET-WL program, qualified individuals must understand AEL guidelines and demonstrate familiarity with IET.

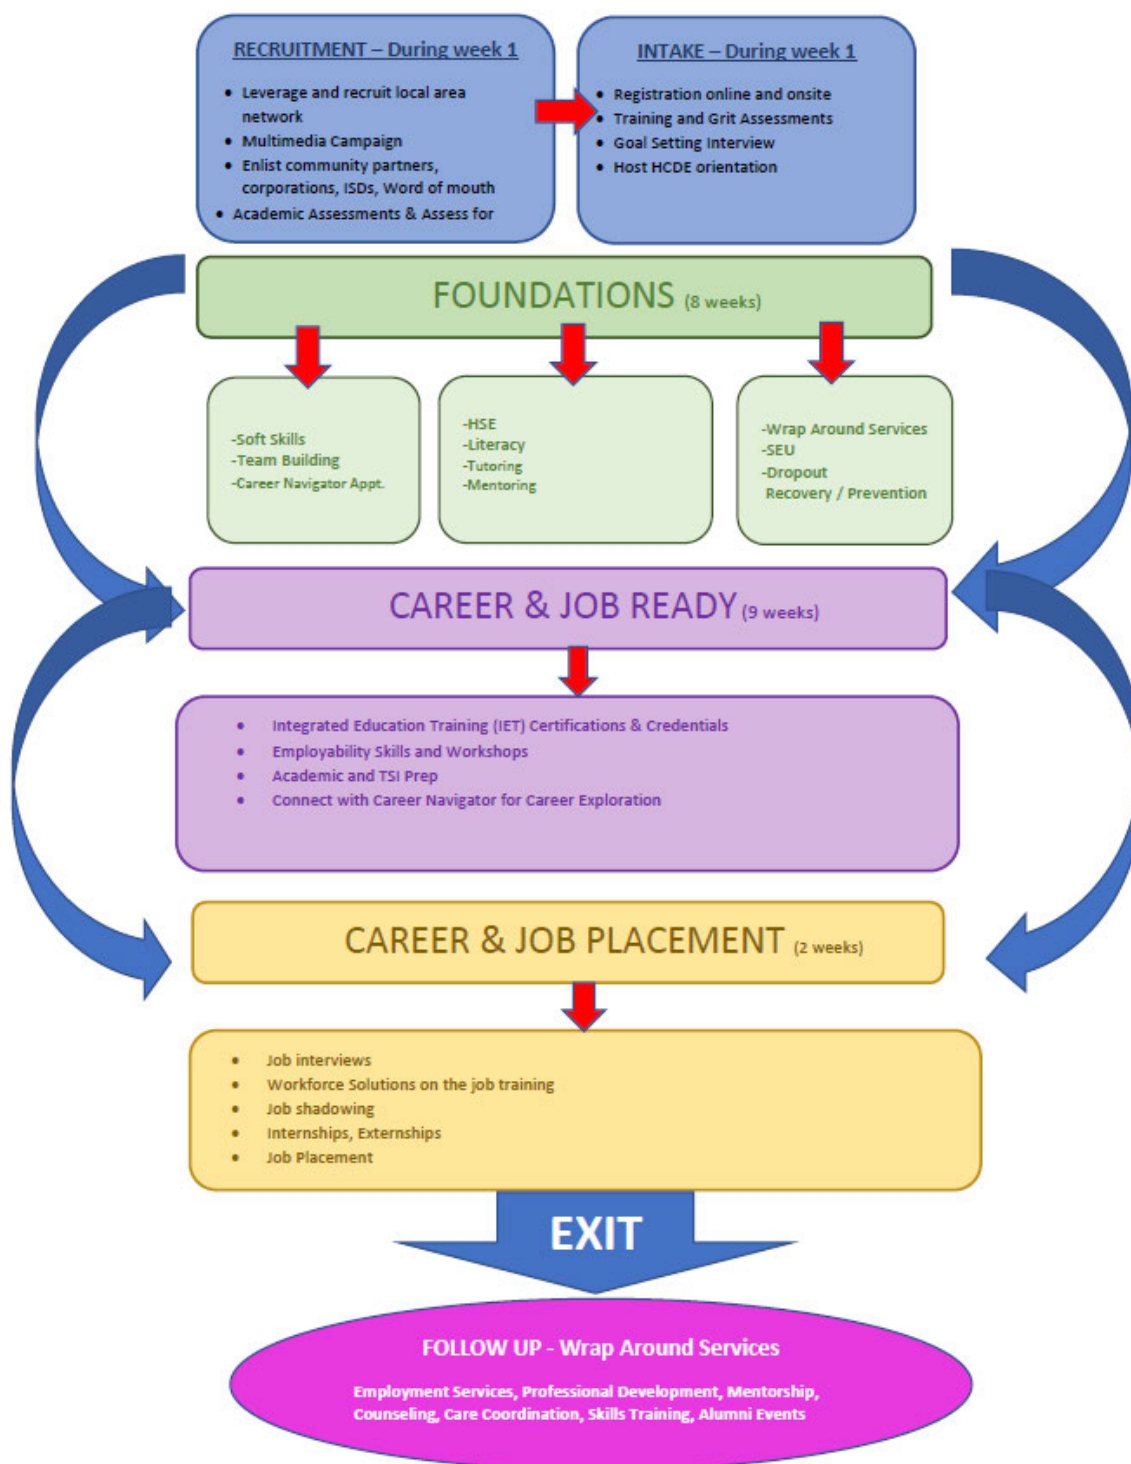

HCDE will use a variety of methods to recruit 70 participants for the IET-WL pilot program, including traditional and new marketing techniques to get the right mix. HCDE will implement across the board marketing strategies, such as social media and videos, traditional media (television and radio spots, newspaper ads in multilingual neighborhood newspapers), flyers in neighborhood locations where young people congregate (e.g., skate parks), word of mouth, and referrals from school districts, businesses, nonprofit organizations and government agencies and housing authorities.

HCDE's Communications and Creative Services division will implement communication campaigns that currently reach educators, parents, students, school districts and community members. This division will provide industry-level expertise that will provide the right media mix for target audiences. Technology will play a significant role in outreach and recruitment to connect with this tech-savvy population.

The IET-WL program will provide 70 individuals with a 20-week program delivered in three phases – 1) Foundation, 2) Career & Job Ready and 3) Career & Job Placement. At the end of phase three, there will also be follow-up and wraparound services that will integrate workforce preparation, wraparound services, case/transition management, career exploration, mentoring, and employer required services. The program will collaborate with community partners and workforce certificate practitioners to ensure participants achieve their personal goals and learn skills that influence their ability to increase their economic and earning power.

The program follows the HCDE Service Delivery Model, on the next page, that outlines a strategic, yet practical framework to focus on local labor market inquiry and connections to service providers. The purpose of this approach is to build a foundation for career readiness training and career placement services.

HCDE Service Delivery Model

The IET-WL pilot program will also include the three core components (e.g., adult education and literacy activities, workforce preparation activities and workforce training) of an

Integrated Education Training (IET) through integrated services. HCDE will provide the Adult Education and Literacy Activities and MAREK will provide the workforce preparation activities and workforce training.

Adult Education and Literacy Activities

Basic Education

HCDE will provide basic education services through our current adult education and literacy program, which focuses on reading, math, social studies, and science. Included in this basic education is measurement for baseline and progress testing to support academic growth and improvement. Knowledge and education are key factors to the full and effective participation of youth and adults in society. Staff will work to increase participation rates of participants through innovative face-to face and online activities that open doors for individuals, particularly those who are marginalized. This basic education program will ensure participants acquire the knowledge, skills and ethical values needed to fulfill their role as agents of development, employment, good governance, social inclusion, and tolerance in a fast-changing society.

Workforce Preparation Activities & Workforce Training

Occupational Skill Education

HCDE will use a collective impact approach for occupational skills training. Collective impact refers to a set of strategies that leaders in the public and private sectors can use to focus their energies on a defined challenge facing the community. Utilizing collective impact is a particularly attractive approach to bringing individuals a step closer to obtaining an industry recognized credential and gaining a foothold in the labor force. HCDE's partner, MAREK, will provide training. Most individuals, who have some education beyond high school but less than a four-year degree, find themselves outside of mainstream education and workforce institutions at

a very critical and vulnerable time in their lives. The project will connect participants to avenues for success that they would otherwise not have access to.

Work Skills and Training

The program will provide workforce development in-person to help participants gain access to work-based education services, as well as key employment partners whose clientele is like the participants we serve. The work-skills training component is a promising way of re-engaging participants and providing them with a smoother transition into work, while also developing their skills. The Career Navigator will assist from entry to exit and track data for participants

Targets and measures of success are based on the three phases of the service delivery model. Success is defined when the following targets are met:

- 1) 70% complete Phase 1 with the Foundations of the program
- 2) 60% complete Phase 2 with skills certification/IET credentials
- 3) 80% complete Phase 3 and obtains employment, internship, externship and/or employment
- 4) 75% will report they are satisfied with services provided
- 5) 75% will report program services helped them achieve their goals

The goal is to enroll 70 participants in a 20-week program and track their progress not just during the program, but as they exit from the program into the workforce, post-secondary, and applicable status at the existing employer. Characteristics of participants include males and females 18 years and older, with some education beyond high school but less than a four-year degree, unemployed and without any job prospects. Targeted population can also have a low-wage job and seek to increase their income or upskilling. Participants can speak any language. Individuals must commit to job training and seeking and finding a job or placement in a postsecondary institution.

The program is delivered in three phases, including skills needed to succeed by attaining a Credential(s) or entering or advancing in employment, and is offered twice a year. During the phases, topics covered will range from literacy, industry credentialing to job and college placement. Within 20 weeks, each participant will develop an Individual Action Plan (My Plan) that coincides with one of the outcomes. Services will integrate workforce preparation, wrap around services, case/transition management, career and college exploration, mentoring, and other required services. Program will collaborate with community partners, workforce certificate practitioners, and educational consultants to ensure participants achieve their personal goals and learn skills that influence their ability to increase their economic and earning power.

During intake, staff will administer the TABE for academic assessments, as well as industry training assessments to identify natural abilities. Students will also complete a goal setting form that includes establishing Specific, Measurable, Attainable, Realistic, and Time-Based (SMART) Goals. To further appraise whether the student is matched to the program, the Career Navigator will conduct one-on-one interviews to discuss the participants' goals and gauge students' well-being and other services they might need (e.g., transportation, childcare, etc.). Staff will begin a case management file to maintain all records.

Follow-up	
Follow up (6 months, 12 months & 18 months)	Monitor, evaluate and update My Plan Action Plans

The Career Navigators will track participants progress, assessments, credentials, job placement, and employment data throughout the program. Follow-up will collect data on number employed. Program staff will work with HCDE's Research and Evaluation Institute to develop and distribute a client satisfaction survey at 6 months, 12 months, and 18 months. The satisfaction survey will ask participants a series of Likert scale questions and open-ended questions to measure participants' satisfaction with the quality of the workshop/training information, program implementation, and the follow-up services, as well as how program services helped them achieve their goal.

The services that will be provided align instruction to the Texas AEL Content standards with benchmarks from MAREK and are as follows:

Integrated Services (Existing Service)

- A delivery of IET Components provided concurrently and contextually.
- Provided simultaneously at points within the overall scope of the program.
- Sufficient intensity and quality based on the most rigorous research.
- Support the advancement of education and career development and use occupationally relevant instructional materials.
- Activities will function cooperatively so that specific adult education content, Workforce Preparation Activities, and Workforce Training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET Components.
- Competencies include established learning objectives and/or trade-related benchmarks, competencies for emerging or existing in-demand targeted occupation for attaining a recognized postsecondary credential.

Intensive Services (Existing Service)

- A Career Pathways service model, including the Workplace AEL Activities
- Transition to Re-entry and Post-Release Services

Job Placement (New Service)

- MAREK Construction job placement and employment
- MAREK Construction Staffing Services
- Upskilling services for current employees

Data – MSG and Career Tracking (New Service)

- Educational outcomes (MSG) (Progress test, GED; post-secondary enrollment, persistence, and completion; credentials, time to program exit (MAP); military pathways)
- Workforce outcomes (e.g., employment, underemployment, and unemployment; occupation and workforce participation; job alignment to IET services; hours worked; salary)
- Civic outcomes (e.g., community, citizenship, driver's license, voter registration)
- Well-being and lifelong learning outcomes (e.g., public assistance use; physical and mental health outcomes; participation in continuing education; involvement with the criminal justice system)

Providing customized service will ensure goals are met in the three phases of our service delivery model. To help customize services, staff will separate enrolled participants into groups based on their primary goal (e.g., HSE/postsecondary credential or job in high demand field using LMCI data). Services will coincide with participants' My Action Plan.

The purpose of this strategy is to provide a starting and ending point to examine the nature and structure of work readiness and job preparation and explore the implications for adults, including in our region. Services are intended to provide specific answers and strategies to mitigate, better prepare for, and address the changing nature of work and postsecondary education. Our underlying hypothesis is that an important first step is to ask questions of key stakeholders—employers and individuals—and to begin to build a picture, informed by data, of the current context for occupations and college placement that are important to participants, and how these occupations and higher education provide opportunities. The strategy to ensure that our project will be successful is to provide individuals, current and up-to-date job information, and postsecondary exploration to be well-positioned when they complete this program.

To support participants in reaching their goals, the program will create wraparound services consisting of the participant, important people in their lives, mentors, career navigator and service providers. With voice and choice, the team will embody the principles of systems of care, which emphasizes an individualized, culturally competent, strengths-based, and collaborative approach to addressing participants' needs. The wraparound services will help connect participants to services from faith-based organizations and other nonprofits that provide housing, food, health care, childcare and other assistance.

SECTION 6. CURRICULUM DEVELOPMENT

- 1) Outline the overall goal for each instructional module

The overall goal for the instructional model includes:

Phase 1 – Foundations

Goals: Communication skills, character and personality traits, attitudes, career attributes, understand the workforce industry and potential industry employers. Begin HSE development (English Language Arts, Math, Science, Social Studies), receive mentoring, tutoring. Pass and test out in math and literacy. Achieve MSG (Measurable Skills Gain).

MAP (My Action Plan) begins. This is the entry of the instructional model.

Phase 2 – Skill and Training (Job Ready)

Goals: Participants receive skills and training in the construction industry and knowledge to support current and future latched and/or high-demand industries. Participants will also achieve upskilling in current employment (if participant is currently working in the construction related industry).

Phase 3 – Job Placement

Goals: Participants will use job search techniques to build and send resumes, scheduled for interviews, job shadowing, internships/externship placement and receive and accept job offers.

(MAP) My Action Plan Closes. This is EXIT of instructional model.

2) Define the level of basic skills to be addressed

Basic skills to be addressed are communication, leadership, soft skills (empathy, negotiation, time-management, teamwork) and cognitive skills (way your mind works, memory – innate and learned), workplace diversity and respect, career readiness strategies, self-management, digital skills, math and literacy skills.

3) Develop curriculum in collaboration with the Employer(s) partner and frontline workers

Full partnership: In this case, all partners play an equal role and meet on a regular basis.

Decisions are made by the full group of partners.

The goals and desired results of the partnership provide the opportunity to plan for and achieve early and short-term wins, which can be extremely important to demonstrate the value of the partnership to build the curriculum design and model for this project.

This maturity model is built around three core pillars: Foundational Components, Skills Training and Upskilling Initiatives, and Enablers and Tools.

Pillar 1: Foundational Components are building blocks that are fundamental for organizations to put in place prior to embarking on specific upskilling initiatives. These foundational components establish the beginning of the “upskilling journey” and include role definition, skills identification, and career paths.

Pillar 2: Skills Training and Upskilling Initiatives are specific efforts to introduce and enhance the skills and advance the careers of construction workers. These efforts fall into three broad categories: skills and training, work-based learning, continued education, and career navigation.

Each category contains numerous programs, varied in terms of their ease of implementation and resource requirements, that HCDE and MAREK will implement.

Pillar 3: Enablers and Tools are internal practices, policies, or procedures that help execute skills and training, upskilling initiatives. This model includes five enablers: learning resources, institutional partnerships, rewards and recognition, measurement and analysis, and workplace flexibility.

Underpinning the three core pillars is Leadership Alignment, Engagement, and Support, which refers to securing support at the highest levels of the organization and committing senior business leaders in their premise to champion and embed these practices into the organization's culture.

HCDE and MAREK will sign a memorandum of understanding (MOU), with provided guidance on curriculum content and design of the project's training programs, agreement to hire participants, and serve as on-the-job training (OJT) sites. Both organizations are committed to seeing the project through to completion.

Finally, the core work of the partnership relates to the workforce development need or problem it intends to address. It is important after the agreement has been reached on the purpose and goals that there is detailed discussion to plan and design the program

4) Align curriculum with the Texas AEL Content Standards. The following occupations in Texas are projected to experience the largest employment growth between 2012 and 2022: 47–2061 Construction Laborers - 133,530 – 20.9%.

To foster better alignment with AEL Content Standards, HCDE will ensure the required service and delivery under the WIOA principal areas are followed:

1. Job training, to integrate service delivery across the programs and improve efficiency in service delivery.
2. AEL Services in math and literacy are provided.
3. Contextualized instruction in adult education.
4. Assessment, credentials, and MSG will be attained.
5. Ensures that the workforce system is job-driven, matches employer (MAREK) with skills and training for individuals. This promotes a shared understanding of the workforce needs within each of the areas in Harris County.
6. Cultivates development of more comprehensive and integrated approaches, such as career pathways and sector strategies, in addressing the needs of MAREK and AEL participants.
7. Successful implementation of robust relationships across program with MAREK – a local entity.
8. Outline what participants should know and be able to do at the completion of each lesson.
At the completion of each lesson, participants should be able to complete each of the levels of understanding either in literacy and math, contextualized learning or in skills and training to continue onto the next day. Weekly feedback and surveys will be a resource provided for the participant to state dilemmas, confusion, refreshers and misunderstanding of the lessons taught.
9. Provide a description of the demographics of the intended learner and educational level of the AEL participant at program entry that the curriculum supports

The target population is to serve adults, 18 years and above, without a high school diploma, or with a high school diploma currently unemployed and without any job prospects. Targeted population can also have a low-wage job and are seeking to increase their income or upskilling.

Participants can speak any language. Individuals must commit to job training and seeking and finding a job or placement in a postsecondary institution.

10. Include AEL contextualization for the industry content Workplace Essential Skills will be introduced as a course available for participants. Instructors will teach math and language arts within the context of construction and will provide a learning platform utilizing current, real-life workplace settings and video segments. This will show how the academic content applies on the job. Interactive activities and lessons taught will also feature career-specific content as well as a soft skills course.

11. Provide instruction in multiple formats to optimize learning and offer lessons in digestible chunks for the industry sector.

Using the VAK (Visual, Auditory, Kinesthetic) approach as multiple formats will optimize learning and offer lessons in digestible chunks for the construction industry.

Characteristics of Visual Learning Style: Someone with a Visual learning style prefers seen or observed things, including pictures, diagrams, demonstrations, displays, handouts, films, flipchart, etc. These individuals will use phrases such as ‘show me’, ‘let’s have a look at that’ and will be best able to perform a new task after reading the instructions or watching someone else do it first. These are the people who will work from lists and written directions and instructions.

Characteristics of Auditory Learning Style: Someone with an Auditory learning style prefers the transfer of information through listening: to the spoken word, of self or others, of sounds and noises. These people will use phrases such as ‘tell me’, ‘let’s talk it over’ and will be best able to perform a new task after listening to instructions from an expert. These are the people who are happy being given spoken instructions over the telephone and can remember all the words to songs that they hear.

Characteristics Of Kinesthetic Learning Style: Someone with a Kinesthetic learning style prefers physical experience - touching, feeling, holding, doing, practical hands-on experiences. These people will use phrases such as ‘let me try’, ‘how do you feel?’ and will be best able to perform a new task by going ahead and trying it out, learning as they go. These are the people who like to experiment, hands-on, and never look at the instructions first!

For example, basic mathematical operations are a skill required in nearly every workplace. In construction and labor, workers must compare numbers to be sure they are within the acceptable quality range or make cuts to divide cement into smaller sections. Learning basic problem-solving techniques and making sure that you check your work for accuracy are important mathematics workplace skills.

Participants will work with the following workplace math concepts and skills:

- Adding and subtracting numbers
- Multiplying and dividing numbers
- Estimating with lead digits and compatible pairs
- Checking work with a calculator

DIRECT COST CATEGORY BUDGET

TWC Use Only.

This tab is to be completed by the TWC Grant Manager. Use whole dollars only.

Applicable Direct Cost Category Options	Amount
100 Administration	\$0
899 Direct Program	\$0
Total	\$0

Note:

Each TWC Grant Manager is responsible for identifying the relevant direct cost categories for the project based on the RFA project's fit with the direct cost category descriptions provided in applicable TWC WD Letters, AEL Letters, and other TWC issuances. TWC Finance staff set up initial Cash Draw and Expenditure Reporting (CDER) system budgets based on the specified categories. Successful Applicants with whom a grant award is executed (grantees) will use the specified direct cost categories and may also use supplemental cost categories specified in the "Budget Detail Form" to report expenditures to TWC within the CDER system. Grantees will only be able to report in categories for which a budget is established. Direct cost categories relate to external reporting requirements for TWC. Selection of the correct direct cost categories is necessary for accurate external reporting. Inaccurate external reporting can result in audit and other compliance issues for TWC. Grant managers should contact TWC Financial Reporting staff or Fiscal-TA if assistance is needed to identify applicable direct cost categories for the specific RFA project.

Waiver of the Administrative Cost Limitations Request - Grant #06HP000311

In accordance with the Head Start Program Performance Standard 1303.5(2)(b) Limitations on development and administrative cost (2)(b)(1), Harris County Department of Education (HCDE)'s Head Start Division requests a waiver of the 15% administrative cost limitations for grant number 06HP000311 in the September 1, 2021, to August 31, 2022, budget period.

The impact of these events prompted HCDE Head Start to submit a partial waiver for non-federal match. If approved, the reduction will impact HCDE's ability to be fully compliant with the administrative cost below the 15% requirement.

HCDE Head Start continues to address struggles caused by the COVID-19 Pandemic and Winter Storm Uri during the 2021-22 fiscal year. The impact of these events continues to affect the availability of resources in the community for in-kind as our community continues to recover from the effects of the Pandemic, Winter Storm Uri, the high rate of inflation, challenges with construction of facilities and hiring staff for Early Head Start in Humble and Barrett Station. During this fiscal year, HCDE Head Start worked to acquire the maximum amount of in-kind for the budget period but did not meet the goal.

HCDE Head Start will remain focused on meeting the in-kind goals to ensure that the administrative cost remain in the 15% requirement in the future. It is our hope that the COVID-Pandemic will subside, even though it may be a part of the health landscape for the unforeseeable future, restrictions will ease up and will allow us to acquire additional in-kind.

2021-2022 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and **KIPP Texas Public Schools, (“KIPP”)** hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **KIPP** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **KIPP** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **April 14, 2022** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for three (3) unit(s) to eligible student(s) requiring a discipline alternative education placement (referred to herein as “student(s)”) who are residents of **KIPP**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
 - b) HCDE agrees to furnish the **KIPP** with a weekly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **KIPP** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **KIPP**.
3. **KIPP’s Responsibilities.**
 - a) **KIPP** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **KIPP** and HCDE.
 - b) **KIPP** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at Highpoint. **KIPP** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **KIPP** during the term of this Contract. Student Records to be provided by **KIPP** include, but are not limited to, the following: (a) a recommendation letter from the student(s)’s campus or **KIPP** stating explicitly why the student is being referred to Highpoint; (b) the student’s Middle School Plan (for students in grades 6-8) or the student’s Graduation Plan (for students in grades 9-12); (c) the student’s current transcript, including all achievement test records; (d) for special education students, the student’s current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student’s

current year's attendance records. **KIPP** shall provide copies of additional records, including **KIPP** Records, as reasonably requested by HCDE.

- c) **KIPP** retains the responsibility to report **KIPP** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

- 4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **KIPP** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **KIPP** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **KIPP**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **KIPP** is under HCDE's direct control with respect to **KIPP**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **KIPP**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
- 6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
- 7. **Special Education Services.**
 - a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **KIPP** and recommended for services as described herein. The ARD Committee of **KIPP** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **KIPP**. **KIPP** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **KIPP** and the ARD Committee, with HCDE participation. If **KIPP** chooses to make such services available in conjunction with Highpoint, **KIPP** will cooperate with Highpoint to minimize disruption at Highpoint. If **KIPP** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
 - d) **KIPP** agrees to invite an HCDE representative as a non-consensus member to any **KIPP** ARD Committee meeting for **KIPP** student(s) placed at Highpoint pursuant to this Contract.
- 8. Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **KIPP** and are considered students of **KIPP** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **KIPP** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **KIPP** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **KIPP** student placed at HCDE, **KIPP** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **KIPP** student and is in no way liable to the student, parent, or **KIPP** under the IDEA, Section 504, or other applicable law.
- 9. Monitoring Student Progress.** HCDE will update **KIPP** on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **KIPP** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
- 10. Invoices and Payment.** In consideration of the services provided herein, **KIPP** agrees to pay HCDE an in-county fee prorated amount of **\$7,536.75** and any additional fees in the following manner:
- i. **\$2,512.25 prorated amount** times the number of units purchased. **KIPP** will be billed upon finalized agreement and payment will be due upon receipt of invoice.
 - ii. **\$75.00** special education surcharge times the number of enrollment days for Special Education student(s).
 - iii. **\$115.00** per diem times the number of student(s) in attendance over the number of units purchased **(3)**.
- a) HCDE will bill **KIPP** for the amount of units purchased. Payment will be due within 30 days of the date of **KIPP**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **KIPP** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
 - b) In the event that **KIPP** makes a payment to HCDE with a credit card, **KIPP** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **KIPP** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **KIPP**.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. Payment by Student(s) and Parents. The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. KIPP Liaison. **KIPP** shall appoint a qualified liaison to communicate on behalf of **KIPP** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Highpoint School East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **KIPP** liaison shall make best efforts to assist Highpoint School East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **KIPP** employees and student(s)'s parents/guardians, as necessary.

13. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **KIPP**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **KIPP** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint School East at the time of termination or expiration of this Contract will return to **KIPP**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **KIPP** within ten (10) business days following the date of termination or expiration, at the written request of **KIPP**.

14. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **KIPP** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Highpoint School East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Houston ISD (“HISD”) is required to comply with House Bill 1295, which amended the Texas Government Code by adding Section 2252.908, Disclosure of Interested Parties. Section 2252.908 prohibits HISD from entering into a contract resulting from this RFP with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to HISD at the time business entity submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Texas Ethics Commission.

“Interested Party” means a person:

- a) who has a controlling interest in a business entity with whom HISD contracts; or
- b) who actively participates in facilitating the contract or negotiating the terms of the contract, including a broker, intermediary, adviser, or attorney for the business entity.

“Business Entity” means an entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation.

As a “business entity,” all vendors must electronically complete, print, sign, notarize, and submit Form 1295 with their proposals even if no interested parties exist.

Proposers must file Form 1295 electronically with the Texas Ethics Commission using the online filing application, which can be found at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. Proposers must use the filing application on the Texas Ethics Commission’s website to enter the required information on Form 1295. Proposers must print a copy of the completed form, which will include a certification of filing containing a unique certification number. The Form 1295 must be signed by an authorized agent of the business entity, and the form must be notarized.

The completed Form 1295 with the certification of filing must be filed with HISD by attaching the completed form to the vendor’s solicitation response.

HISD must acknowledge the receipt of the filed Form 1295 by notifying the Texas Ethics Commission of the receipt of the filed Form 1295 no later than the 30th day after the date the contract binds all parties to the contract. After HISD acknowledges the Form 1295, the Texas Ethics Commission will post the completed Form 1295 to its website with seven business days after receiving notice from HISD.

Subject: Signed contracts needed for TEA submission

Good afternoon,

It was a pleasure talking with you.
It is my job to make submissions to the Texas Education Agency.
I have not received the signed contracts for ABS EAST and ABS WEST.

The deadline for submission of all ARDS and Contracts to the Texas Education Agency is October 1. I need the signed contracts as soon as possible so that I can prepare for submission. I must submit the contract for every student on an individual basis in the database.

Please reference the Nonpublic Notification and Application Checklist.
I must identify the page numbers where the required items are documented. I must highlight the location of the documentation in every ARD. I must identify the page number in every contract where the required items

are documented.

Please call me on my cell phone at 281-989-0784 if you have any questions.

I appreciate your help with this project!

Thank you.

Provider shall send or ensure that the employee or applicant sends to the Texas Department of Public Safety ("DPS") information that is required by the DPS for obtaining national criminal history record information, which may include fingerprints and photographs. WARNING: Section 44.034 of the Texas Education Code requires that a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony.

The District may terminate this Contract if the district determines that the person or business entity failed to comply with any of these provisions, failed to give notice as required by Section 44.034 (a) or misrepresented the conduct resulting in the conviction. The District will compensate the person or business entity for undisputed services performed before the termination of the contract.

Contracting information includes, but is not limited to, records, communications and other documents related to the bid process, contract, payments, receipts, scope of work/services, and performance.”

XXI. BUSINESS ETHICS

During the course of pursuing contracts, and the course of contract performance, Provider will maintain business ethics standards aimed at avoiding real or apparent impropriety or conflicts of interest. No substantial gifts, entertainment, payments, loans or other considerations beyond that which would be collectively categorized as incidental shall be made to any employees or officials of HISD, its authorized agents and representatives, or to family members of any of them. At any time Provider believes there may have been a violation of this obligation, Provider shall notify HISD of the possible violation. HISD is entitled to request a representation letter from Provider, its subcontractors or vendors at any time to disclose all things of value passing from Provider, its subcontractors or vendors to HISD’s personnel or its authorized agents and representatives.

Subject: Signed contracts needed for TEA submission

Good afternoon,

It was a pleasure talking with you.
It is my job to make submissions to the Texas Education Agency.
I have not received the signed contracts for ABS EAST and ABS WEST.

The deadline for submission of all ARDS and Contracts to the Texas Education Agency is October 1.
I need the signed contracts as soon as possible so that I can prepare for submission.
I must submit the contract for every student on an individual basis in the database.

Please reference the Nonpublic Notification and Application Checklist.
I must identify the page numbers where the required items are documented. I must highlight the location
of the documentation in every ARD. I must identify the page number in every contract where the required items

are documented.

Please call me on my cell phone at 281-989-0784 if you have any questions.

I appreciate your help with this project!

Thank you.

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and Humble ISD, ("HISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from HISD for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which HISD Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 23, 2021** through **June 3, 2022**. During said term, HCDE agrees to provide services described herein for **eighteen (18)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **HISD**.
2. **HCDE Responsibilities.**

HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
 - b) HCDE agrees to furnish the **HISD** with a weekly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **HISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **HISD**.
3. **HISD's Responsibilities.**
 - a) **HISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **HISD** and HCDE.
 - b) **HISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Highpoint. **HISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **HISD** during the term of this Contract. Student Records to be provided by **HISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **HISD** stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's

current year's attendance records. **HISD** shall provide copies of additional records, including **HISD** Records, as reasonably requested by **HCDE**.

- c) **HISD** retains the responsibility to report **HISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). **HCDE** and **HISD** expressly agree that: (1) the services/functions to be provided by **HCDE** are services/functions for which **HISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **HISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **HISD** is under **HCDE**'s direct control with respect to **HISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by **HCDE**; (4) **HCDE** is under **HISD**'s direct control with respect to **HCDE**'s access to, use of, and disclosure of Student Records as gathered and maintained by **HCDE**; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). The ARD Committee of **HISD** has affirmed the classification and approved the recommendation of such contracted services. An **HCDE** representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and **HCDE** must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **HISD**. **HISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **HISD** and the ARD Committee, with HCDE participation. If **HISD** chooses to make such services available in conjunction with Highpoint, **HISD** will cooperate with Highpoint to minimize disruption at Highpoint. **Interlocal Agreement between
Harris County Department of Education
& Beaumont Independent School District (BISD)**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Beaumont Independent School District (BISD), a public school district ("District"), located in Beaumont, Texas 77706, for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas, including safety and security services through its Center for Safe and Secure Schools ("CSSS"). Both HCDE and the District desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date on which all Parties have executed this Agreement ("Effective Date") and shall end on June 30, 2023, unless earlier terminated in accordance with Article 10 herein.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.** A. **HCDE agrees to:**
 - Provide services of staff members and/or consultants of the CSSS for the purpose of providing safety and security services that will be considered by the Superintendent and Board of Trustees of the District to determine possible changes in equipment, systems, services, training, and procedures for the District.
 - Conduct Safety and Security Audits ("Audits") of the District's facilities as listed in Exhibit A, Scope of Work. The scope of each Audit shall include the services as set forth in Exhibit A.
 - Provide Audit Final Reports and draft reports containing Audit findings, recommendations, and commendations in accordance with Exhibit A.B. **The District agrees to:**
 - Select District facilities in which to conduct Audits and provide the list of facilities in Exhibit A.
 - Provide data, access to District facilities, and any other information requested by HCDE needed to conduct the Audits in accordance with the terms of this Agreement, as determined by HCDE.

4. **As is.** HCDE makes this Agreement available to HCDE participating entities “as is” and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of the District.
5. **Fees.** The total fee for Audits provided in accordance with Exhibit A is \$49,530.00. The fees included in this Agreement are based on services to address general requirements and the efficient delivery of services. Additional specifications, schedule changes, and/or facilities requested by the District may incur additional fees, as determined by HCDE. HCDE shall provide written notice of any such increase in fees, and the Parties shall set forth the addition of such fees in writing as an addendum to this Agreement.
6. **Payments.** The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. **Invoices.** HCDE will invoice the District as services are completed for each phase of the project as follows:

Phase 1 – Fall 2022	\$26,353.00
Phase 2 – Spring 2023	\$23,177.00

The District agrees to remit payment to HCDE within thirty (30) days after the date the District receives an invoice for the services. If the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. **Compliance with Laws.** Each Party is responsible for complying with applicable laws and regulations relating to this Agreement.
9. **Confidentiality:** To the extent allowable by law, HCDE agrees to maintain the confidentiality of all records to which it has access while performing Audits pursuant to this Agreement. Unless disclosure is required by applicable law, HCDE further agrees that all findings and reports created by HCDE under this Agreement are confidential and shall not be disclosed to anyone other than District officials without the written approval of the District.
10. **Termination.** This Agreement may be terminated prior to the expiration of the Term hereof as follows:
 - By either Party, with or without cause, upon thirty (30) days’ prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

In the event of termination of this Agreement, the District shall be responsible for compensating HCDE for services provided by HCDE up to the effective date of termination and shall be paid within thirty (30) days of the effective date of termination.

11. **Assignment.** Neither this Agreement nor any duties or obligations under this Agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. **Conflict of Interest.** During the Term of HCDE's service to the District, the District, its personnel and agents, shall not, directly or indirectly, whether for the District's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. **Contract Amendment.** This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. **Relation of Parties.** It is the intention of the parties that the District is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and the District or HCDE and any of the District's representatives.
16. **Non-Exclusivity of Services.** Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide the District with programs or services. During the Term of this Agreement, the District reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.
17. **Disclaimer.** HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

HCDE is not a regulatory agency and interprets regulations as a regulated political subdivision. Audits performed in accordance with this Agreement are limited to the data, information, and access provided by the District to HCDE, and HCDE does not warrant that Audits conducted hereunder will uncover every security concern, area of needed improvement, or any other category of information examined by HCDE. Audits conducted by HCDE are intended as one source, among other sources, for use by the District in determining the safety and security of its facilities. Successful completion of Audits under this Agreement will support partial satisfaction of the District's compliance with current statutory requirements as set forth in Texas Senate Bill 11 in September 2011.

18. **Limitation of Liability.** Without waiver of the Disclaimer in Article 16 of this Agreement, the Parties agree that:
- Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. **Severability.** In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. **Governing Law and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas, and the Parties hereby submit to the exclusive jurisdiction of said courts.
21. **No Waiver.** Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. **Benefit for Signatory Parties Only.** Neither this Agreement, nor any term or provisions hereof, nor any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. **Authorization.** Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.
24. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

In witness whereof, HCDE and the District have executed this Agreement to be effective on the date specified in Article 1. Term above:

ACADEMIC BEHAVIOR SCHOOL (ABS) WEST**

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Lamar Consolidated Independent School District**, ("LCISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the **LCISD** and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 22, 2022** through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for **one (1) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **LCISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS West in accordance with applicable law and during the days and times set forth by ABS West. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the **LCISD** with a monthly statement of student(s) attendance. HCDE agrees to furnish **LCISD** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **LCISD**.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **LCISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **LCISD**.
3. **LCISD's Responsibilities.**
 - a) **LCISD** is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **LCISD** and HCDE.
 - b) **LCISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS West. **LCISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **LCISD** during the term of this Contract. **LCISD** shall provide copies of additional records, including **LCISD** Records, as reasonably requested by HCDE.
 - c) **LCISD** retains the responsibility to report **LCISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**
For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

“sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA’s limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and LCISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which LCISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in LCISD’s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) LCISD is under HCDE’s direct control with respect to LCISD’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under LCISD’s direct control with respect to HCDE’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

The ARD Committee of LCISD has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the LCISD ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the LCISD on the implementation of the IEP at least once per semester. A member of the LCISD special education personnel will monitor, assess and evaluate the student(s)’s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS West.
- d) LCISD agrees to invite an HCDE representative as a non-consensus member to any LCISD ARD Committee meeting for LCISD student(s) placed at ABS West pursuant to this Contract.
- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in LCISD and are considered students of LCISD for all purposes. ISD remains the Local Education Agency (“LEA”), as that term is defined by the IDEA, and the “Recipient” as that term is defined by Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and solely retains the obligation to provide and to ensure that

any eligible **LCISD** student is provided a free appropriate public education (“FAPE”) while receiving services from HCDE. **LCISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **LCISD** student placed at HCDE, **LCISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **LCISD** student and is in no way liable to the student, parent, or **LCISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **LCISD** agrees to pay HCDE a total amount of **\$25,050**. Total amount is calculated by multiplying the number of units times the annual out of-county tuition rate (**\$25,050**).

HCDE will invoice **LCISD** and payment will be due immediately upon receipt of invoice. **LCISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2022**

 - 100% of ESY total amount due will be invoiced in **July 2023**.
- a) In the event that **LCISD** makes a payment to HCDE with a credit card, **LCISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- b) **LCISD** may sell unused units to another district upon obtaining HCDE’s prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from **LCISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **LCISD Liaison.** **LCISD** shall appoint a qualified liaison to communicate on behalf of **LCISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)’s educational and disciplinary records; ABS West programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **LCISD** liaison shall make best efforts to assist ABS West representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **LCISD** employees and student(s)’s parents/guardians, as necessary.

11. **Termination.**

All Student Records maintained by HCDE during the duration of providing services to the

student will be provided to **LCISD** within ten (10) business days following the date of termination or expiration, at the written request of **LCISD** .

12. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **LCISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS West, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

14. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.

HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
- b) HCDE agrees to furnish the **KIPP** with a monthly statement of student(s) attendance. HCDE agrees to furnish **KIPP** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **KIPP**.
- c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
- d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **KIPP** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **KIPP**.

3. KIPP’s Responsibilities.

- a) **KIPP** is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **KIPP** and HCDE.
- b) **KIPP** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at ABS West. **KIPP** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **KIPP** during the term of this Contract. **KIPP** shall provide copies of additional records, including **KIPP** Records, as reasonably requested by HCDE.
- c) **KIPP** retains the responsibility to report **KIPP** student(s)’s average daily attendance and other required information through the Public Education Information Management System (“PEIMS”).

4. Student Records; Confidentiality.

For purposes of this Contract, “Student Records” shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including “personally identifiable information” and student “education records” as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended (“FERPA”); “personal information” as that term is defined in the Children’s Online Privacy Protection Act of 1998 (“COPPA”); “personal information” as that term is defined in the Protection of Pupil Rights Amendment (“PPRA”); “personally identifiable information” as that term is defined in the Individuals with Disabilities Education Act, as amended (“IDEA”); “protected health information” as that term is defined in the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”); and “personal identifying information” and “sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **KIPP** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **KIPP** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **KIPP's** annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **KIPP** is under HCDE's direct control with respect to **KIPP's** access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **KIPP's** direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

 - b) HCDE agrees to furnish the **SISD** with a monthly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.

3. **SISD's Responsibilities.**
 - a) **SISD** is responsible for providing transportation for the student(s) to and from ABS EAST. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **SISD** and HCDE.

 - c) **SISD** retains the responsibility to report **SISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **SISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **SISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **SISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **SISD** is under HCDE's direct control with respect to **SISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **SISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 8. Invoices and Payment.** In consideration of the services provided herein, **SISD** agrees to pay HCDE a total amount of **\$75,150**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**\$25,050**).

- b) **SISD** may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and CCISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which CCISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in CCISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) CCISD is under HCDE's direct control with respect to CCISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under CCISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). 23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Sheldon ISD, ("SISD")** hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **SISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **SISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 22, 2022, through June 5, 2023**. During said term, HCDE agrees to provide services described herein for **nineteen (19)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **SISD**.
2. **HCDE Responsibilities.**

Student Records to be provided by **SISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **SISD** stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's

current year's attendance records. **SISD** shall provide copies of additional records, including **SISD** Records, as reasonably requested by HCDE.

- c) **SISD** retains the responsibility to report **SISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
- 4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **SISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **SISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **SISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **SISD** is under HCDE's direct control with respect to **SISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **SISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

If **SISD** chooses to make such services available in conjunction with Highpoint, **SISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **SISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.

8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **SISD** and are considered students of **SISD** for all purposes. **SISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **SISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **SISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **SISD** student placed at HCDE, **SISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **SISD** student and is in no way liable to the student, parent, or **SISD** under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update **SISD** on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **SISD** the amount of any pre-paid fees for any period following the effective date of such termination.
 - b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
 - c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint School East at the time of termination or expiration of this Contract will return to **SISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **SISD** within ten (10) business days following the date of termination or expiration, at the written request of **SISD**.
- 14. INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES HIGHPOINT SCHOOL (HS) EAST

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and **La Porte ISD**, (“**LPISD**”) hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **LPISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **LPISD** Student Code of Conduct requires a discipline alternative education placement.

1. **Term.** This Contract is for the term of **August 22, 2022** through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for six (6) units to eligible student(s) requiring a discipline alternative education placement (referred to herein as “student(s)”) who are residents of **LPISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at Highpoint in accordance with applicable law and during the days and times set forth by Highpoint. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
 - b) HCDE agrees to furnish the **LPISD** with a weekly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **LPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **LPISD**.
3. **LPISD’s Responsibilities.**
 - a) **LPISD** is responsible for providing transportation for the student(s) to and from Highpoint. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **LPISD** and HCDE.
 - b) **LPISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at Highpoint. **LPISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **LPISD** during the term of this Contract. Student Records to be provided by **LPISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)’s campus or **LPISD** stating explicitly why the student is being referred to Highpoint; (b) the student’s Middle School Plan (for students in grades 6-8) or the student’s Graduation Plan (for students in grades 9-12); (c) the student’s current transcript, including all achievement test records; (d) for special education students, the student’s current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student’s

current year's attendance records. **LPISD** shall provide copies of additional records, including **LPISD** Records, as reasonably requested by HCDE.

- c) **LPISD** retains the responsibility to report **LPISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

- 4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **LPISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **LPISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **LPISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **LPISD** is under HCDE's direct control with respect to **LPISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **LPISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
- 6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
- 7. **Special Education Services.**
 - a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **LPISD** and recommended for services as described herein. The ARD Committee of **LPISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **LPISD**. **LPISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **LPISD** and the ARD Committee, with HCDE participation. If **LPISD** chooses to make such services available in conjunction with Highpoint, **LPISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **LPISD** requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
 - d) **LPISD** agrees to invite an HCDE representative as a non-consensus member to any **LPISD** ARD Committee meeting for **LPISD** student(s) placed at Highpoint pursuant to this Contract.
- 8. Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **LPISD** and are considered students of **LPISD** for all purposes. **ISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **LPISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **LPISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **LPISD** student placed at HCDE, **LPISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **LPISD** student and is in no way liable to the student, parent, or **LPISD** under the IDEA, Section 504, or other applicable law.
- 9. Monitoring Student Progress.** HCDE will update **LPISD** on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **LPISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
- 10. Invoices and Payment.** In consideration of the services provided herein, **LPISD** agrees to pay HCDE an in-county fee of **\$62,100** and any additional fees in the following manner:
- i. **\$10,350** times the number of units purchased. **LPISD** will be billed twice a year and payment will be due upon receipt of invoice.
 - ii. **\$75.00** special education surcharge times the number of enrollment days for Special Education student(s).
 - iii. **\$127.00** per diem times the number of student(s) in attendance over the number of units purchased (**6**).
- a) HCDE will bill **LPISD** for the amount of units purchased. Payment will be due within 30 days of the date of **LPISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **LPISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
 - b) In the event that **LPISD** makes a payment to HCDE with a credit card, **LPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **LPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **LPISD**.
- d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.

11. Payment by Student(s) and Parents. The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.

12. LPISD Liaison. **LPISD** shall appoint a qualified liaison to communicate on behalf of **LPISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Highpoint School East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **LPISD** liaison shall make best efforts to assist Highpoint School East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **LPISD** employees and student(s)'s parents/guardians, as necessary.

13. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **LPISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **LPISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Highpoint School East at the time of termination or expiration of this Contract will return to **LPISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **LPISD** within ten (10) business days following the date of termination or expiration, at the written request of **LPISD**.

14. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **LPISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Highpoint School East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. current year's attendance records. CVISD shall provide copies of additional records, including CVISD Records, as reasonably requested by HCDE.

- c) CVISD retains the responsibility to report CVISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and CVISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which CVISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in CVISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) CVISD is under HCDE's direct control with respect to CVISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under CVISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
7. **Special Education Services.**
- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within CVISD and recommended for services as described herein. The ARD Committee of CVISD has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement at Highpoint.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by CVISD. CVISD may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of CVISD and the ARD Committee, with HCDE participation. If CVISD chooses to make such services available in conjunction with Highpoint, CVISD will cooperate with Highpoint to minimize disruption at Highpoint. If CVISD requires the student(s) to leave Highpoint during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from Highpoint.
 - d) CVISD agrees to invite an HCDE representative as a non-consensus member to any CVISD ARD Committee meeting for CVISD student(s) placed at Highpoint pursuant to this Contract.
8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in CVISD and are considered students of CVISD for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible CVISD student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. CVISD retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an CVISD student placed at HCDE, CVISD recognizes and acknowledges that HCDE is not the LEA or Recipient for the CVISD student and is in no way liable to the student, parent, or CVISD under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update CVISD on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the CVISD administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. **Invoices and Payment.** In consideration of the services provided herein, CVISD agrees to pay HCDE an in-county fee of \$517,500 for the fifty (50) already-reserved units and any additional fees in the following manner:
- i. \$10,350 times the number of additional units purchased. CVISD will be billed twice a year and payment will be due upon receipt of invoice.
 - ii. \$75.00 special education surcharge times the number of enrollment days for Special Education student(s).
 - iii. \$127.00 per diem times the number of student(s) in attendance over the number of units purchased (50).
- a) HCDE will bill CVISD for the amount of units purchased. Payment will be due within 30 days of the date of CVISD's receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. CVISD may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
 - b) In the event that CVISD makes a payment to HCDE with a credit card, CVISD agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE,

- including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- c) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from CVISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by CVISD.
 - d) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- 11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Highpoint shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.
- 12. CVISD Liaison.** CVISD shall appoint a qualified liaison to communicate on behalf of CVISD with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The CVISD liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with CVISD employees and student(s)'s parents/guardians, as necessary.
- 13. Termination.**
- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to CVISD. If HCDE exercises such termination right, HCDE shall have no obligation to refund to CVISD the amount of any pre-paid fees for any period following the effective date of such termination.
 - b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
 - c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to CVISD. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to CVISD within ten (10) business days following the date of termination or expiration, at the written request of CVISD.
- 14. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. CVISD agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.
- 15. Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
- 16. Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

17. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
18. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
19. **Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
20. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. CVISD assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. CVISD agrees that HCDE has no responsibility for any conduct of CVISD or CVISD's employees, agents, representatives, contractors, or subcontractors.
21. **Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.
22. **Force Majeure.** Neither HCDE nor CVISD shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
23. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.

24. Contract Interpretation. The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.

25. Captions. The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.

26. Entire Agreement. **INTERLOCAL AGREEMENT FOR EDUCATIONAL SERVICES
FORTIS ACADEMY (RECOVERY HIGH SCHOOL)**

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Sheldon Independent School District**, ("SISD") (individually a "Party" and collectively "Parties") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for SISD's student(s) at HCDE's Fortis Academy.

BACKGROUND

HCDE is a political subdivision of the State of Texas and operates Fortis Academy, a specialized public recovery high school with the intent to help students who have completed a substance abuse or dependency rehabilitation program continue their high school education in a sober environment.

SISD is a public, independent school district in the State of Texas providing educational services to students within SISD's boundaries. SISD has determined that placement at HCDE's Fortis Academy is appropriate for certain student(s) who are residents of the SISD. As such, both HCDE and SISD desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **August 22, 2022**, through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for one (1) unit(s) to eligible student(s) who SISD has determined may benefit from placement at HCDE's Fortis Academy (referred to herein as "student(s)") who are residents of the SISD. Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties' Boards of Trustees, the term shall extend from year to year automatically, unless any Party provides thirty (30) days advance written notice of intent not to renew the Contract.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, SISD may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
 - b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
 - c) HCDE agrees to furnish the SISD with a weekly statement of student(s)'s attendance.
 - d) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, including to the students' drop-off points after alternative peer group sessions, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.

3. SISD's Responsibilities.

- a) **SISD** is responsible for providing transportation for the student(s) to and from Fortis Academy. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **SISD** and HCDE.
- b) **SISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **SISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **SISD** during the term of this Contract. Student Records to be provided by **SISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **SISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **SISD** shall provide copies of additional records, including **SISD** Records, as reasonably requested by HCDE.
- c) **SISD** retains the responsibility to report **SISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

- 4. Student Records; Confidentiality.** For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **SISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **SISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **SISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **SISD** is under HCDE's direct control with respect to **SISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **SISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 5. Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

- 6. Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
- 7. Special Education Services.**
- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **SISD** and recommended for services as described herein. The ARD Committee of **SISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.
 - b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **SISD**. **SISD** may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of **SISD** and the ARD Committee, with HCDE participation. If **SISD** chooses to make such services available in conjunction with Fortis Academy, **SISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If **SISD** requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.
 - d) **SISD** agrees to invite an HCDE representative as a non-consensus member to any **SISD** ARD Committee meeting for **SISD** student(s) placed at Fortis Academy pursuant to this Contract.
- 8. Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **SISD** and are considered students of **SISD** for all purposes. **SISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **SISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **SISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **SISD** student placed at HCDE, **SISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **SISD** student and is in no way liable to the student, parent, or **SISD** under the IDEA, Section 504, or other applicable law.
- 9. Monitoring Student Progress.** HCDE will update **SISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and **SISD**, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **SISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
- 10. Invoices and Payment.**

 - i) **\$6,250** times the number of units purchased.
 - ii) **\$6,875** times the number of Special Education units purchased.

- b) HCDE will bill **SISD** for the amount of units purchased. **SISD** will be billed twice a year, and payment will be due within 30 days of the date of **SISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **SISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
 - c) In the event that **SISD** makes a payment to HCDE with a credit card, **SISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
 - d) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **SISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **SISD**.
 - e) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- 11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Fortis Academy shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.
- 12. Eligibility and Placement of Student(s).** HCDE, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **SISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after HCDE confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in HCDE's sole discretion, or withdrawal by the student. HCDE reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **SISD**, the district of enrollment. Upon such request from HCDE regarding a student eligible for special education services, **SISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.
- 13. Compliance with HCDE Policies, Procedures, and Rules.** The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all HCDE policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.
- 14. SISD Liaison.** **SISD** shall appoint a qualified liaison to communicate on behalf of **SISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **SISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **SISD** employees and student(s)'s parents/guardians, as necessary.
- 15. Termination.**
- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **SISD**. HCDE and **SISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30)

calendar days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **SISD** the amount of any pre-paid fees for any period.

- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **SISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **SISD** within ten (10) business days following the date of termination or expiration, at the written request of **SISD**.

16. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **SISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

17. Assignment. Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and CISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which CISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in CISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) CISD is under HCDE's direct control with respect to CISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under CISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

- 5. **Immunity.** Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.
- 6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
- 7. **Special Education Services.**
 - a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within CISD and recommended for services as described herein. The ARD Committee of CISD has affirmed the

classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.

- b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by CISD. CISD may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of CISD and the ARD Committee, with HCDE participation. If CISD chooses to make such services available in conjunction with Fortis Academy, CISD will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If CISD requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.
 - d) CISD agrees to invite an HCDE representative as a non-consensus member to any CISD ARD Committee meeting for CISD student(s) placed at Fortis Academy pursuant to this Contract.
8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in CISD and are considered students of CISD for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible CISD student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. CISD retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an CISD student placed at HCDE, CISD recognizes and acknowledges that HCDE is not the LEA or Recipient for the CISD student and is in no way liable to the student, parent, or CISD under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update CISD on the progress of the referred student(s) at least once per semester, in a manner determined to be appropriate by HCDE, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the CISD administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. **Invoices and Payment.**
- a) In consideration of the services provided herein, CISD agrees to pay HCDE an in-county fee of \$18,750 and any additional fees in the following manner:
 - i) \$6,250 times the number of units purchased;
 - ii) \$6,875 times the number of Special Education units purchased
 - b) HCDE will bill CISD for the amount of units purchased. CISD will be billed twice a year, and payment will be due within 30 days of the date of CISD's receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. CISD may sell unused units to another independent school district upon obtaining HCDE's prior written consent.

- c) In the event that **CISD** makes a payment to **HCDE** with a credit card, **CISD** agrees to pay to **HCDE** a surcharge fee consisting of any applicable credit card fees and costs borne by **HCDE**, including, without limitation, the processing fee(s) charged to **HCDE** by the credit card company(ies).
 - d) **HCDE** agrees to maintain records and accounts to the extent necessary to assure that funds received from **CISD** have been expended for the services described herein. **HCDE** agrees to provide these records and other information as may be requested and required by **CISD**.
 - e) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- 11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Fortis Academy shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.
- 12. Eligibility and Placement of Student(s).** **HCDE**, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **CISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after **HCDE** confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in **HCDE**'s sole discretion, or withdrawal by the student. **HCDE** reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **CISD**, the district of enrollment. Upon such request from **HCDE** regarding a student eligible for special education services, **CISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.
- 13. Compliance with HCDE Policies, Procedures, and Rules.** The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all **HCDE** policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.
- 14. CISD Liaison.** **CISD** shall appoint a qualified liaison to communicate on behalf of **CISD** with **HCDE** representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **CISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **CISD** employees and student(s)'s parents/guardians, as necessary.
- 15. Termination.**
- a) **HCDE** shall have the right to terminate this Contract for cause, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **CISD**. If **HCDE** exercises such termination right, **HCDE** shall have no obligation to refund to **CISD** the amount of any pre-paid fees for any period following the effective date of such termination.
 - b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
 - c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **CISD**. All Student Records maintained by **HCDE** during the duration of providing services to the student will be

provided to CISD within ten (10) business days following the date of termination or expiration, at the written request of CISD.

- 16. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. CISD agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.
- 17. Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
- 18. Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

- 19. Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
- 20. Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.

Neither Party has the authority to bind the other or to incur any obligation on its behalf. CISD assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. 24. **Force Majeure.** Neither HCDE nor CISD shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
25. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
26. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
27. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
28. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and CISD.

INTERLOCAL AGREEMENT FOR EDUCATIONAL SERVICES FORTIS ACADEMY (RECOVERY HIGH SCHOOL)

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Barbers Hill Independent School District**, ("BHISD") (individually a "Party" and collectively "Parties") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for BHISD's student(s) at HCDE's Fortis Academy.

BACKGROUND

HCDE is a political subdivision of the State of Texas and operates Fortis Academy, a specialized public recovery high school with the intent to help students who have completed a substance abuse or dependency rehabilitation program continue their high school education in a sober environment.

BHISD is a public, independent school district in the State of Texas providing educational services to students within **BHISD**'s boundaries. **BHISD** has determined that placement at HCDE's Fortis Academy is appropriate for certain student(s) who are residents of the **BHISD**. As such, both HCDE and **BHISD** desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **August 22, 2022** through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for three (3) unit(s) to eligible student(s) who **BHISD** has determined may benefit from placement at HCDE's Fortis Academy (referred to herein as "student(s)") who are residents of the **BHISD**. Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties' Boards of Trustees, the term shall extend from year to year automatically, unless any Party provides thirty (30) days advance written notice of intent not to renew the Contract.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, BHISD may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
 - b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
 - c) HCDE agrees to furnish the **BHISD** with a weekly statement of student(s)'s attendance.
 - d) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, including to the students' drop-off points after alternative peer group sessions, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.

3. BHISD's Responsibilities.

- a) **BHISD** is responsible for providing transportation for the student(s) to and from Fortis Academy. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **BHISD** and HCDE.
- b) **BHISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **BHISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **BHISD** during the term of this Contract. Student Records to be provided by **BHISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **BHISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **BHISD** shall provide copies of additional records, including **BHISD** Records, as reasonably requested by HCDE.
- c) **BHISD** retains the responsibility to report **BHISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. Student Records; Confidentiality. For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **BHISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **BHISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **BHISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **BHISD** is under HCDE's direct control with respect to **BHISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **BHISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity. Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). If **BHISD** chooses to make such services available in conjunction with Fortis Academy, **BHISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **BHISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **BHISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **BHISD** student placed at HCDE, **BHISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **BHISD** student and is in no way liable to the student, parent, or **BHISD** under the IDEA, Section 504, or other applicable law.

INTERLOCAL AGREEMENT FOR EDUCATIONAL SERVICES FORTIS ACADEMY (RECOVERY HIGH SCHOOL)

2022 - 2023 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Barbers Hill Independent School District**, ("BHISD") (individually a "Party" and collectively "Parties") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for BHISD's student(s) at HCDE's Fortis Academy.

BACKGROUND

HCDE is a political subdivision of the State of Texas and operates Fortis Academy, a specialized public recovery high school with the intent to help students who have completed a substance abuse or dependency rehabilitation program continue their high school education in a sober environment.

BHISD is a public, independent school district in the State of Texas providing educational services to students within **BHISD**'s boundaries. **BHISD** has determined that placement at HCDE's Fortis Academy is appropriate for certain student(s) who are residents of the **BHISD**. As such, both HCDE and **BHISD** desire to set forth in writing the conditions of their agreement.

CONTRACT

1. **Term.** This Contract is for the term of **August 22, 2022** through **June 5, 2023**. During said term, HCDE agrees to provide services described herein for three (3) unit(s) to eligible student(s) who **BHISD** has determined may benefit from placement at HCDE's Fortis Academy (referred to herein as "student(s)") who are residents of the **BHISD**. Except as otherwise specified in this Contract, and subject to applicable law and any necessary approval by Parties' Boards of Trustees, the term shall extend from year to year automatically, unless any Party provides thirty (30) days advance written notice of intent not to renew the Contract.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide facilities and certified/licensed personnel necessary to provide educational and therapeutic services to the student(s) placed at Fortis Academy in accordance with applicable law and during the days and times set forth by Fortis Academy. During the period of this Contract, if HCDE fails to provide the necessary facilities and/or certified/licensed personnel, BHISD may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary facilities and/or properly certified/licensed personnel are unavailable.
 - b) HCDE agrees that all services provided by HCDE hereunder shall be provided by licensed providers of mental health and/or substance abuse when required by applicable law. HCDE may perform the services contracted for herein by using its own employees or independent contractors.
 - c) HCDE agrees to furnish the **BHISD** with a weekly statement of student(s)'s attendance.
 - d) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, including to the students' drop-off points after alternative peer group sessions, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.

3. BHISD's Responsibilities.

- a) **BHISD** is responsible for providing transportation for the student(s) to and from Fortis Academy. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **BHISD** and HCDE.
- b) **BHISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at Fortis Academy. **BHISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **BHISD** during the term of this Contract. Student Records to be provided by **BHISD** include, but are not limited to, the following: (a) a recommendation letter from the student(s)'s campus or **BHISD** stating explicitly why the student is being referred to Fortis Academy; (b) the student's Middle School Plan (for students in grades 6-8) or the student's Graduation Plan (for students in grades 9-12); (c) the student's current transcript, including all achievement test records; (d) for special education students, the student's current IEP, in accordance with Article 7 this Contract; (e) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (f) the student's current year's attendance records. **BHISD** shall provide copies of additional records, including **BHISD** Records, as reasonably requested by HCDE.
- c) **BHISD** retains the responsibility to report **BHISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. Student Records; Confidentiality. For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **BHISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **BHISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **BHISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **BHISD** is under HCDE's direct control with respect to **BHISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **BHISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity. Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. **Collaboration.** Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.
7. **Special Education Services.**
- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **BHISD** and recommended for services as described herein. The ARD Committee of **BHISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering the special education student(s)'s placement, and HCDE must confirm in writing the student's eligibility for the program prior to the ARD Committee's consideration of placement in the Fortis Academy Program.
 - b) HCDE is responsible for providing educational and support services to special education student(s) in the same manner those services are provided to non-disabled students. Any and all additional services and funding required to implement the student's Individualized Education Program (IEP) and/or 504 plan are to be provided by **BHISD**. **BHISD** may make such services available in conjunction with Fortis Academy or at a separate time and location, at the discretion of **BHISD** and the ARD Committee, with HCDE participation. If **BHISD** chooses to make such services available in conjunction with Fortis Academy, **BHISD** will cooperate with Fortis Academy to minimize disruption at Fortis Academy. If **BHISD** requires the student(s) to leave Fortis Academy during the school day, the IEP must include transportation as a related service.
 - c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Fortis Academy program.
 - d) **BHISD** agrees to invite an HCDE representative as a non-consensus member to any **BHISD** ARD Committee meeting for **BHISD** student(s) placed at Fortis Academy pursuant to this Contract.
8. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **BHISD** and are considered students of **BHISD** for all purposes. ISD remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **BHISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **BHISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **BHISD** student placed at HCDE, **BHISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **BHISD** student and is in no way liable to the student, parent, or **BHISD** under the IDEA, Section 504, or other applicable law.
9. **Monitoring Student Progress.** HCDE will update **BHISD** on the progress of the referred student(s) at least once per semester, in a manner agreeable by HCDE and **BHISD**, including, but not limited to, a grade report, summary of any formal disciplinary action, and summary of attendance. A member of the **BHISD** administrative staff will monitor, assess, and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. **Invoices and Payment.**
- a) In consideration of the services provided herein, **BHISD** agrees to pay HCDE an out of county fee of **\$20,625** and any additional fees in the following manner:
 - i) **\$6,875** times the number of units purchased (4);
 - ii) **\$7,560** times the number of Special Education units purchased

- b) HCDE will bill **BHISD** for the amount of units purchased. **BHISD** will be billed twice a year, and payment will be due within 30 days of the date of **BHISD**'s receipt of invoice. Payment obligations are non-cancelable, and fees paid are non-refundable. **BHISD** may sell unused units to another independent school district upon obtaining HCDE's prior written consent.
 - c) In the event that **BHISD** makes a payment to HCDE with a credit card, **BHISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
 - d) HCDE agrees to maintain records and accounts to the extent necessary to assure that funds received from **BHISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be requested and required by **BHISD**.
 - e) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- 11. Payment by Student(s) and Parents.** The parents of the student(s) placed at Fortis Academy shall not be charged for the services contracted under this Contract. Services needed by the student, if any, beyond the scope of the Contract shall be the responsibility of the student(s) and/or his/her parent or guardian.
- 12. Eligibility and Placement of Student(s).** HCDE, in its sole discretion, shall determine if a student is eligible for placement and to receive services at Fortis Academy. This includes, but is not limited to, determining if the student has successfully completed rehabilitation prior to placement at Fortis Academy. For any student eligible for special education services under the IDEA, the **BHISD**'s ARD Committee shall consider the student's placement at Fortis Academy, but only after HCDE confirms in writing the student's eligibility for the Fortis Academy program. Once placed at Fortis Academy, the student shall remain at Fortis Academy until the earlier of successful completion of the gram at Fortis Academy, removal by Fortis Academy in HCDE's sole discretion, or withdrawal by the student. HCDE reserves the right to request that a student placed at Fortis Academy pursuant to this Contract be returned to placement in **BHISD**, the district of enrollment. Upon such request from HCDE regarding a student eligible for special education services, **BHISD** shall conduct an ARD Committee meeting within thirty (30) calendar days to consider the student's placement.
- 13. Compliance with HCDE Policies, Procedures, and Rules.** The student(s) placed at Fortis Academy and parent(s) shall be required to comply with all HCDE policies, procedures, rules, and required agreements and forms, including, but not limited to, execution of one or more agreements consenting to and waiving liability for placement at Fortis Academy, participation in activities, and requirements of Fortis Academy, such as substance abuse therapy, testing, and the like.
- 14. BHISD Liaison.** **BHISD** shall appoint a qualified liaison to communicate on behalf of **BHISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; Fortis Academy programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **BHISD** liaison shall make best efforts to assist Fortis Academy representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **BHISD** employees and student(s)'s parents/guardians, as necessary.
- 15. Termination.**
- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **BHISD**. HCDE and **BHISD** shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty

(30) calendar days prior written notice to the other Party. In no event shall HCDE have any obligation to refund **BHISD** the amount of any pre-paid fees for any period.

- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at Fortis Academy at the time of termination or expiration of this Contract will return to **BHISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **BHISD** within ten (10) business days following the date of termination or expiration, at the written request of **BHISD**.

16. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **BHISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at Fortis Academy, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

17. Assignment. Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

18. Notice. Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE.  - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

Natasha Truitt

Harris County Department of Education

Dear Natasha Truitt,

You count on a strong risk management and coverage provider to support managing operations and risk at your organization. Thank you for trusting the TASB Risk Management Fund to be that partner. The Fund's partnership with its more than 1,000 members has provided stability and financial strength for nearly five decades.

- **Strength in Sharing:** The Fund is the largest school risk-sharing pool in Texas and is led by Fund member school board trustees and administrators. The Board ensures the Fund remains financially strong and provides stability and responsiveness for all Fund members.
- **Financial Security:** With more than \$200 million in Members' Equity, the Fund has the financial strength to manage claims and respond to the impact of changing environments for members.
- **Responsive Service:** The Fund offers specialized coverage and services to meet Texas public schools' unique needs and exposures.

We are pleased to provide you with a renewal proposal for the 2022–23 coverage term. This year's renewal proposals reflect the Fund's efforts to respond to the evolving exposures and risks faced by its members. Your proposal reflects the Fund programs in which your organization participates. The following are highlights of key program changes for 2022-23:

- **Property** coverage costs continue to be driven by severe weather and increased building values. The Fund's Board of Trustees authorized use of Members' Equity to help limit the impact of cost increases for Fund members this year. Members will receive renewal options with higher weather deductibles to further reduce costs. Small and mid-size members will also have options to lower weather deductibles.
- **Auto and School Liability** rates will remain level for most members with contribution changes based on loss history and exposures. **Auto Physical Damage** claims costs continue to increase as vehicles are more costly and complex to repair. These rates will increase moderately for most members.
- **Workers' Compensation** rates will remain stable with little to no increase. Contribution changes reflect normal payroll changes and loss history. Costs remain steady even though claims have returned to pre-pandemic levels.
- Improved cyber risk management practices are paramount for all organizations as ransomware attacks and other risks increase. The Fund continues to offer affordable **Privacy & Information Security** coverage to members and will continue to provide resources to help members improve cyber security controls.

- **Unemployment Compensation** coverage is effective October 1, 2022, for all members of that program. Renewals will be issued in August with member contributions decreasing by 5%, on average.

A summary of updates and clarifications to the Fund's Property and Liability coverage terms and agreements is included in this renewal proposal. Coverage agreements can also be accessed on the Fund's website. Workers' Compensation and Unemployment Compensation coverage is statutory.

Please carefully review all terms and features of this renewal proposal. When ready, you may accept your renewal proposal by signing the Contribution & Coverage Summary and returning it by email to me or to TASBRMF@tasbrmf.org. You may also complete the electronic acceptance using the link in the renewal email sent to the designated Program Contact.

Please note, if you take no action, coverage will automatically renew under the terms of this renewal proposal. If Property coverage is included and you take no action, coverage will automatically renew at the lower weather deductible offered. If you want to terminate coverage, the Fund must receive written notice of termination at least 30 days prior to your renewal date. If you are unsure of your plans to renew or have questions about the renewal proposal or any aspect of your Fund membership, please contact Rosa Brown or any member of TASB's Underwriting and Marketing Division at 800.482.7276.

Thank you for your membership in the Fund. We look forward to our continued partnership in the coming year.

Members of the Board of Trustees
Harris County Department of Education

6300 Irvington Boulevard
Houston, Texas 77022

Dear Trustees:

We are pleased to present the Harris County Department of Education's (the Department or "HCDE") Annual Budget for fiscal year 2022-2023. This budget presents the Department's financial and operations plan.

Introduction

In accordance with State requirements, we are presenting our projected budget to the Board of Trustees and to the Harris County community. We encourage you and our citizens to engage in positive dialogue in fine tuning our budget proposal. Given the limited resources, our staff has developed a financial plan for the 2022-2023 General Fund, Debt Service Fund, Enterprise Fund, Capital Projects Fund, and Internal Service Fund Budgets. The development, review, and consideration of the 2022-2023 budget were completed with a detailed review of every revenue and expenditure item within the context of the Department's mission, goals, and financial policies. This document provides information on each of the fund budgets. In addition, we also provide information about our projected grants, which are accounted as Special Revenue Funds.

The primary purpose of this document is to provide timely and useful information concerning the past, current, and projected financial status of the Department, to facilitate financial decisions that support the educational goals of the Department. This budget's focus is the improvement of HCDE divisions with the fiscal resources available to the Department. This budget addresses the essential needs of the Department by directing resources to those areas that will assist our staff in carrying out the mission of HCDE.

With this budget, we are continuing to use our performance-based budgeting model. Our conservative process focuses on evaluating programs and initiatives for efficiencies while considering current resources. Moreover, two variables are then reviewed during our SWOT Analysis Review (Strengths, Weaknesses, Opportunities & Threats Analysis), which includes (1) to determine the fee structure for our clients and (2) the level of taxation based on the property values projected to be received from the Harris County Appraisal District.

The HCDE Accountability System has been used as the basis for this performance-based budgeting model. This is the thirteenth year using goals, objectives, and performance measures to plan the budget. This budget document is the first step towards achieving these goals. It includes sound, prudent fiscal policies that will ensure the continuity of the Department.

Budget Process and Significant Changes

Legal Requirements in Preparing the Budget

The Texas Education Code requires that a local education agency prepare a budget of anticipated expenditures and revenues on or before August 20th. The Board is required to adopt a budget before August 31st. The budget must be itemized in detail according to classification (object) and purpose of expenditure (function) and be prepared according to General Accepted Accounting Principles.

The budget must be legally adopted before the adoption of the tax rate. The president of the Board of Trustees must call a public meeting of the Board of Trustees giving ten days public notice in a newspaper for the adoption of the budget. Any taxpayer within the Department's taxing authority, may be present and participate in the meeting. The budget must be adopted by the Board of Trustees, inclusive of budget amendments no later than August 31st.

Budget Development Process

The budget development process comprises three stages: planning, preparation, and evaluation. The first phase, planning, involves defining the mission, goals, and objectives of campuses, divisions, and the Department. This initial phase took place from September 2021 and lasted until the middle of January 2022.

Once these plans and programs have been established, the preparation phase of budgeting begins by allocating resources to support them. This phase took place the second quarter 2022 with several training sessions. Every division started assigning resources and gathering the data.

Evaluation is the last step of the Department's budget cycle, in which information is compiled and analyzed to assess the performance of each individual division and campus, as well as the Department as a whole. During April and May, the data was analyzed, organized, and summarized in the Board Budget Committee Workbook. After several internal review sessions, evaluations, and adjustments, the Administration prepared a Board Budget Book that will be presented to the Board Budget Committee on June 28, 2022.

The Human Resources Department played an important role assisting the Business Support Services in the budget process as they developed salary budgets utilizing established staffing guidelines. On June 28th, the Board of Trustees will be presented with a final proposal for adoption and to be implemented on September 1st, 2022.

Amending the Budget

A budget is an estimate of planned expenditures and expected revenues. Many changes can take place between estimating for the proposed budget in March and April and the start of the new fiscal year in September. Program and operational changes will mean budget changes. These changes to the budget are made in the form of budget amendments. Any increase or decrease in the budget expenditures requires board approval. Changes to revenues also require budget adjustments before the end of the year. All other changes are submitted by divisions and campuses to the Business Support Services for review and processing.

COVID19 Impact

During fiscal year 2020-2021, HCDE was impacted by COVID19 and the majority of FY 20-21 was spent in virtual learning and operations. On August 2021, the Department began normal operations with added precautions for mask wearing, social distancing, and daily cleaning of all surfaces. For FY 21-22, the Department continued social distancing and daily cleaning, but allowed for optional mask wearing. The Department continues to be vigilant and promotes social distancing and health habits. Various aspects of

dealing with the pandemic continue such as ZOOM meetings, electronic processing of documents, and reduction in required face to face meetings.

Initiatives for FY 22-23

In meeting the goals and objectives of the Board of Trustees, the Superintendent has implemented several new initiatives that will enhance the relations with school districts while maintaining a positive business model. Fiscal results and projections include this new planned objective, and the major initiatives include a focus of six major enhancements to program and services to include:

1. Maintaining a positive business model while delivering high quality services.
2. Enhancing HCDE's Special Schools by investing in talent and recruitment.
3. Invest in talent and recruitment and implement recruitment and retention plans.
4. Continue to invest in marketing strategies and the campaign awareness.
5. Continue the major capital projects started in FY 2020.
6. Continuing our competitive edge to enhance services to school districts.

To this objective, our financial plan encompasses the major elements: (1) the enhancement of local revenues through projected contract commitments that will be presented to the Board during the summer, (2) a review and implementation of program-based budgeting to seek internal efficiencies and budget reductions, (3) the recommendation of competitive salaries and (4) tax revenues due to the adoption of a rate of an estimated rate \$.004990 per \$100 valuation.

Included in the budget are 24.95 new positions aimed at enhancing our capabilities to meet the client needs and enhance our fee revenue stream for Therapy Services, Fortis Academy, Highpoint School, AB East School, Client Engagement, and Adult Ed Program.

In specific, our operations plan includes the following program enhancements:

1. Wage increase: 2% for all employees. HCDE plans to recruit, hire, and retain high quality staff to be able to provide the best services available in the marketplace.
2. Incorporate a retention plan for Principals and above to include a 13% equity adjustment that will allow HCDE to retain and attract new talent to the organization.
3. An additional \$400,000 for sponsorships, grants and scholarships for the Education Foundation and \$200,000 for the Teacher Supplies program from fund balance.
4. HCDE implemented a wellness program aimed at improving the health of HCDE staff. This program is nutrition-based program designed to promote healthy habits. The projected costs for FY22-23 are \$25,000.
5. School Based Therapy Program will receive additional (6.2) FTE to increase the level of service to School Districts around the County. The cost is \$300,000.
6. (1) Translator position for Client Engagement \$60,000 and (0.5) additional FTE for an admin assistant \$25,000.
7. Addition of grant funded positions for Adult Education to include (1.25) transitional specialists and (4) instructional aides. The cost associated is \$332,265.
8. An (1) additional Counselor, (4) aides and (2) Teacher for Highpoint School totaling \$333,000.

15. Additional \$25,000 for Speed of Trust funding for the Human Resources Division.
16. Additional \$56,000 for Human Resources Software.
17. HCDE will continue the marketing strategy and awareness campaign started the previous year. The program includes \$1 Million set aside for marketing and advertising in the Budget.
18. The Department has also included the continuation of the lobbying cost commitment previously approved

by the Board of Trustees. The projected cost is \$276,000.

19. **Balanced Budget:** The proposed budget is balanced for on-going operations, and it is projected that the Department will invest part of its fund balance to implement a capital improvement program. All expenditures will be covered with the revenues generated during the year except the one-time costs. The use of fund balance will include \$355,000 for the server and computer equipment, \$189,586 for debt service payments, \$600,000 for the Education Foundation, and \$150,000 for retirement program for FY 2023.
20. A Capital Improvement Plan Phase Two is proposed to be implemented. The following projects are proposed:
- a. **\$6,000,000** for the Equine Center to be funded from the New Proposed Lease Revenue Bond 2022 plus \$4 Million from fund balance.
 - b. **\$7,500,000** for Maintenance Projects to be funded from the 2022 Maintenance Notes (includes \$3,000,000 for HVAC and Roof at NPO, \$300,000 for Head Start Barrett Station, \$2,000,000 for equipment, buses and furniture, Renovation and remediation projects to existing facilities \$1,700,000, Fortis Roof \$500,000 and issuance costs.
21. Planned one-time expenditures from the General Fund balance totaling \$1,294,586 as follows:
- | | | |
|--|----|------------------|
| Debt Service Transfer for future payments- CIP Plan | \$ | 189,586 |
| IT Servers and Equipment | | 355,000 |
| Education Foundation teacher program and grant program | | 600,000 |
| Retirement benefit | | 150,000 |
| Total fund balance capital expenditure appropriations | \$ | <u>1,294,586</u> |
22. The budget is predicated on adopting a tax rate that will bring in more revenue to address revenue loss and implementation of new initiatives such as the campaign awareness and costs associated with talent recruitment and compensation recruitment and retention plan. The **estimated tax rate of \$.004990** is proposed, and this is the same rate used last year and is expected to be below the voter-approval tax rate ("VAR"). Public hearings and notices will be required to adopt the tax rate. This rate is key to the funding of the operations plan for the current year.

Summary of Proposed Budgets

The Department utilizes Governmental, Proprietary, and Fiduciary fund types. The Department's Governmental fund types are comprised of General Funds, Special Revenue Funds, Debt Service Funds, and Capital Projects Funds. The Proprietary Fund types include the Internal Service Fund and the Enterprise Fund. The Enterprise Fund includes the Choice Partners. The Fiduciary fund types include Agency Funds. The Department's Proprietary Funds are the Internal Service Fund and the Enterprise Fund. The Internal Service Fund consists of two funds: The Worker's Compensation Fund and the Facilities Support Charges. For the Worker's Compensation Fund, the Department participated in a partially self-funded pool, originally approved by the Board in the fiscal year 2005. Since 2016-2017, the Department moved to a fully funded program. Claims administration, loss control, and consultant services will be provided for by worker's compensation insurance company and a third-party administrator will handle the run-off claims from the previous self-insurance plan.

Balanced Budget

Per CE Local Policy, the operating budget requires a balanced budget. This means that for each fund, expenditures are not to exceed revenues plus projected one-time use fund balances. If the fund balance is used, this cost must be a one-time cost and not recurring (i.e., capital expenditures). The Department is projecting a balanced budget for fiscal year 2022-2023. Expenditures plus other financing uses total \$63,223,226. Revenues equal \$61,928,640. One-time costs total \$1,294,586, from which technology equipment totals \$355,000, Education Foundation program for \$600,000, debt service payment from General Fund for \$189,596, and retirement benefits from Fund Balance for \$150,000. We believe that the budget represents a fiscally responsible and conservative approach to the needs of the Department within the available funds. The chart below shows a historical summary and forecast of the General Fund.

Projected Fund Balance

We are projecting that the fiscal year 2022-2023 ending fund balance will be **\$20,087,082**. This represents a decrease of \$1,294,586 from the projected 2021-2022 ending fund balance. The use of fund balance is for planned appropriations that are one time in nature (i.e., construction projects and capital

outlay). It is the policy of the Department to maintain an unassigned fund balance equivalent to a minimum of two months of operations costs. Currently, the Department projects the desired fund balance. According to our five-year forecast, the Department will have sufficient funds to meet the CE local policy requirements but may need additional cash to fund the Special Revenue Fund since they work on a reimbursement basis.

About the 2022-2023 Department Budget

Below are highlights of the Department that will provide you with a general overview of the basis of our assumptions and projections for the coming 2022-2023 fiscal year. To prepare the annual budget, HCDE develops projections for taxable value, collection rate, and expenditure levels.

Appropriation Levels

General Operating Fund –The 2022-2023 appropriation levels for the General Operating Fund are projected at \$58,358,339 and estimated other uses (transfers to other funds) and one-time cost at \$4,864,887 for a total of \$63,223,226; this represents a decrease of 1.4% or \$665,623 from 2021-2022 amended budget.

The 2022-2023 budget includes a 2% salary increase for all employees, and 13% equity adjustment for Principals and above. The budget process was representative of the economic environment. A series of budget meetings and reviews were conducted by the Superintendent and the Budget Committee to achieve this budget. Transfers-out to other funds amounted to \$4,864,887 for fiscal year 2022-2023 mainly due to the CASE local match \$550,787, the Head Start local match \$500,000, and the Debt Service transfer of \$2,959,100 and \$855,000 for Construction and Computer Equipment Projects.

In the following charts, please find the comparison of the appropriation for the previous year budget and the current year budget.

Debt Service Fund – The Department budgeted \$2,959,100 in appropriations for fiscal year 2022-2023. Resources in the Debt Service Fund must be used to pay for general long-term debt principal and interest for debt issues and other long-term debts for which revenues are dedicated from the General Fund. A transfer was made in previous fiscal years to retire 2015 debt in the amount of \$2,857,214. Currently the Department has approximately \$52 million plus premium of \$5.5 million in debt including:

- PFC Lease Revenue bonds for \$27 million issued for the construction of the 2020 Capital improvement Plan that included new buildings for HP East, AB East, Adult Education Center. For these projects, the General Fund contributed \$5.7 million.
- Series 2020 HCDE Maintenance Notes for \$13.8 million for the renovation of the Ronald Reagan building, equipment for the Adult Ed Center, equipment and other resources for AB East, Highpoint East buildings, and other equipment and renovation costs.
- Previous PFC Lease bonds and QZAB bonds for a remaining value of \$11 million
- The amount of premium and other resources used from the bond sale was \$5,500,000

Special Revenues Funds – Appropriations for these funds are restricted to or designated for specific purposes by a grantor. For fiscal year 2022-2023, the Department's appropriation is \$46,259,560. The Department provides information to the Board of Trustees on all Department grants, as the Notice of Grant Awards (NOGA) are received, the estimated revenues and appropriations are adjusted to reflect the awarded grant budget. These grants have restrictions placed by grantors.

Revenue Levels

Revenue estimates are based upon a variety of demographic and tax information. Proposed revenue from the two major sources, customer fees and local property taxes, are critical to the budget.

The Department estimates total General Operating Fund revenues of \$61,928,640 for the 2022-2023 fiscal year. Customer fees are projected to be \$23,275,722 or 37% of the estimated revenues. Tax revenues are projected to be \$27,380,681 or 44% of the estimated revenues. The remaining 19% of the revenues are indirect costs at \$2,348,825; state funding \$3,698,000, transfer in from Choice Partners Fund of \$5,104,412 and other revenues at \$121,000.

The recommended budget includes an increase in revenues of 5% from the amended fiscal year 2021-2022 budget for the General Fund.

The following charts present the adopted revenue levels for fiscal year 2021-2022 and the proposed revenues for fiscal year 2022-2023.

Local Revenues

Local revenues are projected to increase by 1%. Revenues from current year customer fees are expected to increase by 4.9% from an amended budget of \$22,192,627 in fiscal year 2021-2022 to a projected \$23,275,722 for fiscal year 2022-2023. HCDE has not increased the rates and additional contracted seats at the special schools, no increment in the service rates from Records Management, Therapy Division, and the Center for Safe and Secure Schools, and a reduction in rates from Educator Certification and Advancement Division for fiscal year 2022-2023. In addition, the Department anticipates a 5% increase change in tax revenues from \$26,098,250 in fiscal year 2021-2022 to \$27,380,681 in fiscal year 2022-2023 due to the increase in property values and the adopted tax rate. A 7.5% increase in values is projected based on the preliminary estimate from the Harris County Appraisal District. Also, a 99% collection was used in projecting revenues for fiscal year 2022-2023, and it is expected that this rate will be realized for the fiscal year.

Tax Rate – Effective January 1st, 2020, the State Legislature approved SB3 that included change in terminology for tax rates and tax rate calculations. The new terminology is as follows: Effective Tax Rate – Now called “No-New-Revenue Tax Rate”. Roll Back Tax Rate – Now called “Voter Approval Tax Rate”. In addition, the calculation was changed as the new law requires to use the average of three-year collection rates.

Based on the taxable value, the Department must project the level of taxation that will generate adequate funds to provide funds to meet Department obligations while keeping in mind the ability of local taxpayers to pay their taxes. The Harris County Tax Office will calculate the no-new-revenue tax rate (“NNRR”), formerly called the effective tax rate. The NNRR was projected at \$.004955 for fiscal year 2022-2023. We expect the proposed tax rate will be below the voter approved rate (VAR) for fiscal year 2022-2023.

Throughout the budget process, we used the current tax rate and the projected values to estimate the level of local effort. Upon receiving the certified values and the NNRR calculation from the Harris County Tax Assessor – Collector, the tax rate proposal will be developed and presented to the board in accordance with the truth in taxation law. Current revenue projections and tax rates are based on projected values and current rates. Projections will be recalculated in accordance with State tax regulations.

Taxable Value – The Harris County Appraisal District certifies the taxable value from which the Department begins to develop the estimates for local tax revenues. The 2021 certified valuations of net taxable value for the 2021-2022 fiscal year are \$516,540,607,587 (based on HCAD report updated 4/28/2022). The 2022 Preliminary Estimate is **\$568 Billion** (based on HCAD letter dated 4/28/22), which is an increase of \$52,105,114,013 or 10.9%. For fiscal year 2021-2022 the appraised values were estimated at **\$556 billion** considering a larger increase of new property added, which represents a **7.5%** increase. The adjacent chart illustrates the 10-year taxable value history of the Department. For fiscal year 2023-2024 to 2024-2025, the Department projects a 3% growth on appraised values due to the positive economic impact in the region and value growth. The Department is also proposing to increase the Over 65 & Disabled Exemption from \$229,000 to \$250,000 with an estimated impact of \$101,646 at the current rate.

Tax Collections – The collections percentage used to estimate the tax revenues is 99%. This is a realistic approach given the trend of the Department’s collections effort and the projected tax increase.

In the chart above, the tax rate has been reducing as the property values for the Harris County have increased. As the population in the Harris County has grown, new areas have been developed with new construction and new businesses.

Other Tax Revenues

The Department does not have any other local taxes or collections. Harris County Department of Education does not receive sales tax, franchise taxes or any other taxes. It does charge fees for services for various activities. The following are general fee charges by the various divisions.

Fees for services

School based therapy services are provided to school districts which contract with HCDE to provide occupational therapists. The rates based are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$440 to \$540 per day. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There is a 10% increase in fees compared to last year’s fees.

Special school services are provided to school districts which contract with HCDE to provide services for students with behavioral and disability issues. The rates are based on whether the district is within the county boundaries or outside of the boundaries. The fees range from \$6,250 (Fortis – In County) to \$25,050 (AB Schools – Out of County) per year. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. There was an increase between 3% and 5% on the In-county fees and 10% on the out-of-county fees compared to last year.

Records management services are provided to school districts which contract with HCDE to provide services for safe keeping documents and records. Rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$.24 to \$.26 cents per box, \$.25 cents per month for tape or film. Rates are lower for educational entities, and other out of County or non-educational entities require a 15% to 25% margin to reduce the cost of providing services to ISDs. There was no increase in fees compared to last year's fees.

Center for Educator Success services are provided to school districts which contract with HCDE to provide digital training and course development. The rates are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$850 to \$2,000 depending on the scope of work. The sustainability of this model has been identified as locally supported activity which is assisted by property taxes. The cost per district participation in the teacher institute is \$25,000 per year. Certification and Training Services are provided to individuals seeking certification in the areas of teaching and principalship. The rates for the previous fiscal year ranged from \$2,500 to \$3,500 per individual per program, for FY23 the proposed rates will range between \$2,000 to \$3,500 per individual per program. There was a slight decrease in fees compared to last year.

Center for Safe and Secure Schools services are provided to school districts which contract with HCDE to provide facility audits. The rates are based on whether the district is within the county boundaries or outside of the boundaries. The fees range from \$1,500 to \$2,400 per school. There was a \$300 increase in fees compared to last year's fees.

Enterprise Activity

Cooperative procurement services are provided to school districts which contract with HCDE and participate in the national cooperative – Choice Partners. The rates are paid by the vendors based on the type of commodity. The fees range from 1% to 4%. The sustainability of this model has been identified a self-sustaining activity which provides revenue to the General Fund and supports Department activities for grants and other services.

Other Local Revenue Sources

The Department has other sources of revenue. For Fiscal Year 2022-2023 the only source of other revenue is interest. Interest revenues are estimated in \$50,000.

The following chart presents the tax revenues collected in the last eleven years.

Note: To reflect the actual events of the construction projects during fiscal year 2021-2022, the amended numbers were also adjusted to reflect expenditures over multiple years.

Going forward beyond fiscal year 2022-2023

Estimated revenues and appropriations for the next five years will depend on the ability of HCDE to remain implementing a positive business model that will maximize fee structure, grant resources, and leverage local tax dollars. The ability to remain competitive in the market relies on maintaining a knowledgeable and expert work force, safe and secured facilities, 21st century technology, and relevant program and services that client districts and governmental entities need and seek from HCDE.

The future financial situation of HCDE would be the result of the collective Department effort to become a major player in three areas: **(1) Therapy Services:** HCDE's objective is to become the best source of therapy services for the schools in Harris County by offering competitive rates and top of the line services; **(2) Special Schools:** HCDE provides excellent services in schools designed to provide education to students with special needs. HCDE looks forward to expanding its clientele to new schools in other areas of the Harris County, such is the case of the Fortis Academy; **(3) Choice Partners:** HCDE provides

benefit to school districts in Harris County and other clients by complying with the procurement requirements and vendors in all service areas. Out of every transaction, the vendors that supply Choice Partners members pay a commission as revenue for Choice. After Choice expenses are covered, the remaining excess is transferred to the General Fund to fund HCDE programs that benefit our community and students.

One of HCDE main goals is recruiting, hiring, and retaining high quality staff. Regarding personnel staffing trends, HCDE maintains the minimum level of staff required to provide good quality services. The HCDE advantage is that can utilize tax revenues to provide quality services.

II. TERM OF AGREEMENT

2.1 **Term:** The initial term of this Contract is one (1) year and shall be effective May 18th, 2022 (date) through August 31st, 2022 (date). Owner may exercise renewal options for up to four additional one-year terms, in Owner’s sole discretion, provided that Contractor is still an eligible vendor under the Choice Partners purchasing cooperative. Job Orders may be issued at any time during the term of this Contract. This Contract will remain in full force and effect during the performance of any Job Order issued by Owner.

2.2 **Completion of Work in Progress:** Owner has the option to extend the term of this Contract, or any renewal period, as necessary for Contractor to complete work on any Job Order approved by Owner prior to the expiration of the Contract.

III. AUTHORIZED CONTRACT SUM

3.1 **Contract Sum:** The maximum aggregate contract expenditures for the initial one (1) year term is \$1,284,156.50. The cost of each specifically authorized Job Order will be established in a “Job Order” issued by Owner and executed by Owner and Contractor. Established cost amounts shall not be increased except by written change order to a previously issued Job Order executed by Owner and Contractor. As required by Texas Government Code Section 2269.403, the Owner’s Board of Trustees must approve any Job Order that exceeds \$500,000. The Owner’s Board of Trustees may be required to authorize Job Orders for lesser amounts as required by local Board policy.

3.2 **No Minimum Amount of Work:** It is expressly understood that Owner is under no obligation to request any services from Contractor and no minimum amount of work is required under this Contract. All service requests will be made by Owner on an as-needed basis, subject to future agreement on the scope of the work and its cost(s), detailed in a specific Job Order.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or

specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the specifications and not shown on the drawings, or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

4.2 Shop Drawings: Shop drawings means drawings submitted to Owner by Contractor showing in detail:

- a. the proposed fabrication and assembly of structural elements;
- b. the installation (i.e., form, fit and attachment details) of materials or equipment; and
- c. the construction and detailing of elements of the Work.

Shop drawings include sketches, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and similar materials furnished by Contractor to explain specific portions of the Work. Owner may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under the Contract.

4.3 Contractor shall coordinate all shop drawings, and review them for accuracy, completeness, and compliance with Contract and Job Order requirements and shall indicate its approval thereon as evidence of such coordination and review. Owner will indicate its approval or disapproval of the shop drawings in writing and if not approved as submitted shall indicate Owner's reasons therefore. Any work done before such prior written approval by Owner shall be at Contractor's own risk and without any liability whatsoever to Owner.

4.3 Contractor shall submit to Owner for approval in writing an appropriate number of copies of all shop drawings. Sets of all shop drawings will be retained by Owner and one set will be returned to Contractor.

4.4 "As-built" Drawings and Shop Manuals: Contractor is required to submit two complete sets of "as-built" drawings to Contractor within 30 days after project acceptance. "As builds" shall be submitted on paper as well as electronically. Contractor must also submit three copies of shop manuals at that time if equipment has been installed as part of the Job Order.

4.5 Omissions from the drawings or specifications or the incorrect description of details of work which are manifestly necessary to carry out the intent of the drawings and specifications shall not relieve Contractor from performing such omitted or incorrectly described details of the Work.

4.6 Contractor shall check all of Owner's furnished drawings immediately upon receipt and shall promptly notify Owner of any discrepancies. Figures marked on drawings shall be followed in preference to scale measurements. Large scale drawings shall govern small scale drawings. Contractor shall compare all drawings and verify the figures before laying out the Work and will be responsible for any errors which might have been avoided thereby.

V. USE OF SPECIFICATIONS, DRAWINGS AND NOTES

5.1 All drawings (to include as-built drawings), sketches, designs, design data, specifications, note books, technical and scientific data provided to Contractor or developed by Contractor pursuant to the

Contract and all photographs, negatives, reports, findings, recommendations, data and memoranda of every description relating thereto, as well as all copies of the foregoing relating to the Work or any part thereof, shall be the property of Owner and may be used by Owner without any claim by Contractor for additional compensation, unless such material developed by Contractor does not result in an issued Job Order. In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

VI. MATERIAL AND WORKMANSHIP

6.1 All equipment, material, and articles incorporated in the Work covered by this Contract shall be new and of the most suitable grade for the purpose intended, unless otherwise specifically provided in the Job Order. References in the Job Order and/or its specifications to equipment, material, article, or patented process by trade name, make, or catalog number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition.

6.2 Contractor shall obtain Owner's prior written approval of the machinery and mechanical and other equipment to be incorporated into the Work. When requesting approval, Contractor shall furnish to Owner in writing the name of the manufacturer, the model number, and other information concerning the performance, capacity, nature, and rating of the machinery and mechanical and other equipment. When required by the Contract or by Owner, Contractor shall also obtain Owner's written approval of the material or articles which Contractor contemplates incorporating into the Work. When requesting approval, Job Order Contractor shall provide full information concerning the material or articles. Machinery, equipment, material and articles that do not have the required prior approval by Owner shall be installed or used at the Contractor's risk of subsequent rejection and Owner shall not be liable for any costs incurred by Contractor for said Machinery, equipment, material, articles.

VII. CONTRACTOR'S GENERAL RESPONSIBILITIES

7.1 **In General:** Contractor agrees to provide general and specific job order contracting services on a per-project basis as requested by Owner in accordance with the terms of this Contract. Contractor shall furnish all of the materials and perform all of the Work described in a Job Order. Contractor shall do everything required by this Contract, the Job Order and any other requirements incorporated into this agreement or a specific Job Order by reference.

7.2 **Project Manager:** Contractor shall manage and provide all labor and material necessary and reasonably inferable for the complete performance of the Work on any project and/or Job Order authorized pursuant to this Contract.

7.3 **Standard of Care:** Contractor agrees to use commercially reasonable best efforts, skill, judgment, and abilities to perform the Work detailed in the Job Order in an expeditious and timely manner. In emergency or non-standard situations, Owner may require Contractor to complete a Job Order on an expedited basis. All Job Orders are to be completed within the timelines agreed to by Owner and Contractor as detailed in the Job Order. If Contractor falls behind the schedule detailed in the Job Order, Contractor shall take steps necessary to improve its progress, including those that may be reasonably required by Owner. Without additional cost to Owner, Owner may require Contractor to increase the number of shifts, overtime operations, days of work, and/or the amount of construction plant or equipment, and to submit for approval any supplementary schedule or schedules in chart form as Owner deems necessary to demonstrate how the approved rate of progress will be regained.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

Contractor shall take whatever measures he deems necessary to insure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

- a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));

10.6 **Differing Site Conditions:** Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

- a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or
- b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 **Investigation by Owner:** Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 **Equitable Adjustment:** No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 **Contractor Inspection System:** Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 **Owner's Satisfaction:** All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all

questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 **Non-Conformance:** Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform:** If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures;
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance;
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any

work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor, and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 Close-Out Documentation: Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 Preservation: Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 Existing Improvements: Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 Traffic Control: Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

XIII. CLEANING UP AND REFUSE DISPOSAL

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon

completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration:** Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing, subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within forty-five (45) days of receipt of invoice. Undisputed amounts unpaid after the date on which payment is due shall bear interest pursuant to Texas Government Code Section 2251.025. Owner shall notify Contractor of an error or disputed amount in an invoice submitted for payment by Contractor no later than the 21st day after the date Owner receives the invoice and shall include in such notice a detailed statement of the amount of the invoice that is disputed, in accordance with Texas Government Code Section 2251.042(a). If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable; notwithstanding the foregoing, Owner may withhold from payments required no more than 110% of the disputed amount. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 **Payment Retention:** In the processing of progress payments, Owner shall retain a percentage of the estimated amount until final completion and acceptance of all Work performed under the Job Order as retainage as follows: if the Job Order is valued at less than \$5 million, Owner shall retain ten percent (10%); if the Job Order is valued at \$5 million or more, Owner shall retain five percent (5%). Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order. Per Tex. Gov't Code Section 2252.032(f), on application to Owner for final payment and release of retainage, Owner may withhold retainage if there is a bona fide dispute between Owner and the Contractor and the reason for the dispute is that labor, services, or materials provided by the Contractor, or by a person under the direction or control of the Contractor, failed to comply with the express terms of the Contract or if the surety on any outstanding surety bond executed for the Contract does not agree to the release of retainage. Owner shall provide to Contractor written notice of the basis on which Owner is withholding retainage under this section.

15.5 **Liquidated Damages:** Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion. Execution of this Contract under these specifications shall constitute the agreement by Owner and Contractor that the liquidated damages amounts stated in the Job Order are the minimum value of the costs and actual and direct damages caused by failure of Contractor to complete the Work within the allotted or agreed extended times of completion (including Substantial or Final Completion), that such sums are liquidated direct damages and as all not be constructed to be as a penalty, and that such sums may be deducted from payments due Contractor if such delay occurs. Liquidated damages shall be in addition to, and not in lieu of, any other rights or remedies Owner may have against Contractor for failure to timely achieve each Job Order and/pr phase of the scope of work.

15.6 **Right of Setoff:** In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 **Termination:** Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;

- e. Complete performance of the Work not terminated;

The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 Termination of Right to Proceed: If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the

terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 Effect of Termination: Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. 23.3 Successors and Assigns: Owner and Contractor, respectively, bind themselves, their partners, successors, assigns and legal representatives to the other party to the terms and conditions of this Contract. This Contract is a personal service contract for the services of Contractor, and Contractor's interest in this Contract, duties hereunder and/or fees due hereunder may not be assigned or delegated to a third party without written consent of Owner. The benefits and burdens of this Contract are, however, assignable by Owner.

23.4 Loss of Funding: Performance by Owner under this Contract may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature") and/or allocation of funds by the Owner's Board of Trustees. If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then Owner shall issue written notice to Contractor and Owner may terminate this Contract without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of Owner. The parties agree that this Contract and any Job Order issued by Owner are commitments of Owner's current revenue only. Every payment obligation of Owner under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this Contract or any Job Order, this Contract or any Job Order may be terminated by Owner at the end of the period for which funds are available.

23.5 Open Records: Contractor acknowledges that Owner is subject to the Texas Public Information Act, and Contractor waives any claim against and releases from liability Owner, its officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by Contractor or Owner and determined by Owner, the Attorney General of Texas, or a court of law to be subject to disclosure under the Texas Public Information Act.

23.7 Taxes: Owner is tax exempt, and Contractor shall avail itself of all tax exemptions applicable to Contractor's work or expenses. 23.8 Captions: The captions of paragraphs in this Contract are for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

23.9 Severability: Should any provisions(s) of this Contract be held invalid or unenforceable in any respect, that provision shall not affect any other provisions, and this Contract shall be construed as if the invalid or unenforceable provision(s) had not been included.

23.10 **Waivers:** No delay or omission by either party in exercising any right or power provided under the provisions of this Contract shall impair any such right or power or be construed to be a waiver of the right or power. A written waiver granted by either of the parties of any provision of this Contract shall not be construed as a future waiver of that provision or a waiver of any other provision of the Contract.

23.11 **Force Majeure:** No party shall be liable or responsible to the other for any loss or damage or for any delays or failure to perform under this Contract due to causes beyond its reasonable control, including, but not limited to, acts of God, employee strikes, epidemics, war, riots, flood, fire, sabotage, terrorist acts or any other circumstances of like character.

23.12 **Governing Law and Venue:** This Contract shall be construed, interpreted and applied in accordance with the laws of the State of Texas without regard for choice of law principles. All obligations of the parties created hereunder are enforceable in Houston, Harris County, Texas, which shall be the exclusive venue for any dispute hereunder.

23.13 **Entire Contract:** This Contract, as defined herein, constitutes the sole and only agreement between the parties with respect to the services contracted for and supersedes any prior understandings, written or oral. No modification, alteration or waiver of this Contract or any of its provisions shall be effective unless in writing and signed by both parties. No course of prior dealings, no usage of trade, and no course of performance shall be used to modify, supplement or explain any terms used in this Contract.

23.14 **Financial Interest:** By signature hereon, Contractor certifies that no member of Owner's Board of Trustees has a financial interest, directly or indirectly, in the transaction that is the subject of this Contract.

23.15 **Authority to Act:** If Contractor is a corporation or a limited liability company, Contractor warrants, represents, and agrees that (1) it is duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization; (2) it is duly authorized and in good standing to conduct business in the State of Texas; (3) it has all necessary power and has received all necessary approvals to execute and deliver this Contract; and (4) the individual executing this Contract on behalf of Contractor has been duly authorized to act for and bind Contractor.

23.18 **Interpretation:** Contractor agrees that the normal rules of construction that require that any ambiguities in the Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract or any Job Order.

23.19 **Modification:** This Contract may only be modified by a written instrument executed by the parties to be incorporated into this Contract.

23.20 **Assignment:** Contractor may not assign this Contract or any of its rights, duties or obligations hereunder without the prior written approval of Owner. Any attempted assignment of this Contract by Contractor shall be null and void. Any Job Order made as a result of this Contract may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Contractor without the prior written approval of Owner.

23.21 **Immunity:** Nothing in this Contract will be construed to waive, modify, or amend any legal defense available to Owner or any of Owner's past or present trustees, officers, agents, or employees, including, without limitation, governmental immunity from suit as provided by law.

** Workers in this classification may be entitled to a higher
minimum wage under Executive Order 14026 (\$15.00) or 13658
(\$11.25). Please see the Note at the top of the wage
determination for more information.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is

like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average

rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour

National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

☐ (a) **Salary Deferral Limit.** A Participant may not defer an amount in excess of:

☐ (1) ____% of Plan Compensation.

☐ (2) \$____.

[Note: If both subsection (1) and (2) above are checked, the deferral limit is the lesser of the amounts selected.]

Any limit described in subsection (1) or (2) above applies with respect to the following period:

☐ (3) Plan Year.

☐ (4) the portion of the Plan Year during which the individual is eligible to participate.

☐ (5) each separate payroll period during which the individual is eligible to participate.

☐ (b) **Limits on deferrals on bonus payments.** *[Note: This §6A-2(b) only may be selected, if bonus payments are not excluded under AA §5-3.]*

☐ (1) The same limits specified in (a)(1) and (a)(2) above apply to bonus and non-bonus Plan Compensation, Employees may defer any amounts out of bonus payments, subject to the Elective Deferral Dollar Limit and the Code §415 Limitation (as defined in Sections 5.02 and 5.03 of the Plan) and any other limit on Salary Deferrals under this AA 6A-2. ☐ (a) **Availability of Roth Deferrals.** Roth Deferrals are permitted under the Plan. [*Note: If Roth Deferrals are effective as of a date later than the Effective Date of the Plan, designate such special Effective Date in AA §6A-8(b) below. Roth Deferrals may not be made prior to January 1, 2006.*]

(b) **Distribution of Roth Deferrals.** Unless designated otherwise under this subsection (b), to the extent a Participant takes a distribution or withdrawal from his/her Salary Deferral Account(s), the Participant may designate the extent to which such distribution is taken from the Pre-Tax Deferral Account or from the Roth Deferral Account. (c) **In-Plan Roth Conversions.** Unless elected under this AA §6A-5(c), the Plan does not permit a Participant to make an In-Plan Roth Conversion under the Plan. To override this provision to allow Participants to make an In-Plan Roth Conversion, subsection (1) below must be checked.

☐ (1) **Effective date.** Effective _____ [*not earlier than 1/1/2013*], a Participant may elect to convert all or any portion of his/her non-Roth vested Account Balance to an In-Plan Roth Conversion Account.

[*Note: The Plan must provide for Roth Deferrals under AA §6A-5(a) above as of the effective date designated in this subsection (1). An election under this subsection (1) does not affect an In-Plan Roth Conversion that was allowed under prior Plan provisions.*]

(2) **In-Service Distribution.**

☐ (i) For a Participant to convert his/her eligible contributions to Roth Deferrals through an In-Plan Roth Conversion, the Participant need not be eligible to take a distribution from the Plan. [*Note: If this subsection (i) is checked, a Participant may convert any or all of the eligible contribution sources to Roth Deferrals through an In-Plan Roth Conversion.*]

☐ (ii) For a Participant to convert his/her eligible contributions to Roth Deferrals through an In-Plan Roth Conversion, a Participant must be eligible for a distribution of any amounts converted to Roth Deferrals through an In-Plan Roth Conversion. (3) **Contribution sources.** An Employee may elect to make an In-Plan Roth Conversion from all available contribution sources under the Plan.

To override this default provision to limit the contributions sources available for In-Plan Roth Conversion, select the applicable contribution sources from which an In-Plan Roth Conversion is available:

- ☐ (i) **In-service distribution.** If the Plan does not otherwise permit an in-service distribution at the time of the In-Plan Roth Conversion and this subsection (i) is checked, a Participant may elect to take an in-service distribution solely to pay taxes generated from the In-Plan Roth Conversion to the extent such in-service distribution would otherwise be permitted under Section 7.10 of the Plan.
- [Note: If this subsection (i) is checked, a Participant may take an in-service distribution only to the extent such distribution would otherwise be permitted under the provisions of Section 7.10 of the Plan. Thus, for example, a Participant may not take an in-service distribution of amounts attributable to Salary Deferrals prior to age 59½.]*
- ☐ (ii) **Participant loan.** Generally, a Participant may request a loan from the Plan to the extent permitted under Section 13 of the Plan and AA §B. - If a Participant fails to complete a new affirmative deferral election subsequent to the prior election expiring, the Participant becomes subject to the automatic deferral percentage as specified in the Plan pursuant to the automatic contribution arrangement provisions. Each year, the Participant can always complete a new affirmative election and designate a new deferral percentage.
- ☐ (iv) **Treatment of automatic deferrals.** Any Salary Deferrals made pursuant to an automatic deferral election will be treated as Pre-Tax Salary Deferrals, unless designated otherwise under this subsection (iv).
- ☐ Any Salary Deferrals made pursuant to an automatic deferral election will be treated as Roth Deferrals. *[Note: This subsection (iv) may only be checked if Roth Deferrals are permitted under AA §6A-5.]*

- ☐ (ii) **Designated Plan Year.** Instead of applying as of the second Plan Year, the automatic increase described in subsection (2)(ii) above takes effect as of the appropriate date within the _____ Plan Year following the Plan Year in which the automatic deferral election first becomes effective with respect to a Participant.
- ☐ (iii) **Effective date.** The automatic increase described under subsection (2)(ii) above is generally effective as of the first day of the Plan Year. - ☐ (1) **Permissible withdrawals allowed.** An Employee who has Salary Deferrals contributed to the Plan pursuant to an automatic deferral election under this AA §6A-7 may elect to withdraw such contributions (and earnings attributable thereto) within 90 days after the date such Salary Deferrals would otherwise have been included in gross income, unless designated otherwise under subsection (3) below. Unless elected otherwise below, if an Employee does not make automatic deferrals to the Plan for an entire Plan Year (e.g., due to termination of employment), the Plan may allow such Employee to take a permissible withdrawal, but only with respect to default contributions made after the Employee's return to employment.).
- ☐ The ability to take permissible withdrawals does not apply to rehired Employees, even if such Employees have not made automatic deferrals to the Plan for an entire Plan Year due to termination of employment.
- ☐ (2) **No permissible withdrawals.** The permissible withdrawal provisions under this subsection (b) are not available.
- ☐ (3) **Time period for electing a permissible withdrawal.** Instead of a 90-day election period, a Participant must request a permissible withdrawal no later than _____ days after the date the Plan Compensation from which such Salary Deferrals are withheld would otherwise have been included in gross income.

8-8 SPECIAL RULES REGARDING CASH-OUT DISTRIBUTIONS.

- (a) **Additional allocations.** If a terminated Participant receives a complete distribution of his/her vested Account Balance while still entitled to an additional allocation, the Cash-Out Distribution forfeiture provisions do not apply until the Participant receives a distribution of the additional amounts to be allocated. (See Section 6.10(a)(1) of the Plan.)

To modify the default Cash-Out Distribution forfeiture rules, complete this AA §8-8(a).

- ☐ The Cash-Out Distribution forfeiture provisions will apply if a terminated Participant takes a complete distribution, regardless of any additional allocations during the Plan Year.

- (b) **Timing of forfeitures.** A Participant who receives a Cash-Out Distribution (as defined in Section 6.10(a) of the Plan) is treated as having an immediate forfeiture of his/her nonvested Account Balance.

To modify the forfeiture timing rules to delay the occurrence of a forfeiture upon a Cash-Out Distribution, complete this AA §8-8(b).

- ☐ A forfeiture will occur upon the completion of ____ consecutive Breaks in Service (as defined in Section 6.08 of the Plan).

- (c) **Repayment of Cash-Out Distribution.** Unless elected otherwise under this AA §8-8(c), if a Participant receives a Cash-Out Distribution that results in a forfeiture, and the Participant resumes employment covered under the Plan, such Participant may repay to the Plan the amount received as a Cash-Out Distribution.

- ☐ If a Participant receives a Cash-Out Distribution that results in a forfeiture, and the Participant resumes employment covered under the Plan, such Participant may NOT repay to the Plan the amount received as a Cash-Out Distribution and the provisions of Section 6.10(a)(2) do not apply.

- 8-9 **SPECIAL RULE FOR FORFEITURE UPON DEATH OF A PARTICIPANT.** Unless elected below, no vested benefits are forfeited upon the death of a Participant.

To modify this default forfeiture rule, check to box below.

- ☐ The Plan will forfeit benefits (including vested benefits) upon the death of a Participant, if not precluded by law. In no event may the Plan forfeit any amounts attributable to a Participant's Salary Deferrals or After-Tax Employee Contributions under the Plan or if the Plan has commenced distributions prior to the Participant's death.

SECTION 9

DISTRIBUTION PROVISIONS – TERMINATION OF EMPLOYMENT

9-1 AVAILABLE FORMS OF DISTRIBUTION.

Lump sum distribution. A Participant may take a distribution of his/her entire vested Account Balance in a single lump sum upon termination of employment. In addition, the Plan Administrator may permit a Participant to take partial distributions or installment distributions solely to the extent necessary to satisfy the required minimum distribution rules under Section 8 of the Plan.

Additional distribution options. To provide for additional distribution options, check the applicable distribution forms under this AA §9-1.

- ☐ (a) **Installment distributions.** A Participant may take a distribution over a specified period not to exceed the life or life expectancy of the Participant (and a designated beneficiary).
- ☒ (b) **Partial lump sum.** A Participant may take a distribution of less than the entire vested Account Balance upon termination of employment.
- ☐ Minimum distribution amount. A Participant may not take a partial lump sum distribution of less than \$_____.
- ☐ (c) **Annuity distributions.** A Participant may elect to have the Plan Administrator use the Participant's vested Account Balance to purchase an annuity as described in Section 7.01 of the Plan.

- ☒ (a) **Involuntary Cash-Out Distribution.** A Participant who terminates employment with a vested Account Balance of \$5,000 or less will receive an Involuntary Cash-Out Distribution, unless elected otherwise under this AA §9-2. If a Participant's vested Account Balance exceeds \$5,000, the Participant generally must consent to a distribution from the Plan, except to the extent provided otherwise under this AA §9-2. See Section 7.03 of the Plan for additional rules regarding the Participant consent requirements under the Plan.
- ☒ (1) **No Involuntary Cash-Out Distributions.** The Plan does not provide for Involuntary Cash-Out Distributions. A terminated Participant must consent to any distribution from the Plan. (See Section 14.02(b) of the Plan for special rules upon Plan termination.)
- ☐ (2) **Involuntary Cash-Out Distribution threshold.** A terminated Participant will receive an Involuntary Cash-Out Distribution only if the Participant's vested Account Balance is less than or equal to \$_____.
- ☐ (3) **Application of Automatic Rollover rules.** The Automatic Rollover rules described in Section 7.05 of the Plan do not apply to any Involuntary Cash-Out Distribution below \$1,000, unless elected otherwise under this subsection (3). If this subsection (3) is checked, the Automatic Rollover provisions apply to all Involuntary Cash-Out Distributions (including those below \$1,000).
- ☐ (4) **Distribution upon attainment of stated age.** Participant consent will not be required with respect to distributions made upon attainment of Normal Retirement Age (or age 62, if later), regardless of the value of the Participant's vested Account Balance.
- ☐ (5) **Treatment of Rollover Contributions.** Unless elected otherwise under this subsection (5), Rollover Contributions will be excluded in determining whether a Participant's vested Account Balance exceeds the Involuntary Cash-Out threshold for purposes of applying the distribution rules under this AA §9 and the Automatic Rollover provisions under Section 7.05 of the Plan. To include Rollover Contributions in determining whether a Participant's vested Account Balance exceeds the Involuntary Cash-Out threshold, check this subsection (5).

- ☐ (2) the last day of the Plan Year during which the Participant terminates employment.
- ☐ (3) the first Valuation Date following the Participant's termination of employment.
- ☐ (4) the end of the calendar quarter following the date the Participant terminates employment.
- ☐ (5) Describe: _____
- [Note: Any special rules under this subsection (5) must be definitely determinable.]*
- ☐ (c) **Alternate Cash-Out distribution threshold.** Instead of a vested Account Balance Cash-Out threshold of \$5,000, for purposes of applying the Cash-Out distribution provisions under this AA §9-3, the threshold for distributions upon termination of employment will be based on a vested Account Balance of \$____.
- ☐ (d) **Describe additional distribution options:** _____
- [Note: Any additional distribution option described in this subsection (d) may not be subject to the discretion of the Employer or Plan Administrator.]*

9-4 DISTRIBUTION UPON DISABILITY. Unless designated otherwise under this AA §9-4, a Participant who terminates employment on account of becoming Disabled may receive a distribution of his/her vested Account Balance in the same manner as a regular distribution upon termination.

9-5 DETERMINATION OF BENEFICIARY.

- (a) **Default beneficiaries.** Under Section 7.07(c) of the Plan, to the extent a Beneficiary has not been named by the Participant (subject to the spousal consent rules) and is not designated under the terms of the Investment Arrangement(s) to receive all or any portion of the deceased Participant's death benefit, such amount shall be distributed to the Participant's surviving Spouse (if the Participant was married at the time of death) who shall be considered the designated Beneficiary. If the Participant does not have a surviving Spouse at the time of death, distribution will be made to the Participant's surviving children (including legally adopted children, but not including step-children), as designated Beneficiaries, in equal shares. If the Participant has no surviving children, distribution will be made to the Participant's estate.
- ☐ If this subsection (a) is checked, the default beneficiaries under Section 7.07(c) of the Plan are modified as follows:
- ☐ (1) The Plan adopts the default beneficiary rules under Section 7.07(c) of the Plan, except, if the Participant does not have a surviving Spouse at the time of death, distribution will be made to the Participant's children (including legally adopted children, but not including step-children), as designated Beneficiaries, **per stirpes**.
- ☐ (2) Describe other modifications to the default beneficiaries under Section 7.07(c) of the Plan: _____
- [Note: The description of the modifications to the default beneficiaries must be sufficiently clear for the Plan Administrator to determine the beneficiaries and the method of distribution of the Participant's death benefit.]*
- (b) **One-year marriage rule.** For purposes of determining whether an individual is considered the surviving Spouse of the Participant, the determination is based on the marital status as of the date of the Participant's death, unless designated otherwise under this subsection (b).
- ☐ If this subsection (b) is checked, in order to be considered the surviving Spouse, the Participant and surviving Spouse must have been married for the entire one-year period ending on the date of the Participant's death. If the Participant and surviving Spouse are not married for at least one year as of the date of the Participant's death, the Spouse will not be treated as the surviving Spouse for purposes of applying the distribution provisions of the Plan. (See Section 9.03 of the Plan.)
- (c) **Divorce of Spouse.** Unless elected otherwise under this subsection (c), if a Participant designates his/her Spouse as Beneficiary and subsequent to such Beneficiary designation, the Participant and Spouse are divorced, the designation of the Spouse as Beneficiary under the Plan is automatically rescinded as set forth under Section 7.07(c)(6) of the Plan.
- ☐ If this subsection (c) is checked, a Beneficiary designation will not be rescinded upon divorce of the Participant and Spouse.
- [Note: Section 7.07(c)(6) of the Plan and this subsection (c) will be subject to the provisions of a Beneficiary designation entered into by the Participant. Thus, if a Beneficiary designation specifically overrides the election under this subsection (c), the provisions of the Beneficiary designation will control. See Section 7.07(c)(6) of the Plan.]*

- ☐ (f) In determining whether a Participant has an immediate and heavy financial need for purposes of applying the non-safe harbor Hardship provisions under Section 7.10(e)(2) of the Plan, the following modifications are made to the permissible events listed under Section 7.10(e)(1) of the Plan: _____

[Note: This subsection (f) may only be used to the extent a non-safe harbor Hardship distribution is authorized under AA §10-1 or AA §10-2.]

- ☐ (g) If the Plan includes Accounts that hold inactive sources of contributions, the Employer may designate under this AA §10-3(g) the in-service distribution options available to such Accounts: _____

- ☐ (h) Other distribution rules: _____

10-4 REQUIRED MINIMUM DISTRIBUTIONS.

- (a) **Required distributions after death.** If a Participant dies before distributions begin and there is a Designated Beneficiary, the Participant or Beneficiary may elect on an individual basis whether the 5-year rule (as described in Section 8.06(a) of the Plan) or the life expectancy method described under Sections 8.02 of the Plan applies. See Section 8.06(b) of the Plan for rules regarding the timing of an election authorized under this AA §10-4.

Alternatively, if selected under this subsection (a), any death distributions to a Designated Beneficiary will be made only under either the 5-year rule or the life expectancy method, as elected below:

- ☐ (1) The five-year rule under Section 8.06(a) of the Plan applies (instead of the life expectancy method). Thus, the entire death benefit must be distributed by the end of the fifth year following the year of the Participant's death. Death distributions to a Designated Beneficiary may not be made under the life expectancy method.
- ☐ (2) The life expectancy method under Sections 8.02 and 8.04 of the Plan (and not the 5-year rule).

- ☐ (b) **Describe any special rules applicable to required minimum distributions:** _____

[Note: Any special rule under this subsection (b) must satisfy the requirements of Code §401(a)(9). This subsection (b) may be used to override the default provision under Section 8.06(b) of the Plan. APPENDIX B LOAN POLICY

Use this Appendix B to identify elections dealing with the administration of Participant loans. These elections may be changed without amending this Adoption Agreement by substituting an updated Appendix B with new elections. Any modifications to this Appendix B, or any modifications to a separate loan policy describing the loan provisions selected under the Plan, will not affect an Employer's reliance on the IRS Favorable Letter. Loans are subject to any internal limitations or rules imposed by the Investment Arrangement or the service provider or platform.

B-1 Are **PARTICIPANT LOANS** permitted? (See Section 13 of the Plan.)

- ☐ (a) Yes

☐ (b) Loans will be provided under a separate written loan policy. [**Note:** If this subsection (b) is checked, do not complete the rest of this Appendix B.]

B-3 **AVAILABILITY OF LOANS.** Participant loans are available to all active Participants and Beneficiaries. Participant loans are not available to a former Employee or Beneficiary (including an Alternate Payee under a QDRO). To override this default provision, complete this AA §B-3:

B-4 **LOAN LIMITS.** The default loan policy under Section 13.03 of the Plan allows Participants to take a loan provided all outstanding loans do not exceed 50% of the Participant's vested Account Balance. To override the default loan policy to allow loans up to \$10,000, even if greater than 50% of the Participant's vested Account Balance, check this AA §B-4.

B-5 **NUMBER OF LOANS.** The default loan policy under Section 13.04 of the Plan restricts Participants to one loan outstanding at any time. To override the default loan policy and permit Participants to have more than one loan outstanding at any time, complete subsection (a) or (b) below.

- ☐ (a) A Participant may have ____ loans outstanding at any time.
☐ (b) There are no restrictions on the number of loans a Participant may have outstanding at any time.

Submission of grant proposal to Texas Workforce Commission in the amount of \$476,547 for Adult Education division to implement a Family Math Literacy Initiative (FMLI) by collaborating with Sylvan Learning Center to create a statewide FMLI Call Center.

Subject:

Grant proposal; Adult Education; Texas Workforce Commission; Statewide Family Math Literacy Initiative (FMLI) Call Center

Rationale:

Center for Grants Development assisted the Adult Education division with an application to the Texas Workforce Commission in the amount \$476,547 to create a statewide FMLI Call Center in collaboration with Sylvan Learning Center in Spring, Texas.

The FMLI Call Center will target parents or caretakers of families and individuals who: 1) are basic skill deficient; or 2) lack a high school diploma or its recognized equivalent; or 3) are English Language Learners; and 4) are AEL-eligible participants who are not currently served by a AEL provider. The call center will provide services to 400 participants and their families a month and 4,800 30-minute sessions annually that focus on learning basic math operations and enhancing digital skill building.

The grant will cover the cost for 25.5 FMLI staff members: 1) a project manager; 2) two instructional coaches; 3) two and a half general clerks and 20 teachers. Working with Sylvan Learning Center, the call center will have 20 part-time, rotating teachers who will provide instruction throughout the week and weekends from 7:00 a.m. to 10:00 p.m. Teachers will use the Zoom platform to deliver instruction to the participants. The platform is equipped with editable virtual whiteboard functionality.

These services are provided in four phases: Phase One - Recognition: Recognizing participants and their families with a unique need for math on a consistent basis or one time basis. It is important that the teacher provides the center information. Phase Two - Pre-Referral: The center will receive the call, greet, and provide a positive setting climate. This intervention is to identify the need with the purpose to develop a relationship and identify the extent of the question and services needed. An assessment is sent with a link to the student to complete. Phase Three - Referral to Certified Teacher: Teacher will develop and implement educational strategies and work with the participants and their families to solve the problem or area of need in math. Phase Four - Feedback: A survey is sent to the student upon completion of the call center service(s). A follow up (phone-call, text, email) is made 48 hours after service provided through call center staff. All services, including calls answered, are provided in English and in Spanish; half of the teachers will be bilingual.
