Grant No. 06CH011535**Dear Head Start Grant Recipient:**

The Consolidated Appropriations Act, 2022, contains an increase for Head Start of approximately \$289 million over the Fiscal Year (FY) 2021 level. This includes a cost-of-living adjustment (COLA) of \$234 million and a \$52 million Quality Improvement investment. The COLA supports a 2.28 percent adjustment above FY 2021 funding levels to increase the pay scales of Head Start and Early Head Start staff, including vacant positions, fringe benefits, and to offset higher operating costs. Quality Improvement funds are allocated proportionately based on federal funded enrollment levels, with additional adjustments given to smaller grant recipients to allow for a meaningful investment, as permitted by the Act.

The following table reflects the COLA and Quality Improvement increases available for FY 2022.

Funding Type	Head Start	Early Head Start
Cost-of-Living Adjustment (COLA)	\$249,997	\$29,236
Quality Improvement (QI)	\$52,043	\$5,089
Total Funding	\$336,365	

Please note, these permanent increases are effective at the start of the FY 2022 budget period and are retroactive if this period has already commenced. Allocations are subject to adjustment if changes are made to annual

funding/enrollment levels. Applicable to recipients operating both a Head Start and Early Head Start program, allocations for each funding type by program must be budgeted accordingly in application submissions.

Application Submission Requirements

The supplemental application is due **June 1, 2022** and must be submitted in the [Head Start Enterprise System \(HSES\)](#). To apply, please select the **Financials** tab, **Grant Application** tab, **Fiscal Year 2022**, and add the **'Supplement – COLA and Quality Improvement'** amendment type. No other application type for these funds will be accepted. For additional information on the allowable uses of COLA and Quality Improvement funding, refer to Program Instruction ACF-PI-HS-22-02.

Content of 'Supplement – COLA and Quality Improvement' Application

Applications must include separate project narratives and detailed budget justifications for each funding type, COLA and Quality Improvement, and by program, Head Start and/or Early Head Start. Each narrative must use 12-point font, and not exceed 10 pages. All narratives, budget justifications, and other supporting documentation must be uploaded into respective folders within the **Documents** tab of the application.

For COLA, the following must be demonstrated:

- A permanent increase of no less than the required 2.28 percent adjustment to the pay scale for each Head Start/Early Head Start position, including current employees and unfilled vacancies subject to the provisions of Sections 653 and 640(j) of the Head Start Act;
- A rationale and supporting documentation detailing agency policies and procedures if a position is receiving less than the required COLA percentage or differential COLA increases;
- The provision of a no less than 2.28 percent increase to all delegate agencies and partners or justification if less than the required percentage or differential increases are provided to delegate agencies and partners;
- Written confirmation that increases will be applied retroactively to the start of the FY 2022 budget period with a description of how funds will be distributed to affected employees, if applicable;
- The planned uses for any portion of the COLA funds to offset higher operating costs, once the 2.28 percent increase is provided to all staff, delegates and partners.

For Quality Improvement, the following must be demonstrated:

- Investments are consistent with Sec. 640(a)(5) of the Act (except programs are not bound by the requirements that at least 50 percent of the funds be used for staff compensation or that no more than 10 percent of funds be used on transportation. For more information on allowable activities as outlined in the Act, please see Attachment A);
- Investments made in Quality Improvement should be ongoing; description and written confirmation that funds will be used for ongoing purposes consistent with Section 640(a)(5) of the Act;

Grant Correspondence

- If funds are used for staff wages, written confirmation that increases will be applied retroactively to the start of the FY 2022 budget period with a description of how funds will be distributed to all affected employees.
- If funds are used for one-time activities in the FY 2022 budget period, describe plans for how the funds will be allocated in the subsequent budget period.

Recipients are strongly encouraged to commit to sustained quality improvement investments, such as further increasing wages of Head Start/Early Head Start educational staff. However, grant recipients have the flexibility to use these funds to support the greatest local needs, consistent with Section 640(a)(5) of the Act.

Application's Budget Tab Requirements

The data entered on the Budget tab within the application populates the SF-424A. Grantees are required to include funds for both COLA and Quality Improvement, and within the appropriate program, Head Start or Early Head Start.

Non-Federal Match

The budget and detailed budget justification must include each source of non-federal match, including estimated amount per source and the valuation methodology. Flexibilities continue for waiver requests of the non-federal match requirement through the public health emergency due to the COVID-19 pandemic. If a non-federal match waiver is being request, a value of \$0 must be entered in Section C of the SF-424A of the application. No additional justification is required, and the issuance of a notice of award constitutes approval of the request.

Supporting Documents

Signed statements of the Governing Body and Policy Council Chairs along with Governing Body and Policy Council minutes documenting each group's participation in the development and approval of the application must be provided. Through the public health emergency, at a minimum a statement confirming approval by Governing Body and Policy Council members available for contact will be accepted.

2 CFR SECTION 200 REQUIRED PROVISIONS

ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions are required and apply only when the District expends federal funds for any contract resulting from this procurement process. Accordingly, the parties agree that the following terms and conditions apply to the Contract between the District and vendor ("Vendor") in all situations where Vendor has been paid or will be paid with federal funds, and only to the extent applicable to the contract type or dollar amount:

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

APPENDIX II TO 2 CFR PART 200

(A) *[Applicable ONLY to contracts in excess of \$250,000.]* Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) *[Applicable ONLY to contracts in excess of \$10,000.]* Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

(C) *[Applicable ONLY to federally assisted construction contracts.]* Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when the District expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) *[Applicable ONLY to prime construction contracts in excess of \$2,000 where federal funds are being used for the project]* Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when FBISD expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) *[Applicable ONLY to contracts in excess of \$100,000 involving mechanics or laborers.]* Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when the District expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by the District resulting from this procurement process.

(F) **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

(G) [Applicable ONLY to contracts in excess of \$250,000.] Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$250,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

(I) [Applicable ONLY to contracts in excess of \$100,000] Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by the District, Vendor certifies that during the term and after the awarded term of an award for all contracts by the District resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative

agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

(J) Procurement of Recovered Materials – When federal funds are expended, the District and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Pursuant to Federal Rule (J) above, when federal funds are expended by the District, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the vendor certifies, by signing this document, that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

(K) Domestic Preferences for Procurements – As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of 2 CFR Part 200.322, "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Moreover, for purposes of 2 CFR Part 200.322, "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum, plastics and polymer-based products such as polyvinyl chloride pipe, aggregates such as concrete, glass, including optical fiber, and lumber.

Pursuant to Federal Rule (K) above, when federal funds are expended by the District, vendor certifies, by signing this document, that to the greatest extent practicable vendor will provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

(L) Ban on Foreign Telecommunications – Federal grant funds may not be used to purchase equipment, services, or systems that use "covered telecommunications" equipment or services as a substantial or essential component of

any system, or as critical technology as part of any system. "Covered telecommunications" means purchases from Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities), and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Pursuant to Federal Rule (L) above, when federal funds are expended by the District, vendor certifies, by signing this document, vendor will not purchase equipment, services, or systems that use "covered telecommunications", as defined by 2 CFR §200.216, equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

Part 18).

CERTIFICATION OF EQUAL EMPLOYMENT STATEMENT

It is the policy of the District not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

[Only Applicable to Contracts funded under the National School Lunch Program] The Buy American regulations promulgated by USDA and TDA require public school districts to purchase domestically grown and processed food to the maximum extent practicable. The food product must consist of agricultural commodities that were grown domestically, unless an authorized exception exists and has been approved by the District.

During the 85th Legislative Session (2017), the State of Texas enacted two additional requirements affecting all government contracts for goods and services.

All government contracts for goods and services signed after September 1, 2017 must include required provisions from HB 89 (Certification Regarding Israel), and language to implement SB 252 (Verification Regarding Terrorist Organizations).

In accordance with Texas Government Code Chapter 2252, Subchapter F, Contractor certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, the Government of Iran, the Government of Sudan, or a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State.

Contractor further certifies and verifies that, pursuant to Texas Government Code Chapter 2270, neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and Contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of Agreement with Fort Bend ISD.

Recommendation

Consideration and possible approval of authorizing the Acting Superintendent or her designee to execute agreements with the authorized residential and day treatment service providers listed in the table below as needed for the 2021-22 school year:

Residential Treatment Service Providers	Day Treatment Service Providers
Avondale House	Avondale House
Bayes Achievement Center	Harris County Department of Education
Devereux Foundation-League City	Monarch School and Institute
Shiloh Treatment Center, Inc.	Providence Treatment Center
The Texas Hill Country School	River Oakes Academy
Whispering Hills Achievement Center	Shiloh Treatment Center, Inc.

The approval of this recommendation will allow the District to respond to the immediate needs of students who require such services in FY22.

Summary

Each year, districts are required under federal guidelines to set aside 25 percent of IDEA funds for residential and non-public day school services. Student placement in a residential or day treatment setting occurs at the recommendation of the Admission, Review, and Dismissal (ARD) Committee after all other resources for special education services within the District have been exhausted. The set aside amount for 2021-22, at the required percentage for the District, is \$3,178,709. In 2020-21, the District contracted approximately \$2,241,545 for student services in such facilities. Based upon history, the District does not anticipate expending the total amount, but is required to set the money aside for student situations not anticipated.

Interlocal Agreement
between Harris County Department of Education
& City of Cedar Park

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and City of Cedar Park, Texas, a local governmental entity and/or political subdivision (“LGE”), located in Cedar Park (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE.  - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.
- Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.
11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.

Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 **Contractor Inspection System:** Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 **Owner's Satisfaction:** All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall

be final and conclusive.

11.3 **Non-Conformance:** Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform:** If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures;
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance;
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on

those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor, and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 Close-Out Documentation: Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:
 - 1) Owner's Manual(s)
 - 2) MSDS
 - 3) Submittals (Ex: Paint colors, carpet, equipment, supplies, and etc.)
 - 4) Warranties
 - 5) Conditional Lien Release
 - 6) Copies of all applicable permits, licenses, and/or other regulatory documents.
- c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 Preservation: Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 Existing Improvements: Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 Traffic Control: Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

XIII. CLEANING UP AND REFUSE DISPOSAL

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner.

Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 Warranty: In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 Non-Conformance: Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 Restoration: Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 Third-Party Warranties: With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 Warranty Expiration: In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 Owner Liability: Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect

to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing, subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within forty-five (45) days of receipt of invoice. Undisputed amounts unpaid after the date on which payment is due shall bear interest pursuant to Texas Government Code Section 2251.025. Owner shall notify Contractor of an error or disputed amount in an invoice submitted for payment by Contractor no later than the 21st day after the date Owner receives the invoice and shall include in such notice a detailed statement of the amount of the invoice that is disputed, in accordance with Texas Government Code Section 2251.042(a). If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable; notwithstanding the foregoing, Owner may withhold from payments required no more than 110% of the disputed amount. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 **Payment Retention:** In the processing of progress payments, Owner shall retain a percentage of the estimated amount until final completion and acceptance of all Work performed under the Job Order as retainage as follows: if the Job Order is valued at less than \$5 million, Owner shall retain ten percent (10%); if the Job Order is valued at \$5 million or more, Owner shall retain five percent (5%). Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order. Per Tex. Gov't Code Section 2252.032(f), on application to Owner for final payment and release of retainage, Owner may withhold retainage if there is a bona fide dispute between Owner and the Contractor and the reason for the dispute is that labor, services, or materials provided by the Contractor, or by a person under the direction or control of the Contractor, failed to comply with the express terms of the Contract or if the surety on any outstanding surety bond executed for the Contract does not agree to the release of retainage. Owner shall provide to Contractor written notice of the basis on which Owner is withholding retainage under this section.

15.5 **Liquidated Damages:** Contractor is expected to complete each Job Order on a timely basis.

Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion. Execution of this Contract under these specifications shall constitute the agreement by Owner and Contractor that the liquidated damages amounts stated in the Job Order are the minimum value of the costs and actual and direct damages caused by failure of Contractor to complete the Work within the allotted or agreed extended times of completion (including Substantial or Final Completion), that such sums are liquidated direct damages and as all not be constructed to be as a penalty, and that such sums may be deducted from payments due Contractor if such delay occurs. Liquidated damages shall be in addition to, and not in lieu of, any other rights or remedies Owner may have against Contractor for failure to timely achieve each Job Order and/or phase of the scope of work.

15.6 **Right of Setoff:** In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 **Termination:** Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
 - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;
- e. Complete performance of the Work not terminated;

- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 Termination of Right to Proceed: If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:
 - i. acts of God or of the public enemy,
 - ii. acts of Owner in its contractual capacity,
 - iii. acts of another Contractor in the performance of a written Contract with Owner,

- b. Contractor, within seven (7) calendar days from the beginning of any such delay (unless extended by Owner), shall notify Owner in writing of the causes of delay. Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or

default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 **Effect of Termination:** Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. A cancellation made pursuant to this provision shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time.

19.1 Contractor shall purchase and maintain in effect during the term of this Contract insurance of the types and with minimum limits of liability as stated below. Such insurance shall protect Contractor from claims which may arise out of or result from Contractor's operations whether such operations are performed by Contractor or by any subcontractor or by anyone for whose acts any of them may be liable.

If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then Owner shall issue written notice to Contractor and Owner may terminate this Contract without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of Owner. The parties agree that this Contract and any Job Order issued by Owner are commitments of Owner's current revenue only. Every payment obligation of Owner under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this Contract or any Job Order, this Contract or any Job Order may be terminated by Owner at the end of the period for which funds are available.

** Workers in this classification may be entitled to a higher
minimum wage under Executive Order 14026 (\$15.00) or 13658
(\$11.25). Please see the Note at the top of the wage
determination for more information.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is

like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average

rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour

National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

C. Pursuant to the Prime Contract, the Prime Contract is subject to certain terms, conditions, and requirements, which are incorporated by reference herein for all purposes, including, but not limited to, the HHS Grants Policy Statement (“HHS GPS”). Unless an exception is specified, such terms, conditions, and requirements apply to Contractor and to a Subcontractor to the same extent that they apply to HCDE under the Prime Contract. 2. "Government" means the federal government entity established by the United States Constitution, including any part or sub-part of the legislative, executive, or judicial branches thereof.
3. 4. "Research Data" means the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, and excludes preliminary analyses; drafts of scientific papers; plans for future research; peer reviews; communications with colleagues; physical objects, such as laboratory samples, audio or video tapes; trade secrets; commercial information; materials necessary that a researcher must hold confidential until they are published, or similar information which is protected under law; and personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.
5. "Subcontractor" means a person or entity that has a direct contract with Contractor to perform a portion of the Work. The term "Subcontractor" is referred to throughout the Addendum as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include a person or entity that has a direct contract with HCDE.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or

specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the specifications and not shown on the drawings, or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

4.2 Shop Drawings: Shop drawings means drawings submitted to Owner by Contractor showing in detail:

- a. the proposed fabrication and assembly of structural elements;
- b. the installation (i.e., form, fit and attachment details) of materials or equipment; and
- c. the construction and detailing of elements of the Work.

Shop drawings include sketches, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and similar materials furnished by Contractor to explain specific portions of the Work. Owner may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under the Contract.

Any work done before such prior written approval by Owner shall be at Contractor's own risk and without any liability whatsoever to Owner.

4.4 "As-built" Drawings and Shop Manuals: Contractor is required to submit two complete sets of "as-built" drawings to Contractor within 30 days after project acceptance. "As builds" shall be submitted on paper as well as electronically. Contractor must also submit three copies of shop manuals at that time if equipment has been installed as part of the Job Order.

In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

VI. MATERIAL AND WORKMANSHIP

6.2 Contractor shall obtain Owner's prior written approval of the machinery and mechanical and other equipment to be incorporated into the Work. When requesting approval, Contractor shall furnish to Owner in writing the name of the manufacturer, the model number, and other information concerning the performance, capacity, nature, and rating of the machinery and mechanical and other equipment. When required by the Contract or by Owner, Contractor shall also obtain Owner's written approval of the material or articles which Contractor contemplates incorporating into the Work. When requesting approval, Job Order Contractor shall provide full information concerning the material or articles. Machinery, equipment, material and articles that do not have the required prior approval by Owner shall be installed or used at the Contractor's risk of subsequent rejection and Owner shall not be liable for any costs incurred by Contractor for said Machinery, equipment, material, articles.

7.8 **Representative:** Contractor shall designate a representative primarily responsible for the Work under this Contract and a specific Job Order. The designated representative shall act on behalf of Contractor with respect to all phases of the Work and shall be available as required for the benefit of any Job Order and Owner. The designated representative shall not be changed without prior written approval of Owner, which approval shall not be unreasonably withheld.

7.9 **Documentation:** Contractor shall fully document its project activities, in drawings, reports or other methods as appropriate to the scope of work and as identified in the Job Order Proposal and/or Job Order. Unless otherwise stated in the Job Order or provided by Owner, Contractor shall bear the cost of providing all plans, specifications and other documents used by Contractor and its consultants. **Owner will reimburse Contractor for the actual, documented costs of construction permits required for the performance of the Work as specified in the Job Order.** Unless otherwise stated in the Job Order, Contractor shall secure and pay for all governmental fees, licenses, and inspections necessary for the proper execution and completion of the Work.

 - ix. Any qualifications or conditions applicable to the Job Order Proposal; and
- f. After Contractor's submission of its Job Order Proposal, Owner will review the Job Order Proposal and either proceed to issuance of a Job Order or schedule a time to review the Job Order Proposal with Contractor and negotiate any changes, clarifications or modifications.
- g. Following the review of Contractor's Job Order Proposal, Owner shall issue Job Order in writing, in a form materially consistent with Attachment A hereto, incorporating any changes, clarifications or modifications to Contractor's Job Order Proposal made in the review process, and attaching the final Job Order Proposal as an exhibit.

- i. **Notice to Proceed:** If a Commence Date is not stated in the specific Job Order, Owner shall issue a written Notice to Proceed. Upon the Commencement Date specified in the Job Order or Notice to Proceed, Contractor is fully responsible for the scheduling, quality control, safety, and all other aspects of the management of the project detailed in the Job Order. Owner may make periodic inspections of the job site to ensure compliance; however, quality control is ultimately the Contractor's responsibility.
- j. **Quality Assurance/Quality Control Plan:** If requested by the Owner for a particular Job Order, Contractor shall submit, for Owner approval, a Quality Assurance/Quality Control Plan. This plan should address all aspects of quality control including responsibility for surveillance of work, documentation, trend analysis, corrective action and interface with the Owner's inspectors.
- k. **Weekly Reports:** Contractor is required to submit weekly progress reports on each active Job Order electronically or in paper form to Owner at the end of each work week, which shall include a current schedule.
- l. **Schedule:** Time is of the essence in rendering the services hereunder. The Job Order shall include a time schedule for each phase of the Work for the Job Order, and Contractor agrees to perform all obligations and render services in accordance with the schedule(s) established in the Job Order. In emergency or non-standard situations, Owner may require Contractor to complete a Job Order on an expedited basis. All Job Orders are to be completed within the timelines agreed to by Owner and Contractor as detailed in the Job Order. If Contractor falls behind the schedule detailed in the Job Order, Contractor shall take steps necessary to improve its progress, including those that may be reasonably required by Owner. Without additional cost to Owner, Owner may require Contractor to increase the number of shifts, overtime operations, days of work, and/or the amount of construction plant or equipment, and to submit for approval any supplementary schedule or schedules in chart form as Owner deems necessary to demonstrate how the approved rate of progress will be regained.
- m. **Emergency Work:** Contractor will give top priority to any emergency work Owner may have

and will allocate all resources necessary to accomplish such work in accordance with Owner's schedule requirements.

Owner will notify Contractor in writing of any material error or omission or other defect in the Work or any conflict in the contract documents that Owner becomes aware of, but Owner shall have no obligation or duty to investigate whether such faults, defects, or conflicts exist.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

- a. Conditions bearing upon transportation, disposal, handling, and storage of materials;
- b. The availability of labor, water, electric power, and roads;

10.2 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has satisfied itself as to the character, quality, and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information is reasonably ascertainable from an inspection of the site, including all exploratory work done by Owner, as well as from the drawings and specifications made a part of this Contract.

10.3 **Owner Furnished Utilities:** Owner shall provide, at no cost to Contractor, wet and dry utilities and toilet facilities that are existing and available at each site for Work performed under the Job Order. 10.4 **Asbestos Certification Statement:** If required by Owner, Contractor shall provide a certification statement for each Job Order, stating that no asbestos-containing materials or work is included within the scope of the Job Order. If required by Owner, Contractor shall provide, at completion of the Job Order, a notarized affidavit to Owner stating that no asbestos-containing materials or work was provided, installed, furnished or added to the project.

10.5 If required, Owner shall provide a survey in accordance with the Texas Asbestos Health Protection Rules prior to the commencement date of the Job Order. Contractor shall take whatever measures he deems necessary to insure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

- a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));
- b. National Emission Standards for Hazardous Air Pollutants (NESHAP—EPA 40 CFR 61, National Emission Standard for Asbestos;

10.6 **Differing Site Conditions:** Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

- a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or
- b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 **Investigation by Owner:** Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 **Equitable Adjustment:** No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 **Contractor Inspection System:** Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 **Owner's Satisfaction:** All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all

questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 Non-Conformance: Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 Failure to Conform: If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 Liability: Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures;
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance;
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 Use and Possession Prior to Completion: Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any

work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor, and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 Close-Out Documentation: Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:
 - 1) Owner's Manual(s)

 - 3) Submittals (Ex: Paint colors, carpet, equipment, supplies, and etc.)
 - 4) Warranties
 - 5) Conditional Lien Release
 - 6) Copies of all applicable permits, licenses, and/or other regulatory documents.
- c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 Preservation: Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 Existing Improvements: Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 Traffic Control: Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

XIII. CLEANING UP AND REFUSE DISPOSAL

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon

completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration:** Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing, subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within forty-five (45) days of receipt of invoice. Undisputed amounts unpaid after the date on which payment is due shall bear interest pursuant to Texas Government Code Section 2251.025. Owner shall notify Contractor of an error or disputed amount in an invoice submitted for payment by Contractor no later than the 21st day after the date Owner receives the invoice and shall include in such notice a detailed statement of the amount of the invoice that is disputed, in accordance with Texas Government Code Section 2251.042(a). If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable; notwithstanding the foregoing, Owner may withhold from payments required no more than 110% of the disputed amount. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 **Payment Retention:** In the processing of progress payments, Owner shall retain a percentage of the estimated amount until final completion and acceptance of all Work performed under the Job Order as retainage as follows: if the Job Order is valued at less than \$5 million, Owner shall retain ten percent (10%); if the Job Order is valued at \$5 million or more, Owner shall retain five percent (5%). Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order. Per Tex. Gov't Code Section 2252.032(f), on application to Owner for final payment and release of retainage, Owner may withhold retainage if there is a bona fide dispute between Owner and the Contractor and the reason for the dispute is that labor, services, or materials provided by the Contractor, or by a person under the direction or control of the Contractor, failed to comply with the express terms of the Contract or if the surety on any outstanding surety bond executed for the Contract does not agree to the release of retainage. Owner shall provide to Contractor written notice of the basis on which Owner is withholding retainage under this section.

15.5 Liquidated Damages: Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion. Execution of this Contract under these specifications shall constitute the agreement by Owner and Contractor that the liquidated damages amounts stated in the Job Order are the minimum value of the costs and actual and direct damages caused by failure of Contractor to complete the Work within the allotted or agreed extended times of completion (including Substantial or Final Completion), that such sums are liquidated direct damages and as all not be constructed to be as a penalty, and that such sums may be deducted from payments due Contractor if such delay occurs. Liquidated damages shall be in addition to, and not in lieu of, any other rights or remedies Owner may have against Contractor for failure to timely achieve each Job Order and/or phase of the scope of work.

15.6 Right of Setoff: In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 Termination: Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
 - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;

- e. Complete performance of the Work not terminated;
- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 Termination of Right to Proceed: If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:
 - i. acts of God or of the public enemy,
 - ii. acts of Owner in its contractual capacity,
 - iii. acts of another Contractor in the performance of a written Contract with Owner,

- b. Contractor, within seven (7) calendar days from the beginning of any such delay (unless extended by Owner), shall notify Owner in writing of the causes of delay. Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the

terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

17.3 **Effect of Termination:** Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

XVIII. CANCELLATION FOR CONFLICT OF INTEREST

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. XIX. INSURANCE

19.1 Contractor shall purchase and maintain in effect during the term of this Contract insurance of the types and with minimum limits of liability as stated below. Such insurance shall protect Contractor from claims which may arise out of or result from Contractor's operations whether such operations are performed by Contractor or by any subcontractor or by anyone for whose acts any of them may be liable.

- b. Owner be named as Additional Insured on all policies except Workers Compensation (Prohibited by Law).
- c. Waiver of Subrogation added by endorsement on all policies.

19.4 The limits of liability as required above may be provided by a single policy of insurance or by a combination of primary, excess or umbrella policies. In no event, however, shall the total limits of liability available for any one occurrence or accident be less than the amount(s) required above.

19.5 Proof of compliance with these insurance requirements shall be furnished to Owner in the form of an original certificate of insurance signed by an authorized representative or agent of the insurance company(ies) upon execution of this Contract. 19.6 Contractor shall require any and all subcontractors performing Work under this Contract to carry insurance of the types and with limits of liability as Contractor shall deem appropriate and adequate for the Work being performed. 23.21 **Immunity:** Nothing in this Contract will be construed to waive, modify, or amend any legal defense available to Owner or any of Owner's past or present trustees, officers, agents, or employees, including, without limitation, governmental immunity from suit as provided by law.

** Workers in this classification may be entitled to a higher
minimum wage under Executive Order 14026 (\$15.00) or 13658
(\$11.25). Please see the Note at the top of the wage
determination for more information.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is

like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

<https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average

rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour

National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISIO"

ADDENDUM TO SERVICES AGREEMENT FOR HEAD START

THIS ADDENDUM to Services Agreement for HCDE Expenditures ("Addendum") shall amend, supplement, modify, delete and replace by substitution (or where applicable, be inserted as) the indicated provisions of the Agreement. Wherever the terms hereof are inconsistent with the Agreement, the terms hereof shall be controlling.

SUPPLEMENTARY TERMS OF AGREEMENT

1. Government Subcontract.

A. This Addendum between HCDE and Contractor is entered into in support of, and subject to the requirements of, the following U.S. Government Contract(s), as applicable: Grant Award Numbers 06HE000969, 06TD000179, 06TD000167, 06CH011535, 06TDT0101, and 06TD000058, between HCDE and the U.S. Department of Health and Human Services ("HHS") and any amendment(s) thereto, as well as any U.S. Government Contract or grant award hereinafter given to HCDE (collectively, the "Prime Contract"), which are incorporated herein by reference for all purposes.

B. The Parties agree that the recitation of any requirement of the Prime Contract in this Addendum shall in no way affect those requirements of the Prime Contract not recited herein or constitute a waiver thereof by either Party.

C. Pursuant to the Prime Contract, the Prime Contract is subject to certain terms, conditions, and requirements, which are incorporated by reference herein for all purposes, including, but not limited to, the HHS Grants Policy Statement ("HHS GPS"). Unless an exception is specified, such terms, conditions, and requirements apply to Contractor and to a Subcontractor to the same extent that they apply to HCDE under the Prime Contract. Any reference herein to the obligations or requirements of the Prime Contract includes any and all such terms, conditions, and requirements.

D. In the event that Contractor enters into a Subcontract, Contractor must include in any such Subcontract all applicable terms, conditions, and requirements of the Prime Contract. Contractor must also include any additional requirements imposed by this Addendum. If required by the Prime Contract or by this Addendum, Contractor shall recite specific terms, conditions, and requirements in any Subcontract including, but not limited to, the terms of this Article 1.

E. The Parties agree that their performance under this Addendum shall comply with the requirements of the Prime Contract at all times and that, in the event of a conflict between this Addendum and the requirements of the Prime Contract, the requirements of the Prime Contract shall control.

F. Contractor agrees that the mutual obligations of the Parties created by the Prime Contract constitute a contract between Contractor and HHS with respect to the matters covered in the Prime Contract.

G. Definitions. As used in the clauses referenced below and otherwise in this Addendum:

1. "Work" means the doing of all things described in, and all tasks reasonably related to the work and services required by this Addendum, whether completed or partially completed, and includes all skill, labor, materials and supplies, resources, supervision, equipment, services, all things necessary, proper, or incidental to the carrying out and completion of the terms of this Addendum, and all other items of cost or value needed to perform and fulfill Contractor's obligations under this Addendum.

2. "Government" means the federal government entity established by the United States Constitution, including any part or sub-part of the legislative, executive, or judicial branches thereof.
3. "Data" means recorded information, regardless of form or the media on which it may be recorded, and includes writings, films, sound recordings, pictorial reproductions, drawings, designs, or other graphic representations, procedural manuals, forms, diagrams, work flow charts, equipment descriptions, data files, data processing or computer programs (software), statistical records, and other research data.
4. "Research Data" means the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, and excludes preliminary analyses; drafts of scientific papers; plans for future research; peer reviews; communications with colleagues; physical objects, such as laboratory samples, audio or video tapes; trade secrets; commercial information; materials necessary that a researcher must hold confidential until they are published, or similar information which is protected under law; and personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.
5. "Subcontractor" means a person or entity that has a direct contract with Contractor to perform a portion of the Work. The term "Subcontractor" is referred to throughout the Addendum as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include a person or entity that has a direct contract with HCDE.
6. "Subcontract" means a direct contract between Contractor and a Subcontractor to perform a portion of the Work and does not include any contract to which HCDE is a party.
7. "Forced Labor" means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
8. "Private Entity" means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR 175.25 and includes a nonprofit organization, including any nonprofit institution of higher education, hospital, or tribal organization other than one included in the definition of Indian tribe at 2 CFR 175.25(b), and a for-profit organization.
9. "Severe forms of trafficking in persons," "commercial sex act," and "coercion" have the meanings given at section 103 of the Trafficking Victims Protection Act of 2000 ("TVPA"), as amended (22 U.S.C. 7102).

2. Access to Records.

Contractor shall retain financial records, supporting documents, statistical records, and all other records pertinent to this Addendum for a period of three years from the last day of the Term. The only exceptions to the aforementioned records retention requirements are the following:

1. If any litigation, dispute, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, dispute, or audit findings involving the records have been resolved and final action is taken.
2. Records for real property and equipment acquired with Federal funds shall be retained for three years after final disposition.

A. HHS, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of Contractor that are pertinent to this Addendum, in order to make audits, examinations, excerpts, transcripts, and copies of such documents. This right also includes timely and reasonable access to Contractor's personnel for the purpose of interview and discussion related to such documents. The rights of access provided for in this Addendum are not limited to the required retention period, but shall last as long as the records are retained.

B. With respect to subcontracts under this Addendum, HHS shall retain the right to conduct a financial review, require an audit, or otherwise ensure adequate accountability of organizations expending HHS funds. Contractor agrees to include in any subcontract made under this Addendum the requirements of this Article.

3. Intellectual Property.

A. Subject to the requirements of the Bayh-Dole Act of 1980, as implemented in 37 CFR part 401, and as amended by the Technology Transfer Commercialization Act of 2000 (P.L. 106-404), HCDE shall possess the legal ownership, right, and title to any Data, Research Data, writings, software, designs, materials, discoveries, inventions, or any other type of intellectual property made or conceived by Contractor or a Subcontractor in the course of or in connection with this Addendum. Contractor agrees to promptly and completely inform and disclose to HCDE all such Data, Research Data, writings, software, designs, materials, discoveries, inventions, or any other type of intellectual property that Contractor may have acquired during the Term of this Addendum that pertain or relate to the business of HCDE or to any work carried on by HCDE, whether conceived by Contractor or not. All such Data, Research Data, writings, software, designs, materials, discoveries, inventions, or any other type of intellectual property shall be the exclusive property of HCDE. Without waiving its rights to possess exclusive legal ownership to any and all intangible property acquired under this Addendum and expressly subject thereto, as to any intangible property for which HCDE does not become the exclusive legal owner, Contractor hereby grants a royalty-free, nonexclusive and irrevocable right to HCDE to reproduce, publish, prepare derivative works or otherwise use the work for HCDE's purposes, and to authorize others to do so.

B. Data Rights: In all cases, whether HHS funded all or part of the project or program resulting in the Data, the Government shall be given a royalty-free, nonexclusive, and irrevocable license for the Government to reproduce, publish, or otherwise use the Data and to authorize others to do so for Government purposes. Data developed by Contractor or a Subcontractor is also subject to this requirement.

C. Access to Research Data: As required by 45 CFR 74.36, Contractor and a Subcontractor must release Research Data first produced in a project supported in whole or in part with Federal funds that are cited publicly and officially by a Federal agency in support of an action that has the force and effect of law.

D. Contractor agrees to include in any subcontract made under this Addendum the requirements of this Article.

4. Review of Progress and Site Visits.

Contractor will meet all timelines mutually established by Contractor and HCDE. HCDE reserves the right to monitor the progress of Contractor. HHS, through authorized representatives, has the right, at all reasonable times, to make site visits to review project accomplishments and management control systems and to provide such technical assistance as may be required. If any site visit is made by HHS on the premises of Contractor or a Subcontractor under this Addendum, Contractor shall provide and shall require its Subcontractors to provide all reasonable facilities and assistance for the safety and convenience of the Government representatives in the performance of their duties. All site visits and evaluations shall be performed in such a manner that will not unduly delay the Work.

5. Trafficking in Persons.

A. As used in this Article, "Employee" means either: (1) an individual employed by Contractor or by a Subcontractor under this Addendum who is engaged in the performance of the Work under this Addendum; or (2) another person engaged in the performance of the Work under this Addendum and not compensated by Contractor or by a Subcontractor under this Addendum including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.

B. If Contractor is a Private Entity, Contractor, an Employee of Contractor, a Subcontractor under this Addendum, and an Employee of a Subcontractor under this Addendum may not:

D. If Contractor is other than a Private Entity, HCDE may immediately and unilaterally terminate this Addendum, without penalty, if a Subcontractor under this Addendum that is a Private Entity:

E. Regardless of whether Contractor and a Subcontractor under this Addendum is a Private Entity, Contractor and a Subcontractor under this Addendum must inform HCDE immediately of any information Contractor or a Subcontractor under this Addendum receives from any source alleging a violation of a prohibition in paragraph B of this Article.

F. HCDE's right to terminate unilaterally under this Article:

1. Implements section 106(g) of the TVPA, as amended (22 U.S.C. 7104(g)); and
2. Is in addition to all other remedies for noncompliance that are available to HCDE under this Addendum.

G. Contractor and a Subcontractor under this Addendum must include the requirements of paragraph B of this Article in any subcontract to this Addendum that Contractor or a Subcontractor under this Addendum makes with a Private Entity.

6. Nondiscrimination.

A. Contractor agrees not to discriminate against any of Contractor's employees or applicants for employment because of race, color, national origin, sex, religion, age, or handicap.

B. Contractor agrees to comply with Title VI of the Civil Rights Act of 1964 (Public Law 88-352; 42 U.S.C. 2000d-1) and to file Form HHS 690, Assurance of Compliance. Contractor must recite the terms of this paragraph B in any Subcontract. Contractor is responsible for determining whether a Subcontractor has the required assurance on file and, if not, ensuring that it is on file.

C. Contractor agrees to comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101 et. seq.) as implemented by the Department of Health and Human Service regulations at 45 CFR 90. In the event Contractor passes on HHS financial assistance to any Subcontractor under this Addendum, this provision shall apply to any such Subcontractor, and the instrument under which the Federal financial assistance is passed to any such Subcontractor shall contain a provision identical to this provision.

D. Contractor agrees to comply with E.O. 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR, 1964-1965 Comp., p. 339), as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." In the event Contractor passes on HHS financial assistance to any Subcontractor under this Addendum, this provision shall apply to any such Subcontractor, and the instrument under which the Federal financial assistance is passed to any such Subcontractor shall contain a provision identical to this provision.

7. Cost Principles.

A. Contractor is subject to the Cost Principles stated in the HHS GPS that are otherwise applicable to its type of organization and to any requirements placed on it by HCDE in order for HCDE to comply with the terms and conditions of the Prime Contract.

B. Documentation: The basis for determining the valuation of personal services, materials, equipment, buildings, and land must be verifiable from the records of Contractor. Volunteer services, to the extent feasible, should be supported by the same level of documentation used by Contractor for its own employees, including time and attendance records.

C. HCDE may not approve any action or cost that is inconsistent with the purpose or terms and conditions of the Prime Contract. If an action by Contractor or a Subcontractor will result in a change in the project/program scope or budget requiring HHS approval, HCDE must obtain that approval from HHS before giving its approval to Contractor or a Subcontractor. Failure of HHS to grant such approval, and the repercussions thereof, shall not constitute a breach by HCDE of this Addendum.

D. Contractor must recite the requirements of this Article in any Subcontract.

E. In the event that any payment(s) to Contractor under this Addendum are subsequently disallowed by HHS or in the event that HCDE is required to refund any funding received from HHS or other granting agency relating to Contractor's Work, to the maximum extent permitted by applicable law, Contractor shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to Contractor under this Addendum.

8. Changes & Amendments.

Contractor shall, at the request of HCDE, accept changes and amendments to this Addendum to incorporate additional provisions herein or to change provisions hereof, as HCDE may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract. If any such amendment to this Addendum causes an increase or decrease in the estimated cost of, or the time required for performance of any part of the Work under this Addendum, HCDE and Contractor will use their best efforts to mutually agree upon an equitable adjustment.

9. Debarment and Suspension.

Organizations or individuals that are suspended, debarred, declared ineligible, or voluntarily excluded from eligibility for covered transactions by any Federal department or agency cannot, during the period of suspension, debarment, or exclusion, receive HHS grants or be paid from HHS grant funds. As a condition of this Addendum, Contractor agrees, and must recite a requirement in any Subcontract, to comply with the requirements of 45 CFR part 76. This includes, but is not limited to, a requirement that, before entering into a covered transaction, Contractor or a Subcontractor must verify that the entity is not suspended, debarred, or otherwise excluded. This verification may be accomplished by checking the Excluded Parties Listing System. The Excluded Parties List System contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

10. Lobbying.

This Article applies to the extent this Addendum or any Subcontract is expected to or exceeds \$100,000: Contractor and any Subcontractor are prohibited by 31 U.S.C. 1352, "Limitation on use of appropriated funds to influence certain Federal contracting and financing transactions," from using appropriated funds to pay any person for influencing or attempting to influence any officer or employee of an agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress with respect to the award, extension, continuation, renewal, amendment, or modification of the Prime Contract, this Addendum, any Subcontract, or any other Federal award. Contractor and a Subcontractor are required to certify that they have not made, and will not make, such a prohibited payment; will be responsible for reporting the use of non-appropriated funds for such purposes; and will include these requirements in any

Subcontract that will exceed \$100,000 and will obtain necessary certifications from those Subcontractors. Contractor and any Subcontractor shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. All such disclosures shall be forwarded to HCDE.

13. Termination.

A. In the event that the Prime Contract is terminated, HCDE may immediately terminate this Addendum, by written notice to Contractor. Upon such termination, HCDE will be responsible for payment to Contractor of costs incurred prior to such termination only to the extent those costs are included in the final payment received by HCDE from HHS.

B. HCDE's right to terminate under this Article is in addition to all other remedies for noncompliance that are available to HCDE under this Addendum or provided by law or equity.

C. Contractor must submit a final invoice to HCDE within thirty days after the termination date.

14. Ownership/Protection of HCDE's Confidential Information.

A. To assist Contractor in the performance of Contractor's duties and Scope of Work, HCDE agrees to provide to Contractor training regarding HCDE's business methods and access to certain confidential and proprietary information and materials belonging to HCDE and/or to vendors of HCDE and/or participants in HCDE's programs or services (hereinafter "vendors and/or participants"). B. Contractor understands and agrees that all Confidential Information and every portion thereof constitutes valuable property of HCDE and/or vendors and/or participants, and Contractor further acknowledges the importance of maintaining the security and confidentiality of the Confidential Information.

C. Contractor agrees to keep the Confidential Information, and all documentation, access, and information relating thereto, strictly confidential. - (5) return to HCDE all Confidential Information upon the termination of Contractor's relationship with HCDE for any reason.

D. The terms and conditions of this Article shall survive the termination of this Addendum.

15. Compliance with Laws.

Contractor agrees to comply with all federal, state, and local laws, rules, regulations, and ordinances, as applicable, including, but not limited to, Title 2 CFR Part 200, Title 2 CFR Part 215, Title 2 CFR Part 220, Title 2 CFR Part 225, Title 2 CFR Part 230, Title 45 CFR Part 74, Title 45 CFR Part 75, Title 45 CFR Part 92, and Title 45 CFR Part 93. RECITALS:

The Harris County Attorney represents the County in all civil matters except where otherwise provided by law.

Under section 6.30 of the Texas Tax Code ("Tax Code"), the Harris County Attorney shall represent the County to enforce the collection of delinquent taxes if the Commissioners Court does not contract with a private competent attorney pursuant to subsection 6.30(c) of the Tax Code.

The Harris County Commissioners Court desires to contract with a private attorney for collection services under section 6.30 of the Tax Code with such contract being administered by the Harris County Attorney.

The law firm of LINEBARGER GOGGAN BLAIR & SAMPSON, LLP, a firm with substantial experience in the collection of delinquent *ad valorem* taxes, penalties and interest and other fees and costs due and owing to governmental entities, has represented and warranted that it is duly qualified under all applicable federal and state laws, rules and regulations to provide the collection services described in this Contract and has the staff, equipment and other legal, professional and technical resources reasonably necessary to perform state-of-the-art collection services for Harris County and the Participating Agencies.

On or before the 15th day of each month throughout the term of this Contract, the Tax Assessor-Collector shall pay the Firm all fees earned under this Contract by the Firm during the previous month. The Firm shall not seek reimbursement for, nor will the County or the Participating Agencies be obligated to pay for postage, mailing costs, telephone expenses, mileage, parking fees, or other costs or expenses (similar or dissimilar) incurred in connection with services provided by the Firm. Notwithstanding Section 1.9, any penalty assessed pursuant to sections 33.07, 33.08, or 33.11 of the Tax Code that has been paid to the Firm but was collected by the Tax Assessor-Collector due to a mistake, shall be refunded by the Firm to the Tax Assessor-Collector within thirty (30) days after the Firm

receives notice of same, and the Tax Assessor-Collector is hereby authorized to set off the amount of such obligations owed by the Participating Agencies to the Firm against fees owed by the Participating Agencies by the Firm.

1.6 Information/Data Control.

The Participating Agencies own and shall retain control over all of their tax collection records, including all information collected and supplied by the Firm in the process of keeping the tax collection records up to date. The Firm will protect all records and information owned by the Participating Agencies against unlawful exposure to third parties throughout the term of this Contract and thereafter for so long as such information remains confidential. The Firm shall not make any attempt to obtain information from the Participating Agencies that is not reasonably necessary to the performances of the Firm's obligation under this Contract. The Firm, at the request of the Participating Agencies shall provide any and all information or data collected by the Firm as part of its Services in the format requested by the Participating Agencies.

All files related to tax collection suits, whether maintained by the Participating Agencies or maintained in the offices of the Firm are the property of the Participating Agencies. The Firm must provide access of these files to the County Attorney. The Firm shall provide documents that are subject to the Texas Public Information Act. The Firm shall take the necessary precautionary steps to segregate and/or designate privileged documents to maintain the privilege.

1.7 Right of Inspection.

The Firm shall permit the Tax Assessor-Collector, the County Attorney, the County Auditor, and other designated officials, employees, agents or authorized representatives of the Participating Agencies, to visit and to inspect the premises on which the Firm's duties under this Contract are performed and to examine the books and records of the Firm which pertain to the duties and obligations of the Firm provided in or arising under this Contract, and during the course of such visits and inspections, to make copies and take extracts from said books and records at the Participating Agencies' expense and to discuss the performance of the Firm's duties with the officers, accountants, attorneys, agents and auditors of the Firm that are responsible for such duties. Such visits and/or inspections shall always take place at reasonable times but as often as the Participating Agencies may desire.

(b) If the Firm is notified that this Contract will be terminated, or if this Contract expires, the Firm shall use best efforts and due diligence to immediately make an orderly transition of all legal services provided by the Firm to the County Attorney, or to another firm of attorneys designated by the County, as approved by Commissioners Court.

(c) After receipt of notice of termination and until the effective date of termination, the Firm will continue with all of its tax collection efforts in good faith as provided in this Contract and with a full staff, keeping the County fully informed of its activities; *provided, however*, that after receipt of such notice, the Firm shall not intervene, file or institute any new delinquent tax collection suits, or mail collection notices without the approval of the County Attorney. Upon receipt of the notice of termination, the Firm must give the County Attorney prompt and adequate notice of any cases for which the statute of limitations will run within sixty (60) days of County's notice of termination and of other cases which must be filed to prevent imminent loss to the Participating Agencies. (g) Upon the expiration of this Contract or after receiving notice of termination, and solely at the direction of the County Attorney, the Firm shall prepare, sign, and file appropriate motions asking the court or master in each case to substitute the County Attorney, or another firm of attorneys designated by the County, as counsel of record for the Participating Agencies. After having provided notice of termination, and until the effective date of termination, the Participating Agencies expressly authorize the County Attorney, or another firm of attorneys designated by the County, to represent the Participating Agencies in any litigation in which a Participating Agency or the Harris County Tax Assessor-Collector's Office is a party.

(h) Failure to comply with time requirement of this section will result in the immediate forfeiture of any penalties, fees, expenses, and costs collected but not yet paid to the Firm.

(i) After the expiration or effective date of termination of this Contract, the Participating Agencies shall have no further obligation for compensation for amounts ultimately collected. After the expiration or effective date of termination of this Contract, all penalties, expenses and

fees provided for in Section 1.4, and all costs identified in Section 1.1.1(f), shall not become the property of the Firm when such penalties, fees, expenses, or costs are paid, regardless of whether they are paid before or after a judgment was obtained. The Participating Agencies shall have no obligation whatsoever to the Firm to pay such penalties, fees, expenses, or costs which are collected by the Participating Agencies, County Attorney, or a private attorney after the expiration or termination of this Contract. The Participating Agencies acknowledge that any penalties, fees, expenses, and costs that are collected prior to the expiration or termination of this Contract are payable to the Firm and will be paid to the Firm when reconciled.

Computer System License and Maintenance Agreement

This Computer System License and Maintenance Agreement (the “License Agreement”) is incorporated by reference into the Contract between Linebarger Goggan Blair & Sampson LLP (“Firm”) and Harris County (“County”) (each a “Party” and together, the “Parties”). By execution of the Contract, the Firm and the County agree to the terms of this License Agreement.

THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT BEGIN ON THE FOLLOWING PAGE. THIS LICENSE AGREEMENT MAY CONTAIN SEVERAL ATTACHED SCHEDULES, THE PAGES OF WHICH MAY NOT BE NUMBERED.

TABLE OF SCHEDULES

Schedule 1	Fee Schedule
Schedule 2	Service Level Agreement

TERMS AND CONDITIONS

1. Services.

1.1. County's Rights to Use the Services. Firm grants County a limited non-exclusive, non-transferable, worldwide right and license to access and use the Services for the duration of the Term (as defined herein) solely for the purposes of tax assessment and collection by or on behalf of County. The "**Services**" means the services provided by Firm that are described in Schedule 2 attached hereto and incorporated herein.

1.2. Service Levels. In providing the Services, Firm shall use commercially reasonable efforts to comply in all material respects with any service levels set forth in Schedule 2 ("**Service Level Agreement**"). Firm shall not be responsible for failing to meet a Service Level to the extent the failure is caused by County, a third party or a force or cause beyond Firm's reasonable control.

1.3. Rights of Firm. Firm shall be free to provide Services for others on an unrestricted basis. Firm may subcontract any portion of the Services so long as it provides the County with reasonable written notice, including, but not limited to, using third party server hosting services.

1.4. License Grant. If any Firm Software or Third Party Software (as those terms are defined in Section 2.1 below) is installed on hardware that is at the County's premises or is otherwise controlled by the County, then, subject to all of the terms of this Agreement, Firm hereby grants to County a limited, non-exclusive, non-sublicensable and non-transferrable license to access and use such Firm Software and Third Party Software during the Term of this Agreement, solely for the purposes of tax assessment and collection by or on behalf of County.

2. County Restrictions; Proprietary and other Rights.

2.1. Restrictions. County shall not, and shall not permit any third party to: (i) sublicense, resell, lease, transfer or assign to any third party the Services or any associated software owned by Firm ("**Firm Software**") or associated software owned by a third party ("**Third Party Software**"); (ii) duplicate, modify or make derivative works of any Firm Software or Third Party Software; or (iii) reverse engineer, decompile, disassemble, or translate any Firm Software or Third Party Software. County has no rights to the source code of the Firm Software or Third Party Software. County may not access the Services other than as expressly provided by Firm pursuant to this License Agreement. Access to the Services shall be limited by County to employees, contractors, consultants, representative or agents of County that are authorized by County to access and use the Services on County's behalf ("**Authorized Users**"). County shall be solely responsible for any activities that occur under its account with Firm, including the activities of its Authorized Users.

2.2. Data Rights. County grants Firm a royalty-free, non-exclusive, non-transferable, worldwide right and license to access and use in any media the data, information, trademarks and content of County ("**County Data**") to the extent Firm needs the County Data to provide the Services, to configure the format and other technical or display requirements of the Services, and to manipulate and display the County Data for processing transactions on behalf of County. The Services may be designed to collect transaction, connection and/or performance information for

use by Firm (“**Transaction Information**”). All County Data and Transaction Information: (i) is and shall remain the sole and exclusive property of County; (ii) shall not be used by Firm for any purpose other than the performance of its obligations and exercise of its rights under this License Agreement; and (iii) shall remain subject to all present and future legal requirements, including but not limited to the Texas Public Information Act.

2.3. Privacy Policy. County agrees that Firm and its affiliates may use any information County provides to Firm, including but not limited to, the County Data and Transaction Information for the purposes of this License Agreement and in a manner consistent with Firm’s then-current Privacy Policy as set forth at www.acttax.com which may be changed by Firm with reasonable notice. County agrees, however, that Firm is not responsible for any information County provides to third parties, and that the privacy policies, if any, of such third parties will govern the use and disclosure of such information.

2.4. Acceptable Use. County shall comply, and shall cause its Authorized Users to comply, with the then-current Acceptable Use Policy located at www.acttax.com, as it may be modified from time to time, at Firm’s sole discretion with reasonable notice (“**Use Policy**”). Firm shall notify County in writing of any Use Policy violation by County and County shall cure the violation within one business day of receipt of written notice of the violation. If the violation is by an Authorized User and the violation is not cured within this timeframe, County shall terminate that user’s access to the Service. If County fails to terminate the access of any Authorized User that continues to violate the Use Policy, Firm shall have the right to terminate this License Agreement upon reasonable written notice to County. County shall comply with all written policies related to the Services that are published or reasonably communicated by Firm and all reasonable written directives provided by Firm with respect to use of the Services that are reasonably designed by Firm to ensure efficient operation of the Services.

2.5. Proprietary Rights of Firm. The Services, the Firm Software, the Third Party Software and any trade secrets, know-how, methodologies and processes, copyrights, trademarks, patents, trade secrets, and any other proprietary and intellectual property rights associated with or inherent in the Services, the Firm Software or the Third Party Software are and shall remain the sole and exclusive property of Firm and its third party licensors and shall not be used by County for any purpose other than the performance of its obligations and exercise of its rights under this License Agreement.

3. Relationship Management. Firm and County shall each designate a representative (a “**Relationship Manager**”) for this License Agreement. Each Party shall have the right to change its Relationship Manager or designate an alternate by providing written notice to the other Party.

4. Fees. County will pay no fees for the Services, except for any fees that are contemplated by Schedule 1 or otherwise contemplated by Section 10.2 of this License Agreement.

5. Confidentiality.

5.1. Non-Disclosure Obligations. Except as is specifically required or permitted by this License Agreement, neither Party shall, without the express prior written consent of the other Party, redistribute, market, publish, disclose or divulge to any other person or entity, or use or

modify for use, directly or indirectly in any way for any person or entity: (i) any of the other Party's Confidential Information during the Term and for so long as such information constitutes Confidential Information (before or after the end of the Term); and (ii) any of the other Party's Trade Secrets at any time during which such information shall constitute a Trade Secret (before or after the end of the Term). The Parties agree that, during the Term and thereafter, each Party will hold Confidential Information and Trade Secrets in a fiduciary capacity for the benefit of the other Party and shall not (a) directly or indirectly use, copy, reproduce, distribute, manufacture, duplicate, reveal, report, publish, disclose or cause to be disclosed, or otherwise transfer any Confidential Information or Trade Secrets of the other Party to any third party, or (b) utilize Confidential Information or Trade Secrets for any purpose, except as expressly contemplated by this License Agreement or authorized in writing by the other Party. Each Party will limit the disclosure of the other Party's Confidential Information and Trade Secrets to employees, contractors or agents with a need-to-know, shall notify its employees, contractors and agents of their confidentiality obligations with respect to Confidential Information and Trade Secrets and shall require its respective employees, contractors and agents to comply with these obligations. Each Party shall be liable for any breach by any employee, contractor or agent of the confidentiality obligations contained herein.

5.2. Trade Secrets. For purposes of this License Agreement the following terms shall have the following meanings: "**Trade Secrets**" shall mean information (including, but not limited to, confidential business information, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans, lists of actual or potential customers or suppliers) that: (a) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. The Parties stipulate that the Services and the Firm Software and the Third Party Software and all intellectual property rights associated with those items shall constitute Trade Secrets of Firm and its licensors.

5.3. Confidential Information. "**Confidential Information**" shall mean, with respect to a Party, all valuable, proprietary and confidential information belonging to or pertaining to the Party that does not constitute a Trade Secret of the Party and that is not generally known by or available to the Party's competitors but is generally known only to the Party and those of its employees, contractors, clients or agents to whom such information must be confided for internal business purposes. Confidential Information does not include information that: (a) was in the possession of, or was rightfully known by, the recipient thereof without an obligation to maintain its confidentiality prior to receipt from disclosing Party; (b) is or becomes generally known to the public without violation of this License Agreement; or (c) is obtained by the recipient in good faith from a third Party having the right to disclose it without an obligation of confidentiality.

5.4. Required Disclosure. Notwithstanding the foregoing, either Party may disclose Confidential Information or Trade Secrets of the other Party in judicial or other government proceedings to the extent that the Party is legally compelled to do so, provided that the Party has notified the other Party in writing at least ten (10) days prior to disclosure and shall have used its best efforts to obtain, and shall have afforded the other Party a reasonable opportunity to

obtain, an appropriate protective or similar order providing for the confidential treatment of the Confidential Information or Trade Secrets required to be disclosed.

5.5. Injunctive Relief. Each Party acknowledges that any unauthorized disclosure or use of the other Party's Trade Secrets or Confidential Information would be likely to injure the other Party irreparably. Each Party acknowledges that its misuse or unauthorized disclosure of the other Party's Confidential Information or Trade Secrets shall entitle the other Party to injunctive or other equitable relief.

County represents and warrants to Firm that: (i) the County Data does not and shall not infringe on or violate any third party's intellectual property or other proprietary rights; (ii) County owns the County Data or otherwise has the right to place the County Data on the Firm's infrastructure in connection with the Services and to view and access the County Data through the Services; (iii) no further approval, authorization or consent of any governmental or regulatory authority is required to be obtained by it in order for it to enter into and perform its obligations under this License Agreement; and (iv) in connection with its use of the Services, it shall comply with all Laws and shall obtain all applicable permits and licenses.

6.3. Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS LICENSE AGREEMENT, FIRM MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR ANY WARRANTY OF NON-INFRINGEMENT. FIRM DOES NOT WARRANT THAT: (a) THE SERVICES AND ANY RELATED SOFTWARE WILL OPERATE UNINTERRUPTED; (b) SERVICE OR SOFTWARE ERRORS CAN BE CORRECTED; OR (c) THE APPLICATIONS CONTAINED IN THE SERVICES OR SOFTWARE ARE DESIGNED TO MEET ALL OF COUNTY'S BUSINESS REQUIREMENTS.

6.4. Internet Delays. THE SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS. FIRM IS NOT RESPONSIBLE FOR, AND COUNTY RELEASES FIRM FROM, ANY DELAYS, DELIVERY FAILURES OR DAMAGES RESULTING FROM SUCH PROBLEMS.

7. Indemnification.

7.1. Firm Indemnity. Subject to Section 8, Firm shall indemnify and hold harmless County and any affiliated entities and their respective officers, directors, partners, employees, shareholders and agents against any damages awarded against the County by a court of competent jurisdiction in connection with a final judgment or ruling that the County's use of, or access to, the Services infringes a United States patent, copyright or trademark of the third party that is registered as of the date Firm provides County with the Services, provided, that: (a) County gives Firm prompt notification in writing of any such infringement claim specifying in reasonable detail the nature and all material aspects of the claim and reasonable assistance, at Firm's expense, in the defense of such infringement claim; and (b) Firm has the sole authority to defend or settle such infringement claim.

7.2. Indemnification Limitations. Firm shall have no obligation for any infringement claim arising out of or relating to: (a) use of the Services other than in accordance with the terms of this License Agreement; (b) any Third-Party Software associated with the Services; or (c) use of the Services in combination with any other hardware, software or other materials where absent such combination, the Services would not be the subject of the infringement claim.

7.3. Effect of Infringement Claim. If an infringement claim is established, (a) Firm may require County to discontinue use of the Services within a reasonable time and County shall comply with such requirement; and (b) Firm will, at its sole option, either (i) procure for County the right to use and exercise its rights with respect to the Services as provided in this License Agreement; or (ii) replace the Services with other non-infringing services or modify the Services to make it not infringing while retaining substantially similar functionality.

7.4. Exclusive Remedy. THE PROVISIONS OF THIS SECTION STATE THE SOLE, EXCLUSIVE, AND ENTIRE LIABILITY OF FIRM AND ITS LICENSORS TO COUNTY, AND IS COUNTY'S SOLE REMEDY WITH RESPECT TO, ANY CLAIM OF INFRINGEMENT OR MISAPPROPRIATION OR ALLEGED INFRINGEMENT OR MISAPPROPRIATION OF ANY THIRD-PARTY PATENT, COPYRIGHT, TRADEMARK, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHT.

8. Limitation of Liability. EXCEPT FOR DAMAGES RESULTING FROM BREACHES OF SECTION 5, FIRM SHALL NOT BE LIABLE TO COUNTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL EXEMPLARY OR CONSEQUENTIAL DAMAGES, OR FOR ANY LOSS OF PROFITS OR LOSS OF REVENUE, OR COMPUTER FAILURE. FIRM SHALL NOT BE LIABLE TO COUNTY FOR; (I) LOST DATA; OR (II) FAILURE TO REALIZE EXPECTED SAVINGS RESULTING FROM THE USE OF THE SERVICES, EVEN IF FIRM HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES. IN ANY CASE, FIRM'S ENTIRE AGGREGATE LIABILITY UNDER ANY PROVISION OF THIS LICENSE AGREEMENT SHALL BE LIMITED TO THE FEES ACTUALLY PAID BY COUNTY TO FIRM UNDER THE TERMS OF THE LICENSE AGREEMENT DURING THE IMMEDIATELY PRECEDING TWELVE (12) MONTHS. NOTWITHSTANDING ANYTHING IN THIS LICENSE AGREEMENT TO THE CONTRARY, THIS SECTION SETS FORTH COUNTY'S SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

9. Injunctive Relief. A material breach of Sections 2.1, 2.4 or 2.5 by County would irreparably harm Firm and, accordingly, County agrees that in the event of such a breach Firm shall be entitled to apply to a court of appropriate jurisdiction for injunctive relief, specific performance and/or, as the case may be, other interim measures, without the posting of any bond, to prevent or stop harm, including, but not limited to, harm relating to, trademarks, copyrights, patent rights, know-how, trade secrets or other intellectual property rights. These rights to injunctive relief are in addition to those rights specified in Section 5.5.

10. Term and Termination.

10.1. Term. The “**Term**” of this License Agreement shall be the same as the term of the Contract between the County and the Firm and this License Agreement shall run concurrently with such Contract.

10.2 Termination by County. County may terminate this License Agreement at any time with sixty (60) days written notice. Upon the expiration or termination of the Contract, the license granted herein and the terms of this License Agreement shall continue in effect and County may continue to use the Services, including any upgrades, modifications or subsequent versions for up to five (5) years by paying a monthly licensing and maintenance fee to the Firm of \$170,000, during which time the Firm shall implement changes into the Services to meet state mandated requirements as contained in the Tax Code; provided that, for clarity, the Parties acknowledge and agree that any Services provided following expiration or termination of the Contract pursuant to this Section 10.2 shall not include the provision by Firm of the ACT Dedicated Resources contemplated by, and defined in, Schedule 2 (Service Level Agreement). If County desires to continue the use of the ACT Dedicated Resources (as defined in Schedule 2), there will be an additional charge or, in the alternative, County can employ any or all of the ACT Dedicated Resources (as contemplated by Section 7.4 of Schedule 2).. It is understood that County has made no funds available to pay this monthly licensing and maintenance charge, and any such payments shall be at the option and discretion of County. Should the County opt not to make such a payment, the Firm’s only remedy shall be to terminate the license if County fails to make any payment within sixty (60) days after notice by the Firm that County has not made the payment and that the Firm intends to cancel the license. Under no circumstances shall County have any liability to the Firm for failure to pay license fees. If the County terminates this License Agreement, the County may purchase the hardware for its current market value; provided that, for clarity, County acknowledges and agrees that any purchase of the hardware does not include the purchase of any Firm Software or Third Party Software, even if such software is installed on such hardware at the time of the purchase.

10.3 Termination by the Firm. The Firm may terminate its duty to support the Services under the terms of this License Agreement and the Contract only if: (1) The Firm has terminated the support of the Services for itself and all other persons, (2) the Firm has provided County with two (2) years notice of such termination, and (3) the Firm has provided the source code for the underlying software to County, which shall then, at no cost to County, have full

ownership of the Services for all purposes without any restriction or obligation provided for elsewhere in this License Agreement, and County shall have such ownership in whole or in part and the right to grant licenses to use the Services to any person. County shall have the sole responsibility of any System update or support thereafter.

10.4 Survival. Termination or expiration of the Term does not terminate other provisions of this License Agreement that by their terms do not expire on termination or expiration of the Term.

11. Miscellaneous.

11.1. Independent Contractors. Nothing in this License Agreement or in the course of dealing between Firm and County shall be deemed to create between Firm and County (including their respective directors, officers, employees and agents) a partnership, joint venture, association, employment relationship or any other relationship other than an independent contractor relationship.

11.4. Waiver; Non-Waiver; Amendment. Failure by either Party to enforce any of the provisions of this License Agreement or any rights with respect to it or the failure to exercise any option provided under this License Agreement shall in no way be considered to be a waiver of that provision, right or option, or in any way affect the validity of this License Agreement. No waiver of any rights under this License Agreement, nor any modification or amendment of this License Agreement, shall be effective or enforceable, unless it is in writing and signed by each Party.

11.5. Force Majeure. Neither Party to this License Agreement, other than for payments due and payable, will be liable to the other for any failure or delay in performance under this License Agreement due to circumstances beyond its reasonable control including, without limitation, Acts of God, labor disruption, strikes, lockouts, riots, acts of war, terrorist threat, epidemics, communication line failures, power failures or government action.

The Parties hereby acknowledge and agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this License Agreement.

11.7. Assignment. Except as provided in this License Agreement, County may not assign or transfer any of its rights, duties or obligations under this License Agreement (whether

by assignment, merger, transfer of assets, sale of stock, operation of law or otherwise) without the prior written consent of Firm and any assignment not in compliance with this Section shall be deemed void. Firm may assign or transfer its rights, duties or obligations under this License Agreement by giving the County reasonable prior written notice.

11.8. Notice. All notices or other communications under this License Agreement shall be given in accordance with the notice provisions of the Contract.

11.9. Severability. If any provision of this License Agreement is held invalid or unenforceable, the provision shall be deemed modified only to the extent necessary to render it valid or eliminated from this License Agreement, as the situation may require, and this License Agreement shall be enforced and construed as if the provision had been included in this License Agreement as modified in scope or applicability or not been included, as the case may be.

11.10. No Third Party Beneficiaries. This License Agreement inures to the benefit of Firm and County only and no third party shall enjoy the benefits of this License Agreement or shall have any rights under it except as is expressly provided in this License Agreement.

ACT System Object Fix(es) and System Enhancement(s) will be moved into the Test System on a regular interval throughout the year. Migrations of HCTO approved ACT System changes to the Primary System will occur after Normal Business Hours on an agreed upon day of the week throughout the year. These code migrations will occur during the year outside the designated Code Freeze Period.

Emergency migration of ACT System Object Fix(es) and Enhancements to the Primary System will occur occasionally throughout the year and will be scheduled by mutual agreement of HCTO and ACT.

ACT will provide support to aid HCTO in performing business requirements analysis and assisting in the specifications documentation of Software Change Requests.

ACT shall manage on-line system change request documentation. HCTO approved requested updates shall be provided to ACT in writing (See Section J). While ACT cannot guarantee incorporation of all requested documentation changes into the ACT System, each written request will be addressed in writing within a timely manner. (See Section H for response time.)

7.8. Security Administration

ACT shall add and maintain any HCTO required security roles based on specifications supplied by HCTO for the ACT System.

HCTO shall setup and maintain User IDs for the ACT System. HCTO, or ACT, upon direction from HCTO, shall assign users to roles.

ACT shall support HCTO in its migration to new features of security offered by ACT, but not yet implemented at HCTO.

7.9. ACT System Source Code Escrow

ACT shall provide HCTO current installation guidelines and ACT System Source Code updates twice a year. HCTO will only utilize this code in the event that ACT becomes insolvent and unable to perform the Services described herein.

7.10. Training

ACT shall provide continuing product training as requested by HCTO. ACT System training will be performed at HCTO. To ensure effective training, coordination of dates and class size will be agreed upon in advance by ACT and HCTO. HCTO will provide facilities and required equipment to support training.

Unless otherwise agreed between the parties, third party vendor training for HCTO is the responsibility of HCTO.

8. SECTION B SERVICES AVAILABILITY

Section B provides a list of the times and periods when the ACT System will be available to HCTO.

Access to the ACT System should be available at all times except when essential maintenance to hardware or software is required. If it becomes necessary to interrupt service during Normal Business Hours, prior notification to and approval from HCTO is required unless the situation is critical in nature and could cause more damage if not handled immediately. As much as possible, interruptions will be scheduled to minimize any impact on users.

8.1. System Availability

ACT commits to 99% ACT System. Upon request, ACT shall provide monthly reports summarizing System Availability and downtime using ACT provided system utilities. ACT will notify HCTO of any unscheduled outage and resolve the issue as quickly as possible.

8.2. ACT Personnel Availability

HCTO will provide ACT reasonable notice when ACT support is required outside Normal Business Hours. ACT will provide support as required under these situations. When a critical issue continues outside Normal Business Hours, appropriate ACT support shall continue uninterrupted until the issue is resolved.

8.3. Scheduled System Downtime

Scheduled downtime will be conducted outside Normal Business Hours and Peak Business Periods.

Scheduled downtime will occur on a weekly basis on Mondays from 5:00 AM – 5:30 AM CST. This scheduled downtime is required to conduct a weekly cold backup of the production database. Timing for this weekly backup is subject to change by agreement between ACT and HCTO.

Planned downtime outside the Scheduled System Downtime may be necessary. ACT shall provide four (4) days advance written notice to HCTO, unless the maintenance is deemed critical to system stability. A mutually agreed upon down time shall be determined to minimize disruption to HCTO operations.

If HCTO requires System Availability during ACT Scheduled System Downtime, HCTO shall provide ACT with four (4) day advance written notice. ACT shall strive to fulfill these requests.

8.4. Unplanned System Downtime

Upon identification or notification by HCTO of an unscheduled event that reduces System Availability, ACT shall begin problem source identification and troubleshooting the problem within a 15-minute timeframe. ACT shall use all means at its disposal to keep HCTO updated as to the status of the problem and the estimated time of the return of System Availability.

8.5. Back-Up Procedures

Backup procedures are defined in Section I.

8.6. Disaster Recovery / Hardware Failure

Physical Redundancy: HCTO's Primary System is replicated at the ACT Disaster Recovery Site (Standby System).

Power Redundancy: Harris County is responsible for providing power to the Harris County facilities and all equipment housed within it. Harris County shall provide temporary supplemental power to allow the ACT System to power down gracefully via Uninterruptable Power Supplies (UPS) should there be a power failure in the facility.

HCTO has the option to direct ACT (see Section H) to begin fail-over procedures to the Standby System.

Once the defect is cured on the Primary System, ACT will have 48 business hours to restore Services on the Primary System by reloading its data from the Standby System.

A fail-over to the Standby System will be initiated and managed by ACT. ACT will work to re-route HCTO to the Standby System. HCTO will provide technical assistance as needed.

ACT shall support HCTO in disaster recovery testing to be conducted on an annual basis or at a frequency determined by HCTO.

8.7. Disaster Types

Level 1 Disasters are defined as having low data impact, possibly high operations impact, but no continuity issues. These disasters do not put data that is on the database at risk. Level 1 disasters include:

Failure of the Router: ACT will troubleshoot and if it is determined that a new router is necessary, one of ACT's backup routers will be dispatched with an appropriately trained technician to install the new equipment.

Level 2 Disasters are defined as having medium to high data impact, possibly high operations impact, and potential continuity issues. ACT will focus to minimize data loss. Level 2 disasters include:

Failure of the main HCTO Oracle database server or failure of the database storage server. Should a total failure of the database or storage server occur, the un-posted Data Guard logs would be posted to the Standby System that would become the Primary System. HCTO would begin to receive Services from the Standby System.

Failure of an application server. There are two application server instances that facilitate HCTO access to the Primary System. If one instance fails, the user would be required to restart the application which would redirect the user to the other application server instance.

Level 3 Disasters are defined as having high data impact, high operations impact and business continuity issues. Level 3 Disasters include: Major damage/loss of building and infrastructure, chemical or biological incident that makes the building inhospitable to employees, and a meteorological event that makes access to the building impossible for employees.

Whenever HCTO cannot obtain Services from the Primary System and determines that continued attempts to cure the cause of the Service interruption is not in HCTO'S best interest, ACT will utilize the Standby System to continue Services to HCTO.

8.8. Disaster Recovery Plan Document

ACT will propose and document, subject to HCTO approval, an annual (or at a frequency determined by HCTO) Disaster Recovery Plan.

9. SECTION C CHANGE CONTROL PROCEDURES

Section C provides information on the change control procedures to be followed for Software Problem or HCTO requested change to the ACT System.

9.1. Software Design Change Requests

HCTO Software Change Requests shall be delivered to ACT in writing for consideration. (See Section J)

HCTO shall provide a written specification identifying details of the requested change and reason for the change. HCTO shall make itself available to discuss the requested change.

ACT shall evaluate the Software Change Request and perform a cost benefit impact analysis considering the HCTO requirements as well as the impact on other ACT clients. ACT may share Software Change Request information with other clients.

If impact analysis yields a potential conflict with other clients, ACT will work with HCTO (and all clients) to resolve in a mutually beneficial manner.

After HCTO and ACT approve a Software Change Request, a target availability date will be scheduled that is agreed upon by parties and takes into consideration development and internal test timeframes.

After ACT develops and internally tests a System Enhancement as necessary to meet the objectives of the Software Change Request, ACT will migrate the code change to the Test System as part of the regression cycle, or if required, via Emergency Migration procedures. HCTO will have the opportunity to test the code change.

If an Enhancement involves a HCTO specific object, for example, a tax statement, testing is limited to HCTO.

HCTO has the right to test any Enhancement and provide written test results to ACT in three (3) business days.

If HCTO identifies a problem with the Enhancement, ACT will remediate the code and re-test before re-migrating it to the Test System.

If new requirements are identified during testing of an enhancement that were not in the original request scope, a new Software Change Request will be required and a new schedule of development will need to be discussed and agreed upon.

Once HCTO verifies that the Software Change Request performs as expected, including

successful execution of relevant transactions in the Test System to ensure no corruption of non-related functions, upon approval from HCTO, ACT shall migrate the Object Fix/Enhancement to the Primary System.

HCTO will have the option to test all program changes before migration to the Primary System.

The ACT System warranty shall extend to all additions and modifications to the ACT System by ACT unless the modification has been requested by HCTO and ACT has advised against the modification because of associated risks in so doing.

9.2. Software Problems

HCTO shall provide ACT detailed information when reporting a Software Problem. Examples of relevant information include the date and time the problem occurred, a detailed description of the issue in terms of impact on business processing, the steps performed within the ACT System when the error occurred, system error message information and the user ID operating the system. This information will be captured using the PRC form or a document template of similar nature which must be approved by HCTO. (See Section J.)

Software Problems will be assigned a priority by HCTO and resolved within the timeframe outlined in Section H.

Once ACT develops and internally tests the Object Fix, ACT will migrate the update to the Test System. Within three (3) days of migration to the Test System, HCTO shall send written verification that the Object Fix is operating as needed. Upon written authorization by HCTO, ACT shall migrate the Object Fix to the Primary System.

If continued Software Problem(s) are identified with a particular Object Fix, ACT will correct and re-test before migrating the Object Fix back to the Primary System.

If an Object Fix involves a HCTO specific object, for example, a tax statement, testing is limited to HCTO.

If a Software update is rejected by HCTO, the application code will not be migrated to the Primary System. A PRC will be initiated on behalf of HCTO in ACT's PRC system to track a solution that will meet HCTO needs and minimize code deviations across HCTO and other client environments.

9.3. HCTO Testing Timeframe

Time is of the essence in resolving Software Problems. HCTO will test program updates in the Test System according to the HCTO test plan in accordance to the timeframes listed below:

Software Problem: three (3) working business days.

Software Enhancement (Change Request): three (3) working business days, unless otherwise agreed upon by HCTO and ACT.

ACT shall migrate Object Fixes, Enhancements or Data Fixes to the Primary System only with approval from HCTO.

ACT shall migrate Object Fix(es)/System Enhancements to the Test System bi-weekly on Monday nights. HCTO shall be provided three (3) days to test, i.e. Tuesday through end-of-day Thursday. HCTO shall notify ACT in writing of a defect in any PRC by 4 PM Thursday. Once HCTO approves the Object Fix(es)/System Enhancements, ACT shall migrate these changes into the Primary System on Thursday evenings. Exceptions to this practice would occur if HCTO generated a high priority request handled through Emergency Migration procedures.

10. SECTION D SERVICE MONITORING AND PERFORMANCE MEASUREMENT

Section D provides detailed information on the monitoring of Services delivered to HCTO. This section also details the Metrics and other means to be applied to measure the performance of the Services delivered.

10.1. Performance Monitoring

ACT shall have tools in place to analyze performance issues.

HCTO users who experience ACT System performance issues shall report such issues to HCTO and ACT. ACT shall investigate reported performance issues. If the problem is identified as an ACT issue, performance tuning results and targets will be reviewed and approved and Object Fix(es) made as necessary.

If, after ACT investigation, ACT believes the underlying cause of the issue originates with HCTO, the issue shall be turned over to HCTO for further review or jointly reviewed by ACT and HCTO.

Parties will review any non-compliance with performance expectations.

10.2. Software Problems

ACT commits to deliver within the specified timeframes. Section H outlines the delivery timeframe for Software Problem resolution. Processes covered under each Problem Priority level are outlined in Section H of this Agreement.

HCTO will provide appropriate and timely information to support ACT problem resolution

efforts and timeframes listed in Section H.

10.3. Software Enhancements

ACT commits to deliver within the agreed upon target dates associated with Software Change Requests. Deviation from the agreed upon target date must be justified in writing.

10.4. Hardware Failure

Timeframes for recovery in the event of hardware failures are specified in Section B.

10.5. Remote Access to System

ACT cannot guarantee performance or response times on network links for which ACT has no control. As such, ACT does not guarantee response time performance Metrics for remote users, i.e. those defined as users accessing the System outside the HCTO network. HCTO Branches are considered inside the HCTO network.

11. SECTION E SERVICE LEVEL REPORTING

Section E provides information on the service level reporting provided by ACT.

11.1. Reporting

Within five (5) days of the close of the previous month, ACT shall provide HCTO a summary listing of all open work orders (PRCs) including Software Problems, Software Change Requests and performance or hardware issues.

The report shall identify:

1. PRC identification number
2. PRC reported date
3. Original and current problem target completion date
4. Problem description
5. Current PRC status
6. Completion date

11.2. PRC System

ACT and HCTO shall use ACT'S PRC system to manage and report Software Problems, Software Change Requests and Data Fix(es). PRC reports shall be updated and enhanced periodically by agreement of the parties.

11.3. Other Reports

ACT and HCTO shall agree to other reporting requirements as needed.

12. SECTION F SUPPORT & HELP DESK SERVICES

Section F provides information on the Support & Help Desk Services available from ACT.

12.1. Notice of Personnel Change

ACT will notify HCTO at least three (3) days in advance of changes to any ACT Dedicated Resources that could potentially affect the delivery of Services to HCTO.

12.2. ACT Resources

ACT will support HCTO with the ACT Dedicated Resources as defined in the Service Level Agreement (SLA). Specialized ACT Resources will be made available as necessary to maintain the Services.

12.3. Problem Reporting

HCTO shall communicate ACT System issues pursuant to internal HCTO procedures. At the option of HCTO, these issues will be presented to ACT via a work order. The work order will contain the problem description, who reported the issue and contact information, resolution priority, requested target resolution date and backup documentation. ACT will review the work order for completeness and assess the target date for feasibility. Once this process is complete, the unit of work will be assigned a PRC identification number, discussed in ACT's daily operational meeting, and sourced to an ACT resource for completion.

If a Data Fix is requested, HCTO shall submit a work order to ACT with a proactive request for the Data Fix from an authorized HCTO resource. If this is not the case, and a Data Fix is deemed necessary, ACT must have written approval from an authorized HCTO resource before a Data Fix will be made to the Primary System.

For smaller (fewer than 15 minutes), non-critical type requests, such as cancelling a scheduled production job, HCTO may submit an oral request to ACT. This type of request does not require backup documentation, a work order, or a PRC.

Critical priority items (i.e. AAA as defined in Section H) that affect System Availability or cause processing delays shall initially be directly communicated (verbally) by HCTO to ACT. A PRC will be generated by ACT to track the issue. HCTO will subsequently send a documented work order for audit purposes.

12.4. Service Delivery

ACT Dedicated Resources provide Services to HCTO in a multitude of ways including answering application questions and assisting with production processing/production support. ACT also provides full life cycle development services, i.e., business requirements definition, design and development, testing and project management.

ACT will be available outside Normal Business Hours to perform emergency production support services. Contact information for ACT will be provided to HCTO.

13. SECTION G PROBLEM ESCALATION

Section G provides information on the Problem Escalation procedures associated with the Services.

13.1. Notification

ACT shall be notified of all Software Problems via submission of a work order. This is necessary to log and track all issues for prompt resolution.

13.2. Status Reporting and Escalation

ACT shall contact HCTO with a status update on a regular basis, at minimum every two (2) hours, during periods when System Availability is reduced. In the event that an incident is not being resolved within the agreed timeframes, escalation procedures are outlined below.

ACT's Problem Escalation process assigns timeframes to contact varying levels within ACT based on the severity of the problem and the amount of time the issue remains unresolved.

The Escalation Matrix outlined below shall apply when ACT exceeds the expected resolution timeframes outlined in Section H. Resolution timeframes below are measured in hours and business days.

Problem Level		Position 1 (Technical or Client Manager)	Position 2 (ACT Vice President)	Position 3 (Chief Executive Officer)
Priority AAA		15 minutes	4 hours	1 day
Priority AA		1 days	2 days	5 days
Priority A		5 days	10 days	15 days
Priority B / Enhancements		10 days	20 days	30 days

14. SECTION H PROBLEM PRIORITY RESOLUTION MATRIX

Section H provides information on the Problem Description and Issue Resolution process to be applied to the Services.

14.1. Default Resolution

For a Software Problem identified as critical that cannot be cured within the specified time frame below, ACT shall revert to the last known working production version of that code.

14.2. Standard Resolution

HCTO may elect to revert to the last known production version of working code depending on critical business needs including, but not limited to, end of tax or fiscal year, month end close, and billing periods. ACT shall then:

- 1) Revert to the last known working production version of that code within four (4) hours of notice, if the problem did not exist in a prior version; or
- 2) Require the full 72 hours for development cycle to complete, if the Software Problem exists in all versions.

While ACT has 48 hours to resolve hardware issues as detailed below, ACT shall failover to the Standby System in a shorter timeframe as requested by HCTO.

Resolution timeframes described below are measured in hours and business days unless otherwise noted.

Priority	Resolution Timeframe (or as noted above)	Business Process Scope / Impact	Resolution Timeframe Calculation
Priority AAA Critical – Hardware	48 hours	a) Hardware/database/NetApp failure. -A work-around does not exist. -Process delays are not acceptable.	Start Time: Within 15 minutes of notification to ACT on-site Support/Help Desk. End Time: Introduction of fix to the production environment.
	72 hours	a) Posting of payments. b) Generating receipts. c) Generation of bills.	Start Time: Within 1 hour of notification to ACT on-site Support/Help Desk.

Priority AAA Critical - Software		d) Disbursement of funds. -A work-around does not exist. -Process delays are not acceptable.	End Time: Introduction of fix to the test bed environment.
Priority AA High	10 days	a) Generation of refunds. b) Processing of CAD data. c) Posting of transfers & returned items. d) Monthly closeout. -A work-around may be available, but it is time intensive, or no work-around exists. -Process delays likely.	Start Time: Within 3 days of notification to ACT on-site Support/Help Desk. End Time: Introduction of problem to the test bed environment.
Priority A Medium	30 days	a) Cosmetic change to external reports or documents. b) Other items not listed above will be jointly defined by HCTO and ACT. -A feasible work-around is available to be performed on a limited basis. -Minimal process delays when work-arounds are in place.	Start Time: Case by case basis - dependent on complexity of issue. End Time: Introduction of problem to the test bed environment.
Priority B Low	60 days	a) Cosmetic change to reports or documents. b) Other items not listed above will be jointly defined by HCTO Management and ACT Group.	Start Time: Case by case basis - dependent on complexity of issue. End Time: Introduction of fix to the test bed environment.

		-A feasible work-around is available. -No process delays.	
Enhancements	Case by Case Basis	-HCTO and ACT will mutually agree upon enhancement priority and delivery dates.	Start Time: Case by case basis - dependent on complexity of change request. End Time: Introduction of change to the test bed environment.

15. SECTION I SYSTEM BACKUP

All data shall be kept on the Primary System and shall be available on-line. When backup copies are made, they serve as a snapshot of the entire database. Each additional backup contains the previous history in addition to any changes to data since the prior backup. This procedure is in compliance with the State Comptroller's "Retention Section For Records Common to All Local Governments", Part 5: Electronic Data Processing Records. Should the Comptroller's requirements change, record retention schedule will be modified to remain in compliance with the State Comptroller's guidelines.

EXHIBIT B

Over 65, Disabled & Active Military Procedures

This Exhibit is incorporated into the Contract between the Firm and the Participating Agencies.

Policy Statement: It is the policy of the Firm and its clients to (i) assure that any over 65, disabled, or active military taxpayer is aware of the special rights such taxpayers have under the law and (ii) assist any over 65, disabled, or active military taxpayer in taking the necessary actions to make such elections if they decide to do so.

Specific Procedures: The following procedures shall be implemented and maintained by the Firm to accomplish the foregoing policy.

1. Q&A Brochure

The Firm prepares a brochure entitled “Information about your Property Taxes.” This brochure advises the taxpayer that if he/she is over 65, disabled or active military, they may qualify for an exemption. The brochure directs the taxpayer to contact the Appraisal District for more information and the necessary forms to apply for the exemption. This brochure (or other similar material) is available in the Firm’s offices at all times. This brochure, or other similar notification, is enclosed with the Firm’s first yearly delinquent mailing.

2. Correspondence

The Firm employs a person whose primary responsibility is to answer taxpayer correspondence. This person is trained to recognize various special issues and the Firm has developed form letters to respond to recurring questions. The Firm will provide the client copies of the forms currently being used by the Firm and will revise and update the forms with the approval of the County Attorney and Tax Assessor-Collector.

3. Account Status / Collection Activity

The Firm’s account status field includes a code indicating if an account has an over 65, disabled or active military deferral. No collection activities are performed on these accounts. The Firm has the over 65, disabled and active military exemption and deferral HCAD forms in its office and provides those to taxpayers upon request.

EXHIBIT C

Homestead Procedures

This Exhibit is incorporated into the Contract between the Firm and the Participating Agencies.

Policy Statement: It is the policy of the Firm and its clients to enforce the collection of taxes on homestead properties in a manner that gives the taxpayer reasonable opportunity to pay without resorting to a foreclosure of the property

Specific Procedures: The following procedures shall be implemented and maintained by the Firm to accomplish the foregoing policy.

1. Q&A Brochure

The Firm prepares a brochure entitled “Information about your Property Taxes.” This brochure has several sections dealing with taxes on homestead properties, including information regarding installment payment agreements. This brochure (or other similar material) shall be available in the Firm’s offices at all times. This brochure, or other similar notification, shall be enclosed with the Firm’s first yearly delinquent mailing.

2. Correspondence

The Firm employs a person whose primary responsibility is to answer taxpayer correspondence. This person is trained to recognize various special issues and the Firm has developed form letters to respond to recurring questions. The Firm will periodically provide the Tax Assessor-Collector with copies of the forms currently being used by the Firm and will revise and update the forms in consultation with Tax Assessor-Collector.

3. Account Status / Collection Activity

The Firm conducts its regular collection routines regardless of a homestead exemption code. The collectors, however, are trained to readily offer payment arrangements on homestead properties and refer the taxpayer to the Tax Assessor-Collector for extended payment terms.

4. Litigation

The Firm prosecutes its regular litigation routine regardless of a homestead exemption code. If it becomes apparent to the attorney handling the case that the property is the taxpayer’s homestead but no exemption has been filed and the taxpayer is not represented by counsel, the attorney shall advise the taxpayer that he has certain rights to claim a homestead exemption and that he should consult with counsel. If the taxpayer indicates an inability to pay for counsel, the Firm shall refer the taxpayer to a legal service agency.

5. Tax Sales

Prior to sale, the Firm shall make a physical inspection of each property, and post a notice of sale on the property, to determine if the property may be a homestead, but no exemption has been claimed. If it appears to be occupied, the Firm shall attempt to contact the person(s) living on the property and determine the status. The Firm will not sell a property with a current appraised value of \$150,000 or less that has a homestead exemption, or where the physical inspection suggests the likelihood that the property is being resided in as a homestead, without the express approval of Harris County. The Firm shall adhere to all guidelines, as may be amended, set forth by Commissioners Court.

EXHIBIT D

Erroneous Collection Procedures

This Exhibit is incorporated into the Contract between the Firm and the Participating Agencies

Policy Statement: It is the policy of the Firm and its clients to avoid the assessment or collection of any erroneous taxes, penalties or interest.

Specific Procedures: The following procedures shall be implemented and maintained by the Firm to accomplish the foregoing policy.

1. Maintenance of Delinquent Tax Data Processing System

The Firm shall update its in-house delinquent system with information provided by the Tax Assessor-Collector. Additionally, the Firm will periodically reconcile the balances shown on its system to those provided by the Tax Assessor-Collector. The Firm will assure that its system calculations are in accordance with applicable law and, upon request, provide to the Tax Assessor-Collector documentation to confirm this compliance.

2. Reconciliation Procedures

When the Firm performs a reconciliation to System, the Firm will notify the Tax Assessor-Collector of any material variances. The Firm and the Tax Assessor-Collector will then develop a plan to eliminate the variance based on the specific problem.

EXHIBIT E

File Retention Policy

This Exhibit is incorporated into the Contract between the Firm and the Participating Agencies.

The Firm and Harris County agree that the records regarding Harris County and the taxing units for which Harris County collects belong to Harris County. Consequently, the records are subject to the Texas Public Information Act ("TPIA") and the document retention schedules promulgated by the Texas Library and Archives Commission. The Firm agrees to make documents available pursuant to the TPIA. To the extent the documents contain confidential information or proprietary information, the Firm will take the appropriate measures to so designate such documents to protect the documents from unintentional disclosure. The Firm also agrees to maintain documents, at a minimum, the length of time required by the Texas State Library and Archives Commission Schedule. In particular, but not limited to, the Firm will look to sections Property Tax Collection Records and Administrative Records 1000-31 of the Schedule.

EXHIBIT F

Collection Goals/Minimum Collection Guarantee

This Exhibit is incorporated into the Contract between the Firm and the Participating Agencies.

1. Definition(s):

Turnover year = Year in which unpaid property taxes first become delinquent; e.g. 2013 property tax is delinquent if not paid by July 1st, 2014. 2014 is the Turnover Year for unpaid 2013 property taxes.

2. Turnover Year Unpaid Balance

The turnover year unpaid balance is equal to the base tax unpaid balance reported by the Harris County Tax Assessor-Collector's Office contained in report TC168 (Tax Collector Monthly Report) issued as of the 30th of June of each of the contract years plus the 33.11 collections amount as reported on BM118 on July 1st for the period April – June of each of the contract years.

3. Prior Year Unpaid Balance

The prior years' base tax unpaid balance for the Participating Agencies will be the sum of the Participating Agencies' unpaid base tax balances for all the turnover years as reported by the Harris County Tax Assessor-Collector's Office contained in report TC168 issued as of, or the most recent report prior to the 30th of June of each of the contract years.

4. Calculation of Collection Goal

$$\begin{array}{l} X = 45\% \text{ of Turnover Year Unpaid Balance} \\ \text{Plus} \\ Y = 14.5\% \text{ of the Prior Years Unpaid Balance} \end{array}$$

The Collection Goal shall be a dollar amount equal to the sum of X + Y. The collection goal shall be calculated in the aggregate for the Participating Agencies.

5. Determining Satisfaction of Collection Goal

The Collection Goal shall be measured against the turnover year and prior years' levy per Tax Collector Monthly Report (TC168) for the period from July 1st to June 30th as provided by Harris County Tax Assessor-Collector's Office.

Delivery vs.
Payment

All funds involved in the settlement of transactions of investment securities shall be transferred using the delivery vs. payment (DVP) method through the Federal Reserve System. By so doing, Department funds or securities are not released by a third party until the counterparty presents the agreed-upon transaction.

Safety

The primary goal of the investment program is to ensure safety of principal to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations.

Competitive Bids

It is the policy of the Department to require competitive bidding for all securities purchases and sales with the exception of those transactions involving money market mutual funds and public funds investment pools and when issued securities, which are deemed to be made at prevailing market rates. At least three bids or offers (which may be verbal, followed-up with the information in writing) must be solicited from approved broker dealers. In instances in which the exact security being offered cannot be found by competing dealers, offers on like securities may be used to establish a fair market price.

**Investment
Strategies by Fund**

The Department's investment strategies for each of its funds, including but not limited to operating, agency, debt service and capital projects, are incorporated into this investment policy as follows. The investment objectives for each of the following funds use the following priorities in order of importance: (1) understanding of the suitability of the investment to the financial requirements of the entity; (2) preservation and safety of principal; (3) liquidity; (4) marketability of the investment if the need arises to liquidate before maturity; (5) diversification of the investment portfolio; and (6) yield.

General Fund

The General Fund includes the operating and payroll accounts. The investment strategy for this fund has as its primary objective to ensure the preservation and safety of principal. Secondly, the objective shall be that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing quality short- to medium-term securities whose maturities closely match the funds cash flow requirements. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

**Special Revenue
Fund**

The Special Revenue Fund includes food service, public activity, and consolidated application funds. The investment strategy for this fund has as its primary objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

OTHER REVENUES

These objectives shall be accomplished by purchasing quality short-term securities and by investing in investment pools. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

Debt Service Fund

The investment strategy for the Debt Service Fund has as its primary objective preservation and safety of principal. Secondly, the objective shall be sufficient liquidity to meet scheduled debt service payment obligations. The maximum maturity of any individual investment shall not exceed three years.

Capital Projects Fund

The investment strategy for the Capital Projects Fund has as its primary objective the preservation and safety of principal. The second objective is to ensure that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing short- to medium-term securities or investment pools. The maximum maturity of any individual investment shall not exceed three years.

Suitability

The primary investment objectives of the Department are preservation of principal and liquidity; income is secondary. The investments must be appropriate to meet the needs and circumstances of the Department's operating budget. The investment officers shall use reasonable judgment to determine whether the investment is applicable to the portfolio needs of the Department.

Preservation and Safety of Principal

The investment officers shall exercise diligence and thoroughness in making an investment transaction. Receipts for confirmations of trades will include information on trade date, par value, maturity, price, settlement date, and description of securities purchased, and they will show the Department as the purchaser.

Liquidity

Maturities of investments made shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, debt service payments, and general expenditures), anticipated payouts of capital project expenditures, sizable blocks of anticipated revenue, and periodic reimbursements from other funds or accounts. Investments will be made with the intent of pursuing, at the time of purchase, the best rate of return on securities held until maturity, and not with the intent of speculative trading. Securities, however, may be sold or exchanged before they mature if market conditions present an opportunity to benefit from the trade or if necessary to meet cash needs. Careful consideration will be given to the effect of the sale on the remaining portfolio.

Investment Diversification

The Department shall diversify the investment instruments within the portfolio to avoid incurring reasonable risks inherent in over-investing in specific instruments, individual financial institutions, or

OTHER REVENUES
INVESTMENTS

maturities, so that no single investment or class of investments can have a disproportionate impact on the total portfolio. The asset allocation in the portfolio should, however, be flexible depending upon the outlook for the economy and the securities markets. Diversification to avoid over-concentration in a specific instrument does not apply to U.S. Treasury securities and money market mutual funds. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

The Department recognizes that investment risks may result from issuer defaults, market price changes, or various technical complications leading to temporary illiquidity. Portfolio diversification is employed as a way to control risk. The investment officers are expected to display prudence in the selection of securities as a way to minimize default risk. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio. In the event of default by a specific issuer, the investment officers shall review, and, if appropriate, proceed to liquidate securities having comparable credit risks. To control market price risks, volatile investment instruments shall be avoided.

Yield

Investment officers shall strive to earn a competitive total return on the portfolio consistent with the objectives and priorities stated in this policy. Total return shall mean the interest or dividend payments and appreciation or depreciation of the principal of the investment. Cash use estimates are used to make investment decisions. All available funds should be invested to earn interest for the Department. Enough of the funds will be invested in nonvolatile, liquid investments to ensure payments when due. Moderate income volatility is permitted. Financial risk is unacceptable, and because the investment time horizon of the funds are relatively short, exposure to interest rate risk and purchasing power risk will be minimal. The annual time-weighted rate of return on the portfolio should be compared with the total return on three-month Treasury bills to evaluate the portfolio's performance.

**Approved

All investments made or sold on behalf of the Department must fall within the guidelines provided in Government Code, Chapter 2256, Public Funds Investments Act (short title), and are subject to such other restrictions as may be imposed by the Department Board by resolution or order. The following are the types of investments authorized for Department funds, with restrictions as noted [See CDA(LEGAL)—AUTHORIZED INVESTMENTS]:

Dear Judge Hidalgo:

As required by Texas Tax Code Sec. 26.01(e), we have prepared an estimate of taxable value for the above taxing jurisdiction for 2022. While this estimate is based on information currently available to us, some of the data needed for accuracy is not yet available. For example, in the area of business and industrial personal property, the extended date for property owners to file their annual renditions is May 16, and some will delay their filing until the good cause deadline of June 1. If Texas voters approve the proposed constitutional amendment to increase the general residence homestead exemption for school taxes from \$25,000 to \$40,000, an updated estimate will be provided for the affected school districts.

While we have taken our best estimate of potential hearing loss into account, protests for 2022 are in the process of being received and reductions made in the ARB protest hearing process during the next several months could cause a further reduction in value. Also, if fewer protests are filed, your value could possibly be higher.

Your final taxable value will also be impacted by late-filed exemption applications, late applications for productivity valuation, correction motions under Tax Code Sec. 25.25, and possible post-ARB appeals through binding arbitration, appeals to district court, or appeals to the State Office of Administrative Hearings.

2022 taxable value for the taxing unit identified above is:

\$568,645,741.600

A breakdown of this estimate by property category.

HCAD jurisdiction coordinator or my office if you have questions regarding appraisal district operations.

Sincerely,

Roland Altinger
Chief Appraiser
