The Board's purpose is not to meet in executive session to consider matters not on the agenda for the meeting. IV. OBLIGATIONS DURING COVID-19 PANDEMIC

Due to the currently ongoing COVID-19 pandemic, the parties agree that either party may perform its obligations under this Contract virtually and/or remotely, as deemed appropriate by the performing party. The ISD is solely responsible for the provision and cost of all equipment, technology, Internet service/capabilities, networking, and the like required to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely.

The ISD is further solely responsible for obtaining any required parental/guardian consent for students to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely. HCDE will not be responsible for any costs necessitated or incurred due to online/remote participation.

The parties agree to reasonably cooperate with each other to ensure that the duties, obligations, and rights of both parties under this Contract are timely fulfilled, to the maximum extent possible, while also taking into account the health and safety of each party's employees, officers, agents, representatives, and students. The parties encourage social distancing as a measure intended to minimize the spread of disease in response to the current health situation.

V. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the ISD in an amount not to exceed:

- \$187,200.00 for providing the Center in accordance with Section III and this Contract at Monahan Elementary and Royalwood Elementary.

The ISD must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the ISD within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the ISD where the Center programs are provided; the number of students and adults served in the ISD by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The ISD agrees that if any time after 2/28/2024, the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the ISD and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the ISD at least two weeks prior to re-allocation/withholding of funds from the ISD in support of the afterschool program/Center.

The ISD acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s)

of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

**Texas Education Agency
General Provisions and Assurances**

through capital leases; and (b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to Capital Assets that materially increase their value or useful life (not ordinary repairs and maintenance).(2 CFR 200.12). If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

This does not include PII that is required by law to be disclosed (2 CFR 200.82)

- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The Instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.
- E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.
- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project

**Texas Education Agency
General Provisions and Assurances**

and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.
TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).
Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.
TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under 200.207 as a high-risk Grantee. (2 CFR 3474.10)
- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from

**Texas Education Agency
General Provisions and Assurances**

and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR 200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR 200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR 200.302(b)(7)). Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.
- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the

**Texas Education Agency
General Provisions and Assurances**

Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA 81.31(c)). The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.
- S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR 200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention, and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers, directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.
- The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the Irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights

**Texas Education Agency
General Provisions and Assurances**

that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

- V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.
The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.
- W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.
- X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.
- Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR 200.313 and 200.314 as applicable.
- Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

**Texas Education Agency
General Provisions and Assurances**

- AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.
- BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR 76.532)
- CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.
- DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in 200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Financial Compliance Division in the time and manner requested by the Agency.

Grantees agree to submit a copy of such audits to TEA when the schedule of findings and questioned costs disclose audit findings relating to any federal awards provided by TEA. A copy of such audits shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.
- EE. **Federal Rules, Laws, and Regulations That Apply to All Federal Programs:** The Subrecipient shall be subject to and shall abide by all federal laws, rules, and regulations pertaining to the Subaward Project, including but not limited to:

Such reports may include, but not be limited to: activity and enrollment reports; financial reports; eligibility documents; complaints made by students, parents, employees, and other persons; and investigative reports of any kind involving the Center(s), Center programs, or its participants. Any reports or evaluations incidental to this Contract shall be performed only with the prior approval of HCDE. No reports or evaluations shall be released to third parties without the prior written approval of HCDE, unless release is required under the Public Information Act. This reporting will form a part of the regular monthly reporting documentation to HCDE and continue for as long as the CHARTER receives payments from HCDE under this Contract.
- I. The CHARTER acknowledges and agrees that it is solely responsible for all costs, wages, expenses, and fees associated with or arising from the operation of the Center(s).
- J. The CHARTER agrees to maintain documentation of all equipment, materials and supplies purchased with grant funds; update the CASE for Kids inventory form as need based on purchases received, used or based on conditional change (new, good, fair or poor). The CHARTER further agrees to The Education Department General Administrative Regulations (EDGAR) 80.32(e) and 80.33(b) that disposition be requested for all equipment and unused supplies acquired under a grant.
- K. The CHARTER agrees to cooperate with the evaluation of the Center(s) by designating internal staff to work with the CASE for Kids' external evaluator to implement and monitor the evaluation process, including the CHARTER's progress in meeting the performance objectives established by the Texas Education Agency for the Nita M. Lowey 21st Century Community Learning Centers, the effect of the Center(s) on participants, and the effectiveness of the Center(s) in meeting the performance objectives established by the Texas Education Agency. The CHARTER agrees to provide such records as STAAR scores, TAKS scores, grades, Stanford Achievement scores, conduct scores, end of course scores and disciplinary reports for students in the Center programs to HCDE in accordance with the reporting due dates established by TEA.
- L. The CHARTER agrees to allow HCDE, the Texas Education Agency, the State of Texas Comptroller, or any of their duly authorized representatives to any books, documents, papers, and records relating to the services provided under this Contract for the purpose of making audits, examinations, evaluations, excerpts, and transcriptions.
- M. The CHARTER may use the payments from HCDE to create new program(s) or enhance existing program(s), but the payments from HCDE should not replace funding for an existing program(s). In the event that payments from HCDE will be used to expand already existing program(s), the CHARTER will provide HCDE with detailed documentation of the program(s) including a list of students and adults currently enrolled, attendance since the beginning of the school year (or past six months), and a schedule of activities offered by the program(s) since the beginning of the year. The CHARTER will also report all sources of funding for the program(s) and the total cost of the program(s) to HCDE.

- N. The CHARTER agrees to obtain and assess criminal history record information for each employee or volunteer used in the Center(s) and to use only those persons fit to work with students.
- O. CHARTER agrees that it will comply with the assurances, certifications, and disclosures provided by Texas Education Agency, including the "General Provisions & Assurances," "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions," "Lobbying Certification", "Disclosures of Lobbying Activities", "Every Student Succeeds Act (ESSA) Provisions and Assurances" and "Program-Specific Provisions & Assurances", which are attached hereto as Exhibit D and incorporated by reference into this Contract.
- P. The CHARTER further agrees that it will comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15), and mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).
- Q. The CHARTER agrees that the certifications and agreements included in the HCDE Vendor Certification Forms, attached hereto as Exhibit A and incorporated by reference in the agreement for all purposes, is true and correct.
- R. The CHARTER agrees to provide the after-school program to at least the number of students and parents indicated on Exhibit C attached to the Contract. The CHARTER further agrees that if any time after 1/26/2024, the HCDE CASE for Kids Director determines that there is less than 60% of the agreed upon students and/or parents in the afterschool program (the numbers on Exhibit C), HCDE may withhold and reserve up to one-third of the budget (Exhibit B of the Contract) that it would have otherwise paid to the CHARTER and use those funds, in HCDE's sole discretion, to try to increase student and/or parent participation. The CHARTER agrees and understands that this will result in receipt by the CHARTER of up to one-third less funds than the CHARTER would have received under the Contract as specified in Exhibit B. Upon 2/28/2024, if less than 50% of the budget is not allocated for program expenditures, HCDE reserves the right to reduce the CHARTER's operating budget for the spring term and in subsequent grant years, as applicable.

IV. OBLIGATIONS DURING COVID-19 PANDEMIC

Due to the currently ongoing COVID-19 pandemic, the parties agree that either party may perform its obligations under this Contract virtually and/or remotely, as deemed appropriate by the performing party. The CHARTER is solely responsible for the provision and cost of all equipment, technology, Internet service/capabilities, networking, and the like required to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely.

The CHARTER is further solely responsible for obtaining any required parental/guardian consent for students to participate in Nita M. Lowey 21st Century CCLC Texas ACE program

activities online/remotely. HCDE will not be responsible for any costs necessitated or incurred due to online/remote participation.

The parties agree to reasonably cooperate with each other to ensure that the duties, obligations, and rights of both parties under this Contract are timely fulfilled, to the maximum extent possible, while also taking into account the health and safety of each party's employees, officers, agents, representatives, and students. The parties encourage social distancing as a measure intended to minimize the spread of disease in response to the current health situation.

V. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the CHARTER in an amount not to exceed:

- \$93,600.00 for providing the Center in accordance with Section III and this Contract at Mangum Elementary.

The CHARTER must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the CHARTER within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The CHARTER waives any statutory right to interest the CHARTER may have under Chapter 2251 of the Texas Government Code. The CHARTER may be eligible for a prorated amount, in HCDE's sole discretion, if the CHARTER is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the CHARTER where the Center programs are provided; the number of students and adults served in the CHARTER by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The CHARTER agrees that if any time after 2/28/2024, the HCDE CASE for Kids Director determines that the CHARTER does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the CHARTER and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the CHARTER at least two weeks prior to re-allocation/withholding of funds from the CHARTER in support of the afterschool program/Center.

The CHARTER acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the CHARTER, at any time upon written notice to the CHARTER. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to CHARTER under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the

awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the CHARTER shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the CHARTER under this Contract.

The CHARTER and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

VI. PIGGYBACKING ON HCDE-PROCURED CONTRACTS

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, the District may, in its discretion, enter into separate and independent contracts with CASE Afterschool and Summer Direct Service Providers, procured by HCDE in accordance with Section 44.031 of the Texas Education Code, that employ the same negotiated terms and conditions contained in an existing contract(s) between HCDE and the Direct Service Provider.

If the District elects to piggyback off of one of HCDE's contracts with CASE for Kids for Youth Services for Afterschool and Summer, the District shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to the District for use of HCDE contracts with Direct Service Providers. The District shall make payments directly to vendors/Direct Service Providers. The District shall be responsible for ordering, inspecting, and accepting the goods and services purchased by utilizing one of HCDE's contracts with Direct Service Providers. The District shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between the District and the vendor. HCDE is not responsible or liable for the performance of any vendor used by the District as a result of this Agreement or the District's piggybacking off of one of HCDE's contracts with Direct Service Providers.

no responsibility for any conduct of any CHARTER employee, agent, volunteer, or representative.

**Texas Education Agency
General Provisions and Assurances**

through capital leases; and (b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to Capital Assets that materially increase their value or useful life (not ordinary repairs and maintenance).(2 CFR 200.12). If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

17. **Capital Expenditures:** Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR 200.13)

This does not include PII that is required by law to be disclosed (2 CFR 200.82)

- B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.
- C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.
- D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

- F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project

**Texas Education Agency
General Provisions and Assurances**

and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

- G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.
TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.
- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).
Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.
TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under 200.207 as a high-risk Grantee. (2 CFR 3474.10)
- I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non-compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from

**Texas Education Agency
General Provisions and Assurances**

and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

- N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR 200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally- funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non- Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR 200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR 200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.
- P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference.

An INTERLOCAL AGREEMENT
between
Harris County Public Health
and
Harris County Department of Education

This Interlocal Agreement (hereinafter “ILA”), dated as of the date of the last signature below (hereinafter “Effective Date”), is by and between Harris County, Texas, a body corporate and politic under the laws of the State of Texas, by and through Harris County Public Health (hereinafter “HCPH”) and the Harris County Department of Education (hereinafter “Agency”) pursuant to the Interlocal Cooperation Act, Tex. Gov’t Code Ann. §791.001 et seq.

The purpose of this ILA is to establish the roles and responsibilities of the parties related to participation in ACCESS Harris County, a multi-agency County program that focuses on the critical needs of residents who are experiencing physical and mental health challenges, economic uncertainty, housing instability, substance use disorders, criminal justice engagement and social inequity.

1. Background

The Harris County Commissioners Court is committed to strengthen services delivered to support the County’s most vulnerable high-need residents and to break down silos between County departments and related entities in Harris County. In furtherance of these ends, Harris County is launching an initiative referred to as “Accessing Coordinated Care and Empowering Self Sufficiency” or ACCESS Harris County.

The initiative encompasses the work of multiple partners, including but not limited to Harris County Public Health, Harris Health System, Harris Center for Mental Health, IDD Harris County Housing Authority, Juvenile Probation Department, Harris County Public Library, Harris County Sheriff’s Office, Community Supervision and Corrections Department, Harris County Resources for Children and Adults, Children’s Assessment Center, Community Services Department, Justice Administration Department, Department of Economics Equity and Opportunity, Veterans Services, and the Commissioners Court Analyst Office.

The goals of ACCESS Harris County include achieving coordinated and culturally competent services that holistically address the multiple needs of the person, family, or community; greater sharing and public reporting of information across departments and related entities; addressing inequities in marginalized communities; and improving the health, well-being, sustained recovery, and self-sufficiency of the County’s most vulnerable residents.

2. Obligations

Agency will work collaboratively with HCPH as part of the ACCESS Harris County Interdepartmental Multi-Disciplinary Team (“IMDT”).

Each party to this ILA shall perform the services and shall complete all obligations assigned to that party as described in Exhibit A (“Scope of Work”), attached hereto and incorporated herein by this reference.

Agency shall designate three full-time equivalent Intake/Transition Specialists (“Personnel”) who shall be assigned to administer appropriate supervision and community services to adults referred to the ACCESS Harris County program for the purpose of assisting adult students in enrolling in adult education literacy and workforce development classes and transition to careers or post-secondary education.

Personnel assigned pursuant to this ILA shall not incur overtime in support of ACCESS Harris County without the express written permission of Agency.

Agency shall assign personnel meeting the HCPH standards of professionalism, ethics, and competence. At any time HCPH may request that Agency assign alternative personnel.

Agency will provide written notification to the designated HCPH Project Manager if there is a staffing change.

3. Payment

HCPH will reimburse Agency for hours worked by assigned personnel in furtherance of ACCESS Harris County at a rate not to exceed \$34.74 per hour, and HCPH will also contribute Thirteen Thousand Five Hundred Ninety-Six and No/100 Dollars (\$13,596.00) to the Agency’s Program Manager responsible for overseeing the Scope of Work.

4. Limitation of Appropriation

4.1 Agency understands and agrees, said understanding and agreement also being of the absolute essence of this ILA, that the total maximum amount that Agency may become entitled to for the services performed under this ILA, and the total maximum sum that the County shall become liable to pay to Agency under this Agreement, shall not under any conditions, circumstances, or interpretations thereof exceed the sum of Two Hundred Thirty Seven Thousand Nine Hundred Eighteen and No/100 Dollars (\$237,918.00). Notwithstanding anything to the contrary, the County’s liability under the terms and provisions of this ILA is limited to the sum.

4.2 Agency understands and agrees that the laws governing the letting of contracts for the County require the approval of the Harris County Auditor and his certification that funds are, or will be, available for the payment of the obligations created under the ILA before such contracts become effective. Therefore, Agency shall not proceed with any services until such time that it receives a Purchase Order issued by the Harris County Purchasing Agent. Any services performed by Agency prior to its receipt of a Purchase Order are at Agency's own expense.

4.3 Agency does understand and agree, said understanding and agreement also being of the absolute essence of this ILA, that the total maximum compensation that Agency may become entitled to hereunder, and the total maximum sum that the Agency shall become liable to pay to Agency hereunder, shall not under any conditions, circumstances, or interpretations thereof exceed the sum certified by the Purchase Order. Notwithstanding anything to the contrary, or that may be construed to the contrary, the County’s liability under the terms and provisions of this ILA is limited to this sum. When all the funds so certified are expended, Agency’s sole and exclusive remedy shall be to terminate this ILA. If the services and charges to be provided for will equal or exceed the amount certified available, Agency shall notify the County immediately.

4.4 With regard to the renewal or extension of this ILA, the County has not allocated any funds for any renewal or extension period beyond the current fiscal year. Therefore, if the County exercises any renewal option, the renewal is subject to the future allocation and certification of funds for the renewal period.

5. Term of ILA

5.1. The term of this ILA shall begin upon signature by all parties and the ILA shall remain in full force and effect until terminated by either party in accordance with this Section 5.

5.2. Either party may terminate this ILA for convenience and without cause upon 30 days' advance written notice. In the event of such termination by HCPH, Agency shall receive compensation for any services performed through the effective date of termination, unless a shorter notice period is agreed upon.

5.3. This ILA may be cancelled immediately by either party upon written mutual consent.

5.4. Either party may terminate this ILA immediately upon written notice to the other party in the event that any State, federal agency, or other funder reduces, withholds, or terminates funding which HCPH anticipated using to pay Agency for services provided under this ILA.

between Harris County Department of Education

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and City of Palmer, a local governmental entity and/or political subdivision ("LGE"), located in Palmer (city), TX (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.

between Harris County Department of Education
& Vega Independent School District

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Vega ISD, a local governmental entity and/or political subdivision ("LGE"), located in Vega (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.
- LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.
6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.
- Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.
11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

1. Pledge as security for and to the payment of a hedging contract or a security, credit, or insurance agreement any general or special revenues or funds the entity is authorized by law to pledge to the payment of any other obligation.
2. Credit any amount the entity receives under a hedging contract against expenses associated with a commodity purchase.

Delivery vs.
Payment

All funds involved in the settlement of transactions of investment securities shall be transferred using the delivery vs. payment (DVP) method through the Federal Reserve System. By so doing, Department funds or securities are not released by a third party until the counterparty presents the agreed-upon transaction.

Safety

The primary goal of the investment program is to ensure safety of principal to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations.

Competitive Bids

It is the policy of the Department to require competitive bidding for all securities purchases and sales with the exception of those transactions involving money market mutual funds and public funds investment pools and when issued securities, which are deemed to be made at prevailing market rates. At least three bids or offers (which may be verbal, followed-up with the information in writing) must be solicited from approved broker dealers. In instances in which the exact security being offered cannot be found by competing dealers, offers on like securities may be used to establish a fair market price.

**Investment
Strategies by Fund**

The Department's investment strategies for each of its funds, including but not limited to operating, agency, debt service and capital projects, are incorporated into this investment policy as follows. The investment objectives for each of the following funds use the following priorities in order of importance: (1) understanding of the suitability of the investment to the financial requirements of the entity; (2) preservation and safety of principal; (3) liquidity; (4) marketability of the investment if the need arises to liquidate before maturity; (5) diversification of the investment portfolio; and (6) yield.

General Fund

The General Fund includes the operating and payroll accounts. The investment strategy for this fund has as its primary objective to ensure the preservation and safety of principal. Secondly, the objective shall be that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing quality short- to medium-term securities whose maturities closely match the funds cash flow requirements. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

**Special Revenue
Fund**

The Special Revenue Fund includes food service, public activity, and consolidated application funds. The investment strategy for this fund has as its primary objectives safety, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

OTHER REVENUES

CDA
(LOCAL)

These objectives shall be accomplished by purchasing quality short-term securities and by investing in investment pools. The dollar average weighted maturity of general fund investments shall not exceed 365 days.

Debt Service Fund

The investment strategy for the Debt Service Fund has as its primary objective preservation and safety of principal. Secondly, the objective shall be sufficient liquidity to meet scheduled debt service payment obligations. The maximum maturity of any individual investment shall not exceed three years.

Capital Projects Fund

The investment strategy for the Capital Projects Fund has as its primary objective the preservation and safety of principal. The second objective is to ensure that anticipated cash flows are matched with adequate investment liquidity. These objectives shall be accomplished by purchasing short- to medium-term securities or investment pools. The maximum maturity of any individual investment shall not exceed three years.

Suitability

The primary investment objectives of the Department are preservation of principal and liquidity; income is secondary. The investments must be appropriate to meet the needs and circumstances of the Department's operating budget. The investment officers shall use reasonable judgment to determine whether the investment is applicable to the portfolio needs of the Department.

Preservation and Safety of Principal

The investment officers shall exercise diligence and thoroughness in making an investment transaction. Receipts for confirmations of trades will include information on trade date, par value, maturity, price, settlement date, and description of securities purchased, and they will show the Department as the purchaser.

Liquidity

Maturities of investments made shall be scheduled to coincide with projected cash flow needs, taking into account large routine expenditures (payroll, debt service payments, and general expenditures), anticipated payouts of capital project expenditures, sizable blocks of anticipated revenue, and periodic reimbursements from other funds or accounts. Investments will be made with the intent of pursuing, at the time of purchase, the best rate of return on securities held until maturity, and not with the intent of speculative trading. Securities, however, may be sold or exchanged before they mature if market conditions present an opportunity to benefit from the trade or if necessary to meet cash needs. Careful consideration will be given to the effect of the sale on the remaining portfolio.

Investment Diversification

The Department shall diversify the investment instruments within the portfolio to avoid incurring reasonable risks inherent in over-investing in specific instruments, individual financial institutions, or

OTHER REVENUES
INVESTMENTS

CDA
(LOCAL)

maturities, so that no single investment or class of investments can have a disproportionate impact on the total portfolio. The asset allocation in the portfolio should, however, be flexible depending upon the outlook for the economy and the securities markets. Diversification to avoid over-concentration in a specific instrument does not apply to U.S. Treasury securities and money market mutual funds. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

The Department recognizes that investment risks may result from issuer defaults, market price changes, or various technical complications leading to temporary illiquidity. Portfolio diversification is employed as a way to control risk. The investment officers are expected to display prudence in the selection of securities as a way to minimize default risk. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio. In the event of default by a specific issuer, the investment officers shall review, and, if appropriate, proceed to liquidate securities having comparable credit risks. To control market price risks, volatile investment instruments shall be avoided.

Yield

Investment officers shall strive to earn a competitive total return on the portfolio consistent with the objectives and priorities stated in this policy. Total return shall mean the interest or dividend payments and appreciation or depreciation of the principal of the investment. Cash use estimates are used to make investment decisions. All available funds should be invested to earn interest for the Department. Enough of the funds will be invested in nonvolatile, liquid investments to ensure payments when due. Moderate income volatility is permitted. Financial risk is unacceptable, and because the investment time horizon of the funds are relatively short, exposure to interest rate risk and purchasing power risk will be minimal. The annual time-weighted rate of return on the portfolio should be compared with the total return on three-month Treasury bills to evaluate the portfolio's performance.

**Approved
Investment
Instruments**

From those investments authorized by law and described further in CDA(LEGAL) under Authorized Investments. All investments made or sold on behalf of the Department must fall within the guidelines provided in Government Code, Chapter 2256, Public Funds Investments Act (short title), and are subject to such other restrictions as may be imposed by the Department Board by resolution or order. The following are the types of investments authorized for Department funds, with restrictions as noted [See CDA(LEGAL)—AUTHORIZED INVESTMENTS]:

Subject:

Grant proposal; CASE for Kids; SkillsFWD; LevelUp Houston! Digital Pathways Initiative.

Rationale:

The Center for Grants Development assisted CASE for Kids in their submission of a \$1,213,522 request to SkillsFWD for the LevelUp! Houston: Digital Pathways project. Rockefeller Philanthropy Advisors, with support from a collaborative of funders led by Walmart.org, have partnered with SkillsFWD to fund the development and application of digital Learning and Employment records (LERs). Similar to the concept of merit badges used by Scouts, LevelUp! uses digital tools to document and track student accomplishments in different areas. The project seeks to advance skills-based hiring and equalize opportunity for youth and young adults by: 1) collaborating with Greater Houston area and Harris County youth stakeholders; 2) paving the way into skills-based badging for service providers, systems partners, and employers; and 3) by leveraging state-of-the-art content, workforce readiness modules and hands-on learning opportunities to help build a scalable badging system as part of the evolving higher education and employment badging ecosystem. Working in collaboration with various public, private and nonprofit entities, the project will serve 12,000 youth.
