

**NOTICE OF MEETING OF THE BOARD OF TRUSTEES OF
HARRIS COUNTY DEPARTMENT OF EDUCATION**

Notice is hereby given that a meeting of the Board of Trustees of Harris County Department of Education will be held on the **26th day of June 2024 at 1:00 p.m.** for the Board to conduct the business of that meeting. The meeting will be held in Conference Room 401 of the Administration Building, 6300 Irvington Boulevard, Houston Texas. Such a meeting is a **REGULAR BOARD MEETING**.

The subjects to be discussed or considered or upon which any formal action might be taken are on the Agenda following.

Additionally, from time to time an issue will be raised concerning an item on our agenda that had not been anticipated. The issue, while within the scope of the agenda topic, may be one that is required or authorized by law to be considered in executive session rather than in public session. In order for the Board to consider such issue in executive session, rather than postpone consideration of it until the next board meeting, the Board lists below most if not all be all of the sections of the Open Meetings Act that address the purposes for which the Board may lawfully meet in executive/closed session. The Board's purpose is not to meet in executive session to consider matters not on the agenda for the meeting. Instead, its purpose is to efficiently and timely conduct its business in accordance with the law.

Therefore, if, during the course of the meeting on agenda items covered by this Notice, the Board should determine that a closed or executive meeting or session of the Board should be held or is required in relation to any item included in this notice, then such closed or executive meeting or session as authorized by Section 551.001 et seq. of the Texas Government Code (the Open Meetings Act) will be held by the Board at the date, hour, and place given in this notice or as soon after the commencement of the meeting covered by this notice as the Board may conveniently meet in such closed or executive meeting or session concerning any and all subjects and purposes authorized by Sections 551.071-551.084, inclusive, of the Open Meetings Act, including, but not limited to:

- Section 551.071 For the purpose of a private consultation with the Board's attorney on any or all subjects matters authorized by law.*
- Section 551.072 For the purpose of discussing the purchase, exchange, lease or value of real property.*
- Section 551.073 For the purpose of considering a negotiated contract for a prospective gift or donation.*
- Section 551.074 For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public officer or employee.*
- Section 551.076 To consider the deployment, or specific occasions for implementation of security personnel or devices.*
- Section 551.082 For the purpose of considering discipline of a public school child or children or to hear a complaint by an employee against another employee if the complaint or charge directly results in a need for a hearing.*
- Section 551.083 For the purpose of considering the standards, guidelines, terms or conditions the Board will follow, or instruct its representatives to follow, in consultation with representatives of employee groups in connection with consultation agreements provided for by Section 13.901 of the Texas Education Code.*
- Section 551.084 For the purpose of excluding witness or witnesses from a hearing during examination of another witness.*

Should any final action, final decision, or final vote be required in the opinion of the Board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either: a) the open meeting covered by this notice upon the reconvening of this public meeting, or b) at a subsequent public meeting of the Board upon notice thereof, as the Board shall determine.

James Colbert, Jr., County School Superintendent

The Board of Trustees
June 26, 2024
Agenda of Regular Meeting

A Regular Meeting of the Board of Trustees of Harris County Department of Education will be held June 26, 2024, beginning at 1:00 p.m.

The subjects to be discussed or considered or upon which any formal action may be taken are as listed below. Items do not have to be taken in the order shown on this meeting notice.

Unless removed from the consent agenda, items identified within the consent agenda will be acted on at one time.

1. **Invocation** - Donald Mims, Records Center Technician, Records Management
2. **Pledge of Allegiance to the US flag** - Brandy Dean, Administrative Assistant, Choice Partners
3. **Pledge of Allegiance to the Texas flag** - Brandy Dean, Administrative Assistant, Choice Partners

Key Highlights

Completed scanning projects for Houston Police Burial Fund and Child Advocates of Fort Bend.

99%

Of all contracts renewed. Working on the City of Houston contract for February 2025.

More than
27 million documents scanned in our Paper Vision database.

In 2022-2023, we expanded our service area to include Travis County.

Trends

- Records Management conferences and exhibits are back to full speed and in-person.
- Decline in storage due to more records being removed and destroyed from inventories.
- Increase in creation of digital records and forms using cloud-based systems.
- Quality services, not profits are what the records management industry is talking about.

35. Terms And Conditions

STANDARD TERMS

1. Federal awards are subject to legally binding requirements called terms and conditions (T&Cs). Recipients must review and comply with all T&Cs identified under the award. When a recipient is awarded and accepts an ACF award, it must comply with the requirements outlined in the Notice of Award and T&Cs. The recipient must actively manage its award and adhere to all applicable requirements. For more information about grants management activities and resources for recipients throughout the award lifecycle, see the Managing Your ACF Grant Award at <https://www.acf.hhs.gov/grants/manage-grant>.

Applicable Legislation, Statute, and Regulations

1. The administration of this program is authorized under the Head Start Act, as amended by the Improving Head Start for School Readiness Act of 2007, Public Law 110-134 at <https://www.congress.gov/bill/110th-congress/house-bill/1429>.
2. The program is codified at 42 U.S.C. 9831 et seq at <http://uscode.house.gov/view.xhtml?path=/prelim@title42/chapter105/subchapter2&edition=prelim>.
3. Implementing program regulations are published as the Head Start Program Performance Standards at 45 CFR Parts 1301 to 1305, <https://www.ecfr.gov/current/title-45/subtitle-B/chapter-XIII/subchapter-B>. Additional program guidance is located on the Early Childhood Learning & Knowledge Center (ECLKC), <https://eclkc.ohs.acf.hhs.gov/>. Recipients must act in compliance with the Program Instructions and Information Memoranda. For full text, go to <https://eclkc.ohs.acf.hhs.gov/policy/pi> and <https://eclkc.ohs.acf.hhs.gov/policy/im>.
4. This award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards found at 45 CFR Part 75 at <https://www.ecfr.gov/current/title-45/subtitle-A/subchapter-A/part-75>. This award is subject to the Closeout requirements for Grants and Agreements found at 2 CFR 200.344 at <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200/subpart-D/subject-group-ECFR682eb6fbabcde2/section-200.344>.
5. This award is subject to Executive Orders in the Federal Register available at <https://www.federalregister.gov/presidential-documents/executive-orders>.
6. This award is subject to requirements or limitations in any applicable Appropriations Act available at <https://crsreports.congress.gov/>.
7. This award is subject to the Administrative and National Policy Requirements at <https://www.acf.hhs.gov/grants/administrative-and-national-policy-requirements>.
8. This award is subject to the requirements of the HHS Grants Policy Statement (HHS GPS) that are applicable based on your recipient type and the purpose of this award. This includes requirements in Parts I and II available at <https://www.hhs.gov/grants-contracts/grants/grants-policies-regulations/index.html>. Although consistent with the HHS GPS, any applicable statutory or regulatory requirements, including 45 CFR Part 75, directly apply to this award apart from any coverage in the HHS GPS.

Administration for Children and Families

Notice of Award

Award# 06CH011535-05-01

FAIN# 06CH011535

Federal Award Date: 04/23/2024

Property

9. This award is subject to the Property Related T&Cs found at <https://www.acf.hhs.gov/grants/manage-grant/grant-award/property-terms>. Under 45 CFR §75.323, all real property, equipment, and intangible property acquired or improved with ACF funds must be held in trust by the non-federal entity as trustee for the beneficiaries of the project or program under which the property was acquired or improved.

Award Payment

10. This award will be paid through the Department of Health and Human Services, Payment Management Services, operating under the Program Support Center (PSC). The PSC provides automated award payment and cash management services from awards issued by Federal Government Awarding Agencies through the centralized payment system, Payment Management System (PMS). For more detailed information on payment through PMS, go to <https://pms.psc.gov/>. Drawing funds from PMS indicates acceptance and agreement to the T&Cs of the award.

Unique Entity Identifier (UEI) Notice

11. All applicants and recipients must have an active System for Award Management (SAM) registration and UEI issued. ACF recommends that organizations start the renewal process at least 30 days prior to expiration to avoid delays in federal funding. Entities can search for help at Federal Service Desk (FSD) any time or request help from an FSD agent Monday–Friday 8 a.m. to 8 p.m. ET. This award is subject to requirements as set forth in 2 CFR 25.110.

1. Remarks

30. REMARKS (Continued from previous page)

This action offsets (recaptures) unobligated Head Start training and technical assistance funds of \$14,169.00 from Program Year 02 to Program Year 05. The unobligated federal fund balance is reported as available in the grantee's Final Financial Report SF-425 for Grant No. 06CH011535/02. If the audit report for the periods including Grant No. 06CH011535/02 reflects a lower federal fund balance, it will be the responsibility of the grantee to cover any difference with non-federal funds.

This action awards the balance of funds for Head Start and Early Head Start operations, Head Start training and technical assistance, and Early Head Start training and technical assistance for the 01/01/2024-12/31/2024 budget period.

Per ACF-PI-OHS-24-01 (Federal Reporting of Standard Forms 425 and 428), Federal awards that have budget periods starting on or after October 1, 2023 will be required to submit two Federal Financial Reports (SF-425) during a 12-month budget period. A Semi-annual Federal Financial Report (SF425) is due in PMS by 7/30/2024. An Annual Federal Financial Report is due 3/31/2025. If this is the last budget period of the project period, a Final Federal Financial Report is due 4/30/25.

SPECIAL FEDERAL AWARD TERMS AND CONDITIONS
ADULT EDUCATION AND FAMILY LITERACY ACT
Program Year 2023

Pursuant to the terms of the Federal award, and to 2 Code of Federal Regulations (C.F.R.) §§ 200.101(b)(2) and 200.332(a)(2), these Special Terms and Conditions pass through Terms and Conditions of the Federal award, which are not set forth elsewhere in this grant award. This grant award must be used in compliance with the following Federal Terms and Conditions in addition to the other provisions of this grant award.

A. Availability of Federal Award Terms

In some cases, Federal grant funds become available to the Texas Workforce Commission (TWC) for award before TWC obtains the associated Federal Award Terms for the monies. When award execution does not allow for delay, TWC may base the Special Federal Award Terms and Conditions for a grant award on the most recent prior Federal Award Terms and Conditions available, and later amend the TWC grant award when updated Federal terms are available. This action is most often used when Federal Award Terms and Conditions are not expected to differ significantly from the most recent prior terms available at the time TWC makes award.

B. Definitions

As used in these Special Federal Award Terms and Conditions: (1) the term, non-Federal entity, has the meaning defined in 2 C.F.R. Parts 200; and (2) the term, subrecipient, has the meaning defined in 2 C.F.R. Part 200.

C. Order of Precedence

In the event of any inconsistency between the terms and conditions of this grant award and other requirements, the following order of precedence shall apply:

1. Adult Education and Family Literacy Act;
2. Consolidated Appropriations Act, 2023, Public Law 117-328, December 29, 2022;
3. Other applicable Federal Statutes;
4. Implementing Regulations;
5. Executive Orders (EOs);
6. Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 C.F.R. Parts 200 and 3474;
7. Department of Education directives;
8. The terms and conditions of the Federal award, as included in this Grant Award as the Special Federal Award Terms and Conditions; and
9. The terms and conditions of this TWC grant award.

D. Fund Use

The funds that are provided under this grant award must be expended according to all applicable Federal statutes, regulations and policies, including those of Adult Education and Family Literacy Act; the applicable approved WIOA Combined State plan the negotiated performance levels and policies established pursuant to the Department of Education's authority; and the applicable provisions in the appropriations act.

E. Audits

The audit provisions contained elsewhere in this grant award are inclusive of Federal award terms requiring that organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance. Award recipients and subrecipients that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with 2 C.F.R. § 200.501.

F. Changes in Micro-purchase and Simplified Acquisition Thresholds

The OMB memorandum (M-18-18), issued on June 20, 2018, increased the threshold for micro-purchases under Federal financial assistance awards from \$3,500 to \$10,000 and the threshold for simplified acquisitions under Federal financial assistance awards from \$100,000 to \$250,000.

G. Closeout Requirements

During the closeout process, the Grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. (Note: Unless specified otherwise by TWC, subrecipients must maintain such documentation in

accordance with applicable record retention requirements and make it available for review upon request.)

H. Program Income

2 C.F.R. § 200.307 applies to this award, which allows grantees under the AEFLA to earn program income. 2 C.F.R. § 200.1 defines “program income” generally to mean “gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance...”.

Ordinarily, program income is deducted from total allowable program costs and all program income, except for tuition and fees charged to students and employers earned by a subgrantee under this award, must be deducted. A local subgrantee charging reasonable and necessary tuition or fees to students and employers may use that income to provide additional adult education and literacy services that it would otherwise be unable to provide. Program income from tuition and fees must be (1) governed by the terms of the agreement between the TWC and grantee, (2) accounted for in program records, and (3) used only for costs allowable under AEFLA.

Also applicable to this award is 34 C.F.R. § 76.534, which provides that States and subgrantees may not count tuition and fees collected from students toward meeting federal matching federal matching, cost-sharing, or maintenance of effort requirements related to this award. Moreover, TWC must ensure that fees charged to students participating in an adult education program that receives federal support are equitably administered and do not reach levels that have an adverse effect on the participation of economically disadvantaged students.

Note: TWC will recover any program income found remaining at the end of the grant award through the closeout process.

I. Publicity

No funds provided under this grant shall be used for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

Nor shall grant funds be used to pay the salary or expenses of any subrecipient or agent acting for such subrecipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or EO proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.

J. Requirements for Conference and Conference Space

1. Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:

- a. Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - b. Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - c. Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
2. Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
- a. Federal grant funds cannot be used to pay for alcoholic beverages; and
 - b. Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
3. Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for

conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant. When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

4. A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business. A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
5. A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval. All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

6. Grantees are strongly encouraged to contact TWC with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes. A short conversation could help avoid a costly and embarrassing mistake.
7. Grantees are responsible for the proper use of their grant awards and may have to repay funds to TWC if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.
8. Subawards
 - a. A subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.
 - b. The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. Each pass-through entity is responsible for monitoring subrecipients, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipients comply with all applicable regulations and the terms and conditions of this award (2 C.F.R. § 200.101(b)).

K. Procurement

1. Award recipients must follow the same procurement policies and procedures it uses for non-Federal funds. Every purchase order or

contract must include any clauses required by section 2 CFR 200.327 Contract Provisions.

2. Privacy Act. No funds can be used in contravention of 5 U.S.C. § 552a (Privacy Act) or regulations implementing the Privacy Act.
3. Prohibition on Contracting with Corporations with Felony Criminal Convictions. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months.
4. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
5. Reporting of Waste, Fraud and Abuse. No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

6. Requirement to Provide Certain Information in Public Communications. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all non-Federal entities receiving Federal funds shall clearly state:
- a. The percentage of the total costs of the program or project which will be financed with Federal money;
 - b. The dollar amount of Federal funds for the project or program; and
 - c. The percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Grantees must comply with these conditions under Division H, Title V, Section 505 of Public Law 117-328, Consolidated Appropriations Act, 2023.

The requirements of this part are separate from those in 2 C.F.R. Part 200 and, when, appropriate, both must be complied with.

7. Restrictions on Lobbying/Advocacy. No federal funds may be used by subrecipients, other than for normal and recognized executive-legislative relationships, to engage in lobbying or advocacy activities (including publicity or propaganda purposes or for the preparation of any publication or electronic communication) designed to support or defeat the enactment of federal, state, or local legislation, regulations, appropriations, order, or other administrative action, except in presentation to Congress or a State or local legislature itself or for participation by an agency or officer of a State, local or tribal

government in policymaking and administrative processes within the executive branch of that government.

L. Telecommunications

Title 2 C.F.R. § 200.216 Prohibition on certain telecommunications and video surveillance services or equipment.

- (a)** Recipients and subrecipients are prohibited from obligating or expending grant funds to:
 - (1)** Procure or obtain;
 - (2)** Extend or renew a contract to procure or obtain; or
 - (3)** Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, Section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
- (i)** For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any

subsidiary or affiliate of such entities).

- (ii) Telecommunications or video surveillance services provided by such entities or using such equipment.
 - (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- (b) In implementing the prohibition under Public Law 115-232, Section 889, Subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
- (c) See Public Law 115-232, section 889 for additional information.
- (d) See also 2 C.F.R. § 200.471.

M. Public Policy

1. Architectural Barriers. The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151 et seq., as amended, the Federal Property Management Regulations (see 41 C.F.R. Part 102-76), and the

Uniform Federal Accessibility Standards issued by GSA (see 36 C.F.R. Part 1191, Appendices C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.

2. Drug-Free Workplace. The Drug-Free Workplace Act of 1988, 41 U.S.C. §§ 702 et seq., and 2 C.F.R. Part 182 require that all organizations receiving grants from any Federal agency maintain a drug-free workplace. Refer to the Drug-Free Workplace Certification applicable to this grant award for notification and other requirements. Failure to comply with these requirements may be cause for suspension or debarment.
3. Executive Orders.
 - a. Subcontracting/Subgranting Opportunities to certain Entities and Individuals (EO 12928). Pursuant to EO 12928, subrecipients are strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities; and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.
 - b. Seat Belt Use (EO 13043). Pursuant to EO 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, subrecipients are encouraged to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented, or personally owned vehicles.

- c. Improving Access to Services for Persons with Limited English Proficiency (EO 13166). As clarified by EO 13166, Improving Access to Services for Persons with Limited English Proficiency, dated August 11, 2000, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP).

To ensure compliance with Title VI of the Civil Rights Act of 1964, subrecipients must take reasonable steps to ensure that LEP persons have meaningful access to programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary.

Subrecipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to the Federal Government's interagency website on Limited English Proficiency at <http://www.lep.gov>.

- d. Text Messaging While Driving (EO 13513). Pursuant to EO 13513, "Federal Leadership on Reducing Text Messaging While Driving", dated October 1, 2009, subrecipients are encouraged to adopt and enforce policies that ban text messaging while driving company-owned or -rented vehicles, or government-owned vehicles, or while driving personally-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. Subrecipients are also encouraged to conduct initiatives of the type described in section 3(a) of EO 13513.

- e. e. The Build American, Buy American Act (BABAA). BABAA was enacted as part of the Infrastructure Investments and Jobs Act, Public Law 117-58 and requires compliance with domestic content procurement preference requirements established in Section 70914 for federal financial assistance projects for infrastructure. The Buy America preference requires all iron, steel, manufactured products, and construction materials used for infrastructure projects in the United States under and award to be domestically manufactured. Covered activities include the construction, alteration, maintenance or repair of public infrastructure, including buildings and real property. See OMB Memorandum M-22-11.
- 4. Flood Insurance. The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. §§ 4001 et seq., provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in communities in the United States identified as flood-prone, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within one year of the identification. The flood insurance purchase requirement applies to both public and private applicants. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA).
- 5. Hotel-Motel Fire Safety. Pursuant to 15 U.S.C. § 2225a, subrecipients must ensure that all space for conferences, and conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (Pub. L. 101-391, as amended). Subrecipients

may search the Hotel Motel National Master List at <https://apps.usfa.fema.gov/hotel/> to see if a property is in compliance, or to find other information about the Act.

6. Prohibition on Trafficking in Persons. Grantee shall comply with 2 C.F.R. § 175. The grant condition specified in 2 CFR 175.15(b) is incorporated into this grant with the following changes. Paragraphs a.2.ii.B and b.2.ii. are revised to read as follows:

“a.2.ii.B. Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

“b.2.ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

Under this condition, TWC may terminate a grant without penalty for any violation of these provisions by the grantee, its employees, or its subrecipients.

GENERAL TERMS AND CONDITIONS

1. Legal Authority.

The Texas Workforce Commission (TWC) is responsible for administering an integrated workforce development system, including job training, employment, employment related educational programs, and the unemployment compensation insurance program, under the authority of Texas Labor Code § 302.021. TWC has the authority to enter into contracts and administer programs pursuant to Texas Labor Code § 302.002(b).

2. Purpose.

This grant award sets forth the responsibilities and obligations of TWC, the other party(ies) to this grant (hereinafter identified as the Grantee), and its Fiscal Agent (if different from the Grantee), with respect to the implementation and administration of the program defined within the Request for Applications (RFA) and the Grant Application.

3. Grant Performance.

3.1 The Grantee agrees to perform under this grant award in accordance with the commitments established within the RFA and the Grant Application. Services under this award shall be provided in compliance with:

- all applicable federal and state laws, regulations, and rules;
- all TWC policies and procedures or guidance materials incorporated herein by specific reference; and
- all terms and conditions of this grant award.

3.2 The Grantee has, or shall obtain within forty-five (45) days, personnel capabilities necessary to implement project requirements and to ensure compliance with this grant award.

3.3 The Grantee shall notify TWC in writing, within ten (10) days, of any change in key personnel assigned to the implementation and administration of this grant award. Key personnel are defined for the purposes of this grant award, as those personnel whose oversight and guidance are essential to the work being performed hereunder and whose knowledge, qualifications, and experiences are critical to the achievement of the objectives of this grant award.

3.4 In consideration of the Grantee's full and satisfactory performance of the specified services, TWC shall be liable to the Grantee in accordance with the terms and limitations established within this grant award.

3.5 Except with respect to defaults of contractors or subrecipients, no liability or loss of rights hereunder shall result to either party from delay or failure in performance (including any failure by the grantee to progress in the performance of the work) if such failure arises out of causes beyond the reasonable control and without the default or negligence of the party affected. Such causes may include but are not limited to acts of God, acts of a public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, serious labor disputes, shortage of or inability to obtain material or equipment, and unusually severe weather. In every case, however, the failure to perform must be beyond the control and without the fault or negligence of the party affected.

4. Administrative Requirements.

4.1 This grant award shall be construed, interpreted, and applied in accordance with the laws of Texas, excluding its choice of law rules.

4.2 If any of three provisions of this grant award shall contravene or be invalid under the laws of the United States or the State of Texas, such contravention or invalidity shall not invalidate the entire grant award. It shall be construed as if not containing the particular provision or provisions held to be invalid, and the rights and obligations of the parties shall be construed and enforced accordingly. The Grantee and TWC shall endeavor to agree on a mutually acceptable alternative provision.

In the event of a conflict between such laws and regulations and the terms and conditions of this grant award, precedence shall be given to the laws and regulations.

4.3 This grant award between the Grantee and TWC shall conform to the administrative requirements found in:

- The Office of Management and Budget (OMB) Uniform Guidance (UG), 2 Code of Federal Regulations (C.F.R.) Part 200, as supplemented by the Texas Grant Management Standards (TxGMS) (as applicable);
- TWC Rules in 40 Texas Administrative Code (TAC) Part 20;
- TWC's Financial Manual for Grants and Contracts (FMGC); and
- any directives specified by TWC issuance except as otherwise specifically authorized by TWC in writing.

4.4 All costs must conform to cost principles found in:

- any specific term or condition within the RFA, Grant Application, grant award and attachments;

- OMB UG, 2 C.F.R. Part 200, or 48 C.F.R. Part 31 (as applicable), as supplemented by TxGMS (as applicable);
- TWC's FMGC; and
- any TWC directives, as applicable.

4.5 In addition to the other requirements herein, commercial organizations will be subject to the administrative provisions of 48 C.F.R. § 31.103 and the cost principles and procedures in 48 C.F.R. Part 31, Subpart 31.2. The process for determining reimbursable costs in contracts with commercial organizations shall incorporate the cost principles and procedures in 48 C.F.R. Part 31, Subpart 31.2.

5. Surety Requirements (Includes Public Education Institutions).

5.1 The Grantee understands and agrees that it shall be liable to repay to TWC any funds not expended in accordance with this grant or determined to be expended in violation of the terms of this grant and under OMB UG, 2 C.F.R. Part 200, including loss arising from a fraudulent or dishonest act of the Grantee's officers and employees holding positions of fiduciary trust.

5.2 All repayment made by the Grantee to TWC pursuant to Section 5.1 of these General Terms and Conditions (GTCs) shall be from non-federal funds.

5.3 The Grantee's failure to make repayment to TWC within thirty (30) days after demand may result in legal actions to recover such funds and any additional costs incurred by TWC, including allowable interest.

6. Bonding Requirements.

Entities backed by a taxing authority are exempt from the following bonding requirements. Examples of entities that are backed by a taxing authority include, but are not limited to public colleges, public universities, independent school districts, and consolidated school districts.

6.1 The funds provided by this grant award shall be included in coverage provided by a fidelity bond that indemnifies TWC against loss arising from a fraudulent or dishonest act of the Grantee's officers and employees holding positions of fiduciary trust.

6.2 The Grantee shall obtain a bond sufficient to cover the largest cumulative amount of all cash requests submitted by a grantee on any given day or the cumulative amount of funds on hand at any given point. This determination shall be made by aggregating the cumulative amounts drawn from TWC by the Grantee during any consecutive three-day period.

Under no circumstances shall TWC disburse to the Grantee an amount of cash that exceeds the bond amount.

6.3 The bond shall be executed by a corporate surety or sureties holding Certificates of authority, authorized to do business in the State of Texas, and acceptable to TWC.

If a surety upon a bond loses its authority to do business in the State of Texas, or the bond is cancelled, reduced, or otherwise amended, the Grantee shall immediately notify TWC and provide a replacement bond adequate to cover the terms and conditions of this section. Until such time that, an adequate replacement bond is secured by the insurer and provided to TWC, no further disbursements shall be made to the Grantee.

6.4 The Grantee shall be the insured entity and TWC shall be the assigned Certificate holder. A copy of the bond shall be forwarded to:

Texas Workforce Commission

Financial Operations - Contracts Payable

101 East 15th Street

Austin, Texas 78778 – 0001

6.5 The failure of the Grantee to provide evidence of the required bond within fifteen (15) calendar days of the beginning date of this grant award may result in termination of the grant award.

6.6 The Grantee will include the substance of the provisions of this section in any subcontracts for goods or services under this grant award.

7. Rights in Data, Products, or Inventions.

7.1 TWC may reproduce, prepare derivative works, distribute copies to the public, perform publicly and display publicly, by or on behalf of TWC any data, product, or invention developed under this grant award or purchased with funds from this grant award.

7.2 Excluding copyrighted, licensed, and public domain software, the Grantee grants to TWC and its designated representatives, unlimited rights to any data, databases, or data processing programs first developed, produced, or delivered under this grant award. Such data includes recorded information regardless of form or media.

7.3 Upon termination of this grant award, whether for cause or convenience, all finished or unfinished documents, records, reports,

photographs, etc. prepared by the Grantee shall, at the option of TWC, become the property of TWC.

In the event of such termination, the Grantee may be requested to transfer title and deliver to TWC any property or products the Grantee has acquired or produced in performance of the grant award.

7.4 All data and rights necessary to fulfill the Grantee's obligations to TWC under this grant award must be secured and obtained from its contractors and subrecipients.

If a contractor or subrecipient refuses to accept terms affording TWC such rights, the Grantee shall promptly bring such refusal to the attention of TWC.

7.5 TWC and its officers, agents and employees are indemnified against liability, including costs, for infringement of any United States patent (except a patent issued upon an application that is now or may hereafter be withheld from issue pursuant to a Secrecy Order under 35 U. S. Code (U.S.C.) § 181) arising out of the manufacture or delivery of supplies, the performance of services, or the construction, alteration, modification, or repair of real property under this grant award, or out of the use or disposal by or for the account of TWC of such supplies or construction work.

7.6 TWC retains non-exclusive, nontransferable, irrevocable, paid-up license to practice, or have practiced the subject invention throughout the world with respect to any invention resulting from activities funded by this grant award in which the Grantee retains title.

8. Prevention of Fraud.

8.1 The Grantee shall establish and implement procedures for preventing, reporting, investigating, and taking appropriate legal and/or administrative action concerning any fraud, program abuse, possible illegal expenditures, unlawful activity, violations of law, or TWC rules, policies, and procedures occurring under this grant award.

8.2 Any member of the Grantee's staff or Grantee's contractor's or subrecipient's staff having knowledge of suspected fraud, program abuse, possible illegal expenditures, unlawful activity, violations of law or TWC rules, policies and procedures occurring under this grant award, shall report such information to TWC's Office of Investigations no later than five (5) business days from the date of discovery of such act.

8.3 An Incident Report regarding such an act must be submitted to:

Texas Workforce Commission

Office of Investigations

101 East 15th Street, Room 230

Austin, Texas 78778-0001

8.4 The Grantee shall establish and implement reasonable internal program management procedures sufficient to ensure that its employees, participants, contractors and subrecipients are aware of TWC's Fraud and Program Abuse Hotline (1-800-252-3642) and that Hotline posters are displayed to ensure maximum exposure to all persons associated with or having an interest in the programs or services provided under this grant award.

8.5 Except as provided by law or court order, the parties to this grant award shall ensure the confidentiality of all reports of violations, as

listed above. Neither the Grantee nor TWC shall retaliate against any person filing a report.

8.6 Upon review of submitted reports, TWC's Office of Investigations may elevate the report to the appropriate federal authority, accept the case for investigation and/or action at the state level, or return the case to the Grantee, or Grantee's contractor or subrecipient, for action including, but not limited to, the following:

- further investigation;
- referral for prosecution under the Texas Penal Code, or other state or federal laws; and/or
- other corrective action, as may be appropriate.

8.7 When referred back to the Grantee, the Grantee shall ensure that a final investigation closing report is submitted to TWC's Office of Investigations after all feasible avenues of investigation and legal and/or corrective action have been taken.

9. Preventing Conflict of Interest.

9.1 The Grantee shall take every reasonable course of action to maintain integrity in the expenditure of these public funds and to avoid favoritism and questionable or improper conduct.

9.2 The Grantee shall administer this award in an impartial manner, free from efforts to gain personal, financial, or political benefit, tangible or intangible. The Grantee and its executive staff and employees, while administering this grant award, shall avoid situations which could give the appearance that any decision was influenced by prejudice, bias, special interest or desire for personal gain.

9.3 The Grantee assures that no person shall participate in any decision relating to any subcontract which affects his/her personal pecuniary interest including, but not limited to:

- employees, contractors or subrecipients of the Grantee; or
- persons who exercise any function or responsibility in the review or approval of the undertaking or carrying out of this grant award.

9.4 The Grantee shall maintain on file, and make available for inspection by TWC, a statement submitted by each Grantee employee, contractor, subrecipient or governing body member disclosing any interest, fact or circumstance, which does or may present a potential conflict of interest. Such conflict of interest disclosure statements shall be updated, as circumstances require, but at least annually.

The above paragraph shall serve as a minimum standard and shall not be construed as to limit the Grantee's authority for more restrictive governance to prevent real and/or apparent conflicts of interest.

10. Grant Provisions.

10.1 The Grantee shall comply with the following:

- Rehabilitation Act of 1973 § 504, 29 U.S.C. § 794, as amended;
- Titles VI and VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and 2000e-16, as amended;
- Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681-1688, as amended;

- The Age Discrimination Act of 1975, 42 U.S.C. § 6101 et seq., as amended;
- The Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., as amended;
- Women in Apprenticeship and Non-traditional Occupations Act, 29 U.S.C. § 2501, et seq.;
- Applicable provisions of the Clean Air Act, 42 U.S.C. § 7401 et seq., and the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.;
- The rights and responsibilities for charitable and faith-based providers set forth in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) § 104, 42 U.S.C. § 604a, as applicable; and
- The Job Training or Employment Assistance Programs, Services, and Preferences Available to Veterans, as set forth in the Texas Labor Code §§ 302.151-302.153.

10.2 TWC and the Grantee may not deny services under this grant award to any person and are prohibited from discriminating against any employee, applicant for employment, or beneficiary because of race, color, religion, sex, national origin, age, physical or mental disability, temporary medical condition, political affiliation or belief, or citizenship.

10.3 The Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free from discrimination.

10.4 The Grantee shall make a reasonable effort to meet the state goal on subcontracts and supplier contracts to historically underutilized

businesses certified by the State of Texas, as defined in Texas Government Code § 2161.001, including any certified woman or minority owned businesses or enterprises.

10.5 The Grantee shall adopt and implement applicable provisions of the model HIV/AIDS workplace guidelines of the Texas Department of State Health Services as required by the Texas Health and Safety Code § 85.001 et seq. (Applicable to state agencies only).

11. Contractors and Subrecipients.

The Grantee assures that the performance rendered by all contractors and subrecipients shall comply with all the terms and provisions of this grant award as if the performance were rendered by the Grantee and shall require such contractors and subrecipients to comply with all requirements, as covered in this grant award.

12. Records: Retention, Confidentiality, and Access.

12.1 The Grantee shall retain financial and supporting documents, statistical records, and any other records pertinent to the services provided under this grant for which a claim or report was submitted to TWC. These supporting records and documents must be kept for a minimum of three (3) years after final payment and all other pending matters are closed out.

12.2 The Grantee shall establish and maintain a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations. This provision shall not be construed, as limiting TWC's right of access to client case records or other information relating to clients served under this contract.

12.3 The Grantee shall grant access and the right to examine, copy, or mechanically reproduce, all reports, books, papers, documents, automated data systems, and other records pertaining to this contract from Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., local time, excluding state or federal holidays. In the event of suspected fraud, malfeasance, or program abuse, Agency investigators may retain the original records and leave the mechanically reproduced copies in place of the original records. Such rights of access and examination are granted to the duly authorized representatives of:

- the United States Department of Agriculture;
- the United States Department of Education;
- the United States Department of Health and Human Services;
- the United States Department of Labor;
- the Comptroller General of the United States;
- the General Accounting Office;
- the State Auditor's Office (SAO); the Office of the Attorney General of Texas;
- the TWC;
- other state and federal auditing agencies; and
- any duly authorized representatives of the above-named agencies as deemed appropriate by the Agency.

12.4 Such rights to access under paragraph 12.3 of this section shall continue as long as the Grantee retains the records.

12.5 TWC, and any of its authorized representatives, shall have timely and reasonable access to all Grantee records and personnel related to this grant award for the purpose of inspection, monitoring, auditing, evaluation, interview, and discussion.

13. Monitoring, Audits, and Evaluations.

13.1 As applicable, the Grantee shall supply to TWC an audit that is in compliance with the Single Audit Act of 1984, as amended July 1996, 31 U.S.C., Chapter 75, and OMB UG, 2 C.F.R. Part 200, Subpart F, TxGMS, TWC's FMGC, and any other applicable federal, state, or program-specific audit requirements, applicable at the time costs were incurred. Other applicable federal, state, or program-specific audit requirements, may include, but are not limited to the U.S. Department of Health and Human Services regulations at 45 C.F.R. Part 75, and U.S. Department of Labor regulations at 2 C.F.R. Part 2900, as applicable.

Example: Under the OMB UG, 2 C.F.R. Part 200, Subpart F, an entity defined as a "non-Federal entity" for purposes of that Subpart, that "expends \$750,000 or more during the non-Federal entity's fiscal year in [all] Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of" 2 C.F.R. Part 200.

13.2 TWC reserves the right to conduct, or cause to be conducted, an independent audit of all funds received by the Grantee under this grant award. Such an audit may be performed by the local government audit staff, a certified public accounting firm, or other auditors as designated by TWC and must be conducted in accordance with applicable federal rules and regulations, grant award guidelines, and established professional standards and practices.

13.3 The Grantee understands that acceptance of funds under this grant award acts as acceptance of the authority of the SAO, or any successor agency, to audit or investigate the expenditure of funds under this grant award or any subcontract. The Grantee further agrees to cooperate fully with the SAO or its successor, including providing all records requested. The Grantee will ensure that this clause concerning the authority to audit funds received indirectly by contractors and subrecipients through the Grantee and the requirement to cooperate is included in any subcontract it awards.

13.4 The Grantee shall develop and maintain a contractor or subrecipient monitoring system, acceptable to TWC, covering any contract or subrecipient it awards from this grant award.

Complete records of all monitoring performed by the Grantee shall be maintained and made available to TWC during such subcontract performance periods and for as long thereafter as an unresolved deficiency may require.

13.5 TWC reserves the right to conduct or cause a designee to conduct monitoring and evaluation studies of the performance of the Grantee or any contractor or subrecipient for services rendered under this grant award.

TWC retains the right to perform such monitoring and evaluation studies that it determines necessary and will report preliminary results to the Grantee and any contractor or subrecipient before the monitoring and evaluation is concluded and the final results are made a matter of record.

13.6 If a charitable or faith-based organization who is a contractor or subrecipient to the Grantee establishes a separate account for the government funds provided through this grant award, then only the

services and activities supported by those funds will be subject to audit by TWC or its duly authorized representatives.

13.7 The Grantee shall cooperate with any monitoring, review, audit or examination conducted pursuant to this section.

14. Dispute Resolution.

14.1 To the extent applicable under state and federal law, a Grantee's claim for breach that the parties cannot resolve in the ordinary course of business shall be submitted to the dispute resolution process provided for in 40 TAC, Chapter 800, Subchapter K, as further described in this section.

- To initiate the process, the Grantee shall submit written notice to TWC's contract manager. Said notice shall specifically include the information required by 40 TAC § 800.453, as well as other supporting documentation or other tangible evidence to facilitate TWC's evaluation of the Grantee's claim.
- Neither the execution of this grant award by TWC nor any other conduct of any representative of TWC relating to this grant award or the dispute resolution process described herein shall be considered a waiver of sovereign immunity to suit.

14.2 Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Grantee, in whole or in part.

15. Sanctions and Penalties.

15.1 The Grantee acknowledges and accepts that special conditions may be imposed by TWC, and certain enforcement remedies exercised

(set forth within OMB UG, 2 C.F.R. Part 200) if the Grantee has been designated as a "high risk" grantee. Special conditions or restrictions could include:

- payment on a reimbursement basis;
- withholding authority to proceed to the next project phase until receipt of evidence of acceptable performance;
- additional and more detailed financial reporting;
- additional project monitoring;
- requiring the Grantee to obtain technical or management assistance;
- establishing additional prior approvals; or
- other conditions or restrictions appropriate to the circumstances.

15.2 The Grantee acknowledges and accepts that failure of the Grantee to comply with any provision of this grant award, whether stated in a federal or state statute or regulation, Commission rule, an assurance, a certification, an application or TWC policy or procedure referenced in a grant award may subject the Grantee to sanctions and enforcement or remedial measures appropriate to the circumstances, including temporary withholding of cash payments, disallowance of costs, whole or partial suspension of the award, withholding of further awards, or other remedies that may be legally available.

16. Appeals.

Any sanctions or penalties imposed under this grant may be appealed pursuant to Texas Government Code, Chapter 2260.

17. Changes and Amendments.

17.1 This grant award, and all documents or subsequent agreements referenced herein, is the entire agreement between the parties. All oral or written agreements between the parties hereto relating to the subject matter of this grant award that were made prior to the execution of this grant award have been reduced to writing and are contained or referenced herein.

17.2 Any alterations, additions, or deletions to the terms of this grant award required by changes in federal or state law or by regulations are automatically incorporated into this grant award without written amendment hereto and shall become effective on the date designated by such law or regulation.

17.3 To ensure effective performance under this grant award, all parties agree that TWC may amend performance requirements during this grant period, to interpret or clarify a change in federal or state law, rules or regulations, by issuing formal directives to establish or clarify such performance requirements.

- After a period of no less than thirty (30) days subsequent to written notice (unless more rapid implementation is required by law) such formal directives shall have the effect of qualifying the terms of this grant award and shall be binding upon the Grantee and TWC as if written herein.
- Such TWC directives shall not alter the terms of this grant award to relieve TWC of any obligation specified in this grant award to reimburse the Grantee for costs properly incurred prior to the effective date of such formal directives.

17.4 Except as specifically provided by Sections 17.1, 17.2 and 17.3 of these GTCs, any additions, alterations, deletions, or extensions, to the terms of this grant award shall be by amendment hereto in writing and executed by all parties to this grant award except for budget line item changes, which shall be processed pursuant to Financial Requirements, Section I, Expenditure Limitations attached to this grant award. Any other attempted changes, including oral modifications, written notices that have not been signed by all parties, or other modifications of any type, shall be invalid.

17.5 TWC reserves the sole option to renew or extend this grant award after the initial period. Such renewal will be based upon a compliance review and TWC's continuing need for the services. TWC may consider a written request for renewal or extension submitted by the Grantee. Such written request must be received by TWC no later than thirty (30) calendar days prior to the expiration of this grant award.

18. Termination.

18.1 This grant award may be terminated without cause, in whole or in part, by TWC whenever it determines that such termination is in the best interest of TWC or the State.

18.2 Either party may terminate this grant award for breach, pending completion of any reports or audits required by TWC. Such termination shall be effective upon receipt of written notification of termination, provided no less than sixty (60) days in advance.

PROGRAM REQUIREMENTS

Applicants will describe how funds will be used consistent with the requirements of AEFLA.

Applicants are encouraged to familiarize themselves with TWC's Adult Education and Literacy Strategic Plan 2021 to 2026 and the AEL Companion Guide. Applicants will find additional relevant information and resources links provided in Section 18 Informational Resources of the Solicitation.

TWC will evaluate each Application based on the thirteen (13) considerations, as specified by AEFLA § 231(e) and 34 C.F.R. § 463.20(d). The considerations will be represented in the corresponding questions in the Work Plan. Note that throughout the considerations, specific groups within the eligible population are referenced. These populations are all subgroups within the eligible population described in the Solicitation, Section 5.1.

CONSIDERATION 1: RESPONSIVENESS TO LOCAL BOARD PLAN

TWC will consider the degree to which the Applicant would be responsive to:

- a) regional needs as identified in the Local Board Plan;
- b) serving individuals in the community who need adult education;
- and
- c) literacy activities, including, but not limited to individuals who:
 - have low levels of literacy skills;
 - are ELLs; and
 - would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals (S).

A link to Local Board Plans can be found in Section 18, Informational Resources, subsection, TWC Other AEL Resources of the Solicitation.

The Local Board Plans Reference provides a reference to certain elements included in the Application.

Grantees must be responsive to the regional needs of the proposed geographical and service delivery areas as identified by the Local Board Plan(s), taking into consideration the demographics (e.g., race, ethnicity, socio-economic status) of the service delivery area in which the Applicant is applying.

Applicant must describe how they will develop recruitment and outreach strategies and program services to meet the needs of the demographic population of the area, particularly how they will focus on individuals with low levels of literacy, those who lack a high school diploma or its recognized equivalent, ELLs, and those who would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals (S).

CONSIDERATION 2: SERVING INDIVIDUALS WITH BARRIERS TO EMPLOYMENT

TWC will consider the ability of the Applicant to serve eligible individuals with:

- a) disabilities, including learning disabilities; and
- b) Barriers to Employment (S).

Grantees shall ensure that individuals with disabilities have equitable access to programs, activities and related services and will (S):

- create Comprehensive Assessment procedures to identify individuals with physical, emotional, mental, and learning disabilities and ensure student needs are met and appropriate referrals are made (S);

- provide accessible, safe, and convenient instructional facilities including, but not limited to, ensuring facilities are (S):
 - accessible, in accordance with the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., as amended;
 - located near public transportation, in areas where public transportation is available;
 - in proximity to no-cost parking; and
 - conducive to learning, including furniture appropriate for adults and protected by monitored security or have security-restricted access points.

Applicant must describe how they will:

- a) comply with the American Disabilities Act of 1990;
- b) identify and provide services to students with physical, emotional, mental and learning disabilities;
- c) ensure that individuals with disabilities have equitable access to programs, activities, and related services; and,
- d) ensure that individuals have equitable access to services regardless of gender, race, national origin, color or age.

CONSIDERATION 3: PAST EFFECTIVENESS

TWC will consider the past effectiveness of the Applicant in improving the literacy of eligible individuals, especially those individuals who have low levels of literacy, and the degree to which those improvements contribute to TWC meeting its State-adjusted levels of performance for the primary indicators of performance.

Applicant must provide program data for three (3) reporting periods of past effectiveness by completing the appropriate Past Effectiveness table found in Form E, Demonstrated and Past Effectiveness Data. For Consortiums, every member will complete Form E, Demonstrated and Past Effectiveness Data.

Grantees must measure and analyze educational performance related to MSG, student transition into post-secondary education, and training or workforce for the purposes of program improvement throughout the Grant Period.

Applicant must describe how they will meet the State-adjusted levels of performance for the WIOA performance measures in Section 6.11, Federal Performance Measures, of the Solicitation, including how they will collect data to report on such performance indicators.

Applicants must provide information on any Corrective Action imposed by TWC for current or previously TWC funded grants, as described in TWC rules at 40 TAC § 802.121, and if that Corrective Action Plan was lifted at the time of this Solicitation. (S)

Applicants must provide information on non-voluntarily deobligated funds for current or previously funded TWC grants, as described in TWC rules at 40 TAC § 800.78 (S).

CONSIDERATION 4: LOCAL BOARD PLAN ALIGNMENT

TWC will consider the extent to which the Applicant demonstrates alignment and coordination between proposed activities and services and the strategy and goals of the Local Board Plan in accordance with WIOA § 108, as well as the activities and services of the One-Stop partners.

As described in Section 6 Program Requirements of the Solicitation, Applicant must describe how they will fulfill, as appropriate, required One-Stop partner responsibilities to:

- a) provide access through the One-Stop delivery system to AEL activities;

- b) enter into a local MOU with the Local Board, relating to the operations of the One-Stop system and participate in the operation of the One-Stop system consistent with the terms of the MOU; and
- c) use a portion of the funds made available under the award to maintain the One-Stop delivery system, including shared infrastructure costs, as negotiated with the Local Board.

Applicant must describe how they will provide services in alignment with the Local Board Plan, including how they will promote concurrent enrollment in programs and activities under WIOA Title I, as appropriate.

CONSIDERATION 5: MANAGED INSTRUCTION

TWC will consider whether the Applicant's program:

- is of sufficient intensity and quality, and based on the most rigorous research available so that participants achieve substantial learning gains; and
- uses instructional practices that include the essential components of reading instruction.

Grantees must provide a variety of class offerings based on geographical and demographical needs that include In-Person Services, Remote Learning, and Distance Learning options, varied modalities, and account for desired outcomes of students (S).

Grantees must demonstrate enrollment management strategies by developing a retention and recruitment plan that outlines key action steps and activities that are designed to meet the instructional needs of the students.

Grantees must incorporate essential components of reading instruction based on rigorous evidence-based instructional practices to optimize student learning gains.

CONSIDERATION 6: INSTRUCTIONAL DESIGN

TWC will consider whether the Applicant's activities, including whether (reading, writing, speaking, mathematics, and English Language Acquisition instruction delivered by the Applicant), are based on the best practices derived from the most rigorous research available, including scientifically valid research and effective educational practice.

Grantees must implement instructional and other service delivery that:

- a) organizes instructional and other programs, services, or activities using evidence-based research that align AEL instruction and Career and College Planning to Career Pathways (S);
- b) uses evidence-based approach to implement andragogy learning theories that enhance effective instructional design and Instructional Strategies for adults;
- c) ensures instructors use information and data from Comprehensive Assessment and testing for instructional purposes (S);
- d) includes a Workforce Preparation Activities curriculum in all levels of ABE, ASE and ESL instruction that includes, critical thinking skills, learning frameworks, Digital Literacy, Financial Literacy, and learner leadership skills (S); and
- e) aligns with the Texas AEL Content Standards (S).

Grantees must implement Instructional Strategies that effectively meet the educational needs of students with special learning needs, including those with learning disabilities (S).

CONSIDERATION 7: DISTANCE EDUCATION

TWC will consider whether the Applicant's activities effectively use technology services and delivery systems, including Distance Education, in a

manner sufficient to increase the amount and quality of learning, and how such technology, services, and systems lead to improved performance.

Grantees must:

- a) develop, execute, and maintain a Distance Learning Plan that adheres to the state Distance Learning guidance as described in the Texas AEL Testing Guide and AEL Companion Guide and includes implementation of one (1) or more options for Distance Learning using TWC AEL-approved Distance Learning curricula; (S)
- b) integrate the use of Educational Technology to support instruction to include software, internet resources, and hardware such as smartphones, whiteboards and other resources; (S) and
- c) utilize technology to provide instruction on Digital Literacy (S).

Grantees may serve individuals who reside outside of their service area if specifically identified in their Distance Education Plan and agreed upon through coordination with area Grantee in which the student resides. Duplicated enrollments will be monitored closely by TWC.

Applicant shall describe how their activities, services, and systems will lead to improved performance.

CONSIDERATION 8: INTEGRATED EDUCATION AND TRAINING

TWC will consider whether the Applicant's activities provide learning in context, including through IET, so that an individual acquires the skills needed to transition to and complete postsecondary education and training programs, obtain and advance in employment leading to economic self-sufficiency, and to exercise the rights and responsibilities of citizenship.

Integrated Education Training (IET)

Applicant must describe how they will:

- a) foster IET opportunities for IELCE students including details on how IELCE students will access and participate in IET activities;
- b) choose relevant workforce training aligned to the Local Board Plan, promote IET opportunities for students, and how students will access those services; and
- c) ensure enough Contextualized Instruction occurs to help students develop the skills required to advance in an educational setting, transition to additional post-secondary education or become employed.

Grantees must implement an Integrated Services approach in developing quality IETs that lead to Recognized Post-Secondary Credentials (Credentials).

CONSIDERATION 9: STAFFING

TWC will consider whether the Applicant's activities are delivered by instructors, counselors, and administrators who meet any minimum qualifications established by the state, where applicable, and who have access to high-quality PD, including through electronic means.

Grantees shall ensure instructors use information and data from Comprehensive Assessment and testing data for instructional and other service delivery (S).

Grantees shall ensure that institutional hiring processes will have personnel in place, either through hiring or temporary staff placement, within the first ninety (90) days following grant execution to manage project start-up activities (S).

Grantees will consider percentages needed to meet grant obligations, but at a minimum must include (S):

- a) **Director:** One (1) full-time employee (FTE) at one hundred percent (100%) to serve as director and act as single point of contact to TWC to effectively lead and be responsible for program oversight, service delivery, reporting, compliance and overall program and fiscal accountability.
- b) **Instruction and Curriculum Lead:** At least one (1) position equivalent to a FTE at one hundred percent (100%) to effectively lead and coordinate program curriculum and instruction, inclusive of face-to-face and remote learning. Will also coordinate or develop specialized curriculum for Career Pathway models, including coaching new and existing instructors and guiding overall service delivery including implementation of the current and future Texas AEL Content Standards and guidance related to Career Pathways.
- c) **Lead for Quality Assurance:** One (1) position to act as single point of contact to TWC and effectively lead auditing and observation of work to evaluate compliance with policies and procedures and adherence to grant requirements, development of and adherence to Standard Operating Procedures, handling of PII, and provision of technical assistance for improvement and enhancement. It is a conflict of interest for a single person to be the lead for quality assurance and the lead for performance accountability.
- d) **Lead for Performance Accountability:** One (1) position to act as single point of contact to TWC for accountability and student management system questions. It is a conflict of interest for a single person to be the lead for performance accountability and the lead for quality assurance. The Lead for Performance Accountability shall:
 - effectively lead grant Performance Accountability including data management and reporting;

- manage compliance to the Texas AEL Testing Guide, applicable AEL and WD letters, and other performance requirements;
- support coordination of data collection and performance reporting for Discretionary Innovation Projects funded by TWC to expand new service options, as applicable;
- serve as the point of contact for staff for program or Consortia, if applicable, questions related to accountability, assessment, and data management; and
- submit questions to TWC related to accountability, assessment, and data management, as necessary.

e) **PD Coordinator:** At least one (1) position to act as single point of contact to TWC and state PD Center(s), and other Discretionary Innovation Projects, as applicable, and effectively lead PD efforts for the program. The local PD Coordinator shall:

- collaborate with PD Center(s) and TWC staff as necessary to ensure that PD needs of the AEL Grant Recipient are met;
- coordinate PD, planning, implementation, and documentation to ensure staff meet PD requirements and are trained to support program performance and compliance;
- work with the PD Center(s) to develop the AEL Grant Recipient's strategic PD plan for continuous improvement;
- submit Contextualized Instruction or specialized curriculum and other replicable resources developed by the program to the PD Center(s) and other Discretionary Innovation Projects as directed by TWC for inclusion as an available resource for other AEL programs; and
- coordinate PD planning, implementation, and documentation as directed by TWC if the AEL Grant Recipient is placed on an AEL Technical Assistance Plan or another Corrective Action.

- f) **Lead for Distance Learning and Digital Navigation:** At least one (1) position to act as single point of contact to TWC and effectively lead Distance Learning, Digital Navigation, Digital Literacy and other Educational Technology efforts for the program, including participant and staff access to online PD.
- g) **Career Navigator:** At least one (1) position to act as a customer and organizational liaison between Workforce Solutions Offices, Vocational Rehabilitation Services, community and technical colleges, other training entities and local employers. The Career Navigator provides support for Career Pathways objectives including customer recruitment, career guidance, transition, and retention support, and successful completion of training and job placement, including, but not limited to, customers in Career Pathways models.
- h) **TEAMS Specialist:** At least one (1) position to act as the subject matter expert for TEAMS-related functions and User Access Controls. TEAMS Specialist will manage user access and terminations from the system; add, edit, or modify security roles and permissions; and ensure that all security requirements are met prior to access being permitted. They may also assist in the development of local Tier One trainings to support better data management and integrity.

Grantee shall (S):

- a) ensure compliance with PD requirements as provided in TWC rules at 40 TAC § 805.21 or subsequent rules, and TWC guidance regarding continuing PD requirements developing a PD plan;
- b) ensure that all staff have access to the PD Learning Management System;
- c) provide PD to support compliance with rules and to support deployment of innovative service delivery and continuous performance improvement; and
- d) provide core Tier One Training, including the development and deployment of training and related PD and technical assistance on:
 - implementing Standard Operating Procedures (SOP)s as described at Section 6.6. Standard Operating Procedures, of the Solicitation; and
 - providing accurate documentation and data management including data entry into the Statewide Management Information System (and other topics as defined in the AEL Companion Guide or other TWC issuances).

CONSIDERATION 10: PARTNERSHIPS

TWC will consider whether the Applicant coordinates with other available education, training, and social service resources in the community, such as by establishing strong links with elementary schools and secondary schools, postsecondary educational institutions, institutions of higher education, Boards, One-Stop centers, job training programs, and social service agencies, business, industry, labor organizations, community-based organizations, nonprofit organizations, and intermediaries, in the development of Career Pathways.

Grantees shall coordinate with local WIOA partners and service providers to develop Career Pathway programs consistent with strategies identified in the Local Board Plan(s), including how to serve Priority Populations as outlined in the Local Board Plan(s) and those with barriers to employment.

Grantees must coordinate with other education, training, non-profit and social service resources in the community to develop referral systems that increase access to career pathways for eligible population.

Applicant shall describe any cooperative arrangements the eligible provider has with other agencies, institutions, or organizations for the delivery of adult education and literacy activities.

CONSIDERATION 11: STUDENT SUPPORTS

TWC will consider whether the Applicant's activities offer the flexible schedules and coordination with Federal, State, and local Supportive Services (such as child care, transportation, mental health services, and career planning) that are necessary to enable individuals, including individuals with disabilities or other special needs, to attend and complete programs.

Grantees shall assess students' educational needs, including Supportive Services and accommodations.

Grantees must partner with Boards or other entities to offer Supportive Services, such as child care, transportation, mental health services, and career planning as part of a comprehensive service delivery system to students, to increase access to program services and ensure student success. Grantees may provide Supportive Services, which may include transportation and career planning, with AEL grant funds, as allowable AEL policy in AEL Letter 03-21, including any subsequent issuances and the AEL Companion Guide.

Grantees must implement a program with flexible schedules for year-round service delivery within each of the twelve (12) months and use a Managed Enrollment model that includes flexible schedules that allow customers to begin Orientation or Workforce Preparation Activities at no-less than two (2) week intervals and instructional services no-less than eight (8) times a year (S).

CONSIDERATION 12: DATA MANAGEMENT AND ANALYSIS

TWC will consider whether the Applicant maintains a high-quality information management system that has the capacity to report measurable participant outcomes and to monitor program performance.

Grantees shall use, TEAMS, and implement data management and documentation procedures:

- pursuant to AEL Letter 04-21, Texas AEL Performance Guide, AEL Testing Guide, NRS Guidelines, TEAMS User Guide, and federal, state and agency requirements (S);
- that use TEAMS to collect and report participant outcomes and support review of program performance against TWC performance measures; (AEFLA § 231(e)(12), 29 U.S.C. § 3321(e)(12));
- that ensure timely data collection and entry into TEAMS to enable accurate monthly validation of activities and Quarterly Data Sign Offs, in accordance with AEL Letter 04-21, and the Texas AEL Performance Guide (S); and
- that ensure security of information in accordance with TWC rules on PII, as specified in WD Letter 02-18 "Handling and Protection of Personally Identifiable Information and Other Sensitive Information".

Grantees shall use TEAMS reports, Tableau, and other TWC-provided reports and reviews to assess and improve program performance and adjust service delivery based on analysis.

CONSIDERATION 13: EL CIVICS

TWC will consider whether the local area in which the Applicant is located has a demonstrated need for additional English Language Acquisition programs and civics education programs.

For Section 243 Applicants Only:

As outlined in WIOA Section 243, IELCE shall include instruction in literacy and English Language Acquisition; workforce preparation activities and instruction on the rights and responsibilities of citizenship and civic participation.

- a) Integrated English literacy and civics education must be provided in combination with integrated education and training activities; and
- b) Programs must be designed to: (1) prepare ELLs for, and place in, unsubsidized employment in In-Demand Occupations that lead to economic self-sufficiency, and (2) integrate with the local workforce development system.

Applicant shall describe the ELL population in their area and demonstrated need for programs that offer English Language Acquisition services and cite supporting sources.

Grantees shall deliver a service approach that assists individuals who are ELLs achieve competence in four (4) competencies- reading, writing, speaking, and comprehension of the English language- and that leads to: (S)

- a) attainment of a secondary school diploma or its recognized equivalent and transition to postsecondary education and training; or,

b) employment.

Grantees shall offer IELCE program services and activities to eligible adults, including Internationally Trained Professionals.

Grantees shall ensure all ESL services and curricula include civics components that align with the AEL content standards' civics standards.

Applicant will describe how they have or will use IET models and contextualized instruction to assist students with developing the skills required to advance in an educational setting, transition to post-secondary education, or become employed.

Scoring Criteria

- a) Executive Summary– Required, not scored
- b) Consideration 1: Responsiveness to Local Board Plan– 5 points
- c) Consideration 2: Serving Individuals with Barriers to Employment– 5 points
- d) Consideration 3: Past Effectiveness– 10 points
- e) Consideration 4: Local Board Plan Alignment– 5 points
- f) Consideration 5: Managed Instruction– 5 points
- g) Consideration 6: Instructional Design– 10 points
- h) Consideration 7: Distance Education– 5 points
- i) Consideration 8: IET– 10 points
- j) Consideration 9: Staffing– 5 points
- k) Consideration 10: Partnerships– 5 points
- l) Consideration 11: Student Supports– 5 points
- m) Consideration 12: Data Management and Analysis– 5 points
- n) Consideration 13: EL Civics + IET– 20 points
- o) Budget Workbook– 5 points

FINANCIAL REQUIREMENTS

1. Expenditure Limitations.

- 1.1. TWC is liable to the Grantee in an amount equal to, but not in excess of, the lesser of the amount of the grant or the actual allowable costs incurred by the Grantee in rendering the performance specified in the RFA, and Grantee's Application and any attachments subject to the following provisions:
 - 1.1.1. The limitations established within the program budget documents.
 - 1.1.2. TWC shall not be liable for expenditures unless and until TWC receives a verified statement of obligations and accrued expenditures that is prepared in accordance with the requirements set forth by TWC, in WD Letters, and other TWC issuances.
 - 1.1.3. TWC shall not be liable for expenditures made in violation of the legal authorities cited in this grant, or any other law or regulation applicable to a specific service performed under this grant.
 - 1.1.4. TWC shall not be liable to the Grantee for costs incurred or performances rendered by the Grantee or its contractors or subrecipients before commencement of this grant or after termination of this grant, other than allowable administrative costs, unless approved in writing by an authorized representative of TWC.
 - 1.1.5. TWC shall not be liable for any costs incurred by the Grantee in the performance of this grant which have not

been billed to TWC within sixty (60) calendar days following termination or expiration of this grant.

- 1.2. The Grantee agrees that all funds provided through this grant, including any funds expended under subcontracts, shall be expended for authorized activities, and that no expenditures will have as their objective the funding of religious worship, instruction, or proselytization.

This provision shall not be interpreted to prohibit the Grantee from contracting or making subawards for goods or services with any religious institution or entity.

- 1.3. Notwithstanding any other provisions of this grant, the parties hereto understand and agree that TWC's obligations for costs incurred, or performances rendered by the Grantee under this grant are contingent upon receipt of adequate funds from federal and state sources to meet TWC's liabilities hereunder. This grant is subject to revision upon actual receipt of funds from federal or state sources. The grant is subject to termination or cancellation, without penalty to TWC, either in whole or in part, subject to the availability of federal or state funds.

- 1.4. The Grantee understands and agrees that it shall repay to TWC any funds determined to be expended in violation of the terms and conditions of this grant subject to the following:

- 1.4.1. The Grantee shall be liable for such funds and shall repay such funds even if a Grantee's contractor or subrecipient made the improper expenditure.

- 1.4.2. All repayments made by the Grantee must be from non-federal funds.
 - 1.4.3. Failure to repay such funds within thirty (30) days after demand may result in legal actions to recover such funds and/or additional costs, including allowable interest.
- 1.5. Responsibility for disallowed costs and other liabilities under this grant are as follows:
 - 1.5.1. First Priority: The Grantee shall recover funds from the subcontractor or subrecipient incurring the liability and utilize such funds to retire the liability to TWC.
 - 1.5.2. Second Priority: The Grantee shall recover funds from an insurance carrier or bond issuer and utilize such funds to retire the liability to TWC.
 - 1.5.3. Third Priority: The Grantee shall use available stand-in costs to resolve the disallowed costs or other liability to TWC.
- 1.6. Any change in the amount of a budget line item requires the prior written TWC approval and the subsequent change to the line-item amount in the Cash Draw and Expenditure Reporting (CDER) system by the designated TWC Grant Manager.
- 1.7. No less than ten percent (10%) of the total amount expended under this Grant Award must be for Integrated Education and Training activities to eligible participants.
- 1.8. Pursuant to U.S. Department of Education regulations at 34 C.F.R. §§ 76.563 through 76.569, indirect costs charged to funds made

available under AEFLA are limited to the product of the restricted indirect cost rate and total direct costs minus capital outlays, subgrants, and other distorting or unallowable costs as specified in the Grantee's indirect cost rate agreement. The restricted indirect cost rate is the lesser of:

- The restricted indirect cost rate in 34 C.F.R. § 76.564(a); or
- An indirect cost rate of eight percent (8%).

1.9. No more than five percent (5%) of funds expended under this Grant Award shall be used for administrative costs, as defined by the appropriate federal regulations and Agency policy, except where a different rate has been negotiated with TWC. (S)

1.10. Subject to the limitations in Section 1.8 (restricted indirect cost rate provisions) of these Financial Requirements, indirect costs, if any, charged to this grant must result from proper application of an indirect cost rate approved by the Grantee's federal cognizant agency for indirect costs, or other authorized entity, as appropriate, a de minimis rate as described in 2 C.F.R. § 200.414, or a rate negotiated with TWC.

2. Obligation and Deobligation of Funds.

Notwithstanding the provisions of Section 17 of the GTCs, the following provisions apply to the obligation and deobligation of funds under this grant:

2.1. TWC shall not be liable to the Grantee for any excess or erroneous funding obligations and retains the right to unilaterally deobligate such funds.

- 2.2. TWC may obligate additional funds under this grant or deobligate funds previously obligated under this grant at the sole discretion of TWC.
- 2.3. Notwithstanding the provisions of Section 17 of the GTC, TWC may deobligate funds allocated to the Workforce Area in accordance with TWC rules for failure to achieve expenditure benchmarks as established within TWC rules.
- 2.4. To request a voluntary deobligation of funds allocated to the Workforce Area, and AEL Grant Recipient's Chief Executive Officer shall submit a written request to the Commission. For an AEL Consortium, a copy must be provided to all AEL Consortium Members.
- 2.5. TWC shall provide written notification to the Grantee in the form of either a letter of notification or a grant amendment in the case of an additional obligation or deobligation of funds at least ten (10) business days in advance of the revision taking effect.

3. Financial Reporting

- 3.1. The Grantee shall electronically submit an accurate monthly financial report, including accrued expenditures and obligations, no later than 11:59 p.m. Central Time on the 20th calendar day of each month through TWC's on-line CDER system. To the extent applicable, the Grantee will comply with the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-23 including subsequent issuances; and additional TWC issuances. If the Grantee does not meet established reporting deadlines, late notifications will be issued and access to funds may be disabled as specified in those issuances.

- 3.2. The Grantee shall electronically submit a financial closeout package through the closeout module of the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the grant end date. If TWC exercises its option to renew a grant, TWC may require that a separate financial closeout package be submitted through the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the end of the Grant Period immediately preceding any such renewal, or another date specified by TWC. The Grantee shall submit the financial closeout package according to the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-23 including subsequent issuances; and additional TWC issuances.

CERTIFICATIONS

The Applicant is required to comply with certain state and federal provisions. The Applicant must read and affirm without exception these certifications by completing the form, signing where provided and returning these certifications with the Application. The Applicant represents and warrants that all certifications, representations, warranties, and other provisions in these Certifications apply to Applicant.

Eligible Applicant.

The Applicant certifies that the submitted Application is for an Eligible Applicant as defined in Form D, Applicant Screening in Request for Applications (RFA) 32024-00017.

1. General Terms and Conditions (GTCs) and Special Terms and Conditions (STCs).

The Applicant has read and agrees to comply with both the GTCs and the STCs of the RFA unless Applicant has filed an exception to the GTCs. Any proposed exceptions to the GTCs must be included in Form C, General Terms and Conditions Exceptions Microsoft Word document submitted with the Application and, if accepted by TWC, will be included in any final grant award. Applicant agrees that all exceptions to the GTCs requested by Applicant are rejected unless expressly accepted in writing, in a fully executed agreement, by TWC.

TWC reserves the right to consider exceptions, reservations, or limitations to the GTCs of this RFA, in evaluating and awarding funds under this RFA. TWC will not consider an Applicant's request to modify further the GTCs outside of what has been submitted with the Application. TWC will not consider modifications to the STCs.

It is understood that this Application constitutes an offer and, if accepted by TWC or renegotiated to acceptance, will form a binding agreement for one hundred eighty (180) days from the date the Application is due. Any alterations, additions, or deletions to the terms of this award required by changes in federal or state law or by regulations are automatically incorporated into this award without written amendment hereto and shall become effective on the date designated by such law or regulation.

2. Financial Requirements and Reporting Requirements.

The Applicant has read and agrees to comply with the Financial Requirements and Reporting Requirements contained in this Application. No exceptions or modification of the Financial Requirements or Reporting Requirements will be considered.

3. Lobbying.

This Certification is required by the Federal Regulations, implementing the Program Fraud and Civil Remedies Act, 31 U.S.C. § 1352, for the U.S. Department of Agriculture (2 C.F.R. Part 418), U.S. Department of Labor (29 C.F.R. Part 93), U.S. Department of Education (34 C.F.R. Part 82), and the U.S. Department of Health and Human Services (45 C.F.R. Part 93).

The undersigned, on behalf of the Applicant, certifies that:

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the

extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form – LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.
- C. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements), and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars (\$10,000.00) and not more than one hundred thousand dollars (\$100,000.00) for each such failure.

4. Debarment, Suspension, and Other Responsibility Matters.

This certification is required by the Federal Regulations, implementing Executive Order 12549, Government-wide Debarment and Suspension, for the U.S. Department of Agriculture (2 C.F.R. Part 417), U.S. Department of Labor (2 C.F.R. Part 2998), U.S. Department of Education (2 C.F.R. Part

3485), and the U.S. Department of Health and Human Services (2 C.F.R. Part 376).

The undersigned certifies that neither it nor its principals:

- A. are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any state or federal department or agency;
- B. have, within a three-year period preceding this grant award, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant award under a public transaction, violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- C. are presently indicted for or otherwise criminally or civilly charged by a governmental entity with commission of any of the offenses identified in this certification; and
- D. have had, within a three-year period preceding this grant award, one (1) or more public transactions terminated for cause or default.

5. Drug-Free Workplace.

This certification is required by the Federal Regulations, implementing the Drug-Free Workplace Act §§ 5151-5160 (41 U.S.C. § 701 et seq., as amended), for the U.S. Department of Agriculture (2 C.F.R. Part 421), U.S. Department of Labor (29 C.F.R. Part 94), U.S. Department of Education (34 C.F.R. Part 86), and the U.S. Department of Health and Human Services (2

C.F.R. Part 382). The undersigned certifies that it shall provide a drug-free workplace by:

- A. Publishing a policy statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the consequences of any such action by an employee;
- B. Establishing an ongoing drug-free awareness program to inform employees of the dangers of drug abuse in the workplace; the organization's policy of maintaining a drug-free workplace; the availability of counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed on employees for drug abuse violations in the workplace;
- C. Providing each employee with a copy of the policy statement;
- D. Notifying the employees in the policy statement that as a condition of employment under this grant award, employees shall abide by the terms of the policy statement and notifying the employer in writing within five (5) days after any conviction for a violation by the employee of a criminal drug statute in the workplace;
- E. Notifying TWC within ten (10) days of receipt of a notice of a drug conviction of an employee; and
- F. Taking appropriate personnel action against an employee convicted of violating a criminal drug statute or requiring such employee to participate in a drug abuse assistance or rehabilitation program.

6. Levies, Liens, and Unresolved Audit Exceptions. (S)

The undersigned certifies that the Applicant has no outstanding debts that will result in liens or levies being placed on payments received from TWC and that it owes no funds to TWC, including unresolved audit exceptions. An unresolved audit exception is an exception for which the business entity has exhausted all administrative and judicial remedies and refuses to comply with resulting written demands for payment from TWC.

7. State Assessment Certification. (S)

The Applicant certifies that all the following statements are true and correct and that the Applicant understands making a false statement is a material breach of contract and is grounds for cancellation of this grant award:

- A. It is current in Unemployment Insurance taxes, Payday and Child Labor Law monetary obligations, and proprietary school fees and assessments payable to the State of Texas;
- B. It has no outstanding Unemployment Insurance overpayment balance payable to the State of Texas;
- C. Applicant is in good standing under the laws of Texas and has provided TWC with any requested or required supporting documentation in connection with this certification; and
- D. Applicant shall remain in good standing with the Texas Secretary of State and Texas Comptroller of Public Accounts during the term of the Grant Award and eligible to conduct its business in Texas and shall comply with all applicable requirements of the Texas Secretary of State and the Texas Comptroller of Public Accounts.

8. Prohibition on Certain Bids and Contracts. (S)

Pursuant to Texas Government Code § 2155.006, a state agency may not accept a bid or award a contract that includes proposed financial participation by a person who, during the five-year period preceding the date of the award, has been either convicted of violating federal law or assessed a penalty in a federal, civil, or administrative enforcement action, in connection with a contract awarded by the federal government for relief efforts as a result of Hurricane Rita, Hurricane Katrina, or any other disaster occurring after September 24, 2005, or in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts.

Under Texas Government Code § 2155.006, the Applicant certifies that the individual or business entity named in this Application is not ineligible to receive the specified award and acknowledges that the resulting grant award may be terminated, and payment withheld if this certification is inaccurate.

9. Unfair Business Practices. (S)

The undersigned certifies that the Applicant has not been found guilty of unfair business practices in a judicial or state agency administrative proceeding during the preceding year. The undersigned further affirms that no officer of the Applicant has served as an officer of any company found guilty of unfair business practices in a judicial or state agency administrative proceeding during the preceding year.

10. Texas Family Code. (S)

The undersigned certifies that the Applicant is not ineligible, pursuant to Texas Family Code § 231.006, to receive the award funds and acknowledges that any grant award resulting from this RFA may be terminated and

payment may be withheld if this certification is inaccurate. If a board member, corporate officer, individual, or controlling officer of the awardees' Fiscal Agent (as applicable) is more than thirty (30) days in arrears in the payment of an obligation to pay child support, the awardee acknowledges that payments under the grant award resulting from this RFA may be suspended and/or the grant canceled.

11. Restrictions on the Use of Certain Public Subsidies. (S)

Pursuant to Texas Government Code § 2264.051, a business that applies to receive a public subsidy from a state agency shall certify that the business, or a branch, division, or department of the business does not and will not knowingly employ an undocumented worker as defined in Texas Government Code § 2264.001(4).

The Applicant certifies that it does not knowingly employ an undocumented worker, as defined by Texas Government Code § 2264.051. The Applicant further certifies that it shall establish and implement reasonable internal program management procedures sufficient to ensure its compliance with Texas Government Code § 2264.051. The Applicant certifies that it will enter into a written agreement with its Subrecipient's Subcontractors, working on or having an interest in the programs provided by this grant award regarding the unlawful employment of undocumented workers and advising the Subrecipient's Subcontractors of the penalties that the Subcontractors will incur if convicted of the unlawful employment of undocumented workers.

Texas Government Code § 2264.052 mandates that a business convicted of a violation under 8 U.S.C. § 1324a(f) (unlawful employment of undocumented workers), shall repay the amount of the public subsidy with interest not later than the 120th day after the entity is notified of the violation. In accordance with Texas Government Code § 2264.053, TWC has

determined that if an entity is convicted of such a violation, the interest rate to be applied to the public subsidy is fifteen percent (15%).

12. Certification Concerning Dealings with Public Servants. (S)

Applicant represents and warrants that it has not given, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Application.

13. Conflicts of Interest.

Applicant represents and warrants that Applicant has no actual or potential conflicts of interest in providing services to the State of Texas under this RFA and Applicant's provision of services under this RFA would not reasonably create an appearance of impropriety. Applicant must disclose any existing or potential conflict of interest it may have in contracting with TWC.

14. Franchise Tax Certification. (S)

Applicant certifies that it is exempt or not delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171 of the Texas Tax Code.

15. Compliance with Antitrust Laws. (S)

Pursuant to Texas Government Code § 2155.005, Applicant certifies that neither Applicant nor any firm, corporation, partnership, or institution represented by Applicant, or anyone acting for such a firm, corporation or institution has (1) violated the antitrust laws of the State of Texas under Texas Business & Commerce Code, Chapter 15, or the federal antitrust laws; or (2) communicated directly or indirectly the Application to any competitor

or any other person engaged in such line of business during the procurement process.

16. Compliance with Contracting with State Agency Executive Head. (S)

Applicant certifies that it is in compliance with Texas Government Code § 669.003, relating to contracting with executive head of a state agency. Enter the name of any current or former executive head of a Texas state agency that is currently employed by Applicant below:

Name of Former Executive: [N/A]

Name of State Agency: [N/A]

Date of Separation from State Agency: [N/A]

Position with Applicant: [N/A]

Date of Employment with Applicant: [N/A]

All such disclosures will be subject to administrative review and approval prior to TWC entering any contract with Applicant. Applicant acknowledges that the grant award may be terminated at any time, and payments withheld, if this information is false.

17. Certification Concerning Financial Participation. (S)

Under Texas Government Code § 2155.004(a), Applicant certifies that neither it nor any person or entity which will participate financially in the award has received compensation for participation in the preparation of specifications for this RFA. Further, under Texas Government Code § 2155.004(b), Applicant certifies that the individual or business entity named

in this Application is not ineligible to receive the specified award and acknowledges that the resulting grant award may be terminated, and payment withheld if this certification is inaccurate.

18. Certification Concerning Restricted Employment for Former State Officers or Employees Under Texas Government Code § 572.069. (S)

Applicant certifies that it has not employed and will not employ a former TWC or state officer who participated in a procurement or contract negotiation for TWC involving Applicant within two years after the state officer or employee left state agency employment or service.

This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.

19. Receipt of Appropriated Funds. (S)

Applicant represents and warrants that TWC's payments to Applicant and Applicant's receipt of appropriated or other funds under the Agreement are not prohibited by Sections 556.0055, regarding Restrictions on Lobbying Expenditures, or 556.008, regarding Compensation Prohibition, of the Texas Government Code.

20. Federal Funding Accountability and Transparency Act (FFATA).

If applicable, in accordance with the reporting requirements established by the Federal Funding Accountability and Transparency Act (FFATA) of 2006, Pub. L. 109-282, as amended by Pub. L. 110-252, title VI, § 6202(a), June 3, 2008, according to the instructions specified in WD Letter 29-12 and subsequent issuances, Applicant certifies that it will comply with WD Letter

29-12 and subsequent issuances during the term of the grant, requiring full disclosure of all entities and organizations receiving federal funds.

Applicant certifies that it will have a federally issued Unique Entity Identifier at the time of the Grant Award, and that, if required, it will have a registered SAM.gov account within thirty (30) days of and throughout the Grant Award.

21. Buy Texas (S)

Applicant agrees to comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts.

22. COVID-19 Vaccine Passports (S)

Pursuant to Texas Health and Safety Code, Section 161.0085(c), Applicant certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from the Applicant's business. Applicant acknowledges that such a vaccine or recovery requirement would make Applicant ineligible for a state-funded contract.

23. Foreign-Owned Companies in Connection with Critical Infrastructure (S)

If Texas Government Code, Section 2274.0102(a)(1) (relating to prohibition on contracts granting direct or remote access to or control of critical infrastructure in this state, excluding access specifically allowed by the governmental entity for product warranty and support purposes, with certain foreign-owned companies) is applicable to a contract resulting from this Solicitation, pursuant to Texas Government Code Section 2274.0102, Applicant certifies that neither it nor its parent company, nor any affiliate of

Applicant or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Texas Government Code Section 2274.0103, or (2) headquartered in any of those countries.

24. Cybersecurity Training (S)

Applicant represents and warrants that it will comply with the requirements of Section 2054.5192 of the Texas Government Code relating to cybersecurity training and required verification of completion of the training program.

25. Disaster Recovery Plan (S)

An Applicant in possession of vital state records, as defined in Texas Government Code § 441.180(13), agrees that upon request of TWC, Applicant shall provide copies of its most recent business continuity and disaster recovery plans.

26. Excluded Parties

Applicant certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, *"Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism,"* published by the United States Department of the Treasury, Office of Foreign Assets Control.

27. Public Camping Ban (S)

Applicant certifies that it has not received a final judicial determination finding it intentionally adopted or enforced a policy that prohibited or discouraged the enforcement of a public camping ban in an action brought

by the Attorney General under Texas Local Government Code §364.003. If Applicant is currently being sued under the provisions of Texas Local Government Code § 364.003 or is sued under this section at any point during the duration of this grant, Applicant must immediately disclose the lawsuit and its current posture to the Agency.

28. Grants for Political Polling Prohibited (S)

Pursuant to the General Appropriations Act, Article IX, Section 4.03, none of the funds appropriated by the General Appropriations Act may be granted to or expended by any entity which performs political polling. This prohibition does not apply to a poll conducted by an academic institution as part of the institution's academic mission that is not conducted for the benefit of a particular candidate or party. By submitting a response to this RFA, Applicant certifies that it is not ineligible for a Grant Award pursuant to this prohibition.

29. Complete and Accurate Information

Applicant represents and warrants that all statements and information provided to TWC are current, complete, and accurate. This includes all statements and information in this Solicitation Response.

30. Acceptance of the Grant-Specific Requirements.

The Applicant certifies its acceptance of the RFA, including attachments, if any, in its entirety and the requirements identified therein as well as this Application and attachments, if any.

Applicant's Signature

These certifications are a material representation of fact upon which reliance will be placed when this grant award is made or entered into. Submission of this signed certification is a prerequisite for an Application to be evaluated and scored.

By signing, the Applicant certifies that:

1. All the information in this Application, including all certifications herein, is complete and accurate;
2. Applicant is in compliance with the **General and Special Terms and Conditions** and the **Financial Requirements** and acknowledges that continued compliance is a condition for the award of a grant;
3. Applicant represents and warrants that all certifications, representations, warranties, and other provisions in these Certifications apply to Applicant and all of Applicant's principals, officers, directors, shareholders, partners, owners, agents, employees, subcontractors, independent contractors, and any other representatives who may provide services under, who have a financial interest in, or otherwise are interested in this Solicitation or any contract resulting from this Solicitation;
4. The authorized representative hereby warrants that he or she has been fully authorized by the Applicant to complete the Certifications on behalf of the Applicant, and validly and legally bind the organization to all the terms and conditions, performances, and provisions of the RFA;

5. If a grant is awarded, all program activity will be conducted in accordance with applicable Federal and State laws and regulations, TWC Certifications, RFA 32024-00017, and the Application; and
6. Applicant agrees to electronically sign TWC's documents and agreements via DocuSign eSignature.

NOTICE TO ALL APPLICANTS: EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES

Section 427 of the General Education Provisions Act (GEPA) ([20 U.S.C. 1228a](#)) applies to applicants for grant awards under this program.

ALL APPLICANTS FOR NEW GRANT AWARDS MUST INCLUDE THE FOLLOWING INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.

Please respond to the following requests for information:

1. Describe how your entity's existing mission, policies, or commitments ensure equitable access to, and equitable participation in, the proposed project or activity.

Harris County Department of Education (HCDE) is committed to ensuring equitable access and participation for individuals with disabilities and non-disability barriers in all of its Adult Education classes and services supported under this grant application. These barriers may include, but are not limited to, those based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation. As described in Consideration 1 (pp.77-79) of this application, HCDE's recruitment and outreach strategies include extensive social media presence and partnerships with community organizations that work with individuals who face obstacles to employment and education, such as poverty, re-entry status, social isolation, or lack English language skills. HCDE is committed to continue expanding its recruitment efforts to reach as many individuals as possible who may face these and other barriers.

HCDE carefully evaluates its program locations to ensure that they are in high need areas in which many individuals are likely to experience multiple barriers to employment and education. HCDE's new Adult Education Learning Center, which has a capacity to serve over 1,500 students is located in a neighborhood with a large number of undereducated adults. As described in Consideration 2 (pp. 81-88), HCDE's comprehensive assessment and orientation procedures includes a review of the participant's background to help identify barriers, including information provided in the registration form. The development of an Individualized Training and Education (ITEC) Plan provides initial steps for addressing potential barriers to access and participation.

For students with disabilities, an initial evaluation by program staff may lead to implementation of accommodations, individualized career navigation services, and referrals to Workforce Solutions VR Services, the Department of Assistive and Rehabilitation Services (DARS) and other organizations that can provide support. Individuals who have other barriers to employment and education are also provided with individualized career navigation services that may result in referrals to organizations and community resources that can help the individual address those barriers, including but not limited to childcare, homelessness, transportation, or mental health.

All HCDE adult education participants, faculty and leadership receive equitable access and services. The program fosters an environment where learners can thrive and sharpen their skills and staff can ensure education remains accessible to all learners regardless of age, gender, race, and national origin. HCDE Adult Education will develop policies to create an educational environment free from discrimination based on sexual orientation and gender identity. HCDE will also provide professional development for educators and staff on inclusive teaching practices that accommodate different learning styles and incorporates content that resonates with learners from various backgrounds and life experiences and encourages respectful interactions between learners and staff.

2. Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?

HCDE is committed to identifying and addressing any potential barrier that may impede a student's access and participation in its services. At HCDE, the main barriers that individuals are likely to face are economic barriers to participation in adult education classes and services, including but not limited to:

- a. Access to Childcare: Many adults struggle finding affordable childcare that allows them to attend classes.
 - b. Balancing Work Commitments: Existing and changing work obligations and schedules may make it difficult for students to attend classes regularly.
 - c. Lack of Awareness: Individuals with barriers may not be aware of programs or have language barriers that do not allow them to access information about classes.
 - d. Physical Accessibility: Lack of personal transportation, lack of public transportation or inability to pay for costs of transportation may limit access for some adults.
 - e. Motivation and Self-perception: Some adults may doubt their ability, feel intimidated by the learning process, or lack the motivation to continue participation in adult education programs.
 - f. Access to Technology and Lack of Digital Literacy: Some adults who are unable to attend face-to-face classes may lack access to the technology or digital literacy required to participate in online education.
- For educators, the main barriers to participation in HCDE's program include:
- g. Work-life Balance: Non-traditional class schedules make it difficult for staff to balance family obligations to accommodate adult learner's availability.
 - h. Digital Literacy: Some teachers may lack digital literacy skills for online classes and technology enhanced classrooms.
 - i. Professional development: Educators may not always find or are able to attend high quality professional development that targets their specific needs.

3. Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

HCDE will take the following steps to address identified barriers for students and educators that will address equitable access and participation in the activities proposed by the grant application. For students these steps include:

- a. Access to childcare: HCDE will work with HCDE's Head Start program to refer parents to enroll eligible children in Head Start Centers. HCDE will explore childcare opportunities with partner organizations including churches and non-profits organizations.
- b. Balancing work commitments: HCDE will continue to offer courses in a variety of schedules and lengths, including weekends, self-paced options, distance learning and hybrid learning that accommodate diverse schedules. HCDE will also make it easier for students to transfer to new classes to accommodate changing work schedules and other circumstances.
- c. Lack of Awareness: HCDE will continue to promote its programs through community in-person outreach through schools, churches, and community organizations, make its website more accessible to low literacy and limited English language speakers, and develop targeted social media campaigns to recruit more students.
- d. Physical Accessibility: HCDE will continue to find class locations that have good access to public transportation. In addition, it will work with Workforce Solutions to help eligible individuals apply for a transportation support including gas cards. HCDE will work with Houston Metro to facilitate discounted fares for eligible students. HCDE will also encourage carpooling arrangements among students to reduce the costs of transportation. HCDE will also continue to promote online and distance learning options for students who are unable to participate in a physical location.
- e. Motivation and Self-perception: HCDE is committed to improving its orientation sessions and to provide more personalized guidance to help students build confidence, persistence, and resilience in achieving their educational goals. In addition, HCDE is committed to creating a supportive learning environment that fosters peer connections, provides mentorship, and combats isolation.
- f. Access to technology and lack of digital literacy: HCDE is committed to expanding its digital literacy classes and training for students that are interested in participating in online classes but may lack the skills to successfully navigate online classes and assignments. In addition, HCDE will work with local internet provider to secure free or discounted internet access for students who cannot afford it. Finally, HCDE will work with local businesses, school districts and other organizations to donate new or obsolete digital devices for students who may need one to participate in online classes and activities.

For educators, the main barriers to participation in HCDE's program include:

- g. Work-life balance: Develop class schedules that allow teachers greater flexibility in choosing class assignments and providing opportunities for teaching breaks.
- h. Digital Literacy: Provide targeted professional development, peer mentoring for educators requiring improved digital learning skills.
- i. Professional development: Develop targeted professional development opportunities for educators that address specific needs.

4. What is your timeline, including targeted milestones, for addressing these identified barriers?

- a. Access to childcare: HCDE will develop an internal agreement with HCDE Head Start in the first three month of the grant. HCDE have childcare opportunities with partner organizations including churches and non-profits organizations in the first 6 months of the grant.
- b. Balancing work commitments: HCDE will continue to offer courses in a variety of schedules and lengths, including weekends, self-paced options, distance learning and hybrid learning that accommodate diverse schedules. HCDE will develop a policy for students to transfer to new classes to accommodate changing work schedules and other circumstances by the first three months of the grant.
- c. Lack of Awareness: HCDE will have at least 5 activities to promote its programs through community in-person outreach through schools, churches, and community organizations in the first 6 months of the grant. A redesign of website to make it accessible to low literacy and limited English language speakers of the grant, and develop targeted social media campaigns to recruit more students will be completed in the first six months of the grant.
- d. Physical Accessibility: HCDE will continue to find class locations that have good access to public transportation in the first 3 months of the grant. In addition, it will work with Workforce Solutions to help eligible individuals apply for a transportation support including gas cards. HCDE will work with Houston Metro to facilitate discounted fares for eligible students in the first 6 months of the grant. HCDE will also encourage carpooling arrangements among students to reduce the costs of transportation in the first three months of the grant. HCDE will also continue to promote online and distance learning options for students who are unable to participate in a physical location.
- e. Motivation and Self-perception: HCDE is committed to improving its orientation sessions and to provide more personalized guidance to help students build confidence, persistence and resilience in achieving their educational goals by the first 3 months of the grant. In addition, HCDE is committed to creating a supportive learning environment that fosters peer connections, provides mentorship, and combats isolation in the first 6 months of the grant.

REPORTING REQUIREMENTS

A Grantee will be required to submit the following reports to TWC on TWC supplied templates, including:

- 1) **TEAMS (Texas Educating Adults Management System)**
Monthly Data Entry and Validation: Participant information, assessments, attendance, and outcomes will be recorded in TEAMS on a biweekly schedule with monthly data validation deadlines.
- 2) **Quarterly Data Sign Offs:** Provide data sign off, validation of all data entry in TEAMS.
- 3) **Quarterly Performance Reports (QPRs):** QPRs provide regular updates towards the grant program goals and must be submitted to the designated TWC Grant Manager no later than ten (10) days after the end date of each quarter. A quarter is defined as a three-month period on a grant's period of performance that acts as basis for periodic progress reports. The first quarter begins on the grant execution date and includes all remaining days of the month of execution and the two months following. Subsequent quarters begin on the first day of the fourth month and are measured in three-month increments.
- 4) **Ad-hoc Reports:** Ad hoc reports, as requested, by TWC to meet the potential need for timely information during the grant term. Due dates for ad-hoc reports will be established at the time of request.
- 5) **Monthly Expenditure Reports:** Electronically submit an accurate monthly financial report, including accrued expenditures and obligations, no later than 11:59 p.m. Central Time on the 20th calendar day of each month through TWC's on-line CDER system. The monthly financial report in this requirement is a fillable online report that designated grantee personnel will complete by logging

into TWC's CDER system and keying monthly obligation, and expenditure, Program.

- 6) **Financial Closeout Report:** Electronically submit a financial closeout package through TWC's CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the grant end date for the initial Grant Period specified in the Solicitation. If TWC exercises its option to renew a grant, TWC may require that a separate financial closeout package be submitted through the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the end of the Grant Period immediately preceding any such renewal, or another date specified by TWC.
- 7) **Final Report:** A final report must be submitted to the designated TWC Grant Manager regarding the grant outcomes. The final report is due not later than thirty (30) days after the grant end date. The final report shall include, but is not limited to:
 - a. a description of the project as administered by the Grantee;
 - b. project goals outlined and achievements described;
 - c. review of the activities accomplished;
 - d. project obstacles encountered including solutions or outcomes;
 - e. key stakeholders with contact information;
 - f. positive outcomes;
 - g. best practices;
 - h. areas needing improvement;
 - i. lessons learned;
 - j. sustainability strategy after the end of the project; and
 - k. any other activities provided in the Applicant's Application.

Deliverables Table

Deliverables Description	Deliverable Target	Deliverable Due Date
Provide a Detailed Project Plan and Expenditure Projection using TWC provided template.	1 Plan	30 days after grant begin date
Develop and maintain SOPs as specified in the Program Requirements Section, this application and further defined in the AEL Companion Guide	7 SOPs	90 days after begin date
Hire and/or assign program staff, as specified in the Program Requirements Section, Consideration 9 of this application, notify TWC Grant Manager once completed.	Provide name and contact information for staff	90 days after begin date
Provide to the designated TWC Grant Manager notification of executed subawards to subrecipients, if applicable, including budgets and SOPs.	1 notification	90 days after grant begin date
Develop and provide Distance Learning Plan as specified in the Program Requirements Section, Consideration 7 of this application.	1 Plan	90 days after grant begin date
Develop a Professional Development plan utilizing TWC provided template to meet Program Requirements in Consideration 9 of the application.	1 Plan	90 days after grant begin date, then June 30 th of each year within the total grant cycle

Enter into an MOU with the Board	1 MOU	120 days after grant begin date
----------------------------------	-------	---------------------------------

End of Deliverables table.

MINIMUM AND MAXIMUM AWARD

A Section 243 Applicant may request any amount between two hundred thousand dollars (\$200,000) (minimum award) and one million dollars (\$1,000,000) (maximum award).(S)

Each Section 243 Application will use Form F2, IELCE Funding Calculator, in connection with its funding request. The Form will calculate the portion of the request that is available for administrative costs (based on a five percent (5%) administrative cost limit), a ten percent (10%) minimum dollar amount that must be dedicated to IET, and certain performance targets. (S) Refer to TWC Contracted Measures/Targets in this Application for information about the calculated performance targets.

TWC CONTRACTED MEASURES/TARGETS

For Applicants awarded Section 243 Activities, specific outcome and reporting measures will be provided by TWC guidance each year once approved by the Commission. At a minimum, Grantees will have targets on the following TWC Contracted Measures:

- a) Total Enrollment;
- b) IET Enrollment;
- c) MSGs;
- d) Credential Rate;
- e) Employed/Enrolled Quarter 2 After Exit;
- f) Employed/Enrolled Quarter 4 After Exit;
- g) Median Earnings Quarter 2 After Exit; and
- h) Post-test Rate.

Of these targets, Form F2, IELCE Funding Calculator provides an initial estimate for Popular Services Enrollment and IET Enrollment targets. It also

calculates a value for Popular Adult Education Services and IET Services, which TWC uses toward the calculation of Total Enrollment.

Enrollment Targets are not applied to administrative costs.

NOTE: Targets calculated in Form F2, IELCE Funding Calculator, use the methodology approved in the state Legislative Appropriations Request (LAR) for the 2023-2024 state biennium, as well as cost-per methodologies approved by TWC. It assumes the achievement of the statewide total-participant served target mandated by the legislature, as well as incremental increases in Career Pathways enrollments through IET programs. TWC will establish final funding and associated targets in late spring/early summer 2024. Targets will be negotiated on an annual basis.

High Scores consist of the following: The Applicant responded to every sub-question with sufficient detail and aligns to the context of the question/sub-question. If applicable, any required chart is filled in completely and contains relevant content. The response is accurate, clear, and aligns with other responses.

WORK PLAN

1. EXECUTIVE SUMMARY- Required (Not scored)

Applicants will: 1) identify the name and AEL provider type the Applicant is applying as and if the Applicant is a Consortium, as described in Form D, Applicant Screening (Section 1 and Section 2, if applicable); and 2) provide a brief description of where services will be provided and your service delivery approach 3) the total budget request as detailed in Form B, Budget Workbook.

No points for this section.

Harris County Department of Education (HCDE), a local education agency located in Houston, Texas, is requesting \$997,791 for its Adult Education (AE) division to serve 750 adults in Harris County who need Integrated English Literacy and Civics Education (IELCE) activities aimed at helping immigrant and English language learners in their roles as parents, workers, and citizens. The demand for IELCE services in Harris County is substantial, as evidenced from census data and the historical demand for ESL classes at HCDE AE.

HCDE AE is a current adult education and literacy (AEL) funded provider and has served Harris County and surrounding areas since 1966. For over 40 years, HCDE AE has been one of the largest and most successful adult education providers in the Gulf Coast region by offering a flexible array of programs, classes and services that allow adults, who are in greatest need of education, to make significant gains in basic skills toward a career pathway.

HCDE AE's proposed program implementation for Harris County strives for a balanced approach that aligns the region's educational landscape and reflects current students' preferences for in-person, remote learning, and distance learning. Since the onset of the COVID-19 pandemic, service delivery has predominantly shifted to a remote online format. However, there has been a recent increase in the demand for in-person services with projections reaching approximately 50% in the 2023-2024 period. The anticipated surge for in-person learning is bolstered by HCDE's newly established Adult Education Learning Center, a 51,000 square-foot, state-of-the-art facility that has met all Americans with Disabilities Act accessibility requirements. The building contains 22 classrooms and healthcare classrooms that provide space for Nurse Assistant and Phlebotomy certifications.

HCDE AE's IELCE instructional model is a "Contact to Careers" that provides flexible pathways for English Language learners to reach their educational and career goals. HCDE AE's Career Pathways model allows

students to work on the skills they require to succeed in making one of these transitions regardless of their initial educational level or language proficiency.

HCDE AE's instructional plan is aligned with the Texas AEL Content Standards and aims to expedite the transition of undereducated adults into career pathways by introducing greater rigor in instruction content. HCDE AE's service plan consists of 308 hours of classes and training that include: 1) Intake, Registration, and Pre-test. 2) Literacy – Adult Basic Education for 10 weeks that consists of math and literacy prep (60 hrs.), ESL (60 hrs.), and post-test – HSE (40 hrs.) and ESL (60 hrs.). 3) Workforce Skills (WFS) – IET-Career & Job Readiness for 6 weeks and consists of career skills training and workforce, certification/IET, and intensive job skills and training (72 hrs.). 4) Career & Job Placement Services for WFS Students for one (1) week that consists of job placement (16 hrs.). 5) Data: MSG and Tracking - HCDE AE will track participants' progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data.

HCDE AE's IELCE programs are also aligned with the Gulf Coast Board's plan in that they are specifically designed to address the growing need to establish career pathways for adults at different skill levels and particularly those with barriers to employment, such as lack of proficiency in English. The IELCE program offers a range of activities and services, including literacy, English language education, civics instruction, preparation for the naturalization exam, workplace ESL, ESL for Professionals, contextualized workplace ESL, and integrated education and training, which lead to High School Equivalency attainment (in English or Spanish), entering post-secondary training or employment in a targeted occupation in the region.

HCDE AE also has a distance learning plan in place centered around GED Academy for ABE and HSE preparation and BurlingtonEnglish® for ESL classes. The proposed plan provides detailed information on each curriculum

and specific strategies regarding student recruitment, orientation, support, and documentation of proxy hours in TEAMS.

To ensure the success of the distance learning strategy, distance learning platforms were chosen for their easy accessibility across many digital devices including phones and laptops. HCDE AE provides students with extensive training on using the DL platform and provides multiple options for addressing technical issues with their instructor or the Adult Education Distance Call Center.

Funding from the Texas Workforce Commission will enable HCDE AE to make a lasting impact on the lives of undereducated adults in Harris County and empower them to build successful careers and contribute meaningfully to the Gulf Coast region's workforce.

2. CONSIDERATION 1: RESPONSIVENESS TO LOCAL BOARD PLAN – 5 points

Applicants will provide a detailed plan on how they will: 1) be responsive to regional needs of the proposed geographical and service delivery area, as identified by the Local Board Plan(s) (See Attachment 4, Local Board Plan Reference); 2) identify the demographics (e.g., race, ethnicity, socio-economic status) of the service delivery area, cite sources; and 3) develop recruitment and outreach strategies to meet the needs of the demographic population of the area, particularly how they will focus a) on individuals with low levels of literacy, b) those who lack a high school diploma or its recognized equivalent, c) ELLs, and d) those who would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals, (See Attachment 4, Local Board Plan Reference). (S)

1. Responsive to Regional Needs

For more than 40 years, Harris County Department of Education's Adult Education division (HCDE AE) has been dedicated to providing English Literacy and Civics (EL Civics) classes and services to support adult learners in acquiring essential English language skills in Harris County, Texas. These programs not only focus on language proficiency but also emphasize the understanding of civic responsibilities, culture, and community engagement. Tailored for individuals with limited English proficiency, these initiatives aim to improve language abilities for better integration into society. Our mission aligns seamlessly with the Gulf Coast Local Board Plan, which concentrates on helping employers meet their human resource needs and empowering individuals to build successful careers (Gulf Coast, Local Board Plan, p. 13).

To fulfill the Workforce Board's objective of expanding access to employment, training, education, and support services, particularly for those with barriers to employment, HCDE AE provides educational services to adults facing challenges such as low literacy levels, lack of a high school diploma, or limited English language proficiency, including internationally trained professionals (Gulf Coast Board Plan, p. 41).

Aligned with the Gulf Coast Board's Plan, HCDE AE has developed and continues to expand a career pathways model that aligns with the region's workforce needs (Gulf Coast Board Plan, p. 41). This model relies on labor market information from Gulf Coast Workforce Solutions, identifying local sectors contributing significantly to the regional economy and providing job opportunities for both skilled and less-skilled workers in sectors such as Health Care and Social Assistance, Construction, Office Administration, Transportation and Warehousing, and Education.

Improving basic literacy skills equips many adults with essential skills for jobs in high-demand industries or occupations not requiring a high school diploma. Students completing high school equivalency and training for

industry-recognized certification are better positioned for jobs requiring a high-school equivalency. Our integrated education and training programs target High-Skill, High-Growth occupations, such as pipefitting, computer user support specialists, and allied health occupations like Cardiovascular Technologist.

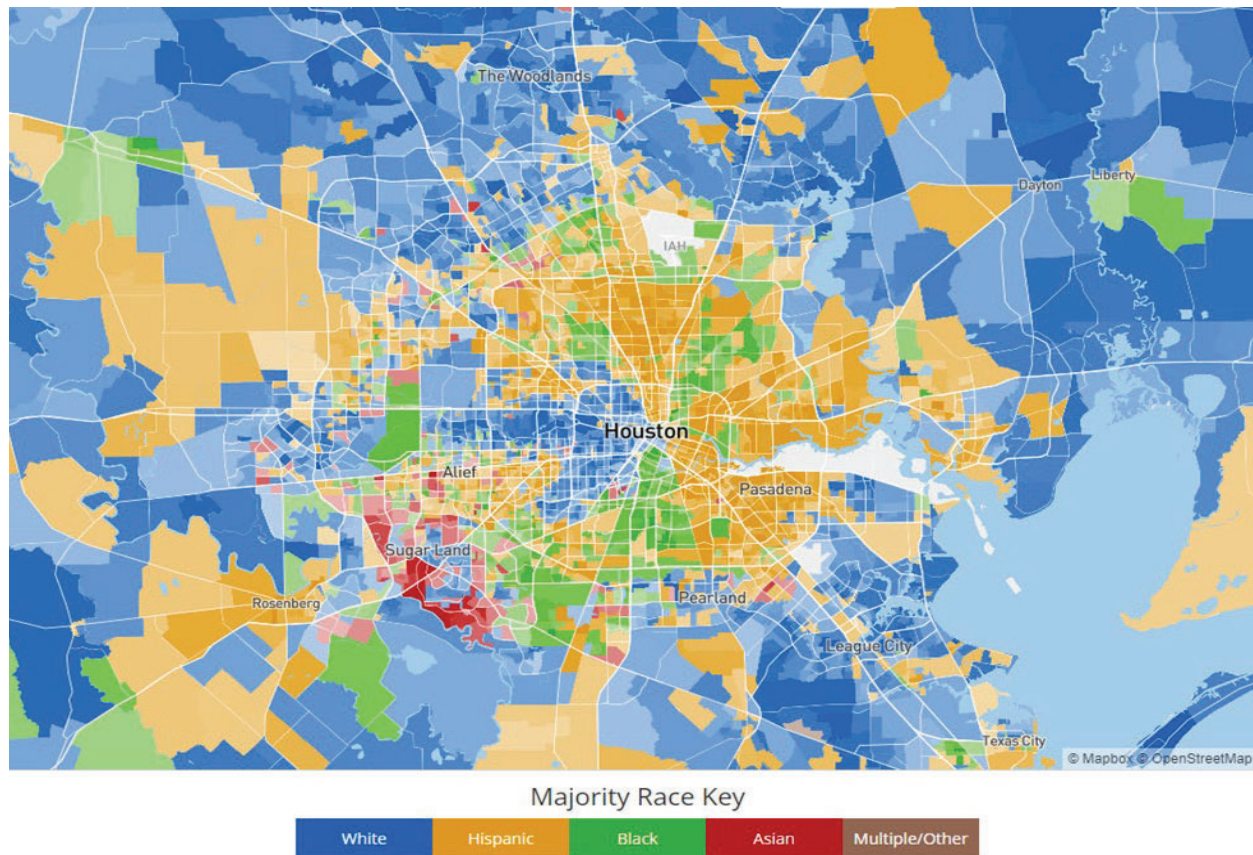

2. Demographics

Based on the 2022 U.S. Census Bureau data, Harris County has a population of 4,731,129 and there are projections of continuous growth in the upcoming years. Harris County covers over 1,700 square miles and exhibits remarkable demographic diversity. This diversity encompasses variations in age, race, socioeconomic status, educational background, and employment opportunities.

Fifty-six percent (56%) of the population falls within the ages of 18 and 65, with 20% lacking a high school diploma or higher education, and 16.4% living in poverty. The county's demographic makeup is increasingly diverse, with 45% identifying as Hispanic, 26.8% as White non-Hispanic or Latino, 18.5% as Black or African American, and 7.1% as Asian. Furthermore, 24.5% of the population comprises individuals of two or more races, while less than 1% consists of American Indians, Alaska natives, Native Hawaiians, or Pacific Islanders (Quick Facts: Harris County, Texas, U. S. Census Bureau).

Figure 1.1 below illustrates the racial and ethnic diversity of the county (U.S. Census Bureau (2021t), American Community Survey 5-Year Estimate (Table DPO5), U.S. Department of Commerce).

Figure 1.1 – Largest Racial and Ethnic Groups in Harris County

The demand for English Language Acquisition programs in Harris County is substantial, as evidenced from census data and the historical demand for ESL classes at HCDE AE. Nineteen percent the total population, or 898,316 individuals, struggle with English proficiency (American Community Survey, 2021), highlighting the need for English as a Second Language (ESL) classes and career pathways tailored for English Language Learners as a means of reducing barriers to employment. In Harris County, 25.3% of the adult population, totaling 709,670 individuals, speaks English less than very well. Additionally, 17% of the adult population

consists of non-citizens, with the majority (498,361) speaking English "less than very well." In 2022-2023, HCDE AE served 2,743 English language learners or 69.3% of all participants with 59.2% of participants entering services at the beginning ESL levels (TEAMS Table IV, 2022-2023). This data

shows that English Language Learners (ELLs) need intensive services that will allow them to pursue employment or post-secondary educational opportunities.

The broader goal for the Gulf Coast region is to have 84% of individuals aged 25 and older hold an education credential (Gulf Coast Board Plan, p. 11.) The challenge is even greater in Harris County, where only 81.9% of adults aged 25 and over have a high school diploma or an HSE, compared to 83% in the broader region. HCDE AE contributes to these goals by serving 899 adult basic education students in 2022-2023, accounting for 22.5% of all participants. Among these, 381 or 42.4% had Beginning ABE Educational Functional Levels (NRS 1-2). Notably, only four participants in the HSE program had initial Low ASE level skills (NRS 5), and none had ASE High level (NRS 6) (TEAMS Table IV, 2022-2023). This data illustrates HCDE's focus on serving ABE participants with very low levels of literacy, requiring intensive instruction and support to reach their educational goals.

Furthermore, educational attainment is closely linked to geographical location, race, and income disparities. The Board Plan recognizes that poverty rates in the region range from a low of 7.7% for Whites to 19.6% for Blacks and 18.2% for Latinos of any race (Plan, p.32). Poverty rates also correlate with educational attainment, with 22.6% of those with less than a high school diploma living in poverty. For those with higher barriers to employment, such as low literacy or English language learners, employment outcomes are even more challenging.

For the part of the Workforce System under Workforce Solutions, the Board Plan focuses on individual outcomes for employment, education, and earnings (Gulf Coast Workforce Board, p. 18). HCDE AE's Career Pathways Plan to increase educational attainment with a focus on industry certifications in High Demand Occupations supports the Board's goal of "getting people back to work" (Gulf Coast Workforce Plan, p. 34). For this goal, the Board

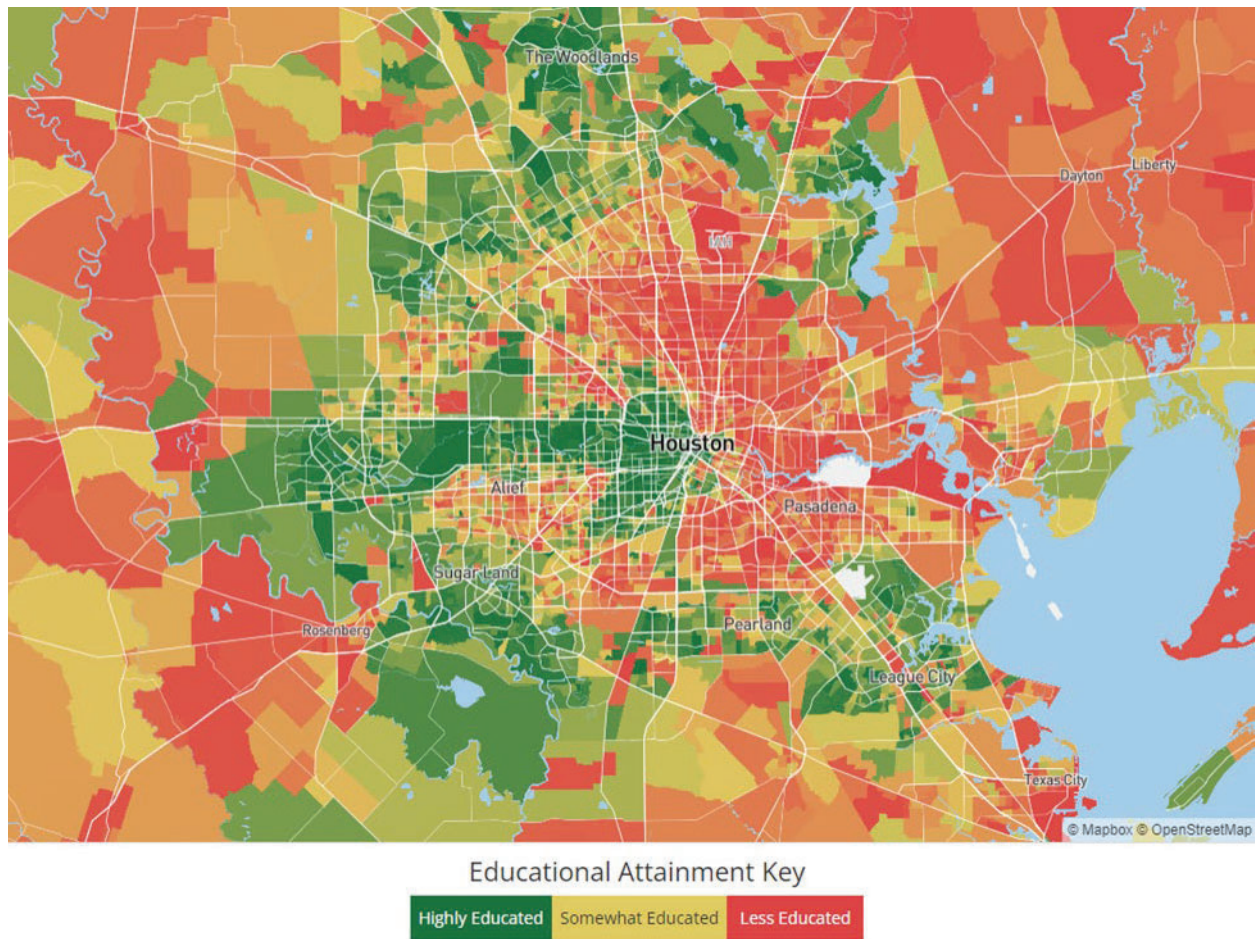

sees its relationship with its Core Partners, including Adult Education and Literacy, as responsible for providing basic literacy preparation leading to a high school diploma and supporting specific career pathways on the Target Occupations List, and improving access to industry-recognized certificates (Gulf Coast Workforce Plan, p. 41).

HCDE AE's program also targets earnings by focusing on a long-term goal of increasing educational certifications and post-secondary certifications in High Demand Occupations. In Harris County, the median income of an adult lacking a high school diploma or equivalent is \$26,477, almost \$5,000 less than an adult who has one. Not surprisingly, the poverty rate is 28.5% among adults lacking a high school diploma or equivalent compared to 24.8% for those who have one (American Community Survey, 2021).

Figure 1.2 below, Educational Attainment in Harris County, illustrates that Harris County's northeast, southeast, and southwest areas have significant concentrations of adults lacking a high school diploma or higher education. In Harris County, there are differences in the achievement of a high school diploma or HSE among different racial and ethnic groups (U.S. Census Bureau (2021g), American Community Survey 1-Year Estimate, Table S1501, U.S. Department of Commerce).

White non-Hispanics have the highest attainment rate at 96.6%, followed by Blacks at 91.7%, Asians at 86.8%, and Hispanics or Latinos at 65.6%. Native American and Pacific Islanders have similar attainment rates to Hispanics and Latinos. HCDE AE's Adult Education Learning Center located in north central Houston, with a potential to serve 1,500 students, is in a community that has less educated adults and is predominantly Hispanic and Black. In-person partner sites offering ABE and HSE preparation in Alief, Baytown, Northwest Assistance Ministries, Foundry Church, Klein, and Pasadena are all in areas of high educational need.

Figure 1.2 – Educational Attainment in Harris County

The data for Harris County indicates low educational attainment did not prevent most people without a high school diploma from getting jobs, but it had a much higher impact on income. Low educational attainment may limit access to employment opportunities in In-Demand Industries, contributing to higher poverty rates among individuals without a high school diploma. Providing low levels of literacy or English language learners with an opportunity to improve basic skills and obtain a high school diploma is the first step in reducing barriers to employment that affect most of the program's participants.

To address these challenges, HCDE AE's proposed program aims to provide diverse opportunities for adults to enhance their English proficiency and basic skills, leading to a high school diploma, industry-recognized credentials, or a transition to college. The model is flexible enough to recognize that adults may have low levels of literacy, requiring participants to build skills over a more extended period. At the same time, the strategy provides adults who have improved their literacy skills sufficiently to pursue a high-school diploma and an industry-recognized certification in a High Demand Occupation, or to make a transition to college.

Students obtaining industry-recognized certifications will connect to a network of employer partners from each of the in-demand occupations, including Marek Brothers Construction, Turner Industries, Gulf Coast Blood Bank and Ashford Gardens Health, to facilitate employment outcomes. Transitions to college are facilitated through strong partnerships with area colleges (e.g., Houston Community College, Lone Star College, San Jacinto College, and Lee College).

3. Recruitment and Outreach Strategies

To attract ELLs with low literacy levels, those without a high school diploma, and those who would benefit from Career Pathways opportunities, including Internationally Trained Professionals, HCDE AE employs tailored strategies to meet their specific needs. HCDE AE offers high-quality programs with flexible learning options, including both in-person and online classes held in the morning and evening. Registration events are held at least eight times a year. Outreach efforts primarily focus on an extensive online and social media presence, attracting thousands of potential students monthly.

HCDE AE uses various channels for outreach, awareness, and advertisement of its programs, providing information in both English and Spanish.

Method of Approach

- Advertising: When marketing HCDE AE's programs, the director and staff advertise where prospective students are (e.g., adult education programs statewide, school districts, military recruiting offices, community colleges/institutions of higher education, and career readiness organizations). The HCDE AE's staff collaborates with HCDE's Communications and Marketing and Client Engagement divisions and affiliates to identify publications and websites that potential participants actively research locally or online.
- Marketing materials such as fliers and brochures translated to target languages, such as Spanish, Chinese, Arabic, Vietnamese and Korean, are distributed in areas where digital marketing is less effective. Program staff distributes fliers in local businesses, restaurants, and schools.
- Use of Social Media – LinkedIn and Facebook: Adult learners fall into the categories of millennials, Gen X, Gen Z and Baby Boomers, with Facebook being the most common social media channel for all of these individuals. This strategy works well for skills-focused populations in adult education, Armed Services Vocational Aptitude Battery (ASVAB) learners, K-12, and those pursuing post-secondary education. HCDE AE also utilizes LinkedIn for program awareness.
- Traditional Media: In collaboration with HCDE's Communications and Client Engagement Divisions, HCDE AE has been able to attract local media attention on its activities including HSE Graduation and most recently with coverage of Signing Day, including Spanish language stations Telemundo and Univision. Such coverage has a direct impact on the visibility of HCDE's services, particularly among English Language Learners.
- HCDE AE's Website: The director and staff work with HCDE's Communications and Information Technology divisions to ensure all program information is on HCDE AE's website and updated regularly. The

website pages are available in Spanish and can be easily translated into many other languages.

Partnerships

- Local Employers: HCDE AE has a long tradition of working with employers to meet the literacy needs of incumbent workers. For over 15 years, HCDE AE has worked with construction leader Marek Brothers to provide contextualized ESL classes for its workers. In 2020, HCDE AE initiated classes for internationally trained ELL professionals in partnership with Methodist Hospital. Collaborating with local employers allows HCDE AE to offer workplace programs, supporting employees' educational goals.
- Community Partnerships: These partnerships involve nine school districts including Alief, Cypress-Fairbanks, Galena Park, Goose Creek, Katy, Klein, Pasadena, Spring Branch and Sheldon ISDs; five religious organizations including Northwest Assistance Ministries, Ecclesia, Foundry Church, GET Church, and Covenant with Christ International; and one community organization, the Spring Branch Family Development Center. These partnerships enable us to offer education services and target hard-to-reach groups, such as English Language Learners and Internationally Trained Professionals.
- Local Nonprofit Organizations: HCDE AE has reached out to undereducated individuals in minority communities by partnering with organizations such as Eight Million Stories and GROW, which have strong connections with young people of color in low-income areas of Houston. Eight Million Stories is a nonprofit created to support disconnected youths, ages 9-24-years-old. GROW is a nonprofit organization dedicated to helping under-resourced high school youth find career direction.
- Library & Fairs: HCDE AE participates in public library and church fairs to raise awareness about services by setting up booths and distributing fliers.

Through these diverse strategies and partnerships, HCDE AE ensures its program reaches and serves a wide range of individuals in the community, addressing their unique needs and providing meaningful pathways to education and employment.

3. CONSIDERATION 2: SERVING INDIVIDUALS WITH BARRIERS TO EMPLOYMENT – 5 points

Applicants will describe how they will: 1) create comprehensive assessment procedures to identify individuals with physical, emotional, mental and learning disabilities; (S) 2) serve eligible individuals with: learning disabilities or Barriers to Employment (S) (See Attachment 4, Local Board Plan Reference); 3) ensure student needs are met or appropriate referrals are made (S); 4) provide accessible, safe and convenient instructional facilities including, but not limited to, a) ensuring facilities are (S): accessible, in accordance with the Americans with Disabilities Act; b) located near public transportation, in areas where public transportation is available; c) in proximity to no-cost parking; d) conducive to learning, including furniture appropriate for adults; and e) protected by monitored security or have security-restricted access points; and 5) ensure equitable access for programs, activities and related services for participants regardless of gender, race, national origin, color, and age. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Comprehensive Assessment Procedures

At each service location in Harris County, intake specialists are trained to provide a comprehensive assessment process and create a plan for individual participants. This assessment occurs during the intake process at registration, eight times a year. The program uses the following multi-step process to identify students with barriers to employment, including learning, physical and emotional disabilities:

- Screening Process: The Intake Team reviews the participant's background and history and gathers relevant information about the learner's personal, educational, vocational, medical, and psychological history. This may include documentation of previous assessments, diagnoses, interventions, accommodations, and achievements, financial constraints, transportation to and from employer, housing, childcare and caregiving responsibilities, emotional, learning, and physical disabilities. It may also involve interviewing the learner, family members, teachers, counselors, or other professionals who know the learner well to analyze career and workforce goals. Utilizing HCDE's Center of Educator Success (CES) Division, our team will enhance the screening process in consulting with leading experts in K-12 special education from CES to review current processes.
- Service Delivery Determination: HCDE AE has appropriate assessment instruments and procedures that are valid, reliable, and culturally sensitive tools that measure the domains and skills relevant to the assessment purpose and learner's characteristics. The standardized tests, informal measures, observations, interviews, portfolios, or self-reports use multiple sources of data to obtain a comprehensive and accurate picture of the learner's abilities and needs during intake or at registration. The intake team assesses the participant preferences and comfort level when administering the assessment.

If needed, the program provides reasonable accommodations with documented disabilities, such as extra time, enlarged print, test reader, or

scribe. Notations are made to identify the participant's needs, including basic daily activities such as mobility, communication, and management in a range of cognitive and behavioral areas. Constant referrals to the Texas Workforce Commission's Vocational Rehabilitation (VR) program are also embedded in accommodating the learners' emotional and physical disability that are barriers to employment. HCDE AE provides referrals to Vocational Rehab through a "soft hand off" to the Workforce Solutions Gulf Coast VR Department at 9668 FM1960 Bypass Road, Humble, TX 77338.

- Interpreting Results: The program interprets and integrates the assessment results of the participant. Data are analyzed from assessments and questionnaires to identify strengths and weaknesses, patterns of performance, and areas of discrepancy or difficulty. These results are compared with normative or criterion-referenced standards, as well as with the learner's own expectations and goals through the Individual Training Education and Career Plan (ITEC) form.

The ITEC plan, tailored to achieve educational and career aspirations, fosters a dialogue, and establishes a strategy for participants to accomplish their goals. It outlines both immediate and long-term objectives along with their execution steps. Factors such as environmental, emotional, motivational, or cultural that could impact the learner's performance are given significant consideration. The intake staff compiles these insights and formulates conclusions about the learner's capabilities, requirements, and potential.

- Provide Feedback: Intake or the leadership team will communicate the assessment results and implications to the participant and other relevant parties in a clear, respectful, and constructive manner. Staff will discuss strengths and limitations of the assessment, the meaning and significance of the scores, and the evidence and rationale for the conclusions, particularly in the participant's choice of an IET, which will be explained. As significant, specific, and realistic recommendations for instruction, intervention,

accommodation, or referral, based on the learner's goals and needs will be provided, students are encouraged to ask questions, express concerns, and share feedback. The program schedules follow up with the participant and monitor the implementation and effectiveness of the recommendations.

Accommodation is assessed by the program to provide access to a participant to be in class, receive online instruction or through an outside referral program such as Workforce Solutions VR agencies and Harris County Department of Health and Human Services. HCDE AE will use a coordinated effort of gathering information across multiple measures to support decision-making at the system and student level to accommodate the participant.

2) Serve Eligible Individuals with Disabilities or Barriers to Employment

According to the Gulf Coast Local Board Plan, programs must make sure they address American Disabilities Act (ADA) section on accessibility and serve eligible individuals with disabilities, including learning disabilities or barriers to employment. In so doing, HCDE AE's program uses best practices that ensure that there is no disability exclusion. The program emphasizes the principles of universal design, in which activities are user-friendly and flexible to allow persons of varying abilities to participate. Students with disabilities are included in everyday literacy and workforce activities and encouraged to have roles like their peers who do not have a disability. Setting the tone in an equity zone where no stigma is shared and felt, is a priority for participants with disabilities. The program provides participants an equal opportunity to benefit from literacy, high school equivalency and workforce classes with the ability to receive employment related opportunities.

During the intake process, at registration and orientation, participants are asked to identify barriers. If a participant provides the program with appropriate documentation that identifies the severity of the disability, the program will refer them for the appropriate services and follow through with

the partner organization and the participant. Recently, HCDE AE referred a student to VR services and the student was able to start taking classes at the VR Center through Workforce Solutions.

HCDE AE will work with state, local level, and nonprofit resources such as the local Workforce Solution VR Services, Department of Assistive and Rehabilitation Services (DARS) and the Center for Pursuit Jobs in Houston to provide additional services to program participants. These centers will assist participants with disabilities with job matching and placement, vocational rehabilitation, post-secondary education, and assistive technology necessary for accommodations.

3) Student Needs Met or Referrals Made

The program provides ways to ensure that student needs are met as well as making appropriate referrals to support adult education students in the following ways.

- Course Schedule: Currently the course schedules include flexible scheduling such as online, hybrid, or accelerated courses that allow adult students to fit their education around their work and personal desires.
- Program Staff: The program's staff provide specialized services such as career and academic counseling, tutoring, disability assistance and referrals to Adult Ed program partners and non-profit organizations for childcare, transportation, and specialized disability services that can help adult students overcome obstacles and achieve their educational and career goals.
- Employment Partnerships: HCDE AE has established partnerships with 17 employers in the Allied Health, construction, business technology and other industries. Working in collaboration with community organizations helps to bridge barriers of stigma and misperception of adult learners' abilities and skills. These partners offer adult students opportunities for work-based learning, internships, apprenticeships, or credential recognition.

- Referrals: HCDE AE provides program referrals to appropriate agencies through a soft handoff, such as the Workforce Solutions VR agencies, and Harris County's Department of Health and Human Services to provide additional support or services for adult students. The students may have specific needs or challenges, such as severe physical disabilities and mental health issues.

However, each adult student may require different types of assistance or guidance. Therefore, it is important to listen to their needs, respect their choices, and tailor the support or referrals accordingly.

4) Provide Accessible, Safe and Convenient Facilities

HCDE AE programs are located throughout Harris County, Texas, within communities. Both the community-based locations and HCDE's state-of-the-art Adult Education Learning Center are accessible, safe, and convenient facilities.

Community-based Locations

HCDE AE program reaches out into the community in our service area through a variety of non-monetary arrangements with area colleges, school districts, non-profit organizations, and religious institutions. Currently, in addition to HCDE's Adult Education Learning Center in north central Harris County, in the east and southeast areas of Harris County, there are in-person sites at the Baytown Learning Center, Lee College in Pasadena, Kruse Elementary School, Lomax Middle School and Royalwood Elementary. These sites are located in neighborhoods with a large number of adults lacking a high school diploma and/or needing to learn English. In north and northwest Harris County, the program's partner sites include Northwest Assistance Ministries, Klein Forest High School, and The Foundry Church, which are near Hispanic, Black, and Asian neighborhoods.

In the west area of Harris County, partner sites are currently located at Mayde Creek High School, Alief Talent Development Center, and Spring Branch Family Development Center.

HCDE AE requires all partner organizations to meet the highest standards of accessibility and security for students and staff. All sites are monitored by security cameras and all sites have security-restricted access areas located at the entrance of the buildings and, have security guards or program staff controlling access to the building.

HCDE's State-of-the-Art Adult Education Learning Center

The main campus is the Adult Education Learning Center located in north central Harris County, 10 minutes from downtown Houston, with a capacity to serve 1,500 students annually. The Adult Education Learning Center is located in north Houston's Lindale neighborhood and is in close proximity to predominantly Hispanic and Black neighborhoods with a large number of undereducated adults.

In 2023, HCDE's AE opened its \$19 million, 51,000 square-foot, state-of-the-art facility that meets all ADA accessibility requirements. The building contains 22 classrooms that have furniture and chairs appropriate for adults. It also has healthcare classroom labs that provide space for Nurse Assistant (CNA) and Phlebotomy certifications.

Designed to mirror a community college environment, it features improved pedestrian access, an outdoor patio and a two-story secure parking garage that is free and monitored. Just 10 minutes from downtown Houston, the building is also located near public transportation (METRO bus #79 runs a route in front of the building from 6:30 a.m. to 9:30 p.m.) and Interstates 45 and 610. There is also added security with an officer from the Sheriff's department who monitors the entrances, exits and the entire building. A photo of the new building is below.

Academic Accommodations

All locations have accessible areas, wheelchair ramps, accessible entry doors, security guards, checkpoint guards, and are near public transportation. Designated parking stalls are assigned and labeled in accordance with Americans with Disabilities Act (ADA) parking compliance for accessibility (2010 Standards 208.2). Recently, Houston-Galveston Area Council (H-GAC) had an ADA compliance visit for HCDE's adult education programs and approved all sites after the inspection.

Instructors provide academic accommodations with instructional aids. For workforce classes, instructor facilitated props are readily available. Inclusion of common classroom large print materials, supplemental light, electronic textbooks and materials, and alternative testing arrangements are made to accommodate the students. If a learner has a hearing impairment, they are provided with visual aids and placed in the front of the classroom where they can easily view the instructor.

Additionally, HCDE AE programs provide the assistance needed of a notetaker or extended time on exams and assignments. Instructors also

consider the room temperature, distractions from equipment sounds, and seating arrangement for students that allow for free movement around the classroom.

5) Equitable Access for Programs

All HCDE adult education participants, faculty and leadership receive equitable access and services. The programs and the new learning center foster an environment where learners can thrive and sharpen their skills and staff can ensure education remains accessible to all learners regardless of age, gender, race, and national origin.

4. CONSIDERATION 3: PAST EFFECTIVENESS – 10 points

Applicants will: 1) provide program data for three (3) reporting periods by completing the appropriate Past Effectiveness table found in Form E, Demonstrated and Past Effectiveness Data, paying close attention to whether the Applicant is a current AEL funded provider or a Non-AEL funded provider (Applicants applying as a Consortium must provide three (3) reporting periods of program data of past effectiveness by completing a table for each member of their Consortium); 2) describe how the program data provided will contribute to TWC meeting its performance for MSG, Employment Rate, Median Earnings, and Credential Attainment; 3) describe how they will measure and analyze educational performance and student transition into post-secondary education, training or workforce for the purposes of program improvement throughout the Grant Period; and 4) provide three (3) - five (5) strategies for how they will ensure students achieve MSGs; 5) provide information on past performance on high school equivalency preparation coursework, including enrollments and rate of students who passed HSE exams to earn a Texas Certificate of High School Equivalency (TxCHSE), which may include postsecondary ability-to-benefit program courses; (S) 6) describe any Corrective Action Plan that Applicant was subject to under any TWC grant in accordance with TWC rules at 40 TAC § 802.121, and if that

Corrective Action Plan was lifted at the time of this Application (S); and 7) indicate if TWC conducted a non-voluntarily deobligation of funds for current or previously funded TWC grants, as described in TWC rules at 40 TAC § 800.78 (S).

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

HCDE AE, a funded provider in the Gulf Coast, has been serving Harris County and surrounding areas since 1966. For the past nine years, it has been a Consortium member in the Houston-Galveston Area Council (H-GAC). As one of HCDE's longest-running programs and the state's largest adult education program, it is a trusted source for delivering quality services in adult literacy and workforce training.

Program data on Form E, based on Teams Table IV, provides a breakdown of enrollment and performance by participant National Reporting System (NRS) levels. HCDE AEL's program has been the largest provider of adult education in Harris County and the sole AEL provider in Liberty County. It has averaged 4,715 participants annually for the past four years, excluding the COVID-19-affected PY 2020-2021. In contrast, the next largest programs in the H-GAC Consortium, Houston Community College, and Lone Star College, averaged 3,486 and 1,729 participants, respectively, during the same period.

Table IV in TEAMS also shows that HCDE had an average 32.3% literacy gain during the same period, higher than the H-GAC Consortium average of 29.4% and significantly higher than the two next largest programs in Harris County, Houston Community College (20.5%) and Lone Star College (20%). HCDE has seen a steady improvement in its participants' literacy gains every year: 31.2% in PY 19-20, 36.9% in PY 2021-2022, and 42.4% in 2022-2023. In comparison, the H-GAC Consortium's average literacy gains fell from 32%

in PY 2021-2023 to 29% in 2022-2023, while Houston Community College's average student gain dropped from 24% to 19% during the same period.

HCDE served an average of 3255 students annually in its ESL and EL Civics programs with an average literacy gain of 40.8%, which was higher than the H-GAC Consortium average of 36.3% and significantly higher than Houston Community College (31.3%) and Lone Star College (23.3%). Once again, HCDE has seen continuous improvement in literacy gains for its ESL/Civics students: 37.6% in PY 19-20, 46.4% in PY 2021-2022, and 56.1% in PY 2022-2023. For more details, please see Form E uploaded.

2) Program Contribution to TWC Meeting Performance for MSG, Employment Rate, Median Earnings, and Credential Attainment

HCDE AE's Contact to Careers strategy is designed to maximize performance for Measurable Skills Gains (MSGs), employment, median earnings, and credential attainment. Typically, the first contact with a student is in a basic skills or ESL class that leads to HSE completion and advancement into an Integrated Education and Training program leading to an industry recognized certification. MSGs gains are obtained primarily by post-test gains, HSE attainment and since PY2019, by obtaining a skills progression or training milestone in an Integrated Education and Training program.

As can be seen in Table 3.1 below, in the past four years (excluding PY 2020-2021) an average of 46.9% of participants obtained and MSG. By comparison, in PY 2022-2023, 40.8% of HCDE's participants obtained an MSG which was slightly higher than H-GAC Consortium (39.9%) and significantly higher than comparable programs such as Houston Community College (29.2%) and Lone Star College (39.5%).

Table 3.1 HCDE ESL/CIVICS Measurable Skills Gains (MSGs)

	#ESL/CIVICS Participants	#MSG	%MSG
PY 2019-2020	2,683	1,411	52.6%
PY 2021-2022	3,118	1,485	47.6%
PY 2022-2023	2,833	1,157	40.8%

HCDE AE has also demonstrated great capacity in delivering workforce programs. Table 3.2 below shows the program has served an average of 152 IET students annually in the past four years. In the past two years, 44.1% of IET participants received a Workforce MSG leading to an industry-recognized certification.

Table 3.2 HCDE's Workforce (IET) MSGs

EL Civics IET	IET Civics POP	#MSG	%MSG
PY 2019-2020	121	N/A	N/A
PY 2021-2022	221	86	38.9%
PY 2022-2023	114	62	54.4%

By comparison, in PY 2022-2023, 54.4% of HCDE's 114 IET participants had a MSG gain, which was slightly lower than the average for the H-GAC Consortium (61.8%).

Since the pandemic, HCDE AE has developed a more balanced mix of face-to-face and online instruction, and post-testing gains will continue to recover and reach their pre-pandemic levels. As a result, HCDE AE's program will continue to contribute to TWC meeting its performance for MSGs, employment rate, median earnings, and credential attainments, and the adult education community is assured of receiving the basic skills and support necessary to succeed in the workplace.

3) Measure and Analyze Educational Performance and Student Transition - Post-secondary Education, Training, or Workforce

The program's Lead for Performance Accountability will develop a detailed plan for assessing the effectiveness of the program and making data-driven decisions for improvement. With the guidance of the program director, the Lead for Performance Accountability will track participants' performance and produce a report that is presented monthly to the program's management team. The Lead for Performance Accountability will work with HCDE's Research and Evaluation Institute (REI), HCDE's data and accountability department, to develop dashboards that allow for an effective analysis of different performance indicators with reference to both state and local targets.

Performance data will include enrollment levels, post-testing rates, post-test success, HSE attainment, the attainment of Workforce MSGs, and post-secondary enrollment. The Lead for Performance Accountability will disaggregate the data further by functional and managerial units to promote a better understanding of performance issues and to promote accountability for results. Area managers will be responsible for transmitting monthly performance information to their instructional teams, and to work with the Lead for Performance to further disaggregate the performance data at the class level. The Lead for Instruction and Curriculum and the Professional Development Lead will develop short-term and long-term recommendations for addressing the identified performance issues.

Performance dashboards are also shared monthly with HCDE's Educational and Enrichment Divisions to promote greater accountability of the Adult Education Division's performance within the organization. The Lead for Performance Accountability will be responsible for gathering information that is not readily accessible through TEAMS, such as post-secondary enrollment. Additionally, the Lead for Performance Accountability is responsible for working with HCDE's REI to coordinate student surveys and conduct interviews with students, educators, and employers. The student surveys will

capture their satisfaction of the program and will ask participants a series of Likert scale questions and open-ended questions to measure their satisfaction with the quality of the training, program implementation, and the follow-up services, as well as how program services helped them achieve their goal. The interviews provide qualitative insights into their experiences and skills gained.

The Lead for Performance Accountability, with REI, will also develop statistical analyses that will provide greater insight into performance issues and benchmark the program against similar adult education programs, regionally or statewide, to gain insights into its relative performance. The management team will use the program data to develop strategies to address areas needing improvement, implement the strategies, and monitor their impact over subsequent program cycles.

4) Strategies to Ensure Students Achieve MSGs

a. Improving Student Retention in Online Direct Instruction

Ensuring students remain engaged in the learning process is crucial for their success, especially in the realm of online education. The challenge of student retention has been magnified, particularly during the COVID-19 pandemic, in which transitioning to online learning created technological hurdles for teachers and students. To illustrate, in the academic year 2021-2022, 22.5% of our students (1,074 out of 4,714) received less than 40 hours of instruction and did not participate in a post-test or another assessment. To address this issue, our program is proactively adopting a balanced instructional approach that combines face-to-face sessions and improved online instruction.

Online direct instruction will remain a vital component of HCDE AE's program delivery to meet the demand for students who prefer this mode or are unable to attend in-person classes. To ensure the quality of the online experience, online instructors will receive specialized professional

development. Training will enable online teachers to create virtual classrooms conducive to interactive learning, incorporating activities such as group discussions, role-playing, and collaborative projects, and to use digital curricula effectively for class instruction. These methods enhance participation, foster a sense of community, promote better retention among students and ultimately help ensure students achieve MSGs.

HCDE AE is currently on target to offer approximately 50% of its classes in-person at its Adult Education Learning Center, Baytown Learning Center and 12 additional sites in Harris in Liberty Counties. By offering more in-person classes in a wide range of locations, students will be able to choose between online and in-person instruction that is dependent on personal learning preferences and comfort with digital technology rather than the availability of a nearby in-person site.

b. Enhancing Learning through Distance Education

Recent program data indicates that students who supplement their online or face-to-face classes with distance learning experience a remarkable 20 percentage points higher post-test gains compared to their counterparts without distance learning exposure. To leverage this success, HCDE AE's program will require that teachers incorporate mandatory distance learning hours in ABE and ESL classes.

Instructors are also expected to integrate the distance learning curriculum seamlessly with classroom instruction, assigning homework on these platforms directly related to the class content. For students, instructors will recommend establishing a fixed schedule for distance learning, effectively making it their third day of instruction. By doing so, distance learning not only accelerates learning, but also keeps students consistently engaged in the learning process.

c. Accelerating HSE Preparation with the Fast Track Model

HCDE AE's program is implementing an innovative HSE Fast Track model aimed at doubling HSE attainment rates. This model, proven successful in other state programs, focuses on shorter instructional modules tailored for students who are nearly prepared to take the test. Additionally, targeted classes are designed for students requiring extra support, concentrating on specific subjects. Statewide data affirm the efficacy of the Fast Track model, demonstrating higher GED attainment rates among students compared to traditional approaches.

5) Past Performance - High School Equivalency Prep Coursework

HCDE AE has a robust HSE preparation program that has generated 541 HSE's over the past five years. As seen in Table 3.3 below, the HSEs have ranged from a high of 2,229 ABE/HSE students in PY2018-2019 to an average of 1,118 students in the past two years.

Table 3.3 – Past Performance on High School Equivalency Preparation

Program Year	ABE/HSE Students	# HSEs	% Attainment
2018-2019	2,229	163	7.3%
2019-2020	1,701	83	4.9%
2020-2021	1,018	63	6.2%
2021-2022	1,220	113	9.3%
2022-2023	1,017	119	11.7%

The percentage of HSE attainment in relation to the number of ABE/HSE student enrolled has improved in the past two years, reaching 11.7% in the 2022-2023 school year. While the program's HSE percentage needs improvement, it is significantly higher than that of equivalent programs in Harris County. In PY2022-2023, Houston Community College and Lone Star College in Harris County had a combined 2,777 ABE/HSE students and 127 HSE attainers for an average attainment of 4.25%. In addition, HCDE AE has

served mostly students who have very low levels of literacy. For the PY2018-19, 2019-20 and 2021-22, 80.6% of ABE participants had an Educational Functional Level of NRS 3 (Grade level 4-5) or lower.

The HCDE AE's program has begun to implement its Fast Track program in 2023-2024 and expects to see a moderate increase in GED attainment rates. The program has also developed a more flexible HSE delivery mode that combines distance learning and more opportunities for GED Ready testing and encouraging students to schedule GED testing as soon as they are determined to be ready. A significant investment in professional development for HSE teachers and increased administrative resources will help to identify and provide differentiated instruction for students who are ready to test, require limited tutoring or need longer-term skills development.

6) Corrective Action Plan

As a member of the Gulf Coast consortium, HCDE AE's program was under a TWC Technical Assistance Plan, which was lifted in 2022. The program has performed above average in terms of enrollment and student performance. This performance increase was during and after the consortium was under a Technical Assistance Plan. HCDE AE's program has made significant improvements in its data collection and management, professional development delivery and post-testing practices that are part of a local implementation of a corrective plan by the consortium grantee.

7) TWC Non-voluntarily Deobligation of Funds

HCDE AE's program has not been required to deobligate funds under any TWC grants.

5. CONSIDERATION 4: LOCAL BOARD PLAN ALIGNMENT – 5 points

Applicants will describe how they will: 1) provide services and activities that align with strategies and goals identified in the Local Board Plan (See Attachment 4, Local Board Plan Reference); 2) coordinate services and

activities with other One-Stop partners, including but not limited to: a) Local Workforce Development Boards (40 TAC § 805.4(6)), b) Workforce Solutions Offices, c) Vocational Rehabilitation Services, and d) other community and social service partners and promote referral(s) or Co-enrollment of common individuals (See Attachment 4: Local Board Plan Reference); and 3) coordinate with employers, industry associations or labor organizations (S) (See Attachment 4, Local Board Plan Reference).

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Provide Services and Activities - Align with Local Board Plan Strategies and Goals

Following the requirement of the Workforce Innovation Act (WIOA) HCDE AE will develop a Memorandum of Understanding (MOU) with the Gulf Coast Local Board that describes each of the workforce partners responsibilities, identifies and describes the local workforce systems customers and the services provided by the workforce partners. Additionally, the MOU will outline how the local workforce system will fund the provision of services, including sufficient funding for infrastructure costs of one-stop system. The MOU will also describe the how 1) individuals using Workforce Solutions and HCDE AE will be referred to each other; 2) the program will ensure that the referral system is customer-centered and provides direct access to services through real-time technology; and 3) the program will address the needs of individuals with disabilities and other barriers to employment. HCDE AE's program will continue to align with Board strategy by providing mentoring, life-skills training, adult basic education, ESL, and support services. Under this RFA the MOU with the Board will include strategies to promote training and employment opportunities for IELCE students.

HCDE AE's program has a long history of, and will continue to work closely with the Workforce Board staff and the one-stop system to improve employment outcomes for participants and help the Board meet its employment and educational goals, including:

- Expanding access to employment, training, education, and support services to eligible individuals particularly those with barriers to employment, particularly those for whom English proficiency may be such a barrier.
- Facilitating the development of career pathways, including occupations that the Board currently includes or is planning to include in its Target Occupations Lists, keeping in mind the support systems for ELLs.
- Improving access to activities leading to a recognized post-secondary credential including industry recognized certifications (Gulf Coast Board, Local Plan, pg.39).

This collaboration stems from the labor markets in Harris County that need a more educated workforce. The region faces serious challenges such as a high rate of adults who lack a high school diploma or the basic skills to access the in-demand jobs of the regional economy.

2) Coordinate Services and Activities with Other One-Stop Partners

HCDE AE's programs will leverage co-enrollment between Workforce WIOA Title I (Adult, Dislocated Worker, and Youth Programs), Title II (Adult Literacy and Education), and Title IV (Vocational Rehabilitation Services) as a means of better serving adult learners by facilitating seamless transitions for participants in adult education and workforce programs.

The guiding principles for co-enrollment include removing barriers to access, improving the student experience, and promoting service and program integration. These are HCDE AE's key co-enrollment strategies:

- Coordination of Services: Working with other core partners to provide coordinated services for common clients including intake, assessment and career advising. Data from the Texas Workforce Commission shows that adult

education programs rely on their own resources for Career Navigation and Digital Literacy Instruction and on partner organizations for job development and placement, transportation, childcare, and housing.

- Braided Funding: Work with core partners to develop integrated education and training courses that are in part funded by WIOA Title II funds. Such a strategy involves ensuring that HCDE AE's program is included in the Eligible Training Providers List maintained by Texas Workforce Commission.

a) Local Workforce Development Boards (40 TAC § 805.4(6))

Collaboration with the Gulf Coast Workforce Development Board will be enhanced by the following strategies:

- Needs Assessment: Conduct a joint needs assessment to identify the skills gaps in the local workforce, particularly for Targeted Industries and High-Demand jobs. This analysis helps align the adult education program's curriculum with the demands of the local job market.
- Referral System: HCDE AE's program will continue to work closely with Board staff to improve the referral system to allow our students to have both direct access to services offered by Workforce Solutions, as well as referrals from the workforce system to adult education, with a goal of increasing co-enrollment and sharing of resources of both systems.
- Industry Partnerships: Work closely with Board staff to forge and expand partnerships with local businesses and industries, such as Upskill Houston, and involve them in curriculum development, offer on-site visits, and facilitate internships or apprenticeships. These partnerships create opportunities for hands-on learning and real-world experience.
- Job Placement Services: Collaborate to provide job placement services. Work with the workforce board to organize job fairs, networking events, and interview preparation workshops. Establish a system for connecting qualified program graduates with job openings in the community.

- Career Counseling and Guidance: Work closely with Career Navigators, Facilitators and other Workforce Board staff who can bring seminars and workshops to HCDE AE's program to help participants understand their strengths, interests, and career options. Work with the workforce board to provide guidance on potential career paths, industry trends, and skill development opportunities.
- Soft Skills Training: Continue to include soft skills training in the curriculum. Work closely with Board staff to identify curricula that will help teach essential skills such as communication, teamwork, problem-solving, and time management, which are highly valued by employers and contribute to overall workplace success.
- Credentialing and Certifications: HCDE AE's program will continue to work closely with Board staff to offer training programs that lead to recognized certifications or credentials. Work with the local workforce board to identify in-demand certifications within the community and design training modules that align with these certifications.
- Data Sharing: Share relevant data and outcomes to assess the effectiveness of the programs. Collaborate on tracking participants' progress, employment rates, and job retention. Analyzing this data helps in refining programs for better outcomes.
- Financial Support: Our program will work closely with Board staff to collaborate on identifying and applying for grants that support workforce development initiatives. Pooling resources can lead to more significant investments in education and training programs.
- Continuous Communication: Maintain open and regular communication between the adult education program and the Gulf Coast Workforce Board. Foster a collaborative environment where ideas, feedback, and best practices can be shared freely.

b) Workforce Solutions Offices

HCDE AE's program will continue to strengthen its relationship with local Workforce Solutions Offices throughout its service delivery area. The Career Navigator and other staff will:

- Develop a close working relationship with Workforce Office staff and to promote the smooth transition of students who need workforce services. A Workforce Solutions Office is less than two miles away from the Adult Education Learning Center, which makes referrals for service convenient for our students.
- Continue to strengthen the relationship with all Career Offices in the program's service area, including the development of shared training opportunities that will allow adult education and Career Office staff to have a better understanding of their roles. The HCDE Adult Education Learning Center offices and classroom space are available to Workforce Solutions staff to offer basic and extended services such as employment and career search seminars, resume preparation, labor market information as well as determination of eligibility for expanded services or financial aid for HCDE AE students and the public.
- Avoid duplication of services by taking full advantage of Career Office's resources including resume development and job interview preparation.
- Make staff and students aware of Career Office services by promoting regular visits by Center staff on campus and online classes.
- Facilitate the determination of eligibility for extended workforce services including GED vouchers, post-secondary training for adult education participants and participants exiting the program.

c) Vocational Rehabilitation Services

HCDE AE works closely with Vocational Rehabilitation (VR) to help individuals with disabilities to prepare for, obtain, maintain, or regain employment. HCDE AE will implement the following strategies designed to ensure the following:

- Accessibility and Accommodations: HCDE AE's program staff will work with VR staff to ensure that the adult education program is accessible to individuals with various disabilities, including learning disabilities. This includes referring students to VR services to provide assistive technologies, materials in alternative formats, or accessible learning environments, including rehabilitation devices, hearing aids and wheelchairs. HCDE AE works closely with its partner sites in school districts who have access to counselors and staff with expertise in learning and other disabilities to support adult students in their classes.
- Diagnosis of Disabilities: HCDE AE works with VR staff to refer individuals who are suspected of having an undiagnosed disability for referrals for hearing, visual and other examinations, including medical, psychological, and vocational assessments. Often, adult
 - students have undiagnosed disabilities which may have an adverse effect on their ability to complete their educational and employment goals.
- Career Counseling and Guidance: The program staff will seek counseling services for participants. Vocational Rehabilitation counselors can provide specialized guidance for individuals with disabilities, helping them explore career options that align with their skills, interests, and abilities.
- Job Placement Services: HCDE AE Career Navigators and other program staff will refer students with disabilities who are looking for work to VR's reemployment assistance to access employer listing for jobs, customized market information, and refined jobs search. HCDE AE staff will support VR job placement services for program graduates providing additional job search support and connecting these students our network of partner employers.
- Advocacy and Outreach: The program team will collaborate on advocacy efforts to raise awareness about the importance of inclusive education and employment opportunities for individuals with disabilities. This will involve

online and face-to-face workshops for students, teachers, and other stakeholders such as employers.

- Professional Development for Educators: The PD Coordinator will implement training sessions in conjunction with Vocational Rehabilitation Services for educators and staff on inclusive teaching practices, understanding disabilities, and effective communication strategies. This knowledge equips educators to support learners with diverse needs effectively.

d) Other Community and Social Service Partners

HCDE AE has developed a strong network of agencies that can help address social and economic obstacles and provide support services. Our Career Navigators are familiar with these resources and will help students in need of support services with referrals or applications for services.

- HCDE Head Start Program: Provides childcare services birth-3-years-old and 3-5-years-old. HCDE AE has been collaborating with its own Head Start Division to refer Head Start parents to Adult Education sites near their locations. HCDE AE participants with eligible children are referred to appropriate Head Start locations.
- Urban Strategies Program, Harris County: Provides childcare services for birth-3-years-old. HCDE AE has referred students to the Head Start program located next to the Adult Education Learning Center. Urban Strategies staff share HCDE AE's flier with their clients.
- Houston Public Library: Works closely with HCDE AE to arrange for the donation of 1,000 Chromebooks for students who do not have access to technology.
- Catholic Charities, Galveston-Houston: Provides immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program, disaster recovery, refugee services, senior services, women veteran services, and bus passes.

- Goodwill Industries: Provides bus passes, rental assistance, disability training for employment.
- Houston Foodbank: Provides nutritious meals to low-income families in Harris County.
- Texas Legal Services Center: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston.
- Northwest Assistance Ministries (NAM): Coordinates food and clothing donations and provides workforce training.
- Ecclesia: HCDE AE participates in monthly meetings with this religious organization, located next to the Adult Education Learning Center, to partner on shared parking, educational referrals, community events and services open to all HCDE AE participants, including a food bank and youth services.

3) Coordinate with Employers, Industry Associations or Labor Organizations

HCDE AE's efforts to work with employers and industry associations supports the Gulf Coast Board's Plan belief that "helping employers find skilled workers results in the region's economic development and benefits individual workers" (Gulf Coast WFB, Local Plan, p.51). Establishing strong relationships with employers is particularly crucial, as it can enhance recruitment efforts and streamline job placement processes for ELLs, elevate program quality, and secure funding. HCDE AE's strategies for working with employers and labor organizations include the following:

- Key Sector Employers: Identify key sector employers tied to current and future integrated education and training services. HCDE AE's program has developed a strong network of 17 employers who have been recruited to support IET graduate transitions into employment in healthcare and construction. Employers have participated in program job fairs, visited relevant classes to recruit students, and hired program graduates. HCDE AE will continue to expand its network of employers in other sectors such as

business services and technology and customer service. Our program also works with employers such as Marek Brothers to develop customized training opportunities including Work-Based ESL to help employers increase productivity and improve workplace safety.

- Connecting with Industry Associations: HCDE AE's program has worked to develop customized training and promote awareness of employment opportunities in specific industries, including HBI, C3 Collaborative, and the Texas Masonry Council in the construction trades. Industry associations can provide input on curriculum development to ensure that the programs align with the current needs and standards of the industry.

This type of collaboration helps in designing courses that are relevant and up to date with industry trends and demands. Collaboration with industry associations leads to the development of certification programs that are recognized and valued by employers. These certifications can enhance the employability of adult learners and validate their skills in the eyes of potential employers.

- Job Placement Assistance: Industry associations often have networks with employers. They can assist adult learners in finding suitable employment opportunities by connecting them with potential employers and organizing job fairs and recruitment events.
- Connecting with Labor Organizations: Labor organizations play an important role in the implementation of industry training programs, particularly apprenticeship and pre-apprenticeships in the construction industry.

HCDE AE's program will work with the Houston Gulf Coast Building and Construction Trade Council to promote the Apprenticeship Readiness Program, which offers the opportunity for adult education students to participate in a foundational and hands-on training course to transition to a Department of Labor Registered Apprenticeship Program. HCDE AE's program

will also work with the Pipe Fitters 211 to help graduates of the Pipefitting IET program consider joining the Local Union 211's Piping and Pipefitters Apprenticeship program.

6. CONSIDERATION 5: MANAGED INSTRUCTION – 5 points

Applicants will describe how they will: 1) demonstrate enrollment management strategies by detailing a retention and recruitment plan that outlines target audiences and demographics, key action steps and activities that are designed to meet the instructional needs of the target audience; 2) use instructional practices that include essential components of reading instruction based on rigorous research-based instructional practices to optimize student learning gains; and 3) provide In-person, Remote Learning, or Distance Learning to ensure a variety of class offerings based on geographical and demographical needs that include varied modalities and consider desired outcomes for students. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Enrollment Management Strategies – Retention /Recruitment, Target Audience/Demographics

For over 40 years, HCDE AE has been the largest adult education provider in the Gulf Coast region offering literacy, workplace adult education and literacy activities, English language acquisition activities, Integrated English Literacy and Civics Education (IELCE), workforce preparation activities, and integrated education and training. In the past five years, HCDE AE has served an average 3,282 English Language Learners (ELLs) annually under EI Civics activities funded by WIOA sections 231 and 243, or 70% of all participants served. The design and its recruitment and retention plans for the IELCE program under this RFA are based on a clear understanding of the changing demographic patterns in Harris County. The aim of the instructional program under this RFA is to provide ELLs a high intensity literacy and English language program designed to increase competency in the English language, including instruction in the rights and responsibilities of citizenship and civic participation and integrated education and training (IET) to prepare adults for the region's in-demand industries and occupations.

- Undereducated adults in the region are concentrated in predominantly Black and Hispanic communities saddled with significantly higher than average rates of poverty and unemployment.
- Over 700,000 adults in the area speak English "less than very well."
- Most undereducated adults are in the 25-40 age range, yet proportionally, older adults are less educated than younger ones.
- Women, particularly in Black and Hispanic communities, are less educated, are more likely to be unemployed and earn lower incomes than their male counterparts.
- Most of the undereducated adults in Harris County are currently employed, but on average earn significantly lower wages than more educated counterparts (American Community Survey, 2022).

Economic and social vulnerabilities make it challenging to reach and retain undereducated adults in the region. After students are recruited and enrolled, all adult education programs must find ways to retain students long enough to be effective in their educational and career pathways outcomes. In addition, research indicates that many adults will stop out rather than drop out of adult education programs. Considering these demographic characteristics and retention patterns among adults, HCDE AE has developed a recruitment and retention plan that targets IELCE. Having a retention and recruitment plan is essential for participants to achieve goals for increasing literacy levels, passing the HSE exam, receiving a workforce credential or transitioning to employment and college.

Recruitment:

- *Dynamic Website:* HCDE AE's website provides a full catalog of services and registration information that can be translated in multiple languages and is continually updated by HCDE's Communications Division. The site also translates information to any language.
 - From November 2022 to present, the website averaged 20,548 monthly views.
 - Over 1,000 students monthly fill out an interest survey in multiple languages for online, in-person GED, ESL and IET classes. Staff contact candidates within 48 hours to let them know of next available registration events.
 - HCDE's Communications Division manages search engines to maximize the site's reach. HCDE AE is a top search for GED programs in Harris County.
- *Social Media:* HCDE and HCDE AE leverage various platforms like Instagram, Facebook, and X/Twitter to reach diverse demographics.
 - Key messages incorporate impactful catchphrases and hashtags, emphasizing themes such as employment, education continuation, self-

fulfillment, personal pride, self-improvement, and completing unfinished goals.

- Students are particularly receptive to mentions of skill development, with a focus on reading, writing, and math.
- *E-Recruit*: HCDE AE uses advanced communications software such as Blackboard to connect with students via email and text messages to set up registration appointments and follow up with students.
- *Word of Mouth*: HCDE AE encourages students to refer friends or family members to the program website.
- *Traditional Advertising*: Employing traditional advertising methods, such as signs, posters, flyers, and bus stop displays, translated into key languages, effectively targets underserved communities and older learners. Crafting messages and using terminology tailored to adult learners enhances communication.
- *A Bilingual Receptionist* is available to provide program information over the phone or in-person at the Adult Education Learning Center from 8:00 AM – 9:00 PM Monday-Thursday and 8:00-4:00 PM on Friday.
- *Offering a Flexible Schedule*: HCDE AE currently offers formats such as morning and evening classes, online courses, face-to-face classes in 13 locations throughout Harris County, to accommodate the diverse schedules, preferences, and commitments of adult learners. The class schedule and class offerings are modified to reflect actual demand for services throughout the program year.
- *Multiple Entry Points*: HCDE AE online ESL and HSE classes and the classes at the Adult Education Learning Center have eight registration events throughout the year allowing for multiple points of entry into services. Partner sites provide additional opportunities for recruitment.
- *HCDE Divisions*: HCDE AE's program relies on the collaboration of its Marketing and Client Engagement, REI, and Communications divisions for

recruitment. The success of the program hinges on weekly discussions and collaboration among divisional and program leads, with recruitment and retention strategies demonstrated through various indicators (J. R. Kruidenier, C. A. MacArthur, and H. S. Wrigley, H. S., Adult Education Literacy Instruction, 2010).

Agency Referrals and Partnerships:

- HCDE AE works with Workforce Solutions staff to address the education and training needs of workforce referrals.
- HCDE AE relies on marketing and social networks of partner organizations of partners such as religious organizations, non-profit agencies, and local government entities to recruit students for classes at their sites.
- HCDE AE participates in multiple community events at public libraries and non-profit agencies to promote the program's services.

Retention: Three R's - Relationships, Rigor, and Relevance

HCDE AE's IELCE program's retention plan revolves around the three R's: 1) relationship, 2) rigor, and 3) relevance. There are several ways in which HCDE AE develops relationships with students, maintains its rigorous course work/program and remains relevant in the field. Some are listed below.

- First Encounter: HCDE AE provides an intensive "first encounter" experience for students to clarify goals and expectations.
 - HCDE AE's initial student orientation provides a clear explanation of program services and expectations for new students.
 - Students receive a welcome letter, text, or call.
 - During the first day of class orientation, instructors develop community-building activities and lead students in the completion an individual education plan using the Individual Training Education and Career Plan (ITEC)

- Teachers follow up on student progress during office hours. Teachers are paid for two office hours a week.
- Classroom Environment: HCDE creates a supportive classroom environment that recognizes and respects differences in learning styles and preferences among adult students.
 - Offer a class plan or syllabus with rigorous but realistic learning objectives based on the Texas Adult Education Content Standards.
 - Flexible Schedule – Allow students to change classes in response to changing needs or preferences.
 - Engage students in active learning in multiple learning modalities.
 - Use technology to enhance the learning experience, including online discussions, virtual collaboration tools, and multimedia resources.
 - Arrange for students to have contact with student role models or pair students to help one another.
 - Provide timely and constructive feedback on assignments and assessments. This helps adult learners gauge their progress and understand areas for improvement.
 - Celebrate student progress inside and outside the classroom.
- Student Support: Provide comprehensive support services that address the academic, financial, and personal needs of adult learners.
 - Program staff provides referral services, such as childcare or transportation assistance, by collaborating with social service agencies.
 - Instructors follow up on attendance issues and provide flexible solutions for students.
 - Programs have added features in computer assisted instruction, tutoring and online learning opportunities.
 - Understand older students' needs or students with low literacy who may need additional support with technology and distance learning.

- Workforce Solutions staff visit classes and include opportunities to research, discuss and write about career options.

HCDE has a managed instructional model that is of sufficient intensity and duration but is flexible enough for most adults who have multiple responsibilities and demands on their time. IELCE classes are scheduled for 9 hours of instruction a week for a 10-week session, which includes two days (three hours per day) of teacher-led direct instruction with a minimum of three hours a week of required distance learning homework.

Classes are available in the morning or evenings in both online and in-person formats. The instructional model has proven successful as close to 65% of participants who took a post-test are able to demonstrate an educational functional level gain in the current year. Students who do not complete their educational goals in the first class are encouraged to enroll for the next session. Shorter and more intensive class formats, such as Fast Track HSE program (two weeks, four times for 3-hours a day) are available for students who have higher level literacy skills to take advantage of accelerated learning strategies. HCDE AE offers a Spanish GED alternative for IELCE students in combination with ESL or EL Civics classes.

HCDE AE's managed instruction model was developed to match its recruitment strategy designed to identify adults with low literacy skills and significant barriers to employment. The instructional model also relies on adult reading research, which shows that literacy programs need to be of sufficient duration and intensity (J. R. Kruidenier, C. A. MacArthur, and H. S. Wrigley, *Adult Education Literacy Instruction*, 2010) and that a supportive, student-centered learning environment, community-building and differentiated teaching are associated with student success (Lesgold, A. M., & Welch-Ross, M., *Improving Adult Literacy*, 2012)

2) Instructional Practices - Essential Components of Reading Instruction

To enhance student learning outcomes, HCDE AE implements instructional practices that prioritize reading components, and consider the diverse characteristics of adult learners. Adult reading research notes the importance of employing evidence-based instructional delivery models for adult learners such as using multimedia technology, direct instruction in comprehension strategies, and use of workplace-oriented materials (J. R. Kruidenier, J. R., MacArthur, C. A. & Wrigley, H. S. (2010). *Adult Education Literacy Instruction*, pg. 24, pg. 104). HCDE AE's experienced adult education teachers are familiar with these principles and mentor new and less experienced teachers. HCDE AE's professional development plan includes recommendations for all literacy teachers to become familiar with these research-based instructional strategies.

- Systematic and Explicit Instruction: HCDE AE uses curricula such as BurlingtonEnglish®, GED Academy, Essential Education, and New Readers Press. This approach involves a planned, logically progressive sequence for teaching basic reading components and skills. Lessons have clearly defined objectives, stated in terms of student actions, and incorporate multiple purposeful practice activities that are supported by reading research in adults and will contribute to increased reading and literacy outcomes.
- Highlight the Importance of Teaching Informational Text Comprehension: This approach progressively enhances students' capacity to comprehend increasingly intricate materials while incorporating relevant life, workforce, and career skills into the curriculum.
- Embed Research Skills throughout Reading Standards and Levels: Educators guide students to formulate their own inquiries and cultivate self-awareness regarding their comprehension levels. The incorporation of graphics, semantic organizers, and instruction on story structure encourages students to employ word and visual associations for better comprehension.

- Continuous Professional Development: Aligning evidence-based instructional strategies with the learning patterns of adult education students in reading, writing, and spelling is crucial. Given the evolving nature of evidence-based reading instruction, instructors and leaders require continuous professional development. Access to authoritative, unbiased sources ensures that teaching decisions are rooted in data rather than opinions or assumptions. Our professional development coordinator facilitates this best practice through a variety of professional development sessions offered by the Texas Center for Adult Literacy and Learning (TCALL).

3) In-person, Remote Learning, or Distance Learning

HCDE AE will provide all three modes of instruction – in-person, remote and distance learning to deliver services. HCDE AE's proposed EL Civics service delivery area encompasses part of Harris County within the Gulf Coast Workforce Board area. The service delivery plan incorporates a diverse range of classes and services, such as Basic Adult Education, English as a Second Language (ESL), ESL for Professionals, and Integrated Education and Training. The composition of the service delivery is based on demographic analysis (Consideration 1) that describes the number of individuals who lack a high school diploma or speak English less than very well. The service delivery plan is further refined by analyzing the actual demand for services captured in responses to the Interest Survey completed by potential students on the HCDE AE website and the call log, which describe the type of service requested as well as the preferred delivery mode - online or in-person.

Since the onset of the COVID-19 pandemic, service delivery at HCDE AE shifted predominantly to a remote online format supplemented with distance learning. As more in-person sites have been opened in the past two years, the demand for in-person services has continued to grow. HCDE AE projects to deliver approximately 50% of its services in an in-person format in PY 2023-2024. As Table 5.1 indicates, HCDE AE's EL Civics balanced delivery

proposal will allow most students to make a meaningful choice between in-person and online classes.

Table 5.1 HCDE’s Proposed EL Civics Services and Delivery Modes

Harris County			
Type of Service	Remote	In-Person	Total
EL Civics	200	460	660
EL Civics IET	30	60	90
Total	230	520	750

In-Person Classes

The anticipated surge of in-person services is bolstered by the newly established Adult Education Learning Center, which, since its inauguration in August 2023, has accommodated 680 students within its first four months of operation, with a projected enrollment of 1,500 students annually. For this RFA, HCDE AE plans to host in-person for a total of 508 students at the Adult Education Learning Center, Baytown Learning Center, Kruse Elementary School, and Lomax Middle School in Pasadena ISD, Northwest Assistance Ministries, Alief ISD Talent Development Center, and Spring Branch Family Development Center. By providing wide geographic coverage in communities with a high number of English Language Learners (ELLs), students will be within 20-minute driving distance of their homes. All in-person IET/CE classes will be held at the Adult Education Learning Center.

Remote Learning

The ongoing analysis of the HCDE AE’s student Interest Survey results indicates that the demand for remote learning has remained strong for both ESL and HSE preparation classes, accounting for approximately 80% of respondents. As the supply of more in-person class options increases, the demand for online classes is expected to fall. It is clear, however, that many students will continue to prefer the convenience of remote instruction

considering the increasing transportation costs and Harris County's notorious traffic problems.

Remote instruction includes classes that have the same intensity and rigor as their in-person counterparts (two days a week for 6-hours in addition to a required 3-hours of distance learning) as in-person classes. Remote instructors are provided additional feedback by program assistants and managers and professional development support to ensure that classroom activities engage students in research-based literacy instruction, critical thinking and that create a positive learning environment that encourages student retention. Under this RFA, remote classes will serve approximately 230 students, including 30 students IELCE IET classes.

Distance Learning

Distance Learning (DL) is a key component of HCDE AE's instructional plan to increase the intensity and quality of instruction for both in-person and remote IELCE classes. Teachers are required to assign a minimum of 3-hours a week in literacy activities that supplement classroom instruction. Teachers review distance learning assignments and provide feedback to students.

The distance learning platforms offer a wide range of real life and contextualized reading materials and activities that are aligned with the Texas Adult Education Content Standards and are supported by research-based reading strategies described in earlier sections. HCDE AE encourages students to work on the distance learning platform beyond the required assignments, which allows them to work at their own pace and to have greater agency in working on their own educational goals.

To ensure the success of the distance learning strategy, distance learning platforms were chosen for their easy accessibility across many digital devices including phones and laptops. HCDE AE provides students with extensive training on using the DL platform and provide multiple options for addressing

technical issues with their instructor or the Adult Education Distance Call Center.

7. CONSIDERATION 6: INSTRUCTIONAL DESIGN – 10 points

Applicants will describe how they will implement instructional and other service deliveries that: 1) use evidence-based research that aligns to AEL instruction and Career and College Planning to Career Pathways (S); 2) use an evidence-based approach to implement andragogy learning theories that enhance effective instructional design and teaching strategies for adults; (S) 3) ensure instructors use information and data from Comprehensive Assessment and testing for instructional purposes (S); 4) align to the Texas AEL Content Standards (S); and 5) meet the educational needs of students with special learning needs, including those with learning disabilities (S).

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

1) Instructional and Other Programs, Services, or Activities -Align AEL Instruction and Career and College Planning to Career Pathways

The Gulf Coast Workforce Board's Local Plan indicates that by 2030, 61.2% of all jobs in the region will require education or training beyond the high school level and that the majority of these will be "middle skill" jobs. In 2030, employers will need 1.2 million workers in middle-skill positions – those that require some post-secondary education and/or on-the-job training (Gulf Coast Workforce Board 2021-2024 Local Plan, Workforce Solutions, Houston-Galveston Area Council, pg. 5.).

HCDE AE's Integrated English Language and Civics (IELCE) programs are aligned with the Gulf Coast Board's plan in that they are specifically designed to address the growing need to establish career pathways for adults at different skill levels and particularly those with barriers to employment, such as lack of proficiency in English. The IELCE programs offer a range of activities and services including literacy, English language education, civics instruction, preparation for the naturalization exam, workplace ESL, ESL for Professionals, contextualized workplace ESL, High School Equivalency (HSE) instruction and Spanish combined with ESL, and integrated education and training, which lead to HSE attainment (in English or Spanish), entering post-secondary training or employment in a targeted occupation in the region. Obtaining a HSE in Spanish while continuing to improve English language skills, will allow IELCE students to expand the range of options for post-secondary education and immediate employment.

A 2021 review of the research in adult education that meets the rigorous Department of Education's What Works Clearinghouse standards indicates there are no studies that can link specific strategies or interventions to improved student academic outcomes in reading, numeracy or literacy, and English Language Acquisition (Adult Education Strategies: Identifying and

Building, Institute of Education Sciences, April 2021). Considering the lack of rigorous studies, HCDE AE's instructional program is based on experimental and quasi-experimental studies that point to promising practices in the field. Rigorous research supports three of HCDE AE's key instructional strategies as they relate to their impact on educational outcomes.

- Contextualized Teaching: HCDE AE will continue to encourage ESL and ABE instructors to use the context of work as an organizing principle for instruction in ESL and ABE classes. Research shows that teaching basic skills in the context of HSE preparation in the context of an industry, such as healthcare or business, can have significant positive effects on completing high school equivalency, industry certifications and college enrollment (Martin, V. & Broadus, J. (2013). Enhancing GED instruction to prepare students for college and careers: Early success in LaGuardia Community College's Bridge to Health and Business Program. Building Knowledge to Improve Social Policy).
- Bridge Classes: HCDE AE will continue to support the use of contextualized bridge classes for low-literacy students who need to improve basic literacy skills required for specific career pathways. For example, students interested in allied healthcare classes are offered a contextualized bridge class that will help them meet the literacy requirements of the training (Martin, V. & Broadus, J. (2013).
- Navigation Supports and Wraparound Services: HCDE AE will continue to invest in providing Career Navigation support services including career exploration and planning assistance, assistance in accessing financial supports for education, and support in developing study and work skills. Research on the YouthBuild program shows that students receiving these services had significantly higher rates of credential completion and college attendance compared to a control group.

Adult Education and Literacy Activities

Adult Basic Education

Basic Education: HCDE AE is committed to delivering fundamental educational services through our existing adult education and literacy program. This program concentrates on enhancing skills in reading, math, social studies, and science. As part of this foundational education, we implement baseline and progress testing to support academic development. Recognizing that knowledge and education are essential for active and meaningful participation in society, our staff strives to boost participation rates. We employ both innovative face-to-face and online activities to create opportunities, especially for those who are marginalized.

Our basic education initiative aims to equip participants with the knowledge, skills, and ethical values necessary to play pivotal roles in development, employment, good governance, social inclusion, and tolerance in today's rapidly changing society. Our basic programs are of sufficient intensity, length, and accessibility to meet research-based findings that link improvements in reading comprehension to intensity and duration of instruction (Kruidenier, J. R., MacArthur, C. A. & Wrigley, H. S. (2010). Adult education literacy instruction: A review of the research. Washington, DC: National Institute for Literacy. Examples of our efforts include:

- IELCE classes are scheduled for an average of 9 hours of classroom and directed independent work (two days a week for 3-hours in class and 3-hours of required directed distance learning) for a 10-week session.
- Students are encouraged to re-enroll in additional sessions to meet their educational goals.
- HCDE AE instructors are experienced in research-based adult reading principles, focusing on alphabetics, phonemic awareness, word analysis, fluency development, and reading comprehension for individuals with low literacy levels (John Kruidenier, Ed. D., "Research-Based Principles for Adult Basic Reading Instruction," RMC Research Corporation, October 2022).

- Online and face-to-face classes rely on experienced teachers who create an engaging and cooperative learning environment.
- Identify the explicit instruction of vocabulary and improving fluency through repeated oral guided practice as well as increasing reading comprehension by integrating adult-oriented materials into literacy instruction, including workplace contexts, which may lead to increased reading achievements.
- Using authentic materials gathered from real life contexts (e.g., workplace, citizenship exam and interviews).
- Career Navigators visit classes with career exploration activities, and discuss transition options, including bridge classes for students interested in enrolling in an IET class.

Adult Secondary Education and HSE Preparation: IELCE language acquisition instruction is designed, particularly in advanced ESL classes, to build academic language and content required for students to make a transition to ABE classes. Courses are designed to improve reading, writing speaking and listening skills and prepare students for the HSE Examination and develop job readiness skills and prepare for college and workforce training.

For IELCE students, HCDE AE offers a Fast-Track HSE preparation class in Spanish combined with ongoing English Language Acquisition instruction for individuals who have demonstrated high levels of literacy and have high scores in GED® practice tests. Fast-track classes are offered in an intensive 2-weeks (four days a week, 24 hours) that accelerates learning and prepares students for transitions to career pathways certifications or college.

Fast-Track students who need additional support are offered 4-week reading/social studies or math/science academies that provide more in-depth review of HSE materials and teacher-supervised distance learning.

- HSE teacher develops a customized HSE preparation curriculum based on an analysis of the GED Ready test.
- Targeted instruction is engaging and collaborative.
- Students will be assessed in the skills development at the end of the four-week period.

English as Second Language Program (ESL): There is a dearth of rigorous studies meeting the Department of Education's What Works Clearing House Standards to identify interventions with a significant impact on ESL students' literacy outcomes (Adult Education Strategies: Identifying and Building Evidence of Effectiveness). Catering to a diverse student body, the ESL Program offers literacy courses designed to enhance the reading, listening, speaking, and writing skills of ESL learners that has proven successful in having approximately 80% of ESL students who take a post-test make an Educational Functioning Level (EFL) gain during the program year.

The courses are structured into Beginning, Intermediate, and Advanced Levels. The foundation of the ESL program is firmly based on using the Adult Education Content Standards as the basis for developing lesson plans and activities. In terms of promising instructional strategies gathered in the "What Works Study for Adult ESL Literacy Students." This study advocates crucial instructional strategies, such as providing students with diverse practice modalities, encouraging open-ended responses, fostering authentic communication, and establishing connections between classroom learning and the outside world to expedite English language acquisition among adults (Condelli, L. Wrigley, H. S., Yoon, K., S. Cronen & M. Seburn. "What Works" Study for Adult ESL Literacy Students. American Institutes for Research. Department of Education, Washington, D.C.).

An integral aspect of ESL classes, regardless of the level, is incorporating the context of work and developing career pathways to engage adult students effectively. Professional development for ESL teachers is

centered on refining teaching strategies. This involves progressively intensifying the rigor of ESL instruction in upper-level classes, encompassing academic and professional language. Emphasis is placed on cultivating critical thinking, research, and analytical skills among students.

Integrated Education and Training:

Recognizing the unique challenges tied to poverty and other barriers, HCDE AE's Integrated Education and Training (IET) program offers a more supportive and comprehensive approach to workforce development. This enables participants to realize their potential as valuable contributors to the modern workplace. Over the past three years, most IET participants have been employed as Front Office Specialists and Business Office Techs. HCDE AE uses a modified I-BEST model for its IET program, in which the basic skills teacher collaborates with the workforce trainer for 50% of the class time. The basic skills teacher provides the reading, math, soft skills that are relevant to the occupation and credential, as well as workforce preparation activities including job search and soft skills.

After the completion of the class, basic skills teachers and the Career Navigator provide individualized support job search and networking strategies, identifying resources such as resume writing or college transitions. HCDE AE's IET model is supported by many rigorous studies of successful IET programs such as YouthBuild, LaGuardia College's program and the Accelerating Connections to Employment (ACE) Program, which had significant student outcomes in credential attainment, post-secondary enrollments, and earnings (Miller et al. (2016); Hamadyk & Zeidenberg. (2018); and Dominic, M. et al. (2017).

HCDE AE tailored its IET model on the lessons from studies on IET models, which show that programs with a "strong connection to local workforce agencies and employers" are successful in helping adults connect with jobs and increase earnings (Cronen, S., Salinger, T., Dalsimer, A. &

Ahlstrand, A. (2021). Providing Pathways out of Poverty and into Careers: The Case for Integrated Education and Workforce Training for Underserved Adults. Workforce Development and Economic Mobility & Prosperity Equity Initiative, American Institute for Research).

By connecting students to employers, HCDE AE is promoting a collaborative approach to occupational skills training by bridging the gap between students and employers. Collective impact involves a set of strategies that leaders in both the public and private sectors can employ to address specific challenges in the community. This method is especially appealing for helping individuals progress towards acquiring industry-recognized credentials and establishing a presence in the labor force.

Workplace Literacy

HCDE AE will collaborate closely with key employers in the area to develop customized literacy and/or IET programs designed to upskill their workforce leading to improved productivity, higher wages for workers and improved opportunities for advancement within the company. Current work-based classes with construction company MAREK Brothers provide contextualized ESL instruction for its workers. HCDE AE staff collaborates closely with company staff to develop a curriculum that meets both the company's and the students' needs.

2) Evidence-based Approach to Implement Andragogy Learning Theories

Malcolm Knowles' concept of andragogy is key in developing an instructional design that is learner-centered rather than teacher-centered. At HCDE AE, the design of the curriculum and recommended teaching strategies recognize that adults motivated to learn, have a need to know and have a wealth of prior knowledge that allow them to become self-directed learners (Taylor, B. & Kroth, M. (2009). Andragogy's Transition Into The Future: Meta-Analysis of Andragogy and Its Search for a Measurable Instrument. Journal

of Adult Education, Volume 38, Number 1). Some of these strategies include the following:

- Orientation: A key component of the implementation of andragogy learning theories starts with the intake and orientation process. Andragogy correctly assumes that many adults come to the classroom with pre-defined career goals and aspirations. At HCDE AE, the orientation process provides students an opportunity to articulate and develop those goals as part of the goal-setting process. It is those goals that will serve as the basis for the development of a more practical SMART plan for achieving both short-term and long-term educational goals. As self-directed adults, students are asked to review their goals throughout the academic program or to develop new goals and timelines for completion.
- Promoting Self-Directed Learning in the Classroom: HCDE AE teachers receive professional development that focuses on supplementing traditional instruction with strategies that promote student agency and independence such as conducting self-assessments of skills level, allowing students to choose readings or study materials, and negotiating the learning objectives for the class.
- Develop a Variety of Learning Activities: Adults prefer activities that reflect diverse learning styles and interests. Our instructors are encouraged to develop a classroom environment that engages students in problem-solving, discussion and collaboration with their peers.
- Self-Reflection and Self-Evaluation: Students incorporate more writing exercises that challenge students to reflect on their own experience.
- Distance Learning: HCDE AE encourages students in distance learning to allow learners to explore parts of the curriculum that they are interested in learning at their own pace. Program data show that students who engage in distance learning are more likely to have educational gains.

3) Instructors Use Information and Data from Comprehensive Assessment and Testing for Instructional Purposes

During intake, HCDE AE staff administer the BEST Plus and BEST Literacy for academic assessments of English language learners. For IET classes, students may also be administered specific industry assessments to determine the student's level of knowledge and skill in that field. Students will also complete a goal setting Individualized Training Form that includes establishing Specific, Measurable, Attainable, Realistic, and Time-Based (SMART) Goals. The comprehensive assessment also includes questions probing the student's digital literacy skills to determine whether they will need additional support with distance learning or whether online class delivery options are appropriate for the individual.

During the initial orientations, students who indicate having a disability or other potential barrier to their participation in the program will be further evaluated. The Career Navigator or other staff including manager, program assistants or instructors will conduct one-on-one interviews to discuss the participants' goals and gauge students' potential barriers and supportive services they might need (e.g., transportation, childcare, etc.). Staff will begin a case management file to maintain all records.

The comprehensive assessment process for students interested in enrolling in the IET program also includes personal interviews with students to determine their level of interest, prior experience, and potential barriers to entering a particular industry, including the student's ability to pass a criminal background check.

The information gathered during the Comprehensive Assessment process is used to place the student on a course of study that matches his or her interests and abilities. ESL participants are placed in leveled classes using oral and literacy testing scores as the main guide. Students will also be placed in specialized ESL classes including ESL for internationally trained

professionals and civic education or citizenship classes based on their goals. For combined ESL and HSE in Spanish classes, Best Plus and Best Literacy scores and GED Ready® scores in Spanish are used to place students in either a Fast Track HSE class or on targeted math/science or reading language arts/social studies class that seeks to develop foundational skills in reading a writing.

For IELCE IET classes, initial Best Plus and Best Literacy scores are used to determine whether an individual is ready to enroll in an IET class. Students with literacy skills below the National Reporting System (NRS) for Adult Education Level 4 are further evaluated to determine the student's readiness for the academic demands of the IET program and may be placed in bridge classes to improve basic skills.

During the planning phase, teachers will review testing data and information from the ITECs to refine the instructional plan for the class. This may involve making modifications to the program of study, which will be reflected in the class syllabus. The Instructional and Curriculum Lead will collaborate closely with teachers to help teachers develop lessons plans that are appropriate to the participants' abilities.

Information Gathered from Comprehensive Assessments

Instructors use the information gathered from comprehensive assessments in the following manner.

- Identify Learning Gaps: Instructors analyze assessment results and ITEC form goals to identify areas where students are struggling and areas of career interests that can be used to contextualize instruction.
- Differentiate Instruction: Teachers tailor their teaching to address the diverse needs of students. Use assessment data to group students based on their strengths and weaknesses, allowing for targeted instruction.
- Provide Timely Feedback: Instructors are required to share assessment results with students promptly and offer constructive feedback on their

performance, highlighting both strengths and areas for improvement. This helps students understand their progress and encourages a growth mindset.

- Once during the class, the instructor and student review the ITEC Plan to determine progress towards goals and make appropriate revisions to the plan based on new assessment information and/or changes in the student's goals.

Program Activity	Description
Intake/Registration/Pre-test	Academic and skills assessments, aptitude testing, enrollment, orientation, career counselling, individual goal setting, identification of barriers and implementation of needed wraparound services.
Literacy (10 weeks)	
Math and Literacy Prep 60 hours	HSE development (English, language arts, math, social studies, science instruction)
ESL (English as a Second Language) 60 hours	ESL Class instruction that specializes in helping non-native speakers of all ages and levels learn both formal grammar, vocabulary, and pronunciation of spoken and written English. Includes Civics instruction with US History and government as well as citizenship classes.
Post-test 40 hours - HSE 60 hours- ESL	Progress assessment in TABE® for HSE. Progress assessment in BEST Plus for ESL.
(IET)– Career & Job Ready (6 weeks)	

Career Skills Training & Workforce Certification /IET Intensive Job Skills & Training 72 hours	Participants explore careers in the workforce industries and employability skills training. Participants will develop skills and knowledge to support current and future high-demand industries. Participants will also have an opportunity for upskilling.
Career & Job Placement Services for WFS Students (1 Week)	
Job Placement 16 hours	Job search techniques, resume writing, interview skills, dress for success, job shadowing, internships/externship placements. MAP (My Action Plan) EXIT Outcomes.
DATA: MSG and Tracking	
Ongoing. Onset happens at intake and registration. Continues six months after participant program exit.	Participant progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data (including military service records), internship and civic participation data.

Workforce Preparation Activities

All IELCE classes at HCDE AE incorporate Workforce Preparation Activities (WPA) by equipping individuals with employability skills and knowledge needed to make an effective transition into the workplace. WPA is seamlessly blended into reading, writing and numeracy activities, such as writing a resume, engaging in online career exploration, or using a spreadsheet to develop a household budget and address these key competencies:

- Using resources and information.

- Working with others.
- Understanding systems.

Critical Thinking Skills and Learning Frameworks are included in the basic academic standards used for ESL as part of the Texas Adult Education Content Standards. As part of Workforce Preparation, instructors develop lessons that require the application of critical thinking skills such as analysis, interpretation, inference, and problem solving in the context of work, including activities such as case studies, real-world projects, simulations, and role-playing. Students also learn about different learning frameworks such as Bloom's taxonomy which help guide the learning process.

Digital Literacy: HCDE AE includes digital literacy instruction and practice needed to use information and resources in the workplace. All students are required to engage with digital learning approaches by participating in Distance Learning as part of their ESL and ABE classes. Teachers receive training to incorporate the AEL Digital Literacy Content Standards in their such as PowerPoint presentations or Microsoft Word to create a resume or completing an online application. HCDE AE will offer standalone Digital Literacy classes for students who require more support to learn basic literacy skills. Teacher and Career Navigators provide guidance on effective job search strategies, including online job portals, networking, and leveraging social media and participants create a professional online presence, such as LinkedIn profiles.

Financial Literacy: HCDE AE includes modules on financial literacy to help participants manage their finances effectively, including budgeting, understanding benefits, and planning for retirement. HCDE AE includes financial literacy as part of its ABE includes practical lessons in budgeting, interest rates, and basic lessons in banking, shopping, and whether to buy or rent a home as part of the ESL curriculum. In addition, HCDE AE will provide regular visits from partners such as the Federal Deposit Insurance

Corporation and the HCDE AE business office staff to provide presentations on selected financial literacy topics.

Focus on Soft Skills and Leadership: In addition to literacy skills, ABE, ASE, and ESL classes emphasize the development of soft skills such as communication, teamwork, and the development of leadership skills.

Career Navigators regularly conduct workshops or seminars specifically focused on improving interpersonal and professional skills. HCDE AE encourages teachers to create a classroom environment in which students assume roles or take responsibility for managing aspects of the classroom environment such as collecting attendance sheets, helping to transition new students, handing out materials, and contacting absent students. Such roles contribute to the development of interpersonal communication and leadership skills among students. The administration also relies on student ambassadors to share their experiences with new HSE or ESL classes or to speak at program celebrations as a means to promote leadership roles among its students.

4) Align with the Texas AEL Content Standards

HCDE AE's instructional plan is aligned with the Texas AEL Content Standards and aims to expedite the transition of undereducated adults into career pathways by introducing greater rigor in instruction content. This ensures that instruction in all IELCE classes align with the requirements that instruction lead to the attainment of a high school equivalency, post-secondary education, including workforce training, and employment. Proficiency in speaking, listening, reading, and writing enables English Language Learners (ELLs) to obtain a HSE certificate and actively participate in college-level courses and workforce training.

The Texas Adult Content Standards also provide a link to specific skills required in key Texas industries, such as advanced manufacturing,

healthcare, construction, and transportation. HCDE AE instructors are encouraged to bridge academic instruction with workplace skills.

- For ESL, Texas AEL standards expand the focus beyond basic oral communication skills, incorporating reading, writing, and vocabulary development for a seamless transition to ABE classes leading to a high school diploma and post-secondary certifications or college. Within each content area, subareas break down broad topics like listening, speaking, reading, and writing skills into manageable groupings of information. In addition, the ESL curriculum incorporates the Civics Standards and Benchmarks of the Texas Adult Education Content Standards.
- HCDE AE's IET program relies on the Texas Workforce Commission standards to develop the curriculum for basic skills classes in healthcare and construction clusters. Alignment with O*Net Detailed Work Activities and industry-specific examples enhances contextualized instruction, leading to improved outcomes in obtaining certifications, skills progressions, math and literacy assessments, employment outcomes, and partnerships with employers.
- In digital literacy, HCDE AE will use the Texas Adult Education Digital Literacy Standards to implement its digital literacy plan:
 - Instructors will embed basic digital literacy skills in ABE, ESL, and IET classroom instruction, projects, distance learning, and other activities.
 - Digital Literacy Standards will guide the development of basic, intermediate, and advanced digital literacy classes, identifying specific skills needed at each level.

Professional development and training will receive regular updates throughout the program year, with workshops tailored to English/Language Arts, mathematics, and ESL domains. Emphasis will be on alignment with established standards and effective coverage of instructional topics, ensuring relevance to high-growth industries in Texas.

5) Educational Needs of Students with Special Learning Needs/Learning Disabilities

HCDE AE aims to enhance accessibility for adult learners with disabilities by implementing strategies to establish inclusive learning environments. Addressing accommodation needs is integral to the academic support framework. HCDE AE is committed to delivering content that is accessible both online and in face-to-face instruction. By providing training to instructors, adult educators play a crucial role in guiding individuals seeking disability accommodations, ensuring they are aware of available resources and fostering a welcoming atmosphere that seamlessly incorporates accommodations for learners with disabilities. The elimination of stereotypes, coupled with the prompt provision of information and resources, contributes to the successful inclusion of learners with disabilities.

HCDE AE is committed to supporting in-person learners with disabilities by offering the following:

- Instructor-facilitated academic accommodations, including instructional aids.
- Visual aids and strategically placed seating for learners with hearing impairments.
- Assistance such as note-takers or extended time on exams and assignments.
- Access to large print materials, supplemental lighting, electronic textbooks, and alternative testing arrangements.
- Consideration of environmental factors like room temperature, equipment sounds, and flexible seating arrangements.
- Availability of elevators and/or ramps, as well as designated handicapped parking spaces.

For online learners with disabilities, HCDE AE ensures:

- Videos include closed captions, images have alternate text, and course materials are properly formatted for compatibility with screen readers.
- Online course design follows a logical order for learning modules, facilitating easy navigation.
- Instructional aide support for modules and overview pages, offering clear directions on expectations.
- Digital learning materials adhere to accessibility standards, addressing issues related to online course design and web accessibility.

8. CONSIDERATION 7: DISTANCE EDUCATION – 5 points

Applicants will describe how they will: 1) utilize a Distance Learning Plan to increase the amount and quality of learning by implementing one (1) or more options for Distance Learning using TWC AEL-approved Distance Learning curricula (S); 2) use and integrate Educational Technology to support instruction, Workforce Preparation Activities and Professional Development (PD) to enable users to find, evaluate, organize, create, and communicate information (S); 3) provide instruction in Digital Literacy (S); and 4) provide activities, services and systems that will lead to improved performance.

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Distance Learning (DL) Plan

HCDE AE has been the leader in the implementation of Distance Learning (DL) in the Gulf Coast region and plans to continue expanding the reach and intensity of DL to accelerate learning among all students in online and in-person classes by doubling the proportion of students with proxy hours (contact hours earned through DL curricula) and the number of proxy hours generated by DL platforms. Between PY2018-19 and PY2021-22 (excluding pandemic affected PY2020-21), HCDE AE had 6,520 students with proxy hours or 37.4% of the H-GAC Consortium's students with proxy hours and nearly double the number of students with proxy hours for Houston Community College, the next largest program in the area. During the same period, HCDE AE's share of students with proxy hours to all participants was 38.2% compared to 35.9% for the Consortium and 29.5% for Houston Community College. DL has been a major factor contributing to improved student performance with students with proxy hours having almost twice as many contact hours (an average of 104 vs. 55 hours) and nearly double the Educational Functional Level (EFL) gains (57.8% vs. 29.9%) compared to students without proxy hours for the same period.

HCDE AE's DL Plan is for IELCE is designed primarily around two TWC-approved DL curricula, GED Academy for ABE and HSE preparation in Spanish and BurlingtonEnglish® for ESL classes, which were chosen because they provide levelled and systematic instruction tied to the Texas Adult Education Standards, The plan provides detailed information on each curriculum and specific strategies regarding student recruitment, orientation, support, and documentation of proxy hours in TEAMS.

DL Curriculum: GED Academy for ABE and HSE preparation and Burlington English® for ESL classes, which were chosen because they provide levelled and systematic instruction tied to the Texas Adult Education Standards.

GED Academy:

- GED Academy offers a comprehensive ABE and HSE preparation curriculum, which allows for easy integration of classroom instruction and DL assignments or for individualized work.
- It is one of the few DL curricula that offers a simulated classroom environment that includes lessons, student questions and practice exercises.
- GED Academy provides supplementary curricula that support financial literacy, digital literacy and workforce preparation skills that are incorporated into all ABE and HSE classes.
- GED Academy lessons are available in Spanish for students preparing for the GED test in Spanish.
- The curriculum provides extensive training for teachers and students on how to use the application.

BurlingtonEnglish®:

- The platform has an ESL curriculum for NRS levels 1-6 that utilizes standards that are cross-referenced with the Texas Adult Education Content standards.
- In-class lessons have detailed lessons plans with varied reading, writing, listening, and speaking activities on a wide range of topics relevant to adults with a heavy emphasis on work. Parallel Distance Learning modules are assigned to students as homework or individual practice.
- The curriculum has separate modules for EL Civics covering topics such as financial literacy, family literacy and digital literacy. A career exploration module allows students to explore contextualized vocabulary in different career pathways.
- The curriculum has extensive training modules to teach teachers and staff to learn to use the curriculum and extensive technical and professional development support.

Instructional Design:

HCDE AE's DL Plan makes participation in Distance Learning an integral part of the instructional delivery.

- Teachers are encouraged to use the curriculum and lesson plans in these learning platforms as a primary guide for classroom instruction and to supplement this curriculum with appropriate extension activities and real-world materials and sources, such as work manuals, applications, news stories, etc.
- Teachers are required to provide at least three hours of directed Distance Learning assignment that reinforce or extend classroom learning.
- Teachers encourage students to explore materials on the platform that address their own specific learning needs or interests without limit.
- Teachers are required to provide feedback to students on the work they complete in DL assignments.

Recruitment and Orientation:

- Universally, the DL program targets all learners in both face-to-face and online ABE/HSE and ESL classes.
- Student orientation for DL happens no later than the first two weeks of class.
- During orientation, students receive hands-on experience in using the platforms and reinforce the expectation that they will be working on DL assignments at least three hours a week.

Student Support:

- Teachers are required to use weekly office hours to address any problems students may encounter in using the distance learning programs.
- Teachers may request additional training and support from the DL Lead or vendor representative.

- Teachers proactively monitor student DL use weekly and contact students who are falling behind or not using the platform.
- Students are encouraged to use the Texas Adult Education DL hotline, if they encounter any technical issues at home.

Management of Distance Learning in TEAMS:

- Staff collects DL hours every two weeks for submission and data entry.
- Proxy hours are entered for each AEL class.
- DL Lead and area managers review DL Reports in TEAMS to evaluate potential issues with the implementation of the DL plan.
- DL Lead reports on DL use monthly to Management Team and makes recommendations for improvement or to adopt new DL platforms that may more effectively meet student needs.

Staff Training:

- Modules 1 and 3 of the DL Academy are required for key administrative, teaching, and support staff that is engaged in DL.
- DL staff is required to attend training opportunities provided by vendors to review new features and capabilities of the learning platforms.

2) Educational Technology

HCDE AE is committed to embracing technology to enhance its service delivery and improve computer literacy among its participants. To achieve this, HCDE AE will implement a multi-faceted approach that encompasses various technological solutions and training initiatives.

Virtual Classrooms: HCDE AE's strategy involves the continued use of virtual classrooms, which facilitate live interactive sessions between educators and students.

- These virtual classrooms will leverage video conferencing, screen sharing, whiteboards, chat, and other collaboration tools to create a dynamic learning environment.

- To ensure the success of this approach, comprehensive training will be provided to our educators, empowering them to effectively utilize technology for teaching and learning.

Technology in Traditional Classrooms: In-person teachers are expected to use a wide range of technological tools to support classroom instruction:

- The Instruction and Curriculum Lead will encourage instructors to develop engaging multimedia content, such as video lectures, interactive presentations, and online quizzes, to enrich the learning experience.
- HCDE AE teachers will take full advantage of the new Adult Education Learning Center that is equipped with innovative technology, including projectors and wireless internet access, to complement traditional instruction.

Integration of In-Class Lesson with DL Platforms: As mentioned in the DL section, teachers will use in-class lesson plans and activities available in the DL platforms.

Using Own Devices in Class: Teachers are encouraged to develop activities such as web searches, filling out applications and other real-world tasks in which students use their own devices including smartphones, laptops, and tablets.

Increasing Access to Technology:

- HCDE AE promotes low cost or no cost internet access options for students who cannot afford access at market costs.
- HCDE AE will continue a Chromebook giveaway program for students who may not have access to an adequate device.
- The Adult Education Center is equipped with three mobile labs that can be brought to a classroom for digital activities.

3) Instruction in Digital Literacy

HCDE AE will incorporate digital literacy to provide a solid foundation for students who need these skills to successfully navigate distance learning digital activities in their regular classroom instruction. Recognizing the

importance of digital literacy, HCDE AE will offer computer literacy classes virtually and in-person, ensuring accessibility for all participants. HCDE's Adult Education Learning Center is equipped with a classroom that has access to laptops via four mobile carts with 24 laptops each, to facilitate these classes.

HCDE AE will offer digital literacy classes as a standalone format as well as a supplement to traditional HSE and ESL classes on Fridays. The Baytown Learning Center also has a mobile cart and a computer lab to support digital learning. The program will use the NorthStar Digital Literacy curriculum for ABE and the Digital Access and Resilience in Texas (DART) curriculum integrates beginning English language learning with foundational digital skills.

4) Activities, Services and Systems that Lead to Improved Performance

HCDE AE will work with other grantees to offer services to individuals outside of its service area avoiding duplication of services. HCDE AE will make required modifications to its DL plan and in compliance with TWC AEL directives.

- Technology plays a crucial role in supporting the program's recruitment and testing processes, facilitating increased outreach in the community, and optimizing resource utilization. For its online classes, HCDE AE will continue to use online registration and testing to facilitate recruitment and improving access to all classes.
- To further assist students on their learning journey, HCDE AE will expand online support services, including virtual counseling, tutoring, and academic advising.
- HCDE AE values student feedback and will utilize online surveys to continuously gather input to improve the technology-based learning environment.

9. CONSIDERATION 8: IET – 10 points

Applicants will describe their IET Program and how it will: 1) create IETs that are aligned to the local Board In-Demand Occupation and Targeted Occupation lists; and 2) incorporate the three (3) Core Components of an IET within an integrated instructional service model that: a) provides simultaneous AEL instruction and Workforce Training at points within the overall scope of the program, b) uses occupationally relevant instructional materials; and c) has a single set of learning objectives that identify specific competencies across the IET Components that are organized to function cooperatively, which may include established learning objectives and trade-related benchmarks or competencies for a particular In-Demand Occupation, Targeted Occupation, or occupational cluster required for attaining a Credential and provide a pathway for ELLs, which must include professionals with degrees and credentials in their native countries to engage in IET models that align to AEL Content Standards and must be designed to prepare adult ELLs for, and place them in, unsubsidized employment in existing and emerging In-Demand Occupations and Targeted Occupations that lead to economic self-sufficiency; include instruction for English literacy and fluency; and include rights and responsibilities of citizenship and civic participation.

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

1. IETs Opportunities for IELCE Students - Aligned to the Local Board In-Demand Occupation and Targeted Occupation List

HCDE AE has demonstrated a strong commitment to fostering career pathways opportunities for English Language Learners (ELLs) by developing Integrated Education and Training (IET) programs that provide Workforce Training for existing and emerging in-demand industry sectors, combined with contextualized ESL instruction based on the Texas AEL Content standards and appropriate workforce preparation activities. HCDE AE collaborates with employers including MAREK Brothers, Turner Industries, Ashford Gardens Health, and Gulf Coast Blood Bank. In the past five years, HCDE AE served 670 ELLs in a wide range of IET programs leading to an industry recognized certification in high demand industries including construction, healthcare and business services that are aligned with the local board plan (e.g., National Center for Construction Education and Research - NCCER Core Curriculum, Certified Nurse's Assistant, Phlebotomy, Customer Service, Front Office Specialist).

HCDE AE has navigated the special challenges of implementing IETs for ELLs, striking the right balance between language acquisition and the development of technical or job-related skills. Early success with the implementation of the IET programs in construction leading to an NCCER Core Curriculum industry certification, paved the way for additional training opportunities in other key industries. HCDE AE proposes to expand the IET course offering for ELLs to include additional training opportunities for ELLs. In the healthcare industry, IET classes will be added for Certified EKG Technician, Certified Medical Assistant and Certified Professional Medical Biller. In the Office Administration industry, IETs will be added to the IT Help Desk (CompTIA) and Entrepreneurship with a QuickBooks Certification. Finally, in the Construction industry HCDE AE will add a NCCER Pipefitter Level I certification and a solar thermal installer certification.

HCDE AE has continued to foster IET opportunities for ELLs by addressing the following challenges:

- a) Aligning IET Programs to Local Industry Demand: HCDE AE has worked closely with Gulf Coast Board staff and employers to identify training opportunities that allow ELLs who earn an industry recognized certification to obtain an entry level job in the field. In the Houston area, construction and the service industry have traditionally hired many ELLs. Discussions with local employers also show that bilingual certified Nurse Assistants and other allied health professionals are in great demand and even have higher starting salaries.
- b) Recruitment: HCDE AE has relied heavily on its large pool of English language learners to find eligible candidates for its IET programs. Workforce development staff regularly visit ESL classes to discuss existing training opportunities as well as language and work-eligibility requirements. A key insight of those early programs is that with the appropriate support, adult ELL students with English skills above beginning English (NRS Level 3) can succeed in English language certification program and pass industry recognized certification examinations. Interested students may set individual appointments to address specific questions or situations. IET Student Ambassadors visit ESL classes to discuss their experience in graduating from and HCDE AE training program.
- c) Accelerating Pre-IET Instruction: HCDE AE's aim is to make IET programs available to all eligible ESL learners regardless of their current English language proficiency. To this end, general ESL classes are required to have lessons that familiarize students with the context of work and workforce preparation skills. Research indicates that contextualized bridge classes can have a positive impact in the attainment of industry recognized certifications. HCDE AE will develop contextualized classes for business,

health care and construction for beginning level students who are interested in existing career pathways.

d) Effective Contextualization of ESL instruction and Workforce Training:

HCDE AE has implemented a modified I-BEST model of instruction for its IET classes targeted at ELLs, which requires the basic skills teacher and training instructor to collaborate in delivering the technical skills and language support required for the class. This co-teaching model is also supported by additional contextualized ESL and basic skills. Research shows that IET classes have better outcomes for completion of certifications and employment.

e) Workforce Preparation Activities: ELLs come from diverse linguistic and cultural backgrounds, each with unique learning needs. Creating a program that caters to this diversity can be challenging. HCDE AE's workforce preparation activities for ELLs in IETs address the linguistic and cultural challenges students will face in job seeking, interviews and navigating the workplace environment after they are hired. The class aims to create a risk-free atmosphere by including bilingual employer presentations on workforce activities in the classroom.

f) Student Supports: It is important to provide ELL students with the necessary support to help them succeed in IET programs that provide language assistance, academic support and career counseling through Career Navigators and Transition Specialists. It is also important to create a welcoming and inclusive environment for ELL students. This can be achieved by promoting cultural awareness and sensitivity among staff and students, and by providing opportunities for ELL students to connect with their peers and the broader community.

g) Strong Connection with Employers: The success of HCDE AE's IET program for ELLs relies on a network of employers who help to recruit students for

training programs, provide support in contextualizing the curriculum and provide jobs for HCDE AE's IET completers.

2) Incorporation of three Core Components of an IET within an Integrated Instructional Service Model

a) Simultaneous AEL Instruction & Workforce Training

HCDE AE's implementation of the IELCE IET model provides for the simultaneous delivery of its required components including: 1) workforce training for a specific occupation, 2) basic skills instruction including literacy, language acquisition and civics in the context of that occupation or occupational cluster, and 3) workforce preparation activities. Each IELCE IET class has a syllabus that identifies a single set of learning objectives that includes all three components. To implement this approach, HCDE AE's instructors and workforce training staff jointly design and deliver the adult education activities, workforce trainings and workforce preparation activities customized to support the academic and employment success of basic skills.

HCDE AE aligns the IET program with the definition of Career Pathways in the Workforce Innovation and Opportunity Act (WIOA), which represents a hallmark for innovative AEL instruction and workforce development training. The HCDE AE's Career Pathway model is developed for participants below the post-secondary level, as well as those students that are at post-secondary level wanting to receive industry recognized credential.

b) Uses Occupationally Relevant Instructional Materials

HCDE AE utilizes occupationally relevant instructional materials that relate to the specific occupation or occupational cluster the IET program targets. These materials help students acquire the knowledge and skills needed for the workforce training component and the career pathway they are pursuing. Some examples of occupationally relevant instructional materials are:

- Authentic workplace environment – HCDE AE’s Healthcare training in CNA, EKG, Phlebotomy utilizes State approved training classrooms where instruction and clinicals are performed of the occupation or occupational cluster. Classrooms include equipment such as clinical beds, patient dummies, and clinical equipment and supplies.
- Textbooks, manuals, handouts, or online resources that cover the technical content and terminology of the occupation or occupational cluster in Pipefitting and NCCER certification in construction. Basic skills instructors review vocabulary and concepts that are covered in the training components.
- Basic Skills classes use workplace documents, such as forms, reports, memos, or emails, which reflect the communication and documentation practices of the occupation or occupational cluster.
- Assessments, quizzes, tests, or portfolios that measure the mastery of the learning objectives and competencies of the IET program.

To use occupationally relevant instructional materials effectively, adult education instructors and workforce training staff collaborate to select, adapt, or create materials that are aligned with the IET program’s single set of learning objectives and the needs and interests of the students in the program.

c) Learning Objectives

The primary objective of HCDE AE’s Workforce Training programs is to integrate education and training that leads to unsubsidized employment in a high-demand occupation, allowing ELL students with varying skill levels to accelerate their learning and obtain industry-recognized certifications. To meet the needs of the region’s economy, HCDE AE will focus on providing students with workforce training and education programs that are aligned with the Gulf Coast Workforce Board goals and strategies in its 2021-2024 Local Plan:

1. Workforce Needs Identification: HCDE AE works closely with Board staff to identify workforce needs in three distinct lists: Targeted Industries, Where the Jobs Are, and High-Skill, High-Growth Occupations, which is equivalent to TWC's Targeted Occupations list. The three lists guide the Board's strategic investments, helping residents build careers in industries and occupations with promising prospects and higher wages.

2. Targeted Industries List: This list, equivalent to the Commission's in-demand industry list, identifies industries critical to the region's economy. Employers in these industries with chronic labor shortages in high-skill occupations receive top priority for services financed by Workforce Solutions. HCDE workforce training plan under this RFA is focused on three of these industries:

- Construction
- Healthcare and Social Assistance
- Administrative Support

3. The High-Skill, High-Growth Occupations list is particularly influential in deciding which occupations are targeted for HCDE AE's workforce training programs. HCDE AE works closely with Workforce Board staff to ensure that its proposed workforce training program leads to one of the occupations on the List.

4. Creating a Pathway for adults with low literacy and barriers to complete earn a high school diploma and enter into training or post-secondary education. HCDE AE's Contact to Careers programs is designed to ensure that current ESL and GED students have an accelerated path to employment. HCDE AE has a strong record of providing workforce training services that are aligned with the region's employment needs and support adults with low literacy skills and employment to access targeted occupations. Since 2018, HCDE AE has served over 2,800 students in its Integrated Education and Training (IET) programs listed in Table 8.1 below.

Table 8.1 HCDE AE's Current IELCE IET Programs

Healthcare & Social Assistance			
IET - Occupational Title	Local Target Occupation	Partners	IET Description
Phlebotomy	Phlebotomist	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in collecting, transporting, handling, and processing of blood specimens for analysis. Students obtain a Phlebotomy certification after completion.
CNA	Nurse Assistant	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the care of persons needing medical and/or allied health care; and, to assist nurses and other medical staff in the care of patients. Students obtain certification as a Nurse Assistant upon completion.

	EKG	Cardiovascular Technologists and Technicians	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training to record and monitor electrical activity of the heart. Students obtain certification as an Electrocardiograph Technician upon completion.
	Administrative and Support Services			
	Comp TIA	Computer Network Support Specialist	HCDE AE Trainer	Training course includes instruction on basic Computer Network Support Assistance.
	Customer Service Certification	Market Research Analysts and Marketing Specialists	HCDE AE / National Customer Service Association	Training prepares a student with advanced customer service skills, sales and marketing skills, and strategies. Certification can lead to a one-year marketing certificate and earn an AAS in business, emphasizing marketing.

	Front Office Specialist	Secretaries & Administration Assistants, Receptionist, and Information Clerks	HCDE AE / H-Tech	Training prepares students with instruction and training in basic office principles and functions with an emphasis on technology. Students obtain a Microsoft Office certificate after completion of the course.
	Construction			
	NCCER Pipefitting I Certification	Plumbers, Pipefitters, and Steamfitters	Launch Point, Eight Million Stories	Training course includes construction math and the NCCER Pipefitting curriculum. Students obtain an NCCER Pipefitting Level I certification after completion.
	NCCER Core Curriculum Certification	Construction Laborer	HCDE AE	NCCER Core Curriculum Certification includes Basics in safety, hand and power tools, construction math, materials handling, construction drawings, rigging

			and employability skills.
<p>HCDE AE has continued to work with Workforce Board’s staff, employers, and industry associations to plan for the expansion of IET programs within the five targeted industries to provide a wider range of training opportunities and to allow for the possibility of stackable credentials over time.</p> <p>Building on the success of the IET model, HCDE AE proposes the integration of stackable credentials within the training programs. Stackable credentials allow students to earn and accumulate multiple certifications over time. This approach not only enhances their overall skill proficiency but also increases their marketability for in-demand industries, where employers often seek candidates with diverse and comprehensive skill sets.</p> <p>HCDE AE’s plan is to allow students to continue to stack credentials in our chosen targeted industries such as healthcare, administrative and support services, and construction. Once a student earns a short-term industry recognized credential, they can return to the program after they have gained valuable work experience in their training field.</p> <p>HCDE AE’s pathway for complementary certifications in healthcare provides an example of a strong combination of certifications in the industry:</p> <p>I. Certified Phlebotomy Technician (CPT) Entry Level Position- Base Certification</p> <p>II. Certified EKG Technician (CET) A participant must have work experience at entry level as a General Phlebotomist.</p> <p>III. Certified Nurse Assistant (CNA) A participant must have one year of work experience in the healthcare field.</p>			

Table 8.2 below highlights the additional proposed IET programs HCDE AE will implement in the healthcare, business, and construction industries.

Table 8.2: Additional Proposed IELCE IET Programs

Healthcare			
IET - Occupational Title	WIOA Target Occupation	Partners	IET Description
Medical Administrative Assistant	Health Information Technologists, Medical Registrars, Surgical Assistants	Medi Lab	Training includes instruction in medical office management, legal, ethical, and regulatory concepts, information on electronic health records and proper handling of patient information. Students receive certification as a Medical Administrative Assistant/Medical Records Clerk upon completion.
Medical Billing	Medical Billing Support, Services and Specialist	HCDE AE / Integrated Health Solutions II	Training course includes instruction on the basic principles and concepts of medical billing and coding; fundamental

			understanding of the human body and medical terminology; ability to classify and assign diagnosis and procedure codes using national coding systems. Students receive certification as a Medical Billing Professional upon completion.
Business Service & Technology			
Airline Reservations Systems	Travel and Leisure Agents, Airline Reservationists	HCDE AE	Airline Industry Training with a focus on GDS (Global Distribution System) in Travel and Hospitality Industry Certification.
Entrepreneurship	Chief Executive Officer, Business Development Specialist, Accountant	HCDE AE	Training equips students with skill sets and mindset for identifying and launching new business ventures, sustaining a business, managing

			a budget, marketing, complying with tax regulations.
Construction			
NCCER Pipefitting II Certification	Plumbers, Pipefitters, and Steamfitters	Launch Point/Eight Million Stories, MAREK Brothers	Training course includes construction math and the NCCER curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion.
Solar Installation	Solar Panel Installer, Solar Maintenance Technician, Solar Project Manager	HCDE AE /GROW / Launch Point	Training course includes course instruction in solar energy principles, energy storage and transfer technologies, testing and inspection procedures, system maintenance procedures, and report preparation. Students obtain Solar Installer Certificate.

Employer Partnerships

Collaborating with employers is a crucial aspect of HCDE AE's workforce training strategy. This collaboration involves soliciting input from employers in the development of new training options. The goal is to ensure that graduates from HCDE AE's Integrated Education and Training (IET) programs are directly integrated into employment pipelines within our targeted industries. Employer partnerships play a vital role in enhancing job placement, retention, worker engagement, as well as providing opportunities for participants to advance and secure increased wages.

To expand the impact of these partnerships, HCDE AE is committed to identifying additional employer collaborators for both IET and ESL students. This effort includes leveraging resources effectively to extend services to a broader range of clients. Currently, HCDE AE actively engages with 17 employers in collaborative sessions. These interactions serve as forums for brainstorming and gaining insights into the specific needs of employers concerning the competencies required in the workplace and the intricacies of their respective industries. This ongoing dialogue ensures that HCDE AE's training programs remain aligned with the evolving demands of the job market, benefiting both students and employers.

As an example of the power of employer partnerships, HCDE AE had its first "Signing Day" event where 45 HCDE AE IET graduates signed letters of intent to work with the following employers (see table below). The event highlighted the connection between training and employment in the targeted industries. HCDE AE plans to expand this event to include future graduates of IET programs in other sectors.

Occupational Category	Occupation	Employer	Student(s) Employed
Healthcare	CNA	Ashford Gardens	6

Allied Health	CNA	BeeHive	3
Allied Health	CNA, EKG	Dedicated Senior Medical	4
Allied Health	Phlebotomy	Quest Diagnostics	1
Allied Health	CNA	Accessible Home Care	1
Construction	Drywall, Construction Laborer	MAREK Brothers Construction	16
Construction	Construction	Building Talent Construction	4
Construction	Construction	HBI/Texas Masonry	5
Construction	Construction	Pioneer Industrial	2
Construction	Construction	Turner Industries	3

Promote IET Opportunities for Students

HCDE AE will promote IET opportunities through the following means for student accessibility.

- Conducting Outreach Activities in Harris County, to target potential students and inform them of the benefits and requirements of the IET programs provided.
- Developing Partnerships and Collaborations with employers, community organizations, post-secondary institutions and other stakeholders that can support the IET programs and provide resources and referrals.
- Aligning IET Programs with Regional Labor Market demand and industry recognized credentials that can increase a student's employability and earning potential through a coalition of HCDE AE's employer partners.
- Implementing Effective Instructional Practices such as contextualized instruction, project-based learning, team teaching and digital literacy that can enhance a student's engagement and learning outcomes in IET programs.

Contextualized Instruction

The IET approach combines literacy, numeracy, and English language skills with occupational skills training. This integrated model is proven to be highly effective in addressing the needs of low-skilled individuals, allowing them to simultaneously enhance their foundational skills while acquiring the specific technical expertise required in their chosen industry. Through collaborations with stakeholders, including community partners, employers, and other professional development centers, HCDE AE will expand this service and develop more innovative contextualized instructional strategies that integrate basic skills and vocational training to increase employability and productivity.

IET Curriculum Design

HCDE AE's IET staff are trained on the curriculum framework based on statewide standards, such as the Texas Adult Education Content Standards and Benchmarks for ABE/ASE and ESL learners and the Texas College and Career Readiness Standards that are aligned with the industry skills needed. HCDE AE also works with community-based organizations such as Eight Million Stories and Launch Point to train individuals, ages 18-26, in pipefitting. At the end of the course, participants complete a career preparation course that guides them towards job interviews and job placement. The participants will be hired by one of HCDE AE's employer partners.

HCDE AE implements the Integrated Basic Education and Skills Training (I-BEST) models that are characteristic of fully integrated and partially integrated instruction in the IET curriculum framework. Using team teaching in defined roles for integrated instruction, the courses emphasize: a) joint enrollment in both basic skills and workforce training; b) ABE content aligned with workforce training content; and c) instructors working together to identify basic skills needed for low-skilled adults to master workforce skills. Three studies that meet the rigorous standards of the Department of Education's What Works Clearinghouse concluded that programs that combine

co-teaching of basic and training skills and include career navigation services and provide wraparound services, including Washington State's I-BEST model, have better educational outcome such as the completion of credentials and certifications compared to other adult education programs, and in one study (Modicamore et al. (2017)) they were also associated with improved employment and earning outcomes (Anderson, T., D., Kuehn, L. Eyster, B. Barnow & R. Lerman, R. (2017). New evidence on integrated career pathways: Final impact report for Accelerating Opportunity. Urban Institute; A. Glosser, A. K. Martinson, K., Cho, S. W. & Gardiner, K. (2018), Washington State's integrated basic education and skills training (I-BEST) program in three colleges: Implementation and early impact report (OPRE Report No. 2018-87). U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning, Research, and Evaluation).

Implement an Integrated Services - Quality IETs

The career pathways developed by HCDE AE will create integrated education and training opportunities that will ensure accelerated access to industry credentials and work opportunities for participants. HCDE AE will provide a Career Pathway Model to intentionally prepare adult learners for careers through a combination of rigorous and high-quality targeted occupation education and training that:

- Aligns with skill needs of industries in the economy of the State of Texas or regional economy stated in the LCMI report.
- Prepares an individual to be successful in any or a full range of secondary, postsecondary opportunities.
- Includes counseling support for an individual in achieving the individual's education and career goals.
- Helps an individual enter or advance within a specific occupation or occupational cluster.

HCDE AE's Integrated services plan includes the following:

- A delivery of IET Components provided concurrently and contextually.
- Provided simultaneously at points within the program's overall scope.
- Sufficient intensity and quality based on the most rigorous research.
- Support the advancement of education and career development and use occupationally relevant instructional materials.
- Activities will function cooperatively so that specific adult education content, Workforce Preparation Activities, and Workforce Training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET Components.
- Competencies include established learning objectives and/or trade-related benchmarks, competencies for emerging or existing in-demand targeted occupation for attaining a recognized postsecondary credential.

Intensive Services – Workplace ESL, Services for Internationally-Trained ELL Professionals and Post-Release for Justice Involved Workplace ESL

Program Design and Partnerships

HCDE AE actively collaborates with employers to offer Workplace ESL classes, as highlighted in Table 8.3 below. This initiative is a key component of HCDE AE's intensive services aimed at empowering workers to learn English, develop basic skills, and boost productivity, thereby enhancing their opportunities for career advancement. A notable example from 2022 includes the initiation of ESL classes for internationally trained English Language Learner Professionals at Methodist Hospital. This program targeted individuals with doctoral degrees, helping them improve workplace communication and acclimatize to the societal context.

Currently, HCDE AE has established a valuable partnership with MAREK Construction, delivering contextualized ESL classes for its employees. Through these strategic alliances with employers, community organizations, the Workforce Board, and service providers, HCDE AE places a significant

emphasis on the Career Pathways model. This model integrates intensive services, contributing to increased job retention, heightened worker engagement, avenues for career advancement, and improved wages for participants.

The benefits extend beyond individual learners, creating an upskilled talent pool for employers. HCDE AE actively identifies partners for IET programs, aligning workforce needs with educational opportunities. By leveraging resources from HCDE and Harris County, the program is positioned to reach a broader audience, extending its impact on workforce development.

HCDE AE conducts regular meetings with diverse employers to gain insights into their specific needs regarding employee competencies. This includes the use of authentic materials such as safety manuals, reports, and forms employed by workers. This hands-on, industry-aligned approach ensures that the training provided is directly relevant to the workplace, fostering a more effective learning experience for participants and addressing the unique needs of employers.

Table 8.3 Workplace Literacy Collaborations

ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist Hospital. Doctors at Houston Methodist attend virtual classes and have access to HCDE AE Distance Learning Software.	<ul style="list-style-type: none"> • ESL classes for foreign professionals address conversational skills and business writing. • USA Learns software, and ESL software offered by HCDE AE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston	

	Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • City employees obtained ESL skills that improve job performance.
ESL Classes – Dollar General	HCDE AE and Dollar General partnership focuses on work-based literacy classes to Dollar General Employees.	<ul style="list-style-type: none"> • Dollar General employees will benefit from work based - literacy classes.
ESL Classes – YMCA	HCDE AE delivers classes to YMCA Employees at various YMCA facilities. Classes focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • HCDE AE and YMCA met to identify organizational needs and develop curriculum.
MAREK Construction	HCDE AE delivers classes to MAREK Dry Wall Employees at MAREK facilities. Classes focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • HCDE AE and MAREK met to identify organizational needs, curriculum, skill, and assessment.

After completion of the program, HCDE AE expects the following student outcomes.

1. 75 % of Workplace ESL participants are expected to have an Educational Functional Level gain in an ESL assessment within the program year.
2. 90% of students will be retained by the employer by the fourth quarter after exit from the program.
3. 25% of participants will experience wage gains or career advancement by the second quarter after exit.

Internationally-Trained ELL Professionals

HCDE AE takes a comprehensive approach to meet the diverse needs of Internationally Trained Professionals (ITP) seeking English Language Learning (ELL) training. The program extends support across various aspects, ensuring a tailored and effective learning experience:

1. Tailored Services: HCDE AE provides specialized training for ITPs, encompassing basic skills preparation for professional exams, personalized career advising, and ESL services contextualized for targeted occupations. The program is designed with sufficient intensity to facilitate rapid progress.
2. Language Assessment: A critical component involves English language assessment to determine the participant's proficiency, enabling customized pathways for academic coursework or professional opportunities.
3. Integrated Literacy and Civics Education: Foreign degreed participants benefit from IELCE activities, offering individualized and strategic services. Adult education classes, English language acquisition courses, and IELCE activities contribute to a holistic learning experience.
4. Asset Utilization Support: Throughout the ITP course, participants are guided to identify and leverage their community networks, industry-based knowledge, and professional experience as valuable assets in presentations.
5. Professional Mentorship: HCDE AE facilitates mentorship through its Ambassador Program, connecting ITP students with professional mentors to provide ongoing support and guidance throughout the program.
6. Credential Evaluation Support: Utilizing professional work experience, participants receive guidance in supporting credential evaluations within the scope of an Integrated Education and Training (IET) model.
7. Career Pathway Navigation: ITP students receive guidance to navigate the Career Pathway Model and Integrated Education and Training programs,

ensuring a clear understanding of their educational and professional journey.

8. Contextualized English Language Instruction: HCDE AE offers targeted, contextualized English language instruction, aligning the curriculum with the specific language needs of participants within their chosen professions.
9. Workforce Training Opportunities: ITP students have the opportunity to attend workforce courses within the program, enhancing their practical skills and readiness for the job market.
10. Community-Based Organization Partnerships: HCDE AE collaborates with community-based organizations to provide additional support, assisting ITP students with navigating the higher education system, including diploma translation and evaluation options, understanding work culture, and preparing for job interviews.
11. Foreign Degree Utilization: To promote interpretation/translation of foreign degrees, participants receive assistance in leveraging their foreign degrees for educational and career success, ensuring that their qualifications are recognized and utilized effectively in the local job market.

HCDE AE's holistic and strategic approach aims to empower Internationally Trained Professionals, not only by enhancing their English language proficiency but also by providing comprehensive support for successful integration into the local workforce and educational systems.

Student Outcomes after completion of the Program:

- 75% of participants will have an Educational Functional Level (EFL) Gain.
- 80% will receive specialized support including career counseling, transliteration of foreign degrees, or job search support.
- 50% will transition to additional training or employment.
- 85% of those employed will retain employment by the 4th quarter after exit.

Post-Release for Justice Involved

HCDE AE's program collaborates with re-entry programs, particularly through a strategic partnership with Kashmere Gardens Community Center in Houston, Texas. This initiative aims to offer individuals with criminal histories a chance to pursue their educational and career objectives. Participants in the program receive High School Equivalency (HSE), Integrated Education and Training (IET) courses, career readiness preparation, and employment support.

The overarching goal is to reduce recidivism, enhance employability, and improve social outcomes for the re-entry population. HCDE AE strives to empower these individuals by providing access to educational opportunities and resources necessary for their success.

During the "Learners to Earners" Career Signing Day on November 22, 2023, HCDE AE celebrated a significant achievement. Three re-entry students were granted the opportunity to obtain NCCER Certification in Pipefitting, which led to employment. These students were successfully hired by Building Talent Company, Pioneer Industrial, and Turner Industries. Notably, Turner Industries went a step further by assisting one participant in overcoming housing challenges by offering free housing for the initial three months of employment.

Student Outcomes after program completion:

1. 50% of re-entry participants will earn a credential such as an HSE or industry recognized certification.
2. 80% will receive extended support services including career counseling and support.
3. 50% will find employment by the second quarter after exit.

Working closely with re-entry programs holds great significance for HCDE AE, as it actively addresses and helps individuals overcome the various barriers and challenges they face when reintegrating into their communities.

Provide State of Texas High School Equivalency (TxCHSE) or Diploma Preparation and Instruction

HCDE AE is committed to supporting low-literacy adult students and English language learners in our IELCE program in attaining a TxCHSE through a strategic and focused HSE Fast Track program. The program is designed to accelerate the preparation and instruction process, particularly for students aiming to achieve success in the GED exams. IELCE participants have two tracks toward obtaining a high school equivalency certificate. Advanced ESL students who are interested in obtaining their HSE in English are encouraged to join an ABE class to develop the foundation language and math skills. Once those skills are sufficiently developed, ELL students who have transitioned to ABE classes become eligible for HSE Fast Track classes in English. Alternatively, IELCE student who need a certification more quickly may opt for a Spanish HSE Fast Track preparation class which combines HSE preparation for the Spanish version of the GED® test with ongoing English language instruction and support. The Fast Track Model in English and Spanish follows this process:

HSE Fast Track Modality: The Fast Track modality student attend an intensive 2-week course (four days a week, 24 hours) at the beginning of HSE courses. It targets students who have a passing or near passing score in any or all four HSE practice test subjects: mathematics, science, social studies, and language arts. The Fast Track plan includes:

Week 1 (12 hours): Testing in all four subject areas using GED Ready Tests to identify passing scores. If students pass, they are encouraged to register for the HSE test immediately, and a subsidy voucher is provided.

Week 2 (12 hours): Additional preparation for students with close-to-passing scores or those needing extra practice and skill development in any of the core subjects. Students take the test again using the voucher subsidy program.

10-Week HSE Targeted Courses: Participants who do not qualify for the 2-week Fast Track seamlessly transition into the 10-week HSE courses. The first five weeks are focused on Math and Science test or Reading Language Arts/Social Studies. Comprehensive support is offered through syllabus guidance, tutoring services, study materials, and HSE/GED preparation books. The targeted class includes practice tests at the end of each 5-week module to help participants gauge their readiness for the exams.

GED Testing and Subsidy Program: Eligible students who pass the GED Ready Exams have the opportunity to complete the battery of exams, covering mathematics, science, social studies, and language arts. The total fees for the 19 GED battery are \$145 or \$169, depending on the test delivery method, with individual test fees at \$16.25. Participants receive vouchers as prioritizing subsidies to test within 365 days of exit, eliminating the financial barrier to taking the tests.

Program Impact and Achievements: The voucher subsidy program has significantly accelerated the attainment of HSE Diplomas. In the 2022-2023 academic year, HCDE AE witnessed a remarkable increase of 51 more HSE recipients, totaling 162 compared to the previous year's 112. The approval voucher allotment has incentivized participants to complete all four subject areas promptly. Eligibility is determined by students' GED Ready passing scores and required documentation for an initial voucher. HCDE AE 's voucher usage stands at 90 percent of the initial vouchers allotted, providing accurate tracking and accountability in the program. The success of this initiative underscores HCDE AE's commitment to facilitating the educational advancement of low-literacy adult learners.

Market the TxCHSE Program

HCDE AE is dedicated to enhancing its outreach and marketing strategies for the GED program to effectively engage and assist adults in the Harris County.

a) Targeted Online Advertising:

HCDE's Communications Department uses targeted online advertising to reach specific demographics within the service area. Platforms like Google Ads and social media advertising are employed to strategically promote the HCDE AE program to individuals who may be actively searching for educational opportunities.

b) Search Engine Optimization:

HCDE AE optimizes online content, including the program website, for search engines. This ensures that the TxCHSE program is easily discoverable when individuals in the Harris County area search for adult education or high school equivalency programs.

c) Participation in Local Events:

HCDE AE actively participates in local community events and visits schools and churches to promote the TxCHSE program. Setting up information booths, distributing promotional materials, and engaging directly with attendees create valuable face-to-face interactions and increase awareness of the TxCHSE program.

d) Participation in Local Media:

HCDE AE has successfully engaged with local media outlets, including radio, television, and community newspapers, to cover important events such as GED Graduation, share success stories, program updates, and information about the TxCHSE program.

e) Promotion of HSE preparation programs in all IELCE classes

Develop Successful Retention Strategies

HCDE AE implemented the following retention strategies to ensure every participant is given the opportunity to complete their HSE in the following ways:

- Holding meaningful conversations with students to understand goals, challenges and needs and to encourage them to persist in their studies.

- Recognizing students who demonstrate academic excellence, improvement or resilience and providing them with opportunities for leadership or peer support.
- Determining teacher hiring needs on who can effectively instruct and motivate students in the everyday classroom environment in the TxCHSE programs.
- Monitoring and intervening with students who are at risk of dropping out of failing exams and providing them with feedback, guidance, and career prospectus.

These strategies help create a positive and supportive learning environment for students who seek to obtain a TxCHSE credential and improve their educational and career prospects.

Accelerated Instructional Opportunities - Students to earn TxCHSE Credentials

HCDE AE has been implementing a Fast Track HSE program since PY2022-2023 to accelerate HSE attainment. The model has been refined in PY2023-2024 to include the following.

Customized Curriculum Approach:

The HSE Fast Track program employs a customized curriculum for each individual by carefully analyzing their GED Ready score reports. This personalized approach allows us to determine specific skills that need to be studied, ensuring targeted and efficient preparation for the GED exams.

HSE Fast Track Modality:

The Fast Track modality is a focused 2-week course, consisting of 4 days a week with a total of 24 hours of instruction. This program is specifically designed for students who demonstrate a passing or near passing score in any or all four HSE practice test subjects: mathematics, science, social studies, and language arts.

Week 1 (12 hours):

- Comprehensive testing in all four subject areas using GED Ready Tests to identify passing scores.
- Students who pass are encouraged to register for the HSE test immediately, and a subsidy voucher is provided.

Week 2 (12 hours):

- Additional preparation for students with close-to-passing scores or those needing extra practice and skill development in any of the core subjects.
- Students take the test again using the voucher subsidy program.

Targeted Support Services:

Throughout the entire program, participants have access to dedicated tutoring services. Tutors will be available during and after class hours to provide individualized support, focusing on specific subject areas where participants may require additional assistance.

Fast Track Class Modalities:

- Fast Track classes are offered in both online remote and face-to-face formats to accommodate diverse learning preferences and enhance access.
- Online Remote Classes: Participants have the option to attend virtual classes from the comfort of their homes, utilizing digital platforms for instruction, collaboration, and engagement.
- Face-to-Face Classes: In-person classes are currently available at 8 locations throughout Harris County, for those who prefer or require on-site instruction.

Distance Learning with GED Academy Platform:

- All classes incorporate targeted and customized distance learning assignments using the GED Academy platform to accelerate learning.
- The GED Academy platform provides interactive lessons, practice tests, and real-time feedback, tailoring the learning experience to individual needs.

Test-Taking Skills Instruction:

- The program provides comprehensive instruction on essential test-taking skills, including question selection strategies, time management techniques, and effective methods for reducing test anxiety.
- Participants are equipped with the tools and mindset necessary to approach the GED exams with confidence and perform at their best.

Independent Learning:

- Students are encouraged to work independently on the GED Academy platform, focusing on areas where they need additional support.
- Independent study materials are provided to facilitate self-paced learning and reinforce key concepts.
- Students are encouraged to use the Math Assistance Call Center (MACC), which is TWC AEL Statewide Initiative that provides free Math tutoring assistance to students online or over the phone.

Career Navigation Support:

- A dedicated Career Navigator visits classes to discuss post-graduation options with participants, providing valuable insights into transitioning to college and other post-secondary training options.
- The Career Navigator offers guidance on potential career paths, educational opportunities, and resources available for continued advancement beyond GED completion.

10-Week HSE Targeted Courses:

Participants who do not qualify for the 2-week Fast Track seamlessly transition into the 10-week HSE courses. The first five weeks are dedicated to Math and Science or Reading Language Arts/Social Studies.

Comprehensive support is offered through syllabus guidance, tutoring services, study materials, and HSE/GED preparation books. The targeted class includes practice tests at the end of each 5-week module to help participants gauge their readiness for the exams.

GED Testing and Subsidy Program:

- Eligible students who pass the GED Ready Exams have the opportunity to complete a battery of exams, covering mathematics, science, social studies, and language arts.
- Participants receive vouchers prioritizing subsidies to test within 30 days eliminating the financial barrier to taking the tests.

Program Impact and Achievements:

The voucher subsidy program has significantly accelerated the attainment of HSE Diplomas. In the 2022-2023 academic year, HCDE AE had an increase of 51 more HSE recipients, totaling 162 compared to the previous year's 112. The approval voucher allotment has incentivized participants to complete all four subject areas promptly. Eligibility is determined by students' GED Ready passing scores and required documentation for an initial voucher. HCDE AE's voucher usage stands at 90 percent of the initial vouchers allotted, providing accurate tracking and accountability in the program. The success of this initiative underscores HCDE AE's commitment to facilitating the educational advancement of low-literacy adult learners.

Services and Activities – Post-Secondary Education/Training Leading to Career

The HCDE AE program will offer a variety of services and activities to support students in their transition to college or post-secondary training leading to careers. HCDE AE fosters a community environment embodied in its Contact to Careers workforce program which makes the transition to post-secondary education leading to a career the key mission of the organization. The services and activities include:

a) Rigorous Academic Curriculum:

- A rigorous curriculum based on the Texas Adult Education Content Standards ensures that HCDE AE students at all levels have the foundations for analysis and critical thinking that are required for post-secondary education and training.

- The curriculum requires that teachers use materials, readings, and contexts that students may encounter in post-secondary education and training.

b) Career Exploration Imbedded in Curriculum:

- HCDE AE's ABE, ESL, IET and HSE preparation classes include career exploration modules in the curriculum that explore educational pathways to pursue those careers.
- HCDE AE sets up guest speakers from our employer partnerships to share insights and experiences with the students.

c) Texas Success Initiative (TSI) Preparation Classes:

- HCDE AE will offer classes or resources to help students prepare for standardized tests required for college admission, such as the TSI
- The course will also focus on preparing students for the academic and social aspects of college life and covering topics such as study skills, time management, effective communication, and navigating college resources. College and Career Counseling:

d) College and Career Counseling:

- HCDE AE Career Navigators provides individualized counseling sessions to help students explore various career paths and understand educational requirements for their chosen fields.
- HCDE AE Career Navigators work with Houston Community College, San Jacinto College, Lone Star College, and Lee College to coordinate student post-secondary enrollment, vocational training, and certifications that align with students' career goals. HCDE AE has invited college career counselors to visit HSE and IET classes to do presentations on post-secondary options and has arranged campus visits, guest lectures, and information sessions with representatives from post-secondary institutions.

e). Partnership with Employers:

HCDE AE has established job placement programs to assist students in securing employment relevant to their training and to pursue further training options after employment.

f) Other Support Services:

HCDE AE teachers, career navigators and management staff help students connect to other support services such as childcare or mental health that the student may need to make a successful.

g) Technology and Skills Training:

- HCDE AE integrate technology training into the program to ensure students are familiar with the tools and skills required in today's workforce.
- HCDE AE offers courses on digital literacy and technology applications relevant to their chosen career paths.

Utilize Transition Resources and Strategies

The key resources and strategies HCDE AE uses for transitions to post-secondary, including a rigorous curriculum, college and career counseling, career exploration, TSI preparation classes, partnerships with employers, connecting to other support services, and technology skills development, were developed in detail in the previous section. Our focus on workforce transition in Harris County involves college and career counseling, work readiness, and job preparation for adults. We aim to address the evolving nature of work and education by gathering insights from key stakeholders, including employers and individuals. The goal is to create a program that offers specific strategies and answers, guided by data, to better prepare participants for occupations and college opportunities that align with their goals. Our strategy involves providing individuals with the latest job information and postsecondary exploration to ensure their success upon program completion.

The program aims to support participants in achieving their goals through comprehensive wraparound services. This includes the active

involvement of participants, significant individuals in their lives, mentors, a career navigator, and service providers. The approach follows the principles of systems of care, emphasizing individualization, cultural competence, strength-based methods, and collaborative problem-solving to address participant needs. The wraparound services will facilitate connections to support from faith-based organizations and other nonprofits, helping in areas such as housing, food, healthcare, childcare, and various other needs.

10. CONSIDERATION 9: STAFFING – 5 points

Applicants will describe how they will: 1) hire and manage staffing levels to ensure continuity of operations and institutional knowledge throughout the grant; 2) provide Tier One Training related to implementation of SOPs, documentation and data management in TEAMS, and other topics relevant to local continuity of services; (S) 3) ensure that staff have access to PD that supports deployment of innovative service delivery and performance improvement; (S) and 4) indicate the percent of time for each position (except for the Director and Instruction and Curriculum Lead, which shall be funded at one hundred percent (100%)) and whether this a current or new position in the table in the Work Plan, Applicant Response Section below. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1. Hire and Manage Staffing Levels

HCDE's AE division has provided adult education services for over 50 years and has been a member of the Houston-Galveston Area Council's AEL Consortium for the past nine years. HCDE AE's staff consists of 141 highly qualified and experienced persons, including the following full-time positions: Senior Director (24 years in AEL, Ph.D.), Director (10 years in AEL, MA), three area Managers (combined 72 years in AEL, one MA) Budget and Compliance Coordinator (eight years in AEL, MA), Workforce Coordinator (2 years in AEL, MA), Career Navigator (recently posted), two full-time literacy instructors (combined 54 years in AEL, one Secondary Certification), and 13 data entry and support staff (Average 13.7 years in AEL) and three custodians. The program is also supported by the following part-time positions: 10 Program Assistants (Average of 15.5 years in AEL, 6 MA degrees, 6 Elementary or Secondary Certifications), 103 part-time teachers (68 with three or more years in AEL and 42 with over 10 years in AEL; 47 MA degrees or higher and 53 Elementary or Secondary Certifications) and five part-time support staff (Average four years in AEL).

The proposed staffing plan requires a modification of HCDE AE's current management structure to account for the new roles required as a direct grantee and the fact the Integrated English Language and Civics Education (IELCE) funding is handled in a separate grant application. Under the proposed staffing plan the Senior Director will lead Section 231 grant activities and HCDE AE's Director's, who has eight years of experience leading adult education, ESL, and integrated education programs, will lead the IELCE program.

As it transitions from operating as a subrecipient in a consortium to a grantee and fiscal agent, HCDE AE's IELCE program will increase its investment in the administrative capacity required to ensure compliance with all applicable federal, state, and local guidelines and to reinforce a

management culture of continuous improvement. HCDE's current AE staff will be responsible for most of the positions or roles that are required under this grant. HCDE's AEL will work with the Human Resources Division to hire new staff for other required positions within 45 days of being awarded.

HCDE's Human Resources Division and HCDE AE have processes in place to ensure that 1) all staff meets or exceeds the minimum qualifications for each AEL positions based on current staffing levels and 2) the accumulated experience of the management, teaching and support staff will ensure the continuity of operations and institutional knowledge. Thus, HCDE AE will be ready to implement the current RFA proposal as soon as it is awarded.

The strength and experience of the HCDE AE staff is further enhanced by HCDE's institutional framework. Voters of Harris County elect the HCDE Board of Trustees to govern and set policies for the agency. The board consists of seven members who serve overlapping six-year terms, with two members elected every two years. The board is responsible for hiring the county school superintendent, currently James Colbert, Jr., to lead HCDE and oversee operations.

HCDE has three assistant superintendents over academic support, business services, and education and enrichment. HCDE AE's division reports to the assistant superintendent of education and enrichment. The Education and Enrichment Division supports the HCDE AE division by helping it set a mission and vision, quantifiable goals, and ongoing evaluation of its services.

HCDE's AE division is further supported by other internal divisions that provide a wide range of in-kind services. Additionally, the continuity of operations is ensured by experienced staff in other HCDE divisions that have 40 years of experience supporting Adult Education grants.

1. Business Services: Provides fiscal management and oversight, reporting, and procurement support.

2. Human Resources: Provides support for recruiting, hiring, training and evaluating adult education staff.
3. Communications and Marketing and Client Engagement Divisions: Supports the HCDE AE website and the media outreach, identifies potential public and private partnerships.
4. Research and Evaluation Institute: Analyzes program performance, conducts client interest and satisfaction surveys, supports researched-based instructional practices.
5. Center for Grants Development: Identifies and supports grant applications for funds that are strategic to the mission of the HCDE AE.

2) Tier One Training - Implementing Standard Operating Procedures (SOP), Documentation and Data Management in TEAMS

The programs have staff qualified to provide Tier One trainings, and it will continue to build capacity by sending staff to train-the-trainer events in the area of testing, TEAMS, and data management. Additionally, the program will collaborate with local area providers to identify other local trainers who can provide required trainings.

HCDE AE schedules training for all staff on the implementation of Standard Operating Procedures (SOP)s during its Fall Conference and a refresher in January. The training provides staff with updates on procedures as well as a refresher on established program rules.

HCDE AE's PD Plan outlines the requirements for different staff to ensure that the program remains in compliance. In addition, it has developed a solid tracking system to ensure that staff remain in compliance, which include both electronic and paper records of training certificates and attendance sheets for each staff member. HCDE AE has clear benchmarks for the timely completion of the professional development requirements. The PD Coordinator will work with management staff to ensure that these requirements are completed.

HCDE AE provides all new staff instructions for accessing the Texas Center for Adult Literacy and Learning PD Portal as part of their onboarding. The PD Coordinator makes sure that staff have completed at least six hours of PD in the first 30 days of instruction and troubleshoots any technical issues that staff may have with the PD learning management system.

3) Staff's Access to Professional Development

HCDE AE's Professional Development (PD) Plan is designed to address continuous program improvement based on a careful analysis of student performance, particularly student retention and attainment of MSGs. The PD Coordinator will work closely with the management team to schedule PD opportunities that support program innovations, such as HCDE AE's Fast Track HSE program and the integration of technology in all classrooms. Additionally, the PD Coordinator and the Quality Assurance Specialist will review internal and external monitoring reports to identify areas of compliance with rules that may require more staff training and support.

HCDE AE will ensure staff have access to PD opportunities that support the deployment of innovative service delivery. Performance improvement involves careful planning, organization, and a commitment to continuous learning, including the following procedures:

- a) Assess Staff Needs: A PD Team, led by the PD coordinator and including key managerial staff and teacher representatives, will conduct a needs assessment to identify the specific skills and knowledge required by staff to meet program goals and objectives. The needs assessment relies primarily on a thorough evaluation of student performance data with a focus on student retention, MSG attainment, Credential Attainment, and employment outcomes.
- b) Create a Professional Development Plan: Within 90 days of being awarded, the PD Team develops a structured professional development plan based on the identified needs and data analysis. This plan outlines the goals,

objectives, and desired outcomes and include a variety of PD methods such as required and recommended online courses found in the Texas Center for the Advancement of Literacy & Learning (TCALL) PD Portal, state and local conferences, and workshops.

c) Allocate Budget and Resources: HCDE AE's program allocates a budget for professional development activities, including the payment of a stipend for staff completing required hours of training, registration fees, travel expenses, and materials.

d) Collaborate with Experts and Organizations: The program collaborates with literacy organizations in the Houston area such as Region 6 and for Adult Education, as well as other providers in the area, to organize and deliver professional development activities that support the Professional Development Plan.

e) Foster a Culture of Collaboration: HCDE AE's program encourages staff members to share their knowledge and experiences with one another. Program managers, for instance, organize meetings for GED teachers to exchange ideas and experiences. Experienced teachers currently act as mentors to guide and support newer teachers.

f) Track PD: The PD coordinator is responsible for tracking the completion of annual PD requirements and providing timely feedback to staff members and their supervisor, maintaining backup documentation, including sign-in sheets, certificates, agendas, and training materials for monitoring purposes.

g) Feedback: Use the feedback to make necessary adjustments to the professional development plan, ensuring it remains aligned with the evolving needs of the staff and organization. The PD Coordinator will evaluate the impact planned PD activities had on program performance and uses this information to help plan PD activities for the next year.

4. Proposed Staffing Plan & Staffing Table

The proposed staffing plan requires a modification of HCDE AE's current management structure to account for the new roles required as a direct grantee and the fact that AEFLA funding will be handled in a separate grant application.

- Director (1 FT) – will be the Director for the IELCE program, the single point of contact to TWC and responsible for oversight, service delivery, reporting, compliance and overall program and fiscal accountability. HCDE's current Director has 10 years of experience in managing adult education programs including IELCE classes and integrated education and training (Current position).
- Coordinator-Instruction and Curriculum Lead (1 FT) – will lead and coordinate program curriculum and instruction. Although this is a new position, several experienced teachers in the division are ready to assume this responsibility (New Position).
- Quality Assurance Lead (.25) – a full-time position in coordination with the Budget and Compliance Coordinator for the 231 grant. This position will implement quarterly monitoring for the grant (New Position).
- Budget and Compliance Coordinator (.25) – a full-time position that supports budgeting, purchasing and inventory control. This position will include the same responsibilities for the 231 grant (Current Position).
- Coordinator-Professional Development and Distance Learning and Digital Navigation Lead (.25 FT) – a full-time position in combination with the 231 grant. This position will provide program support for professional development (.15 FTE) and distance and digital learning (.10 FTE) for a combined total of .25 FTE. (New Position).
- Coordinator-Performance Accountability Lead and TEAMS Lead (.25 FT) – a full-time position in combination with the same position in the 231 grant. The position is responsible for collecting and analyzing data for program improvement (.15 FTE) and ensuring that staff have access to TEAMS and

will serve as the point of contact for these areas (.10 FTE) for combined total of .25 FTE (New Position).

- Career Navigator (1 FT) – responsible for student guidance in Career Pathways and coordination with partner agencies to provide student support in employment or educational goals. The Career Navigator will act as the point of contact with TWC (New Position).
- Teachers (14 PT) – will deliver ESL, or basic skills instruction in IET classes via online remote or in-person classes. HCDE will select teachers with a combined average of 5 years of experience teaching ESL. Eight teachers have elementary or secondary certifications or advanced degrees (Current Positions).
- Vocational Teacher or Trainers (2 PT) – will provide technical skills training in IET classes leading to industry recognized certifications (1 Position hired).
- Program Assistants (2 PT) – required to support registration, orientation, and student testing in various locations (Current Positions)
- 1 FT Data Clerk – responsible for data entry, entering hours creating classes, creating student profiles in TEAMS, verifying hours, entering assessments, and maintaining files (Current Positions).
- 1 General Office Clerk – responsible for registration paperwork, entering contact hours, testing, maintaining attendance records, and various office tasks (Current Position).
- Secretary (.25) – responsible for vendor contracts and partner MOUs, and general administrative tasks including being a liaison with other divisions. This is a full-time position that will be shared with the 231 grant (Current Position).
- Receptionist (.25) – handles calls to HCDE's Adult Education's main number. This is a full-time position that will be shared with the 231 grant (Current Position).

- Custodian (.5) – required position for the maintenance of the Adult Education Learning Center. This will be a full-time position shared with the 231 grant.

Staffing Table

Staff Position	Percent of Full time Employee Dedicated	New or Current Position
Director	100%	Current
Instruction and Curriculum Lead	100%	New
Lead for Quality Assurance	25%	New
Lead for Performance Accountability	15%	New
Professional Development Coordinator	15%	New
Lead for Distance Learning and Digital Navigation	10%	New
Career Navigator	100%	New
TEAMS Specialist	10%	New

End of Staffing Table.

11. CONSIDERATION 10: PARTNERSHIPS – 5 points

Applicants will describe how they will: 1) coordinate with local WIOA partners and other organizations within the service area to develop career pathway programs consistent with strategies identified in the Local Board Plan including how to serve Priority Populations and those with barriers to employment (See Attachment 4, Local Board Plan Reference); and 2) coordinate with other education, training, non-profit, and social service resources in the community to develop referral systems that increase access to career pathways for eligible populations. (See Attachment 4, Local Board Plan Reference).

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1. Local WIOA Partners and Other Organizations – Career Pathway Programs

HCDE AE's partnership strategy for its IELCE program takes full advantage of the resources of its WIOA partners including Workforce Solutions Offices and Vocational Rehabilitation Services. HCDE AE also has a strong network of community organizations that support the Gulf Coast Board's local plan to strengthen career pathways opportunities in High Demand occupations, especially for individuals who have barriers to employment.

HCDE AE's partnership with its WIOA partners will be defined in the Memorandum of Understanding (MOU) with Gulf Coast Workforce Solutions. The MOU will establish guidelines for collaboration in the development of HCDE AE's Career Pathways programs including:

- Using labor market information and Targeted Industries List and the High-Demand Occupations List provided by Gulf Coast Workforce Solutions to identify effective career pathways programs for HCDE AE. HCDE AE will collaborate with Workforce Board staff to determine which of these targeted occupations provide the best options for IELCE students.
- Working with Workforce Solutions Business Services to forge connections between regional employers and create internship opportunities or employment prospects for IELCE students.
- Positioning AEL providers as valuable resources for employers, emphasizing the enhancement of pre-employment and soft skills among applicants and existing workforce through tailored courses. Many IELCE students need support becoming familiar with the language and cultural challenges posed by the work environment.
- Promoting AEL services among internationally trained professionals, offering career guidance and education to help them develop career pathways and seamlessly integrate into the local community.

- Facilitating a partnership with Vocational Rehabilitation (VR) services to enhance the transition of individuals with disabilities into career pathways at HCDE AE. Additionally, seeking to provide support to adult students with disabilities in their pursuit of employment opportunities.
- Fostering collaboration with Workforce Solutions Offices and justice system partners to seamlessly integrate into the employment and educational plans for individuals with justice involvement.

2) Other Education, Training, Nonprofit, and Social Service Resources

HCDE AE has an effective referral system to increase access to career pathways by collaborating and with various stakeholders in the community, which include the following components:

a) Needs Assessment:

The IELCE Career Navigator reviews ITECs, student survey responses and student requests to compile a list of specific social support of training needs. The Career Navigator continually reviews education, training, nonprofit, and social services to create a Resource Directory that is easily available to students and other staff.

b) Build Partnerships for Training:

Leveraging its new state-of-the-art 22-classroom facility in the near northside of Houston and long-term partnerships with school districts (Alief, Pasadena, and Klein), religious organizations (Northwest Assistance Ministries), a non-profit organization (Spring Branch Family Development Center), and Lee College in Baytown, HCDE AE aims to serve communities with a high concentration of English language learners in the east, west, and north areas of Harris County. Additionally, HCDE AE offers highly effective online classes for adults who prefer this learning modality or may lack transportation for in-person classes.

- Non-monetary contracts are in place with community organizations who recruit underserved youth and adults for HSE and training classes at HCDE's Adult Education Learning Center.
- Non-monetary contract with GROW: Green Resource and Opportunities Workforce for recruiting students for HSE classes and planning future career pathways training opportunities.
- Non-monetary contract with Eight Million Stories (8MS) to recruit students from underserved communities for HCDE AE classes and IET Pipefitting classes (braiding Eight Million Stories funding of training and HCDE funding of basic skills).

Lee College – Baytown Learning Center:

- A nominal cost contract (\$1,200 annually) is in place with Lee College for the use of the Baytown Learning Center, a facility that serves approximately 600 adult students annually. HCDE AE has collaborated with Lee College on the development of career pathways classes and transitioning AEL students to college services.

Other AEL Providers:

HCDE AE has established relationships with other AEL providers in the area, community colleges, and other non-profit organizations to cross-refer clients to the training opportunities for students, such as:

- Referring HCDE AE students to area programs that are not available at HCDE AE such as welding and cybersecurity training to San Jacinto College or Houston Community College.

Employers:

HCDE AE continues to strengthen its current network of 17 employers, industry associations such as the C3 Construction Collaborative, the Homebuilders Institute, and the Texas Masonry Association to develop new career pathways programs, refer students to industry training programs, job fairs or other employment opportunities.

- Referring students in Pipefitting IET classes to local union apprenticeship programs
- Organizing employment fairs and “Signing” days where employers offer letters of intent to employ to program graduates
- Referring students to construction industry hiring events

Keeping Partners Informed:

HCDE AE schedules meetings and webinars to keep partners informed about program updates and success stories.

- Hosting a monthly employer day to highlight current IET program.
- Working closely with industry associations such as the Houston Masonry Council to develop a training program.

Strengthen Partnerships with Social Services:

HCDE AE has developed a strong network of agencies that can help address social and economic obstacles and provide support services. HCDE AE will develop a case management system to track referrals, participant progress, and outcomes. Career Navigator and other program staff will assist students in navigating referrals with “warm handoffs” when appropriate to ensure access to services.

- *Urban Strategies Program, Harris County*: Provides childcare services for birth – 3-years-old. HCDE AE has promoted childcare services to its students at the Adult Education Learning Center.
- *HCDE’s Head Start Program*: Provides childcare services birth-3-years-old and 3-5-years-old. HCDE AE meets regularly with HCDE’s Head Start division to refer each other’s participants to services. HCDE’s Head Start division is also collaborating with HCDE AE in the development of a Child Development Associate (CDA) industry-recognized certification.
- *Catholic Charities, Galveston-Houston*: HCDE AE refers students to immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program,

disaster recovery, refugee services, senior services, women veteran services, bus passes.

- *Houston Public Library (HPL)*: HCDE AE works with HPL to distribute free Chromebooks and Hotspots for adults.
- *Goodwill Industries*: HCDE AE refers students for bus passes, rental assistance, disability training to employment.
- *Houston Foodbank*: HCDE AE promotes access to nutritious food to low-income families in Harris County.
- *Texas Legal Services Center*: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston.
- *Northwest Assistance Ministries (NAM)*: Coordinates food and clothing donations and provides workforce training. These services are offered to HCDE AE students who attend at NAM.

12. CONSIDERATION 11: STUDENT SUPPORTS – 5 points

Applicants will describe how they will: 1) assess students' educational needs, including Supportive Services and accommodations; 2) partner with Boards or other entities to offer Supportive Services such as child care, transportation, mental health service, and career planning; and 3) implement a program with flexible schedules for year-round service delivery within each of the twelve (12) months and uses a Managed Enrollment model that includes flexible schedules that allow individuals to begin Orientation or Workforce Preparation Activities at no-less than two (2) week intervals and instructional services no-less than eight (8) times a year. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Assess Students' Educational Needs – Supportive Services and Accommodations

HCDE AE's IELC program is dedicated to enhancing its support services for students facing barriers to employment. Our initiatives include providing adaptable schedules and fostering collaborative partnerships with Workforce Solutions and local agencies to address various student needs, such as childcare, transportation, mental health, legal, and financial support.

HCDE AE remains committed to supporting students in career planning through our Career Navigator, essential for guiding students toward program completion and employment readiness. These resources play a vital role in ensuring the active participation and success of individuals, including those with disabilities or special needs. This commitment aligns with the Gulf Coast Board Plan's objective of expanding access to employment, training, education, and support services.

Recognizing the diverse responsibilities our students manage, including balancing school, work, and family obligations, HCDE AE employs a comprehensive approach. We use various methods and resources to assess participants' educational needs within the context of their broader support requirements.

Intake and Orientation

The assessment of student support needs begins with the Comprehensive Assessment during the initial intake and orientation and continues throughout the program year to account for changing or new student support needs. For IELCE students, the orientation presentation is delivered in Spanish or in simplified English for speakers of other languages. HCDE AE's orientation presentation provides students with an overview of the programs and services and reviews issues such as home life management, childcare and transportation that can affect the completion of their educational goals. The presentation identifies key resources such as Workforce Solutions offices, Vocational Rehabilitation Services

and show students how to use a comprehensive database of community resources (referral.unitedwayhouston.com).

Individual Training, Education and Career Plan (ITEC)

During the initial orientation, students begin to complete their Individual Training, Education and Career Plan (ITEC), to identify their long-term goals, short-term goals, and preparation to become more competitive in the labor market. The ITEC plan also asks students to identify potential obstacles students may have in completing the program such as disabilities, basic needs such as transportation, childcare, and mental health. Students may continue to explore career goals and community resources during the more extended orientation that take place the first day of class. IELCE students may complete the form in their native language.

Review of Student Needs

The IELCE Career Navigator reviews the ITEC Plan after registration and contacts the students who indicated need for services and provide the student with appropriate referrals and community resources. Students who indicate or are suspected of having a disability are referred to program manager for a more detailed review of educational options and support services, including referrals to Vocational Rehabilitation Services.

Ongoing Communication

Continued consultations and conversations with students, teachers, employers who know the student well can provide relevant information about the students and student needs.

Outcomes

Comparing students' current levels of performance and achievement with the expected outcomes and goals of the courses or programs. Identifying Measurable Skills Gains (MSG), Skills Progression Certificates, Workforce Credentials. At the end of the course, students are encouraged to revisit their ITEC Plan considering their academic progress and changing support needs.

Career Navigation

HCDE AE's Career Navigator plays an important role in helping students refine their career pathways goals and seek to address the challenges that students face in transitioning to work or further education and training. The career navigator will visit career pathways classes to discuss needed skills for those careers and challenges that adult students typically face. The Career Navigator will also have individual appointments with students who want more support or are referred by a teacher or staff member.

Accommodations for Student with Disabilities

Based on the results of the assessments, the program will determine the appropriate supportive services and accommodations students may need to access and participate in the class or programs effectively.

- Providing instructional materials in alternative formats, such as audio, digital, or large print.
- Allowing extra time, frequent breaks, or a separate setting for completing assignments or assessments.
- Providing assistive technology, such as calculators, spell checkers, or speech to text software.
- Accommodating Students with disabilities._The program provides reasonable accommodations with documented disabilities, such as extra time, enlarged print, test reader, or scribe. Notations are made to identify the participant's needs, including basic daily activities such as mobility, communication, and management in a range of cognitive and behavioral areas.
- Offering tutoring, mentoring, and a student ambassador program.
- Modifying the content, delivery, or assessment methods or the courses or programs, by simplifying the language, reducing the workload, or allowing multiple options for demonstrating learning.

2) Board/Other Entities – Supportive Services

Collaboration with Gulf Coast Workforce Board

HCDE AE's partnership the Gulf Coast Workforce Board will be crucial in facilitating access to many of the support needs of our students:

1. Workforce Solutions offers a range of services, including career exploration, veteran support, job fairs, re-employment assistance, and financial aid for childcare. During orientation, HCDE AE coordinates visits from Workforce Solutions staff to discuss Work-In-Texas (WIT) and assist students in registering for WIT. Additionally, Workforce Solutions offices can guide HCDE AE students in applying for financial assistance programs, including childcare.
2. HCDE AE frequently refers students with disabilities, or those suspected of having disabilities, to the Vocational Rehabilitation (VR) Services program of the Texas Workforce Commission. This program addresses emotional and physical barriers to employment for learners with disabilities. HCDE AE facilitates the connection to Vocational Rehab through a seamless "soft hand off" to the Workforce Solutions Gulf Coast VR Department located at 9668 FM1960 Bypass Road, Humble, TX 77338.

Other Community Supportive Services

By leveraging community resources in Harris County, we can ensure that adult education students have access to a variety of services, keeping them actively engaged in their classes. We train our staff and students to utilize the United Way of Greater Houston's extensive database of community resources for assistance. Throughout the years, we have worked closely with and directed students to various community organizations, fostering a broad network of support.

1. Urban Strategies Program, Harris County: Provides childcare services for birth to 3-years-old. In the months of October to December 2023, we have assisted in helping 4 parents enroll their children with Urban Strategies for childcare services.
2. HCDE's Head Start Program: Provides childcare services birth-3-years-old and 3-5-years-old in several locations in Harris County. We will continuously make

HCDE's Head Start available for students attending Adult Education Classes by distributing Head Start flyers and including information during orientation.

3. Catholic Charities, Galveston-Houston: Provides immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program, disaster recovery, refugee services, senior services, women veteran services, bus passes. Catholic Charities legal aides have met with seven English Second Language students to assist them with first-step immigration approval.
5. Goodwill Industries: Provides bus passes, rental assistance, disability training to employment.
6. Houston Foodbank: Provides nutritious meals to low-income families in Harris County. We are currently working with the foodbank to assist families in need by providing a bi-weekly schedule beginning January 2024 for adult education students to receive food and meals.
8. Texas Legal Services Center: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston. The Texas Legal Services Center have provided presentations to our English as a Second Language Students during informational citizenship sessions. They participated in four presentations from January 2023-December 2023. They also have made their services available through a HCDE AE referral process.
9. Vaccination Services: Dr. Nick Patzakis, DO, provides discounted vaccination services for students at HCDE AE. His company provides TB Skin Tests, Hepatitis B (2 Shots), and Hepatitis A all for \$150.00 for students and families of HCDE AE students. Many of the students take advantage of this opportunity to receive vaccination for work, a child's return to school, child's sports or for workforce training eligibility.

Collecting feedback from students, parents, teachers, or other stakeholders on the quality and impact of the services and accommodations, HCDE AE assesses students' programs, achievement and satisfaction with the courses or

programs that participants are enrolled in. HCDE AE will revise the services and accommodations as needed, based on the changing needs and goals of the students and the courses of programs.

3) Flexible Schedule – Year-Round Service Delivery

Flexible class schedules (morning and evening) and multiple instructional modalities (In-person, online remote, hybrid and distance learning) allows students to them to pursue their education goals based on their learning preference and needs.

- Online classes are available for all levels of ESL, ESL for Professionals, and HSE preparation Spanish combined with ESL instruction, as well as some IET Career Pathways classes. Online courses may save some students time and money by avoiding commuting, relocation, or childcare costs.
- Leveraging its new state-of-the-art 22-classroom facility in the near northside of Houston and long-term partnerships with school districts (Alief, Pasadena, and Klein), religious organizations (Northwest Assistance Ministries), a non-profit organization (Spring Branch Family Development Center), and Lee College in Baytown, HCDE aims to serve communities with a high concentration of English language learners in the east, west, and north areas of Harris County. Additionally, HCDE AE offers highly effective online classes for adults who prefer this learning modality or may lack transportation for in-person classes. Currently, HCDE AE implements flexible schedules with year-round service delivery models within each of the twelve months and uses a Managed Enrollment model to begin orientation and workforce preparation activities no less than the 2-week intervals. The workforce preparation activities are embedded in the first week of class during the goal setting activities. Below is HCDE AE's current schedule for selected In-Person and virtual classes.

13. CONSIDERATION 12: DATA MANAGEMENT AND ANALYSIS – 5 points

Applicants will describe how they will: 1) implement data management and documentation procedures to monitor program performance and adjust service delivery based on analysis; 2) ensure timely data collection and entry into TEAMS, to enable accurate monthly validation of activities and Quarterly Data Sign Offs, in accordance with this RFA; (S) and 3) ensure security of information in accordance with TWC rules on PII, as specified in WD Letter 02-18 "Handling and Protection of Personally Identifiable Information and Other Sensitive Information."

0-1 points – Low Score Range

2-3 points – Medium Score Range

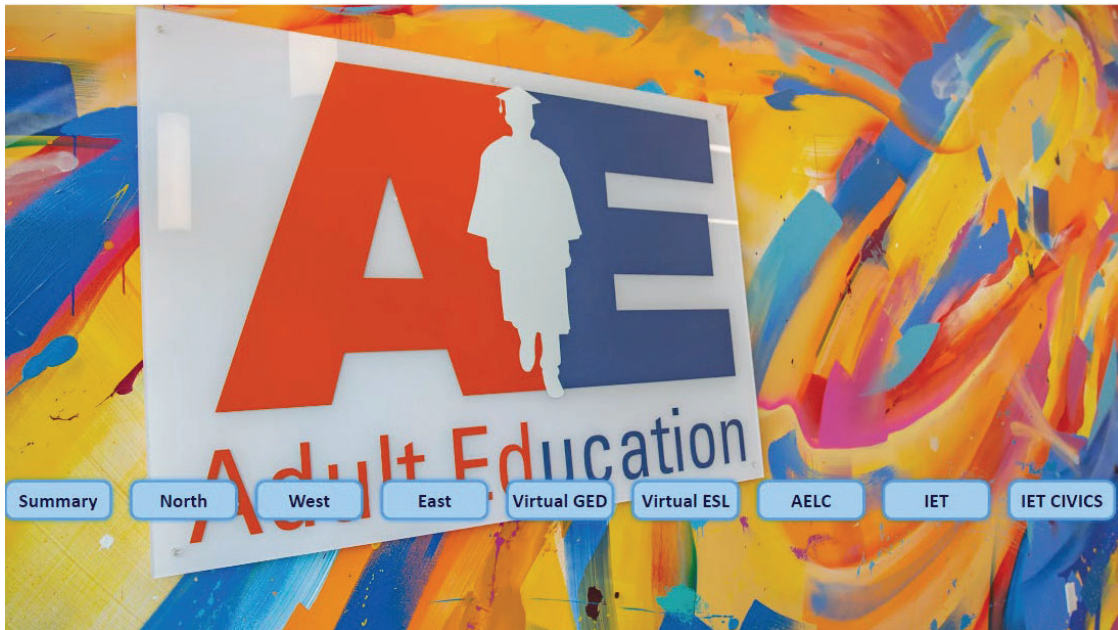

4-5 points – High Score Range

1. Data Management and Documentation Procedures to

The IELCE management team composed of the Director, Instruction and Curriculum, Performance Accountability, and Quality Assurance Leads will initially develop a comprehensive program implementation plan that sets enrollment and performance targets for the entire year. The management team will design these targets to meet or exceed TWC performance targets based on locally defined priorities. The management team meets weekly to review the program's key performance indicators, grant deliverables and quality assurance issues.

The Performance Accountability/TEAMS Lead will be responsible for collecting and organizing relevant data on enrollment, student attendance, retention rate, post-testing, MSGs other relevant metrics using a customized Power BI Dashboard developed with the support of HCDE's Research and Evaluation Division. On the second weekend of each month, the Performance Lead will review the program's detailed performance dashboard, which includes all relevant metrics and targets to be achieved. The dashboard (picture below) is broken down by functional and geographic areas that are the responsibility of each program manager.

2023-2024 HCDE AE's Dashboard

The management team will systematically identify any weaknesses in the execution of the program plan and formulate effective responses. The Quality Assurance Lead will take charge of conducting comprehensive quarterly monitoring in crucial program areas to ensure adherence to programmatic standards. If any issues are detected during monitoring, the Quality Assurance Lead will address them in weekly management meetings until resolution. A detailed record of the management team's decisions is meticulously maintained and distributed to the entire team during each meeting.

Each month, the Director of HCDE AE compiles a comprehensive report for the Assistant Superintendent for Education and Enrichment. This report encapsulates crucial insights from the Adult Education Dashboard, categorizing each outcome as either "on target," "at risk," or "not meeting the target." In instances where outcomes fall into the latter two categories, the Director proactively outlines strategic interventions discussed by the management team to rectify the situation. Furthermore, the data from the

dashboard and the summarized report are disseminated to all Directors across the four other divisions within the Education and Enrichment department, fostering a collaborative and informed approach to addressing challenges and enhancing program effectiveness. The HCDE AE's Director brings back to the HCDE AE management team any suggestions from HCDE's leadership for review and implementation.

In the context of HCDE's yearly accountability procedures, the Research and Evaluation Division delivers an annual summary encompassing HCDE's AE service delivery objectives, financial efficacy, client satisfaction, and specific performance outcomes to the Board of Trustees. Following a thorough review of these results, HCDE's division formulates suitable responses to rectify any identified performance issues.

2) Data Collection and Entry into TEAMS

Procedures are in place to ensure the timely collection of data for entry into TEAMS and accurate data signoffs following the Texas AEL Testing Guide. The IELCE Director and management team continually check program data and review status reports from data entry staff reports.

HCDE AE employs an electronic registration system named Droplet, utilized seamlessly in both virtual and in-person registration events. This system facilitates student access to a comprehensive Registration Packet, enabling them to efficiently complete and electronically sign the enrollment form. The enrollment form encompasses all necessary PIRL elements, underage eligibility forms, the Individual Training, Education, and Career Plan (ITEC), as well as the Career Services Detail form. It also allows them to securely upload a form of identification. In the rare occurrence of technical difficulties with the electronic registration system, students have the option to register in person by filling out a digital or paper enrollment form and completing all other required documentation in a traditional paper format. The data collection process follows these steps:

1. **Registration:** Registration staff including IELCE teachers and support staff guide participants in filling out the enrollment form by explaining each of the PIRL elements during the registration event. Support staff will be ready to assist students with questions or technical issues during in-person registrations or in virtual breakout rooms in virtual registrations. The form is available in multiple languages and native language support is offered to students completing the form. The program manager will also collect all the score sheets from initial assessments.
2. **1st Verification:** Once the student completes the enrollment form and verifies the information, the Program Assistant will contact the registering student to correct any problems or provide missing registration information. The program manager will also collect all the score sheets from initial assessments.
3. **2nd Verification:** The Program Assistant assigns the electronic enrollment form and all associated documentation including assessment records to an aide or general office clerk, who is responsible for verifying again that the enrollment form is complete and all required registration staff will also collect any documentation determining underage eligibility and initial assessment information according to the procedures outlined in the Texas AEL Guide section on Comprehensive Assessment.
4. **General Office Clerk (GOC)** enter assessment information to the Droplet Registration Packet and make digital copies of all documents and assessments to be stored in a secure digital folder. The GOC informs the Program Assistant of any missing documentation such as forms of identification or required assessments.

Data Entry of Enrollment Data

1. The General Office Clerk informs data entry staff when enrollment form is ready to be entered into TEAMS and original testing and eligibility documentation no later than the 4th after receiving the forms.

2. Data entry staff member looks up student in TEAMS to avoid duplicating records and create a new profile for the student for the current year.
3. After receiving a Class Roster from the registration staff, data entry staff will enter assessment scores and assign students to a class.
4. Data entry staff will inform the General Office Clerk, the Program Assistant, and the Manager in charge of the class of any students who have pending or missing information and cannot be entered in TEAMS.
5. Data entry staff is responsible for filing all assessment and supporting documentation for a student in the student's first class during the program year.

Data Entry of Sign-in Sheets

1. Sign-in sheets are collected daily in in-person sites by an aide or Program Assistant and uploaded electronically to a secure digital folder. Teachers in virtual classes prepare and send an electronic attendance verification sign-in sheet to a designated aide who will upload them to a secure digital folder.
2. The IELCE General Office Clerk is responsible for entering contact hours daily into TEAMS, but not later than 2 business days after the end of the class.
3. Data entry staff member weekly verify the accuracy of contact hours entered by the General Office Clerks and make corrections in TEAMS.
4. All original sign-in sheets will be filed by data entry staff in the class folder.

Data Entry of Post-Tests and Other MSGs:

1. Staff submits all progress tests responsible for the class with a cover sheet and a class list with the names that are being turned in highlighted and are due no later than week after the last day of class.
2. Workforce Certificates or other documentation of MSGs is submitted to Data Entry Staff in a secure electronic folder.

3. Data entry staff will enter post-testing information no later than a week hours after received.
4. Data entry staff files all original post-tests report and other documentation of MSGs received with in the first class attended by the student in the program year.

Data Entry Management:

1. Status Reports: Status reports are sent to the IELCE management team with a copy to the director by noon on Friday. The reports are reviewed and addressed at managers' meetings. Any missing paperwork is noted in the comments section. If issues are not resolved, the Program Assistant is sent an email when paperwork is not turned in or is incomplete. If an issue is not resolved within two weeks, an email is sent to the Director for follow up.
2. The Director and the data entry staff member meet weekly to review the degree of completion of data entry tasks including registration forms, contact hours, baseline, and progress scores to meet data sign-off requirements. Data entry issues and problems that have not been previously resolved are addressed. New data entry rules, procedures, and processes are discussed and plans for implementation are developed and recorded.
3. Data entry staff will conduct regular checks of sign in sheets to verify data entry accuracy and make appropriate changes before validation.
4. After data validation, any corrections in TEAMS must be discussed with the Director. If a correction is made, it is logged in the data entry folder noting the correction and date.
5. Data entry staff is responsible for filing and storing all physical and electronic records according to established procedures and ensuring the security of the information.

Data Validation:

HCDE AE has a data validation process in place to ensure that monthly validation deadlines are met.

Task	Schedule	Role	Actions
Submission to Enrollment Data Entry	Final no later than 4 th day of class	Registration staff	Review the students that attended your orientation and ensure that all intake paperwork is complete and submitted to data entry.
Review Funding Sources	By the 9th Day of Class	Compliance Lead (GED, ESL, IET, & Intensive)	Review the classes funding sources and ensure they are correct in TWC TEAMS.
Enter and Review Attendance	Daily	General Office Clerk	Review the sign-in sheets for correctness and ensure hours are rounded using conversion chart.
Review Attendance	Weekly	Data Entry Staff	Review the sign-in sheets and compare the data entered in TWC TEAMS is correct.
Final Review of Funding and Attendance	Each Month by 5 th	Data Entry Staff	Review the sign-in sheets and compare the data entered in TWC TEAMS is correct.

Supervisor Validation	By the 7 th of each Month	Director	Review the classes assigned to them and ensure that they are supervisor validated by the 7 th of each month by the Director.
--------------------------	-----------------------------------------	----------	-----------------------------------------------------------------------------------------------------------------------------------------------------------

3. Security of Information

HCDE AE has a policy in place for handling personally identifiable information. Personally Identifiable Information (PII) is information that can distinguish an individual's identity, either alone or when combined with other personal or identifying information. HCDE AE takes all precautions to protect customer's personal information in both print and electronic forms. This includes, but is not limited to, the following.

- a. Storing documents in locked cabinets behind locked doors is access to only a small group of personnel.
- b. Locking computers when away (password/pin protected).
- c. Password protecting emails which have sensitive customer information to ensure data security.
- d. Saving all documents with PII on the agency's secured drive.

All HCDE AE staff complete the PII training annually and ensure to provide data security information to all our participants, to put them at ease when releasing information. In addition, HCDE AE division does not use any USB Flash Drives or other portable data storage equipment to store or transfer data. Harris County Department of Education Adult Education division follows the security of PII and other sensitive information per the Texas AEL Guide, WD 02-18: Handling and Protection of PII and Other Sensitive Information, and Workforce Solutions Information Security Standards and Guidelines.

The data and documentation that is collected includes but is not limited to the following.

1. Enrollment documentation – Participant Individual Record Layout (PIRL) information.
2. Copy of ID.
3. Assessments – Pre- and post-testing & other MSGs achieved by students.
4. Attendance log – Calculation and data entry of student contact hours (direct & proxy).
5. Justifications for early or late testing, if applicable.
6. Underage documentation – All supporting documentation relevant for minors enrolled in the AEL Program.
7. Participant ITEC Plans, Student Contracts, and Orientation to Discrimination Complaint Form.

14. CONSIDERATION 13: EL CIVICS and IET– 20 points

Applicants will: 1) describe their demonstrated need for IELCE program in their proposed service area (cite sources, [including census data](#)) and how they will 2) develop curriculum and provide instruction to assist individuals to achieve competence in math, reading, writing, speaking, English Language Acquisition, and civics; 3) provide services that support ELL's attainment of a secondary school diploma or its recognized equivalent and transition to postsecondary education and training or employment; 4) identify individuals who could benefit from and are ready for referral to IET programs; 5) identifies ITPs for career pathway and IET opportunities; 6) prepares ELLs, specifically ITPs, for unsubsidized employment in In-Demand Occupations through IET, including what industry and occupations they plan to focus on; and 7) integrates with the local workforce development system.

1) Demonstrated Need for IELCE program in Service Area

HCDE AE plans to serve 750 adults in Harris County that need Integrated English Literacy and Civics Education (IELCE) activities aimed at helping immigrant and English language learners in their roles as parent, workers, and citizens. The demand for IELCE services in Harris Counties is substantial, evident from census data and the historical demand for ESL classes at HCDE AE.

According to the U.S. Census Bureau, Harris County has a population of about 4.7 million people, of which 44.6% are Hispanic or Latino, 26.2% are foreign-born, and 44.7% speak a language other than English at home (Quick Facts, Harris County, Texas, U. S. Census Bureau). Moreover, 25.3% of the adult population, totaling 709,670 individuals, speaks English less than very well. These statistics show there is a large and diverse population of ELLs in Harris County who would benefit from an IELCE program (US. Census, Community Survey, 2021).

Over the past five years, enrollment patterns at HCDE AE have closely mirrored demographic trends, with nearly 70% of students engaging in English Language acquisition activities. This statistic underscores a substantial demand for programs that not only focus on language acquisition but also incorporate civic education, highlighting HCDE AE's continuous commitment to meeting the diverse needs of the community (TWC TEAMS, POP Reports).

YEAR	TOTAL ELLs Served
2022-2023	2,743
2021-2022	3,066
2020-2021	2,052
2019-2020	3,953
2018-2019	4,595

The demand of more IELCE services is also underscored by the fact that many English language learners are also undereducated. The Migration Policy

Institute reported 28% of immigrants in the Houston metropolitan area had less than a high school diploma, and 46% had limited English proficiency (Capps, R. & Ruiz Soto, A. G. (September 2018). A Profile of Houston's Diverse Immigrant Population in a Rapidly Changing Policy Landscape. Migration Policy Institute). In Harris County, there are differences in the achievement of a high school diploma or HSE among different racial and ethnic groups, which are compounded by the presence of English Language Learners in those groups. White non-Hispanics have the highest attainment rate at 96.6%, followed by Blacks at 91.7%, Asians at 86.8%, and Hispanics or Latinos at 65.6%. Furthermore, educational attainment is closely linked to geographical location, race, and income disparities (U.S. Census Data).

The Gulf Coast Board Plan recognizes that poverty rates in the region range from a low of 7.7% for Whites to 19.6% for Blacks and 18.2% for Latinos of any race (Gulf Coast Board Plan, p.32). Poverty rates also correlate with educational attainment, with 22.6% of those with less than a high school diploma living in poverty. For those with higher barriers to employment, such as low literacy or English language learners, employment outcomes are even more challenging, particularly when "61.2% of all jobs in the region will require education or training beyond the high school level and that the majority of these will be "middle skill" jobs (Gulf Coast Board Plan, p.4).

HCDE AE's IELCE activities build on almost a decade of experience in providing the following services:

- Literacy and English Language Acquisition classes
- Integrated instruction on civil rights and civic participation
- Intensive English Language Acquisition classes and support services for Internationally Trained Professionals
- English Language Acquisition combined with preparation for Naturalization Interview and Test

- Transition from English Language Acquisition classes to preparation for High School Equivalency classes in English or Spanish
- Integrated Education and Training (IET) leading to industry-recognized certifications in in-demand industries and occupations.
- Support services including career navigation to support career exploration and job search.
- Workplace ESL included contextualized English language acquisition and civics instruction.

These services are designed to improve learner's competence in math, reading, writing, speaking, English language acquisition and civics and lead to the acquisition of a secondary school diploma or its equivalent, transitions to post-secondary education or employment.

HCDE AE's IELCE instructional model is a "Contact to Careers" that provides flexible pathways for English Language learners to reach their educational and career goals. HCDE AE's Career Pathways model allows students to work on the skills they require to succeed in making one of these transitions regardless of their initial educational level or language proficiency.

2) Curriculum and Instruction to assist Individuals to Achieve Competence in Math, Reading, Writing, Speaking, English Language Acquisition, and Civics

HCDE AE's curriculum for IELCE classes adult has been developed collaboratively between teachers and staff through an ongoing planning, implementation, and evaluation system. HCDE AE continues to enhance its curriculum based on the ongoing analysis of student outcomes in math, reading, writing, speaking, English Language Acquisition, and civics. The curriculum development process follows these steps:

- Defining the learning goals and standards for math, reading, writing, speaking, literacy and civics, based on the needs and interests of the target population, expectations of the employers and post-secondary institutions, as well as the state and national frameworks for adult

education. The EL Civics curriculum is rooted in the Texas English Language Content Standards and the Citizen/Community Member Content Standards (Civics).

- Designing the curriculum components, such as the scope and sequence, instructional units, lesson plans, the resources, and the assessments by using evidence-based strategies and practices that are relevant and engaging for the learners.
- Implementing the curriculum in a flexible and responsive way considering the diversity of learners, availability of resources, feedback from stakeholders, and opportunities for collaboration and integration across subject areas. The program practical model includes Integrating academic and workforce curriculum in the various ways:
 - Integrated theme-based instruction
 - Communities of practice for teachers
 - Multiple and career pathways
 - Bridge courses
 - Authentic assessment
 - Industry partnerships
- Evaluating curriculum and instruction using both formative and summative assessments to measure the progress and outcomes of learners, to identify strengths and weaknesses of the curriculum and instruction is a focal point for the HCDE AE's emphasis with ELLs. As an ongoing best practice, the program will continue to adjust, and make improvements as needed to better suit the demographics that is served.

These steps are not necessarily linear, but rather iterative and cyclical, as curriculum development and instruction are ongoing and dynamic processes that require continuous reflection and improvement.

In practice, the curriculum emphasizes the following principles:

1. English Language Acquisition:

- The program offers comprehensive English language instruction, addressing all language skills: listening, speaking, reading, and writing. The Texas Adult Education English as Second Language Content Standards and Benchmarks provide guidance on appropriate activities for six NRS levels of proficiency.
- Different proficiency levels are accommodated, ensuring that individuals with various language backgrounds and abilities can benefit. HCDE AE offers ESL classes that are levelled depending on the oral and literacy abilities of students established during initial assessments.
- Instructors use a variety of teaching methods, including immersive language experiences, real-life scenarios, and multimedia resources to enhance the learning process.

2. Literacy Instruction:

- A dedicated component focuses on improving participants' literacy skills. This includes reading comprehension, vocabulary building, and critical thinking skills.
- The program recognizes that literacy is fundamental to overall language acquisition and personal development.

3. Civic Education:

- Following the Texas Adult Education Citizen/Community Member Content Standards, the program incorporates instruction on how citizens and community members find and use information to identify and solve problems and contribute to community. This encompasses understanding the legal system, voting processes, and local government systems.
- Interactive sessions and discussions provide participants with practical knowledge about their roles as responsible citizens, including an understanding of human, legal and civil rights.

4. Civic Participation:

- The Civics Standards encourage teachers to go beyond theoretical knowledge. The program encourages active civic participation. This may involve community service projects, mock elections, or partnerships with local organizations.
- Following the Civics Standards, HCDE AE's staff encourages students to develop and express opinions and use their voice to take action to strengthen their communities.
- Participants are guided on how to engage with their communities effectively, fostering a sense of belonging and connection.

5. Cultural Competence:

- Recognizing the diverse backgrounds of adult learners, the program includes cultural competence training. This helps participants understand and navigate the cultural nuances of their new community particularly in the context of work and education.

Citizenship Exam Preparation Classes:

Some EL Civics classes also include preparation for the Immigration and Naturalization exam. The citizenship class covers U.S. citizenship, rights, and responsibilities, aiming to empower students. HCDE AE actively promotes citizenship classes through advertising, community events, informational meetings, and partnerships. The program conducts citizenship ceremonies, invites officials for awareness, and features guest speakers who attained citizenship through HCDE AE. To ensure effective citizenship education, the curriculum includes activities and instruction preparing students for the naturalization exam and requirements.

3) Attainment of a Secondary School Diploma or its recognized equivalent and Transition to Postsecondary Education and Training or Employment

HCDE AE and literacy programs help English Language Learners (ELLs) achieve a secondary school diploma or its recognized equivalent and

transition to postsecondary education and training or employment. The program offers the following services.

- ESL and Civics courses that improve ELLs' English proficiency and teach them about U.S. history, culture, and government that prepares them for citizenship and civic engagement.
- Academic skill development across all levels of instruction, from beginning to advanced, to help ELLs transition to postsecondary education or career pathways.
- High School Equivalency (HSE) preparation classes in English and Spanish for ELLs who have reached the maximum level in the BEST Lit exam or have taken the TABE Baseline Exam that assesses their academic and knowledge skills in reading, language arts, math, Science, and Social Studies. These courses help ELLs develop the skills and knowledge to pass the high school equivalency exam.
- Contextualized HSE/skills training courses that combine traditional HSE preparation with concurrent skills training in specific occupational areas, such as health care, construction, hospitality, or manufacturing.
- Evidence-based instructional strategies and practices that are relevant and engaging for adult learners, such as project-based learning, cooperative learning, and digital literacy.
- Collaboration with other adult education providers, workforce development agencies, employers, and postsecondary institutions to create seamless and supportive pathways for ELLs to achieve their educational and career goals.

HCDE AE uses the Texas Adult Education Standards of ESL and Civics to ensure that the instructional program is of sufficient intensity and rigor to support ELL's transition to a high school equivalency, post-secondary education, and employment. These instructional strategies are used at all levels but take on greater intensity and focus on upper-level ESL classes,

classes directed at Internationally Trained Professionals and students making a transition to HCDE AE's Workforce Training programs:

1. Academic Vocabulary Building:

- HCDE AE's ESL curriculum emphasizes the acquisition of academic vocabulary relevant to GED exams, college, and workplace environments.
- The BurlingtonEnglish® curriculum currently in use has exercises and activities that expose students to advanced vocabulary used in academic and professional settings.

2. Critical Thinking Activities:

- Teachers are encouraged to incorporate critical thinking exercises and discussions into lessons, so students learn to analyze, evaluate, and synthesize information, preparing them for the demands of college-level coursework and employment.
- At lower levels of ESL critical thinking activities are designed to explore everyday activities such as talking to a teacher or reading an immigration document.

3. Real-world Application:

- The HCDE ESL curriculum connects language skills to real-world applications. For example, include it workplace scenarios, college application processes, and tasks that mimic GED exam questions to make learning practical and relevant.

4. Project-Based Learning:

- HCDE AE's staff encourages students to implement project-based learning activities that require collaboration, research, and presentation skills. This approach not only enhances language proficiency but also fosters problem-solving abilities crucial for college and employment.

5. Technology Integration:

- HCDE AE incorporates technology into the curriculum to mirror the digital requirements of college and the workplace. Students use online resources, educational software, and virtual tools to enhance language skills and digital literacy.
- Considering inequities in access to digital resources, HCDE AE has partnered with Verizon to distribute 1,000 Chromebooks to students who do not have their own device.
- Supplementary digital literacy classes allow students with very low computer skills to participate in class projects and assignments.
- HCDE AE aims to enhance rigor across all English language acquisition programs, from literacy-level classes for newcomers to contextualized career pathways.

Integrated Education and Training (IET)

HCDE AE's IELCE Career Pathway model prepares adult learners for careers through a combination of rigorous academic instruction and high-quality targeted occupation education and training that:

- Is aligned with skill needs in High Skill High Demand Occupations in the region as defined by the Gulf Coast Workforce Board 2021-2024 Local Plan.
- Prepares an individual to be successful in any or a full range of secondary, postsecondary opportunities.
- Includes counseling support for an individual in achieving the individual's education and career goals.
- Helps an individual enter or advance within a specific occupation or occupational cluster.

HCDE AE's Integrated Services plan for the ESL students includes the following.

- A delivery of IET components including training, work force preparation and basic skills including English language acquisition provided concurrently and contextually.
- Support the advancement of education and career development and use occupationally relevant instructional materials.
- Activities function cooperatively so that specific adult education content, Workforce Preparation Activities, and Workforce Training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET Components.
- Competencies include established learning objectives and/or trade-related benchmarks, competencies for emerging or existing in-demand targeted occupation for attaining a recognized postsecondary credential.

HCDE AE provides ELLs who want to advance their careers or obtain post-secondary credentials, as well as acquire the skills and qualifications they need to pursue higher education or enter high-demand occupations in the Houston region.

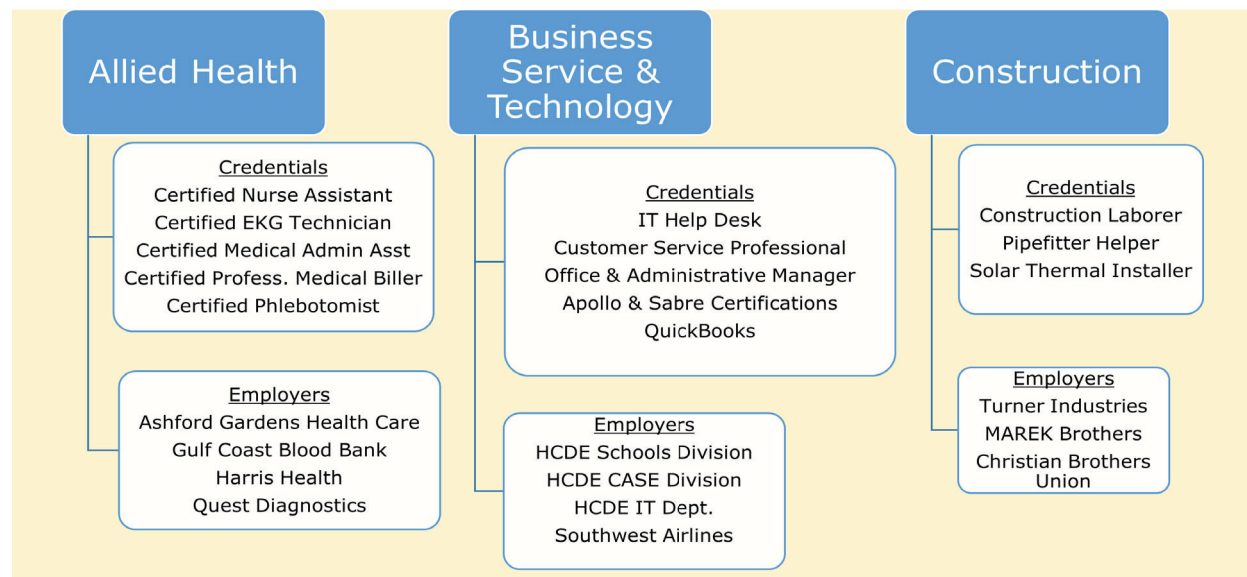

4) Individuals who Could Benefit from and are Ready for Referral to IET Programs

HCDE AE identifies individuals who could benefit from and are ready for referral to Integrated Education and Training (IET) programs by assessing their skill levels, career interests, and educational goals. The IET programs are a combination of education and job skills training that help adult learners in the program transition from basic adult education to employment and/or post-secondary education opportunities. HCDE AE's IET programs use different teaching models to deliver adult education and literacy, workforce preparation and workforce training simultaneously and contextually. The HCDE AE's Career Pathways modality aims to offer workforce training and career opportunities for immigrants in:

1. Business Services and Technology, with a focus on Customer Service, Front Office Specialists and Airline Certification Systems.

2. Construction, concentrating on Construction Laborer, Pipefitter and Solar Installer.
3. Healthcare, centering on CNA and Phlebotomy.

HCDE AE Career Pathways: ESL

Upon completion of the course and receiving industry recognized credentials, the ELL participants will be aligned with an employer from one of HCDE AE's Employer partners. There is a demand for ELLs in the occupation industry due to the need of industry expansion internationally or to serve as interpreters for customers who are bilingual.

For continued success and attainment of MSGs HCDE AE's method to best identify ELL participants is through the following best practices:

- Bridge Programs: HCDE AE provides bridge classes that are centered on the learner's ability to grasp literacy and learning skills as life learners. These programs provide adult learners for entry into postsecondary education or training in a specific career field. Most often, students take a workforce interest survey in the eighth week of literacy classes. The selection of the IET class eligibility matched with their post assessment

scores are evaluated. If students need to improve their basic skills before entering the IET course, they are enrolled in a Bridge Class.

- Career Assessments and Inventories: Using the Individual Training Education and Career Plan (ITEC) form in Week 1 of class and career readiness lessons during the course, this tool helps the ELL students explore their interests, aptitudes, values, and personality traits that match them with suitable career options.
- Career Pathways Roadmap: HCDE AE provides every student with the opportunity to learn about the HCDE AE's Career Pathway model that has been embedded at orientation as well as in the classroom. This helps the ELL Students visualize the steps and requirements for progressing from one level of education and training to another within a specific career field.
- Career Navigators and Coaches: HCDE AE's Career Navigator and community-based career coaches help the ELL students plan and pursue their career goals, access support services, and overcome barriers to success.

After identifying who could benefit from and are ready for referral to IET programs, HCDE AE would use the following strategies to encourage participation of ELL Students into the Workforce Programs:

- Bridge Class to IET: Fosters assimilation of familiarization of the workforce program and provide concrete manipulatives, as necessary.
- Contextualizing Instruction in Literacy: Provides English learners with the specific English and technical skills they need to be successful. This suite of resources offers tools, practical ideas, and hands-on strategies for educators who help adult ELLs in preparing for work or training in career pathways.
- Small IET Class Size: By having 15 students per IET class, students will have increased chances of practice in language skills including industry verbiage.

- Cultural: Create a risk-free atmosphere by including bilingual employer presentations on workforce activities in the classroom.
- IET Classroom: Participation to the IET classrooms as potential student-visitors to observe and understand the intricacies of workforce expectancies and assess real-life on the job training.
- Equal Access: ELL students are provided with equal access to the IET curriculum during. Literacy classes.
- IET Ambassadors: Regularly meet with IET Ambassadors for questions on Workforce Training and receive information through shared experiences of alumni.

5) Identifies ITPs for Career Pathway and IET Opportunities

Internationally Trained Professionals (ITPs) are individuals with postsecondary degrees and professional credential from other countries. Research indicates that they face challenges in finding employment or furthering their education in the United States due to language barriers, credential recognition issues, or lack of familiarity with the U.S. education and workforce systems (Maurer, R. (October 2020). Removing Employment Barriers for Immigrant Workers. SHRM).

HCDE's curriculum for ITPs addresses their specific goals, interests, and needs, as well as the requirements and opportunities of the U.S. labor market. Some components of the curriculum are as follows:

- Accelerated English language and literacy instruction that is relevant to their field of expertise and the workplace culture.
- Integrate industry-specific vocabulary, communication skills, and cultural nuances into the curriculum.
- Curriculum includes cultural competency training to help professionals navigate cultural differences in the workplace.

- Civics education that covers topics such as the rights and responsibilities of citizenship, the structure and functions of the United States Government, and the history and culture of the United States.

Support Services for Internationally Trained Professionals

HCDE AE offers one-on-one guidance on the process of foreign credential verification, translation, and evaluation, and the options and resources available for the ITPs.

- Career navigator helps ITP student to develop a realistic plan for transferring skills to local job market, including transition to other to Integrated Training and Education (IET)
- Career navigators provide opportunities for work-based learning, internships, or mentorships.
- Other essential curricula support and services will include financial coaching provided by HCDE partners, tuition assistance, transportation, childcare, and referrals to other community resources.

In 2022, HCDE AE initiated classes for internationally trained ELLs Professionals. In partnership with Methodist Hospital, students with doctoral degrees participated in ESL classes to improve their ability to communicate on the job and acclimate to society. Through critical partnerships with employers, community organizations, Workforce Board, and service providers, HCDE AE's focus on Career Pathways model that integrates intensive services allows for enhanced job retention and worker engagement, opportunities for participants to advance and increase wages, upskilled talent pool for employers, identifying partners for IET, and leveraging HCDE and Harris County resources to reach more clients.

HCDE AE meets with three employers regularly to brainstorm to understand their needs regarding employee competencies, including safety in the workplace and business etiquette. Houston Methodist Hospital, City of

Houston and MAREK Brothers Construction are three current employers that we work with:

HCDE AE's Workplace ESL Classes

ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist. Doctors at Houston Methodist attend virtual classes and have access to HCDE Distance Learning Software.	ESL classes for foreign professionals address conversational skills and business writing. USA Learns software, and ESL software offered by HCDE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	Ongoing partnership. City employees obtain ESL skills that improve job performance.
MAREK Construction	HCDE AE delivers classes to MAREK Dry Wall Employees at MAREK facilities. Classes will focus on conversational English and reading and writing comprehension.	HCDE AE and MAREK met to identify organizational needs, curriculum, skill, and assessment.

HCDE AE identifies these students during the intake and assessment event and aligns their registration to the ITP instructor, who will continue to assess and facilitate a course structure around a sequence of educational and training programs that provides these students with basic skills and

occupational knowledge that aligns with industry needs. HCDE AE also uses various tools and strategies to identify and refer ITPs to the IET programs such as:

- Career assessments and inventories that help ITPs explore their interest, aptitudes and personalities that match them with suitable career options. This is done in the first week of class.
- Utilizing the HCDE AE Career Pathway Model to provide students with options to reach their career goals in the United States.
- Provide workforce fundamentals in class. This is a fundamental coordination of people and resources to support literacy, upskilling, workforce training and technical skills that employers demand.

6) Prepares ELLs, specifically ITPs, for unsubsidized employment in In-Demand Occupations through IET, including what industry and occupations they plan to focus on.

HCDE AE prepares ELLs, especially ITPs, for unsubsidized employment in In-Demand Occupations through IET by:

- Using career assessments and inventories to identify the ITPs' current skill levels, career interests, and educational goals.
- Providing ITP students with information on the In-Demand Occupations in Harris County, using web and job search results. The job board on the 3rd floor of the HCDE Adult Education Learning Center has updated job postings for students.
- Helping and guiding the ITPs to choose an IET program that matches their needs and aspirations. Offering one-on-one support from Career Navigators and teachers, as well as introducing Workplace Learning Programs to explore their career interests.
- Enrolling the ITP students in the IET program that combines instruction in literacy and English language acquisition, workforce preparation, and workforce training in a specific occupation or industry.

- Assisting ITP students in finding and applying for unsubsidized employment opportunities in their chosen occupation or industry, using their IET credentials and skills, through the local Workforce Solutions Development Offices in Harris County.

7) Integrates with the Local Workforce Development System

HCDE AE's IELCE program is closely integrated with local workforce development system. As described in detail in Consideration 4, HCDE AE's program will work closely with the Workforce Board staff and the one-stop system to improve employment outcomes for participants and help the Board meets its employment and educational goals, including:

- Expanding access to employment, training, education, and support services to eligible individuals particularly those with barriers to employment. Particular attention is placed on the barriers faced by English language learners as they make a transition to the workforce.
- Facilitating the development of career pathways, including occupations that the Board currently includes or is planning to include in its Target Occupations Lists. Special attention is to the support IELCE students will need to successfully complete training and enter employment.
- Improving access to activities leading to a recognized post-secondary credential including industry recognized certifications (Gulf Coast Workforce Board, 2021-2024 Local Plan, pg.39).

Table 13.1 below lists HCDE AE's IET programs that focus on construction with the occupational titles and partners. The second part of the table shows Houston-Galveston Area Council (H-GAC) approved IET programs for English Second Language Learners.

Table 13.1: HCDE AE's IET Programs

IET - Occupational Title	WIOA Target Occupation	Partner/Vendor	IET Description

	Phlebotomy	Phlebotomist	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the collecting, transporting, handling and processing of blood specimens for analysis. Students obtain a Phlebotomy certification after completion.
	CNA	Nursing Assistant	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the care of persons needing medical and/or allied health care; and, to assist nurses and other medical staff in the care of patients. Students obtain certification as a Nursing Assistant upon completion
	NCCER Pipefitting I Certification	Plumbers, Pipefitters, and Steamfitters	HCDE AE / MAREK Brothers	Training course includes construction math and the NCCER Welding curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion.

NCCER Pipefitting II Certification	Plumbers, Pipefitters, and Steamfitters	HCDE AE / Lauch Point / MAREK Brothers	Training course includes construction math and the NCCER Welding curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion. Training course includes construction math, NCCER Welding. Students obtain an NCCER Welding certification after completion.
NCCER Welding Certification	Welding - Welders, Cutters, Solderers & Brazers	HCDE AE / MAREK Brothers	
Customer Service Certification	Market Research Analysts and Marketing Specialists	Fuel Up for Life	Training prepares a student with advanced customer service skills, sales, and marketing. Certification leads to a marketing certificate and earning MOS Certification.

HCDE AE program integrates EL Civics students into the local workforce development system by implementing a program that aligns adult education literacy, HSE in Spanish, workforce development, and support services that offers comprehensive assistance to ELLs. HCDE AE uses a Career Pathways model that provides multiple entry and exit points, stackable credentials, and advancement opportunities in high-demand sectors in Harris County.

One of the strengths of the program is its strong record of partnerships with employers. Employers are involved in the design and levels of the

training programs and provide work-based learning opportunities, such as internships, apprenticeships, or on-the-job training with current companies like MAREK Brothers Construction, Turner Industries, and Harris Health.

HCDE AE has 17 employer partners ready to hire students after they complete the workforce courses. By tailoring instruction to the specific skills and knowledge required for the target occupation or industry, HCDE AE ensures ELL students are prepared for their future careers. Table 13.2 below shows the career pathways that are currently aligned with employer partners:

Table 13.2 – Career Pathways Scope Aligned with Employer Partner

HCDE AE Career Pathway	Employer Organization
Allied Health	Devine Grace Hospice
Allied Health	Beehive Homes
Allied Health	Extended Hand Health Care Inc.
Allied Health	Gulf Coast Blood Bank
Allied Health	Village Care Hospice
Allied Health	Oak Street Health
Transportation	Southwest Airlines
Construction	MAREK Brothers, GROW (Green Resources & Opportunities Workforce)
Business Ed	Marriott Hotels
Construction	Champions Electric Inc.
Construction	Building Talent Foundation
Construction	Turner Industries
Construction	Houston Masonry Council

HCDE AE provides a “one-stop shop” modality for the ELL participants in the program by utilizing local workforce board resources, community-based organization, and intermediaries for development in the preparation of eligible individuals to enter and succeed in post-secondary education and training and career advancement leads to participant economic self-sufficiency.

The program offers flexible learning options, such as online, hybrid, face-to-face, and blended courses, to accommodate the diverse schedules

and needs of ELL students. HCDE AE has observed an increase in the demand for these courses.

HCDE AE has fostered partnerships with various stakeholders, including employers, community-based organizations, educational institutions, and public agencies, to maximize resources and expertise. Through collaborations with stakeholders, including community partners, employers, and other professional development centers, HCDE develops innovative contextualized instructional strategies that integrate basic skills and vocational training to increase employability and productivity.

HCDE AE engages stakeholders in a collaborative manner to understand and address the training needs. This collective impact approach gives the program value for constituents. Table 13.3 below shows the results from HCDE's Adult Education's partnerships with local employers within the last three years.

Table 13.3: Partnerships for Increased Employability and Productivity

Partner/ Employer	Employer Focus	Outcomes
Construction Math Classes at S & B Engineers and Constructors	Through a partnership with United Way's THRIVE program, Workforce Solutions and community partners, S&B created a pilot program that provided accelerated, accredited training for female pipefitters. HCDE AE developed innovative, workforce-context classes to support the S & B Engineers and Constructors "Women in Construction" training program.	State and Nationally recognized model program for "Women in Construction Training Program" by Texas Workforce Commission. Program resulted in two cohorts completing S&B Engineers and Constructor's 12-week, on-the-job training program in pipefitting

		while the female students also gained contextualized math instruction from HCDE AE.
ESL Classes at Rich's Products	<p>Rich's Products Corporation in Missouri City, Texas produces non-dairy frozen food offerings, and supplies products to retailers, in-store bakeries, and foodservice providers.</p> <p>Working with Workforce Solutions Business Services and Rich's leadership team, HCDE AE developed and delivered ESL classes for Rich's employees focused on language development and worker safety.</p>	<p>Seventy-three Rich's employees attended ESL classes and accessed distance learning products.</p> <p>The project was nominated by Workforce Solutions as Texas Workforce Commission's employer partnership of the year 2019.</p>
ESL Classes at Tyson Foods	<p>HCDE AE and Tyson Foods have partnered through the years to provide work-based literacy classes to Tyson Employees.</p>	<p>Coordinated ESL Classes for Tyson Employees for over five years.</p> <p>Developed a model for work-based literacy programs.</p>
ESL Classes at HOYER Global Inc.	<p>HOYER is a world market leader for comprehensive logistics solutions relating to handling and transporting liquid products for the foodstuffs, gas, mineral oil, and chemical industries.</p> <p>Curriculum was designed to improve employee industry vocabulary, terminology, and</p>	<p>Provided ESL classes to 13 employees.</p> <p>Employees better understand the safety and product forms they work with daily and understand the importance of each form. Better</p>

	communication for ESL Learners. Lessons are industry specific to work with Truck Drivers, Dispatchers, and office staff.	understanding of how errors can impact cost or lead to problems for the company if they are not completed correctly.
Safety, Basic and Advanced Drawing ESL – MAREK Brothers	HCDE AE in partnership with MAREK Brothers, a commercial construction business for hospitals, stadiums, schools, offices, and hotels, developed and delivered safety, basic and advanced drawing ESL classes to employees.	15 Year Partnership State recognized program. The program positively impacted job retention. Most of the participants received a pay raise after completion.
ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist. Doctors at Houston Methodist attend virtual classes and have access to HCDE AE's Distance Learning Software.	ESL classes for foreign professionals address conversational skills and business writing. USA Learns software, and ESL software offered by HCDE AE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	Ongoing partnership City employees obtain ESL skills that improve job performance.

ESL Classes – YMCA	HCDE AE will deliver classes to YMCA Employees at various YMCA facilities. Classes will focus on conversational English and reading and writing comprehension.	HCDE AE and YMCA met to identify organizational needs and develop curriculum.
<p>HCDE AE creates opportunities for the ELL students through an employer-oriented model, keyed in on the instructional integration for vocational training. As emerging bilingual adults, the ELL students will receive key concepts in combining academic skill development to assist with learners' transition into an IET. Student Ambassadors are utilized for questions on Workforce Training and reciprocate information through shared experiences of alumni. HCDE AE addresses cultural, linguistic, and other barriers that ELL students face, such as immigration status, legal issues, discrimination, and lack of social capital. Collaborations with community partners like Catholic Charities, Houston Foodbank, Houston Legal Aid have helped bridge this gap.</p>		

15. BUDGET WORKBOOK – 5 points

The minimum amount that Applicants can apply for is no less than two hundred thousand dollars (\$200,000), and not to exceed one million dollars (\$1,000,000). Complete Form B, Budget Workbook in accordance with Attachment 3 Budget Requirements and Instructions. In Form B, identify costs and provide a budget justification including supporting calculations and narrative for individual cost items. Ensure that costs align with proposed grant activities.

GRANT AWARD ORDER OF PRECEDENCE

This Section only applies if the Applicant is selected for a Grant Award.

This Grant Award between the Texas Workforce Commission (TWC) and the Grantee consists of the following grant documents listed on this page.

Documents on this list include all amendments. In the event of a conflict of terms, the grant documents as amended control in the descending order of the list. All grant provisions, however, are subject to control by the latest amendment and most specific provision and by the applicable state and federal laws, rules, and regulations.

SPECIAL FEDERAL AWARD TERMS AND CONDITIONS
ADULT EDUCATION AND FAMILY LITERACY ACT
Program Year 2023

Pursuant to the terms of the Federal award, and to 2 Code of Federal Regulations (C.F.R.) §§ 200.101(b)(2) and 200.332(a)(2), these Special Terms and Conditions pass through Terms and Conditions of the Federal award, which are not set forth elsewhere in this grant award. This grant award must be used in compliance with the following Federal Terms and Conditions in addition to the other provisions of this grant award.

A. Availability of Federal Award Terms

In some cases, Federal grant funds become available to the Texas Workforce Commission (TWC) for award before TWC obtains the associated Federal Award Terms for the monies. When award execution does not allow for delay, TWC may base the Special Federal Award Terms and Conditions for a grant award on the most recent prior Federal Award Terms and Conditions available, and later amend the TWC grant award when updated Federal terms are available. This action is most often used when Federal Award Terms and Conditions are not expected to differ significantly from the most recent prior terms available at the time TWC makes award.

B. Definitions

As used in these Special Federal Award Terms and Conditions: (1) the term, non-Federal entity, has the meaning defined in 2 C.F.R. Parts 200; and (2) the term, subrecipient, has the meaning defined in 2 C.F.R. Part 200.

C. Order of Precedence

In the event of any inconsistency between the terms and conditions of this grant award and other requirements, the following order of precedence shall apply:

1. Adult Education and Family Literacy Act;
2. Consolidated Appropriations Act, 2023, Public Law 117-328, December 29, 2022;
3. Other applicable Federal Statutes;
4. Implementing Regulations;
5. Executive Orders (EOs);
6. Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 C.F.R. Parts 200 and 3474;
7. Department of Education directives;
8. The terms and conditions of the Federal award, as included in this Grant Award as the Special Federal Award Terms and Conditions; and
9. The terms and conditions of this TWC grant award.

D. Fund Use

The funds that are provided under this grant award must be expended according to all applicable Federal statutes, regulations and policies, including those of Adult Education and Family Literacy Act; the applicable approved WIOA Combined State plan the negotiated performance levels and policies established pursuant to the Department of Education's authority; and the applicable provisions in the appropriations act.

E. Audits

The audit provisions contained elsewhere in this grant award are inclusive of Federal award terms requiring that organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance. Award recipients and subrecipients that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with 2 C.F.R. § 200.501.

F. Changes in Micro-purchase and Simplified Acquisition Thresholds

The OMB memorandum (M-18-18), issued on June 20, 2018, increased the threshold for micro-purchases under Federal financial assistance awards from \$3,500 to \$10,000 and the threshold for simplified acquisitions under Federal financial assistance awards from \$100,000 to \$250,000.

G. Closeout Requirements

During the closeout process, the Grantee must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the documentation that is required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection. (Note: Unless specified otherwise by TWC, subrecipients must maintain such documentation in

accordance with applicable record retention requirements and make it available for review upon request.)

H. Program Income

2 C.F.R. § 200.307 applies to this award, which allows grantees under the AEFLA to earn program income. 2 C.F.R. § 200.1 defines “program income” generally to mean “gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance...”.

Ordinarily, program income is deducted from total allowable program costs and all program income, except for tuition and fees charged to students and employers earned by a subgrantee under this award, must be deducted. A local subgrantee charging reasonable and necessary tuition or fees to students and employers may use that income to provide additional adult education and literacy services that it would otherwise be unable to provide. Program income from tuition and fees must be (1) governed by the terms of the agreement between the TWC and grantee, (2) accounted for in program records, and (3) used only for costs allowable under AEFLA.

Also applicable to this award is 34 C.F.R. § 76.534, which provides that States and subgrantees may not count tuition and fees collected from students toward meeting federal matching federal matching, cost-sharing, or maintenance of effort requirements related to this award. Moreover, TWC must ensure that fees charged to students participating in an adult education program that receives federal support are equitably administered and do not reach levels that have an adverse effect on the participation of economically disadvantaged students.

Note: TWC will recover any program income found remaining at the end of the grant award through the closeout process.

I. Publicity

No funds provided under this grant shall be used for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

Nor shall grant funds be used to pay the salary or expenses of any subrecipient or agent acting for such subrecipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or EO proposed or pending before the Congress, or any state government, state legislature, or local legislative body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a state, local, or tribal government in policymaking and administrative processes within the executive branch of that government.

J. Requirements for Conference and Conference Space

1. Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:

- a. Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - b. Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - c. Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
2. Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
- a. Federal grant funds cannot be used to pay for alcoholic beverages; and
 - b. Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
3. Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for

conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant. When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.

4. A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business. A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
5. A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval. All meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:

The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.

6. Grantees are strongly encouraged to contact TWC with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes. A short conversation could help avoid a costly and embarrassing mistake.
7. Grantees are responsible for the proper use of their grant awards and may have to repay funds to TWC if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expenses.
8. Subawards
 - a. A subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.
 - b. The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. Each pass-through entity is responsible for monitoring subrecipients, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipients comply with all applicable regulations and the terms and conditions of this award (2 C.F.R. § 200.101(b)).

K. Procurement

1. Award recipients must follow the same procurement policies and procedures it uses for non-Federal funds. Every purchase order or

contract must include any clauses required by section 2 CFR 200.327 Contract Provisions.

2. Privacy Act. No funds can be used in contravention of 5 U.S.C. § 552a (Privacy Act) or regulations implementing the Privacy Act.
3. Prohibition on Contracting with Corporations with Felony Criminal Convictions. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months.
4. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities. Subrecipients may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a subgrant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.
5. Reporting of Waste, Fraud and Abuse. No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

6. Requirement to Provide Certain Information in Public Communications. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all non-Federal entities receiving Federal funds shall clearly state:
- a. The percentage of the total costs of the program or project which will be financed with Federal money;
 - b. The dollar amount of Federal funds for the project or program; and
 - c. The percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Grantees must comply with these conditions under Division H, Title V, Section 505 of Public Law 117-328, Consolidated Appropriations Act, 2023.

The requirements of this part are separate from those in 2 C.F.R. Part 200 and, when, appropriate, both must be complied with.

7. Restrictions on Lobbying/Advocacy. No federal funds may be used by subrecipients, other than for normal and recognized executive-legislative relationships, to engage in lobbying or advocacy activities (including publicity or propaganda purposes or for the preparation of any publication or electronic communication) designed to support or defeat the enactment of federal, state, or local legislation, regulations, appropriations, order, or other administrative action, except in presentation to Congress or a State or local legislature itself or for participation by an agency or officer of a State, local or tribal

government in policymaking and administrative processes within the executive branch of that government.

L. Telecommunications

Title 2 C.F.R. § 200.216 Prohibition on certain telecommunications and video surveillance services or equipment.

- (a)** Recipients and subrecipients are prohibited from obligating or expending grant funds to:
 - (1)** Procure or obtain;
 - (2)** Extend or renew a contract to procure or obtain; or
 - (3)** Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, Section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
- (i)** For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any

subsidiary or affiliate of such entities).

- (ii) Telecommunications or video surveillance services provided by such entities or using such equipment.
 - (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- (b) In implementing the prohibition under Public Law 115-232, Section 889, Subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
- (c) See Public Law 115-232, section 889 for additional information.
- (d) See also 2 C.F.R. § 200.471.

M. Public Policy

1. Architectural Barriers. The Architectural Barriers Act of 1968, 42 U.S.C. §§ 4151 et seq., as amended, the Federal Property Management Regulations (see 41 C.F.R. Part 102-76), and the

Uniform Federal Accessibility Standards issued by GSA (see 36 C.F.R. Part 1191, Appendices C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.

2. Drug-Free Workplace. The Drug-Free Workplace Act of 1988, 41 U.S.C. §§ 702 et seq., and 2 C.F.R. Part 182 require that all organizations receiving grants from any Federal agency maintain a drug-free workplace. Refer to the Drug-Free Workplace Certification applicable to this grant award for notification and other requirements. Failure to comply with these requirements may be cause for suspension or debarment.
3. Executive Orders.
 - a. Subcontracting/Subgranting Opportunities to certain Entities and Individuals (EO 12928). Pursuant to EO 12928, subrecipients are strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities; and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.
 - b. Seat Belt Use (EO 13043). Pursuant to EO 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, subrecipients are encouraged to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented, or personally owned vehicles.

- c. Improving Access to Services for Persons with Limited English Proficiency (EO 13166). As clarified by EO 13166, Improving Access to Services for Persons with Limited English Proficiency, dated August 11, 2000, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP).

To ensure compliance with Title VI of the Civil Rights Act of 1964, subrecipients must take reasonable steps to ensure that LEP persons have meaningful access to programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary.

Subrecipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to the Federal Government's interagency website on Limited English Proficiency at <http://www.lep.gov>.

- d. Text Messaging While Driving (EO 13513). Pursuant to EO 13513, "Federal Leadership on Reducing Text Messaging While Driving", dated October 1, 2009, subrecipients are encouraged to adopt and enforce policies that ban text messaging while driving company-owned or -rented vehicles, or government-owned vehicles, or while driving personally-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. Subrecipients are also encouraged to conduct initiatives of the type described in section 3(a) of EO 13513.

- e. e. The Build American, Buy American Act (BABAA). BABAA was enacted as part of the Infrastructure Investments and Jobs Act, Public Law 117-58 and requires compliance with domestic content procurement preference requirements established in Section 70914 for federal financial assistance projects for infrastructure. The Buy America preference requires all iron, steel, manufactured products, and construction materials used for infrastructure projects in the United States under and award to be domestically manufactured. Covered activities include the construction, alteration, maintenance or repair of public infrastructure, including buildings and real property. See OMB Memorandum M-22-11.
- 4. Flood Insurance. The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. §§ 4001 et seq., provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in communities in the United States identified as flood-prone, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within one year of the identification. The flood insurance purchase requirement applies to both public and private applicants. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by the U.S. Department of Homeland Security, Federal Emergency Management Agency (FEMA).
- 5. Hotel-Motel Fire Safety. Pursuant to 15 U.S.C. § 2225a, subrecipients must ensure that all space for conferences, and conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (Pub. L. 101-391, as amended). Subrecipients

may search the Hotel Motel National Master List at <https://apps.usfa.fema.gov/hotel/> to see if a property is in compliance, or to find other information about the Act.

6. Prohibition on Trafficking in Persons. Grantee shall comply with 2 C.F.R. § 175. The grant condition specified in 2 CFR 175.15(b) is incorporated into this grant with the following changes. Paragraphs a.2.ii.B and b.2.ii. are revised to read as follows:

“a.2.ii.B. Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

“b.2.ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

Under this condition, TWC may terminate a grant without penalty for any violation of these provisions by the grantee, its employees, or its subrecipients.

GENERAL TERMS AND CONDITIONS

1. Legal Authority.

The Texas Workforce Commission (TWC) is responsible for administering an integrated workforce development system, including job training, employment, employment related educational programs, and the unemployment compensation insurance program, under the authority of Texas Labor Code § 302.021. TWC has the authority to enter into contracts and administer programs pursuant to Texas Labor Code § 302.002(b).

2. Purpose.

This grant award sets forth the responsibilities and obligations of TWC, the other party(ies) to this grant (hereinafter identified as the Grantee), and its Fiscal Agent (if different from the Grantee), with respect to the implementation and administration of the program defined within the Request for Applications (RFA) and the Grant Application.

3. Grant Performance.

3.1 The Grantee agrees to perform under this grant award in accordance with the commitments established within the RFA and the Grant Application. Services under this award shall be provided in compliance with:

- all applicable federal and state laws, regulations, and rules;
- all TWC policies and procedures or guidance materials incorporated herein by specific reference; and
- all terms and conditions of this grant award.

3.2 The Grantee has, or shall obtain within forty-five (45) days, personnel capabilities necessary to implement project requirements and to ensure compliance with this grant award.

3.3 The Grantee shall notify TWC in writing, within ten (10) days, of any change in key personnel assigned to the implementation and administration of this grant award. Key personnel are defined for the purposes of this grant award, as those personnel whose oversight and guidance are essential to the work being performed hereunder and whose knowledge, qualifications, and experiences are critical to the achievement of the objectives of this grant award.

3.4 In consideration of the Grantee's full and satisfactory performance of the specified services, TWC shall be liable to the Grantee in accordance with the terms and limitations established within this grant award.

3.5 Except with respect to defaults of contractors or subrecipients, no liability or loss of rights hereunder shall result to either party from delay or failure in performance (including any failure by the grantee to progress in the performance of the work) if such failure arises out of causes beyond the reasonable control and without the default or negligence of the party affected. Such causes may include but are not limited to acts of God, acts of a public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, serious labor disputes, shortage of or inability to obtain material or equipment, and unusually severe weather. In every case, however, the failure to perform must be beyond the control and without the fault or negligence of the party affected.

4. Administrative Requirements.

4.1 This grant award shall be construed, interpreted, and applied in accordance with the laws of Texas, excluding its choice of law rules.

4.2 If any of three provisions of this grant award shall contravene or be invalid under the laws of the United States or the State of Texas, such contravention or invalidity shall not invalidate the entire grant award. It shall be construed as if not containing the particular provision or provisions held to be invalid, and the rights and obligations of the parties shall be construed and enforced accordingly. The Grantee and TWC shall endeavor to agree on a mutually acceptable alternative provision.

In the event of a conflict between such laws and regulations and the terms and conditions of this grant award, precedence shall be given to the laws and regulations.

4.3 This grant award between the Grantee and TWC shall conform to the administrative requirements found in:

- The Office of Management and Budget (OMB) Uniform Guidance (UG), 2 Code of Federal Regulations (C.F.R.) Part 200, as supplemented by the Texas Grant Management Standards (TxGMS) (as applicable);
- TWC Rules in 40 Texas Administrative Code (TAC) Part 20;
- TWC's Financial Manual for Grants and Contracts (FMGC); and
- any directives specified by TWC issuance except as otherwise specifically authorized by TWC in writing.

4.4 All costs must conform to cost principles found in:

- any specific term or condition within the RFA, Grant Application, grant award and attachments;

- OMB UG, 2 C.F.R. Part 200, or 48 C.F.R. Part 31 (as applicable), as supplemented by TxGMS (as applicable);
- TWC's FMGC; and
- any TWC directives, as applicable.

4.5 In addition to the other requirements herein, commercial organizations will be subject to the administrative provisions of 48 C.F.R. § 31.103 and the cost principles and procedures in 48 C.F.R. Part 31, Subpart 31.2. The process for determining reimbursable costs in contracts with commercial organizations shall incorporate the cost principles and procedures in 48 C.F.R. Part 31, Subpart 31.2.

5. Surety Requirements (Includes Public Education Institutions).

5.1 The Grantee understands and agrees that it shall be liable to repay to TWC any funds not expended in accordance with this grant or determined to be expended in violation of the terms of this grant and under OMB UG, 2 C.F.R. Part 200, including loss arising from a fraudulent or dishonest act of the Grantee's officers and employees holding positions of fiduciary trust.

5.2 All repayment made by the Grantee to TWC pursuant to Section 5.1 of these General Terms and Conditions (GTCs) shall be from non-federal funds.

5.3 The Grantee's failure to make repayment to TWC within thirty (30) days after demand may result in legal actions to recover such funds and any additional costs incurred by TWC, including allowable interest.

6. Bonding Requirements.

Entities backed by a taxing authority are exempt from the following bonding requirements. Examples of entities that are backed by a taxing authority include, but are not limited to public colleges, public universities, independent school districts, and consolidated school districts.

6.1 The funds provided by this grant award shall be included in coverage provided by a fidelity bond that indemnifies TWC against loss arising from a fraudulent or dishonest act of the Grantee's officers and employees holding positions of fiduciary trust.

6.2 The Grantee shall obtain a bond sufficient to cover the largest cumulative amount of all cash requests submitted by a grantee on any given day or the cumulative amount of funds on hand at any given point. This determination shall be made by aggregating the cumulative amounts drawn from TWC by the Grantee during any consecutive three-day period.

Under no circumstances shall TWC disburse to the Grantee an amount of cash that exceeds the bond amount.

6.3 The bond shall be executed by a corporate surety or sureties holding Certificates of authority, authorized to do business in the State of Texas, and acceptable to TWC.

If a surety upon a bond loses its authority to do business in the State of Texas, or the bond is cancelled, reduced, or otherwise amended, the Grantee shall immediately notify TWC and provide a replacement bond adequate to cover the terms and conditions of this section. Until such time that, an adequate replacement bond is secured by the insurer and provided to TWC, no further disbursements shall be made to the Grantee.

6.4 The Grantee shall be the insured entity and TWC shall be the assigned Certificate holder. A copy of the bond shall be forwarded to:

Texas Workforce Commission

Financial Operations - Contracts Payable

101 East 15th Street

Austin, Texas 78778 – 0001

6.5 The failure of the Grantee to provide evidence of the required bond within fifteen (15) calendar days of the beginning date of this grant award may result in termination of the grant award.

6.6 The Grantee will include the substance of the provisions of this section in any subcontracts for goods or services under this grant award.

7. Rights in Data, Products, or Inventions.

7.1 TWC may reproduce, prepare derivative works, distribute copies to the public, perform publicly and display publicly, by or on behalf of TWC any data, product, or invention developed under this grant award or purchased with funds from this grant award.

7.2 Excluding copyrighted, licensed, and public domain software, the Grantee grants to TWC and its designated representatives, unlimited rights to any data, databases, or data processing programs first developed, produced, or delivered under this grant award. Such data includes recorded information regardless of form or media.

7.3 Upon termination of this grant award, whether for cause or convenience, all finished or unfinished documents, records, reports,

photographs, etc. prepared by the Grantee shall, at the option of TWC, become the property of TWC.

In the event of such termination, the Grantee may be requested to transfer title and deliver to TWC any property or products the Grantee has acquired or produced in performance of the grant award.

7.4 All data and rights necessary to fulfill the Grantee's obligations to TWC under this grant award must be secured and obtained from its contractors and subrecipients.

If a contractor or subrecipient refuses to accept terms affording TWC such rights, the Grantee shall promptly bring such refusal to the attention of TWC.

7.5 TWC and its officers, agents and employees are indemnified against liability, including costs, for infringement of any United States patent (except a patent issued upon an application that is now or may hereafter be withheld from issue pursuant to a Secrecy Order under 35 U. S. Code (U.S.C.) § 181) arising out of the manufacture or delivery of supplies, the performance of services, or the construction, alteration, modification, or repair of real property under this grant award, or out of the use or disposal by or for the account of TWC of such supplies or construction work.

7.6 TWC retains non-exclusive, nontransferable, irrevocable, paid-up license to practice, or have practiced the subject invention throughout the world with respect to any invention resulting from activities funded by this grant award in which the Grantee retains title.

8. Prevention of Fraud.

8.1 The Grantee shall establish and implement procedures for preventing, reporting, investigating, and taking appropriate legal and/or administrative action concerning any fraud, program abuse, possible illegal expenditures, unlawful activity, violations of law, or TWC rules, policies, and procedures occurring under this grant award.

8.2 Any member of the Grantee's staff or Grantee's contractor's or subrecipient's staff having knowledge of suspected fraud, program abuse, possible illegal expenditures, unlawful activity, violations of law or TWC rules, policies and procedures occurring under this grant award, shall report such information to TWC's Office of Investigations no later than five (5) business days from the date of discovery of such act.

8.3 An Incident Report regarding such an act must be submitted to:

Texas Workforce Commission

Office of Investigations

101 East 15th Street, Room 230

Austin, Texas 78778-0001

8.4 The Grantee shall establish and implement reasonable internal program management procedures sufficient to ensure that its employees, participants, contractors and subrecipients are aware of TWC's Fraud and Program Abuse Hotline (1-800-252-3642) and that Hotline posters are displayed to ensure maximum exposure to all persons associated with or having an interest in the programs or services provided under this grant award.

8.5 Except as provided by law or court order, the parties to this grant award shall ensure the confidentiality of all reports of violations, as

listed above. Neither the Grantee nor TWC shall retaliate against any person filing a report.

8.6 Upon review of submitted reports, TWC's Office of Investigations may elevate the report to the appropriate federal authority, accept the case for investigation and/or action at the state level, or return the case to the Grantee, or Grantee's contractor or subrecipient, for action including, but not limited to, the following:

- further investigation;
- referral for prosecution under the Texas Penal Code, or other state or federal laws; and/or
- other corrective action, as may be appropriate.

8.7 When referred back to the Grantee, the Grantee shall ensure that a final investigation closing report is submitted to TWC's Office of Investigations after all feasible avenues of investigation and legal and/or corrective action have been taken.

9. Preventing Conflict of Interest.

9.1 The Grantee shall take every reasonable course of action to maintain integrity in the expenditure of these public funds and to avoid favoritism and questionable or improper conduct.

9.2 The Grantee shall administer this award in an impartial manner, free from efforts to gain personal, financial, or political benefit, tangible or intangible. The Grantee and its executive staff and employees, while administering this grant award, shall avoid situations which could give the appearance that any decision was influenced by prejudice, bias, special interest or desire for personal gain.

9.3 The Grantee assures that no person shall participate in any decision relating to any subcontract which affects his/her personal pecuniary interest including, but not limited to:

- employees, contractors or subrecipients of the Grantee; or
- persons who exercise any function or responsibility in the review or approval of the undertaking or carrying out of this grant award.

9.4 The Grantee shall maintain on file, and make available for inspection by TWC, a statement submitted by each Grantee employee, contractor, subrecipient or governing body member disclosing any interest, fact or circumstance, which does or may present a potential conflict of interest. Such conflict of interest disclosure statements shall be updated, as circumstances require, but at least annually.

The above paragraph shall serve as a minimum standard and shall not be construed as to limit the Grantee's authority for more restrictive governance to prevent real and/or apparent conflicts of interest.

10. Grant Provisions.

10.1 The Grantee shall comply with the following:

- Rehabilitation Act of 1973 § 504, 29 U.S.C. § 794, as amended;
- Titles VI and VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and 2000e-16, as amended;
- Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681-1688, as amended;

- The Age Discrimination Act of 1975, 42 U.S.C. § 6101 et seq., as amended;
- The Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., as amended;
- Women in Apprenticeship and Non-traditional Occupations Act, 29 U.S.C. § 2501, et seq.;
- Applicable provisions of the Clean Air Act, 42 U.S.C. § 7401 et seq., and the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.;
- The rights and responsibilities for charitable and faith-based providers set forth in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) § 104, 42 U.S.C. § 604a, as applicable; and
- The Job Training or Employment Assistance Programs, Services, and Preferences Available to Veterans, as set forth in the Texas Labor Code §§ 302.151-302.153.

10.2 TWC and the Grantee may not deny services under this grant award to any person and are prohibited from discriminating against any employee, applicant for employment, or beneficiary because of race, color, religion, sex, national origin, age, physical or mental disability, temporary medical condition, political affiliation or belief, or citizenship.

10.3 The Grantee shall ensure that the evaluation and treatment of employees and applicants for employment are free from discrimination.

10.4 The Grantee shall make a reasonable effort to meet the state goal on subcontracts and supplier contracts to historically underutilized

businesses certified by the State of Texas, as defined in Texas Government Code § 2161.001, including any certified woman or minority owned businesses or enterprises.

10.5 The Grantee shall adopt and implement applicable provisions of the model HIV/AIDS workplace guidelines of the Texas Department of State Health Services as required by the Texas Health and Safety Code § 85.001 et seq. (Applicable to state agencies only).

11. Contractors and Subrecipients.

The Grantee assures that the performance rendered by all contractors and subrecipients shall comply with all the terms and provisions of this grant award as if the performance were rendered by the Grantee and shall require such contractors and subrecipients to comply with all requirements, as covered in this grant award.

12. Records: Retention, Confidentiality, and Access.

12.1 The Grantee shall retain financial and supporting documents, statistical records, and any other records pertinent to the services provided under this grant for which a claim or report was submitted to TWC. These supporting records and documents must be kept for a minimum of three (3) years after final payment and all other pending matters are closed out.

12.2 The Grantee shall establish and maintain a method to secure the confidentiality of records and other information relating to clients in accordance with applicable federal and state laws, rules, and regulations. This provision shall not be construed, as limiting TWC's right of access to client case records or other information relating to clients served under this contract.

12.3 The Grantee shall grant access and the right to examine, copy, or mechanically reproduce, all reports, books, papers, documents, automated data systems, and other records pertaining to this contract from Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., local time, excluding state or federal holidays. In the event of suspected fraud, malfeasance, or program abuse, Agency investigators may retain the original records and leave the mechanically reproduced copies in place of the original records. Such rights of access and examination are granted to the duly authorized representatives of:

- the United States Department of Agriculture;
- the United States Department of Education;
- the United States Department of Health and Human Services;
- the United States Department of Labor;
- the Comptroller General of the United States;
- the General Accounting Office;
- the State Auditor's Office (SAO); the Office of the Attorney General of Texas;
- the TWC;
- other state and federal auditing agencies; and
- any duly authorized representatives of the above-named agencies as deemed appropriate by the Agency.

12.4 Such rights to access under paragraph 12.3 of this section shall continue as long as the Grantee retains the records.

12.5 TWC, and any of its authorized representatives, shall have timely and reasonable access to all Grantee records and personnel related to this grant award for the purpose of inspection, monitoring, auditing, evaluation, interview, and discussion.

13. Monitoring, Audits, and Evaluations.

13.1 As applicable, the Grantee shall supply to TWC an audit that is in compliance with the Single Audit Act of 1984, as amended July 1996, 31 U.S.C., Chapter 75, and OMB UG, 2 C.F.R. Part 200, Subpart F, TxGMS, TWC's FMGC, and any other applicable federal, state, or program-specific audit requirements, applicable at the time costs were incurred. Other applicable federal, state, or program-specific audit requirements, may include, but are not limited to the U.S. Department of Health and Human Services regulations at 45 C.F.R. Part 75, and U.S. Department of Labor regulations at 2 C.F.R. Part 2900, as applicable.

Example: Under the OMB UG, 2 C.F.R. Part 200, Subpart F, an entity defined as a "non-Federal entity" for purposes of that Subpart, that "expends \$750,000 or more during the non-Federal entity's fiscal year in [all] Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of" 2 C.F.R. Part 200.

13.2 TWC reserves the right to conduct, or cause to be conducted, an independent audit of all funds received by the Grantee under this grant award. Such an audit may be performed by the local government audit staff, a certified public accounting firm, or other auditors as designated by TWC and must be conducted in accordance with applicable federal rules and regulations, grant award guidelines, and established professional standards and practices.

13.3 The Grantee understands that acceptance of funds under this grant award acts as acceptance of the authority of the SAO, or any successor agency, to audit or investigate the expenditure of funds under this grant award or any subcontract. The Grantee further agrees to cooperate fully with the SAO or its successor, including providing all records requested. The Grantee will ensure that this clause concerning the authority to audit funds received indirectly by contractors and subrecipients through the Grantee and the requirement to cooperate is included in any subcontract it awards.

13.4 The Grantee shall develop and maintain a contractor or subrecipient monitoring system, acceptable to TWC, covering any contract or subrecipient it awards from this grant award.

Complete records of all monitoring performed by the Grantee shall be maintained and made available to TWC during such subcontract performance periods and for as long thereafter as an unresolved deficiency may require.

13.5 TWC reserves the right to conduct or cause a designee to conduct monitoring and evaluation studies of the performance of the Grantee or any contractor or subrecipient for services rendered under this grant award.

TWC retains the right to perform such monitoring and evaluation studies that it determines necessary and will report preliminary results to the Grantee and any contractor or subrecipient before the monitoring and evaluation is concluded and the final results are made a matter of record.

13.6 If a charitable or faith-based organization who is a contractor or subrecipient to the Grantee establishes a separate account for the government funds provided through this grant award, then only the

services and activities supported by those funds will be subject to audit by TWC or its duly authorized representatives.

13.7 The Grantee shall cooperate with any monitoring, review, audit or examination conducted pursuant to this section.

14. Dispute Resolution.

14.1 To the extent applicable under state and federal law, a Grantee's claim for breach that the parties cannot resolve in the ordinary course of business shall be submitted to the dispute resolution process provided for in 40 TAC, Chapter 800, Subchapter K, as further described in this section.

- To initiate the process, the Grantee shall submit written notice to TWC's contract manager. Said notice shall specifically include the information required by 40 TAC § 800.453, as well as other supporting documentation or other tangible evidence to facilitate TWC's evaluation of the Grantee's claim.
- Neither the execution of this grant award by TWC nor any other conduct of any representative of TWC relating to this grant award or the dispute resolution process described herein shall be considered a waiver of sovereign immunity to suit.

14.2 Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Grantee, in whole or in part.

15. Sanctions and Penalties.

15.1 The Grantee acknowledges and accepts that special conditions may be imposed by TWC, and certain enforcement remedies exercised

(set forth within OMB UG, 2 C.F.R. Part 200) if the Grantee has been designated as a "high risk" grantee. Special conditions or restrictions could include:

- payment on a reimbursement basis;
- withholding authority to proceed to the next project phase until receipt of evidence of acceptable performance;
- additional and more detailed financial reporting;
- additional project monitoring;
- requiring the Grantee to obtain technical or management assistance;
- establishing additional prior approvals; or
- other conditions or restrictions appropriate to the circumstances.

15.2 The Grantee acknowledges and accepts that failure of the Grantee to comply with any provision of this grant award, whether stated in a federal or state statute or regulation, Commission rule, an assurance, a certification, an application or TWC policy or procedure referenced in a grant award may subject the Grantee to sanctions and enforcement or remedial measures appropriate to the circumstances, including temporary withholding of cash payments, disallowance of costs, whole or partial suspension of the award, withholding of further awards, or other remedies that may be legally available.

16. Appeals.

Any sanctions or penalties imposed under this grant may be appealed pursuant to Texas Government Code, Chapter 2260.

17. Changes and Amendments.

17.1 This grant award, and all documents or subsequent agreements referenced herein, is the entire agreement between the parties. All oral or written agreements between the parties hereto relating to the subject matter of this grant award that were made prior to the execution of this grant award have been reduced to writing and are contained or referenced herein.

17.2 Any alterations, additions, or deletions to the terms of this grant award required by changes in federal or state law or by regulations are automatically incorporated into this grant award without written amendment hereto and shall become effective on the date designated by such law or regulation.

17.3 To ensure effective performance under this grant award, all parties agree that TWC may amend performance requirements during this grant period, to interpret or clarify a change in federal or state law, rules or regulations, by issuing formal directives to establish or clarify such performance requirements.

- After a period of no less than thirty (30) days subsequent to written notice (unless more rapid implementation is required by law) such formal directives shall have the effect of qualifying the terms of this grant award and shall be binding upon the Grantee and TWC as if written herein.
- Such TWC directives shall not alter the terms of this grant award to relieve TWC of any obligation specified in this grant award to reimburse the Grantee for costs properly incurred prior to the effective date of such formal directives.

17.4 Except as specifically provided by Sections 17.1, 17.2 and 17.3 of these GTCs, any additions, alterations, deletions, or extensions, to the terms of this grant award shall be by amendment hereto in writing and executed by all parties to this grant award except for budget line item changes, which shall be processed pursuant to Financial Requirements, Section I, Expenditure Limitations attached to this grant award. Any other attempted changes, including oral modifications, written notices that have not been signed by all parties, or other modifications of any type, shall be invalid.

17.5 TWC reserves the sole option to renew or extend this grant award after the initial period. Such renewal will be based upon a compliance review and TWC's continuing need for the services. TWC may consider a written request for renewal or extension submitted by the Grantee. Such written request must be received by TWC no later than thirty (30) calendar days prior to the expiration of this grant award.

18. Termination.

18.1 This grant award may be terminated without cause, in whole or in part, by TWC whenever it determines that such termination is in the best interest of TWC or the State.

18.2 Either party may terminate this grant award for breach, pending completion of any reports or audits required by TWC. Such termination shall be effective upon receipt of written notification of termination, provided no less than sixty (60) days in advance.

PROGRAM REQUIREMENTS

Applicants will describe how funds will be used consistent with the requirements of AEFLA.

Applicants are encouraged to familiarize themselves with TWC's Adult Education and Literacy Strategic Plan 2021 to 2026 and the AEL Companion Guide. Applicants will find additional relevant information and resources links provided in Section 18 Informational Resources of the Solicitation.

TWC will evaluate each Application based on the thirteen (13) considerations, as specified by AEFLA § 231(e) and 34 C.F.R. § 463.20(d). The considerations will be represented in the corresponding questions in the Work Plan. Note that throughout the considerations, specific groups within the eligible population are referenced. These populations are all subgroups within the eligible population described in the Solicitation, Section 5.1.

CONSIDERATION 1: RESPONSIVENESS TO LOCAL BOARD PLAN

TWC will consider the degree to which the Applicant would be responsive to:

- a) regional needs as identified in the Local Board Plan;
- b) serving individuals in the community who need adult education;
- and
- c) literacy activities, including, but not limited to individuals who:
 - have low levels of literacy skills;
 - are ELLs; and
 - would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals (S).

A link to Local Board Plans can be found in Section 18, Informational Resources, subsection, TWC Other AEL Resources of the Solicitation.

The Local Board Plans Reference provides a reference to certain elements included in the Application.

Grantees must be responsive to the regional needs of the proposed geographical and service delivery areas as identified by the Local Board Plan(s), taking into consideration the demographics (e.g., race, ethnicity, socio-economic status) of the service delivery area in which the Applicant is applying.

Applicant must describe how they will develop recruitment and outreach strategies and program services to meet the needs of the demographic population of the area, particularly how they will focus on individuals with low levels of literacy, those who lack a high school diploma or its recognized equivalent, ELLs, and those who would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals (S).

CONSIDERATION 2: SERVING INDIVIDUALS WITH BARRIERS TO EMPLOYMENT

TWC will consider the ability of the Applicant to serve eligible individuals with:

- a) disabilities, including learning disabilities; and
- b) Barriers to Employment (S).

Grantees shall ensure that individuals with disabilities have equitable access to programs, activities and related services and will (S):

- create Comprehensive Assessment procedures to identify individuals with physical, emotional, mental, and learning disabilities and ensure student needs are met and appropriate referrals are made (S);

- provide accessible, safe, and convenient instructional facilities including, but not limited to, ensuring facilities are (S):
 - accessible, in accordance with the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., as amended;
 - located near public transportation, in areas where public transportation is available;
 - in proximity to no-cost parking; and
 - conducive to learning, including furniture appropriate for adults and protected by monitored security or have security-restricted access points.

Applicant must describe how they will:

- a) comply with the American Disabilities Act of 1990;
- b) identify and provide services to students with physical, emotional, mental and learning disabilities;
- c) ensure that individuals with disabilities have equitable access to programs, activities, and related services; and,
- d) ensure that individuals have equitable access to services regardless of gender, race, national origin, color or age.

CONSIDERATION 3: PAST EFFECTIVENESS

TWC will consider the past effectiveness of the Applicant in improving the literacy of eligible individuals, especially those individuals who have low levels of literacy, and the degree to which those improvements contribute to TWC meeting its State-adjusted levels of performance for the primary indicators of performance.

Applicant must provide program data for three (3) reporting periods of past effectiveness by completing the appropriate Past Effectiveness table found in Form E, Demonstrated and Past Effectiveness Data. For Consortiums, every member will complete Form E, Demonstrated and Past Effectiveness Data.

Grantees must measure and analyze educational performance related to MSG, student transition into post-secondary education, and training or workforce for the purposes of program improvement throughout the Grant Period.

Applicant must describe how they will meet the State-adjusted levels of performance for the WIOA performance measures in Section 6.11, Federal Performance Measures, of the Solicitation, including how they will collect data to report on such performance indicators.

Applicants must provide information on any Corrective Action imposed by TWC for current or previously TWC funded grants, as described in TWC rules at 40 TAC § 802.121, and if that Corrective Action Plan was lifted at the time of this Solicitation. (S)

Applicants must provide information on non-voluntarily deobligated funds for current or previously funded TWC grants, as described in TWC rules at 40 TAC § 800.78 (S).

CONSIDERATION 4: LOCAL BOARD PLAN ALIGNMENT

TWC will consider the extent to which the Applicant demonstrates alignment and coordination between proposed activities and services and the strategy and goals of the Local Board Plan in accordance with WIOA § 108, as well as the activities and services of the One-Stop partners.

As described in Section 6 Program Requirements of the Solicitation, Applicant must describe how they will fulfill, as appropriate, required One-Stop partner responsibilities to:

- a) provide access through the One-Stop delivery system to AEL activities;

- b) enter into a local MOU with the Local Board, relating to the operations of the One-Stop system and participate in the operation of the One-Stop system consistent with the terms of the MOU; and
- c) use a portion of the funds made available under the award to maintain the One-Stop delivery system, including shared infrastructure costs, as negotiated with the Local Board.

Applicant must describe how they will provide services in alignment with the Local Board Plan, including how they will promote concurrent enrollment in programs and activities under WIOA Title I, as appropriate.

CONSIDERATION 5: MANAGED INSTRUCTION

TWC will consider whether the Applicant's program:

- is of sufficient intensity and quality, and based on the most rigorous research available so that participants achieve substantial learning gains; and
- uses instructional practices that include the essential components of reading instruction.

Grantees must provide a variety of class offerings based on geographical and demographical needs that include In-Person Services, Remote Learning, and Distance Learning options, varied modalities, and account for desired outcomes of students (S).

Grantees must demonstrate enrollment management strategies by developing a retention and recruitment plan that outlines key action steps and activities that are designed to meet the instructional needs of the students.

Grantees must incorporate essential components of reading instruction based on rigorous evidence-based instructional practices to optimize student learning gains.

CONSIDERATION 6: INSTRUCTIONAL DESIGN

TWC will consider whether the Applicant's activities, including whether (reading, writing, speaking, mathematics, and English Language Acquisition instruction delivered by the Applicant), are based on the best practices derived from the most rigorous research available, including scientifically valid research and effective educational practice.

Grantees must implement instructional and other service delivery that:

- a) organizes instructional and other programs, services, or activities using evidence-based research that align AEL instruction and Career and College Planning to Career Pathways (S);
- b) uses evidence-based approach to implement andragogy learning theories that enhance effective instructional design and Instructional Strategies for adults;
- c) ensures instructors use information and data from Comprehensive Assessment and testing for instructional purposes (S);
- d) includes a Workforce Preparation Activities curriculum in all levels of ABE, ASE and ESL instruction that includes, critical thinking skills, learning frameworks, Digital Literacy, Financial Literacy, and learner leadership skills (S); and
- e) aligns with the Texas AEL Content Standards (S).

Grantees must implement Instructional Strategies that effectively meet the educational needs of students with special learning needs, including those with learning disabilities (S).

CONSIDERATION 7: DISTANCE EDUCATION

TWC will consider whether the Applicant's activities effectively use technology services and delivery systems, including Distance Education, in a

manner sufficient to increase the amount and quality of learning, and how such technology, services, and systems lead to improved performance.

Grantees must:

- a) develop, execute, and maintain a Distance Learning Plan that adheres to the state Distance Learning guidance as described in the Texas AEL Testing Guide and AEL Companion Guide and includes implementation of one (1) or more options for Distance Learning using TWC AEL-approved Distance Learning curricula; (S)
- b) integrate the use of Educational Technology to support instruction to include software, internet resources, and hardware such as smartphones, whiteboards and other resources; (S) and
- c) utilize technology to provide instruction on Digital Literacy (S).

Grantees may serve individuals who reside outside of their service area if specifically identified in their Distance Education Plan and agreed upon through coordination with area Grantee in which the student resides. Duplicated enrollments will be monitored closely by TWC.

Applicant shall describe how their activities, services, and systems will lead to improved performance.

CONSIDERATION 8: INTEGRATED EDUCATION AND TRAINING

TWC will consider whether the Applicant's activities provide learning in context, including through IET, so that an individual acquires the skills needed to transition to and complete postsecondary education and training programs, obtain and advance in employment leading to economic self-sufficiency, and to exercise the rights and responsibilities of citizenship.

Integrated Education Training (IET)

Applicant must describe how they will:

- a) foster IET opportunities for IELCE students including details on how IELCE students will access and participate in IET activities;
- b) choose relevant workforce training aligned to the Local Board Plan, promote IET opportunities for students, and how students will access those services; and
- c) ensure enough Contextualized Instruction occurs to help students develop the skills required to advance in an educational setting, transition to additional post-secondary education or become employed.

Grantees must implement an Integrated Services approach in developing quality IETs that lead to Recognized Post-Secondary Credentials (Credentials).

CONSIDERATION 9: STAFFING

TWC will consider whether the Applicant's activities are delivered by instructors, counselors, and administrators who meet any minimum qualifications established by the state, where applicable, and who have access to high-quality PD, including through electronic means.

Grantees shall ensure instructors use information and data from Comprehensive Assessment and testing data for instructional and other service delivery (S).

Grantees shall ensure that institutional hiring processes will have personnel in place, either through hiring or temporary staff placement, within the first ninety (90) days following grant execution to manage project start-up activities (S).

Grantees will consider percentages needed to meet grant obligations, but at a minimum must include (S):

- a) **Director:** One (1) full-time employee (FTE) at one hundred percent (100%) to serve as director and act as single point of contact to TWC to effectively lead and be responsible for program oversight, service delivery, reporting, compliance and overall program and fiscal accountability.
- b) **Instruction and Curriculum Lead:** At least one (1) position equivalent to a FTE at one hundred percent (100%) to effectively lead and coordinate program curriculum and instruction, inclusive of face-to-face and remote learning. Will also coordinate or develop specialized curriculum for Career Pathway models, including coaching new and existing instructors and guiding overall service delivery including implementation of the current and future Texas AEL Content Standards and guidance related to Career Pathways.
- c) **Lead for Quality Assurance:** One (1) position to act as single point of contact to TWC and effectively lead auditing and observation of work to evaluate compliance with policies and procedures and adherence to grant requirements, development of and adherence to Standard Operating Procedures, handling of PII, and provision of technical assistance for improvement and enhancement. It is a conflict of interest for a single person to be the lead for quality assurance and the lead for performance accountability.
- d) **Lead for Performance Accountability:** One (1) position to act as single point of contact to TWC for accountability and student management system questions. It is a conflict of interest for a single person to be the lead for performance accountability and the lead for quality assurance. The Lead for Performance Accountability shall:
 - effectively lead grant Performance Accountability including data management and reporting;

- manage compliance to the Texas AEL Testing Guide, applicable AEL and WD letters, and other performance requirements;
- support coordination of data collection and performance reporting for Discretionary Innovation Projects funded by TWC to expand new service options, as applicable;
- serve as the point of contact for staff for program or Consortia, if applicable, questions related to accountability, assessment, and data management; and
- submit questions to TWC related to accountability, assessment, and data management, as necessary.

e) **PD Coordinator:** At least one (1) position to act as single point of contact to TWC and state PD Center(s), and other Discretionary Innovation Projects, as applicable, and effectively lead PD efforts for the program. The local PD Coordinator shall:

- collaborate with PD Center(s) and TWC staff as necessary to ensure that PD needs of the AEL Grant Recipient are met;
- coordinate PD, planning, implementation, and documentation to ensure staff meet PD requirements and are trained to support program performance and compliance;
- work with the PD Center(s) to develop the AEL Grant Recipient's strategic PD plan for continuous improvement;
- submit Contextualized Instruction or specialized curriculum and other replicable resources developed by the program to the PD Center(s) and other Discretionary Innovation Projects as directed by TWC for inclusion as an available resource for other AEL programs; and
- coordinate PD planning, implementation, and documentation as directed by TWC if the AEL Grant Recipient is placed on an AEL Technical Assistance Plan or another Corrective Action.

- f) **Lead for Distance Learning and Digital Navigation:** At least one (1) position to act as single point of contact to TWC and effectively lead Distance Learning, Digital Navigation, Digital Literacy and other Educational Technology efforts for the program, including participant and staff access to online PD.
- g) **Career Navigator:** At least one (1) position to act as a customer and organizational liaison between Workforce Solutions Offices, Vocational Rehabilitation Services, community and technical colleges, other training entities and local employers. The Career Navigator provides support for Career Pathways objectives including customer recruitment, career guidance, transition, and retention support, and successful completion of training and job placement, including, but not limited to, customers in Career Pathways models.
- h) **TEAMS Specialist:** At least one (1) position to act as the subject matter expert for TEAMS-related functions and User Access Controls. TEAMS Specialist will manage user access and terminations from the system; add, edit, or modify security roles and permissions; and ensure that all security requirements are met prior to access being permitted. They may also assist in the development of local Tier One trainings to support better data management and integrity.

Grantee shall (S):

- a) ensure compliance with PD requirements as provided in TWC rules at 40 TAC § 805.21 or subsequent rules, and TWC guidance regarding continuing PD requirements developing a PD plan;
- b) ensure that all staff have access to the PD Learning Management System;
- c) provide PD to support compliance with rules and to support deployment of innovative service delivery and continuous performance improvement; and
- d) provide core Tier One Training, including the development and deployment of training and related PD and technical assistance on:
 - implementing Standard Operating Procedures (SOP)s as described at Section 6.6. Standard Operating Procedures, of the Solicitation; and
 - providing accurate documentation and data management including data entry into the Statewide Management Information System (and other topics as defined in the AEL Companion Guide or other TWC issuances).

CONSIDERATION 10: PARTNERSHIPS

TWC will consider whether the Applicant coordinates with other available education, training, and social service resources in the community, such as by establishing strong links with elementary schools and secondary schools, postsecondary educational institutions, institutions of higher education, Boards, One-Stop centers, job training programs, and social service agencies, business, industry, labor organizations, community-based organizations, nonprofit organizations, and intermediaries, in the development of Career Pathways.

Grantees shall coordinate with local WIOA partners and service providers to develop Career Pathway programs consistent with strategies identified in the Local Board Plan(s), including how to serve Priority Populations as outlined in the Local Board Plan(s) and those with barriers to employment.

Grantees must coordinate with other education, training, non-profit and social service resources in the community to develop referral systems that increase access to career pathways for eligible population.

Applicant shall describe any cooperative arrangements the eligible provider has with other agencies, institutions, or organizations for the delivery of adult education and literacy activities.

CONSIDERATION 11: STUDENT SUPPORTS

TWC will consider whether the Applicant's activities offer the flexible schedules and coordination with Federal, State, and local Supportive Services (such as child care, transportation, mental health services, and career planning) that are necessary to enable individuals, including individuals with disabilities or other special needs, to attend and complete programs.

Grantees shall assess students' educational needs, including Supportive Services and accommodations.

Grantees must partner with Boards or other entities to offer Supportive Services, such as child care, transportation, mental health services, and career planning as part of a comprehensive service delivery system to students, to increase access to program services and ensure student success. Grantees may provide Supportive Services, which may include transportation and career planning, with AEL grant funds, as allowable AEL policy in AEL Letter 03-21, including any subsequent issuances and the AEL Companion Guide.

Grantees must implement a program with flexible schedules for year-round service delivery within each of the twelve (12) months and use a Managed Enrollment model that includes flexible schedules that allow customers to begin Orientation or Workforce Preparation Activities at no-less than two (2) week intervals and instructional services no-less than eight (8) times a year (S).

CONSIDERATION 12: DATA MANAGEMENT AND ANALYSIS

TWC will consider whether the Applicant maintains a high-quality information management system that has the capacity to report measurable participant outcomes and to monitor program performance.

Grantees shall use, TEAMS, and implement data management and documentation procedures:

- pursuant to AEL Letter 04-21, Texas AEL Performance Guide, AEL Testing Guide, NRS Guidelines, TEAMS User Guide, and federal, state and agency requirements (S);
- that use TEAMS to collect and report participant outcomes and support review of program performance against TWC performance measures; (AEFLA § 231(e)(12), 29 U.S.C. § 3321(e)(12));
- that ensure timely data collection and entry into TEAMS to enable accurate monthly validation of activities and Quarterly Data Sign Offs, in accordance with AEL Letter 04-21, and the Texas AEL Performance Guide (S); and
- that ensure security of information in accordance with TWC rules on PII, as specified in WD Letter 02-18 "Handling and Protection of Personally Identifiable Information and Other Sensitive Information".

Grantees shall use TEAMS reports, Tableau, and other TWC-provided reports and reviews to assess and improve program performance and adjust service delivery based on analysis.

CONSIDERATION 13: EL CIVICS

TWC will consider whether the local area in which the Applicant is located has a demonstrated need for additional English Language Acquisition programs and civics education programs.

For Section 243 Applicants Only:

As outlined in WIOA Section 243, IELCE shall include instruction in literacy and English Language Acquisition; workforce preparation activities and instruction on the rights and responsibilities of citizenship and civic participation.

- a) Integrated English literacy and civics education must be provided in combination with integrated education and training activities; and
- b) Programs must be designed to: (1) prepare ELLs for, and place in, unsubsidized employment in In-Demand Occupations that lead to economic self-sufficiency, and (2) integrate with the local workforce development system.

Applicant shall describe the ELL population in their area and demonstrated need for programs that offer English Language Acquisition services and cite supporting sources.

Grantees shall deliver a service approach that assists individuals who are ELLs achieve competence in four (4) competencies- reading, writing, speaking, and comprehension of the English language- and that leads to: (S)

- a) attainment of a secondary school diploma or its recognized equivalent and transition to postsecondary education and training; or,

b) employment.

Grantees shall offer IELCE program services and activities to eligible adults, including Internationally Trained Professionals.

Grantees shall ensure all ESL services and curricula include civics components that align with the AEL content standards' civics standards.

Applicant will describe how they have or will use IET models and contextualized instruction to assist students with developing the skills required to advance in an educational setting, transition to post-secondary education, or become employed.

Scoring Criteria

- a) Executive Summary– Required, not scored
- b) Consideration 1: Responsiveness to Local Board Plan– 5 points
- c) Consideration 2: Serving Individuals with Barriers to Employment– 5 points
- d) Consideration 3: Past Effectiveness– 10 points
- e) Consideration 4: Local Board Plan Alignment– 5 points
- f) Consideration 5: Managed Instruction– 5 points
- g) Consideration 6: Instructional Design– 10 points
- h) Consideration 7: Distance Education– 5 points
- i) Consideration 8: IET– 10 points
- j) Consideration 9: Staffing– 5 points
- k) Consideration 10: Partnerships– 5 points
- l) Consideration 11: Student Supports– 5 points
- m) Consideration 12: Data Management and Analysis– 5 points
- n) Consideration 13: EL Civics + IET– 20 points
- o) Budget Workbook– 5 points

FINANCIAL REQUIREMENTS

1. Expenditure Limitations.

- 1.1. TWC is liable to the Grantee in an amount equal to, but not in excess of, the lesser of the amount of the grant or the actual allowable costs incurred by the Grantee in rendering the performance specified in the RFA, and Grantee's Application and any attachments subject to the following provisions:
 - 1.1.1. The limitations established within the program budget documents.
 - 1.1.2. TWC shall not be liable for expenditures unless and until TWC receives a verified statement of obligations and accrued expenditures that is prepared in accordance with the requirements set forth by TWC, in WD Letters, and other TWC issuances.
 - 1.1.3. TWC shall not be liable for expenditures made in violation of the legal authorities cited in this grant, or any other law or regulation applicable to a specific service performed under this grant.
 - 1.1.4. TWC shall not be liable to the Grantee for costs incurred or performances rendered by the Grantee or its contractors or subrecipients before commencement of this grant or after termination of this grant, other than allowable administrative costs, unless approved in writing by an authorized representative of TWC.
 - 1.1.5. TWC shall not be liable for any costs incurred by the Grantee in the performance of this grant which have not

been billed to TWC within sixty (60) calendar days following termination or expiration of this grant.

- 1.2. The Grantee agrees that all funds provided through this grant, including any funds expended under subcontracts, shall be expended for authorized activities, and that no expenditures will have as their objective the funding of religious worship, instruction, or proselytization.

This provision shall not be interpreted to prohibit the Grantee from contracting or making subawards for goods or services with any religious institution or entity.

- 1.3. Notwithstanding any other provisions of this grant, the parties hereto understand and agree that TWC's obligations for costs incurred, or performances rendered by the Grantee under this grant are contingent upon receipt of adequate funds from federal and state sources to meet TWC's liabilities hereunder. This grant is subject to revision upon actual receipt of funds from federal or state sources. The grant is subject to termination or cancellation, without penalty to TWC, either in whole or in part, subject to the availability of federal or state funds.

- 1.4. The Grantee understands and agrees that it shall repay to TWC any funds determined to be expended in violation of the terms and conditions of this grant subject to the following:

- 1.4.1. The Grantee shall be liable for such funds and shall repay such funds even if a Grantee's contractor or subrecipient made the improper expenditure.

- 1.4.2. All repayments made by the Grantee must be from non-federal funds.
 - 1.4.3. Failure to repay such funds within thirty (30) days after demand may result in legal actions to recover such funds and/or additional costs, including allowable interest.
- 1.5. Responsibility for disallowed costs and other liabilities under this grant are as follows:
 - 1.5.1. First Priority: The Grantee shall recover funds from the subcontractor or subrecipient incurring the liability and utilize such funds to retire the liability to TWC.
 - 1.5.2. Second Priority: The Grantee shall recover funds from an insurance carrier or bond issuer and utilize such funds to retire the liability to TWC.
 - 1.5.3. Third Priority: The Grantee shall use available stand-in costs to resolve the disallowed costs or other liability to TWC.
- 1.6. Any change in the amount of a budget line item requires the prior written TWC approval and the subsequent change to the line-item amount in the Cash Draw and Expenditure Reporting (CDER) system by the designated TWC Grant Manager.
- 1.7. No less than ten percent (10%) of the total amount expended under this Grant Award must be for Integrated Education and Training activities to eligible participants.
- 1.8. Pursuant to U.S. Department of Education regulations at 34 C.F.R. §§ 76.563 through 76.569, indirect costs charged to funds made

available under AEFLA are limited to the product of the restricted indirect cost rate and total direct costs minus capital outlays, subgrants, and other distorting or unallowable costs as specified in the Grantee's indirect cost rate agreement. The restricted indirect cost rate is the lesser of:

- The restricted indirect cost rate in 34 C.F.R. § 76.564(a); or
- An indirect cost rate of eight percent (8%).

1.9. No more than five percent (5%) of funds expended under this Grant Award shall be used for administrative costs, as defined by the appropriate federal regulations and Agency policy, except where a different rate has been negotiated with TWC. (S)

1.10. Subject to the limitations in Section 1.8 (restricted indirect cost rate provisions) of these Financial Requirements, indirect costs, if any, charged to this grant must result from proper application of an indirect cost rate approved by the Grantee's federal cognizant agency for indirect costs, or other authorized entity, as appropriate, a de minimis rate as described in 2 C.F.R. § 200.414, or a rate negotiated with TWC.

2. Obligation and Deobligation of Funds.

Notwithstanding the provisions of Section 17 of the GTCs, the following provisions apply to the obligation and deobligation of funds under this grant:

2.1. TWC shall not be liable to the Grantee for any excess or erroneous funding obligations and retains the right to unilaterally deobligate such funds.

- 2.2. TWC may obligate additional funds under this grant or deobligate funds previously obligated under this grant at the sole discretion of TWC.
- 2.3. Notwithstanding the provisions of Section 17 of the GTC, TWC may deobligate funds allocated to the Workforce Area in accordance with TWC rules for failure to achieve expenditure benchmarks as established within TWC rules.
- 2.4. To request a voluntary deobligation of funds allocated to the Workforce Area, and AEL Grant Recipient's Chief Executive Officer shall submit a written request to the Commission. For an AEL Consortium, a copy must be provided to all AEL Consortium Members.
- 2.5. TWC shall provide written notification to the Grantee in the form of either a letter of notification or a grant amendment in the case of an additional obligation or deobligation of funds at least ten (10) business days in advance of the revision taking effect.

3. Financial Reporting

- 3.1. The Grantee shall electronically submit an accurate monthly financial report, including accrued expenditures and obligations, no later than 11:59 p.m. Central Time on the 20th calendar day of each month through TWC's on-line CDER system. To the extent applicable, the Grantee will comply with the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-23 including subsequent issuances; and additional TWC issuances. If the Grantee does not meet established reporting deadlines, late notifications will be issued and access to funds may be disabled as specified in those issuances.

- 3.2. The Grantee shall electronically submit a financial closeout package through the closeout module of the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the grant end date. If TWC exercises its option to renew a grant, TWC may require that a separate financial closeout package be submitted through the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the end of the Grant Period immediately preceding any such renewal, or another date specified by TWC. The Grantee shall submit the financial closeout package according to the instructions specified in 40 TAC §§ 800.52 and 800.72; TWC's FMGC; AEL Letter 01-23 including subsequent issuances; and additional TWC issuances.

CERTIFICATIONS

The Applicant is required to comply with certain state and federal provisions. The Applicant must read and affirm without exception these certifications by completing the form, signing where provided and returning these certifications with the Application. The Applicant represents and warrants that all certifications, representations, warranties, and other provisions in these Certifications apply to Applicant.

Eligible Applicant.

The Applicant certifies that the submitted Application is for an Eligible Applicant as defined in Form D, Applicant Screening in Request for Applications (RFA) 32024-00017.

1. General Terms and Conditions (GTCs) and Special Terms and Conditions (STCs).

The Applicant has read and agrees to comply with both the GTCs and the STCs of the RFA unless Applicant has filed an exception to the GTCs. Any proposed exceptions to the GTCs must be included in Form C, General Terms and Conditions Exceptions Microsoft Word document submitted with the Application and, if accepted by TWC, will be included in any final grant award. Applicant agrees that all exceptions to the GTCs requested by Applicant are rejected unless expressly accepted in writing, in a fully executed agreement, by TWC.

TWC reserves the right to consider exceptions, reservations, or limitations to the GTCs of this RFA, in evaluating and awarding funds under this RFA. TWC will not consider an Applicant's request to modify further the GTCs outside of what has been submitted with the Application. TWC will not consider modifications to the STCs.

It is understood that this Application constitutes an offer and, if accepted by TWC or renegotiated to acceptance, will form a binding agreement for one hundred eighty (180) days from the date the Application is due. Any alterations, additions, or deletions to the terms of this award required by changes in federal or state law or by regulations are automatically incorporated into this award without written amendment hereto and shall become effective on the date designated by such law or regulation.

2. Financial Requirements and Reporting Requirements.

The Applicant has read and agrees to comply with the Financial Requirements and Reporting Requirements contained in this Application. No exceptions or modification of the Financial Requirements or Reporting Requirements will be considered.

3. Lobbying.

This Certification is required by the Federal Regulations, implementing the Program Fraud and Civil Remedies Act, 31 U.S.C. § 1352, for the U.S. Department of Agriculture (2 C.F.R. Part 418), U.S. Department of Labor (29 C.F.R. Part 93), U.S. Department of Education (34 C.F.R. Part 82), and the U.S. Department of Health and Human Services (45 C.F.R. Part 93).

The undersigned, on behalf of the Applicant, certifies that:

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the

extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal grant contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form – LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.
- C. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements), and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars (\$10,000.00) and not more than one hundred thousand dollars (\$100,000.00) for each such failure.

4. Debarment, Suspension, and Other Responsibility Matters.

This certification is required by the Federal Regulations, implementing Executive Order 12549, Government-wide Debarment and Suspension, for the U.S. Department of Agriculture (2 C.F.R. Part 417), U.S. Department of Labor (2 C.F.R. Part 2998), U.S. Department of Education (2 C.F.R. Part

3485), and the U.S. Department of Health and Human Services (2 C.F.R. Part 376).

The undersigned certifies that neither it nor its principals:

- A. are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any state or federal department or agency;
- B. have, within a three-year period preceding this grant award, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant award under a public transaction, violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- C. are presently indicted for or otherwise criminally or civilly charged by a governmental entity with commission of any of the offenses identified in this certification; and
- D. have had, within a three-year period preceding this grant award, one (1) or more public transactions terminated for cause or default.

5. Drug-Free Workplace.

This certification is required by the Federal Regulations, implementing the Drug-Free Workplace Act §§ 5151-5160 (41 U.S.C. § 701 et seq., as amended), for the U.S. Department of Agriculture (2 C.F.R. Part 421), U.S. Department of Labor (29 C.F.R. Part 94), U.S. Department of Education (34 C.F.R. Part 86), and the U.S. Department of Health and Human Services (2

C.F.R. Part 382). The undersigned certifies that it shall provide a drug-free workplace by:

- A. Publishing a policy statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the consequences of any such action by an employee;
- B. Establishing an ongoing drug-free awareness program to inform employees of the dangers of drug abuse in the workplace; the organization's policy of maintaining a drug-free workplace; the availability of counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed on employees for drug abuse violations in the workplace;
- C. Providing each employee with a copy of the policy statement;
- D. Notifying the employees in the policy statement that as a condition of employment under this grant award, employees shall abide by the terms of the policy statement and notifying the employer in writing within five (5) days after any conviction for a violation by the employee of a criminal drug statute in the workplace;
- E. Notifying TWC within ten (10) days of receipt of a notice of a drug conviction of an employee; and
- F. Taking appropriate personnel action against an employee convicted of violating a criminal drug statute or requiring such employee to participate in a drug abuse assistance or rehabilitation program.

6. Levies, Liens, and Unresolved Audit Exceptions. (S)

The undersigned certifies that the Applicant has no outstanding debts that will result in liens or levies being placed on payments received from TWC and that it owes no funds to TWC, including unresolved audit exceptions. An unresolved audit exception is an exception for which the business entity has exhausted all administrative and judicial remedies and refuses to comply with resulting written demands for payment from TWC.

7. State Assessment Certification. (S)

The Applicant certifies that all the following statements are true and correct and that the Applicant understands making a false statement is a material breach of contract and is grounds for cancellation of this grant award:

- A. It is current in Unemployment Insurance taxes, Payday and Child Labor Law monetary obligations, and proprietary school fees and assessments payable to the State of Texas;
- B. It has no outstanding Unemployment Insurance overpayment balance payable to the State of Texas;
- C. Applicant is in good standing under the laws of Texas and has provided TWC with any requested or required supporting documentation in connection with this certification; and
- D. Applicant shall remain in good standing with the Texas Secretary of State and Texas Comptroller of Public Accounts during the term of the Grant Award and eligible to conduct its business in Texas and shall comply with all applicable requirements of the Texas Secretary of State and the Texas Comptroller of Public Accounts.

8. Prohibition on Certain Bids and Contracts. (S)

Pursuant to Texas Government Code § 2155.006, a state agency may not accept a bid or award a contract that includes proposed financial participation by a person who, during the five-year period preceding the date of the award, has been either convicted of violating federal law or assessed a penalty in a federal, civil, or administrative enforcement action, in connection with a contract awarded by the federal government for relief efforts as a result of Hurricane Rita, Hurricane Katrina, or any other disaster occurring after September 24, 2005, or in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts.

Under Texas Government Code § 2155.006, the Applicant certifies that the individual or business entity named in this Application is not ineligible to receive the specified award and acknowledges that the resulting grant award may be terminated, and payment withheld if this certification is inaccurate.

9. Unfair Business Practices. (S)

The undersigned certifies that the Applicant has not been found guilty of unfair business practices in a judicial or state agency administrative proceeding during the preceding year. The undersigned further affirms that no officer of the Applicant has served as an officer of any company found guilty of unfair business practices in a judicial or state agency administrative proceeding during the preceding year.

10. Texas Family Code. (S)

The undersigned certifies that the Applicant is not ineligible, pursuant to Texas Family Code § 231.006, to receive the award funds and acknowledges that any grant award resulting from this RFA may be terminated and

payment may be withheld if this certification is inaccurate. If a board member, corporate officer, individual, or controlling officer of the awardees' Fiscal Agent (as applicable) is more than thirty (30) days in arrears in the payment of an obligation to pay child support, the awardee acknowledges that payments under the grant award resulting from this RFA may be suspended and/or the grant canceled.

11. Restrictions on the Use of Certain Public Subsidies. (S)

Pursuant to Texas Government Code § 2264.051, a business that applies to receive a public subsidy from a state agency shall certify that the business, or a branch, division, or department of the business does not and will not knowingly employ an undocumented worker as defined in Texas Government Code § 2264.001(4).

The Applicant certifies that it does not knowingly employ an undocumented worker, as defined by Texas Government Code § 2264.051. The Applicant further certifies that it shall establish and implement reasonable internal program management procedures sufficient to ensure its compliance with Texas Government Code § 2264.051. The Applicant certifies that it will enter into a written agreement with its Subrecipient's Subcontractors, working on or having an interest in the programs provided by this grant award regarding the unlawful employment of undocumented workers and advising the Subrecipient's Subcontractors of the penalties that the Subcontractors will incur if convicted of the unlawful employment of undocumented workers.

Texas Government Code § 2264.052 mandates that a business convicted of a violation under 8 U.S.C. § 1324a(f) (unlawful employment of undocumented workers), shall repay the amount of the public subsidy with interest not later than the 120th day after the entity is notified of the violation. In accordance with Texas Government Code § 2264.053, TWC has

determined that if an entity is convicted of such a violation, the interest rate to be applied to the public subsidy is fifteen percent (15%).

12. Certification Concerning Dealings with Public Servants. (S)

Applicant represents and warrants that it has not given, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Application.

13. Conflicts of Interest.

Applicant represents and warrants that Applicant has no actual or potential conflicts of interest in providing services to the State of Texas under this RFA and Applicant's provision of services under this RFA would not reasonably create an appearance of impropriety. Applicant must disclose any existing or potential conflict of interest it may have in contracting with TWC.

14. Franchise Tax Certification. (S)

Applicant certifies that it is exempt or not delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171 of the Texas Tax Code.

15. Compliance with Antitrust Laws. (S)

Pursuant to Texas Government Code § 2155.005, Applicant certifies that neither Applicant nor any firm, corporation, partnership, or institution represented by Applicant, or anyone acting for such a firm, corporation or institution has (1) violated the antitrust laws of the State of Texas under Texas Business & Commerce Code, Chapter 15, or the federal antitrust laws; or (2) communicated directly or indirectly the Application to any competitor

or any other person engaged in such line of business during the procurement process.

16. Compliance with Contracting with State Agency Executive Head. (S)

Applicant certifies that it is in compliance with Texas Government Code § 669.003, relating to contracting with executive head of a state agency. Enter the name of any current or former executive head of a Texas state agency that is currently employed by Applicant below:

Name of Former Executive: [N/A]

Name of State Agency: [N/A]

Date of Separation from State Agency: [N/A]

Position with Applicant: [N/A]

Date of Employment with Applicant: [N/A]

All such disclosures will be subject to administrative review and approval prior to TWC entering any contract with Applicant. Applicant acknowledges that the grant award may be terminated at any time, and payments withheld, if this information is false.

17. Certification Concerning Financial Participation. (S)

Under Texas Government Code § 2155.004(a), Applicant certifies that neither it nor any person or entity which will participate financially in the award has received compensation for participation in the preparation of specifications for this RFA. Further, under Texas Government Code § 2155.004(b), Applicant certifies that the individual or business entity named

in this Application is not ineligible to receive the specified award and acknowledges that the resulting grant award may be terminated, and payment withheld if this certification is inaccurate.

18. Certification Concerning Restricted Employment for Former State Officers or Employees Under Texas Government Code § 572.069. (S)

Applicant certifies that it has not employed and will not employ a former TWC or state officer who participated in a procurement or contract negotiation for TWC involving Applicant within two years after the state officer or employee left state agency employment or service.

This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.

19. Receipt of Appropriated Funds. (S)

Applicant represents and warrants that TWC's payments to Applicant and Applicant's receipt of appropriated or other funds under the Agreement are not prohibited by Sections 556.0055, regarding Restrictions on Lobbying Expenditures, or 556.008, regarding Compensation Prohibition, of the Texas Government Code.

20. Federal Funding Accountability and Transparency Act (FFATA).

If applicable, in accordance with the reporting requirements established by the Federal Funding Accountability and Transparency Act (FFATA) of 2006, Pub. L. 109-282, as amended by Pub. L. 110-252, title VI, § 6202(a), June 3, 2008, according to the instructions specified in WD Letter 29-12 and subsequent issuances, Applicant certifies that it will comply with WD Letter

29-12 and subsequent issuances during the term of the grant, requiring full disclosure of all entities and organizations receiving federal funds.

Applicant certifies that it will have a federally issued Unique Entity Identifier at the time of the Grant Award, and that, if required, it will have a registered SAM.gov account within thirty (30) days of and throughout the Grant Award.

21. Buy Texas (S)

Applicant agrees to comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts.

22. COVID-19 Vaccine Passports (S)

Pursuant to Texas Health and Safety Code, Section 161.0085(c), Applicant certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from the Applicant's business. Applicant acknowledges that such a vaccine or recovery requirement would make Applicant ineligible for a state-funded contract.

23. Foreign-Owned Companies in Connection with Critical Infrastructure (S)

If Texas Government Code, Section 2274.0102(a)(1) (relating to prohibition on contracts granting direct or remote access to or control of critical infrastructure in this state, excluding access specifically allowed by the governmental entity for product warranty and support purposes, with certain foreign-owned companies) is applicable to a contract resulting from this Solicitation, pursuant to Texas Government Code Section 2274.0102, Applicant certifies that neither it nor its parent company, nor any affiliate of

Applicant or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Texas Government Code Section 2274.0103, or (2) headquartered in any of those countries.

24. Cybersecurity Training (S)

Applicant represents and warrants that it will comply with the requirements of Section 2054.5192 of the Texas Government Code relating to cybersecurity training and required verification of completion of the training program.

25. Disaster Recovery Plan (S)

An Applicant in possession of vital state records, as defined in Texas Government Code § 441.180(13), agrees that upon request of TWC, Applicant shall provide copies of its most recent business continuity and disaster recovery plans.

26. Excluded Parties

Applicant certifies that it is not listed in the prohibited vendors list authorized by Executive Order 13224, *"Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism,"* published by the United States Department of the Treasury, Office of Foreign Assets Control.

27. Public Camping Ban (S)

Applicant certifies that it has not received a final judicial determination finding it intentionally adopted or enforced a policy that prohibited or discouraged the enforcement of a public camping ban in an action brought

by the Attorney General under Texas Local Government Code §364.003. If Applicant is currently being sued under the provisions of Texas Local Government Code § 364.003 or is sued under this section at any point during the duration of this grant, Applicant must immediately disclose the lawsuit and its current posture to the Agency.

28. Grants for Political Polling Prohibited (S)

Pursuant to the General Appropriations Act, Article IX, Section 4.03, none of the funds appropriated by the General Appropriations Act may be granted to or expended by any entity which performs political polling. This prohibition does not apply to a poll conducted by an academic institution as part of the institution's academic mission that is not conducted for the benefit of a particular candidate or party. By submitting a response to this RFA, Applicant certifies that it is not ineligible for a Grant Award pursuant to this prohibition.

29. Complete and Accurate Information

Applicant represents and warrants that all statements and information provided to TWC are current, complete, and accurate. This includes all statements and information in this Solicitation Response.

30. Acceptance of the Grant-Specific Requirements.

The Applicant certifies its acceptance of the RFA, including attachments, if any, in its entirety and the requirements identified therein as well as this Application and attachments, if any.

Applicant's Signature

These certifications are a material representation of fact upon which reliance will be placed when this grant award is made or entered into. Submission of this signed certification is a prerequisite for an Application to be evaluated and scored.

By signing, the Applicant certifies that:

1. All the information in this Application, including all certifications herein, is complete and accurate;
2. Applicant is in compliance with the **General and Special Terms and Conditions** and the **Financial Requirements** and acknowledges that continued compliance is a condition for the award of a grant;
3. Applicant represents and warrants that all certifications, representations, warranties, and other provisions in these Certifications apply to Applicant and all of Applicant's principals, officers, directors, shareholders, partners, owners, agents, employees, subcontractors, independent contractors, and any other representatives who may provide services under, who have a financial interest in, or otherwise are interested in this Solicitation or any contract resulting from this Solicitation;
4. The authorized representative hereby warrants that he or she has been fully authorized by the Applicant to complete the Certifications on behalf of the Applicant, and validly and legally bind the organization to all the terms and conditions, performances, and provisions of the RFA;

5. If a grant is awarded, all program activity will be conducted in accordance with applicable Federal and State laws and regulations, TWC Certifications, RFA 32024-00017, and the Application; and
6. Applicant agrees to electronically sign TWC's documents and agreements via DocuSign eSignature.

Enter the requested information in rows 1-10 of the Certifications table.

Certifications Table
1. LEGAL APPLICANT NAME. Enter the legal name of the Applicant. Harris County Department of Education
2. ADDRESS (include street address, and mailing address, if different) Enter the Applicant's physical and mailing address, city, county, state, and zip code: 6300 Irvington Blvd., Houston, TX 77022
3. PAYEE NAME AND MAILING ADDRESS (if different from above). Entity involved in a contractual relationship with Applicant to receive payment for services rendered by Applicant and to maintain accounting records for the contract; i.e., Fiscal Agent. Enter PAYEE's name and mailing address if PAYEE is different from the Applicant. PAYEE is the entity or vendor receiving payments. Enter PAYEE physical and mailing address, city, county, state, and zip code: Same as above.
4. Unique Entity ID (UEI). (12-digit), if available. The UEI is a federally-issued 12-character (alpha-numeric) code issued through SAM.gov. Enter UEI: UNGLC1KFXDS7

Certifications Table
<p>5. FEDERAL TAX ID NUMBER. (9-digit), State of Texas Comptroller Vendor ID No. (14-digit). Federal Tax Identification Number (9-digit) or Vendor Identification Number assigned by the Texas State Comptroller (14-digit). Enter Federal Tax Id No.: 74-6001215; 74-6001215-0-00</p>
<p>6. RECURRING TRANSACTION INDEX (RTI) NUMBER. (applies to state agencies and institutions of higher education): 6-digit identifier established in the statewide accounting system by a state agency or institution of higher education receiving funds from another state agency or institution of higher education when funding sources for both agencies are held in the State Treasury; the RTI number directs the statewide accounting system how to post the receiving transaction. Enter RTI No.: N/A</p>
<p>7. FILING NUMBER (Charter number assigned by Secretary of State). Enter the 10-digit filing number assigned by the Secretary of State: 153415701</p>
<p>8. AUTHORIZED REPRESENTATIVE. Enter the name, title, phone, fax, and email address of the person authorized to represent the Applicant:</p> <p>Name: James Colbert, Jr.</p> <p>Title: County School Superintendent</p> <p>Phone: 713-696-0715</p> <p>Fax: 713-696-0723</p> <p>Email: jcolbert@hcde-texas.org</p>

**NOTICE TO ALL APPLICANTS:
EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM
BENEFICIARIES**

Section 427 of the General Education Provisions Act (GEPA) ([20 U.S.C. 1228a](#)) applies to applicants for grant awards under this program.

ALL APPLICANTS FOR NEW GRANT AWARDS MUST INCLUDE THE FOLLOWING INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.

Please respond to the following requests for information:

1. Describe how your entity's existing mission, policies, or commitments ensure equitable access to, and equitable participation in, the proposed project or activity.

2. Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?

3. Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

4. What is your timeline, including targeted milestones, for addressing these identified barriers?

REPORTING REQUIREMENTS

A Grantee will be required to submit the following reports to TWC on TWC supplied templates, including:

- 1) **TEAMS (Texas Educating Adults Management System)**
Monthly Data Entry and Validation: Participant information, assessments, attendance, and outcomes will be recorded in TEAMS on a biweekly schedule with monthly data validation deadlines.
- 2) **Quarterly Data Sign Offs:** Provide data sign off, validation of all data entry in TEAMS.
- 3) **Quarterly Performance Reports (QPRs):** QPRs provide regular updates towards the grant program goals and must be submitted to the designated TWC Grant Manager no later than ten (10) days after the end date of each quarter. A quarter is defined as a three-month period on a grant's period of performance that acts as basis for periodic progress reports. The first quarter begins on the grant execution date and includes all remaining days of the month of execution and the two months following. Subsequent quarters begin on the first day of the fourth month and are measured in three-month increments.
- 4) **Ad-hoc Reports:** Ad hoc reports, as requested, by TWC to meet the potential need for timely information during the grant term. Due dates for ad-hoc reports will be established at the time of request.
- 5) **Monthly Expenditure Reports:** Electronically submit an accurate monthly financial report, including accrued expenditures and obligations, no later than 11:59 p.m. Central Time on the 20th calendar day of each month through TWC's on-line CDER system. The monthly financial report in this requirement is a fillable online report that designated grantee personnel will complete by logging

into TWC's CDER system and keying monthly obligation, and expenditure, Program.

- 6) **Financial Closeout Report:** Electronically submit a financial closeout package through TWC's CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the grant end date for the initial Grant Period specified in the Solicitation. If TWC exercises its option to renew a grant, TWC may require that a separate financial closeout package be submitted through the CDER system no later than 11:59 p.m. Central Time on the 60th calendar day from the end of the Grant Period immediately preceding any such renewal, or another date specified by TWC.
- 7) **Final Report:** A final report must be submitted to the designated TWC Grant Manager regarding the grant outcomes. The final report is due not later than thirty (30) days after the grant end date. The final report shall include, but is not limited to:
 - a. a description of the project as administered by the Grantee;
 - b. project goals outlined and achievements described;
 - c. review of the activities accomplished;
 - d. project obstacles encountered including solutions or outcomes;
 - e. key stakeholders with contact information;
 - f. positive outcomes;
 - g. best practices;
 - h. areas needing improvement;
 - i. lessons learned;
 - j. sustainability strategy after the end of the project; and
 - k. any other activities provided in the Applicant's Application.

Deliverables Table

Deliverables Description	Deliverable Target	Deliverable Due Date
Provide a Detailed Project Plan and Expenditure Projection using TWC provided template.	1 Plan	30 days after grant begin date
Develop and maintain SOPs as specified in the Program Requirements Section, this application and further defined in the AEL Companion Guide	7 SOPs	90 days after begin date
Hire and/or assign program staff, as specified in the Program Requirements Section, Consideration 9 of this application, notify TWC Grant Manager once completed.	Provide name and contact information for staff	90 days after begin date
Provide to the designated TWC Grant Manager notification of executed subawards to subrecipients, if applicable, including budgets and SOPs.	1 notification	90 days after grant begin date
Develop and provide Distance Learning Plan as specified in the Program Requirements Section, Consideration 7 of this application.	1 Plan	90 days after grant begin date
Develop a Professional Development plan utilizing TWC provided template to meet Program Requirements in Consideration 9 of the application.	1 Plan	90 days after grant begin date, then June 30 th of each year within the total grant cycle

Enter into an MOU with the Board	1 MOU	120 days after grant begin date
----------------------------------	-------	---------------------------------

End of Deliverables table.

MINIMUM AND MAXIMUM AWARD

A Section 243 Applicant may request any amount between two hundred thousand dollars (\$200,000) (minimum award) and one million dollars (\$1,000,000) (maximum award).(S)

Each Section 243 Application will use Form F2, IELCE Funding Calculator, in connection with its funding request. The Form will calculate the portion of the request that is available for administrative costs (based on a five percent (5%) administrative cost limit), a ten percent (10%) minimum dollar amount that must be dedicated to IET, and certain performance targets. (S) Refer to TWC Contracted Measures/Targets in this Application for information about the calculated performance targets.

TWC CONTRACTED MEASURES/TARGETS

For Applicants awarded Section 243 Activities, specific outcome and reporting measures will be provided by TWC guidance each year once approved by the Commission. At a minimum, Grantees will have targets on the following TWC Contracted Measures:

- a) Total Enrollment;
- b) IET Enrollment;
- c) MSGs;
- d) Credential Rate;
- e) Employed/Enrolled Quarter 2 After Exit;
- f) Employed/Enrolled Quarter 4 After Exit;
- g) Median Earnings Quarter 2 After Exit; and
- h) Post-test Rate.

Of these targets, Form F2, IELCE Funding Calculator provides an initial estimate for Popular Services Enrollment and IET Enrollment targets. It also

calculates a value for Popular Adult Education Services and IET Services, which TWC uses toward the calculation of Total Enrollment.

Enrollment Targets are not applied to administrative costs.

NOTE: Targets calculated in Form F2, IELCE Funding Calculator, use the methodology approved in the state Legislative Appropriations Request (LAR) for the 2023-2024 state biennium, as well as cost-per methodologies approved by TWC. It assumes the achievement of the statewide total-participant served target mandated by the legislature, as well as incremental increases in Career Pathways enrollments through IET programs. TWC will establish final funding and associated targets in late spring/early summer 2024. Targets will be negotiated on an annual basis.

High Scores consist of the following: The Applicant responded to every sub-question with sufficient detail and aligns to the context of the question/sub-question. If applicable, any required chart is filled in completely and contains relevant content. The response is accurate, clear, and aligns with other responses.

WORK PLAN

1. EXECUTIVE SUMMARY- Required (Not scored)

Applicants will: 1) identify the name and AEL provider type the Applicant is applying as and if the Applicant is a Consortium, as described in Form D, Applicant Screening (Section 1 and Section 2, if applicable); and 2) provide a brief description of where services will be provided and your service delivery approach 3) the total budget request as detailed in Form B, Budget Workbook.

No points for this section.

Harris County Department of Education (HCDE), a local education agency located in Houston, Texas, is requesting \$997,791 for its Adult Education (AE) division to serve 750 adults in Harris County who need Integrated English Literacy and Civics Education (IELCE) activities aimed at helping immigrant and English language learners in their roles as parents, workers, and citizens. The demand for IELCE services in Harris County is substantial, as evidenced from census data and the historical demand for ESL classes at HCDE AE.

HCDE AE is a current adult education and literacy (AEL) funded provider and has served Harris County and surrounding areas since 1966. For over 40 years, HCDE AE has been one of the largest and most successful adult education providers in the Gulf Coast region by offering a flexible array of programs, classes and services that allow adults, who are in greatest need of education, to make significant gains in basic skills toward a career pathway.

HCDE AE's proposed program implementation for Harris County strives for a balanced approach that aligns the region's educational landscape and reflects current students' preferences for in-person, remote learning, and distance learning. Since the onset of the COVID-19 pandemic, service delivery has predominantly shifted to a remote online format. However, there has been a recent increase in the demand for in-person services with projections reaching approximately 50% in the 2023-2024 period. The anticipated surge for in-person learning is bolstered by HCDE's newly established Adult Education Learning Center, a 51,000 square-foot, state-of-the-art facility that has met all Americans with Disabilities Act accessibility requirements. The building contains 22 classrooms and healthcare classrooms that provide space for Nurse Assistant and Phlebotomy certifications.

HCDE AE's IELCE instructional model is a "Contact to Careers" that provides flexible pathways for English Language learners to reach their educational and career goals. HCDE AE's Career Pathways model allows

students to work on the skills they require to succeed in making one of these transitions regardless of their initial educational level or language proficiency.

HCDE AE's instructional plan is aligned with the Texas AEL Content Standards and aims to expedite the transition of undereducated adults into career pathways by introducing greater rigor in instruction content. HCDE AE's service plan consists of 308 hours of classes and training that include: 1) Intake, Registration, and Pre-test. 2) Literacy – Adult Basic Education for 10 weeks that consists of math and literacy prep (60 hrs.), ESL (60 hrs.), and post-test – HSE (40 hrs.) and ESL (60 hrs.). 3) Workforce Skills (WFS) – IET-Career & Job Readiness for 6 weeks and consists of career skills training and workforce, certification/IET, and intensive job skills and training (72 hrs.). 4) Career & Job Placement Services for WFS Students for one (1) week that consists of job placement (16 hrs.). 5) Data: MSG and Tracking - HCDE AE will track participants' progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data.

HCDE AE's IELCE programs are also aligned with the Gulf Coast Board's plan in that they are specifically designed to address the growing need to establish career pathways for adults at different skill levels and particularly those with barriers to employment, such as lack of proficiency in English. The IELCE program offers a range of activities and services, including literacy, English language education, civics instruction, preparation for the naturalization exam, workplace ESL, ESL for Professionals, contextualized workplace ESL, and integrated education and training, which lead to High School Equivalency attainment (in English or Spanish), entering post-secondary training or employment in a targeted occupation in the region.

HCDE AE also has a distance learning plan in place centered around GED Academy for ABE and HSE preparation and BurlingtonEnglish® for ESL classes. The proposed plan provides detailed information on each curriculum

and specific strategies regarding student recruitment, orientation, support, and documentation of proxy hours in TEAMS.

To ensure the success of the distance learning strategy, distance learning platforms were chosen for their easy accessibility across many digital devices including phones and laptops. HCDE AE provides students with extensive training on using the DL platform and provides multiple options for addressing technical issues with their instructor or the Adult Education Distance Call Center.

Funding from the Texas Workforce Commission will enable HCDE AE to make a lasting impact on the lives of undereducated adults in Harris County and empower them to build successful careers and contribute meaningfully to the Gulf Coast region's workforce.

2. CONSIDERATION 1: RESPONSIVENESS TO LOCAL BOARD PLAN – 5 points

Applicants will provide a detailed plan on how they will: 1) be responsive to regional needs of the proposed geographical and service delivery area, as identified by the Local Board Plan(s) (See Attachment 4, Local Board Plan Reference); 2) identify the demographics (e.g., race, ethnicity, socio-economic status) of the service delivery area, cite sources; and 3) develop recruitment and outreach strategies to meet the needs of the demographic population of the area, particularly how they will focus a) on individuals with low levels of literacy, b) those who lack a high school diploma or its recognized equivalent, c) ELLs, and d) those who would benefit from Career Pathways opportunities, including those who are Internationally Trained Professionals, (See Attachment 4, Local Board Plan Reference). (S)

1. Responsive to Regional Needs

For more than 40 years, Harris County Department of Education's Adult Education division (HCDE AE) has been dedicated to providing English Literacy and Civics (EL Civics) classes and services to support adult learners in acquiring essential English language skills in Harris County, Texas. These programs not only focus on language proficiency but also emphasize the understanding of civic responsibilities, culture, and community engagement. Tailored for individuals with limited English proficiency, these initiatives aim to improve language abilities for better integration into society. Our mission aligns seamlessly with the Gulf Coast Local Board Plan, which concentrates on helping employers meet their human resource needs and empowering individuals to build successful careers (Gulf Coast, Local Board Plan, p. 13).

To fulfill the Workforce Board's objective of expanding access to employment, training, education, and support services, particularly for those with barriers to employment, HCDE AE provides educational services to adults facing challenges such as low literacy levels, lack of a high school diploma, or limited English language proficiency, including internationally trained professionals (Gulf Coast Board Plan, p. 41).

Aligned with the Gulf Coast Board's Plan, HCDE AE has developed and continues to expand a career pathways model that aligns with the region's workforce needs (Gulf Coast Board Plan, p. 41). This model relies on labor market information from Gulf Coast Workforce Solutions, identifying local sectors contributing significantly to the regional economy and providing job opportunities for both skilled and less-skilled workers in sectors such as Health Care and Social Assistance, Construction, Office Administration, Transportation and Warehousing, and Education.

Improving basic literacy skills equips many adults with essential skills for jobs in high-demand industries or occupations not requiring a high school diploma. Students completing high school equivalency and training for

industry-recognized certification are better positioned for jobs requiring a high-school equivalency. Our integrated education and training programs target High-Skill, High-Growth occupations, such as pipefitting, computer user support specialists, and allied health occupations like Cardiovascular Technologist.

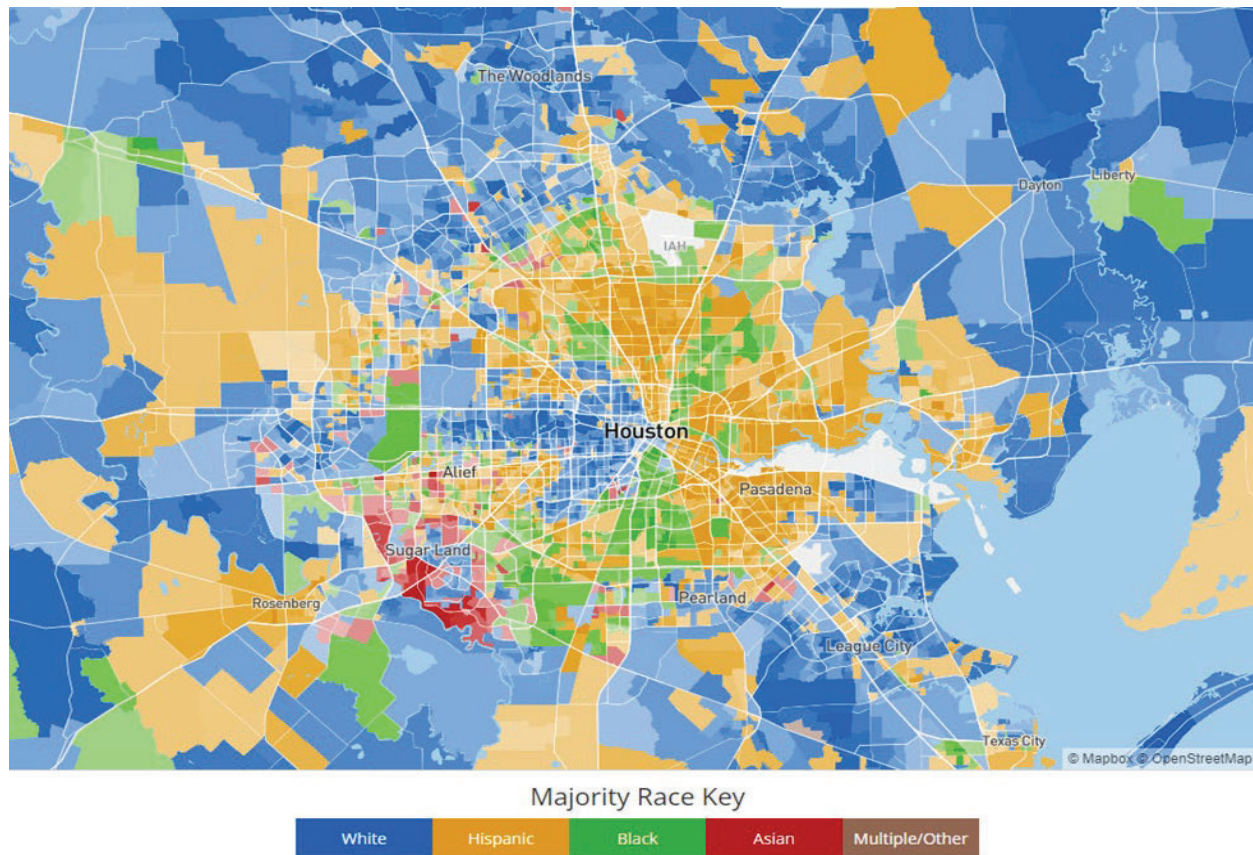

2. Demographics

Based on the 2022 U.S. Census Bureau data, Harris County has a population of 4,731,129 and there are projections of continuous growth in the upcoming years. Harris County covers over 1,700 square miles and exhibits remarkable demographic diversity. This diversity encompasses variations in age, race, socioeconomic status, educational background, and employment opportunities.

Fifty-six percent (56%) of the population falls within the ages of 18 and 65, with 20% lacking a high school diploma or higher education, and 16.4% living in poverty. The county's demographic makeup is increasingly diverse, with 45% identifying as Hispanic, 26.8% as White non-Hispanic or Latino, 18.5% as Black or African American, and 7.1% as Asian. Furthermore, 24.5% of the population comprises individuals of two or more races, while less than 1% consists of American Indians, Alaska natives, Native Hawaiians, or Pacific Islanders (Quick Facts: Harris County, Texas, U. S. Census Bureau).

Figure 1.1 below illustrates the racial and ethnic diversity of the county (U.S. Census Bureau (2021t), American Community Survey 5-Year Estimate (Table DP05), U.S. Department of Commerce).

Figure 1.1 – Largest Racial and Ethnic Groups in Harris County

The demand for English Language Acquisition programs in Harris County is substantial, as evidenced from census data and the historical demand for ESL classes at HCDE AE. Nineteen percent the total population, or 898,316 individuals, struggle with English proficiency (American Community Survey, 2021), highlighting the need for English as a Second Language (ESL) classes and career pathways tailored for English Language Learners as a means of reducing barriers to employment. In Harris County, 25.3% of the adult population, totaling 709,670 individuals, speaks English less than very well. Additionally, 17% of the adult population

consists of non-citizens, with the majority (498,361) speaking English "less than very well." In 2022-2023, HCDE AE served 2,743 English language learners or 69.3% of all participants with 59.2% of participants entering services at the beginning ESL levels (TEAMS Table IV, 2022-2023). This data

shows that English Language Learners (ELLs) need intensive services that will allow them to pursue employment or post-secondary educational opportunities.

The broader goal for the Gulf Coast region is to have 84% of individuals aged 25 and older hold an education credential (Gulf Coast Board Plan, p. 11.) The challenge is even greater in Harris County, where only 81.9% of adults aged 25 and over have a high school diploma or an HSE, compared to 83% in the broader region. HCDE AE contributes to these goals by serving 899 adult basic education students in 2022-2023, accounting for 22.5% of all participants. Among these, 381 or 42.4% had Beginning ABE Educational Functional Levels (NRS 1-2). Notably, only four participants in the HSE program had initial Low ASE level skills (NRS 5), and none had ASE High level (NRS 6) (TEAMS Table IV, 2022-2023). This data illustrates HCDE's focus on serving ABE participants with very low levels of literacy, requiring intensive instruction and support to reach their educational goals.

Furthermore, educational attainment is closely linked to geographical location, race, and income disparities. The Board Plan recognizes that poverty rates in the region range from a low of 7.7% for Whites to 19.6% for Blacks and 18.2% for Latinos of any race (Plan, p.32). Poverty rates also correlate with educational attainment, with 22.6% of those with less than a high school diploma living in poverty. For those with higher barriers to employment, such as low literacy or English language learners, employment outcomes are even more challenging.

For the part of the Workforce System under Workforce Solutions, the Board Plan focuses on individual outcomes for employment, education, and earnings (Gulf Coast Workforce Board, p. 18). HCDE AE's Career Pathways Plan to increase educational attainment with a focus on industry certifications in High Demand Occupations supports the Board's goal of "getting people back to work" (Gulf Coast Workforce Plan, p. 34). For this goal, the Board

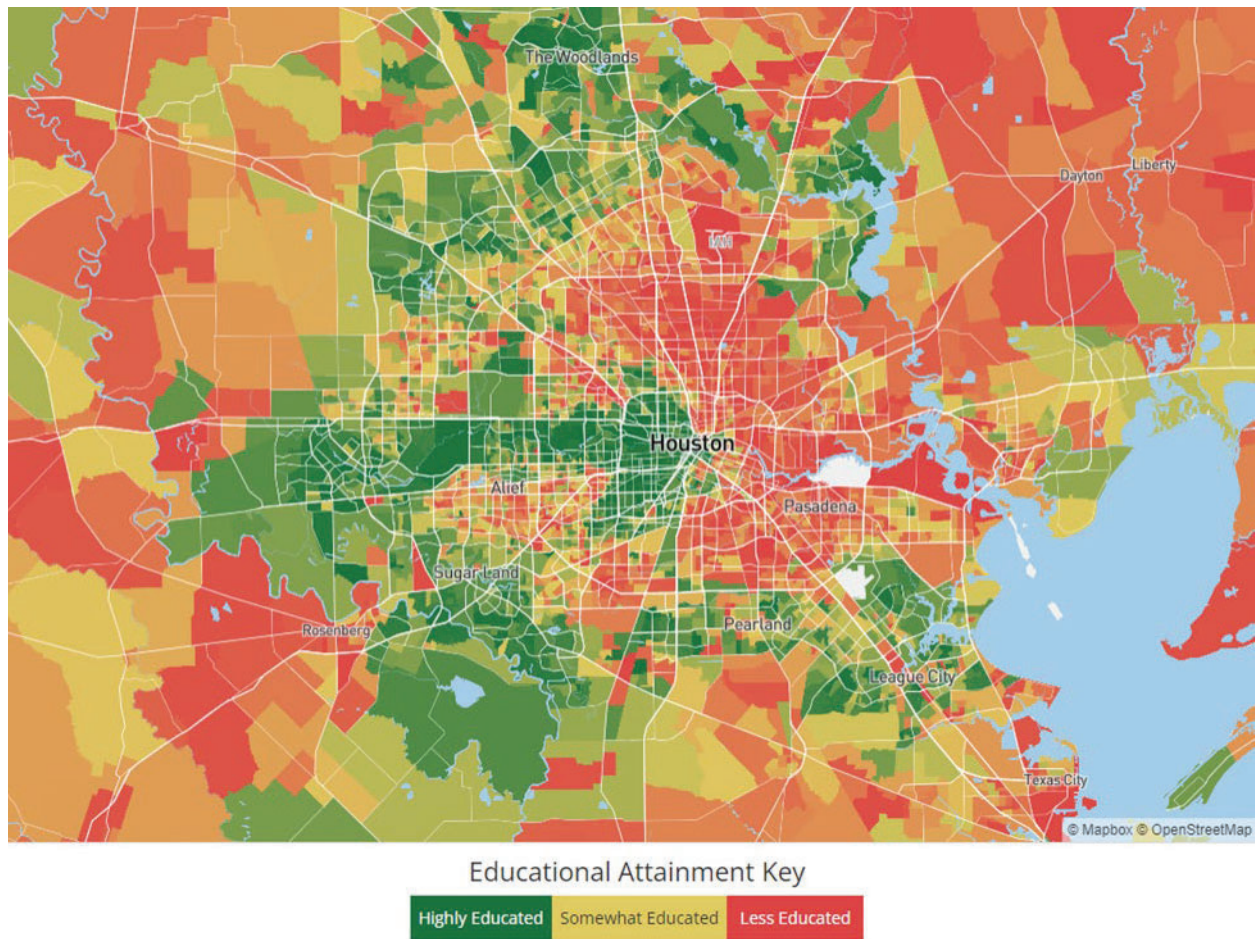

sees its relationship with its Core Partners, including Adult Education and Literacy, as responsible for providing basic literacy preparation leading to a high school diploma and supporting specific career pathways on the Target Occupations List, and improving access to industry-recognized certificates (Gulf Coast Workforce Plan, p. 41).

HCDE AE's program also targets earnings by focusing on a long-term goal of increasing educational certifications and post-secondary certifications in High Demand Occupations. In Harris County, the median income of an adult lacking a high school diploma or equivalent is \$26,477, almost \$5,000 less than an adult who has one. Not surprisingly, the poverty rate is 28.5% among adults lacking a high school diploma or equivalent compared to 24.8% for those who have one (American Community Survey, 2021).

Figure 1.2 below, Educational Attainment in Harris County, illustrates that Harris County's northeast, southeast, and southwest areas have significant concentrations of adults lacking a high school diploma or higher education. In Harris County, there are differences in the achievement of a high school diploma or HSE among different racial and ethnic groups (U.S. Census Bureau (2021g), American Community Survey 1-Year Estimate, Table S1501, U.S. Department of Commerce).

White non-Hispanics have the highest attainment rate at 96.6%, followed by Blacks at 91.7%, Asians at 86.8%, and Hispanics or Latinos at 65.6%. Native American and Pacific Islanders have similar attainment rates to Hispanics and Latinos. HCDE AE's Adult Education Learning Center located in north central Houston, with a potential to serve 1,500 students, is in a community that has less educated adults and is predominantly Hispanic and Black. In-person partner sites offering ABE and HSE preparation in Alief, Baytown, Northwest Assistance Ministries, Foundry Church, Klein, and Pasadena are all in areas of high educational need.

Figure 1.2 – Educational Attainment in Harris County

The data for Harris County indicates low educational attainment did not prevent most people without a high school diploma from getting jobs, but it had a much higher impact on income. Low educational attainment may limit access to employment opportunities in In-Demand Industries, contributing to higher poverty rates among individuals without a high school diploma. Providing low levels of literacy or English language learners with an opportunity to improve basic skills and obtain a high school diploma is the first step in reducing barriers to employment that affect most of the program's participants.

To address these challenges, HCDE AE's proposed program aims to provide diverse opportunities for adults to enhance their English proficiency and basic skills, leading to a high school diploma, industry-recognized credentials, or a transition to college. The model is flexible enough to recognize that adults may have low levels of literacy, requiring participants to build skills over a more extended period. At the same time, the strategy provides adults who have improved their literacy skills sufficiently to pursue a high-school diploma and an industry-recognized certification in a High Demand Occupation, or to make a transition to college.

Students obtaining industry-recognized certifications will connect to a network of employer partners from each of the in-demand occupations, including Marek Brothers Construction, Turner Industries, Gulf Coast Blood Bank and Ashford Gardens Health, to facilitate employment outcomes. Transitions to college are facilitated through strong partnerships with area colleges (e.g., Houston Community College, Lone Star College, San Jacinto College, and Lee College).

3. Recruitment and Outreach Strategies

To attract ELLs with low literacy levels, those without a high school diploma, and those who would benefit from Career Pathways opportunities, including Internationally Trained Professionals, HCDE AE employs tailored strategies to meet their specific needs. HCDE AE offers high-quality programs with flexible learning options, including both in-person and online classes held in the morning and evening. Registration events are held at least eight times a year. Outreach efforts primarily focus on an extensive online and social media presence, attracting thousands of potential students monthly.

HCDE AE uses various channels for outreach, awareness, and advertisement of its programs, providing information in both English and Spanish.

Method of Approach

- Advertising: When marketing HCDE AE's programs, the director and staff advertise where prospective students are (e.g., adult education programs statewide, school districts, military recruiting offices, community colleges/institutions of higher education, and career readiness organizations). The HCDE AE's staff collaborates with HCDE's Communications and Marketing and Client Engagement divisions and affiliates to identify publications and websites that potential participants actively research locally or online.
- Marketing materials such as fliers and brochures translated to target languages, such as Spanish, Chinese, Arabic, Vietnamese and Korean, are distributed in areas where digital marketing is less effective. Program staff distributes fliers in local businesses, restaurants, and schools.
- Use of Social Media – LinkedIn and Facebook: Adult learners fall into the categories of millennials, Gen X, Gen Z and Baby Boomers, with Facebook being the most common social media channel for all of these individuals. This strategy works well for skills-focused populations in adult education, Armed Services Vocational Aptitude Battery (ASVAB) learners, K-12, and those pursuing post-secondary education. HCDE AE also utilizes LinkedIn for program awareness.
- Traditional Media: In collaboration with HCDE's Communications and Client Engagement Divisions, HCDE AE has been able to attract local media attention on its activities including HSE Graduation and most recently with coverage of Signing Day, including Spanish language stations Telemundo and Univision. Such coverage has a direct impact on the visibility of HCDE's services, particularly among English Language Learners.
- HCDE AE's Website: The director and staff work with HCDE's Communications and Information Technology divisions to ensure all program information is on HCDE AE's website and updated regularly. The

website pages are available in Spanish and can be easily translated into many other languages.

Partnerships

- Local Employers: HCDE AE has a long tradition of working with employers to meet the literacy needs of incumbent workers. For over 15 years, HCDE AE has worked with construction leader Marek Brothers to provide contextualized ESL classes for its workers. In 2020, HCDE AE initiated classes for internationally trained ELL professionals in partnership with Methodist Hospital. Collaborating with local employers allows HCDE AE to offer workplace programs, supporting employees' educational goals.
- Community Partnerships: These partnerships involve nine school districts including Alief, Cypress-Fairbanks, Galena Park, Goose Creek, Katy, Klein, Pasadena, Spring Branch and Sheldon ISDs; five religious organizations including Northwest Assistance Ministries, Ecclesia, Foundry Church, GET Church, and Covenant with Christ International; and one community organization, the Spring Branch Family Development Center. These partnerships enable us to offer education services and target hard-to-reach groups, such as English Language Learners and Internationally Trained Professionals.
- Local Nonprofit Organizations: HCDE AE has reached out to undereducated individuals in minority communities by partnering with organizations such as Eight Million Stories and GROW, which have strong connections with young people of color in low-income areas of Houston. Eight Million Stories is a nonprofit created to support disconnected youths, ages 9-24-years-old. GROW is a nonprofit organization dedicated to helping under-resourced high school youth find career direction.
- Library & Fairs: HCDE AE participates in public library and church fairs to raise awareness about services by setting up booths and distributing fliers.

Through these diverse strategies and partnerships, HCDE AE ensures its program reaches and serves a wide range of individuals in the community, addressing their unique needs and providing meaningful pathways to education and employment.

3. CONSIDERATION 2: SERVING INDIVIDUALS WITH BARRIERS TO EMPLOYMENT – 5 points

Applicants will describe how they will: 1) create comprehensive assessment procedures to identify individuals with physical, emotional, mental and learning disabilities; (S) 2) serve eligible individuals with: learning disabilities or Barriers to Employment (S) (See Attachment 4, Local Board Plan Reference); 3) ensure student needs are met or appropriate referrals are made (S); 4) provide accessible, safe and convenient instructional facilities including, but not limited to, a) ensuring facilities are (S): accessible, in accordance with the Americans with Disabilities Act; b) located near public transportation, in areas where public transportation is available; c) in proximity to no-cost parking; d) conducive to learning, including furniture appropriate for adults; and e) protected by monitored security or have security-restricted access points; and 5) ensure equitable access for programs, activities and related services for participants regardless of gender, race, national origin, color, and age. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Comprehensive Assessment Procedures

At each service location in Harris County, intake specialists are trained to provide a comprehensive assessment process and create a plan for individual participants. This assessment occurs during the intake process at registration, eight times a year. The program uses the following multi-step process to identify students with barriers to employment, including learning, physical and emotional disabilities:

- Screening Process: The Intake Team reviews the participant's background and history and gathers relevant information about the learner's personal, educational, vocational, medical, and psychological history. This may include documentation of previous assessments, diagnoses, interventions, accommodations, and achievements, financial constraints, transportation to and from employer, housing, childcare and caregiving responsibilities, emotional, learning, and physical disabilities. It may also involve interviewing the learner, family members, teachers, counselors, or other professionals who know the learner well to analyze career and workforce goals. Utilizing HCDE's Center of Educator Success (CES) Division, our team will enhance the screening process in consulting with leading experts in K-12 special education from CES to review current processes.
- Service Delivery Determination: HCDE AE has appropriate assessment instruments and procedures that are valid, reliable, and culturally sensitive tools that measure the domains and skills relevant to the assessment purpose and learner's characteristics. The standardized tests, informal measures, observations, interviews, portfolios, or self-reports use multiple sources of data to obtain a comprehensive and accurate picture of the learner's abilities and needs during intake or at registration. The intake team assesses the participant preferences and comfort level when administering the assessment.

If needed, the program provides reasonable accommodations with documented disabilities, such as extra time, enlarged print, test reader, or

scribe. Notations are made to identify the participant's needs, including basic daily activities such as mobility, communication, and management in a range of cognitive and behavioral areas. Constant referrals to the Texas Workforce Commission's Vocational Rehabilitation (VR) program are also embedded in accommodating the learners' emotional and physical disability that are barriers to employment. HCDE AE provides referrals to Vocational Rehab through a "soft hand off" to the Workforce Solutions Gulf Coast VR Department at 9668 FM1960 Bypass Road, Humble, TX 77338.

- Interpreting Results: The program interprets and integrates the assessment results of the participant. Data are analyzed from assessments and questionnaires to identify strengths and weaknesses, patterns of performance, and areas of discrepancy or difficulty. These results are compared with normative or criterion-referenced standards, as well as with the learner's own expectations and goals through the Individual Training Education and Career Plan (ITEC) form.

The ITEC plan, tailored to achieve educational and career aspirations, fosters a dialogue, and establishes a strategy for participants to accomplish their goals. It outlines both immediate and long-term objectives along with their execution steps. Factors such as environmental, emotional, motivational, or cultural that could impact the learner's performance are given significant consideration. The intake staff compiles these insights and formulates conclusions about the learner's capabilities, requirements, and potential.

- Provide Feedback: Intake or the leadership team will communicate the assessment results and implications to the participant and other relevant parties in a clear, respectful, and constructive manner. Staff will discuss strengths and limitations of the assessment, the meaning and significance of the scores, and the evidence and rationale for the conclusions, particularly in the participant's choice of an IET, which will be explained. As significant, specific, and realistic recommendations for instruction, intervention,

accommodation, or referral, based on the learner's goals and needs will be provided, students are encouraged to ask questions, express concerns, and share feedback. The program schedules follow up with the participant and monitor the implementation and effectiveness of the recommendations.

Accommodation is assessed by the program to provide access to a participant to be in class, receive online instruction or through an outside referral program such as Workforce Solutions VR agencies and Harris County Department of Health and Human Services. HCDE AE will use a coordinated effort of gathering information across multiple measures to support decision-making at the system and student level to accommodate the participant.

2) Serve Eligible Individuals with Disabilities or Barriers to Employment

According to the Gulf Coast Local Board Plan, programs must make sure they address American Disabilities Act (ADA) section on accessibility and serve eligible individuals with disabilities, including learning disabilities or barriers to employment. In so doing, HCDE AE's program uses best practices that ensure that there is no disability exclusion. The program emphasizes the principles of universal design, in which activities are user-friendly and flexible to allow persons of varying abilities to participate. Students with disabilities are included in everyday literacy and workforce activities and encouraged to have roles like their peers who do not have a disability. Setting the tone in an equity zone where no stigma is shared and felt, is a priority for participants with disabilities. The program provides participants an equal opportunity to benefit from literacy, high school equivalency and workforce classes with the ability to receive employment related opportunities.

During the intake process, at registration and orientation, participants are asked to identify barriers. If a participant provides the program with appropriate documentation that identifies the severity of the disability, the program will refer them for the appropriate services and follow through with

the partner organization and the participant. Recently, HCDE AE referred a student to VR services and the student was able to start taking classes at the VR Center through Workforce Solutions.

HCDE AE will work with state, local level, and nonprofit resources such as the local Workforce Solution VR Services, Department of Assistive and Rehabilitation Services (DARS) and the Center for Pursuit Jobs in Houston to provide additional services to program participants. These centers will assist participants with disabilities with job matching and placement, vocational rehabilitation, post-secondary education, and assistive technology necessary for accommodations.

3) Student Needs Met or Referrals Made

The program provides ways to ensure that student needs are met as well as making appropriate referrals to support adult education students in the following ways.

- Course Schedule: Currently the course schedules include flexible scheduling such as online, hybrid, or accelerated courses that allow adult students to fit their education around their work and personal desires.
- Program Staff: The program's staff provide specialized services such as career and academic counseling, tutoring, disability assistance and referrals to Adult Ed program partners and non-profit organizations for childcare, transportation, and specialized disability services that can help adult students overcome obstacles and achieve their educational and career goals.
- Employment Partnerships: HCDE AE has established partnerships with 17 employers in the Allied Health, construction, business technology and other industries. Working in collaboration with community organizations helps to bridge barriers of stigma and misperception of adult learners' abilities and skills. These partners offer adult students opportunities for work-based learning, internships, apprenticeships, or credential recognition.

- Referrals: HCDE AE provides program referrals to appropriate agencies through a soft handoff, such as the Workforce Solutions VR agencies, and Harris County's Department of Health and Human Services to provide additional support or services for adult students. The students may have specific needs or challenges, such as severe physical disabilities and mental health issues.

However, each adult student may require different types of assistance or guidance. Therefore, it is important to listen to their needs, respect their choices, and tailor the support or referrals accordingly.

4) Provide Accessible, Safe and Convenient Facilities

HCDE AE programs are located throughout Harris County, Texas, within communities. Both the community-based locations and HCDE's state-of-the-art Adult Education Learning Center are accessible, safe, and convenient facilities.

Community-based Locations

HCDE AE program reaches out into the community in our service area through a variety of non-monetary arrangements with area colleges, school districts, non-profit organizations, and religious institutions. Currently, in addition to HCDE's Adult Education Learning Center in north central Harris County, in the east and southeast areas of Harris County, there are in-person sites at the Baytown Learning Center, Lee College in Pasadena, Kruse Elementary School, Lomax Middle School and Royalwood Elementary. These sites are located in neighborhoods with a large number of adults lacking a high school diploma and/or needing to learn English. In north and northwest Harris County, the program's partner sites include Northwest Assistance Ministries, Klein Forest High School, and The Foundry Church, which are near Hispanic, Black, and Asian neighborhoods.

In the west area of Harris County, partner sites are currently located at Mayde Creek High School, Alief Talent Development Center, and Spring Branch Family Development Center.

HCDE AE requires all partner organizations to meet the highest standards of accessibility and security for students and staff. All sites are monitored by security cameras and all sites have security-restricted access areas located at the entrance of the buildings and, have security guards or program staff controlling access to the building.

HCDE's State-of-the-Art Adult Education Learning Center

The main campus is the Adult Education Learning Center located in north central Harris County, 10 minutes from downtown Houston, with a capacity to serve 1,500 students annually. The Adult Education Learning Center is located in north Houston's Lindale neighborhood and is in close proximity to predominantly Hispanic and Black neighborhoods with a large number of undereducated adults.

In 2023, HCDE's AE opened its \$19 million, 51,000 square-foot, state-of-the-art facility that meets all ADA accessibility requirements. The building contains 22 classrooms that have furniture and chairs appropriate for adults. It also has healthcare classroom labs that provide space for Nurse Assistant (CNA) and Phlebotomy certifications.

Designed to mirror a community college environment, it features improved pedestrian access, an outdoor patio and a two-story secure parking garage that is free and monitored. Just 10 minutes from downtown Houston, the building is also located near public transportation (METRO bus #79 runs a route in front of the building from 6:30 a.m. to 9:30 p.m.) and Interstates 45 and 610. There is also added security with an officer from the Sheriff's department who monitors the entrances, exits and the entire building. A photo of the new building is below.

Academic Accommodations

All locations have accessible areas, wheelchair ramps, accessible entry doors, security guards, checkpoint guards, and are near public transportation. Designated parking stalls are assigned and labeled in accordance with Americans with Disabilities Act (ADA) parking compliance for accessibility (2010 Standards 208.2). Recently, Houston-Galveston Area Council (H-GAC) had an ADA compliance visit for HCDE's adult education programs and approved all sites after the inspection.

Instructors provide academic accommodations with instructional aids. For workforce classes, instructor facilitated props are readily available. Inclusion of common classroom large print materials, supplemental light, electronic textbooks and materials, and alternative testing arrangements are made to accommodate the students. If a learner has a hearing impairment, they are provided with visual aids and placed in the front of the classroom where they can easily view the instructor.

Additionally, HCDE AE programs provide the assistance needed of a notetaker or extended time on exams and assignments. Instructors also

consider the room temperature, distractions from equipment sounds, and seating arrangement for students that allow for free movement around the classroom.

5) Equitable Access for Programs

All HCDE adult education participants, faculty and leadership receive equitable access and services. The programs and the new learning center foster an environment where learners can thrive and sharpen their skills and staff can ensure education remains accessible to all learners regardless of age, gender, race, and national origin.

4. CONSIDERATION 3: PAST EFFECTIVENESS – 10 points

Applicants will: 1) provide program data for three (3) reporting periods by completing the appropriate Past Effectiveness table found in Form E, Demonstrated and Past Effectiveness Data, paying close attention to whether the Applicant is a current AEL funded provider or a Non-AEL funded provider (Applicants applying as a Consortium must provide three (3) reporting periods of program data of past effectiveness by completing a table for each member of their Consortium); 2) describe how the program data provided will contribute to TWC meeting its performance for MSG, Employment Rate, Median Earnings, and Credential Attainment; 3) describe how they will measure and analyze educational performance and student transition into post-secondary education, training or workforce for the purposes of program improvement throughout the Grant Period; and 4) provide three (3) - five (5) strategies for how they will ensure students achieve MSGs; 5) provide information on past performance on high school equivalency preparation coursework, including enrollments and rate of students who passed HSE exams to earn a Texas Certificate of High School Equivalency (TxCHSE), which may include postsecondary ability-to-benefit program courses; (S) 6) describe any Corrective Action Plan that Applicant was subject to under any TWC grant in accordance with TWC rules at 40 TAC § 802.121, and if that

Corrective Action Plan was lifted at the time of this Application (S); and 7) indicate if TWC conducted a non-voluntarily deobligation of funds for current or previously funded TWC grants, as described in TWC rules at 40 TAC § 800.78 (S).

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

HCDE AE, a funded provider in the Gulf Coast, has been serving Harris County and surrounding areas since 1966. For the past nine years, it has been a Consortium member in the Houston-Galveston Area Council (H-GAC). As one of HCDE's longest-running programs and the state's largest adult education program, it is a trusted source for delivering quality services in adult literacy and workforce training.

Program data on Form E, based on Teams Table IV, provides a breakdown of enrollment and performance by participant National Reporting System (NRS) levels. HCDE AEL's program has been the largest provider of adult education in Harris County and the sole AEL provider in Liberty County. It has averaged 4,715 participants annually for the past four years, excluding the COVID-19-affected PY 2020-2021. In contrast, the next largest programs in the H-GAC Consortium, Houston Community College, and Lone Star College, averaged 3,486 and 1,729 participants, respectively, during the same period.

Table IV in TEAMS also shows that HCDE had an average 32.3% literacy gain during the same period, higher than the H-GAC Consortium average of 29.4% and significantly higher than the two next largest programs in Harris County, Houston Community College (20.5%) and Lone Star College (20%). HCDE has seen a steady improvement in its participants' literacy gains every year: 31.2% in PY 19-20, 36.9% in PY 2021-2022, and 42.4% in 2022-2023. In comparison, the H-GAC Consortium's average literacy gains fell from 32%

in PY 2021-2023 to 29% in 2022-2023, while Houston Community College's average student gain dropped from 24% to 19% during the same period.

HCDE served an average of 3255 students annually in its ESL and EL Civics programs with an average literacy gain of 40.8%, which was higher than the H-GAC Consortium average of 36.3% and significantly higher than Houston Community College (31.3%) and Lone Star College (23.3%). Once again, HCDE has seen continuous improvement in literacy gains for its ESL/Civics students: 37.6% in PY 19-20, 46.4% in PY 2021-2022, and 56.1% in PY 2022-2023. For more details, please see Form E uploaded.

2) Program Contribution to TWC Meeting Performance for MSG, Employment Rate, Median Earnings, and Credential Attainment

HCDE AE's Contact to Careers strategy is designed to maximize performance for Measurable Skills Gains (MSGs), employment, median earnings, and credential attainment. Typically, the first contact with a student is in a basic skills or ESL class that leads to HSE completion and advancement into an Integrated Education and Training program leading to an industry recognized certification. MSGs gains are obtained primarily by post-test gains, HSE attainment and since PY2019, by obtaining a skills progression or training milestone in an Integrated Education and Training program.

As can be seen in Table 3.1 below, in the past four years (excluding PY 2020-2021) an average of 46.9% of participants obtained and MSG. By comparison, in PY 2022-2023, 40.8% of HCDE's participants obtained an MSG which was slightly higher than H-GAC Consortium (39.9%) and significantly higher than comparable programs such as Houston Community College (29.2%) and Lone Star College (39.5%).

Table 3.1 HCDE ESL/CIVICS Measurable Skills Gains (MSGs)

	#ESL/CIVICS Participants	#MSG	%MSG
PY 2019-2020	2,683	1,411	52.6%
PY 2021-2022	3,118	1,485	47.6%
PY 2022-2023	2,833	1,157	40.8%

HCDE AE has also demonstrated great capacity in delivering workforce programs. Table 3.2 below shows the program has served an average of 152 IET students annually in the past four years. In the past two years, 44.1% of IET participants received a Workforce MSG leading to an industry-recognized certification.

Table 3.2 HCDE's Workforce (IET) MSGs

EL Civics IET	IET Civics POP	#MSG	%MSG
PY 2019-2020	121	N/A	N/A
PY 2021-2022	221	86	38.9%
PY 2022-2023	114	62	54.4%

By comparison, in PY 2022-2023, 54.4% of HCDE's 114 IET participants had a MSG gain, which was slightly lower than the average for the H-GAC Consortium (61.8%).

Since the pandemic, HCDE AE has developed a more balanced mix of face-to-face and online instruction, and post-testing gains will continue to recover and reach their pre-pandemic levels. As a result, HCDE AE's program will continue to contribute to TWC meeting its performance for MSGs, employment rate, median earnings, and credential attainments, and the adult education community is assured of receiving the basic skills and support necessary to succeed in the workplace.

3) Measure and Analyze Educational Performance and Student Transition - Post-secondary Education, Training, or Workforce

The program's Lead for Performance Accountability will develop a detailed plan for assessing the effectiveness of the program and making data-driven decisions for improvement. With the guidance of the program director, the Lead for Performance Accountability will track participants' performance and produce a report that is presented monthly to the program's management team. The Lead for Performance Accountability will work with HCDE's Research and Evaluation Institute (REI), HCDE's data and accountability department, to develop dashboards that allow for an effective analysis of different performance indicators with reference to both state and local targets.

Performance data will include enrollment levels, post-testing rates, post-test success, HSE attainment, the attainment of Workforce MSGs, and post-secondary enrollment. The Lead for Performance Accountability will disaggregate the data further by functional and managerial units to promote a better understanding of performance issues and to promote accountability for results. Area managers will be responsible for transmitting monthly performance information to their instructional teams, and to work with the Lead for Performance to further disaggregate the performance data at the class level. The Lead for Instruction and Curriculum and the Professional Development Lead will develop short-term and long-term recommendations for addressing the identified performance issues.

Performance dashboards are also shared monthly with HCDE's Educational and Enrichment Divisions to promote greater accountability of the Adult Education Division's performance within the organization. The Lead for Performance Accountability will be responsible for gathering information that is not readily accessible through TEAMS, such as post-secondary enrollment. Additionally, the Lead for Performance Accountability is responsible for working with HCDE's REI to coordinate student surveys and conduct interviews with students, educators, and employers. The student surveys will

capture their satisfaction of the program and will ask participants a series of Likert scale questions and open-ended questions to measure their satisfaction with the quality of the training, program implementation, and the follow-up services, as well as how program services helped them achieve their goal. The interviews provide qualitative insights into their experiences and skills gained.

The Lead for Performance Accountability, with REI, will also develop statistical analyses that will provide greater insight into performance issues and benchmark the program against similar adult education programs, regionally or statewide, to gain insights into its relative performance. The management team will use the program data to develop strategies to address areas needing improvement, implement the strategies, and monitor their impact over subsequent program cycles.

4) Strategies to Ensure Students Achieve MSGs

a. Improving Student Retention in Online Direct Instruction

Ensuring students remain engaged in the learning process is crucial for their success, especially in the realm of online education. The challenge of student retention has been magnified, particularly during the COVID-19 pandemic, in which transitioning to online learning created technological hurdles for teachers and students. To illustrate, in the academic year 2021-2022, 22.5% of our students (1,074 out of 4,714) received less than 40 hours of instruction and did not participate in a post-test or another assessment. To address this issue, our program is proactively adopting a balanced instructional approach that combines face-to-face sessions and improved online instruction.

Online direct instruction will remain a vital component of HCDE AE's program delivery to meet the demand for students who prefer this mode or are unable to attend in-person classes. To ensure the quality of the online experience, online instructors will receive specialized professional

development. Training will enable online teachers to create virtual classrooms conducive to interactive learning, incorporating activities such as group discussions, role-playing, and collaborative projects, and to use digital curricula effectively for class instruction. These methods enhance participation, foster a sense of community, promote better retention among students and ultimately help ensure students achieve MSGs.

HCDE AE is currently on target to offer approximately 50% of its classes in-person at its Adult Education Learning Center, Baytown Learning Center and 12 additional sites in Harris in Liberty Counties. By offering more in-person classes in a wide range of locations, students will be able to choose between online and in-person instruction that is dependent on personal learning preferences and comfort with digital technology rather than the availability of a nearby in-person site.

b. Enhancing Learning through Distance Education

Recent program data indicates that students who supplement their online or face-to-face classes with distance learning experience a remarkable 20 percentage points higher post-test gains compared to their counterparts without distance learning exposure. To leverage this success, HCDE AE's program will require that teachers incorporate mandatory distance learning hours in ABE and ESL classes.

Instructors are also expected to integrate the distance learning curriculum seamlessly with classroom instruction, assigning homework on these platforms directly related to the class content. For students, instructors will recommend establishing a fixed schedule for distance learning, effectively making it their third day of instruction. By doing so, distance learning not only accelerates learning, but also keeps students consistently engaged in the learning process.

c. Accelerating HSE Preparation with the Fast Track Model

HCDE AE's program is implementing an innovative HSE Fast Track model aimed at doubling HSE attainment rates. This model, proven successful in other state programs, focuses on shorter instructional modules tailored for students who are nearly prepared to take the test. Additionally, targeted classes are designed for students requiring extra support, concentrating on specific subjects. Statewide data affirm the efficacy of the Fast Track model, demonstrating higher GED attainment rates among students compared to traditional approaches.

5) Past Performance - High School Equivalency Prep Coursework

HCDE AE has a robust HSE preparation program that has generated 541 HSE's over the past five years. As seen in Table 3.3 below, the HSEs have ranged from a high of 2,229 ABE/HSE students in PY2018-2019 to an average of 1,118 students in the past two years.

Table 3.3 – Past Performance on High School Equivalency Preparation

Program Year	ABE/HSE Students	# HSEs	% Attainment
2018-2019	2,229	163	7.3%
2019-2020	1,701	83	4.9%
2020-2021	1,018	63	6.2%
2021-2022	1,220	113	9.3%
2022-2023	1,017	119	11.7%

The percentage of HSE attainment in relation to the number of ABE/HSE student enrolled has improved in the past two years, reaching 11.7% in the 2022-2023 school year. While the program's HSE percentage needs improvement, it is significantly higher than that of equivalent programs in Harris County. In PY2022-2023, Houston Community College and Lone Star College in Harris County had a combined 2,777 ABE/HSE students and 127 HSE attainers for an average attainment of 4.25%. In addition, HCDE AE has

served mostly students who have very low levels of literacy. For the PY2018-19, 2019-20 and 2021-22, 80.6% of ABE participants had an Educational Functional Level of NRS 3 (Grade level 4-5) or lower.

The HCDE AE's program has begun to implement its Fast Track program in 2023-2024 and expects to see a moderate increase in GED attainment rates. The program has also developed a more flexible HSE delivery mode that combines distance learning and more opportunities for GED Ready testing and encouraging students to schedule GED testing as soon as they are determined to be ready. A significant investment in professional development for HSE teachers and increased administrative resources will help to identify and provide differentiated instruction for students who are ready to test, require limited tutoring or need longer-term skills development.

6) Corrective Action Plan

As a member of the Gulf Coast consortium, HCDE AE's program was under a TWC Technical Assistance Plan, which was lifted in 2022. The program has performed above average in terms of enrollment and student performance. This performance increase was during and after the consortium was under a Technical Assistance Plan. HCDE AE's program has made significant improvements in its data collection and management, professional development delivery and post-testing practices that are part of a local implementation of a corrective plan by the consortium grantee.

7) TWC Non-voluntarily Deobligation of Funds

HCDE AE's program has not been required to deobligate funds under any TWC grants.

5. CONSIDERATION 4: LOCAL BOARD PLAN ALIGNMENT – 5 points

Applicants will describe how they will: 1) provide services and activities that align with strategies and goals identified in the Local Board Plan (See Attachment 4, Local Board Plan Reference); 2) coordinate services and

activities with other One-Stop partners, including but not limited to: a) Local Workforce Development Boards (40 TAC § 805.4(6)), b) Workforce Solutions Offices, c) Vocational Rehabilitation Services, and d) other community and social service partners and promote referral(s) or Co-enrollment of common individuals (See Attachment 4: Local Board Plan Reference); and 3) coordinate with employers, industry associations or labor organizations (S) (See Attachment 4, Local Board Plan Reference).

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Provide Services and Activities - Align with Local Board Plan Strategies and Goals

Following the requirement of the Workforce Innovation Act (WIOA) HCDE AE will develop a Memorandum of Understanding (MOU) with the Gulf Coast Local Board that describes each of the workforce partners responsibilities, identifies and describes the local workforce systems customers and the services provided by the workforce partners. Additionally, the MOU will outline how the local workforce system will fund the provision of services, including sufficient funding for infrastructure costs of one-stop system. The MOU will also describe the how 1) individuals using Workforce Solutions and HCDE AE will be referred to each other; 2) the program will ensure that the referral system is customer-centered and provides direct access to services through real-time technology; and 3) the program will address the needs of individuals with disabilities and other barriers to employment. HCDE AE's program will continue to align with Board strategy by providing mentoring, life-skills training, adult basic education, ESL, and support services. Under this RFA the MOU with the Board will include strategies to promote training and employment opportunities for IELCE students.

HCDE AE's program has a long history of, and will continue to work closely with the Workforce Board staff and the one-stop system to improve employment outcomes for participants and help the Board meet its employment and educational goals, including:

- Expanding access to employment, training, education, and support services to eligible individuals particularly those with barriers to employment, particularly those for whom English proficiency may be such a barrier.
- Facilitating the development of career pathways, including occupations that the Board currently includes or is planning to include in its Target Occupations Lists, keeping in mind the support systems for ELLs.
- Improving access to activities leading to a recognized post-secondary credential including industry recognized certifications (Gulf Coast Board, Local Plan, pg.39).

This collaboration stems from the labor markets in Harris County that need a more educated workforce. The region faces serious challenges such as a high rate of adults who lack a high school diploma or the basic skills to access the in-demand jobs of the regional economy.

2) Coordinate Services and Activities with Other One-Stop Partners

HCDE AE's programs will leverage co-enrollment between Workforce WIOA Title I (Adult, Dislocated Worker, and Youth Programs), Title II (Adult Literacy and Education), and Title IV (Vocational Rehabilitation Services) as a means of better serving adult learners by facilitating seamless transitions for participants in adult education and workforce programs.

The guiding principles for co-enrollment include removing barriers to access, improving the student experience, and promoting service and program integration. These are HCDE AE's key co-enrollment strategies:

- Coordination of Services: Working with other core partners to provide coordinated services for common clients including intake, assessment and career advising. Data from the Texas Workforce Commission shows that adult

education programs rely on their own resources for Career Navigation and Digital Literacy Instruction and on partner organizations for job development and placement, transportation, childcare, and housing.

- Braided Funding: Work with core partners to develop integrated education and training courses that are in part funded by WIOA Title II funds. Such a strategy involves ensuring that HCDE AE's program is included in the Eligible Training Providers List maintained by Texas Workforce Commission.

a) Local Workforce Development Boards (40 TAC § 805.4(6))

Collaboration with the Gulf Coast Workforce Development Board will be enhanced by the following strategies:

- Needs Assessment: Conduct a joint needs assessment to identify the skills gaps in the local workforce, particularly for Targeted Industries and High-Demand jobs. This analysis helps align the adult education program's curriculum with the demands of the local job market.
- Referral System: HCDE AE's program will continue to work closely with Board staff to improve the referral system to allow our students to have both direct access to services offered by Workforce Solutions, as well as referrals from the workforce system to adult education, with a goal of increasing co-enrollment and sharing of resources of both systems.
- Industry Partnerships: Work closely with Board staff to forge and expand partnerships with local businesses and industries, such as Upskill Houston, and involve them in curriculum development, offer on-site visits, and facilitate internships or apprenticeships. These partnerships create opportunities for hands-on learning and real-world experience.
- Job Placement Services: Collaborate to provide job placement services. Work with the workforce board to organize job fairs, networking events, and interview preparation workshops. Establish a system for connecting qualified program graduates with job openings in the community.

- Career Counseling and Guidance: Work closely with Career Navigators, Facilitators and other Workforce Board staff who can bring seminars and workshops to HCDE AE's program to help participants understand their strengths, interests, and career options. Work with the workforce board to provide guidance on potential career paths, industry trends, and skill development opportunities.
- Soft Skills Training: Continue to include soft skills training in the curriculum. Work closely with Board staff to identify curricula that will help teach essential skills such as communication, teamwork, problem-solving, and time management, which are highly valued by employers and contribute to overall workplace success.
- Credentialing and Certifications: HCDE AE's program will continue to work closely with Board staff to offer training programs that lead to recognized certifications or credentials. Work with the local workforce board to identify in-demand certifications within the community and design training modules that align with these certifications.
- Data Sharing: Share relevant data and outcomes to assess the effectiveness of the programs. Collaborate on tracking participants' progress, employment rates, and job retention. Analyzing this data helps in refining programs for better outcomes.
- Financial Support: Our program will work closely with Board staff to collaborate on identifying and applying for grants that support workforce development initiatives. Pooling resources can lead to more significant investments in education and training programs.
- Continuous Communication: Maintain open and regular communication between the adult education program and the Gulf Coast Workforce Board. Foster a collaborative environment where ideas, feedback, and best practices can be shared freely.

b) Workforce Solutions Offices

HCDE AE's program will continue to strengthen its relationship with local Workforce Solutions Offices throughout its service delivery area. The Career Navigator and other staff will:

- Develop a close working relationship with Workforce Office staff and to promote the smooth transition of students who need workforce services. A Workforce Solutions Office is less than two miles away from the Adult Education Learning Center, which makes referrals for service convenient for our students.
- Continue to strengthen the relationship with all Career Offices in the program's service area, including the development of shared training opportunities that will allow adult education and Career Office staff to have a better understanding of their roles. The HCDE Adult Education Learning Center offices and classroom space are available to Workforce Solutions staff to offer basic and extended services such as employment and career search seminars, resume preparation, labor market information as well as determination of eligibility for expanded services or financial aid for HCDE AE students and the public.
- Avoid duplication of services by taking full advantage of Career Office's resources including resume development and job interview preparation.
- Make staff and students aware of Career Office services by promoting regular visits by Center staff on campus and online classes.
- Facilitate the determination of eligibility for extended workforce services including GED vouchers, post-secondary training for adult education participants and participants exiting the program.

c) Vocational Rehabilitation Services

HCDE AE works closely with Vocational Rehabilitation (VR) to help individuals with disabilities to prepare for, obtain, maintain, or regain employment. HCDE AE will implement the following strategies designed to ensure the following:

- Accessibility and Accommodations: HCDE AE's program staff will work with VR staff to ensure that the adult education program is accessible to individuals with various disabilities, including learning disabilities. This includes referring students to VR services to provide assistive technologies, materials in alternative formats, or accessible learning environments, including rehabilitation devices, hearing aids and wheelchairs. HCDE AE works closely with its partner sites in school districts who have access to counselors and staff with expertise in learning and other disabilities to support adult students in their classes.
- Diagnosis of Disabilities: HCDE AE works with VR staff to refer individuals who are suspected of having an undiagnosed disability for referrals for hearing, visual and other examinations, including medical, psychological, and vocational assessments. Often, adult
 - students have undiagnosed disabilities which may have an adverse effect on their ability to complete their educational and employment goals.
- Career Counseling and Guidance: The program staff will seek counseling services for participants. Vocational Rehabilitation counselors can provide specialized guidance for individuals with disabilities, helping them explore career options that align with their skills, interests, and abilities.
- Job Placement Services: HCDE AE Career Navigators and other program staff will refer students with disabilities who are looking for work to VR's reemployment assistance to access employer listing for jobs, customized market information, and refined jobs search. HCDE AE staff will support VR job placement services for program graduates providing additional job search support and connecting these students our network of partner employers.
- Advocacy and Outreach: The program team will collaborate on advocacy efforts to raise awareness about the importance of inclusive education and employment opportunities for individuals with disabilities. This will involve

online and face-to-face workshops for students, teachers, and other stakeholders such as employers.

- Professional Development for Educators: The PD Coordinator will implement training sessions in conjunction with Vocational Rehabilitation Services for educators and staff on inclusive teaching practices, understanding disabilities, and effective communication strategies. This knowledge equips educators to support learners with diverse needs effectively.

d) Other Community and Social Service Partners

HCDE AE has developed a strong network of agencies that can help address social and economic obstacles and provide support services. Our Career Navigators are familiar with these resources and will help students in need of support services with referrals or applications for services.

- HCDE Head Start Program: Provides childcare services birth-3-years-old and 3-5-years-old. HCDE AE has been collaborating with its own Head Start Division to refer Head Start parents to Adult Education sites near their locations. HCDE AE participants with eligible children are referred to appropriate Head Start locations.
- Urban Strategies Program, Harris County: Provides childcare services for birth-3-years-old. HCDE AE has referred students to the Head Start program located next to the Adult Education Learning Center. Urban Strategies staff share HCDE AE's flier with their clients.
- Houston Public Library: Works closely with HCDE AE to arrange for the donation of 1,000 Chromebooks for students who do not have access to technology.
- Catholic Charities, Galveston-Houston: Provides immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program, disaster recovery, refugee services, senior services, women veteran services, and bus passes.

- Goodwill Industries: Provides bus passes, rental assistance, disability training for employment.
- Houston Foodbank: Provides nutritious meals to low-income families in Harris County.
- Texas Legal Services Center: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston.
- Northwest Assistance Ministries (NAM): Coordinates food and clothing donations and provides workforce training.
- Ecclesia: HCDE AE participates in monthly meetings with this religious organization, located next to the Adult Education Learning Center, to partner on shared parking, educational referrals, community events and services open to all HCDE AE participants, including a food bank and youth services.

3) Coordinate with Employers, Industry Associations or Labor Organizations

HCDE AE's efforts to work with employers and industry associations supports the Gulf Coast Board's Plan belief that "helping employers find skilled workers results in the region's economic development and benefits individual workers" (Gulf Coast WFB, Local Plan, p.51). Establishing strong relationships with employers is particularly crucial, as it can enhance recruitment efforts and streamline job placement processes for ELLs, elevate program quality, and secure funding. HCDE AE's strategies for working with employers and labor organizations include the following:

- Key Sector Employers: Identify key sector employers tied to current and future integrated education and training services. HCDE AE's program has developed a strong network of 17 employers who have been recruited to support IET graduate transitions into employment in healthcare and construction. Employers have participated in program job fairs, visited relevant classes to recruit students, and hired program graduates. HCDE AE will continue to expand its network of employers in other sectors such as

business services and technology and customer service. Our program also works with employers such as Marek Brothers to develop customized training opportunities including Work-Based ESL to help employers increase productivity and improve workplace safety.

- Connecting with Industry Associations: HCDE AE's program has worked to develop customized training and promote awareness of employment opportunities in specific industries, including HBI, C3 Collaborative, and the Texas Masonry Council in the construction trades. Industry associations can provide input on curriculum development to ensure that the programs align with the current needs and standards of the industry.

This type of collaboration helps in designing courses that are relevant and up to date with industry trends and demands. Collaboration with industry associations leads to the development of certification programs that are recognized and valued by employers. These certifications can enhance the employability of adult learners and validate their skills in the eyes of potential employers.

- Job Placement Assistance: Industry associations often have networks with employers. They can assist adult learners in finding suitable employment opportunities by connecting them with potential employers and organizing job fairs and recruitment events.
- Connecting with Labor Organizations: Labor organizations play an important role in the implementation of industry training programs, particularly apprenticeship and pre-apprenticeships in the construction industry.

HCDE AE's program will work with the Houston Gulf Coast Building and Construction Trade Council to promote the Apprenticeship Readiness Program, which offers the opportunity for adult education students to participate in a foundational and hands-on training course to transition to a Department of Labor Registered Apprenticeship Program. HCDE AE's program

will also work with the Pipe Fitters 211 to help graduates of the Pipefitting IET program consider joining the Local Union 211's Piping and Pipefitters Apprenticeship program.

6. CONSIDERATION 5: MANAGED INSTRUCTION – 5 points

Applicants will describe how they will: 1) demonstrate enrollment management strategies by detailing a retention and recruitment plan that outlines target audiences and demographics, key action steps and activities that are designed to meet the instructional needs of the target audience; 2) use instructional practices that include essential components of reading instruction based on rigorous research-based instructional practices to optimize student learning gains; and 3) provide In-person, Remote Learning, or Distance Learning to ensure a variety of class offerings based on geographical and demographical needs that include varied modalities and consider desired outcomes for students. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Enrollment Management Strategies – Retention /Recruitment, Target Audience/Demographics

For over 40 years, HCDE AE has been the largest adult education provider in the Gulf Coast region offering literacy, workplace adult education and literacy activities, English language acquisition activities, Integrated English Literacy and Civics Education (IELCE), workforce preparation activities, and integrated education and training. In the past five years, HCDE AE has served an average 3,282 English Language Learners (ELLs) annually under EI Civics activities funded by WIOA sections 231 and 243, or 70% of all participants served. The design and its recruitment and retention plans for the IELCE program under this RFA are based on a clear understanding of the changing demographic patterns in Harris County. The aim of the instructional program under this RFA is to provide ELLs a high intensity literacy and English language program designed to increase competency in the English language, including instruction in the rights and responsibilities of citizenship and civic participation and integrated education and training (IET) to prepare adults for the region's in-demand industries and occupations.

- Undereducated adults in the region are concentrated in predominantly Black and Hispanic communities saddled with significantly higher than average rates of poverty and unemployment.
- Over 700,000 adults in the area speak English "less than very well."
- Most undereducated adults are in the 25-40 age range, yet proportionally, older adults are less educated than younger ones.
- Women, particularly in Black and Hispanic communities, are less educated, are more likely to be unemployed and earn lower incomes than their male counterparts.
- Most of the undereducated adults in Harris County are currently employed, but on average earn significantly lower wages than more educated counterparts (American Community Survey, 2022).

Economic and social vulnerabilities make it challenging to reach and retain undereducated adults in the region. After students are recruited and enrolled, all adult education programs must find ways to retain students long enough to be effective in their educational and career pathways outcomes. In addition, research indicates that many adults will stop out rather than drop out of adult education programs. Considering these demographic characteristics and retention patterns among adults, HCDE AE has developed a recruitment and retention plan that targets IELCE. Having a retention and recruitment plan is essential for participants to achieve goals for increasing literacy levels, passing the HSE exam, receiving a workforce credential or transitioning to employment and college.

Recruitment:

- *Dynamic Website:* HCDE AE's website provides a full catalog of services and registration information that can be translated in multiple languages and is continually updated by HCDE's Communications Division. The site also translates information to any language.
 - From November 2022 to present, the website averaged 20,548 monthly views.
 - Over 1,000 students monthly fill out an interest survey in multiple languages for online, in-person GED, ESL and IET classes. Staff contact candidates within 48 hours to let them know of next available registration events.
 - HCDE's Communications Division manages search engines to maximize the site's reach. HCDE AE is a top search for GED programs in Harris County.
- *Social Media:* HCDE and HCDE AE leverage various platforms like Instagram, Facebook, and X/Twitter to reach diverse demographics.
 - Key messages incorporate impactful catchphrases and hashtags, emphasizing themes such as employment, education continuation, self-

fulfillment, personal pride, self-improvement, and completing unfinished goals.

- Students are particularly receptive to mentions of skill development, with a focus on reading, writing, and math.
- *E-Recruit*: HCDE AE uses advanced communications software such as Blackboard to connect with students via email and text messages to set up registration appointments and follow up with students.
- *Word of Mouth*: HCDE AE encourages students to refer friends or family members to the program website.
- *Traditional Advertising*: Employing traditional advertising methods, such as signs, posters, flyers, and bus stop displays, translated into key languages, effectively targets underserved communities and older learners. Crafting messages and using terminology tailored to adult learners enhances communication.
- *A Bilingual Receptionist* is available to provide program information over the phone or in-person at the Adult Education Learning Center from 8:00 AM – 9:00 PM Monday-Thursday and 8:00-4:00 PM on Friday.
- *Offering a Flexible Schedule*: HCDE AE currently offers formats such as morning and evening classes, online courses, face-to-face classes in 13 locations throughout Harris County, to accommodate the diverse schedules, preferences, and commitments of adult learners. The class schedule and class offerings are modified to reflect actual demand for services throughout the program year.
- *Multiple Entry Points*: HCDE AE online ESL and HSE classes and the classes at the Adult Education Learning Center have eight registration events throughout the year allowing for multiple points of entry into services. Partner sites provide additional opportunities for recruitment.
- *HCDE Divisions*: HCDE AE's program relies on the collaboration of its Marketing and Client Engagement, REI, and Communications divisions for

recruitment. The success of the program hinges on weekly discussions and collaboration among divisional and program leads, with recruitment and retention strategies demonstrated through various indicators (J. R. Kruidenier, C. A. MacArthur, and H. S. Wrigley, H. S., Adult Education Literacy Instruction, 2010).

Agency Referrals and Partnerships:

- HCDE AE works with Workforce Solutions staff to address the education and training needs of workforce referrals.
- HCDE AE relies on marketing and social networks of partner organizations of partners such as religious organizations, non-profit agencies, and local government entities to recruit students for classes at their sites.
- HCDE AE participates in multiple community events at public libraries and non-profit agencies to promote the program's services.

Retention: Three R's - Relationships, Rigor, and Relevance

HCDE AE's IELCE program's retention plan revolves around the three R's: 1) relationship, 2) rigor, and 3) relevance. There are several ways in which HCDE AE develops relationships with students, maintains its rigorous course work/program and remains relevant in the field. Some are listed below.

- First Encounter: HCDE AE provides an intensive "first encounter" experience for students to clarify goals and expectations.
 - HCDE AE's initial student orientation provides a clear explanation of program services and expectations for new students.
 - Students receive a welcome letter, text, or call.
 - During the first day of class orientation, instructors develop community-building activities and lead students in the completion an individual education plan using the Individual Training Education and Career Plan (ITEC)

- Teachers follow up on student progress during office hours. Teachers are paid for two office hours a week.
- Classroom Environment: HCDE creates a supportive classroom environment that recognizes and respects differences in learning styles and preferences among adult students.
 - Offer a class plan or syllabus with rigorous but realistic learning objectives based on the Texas Adult Education Content Standards.
 - Flexible Schedule – Allow students to change classes in response to changing needs or preferences.
 - Engage students in active learning in multiple learning modalities.
 - Use technology to enhance the learning experience, including online discussions, virtual collaboration tools, and multimedia resources.
 - Arrange for students to have contact with student role models or pair students to help one another.
 - Provide timely and constructive feedback on assignments and assessments. This helps adult learners gauge their progress and understand areas for improvement.
 - Celebrate student progress inside and outside the classroom.
- Student Support: Provide comprehensive support services that address the academic, financial, and personal needs of adult learners.
 - Program staff provides referral services, such as childcare or transportation assistance, by collaborating with social service agencies.
 - Instructors follow up on attendance issues and provide flexible solutions for students.
 - Programs have added features in computer assisted instruction, tutoring and online learning opportunities.
 - Understand older students' needs or students with low literacy who may need additional support with technology and distance learning.

- Workforce Solutions staff visit classes and include opportunities to research, discuss and write about career options.

HCDE has a managed instructional model that is of sufficient intensity and duration but is flexible enough for most adults who have multiple responsibilities and demands on their time. IELCE classes are scheduled for 9 hours of instruction a week for a 10-week session, which includes two days (three hours per day) of teacher-led direct instruction with a minimum of three hours a week of required distance learning homework.

Classes are available in the morning or evenings in both online and in-person formats. The instructional model has proven successful as close to 65% of participants who took a post-test are able to demonstrate an educational functional level gain in the current year. Students who do not complete their educational goals in the first class are encouraged to enroll for the next session. Shorter and more intensive class formats, such as Fast Track HSE program (two weeks, four times for 3-hours a day) are available for students who have higher level literacy skills to take advantage of accelerated learning strategies. HCDE AE offers a Spanish GED alternative for IELCE students in combination with ESL or EL Civics classes.

HCDE AE's managed instruction model was developed to match its recruitment strategy designed to identify adults with low literacy skills and significant barriers to employment. The instructional model also relies on adult reading research, which shows that literacy programs need to be of sufficient duration and intensity (J. R. Kruidenier, C. A. MacArthur, and H. S. Wrigley, *Adult Education Literacy Instruction*, 2010) and that a supportive, student-centered learning environment, community-building and differentiated teaching are associated with student success (Lesgold, A. M., & Welch-Ross, M., *Improving Adult Literacy*, 2012)

2) Instructional Practices - Essential Components of Reading Instruction

To enhance student learning outcomes, HCDE AE implements instructional practices that prioritize reading components, and consider the diverse characteristics of adult learners. Adult reading research notes the importance of employing evidence-based instructional delivery models for adult learners such as using multimedia technology, direct instruction in comprehension strategies, and use of workplace-oriented materials (J. R. Kruidenier, J. R., MacArthur, C. A. & Wrigley, H. S. (2010). *Adult Education Literacy Instruction*, pg. 24, pg. 104). HCDE AE's experienced adult education teachers are familiar with these principles and mentor new and less experienced teachers. HCDE AE's professional development plan includes recommendations for all literacy teachers to become familiar with these research-based instructional strategies.

- Systematic and Explicit Instruction: HCDE AE uses curricula such as BurlingtonEnglish®, GED Academy, Essential Education, and New Readers Press. This approach involves a planned, logically progressive sequence for teaching basic reading components and skills. Lessons have clearly defined objectives, stated in terms of student actions, and incorporate multiple purposeful practice activities that are supported by reading research in adults and will contribute to increased reading and literacy outcomes.
- Highlight the Importance of Teaching Informational Text Comprehension: This approach progressively enhances students' capacity to comprehend increasingly intricate materials while incorporating relevant life, workforce, and career skills into the curriculum.
- Embed Research Skills throughout Reading Standards and Levels: Educators guide students to formulate their own inquiries and cultivate self-awareness regarding their comprehension levels. The incorporation of graphics, semantic organizers, and instruction on story structure encourages students to employ word and visual associations for better comprehension.

- Continuous Professional Development: Aligning evidence-based instructional strategies with the learning patterns of adult education students in reading, writing, and spelling is crucial. Given the evolving nature of evidence-based reading instruction, instructors and leaders require continuous professional development. Access to authoritative, unbiased sources ensures that teaching decisions are rooted in data rather than opinions or assumptions. Our professional development coordinator facilitates this best practice through a variety of professional development sessions offered by the Texas Center for Adult Literacy and Learning (TCALL).

3) In-person, Remote Learning, or Distance Learning

HCDE AE will provide all three modes of instruction – in-person, remote and distance learning to deliver services. HCDE AE's proposed EL Civics service delivery area encompasses part of Harris County within the Gulf Coast Workforce Board area. The service delivery plan incorporates a diverse range of classes and services, such as Basic Adult Education, English as a Second Language (ESL), ESL for Professionals, and Integrated Education and Training. The composition of the service delivery is based on demographic analysis (Consideration 1) that describes the number of individuals who lack a high school diploma or speak English less than very well. The service delivery plan is further refined by analyzing the actual demand for services captured in responses to the Interest Survey completed by potential students on the HCDE AE website and the call log, which describe the type of service requested as well as the preferred delivery mode - online or in-person.

Since the onset of the COVID-19 pandemic, service delivery at HCDE AE shifted predominantly to a remote online format supplemented with distance learning. As more in-person sites have been opened in the past two years, the demand for in-person services has continued to grow. HCDE AE projects to deliver approximately 50% of its services in an in-person format in PY 2023-2024. As Table 5.1 indicates, HCDE AE's EL Civics balanced delivery

proposal will allow most students to make a meaningful choice between in-person and online classes.

Table 5.1 HCDE’s Proposed EL Civics Services and Delivery Modes

Harris County			
Type of Service	Remote	In-Person	Total
EL Civics	200	460	660
EL Civics IET	30	60	90
Total	230	520	750

In-Person Classes

The anticipated surge of in-person services is bolstered by the newly established Adult Education Learning Center, which, since its inauguration in August 2023, has accommodated 680 students within its first four months of operation, with a projected enrollment of 1,500 students annually. For this RFA, HCDE AE plans to host in-person for a total of 508 students at the Adult Education Learning Center, Baytown Learning Center, Kruse Elementary School, and Lomax Middle School in Pasadena ISD, Northwest Assistance Ministries, Alief ISD Talent Development Center, and Spring Branch Family Development Center. By providing wide geographic coverage in communities with a high number of English Language Learners (ELLs), students will be within 20-minute driving distance of their homes. All in-person IET/CE classes will be held at the Adult Education Learning Center.

Remote Learning

The ongoing analysis of the HCDE AE’s student Interest Survey results indicates that the demand for remote learning has remained strong for both ESL and HSE preparation classes, accounting for approximately 80% of respondents. As the supply of more in-person class options increases, the demand for online classes is expected to fall. It is clear, however, that many students will continue to prefer the convenience of remote instruction

considering the increasing transportation costs and Harris County's notorious traffic problems.

Remote instruction includes classes that have the same intensity and rigor as their in-person counterparts (two days a week for 6-hours in addition to a required 3-hours of distance learning) as in-person classes. Remote instructors are provided additional feedback by program assistants and managers and professional development support to ensure that classroom activities engage students in research-based literacy instruction, critical thinking and that create a positive learning environment that encourages student retention. Under this RFA, remote classes will serve approximately 230 students, including 30 students IELCE IET classes.

Distance Learning

Distance Learning (DL) is a key component of HCDE AE's instructional plan to increase the intensity and quality of instruction for both in-person and remote IELCE classes. Teachers are required to assign a minimum of 3-hours a week in literacy activities that supplement classroom instruction. Teachers review distance learning assignments and provide feedback to students.

The distance learning platforms offer a wide range of real life and contextualized reading materials and activities that are aligned with the Texas Adult Education Content Standards and are supported by research-based reading strategies described in earlier sections. HCDE AE encourages students to work on the distance learning platform beyond the required assignments, which allows them to work at their own pace and to have greater agency in working on their own educational goals.

To ensure the success of the distance learning strategy, distance learning platforms were chosen for their easy accessibility across many digital devices including phones and laptops. HCDE AE provides students with extensive training on using the DL platform and provide multiple options for addressing

technical issues with their instructor or the Adult Education Distance Call Center.

7. CONSIDERATION 6: INSTRUCTIONAL DESIGN – 10 points

Applicants will describe how they will implement instructional and other service deliveries that: 1) use evidence-based research that aligns to AEL instruction and Career and College Planning to Career Pathways (S); 2) use an evidence-based approach to implement andragogy learning theories that enhance effective instructional design and teaching strategies for adults; (S) 3) ensure instructors use information and data from Comprehensive Assessment and testing for instructional purposes (S); 4) align to the Texas AEL Content Standards (S); and 5) meet the educational needs of students with special learning needs, including those with learning disabilities (S).

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

1) Instructional and Other Programs, Services, or Activities -Align AEL Instruction and Career and College Planning to Career Pathways

The Gulf Coast Workforce Board's Local Plan indicates that by 2030, 61.2% of all jobs in the region will require education or training beyond the high school level and that the majority of these will be "middle skill" jobs. In 2030, employers will need 1.2 million workers in middle-skill positions – those that require some post-secondary education and/or on-the-job training (Gulf Coast Workforce Board 2021-2024 Local Plan, Workforce Solutions, Houston-Galveston Area Council, pg. 5.).

HCDE AE's Integrated English Language and Civics (IELCE) programs are aligned with the Gulf Coast Board's plan in that they are specifically designed to address the growing need to establish career pathways for adults at different skill levels and particularly those with barriers to employment, such as lack of proficiency in English. The IELCE programs offer a range of activities and services including literacy, English language education, civics instruction, preparation for the naturalization exam, workplace ESL, ESL for Professionals, contextualized workplace ESL, High School Equivalency (HSE) instruction and Spanish combined with ESL, and integrated education and training, which lead to HSE attainment (in English or Spanish), entering post-secondary training or employment in a targeted occupation in the region. Obtaining a HSE in Spanish while continuing to improve English language skills, will allow IELCE students to expand the range of options for post-secondary education and immediate employment.

A 2021 review of the research in adult education that meets the rigorous Department of Education's What Works Clearinghouse standards indicates there are no studies that can link specific strategies or interventions to improved student academic outcomes in reading, numeracy or literacy, and English Language Acquisition (Adult Education Strategies: Identifying and

Building, Institute of Education Sciences, April 2021). Considering the lack of rigorous studies, HCDE AE's instructional program is based on experimental and quasi-experimental studies that point to promising practices in the field. Rigorous research supports three of HCDE AE's key instructional strategies as they relate to their impact on educational outcomes.

- Contextualized Teaching: HCDE AE will continue to encourage ESL and ABE instructors to use the context of work as an organizing principle for instruction in ESL and ABE classes. Research shows that teaching basic skills in the context of HSE preparation in the context of an industry, such as healthcare or business, can have significant positive effects on completing high school equivalency, industry certifications and college enrollment (Martin, V. & Broadus, J. (2013). Enhancing GED instruction to prepare students for college and careers: Early success in LaGuardia Community College's Bridge to Health and Business Program. Building Knowledge to Improve Social Policy).
- Bridge Classes: HCDE AE will continue to support the use of contextualized bridge classes for low-literacy students who need to improve basic literacy skills required for specific career pathways. For example, students interested in allied healthcare classes are offered a contextualized bridge class that will help them meet the literacy requirements of the training (Martin, V. & Broadus, J. (2013).
- Navigation Supports and Wraparound Services: HCDE AE will continue to invest in providing Career Navigation support services including career exploration and planning assistance, assistance in accessing financial supports for education, and support in developing study and work skills. Research on the YouthBuild program shows that students receiving these services had significantly higher rates of credential completion and college attendance compared to a control group.

Adult Education and Literacy Activities

Adult Basic Education

Basic Education: HCDE AE is committed to delivering fundamental educational services through our existing adult education and literacy program. This program concentrates on enhancing skills in reading, math, social studies, and science. As part of this foundational education, we implement baseline and progress testing to support academic development. Recognizing that knowledge and education are essential for active and meaningful participation in society, our staff strives to boost participation rates. We employ both innovative face-to-face and online activities to create opportunities, especially for those who are marginalized.

Our basic education initiative aims to equip participants with the knowledge, skills, and ethical values necessary to play pivotal roles in development, employment, good governance, social inclusion, and tolerance in today's rapidly changing society. Our basic programs are of sufficient intensity, length, and accessibility to meet research-based findings that link improvements in reading comprehension to intensity and duration of instruction (Kruidenier, J. R., MacArthur, C. A. & Wrigley, H. S. (2010). Adult education literacy instruction: A review of the research. Washington, DC: National Institute for Literacy. Examples of our efforts include:

- IELCE classes are scheduled for an average of 9 hours of classroom and directed independent work (two days a week for 3-hours in class and 3-hours of required directed distance learning) for a 10-week session.
- Students are encouraged to re-enroll in additional sessions to meet their educational goals.
- HCDE AE instructors are experienced in research-based adult reading principles, focusing on alphabetics, phonemic awareness, word analysis, fluency development, and reading comprehension for individuals with low literacy levels (John Kruidenier, Ed. D., "Research-Based Principles for Adult Basic Reading Instruction," RMC Research Corporation, October 2022).

- Online and face-to-face classes rely on experienced teachers who create an engaging and cooperative learning environment.
- Identify the explicit instruction of vocabulary and improving fluency through repeated oral guided practice as well as increasing reading comprehension by integrating adult-oriented materials into literacy instruction, including workplace contexts, which may lead to increased reading achievements.
- Using authentic materials gathered from real life contexts (e.g., workplace, citizenship exam and interviews).
- Career Navigators visit classes with career exploration activities, and discuss transition options, including bridge classes for students interested in enrolling in an IET class.

Adult Secondary Education and HSE Preparation: IELCE language acquisition instruction is designed, particularly in advanced ESL classes, to build academic language and content required for students to make a transition to ABE classes. Courses are designed to improve reading, writing speaking and listening skills and prepare students for the HSE Examination and develop job readiness skills and prepare for college and workforce training.

For IELCE students, HCDE AE offers a Fast-Track HSE preparation class in Spanish combined with ongoing English Language Acquisition instruction for individuals who have demonstrated high levels of literacy and have high scores in GED® practice tests. Fast-track classes are offered in an intensive 2-weeks (four days a week, 24 hours) that accelerates learning and prepares students for transitions to career pathways certifications or college.

Fast-Track students who need additional support are offered 4-week reading/social studies or math/science academies that provide more in-depth review of HSE materials and teacher-supervised distance learning.

- HSE teacher develops a customized HSE preparation curriculum based on an analysis of the GED Ready test.
- Targeted instruction is engaging and collaborative.
- Students will be assessed in the skills development at the end of the four-week period.

English as Second Language Program (ESL): There is a dearth of rigorous studies meeting the Department of Education's What Works Clearing House Standards to identify interventions with a significant impact on ESL students' literacy outcomes (Adult Education Strategies: Identifying and Building Evidence of Effectiveness). Catering to a diverse student body, the ESL Program offers literacy courses designed to enhance the reading, listening, speaking, and writing skills of ESL learners that has proven successful in having approximately 80% of ESL students who take a post-test make an Educational Functioning Level (EFL) gain during the program year.

The courses are structured into Beginning, Intermediate, and Advanced Levels. The foundation of the ESL program is firmly based on using the Adult Education Content Standards as the basis for developing lesson plans and activities. In terms of promising instructional strategies gathered in the "What Works Study for Adult ESL Literacy Students." This study advocates crucial instructional strategies, such as providing students with diverse practice modalities, encouraging open-ended responses, fostering authentic communication, and establishing connections between classroom learning and the outside world to expedite English language acquisition among adults (Condelli, L. Wrigley, H. S., Yoon, K., S. Cronen & M. Seburn. "What Works" Study for Adult ESL Literacy Students. American Institutes for Research. Department of Education, Washington, D.C.).

An integral aspect of ESL classes, regardless of the level, is incorporating the context of work and developing career pathways to engage adult students effectively. Professional development for ESL teachers is

centered on refining teaching strategies. This involves progressively intensifying the rigor of ESL instruction in upper-level classes, encompassing academic and professional language. Emphasis is placed on cultivating critical thinking, research, and analytical skills among students.

Integrated Education and Training:

Recognizing the unique challenges tied to poverty and other barriers, HCDE AE's Integrated Education and Training (IET) program offers a more supportive and comprehensive approach to workforce development. This enables participants to realize their potential as valuable contributors to the modern workplace. Over the past three years, most IET participants have been employed as Front Office Specialists and Business Office Techs. HCDE AE uses a modified I-BEST model for its IET program, in which the basic skills teacher collaborates with the workforce trainer for 50% of the class time. The basic skills teacher provides the reading, math, soft skills that are relevant to the occupation and credential, as well as workforce preparation activities including job search and soft skills.

After the completion of the class, basic skills teachers and the Career Navigator provide individualized support job search and networking strategies, identifying resources such as resume writing or college transitions. HCDE AE's IET model is supported by many rigorous studies of successful IET programs such as YouthBuild, LaGuardia College's program and the Accelerating Connections to Employment (ACE) Program, which had significant student outcomes in credential attainment, post-secondary enrollments, and earnings (Miller et al. (2016); Hamadyk & Zeidenberg. (2018); and Dominic, M. et al. (2017).

HCDE AE tailored its IET model on the lessons from studies on IET models, which show that programs with a "strong connection to local workforce agencies and employers" are successful in helping adults connect with jobs and increase earnings (Cronen, S., Salinger, T., Dalsimer, A. &

Ahlstrand, A. (2021). Providing Pathways out of Poverty and into Careers: The Case for Integrated Education and Workforce Training for Underserved Adults. Workforce Development and Economic Mobility & Prosperity Equity Initiative, American Institute for Research).

By connecting students to employers, HCDE AE is promoting a collaborative approach to occupational skills training by bridging the gap between students and employers. Collective impact involves a set of strategies that leaders in both the public and private sectors can employ to address specific challenges in the community. This method is especially appealing for helping individuals progress towards acquiring industry-recognized credentials and establishing a presence in the labor force.

Workplace Literacy

HCDE AE will collaborate closely with key employers in the area to develop customized literacy and/or IET programs designed to upskill their workforce leading to improved productivity, higher wages for workers and improved opportunities for advancement within the company. Current work-based classes with construction company MAREK Brothers provide contextualized ESL instruction for its workers. HCDE AE staff collaborates closely with company staff to develop a curriculum that meets both the company's and the students' needs.

2) Evidence-based Approach to Implement Andragogy Learning Theories

Malcolm Knowles' concept of andragogy is key in developing an instructional design that is learner-centered rather than teacher-centered. At HCDE AE, the design of the curriculum and recommended teaching strategies recognize that adults motivated to learn, have a need to know and have a wealth of prior knowledge that allow them to become self-directed learners (Taylor, B. & Kroth, M. (2009). Andragogy's Transition Into The Future: Meta-Analysis of Andragogy and Its Search for a Measurable Instrument. Journal

of Adult Education, Volume 38, Number 1). Some of these strategies include the following:

- Orientation: A key component of the implementation of andragogy learning theories starts with the intake and orientation process. Andragogy correctly assumes that many adults come to the classroom with pre-defined career goals and aspirations. At HCDE AE, the orientation process provides students an opportunity to articulate and develop those goals as part of the goal-setting process. It is those goals that will serve as the basis for the development of a more practical SMART plan for achieving both short-term and long-term educational goals. As self-directed adults, students are asked to review their goals throughout the academic program or to develop new goals and timelines for completion.
- Promoting Self-Directed Learning in the Classroom: HCDE AE teachers receive professional development that focuses on supplementing traditional instruction with strategies that promote student agency and independence such as conducting self-assessments of skills level, allowing students to choose readings or study materials, and negotiating the learning objectives for the class.
- Develop a Variety of Learning Activities: Adults prefer activities that reflect diverse learning styles and interests. Our instructors are encouraged to develop a classroom environment that engages students in problem-solving, discussion and collaboration with their peers.
- Self-Reflection and Self-Evaluation: Students incorporate more writing exercises that challenge students to reflect on their own experience.
- Distance Learning: HCDE AE encourages students in distance learning to allow learners to explore parts of the curriculum that they are interested in learning at their own pace. Program data show that students who engage in distance learning are more likely to have educational gains.

3) Instructors Use Information and Data from Comprehensive Assessment and Testing for Instructional Purposes

During intake, HCDE AE staff administer the BEST Plus and BEST Literacy for academic assessments of English language learners. For IET classes, students may also be administered specific industry assessments to determine the student's level of knowledge and skill in that field. Students will also complete a goal setting Individualized Training Form that includes establishing Specific, Measurable, Attainable, Realistic, and Time-Based (SMART) Goals. The comprehensive assessment also includes questions probing the student's digital literacy skills to determine whether they will need additional support with distance learning or whether online class delivery options are appropriate for the individual.

During the initial orientations, students who indicate having a disability or other potential barrier to their participation in the program will be further evaluated. The Career Navigator or other staff including manager, program assistants or instructors will conduct one-on-one interviews to discuss the participants' goals and gauge students' potential barriers and supportive services they might need (e.g., transportation, childcare, etc.). Staff will begin a case management file to maintain all records.

The comprehensive assessment process for students interested in enrolling in the IET program also includes personal interviews with students to determine their level of interest, prior experience, and potential barriers to entering a particular industry, including the student's ability to pass a criminal background check.

The information gathered during the Comprehensive Assessment process is used to place the student on a course of study that matches his or her interests and abilities. ESL participants are placed in leveled classes using oral and literacy testing scores as the main guide. Students will also be placed in specialized ESL classes including ESL for internationally trained

professionals and civic education or citizenship classes based on their goals. For combined ESL and HSE in Spanish classes, Best Plus and Best Literacy scores and GED Ready® scores in Spanish are used to place students in either a Fast Track HSE class or on targeted math/science or reading language arts/social studies class that seeks to develop foundational skills in reading a writing.

For IELCE IET classes, initial Best Plus and Best Literacy scores are used to determine whether an individual is ready to enroll in an IET class. Students with literacy skills below the National Reporting System (NRS) for Adult Education Level 4 are further evaluated to determine the student's readiness for the academic demands of the IET program and may be placed in bridge classes to improve basic skills.

During the planning phase, teachers will review testing data and information from the ITECs to refine the instructional plan for the class. This may involve making modifications to the program of study, which will be reflected in the class syllabus. The Instructional and Curriculum Lead will collaborate closely with teachers to help teachers develop lessons plans that are appropriate to the participants' abilities.

Information Gathered from Comprehensive Assessments

Instructors use the information gathered from comprehensive assessments in the following manner.

- Identify Learning Gaps: Instructors analyze assessment results and ITEC form goals to identify areas where students are struggling and areas of career interests that can be used to contextualize instruction.
- Differentiate Instruction: Teachers tailor their teaching to address the diverse needs of students. Use assessment data to group students based on their strengths and weaknesses, allowing for targeted instruction.
- Provide Timely Feedback: Instructors are required to share assessment results with students promptly and offer constructive feedback on their

performance, highlighting both strengths and areas for improvement. This helps students understand their progress and encourages a growth mindset.

- Once during the class, the instructor and student review the ITEC Plan to determine progress towards goals and make appropriate revisions to the plan based on new assessment information and/or changes in the student's goals.

Program Activity	Description
Intake/Registration/Pre-test	Academic and skills assessments, aptitude testing, enrollment, orientation, career counselling, individual goal setting, identification of barriers and implementation of needed wraparound services.
Literacy (10 weeks)	
Math and Literacy Prep 60 hours	HSE development (English, language arts, math, social studies, science instruction)
ESL (English as a Second Language) 60 hours	ESL Class instruction that specializes in helping non-native speakers of all ages and levels learn both formal grammar, vocabulary, and pronunciation of spoken and written English. Includes Civics instruction with US History and government as well as citizenship classes.
Post-test 40 hours - HSE 60 hours- ESL	Progress assessment in TABE® for HSE. Progress assessment in BEST Plus for ESL.
(IET)– Career & Job Ready (6 weeks)	

Career Skills Training & Workforce Certification /IET Intensive Job Skills & Training 72 hours	Participants explore careers in the workforce industries and employability skills training. Participants will develop skills and knowledge to support current and future high-demand industries. Participants will also have an opportunity for upskilling.
Career & Job Placement Services for WFS Students (1 Week)	
Job Placement 16 hours	Job search techniques, resume writing, interview skills, dress for success, job shadowing, internships/externship placements. MAP (My Action Plan) EXIT Outcomes.
DATA: MSG and Tracking	
Ongoing. Onset happens at intake and registration. Continues six months after participant program exit.	Participant progress, attendance, assessments, credentialing, GED acquisition, post-secondary enrollment, job placement and employment data (including military service records), internship and civic participation data.

Workforce Preparation Activities

All IELCE classes at HCDE AE incorporate Workforce Preparation Activities (WPA) by equipping individuals with employability skills and knowledge needed to make an effective transition into the workplace. WPA is seamlessly blended into reading, writing and numeracy activities, such as writing a resume, engaging in online career exploration, or using a spreadsheet to develop a household budget and address these key competencies:

- Using resources and information.

- Working with others.
- Understanding systems.

Critical Thinking Skills and Learning Frameworks are included in the basic academic standards used for ESL as part of the Texas Adult Education Content Standards. As part of Workforce Preparation, instructors develop lessons that require the application of critical thinking skills such as analysis, interpretation, inference, and problem solving in the context of work, including activities such as case studies, real-world projects, simulations, and role-playing. Students also learn about different learning frameworks such as Bloom's taxonomy which help guide the learning process.

Digital Literacy: HCDE AE includes digital literacy instruction and practice needed to use information and resources in the workplace. All students are required to engage with digital learning approaches by participating in Distance Learning as part of their ESL and ABE classes. Teachers receive training to incorporate the AEL Digital Literacy Content Standards in their such as PowerPoint presentations or Microsoft Word to create a resume or completing an online application. HCDE AE will offer standalone Digital Literacy classes for students who require more support to learn basic literacy skills. Teacher and Career Navigators provide guidance on effective job search strategies, including online job portals, networking, and leveraging social media and participants create a professional online presence, such as LinkedIn profiles.

Financial Literacy: HCDE AE includes modules on financial literacy to help participants manage their finances effectively, including budgeting, understanding benefits, and planning for retirement. HCDE AE includes financial literacy as part of its ABE includes practical lessons in budgeting, interest rates, and basic lessons in banking, shopping, and whether to buy or rent a home as part of the ESL curriculum. In addition, HCDE AE will provide regular visits from partners such as the Federal Deposit Insurance

Corporation and the HCDE AE business office staff to provide presentations on selected financial literacy topics.

Focus on Soft Skills and Leadership: In addition to literacy skills, ABE, ASE, and ESL classes emphasize the development of soft skills such as communication, teamwork, and the development of leadership skills.

Career Navigators regularly conduct workshops or seminars specifically focused on improving interpersonal and professional skills. HCDE AE encourages teachers to create a classroom environment in which students assume roles or take responsibility for managing aspects of the classroom environment such as collecting attendance sheets, helping to transition new students, handing out materials, and contacting absent students. Such roles contribute to the development of interpersonal communication and leadership skills among students. The administration also relies on student ambassadors to share their experiences with new HSE or ESL classes or to speak at program celebrations as a means to promote leadership roles among its students.

4) Align with the Texas AEL Content Standards

HCDE AE's instructional plan is aligned with the Texas AEL Content Standards and aims to expedite the transition of undereducated adults into career pathways by introducing greater rigor in instruction content. This ensures that instruction in all IELCE classes align with the requirements that instruction lead to the attainment of a high school equivalency, post-secondary education, including workforce training, and employment. Proficiency in speaking, listening, reading, and writing enables English Language Learners (ELLs) to obtain a HSE certificate and actively participate in college-level courses and workforce training.

The Texas Adult Content Standards also provide a link to specific skills required in key Texas industries, such as advanced manufacturing,

healthcare, construction, and transportation. HCDE AE instructors are encouraged to bridge academic instruction with workplace skills.

- For ESL, Texas AEL standards expand the focus beyond basic oral communication skills, incorporating reading, writing, and vocabulary development for a seamless transition to ABE classes leading to a high school diploma and post-secondary certifications or college. Within each content area, subareas break down broad topics like listening, speaking, reading, and writing skills into manageable groupings of information. In addition, the ESL curriculum incorporates the Civics Standards and Benchmarks of the Texas Adult Education Content Standards.
- HCDE AE's IET program relies on the Texas Workforce Commission standards to develop the curriculum for basic skills classes in healthcare and construction clusters. Alignment with O*Net Detailed Work Activities and industry-specific examples enhances contextualized instruction, leading to improved outcomes in obtaining certifications, skills progressions, math and literacy assessments, employment outcomes, and partnerships with employers.
- In digital literacy, HCDE AE will use the Texas Adult Education Digital Literacy Standards to implement its digital literacy plan:
 - Instructors will embed basic digital literacy skills in ABE, ESL, and IET classroom instruction, projects, distance learning, and other activities.
 - Digital Literacy Standards will guide the development of basic, intermediate, and advanced digital literacy classes, identifying specific skills needed at each level.

Professional development and training will receive regular updates throughout the program year, with workshops tailored to English/Language Arts, mathematics, and ESL domains. Emphasis will be on alignment with established standards and effective coverage of instructional topics, ensuring relevance to high-growth industries in Texas.

5) Educational Needs of Students with Special Learning Needs/Learning Disabilities

HCDE AE aims to enhance accessibility for adult learners with disabilities by implementing strategies to establish inclusive learning environments. Addressing accommodation needs is integral to the academic support framework. HCDE AE is committed to delivering content that is accessible both online and in face-to-face instruction. By providing training to instructors, adult educators play a crucial role in guiding individuals seeking disability accommodations, ensuring they are aware of available resources and fostering a welcoming atmosphere that seamlessly incorporates accommodations for learners with disabilities. The elimination of stereotypes, coupled with the prompt provision of information and resources, contributes to the successful inclusion of learners with disabilities.

HCDE AE is committed to supporting in-person learners with disabilities by offering the following:

- Instructor-facilitated academic accommodations, including instructional aids.
- Visual aids and strategically placed seating for learners with hearing impairments.
- Assistance such as note-takers or extended time on exams and assignments.
- Access to large print materials, supplemental lighting, electronic textbooks, and alternative testing arrangements.
- Consideration of environmental factors like room temperature, equipment sounds, and flexible seating arrangements.
- Availability of elevators and/or ramps, as well as designated handicapped parking spaces.

For online learners with disabilities, HCDE AE ensures:

- Videos include closed captions, images have alternate text, and course materials are properly formatted for compatibility with screen readers.
- Online course design follows a logical order for learning modules, facilitating easy navigation.
- Instructional aide support for modules and overview pages, offering clear directions on expectations.
- Digital learning materials adhere to accessibility standards, addressing issues related to online course design and web accessibility.

8. CONSIDERATION 7: DISTANCE EDUCATION – 5 points

Applicants will describe how they will: 1) utilize a Distance Learning Plan to increase the amount and quality of learning by implementing one (1) or more options for Distance Learning using TWC AEL-approved Distance Learning curricula (S); 2) use and integrate Educational Technology to support instruction, Workforce Preparation Activities and Professional Development (PD) to enable users to find, evaluate, organize, create, and communicate information (S); 3) provide instruction in Digital Literacy (S); and 4) provide activities, services and systems that will lead to improved performance.

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Distance Learning (DL) Plan

HCDE AE has been the leader in the implementation of Distance Learning (DL) in the Gulf Coast region and plans to continue expanding the reach and intensity of DL to accelerate learning among all students in online and in-person classes by doubling the proportion of students with proxy hours (contact hours earned through DL curricula) and the number of proxy hours generated by DL platforms. Between PY2018-19 and PY2021-22 (excluding pandemic affected PY2020-21), HCDE AE had 6,520 students with proxy hours or 37.4% of the H-GAC Consortium's students with proxy hours and nearly double the number of students with proxy hours for Houston Community College, the next largest program in the area. During the same period, HCDE AE's share of students with proxy hours to all participants was 38.2% compared to 35.9% for the Consortium and 29.5% for Houston Community College. DL has been a major factor contributing to improved student performance with students with proxy hours having almost twice as many contact hours (an average of 104 vs. 55 hours) and nearly double the Educational Functional Level (EFL) gains (57.8% vs. 29.9%) compared to students without proxy hours for the same period.

HCDE AE's DL Plan is for IELCE is designed primarily around two TWC-approved DL curricula, GED Academy for ABE and HSE preparation in Spanish and BurlingtonEnglish® for ESL classes, which were chosen because they provide levelled and systematic instruction tied to the Texas Adult Education Standards, The plan provides detailed information on each curriculum and specific strategies regarding student recruitment, orientation, support, and documentation of proxy hours in TEAMS.

DL Curriculum: GED Academy for ABE and HSE preparation and Burlington English® for ESL classes, which were chosen because they provide levelled and systematic instruction tied to the Texas Adult Education Standards.

GED Academy:

- GED Academy offers a comprehensive ABE and HSE preparation curriculum, which allows for easy integration of classroom instruction and DL assignments or for individualized work.
- It is one of the few DL curricula that offers a simulated classroom environment that includes lessons, student questions and practice exercises.
- GED Academy provides supplementary curricula that support financial literacy, digital literacy and workforce preparation skills that are incorporated into all ABE and HSE classes.
- GED Academy lessons are available in Spanish for students preparing for the GED test in Spanish.
- The curriculum provides extensive training for teachers and students on how to use the application.

BurlingtonEnglish®:

- The platform has an ESL curriculum for NRS levels 1-6 that utilizes standards that are cross-referenced with the Texas Adult Education Content standards.
- In-class lessons have detailed lessons plans with varied reading, writing, listening, and speaking activities on a wide range of topics relevant to adults with a heavy emphasis on work. Parallel Distance Learning modules are assigned to students as homework or individual practice.
- The curriculum has separate modules for EL Civics covering topics such as financial literacy, family literacy and digital literacy. A career exploration module allows students to explore contextualized vocabulary in different career pathways.
- The curriculum has extensive training modules to teach teachers and staff to learn to use the curriculum and extensive technical and professional development support.

Instructional Design:

HCDE AE's DL Plan makes participation in Distance Learning an integral part of the instructional delivery.

- Teachers are encouraged to use the curriculum and lesson plans in these learning platforms as a primary guide for classroom instruction and to supplement this curriculum with appropriate extension activities and real-world materials and sources, such as work manuals, applications, news stories, etc.
- Teachers are required to provide at least three hours of directed Distance Learning assignment that reinforce or extend classroom learning.
- Teachers encourage students to explore materials on the platform that address their own specific learning needs or interests without limit.
- Teachers are required to provide feedback to students on the work they complete in DL assignments.

Recruitment and Orientation:

- Universally, the DL program targets all learners in both face-to-face and online ABE/HSE and ESL classes.
- Student orientation for DL happens no later than the first two weeks of class.
- During orientation, students receive hands-on experience in using the platforms and reinforce the expectation that they will be working on DL assignments at least three hours a week.

Student Support:

- Teachers are required to use weekly office hours to address any problems students may encounter in using the distance learning programs.
- Teachers may request additional training and support from the DL Lead or vendor representative.

- Teachers proactively monitor student DL use weekly and contact students who are falling behind or not using the platform.
- Students are encouraged to use the Texas Adult Education DL hotline, if they encounter any technical issues at home.

Management of Distance Learning in TEAMS:

- Staff collects DL hours every two weeks for submission and data entry.
- Proxy hours are entered for each AEL class.
- DL Lead and area managers review DL Reports in TEAMS to evaluate potential issues with the implementation of the DL plan.
- DL Lead reports on DL use monthly to Management Team and makes recommendations for improvement or to adopt new DL platforms that may more effectively meet student needs.

Staff Training:

- Modules 1 and 3 of the DL Academy are required for key administrative, teaching, and support staff that is engaged in DL.
- DL staff is required to attend training opportunities provided by vendors to review new features and capabilities of the learning platforms.

2) Educational Technology

HCDE AE is committed to embracing technology to enhance its service delivery and improve computer literacy among its participants. To achieve this, HCDE AE will implement a multi-faceted approach that encompasses various technological solutions and training initiatives.

Virtual Classrooms: HCDE AE's strategy involves the continued use of virtual classrooms, which facilitate live interactive sessions between educators and students.

- These virtual classrooms will leverage video conferencing, screen sharing, whiteboards, chat, and other collaboration tools to create a dynamic learning environment.

- To ensure the success of this approach, comprehensive training will be provided to our educators, empowering them to effectively utilize technology for teaching and learning.

Technology in Traditional Classrooms: In-person teachers are expected to use a wide range of technological tools to support classroom instruction:

- The Instruction and Curriculum Lead will encourage instructors to develop engaging multimedia content, such as video lectures, interactive presentations, and online quizzes, to enrich the learning experience.
- HCDE AE teachers will take full advantage of the new Adult Education Learning Center that is equipped with innovative technology, including projectors and wireless internet access, to complement traditional instruction.

Integration of In-Class Lesson with DL Platforms: As mentioned in the DL section, teachers will use in-class lesson plans and activities available in the DL platforms.

Using Own Devices in Class: Teachers are encouraged to develop activities such as web searches, filling out applications and other real-world tasks in which students use their own devices including smartphones, laptops, and tablets.

Increasing Access to Technology:

- HCDE AE promotes low cost or no cost internet access options for students who cannot afford access at market costs.
- HCDE AE will continue a Chromebook giveaway program for students who may not have access to an adequate device.
- The Adult Education Center is equipped with three mobile labs that can be brought to a classroom for digital activities.

3) Instruction in Digital Literacy

HCDE AE will incorporate digital literacy to provide a solid foundation for students who need these skills to successfully navigate distance learning digital activities in their regular classroom instruction. Recognizing the

importance of digital literacy, HCDE AE will offer computer literacy classes virtually and in-person, ensuring accessibility for all participants. HCDE's Adult Education Learning Center is equipped with a classroom that has access to laptops via four mobile carts with 24 laptops each, to facilitate these classes.

HCDE AE will offer digital literacy classes as a standalone format as well as a supplement to traditional HSE and ESL classes on Fridays. The Baytown Learning Center also has a mobile cart and a computer lab to support digital learning. The program will use the NorthStar Digital Literacy curriculum for ABE and the Digital Access and Resilience in Texas (DART) curriculum integrates beginning English language learning with foundational digital skills.

4) Activities, Services and Systems that Lead to Improved Performance

HCDE AE will work with other grantees to offer services to individuals outside of its service area avoiding duplication of services. HCDE AE will make required modifications to its DL plan and in compliance with TWC AEL directives.

- Technology plays a crucial role in supporting the program's recruitment and testing processes, facilitating increased outreach in the community, and optimizing resource utilization. For its online classes, HCDE AE will continue to use online registration and testing to facilitate recruitment and improving access to all classes.
- To further assist students on their learning journey, HCDE AE will expand online support services, including virtual counseling, tutoring, and academic advising.
- HCDE AE values student feedback and will utilize online surveys to continuously gather input to improve the technology-based learning environment.

9. CONSIDERATION 8: IET – 10 points

Applicants will describe their IET Program and how it will: 1) create IETs that are aligned to the local Board In-Demand Occupation and Targeted Occupation lists; and 2) incorporate the three (3) Core Components of an IET within an integrated instructional service model that: a) provides simultaneous AEL instruction and Workforce Training at points within the overall scope of the program, b) uses occupationally relevant instructional materials; and c) has a single set of learning objectives that identify specific competencies across the IET Components that are organized to function cooperatively, which may include established learning objectives and trade-related benchmarks or competencies for a particular In-Demand Occupation, Targeted Occupation, or occupational cluster required for attaining a Credential and provide a pathway for ELLs, which must include professionals with degrees and credentials in their native countries to engage in IET models that align to AEL Content Standards and must be designed to prepare adult ELLs for, and place them in, unsubsidized employment in existing and emerging In-Demand Occupations and Targeted Occupations that lead to economic self-sufficiency; include instruction for English literacy and fluency; and include rights and responsibilities of citizenship and civic participation.

0-3 points – Low Score Range

4-6 points – Medium Score Range

7-10 points – High Score Range

1. IETs Opportunities for IELCE Students - Aligned to the Local Board In-Demand Occupation and Targeted Occupation List

HCDE AE has demonstrated a strong commitment to fostering career pathways opportunities for English Language Learners (ELLs) by developing Integrated Education and Training (IET) programs that provide Workforce Training for existing and emerging in-demand industry sectors, combined with contextualized ESL instruction based on the Texas AEL Content standards and appropriate workforce preparation activities. HCDE AE collaborates with employers including MAREK Brothers, Turner Industries, Ashford Gardens Health, and Gulf Coast Blood Bank. In the past five years, HCDE AE served 670 ELLs in a wide range of IET programs leading to an industry recognized certification in high demand industries including construction, healthcare and business services that are aligned with the local board plan (e.g., National Center for Construction Education and Research - NCCER Core Curriculum, Certified Nurse's Assistant, Phlebotomy, Customer Service, Front Office Specialist).

HCDE AE has navigated the special challenges of implementing IETs for ELLs, striking the right balance between language acquisition and the development of technical or job-related skills. Early success with the implementation of the IET programs in construction leading to an NCCER Core Curriculum industry certification, paved the way for additional training opportunities in other key industries. HCDE AE proposes to expand the IET course offering for ELLs to include additional training opportunities for ELLs. In the healthcare industry, IET classes will be added for Certified EKG Technician, Certified Medical Assistant and Certified Professional Medical Biller. In the Office Administration industry, IETs will be added to the IT Help Desk (CompTIA) and Entrepreneurship with a QuickBooks Certification. Finally, in the Construction industry HCDE AE will add a NCCER Pipefitter Level I certification and a solar thermal installer certification.

HCDE AE has continued to foster IET opportunities for ELLs by addressing the following challenges:

- a) Aligning IET Programs to Local Industry Demand: HCDE AE has worked closely with Gulf Coast Board staff and employers to identify training opportunities that allow ELLs who earn an industry recognized certification to obtain an entry level job in the field. In the Houston area, construction and the service industry have traditionally hired many ELLs. Discussions with local employers also show that bilingual certified Nurse Assistants and other allied health professionals are in great demand and even have higher starting salaries.
- b) Recruitment: HCDE AE has relied heavily on its large pool of English language learners to find eligible candidates for its IET programs. Workforce development staff regularly visit ESL classes to discuss existing training opportunities as well as language and work-eligibility requirements. A key insight of those early programs is that with the appropriate support, adult ELL students with English skills above beginning English (NRS Level 3) can succeed in English language certification program and pass industry recognized certification examinations. Interested students may set individual appointments to address specific questions or situations. IET Student Ambassadors visit ESL classes to discuss their experience in graduating from and HCDE AE training program.
- c) Accelerating Pre-IET Instruction: HCDE AE's aim is to make IET programs available to all eligible ESL learners regardless of their current English language proficiency. To this end, general ESL classes are required to have lessons that familiarize students with the context of work and workforce preparation skills. Research indicates that contextualized bridge classes can have a positive impact in the attainment of industry recognized certifications. HCDE AE will develop contextualized classes for business,

health care and construction for beginning level students who are interested in existing career pathways.

d) Effective Contextualization of ESL instruction and Workforce Training:

HCDE AE has implemented a modified I-BEST model of instruction for its IET classes targeted at ELLs, which requires the basic skills teacher and training instructor to collaborate in delivering the technical skills and language support required for the class. This co-teaching model is also supported by additional contextualized ESL and basic skills. Research shows that IET classes have better outcomes for completion of certifications and employment.

e) Workforce Preparation Activities: ELLs come from diverse linguistic and cultural backgrounds, each with unique learning needs. Creating a program that caters to this diversity can be challenging. HCDE AE's workforce preparation activities for ELLs in IETs address the linguistic and cultural challenges students will face in job seeking, interviews and navigating the workplace environment after they are hired. The class aims to create a risk-free atmosphere by including bilingual employer presentations on workforce activities in the classroom.

f) Student Supports: It is important to provide ELL students with the necessary support to help them succeed in IET programs that provide language assistance, academic support and career counseling through Career Navigators and Transition Specialists. It is also important to create a welcoming and inclusive environment for ELL students. This can be achieved by promoting cultural awareness and sensitivity among staff and students, and by providing opportunities for ELL students to connect with their peers and the broader community.

g) Strong Connection with Employers: The success of HCDE AE's IET program for ELLs relies on a network of employers who help to recruit students for

training programs, provide support in contextualizing the curriculum and provide jobs for HCDE AE's IET completers.

2) Incorporation of three Core Components of an IET within an Integrated Instructional Service Model

a) Simultaneous AEL Instruction & Workforce Training

HCDE AE's implementation of the IELCE IET model provides for the simultaneous delivery of its required components including: 1) workforce training for a specific occupation, 2) basic skills instruction including literacy, language acquisition and civics in the context of that occupation or occupational cluster, and 3) workforce preparation activities. Each IELCE IET class has a syllabus that identifies a single set of learning objectives that includes all three components. To implement this approach, HCDE AE's instructors and workforce training staff jointly design and deliver the adult education activities, workforce trainings and workforce preparation activities customized to support the academic and employment success of basic skills.

HCDE AE aligns the IET program with the definition of Career Pathways in the Workforce Innovation and Opportunity Act (WIOA), which represents a hallmark for innovative AEL instruction and workforce development training. The HCDE AE's Career Pathway model is developed for participants below the post-secondary level, as well as those students that are at post-secondary level wanting to receive industry recognized credential.

b) Uses Occupationally Relevant Instructional Materials

HCDE AE utilizes occupationally relevant instructional materials that relate to the specific occupation or occupational cluster the IET program targets. These materials help students acquire the knowledge and skills needed for the workforce training component and the career pathway they are pursuing. Some examples of occupationally relevant instructional materials are:

- Authentic workplace environment – HCDE AE’s Healthcare training in CNA, EKG, Phlebotomy utilizes State approved training classrooms where instruction and clinicals are performed of the occupation or occupational cluster. Classrooms include equipment such as clinical beds, patient dummies, and clinical equipment and supplies.
- Textbooks, manuals, handouts, or online resources that cover the technical content and terminology of the occupation or occupational cluster in Pipefitting and NCCER certification in construction. Basic skills instructors review vocabulary and concepts that are covered in the training components.
- Basic Skills classes use workplace documents, such as forms, reports, memos, or emails, which reflect the communication and documentation practices of the occupation or occupational cluster.
- Assessments, quizzes, tests, or portfolios that measure the mastery of the learning objectives and competencies of the IET program.

To use occupationally relevant instructional materials effectively, adult education instructors and workforce training staff collaborate to select, adapt, or create materials that are aligned with the IET program’s single set of learning objectives and the needs and interests of the students in the program.

c) Learning Objectives

The primary objective of HCDE AE’s Workforce Training programs is to integrate education and training that leads to unsubsidized employment in a high-demand occupation, allowing ELL students with varying skill levels to accelerate their learning and obtain industry-recognized certifications. To meet the needs of the region’s economy, HCDE AE will focus on providing students with workforce training and education programs that are aligned with the Gulf Coast Workforce Board goals and strategies in its 2021-2024 Local Plan:

1. Workforce Needs Identification: HCDE AE works closely with Board staff to identify workforce needs in three distinct lists: Targeted Industries, Where the Jobs Are, and High-Skill, High-Growth Occupations, which is equivalent to TWC's Targeted Occupations list. The three lists guide the Board's strategic investments, helping residents build careers in industries and occupations with promising prospects and higher wages.

2. Targeted Industries List: This list, equivalent to the Commission's in-demand industry list, identifies industries critical to the region's economy. Employers in these industries with chronic labor shortages in high-skill occupations receive top priority for services financed by Workforce Solutions. HCDE workforce training plan under this RFA is focused on three of these industries:

- Construction
- Healthcare and Social Assistance
- Administrative Support

3. The High-Skill, High-Growth Occupations list is particularly influential in deciding which occupations are targeted for HCDE AE's workforce training programs. HCDE AE works closely with Workforce Board staff to ensure that its proposed workforce training program leads to one of the occupations on the List.

4. Creating a Pathway for adults with low literacy and barriers to complete earn a high school diploma and enter into training or post-secondary education. HCDE AE's Contact to Careers programs is designed to ensure that current ESL and GED students have an accelerated path to employment. HCDE AE has a strong record of providing workforce training services that are aligned with the region's employment needs and support adults with low literacy skills and employment to access targeted occupations. Since 2018, HCDE AE has served over 2,800 students in its Integrated Education and Training (IET) programs listed in Table 8.1 below.

Table 8.1 HCDE AE's Current IELCE IET Programs

Healthcare & Social Assistance			
IET - Occupational Title	Local Target Occupation	Partners	IET Description
Phlebotomy	Phlebotomist	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in collecting, transporting, handling, and processing of blood specimens for analysis. Students obtain a Phlebotomy certification after completion.
CNA	Nurse Assistant	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the care of persons needing medical and/or allied health care; and, to assist nurses and other medical staff in the care of patients. Students obtain certification as a Nurse Assistant upon completion.

	EKG	Cardiovascular Technologists and Technicians	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training to record and monitor electrical activity of the heart. Students obtain certification as an Electrocardiograph Technician upon completion.
	Administrative and Support Services			
	Comp TIA	Computer Network Support Specialist	HCDE AE Trainer	Training course includes instruction on basic Computer Network Support Assistance.
	Customer Service Certification	Market Research Analysts and Marketing Specialists	HCDE AE / National Customer Service Association	Training prepares a student with advanced customer service skills, sales and marketing skills, and strategies. Certification can lead to a one-year marketing certificate and earn an AAS in business, emphasizing marketing.

	Front Office Specialist	Secretaries & Administration Assistants, Receptionist, and Information Clerks	HCDE AE / H-Tech	Training prepares students with instruction and training in basic office principles and functions with an emphasis on technology. Students obtain a Microsoft Office certificate after completion of the course.
	Construction			
	NCCER Pipefitting I Certification	Plumbers, Pipefitters, and Steamfitters	Launch Point, Eight Million Stories	Training course includes construction math and the NCCER Pipefitting curriculum. Students obtain an NCCER Pipefitting Level I certification after completion.
	NCCER Core Curriculum Certification	Construction Laborer	HCDE AE	NCCER Core Curriculum Certification includes Basics in safety, hand and power tools, construction math, materials handling, construction drawings, rigging

			and employability skills.
<p>HCDE AE has continued to work with Workforce Board’s staff, employers, and industry associations to plan for the expansion of IET programs within the five targeted industries to provide a wider range of training opportunities and to allow for the possibility of stackable credentials over time.</p> <p>Building on the success of the IET model, HCDE AE proposes the integration of stackable credentials within the training programs. Stackable credentials allow students to earn and accumulate multiple certifications over time. This approach not only enhances their overall skill proficiency but also increases their marketability for in-demand industries, where employers often seek candidates with diverse and comprehensive skill sets.</p> <p>HCDE AE’s plan is to allow students to continue to stack credentials in our chosen targeted industries such as healthcare, administrative and support services, and construction. Once a student earns a short-term industry recognized credential, they can return to the program after they have gained valuable work experience in their training field.</p> <p>HCDE AE’s pathway for complementary certifications in healthcare provides an example of a strong combination of certifications in the industry:</p> <p>I. Certified Phlebotomy Technician (CPT) Entry Level Position- Base Certification</p> <p>II. Certified EKG Technician (CET) A participant must have work experience at entry level as a General Phlebotomist.</p> <p>III. Certified Nurse Assistant (CNA) A participant must have one year of work experience in the healthcare field.</p>			

Table 8.2 below highlights the additional proposed IET programs HCDE AE will implement in the healthcare, business, and construction industries.

Table 8.2: Additional Proposed IELCE IET Programs

Healthcare			
IET - Occupational Title	WIOA Target Occupation	Partners	IET Description
Medical Administrative Assistant	Health Information Technologists, Medical Registrars, Surgical Assistants	Medi Lab	Training includes instruction in medical office management, legal, ethical, and regulatory concepts, information on electronic health records and proper handling of patient information. Students receive certification as a Medical Administrative Assistant/Medical Records Clerk upon completion.
Medical Billing	Medical Billing Support, Services and Specialist	HCDE AE / Integrated Health Solutions II	Training course includes instruction on the basic principles and concepts of medical billing and coding; fundamental

			understanding of the human body and medical terminology; ability to classify and assign diagnosis and procedure codes using national coding systems. Students receive certification as a Medical Billing Professional upon completion.
Business Service & Technology			
Airline Reservations Systems	Travel and Leisure Agents, Airline Reservationists	HCDE AE	Airline Industry Training with a focus on GDS (Global Distribution System) in Travel and Hospitality Industry Certification.
Entrepreneurship	Chief Executive Officer, Business Development Specialist, Accountant	HCDE AE	Training equips students with skill sets and mindset for identifying and launching new business ventures, sustaining a business, managing

			a budget, marketing, complying with tax regulations.
Construction			
NCCER Pipefitting II Certification	Plumbers, Pipefitters, and Steamfitters	Launch Point/Eight Million Stories, MAREK Brothers	Training course includes construction math and the NCCER curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion.
Solar Installation	Solar Panel Installer, Solar Maintenance Technician, Solar Project Manager	HCDE AE /GROW / Launch Point	Training course includes course instruction in solar energy principles, energy storage and transfer technologies, testing and inspection procedures, system maintenance procedures, and report preparation. Students obtain Solar Installer Certificate.

Employer Partnerships

Collaborating with employers is a crucial aspect of HCDE AE's workforce training strategy. This collaboration involves soliciting input from employers in the development of new training options. The goal is to ensure that graduates from HCDE AE's Integrated Education and Training (IET) programs are directly integrated into employment pipelines within our targeted industries. Employer partnerships play a vital role in enhancing job placement, retention, worker engagement, as well as providing opportunities for participants to advance and secure increased wages.

To expand the impact of these partnerships, HCDE AE is committed to identifying additional employer collaborators for both IET and ESL students. This effort includes leveraging resources effectively to extend services to a broader range of clients. Currently, HCDE AE actively engages with 17 employers in collaborative sessions. These interactions serve as forums for brainstorming and gaining insights into the specific needs of employers concerning the competencies required in the workplace and the intricacies of their respective industries. This ongoing dialogue ensures that HCDE AE's training programs remain aligned with the evolving demands of the job market, benefiting both students and employers.

As an example of the power of employer partnerships, HCDE AE had its first "Signing Day" event where 45 HCDE AE IET graduates signed letters of intent to work with the following employers (see table below). The event highlighted the connection between training and employment in the targeted industries. HCDE AE plans to expand this event to include future graduates of IET programs in other sectors.

Occupational Category	Occupation	Employer	Student(s) Employed
Healthcare	CNA	Ashford Gardens	6

Allied Health	CNA	BeeHive	3
Allied Health	CNA, EKG	Dedicated Senior Medical	4
Allied Health	Phlebotomy	Quest Diagnostics	1
Allied Health	CNA	Accessible Home Care	1
Construction	Drywall, Construction Laborer	MAREK Brothers Construction	16
Construction	Construction	Building Talent Construction	4
Construction	Construction	HBI/Texas Masonry	5
Construction	Construction	Pioneer Industrial	2
Construction	Construction	Turner Industries	3

Promote IET Opportunities for Students

HCDE AE will promote IET opportunities through the following means for student accessibility.

- Conducting Outreach Activities in Harris County, to target potential students and inform them of the benefits and requirements of the IET programs provided.
- Developing Partnerships and Collaborations with employers, community organizations, post-secondary institutions and other stakeholders that can support the IET programs and provide resources and referrals.
- Aligning IET Programs with Regional Labor Market demand and industry recognized credentials that can increase a student's employability and earning potential through a coalition of HCDE AE's employer partners.
- Implementing Effective Instructional Practices such as contextualized instruction, project-based learning, team teaching and digital literacy that can enhance a student's engagement and learning outcomes in IET programs.

Contextualized Instruction

The IET approach combines literacy, numeracy, and English language skills with occupational skills training. This integrated model is proven to be highly effective in addressing the needs of low-skilled individuals, allowing them to simultaneously enhance their foundational skills while acquiring the specific technical expertise required in their chosen industry. Through collaborations with stakeholders, including community partners, employers, and other professional development centers, HCDE AE will expand this service and develop more innovative contextualized instructional strategies that integrate basic skills and vocational training to increase employability and productivity.

IET Curriculum Design

HCDE AE's IET staff are trained on the curriculum framework based on statewide standards, such as the Texas Adult Education Content Standards and Benchmarks for ABE/ASE and ESL learners and the Texas College and Career Readiness Standards that are aligned with the industry skills needed. HCDE AE also works with community-based organizations such as Eight Million Stories and Launch Point to train individuals, ages 18-26, in pipefitting. At the end of the course, participants complete a career preparation course that guides them towards job interviews and job placement. The participants will be hired by one of HCDE AE's employer partners.

HCDE AE implements the Integrated Basic Education and Skills Training (I-BEST) models that are characteristic of fully integrated and partially integrated instruction in the IET curriculum framework. Using team teaching in defined roles for integrated instruction, the courses emphasize: a) joint enrollment in both basic skills and workforce training; b) ABE content aligned with workforce training content; and c) instructors working together to identify basic skills needed for low-skilled adults to master workforce skills. Three studies that meet the rigorous standards of the Department of Education's What Works Clearinghouse concluded that programs that combine

co-teaching of basic and training skills and include career navigation services and provide wraparound services, including Washington State's I-BEST model, have better educational outcome such as the completion of credentials and certifications compared to other adult education programs, and in one study (Modicamore et al. (2017)) they were also associated with improved employment and earning outcomes (Anderson, T., D., Kuehn, L. Eyster, B. Barnow & R. Lerman, R. (2017). New evidence on integrated career pathways: Final impact report for Accelerating Opportunity. Urban Institute; A. Glosser, A. K. Martinson, K., Cho, S. W. & Gardiner, K. (2018), Washington State's integrated basic education and skills training (I-BEST) program in three colleges: Implementation and early impact report (OPRE Report No. 2018-87). U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning, Research, and Evaluation).

Implement an Integrated Services - Quality IETs

The career pathways developed by HCDE AE will create integrated education and training opportunities that will ensure accelerated access to industry credentials and work opportunities for participants. HCDE AE will provide a Career Pathway Model to intentionally prepare adult learners for careers through a combination of rigorous and high-quality targeted occupation education and training that:

- Aligns with skill needs of industries in the economy of the State of Texas or regional economy stated in the LCMI report.
- Prepares an individual to be successful in any or a full range of secondary, postsecondary opportunities.
- Includes counseling support for an individual in achieving the individual's education and career goals.
- Helps an individual enter or advance within a specific occupation or occupational cluster.

HCDE AE's Integrated services plan includes the following:

- A delivery of IET Components provided concurrently and contextually.
- Provided simultaneously at points within the program's overall scope.
- Sufficient intensity and quality based on the most rigorous research.
- Support the advancement of education and career development and use occupationally relevant instructional materials.
- Activities will function cooperatively so that specific adult education content, Workforce Preparation Activities, and Workforce Training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET Components.
- Competencies include established learning objectives and/or trade-related benchmarks, competencies for emerging or existing in-demand targeted occupation for attaining a recognized postsecondary credential.

Intensive Services – Workplace ESL, Services for Internationally-Trained ELL Professionals and Post-Release for Justice Involved Workplace ESL

Program Design and Partnerships

HCDE AE actively collaborates with employers to offer Workplace ESL classes, as highlighted in Table 8.3 below. This initiative is a key component of HCDE AE's intensive services aimed at empowering workers to learn English, develop basic skills, and boost productivity, thereby enhancing their opportunities for career advancement. A notable example from 2022 includes the initiation of ESL classes for internationally trained English Language Learner Professionals at Methodist Hospital. This program targeted individuals with doctoral degrees, helping them improve workplace communication and acclimatize to the societal context.

Currently, HCDE AE has established a valuable partnership with MAREK Construction, delivering contextualized ESL classes for its employees. Through these strategic alliances with employers, community organizations, the Workforce Board, and service providers, HCDE AE places a significant

emphasis on the Career Pathways model. This model integrates intensive services, contributing to increased job retention, heightened worker engagement, avenues for career advancement, and improved wages for participants.

The benefits extend beyond individual learners, creating an upskilled talent pool for employers. HCDE AE actively identifies partners for IET programs, aligning workforce needs with educational opportunities. By leveraging resources from HCDE and Harris County, the program is positioned to reach a broader audience, extending its impact on workforce development.

HCDE AE conducts regular meetings with diverse employers to gain insights into their specific needs regarding employee competencies. This includes the use of authentic materials such as safety manuals, reports, and forms employed by workers. This hands-on, industry-aligned approach ensures that the training provided is directly relevant to the workplace, fostering a more effective learning experience for participants and addressing the unique needs of employers.

Table 8.3 Workplace Literacy Collaborations

ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist Hospital. Doctors at Houston Methodist attend virtual classes and have access to HCDE AE Distance Learning Software.	<ul style="list-style-type: none"> • ESL classes for foreign professionals address conversational skills and business writing. • USA Learns software, and ESL software offered by HCDE AE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston	

	Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • City employees obtained ESL skills that improve job performance.
ESL Classes – Dollar General	HCDE AE and Dollar General partnership focuses on work-based literacy classes to Dollar General Employees.	<ul style="list-style-type: none"> • Dollar General employees will benefit from work based - literacy classes.
ESL Classes – YMCA	HCDE AE delivers classes to YMCA Employees at various YMCA facilities. Classes focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • HCDE AE and YMCA met to identify organizational needs and develop curriculum.
MAREK Construction	HCDE AE delivers classes to MAREK Dry Wall Employees at MAREK facilities. Classes focus on conversational English and reading and writing comprehension.	<ul style="list-style-type: none"> • HCDE AE and MAREK met to identify organizational needs, curriculum, skill, and assessment.

After completion of the program, HCDE AE expects the following student outcomes.

1. 75 % of Workplace ESL participants are expected to have an Educational Functional Level gain in an ESL assessment within the program year.
2. 90% of students will be retained by the employer by the fourth quarter after exit from the program.
3. 25% of participants will experience wage gains or career advancement by the second quarter after exit.

Internationally-Trained ELL Professionals

HCDE AE takes a comprehensive approach to meet the diverse needs of Internationally Trained Professionals (ITP) seeking English Language Learning (ELL) training. The program extends support across various aspects, ensuring a tailored and effective learning experience:

1. Tailored Services: HCDE AE provides specialized training for ITPs, encompassing basic skills preparation for professional exams, personalized career advising, and ESL services contextualized for targeted occupations. The program is designed with sufficient intensity to facilitate rapid progress.
2. Language Assessment: A critical component involves English language assessment to determine the participant's proficiency, enabling customized pathways for academic coursework or professional opportunities.
3. Integrated Literacy and Civics Education: Foreign degreed participants benefit from IELCE activities, offering individualized and strategic services. Adult education classes, English language acquisition courses, and IELCE activities contribute to a holistic learning experience.
4. Asset Utilization Support: Throughout the ITP course, participants are guided to identify and leverage their community networks, industry-based knowledge, and professional experience as valuable assets in presentations.
5. Professional Mentorship: HCDE AE facilitates mentorship through its Ambassador Program, connecting ITP students with professional mentors to provide ongoing support and guidance throughout the program.
6. Credential Evaluation Support: Utilizing professional work experience, participants receive guidance in supporting credential evaluations within the scope of an Integrated Education and Training (IET) model.
7. Career Pathway Navigation: ITP students receive guidance to navigate the Career Pathway Model and Integrated Education and Training programs,

ensuring a clear understanding of their educational and professional journey.

8. Contextualized English Language Instruction: HCDE AE offers targeted, contextualized English language instruction, aligning the curriculum with the specific language needs of participants within their chosen professions.
9. Workforce Training Opportunities: ITP students have the opportunity to attend workforce courses within the program, enhancing their practical skills and readiness for the job market.
10. Community-Based Organization Partnerships: HCDE AE collaborates with community-based organizations to provide additional support, assisting ITP students with navigating the higher education system, including diploma translation and evaluation options, understanding work culture, and preparing for job interviews.
11. Foreign Degree Utilization: To promote interpretation/translation of foreign degrees, participants receive assistance in leveraging their foreign degrees for educational and career success, ensuring that their qualifications are recognized and utilized effectively in the local job market.

HCDE AE's holistic and strategic approach aims to empower Internationally Trained Professionals, not only by enhancing their English language proficiency but also by providing comprehensive support for successful integration into the local workforce and educational systems.

Student Outcomes after completion of the Program:

- 75% of participants will have an Educational Functional Level (EFL) Gain.
- 80% will receive specialized support including career counseling, transliteration of foreign degrees, or job search support.
- 50% will transition to additional training or employment.
- 85% of those employed will retain employment by the 4th quarter after exit.

Post-Release for Justice Involved

HCDE AE's program collaborates with re-entry programs, particularly through a strategic partnership with Kashmere Gardens Community Center in Houston, Texas. This initiative aims to offer individuals with criminal histories a chance to pursue their educational and career objectives. Participants in the program receive High School Equivalency (HSE), Integrated Education and Training (IET) courses, career readiness preparation, and employment support.

The overarching goal is to reduce recidivism, enhance employability, and improve social outcomes for the re-entry population. HCDE AE strives to empower these individuals by providing access to educational opportunities and resources necessary for their success.

During the "Learners to Earners" Career Signing Day on November 22, 2023, HCDE AE celebrated a significant achievement. Three re-entry students were granted the opportunity to obtain NCCER Certification in Pipefitting, which led to employment. These students were successfully hired by Building Talent Company, Pioneer Industrial, and Turner Industries. Notably, Turner Industries went a step further by assisting one participant in overcoming housing challenges by offering free housing for the initial three months of employment.

Student Outcomes after program completion:

1. 50% of re-entry participants will earn a credential such as an HSE or industry recognized certification.
2. 80% will receive extended support services including career counseling and support.
3. 50% will find employment by the second quarter after exit.

Working closely with re-entry programs holds great significance for HCDE AE, as it actively addresses and helps individuals overcome the various barriers and challenges they face when reintegrating into their communities.

Provide State of Texas High School Equivalency (TxCHSE) or Diploma Preparation and Instruction

HCDE AE is committed to supporting low-literacy adult students and English language learners in our IELCE program in attaining a TxCHSE through a strategic and focused HSE Fast Track program. The program is designed to accelerate the preparation and instruction process, particularly for students aiming to achieve success in the GED exams. IELCE participants have two tracks toward obtaining a high school equivalency certificate. Advanced ESL students who are interested in obtaining their HSE in English are encouraged to join an ABE class to develop the foundation language and math skills. Once those skills are sufficiently developed, ELL students who have transitioned to ABE classes become eligible for HSE Fast Track classes in English. Alternatively, IELCE student who need a certification more quickly may opt for a Spanish HSE Fast Track preparation class which combines HSE preparation for the Spanish version of the GED® test with ongoing English language instruction and support. The Fast Track Model in English and Spanish follows this process:

HSE Fast Track Modality: The Fast Track modality student attend an intensive 2-week course (four days a week, 24 hours) at the beginning of HSE courses. It targets students who have a passing or near passing score in any or all four HSE practice test subjects: mathematics, science, social studies, and language arts. The Fast Track plan includes:

Week 1 (12 hours): Testing in all four subject areas using GED Ready Tests to identify passing scores. If students pass, they are encouraged to register for the HSE test immediately, and a subsidy voucher is provided.

Week 2 (12 hours): Additional preparation for students with close-to-passing scores or those needing extra practice and skill development in any of the core subjects. Students take the test again using the voucher subsidy program.

10-Week HSE Targeted Courses: Participants who do not qualify for the 2-week Fast Track seamlessly transition into the 10-week HSE courses. The first five weeks are focused on Math and Science test or Reading Language Arts/Social Studies. Comprehensive support is offered through syllabus guidance, tutoring services, study materials, and HSE/GED preparation books. The targeted class includes practice tests at the end of each 5-week module to help participants gauge their readiness for the exams.

GED Testing and Subsidy Program: Eligible students who pass the GED Ready Exams have the opportunity to complete the battery of exams, covering mathematics, science, social studies, and language arts. The total fees for the 19 GED battery are \$145 or \$169, depending on the test delivery method, with individual test fees at \$16.25. Participants receive vouchers as prioritizing subsidies to test within 365 days of exit, eliminating the financial barrier to taking the tests.

Program Impact and Achievements: The voucher subsidy program has significantly accelerated the attainment of HSE Diplomas. In the 2022-2023 academic year, HCDE AE witnessed a remarkable increase of 51 more HSE recipients, totaling 162 compared to the previous year's 112. The approval voucher allotment has incentivized participants to complete all four subject areas promptly. Eligibility is determined by students' GED Ready passing scores and required documentation for an initial voucher. HCDE AE 's voucher usage stands at 90 percent of the initial vouchers allotted, providing accurate tracking and accountability in the program. The success of this initiative underscores HCDE AE's commitment to facilitating the educational advancement of low-literacy adult learners.

Market the TxCHSE Program

HCDE AE is dedicated to enhancing its outreach and marketing strategies for the GED program to effectively engage and assist adults in the Harris County.

a) Targeted Online Advertising:

HCDE's Communications Department uses targeted online advertising to reach specific demographics within the service area. Platforms like Google Ads and social media advertising are employed to strategically promote the HCDE AE program to individuals who may be actively searching for educational opportunities.

b) Search Engine Optimization:

HCDE AE optimizes online content, including the program website, for search engines. This ensures that the TxCHSE program is easily discoverable when individuals in the Harris County area search for adult education or high school equivalency programs.

c) Participation in Local Events:

HCDE AE actively participates in local community events and visits schools and churches to promote the TxCHSE program. Setting up information booths, distributing promotional materials, and engaging directly with attendees create valuable face-to-face interactions and increase awareness of the TxCHSE program.

d) Participation in Local Media:

HCDE AE has successfully engaged with local media outlets, including radio, television, and community newspapers, to cover important events such as GED Graduation, share success stories, program updates, and information about the TxCHSE program.

e) Promotion of HSE preparation programs in all IELCE classes

Develop Successful Retention Strategies

HCDE AE implemented the following retention strategies to ensure every participant is given the opportunity to complete their HSE in the following ways:

- Holding meaningful conversations with students to understand goals, challenges and needs and to encourage them to persist in their studies.

- Recognizing students who demonstrate academic excellence, improvement or resilience and providing them with opportunities for leadership or peer support.
- Determining teacher hiring needs on who can effectively instruct and motivate students in the everyday classroom environment in the TxCHSE programs.
- Monitoring and intervening with students who are at risk of dropping out of failing exams and providing them with feedback, guidance, and career prospectus.

These strategies help create a positive and supportive learning environment for students who seek to obtain a TxCHSE credential and improve their educational and career prospects.

Accelerated Instructional Opportunities - Students to earn TxCHSE Credentials

HCDE AE has been implementing a Fast Track HSE program since PY2022-2023 to accelerate HSE attainment. The model has been refined in PY2023-2024 to include the following.

Customized Curriculum Approach:

The HSE Fast Track program employs a customized curriculum for each individual by carefully analyzing their GED Ready score reports. This personalized approach allows us to determine specific skills that need to be studied, ensuring targeted and efficient preparation for the GED exams.

HSE Fast Track Modality:

The Fast Track modality is a focused 2-week course, consisting of 4 days a week with a total of 24 hours of instruction. This program is specifically designed for students who demonstrate a passing or near passing score in any or all four HSE practice test subjects: mathematics, science, social studies, and language arts.

Week 1 (12 hours):

- Comprehensive testing in all four subject areas using GED Ready Tests to identify passing scores.
- Students who pass are encouraged to register for the HSE test immediately, and a subsidy voucher is provided.

Week 2 (12 hours):

- Additional preparation for students with close-to-passing scores or those needing extra practice and skill development in any of the core subjects.
- Students take the test again using the voucher subsidy program.

Targeted Support Services:

Throughout the entire program, participants have access to dedicated tutoring services. Tutors will be available during and after class hours to provide individualized support, focusing on specific subject areas where participants may require additional assistance.

Fast Track Class Modalities:

- Fast Track classes are offered in both online remote and face-to-face formats to accommodate diverse learning preferences and enhance access.
- Online Remote Classes: Participants have the option to attend virtual classes from the comfort of their homes, utilizing digital platforms for instruction, collaboration, and engagement.
- Face-to-Face Classes: In-person classes are currently available at 8 locations throughout Harris County, for those who prefer or require on-site instruction.

Distance Learning with GED Academy Platform:

- All classes incorporate targeted and customized distance learning assignments using the GED Academy platform to accelerate learning.
- The GED Academy platform provides interactive lessons, practice tests, and real-time feedback, tailoring the learning experience to individual needs.

Test-Taking Skills Instruction:

- The program provides comprehensive instruction on essential test-taking skills, including question selection strategies, time management techniques, and effective methods for reducing test anxiety.
- Participants are equipped with the tools and mindset necessary to approach the GED exams with confidence and perform at their best.

Independent Learning:

- Students are encouraged to work independently on the GED Academy platform, focusing on areas where they need additional support.
- Independent study materials are provided to facilitate self-paced learning and reinforce key concepts.
- Students are encouraged to use the Math Assistance Call Center (MACC), which is TWC AEL Statewide Initiative that provides free Math tutoring assistance to students online or over the phone.

Career Navigation Support:

- A dedicated Career Navigator visits classes to discuss post-graduation options with participants, providing valuable insights into transitioning to college and other post-secondary training options.
- The Career Navigator offers guidance on potential career paths, educational opportunities, and resources available for continued advancement beyond GED completion.

10-Week HSE Targeted Courses:

Participants who do not qualify for the 2-week Fast Track seamlessly transition into the 10-week HSE courses. The first five weeks are dedicated to Math and Science or Reading Language Arts/Social Studies.

Comprehensive support is offered through syllabus guidance, tutoring services, study materials, and HSE/GED preparation books. The targeted class includes practice tests at the end of each 5-week module to help participants gauge their readiness for the exams.

GED Testing and Subsidy Program:

- Eligible students who pass the GED Ready Exams have the opportunity to complete a battery of exams, covering mathematics, science, social studies, and language arts.
- Participants receive vouchers prioritizing subsidies to test within 30 days eliminating the financial barrier to taking the tests.

Program Impact and Achievements:

The voucher subsidy program has significantly accelerated the attainment of HSE Diplomas. In the 2022-2023 academic year, HCDE AE had an increase of 51 more HSE recipients, totaling 162 compared to the previous year's 112. The approval voucher allotment has incentivized participants to complete all four subject areas promptly. Eligibility is determined by students' GED Ready passing scores and required documentation for an initial voucher. HCDE AE's voucher usage stands at 90 percent of the initial vouchers allotted, providing accurate tracking and accountability in the program. The success of this initiative underscores HCDE AE's commitment to facilitating the educational advancement of low-literacy adult learners.

Services and Activities – Post-Secondary Education/Training Leading to Career

The HCDE AE program will offer a variety of services and activities to support students in their transition to college or post-secondary training leading to careers. HCDE AE fosters a community environment embodied in its Contact to Careers workforce program which makes the transition to post-secondary education leading to a career the key mission of the organization. The services and activities include:

a) Rigorous Academic Curriculum:

- A rigorous curriculum based on the Texas Adult Education Content Standards ensures that HCDE AE students at all levels have the foundations for analysis and critical thinking that are required for post-secondary education and training.

- The curriculum requires that teachers use materials, readings, and contexts that students may encounter in post-secondary education and training.

b) Career Exploration Imbedded in Curriculum:

- HCDE AE's ABE, ESL, IET and HSE preparation classes include career exploration modules in the curriculum that explore educational pathways to pursue those careers.
- HCDE AE sets up guest speakers from our employer partnerships to share insights and experiences with the students.

c) Texas Success Initiative (TSI) Preparation Classes:

- HCDE AE will offer classes or resources to help students prepare for standardized tests required for college admission, such as the TSI
- The course will also focus on preparing students for the academic and social aspects of college life and covering topics such as study skills, time management, effective communication, and navigating college resources. College and Career Counseling:

d) College and Career Counseling:

- HCDE AE Career Navigators provides individualized counseling sessions to help students explore various career paths and understand educational requirements for their chosen fields.
- HCDE AE Career Navigators work with Houston Community College, San Jacinto College, Lone Star College, and Lee College to coordinate student post-secondary enrollment, vocational training, and certifications that align with students' career goals. HCDE AE has invited college career counselors to visit HSE and IET classes to do presentations on post-secondary options and has arranged campus visits, guest lectures, and information sessions with representatives from post-secondary institutions.

e). Partnership with Employers:

HCDE AE has established job placement programs to assist students in securing employment relevant to their training and to pursue further training options after employment.

f) Other Support Services:

HCDE AE teachers, career navigators and management staff help students connect to other support services such as childcare or mental health that the student may need to make a successful.

g) Technology and Skills Training:

- HCDE AE integrate technology training into the program to ensure students are familiar with the tools and skills required in today's workforce.
- HCDE AE offers courses on digital literacy and technology applications relevant to their chosen career paths.

Utilize Transition Resources and Strategies

The key resources and strategies HCDE AE uses for transitions to post-secondary, including a rigorous curriculum, college and career counseling, career exploration, TSI preparation classes, partnerships with employers, connecting to other support services, and technology skills development, were developed in detail in the previous section. Our focus on workforce transition in Harris County involves college and career counseling, work readiness, and job preparation for adults. We aim to address the evolving nature of work and education by gathering insights from key stakeholders, including employers and individuals. The goal is to create a program that offers specific strategies and answers, guided by data, to better prepare participants for occupations and college opportunities that align with their goals. Our strategy involves providing individuals with the latest job information and postsecondary exploration to ensure their success upon program completion.

The program aims to support participants in achieving their goals through comprehensive wraparound services. This includes the active

involvement of participants, significant individuals in their lives, mentors, a career navigator, and service providers. The approach follows the principles of systems of care, emphasizing individualization, cultural competence, strength-based methods, and collaborative problem-solving to address participant needs. The wraparound services will facilitate connections to support from faith-based organizations and other nonprofits, helping in areas such as housing, food, healthcare, childcare, and various other needs.

10. CONSIDERATION 9: STAFFING – 5 points

Applicants will describe how they will: 1) hire and manage staffing levels to ensure continuity of operations and institutional knowledge throughout the grant; 2) provide Tier One Training related to implementation of SOPs, documentation and data management in TEAMS, and other topics relevant to local continuity of services; (S) 3) ensure that staff have access to PD that supports deployment of innovative service delivery and performance improvement; (S) and 4) indicate the percent of time for each position (except for the Director and Instruction and Curriculum Lead, which shall be funded at one hundred percent (100%)) and whether this a current or new position in the table in the Work Plan, Applicant Response Section below. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1. Hire and Manage Staffing Levels

HCDE's AE division has provided adult education services for over 50 years and has been a member of the Houston-Galveston Area Council's AEL Consortium for the past nine years. HCDE AE's staff consists of 141 highly qualified and experienced persons, including the following full-time positions: Senior Director (24 years in AEL, Ph.D.), Director (10 years in AEL, MA), three area Managers (combined 72 years in AEL, one MA) Budget and Compliance Coordinator (eight years in AEL, MA), Workforce Coordinator (2 years in AEL, MA), Career Navigator (recently posted), two full-time literacy instructors (combined 54 years in AEL, one Secondary Certification), and 13 data entry and support staff (Average 13.7 years in AEL) and three custodians. The program is also supported by the following part-time positions: 10 Program Assistants (Average of 15.5 years in AEL, 6 MA degrees, 6 Elementary or Secondary Certifications), 103 part-time teachers (68 with three or more years in AEL and 42 with over 10 years in AEL; 47 MA degrees or higher and 53 Elementary or Secondary Certifications) and five part-time support staff (Average four years in AEL).

The proposed staffing plan requires a modification of HCDE AE's current management structure to account for the new roles required as a direct grantee and the fact the Integrated English Language and Civics Education (IELCE) funding is handled in a separate grant application. Under the proposed staffing plan the Senior Director will lead Section 231 grant activities and HCDE AE's Director's, who has eight years of experience leading adult education, ESL, and integrated education programs, will lead the IELCE program.

As it transitions from operating as a subrecipient in a consortium to a grantee and fiscal agent, HCDE AE's IELCE program will increase its investment in the administrative capacity required to ensure compliance with all applicable federal, state, and local guidelines and to reinforce a

management culture of continuous improvement. HCDE's current AE staff will be responsible for most of the positions or roles that are required under this grant. HCDE's AEL will work with the Human Resources Division to hire new staff for other required positions within 45 days of being awarded.

HCDE's Human Resources Division and HCDE AE have processes in place to ensure that 1) all staff meets or exceeds the minimum qualifications for each AEL positions based on current staffing levels and 2) the accumulated experience of the management, teaching and support staff will ensure the continuity of operations and institutional knowledge. Thus, HCDE AE will be ready to implement the current RFA proposal as soon as it is awarded.

The strength and experience of the HCDE AE staff is further enhanced by HCDE's institutional framework. Voters of Harris County elect the HCDE Board of Trustees to govern and set policies for the agency. The board consists of seven members who serve overlapping six-year terms, with two members elected every two years. The board is responsible for hiring the county school superintendent, currently James Colbert, Jr., to lead HCDE and oversee operations.

HCDE has three assistant superintendents over academic support, business services, and education and enrichment. HCDE AE's division reports to the assistant superintendent of education and enrichment. The Education and Enrichment Division supports the HCDE AE division by helping it set a mission and vision, quantifiable goals, and ongoing evaluation of its services.

HCDE's AE division is further supported by other internal divisions that provide a wide range of in-kind services. Additionally, the continuity of operations is ensured by experienced staff in other HCDE divisions that have 40 years of experience supporting Adult Education grants.

1. Business Services: Provides fiscal management and oversight, reporting, and procurement support.

2. Human Resources: Provides support for recruiting, hiring, training and evaluating adult education staff.
3. Communications and Marketing and Client Engagement Divisions: Supports the HCDE AE website and the media outreach, identifies potential public and private partnerships.
4. Research and Evaluation Institute: Analyzes program performance, conducts client interest and satisfaction surveys, supports researched-based instructional practices.
5. Center for Grants Development: Identifies and supports grant applications for funds that are strategic to the mission of the HCDE AE.

2) Tier One Training - Implementing Standard Operating Procedures (SOP), Documentation and Data Management in TEAMS

The programs have staff qualified to provide Tier One trainings, and it will continue to build capacity by sending staff to train-the-trainer events in the area of testing, TEAMS, and data management. Additionally, the program will collaborate with local area providers to identify other local trainers who can provide required trainings.

HCDE AE schedules training for all staff on the implementation of Standard Operating Procedures (SOP)s during its Fall Conference and a refresher in January. The training provides staff with updates on procedures as well as a refresher on established program rules.

HCDE AE's PD Plan outlines the requirements for different staff to ensure that the program remains in compliance. In addition, it has developed a solid tracking system to ensure that staff remain in compliance, which include both electronic and paper records of training certificates and attendance sheets for each staff member. HCDE AE has clear benchmarks for the timely completion of the professional development requirements. The PD Coordinator will work with management staff to ensure that these requirements are completed.

HCDE AE provides all new staff instructions for accessing the Texas Center for Adult Literacy and Learning PD Portal as part of their onboarding. The PD Coordinator makes sure that staff have completed at least six hours of PD in the first 30 days of instruction and troubleshoots any technical issues that staff may have with the PD learning management system.

3) Staff's Access to Professional Development

HCDE AE's Professional Development (PD) Plan is designed to address continuous program improvement based on a careful analysis of student performance, particularly student retention and attainment of MSGs. The PD Coordinator will work closely with the management team to schedule PD opportunities that support program innovations, such as HCDE AE's Fast Track HSE program and the integration of technology in all classrooms. Additionally, the PD Coordinator and the Quality Assurance Specialist will review internal and external monitoring reports to identify areas of compliance with rules that may require more staff training and support.

HCDE AE will ensure staff have access to PD opportunities that support the deployment of innovative service delivery. Performance improvement involves careful planning, organization, and a commitment to continuous learning, including the following procedures:

- a) Assess Staff Needs: A PD Team, led by the PD coordinator and including key managerial staff and teacher representatives, will conduct a needs assessment to identify the specific skills and knowledge required by staff to meet program goals and objectives. The needs assessment relies primarily on a thorough evaluation of student performance data with a focus on student retention, MSG attainment, Credential Attainment, and employment outcomes.
- b) Create a Professional Development Plan: Within 90 days of being awarded, the PD Team develops a structured professional development plan based on the identified needs and data analysis. This plan outlines the goals,

objectives, and desired outcomes and include a variety of PD methods such as required and recommended online courses found in the Texas Center for the Advancement of Literacy & Learning (TCALL) PD Portal, state and local conferences, and workshops.

c) Allocate Budget and Resources: HCDE AE's program allocates a budget for professional development activities, including the payment of a stipend for staff completing required hours of training, registration fees, travel expenses, and materials.

d) Collaborate with Experts and Organizations: The program collaborates with literacy organizations in the Houston area such as Region 6 and for Adult Education, as well as other providers in the area, to organize and deliver professional development activities that support the Professional Development Plan.

e) Foster a Culture of Collaboration: HCDE AE's program encourages staff members to share their knowledge and experiences with one another. Program managers, for instance, organize meetings for GED teachers to exchange ideas and experiences. Experienced teachers currently act as mentors to guide and support newer teachers.

f) Track PD: The PD coordinator is responsible for tracking the completion of annual PD requirements and providing timely feedback to staff members and their supervisor, maintaining backup documentation, including sign-in sheets, certificates, agendas, and training materials for monitoring purposes.

g) Feedback: Use the feedback to make necessary adjustments to the professional development plan, ensuring it remains aligned with the evolving needs of the staff and organization. The PD Coordinator will evaluate the impact planned PD activities had on program performance and uses this information to help plan PD activities for the next year.

4. Proposed Staffing Plan & Staffing Table

The proposed staffing plan requires a modification of HCDE AE's current management structure to account for the new roles required as a direct grantee and the fact that AEFLA funding will be handled in a separate grant application.

- Director (1 FT) – will be the Director for the IELCE program, the single point of contact to TWC and responsible for oversight, service delivery, reporting, compliance and overall program and fiscal accountability. HCDE's current Director has 10 years of experience in managing adult education programs including IELCE classes and integrated education and training (Current position).
- Coordinator-Instruction and Curriculum Lead (1 FT) – will lead and coordinate program curriculum and instruction. Although this is a new position, several experienced teachers in the division are ready to assume this responsibility (New Position).
- Quality Assurance Lead (.25) – a full-time position in coordination with the Budget and Compliance Coordinator for the 231 grant. This position will implement quarterly monitoring for the grant (New Position).
- Budget and Compliance Coordinator (.25) – a full-time position that supports budgeting, purchasing and inventory control. This position will include the same responsibilities for the 231 grant (Current Position).
- Coordinator-Professional Development and Distance Learning and Digital Navigation Lead (.25 FT) – a full-time position in combination with the 231 grant. This position will provide program support for professional development (.15 FTE) and distance and digital learning (.10 FTE) for a combined total of .25 FTE. (New Position).
- Coordinator-Performance Accountability Lead and TEAMS Lead (.25 FT) – a full-time position in combination with the same position in the 231 grant. The position is responsible for collecting and analyzing data for program improvement (.15 FTE) and ensuring that staff have access to TEAMS and

will serve as the point of contact for these areas (.10 FTE) for combined total of .25 FTE (New Position).

- Career Navigator (1 FT) – responsible for student guidance in Career Pathways and coordination with partner agencies to provide student support in employment or educational goals. The Career Navigator will act as the point of contact with TWC (New Position).
- Teachers (14 PT) – will deliver ESL, or basic skills instruction in IET classes via online remote or in-person classes. HCDE will select teachers with a combined average of 5 years of experience teaching ESL. Eight teachers have elementary or secondary certifications or advanced degrees (Current Positions).
- Vocational Teacher or Trainers (2 PT) – will provide technical skills training in IET classes leading to industry recognized certifications (1 Position hired).
- Program Assistants (2 PT) – required to support registration, orientation, and student testing in various locations (Current Positions)
- 1 FT Data Clerk – responsible for data entry, entering hours creating classes, creating student profiles in TEAMS, verifying hours, entering assessments, and maintaining files (Current Positions).
- 1 General Office Clerk – responsible for registration paperwork, entering contact hours, testing, maintaining attendance records, and various office tasks (Current Position).
- Secretary (.25) – responsible for vendor contracts and partner MOUs, and general administrative tasks including being a liaison with other divisions. This is a full-time position that will be shared with the 231 grant (Current Position).
- Receptionist (.25) – handles calls to HCDE's Adult Education's main number. This is a full-time position that will be shared with the 231 grant (Current Position).

- Custodian (.5) – required position for the maintenance of the Adult Education Learning Center. This will be a full-time position shared with the 231 grant.

Staffing Table

Staff Position	Percent of Full time Employee Dedicated	New or Current Position
Director	100%	Current
Instruction and Curriculum Lead	100%	New
Lead for Quality Assurance	25%	New
Lead for Performance Accountability	15%	New
Professional Development Coordinator	15%	New
Lead for Distance Learning and Digital Navigation	10%	New
Career Navigator	100%	New
TEAMS Specialist	10%	New

End of Staffing Table.

11. CONSIDERATION 10: PARTNERSHIPS – 5 points

Applicants will describe how they will: 1) coordinate with local WIOA partners and other organizations within the service area to develop career pathway programs consistent with strategies identified in the Local Board Plan including how to serve Priority Populations and those with barriers to employment (See Attachment 4, Local Board Plan Reference); and 2) coordinate with other education, training, non-profit, and social service resources in the community to develop referral systems that increase access to career pathways for eligible populations. (See Attachment 4, Local Board Plan Reference).

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1. Local WIOA Partners and Other Organizations – Career Pathway Programs

HCDE AE's partnership strategy for its IELCE program takes full advantage of the resources of its WIOA partners including Workforce Solutions Offices and Vocational Rehabilitation Services. HCDE AE also has a strong network of community organizations that support the Gulf Coast Board's local plan to strengthen career pathways opportunities in High Demand occupations, especially for individuals who have barriers to employment.

HCDE AE's partnership with its WIOA partners will be defined in the Memorandum of Understanding (MOU) with Gulf Coast Workforce Solutions. The MOU will establish guidelines for collaboration in the development of HCDE AE's Career Pathways programs including:

- Using labor market information and Targeted Industries List and the High-Demand Occupations List provided by Gulf Coast Workforce Solutions to identify effective career pathways programs for HCDE AE. HCDE AE will collaborate with Workforce Board staff to determine which of these targeted occupations provide the best options for IELCE students.
- Working with Workforce Solutions Business Services to forge connections between regional employers and create internship opportunities or employment prospects for IELCE students.
- Positioning AEL providers as valuable resources for employers, emphasizing the enhancement of pre-employment and soft skills among applicants and existing workforce through tailored courses. Many IELCE students need support becoming familiar with the language and cultural challenges posed by the work environment.
- Promoting AEL services among internationally trained professionals, offering career guidance and education to help them develop career pathways and seamlessly integrate into the local community.

- Facilitating a partnership with Vocational Rehabilitation (VR) services to enhance the transition of individuals with disabilities into career pathways at HCDE AE. Additionally, seeking to provide support to adult students with disabilities in their pursuit of employment opportunities.
- Fostering collaboration with Workforce Solutions Offices and justice system partners to seamlessly integrate into the employment and educational plans for individuals with justice involvement.

2) Other Education, Training, Nonprofit, and Social Service Resources

HCDE AE has an effective referral system to increase access to career pathways by collaborating and with various stakeholders in the community, which include the following components:

a) Needs Assessment:

The IELCE Career Navigator reviews ITECs, student survey responses and student requests to compile a list of specific social support of training needs. The Career Navigator continually reviews education, training, nonprofit, and social services to create a Resource Directory that is easily available to students and other staff.

b) Build Partnerships for Training:

Leveraging its new state-of-the-art 22-classroom facility in the near northside of Houston and long-term partnerships with school districts (Alief, Pasadena, and Klein), religious organizations (Northwest Assistance Ministries), a non-profit organization (Spring Branch Family Development Center), and Lee College in Baytown, HCDE AE aims to serve communities with a high concentration of English language learners in the east, west, and north areas of Harris County. Additionally, HCDE AE offers highly effective online classes for adults who prefer this learning modality or may lack transportation for in-person classes.

- Non-monetary contracts are in place with community organizations who recruit underserved youth and adults for HSE and training classes at HCDE's Adult Education Learning Center.
- Non-monetary contract with GROW: Green Resource and Opportunities Workforce for recruiting students for HSE classes and planning future career pathways training opportunities.
- Non-monetary contract with Eight Million Stories (8MS) to recruit students from underserved communities for HCDE AE classes and IET Pipefitting classes (braiding Eight Million Stories funding of training and HCDE funding of basic skills).

Lee College – Baytown Learning Center:

- A nominal cost contract (\$1,200 annually) is in place with Lee College for the use of the Baytown Learning Center, a facility that serves approximately 600 adult students annually. HCDE AE has collaborated with Lee College on the development of career pathways classes and transitioning AEL students to college services.

Other AEL Providers:

HCDE AE has established relationships with other AEL providers in the area, community colleges, and other non-profit organizations to cross-refer clients to the training opportunities for students, such as:

- Referring HCDE AE students to area programs that are not available at HCDE AE such as welding and cybersecurity training to San Jacinto College or Houston Community College.

Employers:

HCDE AE continues to strengthen its current network of 17 employers, industry associations such as the C3 Construction Collaborative, the Homebuilders Institute, and the Texas Masonry Association to develop new career pathways programs, refer students to industry training programs, job fairs or other employment opportunities.

- Referring students in Pipefitting IET classes to local union apprenticeship programs
- Organizing employment fairs and “Signing” days where employers offer letters of intent to employ to program graduates
- Referring students to construction industry hiring events

Keeping Partners Informed:

HCDE AE schedules meetings and webinars to keep partners informed about program updates and success stories.

- Hosting a monthly employer day to highlight current IET program.
- Working closely with industry associations such as the Houston Masonry Council to develop a training program.

Strengthen Partnerships with Social Services:

HCDE AE has developed a strong network of agencies that can help address social and economic obstacles and provide support services. HCDE AE will develop a case management system to track referrals, participant progress, and outcomes. Career Navigator and other program staff will assist students in navigating referrals with “warm handoffs” when appropriate to ensure access to services.

- *Urban Strategies Program, Harris County*: Provides childcare services for birth – 3-years-old. HCDE AE has promoted childcare services to its students at the Adult Education Learning Center.
- *HCDE’s Head Start Program*: Provides childcare services birth-3-years-old and 3-5-years-old. HCDE AE meets regularly with HCDE’s Head Start division to refer each other’s participants to services. HCDE’s Head Start division is also collaborating with HCDE AE in the development of a Child Development Associate (CDA) industry-recognized certification.
- *Catholic Charities, Galveston-Houston*: HCDE AE refers students to immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program,

disaster recovery, refugee services, senior services, women veteran services, bus passes.

- *Houston Public Library (HPL)*: HCDE AE works with HPL to distribute free Chromebooks and Hotspots for adults.
- *Goodwill Industries*: HCDE AE refers students for bus passes, rental assistance, disability training to employment.
- *Houston Foodbank*: HCDE AE promotes access to nutritious food to low-income families in Harris County.
- *Texas Legal Services Center*: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston.
- *Northwest Assistance Ministries (NAM)*: Coordinates food and clothing donations and provides workforce training. These services are offered to HCDE AE students who attend at NAM.

12. CONSIDERATION 11: STUDENT SUPPORTS – 5 points

Applicants will describe how they will: 1) assess students' educational needs, including Supportive Services and accommodations; 2) partner with Boards or other entities to offer Supportive Services such as child care, transportation, mental health service, and career planning; and 3) implement a program with flexible schedules for year-round service delivery within each of the twelve (12) months and uses a Managed Enrollment model that includes flexible schedules that allow individuals to begin Orientation or Workforce Preparation Activities at no-less than two (2) week intervals and instructional services no-less than eight (8) times a year. (S)

0-1 points – Low Score Range

2-3 points – Medium Score Range

4-5 points – High Score Range

1) Assess Students' Educational Needs – Supportive Services and Accommodations

HCDE AE's IELC program is dedicated to enhancing its support services for students facing barriers to employment. Our initiatives include providing adaptable schedules and fostering collaborative partnerships with Workforce Solutions and local agencies to address various student needs, such as childcare, transportation, mental health, legal, and financial support.

HCDE AE remains committed to supporting students in career planning through our Career Navigator, essential for guiding students toward program completion and employment readiness. These resources play a vital role in ensuring the active participation and success of individuals, including those with disabilities or special needs. This commitment aligns with the Gulf Coast Board Plan's objective of expanding access to employment, training, education, and support services.

Recognizing the diverse responsibilities our students manage, including balancing school, work, and family obligations, HCDE AE employs a comprehensive approach. We use various methods and resources to assess participants' educational needs within the context of their broader support requirements.

Intake and Orientation

The assessment of student support needs begins with the Comprehensive Assessment during the initial intake and orientation and continues throughout the program year to account for changing or new student support needs. For IELCE students, the orientation presentation is delivered in Spanish or in simplified English for speakers of other languages. HCDE AE's orientation presentation provides students with an overview of the programs and services and reviews issues such as home life management, childcare and transportation that can affect the completion of their educational goals. The presentation identifies key resources such as Workforce Solutions offices, Vocational Rehabilitation Services

and show students how to use a comprehensive database of community resources (referral.unitedwayhouston.com).

Individual Training, Education and Career Plan (ITEC)

During the initial orientation, students begin to complete their Individual Training, Education and Career Plan (ITEC), to identify their long-term goals, short-term goals, and preparation to become more competitive in the labor market. The ITEC plan also asks students to identify potential obstacles students may have in completing the program such as disabilities, basic needs such as transportation, childcare, and mental health. Students may continue to explore career goals and community resources during the more extended orientation that take place the first day of class. IELCE students may complete the form in their native language.

Review of Student Needs

The IELCE Career Navigator reviews the ITEC Plan after registration and contacts the students who indicated need for services and provide the student with appropriate referrals and community resources. Students who indicate or are suspected of having a disability are referred to program manager for a more detailed review of educational options and support services, including referrals to Vocational Rehabilitation Services.

Ongoing Communication

Continued consultations and conversations with students, teachers, employers who know the student well can provide relevant information about the students and student needs.

Outcomes

Comparing students' current levels of performance and achievement with the expected outcomes and goals of the courses or programs. Identifying Measurable Skills Gains (MSG), Skills Progression Certificates, Workforce Credentials. At the end of the course, students are encouraged to revisit their ITEC Plan considering their academic progress and changing support needs.

Career Navigation

HCDE AE's Career Navigator plays an important role in helping students refine their career pathways goals and seek to address the challenges that students face in transitioning to work or further education and training. The career navigator will visit career pathways classes to discuss needed skills for those careers and challenges that adult students typically face. The Career Navigator will also have individual appointments with students who want more support or are referred by a teacher or staff member.

Accommodations for Student with Disabilities

Based on the results of the assessments, the program will determine the appropriate supportive services and accommodations students may need to access and participate in the class or programs effectively.

- Providing instructional materials in alternative formats, such as audio, digital, or large print.
- Allowing extra time, frequent breaks, or a separate setting for completing assignments or assessments.
- Providing assistive technology, such as calculators, spell checkers, or speech to text software.
- Accommodating Students with disabilities._The program provides reasonable accommodations with documented disabilities, such as extra time, enlarged print, test reader, or scribe. Notations are made to identify the participant's needs, including basic daily activities such as mobility, communication, and management in a range of cognitive and behavioral areas.
- Offering tutoring, mentoring, and a student ambassador program.
- Modifying the content, delivery, or assessment methods or the courses or programs, by simplifying the language, reducing the workload, or allowing multiple options for demonstrating learning.

2) Board/Other Entities – Supportive Services

Collaboration with Gulf Coast Workforce Board

HCDE AE's partnership the Gulf Coast Workforce Board will be crucial in facilitating access to many of the support needs of our students:

1. Workforce Solutions offers a range of services, including career exploration, veteran support, job fairs, re-employment assistance, and financial aid for childcare. During orientation, HCDE AE coordinates visits from Workforce Solutions staff to discuss Work-In-Texas (WIT) and assist students in registering for WIT. Additionally, Workforce Solutions offices can guide HCDE AE students in applying for financial assistance programs, including childcare.
2. HCDE AE frequently refers students with disabilities, or those suspected of having disabilities, to the Vocational Rehabilitation (VR) Services program of the Texas Workforce Commission. This program addresses emotional and physical barriers to employment for learners with disabilities. HCDE AE facilitates the connection to Vocational Rehab through a seamless "soft hand off" to the Workforce Solutions Gulf Coast VR Department located at 9668 FM1960 Bypass Road, Humble, TX 77338.

Other Community Supportive Services

By leveraging community resources in Harris County, we can ensure that adult education students have access to a variety of services, keeping them actively engaged in their classes. We train our staff and students to utilize the United Way of Greater Houston's extensive database of community resources for assistance. Throughout the years, we have worked closely with and directed students to various community organizations, fostering a broad network of support.

1. Urban Strategies Program, Harris County: Provides childcare services for birth to 3-years-old. In the months of October to December 2023, we have assisted in helping 4 parents enroll their children with Urban Strategies for childcare services.
2. HCDE's Head Start Program: Provides childcare services birth-3-years-old and 3-5-years-old in several locations in Harris County. We will continuously make

HCDE's Head Start available for students attending Adult Education Classes by distributing Head Start flyers and including information during orientation.

3. Catholic Charities, Galveston-Houston: Provides immigrant legal assistance, affordable housing, monthly rental, counseling services, pregnancy and parenting services, family assistance program, disaster recovery, refugee services, senior services, women veteran services, bus passes. Catholic Charities legal aides have met with seven English Second Language students to assist them with first-step immigration approval.
5. Goodwill Industries: Provides bus passes, rental assistance, disability training to employment.
6. Houston Foodbank: Provides nutritious meals to low-income families in Harris County. We are currently working with the foodbank to assist families in need by providing a bi-weekly schedule beginning January 2024 for adult education students to receive food and meals.
8. Texas Legal Services Center: Provides free legal advice, advocacy, representation, and education to the underserved population in Houston. The Texas Legal Services Center have provided presentations to our English as a Second Language Students during informational citizenship sessions. They participated in four presentations from January 2023-December 2023. They also have made their services available through a HCDE AE referral process.
9. Vaccination Services: Dr. Nick Patzakis, DO, provides discounted vaccination services for students at HCDE AE. His company provides TB Skin Tests, Hepatitis B (2 Shots), and Hepatitis A all for \$150.00 for students and families of HCDE AE students. Many of the students take advantage of this opportunity to receive vaccination for work, a child's return to school, child's sports or for workforce training eligibility.

Collecting feedback from students, parents, teachers, or other stakeholders on the quality and impact of the services and accommodations, HCDE AE assesses students' programs, achievement and satisfaction with the courses or

programs that participants are enrolled in. HCDE AE will revise the services and accommodations as needed, based on the changing needs and goals of the students and the courses of programs.

3) Flexible Schedule – Year-Round Service Delivery

Flexible class schedules (morning and evening) and multiple instructional modalities (In-person, online remote, hybrid and distance learning) allows students to them to pursue their education goals based on their learning preference and needs.

- Online classes are available for all levels of ESL, ESL for Professionals, and HSE preparation Spanish combined with ESL instruction, as well as some IET Career Pathways classes. Online courses may save some students time and money by avoiding commuting, relocation, or childcare costs.
- Leveraging its new state-of-the-art 22-classroom facility in the near northside of Houston and long-term partnerships with school districts (Alief, Pasadena, and Klein), religious organizations (Northwest Assistance Ministries), a non-profit organization (Spring Branch Family Development Center), and Lee College in Baytown, HCDE aims to serve communities with a high concentration of English language learners in the east, west, and north areas of Harris County. Additionally, HCDE AE offers highly effective online classes for adults who prefer this learning modality or may lack transportation for in-person classes. Currently, HCDE AE implements flexible schedules with year-round service delivery models within each of the twelve months and uses a Managed Enrollment model to begin orientation and workforce preparation activities no less than the 2-week intervals. The workforce preparation activities are embedded in the first week of class during the goal setting activities. Below is HCDE AE's current schedule for selected In-Person and virtual classes.

Irvington Adult Education Learning Center

13. CONSIDERATION 12: DATA MANAGEMENT AND ANALYSIS – 5 points

Applicants will describe how they will: 1) implement data management and documentation procedures to monitor program performance and adjust service delivery based on analysis; 2) ensure timely data collection and entry into TEAMS, to enable accurate monthly validation of activities and Quarterly Data Sign Offs, in accordance with this RFA; (S) and 3) ensure security of information in accordance with TWC rules on PII, as specified in WD Letter 02-18 "Handling and Protection of Personally Identifiable Information and Other Sensitive Information."

0-1 points – Low Score Range

2-3 points – Medium Score Range

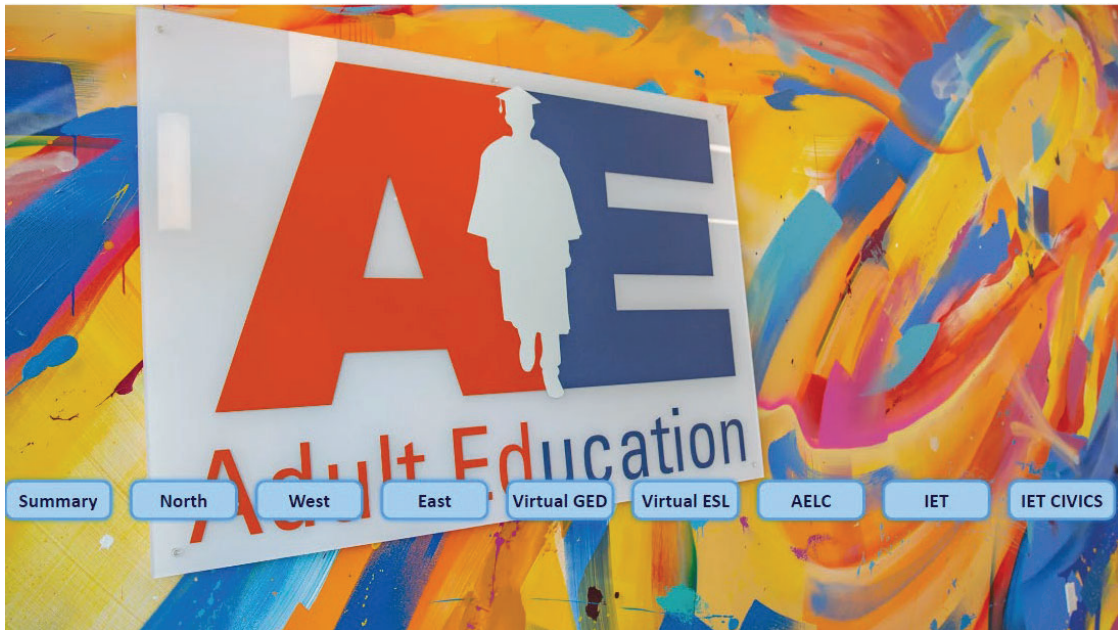

4-5 points – High Score Range

1. Data Management and Documentation Procedures to

The IELCE management team composed of the Director, Instruction and Curriculum, Performance Accountability, and Quality Assurance Leads will initially develop a comprehensive program implementation plan that sets enrollment and performance targets for the entire year. The management team will design these targets to meet or exceed TWC performance targets based on locally defined priorities. The management team meets weekly to review the program's key performance indicators, grant deliverables and quality assurance issues.

The Performance Accountability/TEAMS Lead will be responsible for collecting and organizing relevant data on enrollment, student attendance, retention rate, post-testing, MSGs other relevant metrics using a customized Power BI Dashboard developed with the support of HCDE's Research and Evaluation Division. On the second weekend of each month, the Performance Lead will review the program's detailed performance dashboard, which includes all relevant metrics and targets to be achieved. The dashboard (picture below) is broken down by functional and geographic areas that are the responsibility of each program manager.

2023-2024 HCDE AE's Dashboard

The management team will systematically identify any weaknesses in the execution of the program plan and formulate effective responses. The Quality Assurance Lead will take charge of conducting comprehensive quarterly monitoring in crucial program areas to ensure adherence to programmatic standards. If any issues are detected during monitoring, the Quality Assurance Lead will address them in weekly management meetings until resolution. A detailed record of the management team's decisions is meticulously maintained and distributed to the entire team during each meeting.

Each month, the Director of HCDE AE compiles a comprehensive report for the Assistant Superintendent for Education and Enrichment. This report encapsulates crucial insights from the Adult Education Dashboard, categorizing each outcome as either "on target," "at risk," or "not meeting the target." In instances where outcomes fall into the latter two categories, the Director proactively outlines strategic interventions discussed by the management team to rectify the situation. Furthermore, the data from the

dashboard and the summarized report are disseminated to all Directors across the four other divisions within the Education and Enrichment department, fostering a collaborative and informed approach to addressing challenges and enhancing program effectiveness. The HCDE AE's Director brings back to the HCDE AE management team any suggestions from HCDE's leadership for review and implementation.

In the context of HCDE's yearly accountability procedures, the Research and Evaluation Division delivers an annual summary encompassing HCDE's AE service delivery objectives, financial efficacy, client satisfaction, and specific performance outcomes to the Board of Trustees. Following a thorough review of these results, HCDE's division formulates suitable responses to rectify any identified performance issues.

2) Data Collection and Entry into TEAMS

Procedures are in place to ensure the timely collection of data for entry into TEAMS and accurate data signoffs following the Texas AEL Testing Guide. The IELCE Director and management team continually check program data and review status reports from data entry staff reports.

HCDE AE employs an electronic registration system named Droplet, utilized seamlessly in both virtual and in-person registration events. This system facilitates student access to a comprehensive Registration Packet, enabling them to efficiently complete and electronically sign the enrollment form. The enrollment form encompasses all necessary PIRL elements, underage eligibility forms, the Individual Training, Education, and Career Plan (ITEC), as well as the Career Services Detail form. It also allows them to securely upload a form of identification. In the rare occurrence of technical difficulties with the electronic registration system, students have the option to register in person by filling out a digital or paper enrollment form and completing all other required documentation in a traditional paper format. The data collection process follows these steps:

1. **Registration:** Registration staff including IELCE teachers and support staff guide participants in filling out the enrollment form by explaining each of the PIRL elements during the registration event. Support staff will be ready to assist students with questions or technical issues during in-person registrations or in virtual breakout rooms in virtual registrations. The form is available in multiple languages and native language support is offered to students completing the form. The program manager will also collect all the score sheets from initial assessments.
2. **1st Verification:** Once the student completes the enrollment form and verifies the information, the Program Assistant will contact the registering student to correct any problems or provide missing registration information. The program manager will also collect all the score sheets from initial assessments.
3. **2nd Verification:** The Program Assistant assigns the electronic enrollment form and all associated documentation including assessment records to an aide or general office clerk, who is responsible for verifying again that the enrollment form is complete and all required registration staff will also collect any documentation determining underage eligibility and initial assessment information according to the procedures outlined in the Texas AEL Guide section on Comprehensive Assessment.
4. **General Office Clerk (GOC)** enter assessment information to the Droplet Registration Packet and make digital copies of all documents and assessments to be stored in a secure digital folder. The GOC informs the Program Assistant of any missing documentation such as forms of identification or required assessments.

Data Entry of Enrollment Data

1. The General Office Clerk informs data entry staff when enrollment form is ready to be entered into TEAMS and original testing and eligibility documentation no later than the 4th after receiving the forms.

2. Data entry staff member looks up student in TEAMS to avoid duplicating records and create a new profile for the student for the current year.
3. After receiving a Class Roster from the registration staff, data entry staff will enter assessment scores and assign students to a class.
4. Data entry staff will inform the General Office Clerk, the Program Assistant, and the Manager in charge of the class of any students who have pending or missing information and cannot be entered in TEAMS.
5. Data entry staff is responsible for filing all assessment and supporting documentation for a student in the student's first class during the program year.

Data Entry of Sign-in Sheets

1. Sign-in sheets are collected daily in in-person sites by an aide or Program Assistant and uploaded electronically to a secure digital folder. Teachers in virtual classes prepare and send an electronic attendance verification sign-in sheet to a designated aide who will upload them to a secure digital folder.
2. The IELCE General Office Clerk is responsible for entering contact hours daily into TEAMS, but not later than 2 business days after the end of the class.
3. Data entry staff member weekly verify the accuracy of contact hours entered by the General Office Clerks and make corrections in TEAMS.
4. All original sign-in sheets will be filed by data entry staff in the class folder.

Data Entry of Post-Tests and Other MSGs:

1. Staff submits all progress tests responsible for the class with a cover sheet and a class list with the names that are being turned in highlighted and are due no later than week after the last day of class.
2. Workforce Certificates or other documentation of MSGs is submitted to Data Entry Staff in a secure electronic folder.

3. Data entry staff will enter post-testing information no later than a week hours after received.
4. Data entry staff files all original post-tests report and other documentation of MSGs received with in the first class attended by the student in the program year.

Data Entry Management:

1. Status Reports: Status reports are sent to the IELCE management team with a copy to the director by noon on Friday. The reports are reviewed and addressed at managers' meetings. Any missing paperwork is noted in the comments section. If issues are not resolved, the Program Assistant is sent an email when paperwork is not turned in or is incomplete. If an issue is not resolved within two weeks, an email is sent to the Director for follow up.
2. The Director and the data entry staff member meet weekly to review the degree of completion of data entry tasks including registration forms, contact hours, baseline, and progress scores to meet data sign-off requirements. Data entry issues and problems that have not been previously resolved are addressed. New data entry rules, procedures, and processes are discussed and plans for implementation are developed and recorded.
3. Data entry staff will conduct regular checks of sign in sheets to verify data entry accuracy and make appropriate changes before validation.
4. After data validation, any corrections in TEAMS must be discussed with the Director. If a correction is made, it is logged in the data entry folder noting the correction and date.
5. Data entry staff is responsible for filing and storing all physical and electronic records according to established procedures and ensuring the security of the information.

Data Validation:

HCDE AE has a data validation process in place to ensure that monthly validation deadlines are met.

Task	Schedule	Role	Actions
Submission to Enrollment Data Entry	Final no later than 4 th day of class	Registration staff	Review the students that attended your orientation and ensure that all intake paperwork is complete and submitted to data entry.
Review Funding Sources	By the 9th Day of Class	Compliance Lead (GED, ESL, IET, & Intensive)	Review the classes funding sources and ensure they are correct in TWC TEAMS.
Enter and Review Attendance	Daily	General Office Clerk	Review the sign-in sheets for correctness and ensure hours are rounded using conversion chart.
Review Attendance	Weekly	Data Entry Staff	Review the sign-in sheets and compare the data entered in TWC TEAMS is correct.
Final Review of Funding and Attendance	Each Month by 5 th	Data Entry Staff	Review the sign-in sheets and compare the data entered in TWC TEAMS is correct.

Supervisor Validation	By the 7 th of each Month	Director	Review the classes assigned to them and ensure that they are supervisor validated by the 7 th of each month by the Director.
--------------------------	-----------------------------------------	----------	-----------------------------------------------------------------------------------------------------------------------------------------------------------

3. Security of Information

HCDE AE has a policy in place for handling personally identifiable information. Personally Identifiable Information (PII) is information that can distinguish an individual's identity, either alone or when combined with other personal or identifying information. HCDE AE takes all precautions to protect customer's personal information in both print and electronic forms. This includes, but is not limited to, the following.

- a. Storing documents in locked cabinets behind locked doors is access to only a small group of personnel.
- b. Locking computers when away (password/pin protected).
- c. Password protecting emails which have sensitive customer information to ensure data security.
- d. Saving all documents with PII on the agency's secured drive.

All HCDE AE staff complete the PII training annually and ensure to provide data security information to all our participants, to put them at ease when releasing information. In addition, HCDE AE division does not use any USB Flash Drives or other portable data storage equipment to store or transfer data. Harris County Department of Education Adult Education division follows the security of PII and other sensitive information per the Texas AEL Guide, WD 02-18: Handling and Protection of PII and Other Sensitive Information, and Workforce Solutions Information Security Standards and Guidelines.

The data and documentation that is collected includes but is not limited to the following.

1. Enrollment documentation – Participant Individual Record Layout (PIRL) information.
2. Copy of ID.
3. Assessments – Pre- and post-testing & other MSGs achieved by students.
4. Attendance log – Calculation and data entry of student contact hours (direct & proxy).
5. Justifications for early or late testing, if applicable.
6. Underage documentation – All supporting documentation relevant for minors enrolled in the AEL Program.
7. Participant ITEC Plans, Student Contracts, and Orientation to Discrimination Complaint Form.

14. CONSIDERATION 13: EL CIVICS and IET– 20 points

Applicants will: 1) describe their demonstrated need for IELCE program in their proposed service area (cite sources, [including census data](#)) and how they will 2) develop curriculum and provide instruction to assist individuals to achieve competence in math, reading, writing, speaking, English Language Acquisition, and civics; 3) provide services that support ELL's attainment of a secondary school diploma or its recognized equivalent and transition to postsecondary education and training or employment; 4) identify individuals who could benefit from and are ready for referral to IET programs; 5) identifies ITPs for career pathway and IET opportunities; 6) prepares ELLs, specifically ITPs, for unsubsidized employment in In-Demand Occupations through IET, including what industry and occupations they plan to focus on; and 7) integrates with the local workforce development system.

1) Demonstrated Need for IELCE program in Service Area

HCDE AE plans to serve 750 adults in Harris County that need Integrated English Literacy and Civics Education (IELCE) activities aimed at helping immigrant and English language learners in their roles as parent, workers, and citizens. The demand for IELCE services in Harris Counties is substantial, evident from census data and the historical demand for ESL classes at HCDE AE.

According to the U.S. Census Bureau, Harris County has a population of about 4.7 million people, of which 44.6% are Hispanic or Latino, 26.2% are foreign-born, and 44.7% speak a language other than English at home (Quick Facts, Harris County, Texas, U. S. Census Bureau). Moreover, 25.3% of the adult population, totaling 709,670 individuals, speaks English less than very well. These statistics show there is a large and diverse population of ELLs in Harris County who would benefit from an IELCE program (US. Census, Community Survey, 2021).

Over the past five years, enrollment patterns at HCDE AE have closely mirrored demographic trends, with nearly 70% of students engaging in English Language acquisition activities. This statistic underscores a substantial demand for programs that not only focus on language acquisition but also incorporate civic education, highlighting HCDE AE's continuous commitment to meeting the diverse needs of the community (TWC TEAMS, POP Reports).

YEAR	TOTAL ELLs Served
2022-2023	2,743
2021-2022	3,066
2020-2021	2,052
2019-2020	3,953
2018-2019	4,595

The demand of more IELCE services is also underscored by the fact that many English language learners are also undereducated. The Migration Policy

Institute reported 28% of immigrants in the Houston metropolitan area had less than a high school diploma, and 46% had limited English proficiency (Capps, R. & Ruiz Soto, A. G. (September 2018). A Profile of Houston's Diverse Immigrant Population in a Rapidly Changing Policy Landscape. Migration Policy Institute). In Harris County, there are differences in the achievement of a high school diploma or HSE among different racial and ethnic groups, which are compounded by the presence of English Language Learners in those groups. White non-Hispanics have the highest attainment rate at 96.6%, followed by Blacks at 91.7%, Asians at 86.8%, and Hispanics or Latinos at 65.6%. Furthermore, educational attainment is closely linked to geographical location, race, and income disparities (U.S. Census Data).

The Gulf Coast Board Plan recognizes that poverty rates in the region range from a low of 7.7% for Whites to 19.6% for Blacks and 18.2% for Latinos of any race (Gulf Coast Board Plan, p.32). Poverty rates also correlate with educational attainment, with 22.6% of those with less than a high school diploma living in poverty. For those with higher barriers to employment, such as low literacy or English language learners, employment outcomes are even more challenging, particularly when "61.2% of all jobs in the region will require education or training beyond the high school level and that the majority of these will be "middle skill" jobs (Gulf Coast Board Plan, p.4).

HCDE AE's IELCE activities build on almost a decade of experience in providing the following services:

- Literacy and English Language Acquisition classes
- Integrated instruction on civil rights and civic participation
- Intensive English Language Acquisition classes and support services for Internationally Trained Professionals
- English Language Acquisition combined with preparation for Naturalization Interview and Test

- Transition from English Language Acquisition classes to preparation for High School Equivalency classes in English or Spanish
- Integrated Education and Training (IET) leading to industry-recognized certifications in in-demand industries and occupations.
- Support services including career navigation to support career exploration and job search.
- Workplace ESL included contextualized English language acquisition and civics instruction.

These services are designed to improve learner's competence in math, reading, writing, speaking, English language acquisition and civics and lead to the acquisition of a secondary school diploma or its equivalent, transitions to post-secondary education or employment.

HCDE AE's IELCE instructional model is a "Contact to Careers" that provides flexible pathways for English Language learners to reach their educational and career goals. HCDE AE's Career Pathways model allows students to work on the skills they require to succeed in making one of these transitions regardless of their initial educational level or language proficiency.

2) Curriculum and Instruction to assist Individuals to Achieve Competence in Math, Reading, Writing, Speaking, English Language Acquisition, and Civics

HCDE AE's curriculum for IELCE classes adult has been developed collaboratively between teachers and staff through an ongoing planning, implementation, and evaluation system. HCDE AE continues to enhance its curriculum based on the ongoing analysis of student outcomes in math, reading, writing, speaking, English Language Acquisition, and civics. The curriculum development process follows these steps:

- Defining the learning goals and standards for math, reading, writing, speaking, literacy and civics, based on the needs and interests of the target population, expectations of the employers and post-secondary institutions, as well as the state and national frameworks for adult

education. The EL Civics curriculum is rooted in the Texas English Language Content Standards and the Citizen/Community Member Content Standards (Civics).

- Designing the curriculum components, such as the scope and sequence, instructional units, lesson plans, the resources, and the assessments by using evidence-based strategies and practices that are relevant and engaging for the learners.
- Implementing the curriculum in a flexible and responsive way considering the diversity of learners, availability of resources, feedback from stakeholders, and opportunities for collaboration and integration across subject areas. The program practical model includes Integrating academic and workforce curriculum in the various ways:
 - Integrated theme-based instruction
 - Communities of practice for teachers
 - Multiple and career pathways
 - Bridge courses
 - Authentic assessment
 - Industry partnerships
- Evaluating curriculum and instruction using both formative and summative assessments to measure the progress and outcomes of learners, to identify strengths and weaknesses of the curriculum and instruction is a focal point for the HCDE AE's emphasis with ELLs. As an ongoing best practice, the program will continue to adjust, and make improvements as needed to better suit the demographics that is served.

These steps are not necessarily linear, but rather iterative and cyclical, as curriculum development and instruction are ongoing and dynamic processes that require continuous reflection and improvement.

In practice, the curriculum emphasizes the following principles:

1. English Language Acquisition:

- The program offers comprehensive English language instruction, addressing all language skills: listening, speaking, reading, and writing. The Texas Adult Education English as Second Language Content Standards and Benchmarks provide guidance on appropriate activities for six NRS levels of proficiency.
- Different proficiency levels are accommodated, ensuring that individuals with various language backgrounds and abilities can benefit. HCDE AE offers ESL classes that are levelled depending on the oral and literacy abilities of students established during initial assessments.
- Instructors use a variety of teaching methods, including immersive language experiences, real-life scenarios, and multimedia resources to enhance the learning process.

2. Literacy Instruction:

- A dedicated component focuses on improving participants' literacy skills. This includes reading comprehension, vocabulary building, and critical thinking skills.
- The program recognizes that literacy is fundamental to overall language acquisition and personal development.

3. Civic Education:

- Following the Texas Adult Education Citizen/Community Member Content Standards, the program incorporates instruction on how citizens and community members find and use information to identify and solve problems and contribute to community. This encompasses understanding the legal system, voting processes, and local government systems.
- Interactive sessions and discussions provide participants with practical knowledge about their roles as responsible citizens, including an understanding of human, legal and civil rights.

4. Civic Participation:

- The Civics Standards encourage teachers to go beyond theoretical knowledge. The program encourages active civic participation. This may involve community service projects, mock elections, or partnerships with local organizations.
- Following the Civics Standards, HCDE AE's staff encourages students to develop and express opinions and use their voice to take action to strengthen their communities.
- Participants are guided on how to engage with their communities effectively, fostering a sense of belonging and connection.

5. Cultural Competence:

- Recognizing the diverse backgrounds of adult learners, the program includes cultural competence training. This helps participants understand and navigate the cultural nuances of their new community particularly in the context of work and education.

Citizenship Exam Preparation Classes:

Some EL Civics classes also include preparation for the Immigration and Naturalization exam. The citizenship class covers U.S. citizenship, rights, and responsibilities, aiming to empower students. HCDE AE actively promotes citizenship classes through advertising, community events, informational meetings, and partnerships. The program conducts citizenship ceremonies, invites officials for awareness, and features guest speakers who attained citizenship through HCDE AE. To ensure effective citizenship education, the curriculum includes activities and instruction preparing students for the naturalization exam and requirements.

3) Attainment of a Secondary School Diploma or its recognized equivalent and Transition to Postsecondary Education and Training or Employment

HCDE AE and literacy programs help English Language Learners (ELLs) achieve a secondary school diploma or its recognized equivalent and

transition to postsecondary education and training or employment. The program offers the following services.

- ESL and Civics courses that improve ELLs' English proficiency and teach them about U.S. history, culture, and government that prepares them for citizenship and civic engagement.
- Academic skill development across all levels of instruction, from beginning to advanced, to help ELLs transition to postsecondary education or career pathways.
- High School Equivalency (HSE) preparation classes in English and Spanish for ELLs who have reached the maximum level in the BEST Lit exam or have taken the TABE Baseline Exam that assesses their academic and knowledge skills in reading, language arts, math, Science, and Social Studies. These courses help ELLs develop the skills and knowledge to pass the high school equivalency exam.
- Contextualized HSE/skills training courses that combine traditional HSE preparation with concurrent skills training in specific occupational areas, such as health care, construction, hospitality, or manufacturing.
- Evidence-based instructional strategies and practices that are relevant and engaging for adult learners, such as project-based learning, cooperative learning, and digital literacy.
- Collaboration with other adult education providers, workforce development agencies, employers, and postsecondary institutions to create seamless and supportive pathways for ELLs to achieve their educational and career goals.

HCDE AE uses the Texas Adult Education Standards of ESL and Civics to ensure that the instructional program is of sufficient intensity and rigor to support ELL's transition to a high school equivalency, post-secondary education, and employment. These instructional strategies are used at all levels but take on greater intensity and focus on upper-level ESL classes,

classes directed at Internationally Trained Professionals and students making a transition to HCDE AE's Workforce Training programs:

1. Academic Vocabulary Building:

- HCDE AE's ESL curriculum emphasizes the acquisition of academic vocabulary relevant to GED exams, college, and workplace environments.
- The BurlingtonEnglish® curriculum currently in use has exercises and activities that expose students to advanced vocabulary used in academic and professional settings.

2. Critical Thinking Activities:

- Teachers are encouraged to incorporate critical thinking exercises and discussions into lessons, so students learn to analyze, evaluate, and synthesize information, preparing them for the demands of college-level coursework and employment.
- At lower levels of ESL critical thinking activities are designed to explore everyday activities such as talking to a teacher or reading an immigration document.

3. Real-world Application:

- The HCDE ESL curriculum connects language skills to real-world applications. For example, include it workplace scenarios, college application processes, and tasks that mimic GED exam questions to make learning practical and relevant.

4. Project-Based Learning:

- HCDE AE's staff encourages students to implement project-based learning activities that require collaboration, research, and presentation skills. This approach not only enhances language proficiency but also fosters problem-solving abilities crucial for college and employment.

5. Technology Integration:

- HCDE AE incorporates technology into the curriculum to mirror the digital requirements of college and the workplace. Students use online resources, educational software, and virtual tools to enhance language skills and digital literacy.
- Considering inequities in access to digital resources, HCDE AE has partnered with Verizon to distribute 1,000 Chromebooks to students who do not have their own device.
- Supplementary digital literacy classes allow students with very low computer skills to participate in class projects and assignments.
- HCDE AE aims to enhance rigor across all English language acquisition programs, from literacy-level classes for newcomers to contextualized career pathways.

Integrated Education and Training (IET)

HCDE AE's IELCE Career Pathway model prepares adult learners for careers through a combination of rigorous academic instruction and high-quality targeted occupation education and training that:

- Is aligned with skill needs in High Skill High Demand Occupations in the region as defined by the Gulf Coast Workforce Board 2021-2024 Local Plan.
- Prepares an individual to be successful in any or a full range of secondary, postsecondary opportunities.
- Includes counseling support for an individual in achieving the individual's education and career goals.
- Helps an individual enter or advance within a specific occupation or occupational cluster.

HCDE AE's Integrated Services plan for the ESL students includes the following.

- A delivery of IET components including training, work force preparation and basic skills including English language acquisition provided concurrently and contextually.
- Support the advancement of education and career development and use occupationally relevant instructional materials.
- Activities function cooperatively so that specific adult education content, Workforce Preparation Activities, and Workforce Training competencies are aligned to a single set of learning objectives that identify specific competencies across the IET Components.
- Competencies include established learning objectives and/or trade-related benchmarks, competencies for emerging or existing in-demand targeted occupation for attaining a recognized postsecondary credential.

HCDE AE provides ELLs who want to advance their careers or obtain post-secondary credentials, as well as acquire the skills and qualifications they need to pursue higher education or enter high-demand occupations in the Houston region.

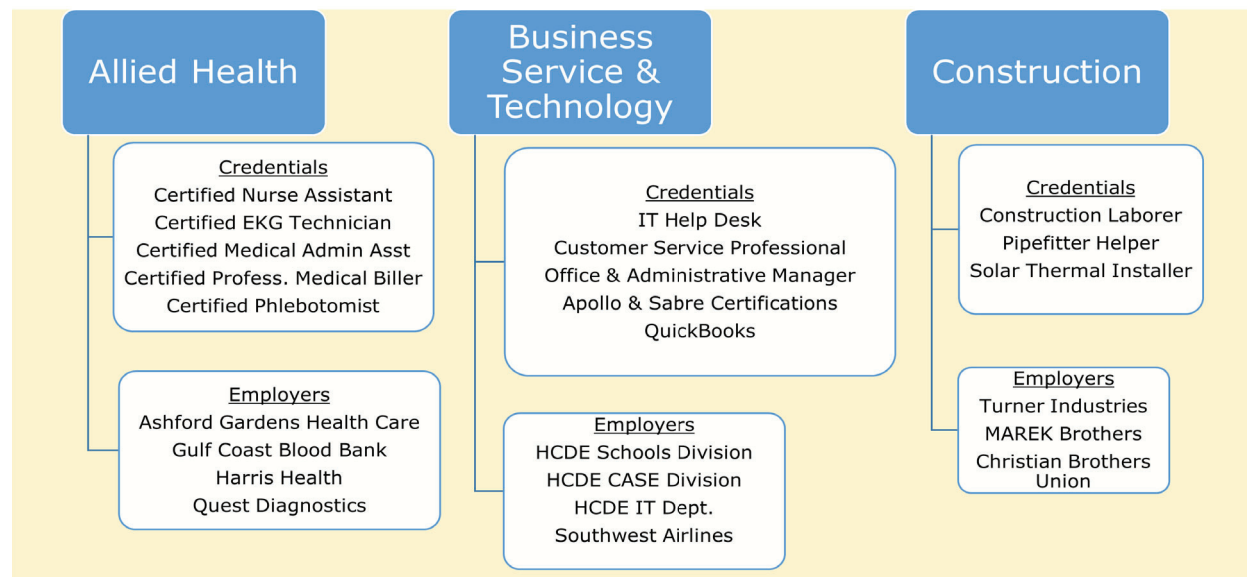

4) Individuals who Could Benefit from and are Ready for Referral to IET Programs

HCDE AE identifies individuals who could benefit from and are ready for referral to Integrated Education and Training (IET) programs by assessing their skill levels, career interests, and educational goals. The IET programs are a combination of education and job skills training that help adult learners in the program transition from basic adult education to employment and/or post-secondary education opportunities. HCDE AE's IET programs use different teaching models to deliver adult education and literacy, workforce preparation and workforce training simultaneously and contextually. The HCDE AE's Career Pathways modality aims to offer workforce training and career opportunities for immigrants in:

1. Business Services and Technology, with a focus on Customer Service, Front Office Specialists and Airline Certification Systems.

2. Construction, concentrating on Construction Laborer, Pipefitter and Solar Installer.
3. Healthcare, centering on CNA and Phlebotomy.

HCDE AE Career Pathways: ESL

Upon completion of the course and receiving industry recognized credentials, the ELL participants will be aligned with an employer from one of HCDE AE's Employer partners. There is a demand for ELLs in the occupation industry due to the need of industry expansion internationally or to serve as interpreters for customers who are bilingual.

For continued success and attainment of MSGs HCDE AE's method to best identify ELL participants is through the following best practices:

- Bridge Programs: HCDE AE provides bridge classes that are centered on the learner's ability to grasp literacy and learning skills as life learners. These programs provide adult learners for entry into postsecondary education or training in a specific career field. Most often, students take a workforce interest survey in the eighth week of literacy classes. The selection of the IET class eligibility matched with their post assessment

scores are evaluated. If students need to improve their basic skills before entering the IET course, they are enrolled in a Bridge Class.

- Career Assessments and Inventories: Using the Individual Training Education and Career Plan (ITEC) form in Week 1 of class and career readiness lessons during the course, this tool helps the ELL students explore their interests, aptitudes, values, and personality traits that match them with suitable career options.
- Career Pathways Roadmap: HCDE AE provides every student with the opportunity to learn about the HCDE AE's Career Pathway model that has been embedded at orientation as well as in the classroom. This helps the ELL Students visualize the steps and requirements for progressing from one level of education and training to another within a specific career field.
- Career Navigators and Coaches: HCDE AE's Career Navigator and community-based career coaches help the ELL students plan and pursue their career goals, access support services, and overcome barriers to success.

After identifying who could benefit from and are ready for referral to IET programs, HCDE AE would use the following strategies to encourage participation of ELL Students into the Workforce Programs:

- Bridge Class to IET: Fosters assimilation of familiarization of the workforce program and provide concrete manipulatives, as necessary.
- Contextualizing Instruction in Literacy: Provides English learners with the specific English and technical skills they need to be successful. This suite of resources offers tools, practical ideas, and hands-on strategies for educators who help adult ELLs in preparing for work or training in career pathways.
- Small IET Class Size: By having 15 students per IET class, students will have increased chances of practice in language skills including industry verbiage.

- Cultural: Create a risk-free atmosphere by including bilingual employer presentations on workforce activities in the classroom.
- IET Classroom: Participation to the IET classrooms as potential student-visitors to observe and understand the intricacies of workforce expectancies and assess real-life on the job training.
- Equal Access: ELL students are provided with equal access to the IET curriculum during. Literacy classes.
- IET Ambassadors: Regularly meet with IET Ambassadors for questions on Workforce Training and receive information through shared experiences of alumni.

5) Identifies ITPs for Career Pathway and IET Opportunities

Internationally Trained Professionals (ITPs) are individuals with postsecondary degrees and professional credential from other countries. Research indicates that they face challenges in finding employment or furthering their education in the United States due to language barriers, credential recognition issues, or lack of familiarity with the U.S. education and workforce systems (Maurer, R. (October 2020). Removing Employment Barriers for Immigrant Workers. SHRM).

HCDE's curriculum for ITPs addresses their specific goals, interests, and needs, as well as the requirements and opportunities of the U.S. labor market. Some components of the curriculum are as follows:

- Accelerated English language and literacy instruction that is relevant to their field of expertise and the workplace culture.
- Integrate industry-specific vocabulary, communication skills, and cultural nuances into the curriculum.
- Curriculum includes cultural competency training to help professionals navigate cultural differences in the workplace.

- Civics education that covers topics such as the rights and responsibilities of citizenship, the structure and functions of the United States Government, and the history and culture of the United States.

Support Services for Internationally Trained Professionals

HCDE AE offers one-on-one guidance on the process of foreign credential verification, translation, and evaluation, and the options and resources available for the ITPs.

- Career navigator helps ITP student to develop a realistic plan for transferring skills to local job market, including transition to other to Integrated Training and Education (IET)
- Career navigators provide opportunities for work-based learning, internships, or mentorships.
- Other essential curricula support and services will include financial coaching provided by HCDE partners, tuition assistance, transportation, childcare, and referrals to other community resources.

In 2022, HCDE AE initiated classes for internationally trained ELLs Professionals. In partnership with Methodist Hospital, students with doctoral degrees participated in ESL classes to improve their ability to communicate on the job and acclimate to society. Through critical partnerships with employers, community organizations, Workforce Board, and service providers, HCDE AE's focus on Career Pathways model that integrates intensive services allows for enhanced job retention and worker engagement, opportunities for participants to advance and increase wages, upskilled talent pool for employers, identifying partners for IET, and leveraging HCDE and Harris County resources to reach more clients.

HCDE AE meets with three employers regularly to brainstorm to understand their needs regarding employee competencies, including safety in the workplace and business etiquette. Houston Methodist Hospital, City of

Houston and MAREK Brothers Construction are three current employers that we work with:

HCDE AE's Workplace ESL Classes

ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist. Doctors at Houston Methodist attend virtual classes and have access to HCDE Distance Learning Software.	ESL classes for foreign professionals address conversational skills and business writing. USA Learns software, and ESL software offered by HCDE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	Ongoing partnership. City employees obtain ESL skills that improve job performance.
MAREK Construction	HCDE AE delivers classes to MAREK Dry Wall Employees at MAREK facilities. Classes will focus on conversational English and reading and writing comprehension.	HCDE AE and MAREK met to identify organizational needs, curriculum, skill, and assessment.

HCDE AE identifies these students during the intake and assessment event and aligns their registration to the ITP instructor, who will continue to assess and facilitate a course structure around a sequence of educational and training programs that provides these students with basic skills and

occupational knowledge that aligns with industry needs. HCDE AE also uses various tools and strategies to identify and refer ITPs to the IET programs such as:

- Career assessments and inventories that help ITPs explore their interest, aptitudes and personalities that match them with suitable career options. This is done in the first week of class.
- Utilizing the HCDE AE Career Pathway Model to provide students with options to reach their career goals in the United States.
- Provide workforce fundamentals in class. This is a fundamental coordination of people and resources to support literacy, upskilling, workforce training and technical skills that employers demand.

6) Prepares ELLs, specifically ITPs, for unsubsidized employment in In-Demand Occupations through IET, including what industry and occupations they plan to focus on.

HCDE AE prepares ELLs, especially ITPs, for unsubsidized employment in In-Demand Occupations through IET by:

- Using career assessments and inventories to identify the ITPs' current skill levels, career interests, and educational goals.
- Providing ITP students with information on the In-Demand Occupations in Harris County, using web and job search results. The job board on the 3rd floor of the HCDE Adult Education Learning Center has updated job postings for students.
- Helping and guiding the ITPs to choose an IET program that matches their needs and aspirations. Offering one-on-one support from Career Navigators and teachers, as well as introducing Workplace Learning Programs to explore their career interests.
- Enrolling the ITP students in the IET program that combines instruction in literacy and English language acquisition, workforce preparation, and workforce training in a specific occupation or industry.

- Assisting ITP students in finding and applying for unsubsidized employment opportunities in their chosen occupation or industry, using their IET credentials and skills, through the local Workforce Solutions Development Offices in Harris County.

7) Integrates with the Local Workforce Development System

HCDE AE's IELCE program is closely integrated with local workforce development system. As described in detail in Consideration 4, HCDE AE's program will work closely with the Workforce Board staff and the one-stop system to improve employment outcomes for participants and help the Board meets its employment and educational goals, including:

- Expanding access to employment, training, education, and support services to eligible individuals particularly those with barriers to employment. Particular attention is placed on the barriers faced by English language learners as they make a transition to the workforce.
- Facilitating the development of career pathways, including occupations that the Board currently includes or is planning to include in its Target Occupations Lists. Special attention is to the support IELCE students will need to successfully complete training and enter employment.
- Improving access to activities leading to a recognized post-secondary credential including industry recognized certifications (Gulf Coast Workforce Board, 2021-2024 Local Plan, pg.39).

Table 13.1 below lists HCDE AE's IET programs that focus on construction with the occupational titles and partners. The second part of the table shows Houston-Galveston Area Council (H-GAC) approved IET programs for English Second Language Learners.

Table 13.1: HCDE AE's IET Programs

IET - Occupational Title	WIOA Target Occupation	Partner/Vendor	IET Description

	Phlebotomy	Phlebotomist	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the collecting, transporting, handling and processing of blood specimens for analysis. Students obtain a Phlebotomy certification after completion.
	CNA	Nursing Assistant	HCDE AE / Launch Point	Training course includes instruction and hands-on clinical training in the care of persons needing medical and/or allied health care; and, to assist nurses and other medical staff in the care of patients. Students obtain certification as a Nursing Assistant upon completion
	NCCER Pipefitting I Certification	Plumbers, Pipefitters, and Steamfitters	HCDE AE / MAREK Brothers	Training course includes construction math and the NCCER Welding curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion.

NCCER Pipefitting II Certification	Plumbers, Pipefitters, and Steamfitters	HCDE AE / Lauch Point / MAREK Brothers	Training course includes construction math and the NCCER Welding curriculum. Students obtain an NCCER Pipefitting Level I and II certification after completion. Training course includes construction math, NCCER Welding. Students obtain an NCCER Welding certification after completion.
NCCER Welding Certification	Welding - Welders, Cutters, Solderers & Brazers	HCDE AE / MAREK Brothers	
Customer Service Certification	Market Research Analysts and Marketing Specialists	Fuel Up for Life	Training prepares a student with advanced customer service skills, sales, and marketing. Certification leads to a marketing certificate and earning MOS Certification.

HCDE AE program integrates EL Civics students into the local workforce development system by implementing a program that aligns adult education literacy, HSE in Spanish, workforce development, and support services that offers comprehensive assistance to ELLs. HCDE AE uses a Career Pathways model that provides multiple entry and exit points, stackable credentials, and advancement opportunities in high-demand sectors in Harris County.

One of the strengths of the program is its strong record of partnerships with employers. Employers are involved in the design and levels of the

training programs and provide work-based learning opportunities, such as internships, apprenticeships, or on-the-job training with current companies like MAREK Brothers Construction, Turner Industries, and Harris Health.

HCDE AE has 17 employer partners ready to hire students after they complete the workforce courses. By tailoring instruction to the specific skills and knowledge required for the target occupation or industry, HCDE AE ensures ELL students are prepared for their future careers. Table 13.2 below shows the career pathways that are currently aligned with employer partners:

Table 13.2 – Career Pathways Scope Aligned with Employer Partner

HCDE AE Career Pathway	Employer Organization
Allied Health	Devine Grace Hospice
Allied Health	Beehive Homes
Allied Health	Extended Hand Health Care Inc.
Allied Health	Gulf Coast Blood Bank
Allied Health	Village Care Hospice
Allied Health	Oak Street Health
Transportation	Southwest Airlines
Construction	MAREK Brothers, GROW (Green Resources & Opportunities Workforce)
Business Ed	Marriott Hotels
Construction	Champions Electric Inc.
Construction	Building Talent Foundation
Construction	Turner Industries
Construction	Houston Masonry Council

HCDE AE provides a “one-stop shop” modality for the ELL participants in the program by utilizing local workforce board resources, community-based organization, and intermediaries for development in the preparation of eligible individuals to enter and succeed in post-secondary education and training and career advancement leads to participant economic self-sufficiency.

The program offers flexible learning options, such as online, hybrid, face-to-face, and blended courses, to accommodate the diverse schedules

and needs of ELL students. HCDE AE has observed an increase in the demand for these courses.

HCDE AE has fostered partnerships with various stakeholders, including employers, community-based organizations, educational institutions, and public agencies, to maximize resources and expertise. Through collaborations with stakeholders, including community partners, employers, and other professional development centers, HCDE develops innovative contextualized instructional strategies that integrate basic skills and vocational training to increase employability and productivity.

HCDE AE engages stakeholders in a collaborative manner to understand and address the training needs. This collective impact approach gives the program value for constituents. Table 13.3 below shows the results from HCDE's Adult Education's partnerships with local employers within the last three years.

Table 13.3: Partnerships for Increased Employability and Productivity

Partner/ Employer	Employer Focus	Outcomes
Construction Math Classes at S & B Engineers and Constructors	Through a partnership with United Way's THRIVE program, Workforce Solutions and community partners, S&B created a pilot program that provided accelerated, accredited training for female pipefitters. HCDE AE developed innovative, workforce-context classes to support the S & B Engineers and Constructors "Women in Construction" training program.	State and Nationally recognized model program for "Women in Construction Training Program" by Texas Workforce Commission. Program resulted in two cohorts completing S&B Engineers and Constructor's 12-week, on-the-job training program in pipefitting

		while the female students also gained contextualized math instruction from HCDE AE.
ESL Classes at Rich's Products	<p>Rich's Products Corporation in Missouri City, Texas produces non-dairy frozen food offerings, and supplies products to retailers, in-store bakeries, and foodservice providers.</p> <p>Working with Workforce Solutions Business Services and Rich's leadership team, HCDE AE developed and delivered ESL classes for Rich's employees focused on language development and worker safety.</p>	<p>Seventy-three Rich's employees attended ESL classes and accessed distance learning products.</p> <p>The project was nominated by Workforce Solutions as Texas Workforce Commission's employer partnership of the year 2019.</p>
ESL Classes at Tyson Foods	<p>HCDE AE and Tyson Foods have partnered through the years to provide work-based literacy classes to Tyson Employees.</p>	<p>Coordinated ESL Classes for Tyson Employees for over five years.</p> <p>Developed a model for work-based literacy programs.</p>
ESL Classes at HOYER Global Inc.	<p>HOYER is a world market leader for comprehensive logistics solutions relating to handling and transporting liquid products for the foodstuffs, gas, mineral oil, and chemical industries.</p> <p>Curriculum was designed to improve employee industry vocabulary, terminology, and</p>	<p>Provided ESL classes to 13 employees.</p> <p>Employees better understand the safety and product forms they work with daily and understand the importance of each form. Better</p>

	communication for ESL Learners. Lessons are industry specific to work with Truck Drivers, Dispatchers, and office staff.	understanding of how errors can impact cost or lead to problems for the company if they are not completed correctly.
Safety, Basic and Advanced Drawing ESL – MAREK Brothers	HCDE AE in partnership with MAREK Brothers, a commercial construction business for hospitals, stadiums, schools, offices, and hotels, developed and delivered safety, basic and advanced drawing ESL classes to employees.	15 Year Partnership State recognized program. The program positively impacted job retention. Most of the participants received a pay raise after completion.
ESL for Foreign Professionals – Houston Methodist Hospital	Through a collaboration with Workforce Solutions Employer Services, HCDE AE delivers ESL classes for Foreign Professionals at Houston Methodist. Doctors at Houston Methodist attend virtual classes and have access to HCDE AE's Distance Learning Software.	ESL classes for foreign professionals address conversational skills and business writing. USA Learns software, and ESL software offered by HCDE AE complements classroom learning.
ESL Classes – City of Houston	HCDE AE delivers ESL classes to City of Houston Employees at city facilities. City of Houston Employees have access to ESL classes that focus on conversational English and reading and writing comprehension.	Ongoing partnership City employees obtain ESL skills that improve job performance.

ESL Classes – YMCA	HCDE AE will deliver classes to YMCA Employees at various YMCA facilities. Classes will focus on conversational English and reading and writing comprehension.	HCDE AE and YMCA met to identify organizational needs and develop curriculum.
<p>HCDE AE creates opportunities for the ELL students through an employer-oriented model, keyed in on the instructional integration for vocational training. As emerging bilingual adults, the ELL students will receive key concepts in combining academic skill development to assist with learners' transition into an IET. Student Ambassadors are utilized for questions on Workforce Training and reciprocate information through shared experiences of alumni. HCDE AE addresses cultural, linguistic, and other barriers that ELL students face, such as immigration status, legal issues, discrimination, and lack of social capital. Collaborations with community partners like Catholic Charities, Houston Foodbank, Houston Legal Aid have helped bridge this gap.</p>		

15. BUDGET WORKBOOK – 5 points

The minimum amount that Applicants can apply for is no less than two hundred thousand dollars (\$200,000), and not to exceed one million dollars (\$1,000,000). Complete Form B, Budget Workbook in accordance with Attachment 3 Budget Requirements and Instructions. In Form B, identify costs and provide a budget justification including supporting calculations and narrative for individual cost items. Ensure that costs align with proposed grant activities.

AEL IECLE Target Calculation Worksheet

	Applicant Enter Proposed Budget Amounts	
Total Requested Award (\$200,000 Minimum)	\$997,791	Grant is in allowable range
Total Amount Dedicated to IET Programs (10% Minimum)	\$188,000	Meets Minimum 10% IET Requirement

Proposed Program	\$947,901	
Proposed Admin	\$49,890	
Proposed Total Enrollment (Unduplicated)	750	
Target	IET Target	Popular Services Target
# of Participants	90	660
Average Cost	\$2,109.18	\$1,152.90

UNIT CONTRACT
ACADEMIC AND BEHAVIOR SCHOOL - WEST
SUMMER SCHOOL PROGRAM FY24
(EXTENDED SCHOOL YEAR SERVICES-ESY)

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Fort Bend Independent School District**, ("FBISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible students with disabilities of the **FBISD** and to state the terms, rights and duties of the contracting parties.

1. For the period beginning **June 5, 2024**, through **July 11, 2024**, **HCDE** agrees to provide services described herein for **ten (10) unit: Adaptive Behavior/Life Skills** to eligible student(s) with disabilities (referred to herein as "student(s)") who are residents of the **FBISD**.
2. **HCDE** agrees to provide specialized facilities and properly certified/licensed personnel necessary to appropriately educate and provide instructional and counseling services to the student(s) in accordance with applicable law. During the period of this agreement, if **HCDE** fails to provide the necessary specialized facilities and certified personnel, the **FBISD** may terminate services until such time as **HCDE** can provide the necessary specialized services contracted herein. **HCDE** will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
3. **HCDE** agrees to furnish the **FBISD** with a monthly statement of student attendance.
4. **HCDE** agrees to maintain necessary records and accounts in order to assure that funds received from the **FBISD** have been expended for the services described herein. **HCDE** agrees to provide these records and other information as may be required by the **FBISD**.
5. The students served under this Contract have been classified by the Admission, Review and Dismissal (ARD) Committee of the school of regular attendance within the **FBISD** and recommended for services as described herein. The ARD Committee of the **FBISD** has affirmed the classification and approved the recommendation of such contracted services.
6. **FBISD** will provide copies of all pertinent school records on the student(s) with parental or guardian permission. **FBISD** agrees to furnish **HCDE** a copy of any additional pertinent documents regarding the student(s) which may be obtained by the **FBISD** during the term of this Contract. **HCDE** will be available for participation with the **FBISD** ARD Committee in the development of the Individualized Education Plan (IEP). **HCDE** will update the **FBISD** on the implementation of the IEP at least once per semester. A member of the **FBISD** Special Education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
7. In consideration of the services provided herein, the **FBISD** agrees to pay HCDE **\$6,700** per unit for a total of **\$67,000**. Payment will be due upon receipt of invoice.

In consideration of the bus aide services to be provided herein, the **FBISD** agrees to pay HCDE an additional daily rate of **\$21.00** per hour for bus aide services, not to exceed **\$2,100** for bus aide services (**See exhibit A**).

In the event that **FBISD** makes a payment to HCDE with a credit card, **FBISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. The source of funding for this contract will be from federal + local (federal, state or local) funds. The parents of the students shall not be charged for the services contracted under this Contract.
9. **HCDE** will follow IDEA and other applicable laws when considering dismissal and/or expulsion.

10. This Contract may be amended only by the mutual agreement of the parties, in a writing to be attached to and incorporated in this Contract.
11. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
12. Neither this Contract nor any duties or obligations under it shall be assignable by either party without the prior written acknowledgment and authorization of the other party.
13. Any notice provided under the terms of this Contract by either party to the other shall be in writing and may be affected by certified mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

HCDE

Attention:
James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

FBISD

Attention:
Marc Smith, Superintendent
16431 Lexington Blvd.
Sugar Land, Texas 77479

Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party in accordance with the provisions of this Article.

14. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.
15. This Contract does not create a joint venture or business partnership under Texas law.
16. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
18. In the event that any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

**ADDENDUM TO
INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES ACADEMIC BEHAVIOR CENTER (ABC)
2023-2024 EXTENDED SCHOOL YEAR SERVICES - ESYs**

This Addendum is in reference to the Interlocal Agreement for Specialized Services Academic Behavior Center (ABC) 2023-2024 Extended School Year Services - ESYs between Harris County Department of Education and Fort Bend Independent School District.

PROVISIONS RELATED TO FEDERAL CONTRACTORS (EDGAR): This section is applicable only for services to be paid with federal funds. If federal funds will be used to pay for Services under this Agreement, the Parties understand and agree that this Agreement is subject to appropriation, approval, and disbursement of such funding by the United States federal government and its funding administrators, including, but not limited to, the Texas Education Agency. As applicable, the Parties agree to comply with any terms, conditions, and policies related to the use of federal funds, including, but not limited to, the Education Department General Administrative Regulations ("EDGAR") and any other requirements related to applying for, receiving, managing, and reporting federal funds. Contractor shall complete the "EDGAR Certification" attached as Exhibit A and incorporated by reference. Noncompliance or misrepresentation regarding this certification may be grounds for termination of this Agreement. Notwithstanding any contrary provision of this Agreement, if FBISD does not receive sufficient funding for Services under this Agreement, upon written notice to Contractor, FBISD may terminate this Agreement without penalty or further obligation to Contractor at the end of the period for which funding is available.

All professional services contracts paid with federal grants shall be effective only during the period of availability of the funds identified in the Notice of Grant Award ("NOGA"). This Agreement is effective only after the NOGA is issued. This agreement identifies and lists only reasonable, necessary, and allocable services to be provided during the period of availability of the funding sources listed in the contract. The administrative costs charged to the grant in the contract must comply with any limitations for administrative costs for funding sources (if applicable).

The undersigned parties agree the completed exhibits listed below are fully incorporated and included as a part of the original contract:

1. Exhibit A – EDGAR Certifications for Vendors,
2. Confidential Student Information Agreement Exhibit B to Specialized Services Agreement and Access Agreement,
3. Exhibit C – Contractor Certification,
4. Exhibit D – Conflict of Interest Questionnaire (CIQ),
5. Exhibit E – Felony Conviction Notice,
6. Exhibit F – Suspension and Debarment Certification,
7. Exhibit G – Relationships with Foreign Entities Language; and,
8. Exhibit H – Data Protection Addendum.

No other terms or conditions of the above mentioned contract shall be negated or changed as a result of this addendum.

EXHIBIT A

2 CFR SECTION 200 REQUIRED PROVISIONS
ADDENDUM FOR CONTRACT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions are required and apply only when the District expends federal funds for any contract resulting from this procurement process. **Accordingly, the parties agree that the following terms and conditions apply to the Contract between the District and vendor ("Vendor") in all situations where Vendor has been paid or will be paid with federal funds, and only to the extent applicable to the contract type or dollar amount:**

REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

APPENDIX II TO 2 CFR PART 200

(A) [Applicable ONLY to contracts in excess of \$250,000.] Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when the District expends federal funds, the District reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

(B) [Applicable ONLY to contracts in excess of \$10,000.] Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement.

Pursuant to Federal Rule (B) above, when the District expends federal funds, the District reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The District also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the District believes, in its sole discretion that it is in the best interest of the District to do so. Vendor will be compensated for work performed and accepted and goods accepted by the District as of the termination date if the contract is terminated for convenience of the District. Any award under this procurement process is not exclusive and the District reserves the right to purchase goods and services from other vendors when it is in the District's best interest.

(C) [Applicable ONLY to federally assisted construction contracts.] Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when the District expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

(D) [Applicable ONLY to prime construction contracts in excess of \$2,000 where federal funds are being used for the project] Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, prime construction contracts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when FBISD expends federal funds during the term of an award for all contracts and subgrants for construction or repair, Vendor will be in compliance with all applicable Davis-Bacon Act provisions.

(E) [Applicable ONLY to contracts in excess of \$100,000 involving mechanics or laborers.] Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when the District expends federal funds, Vendor certifies that Vendor will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by the District resulting from this procurement process.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

(G) [Applicable ONLY to contracts in excess of \$250,000.] Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$250,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to Federal Rule (G) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by the District, Vendor certifies that during the term of an award for all contracts by the District resulting from this procurement process, Vendor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

(I) [Applicable ONLY to contracts in excess of \$100,000] Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (I) above, when federal funds are expended by the District, Vendor certifies that during the term and after the awarded term of an award for all contracts by the District resulting from this procurement process, the vendor certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

- (1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative

agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

(J) Procurement of Recovered Materials – When federal funds are expended, the District and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Pursuant to Federal Rule (J) above, when federal funds are expended by the District, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the vendor certifies, by signing this document, that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

(K) Domestic Preferences for Procurements – As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of 2 CFR Part 200.322, "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Moreover, for purposes of 2 CFR Part 200.322, "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum, plastics and polymer-based products such as polyvinyl chloride pipe, aggregates such as concrete, glass, including optical fiber, and lumber.

Pursuant to Federal Rule (K) above, when federal funds are expended by the District, vendor certifies, by signing this document, that to the greatest extent practicable vendor will provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

(L) Ban on Foreign Telecommunications – Federal grant funds may not be used to purchase equipment, services, or systems that use "covered telecommunications" equipment or services as a substantial or essential component of

any system, or as critical technology as part of any system. "Covered telecommunications" means purchases from Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities), and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Pursuant to Federal Rule (L) above, when federal funds are expended by the District, vendor certifies, by signing this document, vendor will not purchase equipment, services, or systems that use "covered telecommunications", as defined by 2 CFR §200.216, equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by the District for any contract resulting from this procurement process, Vendor certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. Vendor further certifies that it will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When the District expends federal funds for any contract resulting from this procurement process, Vendor certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

CERTIFICATION OF EQUAL EMPLOYMENT STATEMENT

It is the policy of the District not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. Vendor agrees not to discriminate against any employee or applicant for employment to be employed in the performance of this Contract, with respect to hire, tenure, terms, conditions and privileges of employment, or a matter directly or indirectly related to employment, because of age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification) or race, color, religion, national origin, or ancestry. Vendor further agrees that every subcontract entered into for the performance of this Contract shall contain a provision requiring non-discrimination in employment herein specified, binding upon each subcontractor. Breach of this covenant may be regarded as a material breach of the Contract.

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

[Only Applicable to Contracts funded under the National School Lunch Program] The Buy American regulations promulgated by USDA and TDA require public school districts to purchase domestically grown and processed food to the maximum extent practicable. The food product must consist of agricultural commodities that were grown domestically, unless an authorized exception exists and has been approved by the District.

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Vendor agrees that the District's Inspector General or any of their duly authorized representatives shall have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTS

Vendor agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

VENDOR AGREES TO COMPLY WITH ALL APPLICABLE FEDERAL, STATE, AND LOCAL LAWS, RULES, REGULATIONS, AND ORDINANCES. IT IS FURTHER ACKNOWLEDGED THAT VENDOR CERTIFIES COMPLIANCE WITH ALL PROVISIONS, LAWS, ACTS, REGULATIONS, ETC. AS SPECIFICALLY NOTED ABOVE.

**Confidential Student Information Agreement
Exhibit B to Specialized Services Agreement
Between**

Harris County Department of Education, and the Fort Bend Independent School District

On behalf of _____, Inc., ("Contractor"), I acknowledge that in the course of our work for the Fort Bend Independent School District ("School District"), Contractor may have access to individual student information. The Confidential Student Information Agreement sets forth Contractor's work for the District in providing specialized services for students with disabilities, particularly those related to mental health and behavior problems to serve the District's educational needs. The work to be performed by Contractor is work performed as independent contractors of the District. Consequently, for purposes of the work to be performed for the District, Contractor is a "school official" as the term is used in FL (Local). Therefore, Contractor has a legitimate educational interest in the student information provided for the use in supporting the District's educational needs. As such, Contractor's access to individual student information is permitted under the Family Educational Rights and Privacy Act of 1974 (FERPA) and its implementing federal regulations found in 34 CFR Part 99.

Contractor agrees and understands that information concerning any individual student is to be held in strictest confidence and assures that procedures are in place for monitoring and protecting confidentiality of student information, including, but not limited to, tracking access by assigned passwords. All media that contain individual student records and Contractor records that contain individual student records will be kept in a secure area at the District. Each Contractor representative that will access the individual student records must agree to protect student confidentiality by signing the attached "Access Agreement."

In addition, Contractor agrees that any data sets or output reports that its representatives may generate with individual student data are confidential. Contractor will not disclose to any unauthorized person any data sets or reports with individual student data which is obtained or devised. Contractor agrees to be responsible for any computer transactions performed as a result of access authorized by use of password(s). Contractor agrees to destroy the data when it is no longer needed for purposes of the work for which Contractor has contracted to perform for the District.

Contractor understands that any unauthorized disclosure of confidential student information is illegal as provided in FERPA and its implementing regulations. FERPA is specifically incorporated into the Texas Public Information Act as an exception to records which are subject to disclosures to the public (Texas Government Code, Chapter 552).

EXHIBIT B

ACCESS AGREEMENT

Under the terms of the Agreement between _____ ("Contractor") and the Fort Bend Independent School District ("School District"), I am requesting access to confidential student information.

I understand that any unauthorized disclosure of confidential student information is illegal as provided in the Family Educational Rights and Privacy Act of 1974 (FERPA) and in the implementing federal regulations found at 34 CFR, Part 99. I understand that any personal characteristics of a student that could make the student's identity traceable are protected.

In addition, I understand that any data sets or output reports that I may generate using confidential data are to be protected. I will not distribute to any unauthorized person any data sets or reports that I have access to or may generate using confidential data. I will not disclose any data analysis or report to any party without the consent of the District. I understand that I am responsible for any telephone or computer transactions performed as a result of access authorized by use of sign-on/password(s).

I also understand that failure to observe these restrictions is prohibited by Texas Government Code §552.352 and FERPA.

EXHIBIT C

Contractor Certification

Definitions:

Covered employees: Employees who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students.

Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

On behalf of _____ (“Contractor”), I certify that
[check one]:

☐ Contractor has no employees; Contractor provides services to the District as an individual and has or will have direct contact with students. Contractor certifies that Contractor does not have a disqualifying criminal history.

Or

☐ None of Contractor’s employees are *covered employees*, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that Contractor’s employees will not become *covered employees*. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

☐ Some or all of Contractor’s employee are *covered employees*. If this box is checked, I further certify that:

1. Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.
2. If Contractor receives information that a covered employee subsequently has a disqualifying criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.
3. Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.
4. If the District objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Contractor agrees to discontinue using the covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

HOW TO COMPLETE THE CIQ FORM

NO CONFLICT EXIST

If no conflict of interest exists, you MUST:

1. Fill out Box 1
2. Type N/A on Box 3 of the CIQ form
3. Sign and date

CONFLICT EXIST

If a conflict of interest exists, you MUST:

1. Name of person doing business with the District. If the business is a corporation, partnership, etc., then each person who acts as an agent for the business in dealings with Fort Bend ISD must complete the form. Also, state company name. If no conflict of interest exists, you must fill out Box 1 and type N/A on Box 3 of the CIQ form, sign and date it.
2. Check the box if you are filing an update to a previously filed questionnaire. Updates are required by law by September 1 of each year in which the person submits a proposal or bid or begins contract discussions or negotiations with the District. Updates are also required by the 7th business day after an event that makes a statement in a previously filed questionnaire incomplete or inaccurate.
3. Name the District employee or school board member with whom you have a relationship, if there is no relationship in question, state "NONE".
4. Answer questions A and B with "Yes" or "No", as applicable.
5. Describe how you are affiliated or related to a FBISD employee or school board member.
6. Check Box if applicable
7. Signature Box: Date and Sign the form. A signature is required from the person completing the form even if "No" is entered in Box 3, A, B, C, or D.

EXHIBIT D

CONFLICT OF INTEREST QUESTIONNAIRE

For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed;

or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

EXHIBIT D

CONFLICT OF INTEREST QUESTIONNAIRE**FORM CIQ****For vendor doing business with local governmental entity****OFFICE USE ONLY**

Date Received

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

1 Name of vendor who has a business relationship with local governmental entity.

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.** (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 Name of local government officer about whom the information is being disclosed.

Name of Officer

4 Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. Complete subparts A and B for each employment or business relationship described. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer or a family member of the officer receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes

☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer or a family member of the officer AND the taxable income is not received from the local governmental entity?

☐ Yes

☐ No

5 Describe each employment or business relationship that the vendor named in Section 1 maintains with a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more.

6 ☐ Check this box if the vendor has given the local government officer or a family member of the officer one or more gifts as described in Section 176.003(a)(2)(B), excluding gifts described in Section 176.003(a-1).

EXHIBIT E

FELONY CONVICTION NOTIFICATION

State of Texas Legislative Senate Bill No. 1, Section 44.034, Notification of Criminal History, Subsection (a), states "a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony".

Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The District must compensate the person or business entity for services performed before the termination of the contract".

This Notice is Not Required of a Publicly-Held Corporation.

I, the undersigned agent for the firm named below, certify that the information concerning notification of felony convictions has been reviewed by me and the following information furnished is true to the best of my knowledge.

Vendor's Name:

Authorized Company Official's Name (Printed):

A. My firm is a publicly held corporation; therefore, this reporting requirement is not applicable.

Signature of Company Official:

B. My firm is not owned or operated by anyone who has been convicted of a felony.

Signature of Company Official:

C. My firm is owned or operated by the following individual(s) who has/have been convicted of a felony:

Name of Felon(s): _____

Details of Conviction(s): _____

Signature of Company Official: _____

EXHIBIT F

SUSPENSION AND DEBARMENT CERTIFICATION

Federal Law (A-102 Common Rule and OMB Circular A-110) prohibits non-federal entities from contracting with or making subawards under covered transactions to parties that are suspended or debarred or whose principals are suspended or debarred. Covered transactions include procurement contracts for goods or services equal to or in excess of \$25,000 and all nonprocurement transactions (e.g., subawards to subrecipients).

Contractors receiving individual awards of \$25,000 or more and all subrecipients must certify that their organization and its principals are not suspended or debarred by a federal agency.

Before an award of \$25,000 or more can be made to your firm, you must certify that your organization and its principals are not suspended or debarred by a federal agency.

I, the undersigned agent for the firm named below, certify that neither this firm nor its principals are suspended or debarred by a federal agency.

EXHIBIT G**Relationships with Foreign Entities**

During the 85th Legislative Session (2017), the State of Texas enacted two additional requirements affecting all government contracts for goods and services.

All government contracts for goods and services signed after September 1, 2017 must include required provisions from HB 89 (Certification Regarding Israel), and language to implement SB 252 (Verification Regarding Terrorist Organizations).

Therefore, in compliance with HB 89 and SB 252 of the 85th Texas Legislative Session, Contractor agrees that:

In accordance with Texas Government Code Chapter 2252, Subchapter F, Contractor certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, the Government of Iran, the Government of Sudan, or a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State.

Contractor further certifies and verifies that, pursuant to Texas Government Code Chapter 2270, neither Contractor, nor any affiliate, subsidiary, or parent company of Contractor, if any (the "Contractor Companies"), boycotts Israel, and Contractor agrees that Contractor and Contractor Companies will not boycott Israel during the term of Agreement with Fort Bend ISD.

Addendum to Agreement for Services**EXHIBIT H****FBISD Data Protection Agreement (v4.1)****1. Definitions.**

- a. "Agreement" is defined in the attached agreement between the District and Contractor for software and/or software related services ("Services") and includes the terms of the attached agreement and this Data Protection Addendum.
- b. "District Data" includes all Personally Identifiable Information and other information that is not intentionally made generally available by the District on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.
- c. "District De-identified Data" means any de-identified, aggregated, or otherwise anonymized data derived from "District Data" from which all Personally Identifiable Information (PII) has been removed such that the identity of individual Staff, Teachers, Students, etc. cannot be determined, and re-identification of District individuals is not possible. The data de-identification procedures and samples of subsequently de-identified District Data (provided for review to ensure efficacy of the de-identification process) must be shared prior to any usage of District De-Identified Data, in any manner. Usage of District De-identified Data requires agreement to these terms in full and prior authorization after the District's review of the de-identified data sample.
- d. "End User" means the individuals authorized by the District to access and use the Services provided by the Contractor under this Agreement.
- e. "Personally Identifiable Information" (or PII) includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act, 45 CFR Part 160.103 ("HIPAA"); nonpublic personal information as that term is defined in the Gramm-Leach-Bliley Financial Modernization Act of 1999, 15 USC 6809 ("GLB"); credit and debit card numbers and/or access codes and other cardholder data and sensitive authentication data as those terms are defined in the Payment Card Industry Data Security Standards ("PCI-DSS"); other financial account numbers, access codes, driver's license numbers; and state- or federal-identification numbers such as passport, visa or state identity card numbers.
- f. "Securely Destroy" means taking actions that render data written on physical (e.g., hardcopy, microfiche, etc.) or electronic media unrecoverable by both ordinary and extraordinary means.
- g. "Security Breach" means an event in which District Data is exposed to unauthorized disclosure, access, alteration, or use.
- h. "Mining District Data" means to search through, access, or extract District Data, metadata, or information which is not necessary to accomplish the purpose(s) of this Agreement.

- 2. Rights and License in and to District Data.** The Parties agree that as between them, all rights including all intellectual property rights in and to District Data shall remain the sole and exclusive property of the District, and Contractor has a limited, nonexclusive license as provided in this Agreement solely for the purpose of performing its obligations hereunder. This Agreement does not give Contractor any rights, implied or otherwise, to District Data, content, or intellectual property, except as expressly stated in the Agreement.

3. Intellectual Property Rights/Disclosure.

- a. Unless necessary to perform Contractor's obligations under this Agreement or expressly agreed by the District in writing, all goods, products, materials, documents, reports, writings, video images, photographs or papers of any nature including software or computer images prepared by Contractor (or its subcontractors) for the District under this Agreement will not be disclosed to any other person or entity.
- b. The District agrees and acknowledges that Contractor owns all rights, title and interest to any and all intellectual property associated with the software or services provided by Contractor, including but not limited to all copyright, trademark, trade name, patent, trade secret, or any other intellectual property or proprietary right, whether registered or unregistered with respect to Contractor's software and related services. Contractor represents that it has all intellectual property rights necessary to enter into and perform its obligations in the Agreement, warrants to the District that the District will have use of any intellectual property contemplated by the Agreement free and clear of claims of any nature by any third Party including, without limitation, copyright or patent infringement claims, and agrees to indemnify the District for any related claims.
- c. Notwithstanding the foregoing, for grant collaboration pursuant to subcontracts under sponsored grants, intellectual property rights will be governed by the terms of the grant or contract to the District to the extent such grant or contract requires intellectual property terms to apply to subcontractors.

4. Data Privacy.

- a. Contractor will use District Data only for the purpose of fulfilling its duties under this Agreement and will not share District Data with or disclose it to any third Party without the prior written consent of the District, except as required by law.
- b. District Personally Identifiable Information will not be stored outside the United States without prior written consent from the District.
- c. Contractor will provide access to District Data only to its employees and subcontractors who need to access the data to fulfill Contractor's obligations under this Agreement. Contractor will ensure that employees and subcontractors who perform work under this Agreement have read, understood, and received appropriate instruction as to how to comply with the data protection provisions of this Agreement. If Contractor will have access to "education records" for the District's students as defined under FERPA, the Contractor acknowledges that for the purposes of this Agreement it will be designated as a "school official" with "legitimate educational interests" in the District Education records, as those terms have been defined under FERPA and its implementing regulations, and the Contractor agrees to abide by the FERPA limitations and requirements imposed on school officials. The Parties agree that: (1) the Services/functions to be provided by Contractor are Services/functions for which the District would otherwise use its own employees; (2) Contractor is under the District's direct control with respect to Contractor's access to and use of the education records; and (3) Contractor is subject to the requirements of 34 C.F.R. 99.33(a) with respect to Contractor's access to and use of the education records. Contractor will use the education records only for the purpose of fulfilling its duties under this Agreement for District's and its End User's benefit, and will not share such data with or disclose it to any third Party except as provided for in this Agreement, required by law, or authorized in writing by the District.
- d. Except as provided in this subsection, Contractor will use District Data only for the purpose of fulfilling its duties under this Agreement.
 - i. Contractor may not use or sell District Data
 - 1. to market or advertise to students, families/guardians, or District employees;
 - 2. to inform, influence, or enable marketing, advertising, or other commercial efforts by Contractor or a third party;
 - 3. for any commercial purpose other than fulfilling its duties under this Agreement.

- ii. Contractor may use District De-identified Data only for the purposes of development, research, and product improvement. Data shall be considered “de-identified” when PII is removed, an individual record cannot be linked back to the original record, and there is no reasonable basis to believe that the remaining information in the records can be used to identify an individual.
- iii. [Check if Applicable] Contractor requests approval to use District De-identified Data for limited marketing purposes. If approved, Contractor may utilize such data for the Limited Marketing Purpose identified below. Such data shall be aggregated with data from other districts or clients, and in no event may the de-identified/aggregated data be identified or identifiable as data from the District.

Limited Marketing Purpose: _____

Authorized District Approval: _____

- e. Contractor agrees to assist District in maintaining the privacy of District Data as may be required by State and Federal law, including but not limited to FERPA, PRRA, IDEA, and COPPA.
- f. Contractor is prohibited from Mining District Data for any purposes other than those agreed to by the Parties.
- g. Contractor is prohibited from using the software or Services to advertise in any form (including banner ads) to District students, parents, or employees.

5. Data Security.

- a. Contractor will store and process District Data in accordance with commercial best practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Contractor’s own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Without limiting the foregoing, Contractor warrants that it will use industry-standard and up-to-date security tools and technologies such as anti-virus protections and intrusion detection methods in providing Services under this Agreement.

6. Employee and Subcontractor Qualifications.

- a. Contractor shall ensure that its employees and subcontractors who have potential access to District Data have undergone appropriate background screening, and possess all needed qualifications to comply with the terms of this agreement including but not limited to all terms relating to data and intellectual property protection.
- b. If the Contractor must under this Agreement create, obtain, transmit, use, maintain, process, or dispose of the subset of District Data known as Personally Identifiable Information or financial or business data which has been identified to the Contractor as having the potential to affect the accuracy of the District’s financial statements, Contractor shall perform background checks reviewing any national criminal history record information on all employees who have potential to access such data.

7. Data Authenticity and Integrity. Contractor will take reasonable measures to protect District Data against deterioration or degradation of data quality and authenticity.

8. Security Breach.

- a. Response. Immediately upon, but in no event later than 24 hours after becoming aware of a Security Breach, or of circumstances that could have resulted in unauthorized access to or disclosure or use of District Data, Contractor will notify the District, fully investigate the incident, and cooperate fully with the District’s investigation of and response to the incident. Except as otherwise required by law or law enforcement, Contractor will not provide notice of the incident directly to individuals

whose Personally Identifiable Information was involved, regulatory agencies, or other entities, without prior written permission from the District.

- b. Liability. In addition to any other remedies available to the District under law or equity, Contractor will reimburse the District in full for all costs incurred by the District in investigation and remediation of any Security Breach caused in whole or in part by Contractor or subcontractors, including but not limited to providing notification to individuals whose Personally Identifiable Information was compromised and to regulatory agencies or other entities as required by law or contract; providing one year's credit monitoring to the affected individuals if the Personally Identifiable Information exposed during the breach could be used to commit financial identity theft; and the payment of legal fees, audit costs, fines, and other fees imposed against the District as a result of the Security Breach.
- c. Except in the event of Contractor's negligence, gross negligence, or willful misconduct, Contractor's total liability to the District under this Section 8 shall not exceed three times the total amount paid to Contractor under the Agreement.

9. Response to Legal Orders, Demands or Requests for Data.

- a. Except as otherwise expressly prohibited by law, Contractor will:
 - i. immediately notify the District of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking District Data;
 - ii. reasonably consult with the District regarding Contractor's response;
 - iii. cooperate with the District's reasonable requests in connection with efforts by the District to intervene and quash or modify the legal order, demand or request; and
 - iv. upon the District's request, provide the District with a copy of its response.
- b. If the District receives a subpoena, warrant, or other legal order, demand (including a request for information pursuant to the Texas Public Information Act), or other request seeking District Data maintained by Contractor, the District will promptly provide a copy of the request to Contractor. Contractor will promptly supply the District with copies of records or information required for the District to respond, and will cooperate with the District's reasonable requests in connection with the District's response.

10. Data Transfer Upon Termination or Expiration.

- a. Upon termination or expiration of this Agreement, Contractor will ensure that all District Data are securely returned or destroyed as directed by the District. Transfer to the District or a third Party designated by the District shall occur within a reasonable period of time, without significant interruption in service, and in the manner or format in which the data was provided. Contractor shall ensure that such transfer/migration uses facilities and methods that enable the District to access and use the District Data, are reasonably compatible with the relevant systems of the District or its transferee, and to the extent technologically feasible, that the District will have reasonable access to District Data during the transition. In the event that the District requests destruction of any District Data, Contractor agrees to Securely Destroy all District Data in its possession and in the possession of any subcontractors or agents to which the Contractor might have transferred District Data. The Contractor agrees to provide documentation of data destruction to the District.
- b. Contractor will promptly notify the District of impending cessation of its business and any contingency plans. This includes immediate transfer of any previously escrowed assets and data and providing the District access to Contractor's facilities as necessary to remove and destroy District-owned assets and data. Contractor shall implement its exit plan and take all necessary actions to ensure a smooth transition of service with minimal disruption to the District. Contractor will work closely with its successor to ensure a successful transition to the new equipment, with minimal downtime and effect on the District, all such work to be coordinated and performed in advance of the formal, final transition date.

11. Audits.

- a. If the Contractor must under this Agreement create, obtain, transmit, use, maintain, process, or dispose of the subset of District Data known as Personally Identifiable Information or financial or business data which has been identified to the Contractor as having the potential to affect the accuracy of the District's financial statements, Contractor will at its expense conduct or have conducted at least annually a/an:
 - i. American Institute of CPAs Service Organization Controls (SOC) Type II audit, or other industry standard security audit which attests the Contractor's security policies, procedures and controls;
 - ii. vulnerability scan of Contractor's electronic systems and facilities that are used in any way to deliver Services under this Agreement; and
 - iii. formal penetration test of Contractor's electronic systems and facilities that are used in any way to deliver Services under this Agreement.
- b. If the Contractor at least annually does not have conducted an audit as described in (11a) the District reserves the right to perform audits of Contractor at the District's expense to ensure compliance with the terms of this Agreement. The Contractor shall reasonably cooperate in the performance of such audits. This provision applies to all agreements under which the Contractor must create, obtain, transmit, use, maintain, process, or dispose of District Data.
- c. Upon request, the Contractor will provide the District appropriate documentation of the above audits (proof) and will promptly modify its security measures as needed in order to cure any material findings uncovered as part of any audit in order to meet its obligations under this Agreement.

12. Compliance.

- a. Contractor will comply with all applicable laws and industry standards in performing Services under this Agreement. Any Contractor personnel visiting the District's facilities will comply with all applicable District policies regarding access to, use of, and conduct within such facilities. The District will provide copies of such policies to Contractor upon request.
- b. Contractor warrants that any subcontractors used by Contractor to fulfill its obligations under this Agreement will be subject to and will comply with each and every term of this Data Protection Agreement in the same manner that Contractor itself is subject to the terms of this Data Protection Agreement.
- c. Contractor warrants that the service it will provide to the District is fully compliant with and will enable the District to be compliant with relevant requirements of all laws, regulation, and guidance applicable to the District and/or Contractor, including but not limited to: COPPA, FERPA, PPRA, IDEA, Americans with Disabilities Act (ADA), as amended, and Federal Export Administration Regulations.

13. No End User Agreements. This Agreement is the entire agreement between the District (including District employees and other End Users) and the Contractor regarding Contractor's access to, use of, and disclosure of District Data. In the event that the Contractor enters into terms of use agreements or other agreements or understandings, whether electronic, click-through, verbal or in writing, with District employees or other End Users, such agreements, to the extent the provisions conflict with this Agreement, shall be without effect, and the terms of this Agreement shall control.

14. Term and Termination.

- a. Term. This Agreement will become effective when the Contractor accepts the Agreement. It will continue in effect until all obligations of the Parties have been met, unless terminated as provided in this Section. In addition, certain provisions and requirements of this Agreement will survive its expiration or other termination in accordance with Section 16 herein.

- b. Termination by the District. The District may immediately terminate the Agreement if the District makes the determination that the Contractor has breached a material term of this Data Protection Agreement.
- c. Automatic Termination. This Agreement will automatically terminate without any further action of the Parties upon the termination or expiration of the Agreement between the Parties.

15. Survival. The Contractor's obligations under Section 10 shall survive termination of this Agreement until all District Data has been returned or Securely Destroyed.

16. Injunctive Relief. The Parties agree that Contractor's disclosure or use (or threat to disclose or use) any District Data in breach of this Agreement will cause immediate and irreparable harm to the District and the District shall be entitled to immediate injunctive relief against any actual or threatened violation, in addition to any of its other rights and remedies. In the event of any suit or action arising under this Agreement, Contractor consents to mandatory and exclusive jurisdiction of the courts in Fort Bend County, Texas.

SEE THE IMPACT

**UNIT CONTRACT
ACADEMIC AND BEHAVIOR SCHOOL - WEST
SUMMER SCHOOL PROGRAM FY24
(EXTENDED SCHOOL YEAR SERVICES-ESY)**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Lamar Consolidated Independent School District**, ("LCISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible students with disabilities of the **LCISD** and to state the terms, rights and duties of the contracting parties.

1. For the period beginning **June 5, 2024**, through **July 11, 2024**, **HCDE** agrees to provide services described herein for **six (6) units: Adaptive Behavior/Life Skills** to eligible student(s) with disabilities (referred to herein as "student(s)") who are residents of the **LCISD**.
2. **HCDE** agrees to provide specialized facilities and properly certified/licensed personnel necessary to appropriately educate and provide instructional and counseling services to the student(s) in accordance with applicable law. During the period of this agreement, if **HCDE** fails to provide the necessary specialized facilities and certified personnel, the **LCISD** may terminate services until such time as **HCDE** can provide the necessary specialized services contracted herein. **HCDE** will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
3. **HCDE** agrees to furnish the **LCISD** with a monthly statement of student attendance.
4. **HCDE** agrees to maintain necessary records and accounts in order to assure that funds received from the **LCISD** have been expended for the services described herein. **HCDE** agrees to provide these records and other information as may be required by the **LCISD**.
5. The students served under this Contract have been classified by the Admission, Review and Dismissal (ARD) Committee of the school of regular attendance within the **LCISD** and recommended for services as described herein. The ARD Committee of the **LCISD** has affirmed the classification and approved the recommendation of such contracted services.
6. **LCISD** will provide copies of all pertinent school records on the student(s) with parental or guardian permission. **LCISD** agrees to furnish **HCDE** a copy of any additional pertinent documents regarding the student(s) which may be obtained by the **LCISD** during the term of this Contract. **HCDE** will be available for participation with the **LCISD** ARD Committee in the development of the Individualized Education Plan (IEP). **HCDE** will update the **LCISD** on the implementation of the IEP at least once per semester. A member of the **LCISD** Special Education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
7. In consideration of the services provided herein, the **LCISD** agrees to pay **HCDE** **\$6,700** per unit for a total of **\$40,200**. Payment will be due upon receipt of invoice.

In the event that **LCISD** makes a payment to **HCDE** with a credit card, **LCISD** agrees to pay to **HCDE** a surcharge fee consisting of any applicable credit card fees and costs borne by **HCDE**, including, without limitation, the processing fee(s) charged to **HCDE** by the credit card company(ies).
8. The source of funding for this contract will be from _____ (federal, state or local) funds. The parents of the students shall not be charged for the services contracted under this Contract.
9. **HCDE** will follow IDEA and other applicable laws when considering dismissal and/or expulsion.
10. This Contract may be amended only by the mutual agreement of the parties, in a writing to be attached to and incorporated in this Contract.
11. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.

12. Neither this Contract nor any duties or obligations under it shall be assignable by either party without the prior written acknowledgment and authorization of the other party.
13. Any notice provided under the terms of this Contract by either party to the other shall be in writing and may be affected by certified mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

HCDE

Attention:

James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

LCISD

Attention:

Dr. Roosevelt Nivens, Superintendent of Schools
3911 Avenue I
Rosenberg, Texas 77471

Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party in accordance with the provisions of this Article.

14. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.
15. This Contract does not create a joint venture or business partnership under Texas law.
16. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
18. In the event that any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

**2023-2024 STUDENT CONTRACT
FOR
ACADEMIC AND BEHAVIOR SCHOOL-WEST**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“**HCDE**”) and **Navasota Independent School District**, (“**NISD**”) hereby enter into an Interlocal Contract (“**Contract**”) for the purpose of providing educational and related services for eligible students with disabilities of the **NISD** and to state the terms, rights and duties of the contracting parties.

1. For the period beginning **April 26, 2024**, and ending **June 3, 2024**, **HCDE** agrees to provide services described herein for **Student #1 [REDACTED]** as an eligible student(s) with disabilities (referred to herein as “**student**”) who is a resident of the **NISD**.
2. **HCDE** agrees to provide specialized facilities and properly certified/licensed personnel necessary to appropriately educate and provide instructional and counseling services to the student in accordance with applicable law. During the period of this agreement, if **HCDE** fails to provide the necessary specialized facilities and certified personnel, the **NISD** may terminate services until such time as **HCDE** can provide the necessary specialized services contracted herein. **HCDE** will not be held responsible for the services contracted herein to the extent necessary specialized facilities and properly certified personnel are unavailable, **HCDE** will notify **NISD** immediately.
3. **HCDE** agrees to furnish the **NISD** with a monthly statement of student attendance.
4. **HCDE** agrees to maintain necessary records and accounts in order to assure that funds received from the **NISD** have been expended for the services described herein. **HCDE** agrees to provide these records and other information as may be required by the **NISD**.
5. The students served under this Contract have been classified by the Admission, Review and Dismissal (ARD) Committee of the school of regular attendance within the **NISD** and recommended for services as described herein. The ARD Committee of the **NISD** has affirmed the classification and approved the recommendation of such contracted services.
6. **NISD** will provide copies of all pertinent school records on the student with parental or guardian permission. **NISD** agrees to furnish **HCDE** a copy of any additional pertinent documents regarding the student(s) which may be obtained by the **NISD** during the term of this Contract. **HCDE** will be available for participation with the **NISD** ARD Committee in the development of the Individualized Education Plan (IEP). **HCDE** will update the **NISD** on the implementation of the IEP at least once a semester. A member of the **NISD** special education personnel will monitor, assess and evaluate the student’s progress as established by the IEP, including at least one on-site visit annually.
7. In consideration of the services provided herein, the **NISD** agrees to pay **HCDE** the total of **Out of-County ED** fee of **\$6,450** to be paid in the following manner:

\$4,300 a month for no more than **one and one half (1 1/2)** months. Tuition and fees for the student’s month of enrollment will be prorated as follows:

James Colbert, Jr., Superintendent

6300 Irvington Boulevard ★ Houston, Texas 77022 ★ Tel: 713.694.6300 ★ www.hcde-texas.org

For students who enroll before the 15th of the month, the full monthly fee will be charged.
For students who enroll on or after the 15th of the month, half of the monthly tuition will be charged.
No proration will be given if a student withdraws before the end of the month.

If Applicable in consideration of Extended School Year Services (ESY) provided herein, **NISD** agrees to pay HCDE:

- \$6,700 out-of-county tuition rate times number of ESY students enrolled.
- 100% of ESY total amount due will be invoiced in **July 2024**.

In the event that **NISD** makes a payment to HCDE with a credit card, **NISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

NISD may sell unused units to another district upon obtaining HCDE's prior written consent.

8. The source of funding for this contract will be from **NISD** (federal, state or local) funds. The parents of the students shall not be charged for the services contracted under this Contract.
9. **HCDE** will follow IDEA (Individuals with Disabilities Education Act) and other applicable laws when considering dismissal and/or expulsion.
10. This Contract may be amended only by the mutual agreement of the parties, in a writing to be attached to and incorporated in this Contract.
11. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
12. Neither this Contract nor any duties or obligations under it shall be assignable by either party without the prior written acknowledgment and authorization of the other party.
13. Any notice provided under the terms of this Contract by either party to the other shall be in writing and may be effected by certified mail, return receipt requested. Notice shall be sufficient if made or addressed as follows:

HCDE

Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

NISD

Attention: Dr. Stu Musick Superintendent
705 E. Washington Avenue,
Navasota, Texas 77868

Each party may change the address at which notice may be sent to that party by giving notice of such change to the other party in accordance with the provisions of this Article.

14. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.

James Colbert, Jr., Superintendent

6300 Irvington Boulevard ★ Houston, Texas 77022 ★ Tel: 713.694.6300 ★ www.hcde-texas.org

15. This Contract does not create a joint venture or business partnership under Texas law.
16. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
17. In the event that any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

School-Based Therapy Services

Interlocal Contract Between Harris County Department of Education and

Brazosport ISD

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Contract (the "Contract") is made and entered into between Harris County Department of Education ("HCDE") and Brazosport ISD for the purpose of performing governmental functions and services and to state the terms, rights, and duties of the Contracting parties during the 2024-2025 school year (8/16/2024 – 8/15/2025).

Arrangement

HCDE agrees to provide the services as described below. Brazosport ISD agrees to pay for the services within thirty (30) days of receiving an invoice for the services.

Type(s) of Service(s)	Total Days/Hours	Cost Day/Hour	Total Cost
Occupational Therapy	180 Days	\$565/Day	\$101,700.00
Physical Therapy	36 Days	\$565/Day	\$20,340.00
Occupational Therapy Assistant	1 Day	\$465/Day	\$465.00
		Total	\$122,505.00

Additional Terms

1. This Contract may be terminated by either party without cause with thirty (30) days advance written notice. HCDE's obligations under this Contract are contingent on it acquiring and maintaining sufficient staffing through reasonable efforts to satisfy its obligations under this Contract and all similar obligations under its contracts with other districts. In the event of termination, Brazosport ISD will compensate HCDE for services provided up to the termination date.
2. This Contract constitutes the sole agreement of the parties relative to the purpose(s) of this Contract and supersedes any other oral or written understandings or agreements. This Contract may only be amended in writing with the consent of both parties. This Contract is not assignable.
3. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.
4. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
5. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
6. Neither this Contract, nor any term or provision hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereof.
7. This Contract does not create a joint venture or business partnership under Texas law.
8. The total amount of this Contract is an estimate based on data provided by both parties. Invoices will be sent by HCDE for services rendered during the term of this agreement.
9. In the event that the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
10. HCDE will make every attempt to provide the number of days as indicated, however, some alterations in the staffing within an individual discipline may be necessary. No changes to the staffing will be made without mutual written consent. In no case will the dollar amount of the contract be exceeded without a formal contract amendment.
11. In accordance with Senate Bill 9, HCDE submits fingerprints to the State Board for Educator Certification (SBEC) on all new employees, and pursues criminal history background checks annually on all HCDE employees.
12. Harris County Department of Education adheres to the Uniform Grant Guidance as codified in 2 CFR Part 200, otherwise known as Edgar Department General Administrative Regulations (EDGAR).

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) EAST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education (“HCDE”) and the **Danbury Independent School District**, (“DISD”) hereby enter into an Interlocal Contract (“Contract”) for the purpose of providing educational and related services for eligible student(s) with disabilities of the **DISD** and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 26, 2024, through June 5, 2025**. During said term, HCDE agrees to provide services described herein for **one (1) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities (“Student(s)”) who are residents of the **DISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS East in accordance with applicable law and during the days and times set forth by ABS East. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the **DISD** with a monthly statement of student(s) attendance. HCDE agrees to furnish **DISD** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **DISD**.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students’ parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **DISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **DISD**.
3. **DISD’s Responsibilities.**
 - a) **DISD** is responsible for providing transportation for the student(s) to and from ABS East. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **DISD** and HCDE.
 - b) **DISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)’s first day of attendance at ABS East. **DISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **DISD** during the term of this Contract. **DISD** shall provide copies of additional records, including **DISD** Records, as reasonably requested by HCDE.
 - c) **DISD** retains the responsibility to report **DISD** student(s)’s average daily attendance and other required information through the Public Education Information Management System (“PEIMS”).
4. **Student Records; Confidentiality.**

For purposes of this Contract, “Student Records” shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including “personally identifiable information” and student “education records” as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended (“FERPA”); “personal information” as that term is defined in the Children’s Online Privacy Protection Act of 1998 (“COPPA”); “personal information” as that term is defined in the Protection of Pupil Rights Amendment (“PPRA”); “personally identifiable information” as that term is defined in the Individuals with Disabilities Education Act, as amended (“IDEA”); “protected health information” as that term is defined in the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”); and “personal identifying information” and

“sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA’s limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **DISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **DISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **DISD**’s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **DISD** is under HCDE’s direct control with respect to **DISD**’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **DISD**’s direct control with respect to HCDE’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)’s school of regular attendance within **DISD** and recommended for services as described herein. The ARD Committee of **DISD** has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the **DISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **DISD** on the implementation of the IEP at least once per semester. A member of the **DISD** special education personnel will monitor, assess and evaluate the student(s)’s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS East.
- d) **DISD** agrees to invite an HCDE representative as a non-consensus member to any **DISD** ARD Committee meeting for **DISD** student(s) placed at ABS East pursuant to this Contract.
- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **DISD** and are considered students of **DISD** for all purposes. **ISD** remains the Local Education Agency (“LEA”), as that term is defined by the IDEA, and the “Recipient” as that term is defined by Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and solely retains the obligation to provide and to ensure that

any eligible **DISD** student is provided a free appropriate public education (“FAPE”) while receiving services from HCDE. **DISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **DISD** student placed at HCDE, **DISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **DISD** student and is in no way liable to the student, parent, or **DISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **DISD** agrees to pay HCDE a total amount of **\$28,875**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**\$28,875**).

HCDE will invoice **DISD** and payment will be due immediately upon receipt of invoice. **DISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **DISD** agrees to pay HCDE in the following manner:

- \$7,000 out of-county tuition rate times number of ESY students enrolled
- 100% of ESY total amount due will be invoiced in **July 2025**

- a) In the event that **DISD** makes a payment to HCDE with a credit card, **DISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- b) **DISD** may sell unused units to another district upon obtaining HCDE’s prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from **DISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **DISD Liaison.** **DISD** shall appoint a qualified liaison to communicate on behalf of **DISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)’s educational and disciplinary records; ABS East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **DISD** liaison shall make best efforts to assist ABS East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **DISD** employees and student(s)’s parents/guardians, as necessary.

11. **Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **DISD**’s. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **DISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS East at the time of termination or expiration of this Contract will return to **DISD**’s. All Student Records maintained by HCDE during the duration of providing services to the

student will be provided to **DISD** within ten (10) business days following the date of termination or expiration, at the written request of **DISD's**.

12. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **DISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.
13. **Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
14. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE

Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

DISD's

Attention: Michael Homann, Superintendent
5611 Panther Dr.
Danbury, Texas 77534

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

15. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
17. **Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
18. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **DISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **DISD** agrees that HCDE has no responsibility for any conduct of **DISD** or **DISD's** employees, agents, representatives, contractors, or subcontractors.

19. **Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.
20. **Force Majeure.** Neither HCDE nor **DISD** shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
24. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and **DISD**'s.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) EAST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Hull-Daisetta Independent School District**, ("**HDISD**") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the **HDISD** and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 26, 2024**, through **June 5, 2025**. During said term, HCDE agrees to provide services described herein for **one (1) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **HDISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS EAST in accordance with applicable law and during the days and times set forth by ABS EAST. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
 - b) HCDE agrees to furnish the **HDISD** with a monthly statement of student(s) attendance.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **HDISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **HDISD**.
3. **HDISD's Responsibilities.**
 - a) **HDISD** is responsible for providing transportation for the student(s) to and from ABS EAST. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **HDISD** and HCDE.
 - b) **HDISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS EAST. **HDISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **HDISD** during the term of this Contract. **HDISD** shall provide copies of additional records, including **HDISD** Records, as reasonably requested by HCDE.
 - c) **HDISD** retains the responsibility to report **HDISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **HDISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **HDISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **HDISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **HDISD** is under HCDE's direct control with respect to **HDISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **HDISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **HDISD** and recommended for services as described herein. The ARD Committee of **HDISD** has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the **HDISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **HDISD** on the implementation of the IEP at least once per semester. A member of the **HDISD** special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS EAST.
- d) **HDISD** agrees to invite an HCDE representative as a non-consensus member to any **HDISD** ARD Committee meeting for **HDISD** student(s) placed at ABS EAST pursuant to this Contract.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **HDISD** and are considered students of **HDISD** for all purposes. **ISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **HDISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **HDISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA,

Section 504, or other applicable law regarding an **Hull-Daisetta ISD** student placed at HCDE, **HDISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **HDISD** student and is in no way liable to the student, parent, or **HDISD** under the IDEA, Section 504, or other applicable law.

- 8. Invoices and Payment.** In consideration of the services provided herein, **HDISD** agrees to pay HCDE a total amount of **\$28,875**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**\$28,875**).

HCDE will invoice **HDISD** and payment will be due immediately upon receipt of invoice. **HDISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **HDISD** agrees to pay HCDE in the following manner:

- \$7,000 out of-county tuition rate times number of ESY students enrolled.
 - 100% of ESY total amount due will be invoiced in **July 2024**.
- a) In the event that **HDISD** makes a payment to HCDE with a credit card, **HDISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- b) **HDISD** may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from **HDISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

- 10. HDISD Liaison.** **HDISD** shall appoint a qualified liaison to communicate on behalf of **HDISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS EAST programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **HDISD** liaison shall make best efforts to assist ABS EAST representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **HDISD** employees and student(s)'s parents/guardians, as necessary.

11. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **HDISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **HDISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS EAST at the time of termination or expiration of this Contract will return to **HDISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **HDISD** within ten (10) business days following the date of termination or expiration, at the written request of **HDISD**.

- 12. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **HDISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this

Contract, with respect to placement at ABS EAST, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

- 13. Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
- 14. Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE

Attention:

James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

HDISD

Attention:

Tim Bartram, Superintendent
P.O. Box 477
Daisetta, Texas 77533

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

- 15. Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
- 16. Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
- 17. Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
- 18. Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **HDISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **HDISD** agrees that **HCDE** has no responsibility for any conduct of **HDISD** or **HDISD's** employees, agents, representatives, contractors, or subcontractors.
- 19. Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.

20. **Force Majeure.** Neither HCDE nor **HDISD** shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
24. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and **HDISD**.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) EAST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **La Porte Independent School District**, ("LPISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the LPISD and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 26, 2024**, through **June 5, 2025**. During said term, HCDE agrees to provide services described herein for **twelve (12) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the LPISD.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS East in accordance with applicable law and during the days and times set forth by ABS East. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the LPISD with a monthly statement of student(s) attendance. HCDE agrees to furnish LPISD with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by LPISD.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the LPISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the LPISD.
3. **LPISD's Responsibilities.**
 - a) LPISD is responsible for providing transportation for the student(s) to and from ABS East. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of LPISD and HCDE.
 - b) LPISD shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS East. LPISD agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by LPISD during the term of this Contract. LPISD shall provide copies of additional records, including LPISD Records, as reasonably requested by HCDE.
 - c) LPISD retains the responsibility to report LPISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" ~~648~~

“sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA’s limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **LPISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **LPISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **LPISD**’s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **LPISD** is under HCDE’s direct control with respect to **LPISD**’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **LPISD**’s direct control with respect to HCDE’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)’s school of regular attendance within **LPISD** and recommended for services as described herein. The ARD Committee of **LPISD** has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the **LPISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **LPISD** on the implementation of the IEP at least once per semester. A member of the **LPISD** special education personnel will monitor, assess and evaluate the student(s)’s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS East.
- d) **LPISD** agrees to invite an HCDE representative as a non-consensus member to any **LPISD** ARD Committee meeting for **LPISD** student(s) placed at ABS East pursuant to this Contract.
- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **LPISD** and are considered students of **LPISD** for all purposes. ISD remains the Local Education Agency (“LEA”), as that term is defined by the IDEA, and the “Recipient” as that term is defined by Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and solely retains the obligation to provide and to ensure that

any eligible **LPISD** student is provided a free appropriate public education (“FAPE”) while receiving services from HCDE. **LPISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **LPISD** student placed at HCDE, **LPISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **LPISD** student and is in no way liable to the student, parent, or **LPISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **LPISD** agrees to pay HCDE a total amount of **\$285,600**. Total amount is calculated by multiplying the number of units times the annual **in-county** tuition rate (**\$23,800**).

HCDE will invoice **LPISD** and payment will be due immediately upon receipt of invoice. **LPISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **LPISD** agrees to pay HCDE in the following manner:

- \$6,300 in-county tuition rate times number of ESY students enrolled
 - 100% of ESY total amount due will be invoiced in **July 2025**
- a) In the event that **LPISD** makes a payment to HCDE with a credit card, **LPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
 - b) **LPISD** may sell unused units to another district upon obtaining HCDE’s prior written consent.
 - c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
 - d) The source of funding for this contract will be from **LPISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **LPISD Liaison.** **LPISD** shall appoint a qualified liaison to communicate on behalf of **LPISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)’s educational and disciplinary records; ABS East programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **LPISD** liaison shall make best efforts to assist ABS East representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **LPISD** employees and student(s)’s parents/guardians, as necessary.

11. **Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **LPISD**’s. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **LPISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS East at the time of termination or expiration of this Contract will return to **LPISD**’s. All Student Records maintained by HCDE during the duration of providing services to the

student will be provided to **LPISD** within ten (10) business days following the date of termination or expiration, at the written request of **LPISD's**.

- 12. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **LPISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS East, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.
- 13. Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
- 14. Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE

Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

LPISD's

Attention: Dr. Walter Jackson, Superintendent
1002 San Jacinto St.
La Porte, Texas 77571

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

- 15. Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
- 16. Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
- 17. Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
- 18. Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **LPISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **LPISD** agrees that HCDE has no responsibility for any conduct of **LPISD** or **LPISD's** employees, agents, representatives, contractors, or subcontractors.

- 19. Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.
- 20. Force Majeure.** Neither HCDE nor **LPISD** shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
- 21. Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
- 22. Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
- 23. Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
- 24. Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and **LPISD's**.

Renewal - RFP #21-005

Special Education Nonpublic School Placement Services – Year 4 of 5

PRICING PROPOSAL

As a premier provider of specialized educational services in the region, Harris County Department of Education's (HCDE) Special Schools division is constantly evolving to meet the needs of our clients. HCDE has four schools that serve 50 school districts in 11 counties in and around Houston/Harris County – Academic and Behavior Schools (ABS) – East, ABS-West, Highpoint School East, and Fortis Academy.

ABS-East and West provide an educational environment for those students, age 5-22, identified as having severe behavioral/emotional difficulties, and/or developmental disabilities. Highpoint School East offers adjudicated or expelled youth, in grades 6-12, a safe and highly structured learning environment. Students attending Fortis Academy, grades 9-12, complete a substance abuse or dependency rehab program and continue their education in a sober environment. Another value HCDE provides through its Special Schools division is with equine programming. All HCDE campuses have access to equine therapy, which research shows builds students' self-esteem, confidence, and relationship skills through feeding, grooming, and caring for horses.

HCDE also continues to evaluate and improve the physical learning space at our campuses to ensure we can adapt to student needs. Over the past few years, HCDE and the Special Schools division celebrated the opening of two newly renovated schools (ABS-West and Highpoint School East). The new ABS-West campus is 40,000 square feet with several unique features designed specifically for students with special needs including an inclusive playground and a state-of-the-art sensory room. Highpoint School East also opened a new 13,750 square feet building.

If selected, ABS-East would best serve the students in the La Porte ISD area. Opened in 1981, ABS-East is located at 7703 South Loop East, Houston, Texas 77012 and serves Harris County and surrounding area school districts. HCDE completed constructed in 2023 of a new 43,000 square foot building for ABS-East that has rounded corners, a soothing color palette, a sensory room, a domestic learning lab with a commercial kitchen, laundry facilities, and an inclusive and sensory-rich playground featuring a zipline and special structures that will allow non-ambulatory students to participate in outdoor play. In December 2023, HCDE hired Mercedes Love as the new principal of ABS-East. Love holds a B. A. in elementary education and teaching from the Southern University at New Orleans and a M. Ed. in educational administration from Prairie View A&M University.

ABS-East provides an enriching and supporting learning environment for students aged 5-22 with severe intellectual and learning disabilities, developmental and behavioral disorders, autism spectrum disorder and other significant behavioral and health impairments that may impede their academic and social development. Serving over 100 students each year, the campus has certified and highly qualified staff, such as: 1) a principal and two assistant principals; 2) two transition

specialists; 3) one full-time nurse; 4) one clerk, one secretary and 5) 17 certified teachers and 19 educational aides. The educators have a clear understanding of student Individual Educational Plans and using student behavior intervention plans to address targeted behaviors. The behavior specialist provides coaching to teachers at ABS-East on ways to address behavior more effectively. With ongoing training in mental health and Applied Behavior Analysis, ABS-East teachers and principals are equipped to meet students' needs.

ABS-East school environment features: 1) small class sizes (1:9 teacher to students' ratio); 2) individualized and/or small group instruction determined by admission, review, and dismissal (ARD) committee; 3) state-aligned curriculum with age-appropriate instruction and classes; 4) life skills and behavioral management and 5) measured academic and behavioral growth. With these low student-to-teacher ratios, ABS-East gives students the skills needed to live independently and contribute to society.

ABS-East offers a variety of programs that fit their student's needs. The Boys Town Behavior Management and Social Skills Programs supports changes with: 1) researched-based behavior management system that is intent on building positive relationships; 2) teaching replacement behaviors to bridge social skill gaps and deficits; and 3) collaboration and inclusive practices that merge the community, parents, and stakeholders for accomplishing the vision and mission of our ABs campuses. This is accomplished through: 1) data collection of four major categories: Adult Relations, Peer Relations, Classroom Behaviors, and School Rules; 2) individualized system to meet each student's needs; 4) targeting behaviors using the strategies of researched-based corrective teaching; 5) deescalating strategies infused with the behavior curriculum and 6) motivational token economy: students earn points by displaying appropriate behaviors.

Administrators, teachers, and support staff also use Insights to Behavior, a web-based solution, to create and implement effective behavior interventions. Insights to Behavior provides a 16-question observational assessment that allows the team to collaborate and gain quick results. It goes beyond chronicling behaviors to determine the underlying causes of the action and implementing research-based strategies to solve the issue. ABS-East staff are also trained in Crisis Prevention Institute's Nonviolent Crisis Intervention® that equip them with skills, confidence, and an effective framework to safely manage and prevent difficult behavior.

HCDE continues to provide high quality educational services for students in the classroom and within a virtual setting, if needed. All HCDE campuses have implemented rigorous safety protocols, general health, and hygiene practices in response to post-COVID-19 to keep students and staff safe while in our buildings.

Pricing

The annual cost for services at ABS-East is \$23,800 and the monthly cost is \$3,700. The seat can service more than one student throughout a school year.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) EAST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Liberty Independent School District, ("LISD ")** hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the **LISD** and to state the terms, rights and duties of the contracting parties.

1. Term. This Contract is for the term of **August 26, 2024, through June 5, 2025**. During said term, HCDE agrees to provide services described herein for **four (4) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **LISD** .

2. HCDE Responsibilities.

- a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS EAST in accordance with applicable law and during the days and times set forth by ABS EAST. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
- b) HCDE agrees to furnish the **LISD** with a monthly statement of student(s) attendance.
- c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
- d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **LISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **LISD** .

3. LISD's Responsibilities.

- a) **LISD** is responsible for providing transportation for the student(s) to and from ABS EAST. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **LISD** and HCDE.
- b) **LISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS EAST. **LISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **LISD** during the term of this Contract. **LISD** shall provide copies of additional records, including **LISD** Records, as reasonably requested by HCDE.
- c) **LISD** retains the responsibility to report **LISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").

4. Student Records; Confidentiality.

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and "sensitive personal information" as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **LISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **LISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **LISD**'s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **LISD** is under HCDE's direct control with respect to **LISD**'s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **LISD**'s direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)'s school of regular attendance within **LISD** and recommended for services as described herein. The ARD Committee of **LISD** has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the **LISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **LISD** on the implementation of the IEP at least once per semester. A member of the **LISD** special education personnel will monitor, assess and evaluate the student(s)'s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS EAST.
- d) **LISD** agrees to invite an HCDE representative as a non-consensus member to any **LISD** ARD Committee meeting for **LISD** student(s) placed at ABS EAST pursuant to this Contract.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **LISD** and are considered students of **LISD** for all purposes. **ISD** remains the Local Education Agency ("LEA"), as that term is defined by the IDEA, and the "Recipient" as that term is defined by Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and solely retains the obligation to provide and to ensure that any eligible **LISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **LISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **Liberty ISD** student placed at HCDE, **LISD** recognizes

and acknowledges that HCDE is not the LEA or Recipient for the **LISD** student and is in no way liable to the student, parent, or **LISD** under the IDEA, Section 504, or other applicable law.

- 8. Invoices and Payment.** In consideration of the services provided herein, **LISD** agrees to pay HCDE a total amount of **\$115,500**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**\$28,875**).

HCDE will invoice **LISD** and payment will be due immediately upon receipt of invoice. **LISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **LISD** agrees to pay HCDE in the following manner:

- \$7,000 out of-county tuition rate times number of ESY students enrolled.
 - 100% of ESY total amount due will be invoiced in **July 2025**.
- a) In the event that **LISD** makes a payment to HCDE with a credit card, **LISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
 - b) **LISD** may sell unused units to another district upon obtaining HCDE's prior written consent.
 - c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
 - d) The source of funding for this contract will be from **LISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

- 10. LISD Liaison.** **LISD** shall appoint a qualified liaison to communicate on behalf of **LISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS EAST programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **LISD** liaison shall make best efforts to assist ABS EAST representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **LISD** employees and student(s)'s parents/guardians, as necessary.

11. Termination.

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **LISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **LISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS EAST at the time of termination or expiration of this Contract will return to **LISD**. All Student Records maintained by HCDE during the duration of providing services to the student will be provided to **LISD** within ten (10) business days following the date of termination or expiration, at the written request of **LISD**.

- 12. Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **LISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS EAST, services to be provided, conditions and privileges of

employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

13. **Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
14. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE

Attention:

James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

LISD

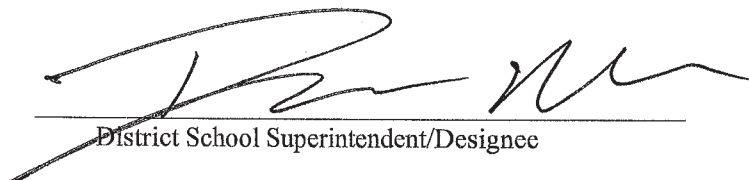

Attention:

Dusty McGee, Superintendent
1600 Grand Ave
Liberty, Texas 77575

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

15. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
17. **Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
18. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **LISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **LISD** agrees that **HCDE** has no responsibility for any conduct of **LISD** or **LISD's** employees, agents, representatives, contractors, or subcontractors.
19. **Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.

- 20. Force Majeure.** Neither HCDE nor LISD shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
- 21. Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
- 22. Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
- 23. Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
- 24. Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and LISD.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) WEST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the Katy Independent School District, ("KISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the KISD and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 25, 2024, through June 5, 2025**. During said term, HCDE agrees to provide services described herein for **six (6) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the KISD.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS West in accordance with applicable law and during the days and times set forth by ABS West. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the KISD with a monthly statement of student(s) attendance. HCDE agrees to furnish KISD with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by KISD.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the KISD have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the KISD.
3. **KISD's Responsibilities.**
 - a) KISD is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of KISD and HCDE.
 - b) KISD shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS West. KISD agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by KISD during the term of this Contract. KISD shall provide copies of additional records, including KISD Records, as reasonably requested by HCDE.
 - c) KISD retains the responsibility to report KISD student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

“sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA’s limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and KISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which KISD would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in KISD’s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) KISD is under HCDE’s direct control with respect to KISD’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under KISD’s direct control with respect to HCDE’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

- a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)’s school of regular attendance within KISD and recommended for services as described herein. The ARD Committee of KISD has affirmed the classification and approved the recommendation of such contracted services.
- b) HCDE will be available for participation with the KISD ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the KISD on the implementation of the IEP at least once per semester. A member of the KISD special education personnel will monitor, assess and evaluate the student(s)’s progress as established by the IEP, including at least one on-site visit annually.
- c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS West.
- d) KISD agrees to invite an HCDE representative as a non-consensus member to any KISD ARD Committee meeting for KISD student(s) placed at ABS West pursuant to this Contract.
- e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in KISD and are considered students of KISD for all purposes. ISD remains the Local Education Agency (“LEA”), as that term is defined by the IDEA, and the “Recipient” as that term is defined by Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and solely retains the obligation to provide and to ensure that

any eligible **KISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **KISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **KISD** student placed at HCDE, **KISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **KISD** student and is in no way liable to the student, parent, or **KISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **KISD** agrees to pay HCDE a total amount of **\$142,800** Total amount is calculated by multiplying the number of units times the annual in-county tuition rate (**\$23,800**).

HCDE will invoice **KISD** and payment will be due immediately upon receipt of invoice. **KISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **KISD** agrees to pay HCDE in the following manner:

- \$6,000 in-county tuition rate times number of ESY students enrolled.
 - 100% of ESY total amount due will be invoiced in **July 2025**.
- a) In the event that **KISD** makes a payment to HCDE with a credit card, **KISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- b) **KISD** may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from **KISD**_____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **KISD Liaison.** **KISD** shall appoint a qualified liaison to communicate on behalf of **KISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS West programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **KISD** liaison shall make best efforts to assist ABS West representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **KISD** employees and student(s)'s parents/guardians, as necessary.

11. **Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **KISD** . If HCDE exercises such termination right, HCDE shall have no obligation to refund to **KISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS West at the time of termination or expiration of this Contract will return to **KISD** . All Student Records maintained by HCDE during the duration of providing services to the

student will be provided to KISD within ten (10) business days following the date of termination or expiration, at the written request of KISD .

12. **Equal Opportunity.** It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. KISD agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS West, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.
13. **Assignment.** Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.
14. **Notice.** Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE
Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

KISD
Attention: Dr. Kenneth Gregorski, Superintendent
6301 S. Stadium Lane
Katy, Texas 77494

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

15. **Third Party Beneficiaries.** Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.
16. **Choice of Law and Venue.** This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.
17. **Amendments and Waivers.** Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.
18. **Separate Entities.** There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. KISD assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. KISD agrees that HCDE has no responsibility for any conduct of KISD or KISD's employees, agents, representatives, contractors, or subcontractors.

19. **Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.
20. **Force Majeure.** Neither HCDE nor KISD shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
24. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement be expressed in writing, signed and acknowledged by HCDE and KISD.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
ACADEMIC BEHAVIOR SCHOOL (ABS) WEST**

2024-2025 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and the **Bellville Independent School District**, ("BISD") hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services for eligible student(s) with disabilities of the **BISD** and to state the terms, rights and duties of the contracting parties.

1. **Term.** This Contract is for the term of **August 26, 2024**, through **June 5, 2025**. During said term, HCDE agrees to provide services described herein for **two (2) total: Adaptive Behavior Program/LIFE Skills Program** unit(s) to eligible student(s) with disabilities ("Student(s)") who are residents of the **BISD**.
2. **HCDE Responsibilities.**
 - a) HCDE agrees to provide specialized facilities and certified/licensed personnel necessary to provide educational, instructional, and counseling services to the student(s) placed at ABS West in accordance with applicable law and during the days and times set forth by ABS West. HCDE may perform the services contracted for herein by using its own employees or independent contractors. HCDE will use its best efforts to provide the necessary specialized facilities and properly certified/licensed personnel in accordance with applicable law.
 - b) HCDE agrees to furnish the **BISD** with a monthly statement of student(s) attendance. HCDE agrees to furnish **BISD** with documentation of restraints within two (2) HCDE school days. HCDE will provide documentation of restraint procedures upon request by **BISD**.
 - c) HCDE may provide transportation for the student(s) to and from field trips, vocational training, and similar activities, if written permission allowing HCDE to transport students is provided by the students' parents/guardians.
 - d) HCDE agrees to maintain necessary records and accounts in order to assure that funds received from the **BISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by the **BISD**.
3. **BISD's Responsibilities.**
 - a) **BISD** is responsible for providing transportation for the student(s) to and from ABS West. Location of pick-up and drop-off points and time of service will be mutually determined by representatives of **BISD** and HCDE.
 - b) **BISD** shall provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) no later than five (5) HCDE business days prior to student(s)'s first day of attendance at ABS West. **BISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be requested from or obtained by **BISD** during the term of this Contract. **BISD** shall provide copies of additional records, including **BISD** Records, as reasonably requested by HCDE.
 - c) **BISD** retains the responsibility to report **BISD** student(s)'s average daily attendance and other required information through the Public Education Information Management System ("PEIMS").
4. **Student Records; Confidentiality.**

For purposes of this Contract, "Student Records" shall be defined as student information including personal identifiers such as name, address, phone number, date of birth, Social Security number, and student identification number, and any student information protected by law, including "personally identifiable information" and student "education records" as those terms are defined by the Family Educational Rights and Privacy Act, 20 USC 1232g, as amended ("FERPA"); "personal information" as that term is defined in the Children's Online Privacy Protection Act of 1998 ("COPPA"); "personal identifiable information" as that term is defined in the Protection of Pupil Rights Amendment ("PPRA"); "personally identifiable information" as that term is defined in the Individuals with Disabilities Education Act, as amended ("IDEA"); "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); and "personal identifying information" and

“sensitive personal information” as defined under the Texas Identity Theft Enforcement and Protection Act (Chapter 521, Texas Business and Commerce Code).

Notwithstanding any contrary provision of this Contract, both Parties and their employees, agents, and subcontractors may access and use Student Records only as permitted by law for the purpose(s) for which the disclosure was made. Both Parties agree to abide by FERPA’s limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and **BISD** expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which **BISD** would otherwise use its own employees; (2) both Parties have been determined to meet the criteria set forth in **BISD**’s annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) **BISD** is under HCDE’s direct control with respect to **BISD**’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under **BISD**’s direct control with respect to HCDE’s access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; and (5) both Parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each Party has specific authorization from the other Party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA and the Texas Identity Theft Enforcement and Protection Act.

5. Immunity.

Nothing in this Contract shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of either Party or their respective trustees, officers, employees, and agents as a result of the execution of this Contract or performance of the functions or obligations described herein.

6. Collaboration. Both Parties agree to collaborate, as necessary, to administer the services described in this Contract and to act in the best interest of the student(s). Both Parties shall use collaborative problem-solving techniques and best efforts to resolve issues between the Parties as they may arise.

7. Special Education Services.

a) Special education student(s) served under this Contract have been placed by the Admission, Review and Dismissal (ARD) Committee of the student(s)’s school of regular attendance within **BISD** and recommended for services as described herein. The ARD Committee of **BISD** has affirmed the classification and approved the recommendation of such contracted services.

b) HCDE will be available for participation with the **BISD** ARD Committee in the development of the Individualized Education Plan (IEP). HCDE will update the **BISD** on the implementation of the IEP at least once per semester. A member of the **BISD** special education personnel will monitor, assess and evaluate the student(s)’s progress as established by the IEP, including at least one on-site visit annually.

c) HCDE will follow the IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from ABS West.

d) **BISD** agrees to invite an HCDE representative as a non-consensus member to any **BISD** ARD Committee meeting for **BISD** student(s) placed at ABS West pursuant to this Contract.

e) HCDE will not use prohibited aversive techniques, as that term is defined by Texas Education Code § 37.0023.

8. Local Education Agency.

Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in **BISD** and are considered students of **BISD** for all purposes. **ISD** remains the Local Education Agency (“LEA”), as that term is defined by the IDEA, and the “Recipient” as that term is defined by Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and solely retains the obligation to provide and to ensure that

any eligible **BISD** student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. **BISD** retains all responsibilities required of the LEA pursuant to the IDEA, and required of the Recipient pursuant to Section 504, including, but not limited to, requirements regarding identification, evaluation, educational placement, the provision of FAPE, and procedural safeguards. For any dispute, including a special education complaint or due process hearing, arising under the IDEA, Section 504, or other applicable law regarding an **BISD** student placed at HCDE, **BISD** recognizes and acknowledges that HCDE is not the LEA or Recipient for the **BISD** student and is in no way liable to the student, parent, or **BISD** under the IDEA, Section 504, or other applicable law.

9. **Invoices and Payment.** In consideration of the services provided herein, **BISD** agrees to pay HCDE a total amount of **\$57,750**. Total amount is calculated by multiplying the number of units times the annual **out of-county** tuition rate (**\$28,875**).

HCDE will invoice **BISD** and payment will be due immediately upon receipt of invoice. **BISD** agrees to pay HCDE in the following manner:

- 50% of annual total amount due will be invoiced in **September 2024**
- 50% of annual total amount due will be invoiced in **January 2025**

If applicable, in consideration of Extended School Year Services (ESY) provided, **BISD** agrees to pay HCDE in the following manner:

- **\$7000 out of-county** tuition rate times number of ESY students enrolled
- 100% of ESY total amount due will be invoiced in **July 2025**

- a) In the event that **BISD** makes a payment to HCDE with a credit card, **BISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
- b) **BISD** may sell unused units to another district upon obtaining HCDE's prior written consent.
- c) Each Party paying for the performance of governmental functions and/or invoices must make those payments from current revenues available to the paying Party.
- d) The source of funding for this contract will be from **BISD** _____ (federal, state or local) funds. The parents of the student(s) shall not be charged for the services contracted under this Contract.

10. **BISD Liaison.** **BISD** shall appoint a qualified liaison to communicate on behalf of **BISD** with HCDE representatives. The liaison shall be knowledgeable in no less than the student(s)'s educational and disciplinary records; ABS West programs, policies, and procedures; and special education law, policies, and procedure, if appropriate. The **BISD** liaison shall make best efforts to assist ABS West representatives in providing services to students, including, but not limited to, acquiring information regarding the student(s), assessing best placement, and communicating with **BISD** employees and student(s)'s parents/guardians, as necessary.

11. **Termination.**

- a) HCDE shall have the right to terminate this Contract for convenience, effective at the end of the Term, or with at least thirty (30) calendar days prior written notice to **BISD**. If HCDE exercises such termination right, HCDE shall have no obligation to refund to **BISD** the amount of any pre-paid fees for any period following the effective date of such termination.
- b) Both Parties may terminate this Contract with or without cause by mutual written agreement.
- c) Upon the effective date of termination or expiration of this Contract, except as otherwise explicitly stated herein, the Parties shall have no obligations to the other Party under this Contract. Student(s) in attendance at ABS West at the time of termination or expiration of this Contract will return to **BISD**. All Student Records maintained by HCDE during the duration of providing services to the student

will be provided to **BISD** within ten (10) business days following the date of termination or expiration, at the written request of **BISD**.

12. Equal Opportunity. It is the policy of HCDE not to discriminate on the basis of race, color, national origin, gender, limited English proficiency or handicapping conditions in its programs. **BISD** agrees not to discriminate against any employee, student(s), or other person or party in the performance of this Contract, with respect to placement at ABS West, services to be provided, conditions and privileges of employment, or a matter directly or indirectly related to age (except where based on a bona fide occupational qualification), sex (except where based on a bona fide occupational qualification), race, color, religion, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of this Contract.

13. Assignment. Neither this Contract nor any duties or obligations under it shall be assignable by either Party without the prior written acknowledgment and authorization of the other Party.

14. Notice. Any notice provided under the terms of this Contract by either Party to the other shall be in writing and shall be deemed sufficient forty-eight (48) hours after being deposited in the regular mail as certified mail, return receipt requested, if such notice is addressed to the party to be notified at such Party's address as set forth below:

HCDE
Attention: James Colbert, Jr., County School Superintendent
6300 Irvington Boulevard
Houston, Texas 77022-5618

BISD
Attention: Dr. Nicole Poenitzsch, Superintendent
518 South Mathews
Bellville, Texas 77418

Each Party may change the address at which notice may be sent to that Party by giving notice of such change to the other Party in accordance with the provisions of this Article.

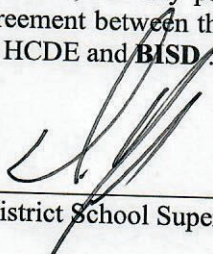

15. Third Party Beneficiaries. Nothing in this Contract shall be deemed or construed to create any third-party beneficiaries or otherwise give any third party any claim or right of action against any party to this Contract.

16. Choice of Law and Venue. This Contract shall be construed under the laws of the State of Texas, and mandatory and exclusive venue for any action arising out of this Contract shall be in Harris County, Texas.

17. Amendments and Waivers. Any term of this Contract may be amended or waived only with the written consent of the Parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Article shall be binding upon the Parties and their respective successors and assigns.

18. Separate Entities. There is no relationship of agency, partnership, joint venture, employment, or franchise between the Parties. Neither Party has the authority to bind the other or to incur any obligation on its behalf. **BISD** assumes full responsibility for the actions of its personnel while performing any services incident to this Contract, including, but not limited to, transportation and special education services, and shall remain solely responsible for their supervision, direction and control, payment of salary, workers' compensation, disability benefits, and like requirements and obligations. **BISD** agrees that HCDE has no responsibility for any conduct of **BISD** or **BISD's** employees, agents, representatives, contractors, or subcontractors.

19. **Authority.** Each Party acknowledges, represents, and warrants that it has the power and authority to enter into this Contract and to perform its obligations hereunder, without the need for any consents or approvals not yet obtained, except to the extent that this Contract requires approval of either Party's Board of Trustees.
20. **Force Majeure.** Neither HCDE nor **BISD** shall be deemed to have breached any provision of this Contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond such party's control.
21. **Severability.** In the event that any one or more of the terms or provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it. The failure of a Party to enforce any provision of this Contract or to require performance by other party will not be deemed a waiver, or in any way affect the right of either party to enforce such provision thereafter.
22. **Contract Interpretation.** The Parties agree that the normal rules of construction that require that any ambiguities in this Contract are to be construed against the drafter shall not be employed in the interpretation of this Contract.
23. **Captions.** The captions herein are for convenience and identification purposes only, and not an integral part hereof, and are not to be considered in the interpretation of any part hereof.
24. **Entire Agreement.** This Contract contains and embraces the entire agreement between the parties, and neither it, nor any part of it may be changed, altered, modified, limited or extended, orally or by any agreement between the parties, unless such agreement by expressed in writing, signed and acknowledged by HCDE and **BISD**.

School-Based Therapy Services

Interlocal Contract Between Harris County Department of Education and

Barbers Hill ISD

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Contract (the "Contract") is made and entered into between Harris County Department of Education ("HCDE") and Barbers Hill ISD for the purpose of performing governmental functions and services and to state the terms, rights, and duties of the Contracting parties during the 2024-2025 school year (8/16/2024 – 8/15/2025).

Arrangement

HCDE agrees to provide the services as described below. Barbers Hill ISD agrees to pay for the services within thirty (30) days of receiving an invoice for the services.

<u>Type(s) of Service(s)</u>	<u>Total Days/Hours</u>	<u>Cost Day/Hour</u>	<u>Total Cost</u>
<u>Music Therapy</u>	<u>19 Days</u>	<u>\$565.00/ Day</u>	<u>\$10,735.00</u>
<u> </u>	<u> </u>	<u> </u>	<u> </u>
<u> </u>	<u> </u>	<u> </u>	<u> </u>
<u> </u>	<u> </u>	<u> </u>	<u> </u>
<u> </u>	<u> </u>	<u> </u>	<u>\$10,735.00</u>

Additional Terms

1. This Contract may be terminated by either party without cause with thirty (30) days advance written notice. HCDE's obligations under this Contract are contingent on it acquiring and maintaining sufficient staffing through reasonable efforts to satisfy its obligations under this Contract and all similar obligations under its contracts with other districts. In the event of termination, Barbers Hill ISD will compensate HCDE for services provided up to the termination date.
2. This Contract constitutes the sole agreement of the parties relative to the purpose(s) of this Contract and supersedes any other oral or written understandings or agreements. This Contract may only be amended in writing with the consent of both parties. This Contract is not assignable.
3. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.
4. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
5. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
6. Neither this Contract, nor any term or provision hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereof.
7. This Contract does not create a joint venture or business partnership under Texas law.
8. The total amount of this Contract is an estimate based on data provided by both parties. Invoices will be sent by HCDE for services rendered during the term of this agreement.
9. In the event that the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
10. HCDE will make every attempt to provide the number of days as indicated, however, some alterations in the staffing within an individual discipline may be necessary. No changes to the staffing will be made without mutual written consent. In no case will the dollar amount of the contract be exceeded without a formal contract amendment.
11. In accordance with Senate Bill 9, HCDE submits fingerprints to the State Board for Educator Certification (SBEC) on all new employees, and pursues criminal history background checks annually on all HCDE employees.
12. Harris County Department of Education adheres to the Uniform Grant Guidance as codified in 2 CFR Part 200, otherwise known as Edgar Department General Administrative Regulations (EDGAR).

School-Based Therapy Services

Interlocal Contract Between Harris County Department of Education and

KIPP Texas, Inc.

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Contract (the "Contract") is made and entered into between Harris County Department of Education ("HCDE") and KIPP Texas, Inc. ("District") for the purpose of performing governmental functions and services and to state the terms, rights, and duties of the Contracting parties during the 2024-2025 school year (8/16/2024 – 8/15/2025).

Arrangement

HCDE agrees to provide the services as described below. KIPP Texas, Inc. agrees to pay for the services within thirty (30) days of receiving an invoice for the services.

<u>Type(s) of Service(s)</u>	<u>Total Days/Hours</u>	<u>Cost Day/Hour</u>	<u>Total Cost</u>
Occupational Therapy	74 Days	\$515/Day	\$38,110.00
Occupational Therapy Assistant	1 Day	\$415/Day	\$415.00
Physical Therapy	15 Days	\$515/Day	\$7,725.00
Music Therapy	10 Days	\$515/Day	\$5,150.00
		Total	\$51,400.00

Additional Terms

1. This Contract may be terminated by either party without cause with thirty (30) days advance written notice. HCDE's obligations under this Contract are contingent on it acquiring and maintaining sufficient staffing through reasonable efforts to satisfy its obligations under this Contract and all similar obligations under its contracts with other districts. In the event of termination, KIPP Texas, Inc. will compensate HCDE for services provided up to the termination date.
2. This Contract constitutes the sole agreement of the parties relative to the purpose(s) of this Contract and supersedes any other oral or written understandings or agreements. This Contract may only be amended in writing with the consent of both parties. This Contract is not assignable.
3. This Contract shall be construed under the laws of the State of Texas and mandatory and exclusive venue in any action arising out of this Contract shall be in Harris County, Texas.
4. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
5. Each party acknowledges that this Contract has been authorized by the governing body of each party to the Contract.
6. Neither this Contract, nor any term or provision hereof, nor any inclusion by reference shall be construed as being for the benefit of any party not in signatory hereof.
7. This Contract does not create a joint venture or business partnership under Texas law.
8. The total amount of this Contract is an estimate based on data provided by both parties. Invoices will be sent by HCDE for services rendered during the term of this agreement.
9. In the event that the District makes a payment to HCDE with a credit card, the District agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
10. HCDE will make every attempt to provide the number of days as indicated, however, some alterations in the staffing within an individual discipline may be necessary. No changes to the staffing will be made without mutual written consent. In no case will the dollar amount of the contract be exceeded without a formal contract amendment.
11. In accordance with Senate Bill 9, HCDE submits fingerprints to the State Board for Educator Certification (SBEC) on all new employees, and pursues criminal history background checks annually on all HCDE employees.

Regular Board Meeting**6. E. 1.****Meeting Date:** June 19, 2024**Title:** Contract Award for job no. 24/023TC for Maintenance, Repair & Operations (MRO) Parts, Equipment and Related Services**Submitted For:** Jeff Drury, Choice Partners**Submitted By:** Mary Causey**Recommended Action:** Approve**HCDE Goal(s):** 4. Provide cost savings by leveraging tax dollars**Additional Resource Personnel:** Jane Lopez; Jeff Drury; Dr. Michelle Williams; Yaritza Roman; Dr. Edna Johnson; and Dr. Jesus Amezcua**Facilities/Technology Approval Needed?:** None

Information**Posted Agenda Item:**

Approval of the Contract Award for job no. 24/023TC for Maintenance, Repair & Operations (MRO) Parts, Equipment, and Related Services for the period of 06/19/2024 through 04/16/2025 with the following vendors: Charles F. Pena dba Kleen Supply Company (24/023TC-05); Design Security Controls, LLC (24/023TC-08); Highlights of Houston, Inc., dba Highlights Electrical Mechanical (24/023TC-14); Playground Solutions of Texas, Inc. (24/023C-25), and RAE Security, Inc. (24/023TC-26).

Subject:

Choice Partners Cooperative: Contract Award; Maintenance, Repair & Operations (MRO) Parts, Equipment, and Related Services; Revenue Generating

Rationale:

The process enacted was a Request for Proposal (RFP) to acquire proposals from vendors to provide Maintenance, Repair & Operations (MRO) Parts, Equipment, and Related Services to HCDE/Choice Partners members.

Four thousand seven hundred and nineteen (4,719) invitations were extended for proposals. Forty-nine (49) responses were received from vendors. Each response was reviewed for compliance with the RFP no. 24/023TC. Eighteen (18) vendors were non-responsive and four (4) vendors were not recommended for award. Eighteen (18) vendors were previously awarded on April 17, 2024, and four (4) vendors were previously awarded on May 15, 2024. Five (5) vendors offering the best value to HCDE/Choice Partners and its members have been selected to be awarded.

HCDE/Choice Partners recommends awarding a contract from 06/19/2024 through 04/16/2025 to the vendors stated above in the Posted Agenda Item. Contract no. 24/023TC has the option for up to four (4) annual renewals. Anticipated revenue from contract no. 24/023TC will be an administrative fee of two percent (2%) on all sales under this contract. This contract is governed by Texas Education Code 44.031.

Fiscal Impact**Included in FY budget Y/N:** Y**Included in current budget amendment Y/N:** N
