Estimated revenues are \$4,564

ABS East received a grant from the Whole Kids Foundation and from the Scotts Miracle-Gro Foundation to support the ABS East garden program amounting to \$2,500. ABS East additionally received a grant from the Oliver Foundation to serve as a central point for individual and collective learning about the source of food and natural elements that form the basis of healthy eating amounting to \$3,000. FY 19 included a placeholder estimate of \$0.00 therefore an adjustment of \$4,564 is needed to reflect the actual budget. The donations were received in FY17 and FY18 and will be used for FY19.

Total appropriations are \$4,564

HCDE shall appropriate \$4,564, and it will have no effect on HCDE fund balance.

## **Investment Report Narrative**

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

### **Moving Forward**

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

**Compliance Statement**

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE is in compliance with the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

**Summary Schedule of Weighted Average Maturity (A) –

( #1 ) INVESTMENT TYPE	( #2 ) BOOK VALUE	( #3 ) DAYS TO MATURITY	( #4 ) BOOK VALUE * DAYS (#2) * (#3)	WEIGHTED AVERAGE MATURITY (B)
First Public/Lone Star Inv Pool	\$ 2,582,051	1	\$ 2,582,051	2.04
TexPool Inv Pool	1,446,432	1	1,446,432	0.86

<b>Totals</b>	<b>\$ 35,402,339</b>		<b>\$ 35,402,339</b>	<b>8.10</b>

- (A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of \$35,402,339 Divided by (#2) Book Value = 1 Days to Maturity  
(B) The WAM of 8.10 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

## Monthly Investment Report

### Glossary of Investment Terms

<b>Accretion</b>	The daily book value earned daily (on a straight-line basis) on securities purchased at a discount. At maturity, a discount security will be worth the face value. The types of securities involved are usually treasury bills, discount notes, commercial paper, and bankers' acceptances.
<b>Amortization</b>	The daily book value earned daily (on a straight-line basis) on securities purchased at a premium. To correctly account for premium amortization, it must be subtracted from the coupon interest either monthly or at maturity.
<b>Bank of Texas Funds</b>	Bank of Texas are unsecured money market accounts where the Public Facilities Corporation funds are kept unless otherwise invested.
<b>Benchmark for Investments</b>	HCDE uses the 13-week (90 day) Treasury Bill investment rate of the maturity date closest to the end of the month- <a href="http://www.treasurydirect.gov">www.treasurydirect.gov</a> .
<b>Book Value</b>	The face amount minus any unaccredited discount or plus any unamortized premium. See Accretion and Amortization.
<b>Cash</b>	Cash includes readily available cash, current bank accounts and certificates of deposit. Cash is considered to be the most liquid asset.
<b>Commercial Paper</b>	An unsecured promissory note issued by a corporation with a fixed maturity. The issuer (such as Coca Cola, General Electric, Kimberly Clark) promises to pay the buyer a fixed amount on some future date but pledges no assets, only his liquidity and established earning power, to guarantee that promise. These investment instruments usually yield 10-15 basis points above comparative agency investments. HCDE will not invest in commercial paper with less than A1 or P1 or an equivalent rating.
<b>Credit Risk</b>	The risk of issuer failure; mitigated by selecting high quality investment vehicles.
<b>CUSIP #</b>	The <b>C</b> ommittee on <b>U</b> niform <b>S</b> ecurities <b>I</b> dentification <b>P</b> rocedures Number: the identification number on all securities (often nine digits in length).

Re: Grant No. 06CH7177

Dear Mr. Evans III:

The Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019 and Continuing Appropriations Act, 2019, contains an increase of approximately \$200 million for programs under the Head Start Act for Fiscal Year (FY) 2019. A portion of the increase provides a cost-of-living adjustment (COLA) of 1.77 percent, depending on final funding decisions, to assist grantees in increasing staff salaries and fringe benefits and offsetting higher operating costs.

The following table reflects the increase(s) for FY 2019.

<b>Funding Type</b>	<b>Head Start</b>	<b>Early Head Start</b>
Cost-of-Living Adjustment (COLA)	□220,□48	
<b>Total COLA Funding</b>	<b>\$220,648</b>	

### Submission Requirements

- An increase of 1.77 percent in the hourly rate of pay for each Head Start/Early Head Start employee and the pay scale subject to the provisions of Sections 653 and 640(j) of the Head Start Act;
- The rationale if employees are receiving less than the 1.77 percent COLA or differential COLA increases;
- The provision of the 1.77 percent increase to all delegate agencies and partners or justification if the full percentage is not provided to delegate agencies and partners;
- The planned uses for the balance of the COLA funds to offset higher operating costs;
- Each source of non-federal match, including the estimated amount per source and the valuation methodology; and
- A detailed justification that conforms with the criteria under Section 640(b)(1)-(5) of the Head Start Act if the application proposes a waiver of any portion of the non-federal match requirement.

HCDE Area I Head Start/Early Head Start Selection Criteria 2019-2020

**Rationale:**

Head Start Performance Standard 45 CFR Part 1302.14 requires that each program have a formal process for establishing selection criteria for selecting applicants that are eligible for Head Start services. HCDE Area I Head Start develops criteria based on an analysis of information from the Community Assessment. Points are given to the families that are categorically eligible; children and families that have social services needs and/or concerns; and children with identified and suspected disabilities. HCDE Area I Head Start conducts a Community Assessment every three years which is updated annually. Members of Leadership review the Community Assessment and other relevant data each year to set selection criteria and to establish/maintain a point system.

# Harris County Department of Education Program Performance Summary Response Plan

## I. Program Infrastructure, Oversight, and Improvement

<p>Program Management Part 1302.92(b)(5)</p> <p>Finding: The grantee did not implement a systematic approach to training education staff that supports teachers in providing effective and nurturing adult-child interactions, addressing challenging behaviors, supporting children with disabilities, and supporting high quality learning experiences for all children.</p>	<p>Harris County Department of Education (HCDE) Head Start has a comprehensive Professional Development Plan that identifies core competencies for each Head Start position. Planning for professional development begins in late Spring for the upcoming school year. HCDE's approach is systematic and supports staff in all positions to learn the skills and expectations needed to fulfill their job functions.</p> <p>Administrative Staff, Managers, Coordinators, Center Managers (CMs), Assistant Center Managers (ACMs) and Family Services Providers (FSPs) receive the bulk of their training in late Spring and during the months of June and July. Professional Development training for Teachers begins the last week of June and continues during July and August. Professional Development offerings are based on information received in staff surveys, data from compliance reports (including CLASS assessments), regulatory requirements and needed refreshers. A list of offerings is attached.</p> <p>HCDE Professional Development for the 2017-2018 school year was interrupted by Hurricane Harvey, causing the centers to be closed for two weeks. Many of the staff were left to deal with the trauma of flooded vehicles and homes. Some staff and families were completely displaced from the city. The Management Team worked to fill vacancies with substitutes, while support staff worked to deal with the damage of the hurricane and create a sense of normalcy at each of the centers. The Professional Development schedule was impacted by Hurricane Harvey and its subsequent aftermath.</p> <p>In addition to the Education and Special Services Manager (ESSM) and the Education and Special Services Coordinators (ESSCs), the Assistant Center Managers (ACMs) on site provide support to Teachers working with students who have disabilities, speech and language delays, and any other identified delays. The HCDE Head Start Behavior Management Procedure requires all of the staff and the Teacher to work together and address each student's individual needs. All of our processes were interrupted this school year. That, coupled with the post-traumatic stress that both students, parents and staff were working with, surely gave rise to some of the observations that were noted. HCDE Head Start is committed to continuous improvement. HCDE Head Start recognized that our monitoring and accountability of expectations were not as robust as needed. Based on staff and federal reviewers' observations, we have instituted the following action items.</p>

## II. Service Delivery, Education and Child Development Program Services

### Teaching Practices and Learning Environment Part 1302.31(b)(1)(i), 1302.31(e)

Finding: The grantee did not consistently ensure teaching practices were language rich and promoted critical thinking and problem-solving skills. Further, the grantee did not implement snack and meal times in ways that support development and learning.

The review determined that HCDE Head Start did not implement nurturing and responsive practices, interaction and environments, and intentional age-appropriate approaches to rest, meals, routines, and physical activity that promote developments, learning and skill growth. In 4 out of 44 classrooms (classrooms 2,4,6 at Baytown and classroom 6 at Compton), explorations cited several missed opportunities for teachers to engage critical-thinking and problem-solving skills. In 2 of 44 classrooms (Classrooms 2 and 4 at Baytown), routines and transitions were observed to be primarily Teacher-driven. There were missed opportunities for engaging students in critical-thinking and problem-solving during family-style meal service and routine activities.

HCDE Head Start has thoroughly reviewed its training practices, coaching/mentoring model, and documentation of feedback and follow-up regarding individual classroom staff practices. In addition to the actions taken in the previous section, the following item specifically addresses Family Style Meal service.

### III. Service Delivery, Education and Child Development Program Services

Services for Children with Disabilities  
Part 1302.31(b)(1)(i), 1302.31(e)

Finding: The grantee did not ensure the individualized needs of children with disabilities including but not limited to those eligible for services under IDEA, were being met in a manner that enable all children to fully participate in the full range of activities and services.

The review documents that at the Channelview center, the Teacher in Classroom 4 indicated no training had been provided that enabled her to work effectively with a student who had a hearing impairment. Documentation is provided to demonstrate that the classroom staff were trained on November 6, 2017 to specifically support the hearing-impaired student. Additionally, the Disabilities Consultant worked directly with the Teachers in that classroom, modeling strategies for the student.

HCDE Head Start has the Accommodations Standard Opening Procedures (SOPs) in place to ensure that all students with an identified disability have accommodations made to ensure that the student is appropriately supported in the classroom and center. Accommodations are implemented based on the ARD/IEP, to ensure that the Teacher is knowledgeable regarding the student's needs. The Disabilities Consultant translates the IEP into laymen's terms, and provide Individualized Service Plan (ISP), for the Head Start Teaching staff, providing goals and strategies to support instruction in the classroom. The Disabilities Consultant meets with the Teaching staff to share and discuss the plan. Please see attached actual ISP/Disabilities plan for a student at Channelview Head Start. The classroom and the ISP are monitored by the ACM and the ESSC.

An overarching goal in this area is to improve the monitoring and feedback between the ACM, ESSCs and Teaching staff. Clear feedback given to staff about their teaching practice will ensure that students who have a disability get their needs met in a manner that enables them to fully participate in the full range of activities and services.

Some students receive private speech services at our centers or in their home. These services are provided by a medical provider, who reports information on the student's progress to the Parent. Teachers implement two Home Visits and two Parent/Teacher Conferences annually. During these visits, it is the Teacher's responsibility to get updates and feedback from Parents regarding the student, including, but not limited to, goals and needs. Due to medical regulations, the private therapists do not share information directly with staff.

#### IV. Health Program Services

##### Health Program Services Delivery Part 1302.47 (b)(1)(iii)(ix)

Finding: The grantee did not ensure facilities were free from pollutants, hazards, and toxins that were accessible to children; the program did not consistently ensure all equipment and materials were kept safe through and ongoing system of preventive maintenance.

The Coolwood Head Start center is an old, portable building that HCDE acquired from the former Head Start grantee, Gulf Coast Community Services Association in 1999. It is part of HCDE's 10-Year Facilities Plan for replacement and is documented in the Area I Head Start 2015-2019 Long-range Goals and Objectives for replacement in year three. In addition to aging issues, the facility was impacted by flooding that occurred during Hurricane Harvey. HCDE Head Start will be applying for disaster relief funds to support the relocation of the Coolwood Head Start program.

When Hurricane Harvey waters subsided, there appeared to be no major damage to the Coolwood Head Start facility, despite its entire neighborhood being underwater. Not until mid-October 2017 did HCDE become aware of flood water rising to the outer flooring of the building and some into the walls. HCDE immediately began remediating the issues by drying out the walls and assessing damage to the sub-flooring.

Repairs and ongoing maintenance work at the Coolwood center were in process during the monitoring review and continued to occur, due the age and material makeup of the portable building. HCDE is addressing sub-floor repairs, shifting walls, ramp repairs, HVAC issues, and ceiling concerns as they occur. The building requires excessive ongoing maintenance and repair to ensure a healthy and safe environment. HCDE Head Start is seeking opportunities to replace the facility.

HCDE uses SchoolDude, a computerized maintenance management system, to make, track and manage all maintenance requests. All CMs, ACMs, Operations Coordinator (OC), Operations Manager (OM) and Assist Director of Operations (AD-O) have access to the system to make and track progress of maintenance requests.

The following repairs were completed.

**Interlocal Agreement**  
**between Harris County Department of Education**  
**& Driscoll Independent School District**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Driscoll ISD, a local governmental entity and/or political subdivision (“LGE”), located in Driscoll (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
  - B. **LGE agrees to:**
    - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
  - Agree to follow the terms and conditions of each independent contract or purchase order.
  - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
  - By mutual written agreement of the Parties; or
  - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.
14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.
16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE.   - Neither Party waives any immunity afforded to it under applicable law; and
  - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

**Interlocal Agreement**  
**between Harris County Department of Education**  
**& Town of Hope Mills**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Town of Hope Mills, a local governmental entity and/or political subdivision (“LGE”), located in Hope Mills (city), NC (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
  - B. **LGE agrees to:**
    - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
  - Agree to follow the terms and conditions of each independent contract or purchase order.
  - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. Relation of Parties. It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.

16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. 20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

**Child Care Local Match Contribution Agreement  
GENERAL AGREEMENT TERMS**

**SECTION 1: Legal Authority**

In the State of Texas, TWC is designated as the lead agency for the administration of Child Care and Development Fund (CCDF) funds available under Title VI of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (42 United States Code (USC) §9801 et seq.).

Pursuant to federal regulations (45 Code of Federal Regulations (CFR) Parts 98 and 99), TWC is the CCDF lead agency for Texas and the entity designated to accept donated funds from any private entity, or transferred funds from any public entity, or certifications of expenditures from public entities that may be used as match for available federal funds. As such, the terms of this agreement are contingent upon the certification of private donations (if applicable) by TWC, and the final acceptance of this agreement in an open meeting by a majority of TWC's three-member Commission.

**SECTION 2:** For contributions from a private entity to TWC, the contributor, by executing this agreement, certifies that pursuant to Labor Code §301.021(b)–(d) and Texas Government Code §575.005:

- a. the contributor is not party to an administrative proceeding before the Commission.
  - (i) Under Texas Government Code §575.005, “administrative proceeding” means a “contested case” as defined by Texas Government Code §2001.003, that is, “a proceeding, including a ratemaking or licensing proceeding, in which the legal rights, duties, or privileges of a party are to be determined by a state agency after an opportunity for adjudicative hearing.”
  - (ii) Before accepting this agreement, TWC will verify whether the private entity contributor is party to an administrative proceeding before the Commission. If the private entity contributor is, or becomes a party to, an administrative proceeding before the Commission before the Commission's acceptance of this agreement, Texas Labor Code §301.021(b) and Texas Government Code §575.005 prohibit the Commission from accepting this agreement until the 30th calendar day after the date that the decision in the proceeding becomes final under Texas Government Code §2001.144.
- b. If the contributor is a for-profit entity, the contributor does not currently:
  - (i) have a contract with TWC for services or products of a value of \$50,000.00 or greater; or
  - (ii) have a bid in response to a request for proposal for such contract before TWC.

This condition does not apply to a contract or bid that relates only to providing child care services.

- c. Upon execution of this agreement, if it is for the contribution of privately donated funds from a for-profit entity, the contributor understands that pursuant to Texas Labor Code §301.021(d), the contributor shall not enter into a contract with TWC or submit a bid in response to a request for proposal issued by TWC before the first anniversary of the date on which TWC accepted a donation from the contributor, unless the contract or bid relates only to providing child care services.

**SECTION 3:** For contributions from a private entity to a Board, consistent with Labor Code §301.021(b)-(d) and Texas Government Code §575.005:

- a. the contributor is not party to a Board-level complaint or appeal pursuant to Chapter 823, Subchapter B.
  - (i) Before accepting this agreement, the Board will verify whether the private entity contributor is party to a Board-level complaint or appeal. If the private entity contributor is, or becomes a party to, a Board-level complaint or appeal before the Commission's acceptance of this agreement, the Commission will not accept this agreement until the 30th calendar day after the date that the decision in the proceeding becomes final under Chapter 823.
- b. If the contributor is a for-profit entity, the contributor does not currently:
  - (i) have a contract with the Board for services or products of a value of \$50,000.00 or greater; or
  - (ii) have a bid in response to a request for proposal for such contract before the Board.

This condition does not apply to a contract or bid that relates only to providing child care services.

- c. Upon execution of this agreement, if it is for the contribution of privately donated funds from a for-profit entity, the contributor understands that consistent with Texas Labor Code §301.021(d), the contributor shall not enter into a contract with the Board or submit a bid in response to a request for proposal issued by the Board before the first anniversary of the date on which the Board accepted a donation from the contributor unless the contract or bid relates only to providing child care services.

**SECTION 4:** The contributor agrees as follows:

- a. To remit to TWC the pledged local share in accordance with Item E, Donation/Transfer Payment(s) and Certification of Expenditures Schedule.
- b. For public transfers of funds and private donations made to TWC, checks remitted by the contributor must be made payable to the "Texas Workforce Commission" and submitted to TWC.
- c. For private donations made to the Board, the contributor must remit the donation to the Board.
- d. To keep, and make available to TWC or the Board upon request, records adequate to show that the contributed funds put forth in this agreement are eligible for matching purposes. **Harris County Department of Education**  
**Agenda Items- February 27, 2019 Board Meeting**

Consideration of and possible vote on a directive to Board legal counsel to present a report to the Board on the status of the Harris County Educational Foundation, including identifying its acting directors and officers, and compliance with federal and state filings and regulatory provisions

Explanation for request: For a substantial time, there has been confusion as to the actual Board members and officers of the Harris County Educational Foundation. After HCDE stopped funding the Foundation with a \$185,000 annual payment, there was supposedly substantial turnover and resignations of Directors. A previous effort to obtain this information was incomplete. One bio of a supposed Director received by the HCDE Board was so old that it indicated his current employment was as an aide to Congressman Chris Bell, who left office at the end of 2005. Others were similarly outdated. This request is particularly important at this time because Information item 10. C. in the January 16, 2019 Board Agenda pertained to submission of a grant proposal prepared by HCDE to the Dudley T. Dougherty Foundation was made "in collaboration with Educational Foundation of Harris County." The involvement of the Educational Foundation was only disclosed on items detail page 300.

Consideration of and possible vote on a directive to Superintendent James Colbert to develop and present a report to the Board on the current operating status of Fortas Academy and his improvement plan to make Fortas Academy a viable school operation in the future

Explanation for the request: The Fortas Academy is operating at a substantial deficit, maybe over \$1 million this year. The original plan presented by Superintendent Colbert to the HCDE Board was for the school to reach an enrollment of 30 students in the first year of operation, eventually reaching an enrollment capacity of 100 students. To date, enrollment is only 6 students with just a few months to the end of the school year. This situation is unsustainable. Therefore, this agenda item is asking for the Superintendent to submit a report to the HCDE Board on his improvement plan for Fortas Academy.

Consideration of a request and possible vote for Board legal counsel to report to the Board on HCDE making a \$1,500 contribution to the Lone Star College Educational Foundation golf tournament, including the Superintendent's justification of benefit to HCDE for making the \$1,500 contribution, identification of the names and positions of the HCDE players, the administration's justification of the expenditure, and an opinion as to the legality under Texas law of a government making the charitable contribution to the Foundation

Explanation for the request: At a prior HCDE Board meeting, a member of the public addressed the Board questioning the justification and legality for HCDE to contribute to the Lone Star College Educational Foundation. This expenditure caused some questions. Lone Star, as a college, was not an entity supported by HCDE, and the contribution was made to the independent Educational Foundation. This agenda item seeks justification for the expenditure, and an opinion as to the legality of a government making a contribution to a charity.

Consideration of a request and possible vote for Board legal counsel to report to the Board on the legality of using HCDE funds in excess of \$900 to hold a recognition dinner for HCDE school principals and whether such functions at government expense are customary within state school districts.

Explanation of the request: At a prior HCDE Board meeting, a member of the public addressed the Board questioning the propriety of HCDE spending in excess of \$900 on a recognition dinner for the school principals. This agenda item seeks an opinion from legal counsel regarding the legality of this expenditure and, if legal, whether such a recognition dinner at HCDE expense is customary.

Consideration of and a possible vote on a directive to the HCDE PFC and Superintendent to develop and present a report to the Board on the current status of the construction of the new AB School West, the anticipated opening date of the school, and a detailed analysis of the costs incurred to date and the future estimated costs to be incurred for completion

Explanation of this request: Construction of the new AB School West School authorized by the HCDE Board is substantially behind the original proposed schedule. Also, there has been or will be significant required expenditures unforeseen in the original cost estimate. The HCDE Board has received only sketchy information as to the schools progress, eventual cost to complete, and the new proposed opening date of the school. The report requested from the PFC and Superintendent will bring the HCDE Trustees up to date on the school's progress. This is especially needed because there are three new Board members who have little knowledge of the endeavor.

**Agenda Items- February 27, 2019 Board Meeting**

Consideration of and possible vote on a directive to Board legal counsel to present a report to the Board on the status of the Harris County Educational Foundation, including identifying its acting directors and officers, and compliance with federal and state filings and regulatory provisions

Explanation for request: For a substantial time, there has been confusion as to the actual Board members and officers of the Harris County Educational Foundation. After HCDE stopped funding the Foundation with a \$185,000 annual payment, there was supposedly substantial turnover and resignations of Directors. A previous effort to obtain this information was incomplete. One bio of a supposed Director received by the HCDE Board was so old that it indicated his current employment was as an aide to Congressman Chris Bell, who left office at the end of 2005. Others were similarly outdated. This request is particularly important at this time because Information item 10. C. in the January 16, 2019 Board Agenda pertained to submission of a grant proposal prepared by HCDE to the Dudley T. Dougherty Foundation was made "in collaboration with Educational Foundation of Harris County." The involvement of the Educational Foundation was only disclosed on items detail page 300.

Consideration of and possible vote on a directive to Superintendent James Colbert to develop and present a report to the Board on the current operating status of Fortas Academy and his improvement plan to make Fortas Academy a viable school operation in the future

Explanation for the request: The Fortas Academy is operating at a substantial deficit, maybe over \$1 million this year. The original plan presented by Superintendent Colbert to the HCDE Board was for the school to reach an enrollment of 30 students in the first year of operation, eventually reaching an enrollment capacity of 100 students. To date, enrollment is only 6 students with just a few months to the end of the school year. This situation is unsustainable. Therefore, this agenda item is asking for the Superintendent to submit a report to the HCDE Board on his improvement plan for Fortas Academy.

Consideration of a request and possible vote for Board legal counsel to report to the Board on HCDE making a \$1,500 contribution to the Lone Star College Educational Foundation golf tournament, including the Superintendent's justification of benefit to HCDE for making the \$1,500 contribution, identification of the names and positions of the HCDE players, the administration's justification of the expenditure, and an opinion as to the legality under Texas law of a government making the charitable contribution to the Foundation

Explanation for the request: At a prior HCDE Board meeting, a member of the public addressed the Board questioning the justification and legality for HCDE to contribute to the Lone Star College Educational Foundation. This expenditure caused some questions. Lone Star, as a college, was not an entity supported by HCDE, and the contribution was made to the independent Educational Foundation. This agenda item seeks justification for the expenditure, and an opinion as to the legality of a government making a contribution to a charity.

Consideration of a request and possible vote for Board legal counsel to report to the Board on the legality of using HCDE funds in excess of \$900 to hold a recognition dinner for HCDE school principals and whether such functions at government expense are customary within state school districts.
