### **ASBO Awards School District for Excellent Budget Presentation**

Ashburn, VA – March 6, 2020 – The Association of School Business Officials International (ASBO) is proud to recognize Harris County Department of Education for excellence in budget presentation with the Meritorious Budget Award (MBA) for the 2019–2020 budget year.

ASBO International’s MBA and Pathway to the MBA promote and recognize best budget presentation practices in school districts. Participants submit their applications and budget documents to a panel of school financial professionals who review the materials for compliance with the MBA Criteria Checklist and other requirements and provide expert feedback that districts can use to improve their budget documents.

Districts that successfully demonstrate they have met the necessary program requirements may earn either the MBA or Pathway to the MBA, an introductory program that allows districts to ease into full MBA compliance.

“Districts that apply to the MBA or Pathway to the MBA programs recognize the importance of presenting a quality, easy-to-understand budget internally and to the community,” ASBO International Executive Director David J. Lewis explains. “Participating in the MBA and Pathway programs provides districts with important tools and resources they need to communicate the district’s goals and objectives clearly and illustrates their commitment to adhering to nationally recognized budget presentation standards.”

The MBA and Pathway to the MBA are sponsored by ASBO International Strategic Partner Voya Financial®. Learn more about the program at [asbointl.org/MBA](https://asbointl.org/MBA).

**Posted Agenda Item:**

**BA #1920-05-01** Discussion and possible action to approve the **Special Revenue Fund (2070)** Head Start Disaster Assistance grant budget amendment in the amount of \$89,500. The grant period is September 30, 2019 thru September 29, 2021.

**Subject:**

**Budget; Special Revenue Fund; The revenues and the expenditures will both increase by \$89,500**

**Rationale:**

Justification:

Estimated revenues are \$89,500

HCDE is a recipient of a US Department of Health and Human Services Head Start grant. The Disaster Relief grant is specifically for the construction of a new Head Start center at the Coolwood location, due to extensive damage from the Hurricane Harvey. The total amount awarded to HCDE was \$581,975 which includes \$523,610 in direct program costs and \$58,365 in indirect costs. Grantor has awarded an additional amount of \$89,500 to continue with the project of construction, so the Head Start budget needs to be increased to reflect the new amount awarded.

Total appropriations are \$89,500

HCDE shall appropriate \$89,500, and it will have no effect on HCDE fund balance.

**Investment Report Narrative**

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, Texas Class and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

**Moving Forward**

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

**Compliance Statement**

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE is in compliance with the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

- (A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of \$43,336,479 Divided by (#2) Book Value = 1 Days to Maturity
- (B) The WAM of 7.94 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, Texas Class and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

### Glossary of Investment Terms

<b>Accretion</b>	The daily book value earned daily (on a straight-line basis) on securities purchased at a discount. At maturity, a discount security will be worth the face value. The types of securities involved are usually treasury bills, discount notes, commercial paper, and bankers' acceptances.

**Superintendent Monthly Report - James Colbert, Jr.**

*Superintendent Colbert referenced a two-page superintendent's monthly report that addressed three segments of HCDE's response to the COVID-19 pandemic: (1) HCDE Operations, (2) HCDE Client Support and (3) Harris County Community Engagement. He further address the tiered pyramid model for how HCDE will proceed during the pandemic. The pyramid is broken down into three assumptions of building closure operation; (1) Tier 1- Closed thru April 4; (2) Tier 2 – Closed thru the end of school year (HCDE is currently operating with a Tier 2 mindset); and (3) Tier 3 – Closed thru July. Mr. Colbert provided an update of what has happened since the emergency called board meeting. He stated that HCDE staff is currently operating remotely at 95% with some needed exceptions where staff must physically go into the building for work. He stated that maintenance staff have been ensuring all buildings are remaining sterilized, and if staff does need to enter a building, guidelines are enforced and the building is cleaned once they leave. He further stated that a schedule had been made for teachers who needed to enter the buildings in order to perform necessary tasks to provide student materials and access student files as many of the teachers are still participating in Admission Review Dismissal Meetings for special education students and must have access to those student's files. He stated that Dr. Mays is working with staff to coordinate the opportunity for parents to pick up instructional materials Mr. Colbert informed the board that the executive leadership team was meeting via Zoom every Monday at 9:00 a.m., and the leadership team is meeting the first Tuesday of every month via Zoom. Mr. Colbert stated that instructional materials for Special Schools and Head Start are being put together for students, although students are hard to find right now. He recognized that Venitia Peacock and the Head Start team have been working to put together boxes of food and distributing them to HCDE's most needy Head Start families. He stated that Therapy Services is doing some remote work online, although video conferencing has had some drawbacks, as some students do not want staff to see what their houses look like. He further stated that Adult Education is working towards full time distance learning, and the Technology Division has been very innovated to ensure we are up to speed with what is needed. Mr. Colbert stated that Records Management has been on site a lot as HCDE keeps records for 23 school districts as well as city hall and the county. He stated that Choice Partners has been able to work full-time remotely. Mr. Colbert recognized Community Engagement and the Because We Care packages and stated the executive leadership team spent 6 hours putting together 1300 boxes. He stated that Head Start has done an excellent job at coordinating and identifying the proper nutrition to meet federal guidelines and have distributed 5,780 meals and served 1,234 families. He stated that we are in good standing although some supplies have been difficult to get. Mr. Colbert informed the board that he had been on a conference call with 73 superintendents and things are starting to get stressful for school districts right now. He stated that one of the biggest challenges is grading and implementing grades remotely. He stated that another big issue right now is graduation, which is a top concern for many districts. Another issue is technology and students having access to internet and necessary resources for online learning. Districts*

*are finding it challenging to buy hot spots, as they are difficult to find right now. He stated that special education was another challenge for school districts because of the many federal guidelines that are in place and need to be addressed going forward, which is challenging as some services can-not be implemented through distant learning. He stated that another main concern was opening schools again and what that will look like. Mr. Colbert stated that the recent conversation was different than others that he had, as one district was discussing closing for the rest of the year. Mr. Colbert stated that based on his professional opinion, HCDE would not be coming back this school year and stated that we need to focus on coming back next school year.*

Dear Harris County Department of Education,

Thank you for your continuing relationship with TCG Group Holdings, LLP and its subsidiaries (collectively "**TCG Group**"). Because of trusted relationships with clients like you over the past 20 years, TCG has grown and evolved into one of the nation's largest privately held financial services companies.

TCG Group has reached a positive milestone in our history and we are planning for our future. As part of our strategic planning, we intend to change our name and optimize our structure, to bring more resources to our clients and to reflect the larger scope of our business. The new name - "Trusted Capital Group" ("TCG") - better represents TCG Group's broad position as a trusted advisor to its clients. Our reorganization and evolution will not change our unwavering commitment to our clients and their employees. We will maintain our steadfast commitment to financial education and transparent, low cost financial solutions. At this transformational moment, TCG will be investing more capital into its business and deploying more personnel to serve its valued clients.

TCG's goal is to evolve, as the marketplace has, to deliver best in class services and solutions. With this evolution and due to continued growth, TCG will be forming new operating subsidiaries (the "Subsidiaries") under a reorganized structure. Certain assets and liabilities of TCG Group will be transferred to and assumed by the Subsidiaries, including client contracts and existing personnel. TCG Group and its partners will continue to own a majority interest in TCG and we plan to bring in American Fidelity Corporation ("AFC") as a minority interest owner during the first quarter of 2020. Our existing personnel, location, and service will not change with the reorganization.

Based on TCG's rapid growth, and increasing investment in the future, this growth transformation will include:

- More investments in technology, people, and capabilities
- Greater investments in compliance to deal with the changing regulatory and legal landscape
- Formation of the Subsidiaries
- Assignment of all current client agreements to those Subsidiaries
- An increased commitment by the TCG Partners to put capital into the business, including through adding AFC as a strategic minority investor
- Greater responsibilities and exposure for our large, young, and talented management team
- New products and services, and a new broader and more descriptive company name

Each TCG Partner will remain with the business. You should notice no changes in service or personnel, or in our senior leadership team. This reorganization will not affect our operating relationship with our valued clients.

We are contacting certain of our customers to provide notification of the changes discussed above and to confirm your consent to the assignment of each your contracts to the Subsidiaries, as provided below. For your convenience, we have listed each contract you have with members of TCG Group and the identity of each Subsidiary which will be responsible for performance as the recipient of the assignment after the reorganization.

  - Third Party Administration Agreement – 457(b) Plan

**Interlocal Agreement**  
**between Harris County Department of Education** & Hunt County

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Hunt County, a local governmental entity and/or political subdivision ("LGE"), located in Greenville (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
  - B. **LGE agrees to:**
    - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
  - Agree to follow the terms and conditions of each independent contract or purchase order.
  - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.
- LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.
6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. **Termination.** This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
  - By mutual written agreement of the Parties; or
  - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. **Assignment.** Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. **Conflict of Interest.** During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. **Contract Amendment.** This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. **Relation of Parties.** It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.

16. **Non-Exclusivity of Services.** Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. 19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.
23. Authorization. Each party acknowledges that the governing body of each Party to the Agreement has authorized and approved this Agreement.
24. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original constituting one and the same instrument.

**Interlocal Agreement**  
**between Harris County Department of Education**  
**& Wortham ISD**

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement (“Agreement”) is made and entered into by and between Harris County Department of Education (“HCDE”), located in Houston, Texas, and Wortham ISD, a local governmental entity and/or political subdivision (“LGE”), located in Wortham (city), TX (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a “Party” and collectively as the “Parties.”

**Preamble**

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

**General Terms and Conditions**

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement (“Effective Date”) and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. Purpose and Scope of Work.
  - A. **HCDE agrees to:**
    - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
    - Provide programs and services upon LGE’s submission of independent contracts or purchase orders to HCDE and HCDE’s acceptance thereof. HCDE’s obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE’s obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
    - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
  - B. **LGE agrees to:**
    - Participate in any or all of the programs and services that HCDE offers, in LGE’s sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
  - Agree to follow the terms and conditions of each independent contract or purchase order.
  - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
  5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
  - By mutual written agreement of the Parties; or
  - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

16. Non-Exclusivity of Services. Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. 18. Limitation of Liability. Without waiver of the Disclaimer in Article 17 of this Agreement, the Parties agree that:
  - Neither Party waives any immunity afforded to it under applicable law; and
  - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. 20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

Re: Interlocal Contract – Interstate Between Harris County Department of Education and Mesa Public Schools

The above-referenced agreement will be included on the consent agenda for the Governing Board meeting on March 24, 2020.

The District has been invited to join a cooperative purchasing organization under the name, Harris County Department of Education (HCDE), that is organized by several Arizona school districts and county agencies and a Texas school district. Arizona law permits school districts to participate in a cooperative purchasing organization with state and local governments located outside of Arizona.

The District's objective in joining HCDE is to realize cost savings by participation in high-volume purchases. The District is not obligated to pay a membership fee for its participation and may terminate its membership on 30 days' written notice to HCDE.

Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor,

and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 **Close-Out Documentation:** Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:
  - 1) Owner's Manual(s)
  - 2) MSDS
  - 3) Submittals (Ex: Paint colors, carpet, equipment, supplies, and etc.)
  - 4) Warranties
  - 5) Conditional Lien Release
  - 6) Copies of all applicable permits, licenses, and/or other regulatory documents.
- c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

## **XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL**

12.1 **Preservation:** Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 **Existing Improvements:** Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 **Traffic Control:** Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

## **XIII. CLEANING UP AND REFUSE DISPOSAL**

13.1 Contractor shall at all times keep the Job Order site, including storage areas, free from accumulations of waste materials. Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

#### XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration:** Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

#### XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing,

subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within thirty (30) days of receipt of invoice. If payment is later than forty-five (45) days, interest will be set no higher than six percent (6%) per annum. If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

**15.2 Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

**15.3 Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

**15.4 Payment Retention:** In the processing of progress payments, Owner shall retain five percent (5%) of the estimated amount until final completion and acceptance of all Work performed under the Job Order. Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order.

**15.5 Liquidated Damages:** Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion.

**15.6 Right of Setoff:** In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

## **XVI. TERMINATION FOR CONVENIENCE OF OWNER**

**16.1 Termination:** Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is

in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
  - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
  - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;
- e. Complete performance of the Work not terminated;
- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

## XVII. DEFAULT

17.1 **Termination of Right to Proceed:** If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

**17.2 Termination for Default:** In the event Contractor fails to carry out or comply with any of the terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

**17.3 Effect of Termination:** Termination of this Contract or any Job Order under any circumstances whatsoever shall not effect or relieve Contractor from any obligation or liability that may have been incurred or will be incurred, and such termination by Owner shall not limit any other right or remedy available to Owner at law or in equity.

#### **XVIII. CANCELLATION FOR CONFLICT OF INTEREST**

18.1 Pursuant to applicable law, Owner may cancel this Contract, without penalty or further obligation to Contractor, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Contract on behalf of the Owner was at any time while this Contract or extension of this Contract is in effect, an employee or agent of any other party to this Contract in any capacity or consultant to any other party of this Contract. If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then Owner shall issue written notice to Contractor and Owner may terminate this Contract without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of Owner. The parties agree that this Contract and any Job Order issued by Owner are commitments of Owner's current

revenue only. Every payment obligation of Owner under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. **Subject:**

Proposal Submission; Center for Safe and Secure Schools; Bureau of Justice Assistance; STOP School Violence Program

**Rationale:**

Center for Grants Development submitted a proposal request of \$480,429 to the Bureau of Justice Assistance for the Center for Safe and Secure Schools (CSSS) to implement a STOP (Student, Teacher and Officers Preventing) School Violence Program – *Connect to Prevent* program. CSSS STOP – *Connect to Prevent* program is designed to: 1) create a more positive school culture and climate; 2) prevent student violence; 3) improve student behavior and 4) respond to mental health crises that may precipitate violent attacks. The program uses disciplinary data to inform decision-making and implements evidence-based models of behavior management that will provide different levels of support and intervention based on teachers, parents and students’ needs. Incorporating information gleaned from SB11, HB 3 and grant information session, CSSS will develop training for teachers, school personnel, school officials, students and parents from four school districts in Houston/Harris County (i.e. Alief ISD; Goose Creek CISD; Sheldon ISD; and Stafford MSD). Each session is offered twice a year with follow up and observations. The program targets 22 elementary schools that will reach over 5,600 students in grades PreK-K. The program will follow these students until they reach 2nd grade. CSSS STOP – *Connect to Prevent* Program includes a comprehensive evaluation plan using: 1) a process evaluation to determine whether the trainings were implemented as intended and 2) an outcome evaluation to measure the trainings effect on school staff and personnel in reducing violent crimes in schools. CSSS anticipates: a) teachers, campus administrators, resource officers and counselors will complete 75% or more of the total hours of professional development (PD) offered; b) 75% of staff attending PD will implement at least the basic protocols for supportive positive behavioral practices relevant to their position as presented in the trainings; c) 95% of students and teachers will receive training in identifying and reporting acts of potential violence towards self or others and d) students’ office discipline referrals will decrease by 10% within the 12-month period.

**Rationale:**

Center for Grants Development submitted a proposal request of \$750,000 to the Texas Workforce Commission for Center for Afterschool, Summer and Enrichment (CASE) for Kids to implement a Youth Robotics Initiative statewide. If funded, HCDE’s Center for Afterschool, Summer and Enrichment (CASE) for Kids division with guidance from HCDE School-based Therapy Service division will recruit new and returning students through a variety of networks to encourage participation in robotics from students with documented disabilities as well as students that are underrepresented in the current Texas robotics competitions. CASE will also host a new Youth Robotics Initiative competition that is tailored to meet the needs of high school youth with documented disabilities. With awarded funds CASE for Kids will serve a minimum of 60 teams and a minimum of 240 students. Our goal is to focus primarily on new students with an estimated 80% new and 20% existing. CASE will work locally with our Therapy Services Division, local school districts and social service organizations to recruit and serve students with documented disabilities. CASE will work with the regional service centers, statewide organizations like the Texas Partnership for Out-of-School time to recruit across the state. A coordinating team of experts will assist in the design of the new competition. Lesson plans, competition elements, board design and competition logistics will all be carefully considered to ensure to create a competitive environment that is welcoming to all.

**Subject:**

Proposal Submission; CASE for Kids; Center for Afterschool, Summer and Enrichment; Houston Endowment; Youth Pathways Initiative; Education Foundation of Harris County

**Rationale:**

Center for Grants Development submitted a proposal request of \$450,000 to Houston Endowment, Inc. via Education Foundation of Harris County (EFHC) for Center for Afterschool, Summer and Enrichment (CASE) for Kids to implement a Youth Pathways Initiative: Digital Badging Initiative. If funded, EFHC via CASE for Kids would lead a digital badging initiative for the Greater Houston area. CASE will work with local municipalities, after school programs and providers, businesses and workforce providers, community and religious organizations to create digital badges or “electronic symbols used to document performance and achievement” (Carey, Kimberly L., May 2018). Students and young adults can use the badges to confirm skills they have learned or a task they have mastered; they can add to their portfolio for college entrance applications; and/or they can promote their accomplishments via social media for prospective employers to view. This proposal is requesting \$450,000 over two years to support, in part, three positions and a portion of the online platform. One position will conduct outreach to identify older youth afterschool activities and engage those teachers, providers and students; one position will cultivate the issuers of badges and coordinate a sliding scale membership system, and one position will assist in the administration of the Youth Pathways Initiative. HCDE is providing resources to support the manager position, a portion of the platform and the commission of the feasibility study. United Way of Greater Houston is proposing to cost share half of the outreach coordinator through their Houston Endowment proposal to serve as a data coordination link between Out2Learn and CASE for Kids.

**Rationale:**

Center for Grants Development worked with the Center for Safe and Secure Schools to prepare and submit a proposal to ACR/JAMS Foundation Initiative for Students and Youth for its #RollingwithRestorative – Conflict Resolution Series. CSSS will partner with Aldine and Humble ISDs to implement the program in 10 elementary schools in each district (20 schools total). They will partner with expert consultants that specialize in behavior intervention, school violence prevention, intervention and calming and relaxation by providing the following: 1) Teachers and School Personnel Training; 2) Restorative/Relational Practices Program for Students and 3) Information Session for Parents.

CSSS will use the Train-the-Trainer model as the delivery method and will implement the evidence-based training for up to five teachers, counselors, school personnel from each school (totaling 100) and up to five students from each school (also totaling 100). Since the maximum participants for each training is 25, CSSS will have two trainings for each district (four trainings total) for the teachers, counselors and school personnel, two trainings for each district (four trainings total) for the students and two sessions for parents.
