The Board's purpose is not to meet in executive session to consider matters not on the agenda for the meeting. Should any final action, final decision, or final vote be required in the opinion of the Board with regard to any matter considered in such closed or executive session, then such final action, final decision, or final vote shall be at either: a) the open meeting covered by this notice upon the reconvening of this public meeting, or b) at a subsequent public meeting of the Board upon notice thereof, as the Board shall determine.

A. Superintendent Monthly Report - James Colbert, Jr.

Mr. Colbert advised that he had four items to update the board on for this month. He gave an update on the Head Start "Because We Care" packages and advised that they are finishing up the third realm of handing out meals and personal protective equipment to the families. He advised that HCDE has served 486 children and families, 9,720 meals and 486 PPE safety kits have been distributed as well as the 2020 Census reminder. The grand total for the first three realms is 1,669 families served and 27,600 meals provided. He recognized that the staff has dedicated over 75 hours in preparing and distributing the meals and PPE packages and acknowledges Venita Peacock and her staff for their hard work. He further stated that at this time HCDE will be bringing a closure to this initiative and will revisit it later if needed. He noted that HCDE has spent \$62,685.89 in preparing the meals and PPE packages. He stated that the board had approved to spend well over that if the program needs to resume. He stated that HCDE is in budget season right now and he and Dr. Jesus Amezcua have been working diligently on the budget. He stated that this years budget will be intricate and they are finally ready for a budget workshop that will be tentatively scheduled for next week on June 25th. Mr. Colbert advised that he would be reaching out soon to Trustee Sumners to put together a feasibility planning meeting about presenting facility projects to the committee using some of the fund balance, which he is calling "Operation Facelift". He stated there are a number of facilities that have needed to be addressed for some time but the projects have been delayed for several months due to COVID-19. He stated that he would like for the projects to coincide with the budget process moving forward. Mr. Colbert advised that HCDE is finally in the process of getting ready to open the doors back up at the administration building, with a "soft opening" on July 6th. This will include employees working in shifts with some coming in Mondays and Wednesdays and working from home Tuesdays, Thursdays and Fridays, and others coming in on Tuesdays and Thursdays and working from home on Mondays, Wednesdays and Fridays. He stated this will allow for social distancing and give custodial staff enough time to clean before the next shift. He stated that HCDE has spent a lot of money to ensure the safety of the staff and visitors, and he is being a stickler for maintaining safety as HCDE moves forward. He advised that he would be asking leadership to report to the building the week prior to opening to ensure that the building is prepped and ready to go.

B. Report of the Board Feasibility Subcommittee - Don Sumners

No report.

- C. **Other reports from Board members** concerning attendance or participation in a board or HCDE-related conference, event, activity, or committee; accolades for an HCDE staff member or other deserving person.

Danny Norris recognized the upcoming state holiday of Juneteenth. He stated that since HCDE has a unique role he wanted to put leadership on notice that HCDE needs to see how to help in this regard as far as how to react to the nationwide issues regarding police. He stated that HCDE has the capacity to ensure the schools are safe and to develop ideas for change to pass on to other districts. He stated that HCDE sits in a role where it is a good time to have that discussion of how do we help and what can we figure out to help HCDE students, staff and other school districts in the area and possibly bring it to the state legislature. He stated that HCDE needs to discuss being on the front line of helping and decision-making within policy and budget.

Title:	Disaster Relief Funds Grant Request in the amount of \$60,875		
Submitted For:	Venetia Peacock, Head Start	Submitted By:	Sharon McBride
Recommended Action:	Approve	HCDE Goal(s):	1. Impact education/respond to evolving needs 2. Deliver value responsibly
Additional Resource Personnel:	Dr. Jesus Amezcua, Jonathan Parker, Venetia L Peacock, Gayla Rawlinson, Sharvon Kamaya	Facilities/Technology Approval Needed?:	

Information**Posted Agenda Item:**

Consider approval to submit a grant request for Disaster Relief Funds in the amount of \$60,875 to the U.S. Department of Health and Human Services (HHS) Office of Head Start (OHS), to complete facility assessments at six HCDE Head Start campuses and four partnerships sites.

Subject:

Disaster Relief Funds; Grant Request; \$60,875; U.S. Department of Health and Human Services

Rationale:

The purpose of this study is to evaluate the Head Start Centers for any long-term issues that may have been caused by Hurricane Harvey or Tropical Storm Imelda. The assessments will consist of removing ceiling tiles, removing small portions of carpet, inspecting the drywall for mildew, doors and windows for leaks, the roof for any damage, foundations, playgrounds, and storm sewers. The building inspections will require us to remove or peel back layers of materials and per State Law we must have an Asbestos Manual on file prior to any work in the building. These buildings currently do not have any Asbestos Manuals on file; therefore, we must order Asbestos Testing to check for any ACM inside the building.

Re: Proposal No: 2005231 R2
Head Start Buildings
AHERA Asbestos Surveys with Operations & Maintenance (O&M) Plan (if necessary) and Property Assessment Letters

Dear Dr. Amezcua,

Pursuant to your request, ERC Environmental & Construction Services, Inc. (ERC) is pleased to submit this proposal for the above referenced work at the subject property.

AHERA ASBESTOS SURVEYS

Field Investigation & Sampling for ACM

Identify and locate friable and non-friable Asbestos-Containing Materials (ACM) within the subject project. Suspect materials will be sampled and analyzed for asbestos content by Polarized Light Microscopy (PLM) in accordance with the Environmental Protection Agency (EPA) methodology. A minimum of three (3) samples of each suspect material will be collected and submitted for analysis for asbestos content. Analysis of samples collected will be performed by a qualified and Texas Department of State Health Services (DSHS) and National Voluntary Laboratory Accreditation Program (NVLAP) certified laboratory. The inspection(s) will be conducted by our on-staff EPA and DSHS accredited Inspectors.

This asbestos survey is designed to inspect and assess the condition of accessible suspect ACM utilized in the construction of the subject project as well as addressing the requirements of the Asbestos Hazard Emergency Response Act (AHERA) and 40 CFR

763, Asbestos-Containing Materials in Schools. If asbestos is found, this proposal includes the cost of creating a custom Management Plan for the facility.

Result Compilation & Report

Provide a report of our findings and observations – one (1) electronic copy (PDF format) and, if requested, up to one (1) hard copy. If no ACM sources are located, the report documents our work. If asbestos or lead based paint sources are located, our report will provide the following:

- Confirmation of the presence of ACM in the subject property,
- General locations, type(s) estimated quantities, condition assessments of ACM found,
- Risk assessment (AHERA Risk Categories) of ACM found and prioritizing removal,
- Photo documentation of representative test sites, and
- Computer Design & Drafting (CADD) floor plans (base on reproducible, as-built plans to be provided by owner) detailing sampling locations.

OPERATIONS & MAINTENANCE MANUAL (IF REQUIRED)

Provide documentation for implementation of the comprehensive site-specific Operations & Maintenance Program for control and management of Asbestos-Containing Materials (ACM) in the facility.

- Program documentation to consist of an Operations and Maintenance (O&M) manual containing formats for regulatory notices, ACM damage reports, ACM work reports, employee and occupant acknowledgments, and other applicable formats. Includes one hard-copy and, if requested, one electronic (PDF) version,
- Filing and record keeping system,
- Air monitoring requirements and formats,
- Specific work practices for use by building maintenance, custodial and contractor personnel (step-by-step format),
- Copies of applicable references with summaries, and

- Introductory information summaries.

PROPERTY ASSESSMENT LETTERS

- Visit each property and assess for damage from flood waters during Hurricane Harvey.
- Provide a brief assessment report.

HARRIS COUNTY DEPARTMENT OF EDUCATION

Early Head Start Program

2019-2020 Non-Federal Share Waiver Request

Harris County Department of Education (HCDE) requests a \$440,000 partial waiver of the required non-federal share for its Early Head Start Program during the September 1, 2019 to August 31, 2020 grant period. HCDE's required match is currently \$549,292. The agency is struggling to meet it due to the community being affected by the COVID-19 pandemic. This reduction will result in a total non-federal share of \$109,292 required for the program.

HCDE has been closely monitoring the evolving situation with COVID-19. As of June 23, 2020, there are more than 36,000 confirmed cases of COVID-19 in the Greater Houston/Harris County area and the numbers continue to climb.¹ With the closure of schools and workplaces due to the pandemic, HCDE's service community is facing challenges unlike anything previously encountered. Loss of jobs and wages, illness, academic challenges and decline in businesses are a new reality. This has resulted in unprecedented fundraising challenges for HCDE.

In accordance with the Center for Disease Control and public health officials, HCDE temporarily suspended all in-person programming that brings children together in groups. The suspension began March 16, 2020 and remains in effect, however, Early Head Start is still providing services to the community.

HCDE Early Head Start conducted three rounds of drive-thru food and diaper distributions to families at its Baytown campus and four Child Care Partnership sites from March through June. Staff personally delivered care packages to families who were not able to attend. The program called *Because We Care* provided food items meeting healthy food guidelines selected by nutrition staff at HCDE Head Start during the COVID-19 stay-at-home order and reopening. A total of 100 Early Head Start families received care packages that included shelf stable items such as rice, oatmeal, pasta, canned foods, peanut butter, baby food, diapers and educational packets with materials for parents to complete activities from the program's *What You Do Matters* parenting curriculum.

**INTERLOCAL AGREEMENT FOR SPECIALIZED SERVICES
HIGHPOINT SCHOOL (HS) EAST**

2020-2021 ANNUAL CONTRACT

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, Harris County Department of Education ("HCDE") and **Deer Park Independent School District, ("DPISD")** hereby enter into an Interlocal Contract ("Contract") for the purpose of providing educational and related services under the Texas Education Code (TEC), Chapter 37, for students who have been removed from **DPISD** for committing an offense described in TEC, Chapter 37, or for engaging in behavior(s) for which **DPISD** Student Code of Conduct requires a discipline alternative education placement.

1. For the period beginning **August 24, 2020** and ending **June 3, 2021**, HCDE agrees to provide services described herein for **nine (9)** units to eligible student(s) requiring a discipline alternative education placement (referred to herein as "student(s)") who are residents of **DPISD**.
2. HCDE agrees to provide specialized facilities and properly certified/licensed personnel necessary to appropriately educate and provide instructional and counseling services to the student(s) in accordance with applicable law. During the period of this Contract, if HCDE fails to provide the necessary specialized facilities and certified personnel, **DPISD** may terminate services until such time as HCDE can provide the necessary specialized services contracted herein. HCDE will not be held responsible for the services contracted herein if the necessary specialized facilities and properly certified/licensed personnel are unavailable.
3. HCDE agrees to furnish the **DPISD** with a weekly statement of student(s) attendance.
4. HCDE agrees to maintain necessary records and accounts in order to assure that funds received from **DPISD** have been expended for the services described herein. HCDE agrees to provide these records and other information as may be required by **DPISD**.
5. **DPISD** is responsible for providing transportation to and from Highpoint. Location of pick-up and drop-off points and time of service will be determined by representatives of **DPISD** and HCDE.
6. **DPISD** will provide copies of all pertinent school records pertaining to the student(s). **DPISD** agrees to furnish HCDE a copy of any additional pertinent documents regarding the student(s) that may be obtained by **DPISD** during the term of this Contract. Records must include, but are not limited to, (a) a recommendation letter from the school or district stating explicitly why the student is being referred to Highpoint; (b) the student's Middle School Plan (for students in grades 6-8); or (c) the student's Graduation Plan (for students in grades 9-12); (d) the student's current transcript, including all achievement test records; (e) for special education students, the student's current IEP, in accordance to Article 8 of this contract; (f) withdrawal form, which shall indicate the list of current courses in which the student is enrolled, the grade earned and the textbook and other instructional resources being used with that subject; and (g) the student's current year's attendance records.
7. Special Education student(s) served under this Contract have been classified by the Admission, Review and Dismissal (ARD) Committee of the school of regular attendance within **DPISD** and recommended for services as described herein. The ARD Committee of **DPISD** has affirmed the classification and approved the recommendation of such contracted services. An HCDE representative must participate in the ARD Committee meeting considering Highpoint placement.

8. With referred Special Education student(s), HCDE is responsible for providing the educational and support services that are provided to non-disabled students. Additional services required by a disabled student(s) to implement the student's Individualized Education Plan (IEP) and/or 504 plan are to be provided by **DPISD**. **DPISD** may make such services available in conjunction with Highpoint or at a separate time and location, at the discretion of **DPISD** and the ARD Committee. If **DPISD** chooses to make such services available in conjunction with Highpoint, **DPISD** will cooperate with Highpoint to minimize disruption at Highpoint. If **DPISD** requires the student(s) to leave during the school day, the IEP must include transportation as a related service.
9. HCDE will update **DPISD** on the progress of the referred student(s) at least once per semester. A member of the **DPISD** administrative staff will monitor, assess and evaluate student's progress as established by this Contract, including at least one (1) on-site visit annually.
10. In consideration of the services provided herein, **DPISD** agrees to pay HCDE an in-county fee of **\$90,441** and any additional fees in the following manner:

\$10,049 times the number of units purchased. **DPISD** will be billed twice a year and payment will be due upon receipt of invoice.

\$75.00 special education surcharge times the number of enrollment days for Special Education student(s).

\$115.00 per diem times the number of student(s) in attendance over the number of units purchased (9).

HCDE will bill **DPISD** for the amount of units purchased. **DPISD** may sell unused units to another district upon obtaining HCDE's prior written consent.

In the event that **DPISD** makes a payment to HCDE with a credit card, **DPISD** agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and costs borne by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
11. The parents of the student(s) shall not be charged for the services contracted under this Contract.
12. HCDE will follow IDEA and other applicable laws when considering dismissal and/or expulsion of a qualified special education student(s) from the Highpoint program.
13. This Contract may be amended only by the mutual agreement of the parties, in writing, to be attached to and incorporated in this Contract.
14. Each party paying for the performance of governmental functions must make those payments from current revenues available to the paying party.
15. Neither this Contract nor any duties or obligations under it shall be assignable by either party without the prior written acknowledgment and authorization of the other party.

The ARD Committee of the GCCISD has affirmed the placement and approved the recommendation of such contracted services. The GCCISD shall comply with HCDE's procedures for requesting placement of a GCCISD student at HCDE prior to consideration of the placement by GCCISD's ARD Committee. 6. **Local Education Agency.** Student(s) receiving services from HCDE pursuant to this Contract remain enrolled in GCCISD and are considered students of GCCISD for all purposes. GCCISD remains the Local Education Agency ("LEA"), as that term is defined by the Individuals with Disabilities Education Act ("IDEA"), and solely retains the obligation to provide and to ensure that any GCCISD student is provided a free appropriate public education ("FAPE") while receiving services from HCDE. For any dispute, including a special education complaint or due process hearing, arising under the IDEA or other applicable law regarding a GCCISD student placed at HCDE, GCCISD recognizes and acknowledges that HCDE is not the LEA for the GCCISD student and is in no way liable to the student, parent, or GCCISD under the IDEA or other applicable law.
7. **Student Records.** GCCISD will provide copies of all Student Records (as hereinafter defined) pertaining to the student(s) prior to the student(s)'s first day of attendance at HCDE. Both parties agree to abide by FERPA's limitations and requirements imposed on school officials, including, but not limited to, the requirements of 34 C.F.R. 99.33(a). HCDE and GCCISD expressly agree that: (1) the services/functions to be provided by HCDE are services/functions for which GCCISD would otherwise use its own employees; (2) both parties have been determined to meet the criteria set forth in GCCISD's annual notification of FERPA rights for being school officials with legitimate educational interests in the Student Records; (3) GCCISD is under HCDE's direct control with respect to GCCISD's access to, use of, and disclosure of Student Records as gathered and maintained by HCDE; (4) HCDE is under GCCISD's direct control with respect to HCDE's access to, use of, and disclosure of Student Records as gathered and maintained by GCCISD; and (5) both parties will use Student Records only for authorized purposes and will not re-disclose Student Records to other parties, unless each party has specific authorization from the other party to do so or the disclosure is otherwise permitted by applicable law, including without limitation, FERPA, HIPAA, COPPA, IDEA, PPRA, and the Texas Identity Theft Enforcement and Protection Act.

FIRST AMENDMENT TO CONTRACT
BETWEEN HARRIS COUNTY DEPARTMENT OF EDUCATION
AND *DVS Co-ops* (VENDOR NAME)

This First Amendment to the Contract, RFP #15/034TJ Food Equipment, Parts, Repair, Installation, Maintenance, Small Wares and Related Items ("First Amendment") is entered into effective as of the 20th day of June, 2018, by and between Harris County Department of Education ("HCDE"), a Texas county school district, having its principal office and place of business at 6300 Irvington Blvd., Houston, Texas 77022, and *DVS Co-ops* ("Vendor"), having its principal office and place of business at **VENDOR ADDRESS** *606 Dennis*. HCDE and Vendor shall be referred to collectively herein as the "Parties."

WHEREAS, HCDE and Vendor entered into a Contract resulting from HCDE's procurement solicitation RFP #15/034TJ Food Equipment, Parts, Repair, Installation, Maintenance, Small Wares and Related Items ("Contract") on August 18, 2015, pursuant to which Vendor agreed to supply goods and/or services to HCDE and members of HCDE's purchasing cooperative, Choice Partners ("CP"), as outlined in the Contract;

WHEREAS, the Contract provides, "No amendment of this Contract shall be permitted unless and until first approved in writing by HCDE/CP and, if necessary, the CP member(s), and no such amendment shall have any effect unless and until a written amendment to this Contract is executed by the HCDE Superintendent or his designee after any necessary approvals have been obtained from the HCDE Board of Trustees;"

WHEREAS, HCDE and Vendor desire to amend the Contract as stated in this First Amendment; and

WHEREAS, this First Amendment has been duly approved by Vendor and by an authorized representative of HCDE.

NOW, THEREFORE, in consideration of the mutual promises and undertakings and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. The Parties agree to renew the Contract for an additional one-year term, for the period of August 18, 2018 to August 17, 2019.
2. The Contract's Section 4.2 "Market Basket Survey" is hereby deleted in its entirety and is replaced with the following:

4.2. Market Basket Analysis. HCDE/CP reserves the right, in its sole discretion, to use a "Market Basket Analysis" method, as that term is defined by applicable USDA/TDA regulations and guidance. The Market Basket Analysis sample is established to represent 75% of the total estimated value of the Contract. The most recent velocity/sales report(s) from HCDE/CP's current supplier(s) will be used to project the balance of the year and adjusted for any estimated change in menu and participation for the following year. As an example, this list of [100] goods to be purchased under this Contract includes the top [60] goods purchased by dollar volume representing the 75% threshold. Prices for the remaining [40] goods listed in the Contract should also be included, though they will not be a part of the Market Basket Analysis. The Market Basket Analysis shall not be used for service or equipment contracts/procurement solicitations or for Fee-For-Service Processing contracts.

3. The Contract's Section 4.8 "Minority and Women's Business Enterprise (MWBE), Historically Under-utilized Business (HUB) and Small Business Enterprise (SBE) Participation" is hereby deleted in its entirety and is replaced with the following:

Section 4.8 Minority and Women's Business Enterprise (MWBE), Historically Under-utilized Business (HUB) and Small Business Enterprise (SBE) Participation. HCDE/CP encourages the use of HUB, MWBE, and SBE both as prime and subcontractors. However, these entities must meet the same minimum standards and requirements as the prime contractor. It will be the responsibility of the prime contractor to pre-qualify any subcontractors offered as HUB, MWBE and SBE participants. Some CP members have specific goals for subcontracting requirements and will require that a plan be attached to meet their goals. The Vendor shall also indicate on their submitted proposals whether or not they are a HUB, MWBE, or SBE vendor and with whom they are certified, e.g., State, City, Federal, and attach a copy of the certificate(s) under "Response Attachments" section

new product(s) made during that Term will be the basis for determining the maximum dollar amount (not to exceed 10%) of the additional new product(s) that will be allowed during the next Contract renewal term.

6. Except as expressly amended by this First Amendment, the Contract shall continue in full force and effect, according to its original terms.
7. Terms that are in capital letters used in this First Amendment shall have the meanings given to them in the Contract.
8. The parties agree that this First Amendment may be delivered in multiple counterparts, each of which shall have the same effect as an original, and may be executed and delivered electronically.

IN WITNESS WHEREOF, the authorized representatives of the Parties have executed and delivered this First Amendment with effect as of the day and year first above written.

Interlocal Agreement
between Harris County Department of Education
& Victoria Independent School District

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and Victoria I.S.D., a local governmental entity and/or political subdivision ("LGE"), located in Victoria (city), Texas (state), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. **Term.** The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.
2. **Agreement.** The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.
3. **Purpose and Scope of Work.**
 - A. **HCDE agrees to:**
 - Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
 - Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
 - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.
 - B. **LGE agrees to:**
 - Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
 - Agree to follow the terms and conditions of each independent contract or purchase order.
 - Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.
4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.
5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. **Termination.** This Agreement may be terminated prior to the expiration of the Term hereof as follows:

- By either Party, with or without cause, upon thirty (30) days' prior written notice;
- By mutual written agreement of the Parties; or
- By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. **Assignment.** Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. **Conflict of Interest.** During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. **Contract Amendment.** This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

14. **Notice.** Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

15. **Relation of Parties.** It is the intention of the parties that LGE is independent of HCDE and not an employee, agent, joint venturer, or partner of HCDE and nothing in this Agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee, agent, joint venturer or partner, between HCDE and LGE or HCDE and any of LGE's representatives.

16. **Non-Exclusivity of Services.** Nothing in this Agreement may be construed to imply that HCDE has exclusive right to provide LGE with programs or services. During the Term of this Agreement, LGE reserves the right to use all available resources to procure other programs and services as needed and, in doing so, will not violate any rights of HCDE.

17. Disclaimer. HCDE DOES NOT WARRANT THAT THE OPERATION OR USE OF HCDE PROGRAMS AND/OR SERVICES WILL BE UNINTERRUPTED OR ERROR FREE. HCDE HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, IN REGARD TO ANY INFORMATION, PRODUCT, PROGRAM, OR SERVICE FURNISHED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
18. Limitation of Liability. Without waiver of the Disclaimer in Article 17 of this Agreement, the Parties agree that:
- Neither Party waives any immunity afforded to it under applicable law; and
 - Neither Party shall be liable to the other Party for special, incidental, or exemplary damages with regard to any lawsuit or formal adjudication arising out of or relating to this Agreement.
19. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegality, or unenforceable provision had never been contained in it.
20. Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflicts of laws provisions. The mandatory and exclusive venue for the adjudication or resolution of any dispute arising out of this Agreement shall be in Houston, Harris County, Texas.
21. No Waiver. Nothing in this Agreement shall be deemed to waive, modify, or amend any legal defense available at law or equity to a Party, including the defense(s) of immunity. No failure on the part of either Party at any time to require the performance by the other Party of any term hereof shall be taken or held to be a waiver of such term or in any way affect such Party's right to enforce such term, and no waiver on the part of either Party of any term hereof shall be taken or held to be a waiver of any other term hereof or the breach thereof. No waiver, alteration, or modification of any of the provisions of this Agreement shall be binding unless in writing and signed by duly authorized representatives of the Parties hereto.
22. Benefit for Signatory Parties Only. Neither this Agreement, nor any term or provisions hereof, not any inclusion by reference, shall be construed as being for the benefit of any party not in signatory hereto.

4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of Non-Profit.
 5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and Non-Profit.

Non-Profit agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by Non-Profit. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.
7. Invoices. HCDE will invoice Non-Profit for the HCDE programs and services that Non-Profit purchases from HCDE. Non-Profit agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date Non-Profit receives the goods; (2) the date the performance of the service is completed; or (3) the date Non-Profit receives an invoice for the goods or service. If Non-Profit makes a payment to HCDE with a credit card, Non-Profit agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).
8. Participation in HCDE's Cooperative Purchasing Program. If Non-Profit elects to participate in HCDE's cooperative purchasing program, Choice Partners, Non-Profit shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to Non-Profit for participation in Choice Partners. Non-Profit shall make payments directly to vendors. Non-Profit shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. Non-Profit shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between Non-Profit and the vendor. HCDE is not responsible or liable for the performance of any vendor used by Non-Profit as a result of this Agreement or Non-Profit's participation in Choice Partners.
9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
- By either Party, with or without cause, upon thirty (30) days' prior written notice;
 - By mutual written agreement of the Parties; or
 - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.
- Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and Non-Profit or between Non-Profit and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, Non-Profit shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.
11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.
12. Conflict of Interest. During the Term of HCDE's service to Non-Profit, Non-Profit, its personnel and agents, shall not, directly or indirectly, whether for Non-Profit's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.
13. Certificate of Interested Parties. HCDE is required to comply with House Bill 1295, which amended the Texas Government Code by adding Section 2252.908, Disclosure of Interested Parties. Section 2252.908 prohibits HCDE from entering into a contract with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to HCDE at the time business entity submits the signed contract. Non-Profit agrees to complete the Certificate of Interested Parties electronically with the Texas Ethics Commission and submit the original signed, notarized certificate to HCDE with submission of this signed Agreement.
14. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

Fund Member agrees to use the Fund's contractors for services related to the administration of claims and to follow the Fund's election under Section 504.053 of the Labor Code to direct care through the Political Subdivision Workers' Compensation Alliance.

Claim Reporting: For Workers' Compensation claims arising during the CCS participation period, the Fund Member agrees that it will report those claims solely to the Fund. The report of Workers' Compensation claims to any other entity, regardless of reporting sequence, will waive all Fund liability under this agreement for those claims.

The Fund shall determine the applicable program for each contribution. Termination under this Agreement of any program shall not affect the remaining programs.

Termination: This CCS may be terminated by either party with termination to be effective on any successive renewal date by giving written notice to the other party no later than 30 days prior to automatic renewal in accordance with Section 4(a) of the Interlocal Participation Agreement. If this CCS is not terminated, the renewal CCS becomes effective on the automatic renewal date and the member shall be bound by the terms of the renewal CCS.

TASB RISK MANAGEMENT FUND INTERLOCAL PARTICIPATION AGREEMENT

Pursuant to the Texas Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, this Interlocal Participation Agreement (Agreement) is entered into by and between the Texas Association of School Boards Risk Management Fund (Fund) and the undersigned local government of the State of Texas (Fund Member). The Fund is an administrative agency of local governments (Fund Members) that cooperate in performing administrative services and governmental functions relative to risk management.

TERMS AND CONDITIONS

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, including, without limitation, the agreement of the Fund and Fund Members to provide risk management programs as detailed in this Agreement, the receipt and sufficiency of which are hereby acknowledged, Fund Member and the Fund, intending to be legally bound, and subject to the terms, conditions, and provisions of this Agreement, agree as follows:

1. **Authority.** Fund Member hereby approves and adopts the Restatement of Interlocal Agreement, dated May 20, 1997, which restated the Interlocal Agreement dated July 2, 1974, establishing the predecessor of the Fund. The Restatement of Interlocal Agreement is incorporated into this Agreement by reference and is available from the Fund upon request. This Agreement serves to outline the relationship between the Fund and Fund Member. While the Texas Interlocal Cooperation Act provides the overarching basis for the Fund, certain Fund programs are further authorized pursuant to various statutes, such as Chapter 205 of the Texas Labor Code, pertaining to unemployment compensation; Chapter 504 of the Texas Labor Code, pertaining to workers' compensation; and Chapter 2259, Subchapter B, of the Texas Government Code, pertaining to other risks or hazards.
2. **Program Participation.** This Agreement enables Fund Member to participate in one or more of the Fund's available programs, including but not limited to, property, liability, auto, workers' compensation, and unemployment compensation coverage. Because this is an enabling Agreement, Fund Member must also execute a separate Contribution and Coverage Summary (CCS) for each Fund program from which it seeks coverage and/or administrative services. Only a valid CCS will confer the right to participate in a specific program and each CCS shall be incorporated into this Agreement. Through participation in any Fund program, Fund Member waives none of its immunities and authorizes the Fund, or its designee, to assert such immunities on its behalf and on behalf of the Fund or its designee.
3. **Term of Agreement.** This Agreement shall be effective from the date of the last signature below and shall remain in effect unless terminated as provided in this Agreement. This Agreement will automatically terminate if Fund Member ceases to participate in at least one of the Fund's programs (due to the expiration of a CCS participation term or the valid termination of same) or fails to meet the membership qualifications of the Fund as provided in this Agreement and as determined by the Fund in writing.
4. **Termination.** Unless this Agreement is automatically terminated as described above, this Agreement, and/or any component CCS applicable to Fund Member, can be terminated as set forth below. However, the termination of any single Fund program under a CCS shall not also result in the automatic termination of another pending CCS, or this enabling Agreement if any other CCS is still in force for Fund Member. Rather, each Fund program can only be terminated as provided in this Agreement.
 - a. **By Either Party with 30 Days Notice before Renewal.** Any CCS may be terminated by either party with termination to be effective on any successive renewal date by giving written notice to the other party no later than 30 days prior to automatic renewal.
 - b. **By Fund Member upon Payment of Late Notice Fee.** If Fund Member fails to terminate a CCS as provided above, it may still terminate participation in any Fund program prior to the renewal date by paying a late notice fee as herein provided. If Fund Member terminates the CCS before the renewal date, but with fewer than 30 days' advance written notice, Fund Member agrees to pay the Fund a late notice fee in the amount of 25% of the annual contribution for the expiring participation term. Fund Member expressly acknowledges that the late notice fee is not a penalty, but a reasonable approximation of the Fund's damages for the Fund Member's untimely withdrawal from the program identified in the CCS. However,

once the renewal term of a CCS commences, Fund Member can no longer terminate the CCS by paying a late notice fee; the CCS shall renew and Fund Member shall be bound thereby.

c. **By the Fund upon Breach by Fund Member.**

- 1) The Fund may terminate this Agreement or any CCS based on breach of any of the following obligations, by giving 10 days' written notice to Fund Member of the breach; and Fund Member's failure to cure the breach within said 10 days (or other time period allowed by the Fund):
- 2) Fund Member fails or refuses to make the payments or contributions required by this Agreement;
- 3) Fund Member fails to cooperate and comply with any reasonable requests for information and/or records made by the Fund;
- 4) Fund Member fails or refuses to follow loss prevention or statutory compliance requirements of the Fund, as provided in this Agreement; or
- 5) Fund Member otherwise breaches this Agreement.

If the Fund terminates this Agreement, or any CCS, based on breach as described above, Fund Member agrees that the Fund will have no responsibility of any kind or nature to provide coverage on the terminated Fund program post-termination. Further, Fund Member shall bear the full financial responsibility for any unpaid open claim and expense related to any claim, asserted or unasserted and reported or unreported, against the Fund or Fund Member, or incurred by the agents or representatives of Fund Member.

In addition to the foregoing, if termination is due to Fund Member's failure to make required payments or contributions, Fund Member agrees that it shall pay the Fund liquidated damages in the amount of 50% of the annual contribution for the participation term identified in the terminated CCS.

5. **Contributions.**

- a. **Agreement to Pay.** Fund Member agrees to pay its contribution for each Fund program in which it participates based on a plan developed by the Fund. The amount of contribution will be stated in the relevant CCS and will be payable upon receipt of an invoice from the Fund. Late fees amounting to the maximum interest allowed by law, but not less than the rate of interest authorized under Chapter 2251, Texas Government Code, shall begin to accrue daily on the first day following the due date and continue until the contribution and late fees are paid in full. If Fund Member owes the Fund payments under this Agreement, including any CCS, the Fund may offset such amounts from any Fund Member funds held by the Fund, regardless of program.
- b. **Estimated Contribution.** In specified situations, the amount of contribution shown in the CCS will be identified as an estimate. The Fund reserves the right to request an audit of updated exposure information at the end of the CCS participation term and adjust contributions if Fund Member's exposure changes during the CCS participation term. As a result of the exposure review, any additional contribution payable to the Fund shall be paid by Fund Member, and any overpayment of contribution by Fund Member shall be returned by the Fund. The Fund reserves the right to audit the relevant records of Fund Member in order to conduct this exposure review.

Upon expiration of each participation period, Fund Member may request a contribution adjustment due to exposure changes. Such request must be made in writing within 60 days after the end of the participation period. Fund Member must provide documentation as requested by the Fund to demonstrate that the exposure change warrants a contribution adjustment.

- c. **Contribution Adjustment.** Should the Fund's underwriting income for any program within a given program year be inadequate to pay the ultimate cost of claims incurred for that year, the Fund may collect an adjusted contribution from any current or former Fund Member if that Fund Member's contribution is inadequate to pay the Fund Member's claims incurred during that year.

6. **Contribution and Coverage Summary.** Fund Member agrees to abide by each CCS that governs its participation. A CCS will incorporate the program specific coverage document, if any, which sets forth the scope of coverage and/or services from the Fund. A CCS for a Fund program will state the participation term. After Fund Member's initial execution of a CCS, the CCS will automatically renew annually, unless terminated in accordance with this Agreement. Any renewal containing a change in the amount of contribution or other terms will be subject to the Amendment by Notice process described in this Agreement.
7. **Loss Prevention.** The Fund may provide loss prevention services to Fund Member. Fund Member agrees to adopt the Fund's reasonable and customary standards for loss prevention and to cooperate in implementing any and all reasonable loss prevention and statutory compliance recommendations or requirements.
8. **Other Duties of Fund Member.**
 - a. **Standards of Performance.** Time shall be of the essence in Fund Member's reporting of any and all claims to the Fund, payment of any contributions or monies due to the Fund, and delivery of any written notices under this Agreement.
 - b. **Claims Reporting.** Notice of any claim must be provided to the Fund no more than 30 days after Fund Member knows or should have known of the claim or circumstances leading to the claim, unless a different reporting requirement is required by law or provided for in the CCS. Failure by Fund Member to timely report a claim may result in denial of coverage or payment of fines or penalties imposed by law or regulatory agencies. If the Fund advances payment of any fine or penalty arising from Fund Member's late claim reporting, Fund Member will reimburse the Fund for all such costs.
9. **Administration of Claims.** The Fund or its designee agrees to administer all claims for which Fund Member has coverage after Fund Member provides timely written notice to the Fund. Fund Member hereby authorizes the Fund or its designee to act in all matters pertaining to handling of claims for which Fund Member has coverage pursuant to this Agreement. Fund Member expressly agrees that the Fund has sole authority in all matters pertaining to the administration of claims and grants the Fund or its designee full decision-making authority in all matters, including without limitation, discussions with claimants and their attorneys or other duly authorized representatives. Fund Member further agrees to be fully cooperative in supplying any information reasonably requested by the Fund in the handling of claims. All decisions on individual claims shall be made by the Fund or its designee, including, without limitation, decisions concerning claim values, payment due on the claim, settlement, subrogation, litigation, or appeals.
10. **Excess Coverage/Reinsurance.** The Fund, in its sole discretion, may purchase excess coverage or reinsurance for any or all Fund programs. In the event of a substantial change in terms or cost of such coverage, the Fund reserves the right to make adjustments to the terms and conditions of a CCS as allowed by the Amendment by Notice process under this Agreement. If any reinsurer, stop loss carrier, and/or excess coverage provider fails to meet its obligations to the Fund or any Fund Member, the Fund is not responsible for any payment or any obligations to Fund Member from any reinsurer, stop loss carrier, or excess coverage provider.
11. **Subrogation and Assignment of Rights.** Fund Member, on its own behalf and on behalf of any person entitled to benefits under this Agreement, assigns all subrogation rights to the Fund. The Fund has the right, in its sole discretion, without notice to Fund Member, to bring all claims and lawsuits in the name of Fund Member or the Fund. Fund Member agrees that all subrogation rights and recoveries belong first to the Fund, up to the amount of benefits, expenses, and attorneys' fees incurred by the Fund, with the balance, if any, being paid to Fund Member, unless otherwise specifically stated in the Agreement. Award of funds to any person entitled to coverage, whether by judgment or settlement, shall be conclusive proof that the injured party has been made whole. Fund Member's right to be made whole is expressly superseded by the Fund's subrogation rights. If Fund Member procures alternate coverage for a risk covered by the Fund, the latter acquired coverage shall be deemed primary coverage concerning that risk.
12. **No Waiver of Subrogation Rights.** Fund Member shall do nothing to prejudice or waive the Fund's existing or prospective subrogation rights under this Agreement. If Fund Member has waived any subrogation right without first obtaining the Fund's written approval, the Fund shall be entitled to recover from Fund Member any sums that it would have been able to recover absent such waiver. Recoverable amounts include attorneys' fees, costs, and expenses.

13. **Appeals.** Fund Member shall have the right to appeal any written decision or recommendation to the Fund's Board of Trustees, and the Board's determination will be final. Any appeal shall be made in writing to the Board Chair within 30 days of the decision or recommendation.
14. **Bylaws, Policies, and Procedures.** Fund Member agrees to abide by the Bylaws of the Fund, as they may be amended from time to time, and any and all written policies and procedures established by the Fund (which are available from the Fund upon written request). If a change is made to the Fund's Bylaws, written policies or procedures which conflicts with or impairs a CCS, such change will not apply to Fund Member until the renewal of such CCS, unless Fund Member specifically agrees otherwise.
15. **Payments.** Fund Member represents and warrants that all payments required under this Agreement of Fund Member shall be made from its available current revenues.
16. **Cooperation and Access.** Fund Member agrees to cooperate and to comply in a timely manner with all reasonable requests for information and/or records made by the Fund. Fund Member further agrees to provide complete and accurate statements of material facts, to not misrepresent or omit such facts, engage in fraudulent conduct or make false statements to the Fund. The Fund reserves the right to audit the relevant records of Fund Member to determine compliance with this Agreement.
17. **Fund Member's Designation of Coordinator.** Fund Member agrees to designate a coordinator (Program Coordinator) for Fund Member on this Agreement or any CCS executed by Fund Member. Fund Member's Program Coordinator shall have express authority to represent and to bind Fund Member, and the Fund will not be required to contact any other individual regarding matters arising from or related to this Agreement. Fund Member reserves the right to change its Program Coordinator as needed, by giving written notice to the Fund; such notice is not effective until actually received by the Fund. Notice provided to the Chief Executive Officer of Fund Member shall also serve as notice to the Program Coordinator.
18. **Security of Documents.** Under this agreement the Fund may grant Fund Member access to sensitive or protected information. Fund Member agrees to assume the responsibility for maintaining the security of this information and to take all reasonable steps to avoid unauthorized disclosure of this information.
19. **Insurance Terminology.** The Fund is not "insurance", but is instead a mechanism through which eligible governmental entities join together to collectively self-insure and administer certain risk exposures. Any reference in this Agreement to an insurance term or concept is coincidental, is not intended to characterize the Fund as "insurance" as defined by law, shall be deemed to apply to self-insurance, and is not to be construed as being contrary to the self-insurance concept.
20. **Representation.** Fund Member authorizes the Fund to represent Fund Member in any lawsuit, dispute, or proceeding arising under or relating to any Fund program and/or coverage in which Fund Member participates. The Fund may exercise this right in its sole discretion and to the fullest extent permitted or authorized by law. Fund Member shall fully cooperate with the Fund, its designee, and the Fund's chosen counsel, including, without limitation, supplying any information necessary or relevant to the lawsuit, dispute, or proceeding in a timely fashion. Subject to specific revocation, Fund Member designates the Fund to act as a class representative on its behalf in matters arising out of this Agreement.
21. **Members' Equity.** The Fund Board, in its sole discretion, may declare a distribution of the Fund's members' equity to Fund Members. Members' equity belongs to the Fund. No individual Fund Member is entitled to an individual allocation or portion of members' equity.
22. **Entire Agreement.** This Agreement, together with the Restated Interlocal Agreement, Bylaws and CCSs that are in effect as to Fund Member from time to time, represent and contain the complete understanding and agreement of the Fund and Fund Member, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Fund and Fund Member other than those set forth in this Agreement duly executed in writing. In the event of conflict between the terms of this Agreement and the Restated Interlocal Agreement, Bylaws or any CCS, the specific terms of the later adopted agreement shall prevail to the extent necessary to resolve the conflict. This Agreement replaces all previous Interlocal Participation Agreements between the Fund and Fund Member. Notwithstanding the foregoing, this Agreement does not supersede any unexpired participation term or pending claim under an existing agreement between Fund Member and Fund.

23. **Amendment by Notice.** This Agreement, including any of its component CCSs or coverage documents, may be amended by the Fund, in writing, by providing Fund Member with written notice before the earlier of (i) the effective date of the amendment or (ii) the date by which Fund Member can terminate without payment of late notice fees or liquidated damages. Unless this Agreement expressly provides otherwise, an amendment shall only apply prospectively and Fund Member shall have the right to terminate this Agreement, or a component CCS to which the amendment applies, before the amendment becomes effective, as provided in this Agreement. If Fund Member fails to give the Fund timely written notice of termination, Fund Member shall be deemed to have consented to the Fund's amendment and agrees to abide by and be bound by the amendment, without necessity of obtaining Fund Member's signature.

The Fund may amend this Agreement or any CCS effective upon renewal. Amendments may be for any reason including changes to the terms or contribution amount.

The Fund may also amend this Agreement or any CCS, effective during the term of a CCS, for any reason including but not limited to the following:

- a. State or federal governments, including any court, regulatory body or agency thereof, adopt a statute, rule, decision, or take any action that would substantially impact the rights or financial obligations of the Fund as it pertains to this Agreement, or any Fund program or CCS.
- b. The terms of the Fund's stop-loss or excess coverage or reinsurance change substantially.

If the Fund exercises the option to amend the Agreement or any CCS during the term of a CCS and prior to renewal, the Fund shall give Fund Member 30 days advance written notice. Fund Member will then have the right during the 30-day period to give the Fund written notice of termination of the applicable Fund program, effective upon the expiration of the 30-day notice period (or longer period if so provided by the Fund in writing).

24. **Severability; Interpretation.** If any portion of this Agreement shall be declared illegal or held unenforceable for any reason, the remaining portions shall continue in full force and effect. Any questions of particular interpretation shall not be interpreted against the drafter of this Agreement, but rather in accordance with the fair meaning thereof.
25. **Governing Law; Venue; Attorneys' Fees.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law principles of such state. Venue for the adjudication or resolution of any dispute arising out of or relating to this Agreement shall lie in Travis County, Texas, unless otherwise mandated by law. In the event of a lawsuit or formal adjudication between Fund Member and the Fund, the prevailing party is entitled to recover reasonable and necessary attorneys' fees that are equitable and just.
26. **Waiver.** No provision of this Agreement will be deemed waived by either party unless expressly waived in writing by the waiving party. No waiver shall be implied by delay or any other act or omission. No waiver by either party of any provision of this Agreement shall be deemed a waiver of such provision with respect to any subsequent matter relating to such provision.
27. **Assignment.** This Agreement or any duties or obligations imposed by this Agreement shall not be assignable by Fund Member without the prior written consent of the Fund.
28. **Authorization.** By the execution of this Agreement, the undersigned individuals warrant that they have been authorized by all requisite governance action to enter into and to perform the terms and conditions of this Agreement.
29. **Notice.** Unless expressly stated otherwise in this Agreement, any notice required or provided under this Agreement by either party to the other party shall be in writing and shall be sent by first class mail, postage prepaid or by a carrier for overnight service or by electronic means typically used in commerce. Notice to the Fund shall be sufficient if made or addressed as follows: TASB Risk Management Fund, P.O. Box 301, Austin, Texas 78767-0301, or tasbrmf@tasbrmf.org. Notice to a Fund Member shall be sufficient if addressed to the Program Coordinator or Fund Member's Chief Executive Officer and mailed to Fund Member's physical or electronic address of record on file with the Fund.

30. **Signatures/Counterparts.** The failure of a party to provide an original, manually executed signature to the other party shall not affect the validity or enforceability of this Agreement. Either party may rely upon a facsimile or imaged signature as if it were an original. This Agreement may be executed in several separate counterparts, each of which shall be an original and all of which shall constitute one and the same instrument.

II. TERM OF AGREEMENT

2.1 **Term:** The initial term of this Contract is effective July 16, 2020 (date) through August 31, 2020 (date). Owner may exercise renewal options for up to four additional one-year terms, in Owner’s sole discretion, provided that Contractor is still an eligible vendor under the Choice Partners purchasing cooperative. Job Orders may be issued at any time during the term of this Contract. This Contract will remain in full force and effect during the performance of any Job Order issued by Owner.

2.2 **Completion of Work in Progress:** Owner has the option to extend the term of this Contract, or any renewal period, as necessary for Contractor to complete work on any Job Order approved by Owner prior to the expiration of the Contract.

III. AUTHORIZED CONTRACT SUM

3.1 **Contract Sum:** The maximum aggregate contract expenditures for the term is \$160,781.54. The cost of each specifically authorized Job Order will be established in a “Job Order” issued by Owner and executed by Owner and Contractor. Established cost amounts shall not be increased except by written change order to a previously issued Job Order executed by Owner and Contractor. As required by Texas Government Code Section 2269.403, the Owner’s Board of Trustees must approve any Job Order that exceeds \$500,000. The Owner’s Board of Trustees may be required to authorize Job Orders for lesser amounts as required by local Board policy.

3.2 **No Minimum Amount of Work:** It is expressly understood that Owner is under no obligation to request any services from Contractor and no minimum amount of work is required under this Contract. All service requests will be made by Owner on an as-needed basis, subject to future agreement on the scope of the work and its cost(s), detailed in a specific Job Order.

IV. SPECIFICATIONS AND DRAWINGS

4.1 **Retention of Drawings:** Contractor shall keep on the Work site a copy of any drawings and/or specifications for a Job Order and shall at all times give Owner access thereto. Anything mentioned in the

specifications and not shown on the drawings, or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of differences between drawings and specifications, the drawings shall govern. In case of discrepancy, either in the figures, drawings, or the specifications, the matter shall be promptly submitted to Owner, who shall promptly make a determination in writing regarding such discrepancy. Any adjustment by Contractor without such prior written determination shall be at Contractor's own risk and expense and without any liability to Owner for any adjustment made by Contractor. Owner shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

4.2 Shop Drawings: Shop drawings means drawings submitted to Owner by Contractor showing in detail:

- a. the proposed fabrication and assembly of structural elements;
- b. the installation (i.e., form, fit and attachment details) of materials or equipment; and
- c. the construction and detailing of elements of the Work.

Shop drawings include sketches, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and similar materials furnished by Contractor to explain specific portions of the Work. Owner may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under the Contract.

4.3 Contractor shall coordinate all shop drawings, and review them for accuracy, completeness, and compliance with Contract and Job Order requirements and shall indicate its approval thereon as evidence of such coordination and review. Owner will indicate its approval or disapproval of the shop drawings in writing and if not approved as submitted shall indicate Owner's reasons therefore. Any work done before such prior written approval by Owner shall be at Contractor's own risk and without any liability whatsoever to Owner.

4.3 Contractor shall submit to Owner for approval in writing an appropriate number of copies of all shop drawings. Sets of all shop drawings will be retained by Owner and one set will be returned to Contractor.

4.4 "As-built" Drawings and Shop Manuals: Contractor is required to submit two complete sets of "as-built" drawings to Contractor within 30 days after project acceptance. "As builds" shall be submitted on paper as well as electronically. Contractor must also submit three copies of shop manuals at that time if equipment has been installed as part of the Job Order.

4.5 Omissions from the drawings or specifications or the incorrect description of details of work which are manifestly necessary to carry out the intent of the drawings and specifications shall not relieve Contractor from performing such omitted or incorrectly described details of the Work.

4.6 Contractor shall check all of Owner's furnished drawings immediately upon receipt and shall promptly notify Owner of any discrepancies. Figures marked on drawings shall be followed in preference to scale measurements. Large scale drawings shall govern small scale drawings. Contractor shall compare all drawings and verify the figures before laying out the Work and will be responsible for any errors which might have been avoided thereby.

V. USE OF SPECIFICATIONS, DRAWINGS AND NOTES

5.1 All drawings (to include as-built drawings), sketches, designs, design data, specifications, note books, technical and scientific data provided to Contractor or developed by Contractor pursuant to the Contract and all photographs, negatives, reports, findings, recommendations, data and memoranda of

every description relating thereto, as well as all copies of the foregoing relating to the Work or any part thereof, shall be the property of Owner and may be used by Owner without any claim by Contractor for additional compensation, unless such material developed by Contractor does not result in an issued Job Order. In such cases, Contractor will receive reasonable reimbursement for the development of such materials before Owner uses them in any manner whatsoever. If Owner chooses not to use such materials and no Job Order was issued, Contractor shall not be entitled to any compensation by Owner for any expenses incurred by Contractor for the preparation or development of any of said materials, which includes any and all general overhead costs for preparation of the materials.

VI. MATERIAL AND WORKMANSHIP

6.1 All equipment, material, and articles incorporated in the Work covered by this Contract shall be new and of the most suitable grade for the purpose intended, unless otherwise specifically provided in the Job Order. References in the Job Order and/or its specifications to equipment, material, article, or patented process by trade name, make, or catalog number, shall be regarded as establishing a standard of quality and shall not be construed as limiting competition.

6.2 Contractor shall obtain Owner's prior written approval of the machinery and mechanical and other equipment to be incorporated into the Work. When requesting approval, Contractor shall furnish to Owner in writing the name of the manufacturer, the model number, and other information concerning the performance, capacity, nature, and rating of the machinery and mechanical and other equipment. When required by the Contract or by Owner, Contractor shall also obtain Owner's written approval of the material or articles which Contractor contemplates incorporating into the Work. When requesting approval, Job Order Contractor shall provide full information concerning the material or articles. Machinery, equipment, material and articles that do not have the required prior approval by Owner shall be installed or used at the Contractor's risk of subsequent rejection and Owner shall not be liable for any costs incurred by Contractor for said Machinery, equipment, material, articles.

VII. CONTRACTOR'S GENERAL RESPONSIBILITIES

7.1 **In General:** Contractor agrees to provide general and specific job order contracting services on a per-project basis as requested by Owner in accordance with the terms of this Contract. Contractor shall furnish all of the materials and perform all of the Work described in a Job Order. Contractor shall do everything required by this Contract, the Job Order and any other requirements incorporated into this agreement or a specific Job Order by reference.

All Work under the Contract shall be performed in a skillful and workmanlike manner. Contractor and all subcontractors shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract and all Work detailed in a Job Order. Unless otherwise specified in a Job Order, Contractor shall be responsible for any required testing of materials prior to incorporation into the Work.

7.4 **Compliance with Laws:** Contractor shall comply with all applicable federal, state, and local laws, regulations, codes, ordinances, orders and with those of any other body having jurisdiction over the project detailed in the Job Order. Contractor shall comply with all state and local building code requirements unless otherwise specifically detailed in the Job Order. Contractor is required to adhere to

all applicable local, state, and national design codes and requirements as well as Owner's construction design standards.

7.8 **Representative:** Contractor shall designate a representative primarily responsible for the Work under this Contract and a specific Job Order. The designated representative shall act on behalf of Contractor with respect to all phases of the Work and shall be available as required for the benefit of any Job Order and Owner.  - viii. A list of all subcontractors who Contractor proposes to use in the performance of the Work;
 - ix. Any qualifications or conditions applicable to the Job Order Proposal; and

- f. After Contractor's submission of its Job Order Proposal, Owner will review the Job Order Proposal and either proceed to issuance of a Job Order or schedule a time to review the Job Order Proposal with Contractor and negotiate any changes, clarifications or modifications.
- g. Following the review of Contractor's Job Order Proposal, Owner shall issue Job Order in writing, in a form materially consistent with Attachment A hereto, incorporating any changes, clarifications or modifications to Contractor's Job Order Proposal made in the review process, and attaching the final Job Order Proposal as an exhibit.

- i. **Notice to Proceed:** If a Commence Date is not stated in the specific Job Order, Owner shall issue a written Notice to Proceed. Upon the Commencement Date specified in the Job Order or Notice to Proceed, Contractor is fully responsible for the scheduling, quality control, safety, and all other aspects of the management of the project detailed in the Job Order. Owner may make periodic inspections of the job site to ensure compliance; however, quality control is ultimately the Contractor's responsibility.
- j. **Quality Assurance/Quality Control Plan:** If requested by the Owner for a particular Job Order, Contractor shall submit, for Owner approval, a Quality Assurance/Quality Control Plan. This plan should address all aspects of quality control including responsibility for surveillance of work, documentation, trend analysis, corrective action and interface with the Owner's inspectors.
- k. **Weekly Reports:** Contractor is required to submit weekly progress reports on each active Job Order electronically or in paper form to Owner at the end of each work week, which shall include a current schedule.
- l. **Schedule:** Time is of the essence in rendering the services hereunder. The Job Order shall include a time schedule for each phase of the Work for the Job Order, and Contractor agrees to perform all obligations and render services in accordance with the schedule(s) established in the Job Order. In emergency or non-standard situations, Owner may require Contractor to complete a Job Order on an expedited basis. All Job Orders are to be completed within the timelines agreed to by Owner and Contractor as detailed in the Job Order. If Contractor falls behind the schedule detailed in the Job Order, Contractor shall take steps necessary to improve its progress, including those that may be reasonably required by Owner. Without additional cost to Owner, Owner may require Contractor to increase the number of shifts, overtime operations, days of work, and/or the amount of construction plant or equipment, and to submit for approval any supplementary schedule or schedules in chart form as Owner deems necessary to demonstrate how the approved rate of progress will be regained.
- m. **Emergency Work:** Contractor will give top priority to any emergency work Owner may have and will allocate all resources necessary to accomplish such work in accordance with Owner's schedule requirements.

Owner will notify Contractor in writing of any material error or omission or other defect in the Work or any conflict in the contract documents that Owner becomes aware of, but Owner shall have no obligation or duty to investigate whether such faults, defects, or conflicts exist.

9.6 **Time for Response:** Owner shall furnish required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of Contractor's services and of the Work.

X. SITE INVESTIGATION AND CONDITIONS AFFECTING THE WORK

10.1 Contractor's acceptance of a Job Order entered into pursuant to this Contract shall constitute Contractor's acknowledgement that Contractor has taken steps reasonably necessary to ascertain the nature and location of the Work for the specific Job Order, and that Contractor has investigated and satisfied itself as to the general and local conditions which can affect the Work or its cost, including but not limited to:

- a. Conditions bearing upon transportation, disposal, handling, and storage of materials;

10.3 **Owner Furnished Utilities:** Owner shall provide, at no cost to Contractor, wet and dry utilities and toilet facilities that are existing and available at each site for Work performed under the Job Order. If required by Owner, Contractor shall provide, at completion of the Job Order, a notarized affidavit to Owner stating that no asbestos-containing materials or work was provided, installed, furnished or added to the project.

10.5 If required, Owner shall provide a survey in accordance with the Texas Asbestos Health

Contractor shall take whatever measures he deems necessary to insure that all employees, suppliers, fabricators, material men, subcontractors, or their assigns, comply with this requirement. All materials used on a Job Order shall be certified as non-Asbestos Containing Building Materials (ACBM). Contractor shall insure compliance with the following acts from Contractor and all of Contractor's subcontractors and assigns:

- a. Asbestos Hazard Emergency Response Act (AHERA—40 CFR 763-99 (7));

10.6 Differing Site Conditions: Contractor shall promptly, and before the conditions are disturbed, give a written notice to Owner of:

- a. Subsurface or latent physical conditions at the site which differ materially from those indicated in the Contract, or
- b. Unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Contract.

10.7 Investigation by Owner: Owner shall investigate the site conditions promptly after receiving the notice. If the conditions do materially differ and cause an increase or decrease in Contractor's cost or the time required for performing any part of the Work, an equitable adjustment shall be made and the Job Order modified in writing accordingly.

10.8 Equitable Adjustment: No request by Contractor for an equitable adjustment to the Job Order under this Article shall be allowed unless Contractor has given the written notice required. No request by Contractor for an equitable adjustment to the Job Order for differing site conditions shall be allowed if made after final payment under such Job Order.

XI. INSPECTION OF CONSTRUCTION AND OWNER'S ACCEPTANCE OF WORK

11.1 Contractor Inspection System: Contractor shall maintain an adequate inspection system and perform such inspections as well as ensure that the Work called for conforms to the Job Order. Contractor shall maintain complete inspection records and make them available to Owner. All work is subject to inspection and testing by Owner at all places and at all reasonable times before final acceptance of the Work to ensure strict compliance with the terms of the Contract and the Job Order.

11.2 Owner's Satisfaction: All Work performed under this Contract shall be completed to the satisfaction of Owner's representative assigned to the Job Order. Owner's representative shall decide all questions regarding Contractor's performance under the Contract and Job Order, and such decisions shall be final and conclusive.

11.3 Non-Conformance: Contractor shall, without charge, replace or correct Work found by Owner not to conform to a Job Order's requirements, unless Owner consents, in writing, to accept the Work with an appropriate adjustment in contract price. Contractor shall promptly segregate and remove rejected material from the premises, if required by Owner.

11.4 **Failure to Conform:** If Contractor does not promptly replace or correct rejected Work, Owner may:

- a. By contract or otherwise, replace or correct the Work and charge the cost to Contractor, and/or
- b. Terminate the Contractor for default upon seven (7) days written notice.

11.5 **Liability:** Owner's approval or acceptance of Contractor's Work shall not release Contractor from any liability for any defects in the Work.

11.6 Owner inspections and tests, if any, are for the sole benefit of Owner and do not:

- a. Relieve Contractor of responsibility for providing adequate quality control measures;
- b. Relieve Contractor of responsibility for damage to or loss of the material before acceptance;
- c. Constitute or imply acceptance; or
- d. Affect the continuing rights of Owner after acceptance of the complete work.

11.7 The presence or absence of an inspector does not relieve Contractor from any Contract or Job Order requirement, nor is the inspector authorized to change any term or condition of the Job Order without Owner's written authorization.

11.8 Contractor shall promptly furnish, without additional charge, all facilities, labor, and material reasonably needed for performing such safe and convenient inspections and tests as may be required by Owner. Owner may charge to Contractor any additional cost of inspection or test when Work is not ready at the time specified by Contractor for inspection or test, or when prior rejection makes re-inspection or retest necessary. Owner shall perform all inspections and tests in a manner that will not unnecessarily delay the Work. Special, full size and performance tests shall be performed as described in the Job Order.

11.9 If, before acceptance of the entire Work, Owner decides to examine already-completed Work by removing it or tearing it out, Contractor, on request, shall promptly furnish all necessary facilities, labor, and material for this task. If the Work is found to be defective or nonconforming in any material respect due to the fault of Contractor or its Subcontractors, Contractor shall bear the expenses of the examination and of satisfactory reconstruction. However, if the Work is found to meet requirements, Owner shall make an equitable adjustment for the additional services involved in the examination and reconstruction, including, if completion of the Work was thereby delayed, an extension of the period of time for performance.

11.10 Substantial Completion means the date on which the Work, or an agreed-upon portion of the Work, is sufficiently complete so that Owner can occupy and use the Work or a portion thereof for its intended purposes. Unless otherwise specified in the Job Order, Owner shall accept, as promptly as practicable after completion and inspection, all Work required by the Job Order or that portion of the Work Owner determines can be accepted separately. Acceptance shall be final and conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or Owner's rights under any warranty or guarantee.

11.11 **Use and Possession Prior to Completion:** Owner shall have the right to take possession of or use any completed or partially completed part of the Work. Before taking possession of or using any work, Owner shall furnish Contractor a list of items of work remaining to be performed or corrected on those portions of the Work that Owner intends to take possession of or use. However, failure of Owner to list any item of work shall not relieve Contractor of responsibility for complying with the terms of this Contract or the Job Order. Owner possession or use shall not be deemed an acceptance of any work under this Contract. While Owner has such possession or use, Contractor shall be relieved of the responsibility for the loss of or damage to the Work resulting from Owner's possession or use. If prior possession or use by Owner delays the progress of the Work or causes additional expense to Contractor,

and such expenses or delays are adequately documented and substantiated by Contractor, an equitable adjustment shall be made in the Job Order price and/or the period of performance, and the Job Order shall be modified in writing accordingly.

11.12 Close-Out Documentation: Contractor shall provide the following as part of the close-out documentation:

- a. An electronic file of all documentation specific to every job order project shall be submitted with close-out documents.
- b. All forms below must be included with the final payment documentation of the project, as applicable:
 - 1) Owner's Manual(s)

 - 4) Warranties
 - 5) Conditional Lien Release
 - 6) Copies of all applicable permits, licenses, and/or other regulatory documents.
- c. Contractor shall be required to submit any / all additional documentation that is related to any project upon request by the Director of Maintenance.

XII. PROTECTION OF EXISTING VEGETATION, STRUCTURES, UTILITIES AND IMPROVEMENTS; TRAFFIC CONTROL

12.1 Preservation: Contractor shall preserve and protect all structures, equipment and vegetation (such as trees, shrubs, and grass) on or adjacent to the Job Order site, which is not to be removed and which does not unreasonably interfere with the Work required under the Job Order. Contractor shall **only remove trees when specifically authorized by Owner to do so**, and shall avoid damaging vegetation that will remain in place. If any limbs or branches of trees are broken during performance by the operation of equipment, or by workmen, Contractor shall trim those limbs or branches with a clean cut and paint the cut with a tree pruning compound as directed by Owner.

12.2 Existing Improvements: Contractor shall protect from damage all existing improvements and utilities at or near the Job Order site and on adjacent property of third parties, the locations of which are made known to or should be known by Contractor. Contractor shall repair any damage to those facilities, including those that are the property of third parties, resulting from failure to comply with the requirements of this Contract or the Job Order or failure to exercise reasonable care in performing the Work. If Contractor fails or refuses to repair the damage promptly, Owner may have the necessary repair work performed and charge the cost to Contractor.

12.3 Traffic Control: Contractor shall be responsible for providing all necessary traffic control, such as street blockages, traffic cones, flagmen, etc., as required for each Job Order. Proposed traffic control methods and costs shall be submitted to Owner for approval in Contractor's Job Order Proposal.

Before completing the Work, Contractor shall remove from the premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of Owner. Upon completing the Work, Contractor shall leave the site in a clean and orderly condition satisfactory to Owner. Contractor shall be responsible and liable for all construction refuse disposal containers and their removal from the site. Disposal of any hazardous materials not addressed and priced in the Job Order will be segregated for disposal by Owner unless Owner requires Contractor to dispose of the materials, in which case, an equitable adjustment in the price will be negotiated and agreed upon. Contractor shall not use Owner's trash containers for any reason.

XIV. WARRANTY OF CONSTRUCTION

14.1 **Warranty:** In addition to any other warranties specified in any Job Orders, Contractor warrants, for the maximum period allowed by law, and except as otherwise specifically provided herein, that Work performed conforms to the Job Order and is free of any defect in equipment, material or design furnished, or workmanship performed by Contractor or any of its subcontractors or suppliers at any tier. The Contractor shall be obligated to repair or replace any defective or non-conforming Work for a period of one (1) year from the date of final acceptance of the Work. If Owner takes possession of any part of the Work before final acceptance, this one (1) year correction period shall continue for a period of one (1) year from the date possession is taken.

14.2 **Non-Conformance:** Contractor shall remedy, at Contractor's sole expense, any failure of the Work to conform to the Job Order, or any construction defect occurring during the warranty period. In addition, the Contractor shall remedy, at Contractor's expense, any damage to Owner's real or personal property, when that damage is the result of:

- a. Contractor's failure to conform to requirements in this Contract or the Job Order; or
- b. Any defect of equipment, material, workmanship, or design furnished by the Contractor.

If Contractor, after notice, fails to proceed promptly and remedy the problem within thirty (30) calendar days or within another period of time which has been agreed to in writing, in compliance with the terms of the warranty, Owner may have the defects corrected and the Contractor and its surety shall be liable for all expenses incurred.

14.3 **Restoration:** Contractor shall restore any work damaged in fulfilling the terms and conditions of this Section. Contractor's warranty with respect to work repaired or replaced will run for one (1) year from the date of repair or replacement. Owner shall notify Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage. If Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, Owner shall have the right to replace, repair, or otherwise remedy the failure, defect or damage at Contractor's expense, and Contractor shall be liable to owner for any damages sustained by Owner as a result of the failure, defect, or damage.

14.4 **Third-Party Warranties:** With respect to all warranties, expressed or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished for Job Orders issued under this Contract, Contractor shall:

- a. Obtain all warranties required by the Job Order;
- b. Require all warranties to be executed, in writing, for the benefit of Owner; and
- c. Enforce all warranties for the benefit of Owner;

14.5 **Warranty Expiration:** In the event Contractor's warranty under paragraph 14.1 of this Article has expired, Owner may bring suit to enforce a subcontractor's, manufacturers, or supplier's warranty.

14.6 **Owner Liability:** Unless a defect is caused by the negligence or intentional act or failure to act of Contractor or subcontractor or supplier at any tier, Contractor shall not be liable for the repair of any defects of material or design furnished by Owner or for the repair of any damage which results from any defect in Owner-furnished material or design. Contractor is not responsible for and does not warranty pre-existing work or facilities that may be assigned to Contractor except as stated in the Job Order.

14.7 This warranty shall not limit Owner's rights under this Contract and/or applicable law with respect to latent defects, gross mistakes, breach of contract or fraud.

XV. PAYMENT

15.1 **Compensation:** Costs for equipment, material, and labor shall be in accordance with the Contract. Owner shall pay Contractor for Work performed on Job Orders authorized by Owner in writing,

subject to allowable additions and deductions. Owner shall pay all unpaid and undisputed amounts due Contractor under this Contract within thirty (30) days of receipt of invoice. If payment is later than forty-five (45) days, interest will be set no higher than six percent (6%) per annum. If Work or any portion thereof has not met the satisfactory approval of Owner's Representative, current and future payments shall not be made until both parties agree that the Work or the portion thereof has been completed in a satisfactory manner or the Work is acceptable. Notwithstanding any provision herein to the contrary, no payment of amounts owed hereunder shall be considered past due or not paid when due except in accordance with Section 2251.021 of the Texas Government Code.

15.2 **Progress Payments:** If required by the Job Order, Owner shall make progress payments monthly as the Work proceeds, or at more frequent intervals as determined by Owner, on estimates of Work completed submitted by Contractor and approved in writing by Owner. Contractor shall use an acceptable invoice form and shall include supporting documents to reflect a written breakdown of the total price showing the amount included therein for each principal category of the Work, in such detail as requested, to provide a basis for determining progress payments. In the estimation of Work completed, Owner will authorize payment for material delivered on the site and preparatory work done if Contractor furnishes satisfactory evidence that it has acquired title to such material and that the material will be used to perform the Work.

15.3 **Application for Payment:** With each Application for Payment, Contractor must attach/detail the following information:

- (1) Defective Work not remedied.
- (2) Legal claims filed against Contractor or reasonable evidence indicating probable filing of claims;
- (3) Failure of Contractor to make payments properly to any subcontractor or supplier for material or labor;
- (4) A reasonable doubt that the Job Order can be completed for the unpaid Job Order balance; and
- (5) Damage to another contractor.

15.4 **Payment Retention:** In the processing of progress payments, Owner shall retain five percent (5%) of the estimated amount until final completion and acceptance of all Work performed under the Job Order. Retention applicable to each Job Order shall be released within thirty (30) days after final completion of the Job Order and acceptance of the Work under the Job Order.

15.5 **Liquidated Damages:** Contractor is expected to complete each Job Order on a timely basis. Liquidated damages may be assessed at Owner's option for Contractor's failure to timely complete each Job Order and/or phase of the scope of work detailed in a Job Order. Owner may withhold as liquidated damages, or require Contractor to pay a "per day" amount, to be set forth in the Job Order, as liquidated damages for any Work not completed by the completion day set forth in the Job Order. These liquidated damages are not a penalty but are compensation to Owner for additional expenses incurred and inconvenience caused by Contractor's failure to allow Owner to receive the premises at the designated time of completion.

15.6 **Right of Setoff:** In addition to all other rights and remedies that Owner may have, Owner shall have the right to setoff, against any and all amounts due to Contractor by Owner, whether due under this Contract or any other agreement between Owner (including any division of Owner) and Contractor, any sums for which Owner is entitled to under this Contract, as determined by Owner in its sole discretion, including, without limitation, sums due by Contractor to Owner as a result of indemnification obligations, warranty claims, and/or HCDE/Choice Partners Administrative Fee(s), as applicable.

XVI. TERMINATION FOR CONVENIENCE OF OWNER

16.1 **Termination:** Owner may, with or without cause, terminate performance of the Work under this Contract or any Job Order in whole or, from time to time, in part, if Owner determines that termination is

in Owner's interest. Owner shall effect such termination by delivering to Contractor a Notice of Termination specifying the extent of termination and the effective date.

16.2 After receipt of a Notice of Termination, and except as directed by Owner, Contractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this Article:

- a. Stop work as specified in the notice;
- b. Place no further subcontracts or orders (referred to as subcontracts in this Article) for materials, services or facilities, except as necessary to complete any Work not terminated;
- c. Assign to Owner, as directed by Owner, all right, title, and interest of Contractor under the subcontracts to the extent they relate to the Work terminated, in which case Owner shall have the right to settle or to pay any termination settlement proposal arising out of those terminations, or with approval or ratification to the extent required by Owner, Contractor shall settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts, the approval or ratification of which will be final for purposes of this Section;
- d. As directed by Owner, transfer title and deliver to Owner:
 - i. The fabricated or un-fabricated parts, Work in process, completed Work, supplies, and other material produced or acquired for the Work terminated, and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract and/or Job Order had been completed, would be required to be furnished to Owner;
- e. Complete performance of the Work not terminated;
- f. Take any action that may be necessary, or that Owner may direct, for the protection and preservation of the property related to this Contract and/or the Job Order that is in the possession of Contractor and in which Owner has or may acquire an interest;
- g. Use its best efforts to sell, as directed or authorized by Owner, any property of the types referred to in paragraph 16.2(c) above; provided, however, that Contractor is not required to extend credit to any purchaser and may acquire the property under the conditions prescribed by, and at prices approved by, Owner. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by Owner under the Contract and/or Job Order, credited to the price or cost of the Work, or paid in any other manner directed by Owner.

XVII. DEFAULT

17.1 **Termination of Right to Proceed:** If Owner determines that Contractor is not prosecuting the Work with sufficient diligence to ensure completion within the time specified in the Job Order, or fails to complete the Work within this time, Owner may terminate the Contractor's right to proceed with the Work (or separable part of the Work), upon seven (7) calendar days' written notice to the Contractor. In this event, Owner may take over the Work and complete it by contract or otherwise and may take possession of and use any materials, appliances, and plant on the site necessary for completing the Work.

Contractor's right to proceed shall not be terminated under this Section, if:

- a. The delay in completing the Work arises from unforeseeable causes beyond the control and without the fault or negligence of Contractor. Examples of such causes include:

- i. acts of God or of the public enemy,
 - ii. acts of Owner in its contractual capacity,
 - iii. acts of another Contractor in the performance of a written Contract with Owner,
 - iv. fires,

 - viii. strikes,
 - ix. freight embargoes, or
 - x. unusually severe weather
- b. Contractor, within seven (7) calendar days from the beginning of any such delay (unless extended by Owner), shall notify Owner in writing of the causes of delay. Owner shall ascertain the facts and the extent of delay. If, in the judgment of Owner, the findings of fact warrant such action, the time for completing the Work under the Job Order shall be extended.

If, after termination of Contractor's right to proceed, it is determined that Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of Owner. The rights and remedies of Owner in this Article are in addition to any other rights and remedies provided by law or under this Contract.

17.2 Termination for Default: In the event Contractor fails to carry out or comply with any of the terms and conditions of this Contract or any Job Order, Owner may notify Contractor of such failure or default in writing and demand that the failure or default be remedied within seven (7) calendar days; in the event Contractor fails to remedy such failure or default within seven (7) day period, Owner shall have the right to terminate this Contract and/or any Job Order. Without limiting the foregoing, the following shall constitute a material breach by Contractor, upon the occurrence of which Contractor shall immediately notify Owner: Contractor: (i) ceases its business operations; (ii) makes a general assignment for the benefit of creditors; (iii) is adjudged bankrupt; or (iv) becomes insolvent.

Dear Trustees:

We are pleased to present the Harris County Department of Education's (the Department or "HCDE") Annual Budget for fiscal year 2020-2021. This budget presents the Department's financial and operations plan.

Introduction

In accordance with State requirements, we are presenting our projected budget to the Board of Trustees and to the Harris County community. We encourage you and our citizens to engage in positive dialogue in fine tuning our budget proposal. Given the limited resources, our staff has developed a financial plan for the 2020-2021 General Fund, Debt Service Fund, Enterprise Fund, Capital Projects Fund and Internal Service Fund Budgets. The development, review, and consideration of the 2020-2021 budget were completed with a detailed review of every revenue and expenditure item within the context of the Department's mission, goals and financial policies. This document provides information on each of the fund budgets. In addition, we also provide information about our projected grants, which we account as Special Revenue Funds.

The primary purpose of this document is to provide timely and useful information concerning the past, current, and projected financial status of the Department, in order to facilitate financial decisions that support the educational goals of the Department. This budget's focus is the improvement of HCDE divisions with the fiscal resources available to the Department. This budget addresses the essential needs of the Department by directing resources to those areas that will assist our staff in carrying out the mission of HCDE.

With this budget, we are continuing to use our performance-based budgeting model. Our conservative process focuses on evaluating programs and initiatives for efficiencies while considering current resources. Moreover, two variables are then reviewed during our SWOT Analysis Review (Strengths, Weaknesses, Opportunities & Threats Analysis), which includes (1) to determine the fee structure for our clients and the (2) level of taxation based on the property values projected to be received from the Harris County Appraisal District.

The HCDE Accountability System has been used as the basis for this performance-based budgeting model. This is the twelfth year using goals, objectives and performance measures to plan the budget. This budget document is the first step towards achieving these goals. It includes sound, prudent fiscal policies that will ensure the continuity of the Department.

Budget Process and Significant Changes

Legal Requirements in Preparing the Budget

The Texas Education Code requires that a local education agency prepare a budget of anticipated expenditures and revenues on or before August 20th. The Board is required to adopt a budget before August 31st. The budget must be itemized in detail according to classification (object) and purpose of expenditure (function) and be prepared according to General Accepted Accounting Principles.

The budget must be legally adopted before the adoption of the tax rate. The president of the Board of Trustees must call a public meeting of the Board of Trustees giving ten days public notice in a newspaper for the adoption of the budget. Any taxpayer within the Department's taxing authority, may be present and participate in the meeting. The budget must be adopted by the Board of Trustees, inclusive of budget amendments no later than August 31st.

Budget Development Process

The budget development process comprises three stages: planning, preparation, and evaluation. The first phase, planning, involves defining the mission, goals, and objectives of campuses, divisions, and the Department. This initial phase took place from September 2019 and lasted until the middle of January 2020.

Once these plans and programs have been established, the preparation phase of budgeting begins by allocating resources to support them. This phase took place the second quarter 2020 with several training sessions. Every division started assigning resources and gathering the data.

Evaluation is the last step of the Department's budget cycle, in which information is compiled and analyzed to assess the performance of each individual division and campus, as well as the Department as a whole. During April and May, the data was analyzed, organized and summarized in the Board Budget Committee Workbook. After several meetings, evaluations, and adjustments, the Administration prepared a Board Budget Book that was presented to the Board Budget Committee during two hearings that will take place on June 26th, and July 15th, 2020.

The Human Resources Department played an important role assisting the Business Support Services in the budget process as they developed salary budgets utilizing established staffing guidelines. On July 15th, the Board of Trustees will be presented with a final proposal for adoption and to be implemented on September 1st, 2020.

Amending the Budget

A budget is an estimate of planned expenditures and expected revenues. Many changes can take place between estimating for the proposed budget in March and April and the start of the new fiscal year in September. Program and operational changes will mean budget changes. These changes to the budget are made in the form of budget amendments. Any increase or decrease in the budget expenditures requires board approval. Changes to revenues also require budget adjustments before the end of the year. All other changes are submitted by divisions and campuses to the Business Support Services for review and processing.

COVID19 Impact

On March 9, 2020, the Department was scheduled to go on Spring Break, and it was preparing to develop the budget projections for the next year, and the news of a widespread pandemic hit the market. The President of the United States declared an Emergency Disaster situation across the US, and in Texas, the Governor implemented a stay home mandate for the state. The Department staff did not return from the spring break, and everyone was asked to go on emergency leave pending guidance from the federal, state, and local authorities. Soon thereafter, the staff was asked to work from home and be available for

meetings via TEAMS, ZOOM and other communication means. Work from support divisions continued from home, and service division began to provide alternative services to districts and students via ZOOM and distance learning. As of the date of this document, the staff is still working from home, and there are plans to return to work on July 6th on staggered schedule. 50% of the staff will work two days at the office and three from home. The Department continues to monitor revenues and expenditures. The Board decided to continue to pay everyone during the time away from the office. Revenues have continued at the same rate as last year as of May 2020 with three months left during the year. It is expected that the Department may see a potential tax revenue and other fee revenue losses in the General Fund. However, for grants like Head Start from the Health and Human Services, CASE from 21 Century Afterschool Grant, and Adult Ed from the Workforce Development Program, the Department will continue to be reimbursed based on expenditures incurred. In addition, these grants have allowed the purchase of additional technology and expenses associated with Covid19 preventive activities.

Moving forward, the Department went through the budget review process by holding meetings with Division directors via TEAMS and the projected budget was developed which include many initiatives while maintaining a sound business model. Clients have been in close contact with our Divisions, and all indications are that contracts are projected to be renewed at higher levels of services. To address the potential loss of revenues this year and next year, the Department is looking at developing projections to include utilizing the revenue projections to meet budget needs for the new year.

Initiatives for FY 20-21

In meeting the goals and objectives of the Board of Trustees, the Superintendent has implemented several new initiatives that will enhance the relations with school districts while maintaining a positive business model. Fiscal results and projections include this new planned objective, and the major initiatives include a focus of six major enhancements to program and services to include:

1. Maintaining a positive business model while delivering high quality services.
2. Enhancing HCDE's Special Schools by investing in talent and recruitment.
3. Invest in talent and recruitment and establish a \$15 minimum rate per hour.
4. Invest in enhancing marketing strategies and the campaign awareness.
5. Developing major capital projects to continue to serve HCDE clients.
6. Continuing our competitive edge to enhance services to school districts.

To this objective, our financial plan encompasses the major elements: (1) the enhancement of local revenues through projected contract commitments that was presented to the Board during the summer, (2) a review and implementation of program-based budgeting to seek internal efficiencies and budget reductions, (3) the recommendation of competitive salaries and (4) tax revenues due to the adoption of a rate of \$.005181 per \$100 valuation.

Included in the budget are 6.17 new positions aimed at enhancing our capabilities to meet the client needs and enhance our fee revenue stream for Communications Division, Therapy Services, Client Engagement, Schools Division, Adult Education, and Technology.

In specific, our operations plan includes the following program enhancements:

1. Wage increase: 4% for teachers, and 2% for all other employees. HCDE plans to recruit, hire and retain high quality staff to be able to provide the best services available in the marketplace. The new beginning teacher salary will be \$62,000 which is expected to be at the highest level for the region.
2. The TRS Care system also notified HCDE of a health insurance increase to the minimum rate, and HCDE is proposing to increase its contribution. The cost of HCDE will be \$139,000 across funds.
3. HCDE is also implementing a wellness program aimed at improving the health of HCDE staff. This program is nutrition-based program designed to promote healthy habits. The startup costs are approximately \$40,000 for the first year.
4. School Division: one of the fiscal year 2020-2021 initiatives is the enhancing of the competitive edge in the School Division. One FTE is proposed for a Behavior Specialist. To invest in our staff, a restrain team

- stipend is being implemented for a total of \$40,000.
5. School Based Therapy Program is also part of the initiatives to be more competitive in the marketplace. One occupational therapist and 0.17 FTE manager will be added to meet service demand due to special education needs.
 6. Implementation of the marketing strategies and awareness campaign in the Communication Division. HCDE is proposing to add one additional FTE Graphic Design Manager to help address the new requirements in communication HCDE programs and efforts to serve students in the County. Client Engagement will also add one FTE for an Administrative Assistant. These positions are projected to enhance with marketing appeal and awareness of HCDE as a brand in the county.
 7. In anticipation of next year's legislative session, the Department has also included an appropriation for the lobbying cost commitment previously approved by the Board of Trustees. The cost is \$276,000.
 8. Balanced Budget: The proposed budget is balanced for on-going operations, and it is projected that the Department will invest part of its fund balance to implement a capital improvement program. All expenditures will be covered with the revenues generated during the year except for the one-time costs. For more detail see section number 9 below, and in the Capital Expenditure section.
 9. A Capital Improvement Plan Phase One is proposed to be implemented. The following projects are proposed:
 - a. A new AB East Campus – This is a 43,605 square feet facility to meet special education students. AB East continues to attract additional students, and it is projected that the facility will be at capacity the next year. The projected budget is \$17,805,875. A PFC financing program is recommended for this project.
 - b. A new High Point East Campus for Middle School. This school is in need of additional space to meet the needs of students sent by the district for an alternative campus. This is a 13,750 sq. ft facility, and the projected budget is \$7,916,645. A PFC financing program is recommended or this project.
 - c. A new Adult Ed Center is proposed to replace the current facility at the Adult Ed Building. This is a new 40,500 sq. ft building that will be used to offer adult ed classes and workforce development programs. The projected budget is \$16,858,750. A PFC financing program is recommended for this project.
 - d. The Irvington Building is over 25 years old, and it is scheduled for a renovation. The projected renovation is expected to cost \$8,365,500. A maintenance note financing is projected for this project. The number of sq. ft to be renovated is 60,000 sq. ft.
 10. Phase Two of the Capital Improvement Program includes two projects:
 - a. A new Workforce Development Program in Harris County to complement the Adult Ed Program funded by the federal government. The projected scope and the funding are to be developed in the next two to three years. The estimated budget is \$3,000,000
 - b. A new Equine Therapy Program in Harris County to complement the AB Schools, HP School, and Fortis School. The projected scope and the funding are to be developed in the next two to three years. The estimated budget is \$1,200,000.
 11. A new program is being initiated to reinvent the Department considering the COVID19 and market changes. A Star Re-Imagined Initiative was aimed at implementing pilot programs that will enhance the footprint of HCDE by rethinking the way we do things. This is a one-time campaign designed by our Superintendent allowing divisions to present an expenditure request under \$50,000 to improve their division. \$648,764 will be used from the General fund to address the 17 divisions requests This cost is reserved in the fund balance.
 12. Planned one-time expenditures from the General Fund balance totaling \$11,288,764 as follows:

Debt Service Transfer for future payments- CIP Plan	\$4,750,000
Capital Improvement Plan – District Contribution	5,740,000
Star Re-Imagined Program	648,764
Retirement benefit	150,000
Total fund balance capital expenditure appropriations	<u>\$11,288,764</u>
 13. Technology is also an important driver of our success. The division is implementing various additional software packages such as CASE Digital Print, Blackboard, eFinance Plus Systems, Share-point Programs, Dashboard, and others. The division is proposing a new FTE as Training Coordinator.

14. Transfers are being recommended to continue the operations of our special revenue funds. A transfer of \$872,000 will be required for FY 21 to implement the \$15 minimum compensation plan. This is a \$400,000 increase from FY 20. The Department receives over \$1.2M in indirect costs from the federal government.
15. The budget is predicated on adopting a tax rate that will bring in more revenue to address revenue loss and implementation of new initiatives such as the campaign awareness and costs associated with talent recruitment and compensation plan starting at \$15 per hour. The estimated tax rate of \$.005181 is proposed, and this is below the rollback rate, now referred to as voter-approval tax rate ("VAR"). Public hearings and notices will be required to adopt the tax rate. This rate is key to the funding of the operations plan for the current year considering COVID 19 challenges to the revenue projections.
16. Adult Education will grow in operations and it will require the hiring of a Director. One FTE has been requested for the Senior Director position. The cost of the position will be funded by the Adult Ed Grant.

For the Worker's Compensation Fund, the Department participated in a partially self-funded pool, originally approved by the Board in the fiscal year 2005. Since 2016-2017, the Department moved to a fully funded program. Claims administration, loss control, and consultant services will be provided for by worker's compensation insurance company and a third-party administrator will handle the run-off claims from the previous self-insurance plan.

Balanced Budget

Per CE Local Policy, the operating budget requires a balanced budget. This means that for each fund, expenditures are not to exceed revenues plus projected one-time use fund balances. If the fund balance is used, this cost must be a one-time cost and not recurring (i.e. capital expenditures). The Department is projecting a balanced budget for fiscal year 2020-2021. Expenditures plus other financing uses total \$69,674,522. Revenues equal \$58,385,758. One-time costs total \$11,288,764, from which construction projects total \$5,740,000, debt service payment from General Fund for \$4,750,000, Star Re-Imagined Campaign for \$648,764, and one-time retirement benefits from Fund Balance for \$150,000. We believe that the budget represents a fiscally responsible and conservative approach to the needs of the Department within the available funds. The chart below shows a historical summary of the General Fund.

Projected Fund Balance

We are projecting that the fiscal year 2020-2021 ending fund balance will be \$15,874,413. This represents a decrease of \$11,288,764 from the projected 2019-2020 ending fund balance. The use of fund balance is for planned appropriations that are one time in nature (i.e. Construction projects and capital outlay). It is the policy of the Department to maintain an unassigned fund balance equivalent to a minimum of two months of operations costs. Currently, the Department projects the desired fund balance. According to our five-year forecast, the Department will have sufficient funds to meet the CE local policy requirements but may need additional cash to fund the Special Revenue Fund since they work on a reimbursement basis.

About the 2020-2021 Department Budget

Below are highlights of the Department that will provide you with a general overview of the basis of our assumptions and projections for the coming 2020-2021 fiscal year. In order to prepare the annual budget, HCDE develops projections for taxable value, collection rate, and expenditure levels.

Appropriation Levels

General Operating Fund –The 2020-2021 appropriation levels for the General Operating Fund are projected at \$55,815,929 and estimated other uses (transfers to other funds and one-time cost at \$13,858,593, for a total of \$69,674,522; this represents an increase of 14% or \$8,534,729 increase from 2019-2020 amended budget.

The 2020-2021 budget includes a 4% salary increase to teachers, 2% for all other employees. The budget process was representative of the economic environment. A series of budget meetings and reviews were conducted by the Superintendent and the Budget Committee to achieve this budget. Transfers-out to other funds amounted to \$13,858,593 for fiscal year 2020-2021 mainly due to the additional participation of the General Fund in the construction projects to upgrade existing facilities, Star Re-Imagine project, and debt service contributions from General Fund for the new bonds. The capital outlay initiative in the budget includes a Department contribution of \$5,740,000 for the four projects included in the capital improvement plan.

In the following charts, please find the comparison of the appropriation for the previous year budget and the current year budget.

Debt Service Fund – The Department budgeted \$6,169,043 in appropriations for fiscal year 2020-2021. Resources in the Debt Service Fund must be used to pay for general long-term debt principal and interest for debt issues and other long-term debts for which revenues are dedicated from the General Fund. A transfer is projected from the General Fund to the Debt Service Fund in the amount of \$1,169,043. Currently the Department has approximately \$16 million in debt including \$7 million bonds issued for the construction of a new building for the AB West School which began in fiscal year 2018-2019. The Department also projects to sell \$45M in bonds (\$14M in maintenance notes and \$31M in revenue bonds) to fund the capital improvement plan. This will require a transfer of \$3.25M in addition to last year's payment amount.

Special Revenues Funds – Appropriations for these funds are restricted to or designated for specific purposes by a grantor. For fiscal year 2020-2021, the Department's appropriation is \$36,444,267. The Department provides information to the Board of Trustees on all Department grants, as the Notice of Grant Awards (NOGA) are received, the estimated revenues and appropriations are adjusted to reflect the awarded grant budget. These grants have restrictions placed by grantors.

Revenue Levels

Revenue estimates are based upon a variety of demographic and tax information. Estimating revenue from the two major sources, customer fees and local property taxes, are critical to the budget.

The following charts present the adopted revenue levels for fiscal year 2019-2020 and the estimated revenues for fiscal year 2020-2021.

**2019-2020 General Fund
Adopted Revenue - \$55,224,065**

**2020-2021 General Fund
Recommended Revenue - \$58,385,758**

The Department estimates total General Operating Fund revenues of \$58,385,758 for the 2020-2021 fiscal year. Customer fees are projected to be \$23,601,005 or 40% of the estimated revenues. Tax revenues are projected to be \$26,089,000 of 45% of the estimated revenues. The remaining revenues are indirect costs at \$2,598,513; state funding \$3,000,000, transfer in from Choice Partners Fund of \$2,927,240 and other revenues at \$170,000.

The recommended budget includes an increase in revenues of 5% from the amended fiscal year 2019-2020 budget for the General Fund.

Local Revenues

Local revenues are projected to increase by 5%. Revenues from current year customer fees are expected to increase by 0.1% from an estimated \$23,577,377 in fiscal year 2019-2020 to a projected \$23,601,005 for fiscal year 2020-2021. HCDE has not increased the rates and additional contracted seats at the special schools, no increment in the service rates from Records Management, Educator Certification, Therapy division, and the Center for Safe and Secure Schools. In addition, the Department anticipates a 7% increase change in tax revenues from \$24,450,312 in fiscal year 2019-2020 to \$26,089,000 in fiscal year 2020-2021 due to the increase in property values and the adopted tax rate. A 4.93% increase in values is projected based on the preliminary estimate from the Harris County Appraisal District. Also, a 99% collection was used in projecting revenues for fiscal year 2020-2021, and it is expected that this rate will be realized for the fiscal year.

Tax Rate – Based on the taxable value, the Department must project the level of taxation that will generate adequate funds to provide for funds to meet Department obligations while keeping in mind the ability of local taxpayers to pay their taxes. The Harris County Tax Office will calculate the no-new-revenue tax rate (“NNRR”), formerly called the effective tax rate. The NNRR is projected at \$.004955. The proposed tax rate will be below the voter approved rate (VAR).

Throughout the budget process, we used the current tax rate and the projected values to estimate the level of local effort. Upon receiving the certified values and the NNRR calculation from the Harris County Tax Assessor – Collector, the tax rate proposal will be developed and presented to the board in accordance with the truth in taxation law.

Taxable Value – The Harris County Appraisal District certifies the taxable value from which the Department begins to develop the estimates for local tax revenues. The 2019 certified valuations of net taxable value for the 2019-2020 fiscal year is \$477,647,516,408 (based on HCAD report updated 4/30/19). The 2020 Preliminary Estimate is \$505,450,987,981 (based on HCAD letter dated 4/30/20), which is an increase of \$27,803,471,573 or 5.82%. For NNRR calculation, the appraised values were estimated at \$481,690,091,490 which represents a 4.93% increase. The adjacent chart illustrates the 10-year taxable value history of the Department. For fiscal year 2021-2022 to 2024-2025, the Department

projects a 3% growth on appraised values due to the positive economic impact in the region and value growth.

Tax Collections – The collections percentage used to estimate the tax revenues is 99%; the Department's tax collections goal is 99%. This is a realistic approach given the trend of the Department's collections effort and the projected tax increase.

In the chart above, the tax rate has been reducing as the property values for the Harris County have increased. As the population in the Harris County has grown, new areas have been developed with new construction and new businesses.

Other local revenues

The Department does not have any other local taxes or collections. Harris County Department of Education does not receive sales tax, franchise taxes or any other taxes. It does charge fees for services for various activities. The following are general fee charges by the various divisions.

The following chart presents the tax revenues collected in the last ten years.

The rates based are based whether the district is within the county boundaries or outside of the boundaries. The fees range from \$380 to \$532 per day. Going forward beyond fiscal year 2020-2021

Estimated revenues and appropriations for the next five years will depend on the ability for HCDE to remain implementing a positive business model that will maximize fee structure, grant resources and leverage local tax dollars. The ability to remain competitive in the market relies on maintaining a knowledgeable and expert work force, safe and secured facilities, 21st century technology, and relevant program and services that client districts and governmental entities need and seek from HCDE.

The future financial situation of HCDE would be the result of the collective Department effort to become a major player in three areas: **(1) Therapy Services:** HCDE's objective is to become the best source of therapy services for the schools in Harris County by offering competitive rates and top of the line services; **(2) Special Schools:** HCDE provides excellent services in schools designed to provide education to students with special needs. HCDE looks forward to expanding its clientele to new schools in other areas of the Harris County, such is the case of the Fortis Academy; **(3) Choice Partners:** HCDE provides benefit to school districts in Harris County and other clients by complying with the procurement requirements and vendors in all service areas. Out of every transaction, the vendors that supply Choice Partners members pay a commission as revenue for Choice. After Choice expenses are covered, the remaining excess is transferred to the General Fund to fund HCDE programs that benefit our community and students.

One of HCDE main goals is recruiting, hiring, and retaining high quality staff. Regarding personnel staffing trends, HCDE maintains the minimum level of staff required to provide good quality services. The HCDE advantage is that can utilize tax revenues to provide quality services.

Subject:

Proposal Submission; Educator Certification and Advancement; U.S. Department of Education Teacher and School Leader Incentive Grant; CORE UPS

Rationale:

Center for Grants Development worked with Educator Certification and Advancement to prepare and submit a proposal request of \$8,028,987.98 to the U.S. Department of Education Teacher and School Leader Incentive Grant Program to implement the three-year Creating Opportunities to Reimagine Education in Urban Public Schools (CORE UPS) Fellowship Program in collaboration with Alief and Aldine ISDs.

If funded, the project, Creating Opportunities to Reimagine Education in Urban Public Schools (CORE UPS), will serve 15 high need campuses, 12 of which reside within Qualified Opportunity Zones, representing 1,059 teachers, 73 leaders and 24,448 students. CORE UPS goals include 1) to primarily serve educators in High-Need Schools who raise student academic achievement and close the achievement gap between high- and low-performing students, ensuring all students have equitable access to high-quality instruction; 2) to use information on educator performance to inform key school- and district-level decisions and 3) to ensure that educator evaluation and support systems are fair, reliable, and credible; conducive to enhancing educator growth and advancement; likely to support improved student outcomes; and seamlessly integrated into school- and district-level human capital processes by improving/expanding its partner ISDs' HCMS and PBCS.
