The CES Team Believes:

Educators deserve the very best professional development opportunities, and students deserve the very best educators.

The CES Team Strives to:

Take care of the educators who give so much to our children, because effective, thriving educators provide students with the experiences that shape their lives.

Key Highlights: Summer Launch

“I’m defining innovation as a way of thinking that creates something new and better. Innovation can come from either invention or iteration, but if it doesn’t meet the idea of new and better, it is not innovative.”

- George Couros, The Innovator’s Mindset
