MESSAGE TO OUR BOARD

Message to our Board

PURPOSE

One of our goals is to deliver value to Harris County by utilizing resources in an ethical, transparent and fiscally responsible manner. The purpose of this report is to communicate the results of our comprehensive annual risk assessment process.

ORGANIZATIONAL TONE

It is my expectation that every staff member is responsible to ensure internal controls are established, followed and monitored in an ethical, honest, and fair manner.

RISK ASSESSMENT PROCESS

Our risk assessment process allows the HCDE divisions to actively assess our business risk to determine whether we are meeting the HCDE mission and objectives in an effective and efficient manner. It is an essential tool that our division managers must have system knowledge and utilize this process in their day to day activities. Our leadership team has the expertise to lead staff that understand and are aware of this process. The result is dependent on our strong internal controls framework.

MID-YEAR AND END OF YEAR ("EOY") REVIEWS

Our process is an on-going process which begins during the prior years' budget process, and it is operationalized through systems during the year through procedures, planning, monitoring, communicating and measurement.

RESULTS

In conclusion, our divisions have assessed programmatic risks and taken steps to mitigate any areas susceptible to higher risk. The results are that 93% of our divisions are between risk level of 1 and 2 which is a testament of our strong internal controls. The remaining divisions that have a risk level of 3 to 4 or 7% have addressed their risk factors by providing training and looking ahead to potential threats and determine the probability of impact to our financial position. These risk factors have been addressed through targeted training and internal controls that mitigate these risks.

LOOKING AHEAD

Our work in risk assessment is not a one-time event, but rather, it is a systematic process that I charge each and every staff member to nurture our systems so that we, as a team, can reach our goals by design.

Executive Summary

The risk assessment process is a tool used by HCDE to assess its program risk and business risk. It is comprised of two reviews. The first review is during the year, and it coincides with the annual budget process. Division managers are asked to conduct this risk assessment during the need assessment process in the months of February and March. The forms are turned in to the Business Office in late March. These forms, along with the budget requests, are reviewed during internal budget meetings. The next step of this process occurs at the end of the year process to make sure that attributes and situations have not changed as compared to the mid-year review. Another review was conducted, and various risk indicators were adjusted due to the nature of the enterprise or the program. For FY 18-19, the End of Year and the Mid-Year review are on page 9 to 13 of the report. The following results are identified below:

There are 7 major divisional segments that are identified in the Executive Team. These include divisions organized under Education and Enrichment (led by Dr. Kim McLeod), Academic Support (led by Jonathan Parker), Facilities, Construction & Choice (led by Rich Vela), the divisions under the Chief of Staff (led by Danielle Bartz), Chief Communication Officer & Technology (led by Danielle Clark), Business Office (led by Dr. Jesus Amezcua), and Human Resources (led by Natasha Truitt). Their scores are presented on page 9.

For Education and Enrichment, all divisions ranged within a score of 1 and 3 which means that these divisions are within the low end of the risk factor. There are several areas that may increase the risk due to regulatory requirements in the area (grant) of Adult Education and enterprise risk in Teaching and learning Center. In addition, Center for Safe and Secure Schools Division has experienced a change in personnel this last year, and training has been provided to the new director.

The area of Academic Support includes the largest grant at HCDE (Head Start), Therapy, and our Special Schools. The risk factors in the grant areas (Head Start Division) ranges from 1 to 3, and this is due to the complexity of grant requirements contained in 2 CFR 200 regulations. The area of Therapy also has a risk factor of 3 due to the regulatory requirements of special education laws. Our special schools have a range of 1 to 2, and often these too have a higher risk factor due to special education laws, state discipline laws and the economic uncertainty of contracts dependent on district appropriations. AB School East has experienced a change in Principal and Assistant Principal this year, and training has been provided to new staff.

In Facilities, construction and Choice Partners, the risk factors vary from 1 to 3 due to the nature of their business. These, like other divisions, follow the normal policies and procedures. Records Management Division has some risk due to change in personnel and the complexity of the operations. The Facilities Division has seen an increase in risk due to additional construction projects being handled through the division, and the procurement training has been provided to reduce their risk rating.

For the divisions under the chief of staff, these include areas such as the Center for After School Summer & Expanded Learning (CASE) and open records requests. Their factors are within 1 to 2. As grant divisions are impacted by federal and state law changes; therefore, the risk factors go up due to the nature of the

transactions. However, the department has established internal controls to meet regulatory requirements from 2 CFR 200, TEA and others. By providing training and grant manual updates, these departments have mitigated the risk to a manageable level.

In the area of technology and communications, the risk factors vary from 1 to 4 due to the nature of complexity of their operations. These, like other divisions, follow the normal policies and procedures. Technology is constantly evolving; thus, our staff must maintain ahead of industry changes. Their risk varies from 1 to 4 as new risk often emerge due to technology advances and cyber threats. At mid-term the Technology division had a 4 in complexity of operations and change in computer systems due to programming changes in core financial/operational systems managed by vendors, and at year-end proper evaluations and tests were performed. The division has engaged in continuous personnel training and preventive measures to secure our data and provide a 99% level of reliability to our technology users.

Lastly the areas of Business and Human Resources have a factor of 1 to 3 since these divisions are primarily support divisions. Moreover, there are controls in place that are systemic and all divisions are required to follow the department's financial operating guidelines which are the control procedures for all transactions. Many divisions have additional department procedures that strengthen their processes, and all are consistent with the overall department guidelines.

COSO Framework

The framework was developed in 1993 by the Commission of Sponsoring Organizations of the Treadway Commission (COSO), and it is the standard for evaluating internal controls. This process is a **means by which the board, management, and key business managers provide reasonable assurance that the organizational objectives are met over:**

- Effectiveness and efficiency of operations
- Reliability of financial reporting
- Compliance with applicable laws and regulations

To this end, the framework looks at five components that support the organizations missions, strategies and objectives.

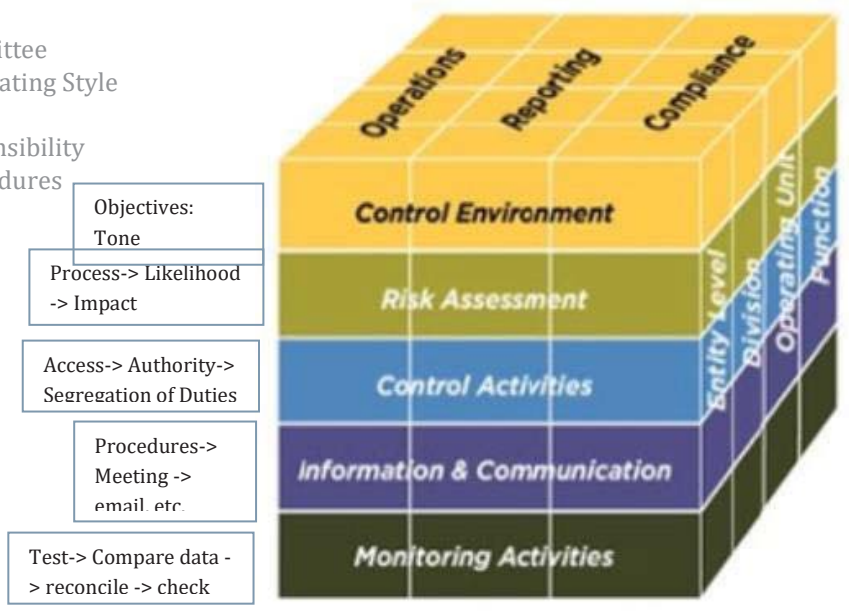

1. Control Environment
- Integrity and Ethical Values
- Commitment to Competence
- Board of Directors and Audit Committee
- Management's Philosophy and Operating Style
- Organizational Structure
- Assignment of Authority and Responsibility
- Human Resource Policies and Procedures

2. Risk Assessment
- Company-wide Objectives
- Process-level Objectives
- Risk Identification and Analysis
- Managing Change

3. Control Activities
- Policies and Procedures
- Security (Application and Network)
- Application Change Management
- Business Continuity/Backups
- Outsourcing

4. Information and Communication
- Quality of Information
- Effectiveness of Communication

5. Monitoring
- Ongoing Monitoring
- Separate Evaluations
- Reporting Deficiencies

Risk Factors

#1 QUALITY OF INTERNAL CONTROLS

Measures the adequacy of the division's business environment:

- Do adequate safeguards exist to protect fixed assets?
- Are duties for business transactions properly segregated?
- Do directors/managers monitor and inspect the performance of ongoing operations?
- Are budgets and expenditure accounts reviewed monthly?
- Are internal controls functioning as intended?

#2 CHANGE IN MANAGEMENT OR KEY PERSONNEL

Measures the effects of management or key personnel turnover on the activity area:

- Has the area been able to manage turnover or is the turnover managing them.
- Consider recent organizational changes, restructuring, and/or reassignments.
- Consider personnel qualifications and impact on overall operations and controls.
- Consider employee morale and environment as a result of changes in personnel.

#3 NATURE OF CASH TRANSACTIONS

Measures the financial impact of the activity being reviewed:

- Daily volume of cash transactions
- Asset size (consider both cash and fixed assets)
- Liquidity (ease of converting into cash)

#4 COMPLEXITY OF OPERATIONS – TECHNOLOGY

Measures the overall complexity of the computer operating system and the environment employed to process transactions. Consider the degree to which your operations are dependent on technology. This factor is designed to measure the time, number of steps, degree of difficulty, coordination of individuals, and necessary level of training needed to process a transaction. Technology risk factors to be considered are:

- remote access allowed
- number of programs and interfaces to other systems
- extent to which the system is used to process critical data
- sensitivity of processed data
- impact on other systems and applications
- number of users
- system supported internally or by external third parties

RISK FACTORS

#5 COMPETENCE OF MANAGEMENT

Measures the expertise of supervisory, back up and operating personnel in the performance of their duties as they relate to the activity area's system of controls and on-going operations. This is a measure of management and operating personnel within the area.

#6 CHANGE IN COMPUTER SYSTEMS

Measures the effect of a major change in computer systems on the activity area. This could be a change in operating systems, an offering of a new product, or a change in the way data is processed. Technology risk factors to be considered are:

- number of programs and interfaces to other systems
- latest available application version and release/patch level
- remote access allowed
- extent to which the system is used to process critical data
- classification of data residing on the platform
- confidential customer data
- impact on other systems and applications
- number of users
- platform location
- system supported internally or by external third parties
- change in support personnel

#7 REGULATORY REQUIREMENTS

Measures the possible consequences attributable to

- violations of laws and regulations
- the potential loss due to fines
- restrictions
- public embarrassment from substantive violations of law or regulatory requirements.

#8 TIME SINCE LAST REVIEW

Measures the time period (in years) since the last risk awareness review was performed on the activity area.

Best Practices

There are a number of organizations that recommend that a risk assessment process be part of the organization's internal control evaluation process. Among these include the following:

- SOX -401 of 2002 requirement - Issuers are required to publish information in their annual reports concerning the scope and adequacy of the internal control structure and procedures for financial reporting.
- Office of the Inspector General (OIG) plans to conduct quality control reviews, special reviews, investigations, and follow up reviews possibly down to the subcontractor level.
- The Texas Workforce Commission (TWC) invites agencies to look at internal controls more closely.
- The OMB Circular A-133, this Part includes generic audit objectives and suggested audit procedures to test internal controls. and is the new CFR 200 or the Uniform Grant Guidance - EDGAR
- SAS #112 & SAS 115 ....SAS # 115 includes much of what was outlined in SAS # 112 as it provides guidance to enhance the auditor's ability to evaluate deficiencies in Internal Control identified during an audit, and then communicate those deficiencies that the auditor believes are significant deficiencies or material weaknesses to management and those charged with governance.

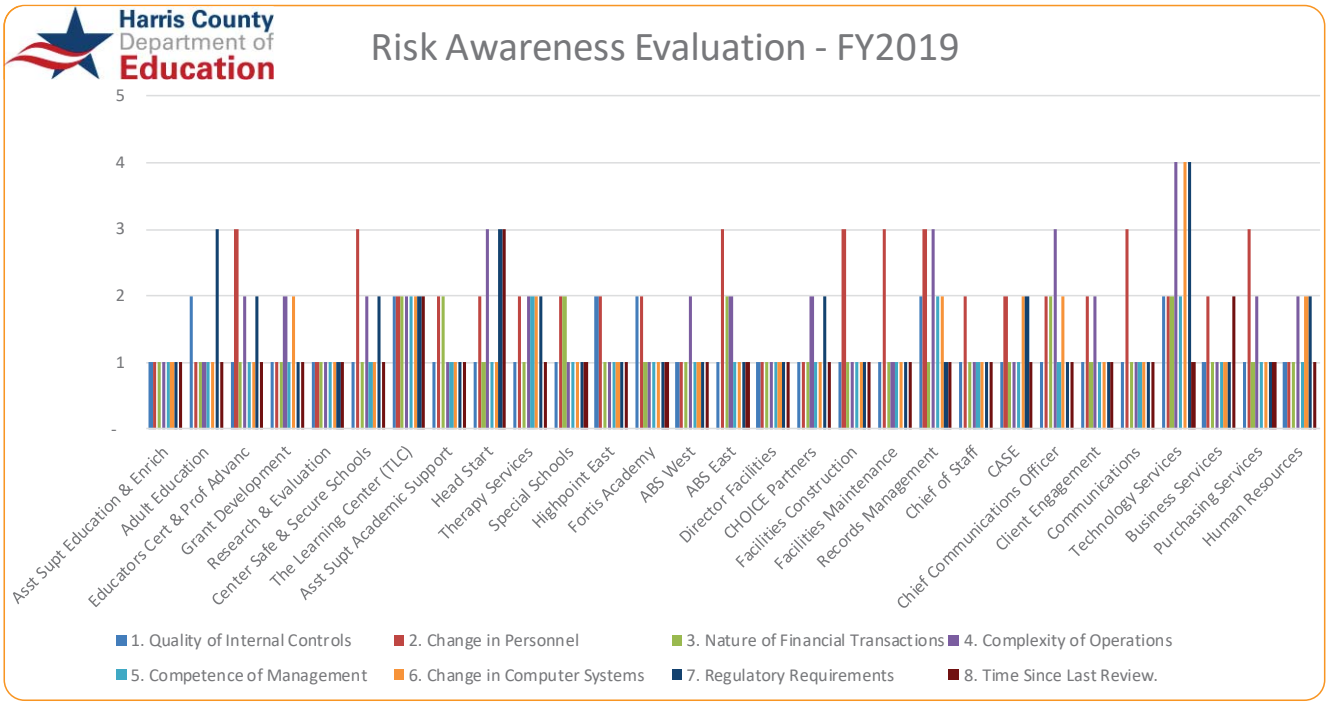

BEST PRACTICES

GFOA Best Practices state that **Government management as a whole can do a better job establishing and assessing its Internal Control structure.**

- Certify the sufficiency of the governmental unit's Internal Control structure and provide appropriate penalties for non-compliance.
- Establish an internal audit department to monitor Internal Controls and to safeguard the assets of the community. [This department should report to an independent audit committee.]
- Perform a government-wide risk assessment to determine liabilities and identify internal control needs.
- Establish internal controls structure with policies and procedures to address them.
- Develop assessment and monitoring mechanisms for oversight and provide assurances to constituents as to the effectiveness and efficiency of operations; compliance with laws, regulations and agreements.
- Provide training for management in their responsibilities for establishing and assessing Internal Control structures and financial reporting basics.
- Develop an Internal Control tool/questionnaire in a standard format to assist management with their review, and a standardized disclosure statement for signature by management.
- Establish a standard formalized review and assessment process for use government-wide by all management.
- Develop government-wide strategic planning with all entities coming together to identify government goals, mission, vision statements and produce a 5-20-year plan to be utilized to overcome politically motivated measures.
- Develop information systems that interface with one another.
- Develop shared systems to eliminate redundancy and promote regionalism.

Risk Assessment Rankings - Summary

93% of our systems have low to medium manageable risk, and the other 7% is addressed through training and development and strong preventive measures that anticipate industry and regulatory changes.

Investment Report Narrative

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collaterized according the PFIA (Public Funds Investment Act).

All funds are invested overnight to capture rising interest rates

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

Moving Forward

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.

Compliance Statement

In accordance with Texas Government Code, Section 2256, Public Funds Investment Act, HCDE has adopted written investment policy, CDA (LEGAL) and CDA (LOCAL) Other Revenues: Investments requiring the investment officers to prepare and submit a written report of investment transactions for the preceding reporting period to the Board of Trustees. The report must be prepared at least on a Monthly basis and must:

- Describe in detail the investment position of HCDE on the date of the report.
- Contain a summary statement of each pooled fund group including beginning market value for the reporting period; additions and changes to the market value during the period and ending market value for the period.
- State the book value and market value of each invested asset at the beginning and end of the reporting period by type of asset and fund type invested.
- State the account, fund or pooled fund group for which each asset was acquired.
- State compliance of the investment portfolio with the HCDE investment policy and investment strategies and with state law.

HCDE is in compliance with the Public Funds Investment Act. All investments purchased must meet the three basic tenets included in the investment policy: safety, liquidity, and yield.

The day-to-day cash management and HCDE investments are the responsibility of the Asst. Superintendent, Chief Accounting Officer, Budget & Business Analyst, and the Senior Accountant.

As the approved investment officer of Harris County Department of Education, I hereby certify that the preceding Investment Report represents the investment position of the Department as of the date above in compliance with the Board-approved Investment Policy, the Public Funds Investment Act, and generally accepted accounting principles.

Summary Schedule of Weighted Average Maturity (A) – Investment Type General Fund

(#1) INVESTMENT TYPE	(#2) BOOK VALUE	(#3) DAYS TO MATURITY	(#4) BOOK VALUE * DAYS (#2) * (#3)	WEIGHTED AVERAGE MATURITY (B)
First Public/Lone Star Inv Pool	$ 2,622,179	1	$ 2,622,179	2.14
TexPool Inv Pool	1,469,061	1	1,469,061	1.60
TexSTAR Inv Pool	26,063,553	1	26,063,553	17.33
Banks: Overnight & Cash	2,922,949	1	2,922,949	-
Totals	**$ 33,077,741**		**$ 33,077,741**	**5.27**

(A) For HCDE all deposits are due on demand. In this case the WAM = the total (#4) of $33,077,741 Divided by (#2) Book Value = 1 Days to Maturity

(B) The WAM of 5.27 is for the entire investment pool.

This measure is useful in determining the degree of market or interest rate risk. The longer the WAM, the more exposure to market risk and the more potential for capital gains or losses.

Although TexPool, TexSTAR, and Lone Star have a weighted average maturity greater than one, the funds are available to the Department within one day. HCDE holds investments to maturity, which minimizes this market exposure.

Glossary of Investment Terms

Accretion	The daily book value earned daily (on a straight-line basis) on securities purchased at a discount. At maturity, a discount security will be worth the face value. The types of securities involved are usually treasury bills, discount notes, commercial paper, and bankers' acceptances.
Amortization	The daily book value earned daily (on a straight-line basis) on securities purchased at a premium. To correctly account for premium amortization, it must be subtracted from the coupon interest either monthly or at maturity.
Bank of Texas Funds	Bank of Texas are unsecured money market accounts where the Public Facilities Corporation funds are kept unless otherwise invested.
Benchmark for Investments	HCDE uses the 13-week (90 day) Treasury Bill investment rate of the maturity date closest to the end of the month-www.treasurydirect.gov.
Book Value	The face amount minus any unaccredited discount or plus any unamortized premium. See Accretion and Amortization.
Cash	Cash includes readily available cash, current bank accounts and certificates of deposit. Cash is considered to be the most liquid asset.
Commercial Paper	An unsecured promissory note issued by a corporation with a fixed maturity. The issuer (such as Coca Cola, General Electric, Kimberly Clark) promises to pay the buyer a fixed amount on some future date but pledges no assets, only his liquidity and established earning power, to guarantee that promise. Interlocal Agreement
between Harris County Department of Education
&City of Kenedy

Pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and Chapter 271, Subchapter F of the Texas Local Government Code, and other similar, applicable laws of other states, this Interlocal Agreement ("Agreement") is made and entered into by and between Harris County Department of Education ("HCDE"), located in Houston, Texas, and City of Kenedy, a local governmental entity and/or political subdivision ("LGE"), located in Kenedy (*city*), Texas (*state*), for the purpose of contracting for the performance of governmental functions and services. The undersigned may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. This Agreement and the attached and incorporated addenda, purchase orders, or exhibits, if any, contain the entire agreement of the parties, and there are no representations, agreements, arrangements, or undertakings, oral or written, between the Parties to this Agreement other than those set forth in this Agreement and duly executed in writing.

3. Purpose and Scope of Work.

A. HCDE agrees to:

- Provide LGE with descriptive offerings of each of the programs and services that HCDE provides.
- Provide programs and services upon LGE's submission of independent contracts or purchase orders to HCDE and HCDE's acceptance thereof. HCDE's obligations to provide programs and services is contingent on HCDE acquiring and maintaining sufficient staffing through reasonable efforts to satisfy HCDE's obligations under this Agreement and all similar obligations under its contracts with other local governmental entities.
- Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

B. LGE agrees to:

- Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

- Submit purchase order(s) or independent contract(s) for each of the HCDE programs and/or services that LGE desires to purchase and/or collaborate.
- Agree to follow the terms and conditions of each independent contract or purchase order.
- Designate a person to act as LGE's representative to each respective HCDE program and/or service delivered.

4. As is. HCDE makes this Agreement available to HCDE participating entities "as is" and is under no obligation to revise the terms, conditions, scope, prices, and/or any requirements of the Agreement for the benefit of LGE.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

   LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

7. Invoices. HCDE will invoice LGE for the HCDE programs and services that LGE purchases from HCDE. LGE agrees to remit payment to HCDE within thirty (30) days after the later of the following: (1) the date LGE receives the goods; (2) the date the performance of the service is completed; or (3) the date LGE receives an invoice for the goods or service. If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.

9. Compliance with Laws. Each Party is responsible for complying with applicable laws and regulations relating to this Agreement and any purchase made under this Agreement.

10. Termination. This Agreement may be terminated prior to the expiration of the Term hereof as follows:
    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

13. Contract Amendment. This Agreement may be amended only by the mutual agreement of all Parties, in writing, to be attached to and incorporated into this Agreement.

14. Notice. Any notice provided under the terms of this Agreement by either party to the other shall be in writing and shall be sent by **certified mail, return receipt requested**. Notice to shall be sufficient if made or addressed as follows:

Preamble

HCDE is a local governmental entity established to promote education in Harris County, Texas and is duly authorized to provide programs and services in the State of Texas. Both HCDE and LGE desire to set forth, in writing, the terms and conditions of their agreement.

General Terms and Conditions

In consideration of the mutual covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Term. The term of this Agreement shall commence on the date of the first signature of this Agreement ("Effective Date") and shall automatically renew annually, unless either Party gives thirty (30) days prior written notice of non-renewal.

2. Agreement. The terms of this Agreement shall apply and will be considered a part of any addendum, purchase order, or contract for programs and services delivered by HCDE. - Conduct, at a minimum, an annual audit or survey, as appropriate, for each of the programs and services that HCDE delivers.

B. LGE agrees to:

- Participate in any or all of the programs and services that HCDE offers, in LGE's sole discretion.

5. Master Contract. This Agreement can be utilized as a Master Contract. The general terms and conditions in this Agreement will serve to outline the working relationship between HCDE and LGE.

   LGE agrees to adhere to the specific terms and conditions set forth for the HCDE programs and/or services as contracted by LGE. In the case of a conflict between this Agreement and any addendum, purchase order, or individual contract for a specific HCDE program or service, the provisions of the addendum, purchase order, or individual contract will govern.

6. Payments. The Parties agree that all payments made under this Agreement will be in an amount that fairly compensates the performing Party for the services or functions performed under this Agreement. The Parties further agree that each Party paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying Party.

If LGE makes a payment to HCDE with a credit card, LGE agrees to pay to HCDE a surcharge fee consisting of any applicable credit card fees and/or costs incurred by HCDE, including, without limitation, the processing fee(s) charged to HCDE by the credit card company(ies).

8. Participation in HCDE's Cooperative Purchasing Program. If LGE elects to participate in HCDE's cooperative purchasing program, Choice Partners, LGE shall be permitted to purchase goods and services using the contracts competitively procured by HCDE. HCDE does not assess a fee to LGE for participation in Choice Partners. LGE shall make payments directly to vendors. LGE shall be responsible for ordering, inspecting, and accepting the goods and services purchased through Choice Partners. LGE shall further be responsible for the vendors' compliance with provisions relating to the specific quality of goods and services delivered and terms of delivered, as set forth between LGE and the vendor. HCDE is not responsible or liable for the performance of any vendor used by LGE as a result of this Agreement or LGE's participation in Choice Partners.

    - By either Party, with or without cause, upon thirty (30) days' prior written notice;
    - By mutual written agreement of the Parties; or
    - By either Party immediately if the other Party commits a material breach of any of the terms of this Agreement and no remedial action can be agreed upon by the Parties.

    Termination of this Agreement by a Party shall not terminate an existing purchase order or individual contract between HCDE and LGE or between LGE and an HCDE cooperative purchasing program vendor. In the event of termination of this Agreement or any purchase order or individual contract, LGE shall be responsible for compensating HCDE for programs and services provided by HCDE up to the effective date of termination.

11. Assignment. Neither this Agreement nor any duties or obligations entered in subsequent contracts because of this agreement shall be assignable by either party without the prior written acknowledgment and authorization of both parties.

12. Conflict of Interest. During the Term of HCDE's service to LGE, LGE, its personnel and agents, shall not, directly or indirectly, whether for LGE's own account or with any other person or entity whatsoever, employ, solicit or endeavor to entice away any person who is employed by HCDE.

- *Agency* or *TEA:* The Texas Education Agency
- *Subrecipient:* A non-Federal entity that receives a Subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A Subrecipient may also be a recipient of other Federal awards directly from a Federal awarding Agency (2 CFR §200.93)
- *Program Manager:* The person representing the Agency or the Subrecipient, as indicated by the Subaward, for the purposes of administering the Subaward Project
- *Subaward Project:* The purpose intended to be achieved through the Subaward of which these provisions and assurances are a part
- *Applicant:* The same as Subrecipient

The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to Grant sublicenses.
- *Grant:* The same as Subaward
- *Grantee:* The same as Subrecipient
- *Grantor:* The same as Agency
- *DCC:* The Document Control Center of the Agency
- *Capital Assets:* Tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting Principles (GAAP).   If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- *Capital Expenditures:* Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR §200.13)

This does not include PII that is required by law to be disclosed (2 CFR §200.82)

B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.

C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.

D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.

F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.

TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.

H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)

J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)

K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non- compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)

L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.

M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.

O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.

Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).

The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.

S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.

T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.

U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.

The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.

X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.

Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR §§200.313 and 200.314 as applicable.

Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the

Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.

BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR §76.532)

CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.

DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in §200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Division of Financial Compliance (DFC) in the time and manner requested by the Agency.

A Subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract (2 CFR §200.92)
- *Agency* or *TEA:* The Texas Education Agency
- *Subrecipient:* A non-Federal entity that receives a Subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A Subrecipient may also be a recipient of other Federal awards directly from a Federal awarding Agency (2 CFR §200.93)
- *Program Manager:* The person representing the Agency or the Subrecipient, as indicated by the Subaward, for the purposes of administering the Subaward Project
- *Subaward Project:* The purpose intended to be achieved through the Subaward of which these provisions and assurances are a part
- *Applicant:* The same as Subrecipient
- *SAS:* The Standard Application System of which the Application document is a part
- *Application:* The entire package submitted by the Applicant, including the required schedules contained in the Application and so indicated on Schedule #1 of the paper Application package or on the Certify and Submit schedule of the eGrants Application package.
- *Amendment:* An Application that is revised in budget categories and/or in program activities. It includes Schedule #1 and Schedule #4 of the paper Application, or GS2900 – Purpose of Amendment in eGrants, and any additional schedules affected by the proposed change. - *Works:* All tangible or intangible material, products, ideas, documents, or Works of authorship prepared or created by the Subrecipient for or on behalf of TEA at any time after the beginning date of the Subaward (Works includes but is not limited to computer software, data, information, images, illustrations, designs, graphics, drawings, educational materials, assessment forms, testing materials, logos, trademarks, patentable materials, etc.)

The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to Grant sublicenses.
- *Grant:* The same as Subaward
- *Grantee:* The same as Subrecipient
- *Grantor:* The same as Agency
- *DCC:* The Document Control Center of the Agency
- *Capital Assets:* Tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting Principles (GAAP). Capital Assets include: (a) Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, lease-purchase, exchange, or through capital leases; and (b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to Capital Assets that materially increase their value or useful life (not ordinary repairs and maintenance).(2 CFR §200.12).

  If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- *Capital Expenditures:* Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR §200.13)

This does not include PII that is required by law to be disclosed (2 CFR §200.82)

B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.

C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.

D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.

F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.

TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.

H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)

J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)

K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non- compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)

L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.

M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.

O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.

Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).

The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.

S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.

T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.

U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.

The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.

X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.

Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR §§200.313 and 200.314 as applicable.

Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the

Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.

BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR §76.532)

CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.

DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in §200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Division of Financial Compliance (DFC) in the time and manner requested by the Agency.

Grantees that expend $750,000 or more during the entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.501 Audit requirements, except when it elects to have a program-specific audit conducted in accordance with paragraph of that section. Grantees agree to submit a copy of such audits to TEA when the schedule of findings and questioned costs disclose audit findings relating to any federal awards provided by TEA. A copy of such audits shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

EE. **Federal Rules, Laws, and Regulations That Apply to All Federal Programs:** The Subrecipient shall be subject to and shall abide by all federal laws, rules, and regulations pertaining to the Subaward Project, including but not limited to:

1. **Americans With Disabilities Act,** Public Law (P.L.) 101-336, 42 United States Code (USC) section 12101, and the regulations effectuating its provisions contained in 28 CFR Parts 35 and 36, 29 CFR Part 1630, and 47 CFR Parts 0 and 64.

- *Subrecipient:* A non-Federal entity that receives a Subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A Subrecipient may also be a recipient of other Federal awards directly from a Federal awarding Agency (2 CFR §200.93)
- *Program Manager:* The person representing the Agency or the Subrecipient, as indicated by the Subaward, for the purposes of administering the Subaward Project
- *Subaward Project:* The purpose intended to be achieved through the Subaward of which these provisions and assurances are a part

The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to Grant sublicenses.
- *Grant:* The same as Subaward
- *Grantee:* The same as Subrecipient
- *Grantor:* The same as Agency
- *DCC:* The Document Control Center of the Agency
- *Capital Assets:* Tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting Principles (GAAP).   If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency

reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- *Capital Expenditures:* Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR §200.13)

This does not include PII that is required by law to be disclosed (2 CFR §200.82)

B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.

C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.

D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.

F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.

TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.

H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)

J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)

K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non- compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)

L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.

M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.

O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.

Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).

The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.

S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.

T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.

U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers,

directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.

The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.

X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.

Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR §§200.313 and 200.314 as applicable.

Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the

Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.

BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR §76.532)

CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.

DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in §200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Division of Financial Compliance (DFC) in the time and manner requested by the Agency.

Grantees that expend $750,000 or more during the entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.501 Audit requirements, except when it elects to have a program-specific audit conducted in accordance with paragraph of that section. Grantees agree to submit a copy of such audits to TEA when the schedule of findings and questioned costs disclose audit findings relating to any federal awards provided by TEA. A copy of such audits shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

EE. **Federal Rules, Laws, and Regulations That Apply to All Federal Programs:** The Subrecipient shall be subject to and shall abide by all federal laws, rules, and regulations pertaining to the Subaward Project, including but not limited to:

HCDE may, in its sole discretion, deduct the amount(s) of any such disallowed costs and/or refund(s) from subsequent payments to the CHARTER under this Contract.

- *Agency* or *TEA:* The Texas Education Agency
- *Subrecipient:* A non-Federal entity that receives a Subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A Subrecipient may also be a recipient of other Federal awards directly from a Federal awarding Agency (2 CFR §200.93)
- *Program Manager:* The person representing the Agency or the Subrecipient, as indicated by the Subaward, for the purposes of administering the Subaward Project
- *Subaward Project:* The purpose intended to be achieved through the Subaward of which these provisions and assurances are a part
- *Applicant:* The same as Subrecipient

- *Amendment:* An Application that is revised in budget categories and/or in program activities. It includes Schedule #1 and Schedule #4 of the paper Application, or GS2900 – Purpose of Amendment in eGrants, and any additional schedules affected by the proposed change. The Intellectual Property Rights of a party include all worldwide intangible legal rights or interests that the party may have acquired by assignment or license with the right to Grant sublicenses.
- *Grant:* The same as Subaward
- *Grantee:* The same as Subrecipient
- *Grantor:* The same as Agency
- *DCC:* The Document Control Center of the Agency
- *Capital Assets:* Tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting

Principles (GAAP). Capital Assets include: (a) Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, lease-purchase, exchange, or through capital leases; and (b) Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations or alterations to Capital Assets that materially increase their value or useful life (not ordinary repairs and maintenance).(2 CFR §200.12).

If the Subrecipient purchases Capital Assets (furniture and/or equipment) with Subaward funds to accomplish the objective(s) of the project, title will remain with the Subrecipient for the period of the Subaward. The Agency reserves the right to transfer Capital Assets for Subrecipient noncompliance during the Subaward period or as needed after the ending date of the Subaward. This provision applies to any and all furniture and/or equipment regardless of unit price and how the item is classified in the Subrecipient's accounting record.

- *Capital Expenditures:* Expenditures to acquire Capital Assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to Capital Assets that materially increase their value or useful life. (2 CFR §200.13)

This does not include PII that is required by law to be disclosed (2 CFR §200.82)

B. **Contingency:** The agreement represented by this Subaward is executed by the Agency subject to the availability of funds appropriated by legislative act for the purposes stated. All Amendments and/or extensions or subsequent Subaward agreements entered into for the same or continued purposes are executed contingent upon the availability of appropriated funds. Notwithstanding any other provision in this Subaward agreement or any other document, this Subaward agreement is void upon appropriated funds becoming unavailable. In addition, this Subaward agreement may be terminated by the Agency at any time for any reason upon notice to the Subrecipient. Expenditures and/or activities for which the Subrecipient may claim reimbursement shall not be accrued or claimed subsequent to receipt of such notice from the Agency. This Subaward agreement may be extended or otherwise amended only by formal written Amendment properly executed by both the Agency and the Subrecipient. No other agreement, written or oral, purporting to alter or amend this Subaward shall be valid.

C. **Subrecipient's Application:** Furnished to the Agency in response to a request for Application, is incorporated in this Subaward by reference for all necessary purposes. It is specifically provided; however, that the provisions of this Subaward shall prevail in all cases of conflict arising from the terms of the Subrecipient's Application whether such Application is a written part of this Subaward or is attached as a separate document.

D. **Requirements, Terms, Conditions, and Assurances:** Stated in the Request for Application, in response to which the Applicant is submitting this Application, and are incorporated herein by reference for all purposes. The instructions to the Standard Application System, as well as the General and Fiscal Guidelines and Program Guidelines, are incorporated herein by reference.

E. **Signature Authority; Final Expression; Superseding Document:** The Applicant certifies that the person signing or certifying and submitting this Application has been properly delegated this authority. The Subaward represents the final and complete expression of the terms of agreement between the parties. The Subaward supersedes any previous understandings or negotiations between the parties. Any representations, oral statements, promises, or warranties that differ from the Subaward shall have no force

or effect. The Subaward may be modified, amended, or extended only by formal written Amendment properly executed by both TEA and the Subrecipient.

F. **State of Texas Laws:** In the conduct of the Subaward Project, the Subrecipient shall be subject to Texas State Board of Education and Commissioner rules pertaining to this Subaward and the Subaward Project and to the laws of the State of Texas governing this Subaward and the Subaward Project. This Subaward constitutes the entire agreement between the Agency and the Subrecipient for the accomplishment of the Subaward Project. This Subaward shall be interpreted according to the laws of the State of Texas except as may be otherwise provided for in this Subaward.

G. **Monitoring:** Desk reviews, on-site monitoring reviews, arranging for agreed-upon-procedures engagements, and training and technical assistance on program-related matters may be conducted by the Agency to determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.

TEA conducts federal fiscal Grant Subrecipient monitoring and compliance reviews, and implements related remedies for noncompliance, in accordance with its established policies and procedures. These policies and procedures incorporate best practices and standards that may be similar to common auditing standards, but the Agency does not apply a specific set of external standards, such as the US Government Accountability Office's Generally Accepted Government Auditing Standards (Yellow Book), nor is it required to do so.

H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of failure to comply with the terms and conditions of the grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

I. **Notification of Specific Conditions:** Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)

J. **Remedies for Noncompliance:** If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)

K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non- compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)

L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.

M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.

N. **Encumbrances/Obligations and Liquidations:** All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.

O. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally- funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non- Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).
Public school districts, open-enrollment charter schools, and regional education service centers in Texas must comply with the accounting requirements in the Financial Accounting

and Reporting (FAR) module of the *Financial Accountability System Resource Guide*, Texas Education Agency.

P. **Expenditure Reports:** The Subrecipient shall submit expenditure reports in the time and manner requested by the Agency and in accordance with the critical events calendar for the Grant accessible from the TEA Grant Opportunities page which is incorporated by reference. Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.

Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.

R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).

The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. The Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Subrecipient and the requirements to cooperate is included in any subcontract it awards.

S. **Time and Effort Recordkeeping:** For those personnel whose salaries are prorated between or among different funding sources or used as matching/cost sharing to a federal Grant, time and effort records will be maintained by Applicant that will confirm the services provided within each funding source. Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding source, unless otherwise specified. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.

T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention, and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.

U. **Intellectual Property Ownership:** The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. The Subrecipient agrees to maintain written agreements with all officers, directors, employees, agents, representatives, and subcontractors engaged by the Subrecipient for the Subaward Project, Granting the Subrecipient rights sufficient to support the performance and Grant of rights to TEA by the Subrecipient. Copies of such

agreements shall be provided to TEA promptly upon request.

The Subrecipient warrants that (i) it has the authority to Grant the rights herein Granted; (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Subaward, and the Subrecipient will not enter into any such agreements; and (iii) the Works will be original and will not infringe any Intellectual Property Rights of any other person or entity. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

V. **Unfair Business Practices:** By signing this Subaward, the Subrecipient, if other than a state Agency, certifies that the Subrecipient, within the preceding 12 months, has not been found guilty, in a judicial or state Agency administrative proceeding, of unfair business practices. The Subrecipient, if other than a state Agency, also certifies that no officer of its company has, within the preceding 12 months, served as an officer in another company which has been found, in a judicial or state Agency administrative proceeding, to be guilty of unfair business practices.

The Subrecipient, whether a state Agency or not a state Agency, certifies that no funds provided under this Subaward shall be used to purchase supplies, equipment, or services from any companies found to be guilty of unfair business practices within 12 months from the determination of guilt.

W. **Subcontracting:** The Subrecipient shall not assign or subcontract any of its rights or responsibilities under this Subaward, except as may be otherwise provided for in this Application, without prior formal written approval Granted as an Amendment to this Subaward properly executed by both the Agency and the Subrecipient.

X. **Use of Consultants:** Notwithstanding any other provision of this Application, Applicant shall

not use or pay any consultant in the conduct of this Application if the services to be rendered by any such consultant can be provided by Applicant's employees.

Y. **Disposition of Equipment and Supplies:** If Capital Expenditures are used to purchase Capital Assets, the Subrecipient must request disposition instructions from the Agency before disposing of the equipment and/or supplies. Disposition will be made in accordance with 2 CFR §§200.313 and 200.314 as applicable.

Z. **Agency Property (Terms):** In the event of loss, damage, or destruction of any property owned by or loaned by the Agency while in the custody or control of the Subrecipient, its employees, agents, consultants, or subcontractors, the Subrecipient shall indemnify the Agency and pay to the Agency the full value of or the full cost of repair or replacement of such property, whichever is the greater, within 30 days of the Subrecipient's receipt of written notice of the Agency's determination of the amount due. This provision applies whether the property is developed or purchased by the Subrecipient pursuant to this Subaward or is provided by the Agency to the Subrecipient for use in the Subaward Project. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset or counterclaim against any money otherwise due to the Subrecipient by the Agency.

AA. **Travel Costs:** Amounts authorized for maximum recovery for travel costs against any state or federal funding source are restricted to those amounts which are approved in the State of Texas appropriations bill in effect for the particular obligation. Any amount over this limit must come from local funding sources. Applicant must recover funds at a lesser rate if local policy amounts are less than the maximum allowed by the state. Out-of-state travel may not exceed the federal government rate for the locale. Reimbursement of travel costs is based on actual expenses. Travel allowances are unallowable.

BB. **Funds for Religious Worship, Instruction:** No funds will be used to pay for religious worship, instruction, or proselytization, or for any equipment or supplies for such, or for any construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for religious worship, instruction, or proselytization (34 CFR §76.532)

CC. **Disclosure of Gifts and Campaign Contributions:** The Grantee shall file disclosures of gifts and campaign contributions as required by State Board of Education Operating Rule 4.3, which is incorporated as if set out in full. The Grantee has a continuing obligation to make disclosures through the term of the Subaward. Failure to comply with State Board of Education Operating Rule 4.3 is grounds for canceling the Subaward agreement.

DD. **Submission of Audit Reports to TEA:** Grantees agree to submit audit report(s) consistent with the requirements of 2 CFR Part 200, Subpart F of EDGAR, including the reporting package described in §200.512, to the Federal Audit Clearinghouse (FAC). Also by section 44.008 of the Texas Education Code (TEC), Grantees also agree to submit audit reports to TEA Division of Financial Compliance (DFC) in the time and manner requested by the Agency.

Grantees that expend $750,000 or more during the entity's fiscal year in Federal awards must have a single audit conducted in accordance with §200.501 Audit requirements, except when it elects to have a program-specific audit conducted in accordance with paragraph of that section. Grantees agree to submit a copy of such audits to TEA when the schedule of findings and questioned costs disclose audit findings relating to any federal awards provided by TEA. A copy of such audits shall also be submitted to TEA if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by TEA.

EE. **Federal Rules, Laws, and Regulations That Apply to All Federal Programs:** The Subrecipient shall be subject to and shall abide by all federal laws, rules, and regulations pertaining to the Subaward Project, including but not limited to:
