Investment Report Narrative

The Department's funds are required to be deposited and invested under the terms of a depository contract pursuant to the Texas School Depository Act and local Board Policy. The depository bank pledges securities which comply with state law and these securities are held for safekeeping and trust with the Department's and the depository bank's agent bank.

HCDE funds are currently invested in investment pools and with the depository bank. The investment pools used are: Lone Star, Tex Pool, Texas Class and TexStar. The depository bank is J.P. Morgan Chase.

Changes in balances are caused by additions or withdrawals to these accounts. Tax collection deposits are automatically deposited to the TexStar account.

The Public Facility Corporation (PFC) funds are invested with Bank of Texas, Tex-Pools and J. P. Morgan Chase. These funds are reserved as required by the bond covenant.

All funds are properly collateralized according the PFIA (Public Funds Investment Act).

Book Value = Market Value. Book value refers to the financial institution statement which is reconciled to the general ledger.

Moving Forward

The department will continue to monitor its investments and find best value to capture additional interest earnings while preserving the capital in accordance with our adopted investment strategy.
